VAGABONDS WIN IN LIBERTY CONTEST; LOSERS CHALLENGE

A capacity house greeted the six acts of vaudeville and two orchestras in the finals of the radio-vaudeville contest at the Liberty Theatre, Saturday night, and the audience showed its appreciation of the efforts of the contestants with prolonged applause.

The two orchestras, Silver Moons and Vagabonds, each played three numbers and the audience was asked to pick the winner of the J. O. Ledlie cup, to be judged by volume of applause. The judges decided that the greater volume was given the Vagabonds, who accordingly were awarded the cup. However, the Silver Moons have protested and challenged the Vagabonds to another contest to be judged solely on a musical basis by a committee of five judges. Manager Edward C. May has consented to a return engagement on the date set by the challenging orchestra, October 15.

The first prize for contestants over 16 years of age was awarded by the judges to the Leiphon brothers, vocal duo. Second prize was given to Miss Isabelle Kimbal, ballet dance. Little Francis Favian won the first prize in the class under 16 years with her accordion. She was especially applauded for one number in which she played and danced at the same time. Edith Ziphin proved herself a capable entertainer with a selection of popular song hits and dances and took second honors.

The contest was arranged and staged under the personal direction

of Mr. May, who has attained considerable prominence locally for his ability in this type of work. The success of the contest was evidenced by the number of entries, in excess of 150, which had to be reduced to about 25 for the week of judging.

WILL ROGERS AND JOHN McCORMACK HEADLINE RIVIERA THEATRE SHOWS

One of the many hilarious scenes in the Movietone comedy, "So This Is London," starring Will Rogers, which is playing the Riviera Theater tonight, tomorrow and Saturday, is the scene in the Passport Office where Will, with his screen wife, Irene Rich, and his screen son, Frank Albertson, go through the formality of answering all questions required by the office.

Will gets along fairly well until the official demands proof of his birth.

"Say," yells Will, "down where I come from when we meet a fella we kinda take it for granted that he's been born."

With that out of the way the official demands witnesses to his birth and Will flares back:

"Well, you see my folks were plain sort of people and mother wasn't the kind to make a public ceremony over a birth. There wasn't nobody around at the time but mother and me and the doctor."

In "Song O' My Heart," his first audible picture for the screen, John McCormack, the world's greatest lyric tenor, sings eleven numbers, logically introduced in the action of the delightful lyrical romance, which comes to the Riviera Sunday for three days.

Through the medium of Fox movietone, the voice that has af-

ways been proclaimed great is considered to be made greater via the singing screen.

Of the entire repertoire, "I Hear You Calling Me," "Rose of Tralee" and "Little Boy Blue," are perhaps the most appreciated numbers.

"Little Boy Blue" is based on the poem by Eugene Field and set to music by Ethelbert Nevin. In singing "Little Boy Blue," Frank Borzage, who directed "Song of My Heart," has deftly introduced a pictorial effect of a little boy, his dog and his toy soldiers, giving an added human touch.

"I Hear You Calling Me," which is so identified with the great tenor that he rarely fails to include it as an encore during his concert programs, is a composition of Charles Marshall with lyrics by Harold Hartford. "Rose of Tralee," is a Glover-Ditson number.

A True Story

A demonstration in actual experience of the vital point which the non-syndicate store owners are trying to bring to the attention of the buying public is contained in the following story, an actual experience of a Tenth Ward resident. While it is nothing but an ordinary experience, it merits publicity.

The husband called his wife on the phone at 11:30 to inform her that he was bringing company for lunch. The company referred to was an influential business man with whom it was quite essential that the husband make a good impression for business reasons.

The wife was somewhat perturbed inasmuch as the supply of provisions in the home was not sufficient to provide the meal which she knew her husband expected. Unfortunately she had remembered too late that several bills during the current week had used up the entire week's allowance and that she was without funds. She had no charge accounts, because she was accustomed to buy for cash.

However, she dispatched her youngster to the corner store, a non-syndicate, privately owned store, where she had previously done little if any shopping. The proprietor pleased to accommodate in an emergency, accepted an explanation and promise of payment that evening and gave the youngster the supplies and the meal was ready upon the arrival of husband and guest.

"That little accommodation," said the husband, "meant more to me than all the savings I could ever have made on 'cut price.' For the first time in my life I began to think about this chain store proposition. What would have happened if that independent store had not still been in existence on the corner? The chain store manager, by the rules of his system, would have been forced to refuse that accommodation."

In the economic struggle now taking place, experience is the great teacher. This method of learning is a slow but sure one and if the independents waited long enough and still stayed in business, they would win out naturally. However, time is also to be taken into consideration and if all the retail buyers of America had to learn the bitter teachings of syndicalism by experience, independence in retail business would vanish.

They have been forced to take a militant stand to awaken the country and to confront propaganda with truth. Time will tell whether or not propaganda-drunk America will respond. We believe it will.

Lake Pharmacy Opens Its Lending Library

The lending library of the Lake Pharmacy, 588 Lake avenue, has been opened with a large selection of new books for Tenth Ward readers. Through a typographical error in their recent announcement in the advertising columns of this paper the combination of Coty's powder and vial of perfume was incorrectly mentioned Coty's powder and violet perfume.

Hetzler's Beat All-Clyde Eleven, 13-0

Playing a preliminary to the Oxford game last Sunday at Edgerton Park, the Tenth Ward Hetzlers took a fall out of the strong All-Clyde eleven by the score of 13 to 0. The winners were strong on the offense and also showed flashes of brilliance on the defense. Johnny McKague and Jimmy Farrell stood out in the backfield for the locals. The game was played before a crowd of 1500.

New Books Added At Jackson's Jewelry

The following new books have been placed on the shelves at William H. Jackson jewelry store and are available through the lending library at the store, located at Driving Park and Dewey avenues: The White Rider by L. Charteris; Emerald Trails by J. Gregory; Tender Talons by H. Martin; Jimmie Dale and the Blue Envelope Murder by F. Packard; Whirlwind by E. Early; Make Believe by F. Baldwin; The Murder of Cecily Thane by H. Ashbrook; The Strange Fig by J. Strange; Girl Alone by A. Austin; Millie by Clark; and Miss Hard Boiled by J. Dixon.

LAKE VIEW UNIT

There will be no meeting of the Lake View Unit next week owing to the fall luncheon scheduled for next Thursday afternoon at the Chamber of Commerce.

ENTERTAINS AT CLAMBAKE

Miss Mabel L. Ward, of Electric avenue, entertained the girls from the Health Bureau office Saturday at a clambake, followed by bridge, assisted by Miss Helen Sitzer. Prizes were won by Miss Minnie Kohlmetz, Miss Addie Sedgewick, and Miss Estelle Furtoss.

Harvey Johnson Basks In Atlantic City Sun

Having basked in the sunshine of Atlantic City and having paraded the boardwalk with the social elite, Harvey Johnson, Pullman avenue baker, has returned with his usual smile somewhat enhanced. Accompanied by Mrs. Johnson, Harvey spent a week at the playground, looking in at the International Bakers' Convention between dips in the ocean and quite generally enjoying himself. The water was 78 every day, he says, and Harvey brought back a few ideas which may or may not have gastronomic forebodings for his patronage.

CONTRIBUTIONS TO DEWEY AVENUE CELEBRATION EXCEED ESTIMATES

"Welcome." Two large banners one at either end of the newly improved section of Dewey avenue, bearing this greeting have been raised by the Dewey Avenue Improvement Association. The banners besides expressing the welcome of the property owners and business men also are designed to advertise the coming gala carnival on October 15, when a street dance and parade will formally open the new street.

Generous donations by property owners and business men have swelled the funds of the general committee considerably beyond their expectations and Dewey avenue is assured of one of the most colorful carnival events in its history. With added funds to work with the committee has revised its program to provide for a bigger display of fireworks and has increased the appropriation to its prize committee.

The report of George Rogers for the parade committee indicates that there will be two hundred or more entries in the parade, which will open the evening's festivities. Mr. Rogers emphasizes that the parade is open to all business houses and residents of the ward. However in order to assure themselves a place in the line of march, he requests that they call him before next Wednesday. He may be reached at Glenwood 1698. There will be substantial cash awards for decorated pleasure cars and trucks.

The surfacing of the east side of the street is nearly completed and everything will be in readiness for the celebration. Commissioner of Public Safety Donald Dailey has promised that there will be ample cooperation from his department and that the street will be roped off on one side in the section between Magee and Clay avenues. He has been requested to detail fifteen policemen, residents of the Tenth Ward, and an officer of high rank in the police department to head the parade.

A number of special attractions for the parade are being planned, further details of which will be announced next week. The full committee will have its final meeting next Wednesday evening at the Flanigan Furniture Co. annex at 1441 Dewey avenue. They are requested to be present promptly at 7:30.

GIRL SCOUTS TO HIKE

Troop 46, Girl Scouts, is planning a fire-building hike for next Saturday. Mrs. William H. Stell, troop leader, requests all scouts to meet at John Marshall High School, Saturday morning at 10:30.

Greece Post to Elect New Slate of Officers

Emmett Gallagher had low gross in the golf tournament of Greece Post No. 468 held Saturday at Westridge Golf Club. His score of 91 was the lowest.

The next meeting of the post will be held on Tuesday, October 14, when election of officers will be held. The following have been nominated: Commander, John Baybutt; first vice commander, Milton Carter; second vice commander, Norman Amos; third vice commander, V. E. Kimmel; adjutant, W. Scanlon; gnanee officer, W. E. Janes; county committee, W. Deitrich; executive committee, Lloyd Ling, J. Smith and Dr. Saunders; sergeant at arms, S. Ling. Walter Janes is the present commander.

The Greece Post territory includes a considerable portion of the Tenth Ward, having been formed before that section was annexed to the city and as a consequence many of the members are residents of this ward. Legion men of this section are invited to join.

Busy Bee Unit Meets Tomorrow Afternoon

A meeting of the Busy Bee Unit of the Home Bureau will be held Friday afternoon at 2 o'clock at the home of Mrs. Katherine Shale, 1385 Dewey avenue. All members are urged to attend as plans for the coming year are to be discussed.

