Sibley, Ashford To Speak Here

The two top men in the city's department of Public Safety have agreed to speak at the next meeting of Ninth Ward Democrats, Commissioner Harper Sibley, Jr., and his newly appointed deputy assistant, Laplois Ashford, will address the meeting scheduled for next Tuesday night, Apr. 20, at 8 p.m. in Sellitto's Restaurant.

Also on the agenda for the meeting is a final report by Stewart Van Auken on the gala fun night being held by the Ninth Democrats on May 14 at Island Cottage Party House.

Change In Plans For Mrs. Liccione

The Concetta Liccione Fund, now approaching \$660, plus a personal contribution by the husband and a sizeable donation by a relative, will make possible a trip to this country by Mrs. Liccione's parents, probably this summer.

Within the past week it had been definitely determined that Mrs. Liccione could not make the trip to Melfi, Italy, and it was decided the next best thing would be to bring her mother and father here for a long visit. The public fund drive has been closed but the necessary money has been found.

Not previously acknowledged are these donations: Mr. and Mrs. Frank Lamendola, 26 Lime St.; Societa Femmine Melfi, M.S.; and two anonymous gifts. Also offered is a free permanent wave by Margaret's Beauty Salon, 506 Ridgeway Ave.

Other donations have been voted by two organizations, totaling \$101, but have not as yet been received. This would bring the amount contributed publicly to \$660.30 and about \$950 was needed, at a minimum, it is now forthcoming.

Holy Family Theatre Guild will present the hilarious Farce "See How They Run" at Holy Family Auditorium Tuesday and Wednesday evenings Apr. 27 and 28, at 8:15. In the cast (pictured above) the following will be seen: James Gleason, Jack and Jean Meekin, George and Inez Ringholz, Tom Walsh, Jim McStravick, Winnie Galland, Anthony Polotta. The play is being directed by Richard Hommel; stage manager, John Volkmar assisted by Larry Hursh, Joe Bader, James and Virginia Probst. Msgr. Geo. J. Schmitt, pastor of Holy Family, is producing the play.

Little League Registration

Registration for the West Side Little League which takes boys in the area south of Jay St. is set for three days next week at the Cairn St. clubhouse. Hours are Friday, Apr. 23, from 6 to 8 p.m.; Saturday, Apr. 24, 11 a.m. to 4 p.m.; Sunday, Apr. 25, 11 a.m. to 3 p.m.

Boys who will be eight by Aug. 1, 1965 or older are eligible. They should bring a birth certificate and be accompanied by mother or father.

Tim Donoghue is president and Bud Smith is vice-president of the league organization.

SATURDAY Apr. 17, is the day for registration in two other baseball programs in the Northwest area. Boys and girls interested in the 40 & 1 Program should report Saturday between 10 a.m. and 3 p.m.

at the Dewey-Ridgeway Service Station. Northwest Youth Assn. registrants should present themselves at Most Precious Blood Church Hall Saturday between 1 and 3 p.m.

Republican Club Holding Card Party

Final plans have been made for the annual card party of 24th Ward Republicans being held on Wednesday, Apr. 28, at the West Side Ukrainian Club. Prominent political leaders will be among those attending, according to Frank Hemmerich, the ward executive committee man. Tickets are obtainable from committee members or from Mr. Hemmerich. Green Stamps Next For Blood Donors

A novel arrangement has been made by the local Red Cross units for the visit here on Apr. 27 of the Bloodmobile. All blood donors will be presented with 100 green stamps. Announcement of this additional incentive was made this week by Henry R. Dutcher, Jr., chairman of the blood drive committee of the First, Ninth and Tenth Wards.

Men To Hear About Bad Literature

Holy Rosary Holy Name Society will hold its April meeting on Apr. 19 at 770 Emerson St.

Jack Ward, president of the Diocesan National Office of Decent Literature of the Knights of Columbus will be the speaker. His talk will focus on "The Extent of the Pornographic Racket", and will also include suggestions for positive action by civic groups. A film will be shown which is for adult groups only.

