## DEWEY BUSINESS MEN INSIST ON SPEED IN REPAVING OF STREET

Although the Rochester Willite Corporation is proceeding with commendable speed in its contract for the re-paving and widening of Dewey avenue, business men of the avenue and the contractors themselves see unnecessary delay ahead unless the New York State Railways revises its plans. The matter has been the subject of comment in the local daily press and promises to come to a head some time this week.

Mathew Barry, service station proprietor of Dewey avenue, has been the spokesman for the business men. A plan submitted by him, which the contractors say would enable them to finish the re-paving in six weeks, is to stub the street car service between Augustine street and Knickerbocker avenue. Superintendent Uffert of the railway company, however, refuses to consider this plan, inasmuch as a three-minute service is necessary to Kodak Park employees. Mr. Barry replies that a three-minute service would be possible under the stubbing plan.

The plan of the railway company is to wait until the end of the week, when it is expected that all underground work on the west side of Dewey, now completely torn up, will be finished. Then they propose to lay their temporary tracks on the west-side sub-base and to tear out the old track on the west side as soon as the temporary track is ready. Under this plan the Willite corporation would either be forced to wait with its re-surfacing until the street car company is through, or else begin work on the east side of the street, which would mean the blocking of traffic.

Mr. Barry points to the disastrous experience of business men on Lyell and Monroe avenues when those streets were being re-paved and asserts that Dewey avenue merchants do not intend to be forced into bankruptcy by a non-efficient handling of their repaving. By placing a flagman at either end of the strip between Augustine and Knickerbocker, he said the street car traffic could be taken care of on one track and the railway company could be replacing their track on the west side and the contractor could be laying the pavement between the tracks and curbing simultaneously. If Mr. Uffert does not sanction this plan, the business men will insist that the busses which now service the Dewey avenue section on a regular, short-interval schedule be used exclusively and car service discontinued.

In the meantime, the contractors, using two steam shovels, have completely excavated the west side of the street and by the end of the week will be through with all underground work with the possible exception of new telephone conduits, which will be laid later. Julius Friederich, president of the Rochester Willite Corporation, has petition City Manager Stephen B. Story for permission to operate two shifts of workmen to carry out his plans to finish the job in record time.

## Seeking Your Co-operation

During the reconstruction of Dewey avenue, there will of necessity be a certain amount of inconvenience both to residents and business men. Every effort is being made to complete the job as speedily as possible and to make Dewey avenue one of the outstanding thoroughfares of Rochester. Dewey avenue merchants are helping to pay for this new pavement and they deserve a continuation of the patronage which they have enjoyed for years past. It is greatly through their vision and enterprise that Dewey avenue is being modernized. Under the circumstances, it is only just that, despite some possible inconvenience, people who have been accustomed to trade with the Dewey avenue business men continue to do so through this period of reconstruction. Dewey avenue and adjoining property as well as the community in general will be the gainer by adopting such a policy. In at least one instance, parking space has been provided (at Richfield service station, Dewey at Ridgeway) and side streets as well as one side of Dewey provide adequate parking facilities.

## PRIZE CONTEST AT LIBERTY THEATRE TO CLOSE JULY 9

The prize contest at the Liberty Theatre, in which a four-piece wicker set and lamp are being given away by the Flanigan Furniture Company in co-operation with a number of business houses at the corner of Driving Park and Dewey avenue, will close next week. The prizes will be awarded Wednesday, July 9, the winners being announced from the stage of the theater.

In announcing the close of the contest Mr. Schafer, manager of the theater, and Mr. Flanigan said that all remaining tickets would be given away free at the various stores co-operating. All residents of the Tenth Ward are invited to take part in the contest and may have tickets for the asking at any of the following stores:

Flanigan Furniture Co., Liberty Theatre, Rubadon's Dry Goods Store, Schultz Bros. Coffee Shoppe, Claire's Dress Shop, Monroe Market, DeMallie and Winterroth (Park Shoe Shop) Liberty Barber Shop, Economy Fruit and Vegetable Store, Ledlie Jewelry, Liberty Tailors, Mike's Service Station and Royal Cleaners.

## Ray Feller Entered In National Tourney

Ray Feller, professional of the Ridgmont Golf Club will tee off, paired with George Christ of the Country Club of Rochester, in the 36-hole qualifying round of the National Open Tournament at the Inirelachen Country Club, Minneapolis, next week. The local pro will start his first round on July 10 at 8:55 a. m. and his second the following day at 11:55 a. m. He will be competing with the outstanding golf stars of the day, including such prominent stars as Walter Hagen, Bobby Jones, Horton Smith and a host of others.

### CARD OF THANKS

Mrs. Claude P. Burnett of Lake avenue wishes to thank her neighbors and friends and ladies of the Tenth Ward Republican Club for the many kindnesses shown her during her recent confinement to her home.

## Rev. Gutelius Given Radio On Departure

In behalf of the congregation of Dewey Avenue Presbyterian Church John L. Wellington presented the Rev. Stanley F. Gutelius, retiring pastor, with a radio at a reception held last Thursday evening. About 300 members of the congregation were present to wish Rev. Gutelius success in his new appointment as associate minister of Brick Church. Mrs. John Christie presented flowers to Mrs. Gutelius.

Rev. Gutelius leaves after a period of 7 years service as the pastor of the local church. No announcement has been made yet as to his successor at the Dewey avenue church.

## WATER POWER RUNS ANCIENT TIMEPIECE

That people of the seventeenth century valued time even as highly as do we of today is a fact proved by the inscription on an ancient Clepsydra or Water Clock now on display in the window of J. O. Ledlie, Jeweler of Dewey avenue.

"Tyme Passeth Swift Awaye" was true in the days when hours were measured by the steady dripping of a water clock—just as it is in the twentieth century when the hours and minutes are divided and sub-divided by a wonderfully accurate little machine that can be carried in the vest pocket or strapped to the arm.

The Clepsydra, which translated literally from the Greek, means "thief of Water" is one of the earliest of ancient timepieces. It was preceded only by the sun-dial. According to some chronologists the water clock in its simplest form was used by the great Hwangti, Emperor of China, nearly three thousand years before Christ.

## Democratic Women To Assist In Garden Party

The Tenth Ward Democratic Club will have charge of the post-office booth at the Garden Party on July 16 at the Plantation under the auspices of the County Democratic Club. Donations are invited, those desiring to give being asked to call Miss Caroline Moran, Glen. 717-M.

## Johnston Bakery Nine Second In J-A League

The Johnston Bakery baseball nine is winning consistently in the Journal-American League, occupying second position in the standings up to this week-end. The Johnston's who are supported and coached by Herbert A. Johnston, local baker, have taken four straight victories and one forfeit after a rather poor start and expect to give a good account of themselves in the remaining league games. The team is composed of Tenth Ward boys and plays most of its games at Edgerton Park on Sundays.

## Lakeview Unit Draws Large Picnic Crowd

One hundred and twenty-three were present at the annual picnic of Lake View Unit of the Home Bureau on June 17 at Ontario Beach Park. Nine sport events for the children and eight events for the grown-ups provided a full afternoon and evening for the picnickers. Acknowledgement is made to John Schmanke, who furnished 100 balloons for the picnic.

### KODAKERS PICNIC

The annual picnic of the research laboratory of Kodak Park was held Saturday at Island Cottage. A program of sports occupied the attention of the picnickers, who were served supper at 6 o'clock.

Hazel, little 2-year-old daughter of Mr. and Mrs. John Monnigan of Mayflower street, broke her leg in a fall from the steps of their front porch last Wednesday.

## Courier To Appear On Alternate Weeks

Last week's issue of the Courier and the publication that was scheduled to make its appearance this week, have been made one in this issue. Beginning this week, the Courier will go on its summer schedule and appear on alternate Thursdays, instead of every Thursday.

The new schedule will be in effect during July and August only. Unless occasion arises for special issues, the Courier will appear again on the following dates in July and August: July 17 and 31 and August 14 and 28.

## JOLSON RETURNS TO RIVIERA IN "MAMMY"

Al Jolson returns to burnt cork for at least a part of his latest Warner Brothers picture, "Mammy," which is running at the Riviera tonight (Tuesday) and tomorrow night.

Jolson made his first great success as a black-faced singing comedian and it is in this happy choice of a medium that he is seen first in this new picture—a picture made for laughter—with the star at his uproarious best.

No one enjoyed the return to the old minstrel show background as much as Jolson himself, who at one time was a minstrel. He dug into his old bag of tricks and brought out the gags that used to get him the biggest laughs and the most applause. These he revamped and modernized and used with obvious relish.

"Mammy" is an adaptation of a play by Irving Berlin, and the songs and incidental music are also the product of the Tin Pan Alley genius. Jolson and Berlin have long been close personal friends, but this is the first time they have collaborated on a show.

The Sharkey-Schmeling fight pictures are also on the bill tonight and tomorrow night.

Love and laughs, romance and high finance mingle in a rapid-fire blend of hilarity and heart throbs in William Haines' latest and one of his most ambitious pictures, "The Girl Said No," his all-talking Metro-Goldwyn-Mayer vehicle playing at Riviera Thursday, Friday and Saturday.

The picture has Haines as a chap fresh from college, with a diploma, a swelled head and a bagful of "wise-cracks." The plot depicts his adventures trying to get his first job and his early struggles with the world of business and competition.

It's a cross-section of the college graduates of the country. He starts fresh, to be tamed by responsibility and hard work. Poignant drama, heart throbs and a charming romance mingle with thrills and laughs. It's one of the closest things to real life the screen has given the theater, and it's great entertainment.

Haines starts with pranks and comedy; he meets a girl in an office and falls in love with her; gets his first job; is fired; his father dies and he shoulders the responsibility

## TICKET COMMITTEE FOR REPUBLICANS' PICNIC ANNOUNCED

Announcement of the ticket committee for the annual picnic of the Tenth Ward Republican Women's Club was made this week by Mrs. Carrie Jinks of Augustine street, chairman of the committee. The picnic is to be held on Wednesday, July 30 at Ontario Beach Park.

Following is the complete membership of the committee with the exception of seven yet to be appointed; each election district is represented: Mrs. Helen Smalley, Mrs. Harriet Wadman, Mrs. Sophie Leistman, Mrs. Katherine Reynell, Mrs. Gertrude Dorschel, Mrs. Bertha Bush, Mrs. Schantz, Mrs. Corrine Cox, Mrs. Jennie Stell, Mrs. Margaret Kane, Mrs. Bertha Doughty, Mrs. Helen Hesselink, Mrs. Ann Clifford, Mrs. Rose Meyerhoff, Mrs. Henrietta Holloway, Mrs. Mary Hall, Miss Rose Carbone, Mrs. Catherine Schlegel, Mrs. Lettie Williams, Mrs. Katherine Derriek, Mrs. Elizabeth Wishart, Mrs. Carmen Jones, Mrs. Jessie Bush and Mrs. Laura McBride.

Chairmen of the various committees will meet at the club headquarters in an important meeting tomorrow (Wednesday) evening, according to Mrs. Kane, who is general chairman.

## John Marshall Class of 1928 Holds Outing

The class of 1928 of John Marshall High held an outing Saturday at Miss Mayo's cottage, Green Gables, Honeoye Lake. Mr. and Mrs. Elmer Snyder were guests of honor.

The outing was well attended, there being 35 present. Mary Jane, infant daughter of Mrs. Mary Bliss Lush, has the distinction of being the first baby of the class.

William H. Jackson, jeweler of Driving Park avenue, was among the gathering which attended the Rochester Retail Jeweler's Association dinner meeting last Friday evening.

News of the Churches

**North Presbyterian**—The church had as a guest preacher Sunday Rev. George H. Scofield, Ph.D., of Goshen, N. Y. Dr. Scofield is first vice-president of the New York Christian Endeavor Union.

Miss Ethel L. Eldridge, secretary of stewardship for the New York State Christian Endeavor Union, addressed the young peoples' division of the Sunday School.

During the absence of the pastor, Rev. William G. Kennedy, North Church pulpit, will be supplied by the following preachers: July 6, Rev. Merlo K. W. Heicher, Ph.D., of San Anselmo, Cal.; July 13, Rev. Guy D. Wallace, D. D., of Brad-dock, Pa.; July 20, Rev. Donald M. Chappell, formerly pastor of East Side Presbyterian Church, Rochester, and July 27, Rev. John G. King, D. D., of Ft. Lauderdale, Fla. Troop 69, Boy Scouts of America, will conduct their third annual Strawberry Festival tonight for the benefit of the troop treasury. George F. Frank is scoutmaster of the troop, and W. M. Jameson is chairman of the Scout Committee. Assisting the members of the troop tonight are the Misses Gertrude Frank, Edith Miller and Harriet Miller.

The Rouse Class held a picnic at Ontario Beach Park on June 23, and the June meeting of the Mizpah Class was held at the home of Mrs. E. C. Lewis on St. Paul boulevard.

Vacation Church School opened yesterday. Mrs. Elizabeth J. Miller is acting as principal this year. She is assisted in the primary department by Miss Anna C. Fiedler, superintendent; Miss Jean McCon-nachie, pianist; in the junior department by Miss Ethel Robinson, su-perintendent, and Miss Mildred Pal-

mer, pianist; in the beginners' de-partment by Miss Harriet Miller and Miss Grace Jameson. Besides these workers there will also be a group of young people of the church as helpers.

**Redeemer Lutheran**—The Beth-any Guild extends hearty thanks to all attending the Lawn Social held on the church grounds last Thurs-day evening, June 26. The large attendance made it a decided suc-cess from every point of view.

And now, Detective Sergeant Walter G. Barnett, president of the Brotherhood, says the next move is up to the men. Accordingly a gala evening is planned for Thursday, July 17 under the auspices of Re-deemer Brotherhood. A full com-mittee named by Sergeant Barnett and working under his direction is sparing no effort to make this a Lawn Social de luxe which will be remembered as the social event of 1930 for Redeemer congregation and its friends. The Sergeant says that everyone residing in the Tenth Ward or elsewhere who enjoys wholesome fun, music, hops, pop, ice cream and cake, games and con-ests, together with a spirit of real cordiality and hospitality should be on hand at Knickerbocker and Dewey avenues on the evening of July 17.

The annual congregational and Sunday School picnic was held last Saturday, June 28 at Genesee Val-ley Park. The attendance was so large that when the supper tables were set, one who may have been an ex-soldier was heard to remark, "Well this reminds me of a bat-talion of soldiers sitting down to mess."

