The Genesee Press

Designers Illustrators and Printers of High-Class Business Literature

DO you realize the power of appearance? Appearance is the foundation of all successful advertising. The art of arrangement and printing must first appeal before the text is considered. The demand for the better things of life was never so great as at present — competition was never so keen — and the concern that is advertising its commodity in a high-class, dignified manner, is the one that is pulling the big orders. Don't get careless about the appearance of your printing. The GENESEE PRESS, with its modern equipment, backed by an efficient organization of artists and artisans, skilled in the production of the best in engraving and printing, is at your service. Among its clients are some of the world's greatest advertisers. We are making their catalogues, booklets and other printed things — putting on paper the appeal that has been heard around the world, and has made Rochester and Quality household words. We would like to do something for you along these lines, assuring you the same skillful handling.

Do You Get Your Share?

Thousands of dollars are spent in Rochester every week by people from the smaller surrounding towns. Do you get your share of it ?

"MYERS LIST" of Country Weeklies is the only way to reach this out of town trade effectively. The rates are low. Let us estimate.

Your National Publicity

No matter what your proposition, we will give you honest advice based on actual experience as to when, where and how to advertise it. We take all the detail off your hands—preparing copy and designs, making plates, printing or placing your advertisement in magazines or newspapers. We can do this better than you can and save you money on it.

Some of the most successful advertisers in Rochester avail themselves of the MYERS PERSONAL SERVICE. Why not investigate ?
