TENTH PREPARED FOR BIG CELEBRATION

RECORD CROWDS EXPECTED AT TWENTY-FIRST ANNUAL AFFAIR

For the twenty-first consecutive year, barring one, the Tenth Ward will gather together as a community and celebrate the birthday of the nation. Liberal contributions have been made by Tenth Warders to make the 1928 celebration an outstanding one, and there seems to be no doubt that the turnout Wednesday will break all records.

With the exception of the year 1918, when the World War intervened, the Tenth has taken upon itself to stage a most elaborate and colorful Fourth of July celebration each year since 1907. This year, with private display of fireworks definitely banned by city ordinance, the community fireworks in the evening is expected to draw additional thousands of spectators to swell the normal mass of about fifteen thousand.

Open With Parade.

As customary in the past, the celebration will be divided into an afternoon and evening session, the former taking place at Lower Maplewood Park and the latter at Edgerton Park.

The program will open with a parade, headed by Bert Wickens, veteran of many years at that post. With the band playing martial airs, the parade will move from the refectory in Lower Maplewood Park through Latham street, Lake avenue and Maplewood drive and perhaps one or two other streets of that section. On its arrival back on the park grounds, the flag will be officially raised, the sports will be on and candy, ice cream and peanuts will be available in huge quantities. Tickets for the refreshments and also for the band concert in the evening have been distributed to contributors to the fund of the celebration.

15 Sports Events.

Devoted mainly to entertainment and recreation for the younger Tenth Warders, the afternoon program is made up of a series of 15 sports events. Event No. 14, however, will be one of the highlights of the program, bringing together as it does two husky groups of Tenth Ward grown-ups, who will play tug-of-war for a box of cigars. The last event on the program is a baseball game between the Tenth Warders and another fast nine yet to be named.

Thomas E. Moran, who has the distinction of having served on committee duty at each of the twenty preceding celebrations, is chairman of the sports committee. He expects the sports to start at two o'clock and will endeavor to complete the program in three hours.

CLARA BOW COMING TO RIVIERA FRIDAY

Beauty, like a rare flower, needs constant care and watching, says Clara Bow, famous auburn haired beauty of the screen, whose latest starring vehicle for Paramount "Red Hair," will show at the Riviera Theater next Friday and Saturday. With proper implements, Miss Bow says this vigil is not hard to keep.

The actress has compiled a list of beauty implements which she recommends for every woman's dresser or medicine cabinet as an aid to loveliness and modishness:

4 powder puffs: so that a clean supply will always be on hand. A soiled puff is an unforgivable crime. (Continued on page 3)

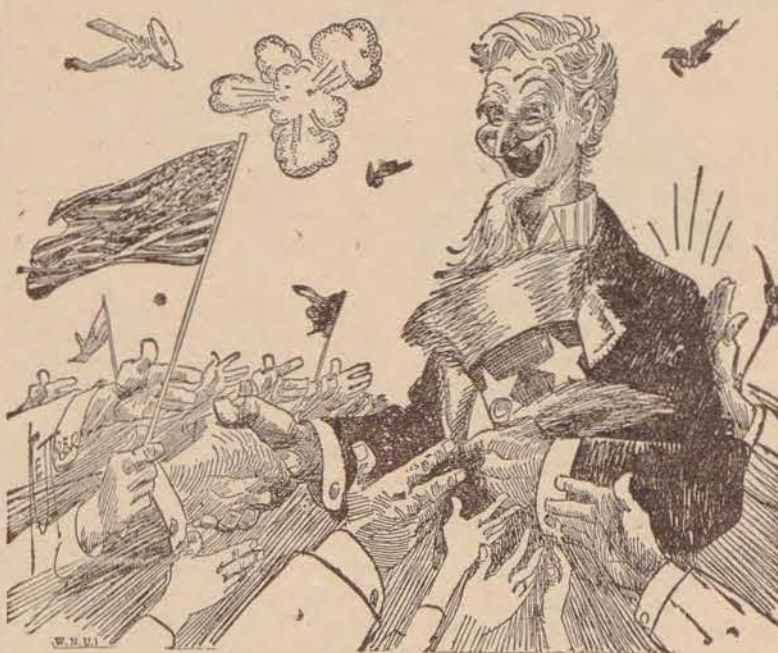

At eight o'clock in the evening the usual band concert will be given by the Park Band, Herman Dossenbach conducting. In addition to the concert, the band will also furnish popular tunes for the community singing to be led this year by Arthur L. Taylor. The fireworks which are scheduled last on the program will be more extensive and elaborate than ever this year.

Raise About \$3500.

The committee of about one hundred residents who have been soliciting the funds for the affair, have turned in favorable reports to date and from all indications will have raised about \$3500. Final reports will not be available until tomorrow. The General Committee officers, under whom all plans for the celebration have been made, are George Hesselink, chairman, William H. Stell, vice-chairman, Joseph H. Bush, secretary, and A. Kunz, treasurer.

The committee has spent long hours of work on the preparations for the celebration and during the past ten days has been holding sessions nearly every evening. Today and tomorrow the various committees will be attending to last minute details and Wednesday the Tenth is promised one of the biggest affairs it has ever had.

Happy Birthday

Are Saying**
Here's another excerpt from a
Herbert Hoover speech that's
well worth pondering over:
"Some talk glibly of abolishing
all government regulations,
others want to nationalize or

them with a bureaucracy. They
are equally far from the instinct
of American individualism. Both
of them would breed the domina-

Stock of Peanuts Scheduled For Big Drop July Fourth

Morgan Thistle will start today the work of erecting about a dozen stands at Lower Maplewood Park, preparatory to the annual onslaught on peanuts, ice cream and lollypops. The number of these stands has been increased this year by three to care for the larger distribution.

If all the peanuts that will be consumed were laid end to end, according to a well-known Tenth Ward stacciano, they would extend quite a ways. At any rate, there will be two ton on hand together with 600 gallons of ice cream. And if that doesn't fill 'em up, Ed Kraus will have 25,000 lollypops to pass around. Besides that to wash it all down there'll be hundreds and hundreds of gallons of orangeade.

Without any six-inchers to shoot off, the refreshments will probably prove more popular than ever with the youngsters and the extra large quantities of supplies will probably be needed.

PLAYGROUNDS OPEN SUMMER ACTIVITIES

Playground No. 7 located on Dewey avenue, between Kislisbury and Bryan streets, opened last week. The regular schedule of activities commences this week and continues throughout the summer.

Special teachers will be employed to teach all special work including dancing, basketry, girls' and boys' clubs, sewing and swimming. Other features of the playground are the library, weekly athletics for boys and girls, supervised play throughout the day for boys and girls including baseball, basketball, tennis and various other games. A public library for children is maintained.

One of the features is the all-around point contest. Each activity or play is given merit points. At the close of the season the ten highest boys and ten highest girls are given prizes.

The playground is in the charge of Dorothy Cashman of Selye terrace, principal. She is assisted by Mable Milne of Glendale park, Wm. Reynell of Clay avenue and Henry Kendall of Clay avenue. The grounds are open from 9 a. m. to 8:30 p. m. Last season over 250 used the playground daily.

Tacoma playground also opened last week with Miss Martha Chamberlain in charge. The program is much the same as at No. 7.

Dewey Bakery Opens Under New Management

The Dewey Avenue Bakery, located at 1176 Dewey avenue, has been thoroughly redecorated and is now open to the public. George L. May, a baker with many years experience is the proprietor.

The new shop carries a complete line of baked goods fresh daily. A specialty is made of breads of various kinds. The bread is all hand-mixed which makes it more like home-made bread than any other bread on the market. The varieties include white, whole wheat, Boston brown, rye, bran and sandwich bread.

Mr. May guarantees quality and maintains a delivery service for his customers.

And this is from Bellevue, Omaha—Threshers wondered why the coffee had such a curious taste. When clearing away the empty dishes, Mrs. Rennet who likes her coffee sweet, found the reason. The sugar bowls had been accidentally filled with epsom salts.

Announcement in The Altoona Tribune—"Ten cents straight will be charged for all obituary notices to all business men who do not advertise when living. Better send in your advertisement, as the hog cholera is abroad in the land."

for evening. Its subtle flattery is realized by clever women.

2 shades of rouge: one for day and one for night. Light orange is good for day, and very pale pink shade for night. In fact no rouge is sometimes good for evening wear.

1 lip stick: to be carried in one's purse.

1 lip stick: to be carried in one's ing table.

1 jar of cleansing cream.

1 jar of tissue building cream.

1 bottle of mild astringent lotion.

1 bottle of hand lotion.

1 box of cream absorbing papers.

1 jar of cuticle softener.

1 box of nail polish.

2 nail files.

1 nail buffer.

1 cuticle pusher.

1 full length mirror.

Plenty of needles, thread, buttons, snappers, etc.

"Although the woman with red hair has a very difficult problem when it comes to dress, she may make herself outstandingly attractive if she is willing to devote some time to the consideration of color harmonies," says Miss Bow.

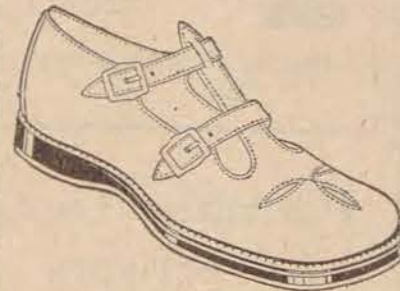

"In the first place, all shades of red should be avoided. Red hair and red hats clash. This fact should be put down and remembered at all times.

**PROTEST SIGN
AT DEWEY AND
RIDGEWAY AVE.**

Editor, Tenth Ward Courier:
The Rochester Automobile Club has erected a big sign at the corner of Dewey avenue and Ridgeway, directing out-of-town traffic detoured from Lewiston, down that street (Ridgeway). In this manner they have sent a considerable amount of business away from Dewey avenue to the downtown section, probably not deliberately, but certainly without consideration for us, the business men of Dewey avenue.

Tourists for years have been in the habit of turning down Dewey avenue and heading for the center of the city that way. This section is a small city in itself, there is plenty of parking space and tourists can buy most anything they want. That's why they come through this way and stop and shop.

The natural route downtown, therefore, is by way of Dewey avenue to Driving Park avenue an all-commercial route, and why they should be directed to go any other way is beyond our comprehension. Also Ridgeway is a residential street and it is difficult to understand why the Auto Club should direct heavy traffic that way, especially now, when children are out of school and more apt than ever to be found playing along the streets.

The sign is unquestionably ill-chosen and we desire only our just due when we say that it should be changed. If the Auto Club refuses to change it after considering these points, then it is up to the merchants of Dewey avenue to band together and erect some signs of their own.

GRAY—VAN COTT

Miss Glover Van Cott, daughter of Mr. and Mrs. Lincoln VanCott, of Montclair and Pequamock, and formerly of Brooklyn, was married on Saturday to Edward LeBreton Gray, son of Mr. and Mrs. Harry LeBreton Gray, of Albemarle street. The ceremony took place in the Central Presbyterian Church of Montclair, and was performed by Rev. Edmund W. Wylie. After the ceremony a reception was given at the Upper Montclair Woman's Club.

Mr. and Mrs. Gray will live in New Haven after September 1st.

Mr. Gray is a graduate of Andover and Hamilton Colleges and is taking a post graduate course at Yale.

ROBERTS—MILLER

The marriage of Miss Ruth Elizabeth Miller, the daughter of Mr. and Mrs. John H. Miller, of Augustine street, to George Lane Roberts, the son of Dr. and Mrs. Hibbert H. Roberts, of West avenue, took place Tuesday evening at the home of the bride's parents. The ceremony was performed by the Reverend Enson H. Roberts of Catonsville, Maryland.

Mr. and Mrs. Roberts left for a trip to New York City and Connecticut, after which they will be at home until fall, at 143 West avenue.

**Ridgemont Golf Club
Membership Now 280**

Membership in the newly organized Ridgemont Golf Club is now 280, according to the latest reports given out. Work on the 18-hole course is more than half done and is being carried along as rapidly as possible.

Ten holes have been prepared to date, but it is expected that it will be August before the first nine holes will be opened to members for play. A large number of the members are residents of the Tenth Ward.

The Ridgemont Club picked as its site a strip of land on the Ridge Road, opposite the Elmgrove road. The plot is one of 150 acres and the club expects to spend about \$35,000 preparing the greens. A sixteen-room brick structure on the grounds is being remodeled for a clubhouse.

Officers of the club are: President, John W. Newton; first vice-president, H. A. Johnston; second vice-president, P. S. Fassett; secretary, Joseph H. Bush; treasurer, Deloss M. Rose. The Board of Directors is composed of Mr. Fassett, H. T. Heughes, C. P. Lane, Mr. Newton, Mr. Johnston, R. F. Quinn, F. J. Slater, R. B. Wiley, Mr. Bush, A. R. Koerner and Mr. Rose. Sidney Adsit is manager of the club and is directing the course layout.

**GALE KELLY OPENS
CONVENIENT STORE**

Gale Kelley is another member of the younger set making good in business on Lake Avenue. Gale started the Convenient Store in the Riviera Theater building, 1457 Lake Avenue, two weeks ago and he has already won a place in the Tenth.

The Convenient Store features a fine line of men's and boys' haberdashery and to this business Gale brings 13 years of experience. The store carries a complete assortment of men's shirts, neckwear, hosiery, boys' furnishings, work clothing (work shirts, trousers, overalls, gloves, etc.) and other items.

Of the three great modern beverages—chocolate, coffee and tea—chocolate was the first to reach western countries. Tea followed in 1588, and coffee in the following century. Cortez found cocoa in Mexico in 1519, where its use by the natives dated from time immemorial. The people of Abyssinia have used coffee from the remotest times and, according to Chinese traditions, tea was drunk in that country three thousand years B. C.

BUSINESS MEN CONTRIBUTE TO TOURIST SIGNS

Forty-two merchants of Dewey avenue, Driving Park avenue and Lake avenue contributed to the fund raised last week for the purpose of erecting five signs which will be put up today. The signs are for the purpose of inviting tourists to stop and seek their information in the Dewey avenue section.

Due to the fact that Lewiston avenue is now being repaired, traffic has been detoured through Mt. Read boulevard to Ridgeway and thus straight through to Lake avenue by the Automobile Club of Rochester. One of the new signs will be placed at the corner of Dewey and Ridgeway avenues where the auto club also has a large sign. The directions will read: "Rochester (with an arrow pointing down Dewey) Via Dewey Avenue, Tourists Welcome, Dewey Avenue Business Men."

One large display board will be erected in the center of the Dewey business section and another near Driving Park directing tourists to stop for information as to routes, restaurants, tourist lodges, etc. The remaining two signs of the five purchased will be used to turn traffic at Driving Park, thus down to Lake and down town.

In commenting on the new signs, which are being erected with the consent of City Manager Stephen B. Story, George Donahue, secretary of the auto club, re-affirmed the stand which he took some time ago. The auto club will leave its signs at the corner of Dewey and Ridgeway, regardless of any action taken by Dewey avenue merchants.

"We are interested only in the tourist and motorists in general and not in the business men. Our aim is to get traffic through as directly as possible, and we feel that the business end must take care of itself."

The following merchants contributed to the sign fund:

Goodmore Tire Co., Donahue Hardware, F. Keyes, Barber, Renner & Henry Co., Richards Vegetable Store, A. Volpe, shoes, B. A. Cramer, Community Grocery, Louis S. Kolb, Kirby's Market.

Crown Service Station, Listman's Market, H. Stone, grocer, A. & P., W. H. Feldman, manager, H. Doell, grocer, Hushard & Christie, A. J. Tucker, Bauman & Baynes, Schulz Bros., La May Drug.

Hahn Garage, Ward & Clifford, Economy Fruit Store, Schubert Gas Station, M. E. Cramer, Schaefer Bros. Market, Dewey Avenue Service Station, Schmanke Boot Shop, Millard Drug Co., Frank H. Eyer, The Sugar Bowl.

REPUBLICAN WOMEN TO PICNIC JULY 27 AT ONTARIO BEACH

Mrs. Bertha A. Bush

Another big picnic is in store for Tenth Warders on July 27, when the Tenth Ward Republican Women hold their annual outing. The affair is one of the outstanding events of the season and as in past years it is predicted that huge crowds will be present at Ontario Beach Park that day.

The picnic is open to everyone, men, women and children being invited. It is noted for its program and also for its sumptuous supper. Tickets are 35 cents and besides entitling the holder to admission to the numerous sports events it also is exchangeable for a meal which is served cafeteria style. The fact that the ladies prepare much of the food and that the self-service system is used, enables them to give real value in the supper.

Last year 1400 people crowded into the picnic grounds and were served in a period of thirty minutes, which is believed to be a record. The crowd although primarily composed of Tenth Warders, usually numbers many prominent residents from other sections.

Mrs. Bertha A. Bush of Maryland street, is president of the organization. General chairman for the outing this year is Mrs. Gertrude Dorschel.

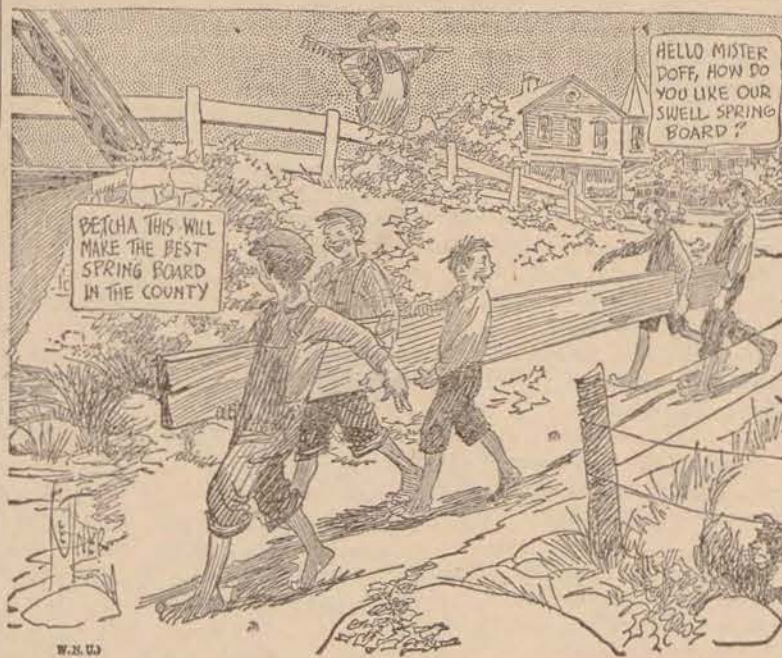

NO. 7 PLAYGROUND

The first baseball game of the season will be held Friday morning between the Cubs and the Yanks.

Organized swimming will take place Friday afternoon at Charlotte-

ton Wallace Drugs, Mathew's Dry Goods Store, Rose Barber Shop, Howell's Bakery, De Visser Bros., Cores Battery Station, Modern Shoe Repair, Paul's Market and George Rogers, grocer.

"Baby Mine" Comes to Riviera Today

Vaudeville, the stage, the screen and circus sideshows are all represented in the cast of "Baby Mine," Metro-Goldwyn-Mayer's hilarious new vehicle for Karl Dane and George K. Arthur, the comedy team of "Rookies," in which the famous stage play of the same name is woven into a hilarious screen offering coming Friday and Saturday to the Riviera Theatre.

In the cast are products of each of these separate branches of the gentle art of amusing the public. George K. Arthur, for instance, hails from the stage, having been an actor in English theatres before he scored in pictures. From vaudeville comes Charlotte Greenwood, the lanky comedienne who scored in "So Long Letty" and others, and who makes her screen debut as Karl Dane's sweetheart in the new picture.

Karl Dane is an exclusively cinema actor and so represents the screen.

The new picture is a lifting comedy of modern life in which two collegians get into trouble with love affairs and "borrowed" babies. It was adapted from Margaret Mayo's stage success by F. Hugh Herbert and Sylvia Thalberg, and directed by Robert Z. Leonard. The cast includes Louise Lorraine.

The college scenes, the love scenes between Dane and Miss Greenwood, and the uproarious denouement with the babies are among the high spots in the new production.