**CHRISTIE—ROBB**

The marriage of Miss Martha Louella Robb, daughter of Mr. and Mrs. John A. Robb of Albemarle street, and James Alexander Chris-tie, son of Mr. and Mrs. James Christie of Birr street, took place Wednesday evening at 6:30 o'clock at the home of the bride's parents. The ceremony was performed by Rev. Stanley F. Gutellus, pastor of the Dewey Avenue Presbyterian Church. Mrs. W. E. Bowerman sang "I Love You Truly," accom-panied by Miss Evelyn Mayer at the piano.

The bride, who entered on the arm of her father, wore white satin and lace. Her veil was of tulle arranged in cap fashion and trimmed with orange blossoms. She carried a shower bouquet of bride roses, lilies of the valley, sweet peas and gypsophila.

Miss Isabel E. Bowerman was maid of honor and wore coral colored satin with slippers to match. She carried an arm bouquet of yellow and pink tea roses, larkspur and gypsophila. Miss Adele Miller and Miss Jane Christie acted as junior maids. They wore orchid taffeta and carried old-fashioned bouquets. Donald Christie, brother of the bridegroom, acted as best man.

Mrs. Robb, mother of the bride, wore figured chiffon and lace. The bridegroom's mother wore black chiffon and lace. Both wore shoul-der bouquets of orchid sweet peas and pink roses.

Following the ceremony, a wed-ding dinner was served to forty guests. Out-of-town guests were Mr. and Mrs. W. Richmond Robb of Watervliet, Mr. and Mrs. Alex-ander Moore of New York, Miss Mary Foulds of Hastings, Canada, Mr. and Mrs. John Landers of Buf-falo and Miss Doris Bowerman, who was visiting in Vermont.

Pre-nuptial events were given by Miss Hazel Vosburgh, Miss Isabel Bowerman, girls of the R. J. Stras-enburgh Company, members of Sigma Phi Upsilon Sorority, and Mrs. John Christie.

Mr. and Mrs. Christie left on an eastern motor trip.

63 PERSONS made it a point to come in last week during week-days; took a little extra time to be fitted; and they know they have been fitted per-fectly and hence com-fortably.

### New Vegetable Display

#### Rack At Fred H. Doell's

Another of the special vegetable display racks, designed to keep vegetables continuously fresh, has been installed in the Tenth Ward in the fruit and vegetable store of Fred H. Doell on Pullman avenue. The first rack of this kind was purchased by Mr. Doell's brother for the Doell I. G. A. store on Dewey avenue.

The rack is designed with four valves, which spray a constant mist over the vegetables. There are two large shelves to care for a sizeable stock of perishable vegetables. The rack also precludes the possibility of dust and dirt settling on the vegetables.

#### DUTTON—TORPY

Mr. and Mrs. Frank Earl Torpy of Alameda street, have issued invitations for the marriage of their daughter Esther, to Robert A. Dutton of Syracuse, son of Jesse H. Dutton of Rialto street. The marriage will take place August 2 at 4 o'clock in the Lake Avenue Baptist Church. The ceremony will be performed by The Rev. Dr. Albert W. Beaven, president of the Colgate-Rochester Divinity School.

Miss Torpy has chosen her sister, Mrs. William R. Meckfessel, as matron of honor, and the bridesmaids will be Miss Irene Downs and Miss Dorothy Marples. Walter B. Fitch will be best man for Mr. Dutton, and J. Walter Dutton and Howard W. Franke will be the ushers.

#### MACALISTER—BAILEY

The wedding of Miss Mary Bailey of the Tenth Ward to Mr. Alex MacAlister of Detroit took place Saturday afternoon at 4 o'clock at the Church of Ascension. They have left for Canada on their wedding trip, after which they will make their home in Detroit, where the groom is employed.

Wishart, Mrs. C. E. Miner, Mrs. August Kimmell, Mrs. Rhoda Stell, Mrs. C. Burns, Mrs. Kate Toal, Miss Mary Corcoran, Mrs. William H. Ward, Mrs. Lettie Williams, Mrs. Ella Spiedel, Mrs. Delia Foss, Mrs. Delia Dennis, and Mrs. Anna Gueriot.

Mrs. Rose Meyerhoff will have charge of the tags assisted by Mrs. Ralph King. The Park Band will furnish music for the picnic.

### A Confusion of Names

There were hundreds of disappointed grown-ups and children on Fourth of July evening and no doubt some of them were from our own community. They were the individuals who motored and walked to Edgerton Park, fully expecting to see a display of fireworks, only to find after a long wait that there were to be no fireworks.

A few were probably misled because up to last year the Tenth Ward Republicans were accustomed to stage a gala celebration, climaxed by a fireworks display, at the park. However, most of the disappointed ones, without question, read of the 17th Ward celebration which was to be held at Edgerton Playground, and mistaking this for our local park, planned to spend the evening there.

This situation makes it quite evident that the similarity in names of the two recreation grounds, one on either side of the Genesee River, is unfortunate as well as unsatisfactory. When a few years ago the City administration decided to memorialize the name of Hiram Edgerton, long a mayor of this city, they either failed to realize or else minimized the possible confusion and inconvenience that would be entailed in having two recreation centers, one Edgerton Playground and the other Edgerton Park.

It is especially easy to become confused, inasmuch as there is a playground at Edgerton Park and we, of the West side, reading in the newspapers of events at Edgerton Playground quite naturally think of the neighboring park.

The situation, from our point of view, is not necessary. Since Edgerton Playground was named before Edgerton Park, some will say it is the local park which must change its name, if there is to be any remedy for the situation. However, Edgerton Park, with its library, museum and exposition facilities would seem to be a more fitting memorial to Rochester's former leader.

We venture as a suggestion that Councilman Milne interest himself in having the matter threshed out in the proper department and if necessary bring it to the attention of his colleagues in the Council. It is not a big problem, but it is one of those "little things" which sometimes irritates more effectively than "big things."

### CAMPAIGN AGAINST CHAIN STORES GAINING STRENGTH EVERYWHERE

The spirited campaign being conducted in Rochester against the chain store system of business is proceeding in full vigor and is rapidly gaining headway, both among the buying public and independent merchants of Rochester. The distinctive signs of the Civic Defense League, reading "Not in the Syndicate," are becoming familiar to Rochester shoppers and may be seen in conspicuous places throughout The Vicinity.

The radio campaign under the direction of the league is continuing on a daily schedule, being heard each weekday morning from Station WHEC. The voice of Walter F. Cherry, local attorney, is carrying the message to Rochester housewives.

A significant note was struck in the national campaign by the recent speech of Governor Theodore Christianson, of Minnesota, before the National Association of Retail Grocers. The Minnesota governor joined the rapidly growing ranks of state executives, including Governor Franklin Roosevelt, of New York, who see the great danger in the chain system of business.

Governor Christianson was unhesitating in his declaration that with chain stores dominating distribution and chain banks controlling the money, business and cities

cannot escape ruin, nor can business and cities escape a reduction in profits. Decentralization of business is needed in this country, he said, and is already setting in. "A great responsibility rests upon you and me to fight to make America the land of opportunity which it was intended to be."

Locally, the principal topic of the radio broadcast centered around a large number of cases of short weights and inferior merchandise. In a number of instances purchases have been made in chain stores and together with affidavits made out by the purchasers constitute grave evidence of fraud and violation of governmental statutes, on the part of the chains. All charges are based on evidence in the hands of the Civic Defense League.

Miss Bessie Masseth of Maryland street left Monday night for Huron, S. Dakota, where she will be the guest of her brother, Frank Masseth, for several weeks.

Miss Alice Masseth of Maryland street and Miss Anna Miller of Lexington avenue, left Monday for a trip on the Great Lakes to Duluth.

Mr. and Mrs. Edward Holluter and daughters, Marjory and Virginia, of Binghamton, N. Y., were guests of Mr. and Mrs. Joseph H. Bush last week.

A party consisting of Miss Dolores Connolly of Otis street, Miss Lillian Wadman, F. E. Wadman and Mr. and Mrs. Kenneth L. Wadman returned Saturday after spending their vacation in the Adirondacks.

Mr. and Mrs. J. Harold Hudson with their sons, Robert and Donald, will leave this week to go to their summer home at Eagle Bay in the Adirondacks.

Mr. and Mrs. Frank L. Wadman of Mayflower street acted as chaperons last week at Camera Club Cottage at Crescent Beach.

### DEWEY REPAVING IS PROGRESSING WELL

Satisfactory progress in the re-paving and widening of Dewey avenue is being made and although the re-laying of street car tracks has caused considerable inconvenience to motorists, traffic is being maintained. As rapidly as the old tracks are torn up by one crew, another group of workers are just a short distance behind re-building the foundations and laying new tracks. The telephone company is also taking advantage of its opportunity to lay new conduits.

### Schmanke's Shoe Sale

#### To Start Tomorrow

Schmanke's semi-annual sale of shoes, which has come to be recognized in the Tenth Ward as an unusual event, will start tomorrow and continue for one week. The sale, which is announced elsewhere in this issue, presents the usual purchase opportunities of seasonal closeouts, according to Mr. Schmanke, as well as a large number of odd lots in various patterns.

### 100 Attend Camera

#### Club Party at Lake

About a hundred members and friends of Kodak Camera Club attended a party at their cottage, Crescent Beach, Saturday. An interesting talk was given on "Life Saving," accompanied by demonstrations on diving and swimming, by Bernard Landow, former Rochester champion. A program of sports was enjoyed and refreshments served.

### Miss Markham Returns

#### From Trip To Alaska

Miss Florence E. Markham of Markham's Garage on Dewey avenue, has returned after a three weeks' trip to Alaska. Before going to Alaska, Miss Markham attended the international convention of Zonta Clubs at Seattle, Washington, in company with the Rochester delegation. She made the trip from Vancouver, B. C., to Alaska by boat and spent four days there on a site-seeing trip.

### LEWISTON M. E. CHURCH

#### LADIES HOLD SOCIAL

The Ladies Aid of Lewiston Avenue Methodist Church will hold a lawn social on the church grounds Saturday, July 19. There will also be a sale of cooked foods, fancy work and aprons.

Trade With Independents

### NEW BROADCASTING

#### STUDIO AT RIVIERA

A new broadcasting studio was in use for the first time last night by Station WHEC, sending out a program especially dedicated to the Tenth Ward Community. The studio is located in the Riviera Theater Building, and has been fully equipped and treated acoustically to make it one of the outstanding local broadcasting studios.

### Dewey Presbyterian

#### Has 6 At Conference

Six delegates from the young people's group of the Dewey Avenue Presbyterian Church were present at a recent religious conference at Wells College, Aurora, N. Y. They were the Misses Helen Brandt, Beatrice VanSlack, Marion Cardiff, Kathryn Tufts and Frances Wellington and Robert Hadley.

The conference was held under the direction of the Presbyterian Board of Christian Education to further the religious work of the young people in their churches. There were 285 delegates present, representing 85 churches and Rev. William Ralph Hall, D. D. of Philadelphia was the director.

### Attend International

#### Convention In Toronto

Among the large gathering of real estate men at the recent International Convention in Toronto were two representatives of the W. N. Britton Realty Co. of Rochester. They were Ward K. Britton and S. E. Stubbs, general manager, who were much interested in the discussions which took place regarding sub-divisions.

The Britton Company has been one of the leaders in the sub-division field in Rochester and since the first of the year have carried on an extensive building campaign in the Stone Road and Irondequoit sections. So far this year they have built 86 homes on a regular schedule of three per week. They have specialized in the bungalow type and their success in a year acknowledged to be a poor one from the building point of view has brought inquiries from sub-division builders in other cities as to plans and methods.

### ROY SCHELER RETURNS

#### FROM TRIP TO COAST

Roy Scheler, formerly of the payroll department of Kodak Park has returned from a three months trip to California, stopping at Hollywood, Yellowstone Park, Grand Canyon and other points of interest on the way. He is now back with the Kodak Company as timekeeper for the Research Laboratory.

A new director, a new technique and a new film actress add interest to the film, "Applause," which shows at the Riviera for the last times tonight and to choose one of the three as the most outstanding feature of this excellent all-talking picture is a difficult task.

The director is Rouben Mamoulian, a recruit from the Broadway legitimate stage. We are told that he was born in Russia of Armenian parentage 30 years ago, and that he only learned to speak English about six years ago. His rise to directorial fame on the Great White Way is thus an interesting chapter in the modern history of the drama, but it is not nearly so remarkable as his achievement in producing "Applause" from the novel of the same name by Beth Brown.

The new technique is the very thing that other directors have wanted to use, but never had the courage to attempt—the moving camera. The new actress is Helen Morgan.

Metro-Goldwyn-Mayer will present Joan Crawford tomorrow and Saturday in "Montana Moon," a musical romance of the West. The story is an original by Sylvia Thalberg and Frank Butler and was directed by Malcolm St. Clair. Miss Crawford's supporting cast includes John Mack Brown, Dorothy Sebastian, Ricardo Cortez, Benny Rubin, Cliff Edwards, Karl Dane and Lloyd Ingraham.

Information is that this is one of the first pictures to be filmed without the use of artificial scenery, all the exterior scenes being taken on a cattle ranch in the San Jacinto Mountain, 200 miles north of Los Angeles. A large part of the extra cast was recruited from the cowboys employed on the ranch, whose tricks in the way of riding unruly horses, lassoing cattle, etc., are said to play an important part in the production. A bright new star has appeared

**Redeemer Lutheran**—The big lawn social, sponsored by Redeemer Brotherhood, is awaiting the whole community this evening at Knickerbocker and Dewey avenues. Pleasure and entertainment has been the object of anxious and painstaking concern for several weeks and tonight a full committee is ready to bid welcome to its guests. There will be amusing and entertaining games and contests and a complete variety of "eats" to provide that feeling of satisfaction. The chairman of this event is Detective-Sergeant Walter G. Barnett, who is known far and wide for doing things on an efficient scale.

The subject of Pastor Dowler's sermon last Sunday was "The Prodigal Son," in which he pointed out that there was not one, but two

in the motion picture firmament.

It is Harry Richman, golden-voiced singer of Broadway fame, who makes his bow to the screen in the United Artists' all-dialogue musical spectacle, "Puttin' on the Ritz," which is at the Riviera from Sunday to Tuesday.

That Richman will duplicate on the screen his sensational successes of the stage, at night clubs and on phonograph records is almost certain.

