Testimonial Luncheon To Be Given Mrs. George

A county-wide testimonial luncheon is planned by Republican women to honor Mrs. Louis P. George, vice chairman of the Republican County Committee. The luncheon will be held Thursday, April 16, at one o'clock at the Powers Hotel. Tenth Warders may obtain tickets from Mrs. F. L. Wadman, of Mayflower street, or Mrs. Joseph H. Bush, of Maryland street.

Mrs. George M. Barnes is general chairman and Mrs. Charles H. Snyder, secretary-treasurer, assisted by the following sub-chairmen: Mrs. Harry J. Bareham, reception; Mrs. Edward C. Cumston, ushers; Mrs. Robert M. Goettel, out of town guests; Mrs. Joseph H. Bush, decorations; Mrs. Charles A. Siebold, entertainment; Mrs. Otto Hiller, favors; and Mrs. August Bunde, tickets.

Upper Dewey Bowlers in Tournament Monday

The last official games of the Upper Dewey Bowling League were bowled Monday night, with the champion Cocosnuts taking three straight from the third place Hazelnuts, and the Walnuts copping two out of three from the Hickorynuts. Jimmy Donaghue bowled the best game of the evening and his best of the season when he registered 238.

The bowlers will hold their banquet and two-man tournament next Monday night at Rochester Turn Verein on North Clinton street. High and low man in the season averages will be bracketed together with some good prizes for the winners.

Card Party and Dance Is Planned by Women

The 10th Ward Republican Women's Club will hold a card party and dance Friday April 10 at Edgerton Park.

Mrs. Elizabeth Milne is general chairman assisted by the following committee: Tickets, Mrs. Mabel Starks; music, Mrs. Clara Potter; prizes, Mrs. Ethel Peterson; Refreshments, Mrs. Francis L. Thomson; floor committee, Mrs. Katherine Strauss; checking, Mrs. Betty Doty; publicity, Mrs. Rose Meyerhoff; decorations, Mrs. C. Burnett. There will be prizes for each table and dancing from 11 to 1.

Barber Shop Announces Beauty Parlor Service

Announcement is made of the opening of a beauty parlor in connection with Clyde Martin's Barber Shop on Dewey avenue at Driving Park avenue. Miss Maude VanOrman, who has been in the hair dressing business for the past five years in other sections, will be the operator. She is taking appointments for marceling, finger waving, and shampooing.

FAIRBANKS AND WYNN ON RIVIERA PROGRAMS

Douglas Fairbanks has given the public something new and years ahead of the times in "Reaching For The Moon," his new picture for United Artists, directed by Edmund Goulding, who is called the most versatile man in Hollywood. The modern comedy-drama comes to the Riviera Theater, Sunday, Monday and Tuesday.

Supported by a cast of noted stage and screen personalities, several of them stars in their own right, Fairbanks has put aside his spear and jerkin for a collar and fountain pen. He portrays a sensationally successful young stock broker who cuts a swath both in the financial and love markets.

As the leading feminine interest in his life there is Bebe Daniels, a fit screen mate for the dynamic Doug, having beauty, courage, and a splendid sense of drama.

"The Perfect Fool," who has made millions laugh in a score of hilarious Broadway stage successes, the most recent of which, "Simple Simon," had New York howling with delight during the past theatrical season, brings his fooling here Friday and Saturday in his first audible film appearance in "Follow the Leader."

Ed Wynn won the title "The Perfect Fool" from his own stage production of that name. The self-imposed name fitted him so well that even after the show closed, the name stuck.

TRANSIENT FLORISTS MUST GET LICENSES

Strict enforcement of the transient florist ordinance is promised this year by Police Director Curtis W. Barker. All persons opening temporary floral shops are required to be licensed.

"All temporary shops must meet the provisions of the law which requires a bond for the state and a municipal license," Director Barker said. "These seem to have been forgotten. There are no exceptions and the cost makes the conduct of temporary shops costly."

Seneca Fruit Store Is Under New Management

For the past two months the Seneca Fruit and Vegetable Store at Dewey and Magee avenues has been under new management. The store has been taken over by S. J. Mathews whose home is on Brooklyn street. Mr. Mathews, who has made several improvements in the store, has had 12 years' experience in this type of business.

News of the Churches

Ascension—On Good Friday there will be a three hours' service from 12 to 3 p. m., with meditations by the rector, Rev. William C. Compton and at 7:45 p. m. there will be services and sermon by the rector. Saturday at 4 p. m. Holy Baptism will be administered.

The services for Easter Sunday will be at 7, 9, and 11 a. m. At 7 o'clock the men's choir will sing the communion service; at the 9 o'clock service the children's choir will be in the chancel and sing the well-known communion service; and at the 11 o'clock service there will be communion service and sermon. The combined choirs will sing.

Sunday night at 8 o'clock a religious drama written by the rector will be presented. The drama is in 5 episodes and the parts will be taken by members of the choir and others totaling 40 persons.

There will be a musical program followed by a social time and refreshments. Mrs. M. White, president of the club, will preside.

Liberty

Thursday-Friday

Grace Moore, famous Metropolitan Opera soprano, made her debut on the talking screen as Jenny Lind, historic Swedish singer, in "A Lady's Morals" Metro-Goldwyn-Mayer's vivid romance based on the life of the opera celebrity of the past.

The cry of a mother, sorrowing; the heart-tearing sob of genuine helpless grief, in a drama of grim reality, sprinkled with homely virtues and sentiment—that is the essence of "Mothers Cry."

SATURDAY

"Fighting Caravans," has Gary Cooper and Lily Damita in the romantic leads, as the young scout and the French girl pioneer of the 1863 trek across the continent to the land of gold. Ernest Torrence and Tully Marshall, popular character actors of the screen are also in the cast.

SUNDAY AND MONDAY

"Fun In a Beauty Parlor," might easily be a substitute title for "Reducing," the Marie Dressler-Polly Moran co-starring comedy.

In the same manner that the stock market served as the subject of fun in the successful "Caught Short," so are beauty parlors, their proprietors and their patrons used as the subject of the lampoons in the new attraction.

Sorority Spring Dance Saturday At Sagamore

The committee for arrangements of the Alpha Mu Gamma annual spring dance, headed by Miss Evelyn Haag, as chairman announce that the dance will be held at the Sagamore Hotel, Saturday, with the Cornell cadets playing for dancing. The Misses Marion Bradley, Helen Brennan, and Rosemary Brick are assistants to Miss Haag.

REPUBLICAN WOMEN TO HOLD BUSINESS MEETING

The Woman's Division, of the 10th Ward Republican Club, will hold their regular business meeting tonight in the Driving Park avenue club rooms. All members are urged to attend. Guests are welcome.

LAKE AND RIDGE BUSINESS HOUSES

(Editor's Note: This is another of the series concerning Lake and Ridge Houses.)

A serious student of home furnishing in all its ramifications, Gerald C. Kenny has achieved notable success in furniture making as well as retailing and in the eight years he has had business of his own, has built up a reputation that in many respects is quite unique. He is the owner of Kenny's, designer and maker of Kennykraft, lifetime upholstered furniture. His store is at 1476 Lake avenue.

Mr. Kenny determined long ago that the sale of furniture is not the only function of a furniture store. He knew the necessity of a harmonious ensemble of the various pieces in the really well furnished home and accordingly organized his home decorative department to render this type of service where desired. Now when he is called upon to furnish a home, a room, or a club, he starts out on a systematic survey of space, amount of light and architectural features before he makes suggestions as to model, style, color combinations, etc.

The furniture business has been Mr. Kenny's calling ever since he was a lad of 13. In 1923 he opened his first store at 295 Lewiston avenue where he had 1600 square feet of floor space. In 1925 he moved to his present location where he has enlarged his floor space twice; and now he finds some difficulty in the matter of space, despite 20,000 square feet of it and a warehouse on Avis street besides. The workshop is in the rear of the store and it is here that the custom-made Kennykraft furniture is made.

The Kennykraft furniture has been exhibited at both the Rochester Exposition and the Better Homes and Building Exposition. It also occupies several clubs, hotels and institutions furnished by Kenny. The Lake avenue store is stocked with everything in furniture, nationally-known makes as well as Kennykraft, for living room, dining room, kitchen and bedroom and also includes rugs, lamps and Stromberg-Carlson Radios. Kenny patrons are also extended the privilege of making selections in Metropolitan markets.

Mr. Kenny was prominent in the organization of the Lake and Ridge Business Men's Association and acted as its first secretary.

NO. 41 PARENT-TEACHERS PLAN DANCE ON APRIL 17

JOHN MARSHALL HIGH

In a special assembly a number of awards were presented. These awards are based on a point system, 300 points being required for a major and 175 points for a minor award. In scholarship, points are apportioned according to the number of times a student gets on the honor roll or honorable mention. In activities and athletics, points are based on the amount of time spent by each student in the various branches of these divisions. The school award is presented to students who receive awards in each of these three fields and must include a major award. The following received awards:

Scholarship—Major: Paul Dean, Edward Schipper, Mildred Fresch, Helen Holly, Betsy Pryor, Anna Sauer, Dorothy Schoenheit, Charlotte Schmanke, Marjorie Scott, Elta Slaght, Dorothy Fitzgerald.

Scholarship—Minor: Mildred Baird, Daniel Caude, Florence Crozier, Richard Fitzgerald, Hilda Holtz, Ruth Lipsky, Dorothy Lyndon, Richmond Millham, Allison Montague, Bella Morris, Mary Raistrick, John Shannon, John Thirtle, Helene Turner, Sally Wellman, Helen Wishart, Frederick Mears, Robert Reddick.

Athletics—Major: Helen Holly, Volney Makin, Frank Maxwell, Jean Quinn, Leon White, Ruth Yockel, Robert Reddick.

Athletics—Minor: Leonard Altbello, Robert Berner, Earl Bishop, May Burrows, Lorraine Bauman, Lena Bowles, George Clement, Evelyn Croft, Alice Donahue, David Harris, Hilda Holtz, Viola Lidfeldt, Edwin Hoefler, Glenn Moore, Anne Morris, George Morris, Florence Rosenberg, George Rotolo, Frank Scheel, Marjorie Scott, Marjorie Schultz, Donald Strine, Elsa Vanderhoef, Amelia Vincella, Elizabeth Ward, Charles Worboys.

Activities—Minor: Arthur Gordon, Edward Schipper, Grace Strandt, Verna Strain.

School Award: Caroline McCall, Major in scholarship, Major in athletics, Minor in activities.

Seventeen girls have received credit for horse-back riding this season, according to Mrs. Marion Lay, faculty advisor of the sport.

The traffic guards of No. 34 School were installed this morning in assembly. The guards are: Benjamin Masseth, Eugene Chairmont, Howard Brasch, Jack Rutz, Robert Aldinger, Robert Beyer, June Kronckenberger, Dorothy Meyers, William Lane, William Morris, Sherman Cohen, Raymond Schutte, Donald Klim and Harry Gass.

The Citizenship Honor Medal awarded by the Rochester Chapter Sons of the American Revolution, was awarded to Benjamin Masseth. This medal is awarded to the boy who has typified the best ideals of citizenship. An Easter program was given at the same assembly.

Donna Perks, a pupil of the 1B Grade, had a birthday party in her grade on March 27.

On March 27, the 4-B Grade took a trip to the neighborhood firehouse. The trip was in connection with the study of our city.

A group of children from the Fifth Grades B and A attended a lecture at No. 5 School on March 25. The lecture was given by Dudley Crafts Watson, on the subject "The Building of a Picture." Children were taken in cars by Mr. Vogt, Mrs. Rambert, and Mr. Forbes. In the afternoon a group of children, especially gifted in art, were taken to the Art Gallery to hear the same lecture. The following children were in this group: Helen Gavitt, Lois Pike, Roland Druanleau, Stanley Schutte, Thuselda Eichel, Ronald Cooper, Elizabeth Gray.

On Tuesday, March 31, at the close of the Parental Education Class, tea was served to the group. The committee in charge was composed of Mrs. Drexel, chairman; Mrs. Densmore, Mrs. Templeton, Mrs. Madsen and Mrs. Dowdle.

LAKEVIEW SCHOOL NO. 37

The 4A and 5B class has seen many pictures. One of them was a picture of New York's Water Supply. The class found out that most of the water came from the Catskill mountains.

Madelyn Elliott, of the 6A grade, brought in branches of trees which are being forced into blossom in the science room. Jerome Krug of the 6B grade, brought in a cecropia moth and a butterfly.

Fifty children of the 5B-5A grades heard Mr. Watson of the Chicago Art Institute. He suggested that the children try to sketch some member of their family. Several children have followed his suggestion and the results of their efforts may be seen in Mrs. Taft's classroom.

Mr. and Mrs. Nelson Milne of Glendale park gave a bridge party March 25th in honor of Mrs. G. Edward Tietenberg of Cleveland, Ohio, who was their guest over the week-end.

Health—Happiness and Hot Water

"I know of no better foundation for a child's success in later life than to build in his mind a proper respect for hot water," remarked a physician, himself the father of two sturdy boys and a rosy cheeked little daughter.

"The child that has been properly trained grows up regarding scrupulous personal cleanliness as the natural thing. This cleanliness expresses itself first in greater resistance to disease, in better health. Without perfect cleanliness no boy or girl, man or woman can be truly healthy or attractive. Boys and girls who have formed the 'hot water habit' from childhood become the healthy skinned, well groomed men and women to whom the doors of business and social opportunity swing open most often."

Come in and see our display of modern water heaters. Reasonable terms, small down payments. If you wish, our representative will call and tell you about them. Just telephone Main 3960.

WHY DENY Yourself the Best?

School Pupils Given

Practical Experience

Children of the third grade "B" of Castleman School No. 40 had a real trip the other day when a Board of Education bus took them, together with their teacher, Miss Cunningham; their principal Miss Arnott, and Miss Helen Marks to the New York Central Station. Over the new Bausch Memorial Bridge, with a thrilling view of the middle falls of the Genesee, these small people went, naming the streets enroute and pointing out the place where "My Grandmother goes to church."

On reaching the station a guide was provided by the railroad. The children were shown the mail bags on both out-going and in-coming trucks and were taken on the freight elevators from the basement to the main floor. They went through the subway and climbed the stairs to the train shed; saw the signal lights, the tracks, trains, passengers waiting for trains, baggage and freight on trucks ready for the train; and saw a train really leaving for Syracuse and points east. They were shown through a Pullman and told how the berth was made up, then through the gallery of the station for a general view of the ticket window, information desk, baggage counter, restaurant, newsstand, telegraph office etc. The porters with their red caps also came in for a share of attention second only to that of the fascinating door man and his "Going east on the Auburn Road."

In less than an hour and a half from the time of leaving the children were back again, at the school, but what an hour and a half! The children had gained enough enthusiasm to last them for weeks and the N. Y. Central R. R. had gained 26 loyal friends.

The thanks of the school is extended to the N. Y. Central R. R. for the courteous treatment received.

Cheerio Club Working

For Hospital Addition

Tying up their efforts with those of Station CKGW in Toronto, a local group has been organized to spread the spirit of cheerio generally and especially to bring some happiness to the unfortunate youngsters at the Children's Convalescent Hospital in Charlotte. The broadcasting station, in its regular-Sunday night program, has taken recognition of this work and has been successfully making appeals for the local hospital.

The Convalescent Hospital at present is in need of more room and the local committee and CKGW are raising funds for construction of a cheerio room. A drive is now underway to collect newspapers and magazines and the committee is seeking co-operation of Rochesterians.

Mrs. Harry Burrows, 505 Birr street, and Paul Knox, 297 Dartmouth-street, are working for the fund and anyone having any papers or magazines to give may have them picked up by dropping a card in the mails to either one. Those desiring more information about the Cheerio Club are invited to tune in on the program Sunday nights at 6 o'clock.

Miss Mabel E. Diver, formerly of Wheatland street, has left for Caledonia where she is now employed.

LAKE LIBRARY MAY BE TRANSFERRED TO TEMPORARY QUARTERS

With no definite proposal in sight for the location of the new library which is to replace the Lake Avenue Branch Library, officials are making a survey of all available buildings for temporary headquarters. Unless some decision is arrived at shortly, the present library will be forced to make temporary arrangements and as far as the general public knows the situation remains as it has been for the past two months.