Instructor (to girl learning to drive): "Now, when you want to stop you must put on the brake."

Girl: "Oh! Why I though the brake came with the car."

MARYLAND ST. IMPROVEMENTS NOW UNDER WAY

Improvements, which have long been needed by Maryland street, according to residents, are being made this week and will be completed speedily. The improvements were ordered done immediately by City Manager Stephen B. Story at the urgent request of residents of the street.

Trees are being trimmed, new lights are practically all installed and the street pavement is being patched. The trees, regarded as one of the beauty spots of the Tenth, have grown to large dimensions and lower limbs were occasioning inconvenience and danger to homes of the street. The lighting system on the street also had become time-worn and was entirely inadequate for the needs of the section, in the opinion of residents.

"Al Smith" Greets Mat Barry With Fish Story

The following message was written on the correspondence side of a post card postmarked Canada, received recently by Mat Barry of Dewey avenue: "Friend Mat, 'Several times we have had to come ashore to land the large ones. Best regards, Al Smith.'"

(Editor's note: It is strongly believed about Dewey avenue that the "Al Smith" was none other than George Rogers.)

Thanks City Manager For Action on Signs

Editor, Tenth Ward Courier: Through the medium of your paper I want to thank Mr. Story, City Manager, for giving the business men of Dewey avenue permission to erect signs directing tourists via Dewey avenue and Driving Park.

Mr. Donahue, secretary of the Automobile Club, refused to detour traffic through Dewey avenue, therefore the business men erected signs and paid for them to the cost of \$55.00 with the approval of Mr. Story who is a keen business manager, a good neighbor and one who patronizes his neighborhood stores.

Dewey avenue is the business artery of the Tenth Ward, a community that is a credit to any city. Therefore the stores are entitled to this tourist business.

Most tourists who visit a large city like Rochester, prefer to trade on a business street like Dewey avenue because they feel safe in parking.

JULY FOURTH CROWDS SHATTER ALL RECORDS

Midst temperatures that ranged around 90 in the shade, the Tenth Ward staged its twenty-first annual July Fourth community celebration. As predicted all records for attendance were broken and the affair was the largest ever held in this section.

The afternoon gathering drew a throng of youngsters and a big representation from the older folks. Ice cream, lollypops, peanuts and orangeade as ever disappeared in large quantities and those who failed to use up all their tickets before the refreshment stands were closed were to be seen leaving Lower Maplewood Park with a plentiful supply of peanuts and lollypops for another day.

It was estimated by one of the policemen at Edgerton Park who has attended nearly every one of the previous celebrations that the crowd gathered to see the fireworks was in the neighborhood of 35,000. A glance at the huge masses that filled the park and lined the adjoining streets would tend to confirm this estimate.

The remarkable part of the whole affair, in the opinion of committee members was that there

DEWEY-DRIVING PARK WIDENING AIM OF A. C. R.

If the present plan of the Rochester Automobile Club is adopted by the City Council, several changes will be made at the corner of Driving Park and Dewey avenues in the interest of speeding traffic at this point.

The auto club proposes that Dewey avenue on the North side of Driving Park be widened at the point of intersection. Their suggestion is to cut into the large amount of space that is at present available for this purpose on both sides of the street and thus provide a wider sweep at the corner.

The proposed widening, it is claimed, would make it easier for motorists to make the turn down Dewey avenue and to get into Broedel street from the upper end of Dewey. The plan proposed by the auto club is not worked out in detail and is the idea of one of the engineers whom the auto club has asked to suggest needed improvements and remedies.

The plan has the endorsement of

John Schmanke Impressed on Visit to C. M. T. C. Drill

John Schmanke of Flower City park, returned from a trip to the Citizens' Military Training Camp at Fort Niagara, Tuesday, and was much impressed over the general idea of the camp. He made the trip with Mrs. Schmanke and Mrs. Raymond Moore to visit with his son Ottman, who is in the camp.

Mr. Schmanke had made the trip to the fort Sunday but decided to return Tuesday when he learned that the contingent from Rochester was to be reviewed by Brigadier General Traub of Brigade headquarters, Madison Barracks.

"The sight was very impressive," said Mr. Schmanke on his return. "The boys marched in almost perfect order and when they stood at retreat they had the appearance of trained soldiers, whereas the most of them have been at the camp only about nine days."

"The work they are doing is really remarkable and I believe they are doing a great deal of good for every boy that attends. I would recommend it as the best possible training for any boy who can meet the physical requirements and who is 17 years old or over."

"The boys live in tents and do everything in army style. The morning is given over to the actual military training and in the afternoon there are a number of sports which the boys may take part in. Everything is supervised by trained army officers and it certainly gives the boys a fine lesson in discipline. At the same time they are free to have some fun in the sports and they enjoy it to the utmost."

At the invitation of Lieutenant E. L. Witzel of Rochester, who is an officer of the camp, Mr. Schmanke and his party ate with the boys and was surprised and pleased at the excellent menu.

Troop 81 News

Boy Scouts of Troop 81 are organizing a baseball nine and are practicing twice a week. Dr. Richards, pastor of Dewey Avenue Reformed Church is coaching the team which is anxious to book games in the 14-5 year old class.

Twenty-four members of the troop will leave the first week in August for a week's stay at Camp Pioneer. Robert Gabel, a member of the troop, is stationed at the camp for the summer as one of the four official buglers.

The Panthers are leading in the point contest between patrols of the troop. The winners will be taken to baseball park next month to see one of the Red Wing games.

LYELL ROAD TO KLEIN'S

OPEN TO WESTBOUND CARS

Construction work on the Lyell road is progressing rapidly now and in this issue it is announced by John Klein, proprietor of the famed hot dog stand at Lyell and Howard roads that the road is partially open. One side has been completed and is opened during the evening to traffic going west.

This makes it possible for Tenth Warders to get out to Klein's, the favorite destination most every evening, by a shorter route than the detour around Buffalo road previously had made possible.

Mat Barry of Dewey avenue, was one of a party of pioneers that managed to get out to the new Ridgmont Golf Club, now under construction, for a round one afternoon recently. However, Mat was called away on business before he had much of an opportunity to test the course, but he is going back again.

Eugene Doucette of Magee avenue and Norman Benjamin of Augustine street, were two of a group of six that returned last Saturday from a week of fishing on the Rideau River near Kingston, Canada. The fishing was good and all reported that they caught the limit allowed.

DARING DAYLIGHT

ROBBER CAUGHT;

\$252.35 MISSING

A daring daylight robbery resulting in the capture and arrest of the robber occurred at the Crown Service Station, Saturday afternoon at 1:10 o'clock. The Hertzberg brothers, proprietors of the station were at the rear of the building alighting cars when they heard the cash register ring. Arthur Hertzberg started around the outside to the front door and seeing a ruffly dressed man yelled at him to wait.

The robber dashed through the rear door. Joseph Hertzberg still in the alemitie pit recognized him as a man who had entered the place several times recently and upon two occasions had tried to sell him a dog. Both men gave chase, police alarms were sent in and nearby cars started around surrounding blocks.

Mr. Remmito of Ridgeway avenue, who had joined the pursuit, heard a rustle in the shrubs at Seneca Parkway, dived in and found the robber who proved to be Otto Pundt of O'Brien street. Ninety-five dollars in cash and two checks for \$45.35 were found on him, and \$252.35 are still missing. In his hurry he left checks for \$120.00 in the register.

The police arrived in two minutes after the call was sent in and motorcycle officer Zahlman made the arrest ten minutes after the robbery took place.

Pundt has a wife and three children. He has been out of work for two months. Eight previous arrests are credited to him including public intoxication and wife beating. The court has refused to be lenient due to his past record. He is now out on a \$500 real estate bond. The case is scheduled for grand jury today.

The two guns usually kept loaded in the Crown Service Station were away being cleaned Saturday. "Our guns are in fine shape now and we both are good shots after our military training, so we are ready to welcome any intruders," said Joseph Hertzberg in an interview yesterday.

"Throw up your hands, I'm going to shoot you."

"What for?"

"I always said if I met a man homlier than I, I'd kill him."

"Am I homlier than you?"

"You certainly are."

"Go ahead and shoot."

Sees Need of Better Ambulance Services

Editor, Tenth Ward Courier:

With the city growing northward to a degree that is noticeable to the casual observer, some means must be provided in the near future for more adequate ambulance service in the Northwest section. Six hospitals which at present serve the city and surrounding territory with ambulance service are all located on the South side.

The northwest section of Rochester extends seven miles north of Main street, while the southwest portion is well within the three mile circle. The increasing traffic makes it more difficult for quick response to the outlying sections and particularly the thickly settled community north of Driving Park avenue.

It is a long ways to Troup street, where the general ambulance which responds to the majority of the calls from this section is housed. The fact that this important matter which is the urgent duty of officials appointed for that purpose has been neglected or never considered is unfortunate. Nevertheless when it is called to their attention practical methods should be formulated and placed in operation as early as possible.

Mystery Baffles Maryland for Time; Now All Peace

With dire forebodings of secret conclaves for the purpose of concocting deep devilry, the good people of Maryland street have, for sometime past, watched various well known residents of that street, immediately after the supper hour, silently, solemnly, and singly, wend their way to the rear of No. 145, not to come forth until darkness hovered over the neighborhood.

Occasionally would be heard the sound of clanking irons, followed by shouts, mingled with decisive laughter, giving color to the imagination that some unfortunate victim was chained to a post and was being tortured for the delight of the onlookers. Women and children, trembling, kept close to their homes. Strong men, fearless in the face of known danger, were stricken with terror at this unknown danger.

At last the tension became too great, and one evening two, more brave than the rest, volunteered to solve the mystery. Waiting until the usual attendants on these nightly meetings had assembled, they bade their families a fond farewell, and with quaking hearts and shaking knees crawled to a point of vantage—and, what a sight they beheld!

There, stripped for action, were the dozen or more men responsible for the reign of terror. There was "Jim" Kinney, Poet of Maryland street and Solver of many puzzles; also "Teeny" Masseth, hero of many a game, and "Gene" Masseth his little brother. In the crowd also were "Georgie" Ferguson and Harry Preston, the latter a former star with the Lyceum Players; also J. William "Bud" Bush and Francis DeVillbiss and the two little DeVillbisses, also Mr. Harmon late of Philadelphia, Pa. and last but not least one of Rochester's fire fighters, "Freddie" Cook.

And what were they doing? Were they torturing some poor unfortunate? Were they plotting some evil action? No! The supposedly wicked residents of Maryland street were playing Barn-Yard Golf.

And so the mystery was solved, and once more the women go about their work, carefree; little children play without fear; the men leave homes, with no thought of danger to their loved ones, and the great American game of Barn-yard Golf goes peacefully on except for occasional disputes as to individual prowess.

"Teeny," who has been dubbed the "Silent One," claims the championship, but his contention is contested by "Freddie" Cook and "Jim" Kinney, with only faint prospects of any one yielding. In the meantime anyone who feels that he is an adept at this strenuous but fascinating pastime may put themselves against any of the aforementioned and be sure that he is up against real opposition.

MARKHAM-HUMES, INC., WILL OPEN GARAGE

WEDDINGS

HAFNER—CHANNELL

The marriage of Miss Madelyn Amelia Channell, daughter of Thomas Henry Channell of Ridge-way avenue, and Fred G. Hafner, Jr., son of Mr. and Mrs. Fred G. Hafner, of St. Paul street, took place on Wednesday, June 27th, at the Salem Evangelical Church parlor. The ceremony was performed by Rev. Frederick Frankenkfeld.

Miss Vivian Channell, sister of the bride, was bridesmaid and Alvin F. Thiem was best man.

Mr. and Mrs. Hafner left on a motor trip to Cleveland, Chicago and Detroit and will live in Armstrong boulevard, after July 15th.

BUTZER—STRONG

Miss Grace M. Strong, daughter of Mrs. W. H. Strong of Glendale park, and John Dwight Butzer, son of Mrs. J. W. Butzer of Bennington drive, were married on Saturday, June 9th, at the home of the bride. Rev. A. W. Beaven performed the ceremony.

The attendants were Miss Gladys M. Strong, sister of the bride, and Victor Moyes.

After the ceremony a reception took place.

Prenuptial events were given by Miss Mildred Goffe, Miss Bernice Ely, the Misses Ruth and Dorothy Erhardt and the bride's business associates.

Mr. and Mrs. Butzer will live at No. 46 Glendale park until Fall.

MILLER—LAMB

The marriage of Miss Edith Helen Lamb, daughter of Mr. and Mrs. George M. Lamb of Dickinson street, and George Henry Miller, son of Mr. and Mrs. George Miller, of Glendale park, took place on Saturday, June 30th, at the Christ Evangelical Church. The ceremony was performed by Rev. Bernard J. Tepas.

After the ceremony, a wedding dinner was served at The Plantation. Out-of-town guests were Mrs. Harriet K. Lamb, of St. Petersburg, Fla.; Miss Caroline E. Lamb, of Cleveland; Mr. and Mrs. Samuel Brown, Mr. and Mrs. John Dougherty, Mr. and Mrs. John Brown and Mr. and Mrs. Frank Holbrook, all of Geneva.

Prenuptial events were given by Mr. and Mrs. Edward A. Lamb, Mrs. E. James Baxter, Mrs. John Lamb and Mrs. Frank Holbrook.

Mr. and Mrs. Miller left on a motor trip through the Berkshires, New England states and New York. They will live at No. 137 Mitchell street, after August 1st.

Henry F. Clement and daughters Elsie and Thalia of Driving Park avenue, will leave July 21 for a fishing trip at Rice Lake.

Daniel Fitzgerald of Magee avenue, made a trip to Cobourg this week to take part in one of the Canadian golf tournaments.

Judge: "So you tried to drive by the officer after he blew his whistle?"

Judge: "That may be, but you'll get your hearing in the morning."

Father: "What do you want a new car for? You've only had this a month."

Daughter: "Yes, but it's known to the police by now."

Young Bride (at the telephone): "Oh John do come home. I must have put the plugs in the wrong way. The radio is all covered with frost and the ice box is singing 'Side by Side.'"

"Well," said Hubby, "one of us two is a very capable romancer. But there is one thing which prevents me from saying which one." "Modesty! I presume," retorted wife. And he gave up, beaten.

Firemen's Fourth Now Day of Rest

For the first time in history, it is believed, no fire alarm calls were turned in on the Fourth of July in the Tenth Ward. With private fireworks banned, the firefighters were practically deprived of their busiest day of the year. But there seems to have been no regrets.

ASK FOR NEW DEWEY AVE. STREET LIGHTS

Editor, Tenth Ward Courier:

The question of adequate street lights for Dewey avenue on the section South of Driving Park has been brought up time and again, but as yet there seems to have been no action taken by city officials. That we need the lights is apparent to anyone. What we have are few and far between and the wooden, antiquated poles are not a beautifying influence by any means.

At the corner of Driving Park and Dewey, one of the busiest corners in Rochester, there is such a negligible illumination at night that women and children are afraid to venture on the street.

We have just noticed the new lights on Maryland street granted by City Manager Story and certainly if there was any need for them on that street our need is twice as great. We would like to hear from Mr. Story in the matter. We are all willing to share in the expense of the lights provided the city will only show enough interest to erect them.

And at the same time we would like to protest against the wooden telegraph poles strung with one or two dead end wires that at present are only so much dead wood standing in the way.

We earnestly desire to get some action. We believe we are asking no more than what we should be entitled to and that is some new street lights immediately.

Dewey Business Men.

A prominent city man who is as mean as he is wealthy, relates an English paper, is fond of getting advice for nothing. Meeting his doctor one day, he said to him, "I'm on my way home, doctor, and I feel very seedy and worn out generally. What ought I to take?" "A taxi," was the curt reply.

Honking auto horns may attract and distract. This habit of calling folks to the curb should be discouraged.

Dewey Avenue and Driving Park is one of the ward's busy intersections, incidentally one of the most modern, being dotted with several imposing structures.

Next Sunday is Holy Name Sunday at the Holy Rosary Church at which time members of this growing organization go to Holy Communion in a body. The regular meeting of the society will take place in the evening in the church.

Having occasion to traverse the ward at day break recently we returned home with the impression that Browncroft may be beautiful but no more delightful than the Tenth at dawn. Velvet lawns, attractive shrubbery, awnings and paint jobs tend to supply a fitting back ground for the homes of a growing group of contented people which now exceeds 30,000 in number.

We find The Cherio Station one of the most popular on our log. The melodious voice of the Canadian announcer bearing the name of Coapland causes us to hold that wave when ever the air is clear.

Don't blame the weather for all the trouble which is associated with poor reception. Keep the set in good condition and you will get a fair amount of clear channels.

READERS URGED TO TAKE ADVANTAGE OF LIBRARY PRIVILEGES

Patrons of the Lake Avenue Branch Library are urged to take advantage of the special four month vacation privilege. This is a distinct service for those who would like to take a few books with them on their vacations.

The books listed below were received at the Lake Avenue Branch this month. Due to the large demand for these new books the four month privilege does not apply to them.

"The Man Who Knew Coolidge," by Lewis. Our old friend Babbitt in a new setting. This is another satirical portrait of the American business man as Mr. Lewis sees him.

"Daisy and Daphne," by Macaulay. This is a well written novel based on the idea of a dual personality.

"Ashenden," by Mangham. Mr. Mangham was a secret service agent in the World War. In this book his own experiences are interestingly related.

"Record Flights," by Chamberlain. Aviation enthusiasts will welcome this account by Clarence Chamberlain of his experiences in breaking the air endurance record and in his flight to Germany last year on which he broke the world's record for long distance flights.

"The Rank and File," by Roosevelt. This book tells of ten short episodes of the European war in which the heroes are men from "the rank and file."

"Kit Carson," by Vestal. Those who enjoy biography and adventure will greatly appreciate this book. It vividly relates the picturesque career of "the greatest frontiersman."

"Wings of Song," by Caruso. This is an intimate biography of the famous tenor who was probably the greatest singer of all times. It was written by his wife.

"The Saviour of Life," by Bennett. Here we have a collection of the enthusiasms of Arnold Bennett, famous English novelist ranging from Russian literature to the metric system.

"Poems in Praise of Practically Nothing," by Hoffenstein. This is a collection of humorous poetry that is both refreshing and entertaining.

"Cultivating the Child's Appetite," by Aldrich. Recent researches have revealed many new ideas about food. Here we have some sensible methods of getting children to eat the right food in the right manner.

"The French Cook Book for American Families," by Raskin. The eternal problem of what to get for the next meal solved at last. In this book are 2200 recipes including 800 French recipes and hundreds of new American ones.

FRIDAY-SATURDAY JULY 20-21 TOMORROW AND SATURDAY

Carrying on the custom inaugurated in 1921 by Dewey avenue merchants, the business men of the Tenth Ward offer to residents of this section these Dollar Days. With the entire Tenth Ward taking part, merchants are offering the greatest values and the largest assortments they have ever placed on sale.

YOU WILL FIND BARGAINS IN EVERY SECTION OF THE WARD. And the merchandise you purchase will bear the same stamp of quality that you are accustomed to receiving from your neighborhood merchant EVERY DAY IN THE YEAR. Every article on sale during these two days is taken from regular stock and is being sold at PRICES THAT WILL AMAZE YOU.

TENTH WARD BUSINESS MEN ARE ENGAGED IN A BIG BUSINESS and that is the business of pleasing you. They want you to feel that your neighborhood store is able to give the same type of service as the downtown stores. BARGAIN DAYS ARE ALWAYS WELCOME IF THEY ARE REAL VALUE GIVING DAYS. GET OUT AND SHOP TOMORROW AND SATURDAY AND PROVE IT YOURSELF THAT EVERY WORD WE SAY IS TRUE.

HERE IS AN UNUSUAL OPPORTUNITY FOR YOU TO PURCHASE AT ASTOUNDINGLY LOW PRICES THE THINGS YOU NEED IN MEN'S, WOMEN'S AND CHILDREN'S CLOTHING, FOOTWEAR, HARDWARE, DRUGS, GROCERIES, MEATS AND EVEN IN SERVICE FOR YOUR AUTOMOBILE AS WELL AS IN MANY OTHER ARTICLES OF MERCHANDISE. IT IS AN OPPORTUNITY WHICH YOU CANNOT AFFORD TO OVERLOOK.