This lavish United Artists' picture, richly set and costumed, with many spectacular scenes, and several original songs by Irving Berlin, makes an ideal vehicle to introduce Richman to the screen.

Its ever-glamorous locale of back-stage life, night clubs, vaudeville and theatrical hotels has never been depicted with more color and movement than in this story.

Some of the numbers, several of which are done in technicolor, are breathtaking in their dazzling effects. Particularly did the "Alice in Wonderland" scene, supposedly taking place in a Broadway revue, win gasps of admiration from the spectator.

prodigal sons in this parable of the Master. The first prodigal, although he indulged in the grosser and baser sins of life, subjecting himself to open condemnation, through repentance, was again received into his father's house; while the second prodigal, not by the will of his father, but through his own self-righteousness was on the outside. Those who failed to hear Pastor Dowler in this thorough analytical sermon, delivered in his usual forceful style, missed much of real value to everyday life.

Redeemer congregation is glad to welcome so many friends from the outside attending the services, and invariably one hears many favorable comments.

This is picnic time and the ladies of the Bethany Guild will hold theirs July 24 at the Craig Hill Inn on the Ridge road. Dinner will be served about 1 o'clock, and Mrs. Fred J. End, Glenwood 5369-J, is taking care of reservations.

**North Presbyterian**—The Vacation Church School is in session every day from nine until eleven thirty. The Primary Department and the Junior Department each plan to send a Treasurer Chest to the Philippine Islands at the close of the Vacation School. This is a part of the World Friendship Project for 1930, and is arranged on the same plan as the School Bags to Mexico and the Friendship Dolls to Japan in other years.

The closing program of the School when the Treasure Chests will be dedicated, will take place on Thursday, July 24, at 7:30 P. M., when everyone is invited to visit the exhibit of work done by the children of the School.

On Sunday, North Church pulpit will be supplied by Dr. James L. Jewell, the executive secretary of Rochester Presbytery. Worship in the Young Peoples' Division will be led by Miss Allen Hoestery.

Below is another communication from Joseph A. Bush, son of Mr. and Mrs. Joseph H. Bush of Maryland street, who is quartered in Ocotol, Nicaragua, with the U. S. Marines:

What ho. This blooming country is always giving me some new surprises. This morning at about a quarter to one the sergeant of the guard and I were admiring the moonlight and thinking of what could be done with it in the States. It sure was beautiful, but as G. MacNamee isn't here we'll let it go at that. Anyhow, the sergeant grabbed me by the arm and says he, "Joe, you're a sober bird, tell me—is that a rainbow or the twin sister of a 'pink elephant.'"

I looked to the East, and sure enough there was a perfect one—a rainbow, not an elephant—it was reflected on a bit of fog that was coming to us, in a perfect half circle. Had no colors, but was a brilliant electric blue—exceptionally bright where the regular bows are red and shading out in the same color.

Three other men who were on watch at the time saw it, but the whole detachment, except one who has seen the same thing in Hawaii, swears we were full of guara—a native firewater made of the cactus plant—but I'll swear to my dying day we were all sober.

Joe Bush.

## POURING CONCRETE ON DEWEY AVE. AT 500-600 FEET DAILY

Pouring of concrete on the west side of Dewey avenue was started yesterday morning by the Rochester Willite Company, contractors, and will proceed at the rate of 500 to 600 feet per day, according to Julius Friederich, president of the company. Within a week he expects that the entire stretch between Knickerbocker avenue and Augustine street will be covered. This must stand for 10 or 12 days before the top surfacing can be applied and the road will be ready for traffic a few hours after the surfacing has been completed.

Relaying of the street car tracks on the west side was completed last week and pouring of concrete between the tracks will be finished this week. When the west side of the street is opened about the middle of August it will provide a wider lane through which traffic will be able to move more rapidly than through the present rather narrow space on the east side.

With all underground work completed, Mr. Friederich said that work on the east side of the street would move more speedily. His company, he stated, is anxious to do everything possible to avoid inconvenience to the community and to have the improvement done at the earliest possible time.

### BAYBUTT-HOUCK

Miss Florence Genevieve Houck, daughter of Mrs. Alice Houck of Portland avenue, and John Edward Baybutt, son of Mr. and Mrs. John Baybutt of Goodwill street, were married July 12 in Grace Lutheran Church. The Rev. Walter Krumwiede officiated.

Elmer Fisher played the wedding music and Miss Vera Stuppenrod sang. Garden flowers and palms formed the church decorations.

The bride was given in marriage by her mother and wore an ivory satin and lace gown. Her tulle veil, trimmed with duchesse lace, was caught with orange blossoms and pearls. Miss Helen Waite, who was maid of honor, was attired in orchid chiffon trimmed with tulle, and had a hat and slippers to match. She carried yellow roses. The bridesmaids, Miss Ruth Anthony and Miss Alta May Parkhurst, wore gowns of pink and green chiffon and tulle with hats and slippers to match, and their bouquets were of pink roses.

The bride's mother wore flowered chiffon and a corsage of Ophelia roses. The bridegroom's mother was in powder blue chiffon and had a corsage of pink roses.

Robert B. Ascroft of Electric avenue was best man and the ushers were Robert Higham of Lewiston avenue and Charles Pritchard of Carter street.

A reception at the Lakedale Club followed the ceremony.

After a trip to Atlantic City and New York, Mr. and Mrs. Baybutt are to reside at 82 Goodwill street.

## LAKE-RIDGE ASS'N ENJOYS ITS ANNUAL OUTING AT ELLISON

A long line of cars bearing the banners of the Lake and Ridge Business Men's Association departed from Owen street and Lake avenue yesterday afternoon to carry a large delegation of picnickers to the second annual outing of the business men. The affair was held at Ellison Park, scene of the first picnic, and duplicated the success of the first outing in every respect.

A chicken dinner was served at 2 o'clock by Oscar Hoffman, caterer, and refreshments were available throughout the afternoon. Following the dinner, a program of sports and a baseball game between married and single men were the center of attraction.

Committees in charge were headed by Herbert A. Johnston, president of the associated, and included: Sports and program, Charles P. Coster and C. W. Oster; refreshments, Harvey Johnson; transportation, J. G. Schairer and T. Gunkler; publicity, Gerald C. Kenny; tickets, C. E. Marsh, T. Boyle, B. Wagg, F. Doell, I. B. Levin and E. Kuppinger.

## Tenth Warder Finder of Sea Breeze Snake

The much publicized python, whose escape at Sea Breeze threatened to upset the summer colony there, according to a number of reams of newspaper copy and a sizeable portfolio of pictures duly recorded in the press, has been discovered and killed. It was a Tenth Warder, Edward Waddell of Lake View park, who found the snake curled up beneath the Jack and Jill ride in the lakeside park. Mr. Waddell is a concession holder at the park.

Mrs. J. Clarke of Pennsylvania has been spending the past three weeks with her brother and family, Mr. and Mrs. George Towner of Gorsline street.

## Direct From Washington

Indicative of the nationwide interest which has become manifest in the campaign against the chain-store system of business is a speech made on July 2 in the House of Representatives by Representative August H. Andresen of Minnesota. We quote the speech as included in the appendix to the Congressional Record:

"Mr. Speaker, ladies and gentlemen of the House, I favor passage of the Capper-Kelly bill because it is a measure which has for its purpose the preservation of the small retail merchant. The bill proposes to give the independent dealer an opportunity to honestly compete with the chain-store combination, which has rapidly spread through the country during the past ten years. He is entitled to protection, as the small merchant is virtually the backbone of every community.

"The American consuming public should wake up to the fact that they are about to be controlled by centralized capital through this chain store and merger proposition.

"I say, America, wake up! You are about to have your backbone of individual initiative painfully extracted from your system, to be replaced with the mechanical tentacles of a gigantic and artificially created octopus. This legalized creature, conceived by man, made possible by enormous wealth, strikes with cold-blooded indifference and uncanny accuracy into the heart of America in its effort to undermine our individual economic independence.

"Since the days of the Pilgrims we have prided ourselves on the fact that America's greatness has been built upon the solid foundation of individual initiative. Peoples from all the countries of the world have been attracted to our shores during the past generations to share in the individual, social, and economic expression of 'equal opportunity for all and special privileges for none.'

"The farms of America have been developed to their high state of production by individual effort—toil and sweat of the brow.

"The thousands of small cities and villages scattered throughout this country, together with their small factories and retail institutions, have been built by individual efforts of patriotic citizens. As a general rule, the entire population of these small communities is dependent upon the success of individual effort in locally controlled business.

"The local merchants and manufacturers take a great pride in their community. They, together with other home owners, are the taxpayers. They are the contributors of time and money in their effort to make their city or village the best place in the world in which to live.

"For more than 150 years the farmer, the small-community laborer, the independent merchant and manufacturer have been the real backbone of stability in this country. Their united effort in each community has built our civic pride and made possible that great spirit of America which makes our country the leading nation of the world.

"Then, like a bolt of lightning out of a clear sky, the scene changes. The farmer, the independent merchant and manufacturer, the life of the small cities and villages is being threatened. We are about to destroy our community spirit, and legislation should be enacted in Congress and in the various State Legislatures to protect the effort of individual initiative against the encroachment of chain stores, chain banks, and undesirable mergers of every character.

"I say that it is time for America to wake up and for Congress and the administration to use every legal and necessary means to protect the independence and stability of individual initiative from the encroachment of unsympathetic monopolies and capital."

### BEAUTY PARLOR MOVES

The Deluxe Beauty Shoppe has been moved to the second floor at 15 Pullman avenue, directly above its former location. The first floor is now occupied by a restaurant.

### Liberty

Manager Edward C. May announces a showing of the widely acclaimed "Three Sisters" at the Liberty Theatre tonight and tomorrow night. The cast includes the accomplished Louise Dresser, together with Joyce Compton, Eddie McPhail, June Collyer, Kenneth MacKenna and Tom Patricola. A double feature has been arranged for Saturday, with "The Locked Door" and "The Broadway Hooper." The latter picture has attracted considerable attention throughout the country. In its cast are Marion Saxon, Jack Eagan and Louise Fazenda.

Joan Crawford will take the center of the stage on Sunday and Monday in a musical romance of the West, "Montana Moon." This picture was filmed without the use of artificial scenery and is said to be unique in this respect. The colorful "trimmings," supplied by genuine cowboys who ride unruly horses and lasso cattle in true rodeo style, add a rather unusual touch to the picture. Other stars who share honors with Miss Crawford in this picture include John Mack Brown, Dorothy Sebastian, Ricardo Cortez, Benny Rubin, Cliff Edwards, Carl Dane and Lloyd Ingraham.

## Schine Group Shifts Theatre Managers

In keeping with their policy of periodic changes of management to provide variations in the types of programs offered in each of the communities served by their theaters and also to sustain and advance the spirit of competition between managers, Schine Enterprises announce a general shift in local managements. The shift went into effect on Sunday.

Leon Shafer, formerly manager of the State Theatre, has been assigned to the Riviera; Edward May is transferred from the Riviera to the Liberty, and Sol Shafer, formerly at the Liberty, assumes the management of the State Theatre.

Coincident with his transfer to the Liberty, Mr. May announced that radio programs would originate over WHEC from the Driving Park avenue theatre. Radio men are busy wiring the theatre and preparing for a novel scheme of broadcasting, details of which will be announced at a later date.

### Pete's Potpourri

There is no doubt in my mind about the increase in business—at least in the Tenth Ward. It is rumored that the barbers are going to Clip Bostwick and Bob Clifford. The Flanagan Carting Company will soon be Wheeling, West Virginia, and also have the contract for carting away the debris when Niagara Falls. Dr. Lawrence will be engaged in Lansing, Michigan.

The Specialty Printing Company, 811 Lake avenue, recently installed two new presses to meet the demands of their rapidly increasing business.

Rose Shied at having her name mentioned in this column, so it is omitted.

"All that the name implies," the selling slogan recently adopted by Peerless Motors of Cleveland, O., first appeared on cards of the Peerless-Rochester Motors, and was coined by Claude Burnett of Lake avenue.

Mr. and Mrs. Wm. P. Morgan, who recently returned from wintering in Florida, are residing at 481 Lake avenue.

I may never be a Schine as a theatre manager, but Eddie May.

### CASE-RADFORD

The marriage of Miss Lillian May Radford, daughter of Mr. and Mrs. Sidney Radford of Flower City Park, and Adrian Gifford Case, son of Mr. and Mrs. Oliver Case of Wedgewood park, took place Saturday afternoon, July 19, at 4 o'clock at the home of the bride's parents. The Rev. J. Stanley Richards, pastor of Dewey Avenue Re-

## REPUBLICAN WOMEN ENTERTAIN THROUG AT ANNUAL OUTING

Caring for their large gathering of members and friends in the usual efficient manner, the Tenth Ward Republican Women entertained and fed another record-setting attendance at their annual outing yesterday at Ontario Beach Park. Favored by a perfect day, the picnickers enjoyed themselves thoroughly.

In the afternoon, a program of races and sports events especially for the children brought forth keen competition and grown-ups applauded the efforts of the youngsters from the sidelines. In the evening it was the turn of the grown-ups to take part in a similar program. Wilbur Quinn of the K. of C. was in charge of the numerous events.

A luncheon, served cafeteria style, was placed before the picnickers by a committee of the ladies assisted by members of the men's club. Mrs. Louise Kane was general chairman and Mrs. Lena Cook was in charge of the supper. The Park Band was present in the afternoon to furnish music.

## Hahns Injured On Trip As Car Is Side-Swiped

The motor trip of Mr. and Mrs. John J. Hahn of Glenwood avenue through the Adirondacks and Canada had an unfortunate ending near St. Catharines, Ontario, when Mr. Hahn's sedan was sideswiped by another machine and forced into the ditch. Mr. and Mrs. Hahn received a number of minor cuts and bruises and Mrs. Hahn's sister of Pennsylvania, who accompanied them on the trip, suffered a fractured ankle.

The driver of the other car, whose home address was given as Pittsburgh, apparently lost control of his car as he was about to pass the Hahn sedan. Serious damage resulted to both cars. Mr. Hahn, who returned Wednesday of last week, says that the Pittsburgh man has promised a settlement.

formed Church, performed the ceremony.

The bride, who was given in marriage by her father, wore shell pink chiffon, a wreath of orange blossoms in her hair and silver slippers. She carried a shower bouquet of pink rose buds and lilies of the valley. The bridesmaid was Norma Swigert, who wore yellow chiffon with slippers to match and carried yellow roses. Warren Case, brother of the bridegroom was best man.