"S. O. S.—SAVE OUR SUNSHINE" SLOGAN OF DAYLIGHT SAVING LEAGUE HERE

At the November elections, the question of Daylight Saving Time in Rochester will be settled once and for all. To impress on all Rochesterians the importance of their vote, the Citizens' Daylight Saving League, composed of several hundred men and women representing every walk of life, has adopted the slogan, "S. O. S.—Save Our Sunshine," and sums up the following reasons for voting "yes" in November:

More sunlight means more health. More recreation and pleasure. Fewer motor accidents. Hundreds of business hours saved. Steadier job—less unemployment. Money saved on gas, light, doctors' bills.

Daylight Saving puts Rochester alongside other progressive cities. From the standpoint of health, there is the following to be considered: The medical profession agrees that sunlight maintains health and heals and cures. Dr. George W. Goler, chief health officer of Rochester, says: "Next to food, sunlight is most essential to health. The more sunlight we have, the less light we are compelled to use. The more sunlight we have, the more health." Why not have that extra hour of sunlight?

To the man of the house, and his wife and children who depend on Rochester's business to fill his weekly pay envelope, the League points out the following facts:

When Rochester is on old-fashioned Standard Time and the rest of the cities on Daylight Time, an immense amount of confusion and delay results on service and deliveries of goods, telephone and telegraph communication. Dealers and branches of Rochester firms are out of contact with Rochester for four hours each day—one hour in the morning, one hour while Rochester is at lunch, one hour while the other city is at lunch, one hour in the evening. Multiply those four hours

by 150 working days, and you have 600 hours of time lost by not having Daylight Saving. This loss must vitally affect Rochester business, and cause part-time work and unemployment.

Civic pride alone should make every resident of Rochester anxious to keep this city on a par with other progressive communities. Every important city and town in the State of New York, including the entire metropolitan area of New York City, comprising a population of 7,000,000 people, has adopted Daylight Saving as a permanent measure. What a shock it was last spring to find that the great radio programs of the nation had advanced to Daylight Saving Time, leaving Rochester confused and embarrassed with its Old Time.

This past summer gave Rochesterians a real idea of how Daylight Saving works for their pleasure. There was time for many things they could never do under the old system. Consideration of these facts, plus actual experience with the benefits of Daylight Saving time should produce the motive power necessary to carry Rochesterians to the polls in November with a determination to vote "yes" on this question.

Registration days are October 10 and 11; October 17 and 18. Citizens must register on one of these dates in order to be able to vote November 4th, either on candidates or on Daylight Saving.

LARGE VARIETY OF GOOD SHOWS COME TO LIBERTY SCREEN

Mary Nolan, the screen's exotic beauty, comes to the Liberty Theatre tonight and tomorrow in "Young Desire," Universal's poignant dialogue drama of the struggle of a girl for her soul.

Miss Nolan, whose rapid rise to stardom has been one of the sensations of the motion picture world, appears in a role ideally suited to her talents. She plays the part of a dancing girl with a cheap carnival, who, imbued with a love for finer things, rises above her environment only to find the shadow of her past stretching across the road to happiness.

Twenty chauffeurs' uniforms were ordered for Reginald Denny's newest starring picture for Sono-Art, "What a Man!" coming on Saturday, as props for the talkie. The story of this comedy drama concerns a well-meaning, wealthy woman whose hobby is starting tramps on the road to respectability. In Denny's case she decided to make him the family chauffeur, discharging the holder of the position. Hence the need for the uniforms.

"Buddy" Rogers, that charming young fellow who is the idol of mothers, fathers, brothers, sisters, wives, aunts and sweethearts, works his talking-screen alchemy in "Safety in Numbers," and thereby puts pulsating joy in the hearts of his audiences.

"Safety in Numbers," coming to the Liberty Sunday and Monday, is as close to amusement perfection as a talkie single could ever be. It has everything—plus Mr. Rogers, who seems to have more than that.

Playing "on the road" in Los Angeles is the sure method of obtaining entree to the movies, according to Regis Toomey, popular featured player whose latest talkie appearance is with Edmund Lowe and Marguerite Churchill in "Good Intentions," the Fox movietone drama showing Tuesday and Wednesday.

Toomey, who scored in "Twinkle Twinkle" and "Hit the Dec," on Broadway, made several tries in film work while in New York but failed to win over any producers to the view that he would be a good screen bet. While on the road with a touring company of "Hit the Deck," however, he appeared in Los Angeles and was immediately spotted as a promising candidate for picture honors.

The axiom, "Not how much you
earn, but how much you save," may
be extended to read: "Not only
how much you save, but how wisely
you invest your savings." Every-
one who turns the corner with
money saved is confronted by three
roads upon which to send it. The
first is investment; the second, specu-
lation; the third, fraud. Guides in
plenty stand at the beginning of all
three roads. The greatest outside
pressure will be brought to place
your money in highly speculative
or fraud "opportunities." The same
will-power which enabled you to
save money should now be applied
to determining your own investment
plan and sticking to it. It is your
money, and it should be handled
in accordance with your plan.

FACTORY WORKERS CAST VOTES FOR DAYLIGHT SAVING IN STRAW POLES

Daylight Saving is of vast importance to the business of New York City. It has been tested and not found wanting. Rochester should maintain it during the summer months not only for health reasons but to synchronize the business hours of banks and all trade and manufacture. It is not only desirable; it is essential to the average business man and employee and those dependent on him.

That is the opinion of S. Christie Mead, secretary of the Merchants' Association of New York City, in a recent communication to the Citizens' Daylight Saving League.

"The Merchants' Association of New York, whose 7500 members are broadly representative of finance, commerce and the professions of the City, has vigorously advocated the observance of Daylight Saving from the moment that that measure was proposed, an economic advantage during the World War," he states. The matter of Daylight Saving, according to the Citizens' Daylight Saving League, is assuming widespread proportions. It is not merely to be considered from the angle of a few mothers whose children do not wish to go to bed, but from the point of view of the breadwinner on whom both mother and child are dependent.

Employees in general see the business necessity for Daylight Saving Time, the League points out, and backs up its statement with a few salient acts: Ninety-seven per cent of the members of the Rochester Purchasing Agents' Association have declared themselves in favor, according to the "Genesee Valley Buyer," publication of the association.

The Rochester Ad Club has endorsed it by a straw vote of 284 to 42. Ninety per cent of the employees of Hickok Manufacturing Company want it as a permanent feature. Todd Company employees are for it 9 to 1. Bausch & Lomb Optical Company employees are for it 3 to 1.

A large majority of the employees of the John P. Smith Printing Company and the Rochester Germicide Company have indicated their intention of voting "yes" on Daylight Saving at the referendum on Election Day.

Mr. Mead advocates Daylight Saving for Rochester "to offset the difference of an hour in the daily business period which formerly existed when Rochester followed Standard Time throughout the summer months." This difference, he points out, would exist between Rochester and practically every one of the cities and larger towns of New York State, New Jersey, Massachusetts, Connecticut and Rhode Island, and many large cities in other states and Canada.

If the people in favor of Daylight Saving will get out and vote, there is little doubt as to the favorable outcome, the Citizens' Daylight Saving League believes. But in order to express their preference November 4th, Rochester citizens must register October 10, 11, 17 or 18.

Lefty Grove Tests Out Glass With Speed Ball

One of the most remarkable demonstrations of the security and strength of safety plate glass, which is used throughout all Graham sixes and eights, was given recently, when Robert Moses (Lefty) Grove, star pitcher of the Philadelphia Athletics, shot his fastest speed ball from close range at several panes of Libbey-Owens-Ford safety plate glass, in an effort to get the ball through the glass.

Using an ordinary league baseball, Grove, who throws the fastest ball in both major leagues, tried to hurl the sphere through a sheet of standard safety plate glass but without success.

Taking a position only a few yards from his target, Grove hurled the ball on three different occasions, hitting his mark beautifully each time, but failing to get the ball through the glass. While all three panes of safety plate glass cracked evenly, there was no flying glass nor harmful splinters to injure the onlookers who witnessed the exhibition.

In a similar test which followed, using the ordinary plate glass, Lefty's smoke ball followed through, sending a shower of glass in all directions.

Grove's performance demonstrates conclusively that occupants of an automobile equipped with safety plate glass stand little or no chance of injury from flying glass fragments in the event of an accident.

"Accident records show that 65 per cent of all motor car injuries are caused by flying glass, a danger which has been long recognized by the Graham-Paige Motors Corporation, and accounts for its installation of safety plate glass in all windshields and windows of Graham cars as an added protection to car occupants," says John Markham of Markham's Garage, 1685 Dewey avenue.

LEXINGTON SCHOOL NO 34

In connection with the center of interest for their grade, the pupils of First Grade A had a splendid excursion on Tuesday, September 30. They took a trip to the farm of C. L. Ellis of Brockport. Much of the pleasure and profit of the excursion was due to the kindly interest and courtesy shown by Mr. and Mrs. Ellis to their small visitors. With their usual kind cooperation, the parents of the children of No. 34 School again demonstrated their desire to aid the school in carrying out its activities. The following parents furnished transportation for the class: Mrs. Alter, Mrs. Swartz and Mrs. Wild. The trip proved of much profit and pleasure and the work of the grade will be greatly benefited by it.

On Thursday, October 2, the Fourth Grade B took a very enjoyable trip to various points in Rochester in connection with the study of their center of interest, which is "Our City." hardly be possible in this article. Not all the cars were decorated, but the originality and artistic workmanship shown on at least a dozen of the entrants gave the judges a busy half hour of discussion before they could finally pick the winners. (The winners will be found in another column.)

Crowd Enthusiastic

A large percentage of the crowd was concentrated between Magee and Electric avenues near the Reviewing Stand and as newcomers continued to pour in, the outer rims on each side came closer together and by the time the parade arrived police had literally to forge a path through the throng. Between exclamations of "oh's" and "ah's" the crowd reached for samples of bread and cheese and balloons and other sundry articles distributed freely from cars in the parade.

