ORGANIZED TO PREVENT LOSS

THE BUREAU was founded fifteen years ago by the Ad Club of Rochester and receives its support through voluntary membership subscriptions. The firms and individuals who believe that "Honesty is the Best Policy," and know that correct advertising will place business on a more substantial and permanent foundation, subscribe in proportion to their business interests.

The fact that a business firm is not a member of the Better Business Bureau and does not subscribe to its work is not necessary proof that that organization does not believe in "Truth in Advertising and Integrity in Business," but when you know that the firm you deal with is a member of the Bureau, you know that the members of that firm are interested in your welfare to a degree that they are willing to financially support an organization which considers your protection one of its main objects.

The Bureau is incorporated and governed by a Board of Directors consisting of 21 well-known business men, each representing a responsible business firm.

The Bureau is a non-profit organization affiliated with more than 70 other Bureaus throughout the United States and Canada; it is an independent organization for your benefit and protection and its services are free to the consuming public. It protects your interests, helps to maintain confidence in representative business institutions of Rochester and makes this city a safe place in which to buy.

THE BUREAU HAS NOTHING TO SELL

The voluntary membership of the Bureau includes all Newspapers, Broadcasting Stations, Banks, Financial Institutions, and other business firms including Manufacturers, Retailers, Insurance, Professional and Service groups.

Business interests and the public depend upon the Bureau for FACTS.

The Bureau is NOT affiliated with ANY LOCAL ORGANIZATION OR PUBLIC OFFICE.

Don't LEAVE THE FAMILY IN THE DARK!

Too many things are happening in this world of ours and too fast for the average person to follow easily, that's why your Democrat & Chronicle employs ALL THREE leading news services, AP, UP and INS to keep you and your family informed.

But, no matter how good a newspaper is, if the other members of your family do not see it they're still in the dark.

So how about having an EXTRA copy to read on the bus and leave the family paper at home for the others to enjoy, or, better still, have a copy sent to the office. Call circulation — MAIN 7400.

TELEPHONE SERVICE

PROTECT YOUR INVESTMENT

In business, every effort is made to prevent loss by fire. Sprinkler systems, trained fire squads, handy fire hoses all play their part; insurance nearly always covers actual damage. But the inconvenience, the loss of customers and interruptions in production can be avoided by the speed with which fire is prevented from growing, by the telephone.

A number of extension telephones throughout a plant or an office is an important asset to any business, when emergencies like fire arise. Quick communication then is absolutely necessary. The business — or the home — protected by the telephone is more secure against loss.

CAUTION

Pay no money in advance to itinerant Directory Canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of R. L. Polk & Co. printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take payment for either advertising or subscriptions.