Following the ceremony, a dinner was held at Klover Leaf Inn, Churchville, for 50.

Mr. and Mrs. Case after a trip to the Adirondacks are now residing in Pomander Walk, East Rochester.

## SWEET SHOP OPENS SATURDAY ON DEWEY

An ice cream cone will be given free to each child accompanied by an adult as a feature of opening day, Saturday, at Ruth's Sweet Shoppe, 1514 Dewey avenue at Knickerbocker. The new store, which is being opened by Ernest J. Protopapas, well-known local ice cream manufacturer, will offer fountain service and will also specialize in light lunches.

Mr. Protopapas, with the assistance of a former Cornell University professor, has perfected a process of ice cream manufacture, standardized with a butter content of at least 16 per cent, said to be exceptionally high as regards other standard brands of ice cream. Professor Walter W. Fisk, who was in charge of ice cream research and teaching for eighteen years at Cornell and who is a recognized world authority on ice cream, has assisted Mr. Protopapas in compounding his ice cream.

Professor Fisk has this to say regarding the ice cream which will be served at Ruth's Sweet Shoppe: "It has the natural firmness of body which only a well balanced ice cream can have; it is a balanced food product that is handled in a sanitary manner. It is manufactured to give the characteristic richness and delicacy of flavor which only pure cream and natural flavor can produce. This ice cream is standardized to test sixteen per cent of butter fat which gives it a rich creamy taste."

Mr. Protopapas says that the ice

## Awarded Gold Medal For Philosophy Mark

Announcement has just been made of the award of the Bishop Reilly Gold Medal in Philosophy at Holy Cross College, to Frank C. Nash, son of Mr. and Mrs. George Nash, of 254 Avis street. The award is given each year to the member of the junior class with the highest average in philosophy.

Mr. Nash was graduated from Aquinas Institute in the class of 1927 with the highest honors in his class. He is taking the arts course at Holy Cross and is a member of the Dramatics Society and associate editor of the "Tomahawk," and the "Purple," undergraduate publications. He will start his senior year next month.

cream is healthful, nutritious and safe food for both children and adults inasmuch as the milk and cream used is pasteurized. Pasteurization, he points out, is heating to 145 degrees F. for 30 minutes and immediately cooling to 50 degrees F. or lower. He urges any who desire further information to write direct to Professor Fisk at the Ontario Creamery, Sodus, N. Y.

## Let's Get Interested

As interesting as it is to look back upon Rochester's growth to its rating as the 21st city in the United States, it is even more absorbing to speculate upon the future trend of our community. And it is certainly of more than ordinary interest to us that our city planning experts are directing attention to our immediate vicinity comparable to that in the downtown area.

The first step in a five-year program of expansion for the northwest section of Rochester is the widening and re-paving of Dewey avenue which is already underway and which is making excellent progress. The next move will be the widening of West Broad street from Brown street to Lyell avenue, looking toward the development of a straight-through route from the northwest end of the city to the downtown area. The widening of Dewey avenue between Lyell and Driving Park avenues, which because of the necessity of cutting back property lines will be a rather expensive undertaking, is to follow and the lower end of Dewey avenue, beyond Knickerbocker avenue, is likewise to be widened and re-paved.

An ordinance for the West Broad street widening has already been called for by Councilman Nelson A. Milne and is reported to be in preparation in the City Engineer's office. Councilman Milne promises that he will urge its early adoption.

Although the subway has not as yet had opportunity to prove its worth, it is our belief that this mode of transportation will assume added importance as the city boundaries are extended. In this connection from its present terminus at Driving Park avenue, northward to Ridgeway avenue and thence further, perhaps to the Ridge road and beyond.

One of the problems which the Courier has always felt merits the earliest possible attention is the difficult and dangerous curve at Driving Park and Dewey avenues. This, too, is to be straightened out under the program. But practically everyone is agreed that this problem should be given the preference over any of the proposed improvements, and we earnestly hope that the Councilman will soon introduce an ordinance to this end.

With the Ridge road bridge rapidly assuming such proportions that we can easily visualize its expansive arches spanning the river, another development of importance is soon to be realized. And then will come the widening of the present inadequate Driving Park avenue structure to be followed at a later date by another bridge across the Genesee at Emerson street.

These other improvements of importance are contained within the city plan for the Tenth Ward. Our Councilman, backed by the powerful strength of public opinion here in the Tenth Ward, is in a position to speed them on their way. The northwest section, in a certain sense, has been set aside as a land of the future and it is the duty and should be the pleasure of all genuine Tenth Warders to lend every effort to furtherance of the scheme and to insist upon a constant march toward the goal which has been set.

Rochester Civic Defense League

## ORGANIZES STATE FOR INDEPENDENT STORE CAMPAIGN

The campaign of the Independent merchants of Rochester against the chain stores will spread to the entire state, according to plans formulated in Niagara Falls Monday night. Representatives from several cities of the state conducting campaigns against the chain organizations and the syndicate system of doing business have agreed to organize a state-wide campaign against all chains.

From Rochester attending the meeting were Raymond J. Tierney, chairman of the Rochester Civic Defense League; Walter G. Cherry, radio speaker; Secretary J. G. Corey; T. E. Carroll, a member of the Executive Committee, and several others interested in the move. Batavia was represented by six, while Buffalo and Niagara Falls had their representatives.

One of the plans taken up at the meeting was the advisability of broadcasting from CKGW in Toronto. Broadcasting stations capable of reaching Western and Central New York are not in sympathy with the campaigns against the chains.

The state organization, as soon as it begins to function, will take up the matter of broadcasting from a larger station. Monday night Station WBBR of Buffalo failed to broadcast a speech by the Niagara Falls merchants after a contract was signed and payment made in advance. The Niagara Falls men cancelled the contract and will await the broadcasting from a larger station.

There is a possibility that W. K. Henderson, of Shreveport, will open a new station somewhere in Pennsylvania. In this case a hook-up will be arranged with that station.

The Rochester Civic Defense League is now broadening its scope to include many other merchants besides grocers, hardware men and butchers. Tire men, gas station dealers and others are beginning to join now. It is hoped to obtain 400 members before the end of the month.

## BODY OF THOS. SWEENEY EXPECTED TOMORROW

Word has been received by Mrs. Louise Sweeney, 2594 Dewey avenue, of the death of her son Thomas L., a private in the U. S. Army, who died while on duty. His body is expected to arrive Friday.

## MARIE DRESSLER, POLLY MORAN AT RIVIERA IN "CAUGHT SHORT"

The amusing side of the recent stock market crash will be depicted in "Caught Short," a Metro-Goldwyn-Mayer all-talking comedy featuring Marie Dressler and Polly Moran which will be shown Sunday, Monday and Tuesday at the Riviera Theater.

The story, suggested by Eddie Cantor's book, was written by Willard Mack. The supporting cast includes Anita Page, Charles Morton, T. Roy Barnes, Gwen Lee, Herbert Prior, Edward Dillon, Greta Granstedt, Lee Kohlmar and Alice Moe. Charles F. Riesner directed.

### Play Landladies

In "Caught Short," they will be seen as landladies with competing boarding houses across the street from each other, whose dabbling in the stock market results in their sudden rise from comparative poverty to financial independence and then back again by way of the crash. Love interest is furnished by the romance between Morton and Miss Page as the respective son and daughter of the comedy pair.

Exclusive of the hilarity furnished by the Misses Dressler and Moran in their nouveau-riche circumstances, "Caught Short," is said to be distinguished by expert characterizations on the part of Barnes, Prior and Dillon in the role of boarders.

The programs for the remainder

of the current week offer a pleasing variety to the patrons of the Riviera. The final showing of the versatile Ruth Chatterton in "A Lady of Scandal," will be made tonight.

Friday and Saturday Nancy Carroll appears in an entirely different type of role than any she has had previously. She is starred in "The Devil's Holiday" in a performance that is said to be her greatest and finest production since she first appeared on the horizon of screen-dom.

Mrs. Charles Norris of Ridgeway avenue has returned after visiting friends in Geneva, Penn. Yan and Willoughby, Ohio.

Mr. and Mrs. A. J. Davidson of Ridgeway avenue, have returned from a trip to Gettysburg, Washington, New York and other points of interest.

Robert C. Norris and Robert Wilde of Ridgeway avenue, have returned after spending two weeks at Camp Pioneer on Seneca Lake.

## COURIER AND LIBERTY PLANNING RADIO-VAUDEVILLE CONTEST

### TENTH WARD COURIER-LIBERTY THEATRE RADIO-VAUDEVILLE CONTEST

Entry Blank

Name .....

Address .....

Telephone .....

Type of Talent .....

A radio-vaudeville contest, designed primarily to bring to the front new talent in the entertainment field from among Tenth Ward residents, is being planned beginning the third week in September. The contest is being sponsored by the Tenth Ward Courier and the Liberty Theater.

According to present plans the eliminations in the contest will be started about the second week in September. An entry blank is printed above and should be sent to the Liberty Theater as early as possible to insure a place in the auditions.

Manager Edward C. May of the theater is in charge of the competition. He successfully carried through the recent radio audition contest at the Riviera Theater, which created such wide interest, and previously to that was largely instrumental in the success of the vaudeville contest held at the Liberty Theater.

There will be two divisions, one for radio entertainers, the finalists in which will be heard over WHEC, and the other for vaudeville acts which because of their nature cannot be broadcast. The latter class will include dancers, character imitators, etc.

A number of valuable prizes are being arranged and will be divided

## Liberty

Tom Moore and Blanche Sweet take the leading roles in the talkie "Woman Racket," which is the featured production at the Liberty Theater tonight and tomorrow night. The story, which is said to be replete with numerous tense situations that add color to the drama, concerns the underworld.

Two talking features are on the bill for Saturday, both capable of headline positions and entirely different in type. One is a mystery, "The Bishop Murder Case," and the other a social theme, "Lucky in Love." In addition, at the Saturday matinee, Manager Edward C. May will inaugurate his Liberty "Kids Club" with some special prizes for the youngsters in addition to a singing program on the part of the audience to be broadcast over WHEC.

"On the Level," Fox Movietone all talking romance, comes to the Liberty Sunday and Monday, was not produced for laughing purposes only, but it embraces a series of mirthful situations that telescope one another in rapid succession. The leading role is portrayed by Victor McLaglen, of "What Price Glory," "The Cock Eyed World," and other outstanding successes. Featured roles are also entrusted to William Harrigan and Lilyan Tashman, while support is accorded by such well known screen personalities as Arthur Stone, Ben Hewlett, Leila McIntyre, Mary McAlister, R. O. Pennell and Harry Tenbrook.

The story, an original by William K. Wells, concerns the adventures of a pair of iron workers who become enmeshed in a crooked real estate deal as the result of a flirtation between McLaglen and Miss Tashman. The unfolding of the plot leads to a satisfactory financial adjustment and to romance. "On the Level" was directed by Irving Cummings.

## STANDING-RAWLINGS

Miss Gladys Irene Rawlings, daughter of Mr. and Mrs. H. T. Rawlings of Pittsford street, and David Standing, son of Mr. and Mrs. William Standing of Knickerbocker avenue, were married on Saturday, August 2, at St. Stephen's Episcopal Church. The ceremony was performed by the Rev. Francis C. Woodard. Mrs. Fred Izard sang "O Promise Me."

The bride, who was given in marriage by her father, wore white moire and a tulle veil trimmed with pearls and silver. She carried a shower bouquet of lilies, snapdragons and gypsophila. Miss Mary Saunders was maid of honor and wore blue chiffon and carried pin's gladioli, larkspur and gypsophila. The bridesmaids, Miss Winifred Standing, sister of the bridegroom, and Miss Marie Polk, wore pink chiffon hats to match and carried pink roses, snapdragons and gypsophila. The train bearers were Sybil Rawlings and James MacKercher. Alfred Standing, brother of the bridegroom, was best man, and the ushers were Louis Scheg and Ernest Wahl.

The bride's mother wore pink and gray chiffon and a corsage of snapdragon and roses. The bridegroom's mother wore printed chiffon and a corsage of pink roses, larkspur and snapdragons.

Following the ceremony a reception was held at the home of the bride's parents.

Mr. and Mrs. Standing left on a trip to Washington, D. C., and Virginia. They will make their home at 105 Pittsford street.

## PERRY-SPEIDEL

The marriage of Miss Marie Speidel, daughter of Mr. and Mrs. Charles F. Speidel of Birr street, and Gordon H. Perry, son of Mr. and Mrs. Frank H. Perry of Shepler street, took place on Tuesday evening, August 5, at 7 o'clock in the Barrett parlors of the Lake Avenue Baptist Church. Rev. Whitney S. K. Yeaple performed the ceremony.

The vows were taken before the fireplace which was decorated with palms, ferns, gladioli, larkspur, hydrangea and candles. Preceding the ceremony, Miss Gertrude McCrea sang, "Because" and "I Love You Truly," accompanied at the organ by Miss Helen Barnes.

The bride, who was given in marriage by her father, wore white satin. Her veil of tulle was arranged in cap fashion and was held in place with clusters of orange blossoms. She carried a shower bouquet of bride roses, achillia and gypsophila. Mrs. Lamar Middleton, sister of the bride, was matron of honor and wore green and gold chiffon and carried golden meadow gladioli. Carleton Thayer acted as best man. Austin Perry, brother of the bridegroom, was usher.

The bride's mother wore apricot chiffon and the bridegroom's mother wore pink chiffon.

After the ceremony, a wedding dinner was served to 25 guests at the Buckingham Club.

Mr. and Mrs. Perry left on a motor trip to New York and the Adirondacks.

## MERCHANTS PLANNING FOR FORMAL OPENING OF DEWEY ABOUT OCT. 1

A forecast by the contractor which indicates that Dewey Avenue's repaving between Augustine street and Knickerbocker avenues will be completed by October 1 is the cause of considerable discussion among the business men concerning suitable methods of observing the occasion. The contractor is hurrying to completion the last sections of sewer work, following which the laying of a concrete base and surface on the east side will bring to a close the reconstruction of the avenue. Placing of the new curbing is also well underway and it is estimated that by October 1, unless unforeseen developments arise, the east side of the street will be ready for traffic.

A group of the merchants are already planning to organize both business men and private home owners into a committee to stage a celebration which they hope to make a memorable event. They have not arranged any details, however, and probably will not until a full committee representing the various sections of the avenue has been formed.