Hastily constructed refreshment stands could scarcely keep up with the demand for their products and popcorn and peanuts, balloons and toy gadgets found numerous buyers. A group of clowns under the direction of Burton C. Wallace, three bands, a fife and drum corps, a boy scout drum corps and two or three musical groups together with a "fresh-air taxicab" added considerable entertainment to the long parade which took over thirty minutes to pass the Reviewing Stand. Thirteen scout troops representing the Blackhawk Division marched behind Commissioner Chas. W. Legg.

Street car traffic came to a halt about 8 o'clock and for over three hours passengers either had to walk and board another car beyond the celebration area or take one of the buses which were detoured by way of Raines park.

Following the parade, police worked for about a half hour to clear a space for dancing. While preparations were being made to start the dance Chairman Jacob Renner attempted a one-minute speech over a special broadcasting apparatus arranged by the Atwater Kent distributor and Jack Coers. However, Mr. Renner's thanks to the people for attending, to the city officials for their co-operation, to the contractors for their efficient workmanship and to the committee for its efforts were practically lost in the din.

GOLFERS CLAMBAKE HELD "IN THE ROUGH"

Members of the Ridgemoor Golf Club and their wives were treated to a clambake Sunday afternoon out in the open just off the fairways of the course. The meal was served in a wooded patch by Oscar Hoffman under the direction of Chris Zerlin, who was in charge of the arrangements, and was said to be one of the most enjoyed occasions ever held by the club.

Election of officers for the coming year will take place on October 28. The polls will be open from 4 until 9 o'clock during which time members will be expected to cast their ballots.

Mr. and Mrs. Arthur Jackson and sons, Harry and Harley, of Syracuse, and Harry Young, of Lyons, were week-end guests of Mr. and Mrs. M. C. Frederick, of Lapham street.

After a motor trip Mr. and Mrs. Minges will reside at 628 Dewey avenue.

per hour and Friendship Circle following supper, Loyalty Circle meets weekly on Mondays and Friendship Circle monthly, the second Monday of each month. Friendship Circle members are now at work painting chairs for the Nursery Class which is taught on Sundays by one of their members, Miss Ruth Beldue. They are also collecting worn silk stockings which they will send to the women of Dr. Grenfell's mission in the Labrador, where they will be used in rug making. Any one having silk stockings, however badly worn, which may be used for this purpose, is asked to telephone to the church office (Glenwood 921) and some one will call for them.

A large group of North Church young people attended the Gipsy Smith meeting at Convention Hall last night.

A farewell reception will be given tomorrow night at the church for Dr. and Mrs. Kennedy, who are leaving to take up their work in the First Presbyterian Church of Ft. Myers, Florida. All friends of Dr. and Mrs. Kennedy are invited to attend the reception.

On Monday, October 20, the Sunday School teachers and officers will meet in the Parish House for their regular business and conference. The topic of the meeting will be "A Survey of Our Needs."

Redeemer Church

The ladies of Bethany Guild will hold one of their famous suppers at Parish House, Dewey and Knickerbocker avenues from 5 to 8 p. m. Wednesday, October 22. Tickets are 50 cents each.

The menu consists of sauerkraut, fresh ham, or weiners, vegetables, bread and butter, coffee and dessert. Mrs. Carl Knitt, of Bidwell terrace, is chairman and that means a good supper.

The guild will hold a rummage sale in the near future. Any one having any articles to give away is asked to call Rev. Wm. Long Dowler, Glenwood 5360, or Mrs. Grover Celicqueno, Charlotte 418-J, and some one will call for the articles.

LEXINGTON SCHOOL NO. 34
The soccer team of No. 34 School has played two games this season. The first with No. 30 team resulted in a score of 2-0 in favor of No. 30. The second on Tuesday, October 7, with No. 6 School, resulted in a score of 6-0 in favor of No. 6. In the matter of banking the Fifth Grade still has the highest record for per cent of pupils banking, but some of the other grades have shown improvement, so that we hope to have several 100 per cent grades soon. The attendance record for the week of October 6-10 showed the 6A Grade to have the best record of attendance with six cases of absence and the 4A and 5A Grades show the best report in the matter of punctuality with no cases of tardiness in either grade. The first general assembly of Lexington School No. 34 was held on Friday afternoon, October 10. The program was in commemoration of Columbus Day, and was as follows:
Songs 6A Grade
A Columbus Day Play Grades 5A and 4A

JEFFERSON JUNIOR HIGH
Jefferson Junior soccer eleven defeated the new Benjamin Franklin outfit with a score of 2 to 0. This is Jefferson's fourth game this season. They have lost one, tied one and won two. Coach Brice and Captain Tom Rocco worked with about twenty-four men. Robert Ulrich, of Jefferson pushed through the first goal for a lead in the last few minutes of the play in the first quarter. Curtice, a fast wing, showed plenty of scrap and did some fine kicking to help his team. Jefferson will play Monroe Junior High School today to start the second loop of playing.

HUMOR

Husband: "If a man steals—no matter what—he will live to regret it."
Wife (sweetly): "You used to steal kisses from me before we were married."
Husband: "Well, you heard what I said."
"So your son got his B. A. and M. A.?"
"Yes, indeed, but PA still supports him."
Romiet: "So we shall elope at midnight."
Julie: "Yes, darling."
Romiet: "And you will have your suit case all ready when I sneak up to the door?"
Julie: "Sure. Mother is packing it for me now."
A farmer received a crate containing some fowls. He wrote to the sender, informing him that the crate was so badly made that it had come to pieces when he was taking the hens home with him and they had all escaped, and, after much searching, he had only succeeded in finding eleven of them. In due course he received the following reply:
"You were lucky to find eleven hens, because I only sent you six!"
Waiter: "Sorry, but we have no grapefruit this morning."
Diner: "That's all right. Just bring me a wet sponge and a spoonful of quinine."
A committee of five usually consists of the man who does the work, three others to pat him on the back, and one to bring in a minority report.
Teacher: "We should never be discouraged too easily. Look at Napoleon. He would stop for no obstacle, he refused to be turned aside by anything but kept on relentlessly to his destination. And what do you think he became?"
Pupil: "A truck driver."
A grumpy old cynic in church said when the collection was passed to him: "Not a cent; I don't believe in missions."
"Then," said the usher, "won't you take something out? It's intended for the heathen."
"Does your husband try to understand you?"
"Yes, indeed. He always asks twice when I tell him what I want."
Man at the gate to little boy: "Is your mother home?"
Little Boy: "Say, you don't suppose I'm mowing this lawn because the grass is long do you?"

DRIVING PARK AT DEWEY AVENUE

**Y. M. C. A. "DERBY" OFF WEDNESDAY
IN ANNUAL MEMBERSHIP CAMPAIGN**

Air derbyists will take off October 22 in the drive to get members for the Y. M. C. A., according to Harper Sibley, director of the fleet of lighter-than-air and heavier-than-air ships which will enter the fourteenth annual Y membership drive. All of the 52 ships entered in the derby will leave Rochester's airport at 6:30 o'clock October 22 and set as the goal for their first day's flight the municipal airport at Houston, Texas. From there, they will fly to Los Angeles, and from there wing their way home with a full cargo of new members for the Y. In this novel race, each member added to the Y will count as miles towards the goal in the coast to coast flight. Mr. Sibley, general chairman, will be known as derby promoter of the race; Frederick L. Higgins, assistant derby promoter; S. Wirt Wiley, general secretary, as flight commander; Frank E. Gugelman, campaign manager, as navigator; Melvin M. Swartz, membership secretary, as weatherman; and C. E. Cline, business secretary, as pursuer. The publicity committee, headed by Albert T. Stewart, will be known as trail blazers. Six divisions of airships will enter this race: American dirigibles, foreign dirigibles, National Air Transport company planes, Transcontinental Boeing Air Transport company planes and Colonial Airways Corporation planes. The pilots and crews of the dirigibles will canvass only industrial concerns for their members. Over each of the six divisions will be placed a commander, assisted by a "Y" secretary, known as chief mechanic. In charge of each of the ships in the six divisions will be captains known as pilots, assisted by the members of their teams, known as the crew. But not satisfied with names alone, campaign workers will dress the part. Pilots will wear helmets and goggles; the crew will wear helmets, and officers and crew of the dirigibles will wear gayly colored hats with the names of their dirigibles printed in large letters. The commanders of the six divisions are: Guy E. Manley, American dirigibles; Alexander K. Dean, foreign dirigibles; E. Reed Shut, National Air Transport company; G. Charles Dengler, Transcontinental Air Transport company; Herbert W. Brigham, Boeing Air Transport company; and J. Mercer Brugler, Colonial Airways Company.

TERMINAL BARBER SHOP IS REMODELED

Witzel, formerly of the Sophia Beauty Parlors of New York City, specialist in ladies' hair cutting.

GUNKLER-BRYAN

The marriage of Miss Marion Winifred Bryan, daughter of Mr. and Mrs. Arthur Bryan, of Birr street, to G. Theodore Gunkler, son of Mrs. Alfred C. Gunkler, of St. Paul boulevard, took place last Tuesday night at 7 o'clock in Brick Presbyterian Church with the Rev. Dr. Stanley F. Gutelius officiating.

The bride was given in marriage by her father. Palms and cyclotium ferns with chrysanthemums decorated the church and seven branched candelabras were placed at either side of the altar. Kenneth Mook sang "Because" and "I Love You Truly."

The bride's gown was of old ivory transparent velvet in classic style. Her tulle veil was worn with a cap and caught with orange blossoms. She carried a bouquet of calla lilies.

She was attended by her sister, Miss Elsa Bryan, as maid of honor, who wore a gown of tiger lily transparent velvet and carried a bouquet of cactus dahlias in light autumn shades, tied with ribbons to match.