The program is carried out on a parish basis by the Family Campaign for Decent Literature sponsored mainly by individual members of the Holy Name Society. At Holy Rosary Church William McBride is the captain. Members check on a monthly basis the outlets for this material.

Supper April 22 For First Warders

The First Ward Democrat Women's Club is holding its annual thirteen supper Apr. 22 at 6:30 p.m. at the Italian-American Club, corner of Sherman and Emerson Sts.

For reservations contact Lucille Masco CL4-4518, chairman of the annual event. Tickets will be available at the door.

Recreation Area Along The River

The Northwest area will benefit from the city's plan for possible development of the river front. About 124 acres of land along the river bank extending from the Driving Park Ave. bridge northward are involved.

Picnic areas and foot paths are suggested, with natural island foot bridges and paths designed to extend Maplewood Park.

The idea, advanced by Mayor Frank T. Lamb, has been under discussion for several years. Lamb points out that money for planning, acquisition and development is available under the federal Land and Water Conservation Fund.

This will be in addition to expansion from two to five acres of a recreation area along Hastings St., south of Maplewood Park, plans for which now have state approval.

Mother-Daughters Party At Cathedral

Easter Monday, Apr. 19, will offer members of the Rosary Guild of Sacred Heart Cathedral a chance to provide their daughters with a delightful evening's entertainment at the annual mothers and daughters party.

Rosary and benediction in the Cathedral at 7:45 p.m. will precede the festivities.

Entertainment will be presented by members of the Blackfriars Catholics Theatrical Group of Rochester. Sr. Francina will lead the school orchestra as the members of the Blackfriars present their Punch and Judy Puppet Show.

Mrs. John Zarembo will be the mistress of ceremonies and the hospitality committee will serve refreshments.

There will be a 25 cents admission charge.

NEWS BRIEFS

EDWARD D. HOCH, 2941 Lake Ave., is the author of a story in the May edition of Ellery Queen's Mystery Magazine, "The Spy Who Did Nothing", a mystery thriller, features a solution by Hoch's fabled investigator, Rand, of a case which baffled the top experts.

DELTA SIGMA PI of R.I.T. is looking for rummage for a sale the members are holding this weekend in West Main St. Household articles, clothing and other items will be gladly picked up. Call FA 8-2315 or bring to 940 Jay St.

BOY SCOUTS of Troop 196 are grateful to people of this area who contributed nearly ten tons of paper and enabled them to raise \$118.45. As a result, says Scoutmaster Jerry Stephenson, 16 boys will be able to go to camp this summer.

**Ninth GOP Head
Given Surprise**

A surprise presentation of a birthday cake to the president, Mrs. Laura McBride, featured the April meeting of Ninth Ward Republican Women held at Duke Spinner's studio. Many gifts and good wishes were presented including a gift on behalf of the club by Mrs. Minnie Salvia.

The women also decided to donate \$25 to the Ninth Ward Youth Association to help further their program.

**Dewey-Driving Pk.
"Condition" Hit**

TO THE EDITOR:
The recently elected president of the Dewey Ave. businessmen's association, Thomas J. Fenlon, appears to have gotten off to a good start with his protest against the intolerable traffic conditions in the general vicinity of the Dewey-Driving Park area. This is a situation that screams to high Heaven for remedial action before someone is maimed or killed.

Isn't there anyone on the city council or board of supervisors who is willing to suspend their ridiculous political games for at least a little while and do something really constructive to alleviate this condition?

We elected them and are paying them to look out for our interests. One cannot help but wonder if they will ever wake up and assume the responsibilities that we entrusted to them.

ANTHONY GORDON

FATHER JOHN DREXEL quite apparently is making himself understood--in Portuguese-- as he speaks with children of his parish in Saint Sebastian, Minas Gerais, Brazil. The Catholic priest, a former resident of the Northwest area, is home on leave and also on a money-raising mission for his work in South America.