The Park Band will be at the disposal of the committee and will furnish music for dancing, if it is deemed best to have a street dance. A number of the merchants have suggested raising of a small fund to award in the form of prizes for decorated homes, business places, automobiles, etc. Business men and residents alike seem interested in a suitable celebration for the opening and it is probable that more definite plans will be made within the next week.

## TWO LOCAL HOUSES GET SAFETY AWARDS

Awards in the Safe Drivers Contest, conducted each year for the past four years by the Rochester Safety Council included two Tenth Ward business houses. Bauman and Baynes received their fourth consecutive award and Williams Coal Company was likewise rewarded inasmuch as their delivery trucks, entered in Class R, had no accidents.

Trucks of both companies were entered in the parade which was held yesterday afternoon in downtown Rochester. Certificates, commemorating the awards were received by these two companies. Roy Hiscock, Bauman and Baynes driver, has the unique record of no accidents over a period of ten years, during which he has been employed by the local market and grocery.

## New Waterproof Watch Shown At J. O. Ledlie's

J. O. Ledlie, jeweler of Dewey avenue, is displaying a new Bulova Watertite watch which will be of interest to local sportsmen. The watch can be worn in water as well as out of water because it is absolutely waterproof.

Johnny Weismuller, famous Olympic swimming champion, is said to have worn this timepiece in many of his recent swims, and reports that it gave complete satisfaction.

The watch is said to answer the demand of physicians, dentists,

## August Sales Up 25 Per Cent, Says Kenny

Indicative of the fact that business conditions have been far from adverse for at least one local manufacturer and retailer, is the announcement by Gerald C. Kenny of a 25 per cent increase in business during the month of August as compared to August 1929, which in turn was the previous record-business month for his house.

Mr. Kenny manufactures Kennykraft furniture and retails it at his store at 1476 Lake avenue. In July he made a similar announcement for the first six months of the year, stating that his business showed a 25 per cent increase over a corresponding period in 1929. He feels that people are taking more of an interest in their homes and are directing less attention to the stock market; and as a consequence he says from his observation people are spending their money more wisely.

## Nazareth Represented At Two Conventions

At the International Federation of Catholic Alumnae Convention at Emmetsburg, Maryland, August 23 to 28, Nazareth College Alumnae Association was represented by two delegates, Adelaide M. Biesenbach, of the class of 1930 and Monica B. Toole, of the class of 1929. At this convention the various developments in the departments of education, literature and social service were discussed. Reports were made of the special work done in the bureau of schools, music, art, motion pictures, child welfare, girl scouts, and missions.

On August 30 and 31 in Washington the two delegates from Nazareth College attended a Congress of the Society of Kappa Gamma Pi, a national scholastic and activity society at which the delegates were urged to be active in their respective fields.

nurses, sportsmen, and all others who come in frequent contact with water.

As displayed in the window, the watch shows no outward signs of being different from the ordinary timepiece. It is a thin model, handsomely carved and is fitted with the newest slave-bracelet which now seems to be so much in vogue.

## BOWLING LEAGUE IS BEING FORMED

A bowling league among Dewey avenue business men is in process of formation and it is expected will start activities about the first week in October. A total of 22 bowlers have already been enrolled for the season and two more will complete the number which is being sought.

The business men bowled a number of times last year, but it was decided to organize a league on a regular schedule during the coming season with four teams bowling in competition. The league will bowl on Monday evenings, but the place has not been selected as yet. The alleys of the Church of All-Saints and those of the Lewiston Amusement Corporations are under consideration.

## "ANNA CHRISTIE" IN FINALE AT LIBERTY

"Anna Christie," starring Greta Garbo, will close its engagement at the Liberty Theater tonight.

This is Garbo's first talking picture, her first oral appearance of any kind since coming to this country in 1925 as an unknown Swedish actress. It is particularly anticipated because of general curiosity concerning her voice and accent. It also is Garbo's most dramatic performance and hailed by her associates as her greatest.

In the talking picture version of the famous Eugene O'Neill play, a sordid drama of the New York waterfront, George Marion, who created the father role in the original stage production, again repeats this performance. He also played it for silent films with Blanche Sweet, Charles Bickford, hero of Cecil B. De Mille's "Dynamite," plays the part of the sailor-sweetheart and Marie Dressler has the role of the drunken hag.

Two features have been arranged for tomorrow and Saturday. They include "Then Phantom of the House" and "Song of the Cavalero" and in addition a presentation by Red-headed Hussy. On Saturday afternoon Manager Edward C. May will also entertain the Kids Radio Club in the usual broadcast and announces that three door prizes will be given out.

In prominence of cast and the authentic atmosphere of Broadway, "Puttin' on the Ritz," the United Artists' all-dialogue musical spectacle starring Harry Richman, coming to the Liberty, Sunday and Monday, promises to be the foremost offering in the record of talking, singing pictures.

The presence in the cast of Richman alone is sufficient to assure plenty of entertainment, for Richman has been one of New York's greatest attractions in musical comedy and night clubs for several years.

## DR. CLARKSON RETURNS

Dr. Clarkson will be back in the pulpit at Grace Church this coming Sunday. He returned home from his vacation on Tuesday.

## PASSES 15th YEAR AS GARAGE OWNER

Ray E. Defendorf, owner of the Ridge Garage of Lewiston avenue, is observing his fifteenth year in his business in the Tenth Ward. He started in September, 1915 around the corner from his present location, as the Dewey Avenue Garage after five years of traveling for the International Harvester Company as factory service man.

One year later he moved to his present garage which provided larger quarters, and added more mechanics and new equipment. With a larger volume of business each year, Mr. Defendorf has required more help and more modern equipment to carry out his plan of doing the best job possible.

In the Fall of 1928 additional space was acquired next door for a gas station which now is operated in connection with the garage. At present Mr. Defendorf has under his personal supervision an organization of thoroughly trained mechanics, possessing years of experience and competent to render the best possible service. A night and day road service, complete one-stop service at the filling station, and equipment to handle any type of work on automobiles and their various units is available at Defendorf's.

## FORMAL OPENING OF SWEET SHOP ON SAT.

Due to circumstances beyond the control of the management, the scheduled opening of the Ruth Sweet Shop at 1514 Dewey avenue was postponed for one week from the date announced in the last issue of The Courier. The formal opening, however, will take place Saturday of this week when all children accompanied by adults, will be given a free cone with the compliments of the management.

The new store as announced in the last issue will feature its own ice cream, containing 16 per cent of butter fat. The ice cream is made with the assistance of Professor Walter W. Fisk, former Cornell University teacher and recognized world authority on ice cream. A correction is necessary in the address of Professor Fisk, to whom Ernest J. Protapas, proprietor, invited his patrons to write for further information regarding the ice cream. He may be reached at the Sodus Creamery, Wolcott, N. Y.

## Kathryn Kehr Opening New Studio Sept. 12

Miss Kathryn E. Kehr announces the formal opening of her new dancing studio in the Lewiston Avenue Amusement Building at 461 Lewiston avenue to take place Friday, September 12. Miss Kehr is well-known in the Tenth Ward as a teacher of all forms of ballet, acrobatic and tap dancing.

During the Summer she has been studying in the leading schools of New York City and while there received an offer from a prominent theatrical man to go on the professional stage. During a tour she also observed methods in leading studios of Hartford, Cleveland, Pittsburgh and Youngstown.

In her new quarters, Miss Kehr will have a large, modern studio, and reception and waiting rooms. The customary parallel bars, trapeze and other necessary equipment are also provided.

## Camera Club Spends Week-End At Alleghany

About seventy members and friends of the Kodak Camera Club spent the week-end at Alleghany State Park. Mr. and Mrs. Harris E. Phipps of Augustine street, Mr. and Mrs. Oran E. Miller of Electric avenue, Mr. and Mrs. Kenneth Skinner of Redwood road and Mr. and Mrs. Frank L. Wadman of Mayflower street were the chaperons.

## "COMMON CLAY" AT RIVIERA SUN.; "JOURNEY'S END" COMES TOMORROW

A girl of "common clay" who becomes the plaything of forces too strong for her and whose efforts toward rehabilitation and happiness only entangle her more deeply in the web of Fate—such is the grippingly dramatic theme of "Common Clay," sensational vehicle for Fox movie-tone featuring Constance Bennett and Lew Ayres which comes to the Riviera Theater for five days, starting Sunday. This picture has resulted in an unprecedented number of inquiries and telephone calls at the local theater office from theater-goers anxious to see this great production.

The picture opens with Miss Bennett as a "hostess" in a speakeasy; not inherently vicious, but a girl who loves pleasure and gaiety and dancing, and who has taken the easiest way to secure these.

An unexpected vice-squad raid brings her into jail, where she listens contritely to a kindly judge's lecture and decides to "go straight." She obtains a position as a maid in the home of one of the city's most prominent families—only to find conditions but little improved over those in the speakeasy.

Both the butler and the young heir of the house make unwelcome advances and where the latter is almost convinced that she "isn't that kind," his pal, who has known her previously, tells him what he knows. This news leads the other to commence a cautious campaign of love-making, which only terminates when, the summer vacation over, he returns to college leaving behind him a girl who has learned to love him too well.

Fire and water each have distinctive voices and both are faithfully recorded for the screen in "Golden Dawn," the Warner Brothers Vitaphone-Technicolor operetta, being shown the last time tonight.

The burning of a sacrificial pyre and the sudden fall of rain that follows, extinguishing the blaze, is one of the most spectacular scenes in a highly dramatic and picturesque musical romance. These sequences offered difficulties for the technical department handling the Vitaphone recording but they were worked out carefully in detail and very sound preserved to heighten the effect.

"Journey's End" will be the attraction tomorrow and Saturday. This is the play that two continents have been packing theaters to see for over a year. This is the play so perfect, so inspiring, so to be cherished that columns and columns have been written expressing a fear of what would happen to it in its transition from the speaking stage to the talking celluloid.

Not unmindful of all the terrors on the part of the legion of admirers of "Journey's End," its producers made an inviolable law at the very start—it must preserve R. C. Sheriff's play in letter, spirit and gesture. And, if criticism can be relied upon, it has.

## COURIER-LIBERTY CONTEST DRAWING OUT MUCH TALENT

With over 100 entrants to date, the Tenth Ward Courier-Liberty Theatre vaudeville and radio contest is attracting unusual interest. Tryouts and preliminary auditions will start next week at the Liberty Theatre and finals will be held during the week of September 21 to 27 as a part of the regular theater program each evening.

A number of valuable prizes are being offered and may be seen in the theater lobby. They are being offered by a group of merchants among whom are the following: Paramount Conservatory of Music, Rochester Theatre Building; Farman, Florist and Schulz Bros. of Driving Park avenue; and J. O. Ledlie, jeweler, and Claire's Dress Shop of Dewey avenue.

It is emphasized that there is still opportunity to enter the competition. Entry may be made at the Liberty Theatre. Among the entries received to date are four orchestras and a number of singers, dancers, novelty and acrobatic acts and instrumentalists. The contest is open to all aspiring stage and radio entertainers. Entrants in the radio competition will be broadcast over the miniature radio station of the theater in the tryouts. Contestants for the vaudeville prizes will be given their tryouts on the stage. A committee of judges will be announced later.

## BUCK-ARNEY

Miss Helen Louise Arney, daughter of Mr. and Mrs. Albert Miles Arney of Niagara Falls and William Edgar Buck, son of Mr. and Mrs. William E. Buck of Dewey avenue, were married Friday, August 22, in St. Paul's Episcopal Church, Niagara Falls.

The bride's sister, Mrs. Harold Brumstead, was matron of honor, and Kenneth B. Papp of Clay avenue cousin of the bridegroom, was best man.

Mr. and Mrs. Buck left on a motor trip to the White Mountains, after which they will be at home at the Wadsworth Apartments on Plymouth avenue south.

**SUPER-HETERODYNE RADIOS**

In every industry—piano, phonograph, motorboat, automobile, radio — there has always been one outstanding model, one superlative design which all others look up to as the leader.

In radio this has been, for ten years—and still is—the Super-Heterodyne circuit, the circuit used in radio where nothing short of the finest will do. Super-Heterodyne receivers are used, for instance, in broadcasting studios to bring in distant stations while the powerful antenna immediately overhead is putting thousands of kilowatts into the air. This circuit is also used on shipboard in the radio compasses and direction finders where extreme accuracy and dependability are necessary to the safety of lives and cargo.

As in the other industries, however, this "greatest model" has never been available to all. Its great precision and the scrupulous care necessary in manufacture have necessitated a selling price so high that many have been unable to purchase one.

But this year Graybar's great offering to the radio public is a new and improved line of Super-Heterodyne receivers at moderate prices. Here is a model which truly can be called the finest of all radios.

### Three Tenth Warders

#### Winners In Baby Show

The Tenth Ward was well-represented yesterday in the baby show held in conjunction with the Exposition yesterday afternoon at Edger-ton Park and judging by the number of prettily decorated carriages seen trundling through the streets yesterday with colorfully dressed occupants deserved the three prizes which were received.

First prize in the first division went to 14-months old Joan Marie Christie of 417 Magee avenue. Her carriage was designed as a large basket, flanked with pink roses. First prize in the second division went to Ruth May Woodland, 3 years old, of 197 Oriole street. Little Ruth took the part of a nurse, pushing a hospital bed in which reposed a "sick" doll. Walter Liberatti of 697 Dewey avenue took the general prize for boys.

### North Presbyterian

The Women's Society of North Church is conducting a dining tent at the Rochester Exposition during the week. Mrs. A. C. Hetherlin is president of the society. She is ably assisted in this enterprise by Mrs. L. B. Dodge, Mrs. S. D. Thorn, Mrs. R. Capauldy and a large number of helpers from the women and young people of the church.

Miss Margaret J. Huck, newly elected superintendent of North Presbyterian Sunday School, has called a meeting of the teachers and officers for Monday, September 15, when plans will be made for the coming year's work and when the matter of attendance at the Annual Fall Institute of Religious Education is urged upon all teachers.

### KREIG-SCHAEFFER

The marriage of Miss Pauline Genevieve Schaeffer, niece of Mr. and Mrs. Joseph E. Marcille of Alameda street, to Dr. Karl A. Kreig of Brooklyn son of Mr. and Mrs. George B. Kreig of Alliance avenue, took place at Holy Rosary Church at 10 o'clock Monday. The Rev. John Kreig of Brooklyn, cousin of the bridegroom, celebrated a high mass, assisted by the Rev. Hughes and the Rev. W. J. Naughton.