ON THESE TWO DAYS YOU WILL BE ABLE TO PURCHASE ARTICLES AT PRICES THAT NO MERCHANT HERE OR UPTOWN CAN BETTER. YOU WILL NOT ONLY SAVE MONEY, BUT YOU WILL ALSO SAVE TIME AND ENERGY. THE PARKING PROBLEM, CROWDED STREET CARS AND HUGE CROWDS TO COMPETE WITH IN BARGAIN HUNTING ARE THINGS OF THE PAST. YOUR NEIGHBORHOOD MERCHANT IS READY TO GIVE YOU SOME OF THE THINGS YOU BUY FROM HIM REGULARLY AND OTHERS YOU PURCHASE ELSEWHERE AT GREATLY REDUCED PRICES IN THE INTERESTS OF BIGGER AND BETTER BUSINESS. IF YOU WILL GET OUT AND SHOP TOMORROW AND SATURDAY YOU WILL REAP THE REWARD.

COME EARLY WHILE THE STOCKS ARE COMPLETE AND MAKE YOUR SELECTIONS.

1500 TENTH WARD WOMEN AND GUESTS ENJOY RECORD PICNIC

The picnic of the Tenth Ward Republican Women at Ontario Beach Park last Friday was the largest and most successful yet held by that organization. There were over 1500 in attendance, making the affair by far the largest picnic ever held by any women's division in the county. Credit for the success goes to the women on the various committees, who for weeks had worked hard preparing for the picnic.

In the afternoon there was a long list of sports for the children, and in the evening there were contests for adults. The latter furnished plenty of amusement for the on-lookers, especially the barrel tilting contest. After one of the men had defied several to knock him off the barrel, his wife stepped up and said that she could do the trick and the challenge being accepted she knocked him off three times.

Mrs. Catherine Derrick was in charge of the sports which were run off by Melvin Swartz, Y. M. C. A. Physical Director. Mrs. Lucy Raymond and Mrs. Clara A. Potter had charge of the prizes. During the afternoon Mrs. Helen Hesselink and her committee gave out lollypops and orangeade. Mrs. Lena M. Cooke, chairman of the supper committee, and the large number of women who assisted her were commended for the quality and size of the meal served. The huge crowd was handled in efficient manner and the serving was carried out expeditiously.

Mrs. Gertrude Dorschel was general chairman of the picnic and Mrs. Kate O'Brien had charge of the tickets. Mrs. Corrine Cox was in charge of tables.

Among those present were County Chairman Harry J. Barcham, Mrs. Agnes T. George, Vice-Chairman of the Republican County Committee, District Attorney William F. Love, County Clerk John H. Law, Deputy Atty. Gen. William B. Zimmer, James Bergen, William C. Stallknecht, Eugene O'Neil, William Edell, Thomas Mykins, former Detective Edward O'Brien and many others from all over the county.

Mrs. Bertha A. Bush, President of the Women's Division, has called a meeting for Thursday, August 2nd, 8:00 P. M. at 333 Driving Park avenue, at which time there will be a report on the picnic. Mrs. Agnes T. George, Vice-chairman of the County Committee and Mrs. Bessie C. Hebbard, State Committee Woman from the 4th Assembly District, will be present and address the women.

23 BOY SCOUTS TO DEPART FOR CAMP

Twenty-three boy scouts of Troop 81 are leaving, Saturday, for a stay of two weeks at Camp Pioneer. This is the third year the boys have attended. The following are making the trip: John, Tom and Louis Doucette, Arthur Marshall, John and James Noble, Harold and Robert Wagner, Ed. Burke, Dick Despard, Allen Cook, Chas. and Wm. Bragg, Wesley Wooden, Thomas Kinnon, Ralph Geers, Fred Meyer, Chas. Bach, Dick Legg, Donald Kridel, Arnold Walker, Francis Munganest and Jack Randall.

Many of these boys are carriers for this paper and for the next issue will have substitutes in their places.

MAY ORGANIZE DEWEY AVENUE ANNUAL PICNIC

A move to organize another picnic among the business men of Dewey avenue has been started and a committee of representatives of all sections of the avenue will gather to discuss the proposal. Sentiment seems to favor another outing and unless unexpected developments arise at the meeting today plans to stage the picnic in the near future will be drafted.

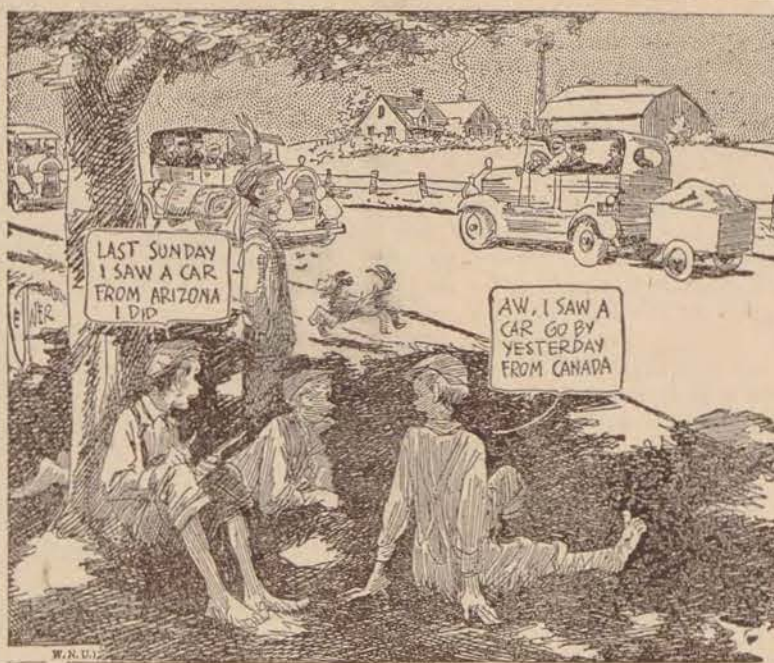

For the past four years it has been the custom of the merchants to stage a gala picnic and the affairs have always turned out to be popular both with business men of the avenue and residents. The picnics have been noted for the liberal prizes which each year the merchants have donated and which the picnickers have always sought in spirited fashion.

The decision as to whether or not there will be a picnic and the plans to be made if the decision is in the affirmative are in the hands of the following committee: Jack Reed, C. Hall, William Moore, Burton Wallace, John Schmanke, A. J. Tucker, Mat Barry, William Renner, Carl Schaefer, Ben Cramer, J. Schubert, George Ester, Earl Baynes and J. O. Ledlie.

JUST RECEIVED!

A new shipment of "Swanky" collar attached shirts, in all the newest shades and you will like the new one dollar ties to match or harmonize. Gale Kelley, 1457 Lake avenue, Riviera Theatre Bldg.

HOLY ROSARY PASTOR ON WAY TO AUSTRALIA

Rev. Arthur A. Hughes, pastor of Holy Rosary Church, sailed, July 25th, on the S. S. Niagara for Australia where he will attend the Eucharistic Congress. Rev. Hughes left Rochester July 17th for the west coast by way of the Canadian Rockies, to attend the congress as an unofficial delegate.

On the trip to Australia stops will be made at Honolulu, the Fiji Islands and New Zealand for sight seeing. The ship is making a leisurely trip across and is not scheduled to arrive at Australia until September 1st.

Rev. Hughes is expected to return to his duties at Holy Rosary parish during the first week in October.

SEEKING MEDAL FOR GOODWILL ST. BOY

The heroic action of Clarence Gillan, 16, of 215 Goodwill street, in saving the life of James Carmichael, aged six, recently, may be rewarded by recognition in the form of a medal. Clarence rescued the youngster, who had been shoved accidentally off Charlotte pier, from probable drowning, during the course of a picnic of the Parent-Teachers of School No. 30.

Mrs. Jane Carmichael, mother of the rescued boy, has already sent a check to Clarence in appreciation of his service and has interested herself in securing a medal for him.

When questioned in regard to her son, Mrs. Gillan said he was an expert swimmer and had qualified for Junior Life Saving some time ago. She disclaimed any credit to her son, however, stating that she thought it no more than natural that Clarence should have rescued the drowning lad.

COMMISSIONER INVESTIGATES NEED OF SIGN

Dewey Avenue's sign problem will be threshed out in the next few days between merchants of the avenue and Commissioner of Public Safety George J. Nier. Two of the three signs which the business men financed have been taken down by the city and the third may be replaced.

The Lewiston Avenue detour route through Ridgeway Avenue is the subject of an investigation by Commissioner Nier who is interested in solving the problem of directing tourist traffic downtown. The signs erected on Driving Park Avenue at Dewey and at Lake have been removed, according to the commissioner, because they have served to increase the burden of traffic crossing the river bridge and also that traveling on St. Paul Street.

The business men's sign at Ridgeway and Dewey now invites traffic to take the Dewey routes to the center of the city, but it is creating a problem since the sign at the corner of Driving Park and Dewey has been taken down by the police. Tourists arrive at the corner and finding no directions as to the route from there on are naturally confused. They are in doubt whether to make the left or right turn and oftentimes hold up traffic while inquiring the correct route. Residents say that many tourists make the mistake of turning west on Driving Park Avenue and are then forced to turn about and return after coming to the end of the street.

Merchants in the neighborhood of Driving Park and Dewey, who are daily witnessing the inconvenience caused tourists by the lack of directions at this point are anxious that a sign be posted before further delay.

TROOP 46 GIRLS ARE ENJOYING CAMP LIFE

Five girls from Girl Scout Troop 46 have been enjoying camp life since Tuesday, at Camp Castell, Sodus Point. Lieutenant Jessie Wishart is acting as one of the councillors of the camp. She is accompanied by Mary Elizabeth Sadden, Carroll DiSando, Ruth Ledota and Vera de Angnera.

Mrs. William H. Stell, director of the troop has returned from her European trip and will meet the troop again on Tuesday evenings at John Marshall High School.

Kathleen Flynn, a member of the troop, took the prize in the mystery race at the picnic of the Tenth Ward Republican Women, Friday.

ORGANIZE TO SOLICIT SUSTAINING MEMBERS

A team of fifty Tenth Warders has been organized for the purpose of making a drive for sustaining memberships in the Monroe County Republican organization. The soliciting will take place during the week of August 13-20th.

Councilman Nelson A. Milne was named captain for the ward. The lieutenants are F. Hullivan, A. Thompson, A. Marples, M. Hussard, N. O'Brien, Charles E. Botswick, L. Ibrig, F. Sullivan, W. Stell, L. Fellows, M. J. De Witt, A. Galbraith, F. Welch, G. Hesselink, E. Krauss, W. Kunz, J. Schnett, J. Hetzler, A. Aab, N. Zimmerley, W. Scholz, J. Shearer, F. Wealthy, M. Cohanne, W. Zimmerly.

Mrs. E. Carroll, Mrs. K. Schlegel, Mrs. Garrett, Mrs. B. Bush, Mrs. Parry, Mrs. F. Fisher, Mrs. K. Naylon, Miss A. Miller, Mrs. M. Budd, Mrs. G. Lozier, Mrs. S. May, Mrs. C. Jinks, Mrs. F. Thomson, Mrs. F. Smith, Mrs. N. Ketcher, Mrs. F. McRae, Mrs. F. Yaeckel, Mrs. G. Dorschel, Mrs. L. Lymborn, Mrs. H. Wadman, Mrs. F. McArthur, Mrs. L. McBride, Mrs. N. Hall and Mrs. H. Smalley.

A meeting of the team and workers will be held in the Tenth Ward Club House tonight at 8 o'clock.

"We've got our coats off and are all ready to get to work. The Tenth has the largest vote of any ward in Rochester and we are going to make our quota, whatever it is, and then add a few hundred more, just for luck," Captain Milne said today.

CORRESPONDENTS ADDED TO STAFF OF THE COURIER

Four correspondents have been named to assist in gathering news for the "Tenth Ward Courier." They will receive items from friends and residents in their localities for publication in this paper.

News may be mailed or may be communicated by telephone to any of these correspondents or direct to this office at 517 Lyell Avenue, Glenwood 2585. The correspondents with addresses and telephone numbers are as follows:

Mrs. Bertha A. Bush, 138 Maryland Street, Glenwood 5167.
Mrs. W. A. Schild, 380 Pullman Avenue, Glenwood 2214-J.

LACK OF FUNDS PRECLUDES NEW DEWEY LIGHTS

Unless special funds are provided the lights on Dewey Avenue south of Driving Park Avenue will not be replaced by new ones this year. This information was given out by City Manager Stephen B. Story in a letter to the editor of the Courier.

The \$25,000 which the city council appropriated for 1928 for new city lights has been entirely used up and there are no further funds available, according to the City Manager. However, he goes on to state in his letter that the lights will be given priority in next year's appropriation. This was the first time according to his statement that the matter had been brought to his attention.

The lights were the subject of a letter published in these columns in the last regular issue. The business men of the section complained about the poor lighting, which they feel is a distinct detriment to their business interests and also concerning the wooden poles which now stand along the avenue.

RECORD ATTENDANCE AT ANNUAL CIRCUS

Magee avenue's one ring circus for 1928 took the neighborhood by storm and after pulling down their tents and storing away the regalia for another year the youngsters found that they had accumulated a profit of about \$45.

This was their second annual performance and as in the first performance the bunch got a lot of good publicity. The city newspapers again opened their columns to blaze forth the news of the circus and the back yard of Louis Doucette at 500 Magee avenue was the mecca of some 600 patrons.

Here are the officials of the troupe: Allen Cook, ringmaster; Charles Bragg, general manager; Henry Klein and William Bragg, property managers; Louis Doucette, Milo Turner and Donald Whitmeyer, refreshments; Stanley Whitmeyer, publicity manager; Robert Grinnell, head clown and Jack Niven, drummer.

IN MEMORIAM

JOHNSON—In loving memory of Helen L. Johnson who entered into rest July 28, 1925.

Sad was the call for our dear one, loved by all,

We little thought that on that day Our dear one would be called away.

Three years have passed, our hearts still sore,

As time flies on we miss her more, Her loving face, her gentle smile—

We seem to miss her all the while, God loved her too, and though it best,

To take her home to be at rest, Father, Mother, Sister and Grandparents.

CORRECTION

In the last issue, through proof-reading error, it was stated that Chester A. Barnes had three years' experience at carpenter work,

whereas the advertisement should have read "30 years' experience."

"Marriage is a lottery with very few prizes."

"Of course it is. The best man never gets the bride."

LEWISTON M. E. BUILDING SOON TO BE STARTED

Plans for the new \$150,000 structure of the Lewiston Avenue M. E. Church are practically completed and will soon be in the hands of contractors for estimates according to announcement of O. W. and H. B. Dryer, architects. It is expected that construction work will be started this fall.

The side of the new church is on Dewey avenue between Christian and Winchester streets, just north of Lewiston avenue. Eight lots have been purchased, giving the church complete possession of the strip of land lying between Christian and Winchester streets.

Architects' plans call for a building of Gothic design, that will cover the entire plot of ground. The church proper will face on Dewey avenue with the church school, a two story structure in the rear. The parsonage which will be located adjacent to the church will face on Christian street.

As the result of a drive conducted in May, the Lewiston avenue church has available a fund of \$57,000 pledged to get the building underway. The church which has been established on or near Lewiston avenue for the past 17 years has at present a congregation of approximately 350, according to Rev. James S. Fleming, pastor. For the time being the congregation meets in the building at the corner of Dewey and Lewiston avenues.

Rev. Fleming, who left Monday for a month's vacation, also announced that the ground-breaking ceremonies would take place early in September.

GRETA GARBO COMES TO RIVIERA IN "THE DIVINE WOMAN" FRI.

"Don't be a type!" That is Greta Garbo's advice to the woman who wants to appear well gowned all the time.

"There is nothing more deadly than the wearing of the same type of gown the year around," says Miss Garbo, who is now playing the stellar role of "The Divine Woman," which is being shown as the feature attraction of the Riviera Theatre Friday and Saturday.

"There is no doubt that the clothes affect the wearer mentally, and, if you wear the same type the year around, your mind, as well as your personality, gets into a rut.

"It is true that one sort of beauty is best offset by a certain type of gown. Some people wear sports clothing better than any other models and it is a temptation for them to want to wear such clothing all the time because it is the most becoming. But that is bad psychology! You should be sure that each year's wardrobe includes a variety of models, feminine evening gowns, dainty afternoon frocks, and tailored sports models.

THE GARDEN OF EDEN

Dear Friend:

How would you like to peep through a hole and see—The Garden of Eden? How would you like to fall asleep and awake to find yourself sitting alongside of—Adam and Eve? How would you like to doze off and enter into a spirited conversation with—an intelligent devil of a Serpent?

How would you like to see Eve—minus her justly famous fig leaf—dressed in gorgeous silks and satins? How would you like to see Adam—without his beard—arrayed in summery white flannels? How would you like to see the Serpent—without his hiss—all togged out in swallow-tail coat and wing collar? How would you like to meet Adam at Monte Carlo? Eve in a Parisian night club's chorus? Or the Serpent in Vienna? How would you like to hear Adam call Eve "the only woman in the world?" How would you like to attend the sensational wedding at which Eve's fiery temper gets the best of her better judgment and—but of course you want to be there and see it all!

Who wouldn't—with beautiful Corinne Griffith appearing as Eve, Charles Ray as Adam and Lowell Sherman as the Tempter? Incidentally, Lewis Milestone, the chap who created "Two Arabian Knights," directed "The Garden of Eden." Be at the Riviera next Sunday for an eye-filling glimpse of "The Garden of Eden!"

The Manager.

PROBLEM CREATED BY CHAIN STORE DISCUSSED IN "ECHO"

The following contribution, signed "C. B.," appeared in a recent issue of "The Rochester Echo" and has aroused considerable interest. It is printed herewith by request:

"The Chain-store is today, as 'Barron's Weekly' recently admitted, an 'issue,' a 'menace,' against which retailers and wholesalers are opposing every effort. In fact, 'the chain-store now seems destined to go through agitation and legislative interference just as the agencies of production went through several years ago,' according to E. C. Sams, president of the J. C. Penny Co., one of the largest of chain-store corporations in the country.

"It is not astonishing or unreasonable those whose fortunes and independence are threatened by the vast aggregation of chain-store systems, should defend their interests. It is moreover desirable they should do so, and the various states as well as municipalities should aid the independent store owners in their struggle for existence. The chain-store is an evil, because it is helping to undermine the economic position and independence of that class still further than other factors in modern society have already done.

Great increase in Sales.

"Aaron Hardy Ulm, writing on the Chain-Store 'Issue' in 'Barron's,' and, of course, in a spirit favorable to chain-stores, admits that while in eleven cities enumerated by him 41.3 per cent of all retail grocery and delicatessen sales were through chain-stores in 1926, it is estimated authentically that chain-stores now do 72 per cent of the retail grocery business of New York City, 69 per cent in Memphis, 60 per cent in Philadelphia, and 60 per cent in Washington, D. C. He further admits that estimated conservatively, 30 per cent of the groceries bought for home consumption in the United States are now distributed by chain-stores. A spokesman for an organization of wholesale grocers, on the other hand, claims the chain-stores proportion to approach 50 per cent of the total. Moreover, the Federal Reserve Board statisticians find that the sales of 27 grocery chains increased 431 per cent. between 1919 and 1927. This growth does not merely affect individual retail store-keepers, but also, and this is frequently overlooked, the wholesalers. Mr. Ulm admits the volume of goods handled by wholesale grocers to have fallen off more than 20 per cent between 1919 and 1927. Dry goods wholesalers did 14 per cent less business in 1927 than in 1923. Wholesalers of women's clothing did 40 per cent less, while the volume of all wholesaling has declined about 15 per cent since 1919.

Economic Position Undermined.