Although no definite date has been set, it is stated that the library building will be torn down some time this summer. One house on Maplewood terrace has already been removed and the speed with which the contractors are progressing on the new Ridge Road bridge indicates that work will soon be underway on the approaches.

Among the places which the library board is said to have in mind is the brick building at the corner of Maplewood terrace and Lake avenue, close to the present structure. This building has been acquired by the city and is just about in the middle of the triangular plot which will be formed by the two forks of the bridge approach.

Orman Class Honors

Member Going To Cal.

Former members of the Orman Class of Lewiston Avenue M. E. Church held a re-union recently at the home of Miss Frances N. Robinson in Gorsline street in honor of Miss Eleanor Norton who is leaving Rochester to make her home in California. Floral decorations, favors, etc., were in the class colors, pink and green.

Toasts were given by members of the class and also by the teacher, Mrs. T. J. Orman, and several musical numbers were rendered. Miss Norton was presented with a painting. The committee in charge included Mrs. E. Van Vlake, Mrs. A. McBride and Miss Francis N. Robinson.

Furrier Opens Store

At Wagg's Corners

Holger J. Christensen, manufacturing furrier, has opened a store and workroom at Wagg's Corners, in the block at 1531 Lake avenue. In addition to making coats and scarfs to order, he also does repairing, remodeling, relining and cleaning and has facilities for cold storage.

Mr. Christensen, whose home is on Fillingham drive, has been in the fur manufacturing business for fourteen years. He served his apprenticeship with the William V. Graeser Co. of Rochester. His store is open evenings.

The Next Issue of THE COURIER will be published THURS., APRIL 30

Liberty

Thursday-Friday

Harold Lloyd has accomplished what he set out to do! In "Feet First," his laugh-a-minute, thrill a second comedy he has surpassed the thrills of "Safety Last," the all-time criterion for hair-raising moving pictures. This time Lloyd has done it in talking pictures.

"Feet First," is a joyous romance filled with convulsing Lloyd gags.

Lloyd, as an ambitious but blundering shoe clerk, falls in love with Barbara Kent, social secretary to his wealthy employer's wife, and, mistaking her for a fashionable heiress, he turns himself inside out to reach a social plane which will permit him to make love to her.

Saturday

"West of Cheyenne" features Tom Tyler, one of the best liked western heroes before the camera today. He is conceded to be one of the greatest horsemen in the Hollywood film colony and its a mighty lucky thing he is, for he stages some very thrilling rides, seemingly escaping death by a hair's breadth. John Bowles has the lead in "Captain of the Guards," second feature on the program.

Sunday-Monday

A dramatic vehicle of love and redemption with a sensational background is "The Criminal Code," by Martin Flavin, the Columbia film adapted from Broadway's smashing stage hit of the same name which won the New York Theatre Club Trophy as the best play of the year. It was a prize-winning play and if any prizes are offered it will be a prizewinning picture.

The management announces that it has secured a booking of Charlie Chaplin's new silent film, "City Lights." This picture will be shown in a four-day run, April 26 to 29.

Meagher and Stillman

Store Is Re-Organized

The re-organization of Meagher and Stillman, men's and boys' furnishing store of Dewey avenue, and change of the name were announced this week. Pressure of outside interests made it necessary for Mr. Meagher to withdraw from the partnership and the store is now operating as "Stillman's" under the ownership and management of S. G. Stillman.

The store, which in about six months on Dewey avenue has attracted unusual attention from Tenth Warders, will continue under the same policy, according to Mr. Stillman. There will be no change in merchandise nor in service, he stated.

The Chain Store

We recently received a pamphlet from the Ohio Wholesale Grocers' Association which states the case against the chain-store system of business about as concisely as we have seen to date. From a thorough study of the entire chain system it is concluded that "they are detrimental to the best interests of the American public because they destroy individual opportunity in business without effecting substantial economy in the field of merchandising; because they tend to confuse the consumer as to the value of merchandise and as to price-saving; and because they tend toward monopoly and its attendant evils."

The pamphlet further continues: "Chain stores do not contribute freely and in proportion to their ability to general community enterprise and civic welfare projects, such as charities."

"Chain store profits are not retained or re-invested in the community, as a result of which the capital available in the community is reduced."

"Chain stores tend to standardize community life, thus robbing it of its personal character and individuality."

"Chain stores are detrimental to local banks; their bank balances are usually low, due to the fact that they almost immediately transfer their money to the central offices."

"Chain stores are detrimental to manufacturers and wholesalers in that they demand unjust price considerations and cut down the market for advertised brands."

"Chain stores do not bear their full share of the local tax load, due to the fact that they carry low stocks of goods and local managers do not often own their own homes."

"Chain stores disorganize the distribution of merchandise, which necessitates readjustments in the field of marketing and raises the costs of merchandising."

Earl Chamberlain Gets Long Island Position

Recognition of his work in physical education has come to Earl Chamberlain, son of Mr. and Mrs. Louis Chamberlain of Flower City park, and he has accepted a position at Great Neck, Long Island. He is now physical director at Corinth High School, a position which he will leave in the Fall to accept the Great Neck offer.

Mr. Chamberlain, who with his wife spent the Easter week here with his parents, is a graduate of the old Kodak High School where he was prominent in athletics. After one year at the University of Rochester he transferred to Springfield College where he received his diploma.

New Method For Shoe

Repair Now Used Here

The newest development in the repairing of shoes is on display in the window of the Quality Shoe Repair Shop at 825 Dewey avenue and is being used by the proprietor, Michael Schiavo, in his repair work, especially on women's shoes. The new process is known as the LaMac method.

Among the new features of this machine is that no nails or stitching is necessary and yet the soles are fully guaranteed to satisfaction. The process insures complete water-proofing, according to Mr. Schiavo, in addition to leaving no indication that the shoe has been repaired.

Mother and Daughter Banquet Is Planned

On Friday, May 8, at 6:30, the annual Mother and Daughter Banquet will be held at Dewey Ave. Presbyterian Church. Mrs. Irving L. Walker, Executive Secretary of the Council of Church Women, will be the guest speaker. Greetings from the mothers to the daughters will be offered by Mrs. A. Neilly, and from the daughters to the mothers by Miss Bernice Taylor.

Decorations for the dining room are in charge of the Young People's Society, with Helen Brandt as chairman. The general chairman is Mrs. Walter Skinner and Mrs. Milton Fillius has charge of the tickets and publicity. Mrs. E. Mix will render vocal selections.

Herbert Weet To Talk

Before Parent-Teachers

There will be a meeting of the Parent-Teachers Association of Lexington School, No. 34 tonight at 8:15 p. m. Dr. Herbert S. Weet, Superintendent of Schools, will be guest speaker, his subject being "Units of Articulation in the Public School." A musical program will be followed by a social hour.

CITY MANAGER TO SPEAK AT BANQUET

John W. Newton

Reservations are now being made for the annual Fathers and Sons banquet which will take place Tuesday at 6:30 p. m., April 28, in the club rooms of the Church of Ascension, Lake avenue at Riverside street. The principal speaker will be Stephen B. Story, city manager of Rochester.

E. Lewis Alexander will be chairman and John W. Newton, toastmaster. G. Arthur Jackson will speak for the fathers and the response for the sons will be given by Richard Palethorpe, crucifer of the church. Lewis G. Ames will outline the objects of the Men's Club which has charge of the banquet. A variety entertainment consisting of music, magic, and monologues will follow the meeting. Tickets are available at 50 cents each or at the door on April 28.

No. 41 Parent-Teachers

Meeting This Afternoon

A business meeting will be held by the P. T. A. of No. 41 School this afternoon.

Miss Iona Bailey, school nurse, will be the speaker. Tea will be served.

Mrs. Harry A. Faber, Winchester street, has been sent as a delegate to Cornell Institute for a week where she will be given instructions which will aid in her work as president of the parent-teachers.

The dance which was to be held in the club-rooms of the Tenth Ward Republican Club on April 17, has been postponed indefinitely.

Mrs. S. Benwitz has re-opened her beauty parlor at 239 Eastman avenue, having returned to Rochester after several months absence. The shop is known as the Sylvia Beauty Shop and features all lines of beauty culture.

LAKE AND RIDGE BUSINESS HOUSES

(Editor's Note: This is another in the series concerning merchants of the Lake and Ridge section.)

The biography of James Vonglis could be easily transformed into novel form without need of imaginative details or hardly the touch of a short story writer to dramatize. He is the owner of the candy shop which bears his name at 1521 Lake avenue.

A Roumanian by birth, Mr. Vonglis came to America as a sailor on the S. S. Verdi. He had spent two years on merchant boats, part of the time having been spent on the ill-fated Vestris, which sank recently in the neighborhood of the West Indies. He received his discharge papers in New York City on July 4, 1911 and boarded a train at Hoboken bound for Rochester with less than two dollars in his pocket, after paying his railroad fare.

Assisted by relatives, Mr. Vonglis worked at various occupations until finally he found himself in the business in which he has achieved success. His first experience in candy making was with the More Candy Company. In 1915 with \$20 borrowed capital and \$10 of his own he opened his first store on Jefferson avenue with his brother. Subsequently he owned five stores, the last of which is the one on Lake avenue. He has disposed of his interests in the others and now devotes his time entirely to the one store.

The Lake avenue shop is completely equipped not only for candy making, but also for the manufacture of ice cream and for practically everything which is sold in the store. His ice cream equipment turns out at the rate of a gallon a minute.

Among the 10 employees of Mr. Vonglis are three unusually capable candy makers, who have helped to make possible the widely-known quality of Vonglis candy. James Penman, who Mr. Vonglis says is one of the best candy makers in the country, is principally responsible for the various Vonglis sweets. Mary Motallato, the chocolate dipper, who worked many hours fashioning the Easter novelties which made many Tenth Ward youngsters happy, was formerly employed by a large candy manufacturer to demonstrate chocolate dipping. Angelo Brown, another candy maker, has been in the employ of Mr. Vonglis for 13 years.

A Minnesota Cookie Recipe

This recipe has had an especially fine reception here in Rochester—it comes from the state where milk, cream and butter (the principal ingredients) are plentiful.

These cookies have a high butter and milk content and their richness makes it impossible for us to cut them by hand. We run them through the star tube into the baking pan. Made in 2 flavors, the white with purest vanilla; the brown with a rich, unsweetened chocolate. These cookies will be one of our week-end specials at

JOHN MARSHALL NEWS

The Senior Ball will be held at the Gannett House on Saturday, April 18, according to Robert Gabel, chairman of the committee in charge. Lashier's Westminster Park Orchestra will furnish the music.

John Quill contributions are coming in very well and Miss Caro FitzSimons, faculty adviser, and the staff are working hard to produce a year-book of which the seniors may be justly proud.

The next issue of the Jo-Mar, the student publication, will not appear until the latter part of April, due to the Easter recess.

The Junior Tri-Y Tea was held held at the home of Margery Graves, president. Miss Adelaide Dorn, assistant director of high school girls' work of the Y. W. C. A., and Miss Caro FitzSimons, teacher adviser of the Tri-Y, were at the tea table. Assisting as patronesses were Mrs. Elmer W. Snyder, wife of the principal, Mrs. George Mason, adviser of Senior Tri-Y, and Miss Jane Mutschler.

Stanley Keith, director of instrumental music at John Marshall, forecasts a good season for both band and orchestra. The annual concert will be held in June as usual but owing to the increase in both the scope of activities and in size of the organizations, the glee club will not assist. A string quartet has been developed which will furnish a selection at the concert. Edward Schipper has been appointed assistant director of both band and orchestra.

The annual banquet of the John Marshall-Kodak High Alumni Association was held on Saturday, March 28. A committee consisting of Doris Bowerman, George Wishhart, and Richard Young arranged for the banquet and for the dancing and cards which followed.

Clarence B. Eynal of the science department has been elected secretary of the New York State Science Teachers Association.

The honor roll this month shows an increase of ten girls and eight boys over that of last month. Thirty-six girls or more than 5.7 per cent, are on the list of honor students, while seventeen boys, 4 per cent of the total, succeeded in meeting the honor requirements. While only 31.3 per cent of the total registration, both boys and girls were on the honor roll last month, 5.2 per cent of Marshall's students kept C's or lower off their cards this quarter. Their names follow:

Mildred Bair, Melva Becker, Barbara Coster, Agnes Dean, Leone DeLelys, Dorothy Fitzgerald, Geraldine Fitzgerald, Mildred Frech, Irma Fricker, Barbara Gay, Ruth Gerling, Jean Graves, Dorothy Harness, Betty Krug, Ruth Lipsky, Madeline Mong, Anne Morris, Adele Page, Eleanor Parker.

Mary Pitcher, Mary Raistrick, Patricia Ross, Esther Rowe, Anna Sauer, Martha Scheid, Dorothy Schoenheit, Frances Shannon, Marjorie Smith, Mildred Stebbins, Clara Strang, Louise Sullivan, Louise Thomas, Eleanor Van Deusen, June Wedel, Jane Widman, Gertrude Wilmot.

Wilson Ashley, Raymond Black, Kenneth Carroll, Daniel Caudle, Earl Clark, Warren Hilfiker, Dayton Hall, Frederick Kolb, Dixon Lathrop, Richard Palser, Walter Phaler, George Rogers, Richard Seales, Rolfe Scofield, John L. Shannon, Edward Siebert, Jack Thirtle.

George Mercer has returned to Cornell Law School after spending the Easter vacation with his parents, Mr. and Mrs. Chas. Mercer of Flower City park.

George Bauman Named Bowling League Head

George Bauman, who finished up at the top of the individual averages for the past season, was elected president for the 1931-32 season by members of the Upper Dewey Bowling League. He succeeds Bantel, who was the first league president.

Other officers of the league were reelected: Fred Metzinger and Raymond DeMallie were again chosen for the offices of secretary and treasurer, respectively.

After a season-long battle, Bauman edged out Bantel for the individual leadership by 2 points. The Cocoanuts, which were captained by Bauman, were team winners, followed by Eugene Lynch and his Walnuts.

Fred Metzinger and Stanley Worden easily captured first money in the two-man tournament, which closed the season, with a total of 1087. The former rolled 587 to take high 3-game individual also and the team had high single game of 386.

A team composed of members of the league have entered in the Rochester Bowling Association classic under the Bauman and Baynes banner and is bowling tonight at 7:00 at Genesee Hall. The team lines up with Baynes, Donehy, Metzinger, McDonald and Bauman.

Final standings in the league are as follows:

News of the Churches

Redeemer Lutheran—Tonight, (Thursday) the Bethany Guild will hold a Pie Social and Entertainment in the Parish House. Pie, coffee, ice cream and candy will be served. An interesting entertainment has been arranged under the direction of Miss Irene Mender, Mrs. Clara Liestman, and other members of the committee. The public is invited.

The second Sunday after Easter is known as "Good Shepherd Sunday," so called from the Gospel lesson for that day of "Christ, the Good Shepherd." The morning worship at 11 o'clock will center around this theme of the Gospel lesson. The sermon by the pastor, the Rev. W. L. Dowler will be on the subject, "Straying Sheep, and a loving Shepherd." The hymns will be, "Savior, like a shepherd lead us" and "The King of Love my Shepherd is." Mrs. W. L. Dowler will sing, "The Good Shepherd" by Pearl Curran as the offertory solo, and the chorus choir under the direction of Miss Thankful Spaulding with Miss Evelyn Anderson at the organ will sing "The King of Love my Shepherd Is" by Shelley.

The topic for the Sunday School lesson at 9:45 o'clock will be "The Rich Man and Lazarus."

On Tuesday, April 21, all the Lutheran ministers of Rochester and vicinity and their wives will be entertained by the Rev. and Mrs. W. L. Dowler with a luncheon given in honor of the Rev. and Mrs. Fred W. Heins, missionaries to Japan. The Rev. and Mrs. Heins are close personal friends of Pastor and Mrs. Dowler and will be their guests for several days next week.

Next Wednesday evening at 8 o'clock, a special service will be held in Redeemer Church with both the Rev. and Mrs. Heins telling of their work in Japan and displaying and explaining Japanese curios. All the members of the Genesee Valley District Luther League are especially invited to be present to hear the farewell message of the missionaries who will return this summer to their work in Japan. Special music for this service will be furnished by the chorus choir of thirty-six voices.

