## Register Saturday For Swim Classes

The City School District of Rochester, in cooperation with the Rochester Chapter of the American Red Cross, is planning to conduct a "Learn-to-swim" course for children, 8 through 14 years of age. This program is for children who have not completed the requirements for the Red Cross beginners test.

Registration day will be Saturday morning, Jan. 10 at John Marshall High School. Actual instruction will begin the following Saturday, Jan. 17 and continue for ten consecutive Saturday mornings, through Mar. 21. The hours for registration will be 9:30 to 11 a.m. at which time the pupils will be notified as to what time they are to report for instruction the following Saturday morning. Classes will be of 30 minutes duration. Registration will be based on "first come, first served".

## YMCA Offers Scuba Course

The Rochester Central Branch YMCA, 100 Gibbs St. is currently accepting registrations for its winter co-ed SCUBA course. Two 11-week courses will be offered: Monday evenings from Jan. 12 to Mar. 23; Wednesday evenings from Jan. 14, to Mar. 25. All classes will take place from 7:30 to 10:30 p.m. Each class will consist of one and one-half hour lecture period and a one and one-half hour pool period.

Instructors for the courses will be nationally certified YMCA - SCUBA instructors: Paul Koetter, Ed Sexton and Bob Muffley. They will be assisted by Central YMCA instructors.

The courses are open to men and women, 16 years of age and older. Students must supply their fins, masks and snorkel; the YMCA will furnish all other equipment.

For further information, call the YMCA at 325-2880.

## Withdrawal Clinic Scheduled Jan. 21

Through the courtesy of the Monroe County Unit, American Cancer Society, a Smoking Withdrawal Clinic will be offered in the Adult Education Program of Greece Central School District No. 1 during the 1970 spring semester.

The clinic will be held on five consecutive Wednesdays beginning Jan. 21. In addition, a reinforcement program is scheduled for Mar. 11, and an evaluation for Mar. 25. Sessions will include presentations by experts plus showing of related films; group discussions; suggestions on how to stop smoking; distribution and analysis of materials.

Volunteer personnel will serve as the faculty for this Clinic. Among participants will be a physician to talk about the medical aspect of smoking and health; a dietician to present procedures for keeping weight down; a psychiatrist to discuss emotional effects of smoking withdrawal; and other medical and lay people experienced with various aspects of this topic.

American Cancer Society withdrawal programs emphasize medical supervision and involvement. About 100,000 physicians throughout the United States have given up cigarette smoking, and ACS feels that they can do more to influence smoking behaviour than any other concerned group.

According to American Cancer Society, most people, even most smokers, are familiar with the risks of the habit, and the Society believes there has been a striking change in attitudes toward cigarettes. Registration for the Clinic will be held in January, with a \$3.00 fee to cover cost of materials.

## Spring Session To Start

Monroe Community College is accepting registration for the spring evening and summer session. Further information is available by calling the office at 442-9950, Ext. 316 or 317.

## "Write to Vietnam" Today Pleads Red Cross

The Red Cross is asking you to write a letter to the President of North Vietnam. The idea of it probably shocks you. Especially when you consider that 1,300 Americans are believed to be prisoners in his country.

But, that's exactly the reason for doing it. He has the power to guarantee that our boys will be treated humanely. That they won't be starved, Beaten, Humiliated, Or tortured.

Plead with him to release the names of the prisoners. To allow communications between the men and their families. To let the Red Cross inspect the prisons to insure proper medical treatment and living conditions. Ask him to see that the prisoners are treated like humans. Remind him that he is bound by the Geneva Convention which his country signed in 1957. And by the Istanbul resolution adopted at the International Red Cross Conference in September by almost every government and

Red Cross Society in the world. Believe it or not, he'll LISTEN TO YOU. Because the leaders of North Vietnam are very conscious of American public opinion. And if they think there's anything to be gained from bowing to it, they will. But we have to act now. We have to send enough letters to make a difference. Millions of them. So many they can't be ignored. Send yours to: Office of the President, Democrat Republic of Vietnam, Hanoi, North Vietnam, Airmail postage is 25 cents.

**Children's Aspirin Can Be Harmful**

Monroe County Health Director Dr. Wendell R. Ames warns parents to keep children's aspirin tablets out of the reach of children.

Citing a report just released by the National Clearinghouse for Poison Control Centers, Dr. Ames said children's aspirin now outranks all other products as the cause of accidental poisoning among small youngsters.

He said children's aspirin was involved in 10,785 cases of poisoning in children under five years of age in the U.S. last year, which is three times more cases than caused by any other item, including insecticides, household bleaches, and other medicines.

"The figures indicate that many parents mistakenly believe that children's aspirin is harmless", Dr. Ames said. "But when consumed in quantity by a small child who may think he's eating candy, children's aspirin can produce severe poisoning. I would advise parents to keep children's aspirin under lock and key".

LETTER

TO THE EDITOR:

This is an open letter to the parents of children in the No. 43 school and Jefferson High School area.

The recent release of the report by the Advisory Planning Council on Integrated Quality Education by the superintendent of schools brings great concern to parents of this area.

In March of last year a similar report was made to change the districts in which our children attend school. These plans were turned down by Schools 41, 42, 43 and Jefferson. At this time these plans only involved children at junior and senior high levels. The new plans start at 4th grade.

If your child is now in 3rd grade at No. 43 School it means next September they will attend

grade at No. 43 School it means next September they will attend No. 17 School for grades 4 to 6.

For many children it requires a travel distance of at least twice the mileage now. After the intermediate level these children will attend West and Madison for high school. Even with Jefferson in our own area these new plans tell us that it is not open to our children.

Children now at Jefferson from the No. 43 area will attend West or Madison in September.

When this council was formed I offered my time to the superintendent to be included in the planning for children of our area. In that the council was a hand picked board by the superintendent they now tell us where our children will attend school. Are we as parents ready to send our children to the schools so picked?

The Board of Education will hold a public meeting at East High School on Jan. 15 at 8 p.m. in regard to these plans. I will be one of the speakers to defend your right to keep your children at their present schools. I ask for your support, be present at this meeting to inform the Board of Education of the unfair plan presented by them. This may be your last chance to speak out.

As parents will you take the time or your children's sake?

RAYMOND F. GUENTNER, JR.  
Chairman - No. 43, Jefferson Junior-Senior High School Committee.

Red Cross Offers Nursing Course

Registration for Red Cross Home Nursing courses is scheduled for this week, announces Mrs. H. C. Arnold, chairman of Red Cross Nursing Services. "Home nursing meets more than a personal need. A homemaker or potential homemaker not only learns for her own satisfaction, but is able to give intelligent basic nursing care to every member of her family. Professional nursing care is not only expensive but there is a shortage of available nurses, so every homemaker should be able to rely on her own resources to a great extent for inevitable illness," explained Mrs. Arnold.

To register or obtain more information, call Red Cross Nursing Services, 275-9800.

We have some suggestions. For your lungs, stop smoking cigarettes. For your skin, avoid excessive sun. For your mouth, get regular dental checkups. For colon-rectum, if you're over 40, get an annual procto. If you're a woman, examine your breasts once a month. And have a Pap test regularly. And if you're smart, get a complete health checkup once a year. Even if you never felt better in your life.

**Voluntary Subscriptions**

Voluntary subscriptions to the Tenth Ward Courier and Vicinity Post continue to come in, but as the end of the year approaches we note that only about 75 per cent of those who subscribed last year have renewed. Fortunately there have been many new subscribers, but not enough to offset the 25% loss.

Our postal bill went up in 1969 and there will be another increase in mid-1970. Other costs, too, have risen.

Since our unique subscription plan is a voluntary one, no bills are sent out and we don't expect to send any. However, many of our readers need a reminder that another year has rolled around--and this is it.

**Local Schools Drop In Ethnic Survey**

Annual ethnic census of the City School District just announced reveals that Northwest area schools generally have experienced a small drop in percentage of Negro, Spanish surname, American Indian and Oriental children now in the public schools. This is in contrast to the citywide trend of a slight increase in 1969 over 1968.

Schools No. 7, 17, 21, 30, 41 and 43 experienced a small loss percentage-wise in this category, with a slight gain at Nos. 34 and 40. The two latter schools, however, still have the smallest percentage in the city, except for No. 43 and all the others except No. 17 are among the lowest percentage-wise. No. 17 has about 28.7 percent of its students in this category, a drop from 32 percent.

## Area Men Win Top City Jobs

At least two top jobs in the new city administration have come to the Northwest area and several others have been given positions of lesser importance.

Martin LoBiondo has been named director of parking and John DeCesare is the new city controller. Eugene Bergin, former 20th Ward Leader, has been advanced to first assistant district attorney.

Lewis Vallone of Seneca Pkwy. has been named special assistant in charge of appeals in the DA office; and Ralph Esposito, one time 24th Warder, has won promotion from Grade two to Grade one assistant DA.

Beverly Fowler of Campbell St. has been made deputy city clerk.

## Dump Closing Rated "Must"

Early closing of the Emerson St. dump is being pressed by County Legislator Joseph Esposito. He has proposed a fact finding committee and eventual formation of a Solid Waste Authority but is also insisting that the dump closing be given top priority and has asked that a landfill be selected immediately, on an emergency basis.

"This is not a political matter" says Esposito. "I am interested only in the immediate closing of the dump."

## MOTHERS CLUB TO HEAR TALK ON PORNOGRAPHY

Ralph Esposito, assistant district attorney, will be the guest speaker at the meeting of Holy Apostles Mothers' Club on Monday evening, Jan. 19, at 8. His subject will be "Pornography". This is a public meeting with parents especially invited.

24TH WARD REPUBLICANS meet tonight (Wednesday) at Avery Grill. Reports will be given on the membership drive. All 24th Warders are welcome.

Buffet lunch and refreshments will be served. Dress will be informal.

Committee chairman is Albert DiProspero; co-chairmen are: Ron Conderman and Joe Visconte.

Committee members are: Mr. and Mrs. Frank Fazzina, Mr. and Mrs. Harry Forrest, Mr. and Mrs. Harry Gaudioso, Eva DiProspero, Marge Conderman, Irene Visconte, Joyce Ziegler, Mr. and Mrs. Tony Merola, Mr. and Mrs. Peter Cumbo and Mr. and Mrs. John Will.

## HOLY APOSTLES DINNER DANCE SET

The Mother's Club and Holy Name Society of Holy Apostles parish will sponsor their annual dinner on Saturday evening, Jan. 21, in the school hall.

"Fantasy in Snow" is the theme of the dance, and elaborate decorations are planned to transform the auditorium into a dreamland.

General chairman Mrs. Diane Damelio is being assisted by Mrs. Agnes Kosko, tickets; Mrs. Josephine Burke, decorations; and Mrs. June Lopa, refreshments, Charles LaVerde, Bernard Hoepfl and Joseph Esposito will represent the Holy Name Society.

Music will be by the Eddie Cor-daro Quartet with dancing from 9 to 11. A hot buffet will be served at 11. The parish actor's guild will furnish surprise entertainment.