Dinner To Benefit Hospital Fund

"Bounty for Brazil" is the avowed aim of a group of Rochester people who are sponsoring a dinner on Sunday, Apr. 21, to raise money for a hospital run by Catholic missionaries. The dinner is to honor Father John Drexel, O.M.T., who is on leave from his duties in Brazil and is visiting with his parents, Mr. and Mrs. John J. Drexel of Meadowbriar Lane, formerly of Canton St.

Father Drexel has been stationed in Sao Paulo, Brazil for nearly three years as a representative of the Oblates of Mary Immaculate. He attended Holy Family School as a boy and at one time was a carrier for the Vicinity Post. He graduated from Aquinas, St. John Fisher and St. Michael's in Toronto.

The dinner will be held at the Party House at 6:30 on Apr. 25 with Eddie Meath as master of ceremonies. Tickets are available from members of the committee at BE 5-4025 or DU 1-6019.

More Parking Space Added By Market

A two-family dwelling has been razed to make room for a large parking lot next to the Arrow Food Market at 537 Dewey Ave. The additional space for parking is for customers of the market. About three times as many cars as formerly can now be accommodated.

Since Arrow went self-service about a year ago the number of customers who drive in for their meats and groceries has greatly increased, making necessary the increase in parking space.

and Tenth Ward Courier Clearwater 4-5200

VOL. 38 NO. 17

ROCHESTER, N.Y., WEDNESDAY, APRIL 28, 1965

Store Promises Truck Relief

A change to night deliveries to avoid traffic hazards has been promised by the Wegman Food Store in Driving Park Ave. In a letter to Thomas J. Fenlon, president of the Dewey-Driving Park Businessmen, Edwin J. Wegman noted a complaint recently published in the Tenth Ward Courier under Fenlon's signature and stated "It is never our intent to inconvenience people or do anything in any way to contribute to a traffic problem." Immediate action of his company, he said, will be to limit the over all size of cabs and trailers allowed to make deliveries.

Barragato Gets Supervisor Nod

Republican Leader William Slatery has officially released the names of the candidates selected to run for supervisor and constable in the 20th Ward.

Dominic Barragato, well-known in both the 15th and 20th Wards, carries the nomination as supervisor. Ralph Hall will be his running mate for constable.

20th GOP Banquet

Fifth annual banquet of the 20th Ward Women's Republican Club will be held on Tuesday, May 18, at the Four Seasons Restaurant, 24 Lincoln Ave. with choice of roast chicken \$3.25, veal cutlet \$3.50, or roast sirloin of beef \$3.75. (Price includes gratuity.) Tickets may be obtained from chairman Beverly Fowler at BE 5-2148 before May 11. Co-chairman is Mrs. Vincent Pilletteri and honorary chairman, Mrs. Ralph T. Jones.

Organist To Play

George Epstein, renowned concert organist, will make personal appearances and will play the new Thomas Theatre organ as the feature of an open house tomorrow (Thursday) and Friday at Duke Spinner's Music Center, Dewey at Driving Pk. The public is invited. The store will be open until 10 both nights and there will be free roses for the ladies and cigars for the men.

ROBERT A. (BOB) NOLAN, above, of 600 Augustine St., has been elected Democratic committeeman by unanimous vote of the ward and county committee of the Tenth Ward, succeeding the late S. A. Schauseil. He has been a Democratic committeeman for several years.

A graduate of Aquinas, he has four children and his occupation is agent for the Prudential Insurance Co.

Ninth GOP Women

Entertainment will again be featured at the next meeting of Ninth Ward Republican Women scheduled next Wednesday, May 5, at Duke Spinner's Music Center, 844 Dewey Ave. After a short business meeting starting at 7:15, Joseph Miltch will play his accordion and the junior hostesses will sing. Husbands and escorts are invited. (Captain Cindy Page of the junior hostesses has a new member to present, Roberta Sanow).