The Brotherhood will hold its regular social and business meeting Monday evening, April 20, in the Parish House. The committee to provide a speaker for this meeting and also to arrange the social program consists of A. H. Frickey, Jay M-Bride, C. W. Anger, and George Eyer. All the men of the congregation and their friends are invited to be present.

The March meeting of the Brotherhood was well attended and an interesting address on the "Passion Play at Oberammergau" was given by the Rev. Harry G. Green-smith, who attended the performance last summer while on a tour through England and Europe. The Brotherhood is planning to hold an ice cream social on the Parish lawn the last Thursday in June.

Grace M. E.—The Ladies' Class

will meet in the church parlor this Friday for their regular monthly meeting. Mrs. Charles Suhr of St. Paul Boulevard is president of this group.

Next Thursday night, April 23, the Bills Class will entertain all the mothers at a banquet in the church parlor. Miss Rheba Wilbur is president of this class, and Mrs. Geo. M. W. Bills is teacher.

On Friday, April 24, at 12:30 p. m., the Federation of Church Women will hold their annual luncheon meeting in the Assembly Hall of the church. The Ladies Aid will serve the luncheon with Mrs. Howard Maurinus in charge.

The Dramatic Club and the Sunday School will present a three act play, "Meet Uncle Sally" in the Recreational Hall on May 1-2. Howard Maurinus is in charge.

Dewey Reformed—The congregation will observe Church Night every Wednesday evening during April, May and June. A 45-minute period of worship begins at 7:45. Business, entertainment and refreshments will follow.

Members of Memorial American Legion Post No. 206 are attending the morning service on Sunday, April 26. The pastor, Rev. J. Stanley Richards, will take as his sermon theme, "Peace Time Service."

The Easter Sunday services drew the largest combined attendance of the present pastorate.

The Young Ladies' Bible Class is meeting at the parsonage this evening.

North Presbyterian—Rev. Robert Finlay, of Cuba, N. Y., was the guest preacher in North Church Sunday.

The annual meeting of the congregation took place yesterday beginning with supper at 6:30 p. m. After supper new officers for the coming year were elected and reports of the year's work given.

The regular meeting of the Women's Society will be held today, in the Parish House, with the president, Mrs. S. D. Thorn, in charge.

Next Sunday, Rev. Stephen A. Haboush will supply the pulpit in North Church, giving an account of shepherd life in the East. Mr. Haboush is a native Galilean and has been educated in Europe and America. On April 30, he will present a musical travelogue of "Jerusalem and the East," assisted by Madame Haboush, under the auspices of the Women's Society. Tickets will be 50c for adults and 25c for children.

Wednesday, April 22, the Glenwood Circle will serve supper preceding the regular midweek meeting. Reservations may be made through the members of the circle or the church office.

Christadelphian—Church services are held as follows: Sunday School, 10 a. m.; church, 11 a. m.; Bible Study, Wednesday 8 p. m. in the Sunday School Room; Ladies Class, Thursday 2:30 p. m. Church is on Kay terrace.

Radio Tips

By Harry Russell

The tone quality, selectivity and sensitivity of the modern radio receiver is more than ever dependant on correct tuning of the receiver to maximum resonance with the broadcasting station from which the desired program is being sent.

The new receivers tune very "closely," moving the dial one point off maximum resonance will many times reduce the strength of the received program from 50 to 75 per cent and rob the music of its depth and richness of tone. In superheterodynes turning the dial just slightly "off the point" will produce a hissing or rushing sound in the speaker and will distort the tones of the program.

It might be stated here that in correct adjustment of the oscillator and intermediate frequency stages of a superheterodyne will produce the same results. This condition can only be corrected by a service man using special "super het" "lineup" equipment.

I receive many calls from radio owners complaining of cross talk (several stations being heard at once) in their receivers. Many times this condition is produced by aerials that are too long or by sets not properly "lined up;" also very often

LAKEVIEW SCHOOL NO. 7
One of the boys in Mrs. Taft's 5A-5B grade brought a date pit planted in good soil for the class. The class is trying to see who will be the first person to discover signs of life.

The 5B-5A grade has made a spelling chart. This is marked once a week. The chart is helping to improve the spelling, as all the children want to be in the "No Words Missed" column.

The 5B-5A grade made Co-operation Booklets which will help us, we hope, to be better citizens. One thing we mark is: "I time myself on coming to school so that I will not be here too early." They are very attractive hanging around the room.

The 5B-5A grade have sent some original convalescent cards to Mary Louise Francis. She has been absent over a period of several weeks. She sent the grade a letter of thanks telling us how much the cards were enjoyed. We hope that she will be back soon.

Mr. and Mrs. Joseph Winkler, of Augustine street, spent Easter with relatives in Utica, N. Y.

Health—Happiness and Hot Water

"I know of no better foundation for a child's success in later life than to build in his mind a proper respect for hot water," remarked a physician, himself the father of two sturdy boys and a rosy cheeked little daughter.

"The child that has been properly trained grows up regarding scrupulous personal cleanliness as the natural thing. This cleanliness expresses itself first in greater resistance to disease, in better health. Without perfect cleanliness no boy or girl, man or woman can be truly healthy or attractive. Boys and girls who have formed the 'hot water habit' from childhood become the healthy skinned, well groomed men and women to whom the doors of business and social opportunity swing open most often."

Come in and see our display of modern water heaters. Reasonable terms, small down payments. If you wish, our representative will call and tell you about them. Just telephone Main 3960.

PROPOSE TEMPORARY LIBRARY ON DEWEY; NEW LOCATION ON LAKE

There were several new developments in the Lake Avenue Branch Library situation that occurred at the City Council meeting Monday night, indicating that the triangle site for the new library is no longer being considered. A petition for a library at Dewey and Lewiston avenues on the ground now occupied by the Lewiston M. E. Church and a request from the library board for appropriations for purchase of two sites hitherto not mentioned constituted the new developments.

According to City Librarian William F. Yust, the library board is now interested in building the new library on the southwest corner of Lake avenue and Flower City park, which is privately owned property. They feel that by so doing, they will overcome the principal objection to the triangle site inasmuch as it is on the west side of Lake avenue and away from the congested district.

However, the time which would be required to purchase the property and erect a building would make it necessary to provide temporary quarters, since the bridge approaches will soon be under construction, Mr. Yust stated; and the board asked for an appropriation to buy the two-story frame house on the southwest corner of Selye terrace and Dewey avenue where the library might continue service during the building period. This house is said to be available for \$18,000 and it is estimated that an additional amount of \$7,000 would put it into condition for temporary use as a library.

Councilman Nelson A. Milne is in favor of the Dewey and Selye site, since he has been working for some time on a library in the neighborhood of Driving Park and Dewey avenues. He is quite confident that the \$25,000 will be appropriated for this purpose. However, he stated that at the present time he would not commit himself on the Flower City park and Lake avenue site, although he did not say that he was opposed to it.

The petition for the Dewey and Lewiston corner was presented by T. Carl Nixon and it was stated that 2,000 petitioners had signed it. A hearing will be granted on this petition within the next two weeks, according to Mr. Milne.

CHARLES E. BOSTWICK TO ADDRESS WOMEN'S CLUB

Republican Women's Club of the Tenth Ward will hold their regular monthly business meeting tonight in the clubroom on Driving Park avenue. Charles E. Bostwick will be the speaker of the evening, addressing the ladies on "Women Suffrage."

SORORITY HAS PARTY

The Delta Beta Nu Sorority gave a party April 25, at the Lakedale Club, in honor of the newly elected officers, Frances Wellington, Marguerite Young, Beulah Caldwell, Lucille Marx and Doris Yockel; and for the new members, Anne Roche and Beulah Caldwell. Committees in charge were: entertainment, Frances Wellington; decorations, Sally Welsh, refreshments, Anne Roche, Ethel Gardner and Beulah Caldwell.

The Next Issue of THE COURIER will be published THURS., MAY 14

NEW MINERAL WATER IS INTRODUCED HERE

Something new has come to the Tenth Ward, the first section of Rochester, by the way, to be served. It is an artificial mineral water originally produced in California, where it has a host of friends, and introduced into Toledo, Ohio, last October, that brings forth remarkable reports from people suffering with rheumatism, neuritis, arthritis, goitre, indigestion, gastritis, lumbago, sciatica, asthma, catarrh, high blood pressure, and the like.

Electrovita is the name of this artificial mineral water. It is tremendously alkaline and seems to make this alkalinity available for quick bodily use, aiding the body in the neutralization of acids in the system.

This new water is not a "drug;" it has no sedatives or narcotics in it; and authorities agree in saying that it can do no possible harm to the person who drinks it. Bacteriological tests show it to be of a high degree of purity and the users report it to be accompanied by remarkable results.

The Tenth Ward Office is located at 483 Pullman avenue, Glenwood 2963-W, where further information can be obtained.

Liberty

Tonight-Friday

Fredric March, who is being hailed as the newest "weakness" of feminine film fans, has been given a chance to display dramatic and comedy talents which he has hitherto held in abeyance because of the requirements of his roles.

The picture is "The Royal Family of Broadway," which smashed the records of Broadway a season ago as a stage play.

An absolutely new kind of photography is "The White Hell of Pitz Palu." It is thrilling, awe-inspiring, tense with drama, and it has something never done before on the screen—a vocal dramatization by the greatest of broadcasters, Graham McNamee. There is also a musical setting on the organ as a special feature of part of the picture.

Saturday

That familiar old triple cross is deftly worked out in the Fox Movietone production, "Not Exactly Gentlemen," featuring Victor McLaglen with Fay Wray, Lew Cody and Eddie Gribbon in leading supporting roles. In the picture McLaglen, Cody and Gribbon are three adventurers, killers, thieves and bandits with a price on each of their heads.

There are by actual count one hundred eighty-nine laughs in "Wide Open," the new Warner Bros. and Vitaphone all-talking comedy with Edward Everett Hor-

Councilman Proposes

Improvements in Ward

Several improvements for the Tenth Ward are occupying the attention of Councilman Nelson A. Milne, including sewers and pavement of Dewey avenue from Lewiston avenue to the city line; cleaning of ditches on Ridgeway avenue and Mt. Read boulevard; clearing out of the parkway in Summit Grove park; and a comfort station for Dewey and Driving Park avenue.

An ordinance is now under preparation in the City Engineer's office for the new pavement and sewers on Dewey avenue and is expected to be ready for consideration by the Council at its meeting on May 25. A resolution calling for an underground comfort station somewhere in the immediate neighborhood of Dewey and Driving Park avenues was introduced by the Councilman at the meeting on April 13. The cleanup of the ditches and parkway, Mr. Milne expects to have taken care of through the unemployment relief fund.

P. T. A. 41 SCHOOL

Election and installation of officers will be held Thursday, May 14, by the Parent-Teachers of No. 41 School. Annual reports will be read.

Several members are planning to attend the Spring conference of P. T. A. which will be held in Scottsville, Saturday, May 2.

HOME BUREAU

Lake View Unit will give a demonstration of oven baked meals in the form of a luncheon at Dewey Avenue Presbyterian Church, Tuesday, May 3. Reservations must be made by May 1, with Mrs. Abell of Bryan street or Mrs. Poppy of Magee avenue.

P. T. A. 34 SCHOOL

P. T. A. of No. 34 School will hold a cooked food sale, Saturday, May 9 at Mack's Plumbing Shop, 807 Dewey avenue. A complete line of cooked food will be available. Mrs. Douglas Reid is chairman of the sale.

CORRECTION

Through a typographical error in the last publication the item "marcel and trim" in the advertisement of the Sylvia Beauty Parlor of Eastman avenue was priced at \$1 instead of 75 cents, the correct price.

ton in the featured male role.

Sunday-Monday

The greatest comedy cast of the year was assembled for "Going Wild." One comedian is usually enough in a picture, but First National has been generous and provided half a dozen! Heading the list is Joe E. Brown.

Liberty Theatre Plans

May Day Celebration

"A gala event for everyone who likes good times" is the slogan of the special May Day celebration planned all next week by the management of the Liberty Theatre. The program for the week, beginning Monday and ending Saturday will offer some exceptional films in addition to a nightly vaudeville contest and a number of door prizes given by business houses of the Tenth Ward.

The contest will bring to the stage of the Liberty budding artists as well as more seasoned veterans in the line of singers, dancers and instrumentalists. Those who will appear in competition for the prizes are being chosen from a large entry list. Winners will receive cash prizes and will be selected by a group of prominent Tenth Warders.

Inasmuch as the celebration also coincides with National Music Week, a special program of organ music will be presented each evening. Cash prizes are also being given for the best posters on the celebration and the winners will be on display tomorrow (Friday) in the lobby of the theatre. Pupils from the following schools are taking part: Nazareth Academy, School for the Deaf, John Marshall, Aquinas Institute and Jefferson Junior High School.

Orchestra Plays At

Presbyterian Home

Pupils of Miss Camille Irving and Miss Florence Brown gave an entertainment Saturday afternoon at the Presbyterian Home on Thurston road. Selection were played by the Junior Orchestra, whose members are:

Kathryn Blind, Martin LaForce, Jr., Isabella Bates, Bruce Darling, George Rudenauer, Irvin Towers, Mary Heim, Muriel Lenz, Russell Howard, Jack Potter, Lillian Dalberth, Jack Tornaben, Lewis Tornaben, Robert Paul, Alvin Mumby, Clark Fellers, Charles Dispenza, John Schoen, Lewis Weiderholdt and Grace Carroll.

Piano solos were given by Eva Paul, Eleanor Johnston, June Weingartner and Francis Dispenza.

A prize offered to the members of the orchestra for the best original violin composition was awarded to Kathryn Blind. Mina Richardson and George Rudenauer, pupils of Miss Irving, assisted Aunt Ester with violin and piano solos on Friday evening during the Kiwanis Joy Hour over WHEC.

The trip to Letchworth Park which was to have been taken by the Camera Club was postponed until May 1, due to the rain last Sunday.

THOROUGH FURNACE

CLEANING ADVISED

If Spring house cleaning is to be thorough, the furnace, one of the worst dirt-collectors in the home must be thoroughly renovated; and the more satisfactorily the job of furnace cleaning is done, the better it is for the housewife. This, in the opinion of E. J. Barner, is at least one good reason why the furnace should be given attention at this time along with the rugs, curtains, furniture, etc.

However, besides the point of view of cleanliness, there are other reasons why the man of the house should be interested in this phase of Spring cleaning. A thorough overhaul gives greater efficiency in the matter of fuel; if there are any breaks in pipes or faulty or broken parts in the heating plant, they are discovered; and the oiling of the smoke pipe probably will save rusting, which in the end would mean added expense in replacement.

Mr. Barner, whose place of business is at 485 Dewey avenue, has recently purchased the newest type of furnace vacuum-clean apparatus which is large enough to draw all the soot and dirt from the largest furnace by the suction method. The efficiency of this machine considerably shortens the time which a thorough cleaning formerly made necessary. Further details on the system are contained in the advertisement of E. J. Barner on another page of this newspaper.

Norge Refrigerators

Dealership Announced

Announcement was made this week of the appointment of the Glenwood Radio Shop at 308 Driving Park avenue as authorized dealer in the Norge Electric Refrigerator. The new model is now on display at the store.

In making the announcement J. J. Hahn, proprietor, said, "It gives us a great deal of satisfaction to announce our dealership in the Norge Electric Refrigerator with the Rollator; a simple, powerful, compact refrigerating mechanism which is almost everlasting. Such enduring quality, such fine finish has been given the Norge that we stand back of it with our heartiest recommendations. We consider the Norge the outstanding refrigerator in superiority of engineering, construction and design."

SORORITY DANCE TO BE HELD TOMORROW NIGHT

Sigma Theta Phi Sorority will hold a dance tomorrow (Friday) evening at the Gannett House. The Committee on arrangements is composed of the Misses Kathleen Whitfield, Verita Snyder, Alice Donoghue and Anna Lalley.

News of the Churches

North Presbyterian—At the mid-week service last night, Dr. Stratton, acting pastor of North Church discussed the topic "The Power of Faith."

Tonight at 8:00, Stephen A. Haboush, a native Galilean, will present a musical travelogue in North Church, assisted by Madam Haboush. Moving pictures, music and colorful costumes are featured on the program which is entitled, "Jerusalem and the East."