## LETTER

TO THE EDITOR:

Phase III of "RNSAC vs. Compulsory Busing" is currently being formulated. The Advisory Council on Quality Integrated Education (assisted by some staff members of the Central Office) has presented two plans for "Grade Reorganization & Desegregation of the Rochester Public Schools." (1) Elementary Schools: Enlarged Home Zone Plan (K-3, 4-6) and (2) Junior-Senior High School plan.

After careful consideration, the delegates of the Rochester Neighborhood School Association Council voted against both sets of plans, the implementation of which would require compulsory transfer of school children.

The president of the Rochester Board of Education, Mrs. Dorothy Phillips, has indicated that she wishes to hear from members of the community as to their feelings and opinions regarding these plans. There will be a Board of Education meeting at 8 p.m. on Jan. 15 at East High School. Please plan to attend -- whether you wish to be heard as a delegation is left up to your discretion -- but your attendance will once again indicate to the Board that you are interested in helping preserve neighborhood schools.

As a matter of corrective information, the students in the No. 7 School area will not go to John Marshall, but rather will attend Jefferson High School, for grades 9-12.

It would be extremely helpful if you would correspond with any or all of the Board of Education members at 13 South Fitzhugh St.

Remember -- the conflict is not over -- we shall have to cope with each "skirmish" as it develops. The opposition hopes to wear us down, and without your continued support, that is exactly what is likely to occur. We wish to thank those of you who have taken the time to go to meetings, to speak before the Board of Education, to petition, etc. -- and may I express appreciation at this time for your continued support. We must preserve our right to have a parental voice as to where our children attend school.

JAMES R. SIMS, JR.  
President  
Rochester Neighborhood School Association Council

## PTA To Discuss School Plans

A discussion of the grade reorganization and integration plan will be the highlight of the meeting of Kodak Park School No. 41 next Tuesday, Jan. 20. The meeting starts at 7:45 p.m. in the gym. There will be a short business meeting, followed by the discussion.

Small discussion groups will be formed and will have available some eight resource people to pre-

sent the plan and give direct answers to questions. A qualified representative of the Board of Education will also be present to answer inquiries regarding the improved education which it is said this plan will bring into effect.

All parents and interested people are urged to attend this meeting for "complete information" and explanation", says the PTA press release.

## Area Democrats Meet Tuesday

The Ninth and Tenth Ward Democratic Club will have a general meeting at 8 p.m., Tuesday, Jan. 20, at the Westside Democratic Center, Dewey Ave. at Locust St. All interested persons are invited. Free parking is available across the street at the Arrow Food Market.

Club president, John Nauwerth,

has announced that it will be a planning session. Various proposals, including the formation of a women's club and also a young Democratic Club have been made in recent weeks. Suggestions for changing the nature of club meetings and the basic organization of the party have been offered. All of these ideas will be discussed and acted upon.

TO THE EDITOR:

As a concerned parent I would like to take this opportunity to urge everyone in this area to attend the Board of Education meeting, Jan. 15 at 8 p.m. in East High School.

Now is the time to stand up and be counted or accept the consequences. You can be assured all those in favor of the current proposals will be there in full force. It's impossible any longer to say it'll never happen. It is here! The only way you can stop it is by letting the Board know you will not have your children transferred involuntarily and you do not want the increase in taxes that all this unnecessary busing will bring. If you don't attend the meeting of the Board they will assume that you have no objections to the plans. It is up to you - calm acceptance or vocal objection.

## Northwest Clergy Vote Approval Of Goldberg Desegregation Plan

The Goldberg plan for grade reorganization and desegregation of the Rochester public schools has the support of the Northwest area clergy, a group representing many of the local churches. They met last Thursday noon at Lake Ave. Baptist Church to discuss Dr. Goldberg's report to the Board of Education. At least one of the ministers present dissented and issued a statement to the Tenth Ward Courier in opposition to the Goldberg plan.

The clergy have gone on record supporting the plan as "the potential structure for providing quality education for all the students of the Rochester school system." They see the plan as "a necessary first step in meeting the requirements of a quality education at this time in the history of our city" and extend the hope that it be given "a fair and open hearing by the public".

Plans for enlisting greater support of the plan were discussed. Rev. Elmer G. Schaertel, pastor of Redeemer Lutheran Church, on behalf of himself and his assistant pastor, Rev. John C. Schaertel, issued this statement:

"As pastor of Redeemer Lutheran Church, speaking for myself and for my assistant, we do not favor the Goldberg plan because we believe that the large amount of money for busing children would be much more effective in improving the educational system; and because we feel the emphasis being placed by Superintendent Goldberg on integration is far superseding his interest in education. In the long run we believe that both whites and blacks will suffer from this kind of policy".

## PROPOSE TO BUILD 26 STORY APARTMENT

A proposal for a 26 story 250 unit apartment house between the river and Kodak Park at Maplewood Drive and Keehl St. has been put up to the City Planning Commission for the necessary approval. The building would cost \$6.6 million and would be started next fall. Franklin D'Aurizio, a lawyer connected with the firm of Holbrook, Nellis, Tofany, D'Aurizio and Hirsch, is president of the corporation which would be the developer.

## Open House Set At School 30

The Otis Home-School Association is holding open house next Tuesday evening, Jan. 27 at Otis School No. 30. The school principal, Alexander C. Johnson, stresses that the meeting is for "Clusters C and D" parents and that the purpose is to "review progress of our Nongraded School and everyday learning".

"I will review with the parents the City School District's reorganization policy which will be voted on by the Board of Education in the near future", said Mr. Johnson, "and I will also elaborate on how this will affect Otis School No. 30 in the feeder pattern. In addition I plan to discuss the future plans of our Nongraded School and our new report system to parents."

## Churches Signing Covenant Sunday

Members of 14 churches in the Northwest area will gather Sunday, Jan. 25 at Sacred Heart Cathedral beginning at 3:30 to celebrate their unity and to sign a covenant for joint mission action in the neighborhood of the community.

The covenant, to be signed by official delegates of the participating churches, begins by saying, "We, the People of God, of the churches in Northwest Rochester, dedicate ourselves to the Lord and to one another, for the sake of His Mission in the neighborhoods of the Northwest sector of the city. Specific areas in which the churches will work together "for the sake of building a truly human community" are also designated.

The Northwest Ecumenical Ministry Board, sponsor of the Sunday event, stresses that the public is invited.

Most Rev. Joseph L. Hogan, bishop of the Rochester Catholic diocese, will be among those to speak before the signing.

Also participating will be Father John Hayes, rector of Sacred Heart

Cathedral, Rev. Charles Taylor, pastor of Dewey Av. Presbyterian Church and acting chairman of the NEM board, Harry Roberts, a lay member of the board, and Walter Muir, rector of the Church of Ascension, Episcopal.

The combined choirs of the churches will be singing under direction of William Ferris of Sacred Heart.

Following the service a reception will be held and there will be displays depicting the current programs.

## Close Dump May 1 Councilman Urges

Councilman Andrew Celli issued a statement this week urging that all operations at the Emerson St. dump cease no later than May 1. He pointed out that the dump is in violation of both state and city sanitation codes.

The Public Works Committee of the county legislature has also recommended the closing of the dump and is seeking to consolidate all landfills in one countywide operation.

**"Citizen Involvement" Key To City's Future, Says Mayor May**

The ability of the new city administration to enlist the talents and resources of private citizens and private enterprise holds the key to the future well-being of Rochester, Mayor Stephen May declared Sunday. He said Rochester in the 1970's has the potential to serve as a "one-city" pilot project pointing the way to salvation for other urban communities.

Addressing a Communion Breakfast at St. Anne's Church and a later meeting of the Temple Emanu-El Men's Club, May emphasized Rochester's attributes, which he said "make us a special community which can serve as a model for all Americans". He cited the quality of the population, traditions of civic pride, the stability and affluence of local industries and the strength of area educational and cultural institutions as "qualities which set Rochester apart from other cities".

"It is true", the Mayor said, "that Rochester is now experiencing urban dilemmas common to all large cities. However, it has long been my conviction that if any American city can overcome its version of the urban crisis, it is Rochester".

Added May, "this unique and dynamic community cannot be and should not be satisfied to be as badly off as other cities. We have had, and continue to have, a sound basis for realistic pride and optimism. We can do better. We will do better".

He cited housing and code enforcement, safety on the streets, improved relations between City Council and Board of Education, cooperation with county government, environmental control and citizen participation as high priority items in the new city administration. May said "proper support" from state and federal governments and the help of the private sector are essential ingredients in improving the quality of life in Rochester.

For Christmas goodwill project, Cub Pack 109 sponsored by Lexington School No. 34 P.T.A., this year sent 50 match holders to the Veterans Hospital in Canandaigua and 35 baskets of hand made candy, cut out cookies, popcorn balls and store bought hard candy to the Convalescent Hospital For Children. Both projects were made and wrapped by the boys in the Webelos Den under leadership of Charles Swartz and Den Chief Mark Magro.

Cubmaster Donald Jermyn and Assistant Cubmaster Larry Bowen thank the many persons who made the Christmas bow sale a big success. Over 400 bags of bows were sold. For their effort the boys in the Pack were treated to a roller skating party at Tommy's Roller Palace.

**Legislator Clifford Supports County Control of Cable TV**

Monroe County Legislator Jeremiah Clifford (R-29th District) this week announced he endorses County Manager Gordon A. Howe's proposal for a countywide cable television franchise.

Clifford said, "If the county of Monroe could receive \$30 million in revenue and much of it applied to education and other public services it would certainly benefit the real estate taxpayer. There is no question that the real estate tax has become an extreme burden to the average property owner and anything the County legislature can accomplish to relieve this burden will benefit every taxpayer whether he lives in the City, Town or Village."

"The cable television program deserves a complete review as to

potential relief to the taxpayer and the potential it offers to the public in general. It would seem to me that with 27 channels available much can be done to serve the public interests with a countywide franchise as opposed to a private operation.

"I agree that the cable television franchise should be given a complete review before any positive action is taken so that all governmental units in the County of Monroe can determine what is best for all of the people of the County", Clifford concluded.

**Church Trying Dialog Format**

Sunday morning services at Christ Presbyterian Church now have a new format. A guest speaker, called a "prophet", brings the message and engages in a conversation with the church Pastor, Rev. Robert Booher. This is defined as an attempt to relate the goals of the "prophet" with the message of the Gospel, according to Rev. Booher.

Next Sunday at 10:30 a.m., the guest will be Perry Fuller, director of the Board of Urban Ministry, who will be advocating approval of the proposed reorganization of the public school system and its goal of "quality integrated education for all children". There will also be a question and answer period in which the congregation is invited to take part.

The guest speakers for this series are being chosen for their interest in working for "radical re-structuring of the institutions of the community", says Rev. Booher.

**LUTHERAN REDEEMER**

The Church Council, after having been elected during the congregational meeting, will be installed at the 10:45 a.m. service next Sunday in the Lutheran Church of the Redeemer. There are 24 councilmen and six finish their four year term normally each year and may not be re-elected.