Parents Coming

THE LICCIONE FUND reached a total of \$690.30 last week with an anonymous contribution of \$5.00 and this money, together with about \$300 advanced by the husband and a relative has now been forwarded to the Italian shipping lines through the F. J. Cappellino Travel Agency to buy two roundtrip tickets for Mrs. Liccione's parents to bring them to America this summer. If all goes well, the parents, Antonio and Maria Belluscio of Melfi, Italy should sail next month from the port at Naples.

Neilon, Romano Get GOP Nod

The Ninth Ward Republican organization has officially designated Robert P. Neilon and John J. Romano as candidates for re-election for the offices of supervisor and constable respectively.

About Drag Racing

TO THE EDITOR:

On Sept. 11, 1962, a petition was sent by the 15th Ward Republicans, and signed by the people in the general area of the 15th Ward, requesting stricter enforcement of speeding violations.

This petition was received by the Democratic City Council they in turn referred it to the Commissioner of Public Safety. Up to the present time, there has been no action to correct this problem.

Recently, two youths were drag racing on Cameron St. Just how many more incidents of this nature must we have before action is taken? Or, are they waiting until one of our children is seriously injured, before correcting the situation?

The question is, just what happened to this 1962 petition?

The heart of a complete comfort system is a WILLIAMSON Furnace. Offered for use with gas, oil, electric or coal.

Meet The Committee
Holy Rosary's Summer Festival committee: Paul Georger, Noreen Ellison, Rev. Richard Orlando, Bill Dady (chairman) and John DiNolfo. Event takes place next weekend.

VETERANS OF FOREIGN WARS County Comdr. Henry Hines presented past Comdr. Joseph R. Vay with a life membership in the V.F.W. at the Keith-Miller Post anniversary banquet. Vay (at right) is shown getting certificate from Hines. (Story on P. 6)

Stolen Bicycle Owner Found

The mystery of the stolen bicycle (left at a Lexington Ave. home two weeks ago) was cleared up last week through a story in the Tenth Ward Courier. The Edward Cade family of Curtis St. identified the girl's bike as one that had been taken from their yard. But what happened to some 35 or 40 other bicycles stolen about the same time?

The wave of thefts has demonstrated the necessity of keeping bicycles under lock and key and preferably indoors even during daylight hours.

Your neighborhood newspaper has descriptions on several stolen bikes including four girl's models blue in color, and a boy's bicycle. Names and addresses are available at our office, 495 Emerson St. Any information on bicycles that may turn up unexpectedly, as in the Lexington Ave. case, will also be gladly received at this office.

Seek Hospital In Northwest

A change of name and the broadening of the Executive Committee has been announced by Ralph De-Stephano, chairman of the Hospital Committee of the Greece Council, Rochester Chamber of Commerce.

Formerly the Greece Hospital Committee, the name is now the Northwest Hospital Committee.

This reflects the fact that a hospital in the northwest will benefit three city wards, the 9th, 10th and 23rd, and the towns of Gates, Hamlin, Parma, Odgen and Spencerport.

Northwest area men added to the committee are Supervisors Robert Neilon and Jerry Clifford, Dr. John Oster and Worth D. Holder, executive vice president of the Chamber of Commerce.

Hoffman Appointed Marshall Principal

Matthew R. Hoffman, acting principal of John Marshall, will become principal of the school on July 1, succeeding Dr. Raymond E. Francis who retired due to illness.

Hoffman won high praise from Superintendent of Schools Herman R. Goldberg who announced the advancement last week. "He has demonstrated skill, sincerity and integrity in both teaching and administrative posts," said Goldberg.

A graduate of Aquinas and the University of Rochester, Hoffman has been on the city school district staff for 13 years. He has previously taught history and social studies and was dean of students at Marshall for 4 1/2 years before being named vice-principal.

Holy Name Group Holding Banquet

Holy Name Society of Holy Family Church is holding its third annual installation banquet Wednesday evening, June 2, in the Pine Room. The dinner will be catered and will be preceded by a cocktail hour which will start at 6:15. Holy Name men and their wives are invited.