On May 14 and 15, members of Loyalty Circle will present a program including two one-act plays, "A Pan of Fudge," in which the following compose the cast of characters: Elinor Yates, Catherine Dowdle, Grace Jameson, Carmella Pilaroscia and Marguerite Kerwin; "An Outsider," with the following taking part: Jean Howcraft, Kathleen Wilson, Jean McConnachie, Esther Wilshaw and Isabel Bates, Pluma Swain and Eileen Smith. "A Midnight Fantasy" will be presented by Gertrude Sabin and Eleanor Brown. Miss Ethel Robinson is directing the program.

On May 21, the program of the Womens' Society is in charge of North Church young people. A cafeteria supper will be served at 6:30 p. m., by members of the Friendship Circle; and devotions will be planned by Mildred Palmer, Grace Jameson, Edith Miller and Gladys Frederick. The speaker of the evening will be Mrs. A. J. Martin, a missionary returned recently from Brazil, who will tell of her work there, and show interesting curios which she brought home with her.

Grace M. E.—The Dramatic Club and Sunday School will present a three-act play, "Meet Uncle Sally" at the church, tomorrow and Saturday nights. The following are taking parts: Jimmy Hall, Henry Ireland, Harriette Montague, Edith Barager, Ina Le Roy, Cecil Groff, A. D. Bessey, Marjorie Scott, Kenneth Groff, Walter Ward, Grace Thompson, and Allison Montague.

The Missionary Society will hold their regular monthly meeting at the home of Mrs. Chas. Suhr, 2787 St. Paul boulevard on Monday, May 4. Mrs. A. F. Cutcliffe is president of this group.

The Shepard Class will meet tonight at the church for their monthly social meeting. Mrs. C. Gowin is in charge of the refreshments and entertainment.

Redeemer—The Fourth Sunday after Easter begins the preparation for the festival of Pentecost through the Gospel lesson in which Christ promises to send the Holy Spirit. The subject of the sermon in the Church of the Redeemer by the Rev. W. L. Dowler will be "The Holy Ghost, the Spirit of Truth." The chorus choir with Miss Evelyn Anderson at the or-

gan will sing Vanliet's, "He shall give His Angels Charge over Thee."

The Brotherhood held an interesting meeting last Monday evening in which plans for the Brotherhood during the summer months, were discussed. It was decided to hold an ice cream social and lawn fete, Wednesday and Thursday evenings June 24 and 25 with the men of the Brotherhood assisted by the Boy Scouts. William C. Storandt will be the general chairman and will soon announce the members of the various committees. Walter G. Barnett, past president of the Brotherhood was appointed honorary chairman.

John Sanders and Alvin Frickey were appointed as a committee to arrange for a number of quoit courts on the rear of the Parish Lawn for the men of the church and of the community during the summer.

The Bethany Guild will hold its next meeting the first Thursday evening in May in charge of Mrs. William J. Ohlrich, president.

Ascension — The confirmation class will meet in the chapel in the church at 7 o'clock Sunday night. The rite of confirmation will be conferred on the class by Bishop David Lincoln Ferris on Ascension night, Thursday May 14. The Men's Club will have its regular monthly meeting at 7:30 p. m. that night, and after a short session will attend the confirmation service.

The Men's Club has arranged a musicale treat for Friday evening, May 15. The Ukrainian Mandolin Band in native costume will present an entertainment consisting of musical selections, folk-lore songs and native dances.

The Boy Scout Troop will meet tomorrow night at 8 o'clock under the leadership of Frank La Barr.

Dewey Reformed—"Maidens All Forlorn" and "A Will and a Way," two comedies, are to be presented by the Young Ladies Bible Class in the church basement on Thursday and Friday, May 14 and 15, at 8:15 p. m.

The Ladies' Aid will meet at the parsonage, 184 Clay avenue, on Thursday afternoon May 7.

Wednesday evening Church Night services are being held during April, May and June. The worship hour begins at 7:45. Entertainment, business and refreshments follow.

Member of Memorial American Legion Post were guests at the morning service last Sunday. The pastor took for his theme—"Peace Time Service."

Plans are under way for a Mother and Daughter Banquet. Mrs. Sidney Redford, 845 Flower City park, is chairman of the committee in charge of arrangements.

The annual Mother's Day Service will be observed Sunday morning, May 10.

Feeling Miserable ?

- ARE you one of thousands of people who aren't sick enough to go to bed and aren't well enough to get all the happiness there is out of life? Maybe nothing outstandingly wrong with you, but a lot of pesky little things that keep you from real happiness?
- Maybe Electrovita will help you. You drink it like water and reports from people in the same case as yourself are emphatic that they notice genuine improvement.
- If you are tired of being "off color"—tired enough to do something about it—Electrovita may be the answer. Certainly it is worth investigating.

LAKEVIEW SCHOOL NO. 7

The Safety Officers who will be on duty the rest of this semester were installed in an assembly last Tuesday morning. Officers Baglin, Daniels, and Irish were in charge of the ceremony.

There are two squads, one of boys and one of girls. Their names follow.

Boys—J. Young, D. Hodd, P. Cresman, J. Krug, R. Lobdell, (Captain); D. Patterson, (Substitute); T. Maggion, (Substitute); Girls—J. York, J. Graham, M. Montague, B. J. Rose, B. Seel, (Captain); G. Almy, (Substitute); J. Klippinger, (Substitute).

Madeline Elliott of 6-A Grade has given the school a bird cage and standard to house the canary which has just been purchased.

The Mother's Study Club under Miss Zollers began last week with a record attendance and great interest. Meetings will be held every Tuesday at 2:00 p. m., in Room 113, for four weeks. All mothers are invited.

Miss Dorothy Seyfried, who has charge of the Kindergarten, has returned from a week's stay at Cleveland where she attended the Convention on Childhood Education.

Orange flags are used as a signal for pupils to return to the school building after a fire drill. The following boys are in charge of the flags for the rest of the school year: Forrest Griffith, Robert Edwards, Junior Mix, Herbert Lockman, Howard Hetzler.

JOHN MARSHALL NEWS

The Boys' Athletic Banquet will be held at the John Marshall cafeteria, tonight at six o'clock. Charles Loth, chairman of the Program Committee expects to have Harry C. Goodwin, who was scheduled to speak a few years ago but was unable to attend, to speak at the banquet. Leon C. Friel will be toastmaster.

An orchestra has been engaged for the evening and there will be speeches, stunts and group singing. Those boys who have received athletic awards during the past year will be present. Two representatives from each high school will be guests of honor, one being an outstanding athlete, the other, president of the Student Forum.

A formal initiation of the following girls who have recently been invited to join the Senior Tri-Y was held Monday at the Y. W. C. A.:

Adele Pratt, Irma Fricker, Louise Thomas, Anne Morris, Hazel Hermann, Olaline Almy, Florence Hoxe, Rachel Gibson, Mary Vanas, Marjorie Ackroyd, Lucille DuRocher, and Renne Hermann.

Chuck Miller's Orchestra played for dancing at the Soph Spring Sprint. This dance was given by the II-1 and II-2 classes of which Miss Anna Jane Mutschler, Miss Adelyn Paine, Ray Clippinger, and Daniel Houseman are advisers. The participants were limited to members of John Marshall. The committee in charge was composed of Robert Johnson, Robert Marseilje, Lew Gallagher, Raymond Sewell, Gordon Green, Margaret Lang, Harold Steve, Elsworth Rodgers, Eleanor Palsler,

LOWER REPUBLICAN CLUB GIVES SMOKER TOMORROW EVENING

The Lower Tenth Ward Republican Club will give another smoker tomorrow (Friday) evening at eight o'clock at Edgerton Park assembly hall with William C. Storandt as general chairman. All members and their friends are invited to attend at no charge.

Sherman Pierce, chairman of the entertainment committee, reports that the entertainment is to consist of a number of boxing exhibitions by well-known Rochester boxers and a variety of entertainment by experienced vaudeville entertainers.

Fred LeWalter, chairman of the equipment committee, announced that the ring is going to be raised about 3 feet over the platform making the exhibitions visible to those in every section of the hall.

Committee appointments as announced by Mr. Storandt, are as follows: entertainment committee, Sherman Pierce, chairman, Nelson A. Milne, Michael Conroy and Frank McCoy; floor committee, Robert Zimmerli, chairman, Robert Clifford, Roy Miller, Harry Wilson, William Stell, Sr., Carl Ester, William Jones and Merton J. DeWitt; equipment committee, Fred LeWalter, chairman, and William Doane; door committee, George Hesselink, chairman, William C. Schulz and Roy Ward; publicity committee, Donald N. Morris, chairman, Charles E. Bostwick, Tenth Ward leader, is honorary chairman.

Officers of the club are: William Doane, president; Haney Shannon, first vice-president; Joseph Kaufman, second vice-president; William C. Schulz, recording secretary; Michael J. Cuhane, treasurer; Carl J. Ester, financial secretary.

Porcelain Finish On New Model Frigidaires

An enduring porcelain-on-steel finish is one of the distinctive features of the Frigidaire electric refrigerator according to J. C. Harrigan, 1456 Dewey avenue, recently appointed dealer for this territory. The porcelain used in finishing the food compartment, he said, is acid resisting and will not tarnish from foods or fruit juices.

"Three coats of porcelain are baked upon the steel cabinet at a temperature of 1000 degrees Fahrenheit," said Mr. Harrigan. "At this high temperature the porcelain is actually fused into the metal. It forms a smooth surface, harder than glass, which is easy to clean and so durable that the finish of the cabinet is guaranteed for three years, the same as the mechanism itself."

"Frigidaire is noted for its quiet running, fast freezing and low operating cost. It has a flat top which is convenient for use as an extra shelf. At the same time this top makes it possible to build the cabinet into the wall, thus saving valuable kitchen space."

Markham Garage Has New Prosperity Six

Markham's Garage, Inc. of 1685 Dewey avenue is now showing the new Graham Prosperity Six, which made its first appearance on May 1. The new automobile is a companion car to the Graham sixes and eights, in the lower price field. It comes in 3 body styles.

It is emphasized that the new car is made in the Graham engine, chassis and body plants, and represents the same advanced engineering and construction as the higher priced Grahams. It has a 70 horsepower motor and 7-bearing aluminum shaft. The exclusive Graham manifold system with intake heat regulator controlled from the instrument board is also included and the cooling system is controlled by thermostat.

Body silence is assured by liberal use of rubber dough and the shackle bolts are set in rubber to prevent squeaking. Shatter proof glass is optional at an extra cost of about 40 dollars.

Achievement Week Is Observed By Chamber

Special programs, to which all Rochesterians are invited, are being given at the Chamber of Commerce mornings, afternoons, and evenings of this week which is known as Achievement Week. Displays and addresses have equal interest for men and women. Displays will consist mainly of work completed by 2,000 Rochester women who are members of the Home Bureau, and red, blue and white ribbon honors will be awarded to winners.

Achievement Week is Rochester's observance of national Better Homes Week, and is sponsored by a committee of the Rochester Home Bureau, headed by William B. Boothby, manager of the Rochester Exposition.

Fred Willson Speaks At Lake, Ridge Meeting

Fred Willson, manager of the Rochester Better Business Bureau addressed the members of the Lake and Ridge Business Men's Association at the monthly meeting Monday night. He spoke on methods and purpose of the bureau.

Ralph Ward, vice president, presided in the absence of Harvey Johnson, who was in New York City on business. Three new members were announced, Frank Short, barber; Wise and Phillips Garage; and the D and R Restaurant.

P. T. A. OF NO. 34 SCHOOL ELECT OFFICERS TONIGHT

MODEL HOME OPEN IN KEMPHURST RD.

A model six-room home, furnished in the newest vogue throughout, was opened to the public this week by the Alliance Realty Corporation with the assistance of Gerald C. Kenny, Lake avenue furniture store. The home is located on Kemphurst road, off Lake avenue, one street north of Stonewood avenue, and was built by Otto Hansen.

The attractive architectural features of the house are enhanced by choice arrangement of the furnishings. Mr. Kenny, who supervised the furnishing himself, chose a more or less Colonial type scheme and carried it out in a well-planned manner. Both the home and its furnishings have attracted the admiration of many visitors who have inspected it during the past week.

Nothing has been omitted to illustrate just the pieces a modern home should have. From the game room in the cellar to the guest bedroom on the second floor, the house is completely furnished. In the living room, which with the sun room extends across the entire front of the house, there is a Chippendale settee, a Colonial chair and other early American reproductions; the dining room set is of solid mahogany, Shearson design, and is an exact reproduction of the suites which the U. S. government places in the homes of all foreign dignitaries at Washington. Even the breakfast set is Colonial.

The master bedroom is a reproduction of the French provincial, just coming into prominence, with the two other bedrooms furnished in varying Colonial types. The many General Electric products sold by Kenny are all represented in the home.

Mrs. Strauss Chairman of Annual Ladies Picnic

Mrs. Katherine Strauss of Flower City park was named general chairman of the annual picnic committee of the Women's Division of the Tenth Ward Republican Club at the last business meeting of the year held Thursday evening at the clubroom. The picnic date was announced as July 29 and the places as customary will be Ontario Beach Park. Mrs. Strauss will announce her committees at a meeting in June.

It was also announced that the Wednesday afternoon card parties will continue through the month of May. Mrs. Ethel Peterson was hostess at the party held yesterday afternoon.

The regular monthly meeting of the study club of the women's organization will be held next Thursday evening, May 21. Assemblyman Richard L. Saunders will be the speaker.

MANAGERS OF SHINE THEATERS SHIFTED

A shift in management involving three local Shine Theatres was announced on May 1 by Louis W. Shine, who also appointed Howard G. Carroll managing director in this section. Mr. Carroll was formerly with the Warner Bros. Theaters and has been connected with many of the leading theatrical enterprises of the country.

In the transfer, Edward C. May returns to the management of the Riviera Theatre, after a year as manager of the Liberty Theatre. Sol Shafer, who for the past year has been in charge of the State Theatre returns to the Liberty, and Leon Shafer, former Riviera manager is back at the State.

In announcing the changes, Mr. Shine stated that they were purely in the interest of insuring the public well-diversified entertainment. All Shine managers are given considerable leeway by the home office and as a consequence each is given an opportunity to develop his showmanship ability. A change in management periodically thereby insures a greater diversity in entertainment for the public.

GRACE DRAMATIC CLUB TO PRESENT 3 ACT PLAY

Tomorrow (Friday) night at 8 o'clock the Grace Dramatic Club will put on "Eye of Love," a three act comedy at the Grace Methodist Church, sponsored by the Missionary Society. Tickets are 35c for adults and 20c for children.

Ridgemont Ladies Hold First Business Meeting

A luncheon and bridge and the first business meeting of the year comprised the program Tuesday afternoon for the ladies of the Ridgemont Golf Club. The meeting was attended by members only.

Two new officers were elected, Mrs. George Reid as publicity chairman and Mrs. Herbert A. Johnston as secretary. Other officers of the club elected last fall are as follows: president, Mrs. E. C. Crippen; vice-president, Mrs. David Teeter; treasurer, Mrs. Jos. J. Judge; committee chairmen—golf, Mrs. Henry Moore; entertainment, Mrs. Robert Mullree; handicraft, Mrs. H. B. Lane; membership, Mrs. C. Vincent Wiser; clubhouse flowers, Mrs. Charles Biel.

Following presentation of the program for the ladies during the present season by Mrs. Moore, it was decided to hold golfers' luncheons every Tuesday, and bridge luncheons once a month, also on Tuesdays. It was announced that a prize for the women's tournament had been given by Joseph J. Judge.

HOME BUREAU

The annual election of officers of the Lake View Unit will take place Tuesday, May 20 at 2 o'clock in the Dewey Avenue Presbyterian Church. The meeting will be followed by refreshments.

The Unit's exhibit during Achievement Week, this week at the Chamber of Commerce is known as "The Gift Shop."

"SIT TIGHT" COMING TO RIVIERA THEATRE Today

Barbara Stanwyck achieves the supreme triumph of her career in "Illicit," the startling comedy-drama of modern love and matrimony.

She plays the part of a Park avenue society girl, who, while desiring the love of her special young man-about-town, objects to his insistence that they conform to convention and marry, fearing that the ceremony will be the end of romance.