In the evening, the leagues will have a family supper for their parents and friends with a program and service following, planned and produced by the young people. This is open to anyone who wishes to come, and begins in the church at 7:30 p.m.

Confirmation Class meets Saturdays at 10 a.m.

VOL. 43 NO. 4

ROCHESTER, N.Y., WEDNESDAY, JANUARY 28, 1970

HOLY FAMILY HOME SCHOOL ASSOCIATION is holding a Valentine dance on Feb. 7. Above is the committee in charge. Standing (from left) Harry Gaudioso, Ron Conderman, Frank Fazzino, Tony Merola, Harry Forrest and Joe Visconte. Seated, Joyce Ziegler, Albert DiProspero, Jennie Fazzino, Pat Forrest and Rev. Raymond Booth.

**TO THE EDITOR:**

I am speaking in behalf of the membership of the Northwest Housing Task Force to urge the people of the northwest to search their hearts and support Superintendent Goldbergs' quality education plan. The NWHTF is dedicated to promoting justice for all people. Our objective is; through education and concerted action to help make available the sale, but particularly the rental, of housing to all people.

Until the day arrives when people will act as people, when housing is truly open to all, regardless of race, it speaks well for the Board of Education that they have the vision to strive, in our schools, to set an atmosphere that will speed that day - the day when all can live together. By all means, the Board should be encouraged to pass these plans so the school staffs can implement them in September 1970. Any delay beyond that time will result in costly, bitter struggle around the issue of "community control".

Kenneth R. Hopkins, President Northwest Housing Task Force

**TO THE EDITOR:**

Are you opposed to involuntary transfer of your children away from No. 7 School (or from John Marshall)? If so, please plan to attend the No. 7 Parents Committee meeting at 7:30 p.m. on Friday, Jan. 30 at the Grace Methodist Church at 121 Driving Park.

All concerned parents and residents of the No. 7 School area are cordially invited to discuss the Rochester Neighborhood School Association Council plans for opposing the Advisory Council's proposal for re-organizing schools.

Please phone your friends and urge them to attend. The time for ACTION is NOW!

JAMES R. SIMS, JR, President, School No. 7 Parents Committee

**TO THE EDITOR:**

There is no doubt in our minds that there is overwhelming opposition to the plans for reorganization and desegregation of the Rochester public schools as developed by Mr. Goldberg and his Advisory Planning Council. This opinion is formed after attending numerous informational meetings and talking with countless numbers of parents. However, we need more than meetings and talks to get results.

We must let the Rochester School Board members know our feelings on this vital matter. Remember, their duty is to listen impartially to the Rochester residents who elected them to this office; and then they are to act in accordance with the wishes of the majority of the public. The only effective way for them to know your wants and your feelings on these plans is for you to WRITE to Mayor Stephen May, City Hall, 30 Broad St. W., and each member of the Rochester School Board. They are as follows:

Mrs. Robert R. Phillips, President; Gordon J. DeHond, vice-president; David R. Branch; Thomas R. Frey; Emelio Serrano. The address of the School Board is 13 South Fitzhugh St.

Time is running out; speculation has it that a decision by the Board of Education will be forthcoming in March. We urge you to send a letter or post card today. Make it short and to the point. Should these plans be approved by the School Board, we have only ourselves to blame for not putting forth the little effort it takes to sit down and write.

**24th GOP Starts Member Drive**

The 24th Ward Republican organization has started a campaign to enroll more members, taking the position that its purpose is not only political, but also social.

"We are out for the betterment of the 24th Ward", says executive committeeman Martin LoBiondo, "and we would like to emphasize that all men of the 24th Ward are eligible to join".

Joseph Esposito, county legislator, is the new membership chairman. He points out that the new membership fee is a nominal \$3.00. Refreshments are served at each meeting. Further information can be obtained by calling LoBiondo, Esposito or any officer.

Officers of the organization are: Frank Casaceli, president; Ernest Marciano, vice president; Walter Dukelow, treasurer; and Austin Grapenstetter, secretary.

The next meeting of the group is scheduled for Wednesday, Feb. 11 at 8 p.m. in Frattare's Avery Bowling Hall at Lyell and Avery.

**Assemblyman  
Reports**  
By **FRANK A. CARROLL**  
Assemblyman, 133rd District

One broad legislative area the Assembly will consider this session is consumer protection.

There are seven specific subjects which we undoubtedly will consider:

1. A consumer credit code. We will be asked to adopt this proposed new Uniform Consumer Credit Code or similar legislation.

2. Credit Ratings. This is an area that has needed attention for a long time. We will have to decide whether or not to give consumers the right to challenge a bad credit rating and have it corrected if it is based on hearsay, inaccurate information or other unreliable data.

Sellers would be required to inform the consumer of the name and address of the credit agency if a credit sale is denied because of a credit agency report. Such legislation also might restrict persons who could offer credit information to creditors, law enforcement agencies, licensing agencies and credit bureaus. A man's credit is much like his reputation generally, and should be guarded just as carefully.

3. Credit Cards. You've probably heard about or actually experienced some of the abuses that certain sources for these cards are practicing. As a result, the Legislature will be asked to prohibit the mailing of unsolicited

credit cards to residents of the state.

Use of such cards, according to Attorney General Lefkowitz, is said to be placing a strain on budgets of families that can ill afford increased credit purchases.

4. Unit Price System. We will consider adoption of the New York City unit price system, which requires that the price per ounce and/or price per pound be printed on all packaged foods. Many housewives in the city claim this system really helps them save money.

5. Insurance Coverage. We will be asked to strengthen the law pertaining to non-cancellation of a policy by the insurance company that also includes non-renewal of the policy. An exception to this would be where conditions permit cancellation. Also, we will consider the requirement that a company doing business in one part of the state do business in all parts, so as to prevent it from withdrawing from high - risk urban areas.

6. Auto Insurance. This is another matter concerning insurance, where we will study the need to reform the automobile insurance system, substituting no-fault compensation for the current tort-liability system.

7. Finally, we will deal with that omnipresent problem of consumers finding the properly trained repairman. We will be asked to consider licensing two broad categories, TV and Auto Repairmen, so the consumer is better assured that a repairman working in New York State has been approved to do so by the State.

## Urging Support For School Plan

The Session of Dewey Avenue Presbyterian Church announces its support of the Plan for Quality Integrated Education in the Rochester Schools and commends the efforts of Superintendent Goldberg and the Advisory Council in producing this plan.

The Session urges both church members and area residents to write the Rochester school board members and make your views known.

## TENTH WARDER NAMED POLICE COMMISSIONER

John A. Mastrella, 476 Seneca Pkwy., is taking over the newly created post of Police Commissioner in the sweeping re-organization of the city's department of public safety. He is resigning his post as county judge to which he had been elected in 1968 with Republican and Conservative endorsement for a ten year term. Previously he had served for many years as first assistant district attorney.

## MUSIC TO COMMEMORATE COLLEGE ANNIVERSARY

St. John Fisher College, celebrating the 15th anniversary of the granting of its absolute charter, has had the occasion recorded in music through an original score by noted Rochester composer William Ferris, organist choir master at Sacred Heart Cathedral.

Commissioned by the Cultural Affairs Commission to write an appropriate piece for this year's commemoration, Ferris has finished the work entitled "Durobrivae - music for tenors, bases, five brasses and kettledrums".

Two of Ferris' works were performed by members of the Rochester Philharmonic Orchestra at the celebration concert at St. John Fisher in 1968 including his first symphony, "October - November". Ferris received his bachelor degree from De Paul University School of Music and the American Conservatory of Music in Chicago.

## From Our Mailbag

TO THE EDITOR:

Opposition is mounting to the proposed involuntary student transfer plan. Led by the Rochester Neighborhood School Association Council, parents are organizing in an attempt to stop the proposal for re-organizing the schools.

The parents and residents of No. 40 School area are now organized and active. To find out what is being done and what you can do, call 254-2327.

FRANK BOUCHARD, President, Chapter 40, Rochester Neighborhood School Association Council.

TO THE EDITOR:

There is no doubt in our minds that there is an overwhelming growth of those who support the plans for reorganization of the Rochester public school to achieve Quality Integration Education, as developed by the Board of Education staff and the Advisory Planning Council. This opinion is formed after attending numerous informational meetings and talking with countless numbers of parents. However, we need more than meetings and talk to get results.

We must let the Rochester School Board members know our feelings on this vital matter. Remember, their duty is to develop structure which will give our children the kind of education which will enable them to become mature, caring and responsible adults, able to cope with the pluralistic urban culture of tomorrow.

The only effective way for them to know your wants and feelings on these plans is for you to write Mr. Stephen May, City Hall, 30 Broad St. W., and each member of the Rochester School Board. They are as follows: Mrs. Robert Phillips, President, David Branch, Thomas Frey, Emelio Serrano, the address of the school board is 13 Fitzhugh St. S., 14614.

Time is running out; speculation has it that a decision by the Board of Education will be forthcoming in March. We urge you to send a letter or postcard today. Make it short and to the point. Should these plans be defeated, our children will be severely damaged for life because we did not have the courage to be responsible people of an urban society.

ALAN BRUMBER, Co-ordinator Northwest Parents for Quality Integrated Education.

TO THE EDITOR:

There is so much being said these days about our young people, but they're not all bad. I would like to cite my newspaper carrier as an example. Mike Mandrick who delivers the paper in the Emerson St. area, willing does things for others--and especially for me--little helpful things that he doesn't have to do and for which he expects no pay. I would like to publicly commend and thank him.

Mrs. Harold F. McKague  
495 Emerson St.

## Dinner To Honor Bonesteel Memory

A memorial bean dinner on Saturday will be the culmination of a week of honor to the late "Gus" Bonesteel by Maplewood Branch YMCA. For most of his life "Gus" Bonesteel was associated with the YMCA as head cook at Camp Cory and as a member and staff person at Maplewood from 1916 until his death in 1968. He earned the love, affection, and devotion of the many YMCA professionals, laymen and members who knew him. "Gus" is remembered for many things, but perhaps most for his bean dinners and his dedication to the YMCA.

To perpetuate his memory, this week has been designated as "Gus" Bonesteel week at Maplewood. During this week a beans and franks luncheon will be held for noon time members and friends at Maplewood "Y" each day with the finale Saturday noon when youth members and their families will participate. All proceeds will go to the Bonesteel Scholarship Fund for Youth.

Maplewood YMCA announces the start of a "mini-gym" program for boys and girls 4 and 5 years of age on Monday and Wednesday mornings from 10 to 10:45 a.m. and will begin on Feb. 16.

## Parents Organize Against School Plan

Parents in the old Tenth Ward area are organizing in opposition to the plan for public school re-organization and desegregation. Small groups have been getting together in private homes since last Friday; a large group from No. 40 and 41 Schools met last night at Redeemer Lutheran Church. At least three and possibly more groups have meetings scheduled in the next few days, according to Frank Bouchard, president of Chapter 40, Rochester Neighborhood School Association Council. As parents become aware of

how the re-organization affects their children, they are joining the opposition, says Bouchard, and have high hopes of modification of the plan, especially as to busing of smaller children.