"To that extent the possibilities of individuals to found, conduct, or continue wholesale and retail stores, owned by individuals operating under a co-partnership agreement or incorporated as a stock company, are curtailed by the advent and growth of chain-stores. Or, in other words, they are an impediment to men desiring to become owners of a business to be conducted by them, while they undermine the economic position of those already so engaged. Creating what tends towards a monopoly, the chain-store system makes it impossible for men with small capital to become independent, increasing thereby the number of wage earners, men and women accustomed to consider the pay envelope the ultimate economic goal for which they may strive. The chain-store furthermore has the tendency to force young men and women to leave smaller towns and rural communities for the large

city, since the former, together with the mail order houses, makes it more difficult for them to find employment at home. Thus in more ways than one, the chain-store adds to the dangers with which the independent shop owner has been beset since the advent of the industrial system.

In accordance with the general tendency of today, there is a demand on the part of those who feel the rapid growth of chain-stores threatens them, that public authority should interfere in this struggle between the two systems. In 1927 attempts were made in eighteen states to bring about enactment of laws opposed to chain-stores. Several state legislatures have adopted such statutes, some of them being of quite far-reaching intent. Mr. Ulm points, in this regard, to the case now pending in the U. S. Supreme Court, involving the constitutionality of a statute which would practically bar chain-drug-stores from Pennsylvania. State courts have upheld the statute. Then too, the U. S. Senate during the last weeks of the recent session of the present Congress passed a resolution calling for an investigation by the Federal Trade Commission of chain-store developments. In the opinion of Mr. Ulm, writing in 'Barron's,' it is so broad and inclusive that the investigation, which the commission already has begun, may be the completest possible of the interesting and almost revolutionary situation that has arisen in the world of retail distribution.

Co-operative Plan Proposed.

"Although the State should interest itself in this problem, discover whether conditions demand special protection be granted resident retailers and storekeepers as against the competition of the chain-store systems, owned and controlled by men who have no local interests, those menaced must not expect their salvation will come from that quarter. The history of the trusts and trust legislation should warn them of the futility of any such hope. Both retailers and whole-

"Buyers of cars are more particular nowadays than they used to be, are they not?" we asked.

"Oh, yes!" responded the dealer. "While they used to ask all sorts of questions about the mechanism, power, and so forth, now all they want to know is, 'What is absolutely the lowest advance payment I must make?'"

Lawyer: "You say you passed this truck as you neared the village? Did you notice anything peculiar about it?"

Witness: "I'll say I did! It wasn't in the middle of the road."

Wholesalers must rather have recourse to self-help and mutual help. Adopting before all methods of co-operation, they will discover ways and means to overcome any advantages the chain-stores systems may have obtained through their ability to purchase great quantities of goods and standardization of their wares. Before all, both retailers and wholesalers should engage in an educational campaign for the purpose of demonstrating to the public the danger of so shortsighted a policy as that of assisting in developing a system designed to still further concentrate ownership and increase still more the number of wage workers depending on the good will of absentee owners of capital and their managers.

Age of Speed

At a meeting to discuss the safety of pedestrians, one witness remarked:

"In the old days, if anybody missed a stage coach, he was contented to wait two or three days for the next. Now he lets out a squawk if he misses one section of a revolving door."

It's the truth. We are in such a hurry that half of the time we don't know where we are going. We would rather stub our toes than take the time necessary to pick up our feet.

We dodge through traffic in the middle of a block rather than spend thirty seconds in reaching a street crossing. We go from Chicago to San Francisco and write back boasting that we made the trip in three hours less than last time. We jump on and off moving trains. We even marry in haste—about all we do at leisure is repent.

We eat fast, talk fast, read fast, ride fast, walk fast, dance fast, sleep fast—and die fast.

What's the hurry? There are still twenty-four hours in the day, even with daylight saving. A straight line is the shortest distance between two points, according to the mathematicians, but why confuse life-with geometry? Wait a minute!

—Exchange.

Long Boy: "Big boy, wuz George Washington as honest as dey sez he wuz?"

Shorty: "Ah tell you, Nigger, George wuz the honestest man dat ever wuz born."

Long Boy: "Den how come dey close de banks on his birthday?"

"I was walkin' along the road from a trip up the holler," related a resident of Clapboard Springs, "when some feller comin' along in an auto picked me up. Then I'll be blamed if the darned car didn't dump over in a ditch."

"Hurt ye much?"

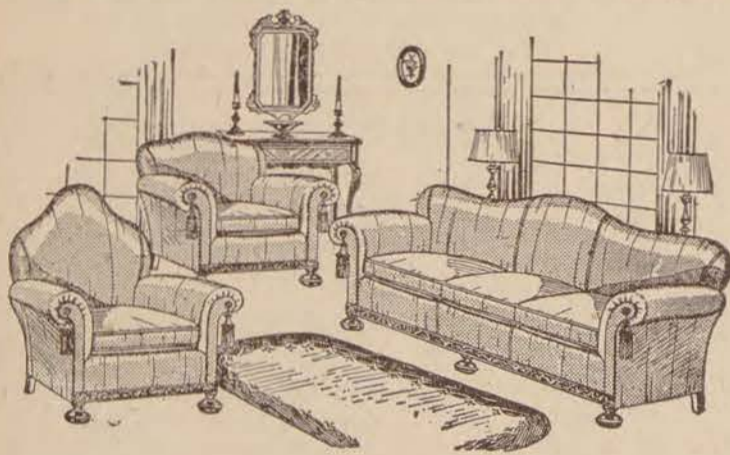

"Much? Gad, it busted the 2-gallon jug I'd toted three miles."

LARGE ATTENDANCE AND PERFECT DAY FEATURE DEWEY AVE. PICNIC

Favored by a perfect day, Dewey avenue business men and their families supplemented by many friends turned out Wednesday to the number of approximately 500 and enjoyed their third annual outing at Island Cottage. Men, women and children plunged whole-hearted into the large program prepared for them, and at the end of almost five hours of play and recreation, left for home, happy with more than 100 prizes in their possession.

With the temperature just about right for an ideal August afternoon the parade began to form at the corner of Dewey and Ridgeway avenues at one o'clock and by 1:30 was ready to depart. Headed by two motorcycle policemen and Deputy Sheriffs Moran and Johnson, the parade, featuring many beautifully decorated cars, moved down Dewey avenue to Driving Park. After swinging around at this point the procession headed toward the picnic grounds, cheered by a large crowd of wistful spectators all along Dewey avenue.

A. Volpe, shoe repairman, took the first prize in decorated passenger car competition and Richards Fruit Store was picked as the winner of the commercial car prize. The latter decision was a close one, honorable mention going to George Roger's grocery delivery.

Upper Enders Win.

Throughout the afternoon the kids and the grown-ups enjoyed their fill of hots, sandwiches, ice cream, orangeade, lollypops and peanuts. A large supply was on hand and lasted well through the after-

noon despite the huge demands made upon it.

The real feature of the sports program was the decisive trimming which George Bauman's Upper Enders pasted onto the Lower Enders under Lundgard Mack. The final score turned out about 20 to 8. There were many brilliant plays and just as many not so brilliant to keep the crowd, which had gathered

MORE FUN THAN A CROSS WORD PUZZLE

Take down the numbers that appear in the puzzle. Then look through the advertisements and compare the numbers you have with the telephone numbers in the merchant's ads. When you find the ones that correspond EXACTLY, write down the names and addresses of the merchants together with a short account of their business, not to exceed fifty words, and mail or bring it to the TELE-KEE-NO EDITOR'S Answer Box, care of The Vicinity Post, 517 Lyell avenue.

There are 8 numbers in the puzzle shown and when properly combined will make the correct two telephone numbers shown and use each number only as many times as shown in puzzle.

All answers must be in by Monday night, August 13th.

For the best two answers, prizes

equivalent to one dollar each will be paid. Prize is not paid for the correct telephone numbers alone, but is based upon the letter sent in, containing an appropriate statement pertaining to either or both of the Advertisers whose telephone numbers compose the correct answers to TELE-KEE NO Telephone Game Puzzle.

TENTH WARDER WINS SONG CONTEST PRIZE

In the contest for original lyrics conducted last week by the Rochester Theater, the song "Can't Get Away from a Wonderful Baby Like You," written by A. E. Monteville of 371 Glenwood avenue, 27-year-old chief operator of the Postal Telegraph Company, was chosen yesterday by the judges as the winner of the \$50 first prize and was sung in the theater by Joseph E. Howard, composer, and Rochester Theater headliner.

In the contest, to seek out Rochester talent in writing lyrics constantly sought for by the show business, more than fifty manuscripts were submitted. The youngest writer entering was 12 years old and the oldest 64. Out of the song words considered by the judges Monteville's were selected as the best. The song "Laughing Lips," by Ona Atwood of 212 Saratoga street, was chosen as having the most attractive title and given second place; and "Dancing Sammy Brown," by Elmer A. Myers, was considered of sufficient merit to warrant Mr. Howard's writing music for it. After the first place song was chosen, Mr. Howard wrote a fox trot melody to accompany it.

COUPLE CELEBRATE

GOLDEN ANNIVERSARY

Mr. and Mrs. N. C. Andes of Ridgeway avenue, celebrated their golden wedding anniversary Sunday, July 22nd. Rev. George V. Burns conducted mass at the Sacred Heart Church. Among those present were their children, Mrs. Mayme Uhl, Mrs. Josephine La Force, Dr. John F. Andes of Cleveland, Ohio, and George W. Andes.

The mass was followed by a reception and dinner at their home. The six grandchildren and two great grandchildren presented the couple with gold coins hidden in bouquets of flowers. Many friends and neighbors called during the day to extend congratulations.

John O'Donnel of Locust street, is visiting the Adirondacks, New York and Atlantic City.

COUNCIL TAKES UP BOULEVARD PAVING MONDAY

Lake avenue's much discussed paving problem will come up again at the meeting of the City Council Monday and at that time the ordinances which have been prepared will be started on the calendar of the city governing body. This is according to the decision made at the meeting last Monday.

Tomorrow morning representatives of St. Bernard's Seminary and Holy Sepulchre Cemetery, organizations affected by the proposed new pavements, are scheduled to meet with City Manager Stephen B. Story for a discussion of the matter. The adjournment of one week was granted in order that this conference might take place and also to avoid the necessity of holding the second of two public hearings on the proposal on Labor Day, which would have been required under the rules and regulations of the council proceedings.

Councilman Harry C. Goodwin had prepared two ordinances for introduction last Monday, one calling for an asphalt and the other for a concrete pavement, and it is expected that the same ordinances will be formally presented to the council Monday. Mr. Goodwin stated that he could see no excuse for further delay as against the recommendations of Councilmen Nelson A. Milne and Edward P. Flynn. The latter two voted with Councilman Foulkes and Peake and Mayor Wilson in favor of the tabling of the ordinances for one week.

Representatives of the seminary and cemetery gave as their reason for the much-discussed delay, a desire to look into the cost which would be involved in the paving, but Mr. Goodwin maintained that this they already knew. A definite move is on foot, however, to produce action on the improvement and it is expected that there will be no further delay in introducing the ordinance if Councilman Goodwin carries through his proposed plan.

SARANACS DEFEAT HARPS

The Saranacs defeated the Harps 4 to 3 at Maplewood Park, Sunday, with A. Comeau forcing in the winning run.

John Haisman of Selye terrace, Al Page of Augustine street, and Robert Cowan of La May's Drug store, returned Saturday from a fishing trip in Canada.

INVESTIGATING TOURIST SIGN DISAPPEARANCE

Working with hardly a clue to guide them, police are directing their efforts towards determining who it was that some time during one night last week removed the tourist sign at the corner of Dewey and Ridgeway avenues. The sign, erected by the Dewey Avenue Business Men, had been standing for approximately a month, welcoming tourists to Rochester via Dewey avenue.

Commissioner of Public Safety George J. Nier when asked concerning the mysterious disappearance of the sign, asserted that the police had nothing to do with its removal. However, he stated that his department would conduct an immediate investigation.

Merchants of Dewey avenue who contributed toward the fund raised to finance this and other signs on the street, are much aroused over the matter and will press the investigation until the mystery is solved. That the sign was not only torn from its footings, but also carried away, indicates that it may possibly be attributed to "spite" work, although business men of the section are inclined to discredit this theory.

The signs, five in number, were placed at various sections along the Dewey route leading to the center of the city, on July 13th and have been the subject of controversy. Signs on Driving Park avenue at both Dewey and Lake were taken down by the police a short time after they were erected on the grounds that they were leading to further congestion at heavy traffic points. However, Commissioner Nier after a personal investigation of the sign at Dewey and Ridgeway, decided upon its removal also, but promised that no action would be taken without the knowledge of the business men who had financed the signs. It is believed that it was his plan to take down both the missing sign and the directing markers of the Automobile Club of Rochester and to erect city signs indicating route numbers.

Mr. and Mrs. Theodore Ferner of Glendale park, accompanied by Mr. and Mrs. John Ferner, are at Brantingham Lake.

Mr. and Mrs. Arthur Crapston of Dewey avenue, are spending two weeks in Boston.

**Better Ironing
In Less Time**

You can do quicker and better ironing with the Rainbow Automatic Ironer than by hand or with any other machine.

The Finger-Tip Control-Bar is conveniently placed the entire length of the feed table. A slight pressure of the finger tip anywhere on the bar operates the mechanism which moves the ironing shoe to and from the padded roll. Your hands are always free to guide the work smoothly.

Let us explain the machine and the special payment plan and then do your next ironing for you.

for the game, on edge. There was nothing quite so dramatic in the opinion of all observers as the three healthy swings that "Bob" Hall took to strike out with the bases loaded. Needless to say he was the recipient of several "raspberries."

Another who received an ample supply of raspberries was "Bill" Moore. He and George Rogers decided that the pies in the pie eating contest were too tempting to resist and as a result both entered. Somebody gave "Bill" a slight shove as he munched on the pie, racing spiritedly with the youngsters, and thus qualified him for the prize for the most pie disposed of on the outside of his face.

Committees in Charge.

A sports program of 20 events was run off under the direction of Melvin Swartz of the Central Y. M. C. A. Mr. Swartz is a veteran of many picnics and the efficient manner in which the sports were run off received many favorable comments on the grounds.

Committees in charge of the outing were as follows: George Ester, general chairman; Tickets: A. J. Tucker, chairman; F. Rubadon, J. Reed, J. O. Ledlie, W. Moore, H. F. Doell and C. Listman. Refreshments, B. Wallace, chairman; J. Millard, F. Brennan, C. L. Eyer, J. Ryan and J. Evans. Sports, F. R. Metzinger, chairman; C. Cramer, B. Masseth, and J. Schubert. Prizes, E. Baynes, J. M. Prize Winners.

The tug-of-war resulted in a smashing defeat for the married men. George Bauman and Cy Cramer after mowing down all opposition finally copped the Barnyard Golf trophies. Mat Barry took the honors in the Klondyke Gold Rush. Other prize winners were William Renner, George Elsworth, Elmer Schufert, June Henner, Jane Bauman, George Floyd, Joe Volpe, E. Makin, William Moore, Miss P. Montalbano, Mrs. Christi, A. A. Tucker, Mrs. R. H. Darling, Elane Moore, Rosemary Werner, Matthew Barry, William Grienke, Harriett Spoor, Margaret Volpe, Mrs. E. **KENNY REMODELLING
LAKE AVE. SHOWROOM**

Remodelling of the showroom of Gerald C. Kenny Furniture Company at 1476 Lake avenue will be started next week. When completed the showroom will be nearly double its present size and will accommodate a larger display and the home atmosphere of the room is expected to be greatly enhanced by re-decoration.

The need for further display room has come from larger business demands, according to Gerald C. Kenny. The organization which has been doing business on Lake avenue now for five years is rapidly taking a place among the leaders in the Rochester furniture field.

NO. 7 PLAYGROUND

Children from No. 7 Playground participated in the pageant at Edgerton Park last night, giving four dances, the Flower dance, Ballet, Slipper dance and Fairy dance. Miss Dorothy Cashman directed the No. 7 children and Miss Catherine Strowger was in charge of all dancing. Other playgrounds participating included Maplewood, Edgerton Park, Tacoma and Brown Square.

On Friday the boys will hold a junior track meet at 2 p. m. in Genesee Valley Park with Wm. Reynell in charge.

**UNUSUAL FEATURES
BOOKED AT RIVIERA**

Rated as the two best dressed men in pictures, Edmund Lowe and Ben Bard are quite appropriately cast in the featured roles in Fox Films' "Dressed to Kill," which comes to the Riviera Theatre for an engagement of one day, Sunday, August 19.

"Dressed to Kill," which shows that crookdom of today has a patent leather finish, was written by Irving Cummings, who directed the picture, and William Conselman.

The inspiration of the story came after the two had been what was purported to be a "crook" picture on the screen. They decided to write and produce a real ultra-modern story of right up-to-the-minute crookdom and were encouraged in their ambition by Winfield Sheehan, vice-president of Fox Films.

The net result is a picture that is claimed the most realistic of modern crookdom that stage or screen has yet seen.

Mary Astor plays the leading feminine role and the supporting cast comprises the pick of character actors in Hollywood.

"A Girl in Every Port," The name itself should be enough to explain this unusual yarn about the first mate of a tramp schooner. This tale of the seas runs at the Riviera for two days, Friday and Saturday, August 17-18.

"A Girl in Every Port," is one of the most unique and, at the same time, one of the most thrilling pictures of the seas ever screened. Victor McLaglen, the Captain Flagg of "What Price Glory," is featured as "Spike Madden," the mate. Supporting him are Robert Armstrong, the pugilist in the stage play of "Is Zat-So" and eight of the most popular, beautiful and talented of the younger motion picture actresses who are featured players.

The story deals with the romantic adventures of a burly first mate in the various parts of the world

**TENTH WARD JEWELER
ATTENDS CONVENTION**

Wm. Jackson, owner of Jackson's Jewelry store on Driving park and Dewey avenues, has just returned from a five day convention of Watch Inspectors held in Chicago. The convention included an extravagant display of jewels and silverware, the latest trends and ideas for fall stock.

"Costume jewelry will be more popular than ever before," according to Mr. Jackson. The variety of color, design and materials is unsurpassed. Among the newest ideas shown were modernistic wrist watches, a profusion of colored beads and ornaments and silver toilet ware which is rapidly replacing ivory.

While in Chicago, Mr. Jackson visited many of the leading jewelry stores including the famous Peacock's shop.

The Tenth Ward Women's Democratic Club had charge of the flower booth at the garden party of the Monroe County Women's Democratic Club held Wednesday, August 15, from 3 to 10 P. M., at the home of Judge John D. Lynn, 14 Lambertson park. Mrs. Thomas E. Moran was chairman of the flower committee assisted by Mrs. W. A. Schied, Mrs. L. D. Lewis and Mrs. J. J. Regan.

The program included a buffet supper, musical entertainment and dancing in the street which was roped off for the occasion.

Mr. and Mrs. Ralph King of Selye terrace, returned home after a two weeks' stay at Alexandria Bay, Thousand Islands, which his ship touches. It takes the audience through the twisted streets and the queer cafes haunted by the sailors when they go ashore in ports of call. In each port there is a girl whose name is carefully noted in "Spike Madden's" note book.

**Weird Costumes and
Vehicles Featured
Playground Olympics**

Weird costumes and "weider" vehicles were the order of the day at the Fourth Annual Junior Sports Meet held Saturday at Maplewood Park by the city playgrounds. The youngsters were out in large numbers and residents of the section and guests were treated to an afternoon more full of fun than that enjoyed by the participants.

Playgrounds of the Tenth Ward fared rather badly in the results, however, taking only a few places, but presumably were just trying to be polite hosts and hostesses. The lists of events which follows furnishes a graphic description of the meet: express cart race for boys, roller skating races, manufactured and home-made scooter races, velocipede race, hoop race, costume contest and doll contests.

The youngsters proved to be versatile athletes and the close races in the youthful Olympics indicated some previous training. The feature of the program, however, ended in a decided upset when Gladys Goethals of University Field raced Joe Panette of Playground No. 16 into the dust in the roller skating contest, thereby showing the obvious superiority of the ladies over the men.

Mrs. Laura Lane and daughter Harriett, of Blue Island, Ill., who were guests of Mrs. Zina Dennis, of Flower City park, last week, left for Sodus Point.