Friday-Saturday

With a mythical small-town furnishing the entire background for "It's a Wise Child," Marion Davies' new starring feature, many sets and locations had to be built and "dressed" in order to obtain the atmosphere of the story.

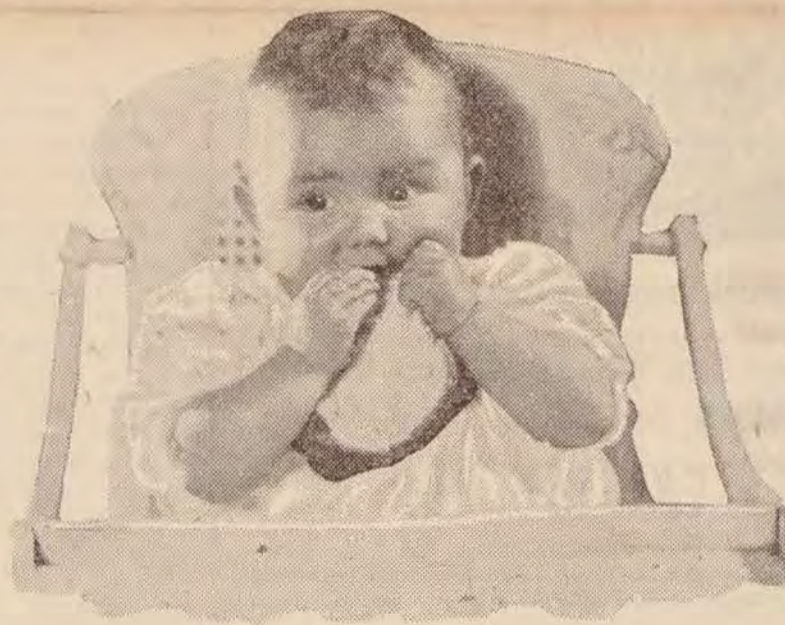

Robert Z. Leonard, who directed had a complete small-town home built under the roof of one of the giant studio sound stages. The house was complete in every detail with the exception of the attic and roof.

Sunday-Monday

Winnie Lightner, whose battle to lose surplus weight was signally successful, had no chance of gaining back any excess weight during the filming of "Sit Tight," her latest feature comedy for Warner Bros., co-starring Joe E. Brown.

As Dr. Harper, health specialist, Winnie puts in several strenuous weeks in her role in "Sit Tight." For that matter so did Joe E. Brown her partner in comedy.

The club was entertained on May 5 by Mrs. Geer at her home on Parma street. Prizes were won by Mrs. Griswold, Mrs. Osborne, Mrs. TeeBoon and Mrs. Royle.

News of the Churches

Redeemer—Next Sunday will be Father's Day and the men of the Brotherhood will march together to pews reserved in the front of the church with a grandfather who has just passed his 81st birthday having a special place of honor. The pastor, the Rev. W. L. Dowler, will speak on the subject, "Bearing Witness to our Ascended Lord." The chorus choir of 36 voices will sing with Miss Evelyn Anderson at the organ.

Last Sunday, Mother's Day, the pastor's message was especially appropriate to Christian mothers. The interested congregation almost filled the church to its capacity. The flowers beautifying the altar were placed by Mrs. Flora B. Reichenacker in memory of her mother and her husband.

The Senior Luther League will hold its devotional and social meeting Thursday evening at 8 o'clock in the Parish House. The young people are planning to give an entertainment and play, "A Snitor for Sally," in the Greece Memorial Mall Ridge road at the Long Pond road Friday evening, May 22, at 8:15 o'clock. The leading characters of the play will be portrayed by Leonard Hammer, Winnie Smith, Lorraine Kress, Ruth Liestman, Lloyd Smith, Phillip Perkins, Helen and Kenneth Woehr, Donald Strine, William Farness, Arthur Mountain, Dorothy Karweick, Marion Low, and Inar Anderson. The entertainment will be followed by three hours of dancing with music furnished by the Charles Miller orchestra.

The District Luther League will hold its Spring Convention next Saturday afternoon and evening in the Trinity Lutheran Church, Walnut and Campbell streets.

Ascension—Following the annual custom the rite of confirmation will be conferred at 8 o'clock tonight on a large class that has been prepared by the rector, Dr. William C. Compton. The laying on of hands will be done by Bishop David L. Ferris, who will also preach the sermon.

Today is Ascension day, the festival day of the church, and is the second in the new church. A large choir will be in the chancel and will sing appropriate music.

Tomorrow night (Friday) the Ukrainian Mandolin Band will present a musicale in the crypt of the church as well as demonstrate native dances in costume, and will also sing native songs. There is a seating capacity in the hall of 450 and good seats are promised all who attend.

Dewey Reformed—"Maidens All Forlorn" and "A Will and a Way," two comedies, are being presented by the Young Ladies Bible Class Thursday and Friday evenings of this week at 8:15. Admission, Adults 35c, children, 15c.

Mrs. Robert Newell of Wheatland road is entertaining the Ladies' Bible Class on Tuesday evening, May 19. The Mother and Daughter Banquet will be held in the church basement on Wednesday evening, May 20, at 6:30.

The pastor will attend the meetings of Pittsburgh Synod, being held in Jeannette, Pennsylvania, this coming week. Because of his absence the mid-week service is being omitted.

The annual Congregational Meeting to be held Thursday evening, May 28. Children's Day Services are announced for Sunday, June 14.

No Decrease In Demand For Chix, Says Feedman

Although the price of eggs is said by farmers to be scarcely satisfactory, the demand for baby chicks is just as good as ever, according to the Tompkinson Feed Co., of 1604 Dewey avenue. Last year they sold 22,000 and to date this year have sold over 10,000.

The Tompkinson Feed store is quite a lively place with several hundred of the young chicks peeping simultaneously in a six-layer brooder back of the counter. Rhode Island Reds, White Leghorns and all the other various species are represented, coming to Tompkinson's at the tender age of about one day. They seldom spend more than three or four days in the store before they are acquired by their ultimate owners.

The Tompkinson company sells in any quantity from one to 3,000 or more and supplies many of the large henneries as well as individuals who just keep a few chickens.

LAKEVIEW SCHOOL NO. 7

Two assembly programs were held Tuesday afternoon. The primary program was in charge of Miss Weible; the upper grades in charge of Miss Barry. Many original poems and stories were read, stressing the need for generosity in the contributions given to the Community Chest.

Lois Kittleberg of the 6th grade has donated the use of a cage for the second canary which has been purchased by the school.

Last week was Clean-up Week. The boys and girls cooperated with the Chamber of Commerce by filling out, with the cooperation of their parents, blanks sent to their homes asking for information regarding the care of ashes, waste material, etc.

On Tuesday the Mothers met with Miss Ahlers and discussed the topic, "The Child and Religion." Several mothers gave reports.

Edward C. May is shown at the moveable organ console of which he was one of the originators. Mr. May was transferred back to the management of the Riviera Theatre, on May 1, after having been manager of the Liberty Theatre for a year.

The NORGE ELECTRIC REFRIGERATOR

A Norge Rollator refrigerating mechanism was started running in 1927 in an open room in the Norge factory. Operating day and night continuously, except for yearly 24 hour inspections and checking by micrometer gauge, this unit has equalled 16 years of normal service in the home. This Marathon mechanism shows no measurable wear, and is actually operating 1/2 of one per cent more efficiently than when started.

Simplest refrigerating mechanism, the Norge Rollator has only three moving parts... it's just a roller slowly revolving in a permanent bath of protective oil.

Only Norge has the Rollator... so, see the Norge before you buy! Manufactured by Norge Corporation, Detroit, a Division of Borg-Warner, originators of free wheeling.

Norge Refrigerators Added To Hall Line

Adding refrigerators to their automobile and radio lines, Hall's Sales and Service are now showing the new models of the Norge Refrigerator, for which they have been appointed dealers. The Norge Corporation state that their refrigerator has 19 original features, including the rollator, unique refrigeration mechanism.

The Norge Rollator, it is said, has only 3 moving parts and as a consequence is capable of long, trouble-free service. One of the refrigerators, it is claimed, has been running continuously since 1927 with no measureable wear. This is equivalent to 16 years of normal service in the home.

No. 41 Parent-Teachers Elect Officers Today

The annual election and installation of officers of the Parent-teachers Association of the No. 41 School is to take place this afternoon in the school lecture room. Refreshments will be served following the meeting by a committee composed of Mrs. A. Lee, Mrs. A. Ireland and Mrs. W. Baker.

The nominating committee which has prepared a slate of officers includes David Densmore, principal of No. 41, chairman, Mrs. William Dowler and Mrs. James Weigand. Mrs. F. L. Wadman has been appointed from the association as chairman of the committee on entertainment for the June graduating class.

The annual picnic of the Parent-teachers, it was announced, will be held June 12 at Ontario Beach Park. Mrs. Charles Pocock is chairman of the picnic committee.

Holy Rosary and Sacred Heart Ball Teams Meet

A baseball game that should draw a big Tenth Ward attendance is the contest scheduled for tomorrow (Friday) afternoon between Holy Rosary and Sacred Heart Parochial Schools. The game will be played after school at the St. Bernard's Seminary diamond.

Both schools are struggling for the leadership in the Northwest Division of the city-wide league of Parochial Schools. At present Holy Rosary is leading the league with three wins and no losses, while Sacred Heart has one win and one loss. The Lexington avenue school has an exceptionally strong infield composed of Jerry Miller, Francis Dony, Bud Mahar and Bryan Mannion. Ben Fromen, who has pitched all three victories is improving with each game.

Hetzler Baseball Squad Announced by Manager

After one month of Spring training, Manager Bob Hicks has made his final cut on his squad of Hetzler ball tossers. Players who now comprise the squad are: Shorty Schirmer, rf; Harvey Zeller, ss; Walt Russell, 2b; Johnnie McKague, cf; Ray Auberger, lf; Jerry Boudrey, 3b; Bill Hynes, 1b; Whitey Jinks, c; Chuck Perry, c; Ray Schutt, p; and Herman Curtis, p.

Riding Club Breakfasts After Sunday Morn Ride

The Brookridge Riding Club held a morning ride and breakfast Sunday at the club house on Latta road. The committee in charge was composed of the Misses Josephine Bemish and Louisa Rowles and Herbert A. Johnston.

Three new members have been admitted, Franklin Slater, Fred H. Wignall and George Wignall. Three horses have recently been added to the stables, one each by Mr. Slater and Mr. Wignall and one by Richard Bemish, proprietor of the stable.

The club is planning a ride for next Sunday morning from 10 to 12. A chicken dinner will be served at noon at Henry Mauer's on Latta road.

Report Good Results Using Mineral Water

Reports from all over Rochester indicate that Electro-vita, the new artificial mineral water introduced to Courier readers in the last issue, is making friends rapidly. Some of the prominent Rochester business men who have been using it are said to have reported excellent results.

Although people start drinking Electro-vita with the idea of helping rheumatism, stomach and kidney troubles, they are astonished to discover other situations clearing up when least expected, and in practically every instance, they report a condition of energy, vigor, and pep unlike anything they have known for years. One well-known Rochester woman, who has been on soft food diets for months, has been able to adopt a normal, solid food diet again without any discomfort after eating and is loud in her enthusiasm for her improved condition.

One young lady who has been considerably overweight and who in the past has had no success in dieting because, by doing without one meal, she became so hungry that she ate twice as much at the next meal, has taken off seven pounds and says that by drinking Electro-vita between meals, she does not come to the table in a ravenous condition and therefore avoids the eating between meals and the indulgence in starches which probably was the cause of her excess weight.

The distributors claim that Electro-vita is neither a drug nor a medicine, but a supply of minerals necessary to bodily welfare furnished in a most available form. These are the same minerals that a person gets in a much smaller degree in vegetables of certain kinds.

The Tenth Ward Distributing office is located at 483 Pullman avenue, Glenwood 2963-W, where detailed information can be secured.

Radio Tips

By Harry Russell

In this issue I am going to write on several unrelated subjects, one or all of which may interest you.

First, if you are hesitating to purchase a new radio because you are waiting for television, let me suggest that you purchase now. Television is several years away. I don't mean experimental television, but the kind you can set down and enjoy in your own home.

Second, if you have reason to believe that your radio tubes aren't all they should be, don't plan on using them all summer. You may believe that I'm just writing "sales talk," but honestly now, old tubes are a menace to your set. And summer weather produces enough static without letting worn out tubes add to the crackling and popping.

And, lastly—if your set suddenly ceases to operate don't leave it turned on in the hopes that it will "fix itself" and start playing again. I recently rebuilt a set that was half consumed by fire because the owner left it on after it ceased to operate. The trouble was a short in the power pack and a fire soon developed.

If you have any questions concerning radio you'd like answered just write me in care of this paper.

DILL—RUSSELL

The marriage of Miss Mary Mildred Russell, daughter of Mr. and Mrs. Fred J. Russell of Primrose street, to Gerard A. Dill, son of Mrs. Anna Dill of Genesee street, took place April 30 at Sacred Heart Church, the Rt. Rev. Mgr. George V. Burns officiating.

The bride was given in marriage by her father. She wore white satin and a tulle veil caught with orange blossoms. She carried Easter lilies. Miss Anna Russell, her maid of honor, wore green chiffon and lace and carried Pink Columbia roses. The bridesmaids were Miss Betty Kiefer and Miss Catherine Blonsky. Their costumes were of pink net over taffeta with green taffeta jackets. Peach picture hats and green slippers completed the ensemble. Eugene C. Dill, brother of the groom, was best man. The ushers were Frank O'Neill, Frank Biel, Fred Russell and Walter Russell.

COUNCIL TO HOLD HEARING ON LAKE LIBRARY MONDAY

Members of the Finance, Public Works and Planning and Zoning committees of the City Council will be present at a public hearing Monday night at 8 o'clock in the Council Chambers on the matter of location of the branch library which is to succeed the present Lake Avenue Branch Library. Notices are being sent to all who have petitioned the Council for one site or the other and the meeting will be open for discussion by all interested taxpayers.

The site question now centers around two proposed locations, one at the corner of Flower City park and Lake avenue and the other at Lewiston and Dewey avenues on the grounds now occupied by the temporary Lewiston M. E. Church. The hearing is planned to test public sentiment with regard to both sites, although it is in connection with the petition presented on April 27 by T. Carl Nixon for the Dewey-Lewiston site that the hearing was called.

With the present library doomed to be torn down within the next two months to make way for the Ridge road bridge approach, Councilman Nelson A. Milne states that he is anxious to have the matter settled as soon as possible. The Dewey and Selye terrace temporary headquarters is also being held up until some decision is arrived at.

Rogers Leave on Annual Pilgrimage To Rice Lake

Early tomorrow morning a group of five men, including two Tenth Warders, will leave on their annual pilgrimage over Memorial Day. They will set out for Rice Lake, Ontario, Canada, and the summer home of Charles H. Rogers. The two Tenth Warders are George Rogers, Dewey avenue grocer, and his brother, S. H. Rogers, of Robin street.

They will take plenty of food as well as fishing tackle for their excursion. The stay is of undetermined length, although they expect to return by Tuesday or Wednesday at the latest, with an ample supply of fish.

Lake and Ridge Ass'n To Meet Monday June 8

The regular monthly meeting of the Lake and Ridge Business Men's Association will be held Monday night, June 8. The picnic committee is negotiating for a site for the annual outing and expect to announce full details at the June meeting.

WILL ROGERS COMING TO RIVIERA THEATRE

Today—Friday

Marlene Dietrich, hailed as the newest sensation of the screen after her first American appearance in "Morocco," stands alone in "Dishonored," in which she is co-starred with Victor McLaglen, for she is the only woman member of a featured cast which includes nearly a dozen outstanding male "names."

"Dishonored" is Director Josef Von Sternberg's third successive picture featuring Marlene Dietrich. Von Sternberg had discovered and featured her in one picture, "The Blue Angel," made in Germany.

Saturday

Ring Lardner and Jack Oakie, names that mean much in the realm of humor, are again linked in a common cause in "June Moon," the comedy smash of "tin pan alley" life.

Ring Lardner is one of the most popular and at the same time, most brilliant of America's humorist-fictionist-playwrights. He first attracted attention with his series of baseball stories, "You Know Me Al," in the Saturday Evening Post several years ago.