The bridesmaids were Miss Elsie Gunkler and Mrs. Ray V. Hickman, of Detroit, Mich. They wore gowns of copadi transparent velvet and carried cactus dahlias in darker autumn shades tied with wide ribbons to match. Billie Weegar was ring-bearer.

The bride's mother wore jade green crepe and had a bouquet of orchids and lilies of the valley. Mrs. Gunkler, mother of the bride-groom, wore a gown of green lace and a bouquet of orchids and lilies of the valley.

Oscar Gunkler, brother of the bridegroom, was best man and the ushers were Fred Weegar, Stuart Howk, Charles Senfert, and Earl C. Bryan.

A wedding dinner and reception at 17 Sibley place followed the ceremony.

JOHN MARSHALL HIGH

Coming events are as follows:
Oct. 23—Student Elections.
Oct. 25—11-2 Halloween dance.
Oct. 28—French Club banquet at South Congregational Church.
Oct. 29—Soccer, John Marshall vs. Canandaigua at Canandaigua.
Oct. 30—Literary Club meeting.

The girls as usual have the edge over the boys in scholarship. The boys are represented with only ten of their number securing the necessary B's and A's to put them on the Honor Roll. This is 2% of their total number. The girls have 6%, with thirty-six on the list. The honor homerooms were 204 with seven girls on the Honor Roll and six on the Honorable Mention, and 102 with five girls on the Honor Roll and eleven on the Honorable Mention.

The third meeting of the Literary club was held at the home of Donald Barron, Electric avenue. Plans for the coming year were discussed. In the way of entertainment several popular poems were read to the members.

Banking under the leadership of Charles Miller, Haywood Dewey, and Chester Turner has increased its scope this year. On the second week \$180 was recorded by those in charge and over 50% of the students banked. The school has not yet, however, equalled the standard of twelve 100% home rooms and 70% of the students

banking that was established in the spring of 1928.

The Jo-Mar staff plans to tour the Times-Union printing plant Saturday morning, October 25, at ten o'clock. Miss Caro FitzSimons will be the faculty attendant.

The French Club held its second meeting on October 8, at the home of Mrs. Maude Baker, the faculty adviser. One new member was initiated much to the interest of other members of the club.

The tournament for the Beecher tennis trophy is now nearly finished. Only three players are left. They are Meyerhoff, Young, and Kinsella. Meyerhoff will play Young in the semi-finals. The winner of this match will play Kinsella for the championship.

JEFFERSON JUNIOR

Last Thursday J. J. H. S. soccer team defeated Monroe Junior High School soccer team with a score of 4 to 1. Johnson made the first goal and shortly after a second goal was made after a bit of kicking in front of the goal. Curtiss came through with a boot to get two more goals for Jefferson and then Monroe booters shot a goal past Capt. Tom Rocco to make the score 4 to 1, and give the yellow and blue players a 4 to 1 victory. Jefferson suffered the loss of George Horne, a snappy center.

The yellow and blue Jeffersonians on Tuesday tied for the second time the strong blue and orange team of Washington. This game was played close and fast. The Jeffersonians played with a new goalie, George Beane.

News of the Churches

Grace M. E.—The young people of Grace Church are planning a Halloween Party at the Maplewood "Y" this coming Saturday evening, November 1st at 8 o'clock. A fine time has been arranged for by the committee. It is a costume party.

On Thursday evening of this week the Girl Scouts are holding their Annual Halloween Party in the "Gym" of the Church. It will be a costume party and every girl will come masked. Mrs. Clara Lee Lockwood and Mrs. Francis have charge of the group. The patrol leaders—Margaret Lapp, Norma Doell, Patricia Ross and Ruth Gregerson, head up the committees for the party.

The Primary Department of the Sunday School are holding a Cooked Food Sale at 1280 Dewey avenue, near Magee avenue, this Saturday, November 1st.

Foods of all sorts will be on sale. Next Wednesday evening, November 5th, the first monthly Fellowship Supper will be held at the church. The Maplewood Chapter under the leadership of Mrs. Frank J. Kinney, have charge of the supper. Dr. Clarkson will lead in the devotions. This will be known as Church Night when all the organizations of the church will meet for their monthly business meeting. Every one is invited.

Redeemer Lutheran—At last Sunday's service Boy Scout Troop No. 83 attended in uniform. The Scoutmaster, Geo. Brandt, made a fine response in appreciation of the special service in the troop's honor and a special donation was made by the troop to Redeemer Church as a token of its loyalty.

After the regular service, the ordinance of Holy Baptism was administered at which a number of infants were received into communion with the church.

Pastor Dowler's sermon was filled with great force and meaning to Redeemer congregation as he pointed out to them the pitfalls of the modern church and urged all in times of difficulty or distress to pray more, worry less, try with all their might and trust confidentially in the outcome on the promises of God's Holy word.

Tomorrow, Friday evening, at 8 o'clock the Goodwill Committee meets again with an increased membership. The chairman, Mr. Grover Chicqueno, has placed in operation the policy of assigning short talks of timely interest to Redeemer Church to several members at each meeting in turn, followed by a general discussion. The meeting last Friday evening consequently was of unusual interest and fruitful results.

School News

LEXINGTON SCHOOL No. 34
A posture campaign is being conducted among the pupils of No. 34 School. Each pupil wears a tag which he may wear until he loses his good posture. The contest will continue for four weeks at the end of which time a list will be kept of those who have not lost their tags. The attendance for the week of October 20-27 showed a decided improvement. The 6B Grade had perfect attendance with no absence and no tardiness. The 6A Grade and the 5A Grade had no tardiness and only one day of absence. Thursday was a red letter day for No. 34 School. Only one person was absent in the entire school.

Monday, October 20, was a record day in banking for No. 34 School. There were 15 new bankers and the amount banked was the largest for this term. The 5B Grade still has the 100 per cent record and the 5A Grade banked the largest amount.

On Monday morning a special assembly was held at which a family from Holland entertained the pupils with songs, dances and descriptions of Dutch life.

On Tuesday afternoon, the members of the Boys' and Girls' Clubs held a Halloween party in the Assembly.

To be on the Honor Roll at No. 34 School, a child must have on his report card an "A" in Citizenship and an "A" in Health and an "A" or "B" in Reading and Spelling, and with nothing below a "C" on the card. The following have qualified for Honor Pins for the first seven weeks of school: Sixth Grade A, Albert Pschirrer, Sarah Magee, Enes Novelli, Wilma Strain, Blanche Kaiser, Leona Welch.

Sixth Grade B, Katherine Lapham, Fifth Grade A, Benjamin Masseh, Mary Elizabeth Heffron, Helen Kelly; Fifth Grade B, Arlene Wild; Fourth Grade A, Robert Beyer, Phyllis Axon, Eleanor Rambert; Fourth Grade B, Earl Barrett, Roy Kern, Robert Millard, William Pum, Ronald Sharpe, James Thompson, Norman Townsend, Thunselda Eichel, Helen Gavitt, Betty Lowe, Lucille Palmer, Joyce Sequin, Mary Ella Wagar; Third Grade A, Janes Fishbaugh, Elizabeth Gray, Eloise Grimes, Elsbeth Ulmer; Second Grade A, Harold Glenn, Charles Legg, Martha Beldue, Mary Louise Beyer, Florence Christoff, Margaret King, Jean Moore, Jean Myers, Evelyn Orman, Eleanor Parkhurst, Thelma Twardokus, Jean White; First Grade A, Donald Aldinger, Howard Hoesterey, George Livingstone, Robert Rutz, Lee Shannon, Shirley Berner, Betty

LAKEVIEW SCHOOL No. 7
The 4A-5B are enjoying an exhibit of rocks loaned to them by the Municipal Museum. Specimens of shale, limestone and sandstone are interesting. The class hopes to find some samples of their own as a collection for the school.

Last Friday the 5B and 5A class went down to see pictures on shaft mining.

The girls in Miss Langham's class had perfect attendance for the last four weeks. These girls are trying to have as good attendance in the next four weeks.

Last Thursday and Friday Miss Langham's class made Halloween posters. We hope there will be some nice enough to put on the bulletin board.

KODAK SCHOOL, NO. 41
The Parent-Teachers of No. 41 School have completed plans for their Halloween Party tomorrow night at 95 Rand street and expect a big turnout. The affair will be in the form of a masquerade with dancing and card playing for entertainment.

Mrs. Arthur Lohwater of Augustine street is chairman and Mrs. Merton Frederick of 29 Lapham street is in charge of ticket sales. Proceeds will be used to purchase pictures for the walls of the school kindergarten.

PLAN MEETING FOR PARENTS AT NO. 41

Dr. Hazel Cushing will be the speaker at a special meeting of parents of children attending No. 41 School next Thursday evening, November 13 at 8 o'clock. Her subject will be "What About Our Children?" Miss Harriet Ahlers will talk on Parental Education and Principal Densmore will outline a curriculum.

Both mothers and fathers are urged to attend the meeting, as it is being arranged by the school authorities in the interest of co-operation between parents and teachers. Preceding the talks, there will be a business meeting at 7:30 in Room 204.

LAKE VIEW UNIT OF HOME BUREAU

The regular meeting of the Lake View Unit will be omitted Tuesday, November 12, this being the second Tuesday in the month, which date is set aside for any activity agreed on by the members.

A card party is scheduled for that date to be held at the home of Mrs. R. J. Phelan, 489 Avis street. All members and friends are invited to attend.

Ray Defendorf Walks 14 Miles; Hunts Deer

Ray Defendorf, Ridge road garage man, is one of a party of six who left Saturday on a hunting trip in the Adirondacks to be gone about ten days. One of the features of their trip will be a 14-mile trek on foot after they park their cars in the neighborhood of Inlet. Although the long jaunt through the woods on foot may be somewhat of an accomplishment, it is open to conjecture as to just what re-action Ray or others of his party may have if they are fortunate enough to bring down some game and then have to bring it back 14 miles on foot.

FOUND

A platinum wedding ring was found in the H. A. Johnston Bakery at 827 Dewey avenue. It is engraved in a design that indicates it was done in either Canada or England. Owners may have it by identification at the store.