James R. Sims, Jr., president of the No. 7 Parents Committee and a leader in the citywide protest against the so-called Goldberg plan, headed a meeting last Friday of No. 7 parents and others at Grace United Methodist Church, and the sentiment of that meeting was almost unanimously opposed to the plan.

## Indian Guides Plan "Pow-wow"

The 'Y' Indian Guides of the Maplewood Branch YMCA are holding two mid-winter "pow-wows" in the month of February. Members of the 'Y' Indian Guides, made up of over 250 fathers and sons will put on a demonstration program explaining the program to interested families on Monday, Feb. 9 at 9 p.m. at Maplewood "Y", 25 Driving Park Ave. The second meeting is in Irondequoit.

To be eligible for 'Y' Indian Guides, fathers must have a son (s) in the kindergarten - grade 3 age range. Fathers and sons meet together as a group twice a month for approximately one hour and participate in a variety of activities including games, crafts, Indian stories and refreshments. Trips, hikes, boating, fishing and camping are other activities.

**Gary Baird Wins Combat Citation**

Lance Corporal Gary C. Baird, a Marshall High graduate who is serving in the Marines, has been cited for "accomplishment of a hazardous mission" and has been presented the Air Medal. He is the son of Mrs. Mary Baird, 1420 Lake Ave., a worker for the city school cafeteria.

"Late on the afternoon of 7 February 1969," reads his citation, "Lance Corporal Baird launched as an aerial gunner aboard a CH-46 transport helicopter assigned to helilift a recovery team to a crash site in Quang Nam Province to retrieve several seriously injured Marines whose helicopter had come under intense hostile fire and crashed while engaged in a medical evacuation mission.

"Arriving at the designated area he ably delivered such effective suppressive machine gun fire that his aircraft was able to land, disembark the recovery team and its equipment and embark three seriously wounded Marines. Departing for the nearest medical facility to discharge the casualties, his CH-46 then quickly returned to the crash site.

"Undaunted by the extremely heavy volume of enemy small arms, automatic weapons, and machine gun fire directed at his aircraft, Lance Corporal Baird boldly manned his weapon and delivered gun fire, enabling his helicopter to land in the fire-swept zone. Despite the hostile rounds impacting near his aircraft, he resolutely delivered covering fire while the Marine casualties, salvaged aircraft equipment and the recovery team were embarked on his CH-46. Alertly locating enemy firing positions and delivering return fire, he enabled his helicopter to lift out of the dangerous area and depart for the Marble Mountain Air Facility.

"Lance Corporal Baird's courage, superior professionalism and unwavering devotion to duty at great personal risk were instrumental in the accomplishment of the hazardous mission and were in keeping with the highest traditions of the Marine Corps and of the United States Naval Service."

Baird, who was married last June expects to be transferred soon from South Carolina for secret work in Baltimore.

**Vietnam Wives  
Starting Club**

Attention, "waiting wives" of  
servicemen in Vietnam! Would you  
like to meet other wives who have  
husbands in service in Vietnam?  
The Red Cross sponsors the Viet-  
nam Wives Club. Its members  
meet once a week, in the evening,  
in the homes of the different mem-  
bers. There are plenty of oppor-  
tunities for "girl talk", exchange  
of ideas, discussion of mutual  
problems, and getting to know each  
other, say the sponsors. There  
are no dues.

Once a month members meet at  
the new Red Cross headquarters,  
50 Prince St., where a special fea-  
ture of interest to all wives is  
included. In addition, the Vietnam  
Wives put out a newsletter which  
is mailed to husbands as well as  
members. The club has a Red Cross  
volunteer sponsor, Mrs. Douglas  
Salter.

Those interested in joining are  
advised to call Red Cross Service  
to Military Families, 275-9800.

part of a precision marching group

**Social Security Information**

Social Security beneficiaries do not need to apply for the 15% benefit increase just signed into law by President Nixon. "Every one of the 25 million men, women and children now on the benefit rolls will receive the increase automatically," Robert M. Ball, Commissioner of Social Security said today.

"The first regular check in the new amount", Commissioner Ball said, "will arrive April 3, the usual day for delivery of benefit checks covering payments for the month of March". A separate check in the amount of the benefit increase for the months of January and February will reach beneficiaries later in April, probably during the week of April 20.

Refiguring the benefit amounts of the 25 million men, women and children now on the benefit rolls is a tremendous task, Commissioner Ball pointed out, and it must be done without disrupting

the regular benefit payment cycle. About one out of every eight Americans is now receiving a Social Security check each month, Commissioner Ball said. As of the end of December, these monthly payments totaled \$2.2 billion and the monthly total will go up by \$345 million to more than \$2.5 billion as the 15% benefit increase becomes effective.

The average retirement benefit of \$100 a month will rise to \$116 per month; a couple 65 or older receiving the average couple's 65 or older receiving the average couple's benefit of \$170, will have their benefit increased to \$196; the average benefit for a family made up of a disabled worker, wife and one or more children will go up from \$237 to \$273; and average payments for a widow and two or more children will rise from \$254 to \$292."

## Home Owner Approval Sought For Lyell Urban Renewal Project

Authorization to proceed on an Urban Renewal project involving considerable land fronting on Lyell Ave. near the city line has come from Washington. It is known as Western Gateway and would be the site of an industrial development.

Application was made for planning funds over 2-1/2 years ago and local officials were taken somewhat by surprise when the order came through a short time ago.

Donald Auries of the city's Urban Renewal office, who has been assigned to the project, states that the first step the city will take is to sound out the feelings of the affected residents and property owners. He has sought the assistance of County Legislator Joseph Esposito to set up meetings with property owners to acquaint them with all the facts.

"After thoroughly consulting with the people, the decision to proceed or not to proceed will be made," says Auries. He has assigned David Baldwin, Urban program assistant, to meet with the affected people in small block gatherings.

It will be approximately 1-1/2 to two years before re-location activity would begin, it is pointed out. And federal funds to take care of all expenses would be available.

All of Lyell Ave., from the B&O Railroad crossing west to the Barge Canal, would be affected, on both sides of the street. Present industrial property, such as Delco and Ragu, would be unaffected, but other business properties on Lyell and homes on such streets as Adirondack, Harcourt, Grenville and others would be included in the Urban Renewal Plan.

A portion of Lyell Ave. from the Central Trust office to the railroad crossing and Dodge and Ashcroft Streets would be kept residential, says Baldwin.

The cost of land acquisition would be paid for mostly out of federal funds. HUD would pay 2/3 and the city and state would divide the other 1/3.

Surveyors are working in the neighborhood now, but have identification papers with them. Any questions by property owners may be directed to Mr. Baldwin at 232-1100, extension 86, he states.

## Funds Available For No. 17 Park

Rochester has been successful in an application to the federal government's Open Space Land Program and has been lucky enough to earmark \$2.2 million dollars out of the total \$15 million appropriated by the government for parks in cities.

A portion of this fund would be utilized for complete acquisition of land adjacent to the new No. 17 School, between Orchard and Saxton Streets. This would be devoted to park and recreational use.

The city sent in its application on Jan. 16 and hopes to have final approval from the federal government within another 60 days. The area adjacent to No. 5 School in Plymouth Ave. North would also be part of the project. Completion date would have to be within a year of approval.

Several meetings have been set up at the Charles House in an effort to give the people of the No. 17 area a voice in what goes into the land when and if acquired.

Local Urban Renewal officials who are in charge of the program also will have the responsibility of re-locating any property owners who would be affected and they promise to carry out this aspect of the program as soon as final approval is given.

## Traffic Engineer Please Note

This is an appeal to reason. The traffic signal arrangement at Driving Park and Dewey Ave. has created one of the worst bottlenecks in Rochester and a great many people don't feel it is necessary.

The present system, apparently four phase, involves long waits in all directions and backs up traffic on Dewey Ave. for several blocks during the rush hour. It is a most annoying situation.

Business men at the corner who observe the daily traffic snarls, especially at the evening rush hour, suggest that a two-phase system be re-instated. Admittedly, this will not be perfect, but it will be far better than the present setup, all are agreed.

We join them in an appeal to the city's traffic engineers to give this corner some immediate attention.

**WILSHIRE RESTAURANT CATERING TO PARTIES**

Takeout food service, started last summer by Wilshire Restaurant, has proved a distinct success and in answer to numerous requests, proprietors Joe and Sally this week announce an expansion, on a limited basis. They are making the restaurant available for private parties evenings and weekends.

They are now taking on small groups (up to 50 people) for dinner, parties, showers, and other events, preparing requested menus and serving them, buffet style, as well. They emphasize that this will not involve any change in normal restaurant service during the day. Wilshire Restaurant starts with breakfast and continues through lunch and is open until 4:30 in the afternoon.

**Celli Introduces Three Proposals**

Two resolutions and an amendment to the City Charter have been introduced in the City Council by Councilman Andrew G. Celli. His resolutions support:

- Changes in the law on Senior Citizens' tax exemptions, increasing income limitation from \$3,000 to \$6,000; waiving five year occupancy requirement for dislocated property owners; granting exemption to grandparents furnishing a home to grandchildren; and including unemployed couples even though only one of them is over 65 years of age.

- Appointment of a citizen's committee to improve the operation of the Rochester Transit System; and that each neighborhood association be represented on the committee, in addition to others.

The amendment is to the Municipal Code making it unlawful to possess or sell specified dangerous drugs and providing that a conviction would involve fine and imprisonment, but would not be considered a crime.

**Band Boosters Sponsor Dance**

Aquinas Band Boosters will sponsor their first social event of 1970 with a Valentine dance to be held on Saturday, Feb. 14 at St. Francis Xavier School Hall on Bay St.

A buffet supper at 7:30 P.M. will follow a cocktail hour beginning at 6. Dancing to the music of the Dick Zona orchestra will round out the evening. Admission by ticket only is \$4.00 per person. Reservations may be obtained by calling 235-3171 or 254-6864.

Proceeds of this event will be used for the benefit of the Aquinas Marching Band and Color Guard for their numerous activities during the coming year.

## From Our Mailbag

TO THE EDITOR:

This letter should have been sent out long ago. My apologies for not being more prompt to thank all the people of the Northwest area of Rochester for the great job they did for Operation Morale this past Christmas. Through the help of the many groups which participated we sent out 374 boxes to our servicemen in Vietnam.

We received a large number of thank you notes from the boys and they were some of the nicest letters we have ever received. Copies are now being made of a selected few to be sent to the various groups which participated. The boys repeatedly say how grateful they are that the people back home remember them.

The money for postage totaled over \$500. This money came from ticket sales for the artificial tree and from personal donations. This was greatly appreciated.

Again, I wish to thank everyone, the children, adults and mostly the people who helped at our packings. The work and generosity of every individual was appreciated by myself and the boys who received our packages.

MRS. DAVID BENHAM  
Chairman, Operation Morale  
Rochester Northwest Branch

TO THE EDITOR:

Feb. 19, 1970 MAY be the last opportunity to express your views at the Board of Education meeting before the plan is voted on.