Sunday—Monday—Tuesday

For the first time in the history of entertainment America's two greatest laugh makers are united in a motion picture. The picture is the Fox all talking production, "A Connecticut Yankee" and the mirth provokers are Will Rogers who is starred in the picture and Mark Twain who wrote the original story in 1889.

The story has since been recognized as one of the world's greatest satires, and with Will Rogers, the greatest wit and humorist of the present day in the title role the Riviera should be the scene of much laughter and hilarity.

Southgate Pupils Give Recital In Church Hall

The music pupils of Miss Marion Carson, of Garfield street, and Miss Ruth Southgate, of Flower City park, presented a joint recital Saturday evening at St. Stephen's Parish Hall. The orchestra of fourteen pupils opened and closed the program with tuneful numbers and the piano pupils appeared in the second part with a selection of solos and duets. Miss Southgate and her father, Irving Southgate, were heard in two duets.

from May 17 has given Manager Bob Hicks more time in which to work out his plans for a successful opening day.

Jimmie O'Neill and Ray Schutt are ready for mound duty, with either Chuck Perry or Whitey Jinks behind the plate.

And Now No. 4

Three years ago this week the Tenth Ward Courier made its first appearance here, minus a name, but withal having high hopes of fulfilling a service that would merit for the publication a place in the community life. The community was not long in naming the newspaper and Tenth Warders were almost immediately interested in its columns. The historical Tenth Ward community spirit asserted itself from the beginning and the publication of this newspaper was and is a pleasant task, principally due to the excellent co-operation of local residents and business men.

As we start the fourth volume we remember criticisms, both pro and con; we attempt to mend our fences when the criticism is adverse. We endeavor to give publicity to all organizations, whether they be church, social or political; those who are not represented in the news columns are invited to avail themselves of the opportunity. There is no charge for publication of news items; the paper is financed by the business men of the Tenth Ward who have found the results sufficient to warrant their spending much of their appropriations for advertising with the Courier. The circulation takes in 7500 homes in the section bounded on the north by Winchester street and the south by Emerson street.

Let's Do Something

The much-discussed Lake Avenue Branch Library problem is still far from being solved. In a period extending over more than a year, many words have been spoken on the subject with practically nothing accomplished. From some points of view it smacks of the Clinton Avenue Postoffice bubble.

The Courier, as a publication, of course does not pretend to take sides. It is almost entirely a matter of where you live determining how you stand. If you live in one section naturally the more easily available the library is to that section, the better you like it, and vice versa.

However, it seems a shame to make a football out of a branch library. There has elapsed better than a year since the contractor started work on the Ridge road bridge and even before that everyone knew that a new branch library would be essential. Yet what has been done? The plan of the library board apparently has been rejected and now with about two months left in which to vacate the old building, we have scrapped the plan and seem to be getting no place on a new one.

This assuredly is not a major problem. It is very much of a small matter from the city-at-large point of view. The best interests of the public demand that the site be chosen and the plans prepared immediately. If a satisfactory solution cannot be found today, it can never be found. Time may dim the controversy in the public mind, but it will not assure any better library.

The hearing Monday night should be sufficient. Everyone is familiar with the facts; the arguments for and against every suggested site have been quite well impressed. Action should be taken without further delay.

The Other Fellow

With Dewey and Lake avenue practically in the classification of speedways, it seems like good common sense for all of us to be more careful than we have ever been before. Whether we be crossing on foot or driving our cars, the responsibility is a severe one.

Unquestionably the advent of the automobile has been a serious blow to pedestrian traffic. To cross the street on foot is more than child's play. But today is today and inasmuch as everyone is in a hurry, the only thing to do is to make haste carefully and to give the other fellow a break.

Another set of lights has been installed on Lake avenue at Emerson street to break up the constant stream of traffic and to give the pedestrian some opportunity to cross from one side to the other. These lights hold up traffic, but if the other fellow is to get a break, we must hold up traffic periodically for him until we invent some other means of crossing a street. At certain times of the day in sections of Lake avenue where there are no stop and go signals, we have seen pedestrians give up in disgust after waiting as long as 10 minutes to cross.

There are times when we all join the other fellow in the pedestrian ranks, even though we do most of our traveling behind the wheel; we may be the fellow emerging from the side street or we may be the other fellow driving down the avenue. Most of us are on both sides of the fence and if we stop to consider that we are the other fellow as often as any one else, we probably would evidence more consideration.

Richfields Cop Honors In Lower Dewey League

The final standings in the Lower Dewey Bowling League show the Richfield Service team romping off with most of the honors. The team finished at the top in both average and number of games won and with the exception of high single team game were the money winners of all the special team and individual prizes.

The Richfields had high three-game, 2985, and Defendorf's had high single team game, 1063. Burns with a 591 had high three games; Makin's 255 was high single game and Gerber's 166 average was high. All were members of the Richfield team. Following are the final team standings arranged in order of their averages for the season, together with games won and lost:

	W	L
Richfields	62	13
Crown Service	48	27
Defendorf's	22	53
Markham's	30	45

Mrs. George Tagg was re-elected chairman of the Lakeview Unit of the Home Bureau at the annual elections held May 19 at the Dewey Avenue Presbyterian Church. Mrs. Richard Phelan was again elected treasurer and Mrs. Stanton and Mrs. Vick were elected vice chairman and secretary respectively.

Mrs. Francis J. Kohlmeier, of Lakeview terrace, entertained 44 members of the unit on Tuesday at her cottage on Conesus Lake.

Girl Scout Troop Holds

Annual Banquet June 5

On Friday, June 5, the Girl Scouts of Troop No. 3 at Grace Methodist Church, will hold their annual banquet for all members of the troop and their mothers. They are planning to present a play on "How St. John came to Bencer School."

Those taking part are Patricia Ross, Norma Doell, Norma Page, Ione Francis, Ruth Clearwater, Mary Francis, Edna Forest, Alice Stevenson, Helen McMasters, Ritae Stilson, Margaret Lapp and Judith Pownall.

MISS CLAIRE RETURNS FROM NEW YORK TRIP

Miss Claire of the Claire Dress Shop of Dewey avenue, returned last week from a buying trip to New York. She purchased a stock of dresses for summer wear and several new creations in evening gowns.

LEVIN TO ANNOUNCE NEW STORE JUNE 11

A new and larger meat market and vegetable store across the street from his present location will be announced in the next issue of the Tenth Ward Courier by I. B. Levin, Lake avenue merchant. Mr. Levin is preparing the store at 1525 Lake avenue, next to the Vonglis candy shop, for his new place of business.

With the city nearly ready to tear down the building at 1528 Lake avenue for the completion of the Ridge road bridge approaches, Mr. Levin is taking advantage of the situation to better his location and also to modernize his business system. He will have an up to date store with all new fixtures. Mr. Levin has occupied his present store for the past eleven years.

Miniature Golf Course

Is Opened For Season

The Boulevard Miniature Golf Course at 1836 Lake avenue, was opened for the season last week, following several weeks of preparation. This golf course, which is located opposite Kodak Park, was popular last fall and according to R. M. Farnham, owner, is the only course built on the California style in Rochester.

A new feature which has been introduced with success this year is a country grocery which is run each Tuesday and Thursday night. The course is decorated in an attractive orange and black combination. It is trimmed with fir trees. There are numerous holes which supply various hazards such as windmill, cannon, etc. The course is open every day and evening.

Lilac Queen Reigns in Rochester During Week

Miss Margaret Molhoek is Rochester's attractive Queen for a Week. Chosen from among a large number of candidates to be Rochester's Second Lilac Queen, she, with her Maid of Honor, Miss Luella Wendell Harvey, will reign over this week's festivities at Highland Park.

The week's program is arranged and sponsored by the Rochester Chamber of Commerce to introduce an element of pageantry supplementing the natural glories of the park. In the park there are 384 varieties of lilacs. The collection is the most remarkable in the world with the possible exception of Kew Gardens, London.

Having Chicken Supper

The Ladies' Aid of Lewiston Avenue M. E. Church expect a good attendance tonight at the chicken pie supper which they are serving. The supper will be served from 5:30 to 7:30.

LAKEVIEW SCHOOL 7
Mrs. Taft's class has purchased a canary bird. They enjoy taking care of it as well as hearing it sing. The last meeting of the study group conducted by Miss Ahlers was held on Tuesday. The topic for discussion was: "What do we mean by freedom when applied to the pre-adolescent child." Tomorrow, (Friday), there will be an upper grade assembly at which time the medal for citizenship will be awarded. Mrs. Taft's grade has made a collection of rocks for the science room. Each rock is labeled indicating the kind of rock, and name of the donor.

Radio Tips

By Harry Russell

The Radio Manufacturers' Association's Annual Convention soon to be held in Chicago will reveal to the public eye the trends in radio for the 1931-32 season. These new creations will be quite similar to the 1931 sets in appearance. "Midget" or small size receivers will be very much in evidence and the greater number will of course be super heterodyne receivers.

The use of the "multi-mu" tube, a screen grid tube that automatically keeps the volume at a reasonable level and reduces blasting to a minimum is much featured and a real addition to a radio receiver. The new pentode output tubes are also very prominent in the new sets and a real blessing to both the user and the midget manufacturer. When used in a properly designed circuit, one of these pentode tubes takes the place of three former type tubes and is capable of producing beautiful tone-rich, clear, and quite free of distortion.

There has been a lot of talk about an English invention, the Stenode Radiostat, a system in which a crystal (shades of the past!) is incorporated in a super heterodyne, making the receiver super selective. So far no receiver has been placed on the market using this system, but a company has been formed to market it and we may hear more about it later.

News of the Churches

North Presbyterian—At a meeting of Friendship Circle, held Monday, it was decided to send at least four girls to the Aurora Conference, held at the Wells College Buildings, July 6-12.

On Wednesday, June 3, North Church will have as a guest, Rev. John D. Henry, a Sunday School missionary, of Albuquerque, New Mexico, who is partially supported by North Church School. This will be Mr. Henry's second visit to Rochester, the first having been in 1924, when many of the people of the church made his acquaintance.

At the evening meeting on Wednesday, he will tell of his work in New Mexico, where he organizes new Sunday Schools, and travels about encouraging workers in that state. He is now the only field man for New Mexico. In a recent letter to one of the members of North Church he says: "On Sunday, March 15, we dedicated a very pretty little chapel in a community of western farmers and homesteaders. We organized a Sunday School there last fall, had no place to meet only in the shacks of the homesteaders, but they threw open their homes, we went in, had Sunday School every Sunday, and I would go and preach to them as often as I could. They asked us if we would organize them into a church, which we did; then everybody got interested in having a church building; the board helped us some, and now they have their pretty church. When we dedicated the building, we had an all day service, the people brought well filled baskets; we had a great dinner, and it was a day long to be remembered."

On Wednesday, the Rouse Class of the Sunday School, will serve supper in the church dining room; and those who wish to come are asked to telephone their reservations to the church office, Glenwood 921. Mr. and Mrs. Henry have traveled east from New Mexico to attend the General Assembly of the Presbyterian Church being held at this time in Pittsburgh, Pa.

On Sunday, June 7, the Lord's Supper will be celebrated at the regular morning service at 11 o'clock.

Dr. Stratton, the acting pastor of North Church, will preach Sunday on "America, an Opportunity."

Members of the Loyalty Circle, under the direction of Miss Ethel Robinson, presented three short plays for the members of the family of the Rochester Presbyterian Home on Thurston road, last Saturday.

On Thursday, May 28, a Double Tom Thumb Wedding, under the auspices of the Eric Circle of the Women's Society will be held in North Church. Forty-two children will take part in the entertainment. Tickets are 25c.

Redeemer Lutheran—The Festival of the Holy Trinity will be celebrated Sunday morning at 11 o'clock with appropriate services. The Rev. W. L. Dowler will speak on "What Gives Entrance into the Kingdom of God." The chorus choir will sing "Te Deum in E Flat," by T. S. Lloyd, and Mrs. W. L. Dowler will sing "Spirit of God" by Neidinger as the offertory solo.

Pentecost was celebrated with the Holy Communion and the following new members were received by the rite of Confirmation or letters of transfer: Estella Allen, Lenora Davis, Mrs. Harry A. Faber, Miss Lillian Faber, Mr. and Mrs. Edward A. Goater, Mrs. Joseph Hertzler, Mr. and Mrs. James LaPorte, Miss Alma Laporte, Miss Jeannette LaPorte, Mr. and Mrs. James Wei-

gand, Raymond Weigand, Etta Weigand, Mr. and Mrs. Henry Williams, Mr. and Mrs. Abram J. Verprillo. Mrs. Carolyn Lichtwart, Thelma Simmons, and Hugh Webster, were unable to be present for this service so will be received into membership later.

Monday evening the teachers and officers association of the Sunday School enjoyed a chicken supper in the Parish House. A miscellaneous shower was given in honor of Miss Jessie Low who for many years has been a teacher and whose wedding is announced for next month.

Plans were completed for the Children's Day program which will be given Sunday morning at 10:30 o'clock in the church auditorium as a prelude to the morning worship. The Sunday School and congregational picnic will be held Saturday afternoon and evening June 20, in Genesee Valley Park, Picnic grounds No. 2. Every family is to bring a picnic supper of sandwiches, cake, a covered dish of baked beans or salad, etc. The food will all be placed on the tables and all the picnickers will eat together. The committee will serve coffee, lemonade, and ice cream free to all at the picnic supper, in addition to the usual candy and peanuts. A committee has been appointed to arrange games and contests with prizes for both children and adults. All members and friends of Redeemer Church are invited to attend.

The members of the Church Council have announced a special congregational supper to be given Thursday evening, June 11, in the Parish House. The supper will be followed by a social and business meeting of the congregation with a surprise entertainment furnished by the members of the Church Council.

The Brotherhood is completing arrangements for their annual lawn social which will be held on the Parish lawn Wednesday and Thursday evenings, June 24 and 25. William C. Storandt is general chairman of the committees and Walter G. Barnett is the honorary chairman. Members of the various committees will be announced later.

The Rev. W. L. Dowler and Grover A. Cliequennoy will attend the annual convention of the United Lutheran Synod of New York which will be held in the Trinity Lutheran Church, New Haven Conn., the first week in June.

Ascension—Sunday, June 7 is the 17th anniversary of the coming of Dr. William C. Compton to the Church of the Ascension. At the morning service he will give a resume of the events and statistics of the seventeen years that he has been rector of the parish. The undesignated offering at this service will be used to help to finance the Sunday School picnic which will be Saturday June 13. The men's club is again in charge of this picnic and the grounds at Ellison Park has been reserved.

A daily vacation Bible school will commence Monday, June 23 and will continue each day for four weeks. The school will be conducted along the latest methods and will consist of devotions, memory work, a story hour, and hand work. The rector will direct the work of the boys and Miss Hibbard will have charge of the girls. Supervised recreation and usefully spent time are parts of the idea of the vacation school.

Services for Sunday, May 31st, are communion at 8 A. M., morning prayer and sermon by the rector at 11 A. M.; Young People's Fellowship at 6:30 P. M., and at 7 P. M. the post-confirmation class will be continued.

The next meeting of the Men's Club will be Thursday, June 11 and will be held at Robert W. Eadon's cottage at Grand View Beach.

Courier Gets Results For Local Distributor

Those who may doubt that the Tenth Ward Courier is thoroughly read should be on the receiving end of Glenwood 2963-W and listen to that bell jingle as a result of advertising in the "Courier."

This telephone Glenwood 2963-W, located at 483 Pullman avenue, is the district office of Electro-vita Distributors, Inc., and Mrs. A. W. Lyndon, who is in charge of this distributing point, reports that in the past few weeks she has had frequent telephone calls from "Courier" readers asking about Electro-vita.

It puzzles some to figure out how Electro-vita can be helpful in arthritis and in stomach trouble. These people are, of course, thinking of medicine. Electro-vita is not a medicine. It is an artificial mineral water strongly impregnated with alkaline elements which neutralize stomach acids, thus giving the stomach a chance to cure itself.

The Electro-vita Distributors emphasize that Electro-vita does not take the place of the doctor's treatment—nor does it interfere with it. People with gastric ulcers, for instance, are suffering from a serious complaint. They should not hesitate with this trouble but should consult a physician. A physician is the only safe guide in such matters but people with gastric ulcers, who are under a physician's care, find that Electro-vita is a most helpful means of patient cooperation in this uncomfortable situation, according to the distributors.