18th ANNUAL EXPOSITION TO START MONDAY

Rochester's grand spectacle, the Exposition, will open its 18th year as a local institution, Monday, when it will be formally started by city officials. Then will follow six days of exhibits, championship contests, band concerts, side shows and all the various events common to Rochester's pride.

As usual the Exposition will take place on the front doorstep of the Tenth Ward inside the gates of Edgerton Park. With the affair so close to home it is probable that few Tenth Warders will fail to take advantage of the possibility of seeing the show, which has often been referred to as the stage on which the progress of the modern machinery of business is reflected from year to year.

Residents from many miles around and visitors from considerable distance will be numbered among the thousands of humans that will crowd their way into the park during the week. There will be attractions for everyone—from the horseshow where the well-to-do may vie in fashion's latest, to the midway where the less fortunate may spend their nickles and dimes.

Governor Alfred E. Smith, presidential nominee of the Democratic Party, will make his annual appearance on Thursday, which is always designated as Governor's Day.

DEATH OF PETER COOK SHOCK TO HIS FRIENDS

The tragic death of Peter Cook of 4 Broezel street, this week, came as a shock to his many friends in the Tenth Ward. Mr. Cook was fatally injured in an automobile accident on Lewiston avenue.

He was well-known in this section and his friends and neighbors have only praise for him. He leaves besides his widow, a family of five children.

Other famous visitors will make their appearance during the course of the exhibition.

Tenth Warders will have prominent places on social events on the Exposition program and are taking active interest in the various tents which will be run by various women's organizations. Frank Niven of Seneca parkway, will be the center of interest for many.

Mr. Niven is entered in the State Horse Shoe Pitching championship and will endeavor to retain the title won a year ago.

Have You Tried It? Two Prizes

Take down the numbers that appear in the puzzle. Then look through the advertisements and compare the numbers you have with the telephone numbers in the merchant's ads. When you find the ones that correspond EXACTLY, write down the names and addresses of the merchants together with a short account of their business, not to exceed fifty words, and mail or bring it to the TELE-KEE-NO EDITOR'S Answer Box, care of Tenth Ward Courier, 517 Lyell avenue.

There are 8 numbers in the puzzle shown and when properly combined will make the correct two telephone numbers shown. Use each number only as many times as shown in puzzle.

All answers must be in by Tuesday night, September 4th.

For the best two answers, prizes equivalent to one dollar each will be paid. Prize is not paid for the correct telephone numbers alone, but is based upon the letter sent in, containing an appropriate statement pertaining to either or both of the Advertisers whose telephone numbers compose the correct answers to TELE-KEE NO Telephone Game Puzzle.

Winners of Last Contest

The two telephone numbers the operator is calling are: Glen. 4786 (J. O. Ledlie, the jeweler) and Glen. 1150 (Hetzler Bros. Ice Co.)

When you are about to buy a diamond, see J. O. Ledlie, the diamond specialist, he is sure to please you. Also he carries a variety of greeting cards.

Service that is pleasing is found by all who patronize Hetzler Bros. Ice Co. Their ice is made of Hemlock water, thoroughly filtered and frozen under most sanitary conditions and is absolutely pure, which means a whole lot to most people. Lucille Vosburgh, 285 Summit Grove Pk.

I find the numbers are those of J. O. Ledlie of 842 Dewey avenue, Glen. 4786, and Hetzler Bros. Ice Co., 801 Driving park avenue, Glen. 1150.

These are both good firms. I have several articles purchased from Mr. Ledlie. They have proven very satisfactory and I found his service very adequate.

The Hetzler Ice Co. has many patrons in this Ward and I cannot say too much for their splendid service and superior ice. Marjorie DuRocker, 99 Parkdale Terrace.

P. T. A. Council Will

Conduct Exposition Tent

Mothers who wish to attend the Rochester Exposition will again have the nursery tent of the Rochester Central Council of Parents and Teachers at their service.

The tent, which has been conducted for the past seven years with great success, will be in charge of Mrs. Benjamin Thompson, chairman of the State Congress at Fairs, assisted by Mrs. Frank Lowe.

This year trained nurses will be on hand, through the courtesy of Dr. Charles Tracy of the Lake Avenue Hospital. Milk will be donated by Louis Paskall of the Paskall Dairy, and the kiddie coops by the Trimble Kiddie Coop Company.

TENTH WARD BALL PLAYERS IN ACTION

On Sunday afternoon the Crescent Beach baseball team defeated the Beach Avenue team at Island Cottage with a score of 6-0. Many Tenth Warders playing on the two teams were Walter Maher of Selye terrace, Edw. Graham of Alameda street, George Bauman of Lake View park, Buster Messerschmitt of Selye terrace, Carol Schneider of Lake View park and Earl Baynes of Lake View park.

LEDLIE CELEBRATES FIRST ANNIVERSARY ON DEWEY AVENUE

(This is the first of a series of articles on business men of the Tenth Ward.)

J. O. Ledlie, owner and manager of Ledlie's Jewelry store at 842 Dewey avenue, is celebrating his first anniversary with a big sale.

Mr. Ledlie takes great pride in being the pioneer jeweler in the Dewey and Driving park community. In choosing this location on Dewey avenue at Driving park avenue, he did so feeling that he was filling a need for a first class jewelry store. Mr. Ledlie was for 10 years manager of one of Rochester's largest jewelry stores, and originally opened his own store on the opposite side of Dewey avenue at No. 817. Fire in the building in January compelled him to move to new quarters in the newly finished Schulz Building.

Increasing business in the new location has compelled Mr. Ledlie to install additional fixtures and rearrange the interior of the store. As a convenience to the community Mr. Ledlie has installed a modern Circulating Library where all the latest fiction may be borrowed at all times.

Mr. Ledlie states that he has great confidence in the future of the Dewey avenue business section, which he finds has shown tremendous growth in the past few years.

CITY ENGINEER INVESTIGATING DEWEY SEWERS

At the request of this paper, the City Engineer's office this week is conducting an investigation into sewer conditions at Dewey and Driving park avenues, a point where merchants have been experiencing considerable trouble with each rainfall.

That the present storm sewer is an old one was established by a glance at the records in the City Hall. The present pipes, 20 inches in diameter, were laid in 1887, according to the records and are at a depth of approximately seven and one-quarter feet. The sewer is shown on the engineer's charts as being joined with others at the corner and thus running south to the trunk line on Lexington avenue.

Business places at the corner of Driving park and Dewey avenues have been experiencing considerable difficulty with water in their cellars at each rainfall and have been forced to install pumps with which to force the water from cellar bottoms. The fact that the sewer is considerably higher than the floors of the cellars is believed to be the cause of the miniature floods and it is expected that the recommendation of the city engineers will be for a new sewer at a lower level.

ORDINANCES FOR IMPROVEMENT OF LAKE AVENUE INTRODUCED

New ordinances for the improvement of Lake avenue providing new distribution of the cost between the city-at-large and abutting property owners, brought to an end the controversy over the matter at the Council meeting Monday night and initiated action on the much-needed pavement. The ordinances, which take in the section between the south extreme of the St. Bernard Seminary and the B. R. & P. Railway, are expected to be followed shortly by others that will enable the city to re-construct the boulevard to the lake.

Based on the engineers' estimates the approximate cost will be \$160,000 for a concrete pavement and \$185,000 for asphalt in addition to a cost of \$41,000 for a sewer. Figured on the basis of an asphalt pavement the estimated expenditures involved would be apportioned as follows: City, \$71,599; Riverside Cemetery,

\$21,400; St. Bernard's Seminary, \$36,000, and Holy Sepulchre Cemetery, \$100,000.

Through this apportionment the city would pay approximately 31 per cent of the cost, a proposal characterized by City Manager Stephen B. Story as the most liberal under consideration at any time to relieve the organizations owning property on the boulevard from the heavy pavement tax and to give the city a much-needed improvement.

The new method of distribution of cost, as explained by Mr. Story, which was incorporated in the ordinances, following the conference with Bishop Hickey and Mr. Dwyer who represent abutting property owners with 90 per cent of the frontage, provides that the city and the cemeteries, both Holy Sepulchre and Riverside, share equally

**Library Sets New
Record; Change Made
in Juvenile Librarian**

The Lake Avenue Branch of the Public Library has set a new record for books loaned on vacation privileges; 10,173 books have been taken out this month and August is considered a slack month. The average month for the entire year is 12,000. One hundred eighty-one persons have taken advantage of summer privileges which enables adults to take out ten books and children five. This offer is open until October first, but does not include 14-day books.

Marjorie Burnett, head librarian, will return Labor Day from a month's vacation in Canada. Mildred Stearns of Dunkirk is the successor to Eunice Gates, former juvenile librarian who has transferred to the Brighton Branch. Miss Stearns is a Simmons graduate.

Among the new books on order for this branch are "So You're Going to Rome!" by Laughlin. Useful information for the amateur traveler.

"The Delight of Great Books" by Erskine. Essays on thirteen great books and how to enjoy them.

"The Women Who Make Our Novels," by Overton. Short biographical sketches and discussions of the work of sixty-four women writing today.

"Contemporary American Authors," by Squire. A collection of British criticisms, chiefly favorable.

"Marching Along," by Sousa. Recollections of men, women, and music; egotistical but interesting.

"Whitehead's Auction Bridge for Beginners," by Whitehead. An authority's recipes for success in bridge.

"Herbet Hoover," by Irwin. Good campaign material about the Republican candidate for President.

"Quiet Cities," by Hergesheimer. Leisurely short stories of the chief

**REPUBLICANS PLACE
SAUNDERS ON SLATE**

The Republican County organization's slate for the primary on September 18 was completed with the selection of Richard L. Saunders as assemblyman for the Fourth District. Mr. Saunders is a lawyer and lives at 194 Selye terrace. He was recommended for the place by Charles E. Bostwick, leader of the Tenth Ward, and his designation followed a series of conferences that Harry J. Bareham, county chairman, had with ward and town leaders in the Fourth Assembly District.

Mr. Saunders has been practicing law in Rochester for about 25 years. He is a graduate of the Rochester Free Academy and the University of Rochester. At one time he was village president of Fairport and was Republican executive committee man from Fairport for ten years.

Early in his career as a lawyer, he was identified with the corporation counsel's office for a brief period. He is designated as Republican candidate to succeed Assemblyman Fred J. Slater, who was named to run for state senator in 46th Senatorial District to succeed Senator Homer E. Dick, who has retired.

cities of America when America was leisurely.

"Swords on the Sea," by Hewes. An exciting story of the maritime rivalry of Venice and Genoa in the fourteenth century.

"Hanging Johnny," by Johnston. The grim story of a man who was a poet by nature and a hangman by trade.

"How to Letter," by Heller. A clear and concise discussion of lettering for the beginner.

PERSONALS

Daniel Raymond Donahue of Seneca parkway, who has been in the employment of Mrs. Lolita Armour Mitchell of Chicago, as manager of her racing stables the past three years, has been promoted to head manager of famous racing stables owned by Sir Edward David Rayne of Surrey, England. Mr. Donahue will sail on September 1st by S. S. Leviathan. Mrs. Donahue will spend the winter season at her home in La Jolla, Calif.

Mrs. H. H. Price, wife of the former pastor of the Dewey Avenue Reformed Church, returned to her home in Pittsburgh. While in Rochester she was entertained by the following ladies: Mrs. Geo. Rodgers, Mrs. J. Holloway, Mrs. E. Marlowe, Mrs. Geo. Woods, Mrs. S. Redfield, Mrs. R. Lusink, Mrs. O. Hoch, Mrs. R. Scanlon, Mrs. E. Evans, Mrs. M. Dickenson, Mrs. R. Geer, Mrs. A. Snyder, Helen Hutchinson and Ruth Christman.

Mr. and Mrs. Kelsey Martin of Fulton avenue, have returned from a trip to Chicago and the Central States. They were the guests of Mrs. Martin's sisters, Mrs. E. D. Roberts of Evanston, Ill., and Mrs. C. A. Boyles of Oak Park, Ill.

Mr. and Mrs. Fred T. Matthews of Flower City park, have returned from a two weeks' trip to Montreal and the Thousand Islands.

Mrs. Allen M. Brewer of Southern parkway, entertained at luncheon Monday in honor of the birthday of her aunt, Mrs. Julia Greig Brewer of Lake avenue boulevard.

Mrs. Edith Wright of Lake avenue, returned last week from a motor trip to the Adirondacks and Montreal.

Mrs. John Wishart of Rand street, returned from a two months' visit to England and Scotland. She has as her guest, Mrs. Robert Strang of Sterling, Scotland.

Mrs. Robert Strang of Sterling, Scotland, who is visiting her sister-in-law, Mrs. John Wishart of Rand street, will leave Thursday for Saskatoon, Canada, to visit her son.

Mr. and Mrs. Kenneth McEwen of Seneca parkway, and Mr. and Mrs. Herbert Cash, returned from the Apple Shippers' Convention held at Pittsburgh. While there they attended the wedding of Gordon Walton, formerly of Albeparle street.

The Ladies' Aid of the Dewey Reformed Church held a lawn social last evening on the church lawn. There were hot, coffee and soft drinks in addition to ice cream and cake.

Mr. and Mrs. William Zimmer of Clay avenue, are spending two weeks at Bluff Point, Lake Keuka. They have as their guest, Elizabeth Zimmerli of Rand street.

CHILD IMPROVING

Last reports available indicate that the condition of Michael J. Burke, Jr., of 25 Glendale park, who fell from a height of twenty-five feet last week, is satisfactory. The child dropped from a two-story window and losing his balance toppled against the window screen which failed to hold.

FALLS—KELLY

Miss M. Ila Kelly, daughter of Mrs. M. Ila Kelly, of Greig street, and Clarence G. Falls, son of Mr. and Mrs. M. Falls of Glide street, were married on Saturday, August 18th, by Rev. Dissett at Corpus Christi Church.

The bride wore a Jenny model of French blue chiffon and velvet with hat to match and carried yellow roses. She was attended by her sister, Miss Evelyn Kelly, who wore gray georgette ensemble with hat to match and carried an old-fashioned bouquet. Raymond O. Falls was best man.

Mr. and Mrs. Falls left on an eastern motor trip and on their return will live in Coleman avenue, Spencerport.

THREE RETURN FROM TRIP AROUND COUNTRY

Miss Elizabeth Contaub, accompanied by her sister Kathleen, and father Isaac Contaub, returned recently to the city from a seven months' tour through the states.

The Contaubs left Rochester on January 24, by the way of the Southern States. They were snow-bound in Washington, D. C., for three days, but after leaving Washington they had good weather with the exception of a few cloudbursts in the west. They returned by the way of the Western States, stopping at all points of interest. They also took a boat trip from Seattle, Washington, to Alaska. A complete camping outfit proved of little value to desirable camping conditions in the west. They only used their outfit 23 out of 225 nights on the road. Among the many snapshots in their possession are some of these model camps and they appear more like private bungalowlets with their flowers and attractive surroundings.

Elizabeth and Kathleen taught at School 35 for 17 years.

All three in the party gained in pounds, color and knowledge of the country. After spending a week with their aunt, Mrs. William H. Stell of Flower City park, they are occupying their former home at 5 Edmonds street.

WARD—WILCOX

A very pretty wedding took place August 9 at the home of Mr. and Mrs. Hamilton Wilcox when their only daughter, Marian E., was united in marriage to Newton William Ward, son of Mr. and Mrs. Walter A. Ward of 312 Birr street.

The ceremony was performed before a bank of palms and gladiolias, by the Rev. Dr. S. S. Davies of Grace M. E. Church, assisted by the Rev. Lewis Hutchinson of the Baptist church of Gouverneur, N. Y. Mrs. Lewis Hutchinson, cousin of the bridegroom, sang, "I Love You Truly" and "At Dawning," accompanied by Mrs. Hedley B. Wilcox.

The bride, who was given in marriage by her father, was attired in white taffeta-made in bouffant style and wore a tulle veil in cap fashion, trimmed with orange blossoms. She carried bride roses and gypsophila. Miss Ruby Marie Carroll who was maid of honor was gowned in orchid taffeta and carried pink roses and gypsophila. Harry Ward Cleveland, cousin of the groom, was best man. The bride's mother wore blue-georgette with a shoulder bouquet of pink roses. The bridegroom's mother wore orchid lace.

A buffet luncheon was served and the Misses Mildred Smith, Mildred Fagen and Frances Eynon, friends of the bride acted as waitresses.

After a motor trip to Detroit and Canada the bridal couple will be at home at 655 Main street, Niagara Falls, N. Y.

Pre-nuptial events included a variety shower by the Towner Class of Grace M. E. Church; kitchen shower by Miss Frances K. Eynon; variety shower, Mrs. Hedley B. Wilcox; kitchen shower and dinner, Mrs. Henry L. Thayer, provision shower, Mrs. W. A. Ward; dinner, theater party and handkerchief shower by Misses Reta Gillooly and Pauline Rosner, also by Misses Mildred Smith, Ruby Carroll and Ruth Booth; a party by Mildred Fagen and dinners by Mrs. L. D. Wilcox and Mrs. C. N. Carpenter.

NO. 7 PLAYGROUND

The series of baseball games between the Army and Navy teams which have been played during the past four weeks resulted in the Navy becoming champions by winning three out of five games.

Charles Dejoy of Bryan street, won third prize last Friday in the playground track meet held at the University of Rochester field.

This is the last week of the playground season and before it comes to a close prizes will be awarded the ten highest boys and girls in the paint contest.

The boys' club will close their year's program with an outing at Charlotte. Games, swimming, ice cream and pop will feature their program.

**"ROSE MARIE" AND
"THAT'S MY DADDY"
COME TO RIVIERA**

Reginald Denny who stars in
Universal's "That's My Daddy"
which is coming to the Riviera
theater on Friday and Saturday, is
probably more excited about avia-
tion than 999 people out of 1000.

The reason is that Denny is a
noted aviator. During the war he
was a member of the Royal Flying
Corps and saw action over the
trenches of France.

After the war he returned to the
stage which he soon deserted for
his first screen success for Uni-
versal, "The Leather Pushers." Then
followed stardom in features, a
contract and the money that comes
with it. Thereupon Denny became
an enthusiastic civilian pilot, pur-
chased a powerful plane and was
initiated into the Black Cats Club,
an organization of 13 intrepid stunt
flyers of the West Coast.

But Universal's head rested un-
easily and they offered Denny a
contract at a high figure as he
quickly became one of the most
popular of all screen stars. There
was one clause in this which de-
nied Denny the right to fly for
economic reason. Life insurance
for \$500,000 was taken out by Uni-
versal on the star's life to protect
the heavy investment in Denny pro-
ductions. Denny signed but he has
never given up his enthusiasm for
flying.

Filming of the screen version of
"Rose Marie," coming Sunday,
September 2, famous musical play
which took the country by storm
two of three seasons back, became
a herculean task under the lavish
production plans of the Metro-
Goldwyn-Mayer studio.

On the theory that the most suc-
cessful musical play of the stage
should also be the most successful
dramatic play of the year, this
studio went to no end of pains and
expense to give to millions of mo-
tion picture-goers one of the most
lavish screen presentations in sea-
sons.

More than a million people saw

KILEY—MALONEY

The marriage of Miss Stella May
Maloney, daughter of Mr. and Mrs.
James Maloney, of Burr street, and
Lawrence Henry Kiley, son of Mr.
and Mrs. John Kiley, of Eddy
street, took place on Saturday,
August 11, at 9 o'clock at Holy
Rosary Church. The ceremony was
performed by the Rev. Paul
Gaffney.

Miss Mildred Maloney was maid
of honor and the bridesmaids were
the Misses Dorothy McHale, Mar-
ion Sherman, Melba Randell and
Virginia Armstrong. Miss Kathleen
Ayers, niece of the bridegroom, was
flower girl. The best man was
Joseph Leahy. Charles Atkinson
and Frank McLean acted as ushers.

After the ceremony, a wedding
breakfast was served to 30 guests
at the Green Lantern Inn. A re-
ception followed at the home of the
bride.