Requests for state and federal financial aid must be made in

### FIRST REPUBLICAN CLUB TO MEET ON FEB. 17

Regular monthly meeting of the First Ward Women's Republican Club will be held on Feb. 17 at the Public Library, Dewey Ave. at Augustine St. Women of the First Ward are invited to join the club.

March, 1970.

If you don't like the statistics on "speaker counts" -- then DO something about it! Write to Superintendent Goldberg at 13 S. Fitzhugh St., requesting permission to speak at the February 19 meeting, and do it NOW. You do not have to be a public speaker to get up before the mike and state that you are opposed to the plans because they will require involuntary transfer of children away from their neighborhood schools.

Time is growing short -- it is up to YOU. The meeting is scheduled for 7:30 at No. 4 School, but be prepared for a change to a larger meeting place. We will keep you informed.

JAMES R. SIMS, President  
Rochester Neighborhood  
School Association Council

**Social Security Information**

March 31, 1970 is an important date for individuals born between Oct. 2, 1901 and Oct. 1, 1902, according to Joseph Tomaino, district manager of the Social Security Administration. "It is particularly important to those persons in this age group who have not already signed up for the Supplementary Medical Insurance under Medicare because if they do not do so by March 31, 1970, they will not have another opportunity," declared Tomaino.

"An individual can sign up for this medical insurance only during specified enrollment periods," Tomaino explained. "There are two such enrollment periods," he continued, "the initial enrollment period which is based on the time when an individual is first eligible to enroll - usually the time he becomes 65; and the general enrollment period during which a person who failed to apply in his initial enrollment period may first enroll, or during which an individual whose enrollment has terminated may, with certain restrictions, re-enroll".

General enrollment periods extend from Jan. 1 through March 31 of each year, according to Tomaino. He cautioned, however, that for a person to enroll for Supplementary Medical Insurance during a general enrollment period it must begin no later than three years after the close of his initial enrollment period.

approaching 65 and who wishes to sign up for Medicare to do so during the three months before their birthday. "You do not have to be retired to be eligible for Medicare and this early action will guarantee entitlement to Medicare at age 65", Tomaino stated.

Tomaino explained that the Supplementary Medical Insurance portion of Medicare, sometimes referred to as doctor bill insurance, is a voluntary program. It offers valuable protection toward payment of doctor bills and in addition helps pay for outpatient hospital services, outpatient physical therapy, home health treatment and other medical items. Generally, the plan returns \$4.00 out of every \$5.00 of the individual's allowed medical expenses. The patient is responsible for the first \$50 of medical expenses in each year.

Anyone desiring additional information about Medicare or about enrolling for it should contact the Social Security office at 107 Clinton Ave., N. The office is open from 9 a.m. to 5 p.m. every day, Monday through Friday, and for those not able to call during regular hours, until 8 p.m. every Thursday evening. The telephone number is 325-6640.

**Busmobile Program Started By CYO**

The Catholic Youth Organization has purchased an 80 passenger green and white school bus and started a busmobile program this week to more than 36 private and parochial elementary schools in the Rochester - Monroe County area.

This after school program has been designed to provide a physical fitness program to more than 30,000 elementary school children in the Rochester area who attend school with limited recreational facilities and physical education programs. The C.Y.O. will transport up to 160 children daily for an instructional swim and gym program to its downtown facilities at 50 Chestnut St.

The children will be picked up after school hours one day per week for a six week period. This program will be financed by individual parents, Paul B. Schmidt, C.Y.O. Director states that this is the first school bus approved by the Public Service Commission, to be used in New York State, with the latest safety equipment devices.

**School Changes No. 43 Topic**

An informational meeting for the reorganization of the school system will be held Thursday, Feb. 26 at 7:30 p.m. in No. 43 School auditorium.

Stanley Marcus, president of the Rochester Council of P.T.A. and also a member of the Advisory Planning Board will be guest speaker. Mrs. Edward Belcher who is an alternate on the board, will also be present.

All concerned parents are invited to attend this meeting and discuss the proposal and to have questions answered. "Now is the time to be well informed of what is taking place in our city schools", says Mrs. Carmel Burruto, No. 43 School P.T.A. president. "Make this meeting a must on your calendar".

**Aquinas Selects Giving Chairmen**

Aquinas Institute has selected two alumni to serve as co-chairmen of its annual giving program, according to the Very Rev. Leon G. Hart, C.S.B., principal. They are Thomas Riley and Jack Palvino.

Riley, a 1956 graduate of Aquinas, is director of Industrial Relations for Rochester Telephone. He received his bachelor's degree from Princeton in 1960 and masters from Cornell in 1962. Riley, his wife Mary Ann, and their four children are members of Sacred Heart Parish.

Palvino, a 1951 graduate of Aquinas, is program director and early morning personality at WBBF Radio. He is also president of Sports & Specials Television, Inc. He graduated from St. John Fisher College in 1955 and attended Buffalo Law School. Palvino, his wife Joyce and their three children belong to St. Mark's Parish.

Father Hart explained that the giving program goal is \$75,000. The funds will be used to help offset the difference between operating expenses and tuition. He pointed out that in the past decade, operating expenses have risen from \$257,608 in 1959 to \$880,406 in 1969. Tuition has risen from \$236,208 in 1959 to \$444,950 in 1969. The rate was \$200 in 1959, \$400 in 1969.

**UNITE Re-elects Phyllis Burruto**

The UNITE Neighborhood Association held its first meeting of the year, electing officers. Re-elected to serve another term were Phyllis Burruto, president; Constance Fulmer, secretary; Grace Tantalio, treasurer. New vice-president is Andrew Tascione, while Mary Marotta was named corresponding secretary, and Joseph Wacenske, sergeant-at-arms.

Alternate parking on Smith St. to help alleviate snow removal especially during snow storms was discussed. This drew both approval and strong objections from those present. The greatest objections were that whatever parking couldn't be handled on Smith St. would overflow into smaller secondary streets, which were already having parking problems.

At the February meeting tonight (Wednesday) the latest developments in grading of zoning will be disclosed.

"There are strong possibilities that the zoning in our general area will be encouraged to set the best standards for residential living", says Mrs. Burruto. "This will maintain the status quo of our neighborhood and any new change will be made only with the approval of the neighbors after a variance request and a hearing".

Representatives from UNITE as well as from the other associations at Charles House, have been meeting and participating in discussions about getting stronger enforcements of junk-yard codes. These associations were instrumental in obtaining new legislation concerning junk-yards in 1967. Now, two years later, they are wondering, says Mrs. Burruto whether the situation is "better, worse or unchanged."

Assemblyman William Steinfeldt 134th District, has introduced in the State Legislature legislation designed to curb willful and malicious destruction of property by irresponsible youths. It gives the court the power to order either the parent or the child to make restitution for the damage sustained. Assemblyman Steinfeldt stated that the great majority of today's youth, 94 percent in fact, are responsible members of the community. However, the small segment of the youth population have up to this point caused wanton and willful destruction that must be curbed.

## Property Owners O.K. Re-zoning

No objections were raised at the recent meeting of property owners in the Lake Ave. - Maplewood Dr. - Parkdale Terr. - Seneca Pkwy. area and it appears that the proposed R-1 zoning will eventually be put into effect. It is now R-2, allowing for multiple unit dwellings, but in the future would be limited to single homes, except for existing variances.

The meeting, held at Ascension Church, was attended by about 50 residents. The zoning board was represented by Paul Haney, Mrs. Ann Taylor, city planning engineer and an assistant from her office.

Strenuous objection to any apartments in the area was voiced by most of those present and early action by the city was requested. The re-zoning now goes to the City Council which will hold a public hearing before final action.

In addition to the zoning matter, the residents also discussed parking and traffic problems in their area and expressed approval of the new traffic light which the State is installing on Lake at Flower City Park.

## Pancake Supper At John Marshall

A pancake supper, open to the public, is announced for next Tuesday, Feb. 24, in the cafeteria of John Marshall High School, Ridgeway Ave. Sponsor is the John Marshall Community Association.

They will be serving pancakes, butter, syrup and sausage for \$1.25 from 5:30 to 7 p.m. - - and it will be "all the pancakes you can eat" according to the program chairman, Mrs. Dorothy Hart. Coffee and milk will also be available.

There will be live entertainment all during the supper including music, both instrumental and vocal. Tickets will be sold at the door as well as by the students.

The association, of which Mrs. June Kirchgessner is president, is sponsoring the supper to raise the funds for worthy school projects.

## Compulsory Busing Necessary?

The hour is almost at hand for the decision on the so-called Goldberg Plan for re-organization of our public schools. Clergymen, educators and civic leaders, for the most part have long since taken their stand--they're for it.

But the School Commissioners have yet to declare themselves--and right now they are undoubtedly searching their consciences. (At least three of the five have all but pledged themselves previously against involuntary busing, and therefore against one of the basics of the Goldberg plan).

If these commissioners have their hand on the pulse of the parents, they must know by now that there is a tremendous and growing opposition to the busing aspect of the plan. A great many of our local politicians, either openly or covertly, are also in opposition. President Nixon is publicly opposed as are many other national leaders.

Six years ago, when busing was first introduced, it involved only No. 30 School in this area. No. 30 parents rose up in their wrath; the Post-Courier went on record deprecating the breaking up of the neighborhood school concept. But that was it. Parents in other school districts paid little heed. They thought it would never happen to them.

The Board of Education now proposes--in the name of integration--to bus about 16,000 boys and girls; and to ask many more to walk much longer distances to get to school than they do now. A great many parents resent it--especially those who have small children in school.

The Post-Courier has given, and will continue to give equal coverage to all concerned, but feels strongly that the bulk of the people are dead set against busing and that the School Board should act accordingly.

### SPAGHETTI DINNER SUNDAY AT YMCA

The Mothers Club of the Maplewood Y will have its annual spaghetti dinner next Sunday with servings taking place 2 to 4 and 5 to 7. Price for adults is \$1.50 and \$1.00 for children under 12. Homemade pies and cakes will also be served. Tickets are on sale in the Maplewood Y lobby.

### LENTEN SERVICES SET TONIGHT AT WESLEY

The second Lenten service sponsored by Grace and Wesley United Methodist Churches, Church of the Master and Bethany Presbyterian will be held tonight (Wednesday) at 8, at Wesley United, Rev. Richard L. Kesel, minister of Christ Presbyterian Church of Pittsford, is the speaker.

### FISH FRY BENEFITS EIGHTH GRADE TRIP

A fish fry will be held in the school hall at Holy Rosary on Friday, Feb. 27 from 5 to 8 p.m. Charge is \$1.25 for adults, \$1.00 for grade school children. (Take out dinners are also available.)

Tickets are limited and may be purchased from any eighth grader or by calling Lory Plummer at 458-3631 or Nicki Perotti at 254-1877. Reservation deadline is Feb. 23.

Proceeds will be used toward the trip to Albany planned by the eighth grade. A car wash will be held in March for the same purpose.

## No. 7 Parents Vote "No"

Parents of Virgil I. Grissom School No. 7 have said "no" to the grade reorganization and desegregation plan by a big majority. A questionnaire sent into the homes via school children brought 439 returns with 380 voting "no", 55 "yes" and four indicated no choice.