A child's cape was found the night of the street dance and celebration on Dewey avenue. It may be had at Renner and Henry, plumbing shop, at 1312 Dewey avenue.

To the Man With a Job!

Since when has it been against the rules to call a spade a spade? . . . Does the nation that gave us Davy Crockett, Sam Houston, Corporal York, Lindberg and Dick Byrd suddenly have to have its facts sugar-coated? . . . Who cares whether this thing we have just been through was an "economic depression," the fag-end of some new-fangled "cycle," or just a plain, old-fashioned "panic"?

Poor old crushed America—with her more than twenty million bright, shiny automobiles crowding one another into the curb, her spotless white yachts from Bar Harbor to Biscayne Bay, her banks bulging to the popping point WITH MORE ACCUMULATED SAVINGS THAN THE WORLD EVER SAW IN ANY ONE COUNTRY AT ONLY ONE TIME. Awful, isn't it? Save your pity for a nation that needs it!

HERE ARE THE FACTS: Come last October, one "Black Friday," some one (probably the wise hand of Fate) pulled the rug out from under us and spilled the wildest speculative party in all history. Fortunes, actual or otherwise, melted away like butter on a hot stove. Millionaires of the morning walked home that night on their uppers and, naturally, there was a wail.

New York shut down on Podunk!

The Podunk First National called Bill Smith's loan!

Bill Smith shut down his cotter pin factory—and the following Saturday Elmer Jontz and John Brown got the "blue ticket."

Down at the corner store cobwebs started cloggin' the cash register. Factory inventories froze up. Salesmen came in off the road with empty order books.

AND MORE GOLF BALLS WERE SOLD IN SIX MONTHS THAN WERE EVER SOLD BEFORE IN ANY TWELVE MONTHS' PERIOD IN THE HISTORY OF THE COUNTRY.

Call it a "panic" if you like—but it ended the high cost of living. NEVER IN YOUR LIFE—PROBABLY NEVER AGAIN—WILL A DOLLAR BUY AS MUCH AS IT WILL RIGHT NOW.

Is the old radio out-of-date? Get a new one. It's cheaper now to make a trade-in and pay the cash difference than to drive the old car. How about a new rug for the living room? A new clock for the mantel? The fall clothes your wife would like? Silk step-ins for little Emily? A place at Palm Beach? Flying lessons for Frederick (you can't keep him on the ground anyhow)? Even if it's only a box of aspirin or a pack of razor blades—whatever it is you need or want—be smart and buy it now! The stores of this city were never so full of real values. Go shopping tomorrow and see for yourself. Meanwhile, look over the advertisements. Every store in town right now is a shopper's paradise.

BUY WHILE THE BUYING'S GOOD!

GIVE PARTY

Members of the Bill's Class of Grace M. E. Church gave a Hal-lowe'en party for the little children of the Italian Methodist Church last Saturday at the church on North street.

TENTH WARD GIVES EDGE TO ROOSEVELT OTHERWISE IS G. O. P.

The Tenth Ward joined the rest of the County and States in rolling up a sizeable plurality for Governor Roosevelt and a smaller although decisive margin for Lieutenant-Governor Lehman. In other respects however, the ward was normally Republican and gave a plurality to all other G. O. P. candidates. Governor Roosevelt polled 5726 votes here as against 3519 for Mr. Tuttle.

The Tenth Ward helped Congressman Whitely to re-election by giving him a plurality of about 1300 votes. Twenty-four districts of the ward gave Assemblyman Richard L. Saunders a like plurality to aid his re-election in the Fourth District. State Senator Slater was about 1500 votes ahead here in his successful campaign; Assemblyman Austin, re-elected, was given 471 votes to Wright's, Democrat, 477.

DEER HUNTING IN ADIRONDACKS

Jack J. Royle, Joseph Corrigan, Frank Corrigan, John Corrigan, Harvey Davison, Ellsworth Makin, Edward Cox, Edwin Engle and Ottman Schmanke left Friday evening on a two weeks' hunting trip in the Adirondacks.

"Hell Harbor," "Big House," Featuring Liberty Programs

Featured players and extras of "Hell Harbor," the United Artists' all-talking picture starring Lupe Velez which plays at the Liberty Theatre tonight and tomorrow, made generous use of armbands and bandages as the result of a free-for-all which is part and parcel of one of the big climaxes in the production. The picture was taken at Rocky Point, one of the most picturesque spots in the Floridan everglades.

Many Tampons who had been agog with excitement at the prospect of having a film company in their midst, contrived to get themselves cast as extras in the big dance hall scene where the catch-as-catch-can battle took place. Despite bruises and cuts none of them has lost any enthusiasm for picture production.

"The Sea Bat," Metro-Goldwyn-Mayer's marine drama, will run Saturday with a cast which includes Raquel Torres, Charles Bickford, Nils Asther, George F. Marion and John Miljan.

This is the much-heralded Wesley Ruggles production filmed at the sponge and pearl diving seaport of Mazatlan on the southern coast of Mexico.

Another chapter of the serial film "The Lone Defender" with Rintintin is an additional feature, to-

gether with a cartoon, comedy and musical novelty are added features. "The Big House," Metro-Goldwyn-Mayer's much heralded drama of penitentiary life and prison riots, is the attraction which will be featured Sunday and Monday.

The picture is a sensational expose of the cause leading to recent prison riots, climaxed with an actual riot in which a hundred men battle. Prisoners in revolt are besieged in a cell house, where they kill guards and drop them out one by one until quelled with army tanks. As a contrast a romantic love story is woven into the grim tale.

Chester Morris, Wallace Beery and Robert Montgomery play the three central roles as the convict cell mates, and Leila Hyams appears as the heroine, whose love eventually redeems Morris. A talking comedy, news events, and cartoon are also on the program.

MAGIN — BURNETT

The marriage of Helen E. Burnett, daughter of Mr. and Mrs. William Burnett of Robin street, and Albert F. Magin, son of Mr. and Mrs. Michael Magin of Campbell park took place on October 14 at Holy Apostles Church. A double ring ceremony was used. Rev. John J. Nelligan officiating.

The bride who was given in marriage by her father, wore white taffeta and a tulle veil with cap and carried a prayer book with a spray of lilies of the valley. Miss Dorothy Dries, maid of honor, wore pink taffeta, princess style, with blue hat and pumps to match and carried an old-fashioned bouquet.

Andrew Hickey was best man and Raymond Senz and Edward Fredericks were ushers. Following the ceremony a wedding breakfast was served to 40 at the Alexandria.

Prenuptial events were given by Miss Mabel Demchock, Mrs. C. Oberlies, Miss Betty Skinner, Miss Hazel Harper, Mrs. M. Magin, Mrs. G. Geimer, Miss Dorothy Dries and Mrs. A. J. Hickey.

Mr. and Mrs. Magin have returned from a two weeks motor trip through Canada and are residing in the Chili Apartments on Chili avenue.

HUMOR

A youth with hollow eyes and all the earmarks of Having Been Through It stepped into the drug store.

"I'd like some carbolic acid, please," he said, "to drink at the counter."

"Good heavens, sir!" the clerk ejaculated. "Do you wish to kill yourself?"

"Kill myself, nothing," retorted the young man aggrieved. "I'm just tapering off on my drinks."

"Well, do you want a meal bad enough to work for it?"

"I'm just hungry, madam, not desperate."

"Speaking of yachting parties," said the girl who swam home, "some fellows are too f. o. b."

"There comes a time when a father is compelled to say to his son:

"You know more about some subjects than I do. I can no longer answer all your questions. You must begin to rely on the dictionary, the encyclopedia and your own wits. Please don't make a monkey out of me again."

The mother was ill in a home where a radio had recently been installed. The doctor came and small Emily looked on wonderingly as he used the stethoscope.

When she no longer could contain her curiosity she finally asked, "Mother, what station is he trying to get?"

Armistice Day

News of the Churches

North Presbyterian—Last Sunday at the morning service the pulpit was supplied by the Rev. G. B. F. Hallock, D. D., one of the pastors of Brick Presbyterian Church. Next Sunday, November 9, Rev. Donald M. Chappel, formerly of East Side Presbyterian Church, Rochester, will preach.

On Wednesday evening a large number of North Church people gathered in the Chapel for supper and to enjoy the singing of hymns from the Gipsy Smith hymn book. The devotional meeting was led by Thomas Nielson. The singing was led by A. C. Hetherlin, assisted by the North Church people who had been in the Gipsy Smith Choir at Convention Hall during October. The plan is to continue the Wednesday suppers for a few weeks.

The North Church Troop of Boy Scouts, No. 69, meets regularly in the Chapel Friday evenings. George F. Frank is the Scoutmaster.

The girls of North Church will meet for supper Monday at 6 p. m. Miss Helen Vickery of the School of Nursing staff, Strong Memorial Hospital, will be the guest speaker. The devotions will be led by Gladys Frederick, and Edith Miller will lead the social singing and stunts. At 8 o'clock the girls will play basketball.

The Nursery Class of North Church School, taught by Miss Ruth Beldue, enjoyed the newly painted furniture for the first time on Sunday. The painting had been done by friends of the class, largely young people of the church. A class in Child Guidance for parents was started with Mrs. E. H. Walker as leader. Eleven parents availed themselves of this opportunity and felt that the class was of such help to them that they would do all they could to spread the news of its beginning to other parents of young children. At the close of the morning service on Sunday, visitors will be welcome in the Nursery Class room.

Lewiston M. E.—The Ladies' Aid Society of Lewiston Avenue M. E.

Church will hold its regular business meeting at 8 o'clock at the home of Mrs. Farress, 74 Rand street. Each lady is asked to bring a gift for the Christmas Bazaar to be held December 4th.

Ascension—Rev. and Mrs. William C. Compton will be delegates from Rochester representing the Episcopal Diocese of Western New York at Atlantic City, November 11-13. The occasion is the Provincial Synod for New York and New Jersey Commission on Religious Education.