**ECONOMY PROGRAM
OUTLINED BY ICE CO.**

The housewife who depends upon
using all the perishable goods she
purchases at one meal is following
an expensive program. It means
either limiting her table or wasting
her food. Perishable foodstuffs
even after cooking are susceptible
to mold or decay, especially in this
climate. She must hold over to the
next meal what was not consumed
at the last and run the chance that
it will be fit to eat.

Business firms could not run their
establishments on such a hazardous
plan and the housewife that does it
is a waster of foodstuffs and of
money. The cost of ice and refrig-
erators is small compared to the
saving in doctor bills caused from
eating decayed food and the saving
in being able to use for another
meal goods that would otherwise
have been thrown out. Then again,
to purchase only enough of perish-
able food to supply one family meal
means buying in such small quanti-
ties that the very highest prices
must be paid by the housewife.
When a good refrigerator is filled
with ice it means that a supply of
goods may be stored away to meet
the demands of the table for many
days. In buying in quantity lots
of this nature the prices are lowest.

Let us follow this profitable pro-
gram in Rochester. Hetzler Bros.
Ice, Inc., is serving Rochester. Their
ice is ready for the chilled drink
of the invalid or the sick room.
It is safe and pure for the milk of
the infant or the iced coffee of the
grandmother.

Hetzler Bros. Inc., has been
serving Rochester people such an
article as they never have been
served before. We hope you have
been directly benefited by their
service. If you have not been, it is
time you were making use of this
economical and efficient program in
your home. Call Glenwood 1150
and tell Hetzler Bros. Ice, Inc., you
want their ice delivered to your
Rochester residence at once.

SHANAHAN—LE SCHANDER

Miss Mae E. LeSchander of Kis-
lingbury street, and Frank M.
Shanahan of Flint, Mich., formerly
of Rochester, were married Tues-
day at 9 a. m. in Holy Rosary
Church. The ceremony was per-
formed by the Rev. Paul Gaffney,
who also celebrated the nuptial
high mass.

The bride wore a gown of flesh-
colored chiffon, with hat to match,
and carried pale pink roses and
lilies of the valley, tied with a pink
chiffon bow. Miss Anne Bolger,
cousin of the bride, was maid of
honor. She was attired in an or-
chid gown with hat to match and
carried yellow roses tied with or-
chid chiffon. Mrs. George J. Drum,
sister of the bridegroom, was
bridesmaid. Her gown was of tur-
quoise blue, and she wore a yellow
hat trimmed with turquoise blue
velvet. Her bouquet of yellow
roses was tied with yellow chiffon.

Joseph A. Shanahan was best
man for his brother and the ushers
were Frank B. and R. John Le-
Schander, brothers of the bride.

A wedding breakfast was served
at the Driewood. After a motor
trip through the West, Mr. and
Mrs. Shannahan will reside in Flint,
Mich.

Pre-nuptial events were given by
Mrs. Frank B. LeSchander, Miss
Anne Bolger, Mrs. W. J. Teall, Mrs.
George LeSchander, Miss Amelia
Shanahan and Mrs. George J.
Drum.

Markham-Humes, Inc.

Now Formally Opened

Markham-Humes, Inc., are hold-
ing the formal opening of their
garage and service station at 1685
Dewey avenue. This new garage
is fully equipped and capable of
fulfilling all the needs of the car
owner.

There are ten gasoline pumps and
two grease pits, equipped with an
Alemite Air Pressure System of
greasing and oiling properly, the
working parts of the car that need
this special attention. As a time-
saver they have free air and water
connections which may be used
without extra cost. Two 1000-watt
Bowser flood lights provide "day-
light after dark" and uniformed at-
tendants render every possible serv-
ice.

The garage is fully equipped and
under the direct supervision of
John D. Markham who has success-
fully carried on this work for the
past fifteen years. Repairs are
made by experienced mechanics.

One of the very latest type brake
lining machines has been installed
which makes it possible to special-
ize in relining brakes with Multiple-
Interlocking Weave Aztec lin-
ing. They carry a supply of auto-
mobile necessities and a stock of
Seiberling, Arrowhead, Diamond,
Titan and Squeegee tires and tubes.

Expert work will be done in re-
moving body dents or jams, repair-
ing fenders, hoods, etc., also auto
painting, acetylene welding, top
work, windshield and body glass.

The officers of the company are
J. D. Markham, president; E. C.
Humes, secretary, and F. E. Mark-
ham, treasurer.

REPORTER GARBLES

HALLS—STARTS ROW

When the reporter through ob-
vious error wrote in the last issue
in the story on the Dewey Avenue
Business Men's picnic that Wallop-
ing "Bob" Hall had performed the
ignominious feat of missing three
straight chances at the ball with
the bases loaded, he started some-
thing. Peculiarly enough, however,
it was not Walloping "Bob" who
lead the rumpus, but rather a group
of Upper Enders.

It seems that the strike out hono-
goes to Lyn Hall, erstwhile butcher
in the employ of Bauman and
Baynes, and that it was just a case
of two Halls all mixed up. Pre-
vious to the picnic it is said that
considerable had been heard re-
garding experience, ability, and
other nice things with Lyn Hall's
name attached, and the Upper En-
ders' followers were naturally
anxiously awaiting the performance
of the hefty cleaver welder. As
a consequence when Lyn smote the
air in the direst of dire pinches he
was the recipient of many rasp-
berries much after the fashion of
other fallen idols. The final blow,
however, came when the reporter
got his Halls mixed, hence this cor-
rection.

WOLF—AAB

The marriage of Miss Mildred
Aab, daughter of Mr. and Mrs.
August Aab of Aab street, to
Arthur Wolf, son of Mr. Thomas
Wolf of Otis street, took place on
Tuesday evening, August 14th, at 7
o'clock in Trinity Lutheran Church.
Rev. Henry C. Erbes performed the
ceremony.

The bride who was given in mar-
riage by her father, wore a gown
of white taffetta in bouffant style,
trimmed with lace. Her tulle veil
was in cap fashion and trimmed
with orange blossoms and she car-
ried a shower bouquet of bride roses,
gypsophila and lilies of the valley.
Mrs. Ernest Keppler, sister of the
bride, was matron of honor and
Miss Lnabelle Petts and Miss
Emma Russel were bridesmaids.

Ernest Keppler was best man and
the ushers included Arthur Burn-
hard and Joseph Williams.
Following the ceremony a dinner
was served at Whittle's, for the
wedding party and guests. After
a trip to Chicago and points west,
from which they will return about
the middle of September, Mr. and
Mrs. Wolf will live on Seneca park-
way.

HORSE SHOE CROWN

Frank R. Niven, 751 Seneca park-
way, who has successfully defended
his title as Rochester's champion
horseshoe pitcher at four successive
expositions, will endeavor to retain
his crown a fifth season at the New
York state championship tourna-
ment at Edgerton Park, September
4, 5 and 6, in connection with the
eighteenth annual Rochester Expo-
sition and Horse Show.

Moreover, he is going after the
state championship this year in an
effort to wrest the title from the
grasp of outsiders. That it will be
no easy matter to bring the state
title to Rochester is indicated by
the large number of entries already
received by Edgar F. Edwards,
general manager of the Exposition,
from Western New York villages.

Blanchard Remodels

For Fall Business

Remodeling of the store of
Blanchard, Florist, at 48 Lake ave-
nue, was completed this week at a
cost of approximately \$500. The
remodeling is in preparation for the
coming fall season when Donald
Blanchard, owner of the store, an-
ticipates a considerable increase in
the flower business.

The store has been completely
re-decorated in a green background
with a touch of dark lattice work
in various places to enhance the
spring-like atmosphere. The de-
corating scheme is well done and
patrons of the store will be treated
to a pleasant surprise when they
step inside the door.

DOELL APARTMENTS

ARE NOW AVAILABLE

H. F. Doell will open for inspec-
tion next week his seven new apart-
ments and offices located over his
store at 1056 Dewey avenue. The
apartments contain every modern
convenience including heat, hot
water and refrigeration. The offices
are especially desirable for profes-
sional men.

Mr. and Mrs. Arthur S. Bush of
Dewey avenue, are spending a few
days at the Thousand Islands.

**Lake Ave. Improvement
Ordinances Introduced**

(Continued from page 1)

in the cost of the pavement along
the cemetery frontage.

Policy Justified.

Mr. Story said there was no ques-
tion that Lake Avenue Boulevard is
a through thoroughfare, and he felt
that the equal sharing of the cost
was fair in view of the fact that the
cemetaries, as pointed out by
Bishop Hickey, could not be sub-
divided and so brought a special ele-
ment into the situation. He said
that it has been a fixed policy for
the city not to exempt educational
institutions from pavement assess-
ments and that the city assesses it-
self on its public school property,
and that parochial schools, as well
as the University of Rochester, had
paid their share of all the pavement
costs in which they are interested.
He said that he saw no reason to
disturb this policy with reference
to St. Bernard's Seminary, and the
ordinance therefore provides that
the city pay ten thirty-sixths of the
cost of the pavement, as the pro-
posed pavement is to be 36 feet
wide, and abutting property owners
pay only for their share, or for 26
feet.

Utilities to Pay.

In the matter of the assessment
for the stormwater sewer which
carries also unusual aspects, Mr.
Story pointed out, because it drains
the street entirely and does not
benefit the abutting property own-
ers, the city has assumed 25 per cent
of the cost of \$41,000. He said that
this recommends itself as fair, be-
cause the abutting property owners
pay 75 per cent without receiving
any material advantage. As the
sewer is of some benefit to the New
York State Railway and the Roch-
ester Gas & Electric Corporation,
these utilities, by agreement with
the city, have each consented to
assume \$3,000 of the cost of the
sewer.

DEWEY SEWER ONLY 50 PER CENT EFFICIENT SAY CITY ENGINEERS

Despite the fact that the report of city engineers on the condition of the storm sewers in the neighborhood of Dewey and Driving Park avenue points out the fact that the present system is only 50 per cent efficient, there appear to be practically insurmountable obstacles in the way of possible improvement.

In the vicinity of Driving Park and Dewey the 20 inch pipes which constitute the sewer were laid more than 40 years ago in 1887 and lie approximately seven and one-quarter feet below the street surface. Through the survey made by the City Engineering Department under direction of John W. Skinner, it developed that the present system can carry only 50 per cent of the load which is surging through; thus causing the water to back up into various laterals and pouring large amounts of water on cellar bottoms.

In order to remedy the condition, Mr. Skinner advises that a larger sewer must be laid at a lower depth. Drainage from much of the section north of Driving Park avenue must pass the point at Dewey and Driving Park avenues where the trouble has been felt most severely, and this has added considerably to the problem created by the erection of many new buildings at the corner in the past few years.

Need Lower Trunk

The entire area is dependent upon the trunk line thru Lexington avenue for disposal and according to Mr. Skinner any solution of the problem must wait upon the construction of a new tunnel beneath this street. The tunnel must be at a considerably lower level to allow enough of a grade in the pipe lines to bring about a free flow into the trunk. At present the Lexington avenue sewer is at a depth of about 12 feet below the street level at Dewey avenue and if the Dewey storm sewer is to be lowered, the main line into which it empties should be dropped to a depth of approximately 25 feet, according to Mr. Skinner.

In connection with the present investigation Mr. Skinner pointed out that his department has been engaged for some time in checking the sewage systems of the entire city, realizing that in many sections sewers laid years ago have been gradually becoming less and less useful because of the rapid growth of the city. However, he also added that his department had no authority to proceed with improvements without ordinances from the City Council and that the results of the investigations would merely serve as information and basis for ordinances.

Milne Declines

Inasmuch as the only solution of the problem can come through the Council, business men of the section appealed to Councilman Nelson Milne to introduce an ordinance, but Mr. Milne declined to take ac-

BUSINESS MEN OF LAKE AVENUE CONSIDER FORMING ASSOCIATION

Tentative plans for the formation of an association of business men in the section of Lake and Lewiston avenues were discussed at a meeting of prominent business men of that vicinity held Monday evening. The meeting was called to determine the advisability of an association and if there was to be an association to appoint committees to start the organization underway.

It developed at the meeting that the sentiment was unanimously in favor of organization and accordingly it was agreed to hold a second meeting next Monday evening to which every merchant of the section will be invited. Two committees, one to take care of the arrangements for the next meeting and another to draw up a tentative list of rules and by-laws which will be presented Monday, were named.

Business men present, in discussing the possibilities of an association, found many points to advantage in joining together. From the discussion it became apparent that the primary purpose of the association will be to work for the advancement of the section and the business houses in the community. Social occasions, when the members of the association may gather together and talk over problems informally, was seen as a big contribution of the association in aid of the advancement of the community.

While not adverse to publicity for the proposed association, business men, who are devoting their time in an effort to form the association, have no desire for credit to themselves. Their only interest is the formation of the association and, during the week's time which has been allowed before the general gathering, they are spending considerable

REPUBLICAN WOMEN WORK FOR HOOVER

The Tenth Ward Republican Women held their regular monthly meeting, Thursday evening, September 6th. The meeting was opened with a song dedicated to presidential candidate, Herbert Hoover. Many members pledged to start an "endless chain," each promising to get 10 voters, outside their own organization, who will pledge 10 more.

On Thursday evening, September 13th, they will hold a card party for both men and women, at the Driving Park avenue club room. Mrs. Irene Paskall is chairman, assisted by Mrs. Ann Clifford, Mrs. Kate O'Brien, Mrs. Clara Potter, Mrs. Frances Thomson, Mrs. Harriett Wadman, Mrs. Grace Burnett, Mrs. Louise Kane, Mrs. Corine Cox and Mrs. Bertha A. Bush.

Wednesday card parties, which were a decided success last year, will be inaugurated Wednesday with Mrs. Bertha A. Bush as hostess, assisted by Mrs. Jennie Stell and Mrs. Carrie Jenks.

Niven Takes Second Honors In Tourney

Despite the fact that he defeated the man who was subsequently crowned champion, Frank R. Niven, of Seneca parkway, was forced to take second honors in the New York State Horseshoe Pitching Championship at the recent Exposition. Niven trimmed Harry G. Forbes, 21-year old youth from Gloversville, who took the championship, 50 to 43 in the finals.

Niven, the Rochester star, was forced to pitch a remarkable game to beat Forbes. Niven gained his 50 points by pitching 44 ringers, 11 double ringers in 78 shoes for a percentage of .564. Forbes scored 43 points and had 41 ringers and 11 double ringers for a percentage of .529.

Niven was tied with A. H. Holschauer of Glens Falls in games won and lost but had a point advantage of 27 over his rival. Niven was therefore given second place. Points decided all ties in the standings where ties existed.

time in extending invitations and arranging details.

Invitations have been prepared and mailed to the various business men and these will be followed by a personal call by members of the organization committee. The meeting on Monday will be in the form of a smoker. A light buffet lunch will be served.

Tenth Warders Gain High K. of C. Offices In Annual Elections

Three prominent Tenth Ward residents were honored by election to high offices in the Knights of Columbus and another was chosen as alternate delegate to the state convention at the annual elections held Monday evening. Included in the honors which fell to Tenth Warders was the highest award of the Council of Rochester, the office of Grand Knight, to which Daniel F. Fitzgerald, of Magee avenue, was named.

Thomas H. O'Connor, of Magee avenue, was elected to the post of recorder, and James P. Jones, of Alameda street, was chosen as trustee to serve for the next three years. Installation of these officers will take place on October 1st. George T. Roche, of Lake View park, is alternate delegate to the state convention.

WOMEN'S DEMOCRATIC CLUB STARTS SEASON

The Women's Democratic Club of the Tenth Ward held the first meeting of the season at the home of Mrs. L. D. Lewis, of Gorsline street, last Thursday evening.

The meeting was in the nature of a rally and judging by the enthusiasm shown and the increase in membership a most successful season may be anticipated.

After a short address by Mr. Thomas E. Moran, business matters were set aside and the remainder of the evening was spent playing cards. Announcement of the next meeting will be made at an early date in The Courier.

GET THE NUMBER

Disregard for the signal lights at the corner of Lexington avenue and Dewey avenue has caused several narrow escapes during the week. Pedestrians are advised to secure the number of the offenders and if possible a witness and inform the Traffic Bureau.

Troop 46 Hike

Girls Scouts of Troop 46 held a hike to Ellison Park, recently. After reaching the scout camp the girls built a fire and all enjoyed making their own dinner, consisting of angels on horse back and yum yums. They hiked all around the beautiful park.—(Scribe)

PETITION ASKS FOR REPAVING PULLMAN AVE.

A petition for the improvement of Pullman avenue, signed by nearly 100 per cent of the property owners was presented to the City Council, September 4th, by Councilman Nelson A. Milne. The petition calls for a concrete pavement.

The action on the street improvement comes after a number of protests by residents and business men of the street as to its condition. With the present pavement pitched so that the center is approximately a foot higher than the sides, property owners have been seriously handicapped by miniature floods which any appreciable rainfall occasions. Business on the street at times has been practically at a standstill due to heavy rains, and as a consequence the demand for a new pavement was almost unanimous. Numerous breaks in the pavement have also been the cause of much discomfort to motorists.

It is expected that the street will be widened if the ordinance passes so as to allow room for parking and with the addition of the new lights, which have also been promised, Pullman avenue will take on a new appearance.

Dr. Kettell Honored

PERSONALS

Little Miss Margaret Delanno, of Knickerbocker avenue, took first prize in the Fourth Division of the Baby Show at the recent Exposition.

Robert Hall, of Hall's Service Station, has returned from several days spent in New York City.

Miss Hortense Marcille, of Lewiston avenue, has returned from Toronto where she spent a week.

Mrs. Canlin and children, Thomas and Alice, of Buffalo, N. Y., were over Labor Day guests of Mr. and Mrs. Fred Shubmehl, of Glendale park.

Lomb Circle Ladies of the G. A. R. will hold a sausage roast at the residence of Mrs. Colton, 31 Savile drive, this week.

Mrs. Marie Dudd, of Flower City park, vice president of the Women's Republican Club, returned Sunday from a vacation spent at Old Forge.

Mr. and Mrs. William Walker, of Flower City park, returned this week from a two weeks' motor trip through the New England states.

Mr. and Mrs. John J. Fallon, of Clay avenue, have just returned from a short vacation trip.

R. A. Belcher, of Dewey avenue, returned early this month from a fishing trip to Canada, reporting a good catch.

Mr. and Mrs. Stalbrodt and family, of Magee avenue, have returned from their summer camp at the Thousand Islands.

Leslie Bauman, well known baseball star of the Tenth Ward, has just returned from a trip through the southern states.

FLEMING—LUMBERT

One of the most attractive weddings of the month took place Saturday afternoon, August 4, when Miss Frances Elizabeth Lumbert, daughter of Mr. and Mrs. William Lumbert of Brighton, became the bride of Frederick Fleming, son of Mr. and Mrs. William Fleming of Mason street, at the home of the bride's parents in Rose Lawn.

The bride, who was given in marriage by her father, wore flesh colored chiffon and carried a shower bouquet of bride roses and gypsophila.

The maid of honor, Miss Alice Fabry, wore orchid georgette and carried an arm bouquet of old-fashioned flowers.

Shirley Hogysten and Virginia Kester, nieces of the bridegroom, were ribbon bearers and Jane Hogysten was flower girl. George Weisenberger was best man.

Mr. and Mrs. Fleming left on a motor trip through the Adirondacks and the New England States, and upon their return will make their home in this city.

GERALDINE SHOPPE

FALL OPENING SAT.

Formal fall opening of the Geraldine Dress Shoppe will take place Saturday. The store has been completely remodelled and redecorated during the summer. The dress shop with its new private dressing rooms contains an array of the newest fall frocks, including satins, georgettes and the popular velvets. A complete line of hats, lingerie, hosiery and bags are also on display. Many coats will be shown including several fur models.

The beauty shop now occupies a large room in the rear of the store and is attractively done in black and white. Harriet Ludwig and Gertrude Clark expert operators will give marcells and all varieties of beauty culture.

Souvenirs will be given away to each customer and five prizes: a dress, hat, pair of hose, set of lingerie and bag will be given to names of purchasers drawn Saturday, September 22d.

The Geraldine Shoppe is located at 204 Lyell avenue, near Saratoga.