A committee consisting of the school principal, a faculty member, a PTA executive board member and the PTA president, counted the ballots. (There are 700 pupils in the school.)

In another late development in the school controversy, which apparently will come to a head next week when the School Board makes its decision, James R. Sims, Jr. of Lakeview Pk. who is president of the Rochester Neighborhood School Association Council, is reputed to be the Republican choice for a seat on the School Board should Gordon DeHond be disqualified.

Sims issued an urgent request yesterday for local representation at the Board of Education meeting

AMICO ORTHOPEDIC SHOE STORE -- 463 Ridge Rd. W. Complete Shoe Repair Service. - Adv.

tomorrow (Thursday) night in Monroe High School. Persons who wish to do so may speak at the end of the meeting without previous notice, he states, and he urges public attendance to give the speakers "moral support". The meeting starts at 7 p.m.

Sims has denied numerous charges made against him and states that the aim of himself and his organization is to prevent compulsory busing of school children.

## List Registration At Holy Rosary

There will be registration for Holy Rosary first graders (and any other new children) on Monday, March 2 in the school hall 8:30 to 11:30 and 12:30 to 2:30; also in the evening in the convent (198 Oriole St.) between 6 and 8.

Parents are asked to bring birth certificate and baptismal (if child was not baptized at Holy Rosary). To register for first grade your child must be 6 years of age as of Nov. 30.

**LETTER SERVICE NEWS**  
TO THE EDITOR:  
I have read many articles on forced busing and stood quiet long enough, Mr. Goldberg wants to ship our children to four different schools before they graduate. What pride will these children have in their school, when they must leave it every few years?

I stood back to make room when #7 School became a receiving school and my child was sent to Marshall in the 7th grade. Now I hear when forced busing is in effect, many will be sent from Marshall to Jefferson. What is this world coming to when they can send children to different schools like cattle or better yet, just like a number? Many children, as soon as they reach 16 years old will just drop out.

Mr. Goldberg said it will upgrade the inner city schools. He means all schools will get a lower education. Instead of forced busing why doesn't he improve the schools that need upgrading by special teachers and tutoring.

He also stated, the state and federal government will pay for this project. Where does he think the government gets this money? From the taxpayers, of course. I don't mind paying for special teachers, etc., but just to bus our children all over the city to become integrated, I disapprove. I am not against integration, I remember going to school in my neighborhood which had integration but it was always within walking distance and everything was alright. If he wants integration (which we all do) let it come naturally, not use our children to play around with.

As for the 5 newly elected school board members, the voters will think about voting for others when the November election time rolls around, if they approve the Goldberg plan. Also our democratic and constitutional rights will slowly be taken away from us.

MRS. JOSEPH IABONE

Technical Sergeant Richard H. Diehl, son of Mrs. Dorothy Diehl, 334 Eastman Ave., and a graduate of John Marshall High is on duty at Tan Son Nhut AB, Vietnam. Sergeant Diehl, a communications technician, is with the Air Force Communications Service which provides global communications and air traffic control for the USAF. He previously served at Andrews AFB, Md.

Airman 1/c Charles D. Quackenbush, son of Mr. and Mrs. Charles E. Quackenbush of 144 Kislinsky St., has graduated at Lowry AFB, Colo., from the U. S. Air Force missile guidance and control specialist course.

The airman, who was trained to operate and repair the Mace missile guidance system, is being assigned to Seymour Johnson AFB, N.C., for duty with the Tactical Air Command which provides combat units for air support of U. S. ground forces.

Airman Quackenbush is a 1967 graduate of John Marshall High School and attended Broome Technical Community College, Binghamton.

## Glenwood Garden Draws Protests

Opposition is organizing to the proposed Gardens senior citizen low cost housing proposal for the First Ward area along the west side of the old subway. The proposal for some 130 units and town houses met with City Council approval, but the abutting property owners claim that it was done without any advances notice to them.

The Council vote, which gave the go-ahead apparently to Joyce Construction Co., was 8 to 1 with only Councilman Andrew G. Celli in opposition.

The neighbors of Curlew, Glenwood, Merlin, Kestrel, Robin, Santee, Emerson and Lexington Ave. are getting together next Tuesday night, March 3, in the Avery Bowling Center to consider action to forestall the project. The meeting starts at 7:30 p.m.

"The project will cause congestion in the immediate area", say the leaders of the protest, "and will lower property values. It will also create sewer problems and traffic problems as well. Furthermore the neighbors have never been notified about the original planning".

The committee in charge, which expects to hire a lawyer and start any needed legal action, includes: Tom Hasek, Marco Favata, Sam Geraci, Pat DiPonzio, Len Attardo, Carmen Carusi and C. Wooding.

## Safest Way To View Eclipse Outlined By Health Assn.

Nearly every time a solar eclipse occurs in a populated area, several cases of minor or severe eye damage are reported. On Mar. 7, the sun will be totally eclipsed along an 85 mile wide path, crossing Southern Mexico, Northern Florida, North and South Carolina, Georgia, Nantucket, Nova Scotia and Newfoundland. All of North America (except for Alaska Mexico and Northwestern South America) will see a partial eclipse. The eclipse will occur near noon, hence the intensity of the high-overhead sun's radiation will not be obscured by low atmospheric haze.

A total eclipse of the Sun is one of the most beautiful sights a person is likely to see, but without using simple precautions can be dangerous to one's eyesight, says a news release from the Health Association of Rochester.

The total eclipsed sun is much less bright than the full moon and can be safely observed (and should be) without the need for any protection filters. The danger of eye damage is only prevalent during the partial eclipse periods before and after totality. The sun brightly shines in the sky every clear day, but no one would think of staring directly at it except when an eclipse is in process. The brightness of the solar disc is not reduced at all until the moment of totality.

Beware of dark filters that have not been tested for their transmission in the ultra-violet and infra-red portions of the spectrum, people are advised. A filter can

be extremely dark in the visible region but still let through amounts of energy dangerous to the eye in the ultra-violet and infra-red.

The Eye Conservation Committee of the Health Association recommends that a solar eclipse can be safely observed if these suggestions are followed:

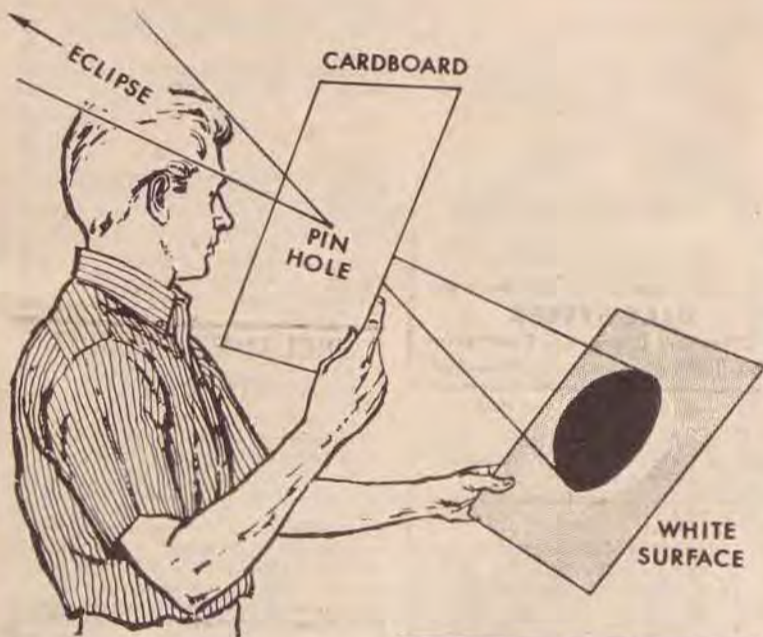

1. Observe the partial eclipse phases by projecting the image of the sun onto a white piece of paper with the aid of one-half of a binocular or a small telescope, or

2. Use a safe filter - the only easily obtainable safe filter is a piece of fully exposed and developed black and white film (Not color film or photographic neutral density filters.)

3. If a filter is used, DO NOT stare at the sun for long periods. The partial eclipse phases last 2 to 3 hours near the path of totality, thus a quick observation every few minutes is sufficient for following the progress of the eclipse.

4. When the solar disc is completely covered by the moon (this total eclipse phase lasts only 3 minutes and is observable only in the narrow 85 mile wide path of totality) all protective filtration can be removed for observation of the solar corona and prominences.

**CAUTION:** Be prepared to use the projection or filter method again at the end of totality (the moment when the moon starts to uncover the solar disc.)

## COMMENTS

from

**JOE ESPOSITO**

County Legislator

27th District

On Feb. 18, Joseph R. Esposito, County Legislator of the 27th District, sent members of the School Board Mrs. Dorothy Phillips, Gordon DeHond and Emilio Serrano the following letter:

"I write this letter on behalf of the many concerned parents in my area.

It is only natural that any parent be concerned about the welfare of their children. The proximity of a school is always the prime factor when parents decide to purchase or

rent a house in any particular neighborhood.

The thought of making pawns of the children by moving them from one side of the city to the other is most distressing to the parents, I am concerned because of the overwhelming feelings of the people in our area against this proposed plan.

Personally, I have always felt that compulsory busing was a direct violation of people's rights. Surely, I feel everyone should be entitled to a high quality education and I feel strongly that all children should be treated equally. However I cannot honestly convince myself that compelling children to be transported from one neighborhood to another would help the children.

Speaking for the majority of the parents in my area, and for myself I ask you and the members of the school board to vote against compulsory busing."

**Ascension Holds Noon Luncheons**

The Thursday noon Lenten luncheons at the Church of the Ascension are now under way. The theme this year is "Change! Change! Everything's changing. I don't know my world anymore!" The program is planned primarily for people working and living in the Kodak Park area.

A cafeteria style lunch is served at 12 noon and the program ends shortly before 1, thus enabling workers to get back to their jobs. The price is \$1.00 per person.

Topics to be discussed for the remainder of this Lenten season are: Feb. 26, "Grade Reorganization of the City School" by Harvey Granite, Director for Instruction, City School District.

March 5, "The Church - Internal Change" by The Most Rev. Joseph L. Hogan, Bishop, Roman Catholic Diocese of Rochester.

March 12, "The Church External - Its Role In Social Change" by The Rev. Robert Burch, Program Director, Episcopal Diocese of Rochester.

March 19, "Whither Rochester" by The Honorable Stephen May, Mayor of Rochester.

Mrs. Rodley Gail, Mrs. Jack Vaughan and Mrs. C. Robert Stumpf head the committees of churchwomen organizing the luncheons.

**Jeff Students Also Vote "No"**

Jefferson students polled their opinions concerning the much discussed Grade Reorganization and Desegregation of the Rochester public school on Feb. 11 in their homerooms and the big majority voted "no". Results were:

- 27 support the plan as is;
- 49 support the plan with reservations;
- 743 oppose the plan;
- 53 undecided.

Prior to the Opinion Poll students had had three opportunities to obtain information on the proposals: The B.O.E. Informational meeting on Jan. 20 in the school auditorium; the closed circuit telecast on Feb. 3; and the school assembly presentation and discussion on Feb. 6.