The service on Sunday morning November 16, will be led by the combined choirs of Ascension and St. Simon's Mission. The pastor of the Mission, Rev. Frank L. Brown, will preach the sermon. Rev. Brown was ordained in the ministry in the old Ascension Church and is a splendid speaker.

The Boy Scout Troop will meet Friday night at the church at 7:30 p. m.

A mammoth bazaar is in the making. Every department of the church is taking some part in the twenty or more booths that will be part of the bazaar. Supper will be served beginning at 5:30 p. m. A turkey will be given away. The date is November 20, one week previous to Thanksgiving.

Services on Sunday are: Holy Communion at 8 a. m.; matins and sermon by the rector, Dr. Wm. C. Compton, 11 a. m.; Young People's Fellowship, 6:30 p. m.

Grace M. E.—The General Ladies Aid luncheon will be held at the church tomorrow at 1 o'clock when important business is scheduled. Mrs. W. N. Montague, the president, will preside.

Last Saturday at the Girl Scout Court of Awards, at No. 5 School, Misses Patricia Ross and Norma Doell received their First Class badges. They are both members of Troop No. 3 at Grace Church. These girls have worked hard to attain this honor. Several other girls from the troop received awards. Marion Gregerson, Helen Harper, Helen Baum and Norma Page received their Second Class badges. Mrs. A. W. Francis is Lieutenant of the troop and Mrs. Clara Lee Lockwood is Captain.

Price and Value

During this short period when we feel our dollar must go as far as we can possibly stretch it, very evident indications of record low prices are most pleasant to see. Every advertisement is solid proof of this statement. Prices are distinctly lower.

And lest we forget, the prices in our community stores are on a downward trend, just the same as the prices of commodities in the downtown stores. Furthermore it can be said for our local merchants that their reductions are real and not fancied. They are honest-to-goodness values, the identical items that formerly brought a higher price.

It is interesting to compare prices and values, especially inasmuch as so many of us have been entirely blinded by price and do not realize that value is just as essential to make good bargains. Turn for instance to the shoe business; you can buy the same pair of shoes in a community store for four dollars that in a downtown store are to be had at a price 50 cents to one dollar higher. You can buy a pair of shoes for five dollars in the community and the price may seem 50 cents high; but wear them and see if you don't get at least an extra dollar's worth for the extra 50 cents you pay.

Price is not the only factor to be considered in buying. To be sure, get the most you can for your money, but remember that the lowest price does not always mean the lowest cost in the end to you. Cheap products can be made to look the same as the real article, but it's service that determines whether or not you got a bargain.

North Presbyterian—The North Church pulpit was supplied Sunday by the Rev. Donald M. Chappel, formerly of East Side Presbyterian Church. On November 16th, Dr. Paul Stratton, formerly of Westminster Presbyterian Church, Rochester, will begin his work as stated supply minister of North Church. Dr. and Mrs. Stratton are well known in North Church, where they have many friends.

The Young People's Sunday Evening Group held the first meeting of the season in the Parish House Sunday evening. The president, Floyd L. Crellin appointed the following nominating committee: William Cairns, Marion Hultenschmidt and Edith Miller, to present a slate of officers for election at the meeting next Sunday evening. The hour for the meeting has been changed to 6:30 p. m. instead of 7:30. Last Sunday devotions were led by Marion Hultenschmidt and next Sunday Jean Capauldy will preside and Dr. Stratton will bring a message to the group.

On Monday at 6 o'clock the girls of North Church met for supper. Edith Miller was in charge of stunt songs. Following the program, basketball was enjoyed by some of the girls, while others prepared old silk stockings to be sent to the rug makers of Labrador.

On Wednesday, another supper was served by women of the church with Mrs. L. B. Dodge as chairman. Mass singing was enjoyed by the one hundred guests present, and the devotional meeting was led by Dr. Irving T. Clark. Next Wednesday, another supper will be served and the meeting will be in charge of Dr. Paul Stratton.

The executive committee of the Women's Society met yesterday in

the Parish House, with Mrs. A. C. Hetherlin, presiding. Plans were completed for the rummage sale to be conducted by the Society in December, and those having contributions for this sale are asked to send them to the Parish House or notify Mrs. R. W. Sabin, chairman of the committee in charge. On Thursday, November 20th, at 2 p. m., the regular meeting of the society will be held, following a demonstration luncheon under the auspices of Glenwood Circle, at 1 o'clock.

Ascension—Next Sunday morning at 11 o'clock St. Simon's colored mission choir will join with Ascension choir in singing the service. The Rev. Frank L. Brown, pastor of the mission, will be present and preach the sermon.

In the evening the conditions will be reversed, the Ascension choir and Dr. Wm. C. Compton, will visit St. Simon's Church on Fitzhugh Street and assist in the mission's service.

**Graham Is First Car
Through New Tunnel**

To the Graham Eight goes the honor of being the first passenger car to pass through the new Detroit-Windsor tunnel according to Markham's Garage, Inc., of Dewey avenue, Graham dealers. This vehicular tunnel is 5130 feet long from portal to portal, with more than half a mile under water. The roadway is 22 feet wide, allowing one line of traffic in each direction, with a capacity of 2000 vehicles an hour. Fifty miles of electrical conduit and 574 lights were installed in the tunnel, insuring brilliant illumination. Construction of the Detroit-Windsor tunnel was begun two and a half years ago, and has just been completed.

The Detroit River, between Detroit and Canada, is 31 miles long from Lake St. Clair to Lake Erie. It carries more shipping than any other river in the world, 27,000 vessels, representing 75,000,000 tons, passing through every year and transporting cargo valued at \$1,399,817,000. During the open season, a vessel goes up or down the Detroit River every three minutes.

News of the Churches

Redeemer Lutheran—The members of Redeemer congregation have always had great faith in the ability and eloquence of Pastor Dowler, but for several Sundays he seems to have been especially inspired, resulting in sermons of unusual force and vigor. What people go to church to hear is best evidenced by last Sunday's attendance. The large auditorium was practically filled, yet there is always room for all of Redeemer's friends who are most cordially welcomed.

Every Wednesday evening at 8 o'clock there is held at the parish house a prayer service, at which special instruction is given by the pastor in Christian principles and doctrine through a series of lectures, entitled "Through Jesus to God."

On Wednesday evening a special Thanksgiving service will be held in the church at 8 o'clock. The Thanksgiving Day service will be omitted to enable members to participate in the union service at the Eastman Theatre.

JACK McCARTHY, TENTH WARD'S OWN, NOW SCHINE STYLE EXPERT

Officiating at the style show to be staged at the Liberty Theatre by the Harper Dress Shop Wednesday evening will be none other than the Tenth Ward's own John (Jack) McCarthy. Jack has broken into the glare of the footlights only recently, having been "found" and gradually brought to a state of perfection by Edward C. May, manager of the Liberty.

It seems that Jack got his start some few years ago when he left the farm. Jack has been a resident of the Tenth Ward for these many moons and not in vain. He has accumulated a personal following that Manager May was quick to sense and after a little coaching Jack broke into the limelight as Woody Rallee in the recent radio-stage talent contest at the Liberty.

Then came his opportunity in the form of a style show and dress review and Jack "went over" first rate. He almost instantly showed a keen judgement of what to emphasize and what to talk about as the various models moved back and forth across the stage. As a matter of fact he has come to the point now where

JOHN MARSHALL HIGH

The Honor Roll this month has expanded to 52 names, the boys having redeemed themselves by placing sixteen names on the list instead of ten as last month. They now have 4 per cent of their membership while the girls have retained their 6 per cent of last month.

The National Honor Society held its third meeting of the year November 5. It was decided to hold after-school classes for all those who are interested in bringing up their standings.

The staff for the Polaris has been announced as follows: Editor-in-chief, Phyllis De Vitis; business manager, Haywood Dewey; literary editor, Caroline McCall; grid editors, Wilma Doughty, Evelyn Anderson; statistical editor, Helen Strickland; advertising managers, Allan Goldberg and George Atkinson; photographic editor, Chester Turner; stage manager, Charles Miller; typists, Marietta Hassler and Ruth Kort.

The Polaris will be issued bi-annually, and for the next edition will be combined with the Johnquill. A regular senior section, including pictures of the graduating class, will be added to the regular literary contributions. Miss Caro Fitz-Simons will supervise the editing, as last year.

During the past month in banking an average of \$160 has been received on banking days, representing approximately 350 people. Charles Miller is banking manager.

The initial meeting of the June '34 class was held on Wednesday, November 5, at which the following officers were chosen: President, Daniel Paterson; vice-president, Jane Wedel; secretary, Rosalis Scinta; treasurer, Doris Young. Robert Sizer and Ione Francis were designated representatives to the Executive Council.

The annual drive for the Children's Memorial Scholarship Fund resulted in over one hundred dollars being contributed by the students of John Marshall.

A reception was held in John Marshall for the parents of the students new to the school last Wednesday. An entertainment was given in the assembly hall by pupils, following which the teachers received the parents in the classrooms. The program included selections by the orchestra, songs by the choir, a solo by Virginia Mulroney, solo by Robert Ottman, and a recitation by Marjorie Scott. In

addition, an address of welcome was given by Leon White, president of the Students Association, and an address by Grace Storaand. Miss Betty Knapp's class performed character and tap dancing.

LEXINGTON SCHOOL 34

Much interest is being shown by the pupils in the matter of good attendance and punctuality. The 1A Grade had no tardiness and one absence for the week and the 6B Grade had no tardiness and one case of absence. The 6A Grade had two cases of tardiness and no absence.

Acil Botting of the 6A Grade has contributed several lizards and frogs to the Science Room.

Several Grades in No. 34 have had the use of fine exhibits from the Municipal Museum. In connection with their Science work, the 4A Grade has had an exhibit showing the habits and homes of the American beaver. The Fifth Grade B, which is studying the agriculture of U. S. had the use of an exhibit showing the products of corn. The Fifth Grade A has been making use of an exhibit of Mexican relics in connection with the study of Mexico. A display of French articles has been used in the Sixth Grade B work in the study of France.