The bride was given in marriage by her uncle. Palms, gladioli and cosmos decorated the church. The bridal gown was of ivory satin and tulle. The bride wore a veil of duchess lace with orange blossoms and carried a shower bouquet of roses and lilies of the valley. Her maid of honor, Miss Marion F. Schaeffer, a sister, wore pale green tulle over green satin, with a pale green hat trimmed with silver. She carried yellow roses. The bridesmaids, Miss Monica Saffran, Miss Alice Kreig, sister of the bridegroom; Mrs. Paul Kreig, Miss Alice McLoughlin and Miss Kathryn Murray wore gowns of pink crepe and tulle, with hats of black velvet trimmed with lace and carried roses and blue larkspur.

Mark Kreig of Brooklyn was best man for his brother and the ushers were Paul Kreig, Paul Schaeffer, Ward Kreig, James Marcille and John McLean.

The bridegroom's mother wore wine colored velvet with a hat to match and a corsage of pink roses and lilies of the valley.

A wedding breakfast at the Sagamore followed the ceremony and a reception was held at the bride's home at 2 o'clock.

After a motor trip, Mr. and Mrs. Kreig will reside in Brooklyn about Oct. 1. Out-of-town guests included the Rev. John Kreig and Dr. George Deely of Brooklyn.

Dr. Kreig is a graduate of the University of Rochester.

Miss Alice May Loop of Claremont, New Hampshire began her new work last week at the Grace Methodist Church as director of Religious Education.

We pause at this time to thank our many friends and customers for their patronage and support in our success, and hope for a continuation of this goodwill in the years to come.

Our aim has been and always will be to satisfy to the utmost at an honest price.

*Our service is complete in every respect, from the smallest adjustment to the complete wreck.*

## PLAN PARADE AND STREET DANCE TO OPEN DEWEY AVE. OCTOBER 15

An opening ceremony designed to commemorate the completion of the new Dewey avenue pavement was voted the whole-hearted support of the business men of the section at a special meeting called Monday night and plans are already underway. Another meeting is scheduled for next Monday evening at the Flanigan Furniture Company's annex at 1441 Dewey avenue, near Ridgeway.

A committee of eight property owners representing the various sections between Augustine street and Knickerbocker avenue, was named as a general committee and will make a financial report at the meeting Monday. A contribution is being sought from all merchants on the new street to defray expenses. Included in the committee are Harry Peters, Mat Barry, Al Mathews, Jacob Renner, Jack Coers, Charles Listman, Benjamin Cramer and Edward Kirby.

The date has been set for Wednesday evening, October 15. This date was decided upon after a conference with Rochester Willite Company officials who expect to have the entire job completed during the first week in October. Their contract, however, gives them until October 15, which allows extra time in case of rainy weather. The committee chose the October 15 date to be sure of everything being in readiness for the formal opening.

The plan as outlined provides for a street dance and parade. A band to lead the parade and play for dancing has been volunteered by Julius Friederich, president of the Willite Company, and has been accepted by the committee. Efforts to have the Park Band were unavailable in as much as the contract between that organization and the city was completed on Labor Day.

The contributions of the business men will be used for a number of cash prizes, street signs, fireworks and refreshments. It is planned to

### Refrigerated Display

#### Case At Christman's

Christman Meat Market has installed a new type Lig-O-Nier electrically refrigerated display case, fourteen feet in length. The new case has been added to speed up service and also to insure fresh meats at all times. It has an unusually large glass front, and allows the display of a large selection of meats.

"How to Conduct Club Meetings in a Business-like Way," is to be discussed at the Home Bureau headquarters, Chamber of Commerce today by Miss Dorothy Delaney, assistant state leader of Home Bureaus of New York State. All unit officers and project leaders are expected to attend.

offer substantial prizes for floats and decorated automobiles and trucks in the parade. It is expected that a number of committees to take care of these details will be chosen at the meeting Monday night.

If favored by good weather, the committee is confident of attracting one of the largest crowds ever to attend an affair of this kind in Rochester. The program, as being planned, is a pretentious one and they expect the co-operation of residents of the street as well as all business men to carry it out.

### TEN-YEAR OLD GIRL SWIMS CONESUS LAKE

Jean Zimmerli has finally accomplished a swim which has been her objective for some time. She has been summering at Conesus Lake with her parents, Mr. and Mrs. W. J. Zimmerli, of Clay avenue, and it has been her purpose to swim from her parents' lake side residence to Eagle Point. Jean, who is only ten years old, but quite a swimmer, made the three-quarters of a mile swim on Sunday much to her satisfaction and is receiving congratulations.

### COMEDY HIT AND FOREIGN LEGIONS SHOW AT LIBERTY

James and Lucile Webster Gleason, the highest-priced comedy team in the world, achieve their greatest success—surmounting anything they have ever done on the stage—in Universal all-talking production of Gleason's comedy hit, "The Shannons of Broadway," tonight and tomorrow night at the Liberty Theater.

The new features are principally the addition of three new song hits one of which is played and sung by Gleason himself. The songs, written especially for the picture, are "Get Happy," the peppy number Gleason sings; "Someone to Love Me," the love song, and "Living the Life of Riley," which the Gleasons use in their stage numbers.

On Saturday Olive Borden and Lloyd Brooks appear in gay and impudent story of youth entitled, "Hello Sister." A good comedy, "Ace Rider" is coupled with the feature picture. In the afternoon matinee performance Manager Edward C. May will again entertain his radio kids club and will give out the usual prizes.

"Women Everywhere" with the colorful and interesting Fifi Dorsey and J. Harold Murray, talented singing star of "Rio Rita," is the offering for Sunday and Monday. It is one of the popular singing and dancing pictures and very entertaining. The scene is laid in the Morocco and the Foreign Legion again furnishing the basis for a fine production. It is a musical romance well worth seeing.

With an outstanding Broadway star and a dramatic story to which full justice is done by a superb cast of artists from the stage and screen, pretty girls and plenty of tuneful music, "Blaze O' Glory" comes next week, Tuesday and Wednesday.

It will introduce to motion picture audiences Eddie Dowling, famed stage star, in his second talking, singing and dancing musical photoplay and follows closely upon the heels of "The Rainbow Man" of last season in which Dowling leaped into immediate popularity.

Special this week-end only at Wichman's Drug Store, Dewey at Driving Park avenue: colgate's 25c tooth paste, 18c Adv.

### THE COURIER ANNOUNCES—

That beginning this week it will appear on a weekly schedule.

Another issue will be out next Thursday September 25

### Lake View Unit Meets

#### First Time On Tuesday

Lake View Unit of the Home Bureau will hold its first meeting of the fall season next Tuesday afternoon at 2 o'clock in the Dewey Avenue Presbyterian Church. Mrs. George Tagg, of Electric avenue, chairman of the unit, announces that the principal topic of the meeting will be the program for the coming year. Refreshments will be served.

### Republican Women to Meet Again October 2

The Tenth Ward Women's Republican Club will hold its first meeting of the season on Thursday evening, October 2d, at 8 o'clock at the club rooms, Driving Park avenue. There will be a social time with cards and refreshments after the business session.

### "OUR BLUSHING BRIDES" COMES TO RIVIERA SUN.; COMEDY TOMORROW

"Our Blushing Brides" with Joan Crawford in the starring role and such cinema favorites as Anita Page, Dorothy Sebastian, Robert Montgomery, Raymond Hackett and John Miljan in prominent supporting roles will be the screen attraction at the Riviera Theater Sunday, Monday and Tuesday.

Metro-Goldwyn-Mayer is said to have outdone itself in the matter of lavish settings, costumes, and unusual features for this production, having started off with a bang by hiring an entire Los Angeles department store, personnel and all, for the opening scenes which depict the daily routine of three women employees. Subsequent romances of the three girls place them in the environment of the millionaire class and advance information has it that these settings are the most lavish and artistic representations of modernistic interviews yet seen on the screen.

Unusual features of the picture include a spectacular fashion-show held in the gardens of a Long Island estate and an Albertina Rasch ballet, photographed at night. This last sequence required a six weeks' training course in Greek dancing upon the part of Miss Crawford who studied under the direct supervision of Mme. Albertina Rasch.

### NEW FACES, MANAGEMENT CHANGES, AMONG BUSINESS MEN

A number of new faces are evident among the business men of the Tenth Ward and two of the well-known business men of the ward have changed to new locations. The following individuals make their official bows this week: Lew Silverman, Charles T. Eyer, Jr., L. E. Bates, the Misses Rose and Lee Levin, John Giesselman and L. A. Sandle. Further details will be found below.

#### LEW SILVERMAN OPENS LAKE PHARMACY

Lew Silverman, manager of the St. Paul Pharmacy for the past four years, has moved across the river and opened a modern drug store of his own at 588 Lake avenue. The large electric sign in front bears the name, Lake Pharmacy.

Mr. Silverman is a graduate of the University of Buffalo School of Pharmacy and is a New York State Registered Pharmacist. Besides a complete line of drugs, the store is also equipped with an electric soda fountain and carries magazines, candies, cigars and tobacco. A circulating library with a complete change of books monthly will be opened there next week. The store also has a delivery system, calling for and delivering prescriptions.

Many Tenth Warders have known Mr. Silverman from trading at the St. Paul Pharmacy and he will be pleased to meet them now at his own store.

#### C. T. EYERS TAKES OVER CONFECTIONERY

Charles T. Eyer, Jr., has taken over the confectionery store, known as the Maplewood Confectionery Store, on Lake avenue at Driving Park avenue, formerly owned by Frank Eyer. In addition to a complete confectionery, Mr. Eyer will start a delicatessen service. The store has been completely remodeled and prettily decorated.

#### L. E. BATES NEW OWNER MONROE MARKET

L. E. Bates, formerly proprietor of a meat market at 1262 St. Paul street, has also moved across the river to buy out the Monroe Market. He succeeds Herman Monroe, who is retiring after a long period of service at the corner of Dewey and Driving Park avenues.

Mr. Bates is an experienced butcher and has spent more than twenty-five years in the meat business. While in business on St. Paul street he maintained a delivery service in the Tenth Ward and will be known to many local residents.

#### HARDWARE STORE MOVES ACROSS DEWEY

The Donaghe Hardware Store is settled in new quarters, diagonally across Dewey avenue from its old location. The new store is at 1341 Dewey avenue at Electric. For the past five years this hardware store has been at 1308 Dewey avenue.

#### FRANK EYER OPENS ON DEWEY AVENUE

Frank Eyer has again opened in the confectionery business at a new location, 2061 Dewey avenue at Winchester street. In addition to the usual confectionery line he carries home made baked goods, specializing in pies and light lunches. He also has school supplies. He was formerly at Driving Park and Lake avenues, where he is said to have attained a reputation for milk shakes and sodas. He will be pleased to meet his friends at the new store.

#### LEVINS OPEN FRUIT AND VEGETABLE MARKET

Two sisters, Rose and Lee Levin, very business like young ladies, have opened the Lee Fruit and Vegetable Market on Driving Park avenue. They have recently moved here from Columbus, Ohio, where

### RADIO-VAUDEVILLE STARS COMPETE NEXT WEEK AT LIBERTY THEATRE

An entry list of over 150 is being pared down this week in preparation for the finals of the Liberty theater-Tenth Ward Coifrier vaudeville and radio artists' contest to be staged next week before Liberty Theater audiences. Five acts will be shown each evening, the winners to qualify for the finals on Saturday night when a number of valuable awards will be made.

Manager-Edward C. May, of the Liberty, who has had considerable experience running these contests, is enthusiastic concerning the entrants. He has been busily engaged in the preliminary auditions and tryouts for the past two weeks and although he expected to be completed Monday he has been compelled to arrange an extra period tomorrow.

Five orchestras, ranging from seven to twelve pieces, have been entered in the competition, thus providing one for each night. The two best orchestras will compete in the finals for a silver cup awarded by J. O. Leduc, jeweler. In the vaudeville contest Mr. May has selected a number of talented dancers and impersonators and the

radio talent includes violinists, harmonica players, singers and instrumental and vocal duos.

The week's program will be in the nature of a gala celebration of the opening of the fall season and of the return of a number of familiar faces to the personnel of the theater. Bigger and better pictures are promised by Mr. May, who urges patrons of the theater to come at least once or twice next week and join in a general good time. The theater is to be decorated with owers by Farnen, florist, and a Victor radio and piano have been furnished by the Rochester Wurlitzer Store. Prizes are being given by the Paramount Conservatory of Music, Schulz Bros. Coffee Shop and Claire's Dress Shoppe.

## SCHOOL NEWS

**JOHN MARSHALL HIGH**  
Willard Burt has announced that  
the registration is over 1038. This  
is due to an especially large begin-  
ning class.

Mrs. Marion Hay has charge of  
the girls' horseback riding class.  
She has announced that class will be  
held at the Armory on Culver road  
twice a week, Tuesdays and Satur-  
days, beginning September 16.  
Twenty girls have reported for the  
beginning class and fifteen for the  
advanced class.

Charles Loth and Leon Friel are  
in charge of tennis and golf respec-  
tively. Mr. Friel is rounding his  
team into shape for the interschol-  
astic meet to be held in the near  
future at Genesee Valley Park.

Mildred Frech, president of the  
Literary Club, has announced that  
the first meeting of the club will be  
held today. An interesting program  
for the year is being planned under  
the direction of Philip Jenkins, fac-  
ulty sponsor.

Miss Katherine Monaghan and  
Harold Cowles, former teachers of  
East High School, are to be in  
charge of dramatics this year. They  
are working on plans for a big year.

Joseph Uhrlich, formerly of Mon-  
roe, and Brooks Kiggins, of Syra-  
cuse, are in charge of the boys'  
physical education work. Mr. Kig-  
gins is on part time at Marshall  
alternating his work with other high  
schools in the city.

Under the direction of Mr. Keith  
the orchestra has been organized.  
The outlook for the year is very  
promising.

**LAKEVIEW SCHOOL, NO. 7**  
The students and faculty hope  
Miss Jeanette DeWolf and Miss  
Weible will soon feel at home at  
No. 7. Miss DeWolf will have  
charge of the Health Education  
program. Miss Weible comes to us  
as a first grade teacher.

We are glad to announce that the  
Junior Safety officers are on duty  
again. There will be three squads  
this term.