Jefferson's PTSA Circle of Cooperation will convene on March 17, at 7:30 p.m. to discuss and plan school concerns and activities. All interested parents, teachers, and students are invited.

On March 25, at 2:30 p.m. in the school auditorium, Eugene J. Covelli, Director of the Narcotics Education Center, will discuss "drugs and addiction" with Jefferson's staff. All interested parents are invited to attend this seminar. There is no registration fee.

IN MEMORIAM

Wed., March 4, dear mother, would have been your 93rd birthday. It would have been a very happy day for you. You would be waiting to see your sons, daughters, grandchildren and great grandchildren at your usual large birthday party. We would all gather around you and smile as we would watch you try to blow out all the candles on your beautiful birthday cake, as we all gathered around you to sing "Happy Birthday Mother". How precious those memories are. Our hearts are very heavy now, as we will never again see your sweet face nor hear your dear voice, nor your gentle footsteps. May you rest in peace dear heart. Sadly missed by her children and all who knew and loved her.

LETTER

TO THE EDITOR:

This letter is addressed to the people of the No. 30 School district association and residents of the No. 30 School district.

As past president of the No. 30 School District Association I would like to thank each of you for the ground work that we laid six years ago for the parents who finally woke up to the fact that the busing situation is now happening to them.

Six years ago, we pleaded with people to join us so we would keep the Neighborhood School Concept in effect but at that time it was only happening to the people of the No. 30 School.

You, as a member of the No. 30 School District Association, can all walk with your heads up high for doing what had to be done for the interest of your children. We worked hard to raise money to pay for legal fees of the one attorney in the city of Rochester who listened to our plea and took our case to court. As you know, we won the first case in court. Had all the people in Rochester at that time worked with us, the problem occurring today would never exist.

## Democrats Seek New Candidates

A special meeting of the Ninth and Tenth Ward Democratic Clubs has been called to discuss candidates for the office of governor in the fall election. The meeting will be held at the home of Dr. and Mrs. Kenneth O'Loane, 331 Seneca Pkwy., on Tuesday evening March 10 at 8.

The announced candidates for governor include: Howard Samuels of Canandaigua; Nassau County executive (County Manager) Eugene Nickerson and Attorney William VandenHeuvel, a Rochesterian and aide to Sen. Robert Kennedy. All candidates will be invited to have representatives present at the meeting.

All interested persons are urged to attend, states John Nauerth, club president.

## Baked Food Sale

Holy Rosary parish will have a baked food sale Sunday, March 8 for the benefit of the Biafra Relief.

Baked goods will be sold after all the Masses starting with the 7:15 a.m. Mass on Sunday, also after the 5:30 p.m. Mass on Saturday, March 7.

Donations can be brought to the school hall at 4 p.m. Saturday or before the Masses on Sunday. Coffee and donuts will be sold. A ham and turkey will be raffled. Seventh and eighth graders who bake their donations will be eligible for a drawing to win a record of their choice. "We hope all the parishoners will help make this a big success," says Mrs. Joseph Hetzler, general chairman.

## Lewis A. Vallone Gets Promotion

LEWIS A. VALLONE

District Attorney Jack Lazarus has announced the promotion of Lewis A. Vallone to Special Assistant District Attorney in charge of Criminal Investigations. In his new capacity, he will handle special investigations involving prolonged criminal activity, fraud, and drug abuse in addition to regular trial work.

Vallone has been in the District Attorney's office since 1965 and is a graduate of the old No. 7 School, and John Marshall High. He is the son of Mr. and Mrs. Joseph A. Vallone. He lives at 733 Seneca Pkwy. with his wife Francesca, and two children.

According to Mr. Vallone, one of the biggest problems facing the community today is drug abuse in the schools. "Until parents and teachers can be educated how to detect drug usage by their children and students, and how to handle the problem rationally, and young people can be informed of the dangers, not only to themselves, but perhaps to future unborn children, the drug problem is not going to improve. Once people feel there is no need for dangerous drugs and stop using them, and the sellers find no market for their illegal activity, then we will see a reduction in the drug problem."

This is to be a general meeting open to the public and everyone is invited to attend. Especially invited to join the NHTF are all those who at the Board of Education meetings expressed the conviction that open housing is the solution to integrating the schools, reports Tom Shea, chairman.

## Senior Citizens Bus Rates Reduced

Under legislation sponsored by Mayor Stephen May the city administration will soon begin a three-month experimental program of reduced bus fares for senior citizens. He said it is now up to elderly bus riders to increase their use of buses in order to minimize revenue losses and permit the plan to become permanent.

The program, which will begin on March 15, will allow persons 65 years of age or older to travel on RTS buses for fifteen cents between the hours of 9 a.m. and 2 p.m. and 6:30 p.m. and 2 a.m. on weekdays and all day Saturday, Sunday and holidays. Zone and transfer rates will not be affected by the pilot program.

May said the city government will continue to work closely with the Transit System and the Senior Citizens Action Council on a publicity campaign to encourage elderly citizens to make full use of the reduced fare service in an effort to minimize the severe revenue losses predicted by experts. He said the City, Transit System

and the Senior Citizens Action Council will evaluate the program at the end of three months to determine the feasibility of extending it.

May estimated that about 90,000 Monroe County senior citizens can benefit from the plan, adding that "we owe special assistance to our aging citizens, so many of whom are caught in the tragic squeeze between fixed incomes and the rising cost of living."

## Car Wash To Benefit Trip

Eighth grade boys and girls of Holy Rosary School will hold a car wash at Pendino's Atlantic Station, corner of Dewey and Lexington on Saturday and Sunday, March 7 and 8 between the hours of 9 a.m. and 6 p.m. Prices are \$1.00 for wet wash and \$1.50 for wash and dry.

This project is to help pay expenses for their Albany trip scheduled in March.

**Cancer Society Names "Miss Hope"**

Catherine Ann Hiler has been named Monroe County's "Miss Hope" for 1970 in this annual competition sponsored by the American Cancer Society. Arthur J. Redmond, M.D., president of the Society's Monroe County Unit made the announcement following judging at Top Of The Plaza last week (Wednesday, Feb. 11).

Miss Hiler, 23, is the daughter of Mr. and Mrs. Dale Hiler, 412 Ballad Ave., Greece. A graduate of Nazareth Academy and the Genesee Hospital School of Nursing, Miss Hiler is now Head Nurse in the Extended Care Facility at Genesee Hospital.

During off-duty hours Miss Hiler enjoys swimming, skating, skiing, reading, and arranging her own hand-crafted flowers. She looks forward to competing with other candidates from upstate counties when New York State "Miss Hope" finals take place in Syracuse on March 18 during the state-wide Cancer Crusade Kick-Off.

"Miss Hope" represents the American Cancer Society throughout the year, serving as spokesman in various activities promoting the control of cancer. Candidates, who must be unmarried student or registered professional nurses, are judged on personality, intelligence, poise, and presentation of a three-minute talk on nursing and some phase of the cancer problem.

**Projansky Heads Easter Seal Drive**

Henry P. Projansky of Brighton, local civic leader, has been named chairman of the 1970 Easter Seal Appeal by Lowell MacMillan, president of the Monroe County Crippled Children's Society. Alexander Beebe, Jr., has been named honorary chairman.

The annual spring appeal is scheduled to start on Feb. 23 and will continue through Easter Monday, March 29.

"The backbone of our Easter Seal Campaign", stated Mr. Projansky, "will be our mail appeal, but we plan to call attention to the programs that these funds support".

The theme of the 1970 campaign is "Faith, Hope and Therapy", and it is the therapy provided by Easter Seals that gives those we serve faith and hope".

**IN MEMORIAM**  
Today, Mar. 4, dear mother, would have been your 93rd birthday. It would have been a very happy day for you. You would be waiting to see your sons, daughters, grandchildren and great grandchildren at your usual large birthday party. We would all gather around you and smile as we would watch you try to blow out all the candles on your beautiful birthday cake, as we all gathered around you to sing "Happy Birthday Mother". How precious those memories are. Our hearts are very heavy now, as we will never again see your sweet face nor hear your dear voice, nor your gentle footsteps. May you rest in peace dear heart. Sadly missed by your daughter Katherine. MRS. ANNA FARRELL DIED JANUARY 15, 1970.

**Steinfeldt Protects  
News Media**

ALBANY--Assemblyman Steinfeldt (R-Monroe County) is co-sponsor of an Assembly bill which would protect newsmen's sources of information.

Steinfeldt's bill would become effective immediately if it is passed by the Legislature and signed by the Governor.

Newsmen could no longer be held in contempt for refusing to disclose their news sources before any court inquiry, legislative hearing or any other body having contempt powers.

Covered under the Steinfeldt bill would be newspapers, wire services, press associations and radio and television stations.

Assemblyman Steinfeldt said his bill has been tightly worded "so that only bonafide, professional journalists can legally withhold the source of their information."

"Every rational newsman wants to cooperate with the forces of law, order and justice. For years, newsmen have been asked to testify in court. As trained observers, they have frequently made excellent witnesses," Steinfeldt said.

"No newsman objects to a court appearance when it is justified and when he realizes that a search for justice is underway," he said.

Assemblyman Steinfeldt pointed out that 14 other states already grant protection to newsmen from being forced to divulge their sources.

"It is a tribute to New York State newsmen that they have protected their sources throughout the years," he said.

"A great part of the newsman's job is finding and later respecting confidential sources. To that end, I am committed to a leadership position in seeing the bill enacted into law," said the Assemblyman.

**May Warns Against Negativism**

Warning that forces of negativism at work in American cities can prevent solutions to the urban crisis, Mayor Stephen May appealed for "return to our tradition of civility of dialogue." He said that "America today is a nation divided--and as a result, we are entering an ominous period for our system of government."

Addressing a communion breakfast at Sacred Heart Cathedral, May urged Rochesterians "to emphasize the many things we have in common and not the relatively few things which momentarily drive us apart." He said there is an urgent need to "revive the best in the American tradition which permits, even demands, that we talk to each other, not scream at each other."

Excerpts from the Mayor's remarks follow:

"Bitter controversies aroused by population shifts, unprecedented increases in crime, deteriorating conditions in our cities, tensions between the races, and hostility between the establishment and the dissidents have created a genuine national crisis for our people. We

are tormented by division and beset by spokesmen who preach doctrines of acrimony.

"In city after city, powerful forces of negativism, fear and divisiveness are at work. Promises to turn back the clock and appeals to the baser instincts of the populace have become increasingly popular among articulate citizens. The backlash vote, with all its ugly connotations, has become a potent political reality.

"In light of this disturbing pattern, it is vital for responsible citizens to become concerned about the emotional health of our people. It is time for concerned Americans to do something about the tone in which we say things to each other and about the quality of our public dialogue.

"If we do not return to our tradition of civility of dialogue, if we do not reject the apostles of negativism, it will become increasingly difficult to establish proper priorities, differentiate between right and wrong and reconcile opposing groups to achieve progress within the framework of our system."