The Rev. Raymond Wuest, a former pupil and parishoner of Holy Family, will be the guest speaker.

Pat Grassi and John Donnelly are co-chairmen for the dinner and tickets may be obtained at Grassi's Dry Goods Store on Ames St.

Seek Rummage

Troop and Post #17 Mother's Auxiliary are having their fifth annual rummage sale on June 11-12. Rummage may be left with Mrs. Marie Auble at 238 Wilder St. Anything would be appreciated, especially dishes, pots, pans and summer clothing. The auxiliary originates at Trinity Lutheran Church in Campbell St.

Ensign Michael F. Riley

Graduating From Naval Academy

Michael Ford Riley, son of Mr. and Mrs. Thomas F. Riley of Seneca Pkwy., is graduating today from the Naval Academy and is being commissioned an ensign. He will report to Quonset Pt., Rhode Island for 30 days and then goes to Pensacola for flight training in the Naval Air Corps.

Ensign Riley attended Sacred Heart grammar school and Aquinas Institute where he was outstanding in athletics as well as in student affairs. He served a year as treasurer of the Student Council and starred on the varsity football team. At the Naval Academy he also played football for four years, making the Varsity team at right guard in his senior year.

His father is Republican leader of the Tenth Ward and superintendent of the County Penitentiary. His mother is president of the Aquinas Mothers Club.

More Bridges Asked Over The Genesee

While the city weighs the possibility of repairing the closed Driving Park bridge, the demand for at least one or two more bridges across the Genesee River is being voiced. The daily newspapers have run strong editorials and expressed fears that the city traffic situation will be getting out of hand despite inner loop improvements.

The heavy load on the Ridge Rd. and Smith St. bridges during rush hours is now greatly aggravated and even streets as far removed as Dewey Ave. are piling up bumper to bumper traffic at times.

Inspections which are expected to last several weeks will determine the fate of the Driving Park span. It is considered possible to save it for pedestrian and light car travel, with heavy vehicles banned.

Italian Couple Await Passport

Roundtrip steamship tickets for the parents of Mrs. James Liccione have been purchased and forwarded to Naples, Italy, visas for entry to the USA have been processed and the little town of Melfi is all excited about the prospect of two of its citizens taking the trip to America. The only delaying factor seems to be slowness of the Italian government in issuing the necessary passports.

Funds contributed largely by the readers of the Post and Courier have been used to finance the trip of Mr. and Mrs. Antonio Belluscio to visit their daughter and her family who live in Smith St. Arrangements were completed by the F.J. Cappellino agency in Lyell Ave. over a month ago and it is confidently expected that the Belluscios will be sailing any day now.

Expressway Area Residents Offered Home Finding Assistance By Agency

Advice for home owners who will be forced to move when the Dutchtown Expressway construction gets under way and also information for those interested in public housing is now available locally at the Charles Settlement House, 445 Jay St.

A meeting to discuss housing is scheduled for the evening of June 16, starting at 7:45 at Charles Settlement House. The Charles Settlement House is coordinating with the Urban Re-

newal and State Departments concerning the expressway. Its role is to visit affected families whose property is being taken in whole or in part and to assist in finding homes for those who desire help. Approximately 260 families are involved.

Information is available at the 445 Jay St. headquarters or by phone to FA 8-5453.

N.Y.A. Baseball Season Starts

The Northwest Youth Association officially opened its baseball season Sunday at Most Precious Blood Church Field with Father Sebastian Contegiacomo, pastor, giving his blessing and James "Lefty" Huether throwing the first ball.

The 225 boys proudly marched behind a snappy drum and bugle corps, sporting new uniforms.

Frank Hemmerich, Ray Margrett and Joe Esposito were principal speakers and complimented the association and its members for their efforts.

Pat Donofrio, president of the association, introduced guests, officials and sponsors and also thanked the many friends and parents, especially Anthony Cavuto, Don Landers, Tony Galino, Fred Howard, Vincent Mancuso, Augie Placito, Ray Lieppe and Mrs. Anthony Cavuto, the officers of the association.