Barnyard Golf Honors

Hang in the Balance

The presence of some of the greatest horse shoe tossers in the country at Edgerton Park this week had a stimulating effect on the members of the Maryland Horse Shoe Club. Some of the best scores of the season were chalked during the last week.

Honors for the girls' championship are about even at this writing. Mary Ferguson who has romped off with high scores for several weeks past has found a formidable opponent in Evelyn Sprague who thrilled the gallery on Friday afternoon with a flock of ringers.

Freddie Cook and Francis De Vilbiss are crowding each other for the best totals among the men's division, while Billy Flannigan stands alone and ready to uphold his title as the Junior Champ of the Tenth Ward.

Tenth Warders who desire to play it out with the above mentioned for neighborhood honors or the championship of the ward are requested to call at 143 Maryland street where they will be given a booking for a morning, afternoon or evening contest.

ERNISSE—BARTRAN

The marriage of Miss Margaret H. Bartran, daughter of Mr. and Mrs. Frank H. Bartran of Jackson street, and Franklin H. Ernisse, son of Mr. and Mrs. A. Ernisse of Hollister street, took place on Saturday afternoon, July 28th, at 3 o'clock at the First Evangelical Church, the Rev. A. F. Duttweiler officiating. The double ring ceremony was used.

The church was decorated with palms and baskets of old-fashioned flowers. Miss Mildred Moeshler sang "O Promise Me" and "I Love You Truly," accompanied by Mrs. Walter Rhoades, at the organ.

The bride, who was given in marriage by her father, wore a gown of crystal trimmed white crepe, with a veil in cap fashion, caught with orange blossoms. She carried a bouquet of white bride roses, with gypsophila and a shower of sweet peas.

Mrs. Rose Seaton of Cato was matron of honor and wore pale pink crepe, with a white leghorn hat, trimmed with pink, rose and black velvet streamers. She carried pink roses and gypsophila.

The bridesmaids, Miss Elinor Klix and Mrs. Thelma Truometer, wore blue and peach taffeta gowns respectively, made with uneven hemlines, and hats the same as the matron of honor. They carried bouquet of old-fashioned flowers. Betty Truometer was flower girl and wore a dress of orchid crepe and carried a basket of old-fashioned flowers.

T. Clifton Embra was best man and the ushers were Harold Scheck and Harold Emerson.

The bride's mother wore tan crepe with a shoulder bouquet of pink sweet peas and the mother of the bridegroom was dressed in blue georgette and wore a shoulder bouquet of pink sweet peas.

Following the ceremony, a reception, attended by the immediate relatives, took place at the Old Homestead, in Irondequoit.

The out-of-town guests included Mrs. Rose Seaton of Cato and Miss Jessie Bartran and Robert Sanderson of Seneca Falls.

Pre-nuptial events were given by Mrs. Frank Bartran, Mrs. Rose Seaton, Miss Elinor Klix, the girls of the Filia Moria class, Mrs. Le Drew Van Acker and Mrs. Llye Truometer.

Mr. and Mrs. Ernisse left on a trip to New York city and will be at home after August 15th.

NORRIS—EASTMAN

Miss Mildred Ruth Eastman, daughter of Mrs. Margaret Eastman of Lake avenue, was married to Clarence A. Norris, son of Mr. and Mrs. A. J. Norris of Wisconsin street, on Saturday, July 28th, in the parsonage of the Dewey Avenue Presbyterian Church. The Rev. Stanley Gutelius performed the ceremony.

After the ceremony, Mr. and Mrs. Norris left on a trip to Detroit and points West. On their return they will live at 522 Lake avenue.

MISS RUTH GARNER

LARGE GATHERING APPLAUDS RUTH GARNER IN FRONT PORCH DEBUT

In a very unusual debut, Miss Ruth Garner, daughter of Mr. and Mrs. Charles L. Garner, of 223 Seneca parkway, gave her first public performance as a coloratura soprano, Tuesday evening from the front porch of her home. The affair, unique in social as well as musical annals of the city and sponsored by many prominent Tenth Ward residents, drew a crowd of several hundred people who accorded Miss Garner an enthusiastic applause.

Miss Garner's musical studies were begun at the Cincinnati Conservatory of Music. Later she studied with Arthur Alexander, vocalist, and Hans Ebel, pianist at the D. K. G. Musical Institute of Rochester, continuing thereafter under the guidance of a personal friend of her parents, the celebrated Maestro Yeatman Griffith, formerly of London and Continental Europe, and now of New York City. She has had four seasons in New York and plans to return to that city this fall.

Surrounded by every variety of cut flowers, the gifts of friends, Miss Garner gave the following program: "Come, Rosalind," Carmichael; "Should He Upbraid?" Bishop; "Lo, Here the Gentle Lark," Bishop; "Autemps des Fees," Koechlin; "Air du Rossignol," St. Saens; "Air de Snegourotchka," Rimsky-Korsakoff; "Bell Song," from "Lakme," Delibes; "The Last Rose of Summer," Arr. by Clifford Page; "Welcome, Sweet Wind," Cadman; "Snake-Charmer's Song," Liza Lehmann; "The Wren," Benedict.

Among her selections the Dimorah Shadow Dance presumably takes place in the moonlight in the outskirts of a Breton village; the Air de Snegourotchka describes a winter scene in the forest; and several birds songs were included.

She was accompanied on the piano by her mother and Miss Eleanor McCabe, flutist, F. W. Reynolds, of WHAM, announced the program.

Miss Garner wishes to express through The Courier her "deep ap-

Holy Rosary Gets Large Registration

Over seven hundred pupils have registered at Holy Rosary School to date. In the recent scholarship awards which were granted by the Regents Board of the University of the State of New York, four of the twelve winners at Nazareth Academy were graduates of Holy Rosary. Among this number was Rita M. Kier, of Villa street, who had the highest rating of all the Monroe County pupils.

Appreciation for the widespread interest of my neighbors and friends." It is her hope that this manner of presenting her art to Rochester may establish a practical basis for the debuts of other artists, as it avoids the heavy expenses often attendant on such affairs; and, as her friends point out, it is a new and rarely pretty enterprise.

The following community committee arranged the debut: Councilman Edward P. Flynn, chairman; H. F. Atwood, Myron T. Bly, Colin W. Cross, Marsden B. Fox, L. W. Gerew, Harry LeB. Gray, Harold Kingston, C. W. Burley, Lincoln Burrows, Howard A. Gillan, Edward B. Leary, Leo A. MacSweeney, Arthur A. McCall, Herbert J. Menzie, Wallace I. Miller, Dr. Allen Ottman, Dr. J. C. Reid, George T. Roche, George J. Nier, Joseph E. Scheuerman, Stephen B. Story, H. E. Van Derhoef, H. F. Wignall, and Louis P. Willsea.

Commissioner of Public Safety, George J. Nier, arranged for the placing of a thousand seats in the parkway and provided 15 traffic officers to block off the street.

Among the out of town guests present were Mrs. C. A. Day, of Washington; Mr. and Mrs. Douglas Joyce and Mrs. M. W. Thomas, of Tonawanda. Many porch parties were given last evening by neighbors along the parkway in honor of Miss Garner.

Antoinette Opens Store on Lake Ave.

Antoinette, recently returned from New York with a large supply of the new and unusual creations, has opened her store in the Riviera Theater Building at Lake avenue and Flower City park. The store is conveniently located and offers many real bargains to its clientele.

At this store will be found complete selections of millinery, hosiery, undergarments, sports wear, costume jewelry, scarfs and notions. Featuring Onyx, Pointex hosiery and Vogue brassiers.

The women of this vicinity will find pleasure in shopping at this store where quality is foremost, styles are authentic and prices consistent with the quality.

This shop is managed by Mrs. Gale Kelley.

Delicatessen Still Has Strong Appeal

The day of the delicatessen is still at hand and going strong as ever. In fact the demand seems just a little bit more pronounced than usual, according to George Rogers, prominent I. G. A. grocer of Dewey avenue and latest addition to the delicatessen ranks.

Mr. Rogers vouches for the fact that there is as ever a big demand even on the part of house wives of the newer era for pork and beans, salads, cold ham and other sundries. Accordingly, he has made several changes in his store, both as to time and arrangement. His store is now open until 11 o'clock every evening and Sunday finds the Rogers' store at 1458 Dewey up and going with the demand about as great as on any other day of the week. The store is the oldest grocery on the lower end of the avenue having been located at its present address eighteen years.

"The delicatessen service has a place in the routine of business," Mr. Rogers remarked, "and it must be recognized. When one must prepare hurried meals or guests drop in unexpectedly our service is often a very much appreciated one. And of course there are many who at times have a desire for a change in the regular daily grind who also find our delicatessen a happy solution."

CHANGE SITE PLAN ON KODAK COMPANY'S PLEA

Application for a permit to erect an asphalt plant north of Lewiston avenue and adjacent to the New York Central tracks was withdrawn recently by R. C. Jacobson, president of the Roadite Construction Company, of New York, when the Eastman Kodak Company declared that the plant would injure film making at the Kodak Park plant.

Paul Seal, chemical engineer of the Kodak company, appeared for the complainants before the Zoning Advisory Board in special session, declaring that smoke, soot and fumes from the asphalt plant would injure coating processes in the company's film manufacture.

Mr. and Mrs. Raymond J. Bauman have returned from Niagara Falls and Toronto and are now at home at 468 Lake avenue, in the Ontario Apartments.

icitone features released since the new era of movies has descended upon the East. The Riviera is one of two theaters in Rochester equipped to run both Movie-tone and Vitaphone pictures, having recently installed a set of equipment at a tremendous cost in order to keep step with the popular demand for the newest and finest in movies.

"Tenderloin," "Lights of New York," "Glorious Betsy," and "The Lion and the Mouse," are listed among the features which will show at the Riviera during the next few weeks. Mr. Belcher has also scheduled a number of comedies and news reels in the talking movies.

The return of Al Jolson is only one of many triumphs scored by the popular comedian. When in Rochester previously the picture drew capacity houses everywhere.

This picturization of Samson Raphaelsons comedy drama is made doubly important in that it marks the screen debut of Jolson, the most famous entertainer in the world. The production which Warner Bros. assembled for the projection of Al Jolson as the son of the cantor who ran away from home and become a famous jazz singer was given so much care, thought and lavish attention it is considered the supreme achievement of the list of fine pictures made by this able firm of producers. Alan Crosland directed.

The great cast surrounding Jolson in "The Jazz Singer," with dainty May McAvoy in the part of Mary Dale, Warner Oland as the cantor, and Eugenie Besserer as the mother, includes also Otto Lederer, Bobby Gordon, Nat Carr and Richard Tucker.

Dewey Sewer only 50 per cent efficient

tion without a petition signed by 25 per cent. of the property owners who would be affected.

"Two years ago," Mr. Milne remarked when the request was made of him, "I introduced an ordinance for the proposed tunnel in Lexington avenue to take care of the situation. But at the hearing it appeared that practically 90 per cent. of those present were opposed and as a result the matter was dropped. Business men at the corner of Dewey and Driving Park may be very much in need of the new sewer, but I would decline to present another ordinance to the Council without a petition, duly signed."

The task of circulating a petition among the large number of property holders who would be involved if the Lexington tunnel were to be built would be a huge one, and at this writing no other solution had presented itself.

School Days
Once again school bells are ringing, And for every girl and boy, Gone again until next summer Are vacation days of joy.
They've enjoyed a long vacation, And so now they will not shirk; In the school room they are seated— And they'll get right down to work.
And they later will be happy, When they women are and men— They will find good educations Lighter make life's burdens then.
So learn all you can, dear children; Study hard, observe each rule; Later, will be much depending— On what you now learn in school.

BUSINESS MEN FORM ASS'N ON LAKE AVENUE

Business men of the vicinity of Lake and Lewiston avenues formally organized in the form of a business association at their meeting Monday evening, September 17 and elected a slate of officers for the coming year. Over 35 representatives of business places of the section attended the meeting and enthusiastically promised their support to the organization. Many other business men, unable to be present at the meeting, sent word that they were heartily in accord with the purposes of the association and expressed their desire to become members.

Charles P. Coster, prominent Lake avenue jeweler and president of the Rochester Retail Jewelers' Association was named as first president of the association. Mr. Coster acted as chairman of the committee which arranged the first general meeting.

Other officers chosen were as follows: vice-president, Fred Doell, restaurant proprietor of Pullman avenue; secretary, Gerald C. Kenny, of Kenny Furniture Company; and treasurer, L. J. Marsh, manager of the Lake Avenue Branch of the Lincoln-Alliance Bank.

After a discussion of several possible names, it was voted to call the organization the Lake and Ridge Business Men's Association. It was felt that this name would describe the section represented in the association better than any other suggested. It was decided to hold monthly meetings on the first Monday of each month.

The purpose of the association as outlined at the meeting in tentative by-laws is to boost the community and work for its advancement in every way possible; and also to unite the business men in one group so as to be in a position to cooperate fully with any movement for community betterment. A small annual membership fee was proposed and adopted.

Following his election to office President Coster nominated a committee composed of Dr. C. W. Oster, chairman, H. C. Deichmiller, and Harvey M. Johnson to plan for the next meeting which will be held next Monday evening, October 1st. This gathering will be in the nature of a bowling party at Rock's Bowling Alleys on Lake avenue. Further association business and plans for the future, including an opening celebration for Lewiston avenue, will be discussed in a short business session. A light lunch will also be served.

Leo W. Waldert, of Alameda street, left last week for Holy Cross College in Worcester, Mass.

LEWISTON TO OPEN BETWEEN LAKE-DEWEY

Although the first concrete is just being poured on the upper half of Lewiston avenue, the lower end between Dewey and Lake avenues, barring further complications, is scheduled to be opened to traffic in two weeks, according to City Engineer Howe. All four strips of concrete have been laid on the lower end and opening of this section waits only on the completion of sewer work at Dewey avenue and re-grading of the railroad tracks leading into Kodak Park.

If necessary Mr. Howe stated that a cement of greater strength would be used in completing the surfacing at the two points mentioned. The use of the special cement, although more costly would be justified because the customary 21 day "set" period would be considerably shortened, thus allowing the road to be travelled over at an earlier date.

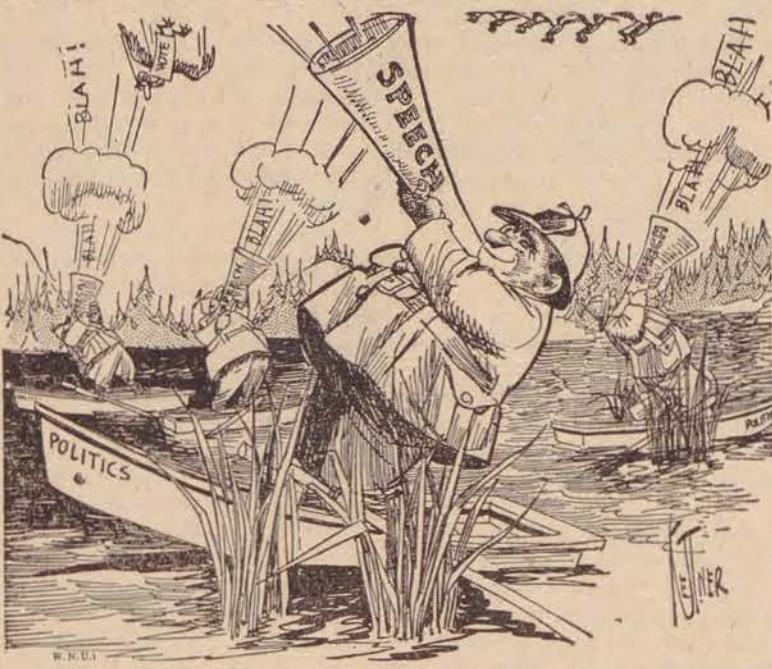

Mr. Howe pointed out that the huge amount of pouring necessary for the 40 foot highway had been completed in record time and that all possible haste was being made to complete the surfacing of the upper end at an early date.

Boy Scout, Seeking Badge, Submits News

In an effort to obtain a Boy Scout Merit Badge in Journalism, Jack Taylor, of Kisingbury street, has submitted three news stories for this issue. All of them are to be found in this issue bearing Jack's initials.

Jack is a member of Troop 12 which meets at Dewey Avenue Presbyterian Church. His news stories are welcomed to this paper as are those of any other boy scout working for the merit badge. News must be written plainly on one side of sheet and addressed to this paper at 517 Lyell avenue.

FOUNDATION ORDINANCE FOR NEW BRIDGE AWAITS PLAN COMPLETION

Preparation of an ordinance for the appropriation of a sum of about \$25,000 for the foundation work of the new river bridge at the Ridge road awaits only presentation of plans and specifications by Commissioner of Public Work, Harold W. Baker. This announcement was made this week by City Manager Stephen B. Story coupled with the assurance that everything possible was being done to speed the plans for the bridge.

"We realize the pressing need for the new bridge," said Mr. Story, "and will hurry things as much as possible. A careful study is being made of conditions in order that the bridge when completed will take care of the traffic, which it will be called upon to carry, in the most efficient manner."

The plans for the footings are expected shortly and the first appropriation will see the work underway. Mr. Story explained that due to the huge section of concrete which will be laid, cold weather and frost will have no bad effects and that the work can be started during the winter months.

It was intimated by the City Manager that the new bridge might be of the two-deck type, with upper section reserved for through traffic and the lower deck for others crossing and moving up or down Lake avenue and St. Paul street. This plan would involve wide approaches and considerable road grading and of necessity would involve many engineering problems in addition to those common to the ordinary type of bridge.

Further announcement in the near future regarding the bridge is promised by Mr. Story. Smith street bridge, which stands condemned, will also be replaced soon, but the City Manager indicated that this extra construction work would not be allowed to interfere with plans for the Ridge road bridge.

STORY ORDERS RE-LAYING OF DEWEY TRACKS

Announcement from the office of City Manager Stephen B. Story that the street railway company has been ordered to prepare to relay, next year, its tracks on Dewey avenue in the section north of Augustine street brings to the foreground the matter of complete re-paving of the street.

The question of the paving, which was raised a year ago last Spring is considered an important one by prominent business men of the avenue and now with Lewiston avenue rapidly nearing completion, the present condition of the street is looked upon as a detriment to business. Residents and business men of the upper end of the avenue between Augustine street and Driving Park avenue accomplished the re-paving and widening of their

33 Tenth Warders Enter University

Thirty-three members of the entering Freshman Class of the University of Rochester are Tenth Ward residents. Following are among those who started their first year of college life this week:

Ralph Clarence Axon, 507 Lake View park; T. Charles Baggan, Jr., 154 Birr street; Henry Herbert Brown, 61 Flower City park; Lincoln V. Burrows, 27 Alameda street; Robert B. Hoffman, 686 Seneca parkway; Joseph R. Kirchmaier, 376 Magee avenue; Gordon Lambert, 4 Seneca Park circle; Joseph Lillich, 461 Flower City park; Frank Herbert Lines, 235 Kisingbury street; John W. Martin, 44 Albemarle street; Karl T. Naramore, 168 Lexington avenue; Emmett J. Schnepf, 325 Lake View park; George D. J. Taylor, 392 Augustine street; Albert H. Thomas, 504 Clay avenue; Joseph D. Tonkin, 50 Selye terrace; John Turner, 640 Magee avenue.

Doris Marie Adkins, 474 Ridgeway avenue; Dorothy Elizabeth Bachus, 399 Lake View park; Ida Sarah Cramer, 1042 Dewey avenue; Jane Vannette Dorn, 116 Augustine street; Peggy Levis Fisher, 145 Birr street; Virginia Fitz Simons, 307 Ravine avenue; Maria Jeanette Guldin, 1112 Dewey avenue; Charlotte Elizabeth Hockins, 143 Selye terrace; Grace Caroline Kimball, 709 Dewey avenue; Beth Mary Manning, 161 Alameda street; Elinore Louise Marsh, 117 Mason street; Dorothy Jean Meade, 200 Birr street; Elizabeth Louise Mears, 324 Glenwood avenue; Dorothy Elizabeth Sheldon, 42 Tacoma street; Hedwiga Renee Silberstein, 129 Seneca parkway; Marion Louise Weston, 178 Alameda street; Janette Birr Wilson, 85 Locust street.