Squad No. 1 was on duty the  
week of September 8. The boys  
in charge were Richard Spears,  
Robert Guinan, George Dixon, Wil-  
liam Lourette, William Yorke, Rich-  
ard Bennett, Dan Allen and Louis  
Sarachan.

This week Squad No. 2 consist-  
ing of the following 6B boys is in  
charge: Billy Smith, Albert Boul-  
ton, Arthur Sullivan, Gerard Wein-  
gartner, William Reed, Frank Doe,  
George Bailey and Howard Hetzler.

Squad No. 3 will be on duty the  
week of September 22. The fol-  
lowing boys will be guarding the  
safety of the children: David Se-  
derquist, Jack Reinhard, Julius  
Stoll, Jack Messerschmitt, Robert  
Underwood, Bob Welsh and Robert  
Rekers.

There will be a child study group  
organized at No. 7 this year under  
the direction of Miss Harriet Ahl-  
ers, assistant to Dr. Cushing. The  
class will meet every Friday at 2  
p. m. in room No. 113, beginning  
September 26.

The pupils of the school are being  
weighed and measured this week.

This will tell them how much they  
have grown and gained during the  
vacation and also whether they  
have reached the average weight for  
their height.

**LEXINGTON SCHOOL, No. 34**  
The fifth grade A had perfect  
attendance and two tardy for the  
week of September 8 to 12.

The average daily attendance for  
No. 34 School has increased during  
the past year. In June, 1929, the  
per cent of attendance was 95.78  
and in June, 1930, the per cent of  
attendance was 96.80.

Miss Mary Keffe of the health  
education department will be avail-  
able for conferences with parents  
on health problems of the children  
in School 34 on Monday and Tues-  
day afternoons.

The fifth grade B has had one  
hundred per cent in banking for  
the past two weeks, September 8  
and September 15. The fourth  
grade B had eighty-one per cent  
the week of September 8 and sev-  
enty-nine and one-half per cent for  
the week of September 15.

## Storm Cuts Electric Supply On Lake Ave.

The storm which was experienced  
in Rochester Tuesday brought dis-  
appointment to a large number of  
theater goers of this community.  
The lower end of Lake avenue ran  
disastrously short of electric cur-  
rent and as a result the Riviera  
Theater along with other business  
houses of the section was practically  
in darkness.

There was power enough to fur-  
nish a feeble light, but not of suffi-  
cient strength to run the project-  
ing machines. While the Rochester  
Gas and Electric Company wiremen  
searched for the trouble, the audi-  
ence waited patiently, but to no  
avail and the show had to be called  
off for the night.

Mrs. Judd, of Glenwood avenue,  
is ill at her home.

**News of the Churches**

**North Presbyterian**—The officers and teachers of the Sunday school met for the first conference of the season on Monday, with Miss Margaret Huck, superintendent of the school, presiding. "Outlines and Objectives for the Coming Year" was the topic of the meeting and following the Council Assembly, the workers separated into department groups, with department superintendents presiding at the smaller group meetings. Attractive programs for further meetings of the year were distributed.

The regular meeting of the Women's Society takes place this afternoon in the Parish House, with the president, Mrs. A. C. Hetherlin, presiding. The officers and chairmen of committees are to outline their plans for the coming season and reports of various activities of the society are to be given, including a report of the dining tent conducted at the Rochester Exposition.

North Church, in cooperation with other churches of the city, represented by the Federation of Churches, announces the following cottage prayer meetings in preparation for the coming evangelistic campaign, when Gypsy Smith, the noted British evangelist, will visit Rochester.

Tuesday, 7:45 p. m., Mr. and Mrs. H. M. Stone, 427 Lake avenue and Mrs. Eleanor Mauro, 431 Lake avenue; Friday, 7:45 p. m., Mrs. G. J. Morgan, 211 Lexington avenue and Mrs. George C. Cross, 157 Fulton avenue.

All interested people living near these homes are invited to attend the meetings. In the Sunday school on Sunday at 10 o'clock the second class rally will be held in preparation for the general Rally Day of the church and school on September 28th. The lesson in the young peoples' division will be taught by Mrs. Anne Nicholson. In the adult division the pastor, Rev. William Graham Kennedy, D. D., will teach; other departments will be taught by a teacher appointed by the department superintendents. The first class rally, held on September 14, was encouraging, and it is hoped that the second class rally will be even more encouraging than the first.

**Grace M. E.**—The Missionary Society of Grace Church is holding a corn roast at the home of Mr. and Mrs. A. R. Lounsbury, Ridge road west, tonight. Mrs. A. F. Cutcliffe is general chairman and Mrs. M. J. Barton is chairman of the refreshment committee and promotion.

A short business meeting of the society will be held at 3 p. m. prior to the roast. The Genesee General Conference begins Wednesday, September 24th, at Kenmore, N. Y. Dr. Clarkson, pastor, will attend the conference.

The Epworth League will begin its fall sessions on Sunday evening with an acquaintance hour at 5:30 followed by refreshments. Then the young people will assemble in the league room for their devotion period. Howard Hutchins has charge of the refreshments and arrangements. Miss Alice Loop, our new director of religious education, will speak.

Nazareth Conservatory of Music announces the opening of its fall term. This school of music at 1017 Lake avenue offers both private and class instruction on all musical instruments. Class and private work in all departments of musical theory are also given as well as exceptional advantages in ensemble and orchestral work.

Students desiring to register are urged to do so as soon as possible either by applying in person or phoning Glenwood 1923.

They have an eighteen hole layout that is proving a considerable attraction to local putters. Both are salesmen at the Cunningham-Joyce Motor Corporation.

**INDOOR GOLF COURSE ON PULLMAN OPENED**

The Pullman Miniature Golf Course was formally opened last night. It is located in the old Pullman Theater and consists of eighteen well arranged holes, in a novel and interesting style. The course is of honeycomb limestone with tortex greens, commonly used on out-of-door courses. This is said to be the only course in the city so equipped.

Japanese lanterns and colored lights strung about the course enhance the garden-like atmosphere and owners add considerably also. A surprise event with prizes is to be run off each night. Free checking is provided.

## SCHRAFFT CANDIES TO BE CARRIED BY SCHULZ BROTHERS

A new candy department with an unusually large assortment of the nationally-known Schrafft's candies opens tomorrow at Schulz Bros. Coffee Shoppe, Driving Park and Dewey avenues. The assortment includes many of the candy company's specialties which previously have been on sale only in the New York and Boston stores of Schrafft's.

The appointment is an important one to Schulz Bros., inasmuch as it will place them in a class with the leading candy shops of the city. The line includes specially prepared colorful boxes and baskets of candy delicacies and gift packages. Arrangements have been made whereby the local store will have a continuously fresh supply.

## JOHNSTON BAKERY IS RE-DECORATED

Completely re-decorated, H. A. Johnston's Kleen Bakery at 1505 Lake avenue, was re-opened Tuesday after being closed for one day, Monday. To insure against any odor in the baked goods, the painting had to be done on Sundays and was completed Monday, when the store was closed.

Mr. Johnston had the walls stippled a creamy brown and the effect has been to considerably enhance the attractiveness of the store. Contrasting with the walls are the fixtures which have been done over in Nile green.

A number of week-end specials have been arranged for patrons of the store. These specials, noted in the advertising columns, are also to be available at Mr. Johnston's other stores on Dewey and Lewiston avenues.

## RADIO-VAUDEVILLE CONTEST FINAL SATURDAY; COMPETITION IS KEEN

As a climax to an interesting week of vaudeville entertainment the Liberty Theatre will stage the finals of the vaudeville and radio contests Saturday night. The difficult task of picking finalists from a talented field of entries will be completed tonight and tomorrow night and the stage will be set for the finals on Saturday.

Included in the program for Saturday night will be eight acts. Two orchestras, chosen from the five entered in the contest, will compete for the silver cup being awarded by J. O. Ledlie, jeweler.

Competition for the honors on each of the three nights so far this week has brought out an array of talent that speaks well for amateur entertainers. The judging has been close and especially difficult for the committee. The prolonged applause and enthusiastic reception greeting a majority of the acts, indicates that the audience is enjoying these eliminations as thoroughly as they would professional acts. The orchestras are well trained and any one of the three

## May Complete Dewey Within Next 10 Days

Providing weather conditions continue favorable, the contractors will be through with the repaving and widening of Dewey avenue by the end of next week. Surfacing with asphalt is expected to be underway tomorrow and the street will be opened by sections as rapidly as this is sufficiently hardened.

## Well-Known Dewey Ave. Business Man Passes

Sydney Matthews, 57, a business man of long standing in the Tenth Ward, passed away at his home, 591 Flower City Park, Tuesday. Funeral services will be conducted from the home tomorrow or Saturday with the Rev. Stanley Gutelius officiating. Burial will be in Riverside Cemetery. Mr. Matthews started in the tin-smithing business here in 1911 when he built the block at 1462 Dewey avenue. He was a member of the Odd Fellows, Masons and Foresters of America. He is survived by seven children besides his wife. They are Mrs. Z. F. Cannon; Mrs. G. Howard; Sydney C., Miss Catherine V., Albert, Warren S., and Martha B. Matthews.

## Tenth Warder Buys Parkdale Restaurant

Fred J. Walker of 106 Lapham street, well-known Tenth Warder has taken over the Parkdale Restaurant, buying out R. Dollinger who has been compelled to give up the business due to ill health. In addition to the regular restaurant service, which includes meals and light lunches, he will add a film developing service and also a laundry agency for the convenience of his customers.

## CHERRY SHIFTS TO NIGHT BROADCASTING

Walter F. Cherry, local crusader against the chain stores, is broadcasting on a nightly schedule now over WHEC. During the summer months, housewives have been accustomed to hearing his talks each weekday morning over this station.

The change to the evening hour has been made to allow more people to hear Mr. Cherry's frank discussion of the chain store system and what it means to our present economic system. From the expressions of opinion received so far, the Civic Defense Committee, which is conducting the local campaign, has been satisfied that the public is decidedly interested in the facts which are being brought to light for the first time.

On Monday, Tuesday and Wednesday evenings of each week hereafter Mr. Cherry will be heard between 7:15 and 7:30 o'clock. On Thursday, Friday and Saturday he will broadcast from 6:45 to 7.

## 24 TENTH WARDERS ENTERING U. OF R.

Included in the largest list of freshmen ever admitted to the University of Rochester are twenty-four young ladies and men from the Tenth Ward. As members of the Class of 1934, the men are the first freshmen at the river campus and the young ladies are to be the first beginners at the remodeled campus on University avenue, which has been turned over entirely to the use of the co-eds.

Seventeen local men are getting their first taste of college life this week at the new \$10,000,000 campus. They are: Ernest Lloyd Alponde, 379 Electric avenue; Elton Atwater, 156 Augustine street; Iloysius Bernard Blonksky, 14 Seneca Park circle; Edward Thomas Callahan, 520 Seneca parkway; Joseph Benjamin Cramer, 180 Birr street; Anthony Louis Dividio, 542 Lexington avenue; Donald Button Fischer, 709 Seneca parkway; Robert Irving Flemin, 390 Ridgeway avenue; Tom Jay Gorham, 16 Flower City park.

E. Cleveland Grinell, 250 Electric avenue; Robert Earl Harris, Jr., 121 Electric avenue; Thomas Francis Keyes, 105 Dove street; Frederick Samuel Miller, Jr., 547 Lake avenue; Arthur Gordon Mountain, 245 Curlew street; Edmund Henry Plant, 139 Gorsline street; Robert Schneider, 121 Santee street; Joseph Delbridge Tonkin, 50 Selye terrace.

The seven local members of the women's freshman class include: Helen Blank, 358 Flower City park; Juanita Border, 43 Finch street; Helen Haven, 16 Riverside street; Marjorie Parkes, 479 Flower City park; Hanna Pool, 312 Lake avenue; Louise Suter, 68 Karnes street, and M. Bernice Taylor, 392 Augustine street.

The Kodak Camera Club gave the last party of the season last Saturday at the Cottage on Crescent Beach. Bathing, sports, moving pictures and refreshments were on the program.

## Bowling League Starts On Monday, October 2

A bowling league has been organized among business men of Dewey avenue and will start its season on Monday evening, October 6. The league will bowl weekly on Monday nights at the Lewiston Avenue Amusement Building on Lewiston avenue, at Dewey. There will be four teams to be chosen on the first bowling nights, when a schedule will likewise be arranged.

This league is composed principally of business men from the Driving Park avenue section, who bowled on an irregular schedule last season. A group of business men in the middle section of Dewey avenue is also reported as considering the formation of a league to bowl on Tuesday night, but as yet has not organized.

## Fall-Off Club Holds Horse-Show Clambake

One thousand dollars in cash prizes were not given away at the Horse Show of the Fall-off Club of the Brookside Riding Academy on Saturday, September 13, but Joe Judge, who named the club and got out the programs, presented about a dozen ribbons to the winners. As a special award to all who took part, the executive committee arranged to have a clambake served and eaten about 6:30. For dessert the assembled horsemen and ladies were treated to a program of entertainment, movies and square dances.

The horse show in the afternoon was opened at the Latta road academy by a grand parade of 26 horses led by the ringmaster, Richard Bemish and Herbert A. Johnston. Joe Judge and Carl Barnes picked the following winners: Gentlemen, seat and hand class, Wayne DuBois; Novice saddle horses, Henry Mauer; Heavy-weight hunters, J. McDonald; Ladies' saddle horses, Miss Elsie Englert; Five-gaited saddle horses, Carl Barnes; Harness pair with lady to drive, Miss Josephine Bemish; Road hack, open, Les Bowman; Boy or girl riders, Miss Sarah Lee Williams; Combination, harness and saddle, H. A. Johnston; Hunters, amateurs, Archie Bubier; Touch and out stake, Vic Altpeter; Children's pony class, Miss Kintz.

The executive committee of the club, which is expected to become a permanent organization, is composed of the following: Carl Barnes, Richard Bemish, H. A. Johnston, John Sullivan, Donald MacKenzie, Archie Bubier, Dr. Orrin B. Weber, Ivan Kintz, Vic Altpeter, Les Bowman, Homer Strong, John Zauderbeck and Wayne DuBois.

## SEVERAL HUNDRED DOLLARS TO BE GIVEN AWAY IN DEWEY CELEBRATION

Further developments in the plans for a street dance and parade to formally open the newly improved section of Dewey avenue reveal that there will be several hundred dollars available for cash prizes to be awarded on the night of the occasion, October 15. With merchants and property owners contributing liberally, the financial report Monday night indicates that the committee will have ample funds to carry out their program to make the event one of the most outstanding carnivals Rochester has ever witnessed.

