# TO THE TOWN ASSESSORS.

To the end that there may be uniformity in the town assessment rolls, when completed, the board of supervisors of Monroe county, in annual session convened, passed the following resolutions, instructing the town assessors to comply with certain forms as here set forth:

*1st.*—Make all figures PLAIN and DISTINCT.

*2d.*—Do not make ditto marks in the columns for figures.

*3d.*—See that the figures are placed under each other, inside the blue lines and not zig-zag.

*4th.*—Do not omit any acreage however small, and be sure and report the railroad acreage.

*5th.*—In the column designated "value per acre," place the valuation as fixed by you; this is indispensable.

*6th.*—The assessor's affidavit should immediately follow that portion of the roll made by them, viz: After the recapitulation.

*7th.*—Place incorporated village property on the rolls SEPARATE FROM FARM PROPERTY AND MAKE A RECAPITULATION OF BOTH.

*8th.*—In assessing railroads give miles and 100ths of miles of track in town, with value; also acres of land, with value of land and buildings.

*9th.*—Reduce all fractions of an acre to 100ths, thus: 75¾ acres, report 75.75; 50⅓ acres, 50.33; placing the 100ths in the column designated for the purpose.

*10th.*—The attention of the assessors is called to the necessity of placing in the roll a correct description of the property, particularly the number of lots or parts of lots.

*11th.*—Railroad, Telephone and Telegraph property should be placed under the column marked "assessed value of real estate," not under the column marked "value of personal estate."

*12th*—In making the apportionment for school districts, of either Railroad, Telephone or Telegraph property, do so AFTER the recapitulation in the back of the book; do not place it on the same page the property is assessed on, it is not a portion of the book there, but can be placed in back of book without inconvenience.

*13th.*—According to law the ASSESSORS MUST FOOT THE ASSESSMENT ROLLS before delivering them to the supervisors. The assessors of the towns will understand the GREAT IMPORTANCE of adding the columns correctly, an error in acreage, personal or real, however small, may work great injury to your particular town. In making the recapitulation in the back of the book carry over the footings of the pages like this:

| | No. of Acres. | Assessed Value of Real Estate. Dollars. | Value of Personal Property | Sex. Dog. | Sex. Slut. |
|---|---|---|---|---|---|
| Page 1 | 145.75 | 24,585 | 2,000 | 4 | 1 |
| " 2 | 377.50 | 52,591 | 12,000 | 15 | 1 |
| " 3 | 376.18 | 37,747 | 27,450 | 20 | 2 |
| Total..... | 899.43 | 114,923 | 41,450 | 39 | 4 |

*14th*—If the assessors fail to comply with the above instructions, the supervisor is hereby authorized to return the rolls to the assessors for correction

*15th*—The practice of alphabeting the names in the assessment roll is unnecessary, as the index in the front portion of the book is there for that purpose. Place the names in the assessment roll exactly the way you find the property when you assess along a road or street. If you find Brown, Smith, Jones, Robinson, &c., living on one road, place their names in the roll in that order, and it would facilitate the making of tax searches if the assessors would head the page by stating the name of the tract, road, or street, on which the property is found. In all cases, except Railroads, Telegraph and Telephones, fill out the page. The assessment rolls are smaller this year, and in order to enter the property in the town on the roll it will be necessary to comply with this.

*16th*—In entering Railroad, Telegraph and Telephone property in the assessment roll, place it on separate pages, alphabeting Railroads under R in the index and Telephone and Telegraph under T.

*17th.*—Exempt Property. All exempt property as schools, churches, county, city, state, &c., and property purchased with pension money, must be placed on the assessment rolls, and the word "free" written in the column headed 'assessed value of real estate." In case property of pensioners and ministers are worth more than the exemption, the total assessed value should be placed on the roll, with the exemption deducted as: James E. Jones, minister, $1.800 − 1,500 = $ 300 and the difference placed under the column headed "assessed value real estate." Do not place any explanatory remarks, or make any deductions on the right hand page of the book, as the columns there are for other purposes. The left hand page should contain all explanations.

*18th.*—Place all the village property in the book first, regardless of the alphabetical arrangement of names, and then make a recapitulation. Then enter the farm property and make a recapitulation of that. On the following page place the two recapitulations, adding them together, which will give the total valuation in the town. The Railroad, Telegraph and Telephone companies' valuations should be divided between the village and town. In case property has been omitted the previous year, and it is placed in the assessment roll to be re-assessed, place it on a separate page and write at the head of the page "To be re-assessed." Do not add the amount so re-assessed in the total.

*19th.*—The attention of the assessors is called to the common practice of making the valuation in odd amounts. As, for instance, John Doe has 57 acres of land at $87 per acre, which would make the assessment $4.959. As these uneven amounts are hard to handle for the town officers, school trustees, and all persons having taxes to extend on the property, it is suggested the assessors in the towns follow the practice of the assessors of the town of Riga, and where a multiplication brings amounts of this character, either reduce or add to them to bring 50 or 100. In the above amount of $4.959, it would be called $4.950; if the amount was $4.996 it would be called $5.000. In other words, if the result is 25 or less, call it even hundred; if 26, and less than 50, call it 50; if 51, or less than 75, call it 75; if 76, and less than 99, call it a hundred in the next hundreds, &c.

By order of the BOARD OF SUPERVISORS OF MONROE COUNTY,

CHAS. U. BASTABLE, Clerk.

Hamilton