The Fifth Grade B still holds the record for the highest percentage of pupils who are depositors in the Rochester Savings Bank. The Third Grades B and A banked the largest amount for last week.

The Fourth Grade A took a walk on Friday which was in correlation with Hygiene and Art.

LAKEVIEW SCHOOL NO. 7

The First B Grades enjoyed a trip to the Museum at Edgerton Park. They are studying the Indians in their relation to the early settlers of America. Mrs. Peat, of the Museum, talked to the children and explained the homes of the Indians, their methods of living, travel, etc. The children also enjoyed a moving picture showing some of the different Indian activities; basket weaving, pottery making, etc. We felt it was a profitable visit.

The children of Miss Desmond's 2A grade are gathering materials for a schoolroom aquarium. These people made some interesting pictures at the board about the parade, celebrating the opening of Dewey avenue a few weeks ago.

A week ago Thursday James Gray, of the Rochester Savings Bank, talked to the children about thrift. He told about a boy who had saved \$500. The boy began by savings nickels. He saved this so he could go to college.

Miss Langham's 5B grade is studying Quarrying. Now they are writing stories on it. Where marble is quarried and what color it is are used as subjects.

"THE CAT CREEPS" AT RIVIERA; DOUBLE BILL STARTS SUNDAY

The entire interior of a stately mansion was constructed at the Universal studios for scenes in the new all-star production, "The Cat Creeps" which comes to the Riviera Theater tomorrow and Saturday.

Since practically the entire action of this thrilling mystery story takes place within the house, unusual attention was lavished on this gigantic set, and the result was a complete house, including rooms upstairs and down.

The cast of "The Cat Creeps," which was adapted from the famous stage "thriller," "The Cat and the Canary," includes Helen Twelvetrees, Raymond Hackett, Neil Hamilton and Lilyan Tashman.

Entertainment of the very richest gayest type is promised for audiences at the Riviera Sunday, Monday and Tuesday in "Monte Carlo," one of two features for these three days.

"Monte Carlo" is the story of the fads and foibles of the wealthy members of royalty who spend much of their time at the gaming tables of Monaco's famous casino.

Jeanette MacDonald, who was the romantic feminine lead in "The Love Parade" and in "Let's Go Native," is here seen and heard as the sweet-voiced Countess who loses heavily at roulette and decides that her only hope is a marriage with the affluent Claude Allister, a vacuum-brained Prince of her acquaintance. Allister is all for the match too, until Jack Buchanan, a gloriously amorous Count enters the scene.

Make-up, as an art in characterization, is brought to its highest perfection by Edmund Lowe in the dual role he portrays in "Scotland Yard," Fox Movietone drama of the efficiency of the world's greatest criminal hunters, directed by William K. Howard, which completes the double bill for Sunday, Monday and Tuesday.

As Sir John Lasher, in the picture, Lowe portrays his usual polished gentleman of the world. But as "Dakin Barrolles," England's most feared bank robber, he must assume the facial disguise and the subtle character nuances of the underworld.

So successful was Lowe in this attempt, the first day he appeared on the set in his new make-up he was not recognized by a single member of the cast or technical crew working on the picture except Howard, the director, who had dictated the character the make-up artist was to copy.

KODAK SCHOOL NO. 41

A short business meeting is scheduled this afternoon by the P. T. A. of School No. 41. Following the business meeting a talk on "Leisure Time" is to be given by Mrs. Theodore Steinhauser, girl's class advisor of Washington Junior High School.

Christmas baskets will be distributed to the needy by School No. 41.

Mrs. Harry Faber, president of the Parent-teachers, held a card party at her home on Winchester street, Wednesday evening, December 3.

Items of Interest

A careful search of all available French grammars reveals no such word as "journile," hence the conclusion has been reached that it must have been a typographical error in the last advertisement of Meagher and Sillman, Dewey avenue men's and boys' shop. Moreover Mr. Meagher says it was meant to read "juvenile." Incidentally this store has stocked a quantity of Christmas gift boxes imprinted with their name, which are quite good looking.

Neil L. Loan of the Tompkinson Feed Company, Dewey avenue, is taking quite a prominent part in the silver anniversary exhibition of poultry and live stock being held this week in Convention Hall under the auspices of the Rochester Fanciers Association. Mr. Loan is an authority on the subject and in addition is chairman of the executive committee of the association. Mr. Loan invites all Tenth Warders to the show. There is no admission charge.

It may have read "soap" but it was "soup" to all Courier readers. A second typographical error cropped up in last week's issue and George Roger's bigger and better I. G. A. store announcement was the place. However, George says he sold a lot of soup and in addition was on the receiving end of a number of humorous cracks. And despite rain and lots of it, George was pleased last Friday and Saturday to greet about the largest attendance of customers he has ever had in any two previous days.

Mr. Levin, over on Lake avenue, expects to forestall any shortage of Christmas trees in his neighborhood this year. He has a big lot next store in which to display them and has about 500 on hand from which his customers may choose.

Phil Christman, Sr., has quite a problem on his hands. He has one four-door Ford sedan on his hands and unless he can think of some one on his Christmas list to whom he may give it, he'll probably have to drive two cars. It seems that it cost him the high sum of two cents. The car was a door prize given by the St. Petersburg Club at Union League Hall.

LAKEVIEW SCHOOL NO. 7

The pupils of Miss Eber's 6A grade are filling a Christmas basket for a needy family.

Frank Doe of the 6B grade won fourth place in the 60 yard dash at the Boys' Track Meet on Saturday.

Mrs. Lowry's 3A grade is enjoying an exhibit on Alaskan Indians and Eskimos, which was loaned to us by the Museum of Rochester. There are many interesting things in this collection, such as, a kayak, harpoon, ladel for mixing oil, a wooden knife and fork, and a large totem pole.

OUTSTANDING SHOWS COMING TO LIBERTY

"Three Faces East," the Warner Brothers and Vitaphone spy mystery drama of the World War featuring Eric von Stroheim and Constance Bennett, is showing tonight and Friday at the Liberty Theatre.

Adapted from the talking screen by Oliver H. P. Garrett from the widely successful Anthony Paul Kelly stage hit, "Three Faces East" depicts the entangled intrigue of the elaborate spy systems of nations engaged in the great war.

More than 100 fashionably gowned women appear as guests in the night club scenes of "Man Trouble," the Fox Movietone all talking drama featured Saturday only.

The gowns which they wear are the latest creations of Hollywood's most famed designer, and have already been copied by many smart and exclusive modistes.

During these delightful sequences Dorothy Mackaill and Sharon Lynn, who enact the featured feminine roles, each sing two songs, composed especially for the picture and for these two artists by James Hanley and Joseph McCarthy.

Heralded as the laugh hit of the season, Universal's sparkling comedy drama, "Little Accident," comes to the screen of the Liberty Sunday and Monday.

"Little Accident" deals with the plight of a young man who on the eve of his wedding, receives word that he has become a father. Complications naturally follow thick and fast, and the hero finds himself with a baby on his hands and three prospective wives to be dealt with.

GOOSENS TO CONDUCT ORCHESTRA HERE SUN.

For the first time this season, Eugene Goosens will conduct the Civic Orchestra in a Sunday program. He will wield the baton at next Sunday's concert to be given at 3:30 o'clock in Jefferson Junior High School.

Mr. Goosens conducted Sunday concerts frequently last season, and invariably well-filled houses greeted him. His long and successful career with the Rochester Philharmonic has naturally built up a large following, men and women who delight to see him conduct an orchestra, and to hear that orchestra under his sway.

The program is an interesting one. The soloist will be Leonardo DeLorenzo, flutist, one of the best known of the orchestra personnel not only by reason of his playing, but also through his important contributions to the literature of the flute. He is widely known as a composer and teacher.

BENEFIT CARD PARTY PLANNED FOR DEC. 12

The Tenth Ward Womens' Republican club held its monthly meeting last Wednesday, with a large attendance. Mrs. Frank Wadman, the new chairman, presided. It was decided that a card party would be held on Friday evening, December 12. Tickets are selling at 35 cents, the proceeds to be used for charitable purposes.

Prizes for each table will be given. The committees are: Mrs. Joseph H. Bush, general chairman; tables, Mrs. Claude Burnett, chairman, Mrs. Frank Kane, Mrs. Ethel Peterson, Mrs. J. E. Gardner, Mrs. Joseph Schmitz; prizes, Mrs. Charles Doty, chairman; Mrs. George Jinks, Mrs. Fred Fogarty; tickets, Mrs. Louis Dorschell, chairman; Mrs. E. Tracy Smith, Mr. Wm. Stell, Sr., Mrs. Rose Meyerhoff, Mrs. Frank Wadman, Mrs. A. Legler and Miss Helen Dunk.

After the business session cards were played and light refreshments served, the part of the meeting being directed by Mrs. Adolph Legler.

Mrs. Clifford Hostess At Monday Card Party

Mrs. Robert J. Clifford was hostess at the luncheon and bridge held by the Tenth Ward Womens' Republican Club, Monday. The 60 guests were presented American Beauty roses.

Prize winners were: Door, Mrs. Ethel Waddington; bridge, Mrs. Mabel Stark, Mrs. Grace Penn, Mrs. Grace Burnett; pinochle, Mrs. Augusta Ackley, Mrs. Herbert MacArthur, Mrs. Carrie Jinks; pedro, Mrs. Joseph Schmitz, Mrs. Sophia Rogers, Mrs. Simpson. The ladies gave Mrs. Clifford a beautiful bag as evidence of appreciation for services rendered the club the past year. Mrs. Kathryn Strauss making the presentation in an appropriate speech.

DEWEY'S CLOSE SEASON

The Deweys have ended their season having won 10 games and tying one. Members of the squad are:

Capt. Jones, Eckels, Butler, Prendergast, Huff, Evans, Gavett, C. Eadie, Johnson, Stephen, Grunpke, Cook, B. Coleman, F. Coleman, J. Eadie, Ashton, Lyndon, Cassidy J. Van Alm Kerk.