Further committee assignments were made to cover all the various phases of the event. Charles Listman was named to head the prize committee and within the next week is expected to make public announcement of the awards which are to be offered.

Mat Barry was chosen to head the decoration committee and to arrange for a suitable fireworks display. He announced that two large banners are being made and will be erected this week, one at Augustine street and the other at Knickerbocker avenue, to welcome the public to the celebration.

As head of the parade committee, George Rogers has been assigned to interest as many organizations as possible in entering floats and decorated pleasure cars and trucks. It is his plan to have the parade start at Driving Park avenue and move along Dewey to the extremity of the new street.

Burt Wallace will have charge of the details concerning the dance. He

was empowered to consider suggestions for prize dancing contests and will also make an announcement next week as to the nature of the awards.

Election of officers to conduct the meetings of the committee, to keep a record of the proceedings and to handle the money resulted as follows: Jacob Renner, chairman; Carl Ester, treasurer; and F. R. Metzinger, secretary.

As a location for the street dance, a site was chosen in the exact center of the improved section from maps furnished by the City Engineers' office. It will be between Magee and Clay avenues.

Through an error in the last issue, the name of Angelo Volpe was omitted from the list of property owners which constitutes the general committee. Besides Mr. Volpe the committee includes Harry Peters, Mat Barry, Al Mathews, Jack Coers, Charles Listman, Jacob Renner, Benjamin Cramer and Edward Kirby.

## NORMA SHEARER IN "LET US BE GAY" STARTS 4-DAY RUN AT RIVIERA SUN.

Divorce with love still lurking around the corner from the courthouse motivates the plot of "Let Us Be Gay," Norma Shearer's new Metro-Goldwyn-Mayer starring vehicle which opens a four day run Sunday at the Riviera Theatre.

Miss Shearer renders a striking performance in this delightful picture in the role of Rachel Crothers stage hit, again demonstrating her rare versatility which has carried her to new heights in talkies. Robert Z. Leonard, who filmed "The Divorcee," in which the star last triumphed, again was responsible for the direction.

Rod La Rocque plays the part of Miss Shearer's philandering-but-repentant husband and Marie Dressler is appropriately cast as the eccentric dowager who is the social vortex of a whirlpool of intrigue and gay week-ends.

Frances Marion adapted the play for the screen, adhering primarily to the original lines and situations and blending them splendidly into the demands of the screen.

In "Last of the Duanes," Fox Movietone all talking romance of the great Southwest, which shows tomorrow and Saturday at the Riviera, George O'Brien enacts the featured role of Buck Duane, hand-

some and daring young outlaw. Being an outlaw means eternal vigilance, no home, no rest, no content; always on the dodge, alone and haunted by the thought that he is a marked man.

And such was the existence of young Buck after he killed his father's cowardly assassin, but the sweetness of life comes to him finally in the love of a beautiful girl.

This thrilling Western drama is based on Zane Grey's widely read story of the same name and was adapted for the screen by Ernest Pascal. The leading feminine roles are played by Lucile Browne and Myrna Loy, with Walter McGrail also portraying one of the featured characters. Supporting the featured players are James Bradbury, Jr., Frank Campeau, Lloyd Ingraham, Nat Pendleton and others. Alfred L. Werker, who was responsible for many of the late Fred Thomson's "Westerns" directed the production.

*There Is Still Hope*

Housewives who tune in each morning on Station WHEC to hear Walter F. Cherry are beginning to understand the seriousness of the situation facing us today as a result of the growth of the chain store, or syndicate system of retail business. Mr. Cherry is being absolutely frank with the public and we believe is contributing a great service to the future of our section of the state. He is exposing the methods whereby big business has slowly, but surely, been taking the life out of the little fellows and he is proving his case as he goes along.

No one can or will deny that the chains have put a serious crimp in individual enterprise. The entry of new individuals into retail business has become less and less each year because of the fear of unfair competition as offered by the big business combinations. Without such sentiment as Mr. Cherry represents things would continue to a state wherein each individual would be forced ultimately to don the uniform of chain service if he still had the heart to continue in retail business. It is the duty and should be the pride of the public to rise up and defend the right of equal opportunity guaranteed in the Constitution, whether one possesses millions or not a penny.

This fight has just started, but the chains have been quick to realize its significance. They are spreading their propaganda and are checking up on themselves wherever criticized. In this measure at least the public is being served by a concentrated drive such as is being staged here by the Civic Defense League. But the fight will go further than this; with the aid of public opinion the anti-chain campaign will give the independent and enterprising retailer a little standing room. The independent retailer will emerge from the battle a new and more modern type, up-to-date in his merchandising and superior to the chain in many ways. The new retailer is being evolved during this campaign and when the economic battle gains momentum, America will be pleased to give him more of her patronage.

The retailers now know that the wholesaler and manufacturer have been lead, perhaps unwittingly, to favor the chains with sizeable discounts not available to the little fellow. But those wholesalers and manufacturers, who have shown this unfair discrimination are exposed. Fortunately there are enough of the little fellows left so that their combined weight is of considerable consequence. Large numbers of the wholesalers and manufacturers have recognized their error and are giving the independent a square deal and in many cases are even helping to turn public sentiment toward the individuals in business. Naturally they are receiving the support of the independents and with such a liason there is considerable hope left for American independence.

**HOPE FOR OVERWHELMING VOTE ON DAYLIGHT SAVING IN NOV. ELECTION**

Hope for an overwhelming vote in favor of daylight saving time when the matter is placed before the voters of Rochester in November is expressed by the Citizen's Daylight Saving League formed to conduct a campaign to this end.

Governor Roosevelt in Rochester recently for the Exposition and Horse Show, indicated that he might have the matter brought up for legislation before next summer with the hope of placing the entire state on a uniform basis of daylight saving time.

Following is the manner in which officials of the Citizen's Daylight Saving League sum up their arguments for the extra hour of daylight: "Daylight saving will be voted on at the election in November. It will be decided then whether Rochester is to go back to "Hick Town" status and step out of the ranks of 197 progressive Daylight Saving cities and towns in New York State.

"We can't believe the people of Rochester, the employees particularly, want to be deprived next summer of that extra hour of sunlight,

between quitting time and dark that they've enjoyed this year and which to them and members of their families has meant trips to the lake, auto rides into the country, swimming, golf, baseball, tennis—recreation, health, extra companionship, more of the real joy of living.

"We can't believe they want to see Rochester go back to where it is handicapped in its business with other cities—all those big Daylight Saving cities like Chicago and Philadelphia, Cleveland, Buffalo—and suffer the penalties of dissatisfied customers and loss of orders that give employment, keep the payroll up, put the money into the pay envelope."

The League urges all proponents of Daylight Saving to register and vote, pointing out that, no matter how strongly one favors time advancement, it means nothing unless he prepares himself to cast a ballot for it at the polls in November.

### News of the Churches

**North Presbyterian** — Cottage prayer meeting in preparation for the October evangelistic campaign in Convention Hall at which Gipsy Smith will be the visiting evangelist, was held Tuesday at the home of Mrs. Grace Escott, 342 Lexington avenue. Another will be held Friday at 7:45 p. m., at the home of Mrs. W. H. Darling, 103 Locust street.

Sunday is Rally Day in North Church. At the 10 o'clock Sunday school hour, rally services will be held in the departments of the school; at 11 o'clock the morning worship will take the form of a rally for the church and school. A service entitled "Fishers of Men" will be in charge of the pastor and the Sunday school superintendent, Miss Margaret J. Huck. All departments of the Sunday school will present their plans for progress during the year ahead. A candle light dedication of workers is a part of the program.

On Saturday the Young People's Sunday Evening Group will meet at the church at 8:30 p. m. and go to Palmer's Glen for their opening social event, a sausage roast. William Cairns is chairman of the committee making the arrangements.

**Redeemer Lutheran** — Next Sunday the Bible school will hold its annual Rally Day in the church auditorium at 9:30 o'clock. An interesting program has been arranged and all members and friends of the school are requested to be present, especially the parents of the children attending.

The Rally Day for the congregation at large is set for the first Sunday in October at which time the celebration of the Holy Communion will take place. The Order of Public Confession will be held at the same service. All members of the congregation will be expected and all friends are urgently invited. This marks the beginning of interesting and worthwhile work in the interest of Redeemer Church.

Many will remember the great work accomplished last season by the Goodwill Committee under the direction of its able chairman, Grover Cliequenoit. This committee is being again organized and a place is reserved for everyone. A meeting has been called for Monday evening, October 6. The chairman calls this "Get together and suggestion" night, and if everyone will be present and bring along his suggestions, the results of this year's committee should eclipse even last year's success.

**Grace M. E.** — Next Sunday morning at Grace Church Herbert Lansdale will speak on, "Some Sore Spots in Other Lands," and in the evening Rev. D. MacQueen, pastor of the First Baptist Church, will occupy the pulpit.

### WEDDINGS

**FRIGA-HOWIE**

Aileen Howie, daughter of Joseph and Rosalie Brown Howie, of Winchester street, was married to Michael J. Friga, son of George and Anna Brazen Friga, of Afton street, Saturday, September 6. Rev. William A. Hallock, minister of Grace Presbyterian Church officiated.

**GREENFIELD-WITHERS**

Blanche R. Withers, daughter of Alfred J. and Anna Bochine Withers, of Ridge road, was married to Roy Greenfield, son of Edwin and Annie Ward Greenfield, of Ridgeway avenue, Saturday at 11 a. m. Rev. William A. Hallock, minister of Grace Presbyterian Church, officiated at his home, 48 Austin street.

**SWEATMAN-GRAY**

The marriage of Miss Jessie A. Gray, daughter of Mrs. Isabella Gray, of Pullman avenue, and Raymond George Sweatman, son of Mr. and Mrs. R. G. Sweatman, of Rockview terrace, took place August 19 at the home in Chili avenue of Judge Willis K. Gillette, who performed the ceremony.

The bride wore a gown of blue transparent velvet with shoes and hat to match, and a shoulder bouquet of butterfly roses. Her bridesmaid, Miss Margaret L. Lyndon, a niece, wore a gown of brown transparent velvet with shoes and hat to match and a shoulder bouquet of talisman roses. Joseph L. Hockenos was best man.

After the ceremony the bridal party had dinner at West Manor. A reception followed at the home of Mrs. A. W. Lyndon, sister of the bride, and Mr. Lyndon, of Pullman avenue.

On their return from a trip to Montreal and the Thousand Islands Mr. and Mrs. Sweatman will reside at 81 Thurston road.

### CINEMA CLUB PICTURE

#### AT LITTLE THEATRE

"Terror," Rochester's prize winner in amateur moving picture contest and now national challenger, will be shown at the Little Theatre, 240 East avenue, for a week, beginning Sunday, September 28, according to the announcement of Frank J. Buehlman, president of the club.

The story is a psychological study of emotional reaction and the tragic words, "On the third day you will die," written in a joking spirit and causing the death of the victim through self induced terror, gave Mr. Buehlman, who not only wrote and directed the story, but also photographed and edited it, the opportunity to convince the public that amateurs are capable of producing pictures that are unusual and intricate and above the ordinary class of hit and miss films.

Upon Daniel Dean, who takes the leading part as a young lawyer and the excellent assistance from Howard French, who plays the role of his man servant, fall the burden of the play and they bring an almost professional finish to the portrayal of their roles.

William Cushing and Allen R. Kelly take the parts of the irresponsible friends who send the threat.

There are some unusual intricate photographic effects in the nightmare sequence in one of which four bits of dream pantomime, each involving the sleeper, are shown at the same time, while the victim is seen writhing in the throes of his terrifying dream.

All scenes were taken in Rochester and the cast is made up of members of the club.

### Increase Advertising

#### Urges Babson Expert

Now is the time to increase advertising appropriations, Ralph B. Wilson, vice-president of the Babson Statistical Organization told Rochester clients at a gathering Monday at the Columbus Civic Club.

He declared advertising today is performing an important economic function, saying that firms by advertising can perform a patriotic service from which everyone may benefit.

"It is not the lack of money but the lack of its circulation," he said. "This means that the real solution of the problem is not by reducing production of goods but by speeding up the circulation of money. This result will not be achieved by reducing wages or discharging employees, or by refusing to buy or by talking gloom."

### Pay-Your-Dues-Week

#### Is Planned By Unit

"Pay-your-dues week" is the slogan adopted by the Lake View Unit of the Home Bureau for their meeting next Tuesday. The unit will meet at two o'clock at the Dewey Avenue Presbyterian Church to outline their work for the coming year. All former members of the organization are urged to be present.

Miss Dorothy Vincent of Flower City park, daughter of Mr. and Mrs. A. E. Vincent, left Friday for Cambridge, Mass., where she will take up graduate work at Harvard University. She was graduated in June from the University of Rochester.

### "HELL'S ISLAND"

#### "BE YOURSELF" ON LIBERTY PROGRAM

The escape of an American member of the French Foreign Legion, from the penal colony at Hell's Island, and the tragic death of his buddy, in aiding his escape, form the basis for "Hell's Island," coming to the Liberty Theatre Sunday and Monday.

The Legionnaire who made his escape was known as "Griff" among his fellow prisoners and was sentenced to ten years' imprisonment on Hell's Island for assaulting a sergeant in charge of his squad during an engagement with the Bedouins.

The actual assault was precipitated when the sergeant refused to permit "Griff" to carry his wounded buddy "Mac" to the rear. Following "Griff's" commitment to Hell's Island, Mac was transferred to the penal colony as a prison guard, laboring under the mistaken idea that it was Griff who had actually shot him in jealousy over a woman loved by both.

On Tuesday and Wednesday, Fanny Brice, funnier and more entertaining than ever furnishes the show in "Be Yourself." Among the events in the rollicking, side-splitting comedy is Miss Brice's introduction of the popular song "Cooking Breakfast." It is a comedy generously interspersed with musical entertainment.

In addition to seven acts in the vaudeville-radio contest, tonight and tomorrow night, there is a screen treat in store with Madge Bellamy in "Tonight at Twelve." The picture is adapted from Owen Davis' famous Broadway stage success.

A double feature is listed for Saturday with Myrna Loy, Olive Tell and Wilfred Lucas in "Cock o' the Walk" and "Royal Romance." The radio kids club will be an added feature of the matinee and the finals of the contest will complete the evening bill.