Grace Methodist

Rev. Franklin B. Laundry, associate pastor, will preach on Sunday at the 11 o'clock service of divine worship on the theme, "The Word of God". Nursery care is provided for pre-school children during the hour of this service as well as during the Church School hour beginning at 9:45.

Group To View African Movies

Rosary Society of Holy Family Church will have its regular monthly meeting tonight at 8 o'clock in the Pine Room.

Father Charles Erb, S.V.D., will show movies on his mission in Ghana, Africa. It will be most interesting for the members since Father Erb is also a Holy Family parishioner.

Mrs. Louise Shannon will be hostess for the evening and a birthday party has been planned honoring all members' birthdays. The usual games will follow.

Dinner Tonight For Rev. Drexel

A family dinner to wish him God speed and a safe journey back to his missionary duties in Brazil is planned for Father John Drexel tonight at Patsy's Tavern in Maple St. The dinner has been arranged by his aunt and uncle, Harry and Anna Spring of Hague St.

Father Drexel, who has been on leave from his South American post for the past two months, returns by air on June 20. He has been quite successful in raising much needed capital here for his mission and especially for the hospital facilities he is building in his Brazilian parish. (Father Drexel had completed his schooling to qualify for an M.D. degree and was interning at St. Mary's Hospital when he decided to study for the priesthood in the Basilian order).

Vacation Time For Post - Courier Stockmeister To Run Again

The week of July 4 will be vacation time for your neighborhood newspapers with no paper being published on Wednesday, July 7, and the office will be open on a part time basis after next Tuesday, June 29, for one week.

There will be an edition of the Tenth Ward Courier next Wednesday, June 30. The next publication date after that will be July 14 when the combined Vicinity Post and Tenth Ward Courier will be published.

Gutberlet Heads Ninth Democrats

Frank Gutberlet of Albemarle St. is the newly elected president of the Ninth Ward Democratic Club. In the elections held last week the following officers also were chosen:

Vice-president, Willet "Red" McGrath; secretary, Winifred Toole; treasurer, Frank Leonard; sergeant-at-arms, Lino Testaguzza.

Gutberlet's first statement was a plea for organization support for Harold (Jeff) Wilkin whom he described as the "workingest supervisor the old Tenth Ward ever had." Wilkin is running for supervisor in the Ninth with Ronald Dekdebrun his running mate for constable.

Gene Lynch, outgoing president, thanked everyone for "the fine support" given him and promised to continue to "work for a strong Ninth Ward Democratic organization."

Ray Margrett, First Ward Supervisor, who was the speaker at the meeting, told of pending developments in the Board of Supervisors.

Some people actually go into a bank to get a boat loan

Silly trip.

We bring the bank to the buyer with a Lincoln Rochester Boat Loan. You get it right at the dealer.

In fact, we've got the loan-for-boat business down to a science.

For one thing, we figured out the fact that people like to have accessories included in the loan like cushions and water skis and life jackets and even the first tank of gas.

For another, we figured that people like the loan protected so we offer a wonderful low-cost health and accident insurance called Blanket Protection.

Then of course we assumed that people want low bank rates and as long as 3 years to pay back the loan.

All that figuring paid off. We've launched more admirals than any other bank in the Rochester fleet.

Ask your dealer about us. We'd be delighted to pipe you aboard.

YOUR COMPANY BELIEVES

TO OUR CUSTOMERS, we want to be a good servant, useful in the way they want to be served. In our setting, where high quality is a civic tradition, this means doing a little more, done a little better, at a price that reflects value received. Our customers want more than cut-rate service. What we give them, we believe, is the best available anywhere — and our rates are still below those paid by the majority of the people in New York State.

To our investors, we want to be a good steward. We aim to provide a fair return and good growth on our shares, and the overall soundness needed to make our bonds eagerly sought whenever they are offered. Management so oriented, we believe, begets more than satisfied investors. It also assures the availability of growth capital needed to meet the increasing demands for service by our customers.