TROOP 50

On Tuesday evening, Troop 50 basketball quint played Troop 105 of Irondequoit and won by a single point margin, the final score being 13-12.

Troop 50 will act as ushers for the K. P. A. show which will run for six nights in the State Street Auditorium.

Lake View Unit Home Bureau

The Lake View Unit will give a Christmas party and reception to the new members in their room at Dewey Avenue Presbyterian Church, Tuesday, December 16. All members are invited to attend.

HOKUS THE GREAT AT LIBERTY TONITE

Hokus the great, vaudeville headliner, will present a special program for Liberty Theatre patrons tonight. He will present a number of mystifying acts, escape from a special packing box and from ropes and handcuffs with which he will be shackled. He will also give a hypnotizing demonstration. This is the first time that this type of entertainment has been offered at the Liberty.

WILKINS, EXPLORER, SPEAKS AT CHAMBER

Sir Hubert Wilkins of polar exploration fame, who recently announced plans for an expedition in the Arctic via submarine, will describe adventures in the Far North when he speaks at a luncheon meeting at the Chamber of Commerce Tuesday noon, December 16. Reservations for the luncheon and address may be made by calling or writing the Chamber.

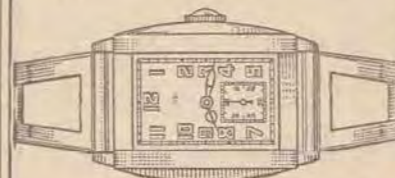

After exploring by sledge, by ship and by airplane, Wilkins has chosen the submarine as probably the most satisfactory method of travel in polar regions. The U. S. Government has given him permission to use the obsolete Navy submarine O-12 in his trip under the polar ice pack next Spring, plans for which he will outline for his Tuesday audience.

In all of his activities Wilkins' motive has been not merely the quest for thrilling adventure, but also a desire to make contributions to science and the worlds of business and transportation.

News of the Churches

Grace M. E.—"Making the best of Things" is the topic for Sunday morning and in the evening the pastor, Dr. Clarkson will speak on the subject, "What Would I Choose as My Life Work if I Were 21?" The choir under the direction of Mrs. Dorothea Roscoe will sing.

Tomorrow evening there will be a supper given by Mrs. Brady and sponsored by the Shepard Class in the Men's Class Room of the church. Tickets can be obtained at the office or call Mrs. Chas. Spangle.

On Friday evening, the dramatic club of the church will present their annual play, "Apple Blossom Time" in the Assembly Hall at 8:15 o'clock. The leading role in the play is taken by Miss Wanda Hennig of Kisingbury street.

The Shepard Class furnished refreshments for the needy people of the Gospel Tabernacle last Friday night. A number of the members of the class met at the home of Mrs. A. W. Cooke on Maryland street and made 600 sandwiches. The bread was donated by the Wonder Bakery Co. A pan of beans given by the Rochester Baked Bean Co. and a meat loaf furnished by the Arpeako Co. Mrs. Chas. Spangle of Hudson avenue is president of the class.

North Presbyterian—Girls of the church met Monday for supper to hear Miss Shirley Leonard, of the visiting teacher department of the Board of Education on "Opportunities in the Field of Social Service." The committee in charge of the program included Ruth Beldue, Marion Hultenschmidt, Adelaide Bauer and Isabel Bates.

On Saturday, a group of North Church girls visited Strong Memorial Hospital, where they spent the afternoon working in the supply room under the direction of the nurse in charge there. Another group of girls will perform a similar service on Saturday, December 13th.

The regular Wednesday Supper last night was served by the following committee: Mrs. L. McCone, Mrs. J. Atkinson, Mrs. C. C. Richardson and Mrs. E. W. Couch. Singing was led by A. C. Hetherlin, with Mrs. Hetherlin at the piano and Dr. Stratton brought the message of the evening.

The birthday party, at which the people born in each month will conduct a booth is tonight. A stunt appropriate to the month will be presented as the contribution of each group to the evening's entertainment.

On Friday evening, in the Chapel, Joseph Cleland, recently appointed director of music in North Church,

will meet all who wish to join the choir and help with the Christmas music. Mr. Cleland is not a stranger to North Church, having been at one time the tenor soloist and later the choir director until he left Rochester to become a member of the faculty of Albion College, Michigan.

On Sunday at the young peoples' meeting at 6:30 p. m., Dr. Frampton, vice-president of the College of the Ozarks, will speak and show motion pictures of the region of the Ozark Mountains and the work of the college. The College of the Ozarks is one of the objects supported by the Young Peoples' League of Rochester Presbyterian, of which the North Church Young Peoples' Group is a member.

The Sunday Evening Group plans to give a party on Christmas Eve for twenty children suggested by the Social Welfare League. Mildred Stebbins and Marion Hultenschmidt are in charge of the program; Harriet Miller and Jean Capauldy, the supper; Adelaide Bauer, Isabel Bates and Gertrude Sabin, the dining room; Edith Miller and Gladys Fredericks, decorations; Clarence Chittenden, gifts.

On Thursday, December 18th, the Womens' Society will conduct a "Men's Night" as one of the features of their year's program. Devotions will be led by H. R. Kingsley and the speaker of the evening will be Dr. Antonio Mangano, of the Italian Department of the Colgate-Rochester Divinity School. Supper will be served preceding the meeting and members of the executive committee of the Womens' Society will act as hostesses. The president Mrs. A. C. Hetherlin, will preside.

Redeemer—Quoting from Pastor Dowler's sermon last Sunday, he said, "I want everyone who comes here to worship with us to be able to feel entirely at home, whether Catholic, Methodist, Baptist, etc. I want to emphasize that this is the Church of the Redeemer and that the word 'Lutheran' attached to this church is not intended to stand for strong denominationalism. The word is merely an accident of name. It was not Martin Luther's idea to found a new church but to purify the existing church."

The theme for the Wednesday evening prayer and worship service this week was "Jesus Experience of God in Fellowship." These are held each Wednesday evening in the parish house at 8 o'clock.

Tonight (Thursday) from 5:30 to 7:30 is the night of the Bethany Guild Chicken Supper. The tickets are 50 cents and may be obtained at the door. The ladies assure everyone a good meal.

Ascension—Service on Christmas eve will commence at 11:30 p. m. with full choir and procession. There will be no sermon, but Holy Communion will be celebrated. On Christmas morning at 10 o'clock there will be a service consisting of Holy Communion.

On Sunday, Dec. 28, the Christmas music will be repeated at the 11 o'clock service.

Christmas, 1930 marks the Twentieth Anniversary of the entrance of Dr. William C. Compton into the ministry, and the sixteenth year of his coming to the Church of the Ascension. A service was held in the church Wednesday night, Dec. 17 at which Bishop Ferris preached the sermon and a reception followed in the crypt for Dr. and Mrs. Compton. Gifts from all the organizations of the church were presented to them, signifying the love and respect that the congregation has for their pastor.

Grace M. E.—Tonight at 7:15 o'clock the Sunday School will hold its annual Christmas Party in the assembly hall of the church. There will be a Christmas tree, candy for all the little folks and a program of music and a play directed by Miss Loop. Santa will be present during the evening.

Next Sunday afternoon at 9 o'clock there will be a Christmas Vesper service. The Senior chorus will have part in the carol service, and the young people will stage a Christmas pageant.

The Dramatic Club of the church presented "Apple Blossom Time," three act comedy, Friday night. Members of the cast were: Wanda Hennig, Fredia Wittig, Edith Barager, Harriette Montague, Cecil Groff, Mrs. A. W. Francis, Ralph Towner, A. D. Bessey, "Bill" Skinner, Kenneth Groff and Harvey Lockwood.

Dewey Reformed—Sunday's services will deal with the Christmas story. The Sunday School hour, 9:45-11:00, is given over to the Primary and Intermediate Departments. Recitations, songs and an offering for the St. Paul's Orphan's

Home, Greenville, Pa., will feature. The Church hour, 11:00-12:00, will present a Christmas Musical comprised of an instrumental duet, chorus numbers, a mixed duet, a girls' quartette and a solo. The pastor is taking as his theme, "Wise Men of Today."

Those contributing to the "needy family" baskets are asked to bring their donations to the church no later than Tuesday morning. They will be distributed Tuesday evening.

The comedy, "Between the Acts," is being rehearsed for presentation early in January.

Sunday, January 4, is Mid-Winter Holy Communion Sunday. The Preparatory Service will precede it on Sunday, December 28.

Some twenty boys under the direction of Mr. Marlowe, of Dewey avenue have collected and mended Christmas toys for needy children.

A holiday party is announced for Monday evening, December 29.

North Presbyterian—The acting pastor, Dr. Paul Stratton, preached at the morning service, on the theme, "The Message of the Star." Special music by the choir included "A Christmas Blessing," by Dressler, an anthem with soprano solo, violin obligato and chorus; and quartette, "Slumber Song of the Infant Jesus," from the Old French Choir Book.

The Young Peoples' Sunday Evening Group will entertain 20 children at a Christmas supper party on Wednesday, from 5 until 8 Mildred Stebbins and Marion Hultenschmidt who are in charge, announce that supper will be prepared by Jean Capualdy and Mariet Miller, with Isabel Bates, Adelaide Bauer and Gertrude Sabin in the dining room; and Clarence Chittenden, in charge of gifts.

On New Year's Eve, there will be an old-fashioned watch night service beginning at 9:30. The first part of the evening will include a social hour and refreshments in charge of the Womens' Society; and the devotional meeting will close the old year.

WALNUTS STILL LEAD
UPPER DEWEY LEAGUE

Despite valiant work by Earl Baynes, who took second high honors with a total of 581, his team could only take one win. Charlie Bantel, leading bowler of the evening with 585, aided Captain Winterroth's Hazelnuts to take three successive falls out of the Hickorynuts. The Walnuts still lead the league with 18 wins and 9 losses; Cocoanuts, 15 wins, 12 losses; Hazelnuts, 14 wins, 13 losses; Hickorynuts, 7 wins, 20 losses.