UNION TRUST BRANCH ON DEWEY TO OPEN FORMALLY ON JUNE 27

Announcement was made today by W. W. Foster, president of the Union Trust Co., that the Dewey-Driving Park avenue office of that bank would be ready for formal opening on Saturday, June 27. It will be located at 834 Dewey avenue, near Driving Park avenue. This branch will be the ninth office of the Union Trust Co.

The manager of the branch has not as yet been selected, but it has been definitely announced that the personnel of the office will be selected as far as possible from present employees of the bank living in the Tenth Ward.

"It is our policy," Mr. Foster stated, "to utilize these branch openings to promote our employees. In this way each new Union Trust office is not only manned by those trained in our policies, but in nearly every instance we have chosen them in the ward for our branches."

"This Dewey-Driving Park office of ours, we feel, is ideally located. The Tenth Ward, to my mind, is one of the most substantial in the city. Statistics show it is one of the wealthiest. Dewey and Driving Park, in the center of fine stores and business houses, lacked only a bank to make it a city within a city."

The bank will be open for a formal reception on June 27 from 9 a. m. until 9 p. m. Thereafter on Saturdays it will be open until noon and Saturday evening from 6 to 8.

Women's Outing Head Calls Meeting Tonight

The picnic committee of the Tenth Ward Women's Republican Club will meet tonight at 8 o'clock in the clubroom on Driving Park avenue. Mrs. Catherine Strauss, outing chairman, expects that committees will start work shortly in preparation for the annual event, which is to be held as usual at Ontario Beach Park on July 29.

The teams engaged in a membership drive were entertained at bridge Friday in the clubroom. Mrs. Frank L. Wadman, president of the ladies' club, was hostess.

Pleasant Canadian Jaunt Develops Serious Aspect

A pleasant little motor trip to Toronto over the holiday turned out to be a more or less disastrous affair for Fred Jackson of the Lyell Products Company, who also is vice-president of the Lyell Avenue Business Men's Association.

Accompanied by Mrs. Jackson, Fred set out May 29th for the Canadian city anticipating an enjoyable weekend. However, after two holdups due to trouble with his car, his disposition was not exactly acclimated to the heavy rainfall which featured his stay in Toronto. A little sunshine toward the end of his stay just had him feeling better for the trip back, but then his car practically broke down a short

CRONE-SCHAFFER

One of the prettiest weddings of the season took place on May 30 when Miss Irma Schaffer, daughter of Mr. and Mrs. George Schaffer of Emerson street, was married to Charles B. Crone of Curtis street. The ceremony was performed at North Presbyterian Church at 4 o'clock in the afternoon with the Rev. Paul Stratton officiating. Mrs. Douglas Bruno sang "O Promise Me" with Miss Matha Kayausky at the organ.

The bride, who was given in marriage by her father wore a white satin dress made with long train and lace jacket and a tulle veil, cap-fashion, trimmed with orange blossoms. She carried a bouquet of roses and lilies of the valley. Her maid of honor, Miss Dorothy Measday, wore white net embroidered in blue with blue taffeta jacket and hat and pumps to match. Her flowers were pink roses, gypsophila and bachelor buttons.

The bridesmaids were the Misses Lillian Harrison and Mildred Lee who wore pink net over flowered taffeta with hats and pumps to match. The flower girls, Helen Kuhlman and Betty Schroeder were dressed in yellow and green organdy with hats to match. A double ring ceremony was used, the rings being carried on a white stain pillow by Edward Crone. The flower girls had baskets of flowers and scattered roses in the aisles in advance of the procession. The church was decorated with palms and spring flowers.

Thomas Crone was best man with Edward Crone and George William Schaffer as ushers. The bride's mother wore blue satin with a shoulder corsage of sweet peas. A reception was held in the church chapel followed by a dinner at seven o'clock for 60 guests at the Clover Leaf Inn at Churchville. A five piece orchestra furnished music for dancing.

Out-of-town guests included Mr. and Mrs. L. C. Zarpentine of New York City and George William Schaffer of Boston. Mr. and Mrs. Schaffer left on a motor trip through the Adirondacks and Canada. They will return in two weeks and make their home at 455 Emerson street.

Declares Good Health Is Peculiar Condition

"Good health is a peculiar thing worth studying," declares Ralph Barstow, president of Electrovolta Distributors, in talking with a "Courier" representative. Mr. Barstow went on to say, "We know that good health is a condition of physical soundness or well being. That is really all there is to describing it. But there is a great deal more to good health than mere definition. There is, for example, the feeling attendant on good health. Without bothering whether feeling is a thing or quality, there is no escaping the fact that it is an outstanding characteristic of good health. In order really to know a thing, you must experience it and in order to know the feeling of the exhilaration that comes from good health, you must have it."

"Do you think that everyone can experience it?" Mr. Barstow was asked.

"We don't know, but everyone can try. Anything so grand, glorious, and satisfying as genuine good health is worth trying for."

"Do you think Electrovolta helps?" the representative demanded.

"Yes," said Mr. Barstow, "certainly we think so. We don't know how Electrovolta does it, but what we do know is that the theory of the available alkalinity in Electrovolta makes good sense. We do know that people who drink Electrovolta on schedule—four glasses a day for three weeks—report such improvements in their physical condition that it sounds as if they were on the road to good health. If Electrovolta was dangerous—full of 'drugs' or habit forming narcotics—then it would be foolish to drink it. But because Electrovolta is excellent bacteriologically and because the minerals it contains are very much needed by the body, there is no risk in drinking it and if the enthusiastic reports we receive from people who are drinking it here in Rochester are correct, then it is foolish not to drink it. Here is a woman who has been terribly crippled with what probably is arthritis and who, after she had finished her fourth gallon, found she could hold her coffee cup in her hand all by herself, although she has not been able to do this for a number of years. That woman naturally is glad that Electrovolta has come to town."

Benefit Bridge For Girl Scouts Tomorrow Night

A benefit bridge will be given Tuesday night at the lower Tenth Ward Republican Club rooms by the Mothers' Auxiliary of Girl Scout Troop 22, which meets at the Dewey Avenue Presbyterian Church. Mrs. William Zimmer of Clay avenue and Mrs. William Doane of Electric avenue are in charge. Proceeds will be used for the merit badge fund and also to send a girl scout to camp this summer.

Is Again Included In "Contemporary Poets"

Among the poems in the latest volume of "Contemporary American Poets," which will be off the press late this summer, will be a lyric by George W. Frear, of Lake avenue. The poem is entitled "Can I Forget?" Mr. Frear, who is only 24 years old, was also included in the 1930 volume of this work, which is published by the Stratford Co. of Boston. Mr. Frear's principle interest is in prose, however, despite his achievements in poetry.

Flower City Band To Sponsor Arliss Film

The two day showing of George Arliss in "The Millionaire" on June 16 and 17, at the Riviera Theatre will be sponsored by the Flower City Band, which will make an appearance both nights and render several selections. The proceeds will be used to purchase uniforms for the band.

The following committee is assisting: City Manager Stephen B. Story, Donald A. Dailey, Curtis W. Barker, Chief Andrew Kavanaugh, Charles H. Miller, Sherman Clute, Dr. M. E. Leary, Charles Ashton, C. F. Sauer, Austin Truitt, John McCarthy and Edward A. Carroll. A special committee met at the home of Mr. Carroll on Clay avenue last night. Tickets are on sale at downtown music stores and at Mack's Barber Shop on Dewey avenue.

Mr. Carroll, who is manager, announces that the band will be open to all graduates of both public and parochial high schools who may desire to join after graduation this month. They may obtain information by calling him at Glen 2217.

LEXINGTON SCHOOL NO. 34

No. 34 School is proud of some former students who are graduating from Jefferson High School this June. Anna Shannon, who was Guardian of the Flag, and Kenneth Hoesteroy, who was Standard Bearer, have again won these honors at Jefferson Junior High School.

In a recent Jefferson Junior Honor Roll, it was noted that 11 of the 53 children formerly attended No. 34 School.

The following Guards of the Safety Patrol are to receive awards for good work during the term:

Merit Pins—Benjamin Masseth and June Krockenberger.

Yellow Certificate—Benjamin Masseth.

White Certificates—June Krockenberger, Raymond Schutte and Jack Kutz.

Star membership—Sherman Cohen and Robert Beyer.

The honor of Standard Bearer was quite closely contested in the grade which will finish next January. Benjamin Masseth has a little better record and therefore is the Standard Bearer for the school for the fall.

The same condition holds true for the girls. Helen Kelly and Elizabeth Heffron have both done splendid work. Helen Kelly, however, takes the honor of Guardian of the Flag.

The attendance record for the week of June 1 to June 5, showed that the 6-A Grade had the best record, having perfect attendance and no tardiness.

Closing day exercises for the year will be held on Thursday morning, June 18, at 10:45. The 6-A Grade, under the direction of Miss Stamp, is preparing two plays entitled "The Invisible Guest" and "The Case of 'Ain't'". The children will give a musical program under the direction of Miss Hall and a dance under the direction of Mrs. Ormond. W. E. Hawley, principal of Monroe Junior-Senior High School, will talk to the children.

Among recent additions to the Science Room are two white mice, a banana beetle, a frog and some tadpoles.

Summer plans for the faculty include studying by Miss F. Greenberg at the University of Southern California in Los Angeles; Miss A. V. Fritz at North Western University in Cleveland and Miss H. Vickerman at the University of Rochester. Miss Doris Mode, plans to bicycle through France. Miss Mary Keeffe will not be with us next year as she is taking a sabbatical leave. Two members of the faculty will leave permanently, Mrs. Mary K. Davis, who is retiring, and Mrs. H. E. Ormond, who recently married and will live in Baltimore.

A. Kaufman Announces Tenth Ward Tire Co.

Al Kaufman of Flower City park announces the opening of a tire store at 1704 Dewey avenue, corner of Lewiston. The store is known as the Tenth Ward Tire and Vulcanizing Co., and in addition to carrying a line of new and used tires, does repairing and vulcanizing. Mr. Kaufman gained his experience at the Goodyear factory in Akron and for the past 8 years has been in this business.

"SKIPPY" COMING TO RIVIERA FOR 2 DAYS

Today-Friday

A superb cast of screen players, headed by Gary Cooper and Sylvia Sydney, features the amazing drama of underworld racketeering, "City Streets."

Dashiell Hammett's realistic story, dramatized from the actual experiences of this former Pinkerton sleuth, is a startling expose of conditions as they exist in the law-scoffing underworld of the great cities.

Saturday

"Rango" is a picture without parallel. There has never been anything quite like it—either silent or talkie. It deals with the lives and habits of men and wild beasts in a part of the world—Sumatra, in the Dutch East Indies.

Here is no complex modern drama of the drawing room. It is modern, but it is also aboriginal. The events portrayed might have happened last year or they might have happened centuries ago.

Sunday-Monday

Two famous newspaper comic strip heroes figuratively reach out over their pen and ink boundaries and shake hands in "Skippy," talking picture of Percy Crosby's famous syndicate feature.

Donald Haines, who first won cinema recognition in a comedy series based on "Smitty," is cast with "Skippy" Jackie Cooper, as the freckle-faced son of the town dog-catcher. He sports himself chiefly at the expense of Cooper and Robert Coogan.

NEW LEVIN'S CASH MARKET OP TOMORROW AT 1525 LAKE

With the moving job complete and all new fixtures at Levin's Cash Market at 1525 Lake avenue is ready for its opening tomorrow (Friday, June 12). Mr. Levin has made plans to receive all his Tenth Ward friends and patrons and to pre-empter with an opening souvenir. His former store at 1525 has been closed.

Practically all fixtures in the market are new and present a fine background for the greater assortment of meats, fresh fruits and vegetables, and groceries which Mr. Levin is featuring. A 12-foot refrigerated counter for the meats, of the newest design; a horizontal display rack for canned goods; and a specially constructed wrought iron fruit and vegetable bin, are the principle additions.

The store is arranged primarily to facilitate the self-serve method and the customers can easily make their own selections. The interior of the store is painted in an attractive green and white color scheme.

Answering the demands of competition, Mr. Levin has made two changes in his store policy simultaneous with moving to the new address. He is discontinuing his delivery and also his charge accounts, which he feels the modern trend of business makes necessary.

A number of the wholesalers and jobbers have co-operated with Mr. Levin in his opening and their products will be offered at special prices along with a large list of specials during the entire opening week. Samples of Hostess Cake and Wonder bread will be given away tomorrow in addition to the souvenirs.

Hetzler Ice nine will cross bats with the crack Polish Alliance team, Sunday on the home diamond, John Marshall High School field at 3 o'clock.

The Hetzlers won their first home game from West Henrietta by the score of 11 to 7. "Jimmy" O'Neill was on the mound in this game and kept the town boys' hits well scattered.

JOHN MARSHALL

The IV-2 will celebrate its first anniversary on Friday, June 12. Games and stunts the program at 2 o'clock scheduled at six. Two games were scheduled for Friday, June 22, at Benjamin High, owing to the fact that the Marshall auditorium is not large enough to accommodate an audience. The class of 1931, the largest ever graduated from Marshall, will occupy the girls will wear semi-formal and the boys, dark suits.

ELECTROVITA
Has Come to Town
♦ Good news for you. ElectroVita, the remarkable artificial mineral
water that has done so much for people in other parts of the country,
is now available for you here at home. You can't realize what this
means to you until you have actually experienced the improvement
that comes from the faithful drinking of this surprising product.
♦ Although you can scarcely believe it, people who have suffered
from rheumatism, arthritis, neuritis, diseases of the blood, acne, skin
eruptions, stomach trouble, nervous indigestion, gastritis, and many
other woes, will tell you astonishing facts about their improvement.
♦ If you want to be free from the handicap of your physical difficul-
ties, telephone or come in at once and let us give you the romantic
story of ElectroVita which is at last available for you.

The Luxury of Accurate Fitting in
ENNA JETTICK
\$5 SHOES \$6
... YOUNG MOTHERS are such busy
persons—on their feet much of the day
and night, looking after baby with tender
solicitude. Even when young mothers
have that "expensive" foot, they never
tire and are always smartly shod in
perfect fitting Enna Jettick Shoes.
The range of 177 sizes and widths
in Enna Jettick Shoes enables us to
fit your foot with precision and
accuracy. Never a need for a "forced-
fitting" in Enna Jettick Shoes.
AAAAA to EEE
Sizes 1 to 12
The smart appearance of your feet de-
pends entirely on how accurately they
are fitted. Look for the name Enna Jettick.
Insist on having the proper fit.
The prices of Enna Jettick Shoes are a
decided economy—\$5 and \$6 (never
more, except in Canada). The world's
highest priced shoes give no better
fitting.

Redeemer Lutheran—Children's Day will be celebrated next Sunday morning with a program of recitations and songs by the children of the Primary Department in charge of Mrs. George Eyer and Miss Jessie Low. The program will be held in the church auditorium and will begin at 10:30 o'clock. The chorus choir will sing and the pastor, Rev. William Long Dowler, will close the morning worship with a brief sermon on the subject, "The Blessedness of Childlikeness." All the parents are invited and urged to attend this service.

The Congregational supper and social meeting will be held tonight in the Parish House at 6:30 o'clock, followed by a special program arranged by the Church Council. All members of the congregation are urged to be present, especially those recently received into membership. An offering will be received to pay for the supper. Mr. and Mrs. Charles Gustke, Mr. and Mrs. Paul Dutton, and Mr. and Mrs. John Sanders are the committee in charge of the supper arrangements.

Friday evening at 8 o'clock the children of the Light Brigade will have the program for the social evening arranged by the Women's Missionary Society.

Saturday afternoon, June 20, the picnic for the Sunday School and for all the members and friends of Redeemer congregation will be held at Genesee Valley Park, grounds No. 2. Every family is asked to bring a picnic supper of sandwiches, cake, a covered dish of baked beans or salad, etc. Mrs. William Ohlrich as chairman, announces that the committee will serve coffee and lemonade free to all at the picnic supper, in addition to the usual candy and peanuts.