Mrs. William H. Stell, Sr., of Flower City park, leaves for Syracuse, Friday, to attend the Republican State Convention as a delegate from the Fourth District.

section, but the lower end of the avenue developed considerable opposition with the consequence that the matter was dropped.

Dewey avenue is certain to have considerable of the through traffic when Lewiston avenue is completed, provided the widening and re-paving can be put through.

ACTION ON NEW DEWEY SEWER IS UNCERTAIN

The question of the possibility of a new sewer for the section of Dewey and Driving Park avenues still remains uncertain. Unable to find a satisfactory solution to the difficulty, business men at that corner continue to suffer from water-covered cellar bottoms with each rainfall.

Investigation of the conditions by city engineers resulted, as told in the last issue of this paper, in the conclusion that the only solution workable would be a new tunnel through Lexington avenue at a depth of approximately 25 feet to take care of the drainage from this section. The sewer must be lowered at least four feet to be on a level with and drain the cellar bottoms of buildings at the corner.

Opposition to the expense of the new sewer which prevented the passage of an ordinance two years ago seems to be the principal obstacle in the way of improvement. Business men of the corner, however, are anxious to bring up the matter again and try to work out a satisfactory plan.

Veteran Mail Man Passes 70th Year

On the occasion of his 70th birthday children and grandchildren of W. J. Kammer, old Tenth Ward resident of 5 Broezel street, staged a party in his honor, September 19.

Mr. Kammer is well-known to Rochester postoffice men as one of the famous "33," a band of mail carriers who trotted nearly 50 years over hill and dale where Rochester now spreads with Uncle Sam's mail. For 35 consecutive years he was mail carrier on South avenue, between Main and Court streets. When he began his career 46 years ago, there were but 33 other carriers in the city. His first route was from Exchange street to Mount Hope Cemetery and across to Clinton avenue south. Now seven carriers are required to cover that territory.

Junior Heeled Enna Jettick Health Shoes For the Younger Girls

Today is one of never-ceasing strenuous activity—not alone for adults but more so for the juniors. It's the day of the athletic, active type—the day of boyish manners and styles. Girls don't "trip along"—they stride; their feet come down with a pound and thud.

The above shoe comes in Black Calf Skin Patent Leather and Mauvette Calf trimmed with Alligator.

This manner of walking, with its consequent hard treatment of the feet will make these same active, striding girls become at middle age hobbling, limping, inactive women—unless their feet now receive the proper care and attention.

Understand we don't argue that the younger girl of today should change her manner of walking but that she should be strongly urged to protect and care for her feet while the bones are soft and while she doesn't know there is a nerve in her body.

TENTH MOURNS VETERAN FIRE- MAN'S PASSING

Tenth Warders were grieved last week to hear of the death of John Reilly, retired fireman and former driver of Hose No. 10, located on Driving Park avenue. Mr. Reilly succumbed at St. Mary's Hospital after undergoing two operations in an unsuccessful attempt to save his life.

A picturesque character with a winning personality and a kindly disposition, Mr. Reilly was beloved by hundreds of people of this and others parts of Rochester and vicinity. His career as a driver dates back to the Old Alerts located at one time on Fitzhugh street. He became a member of the City Department on June 24, 1888, and was assigned to Chemical No. 1 on Front street as a driver. Later on he went to Hose Company No. 10 on Driving Park avenue where the present Deputy Chief Hugh Smith was captain. He remained in active service at that company until his retirement on December 1, 1925.

During his whole career Mr. Reilly drove horses, his retirement coming when the department was motorized. During his 37 years in the Fire Department Mr. Reilly had many thrilling experiences among which was a history making run to East Rochester in response to a general alarm over twenty years ago. On the occasion mentioned Mr. Reilly established a record for distance and speed which was never equaled. Enroute to the fire which was in the Drake hotel he passed eight other companies along the way. While handling the reins at the Driving Park quarters he was a familiar figure in the community life of the ward, his activities being recorded from time to time in the daily papers and other periodicals where he was the subject of poems, cartoons, photographic accounts and news articles.

A case full of trophies at the Reilly home on Wheeldon drive were among his most cherished keepsakes. On a number of occasions he was awarded the prize Cup at The Rochester Industrial Exposition for exhibiting the best horses in the Fire Department.

The funeral of Mr. Reilly took place on Friday morning from the home at 78 Wheeldon drive at 8:30 and at 9 o'clock from St. Charles Barromeo Church. A solemn mass of requiem was celebrated by the Rev. John M. Sellenger, assisted by the Rev. George V. Burns as deacon and the Rev. Edward Hartman as subdeacon. A delegation of firemen were at the funeral headed by Chief Frank Jaynes and Battalion Chief David Levi. The bearers were Lieutenant William Stark, Thomas Monney, Joseph Limback, Charles Oldfield, William Clark and John Adams. Burial was made in the Fireman's Plot in the Holy Sepulcher Cemetery where the last blessing was given by the Rev. John M. Sellenger, assisted by the Rev. Andrew Byrne.

The poem printed herewith was written in honor of the deceased by James Kenny of Maryland street.

He lies sleeping with his comrades
Where brave hearts are still and cold;
In a plot that's green and sacred,
Where great deeds are oft extolled.

Though his life was filled with danger
And his years were rife with care,
He was cheerful, kind and happy
And his love for beasts was rare.

Farewell! To one, departed now,
Loyal friend and neighbor true—
The memories that you left behind
Reflect our love for you.

Miss Dritha Duffy, of Waterloo, was the week-end guest of Miss Betty Jane Moll, of Clay avenue.

DID YOU KNOW THAT—

Dolores Del Rio has been in Hollywood two years?

She has made 12 feature films in that time?

Edwin Carewe, the director-producer of "Ramona" is part Indian?

Rita Carewe, the Wampas baby star, is a daughter of Mr. Carewe?

Vera Lewis smiles for the first time in her screen career, in a scene with Dolores Del Rio in "Ramona."

Warner Baxter is given credit for the most perfect romantic characterization of the year in films, through his work as "Alessandro" in "Ramona"?

Helen Hunt Jackson wrote "Romana" with a definite purpose in bringing the Indians' trials before Congress?

More interesting things pertaining to these people and "Romana" will be seen on the screen of the Riviera Theatre, Friday and Saturday, Sept. 28-29th, when Inspiration Pictures-Edwin Carewe's production of "Ramona" is shown.

White House Bakery

Establishing Itself

The White House Bakery, formerly the Dewey Avenue Bakery, has been doing business under a new management now for about two months. The bakery, run by Joseph L. Parsons and Charles Dender, is located at 1176 Dewey avenue and has been granted a Health Bureau Sanitary Certificate. The bakery is always open to public inspection.

Mr. Parsons, who is head baker, has been engaged in this business for 22 years and recently was foreman of the large Oakland Bakery in Pontiac, Michigan. A high grade line of baked goods, made with the best of ingredients, is rapidly establishing the White House Bakery in the Tenth Ward. Mrs. Parson takes care of the store.

Maybe sometime, somewhere, a husband taught his wife to drive the car without any exchange of harsh words. Such was not the case in this family. After things had been going anything but smoothly for some time the gallant husband turned to his wife in exasperation and said, "I wonder why the good Lord made you so dumb?"

She sweetly answered, "Probably so you wouldn't have to die an old bachelor."

A friend of the magistrate came to see the court.

"By jove!" he said, "you have a tough crowd to deal with this morning."

"Hush," said the magistrate, "those are the lawyers."

Young Thing: "When a girl walks home from an auto ride what does it mean?"

Bright Young Thing: "It means she 'No's' men."

Officer: "Hey! Where d'yuh think you're goin'?"

Mr. Meeker: "Be easy on me, officer. This is the first time I haven't had my wife along to tell me."

Pedestrians' Club Opposes Change in Wave Length

Recent activities on the part of the Radio Commission relative to the apportionment of certain air channels to local stations has caused more than passing concern amongst the fans who listen in on station SHUB at Dewey and Driving Park avenues. The fact that the air (free) programs have been coming in without any semblance of interference of late emphasizes the logic of retaining the present wave, according to the secretary of the Pedestrian Club.

Conceded to be one of the best broadcasting stations anywhere by those who have loaned their listen-posts, the members are anxious to leave no boulder unturned to force the Commission to stop meddling with this baby broadcast outfit. Hundreds of motorists who stop at the station to replenish their supplies of gas and oil contribute much of the material which is used.

When the data is garnered it is compiled by the staff artists and then submitted to the board of censors who approve or frown upon, according to its value as food for the "mike." Roy Ward who has Graham MacNamee buried and banished is chief announcer. Others on the staff are Steve O'Brien, Fred LeWalter, Frank Weber, Bob Clifford, Thomas Moran and many more who hold minor positions in connection with the studio activities.

Art, science, bead work, baseball, bye-gones and Bologna are but a few of the topics which are forced thru the "mike" during the service period of the station. The directors of the station inaugurated a weather report feature last week which is rather novel in several ways. Each night the members advance their opinions about the next day's atmospheric probabilities. These are then pigeon holed and reference is made to the corresponding date in last year's almanac, from which the low down on the weather is figured.

Missionary Society

Holds Fall Meeting

The Women's Missionary Society of the Dewey Avenue Presbyterian Church began its Fall activities with a supper and missionary program on Thursday evening, September 20th. Mrs. C. Poulton led the devotionals.

Rev. S. F. Gutelius gave a review of "Trader Horn," comparing the Africa of that day with the Africa of today. A cello selection was given by Evelyn Hunt accompanied by Esther Ferguson on the piano. Negro spiritual songs were then sung by Miss Flower—J. T.

Courier Advertising Manager Leaves To Study at Columbia

Mrs. Ella F. Douds, who since the organization of the Tenth Ward Courier, has been its advertising manager, left last week for New York City where she will study at Columbia University.

Mrs. Douds is a graduate of Elmira College and previous to her work on this paper and The Vicinity Post, Lyell avenue community paper, was actively engaged in social work with the Y. W. C. A. Much of her newspaper experience was obtained as director of publicity for the local branch.

The departure of Mrs. Douds is regretted by prominent business men of the Tenth Ward, advertisers in this paper who had come in contact with the advertising manager, as well as by the editorial staff.

Mrs. Douds left with best wishes of her many friends for success in the new field she is entering.

BURROUGHS-BURDICK

One of the season's pretty weddings took place Saturday afternoon when Margaret Esther, daughter of Mr. and Mrs. Arthur G. Burdick, of Fulton avenue, and Robert Eli Burroughs, son of Mr. and Mrs. Eli Otis Burroughs, of Bethel, N. C., were united in marriage in the Lake Avenue Church at 5:30 o'clock with the Rev. Albert W. Beaven officiating.

Miss Margaret E. Easton was maid of honor. The Misses Helen E. Scott and Ruth Silcox were bride's maids. Hubert H. Burroughs was best man the ushers were W. S. K. Yeaple, Gordon Chambers and William Burdick.

RADIO SHOW SUCCESS REFLECTED IN COURIER

The unusually large response to the radio exposition last week is reflected in the radio advertising in this issue of the Courier. Four advertisers, Coers Battery and Radio Service (Atwater-Kent), Crown Service Station (Kolster), J. W. Mansing (Splitdorf Duplex), and Wm. H. Jackson (Radiola), are featuring their respective sets.

KENNY ADDS TO LAURELS WITH SECOND PRIZE WIN

James Kenny, champion contest winner of the Tenth Ward, added another prize to his laurels. He took second prize, equivalent to \$5 in the ad-writing contest of Mandel Electric Co., conducted through the columns of The Vicinity Post, Lyell avenue community news paper.

TROOP NO. 112

Troop No. 112, Boy Scouts of America, held its first fall meeting, Friday evening, September 14th, at Dewey Avenue Presbyterian Church. Plans were made for the coming season.

The following new Patrol leaders were elected: Gary Cox, Alison Montague, Johnny Rud.—J.T.

Ted: "Say, I just heard a new wisecrack."

Jack: "Good! Let's buy an old car."

Discussion Rife in Names of Birds in Contest for Boys

"That's a yellow-breasted yellow hammer and I'll betcha it is."
"No tain't, neither, it's a yellow canary, you wait and see."

This and similar conversations can be expected for the next week or so, at least at one spot on Dewey avenue and that is in front of Donaghue's Hardware Store near Magee avenue. What they will be waiting to see is the result of the bird-naming contest which the hardware merchants are conducting for boys under 16 years. The object of the boys' attention will be a case of mounted birds representing 21 species, the center of the October hunting days window display at Donaghue's.

Mr. Donaghue prizes the case of birds highly. It has been in the possession of his family for 28 years. The remarkable craftsmanship displayed in the arrangement and stuffing of the feathered creatures, all of which frequent local climes, makes them doubly valuable to Mr. Donaghue. All 21 birds are mounted in life like fashion and are shown some on the limbs of an artificial tree and others on a patch of grass below the tree. The birds are shown in varied poses, some just alighting, others perched comfortably and still others feeding.

The object of the contest for the boys will be to properly name all of the birds on an entry slip available at the store. There are several of the birds which will be "easy," but the winner will probably be forced to call on the encyclopedia for help. Two fine prizes will be awarded to the winners one week from today, on October 4th. The awards will be given for the first two correct lists of names presented. In case none of the boys finds the names of all birds, the nearest correct lists will be the winners. So it will be best for the boys to get busy as early as possible. The contest closes next Thursday, October 4th.

Older folks, too, especially those acquainted in bird lore, will find the display interesting. The mounting apparently is the work of an artist, for there could be nothing more real and life-like than the natural poses in which the birds are shown.

WRIGHT-DEFENDORF

The wedding of Miss Eva Defendorf, of Bonesteel avenue, and W. Bertrand Wright, son of Mr. and Mrs. H. W. Wright, of Sheraton drive, took place Saturday at 4 p. m. at the Dewey Avenue Union Church. The Rev. Charles J. Pierce, pastor of the church, and the Rev. Donald Cloward officiated.

The bride, who was given in marriage by her brother, Irving Defendorf, wore a bouffant gown of white taffeta. Her veil of tulle and chantilly lace was caught with orange blossoms and she carried white gladioli and lilies of the valley.

The matron of honor, Mrs. Frank T. Joyce, wore pale green taffeta and carried garden flowers. Leo Wright, brother of the bridegroom, was the best man and the ushers were Ray Defendorf and Raymond Purdy.

Following the ceremony dinner was served to 50. A reception took place in the evening at the home of Mrs. Robert A. Purdy, of Dewey avenue, sister of the bride.

Mr. and Mrs. Wright, left on a motor trip to Washington, D. C., and Kentucky. After Oct. 1st they will reside at 294 Driving Park avenue.

Ike: "Did you get damages from the wreck you were in?"

Sol: "Sure, I got \$5,000 for myself and \$2,000 for Sara."

Ike: "But the wife wasn't hurt."

Sol: "No, but in the wreck I had presence of mind enough to kick her in the face."

NAZARETH COLLEGE OPEN IN NEW HOME

Nazareth College formally opened the doors of its new home on Augustine street, Tuesday morning, to admit the 125 students enrolled for the coming year. The new home was formerly occupied by the Nazareth Normal School and served as the community home of the Sisters of St. Joseph.

In remodeling the upper floor of the building, a number of class rooms have been provided in the east wing, one having a capacity of 60 students and the others being slightly smaller. In the east wing is also the library with large windows on three sides, paneled walls, modern book stacks, and with a present capacity of 8,000 volumes and possibility of additional stack room. The Nazareth library is one of the finest in the city, having at present between 6,000 and 7,000 volumes including important reference works. It is under the care of Helen Coyne, librarian.

Work is going on in remodeling an adjoining building for the chemistry and biology laboratories. The physics laboratory is in the main building.

LYON-MILLER

The marriage of Miss Dorothy Arms Miller, daughter of Mr. and Mrs. Frederick Samuel Miller, of Lake avenue, to Stanley Hume Lyon, son of Mr. and Mrs. Albert M. Lyon, of Newtonville, Mass., took place last Saturday evening at 7 o'clock, at the Oak Hill Country Club. The ceremony was performed by the Rev. Clarence A. Barbour of the Rochester Theological Seminary.

The bride who was given in marriage by her father, wore a gown of ivory satin with a train of the same. Her veil was of Brussels lace, caught with a band of rose point lace, and trimmed with orange blossoms. She carried a shower bouquet of lilies of the valley and white roses.

Mrs. Duncan R. MacKenzie, of New York city, who was the matron of honor, was gowned in maize chiffon and carried a bouquet of yellow roses tied with lavender satin ribbon. Miss Margaret Louise Miller, a sister of the bride, was the maid of honor and wore a gown of the same shade as Mrs. MacKenzie's, and carried yellow roses. The bride's maids, the Misses Marian Huddleston Miller, a sister of the bride; Dorothy Woodworth, of this city, and Gertrude Cunningham and Dorothy A. Thornton, of Boston, wore lavender chiffon and carried bouquets of lavender daisies tied with maize satin ribbon.

Frank Coffin, of Chicago, was the best man, and the ushers were H. Laurence Harter, of Brooklyn, Albert O. Perry, of Manchester, N. H.; Edward Learnard, of Boston, Sherman Baldwin, of Boston, and John Fleming, of Cleveland, Ohio.

Mrs. Miller, the mother of the bride, wore white satin, beaded in gold and opalescent shades, and a corsage of orchids. Mrs. Lyon was gowned in Claire-de-Lune velvet, and wore a corsage of orchids. Mrs. Edmund Huddleston, the bride's grandmother, wore a gown of black Chantilly lace over black chiffon, and a shoulder bouquet of orchids.

A reception followed the ceremony at the club.

Mr. and Mrs. Lyon will take a trip to Bermuda, and after Nov. 1 will be at home at 146 Eastbourne road, Newton Center, Mass.

Mrs. R. L. Clark, of Newcastle road, and Mrs. Charles Schreier, of Augustine street, returned this week from Scranton, Pa.

Miss Louise Kuppinger, of Flower City park, left last week to assume her position as a teacher at Mount Morris High School.

A. L. Cooke, of Maryland street, returned, Saturday, from a trip to Asheville, N. C.

North Presbyterians Plan For Coming Year

The Sunday School Council of the North Presbyterian Church had its first meeting of the season, Tuesday evening, Sept. 25th. The teachers of the beginners and primary classes met for supper at 6 o'clock and the teachers and officers of the other departments at 8 o'clock for the purpose of formulating plans for the coming year.

Next Sunday, Sept. 30th, will be Rally Sunday in the North Presbyterian Sunday School. The children will meet in the Sunday School Room at 10 a. m. for Rally Day Program and at 11 o'clock they will go into the church where awards for summer attendance will be made. Also diplomas to graduates from one department to another.

Dedicate New Grace Methodist Building

The dedication of the new Educational Building at Grace Methodist Church will be held on Sunday morning, Sept. 30th, with Bishop Adna Leonard, resident Bishop of Buffalo area presiding. This is just the beginning of the dedication program which will continue for the week.

Dr. Sylvanus S. Davies, pastor of the church, has with the help of members of the church accomplished this big building enterprise.

Some motorists persist in parking on the cross walks while waiting for the green lights at Lexington and Dewey Avenues. This is an encroachment on the rights of the pedestrians who use that intersection and one may make a note of the license plates for the benefit of all concerned.

Traffic at the intersection of Dewey Avenue and Winchester Street would justify some Rocket Pilots keeping their cars under control.

Several instances have come to light where a new form of annoyance has cropped up the traffic congestion around the ward. The latest pest is the fellow who has the audacity to try his hand as a salesman by waving down a motorist for the purpose of selling his products at the curb. This spectacle was observed at Dewey near Lewiston and again at Driving Park near Lake Avenue.

She: "Why did you let that truck run over your watch?"

He: "The jeweler said it needed a thorough going over."

A young woman who seemed to be having her first experience in a bank, approached the window of a paying teller and gave him a large check which she wanted to cash. "How do you wish the money?" the teller inquired.

"Oh," replied the young woman in some confusion, "I'll just hold out my hand and you can put the money in it."

"What's the charge for a good battery?" asked the customer.

"Six volts," said the expert.

"How much is that in American money?"