To our employees, we want to be a good boss who recognizes the full value of work well done. Their skill, loyalty, and pride of occupation are RG&E's reward for its tradition of providing secure jobs with just compensation.

To our community, we want to be a good constituent. Being the largest payer of local taxes in our territory is only the beginning in our continuing efforts to help our environs and our neighbors to live and grow happily. This policy stems from the knowledge that RG&E cannot prosper unless its community does.

This is the role we strive to fill. To those with ideas on how we can fill it better, our door is ever open.

4-H Club Girls Win Certificates

Members of the Baker's Dozen 4-H Club have participated in the County Clothing Revue, held in Irondequoit, May 21. Their commentator was Mrs. June Rupert and they modeled the garments they made in the club. They received certificates. At present, the girls using their own earnings are completing their sixth community project of the year, by providing planters with seeds to help neighborhood youngsters learn all about "green growing things".

These deserving girls would like a weeks' vacation at 4-H Camp and shortly will be canvassing in regard to building up this fund with sales of cartons of four kinds of Dolly Deer Candies, Almondeers and Cocoanut Squares at 50¢ each.

The girls identify themselves by means of arm bands and cards. They also are selling pan scrapers at 25¢ each.

TO THE EDITOR:

What it will avail us, we know not, but continued resistance will be made to conditions as they now exist on Dewey Ave. at Driving Pk.

Over two months ago the Wegman Food Store stated they would be changing to night deliveries but the majority of trucks are still causing a traffic hazard during the busy hours of the day. As for that "Berlin Wall" it is beyond comprehension how the City Bureau of Buildings or City Planning Commission ever approved its construction. It has severed the "Life Line" of the merchants who for many years have been established on Dewey Ave.

A partial alleviation of this injustice would be an entrance and egress on Dewey Ave. In meeting with an official of Flanigan's Furniture Store, I was promised that they would staff the large building on Dewey Ave. now used as a storehouse, and open it to the public, contingent upon Wegman's action.

If the Wegman Stores are interested in obtaining and maintaining the good will of the community they will take action, not some time in the future but immediately.

THOMAS FENLON,
President, Dewey-Driving Pk. Business Assoc.

TO THE EDITOR:

We wish to write an open letter thanking some very nice people. Our little boys 4 years old, went for a walk on a recent Saturday evening and got lost. We wish to thank the woman on Tacoma St. who took them in and called the police. We also wish to thank the police who picked them up and our kind neighbors who took their cars out to look for the boys.

Thank you all very much,
MR. AND MRS. ROBERT CLARK

PARDON OUR PARTIALITY!

Every year during graduation week, we are always forced to accept more orders than we can efficiently handle. Our service suffers as a result. Please be understanding enough to overlook our seeming lack of efficiency, remembering how much your graduation meant to you. After this Saturday, you can expect us to resume the normal good service that Johnson's Bakery has made famous.

If we're not able to promise the things you want for this weekend -we're sorrier than you are. *Bob Johnson*

WILLIAMSON WARM AIR FURNACES

5 Steps To Yearound Comfort Heating

The heart of a complete comfort system is a WILLIAMSON Furnace. Offered for use with gas, oil, electric or coal.

HUMIDIFIER

During the heating season, the air in the average home is drier than the Sahara Desert. An APRILAIRE Humidifier automatically adds the proper amount of moisture for a comfortable home.

Air Distributing System

The performance of any furnace depends on the quality of the distribution system. WILLIAMSON Seal-Tite systems are the pace setters for quality and are used in more installations than any other brand.

Electronic Air Cleaner

A WILLIAMSON Electronic Air Cleaner removes up to 90% of all air-borne contaminants. Reduces allergy problems because you breath cleaner air than the freshest day in spring. Reduces housework and redeccorating costs.

Cooling Coil

WILLIAMSON Central Cooling Units cool, dehumidify and filter the humid air in your home.