Children who have no other way to go will meet at the Parish House at 2 o'clock Saturday afternoon and automobiles will provide transportation. The program of games and races will be in charge of Alfred Wietz, George Berndt, Carl Schaedlich, and Grover Clicheuonoi.

The Intermediate Luther League will have a picnic and supper on the parish lawn Tuesday afternoon and evening, June 16. Members of the last two Confirmation classes are urged to be present. Robert Krapp is president of the league and will have charge of the arrangements for the picnic, assisted by Stella Allen, June Knitt, Dorothy Haskins, Evangeline Herrmann and Wilmer Ellison.

The Brotherhood will hold its regular monthly meeting next Monday

Grace M. E.—The Men's Class picnic will be held at Mendon Pond, Saturday. An interesting program of sports is planned by the committee with Charles Dean as chairman. H. S. Godfrey, is president of this group.

NEW UNION TRUST BRANCH OPENS FORMALLY SATURDAY AT 9 a. m.

Promptly at 9 o'clock Saturday morning the door of the Dewey-Driving Park Avenue office of the Union Trust Company will be opened for an all-day reception to patrons and friends. It will mark the opening of the Union Trust's ninth office in Rochester. The office will be open until 9 o'clock in the evening on its first day.

J. Curtis Flanagan, a lifelong resident of the Tenth Ward, whose home is on Driving Park Avenue, has been advanced to manager of the branch. He has been with the Union Trust Company since 1908 when he started as a messenger, and in the 23 years which have elapsed, he has advanced through the various departments. Mr. Flanagan spent 15 months overseas with the 59th Pioneer Infantry. W. W. Foster, president of the Union Trust, will be present at the opening. Edward J. Meyer, vice-president and comptroller, and Robert K. Faulkner, assistant secretary in charge of banks will assist Mr. Flanagan in the reception. Other officers who are Tenth Ward residents and who will attend the opening are Vice-president Arthur B. Clark, Vice-President and Secretary Deloss M. Rose, Assistant Vice-President Carl R. Snider, Assistant Secretaries John W. Maleoney, Albert D. Perry and William J. Volz and Assistant Trust Officer R. George Reed.

Has Full Facilities

As customary, it is expected that there will be rivalry for the first account and cameramen will be present to photograph the opening events. "The new office will have every facility of the main office," Mr. Foster states, "and will bring the full capital assets of the Union Trust Company direct to our depositors." He intimated that although the branch is starting in modest quarters, the location may be only a temporary one. "The Branch bank," he went on to say, "is a result of the decentralization in our large business communities and represents a new movement to bring service closer to the people. With so many fine stores developing in the outlying districts a bank is quite necessary to complete the communities' business facilities."

BAYNES TAKES SECOND IN GOLF TOURNAMENT

In the recent tournament held by Ad Club golfers at Genesee, E. Earl Baynes of Lakeview park copped the second place flag and a quantity of golf balls. It was a handicap affair with the prize awards based on distance. With one stroke to go, Baynes drove 225 yards on the 19th hole and rolled into second.

"Cure" Often Dishonest Word Says Distributor

"Doctors long ago gave up the use of the word 'cure' and honest observers among the public are coming to realize that where personal health is concerned, even where people are sincere in declaring themselves cured, they are frequently misunderstanding the facts," said Ralph Barstow, who is one of the interested parties in the distribution of Electrovit in Rochester.

"Improvement" is an honest word and far more accurate. Take the case of a lady in Rochester who has been suffering over three years from something that looks like arthritis or rheumatism, although no diagnosis has been final; she has been unable to handle a cup of tea or coffee, due to a cramp in her hands which made it impossible to trust herself to hold the cup.

"This lady is not 'cured' although she has taken five gallons of Electrovit. She is, however, so much improved that she can handle her coffee cup herself with perfect safety. She reports a strength and energy which she hasn't had for a long time and you can guess that she is extremely happy over her gain.

"Isn't it more intelligent and fairer to speak of 'improvement' or 'gain' rather than 'cure' in most cases? People say they have been cured of a cold and yet may take another one in a short while. Stomach trouble and indigestion are temporarily relieved many times but come back if the cause is not reached.

"Electrovit, of course, is not a 'drug.' It is an artificial mineral water. It contains no medicines whatsoever but has in it generous quantities of calcium, sodium, and magnesium. These are minerals needed by the body. They are alkaline in their nature. Consequently they neutralize acids in the body and thus enable the body to do its work with less strain. It is overloading the stomach, the blood stream, or the kidneys with toxic material that causes a great deal of our sickness and discomfort. Rheumatism, for example, so far as the authorities know, is caused by an acid condition circulating through the blood and settling in the joints, producing inflammation and congestion. Electrovit seems to have a helpful influence in enabling the body to remove this acid condition."

PERSONALS

Miss Jean Holloway of Wheatland street is spending a few days with her aunt, Mrs. William Barker in Sea Breeze.

Mrs. M. J. Devine of Magee Avenue is spending two weeks at Syracuse.

Mr. and Mrs. Fred Gardner, accompanied by their daughters, the Misses Jane and Lois, spent the week-end in Wellsville.

Mr. and Mrs. F. R. Metzinger of Dewey Avenue, spent the week-end at Bemus Point on Chatangua Lake.

Wm. Foxcroft of Saratoga Springs has been the guest of Mr. and Mrs. Albert Burmeister of Mayflower St. for the past two weeks.

Mr. and Mrs. John Baybutt of Dewey Avenue, will entertain at their summer home on Conesus over the week-end.

RHEUMATISM CAPSULES

ARE INTRODUCED HERE
Todd's Rheumatism Capsules, manufactured from an old English preparation for treating all forms of rheumatism, arthritis and muscular aches and pains, may now be obtained in Rochester at 206 Cutler building.

This preparation has been in the Todd family for more than thirty years and by special arrangement Mr. Todd, of Buffalo, is offering the Rochester public an opportunity to try this preparation and test its merits. A number of satisfied users have sent Mr. Todd testimonial letters from all over the country complimenting him on this preparation, according to his Rochester representative.

"THE SECRET SIX" AT RIVIERA SUNDAY

Today-Friday

"Kick In" is Clara Bow's first dramatic picture for the talking screen. And, for those who recall the fiery emotional actress of "Children of Divorce," the forgotten "girl next door" of "Wings," and the forceful performance of "Ladies of the Mob," this means a greater Clara Bow.

Directors and studio executives have insisted "Clara Bow is one of our finest dramatic stars—if given a chance she'll prove it."

Saturday

Lew Ayres, who plays the lead as a lightweight champion in "Iron Man," trained two months for the fight in the picture. After spending eight hours in other scenes before the camera, he would then go into action an hour and a half in the Universal gymnasium under the tutelage of Sammy Gervon.

Monday-Tuesday

"The Secret Six," is a sensational drama of American city politics and the underworld.

With Wallace Beery, hero of "The Big House" and "Min and Bill," Lewis Stone, John Mack Brown, Jean Harlow and Marjorie Rambeau heading one of the biggest casts assembled in years, the picture unfolds an astounding tale based on actualities of modern American city life.

The story was written by Frances Marion, author of "The Big House" and "Min and Bill," and was directed by George Hill, who also was at the megaphone for the two earlier hits.

Hetzler Ice Nine Will Try Saturday Baseball

Saturday afternoon the Hetzler Ice nine will meet the strong Camera Works team on the John Marshall High School field at 3 o'clock.

The Hetzler management is trying out Saturday baseball and if the attendance warrants it, other Saturday games will be booked. On Sunday Hetzlers meet White City on the latter's diamond in Summerville.

Special Cake Wins In

Music Store's Contest

In a recent contest at the Music Lover's Shoppe, Mrs. Adolph Winterroth of Dewey Avenue was awarded honorable mention. Mrs. Winterroth incorporated her answer to the "21" contest in a cake which she designed herself and which was baked in the H. A. Johnston Bakery. It was a three-layer frosted cake, decorated with rose buds.

BUSINESS MEN'S PICNIC JULY 22 AT BAY VIEW

The third annual picnic of the Lake and Ridge Business Men's Association will be held Wednesday, July 22 at Bay View on Irondequoit Bay. Tickets will be on sale next week. Gerald C. Kenny is general chairman.

JOHN MARSHALL CLASS HOLDS ANNUAL REUNION

The class of 1928 of John Marshall High School held its annual reunion last Saturday. The reunion was held at Green Gables, the summer home of Miss Mayo at Honeoye Lake.

CORRECTION

Through a typographical error, a mistake was made in the Levin advertisement in the last issue. "Broilers to serve 5 people" was intended "Broilers to serve 2 people."

LAKE AVE. LIBRARY TO BE TEMPORARILY IN JOHNSTON BLOCK

Final decision as to the location of a temporary library to house the present Lake Avenue Branch was made by the Council Monday evening. Alterations will be started shortly on the H. A. Johnston block at Lake Avenue and Owen Street, which gained the approval of the Councilmen as a temporary headquarters.

The approval of the lease of this property also carried with it an appropriation of \$3,000 for necessary alterations. The library will not occupy the entire block, but will have entrance on both Owen Street and Lake Avenue.

For a permanent building the Library Board has recommended that the property at the southwest corner of Lake Avenue and Flower City Park be acquired. However, no definite decision has been made on this proposal. The Dewey Avenue and Selye Terrace site has also been temporarily side-tracked due to a restrictive clause in the lease, according to Councilman Nelson A. Milne.

Lake View Unit Outing

At Ontario Beach Park

The outing of Lake View Unit of the Home Bureau will be held next Tuesday afternoon at Ontario Beach Park. Mrs. Harry Watt is general chairman.

Mrs. S. Newbury is chairman of the refreshment committee, which includes Mrs. J. Darling, Mrs. H. E. Vick, Mrs. Harvey Giles, Mrs. F. VanAlmkerk, Mrs. H. Guider, Mrs. S. Innes, Mrs. George Hesselink and Mrs. Gordon Weller. The sports committee is headed by Mrs. George Nagle and includes Mrs. R. J. Phalen, Mrs. E. Rothaug and Mrs. A. L. Armstrong.

Cinderella's Slipper WON HER A PRINCE

When the Prince found Cinderella's slipper, its dainty perfection won his heart. He sought out every maiden in his kingdom, never pausing 'til he found its owner. and started the manufacture of a
genuine old-fashioned ice cream.
They have set up the equipment
just back of the counters and pa-
trons can see the ice cream in pro-
cess of manufacture.

The plant has a capacity of 300
gallons a day and is kept con-
stantly in operation to supply fresh
ice cream continuously. Thomas
Kinaine, a college graduate, is in
charge of the ice cream manufac-
ture and in addition makes his own
syrups. He was formerly with
Park-Tilfer in New York City.
Positively no gelatine or corn starch
is used in the ice cream, according
to John Klein.

The ice cream is put in regular

News of the Churches

North Presbyterian—On Monday,
June 29th, the thirteenth annual Vac-
ation Church School will start. A
new plan will be followed this year;
the number of children who may at-
tend will be limited to 25 and an in-
formal program of worship, stories,
games and handicraft will be con-
ducted. There is still an opportunity for
a few children to register by calling
Glenwood 921.

Saturday afternoon at 1:30 at On-
tario Beach Park, the annual picnic
of the church will be held, under the
direction of the Service Board, W. E.
Couch, chairman. There will be
games and stunts for everyone, and
60 prizes will be awarded to the win-
ners. Supper will be served at six
o'clock for 25c per plate. Those who
wish to attend the picnic are asked
to notify the church office (Glenwood
921) before tomorrow (Friday).

Sunday will be the last day of Dr.
Stratton's ministry in North Church,
where he has served as acting pastor
since last November. During the
summer, the committee on pulpit
supplies, Mr. Kingsley and Mr. Ma-
bee, will provide for the services un-
til the Rev. Robert Findlay begins
his pastorate the second week in Sep-
tember.

The Wilbur Class of the North
Presbyterian Sunday School held
their annual outing yesterday at the
home of Mr. and Mrs. Harold L.
Franck in Spencerport.

At the morning church service on
Sunday, four young women who will
attend the Presbyterian Young Peo-
ples' Conference at Aurora, will be
commissioned. All members of
North Church who have attended
summer conferences at any time are
invited to attend this service and
places will be reserved in the audi-
torium for them. Those who will at-
tend the Aurora conference this year
are Allene Hoesterey, Ruth Beldue,
Edith Miller and Harriet Miller. The
conference takes place in the Wells
College Buildings, July 6-13.

Redeemer—The Fourth Sunday
after Trinity will be celebrated next
Sunday morning with the service of
Worship at 10:30 o'clock. The pas-
tor, Rev. Wm. Long Dowler, will
speak on the theme "The Church of
Christ as a Healing Power."

Sunday School service will be
opened at 9:30 o'clock with the su-
perintendent Alfred Wietz leading
the service of worship, after which
the classes will discuss the lesson
topic, "Jesus the World's Savior."

The Sunday School and Congrega-
tional picnic, held last Saturday at
Genesee Valley Park drew the larg-
est attendance ever recorded.

The Brotherhood is sponsoring a
lawn social being held on the Parish
grounds Wednesday and Thursday
evenings of this week. The Boy
Scouts are assisting in the serving.
William Storandt is general chair-
man, assisted by William Ohlrich,

Carl Knitt, Charles Gustke, John
Tomer, Volney Pettinger, Grover
Clicquenno, John Sanders, Fred
Close, Paul Dutton, Fred Templeton,
and other members of the Brother-
hood.

The Bethany Guild is planning a
picnic for Wednesday, July 8 at Mrs.
Fred Woehr's summer cottage at
Shore Acres. Mrs. Frank Frey is
in charge of arrangements. The reg-
ular meeting of the Guild will be
held in the Parish House July 2.

Grace M. E.—The annual Church
Picnic will be held today at Seneca
Park. The sports are under the di-
rection of Corwin Kindig of the Ma-
plewood Y. M. C. A. A picnic sup-
per will be served at 6 o'clock.

The Epworth League Picnic will
be held Saturday, June 27, at Church-
ville Park. The picnickers will leave
the church promptly at 2 o'clock.

KEEFER-NEWMAN

The marriage of Miss Marie A.
Newman, daughter of Mr. and Mrs.
Albert Newman and Raymond F.
Keifer, son of Mr. and Mrs. Wil-
liam Keifer of Canary street, took
place June 20, at Holy Rosary
Church at 9 A. M. The Rev. Arthur
A. Hughes officiating at the cere-
mony. The altar and sanctuary
were decorated with palms and roses.

The bride wore a gown of shell
pink chiffon with chantilly lace. Her
veil was of shell pink tulle caught
with pink gardenias. She carried her
mother's wedding prayer book with a
shower of lilies of the valley.

The maid of honor was Miss Bea-
trice Ann Newman, sister of the
bride. She wore a gown of French
blue embroidered net with a wide
bow of American Beauty taffeta,
with hat and slippers to match. She
carried an old fashioned bouquet of
garden flowers. Joseph Keifer,
brother of the groom was best man.

The bride's mother wore a gown of
black embroidered georgette with a
shoulder bouquet of sweet peas and
tea roses. The groom's mother
wore flowered chiffon and had a
corsage of tea roses and sweet peas.

Dinner was served at Craig Hill
with 30 guests present.

Among the out of town guests
were Mr. and Mrs. F. Hutterman of
Virginia, and Mr. and Mrs. Ber-
nardo of Grimsby, Ontario.

Pre-nuptial events included showers
given by Mrs. Stanley Nelson, Mrs.
Raymond Donovan, Miss Anna
Marie Keifer, Miss Iola Tanny, Mrs.
Charles Carr, Mrs. Albert Newman,
and Miss Beatrice Ann Newman; a
dinner party by Mrs. Charles Carr,
and a bridge luncheon by Miss Iola
Tanny.

After an extended trip to Toron-
to, North Bay and Saulte St. Marie,
Mr. and Mrs. Keifer will be at
home at 828 Dewey avenue.

**What are you doing
for your rheumatism?**

- Are you dissatisfied with the progress you are making or have you given up any idea of getting clear of rheumatism and lumbago?
- Why don't you find out about Electrovit? If you stay with it, it is possible that you will note improvement. Five gallons will give you a definite test.
- If you aren't getting results, surely this is worth investigating. Electrovit is the new artificial mineral water, strongly impreg- nated with the alkaline elements necessary to combat the rising tide of acid in your system.