Dr. and Mrs. Augustus Falcone of 1333 Lake Ave., announce the birth of their son, Gianpier, Jan. 19th. He weighed 7 lbs 11 ounces. Dr. Falcone practices optometry at 1333 Lake and Lakeside Memorial Hospital, Brockport.

**CITY RECREATION NOTES**

City Recreation Bureau facilities at Edgerton Park, No. 17, No. 21 and No. 43 playgrounds are open from 3 p.m. until 9 p.m. weekdays Monday through Friday and from 10 a.m. until 3 p.m. on Saturdays. Interested crafts, music, and athletic programs are planned.

Gym and family swims are scheduled to continue throughout the month of March at Jefferson on Monday and Wednesday evenings and for girls only at Marshall on Wednesday nights. Activities get underway at 7 p.m.

Feature events held at No. 43 playground center recently included a "preview of the stars" talent show and a family get-together buffet dinner. Special programs are planned for the month of March. Stop in at the center for details.

The second annual family bowling tournament was recently held. Forty moms and dads teamed up with the youngsters to provide an enjoyable afternoon for all. Top scores were turned in by father and son combination Joe and Rocky Simeone, as well as mother and daughter team Jean and Georgianne Gefferian. While ten year old bowler Mike DeMarco stole the show when he rolled a 246 high game, Joe Manzo also bowled a creditable 3 game 1249 series.

Playground youth from the No. 7 area won the West District sculpture contest at the bureau sponsored winter carnival, held at Genesee Valley Park.

**MINT SALE AT Y**

The Maplewood Branch YMCA announces it's annual Y Mint Sale. For the next three weeks Y members will be calling on neighbors and friends to sell them a box of mints. Money earned by each boy is credited to the YMCA summer program of his choice. Sale runs to March 28.

The Y Tennis Program, Frontier Valley Day Camp, Camp Cory (Penn Yan) and Camp Gorham (Adirondacks) are the programs that the boys are working toward.

**LETTER**

TO THE EDITOR:  
I think it is hypocritical for the churches to take a stand in the city school reorganization and desegregation issue. To imply that it is their duty as Christians is blasphemous. Christ preached self-denial and sacrifice, teaching by example. The churches are doing the exact reverse. On Sunday morning the loudest proclaimers of integration preach to segregated congregations. Why then do they insist that this is natural, but not for the schools.

The Catholic leaders feel strongly enough to close the schools in sympathy with the RTA, but find it unnecessary to set an example by desegregating.

It is just as unreasonable to force integration in the schools as it is in the churches, but if the school board is influenced by the unjust pressure it is under, I will personally start a campaign to force the integration of churches of the city. They can use our buses.

Rochester's Sister City program will be continued and perhaps expanded, Mayor Stephen May said recently. He said the twinning arrangements with cities in France, Germany and Italy has "enriched the life of Rochester and strengthened bonds of international friendship and understanding".

May said he is considering adding new Sister Cities in Israel, Poland, and South Vietnam. He said he has already made contacts with Polish officials concerning the possibilities of the first Sister City behind the Iron Curtain.

"The need for increasing international communication and goodwill on a person-to-person basis is crucial in these tense and troubled times", May observed. "Rochester, with its strong international ties and spirit, can continue to play an important role in this effort by building upon the already successful sister city and people-to-people programs".

**LETTERS**

**TO THE EDITOR:**  
The Senior Citizens Action Council wish to take this opportunity to thank the 10th Ward Courier and Vicinity Post for publishing the story on Page 1 of the March 4th issue in regard to the reduction in bus fares for Senior Citizens. The Council of Social Agencies, Dept. of the Aging, along with representatives of Senior Citizens groups, have been working on this plan for over 2 years and are very happy that, at last, this matter will be reaching the ultimate goal on March 15. For the action of the Council and the Mayor we are grateful.

With the 90,000 Senior Citizens in Monroe County it was felt that some way should be devised that their voice should be heard and so the Senior Citizens Action Council has come into being. This organization will be for every Senior Citizen whether they belong to an organized group or not. It will be for individuals but most will be contacted through the groups they belong to.

It is hoped that the organization can become incorporated and have their own office and director. For the present the headquarters are at the Council of Social Agencies with Mrs. Mary Peterson at the office. She may be reached at 454-2770, Ext. 43 from 9 until 12 noon, Monday through Thursday. She will be glad to talk to you about the future plans, and explain that you have to show your Medicare card when you place 15 cents in the fare box.

We realize that your paper covers a large territory and that there will be a large number of Senior Citizens vitally interested in knowing what this organization has planned for the future and how they are going to accomplish this task. We have a large number of Senior Citizens who are willing to give the time to accomplish this and are dedicated to the task.

You may also call Stuart T. Boyce, at 458-5584, for additional information. The matter of housing for the elderly is one of our prime objectives.

STUART T. BOYCE  
551 Magee Ave.

**TO THE EDITOR:**  
With reference to a recent item in the newspaper, that stated there are more senior citizens living in Rochester, than any other city in the United States, I would like to recommend that all the property at Glenwood and Merlin Streets plus the adjoining property to Kes-

treil St., be used entirely for the senior citizens, as first proposed by our City Council.

A recreation area, including building and gardens could be added for their enjoyment. Perhaps, even some medical personnel could be available on the premises for their convenience.

I don't think it wise to build 40 low cost family units next door to a senior citizen project. There would not be much land left for the children to play, after all the houses are built. It would not be fair to the children, the senior citizens, or the present area residents.

This small, narrow, section of land cannot absorb both the 84 senior citizen and 40 family units, that the City Planning Commission is trying to squeeze on this property.

Please, give our senior citizens all of Glenwood Gardens.  
THOMAS HASEK  
33 Merlin St.

**Lincoln Rochester BankAmericause**

Individuals who contribute to worthy causes can now do so with a credit card.

Lincoln Rochester Trust Company this week announced a new service - BankAmericause - designed to assist the fund-raising activities of civic groups in the Rochester area. Under the BankAmericause program, contributors may charge pledges, contributions and payments using their BankAmericard.

The sponsoring organization receives immediate payment and the Bank's credit card department assumes all collection responsibility. The service is free to all non-profit organizations.

"BankAmericause", according to Michael C. Walker, manager of the BankAmericard department, "gives the Bank an opportunity to donate a meaningful service to charitable community causes. In addition, it further demonstrates the all-purpose nature of BankAmericard."

Under the program, Lincoln Rochester will lend the sponsoring organization one or more credit card imprints to record charges on special sales drafts which may be turned in to the Bank for reimbursement.

## EANA Plans Public Meeting

The Edgerton Area Neighborhood Association will hold a public meeting on Friday, March 20, here at Christ Presbyterian Church, beginning at 8 p.m. Election of officers will be held. The education issue will be discussed and action on the formation of a neighborhood school board will be brought to the membership for a vote. All people in the neighborhood are invited to attend.

The Mission Department of Christ Church met March 2, following the Feb. 25 Board of Education meeting. After discussing "the sad situation" concerning the school board the following resolution was drawn up:

"We still insist that Public School Education in Rochester is inferior.

"We would like to see this situation dealt with by the implementation of the Reorganization and De-segregation Plan. However, this may not be realistic. In either case, there is need for neighborhood school organization to guarantee quality education for our children.

"Therefore, we support the development of community school boards to directly control the instruction and programs of our children in our neighborhood schools".

## Kindergarten Registration

Kindergarten Registration Week in the public schools is being held this week through Friday. Children who will be five years of age on or before Dec. 1, 1970, are eligible to enter kindergarten at the opening of school in September 1970.

All children should be registered in March if their birthday is on or before December 1, 1970. They should take with them a birth record or baptismal certificate, evidence of vaccination, and any other information that may be helpful to the school.

The hours of registration will be 9 to 11:30 a.m.; 1 to 3:30 p.m.

## Concert Features Famed Organist

David Craighead, nationally famous organist and chairman of the organ department at the Eastman School of Music, will play a recital in Sacred Heart Cathedral on Palm Sunday evening, March 22, at 8:15. His program will consist of works by Messiaen, Ernst, Bach, Sowerby, and Tournemire.

He will be assisted by Miss Anastasia Jempelis, violinist, for the Sowerby work, "Poem for Violin and Organ".

## Ex-Scout Executive Wellington Passes

Frederic L. Wellington, whose death occurred last week at the age of 67, was born and raised in the old Tenth Ward area in Clay Ave. As a boy he was active in Scouting at Dewey Avenue Presbyterian Church and served as scoutmaster there while attending the University of Rochester from which he graduated in 1925.

Scouting turned out to be Mr. Wellington's life work. He was a leader in the opening and development of Camp Pioneer on Seneca Lake and from 1927 to 1929 was assistant to the director of Rochester Council of the Boy Scouts and also directed old Camp Otetiana on Canandaigua Lake. He left Rochester in 1929 to become executive director of Adirondacks Council at Saranac Lake and subsequently served in several other Scouting posts prior to his return to Rochester in 1947 to become the local council executive, serving until his retirement on Sept. 1, 1967. The Council grew from 6,500 members to 18,000 under his direction.

Mr. Wellington had been living in Irondequoit but was in Delray Beach, Florida when he died on March 13.

## More Trees Asked For Seneca Pkwy.

The city forester has been asked for a report on the status of the replacement of trees on Seneca Pkwy. Councilman John R. Parrinello has asked Hilland Knapp, city forester, for "some assurance that the needs of the residents be recognized and respected".

Seneca Pkwy. is "in a state of flux due to the removal of elm trees", Parrinello wrote in a letter to Knapp. "It is essential that beautiful areas like the Parkway be maintained and not ignored", he stated.

## Senior Citizens Now Working For Better Housing, Discounts, Etc.

The Senior Citizens Action Council which has been partly responsible for the reduction of bus fares for Senior Citizens, is going ahead with plans to organize all Senior Citizens in Monroe County.

At the present time this group is working out of the Council of Social Agencies, Department of the Aging. It has a separate phone number which is 454-2770, Ext. 43. Mrs. Mary Peterson is at that number ready to give any information desired regarding the possibilities of this organization. Her hours are 9 until 12 noon, Monday through Thursday.

A number of projects are being discussed by the various committees. The Housing committee is headed by Charles Russell of Gates and Dan Donovan of Webster as co-chairman.

The committee working to achieve discounts for Senior Citizens have already been assured of 25% discount on hearing aids and accessories and contacts have been made with optometrists.

Other major items also will be sought.

"To take advantage of these services you will have to have membership in Senior Citizens Action Council," says Mrs. Peterson. "The potential of 90,000 Senior Citizens in Monroe County will lend strength to this effort."

### Red Cross Seeks More Volunteers

A great need exists for volunteer men and women drivers in the Red Cross Transportation Service. Clarence Dutton, chairman of this service, explained that volunteers are needed for daytime, evenings and weekend assignments. These assignments would include: driving for Blood Units; delivering blood to hospitals; driving the blind to the Art Gallery for Ceramics classes; driving multiple sclerosis patients to the Al Sigi Center for therapy; delivering Meals on Wheels; taking the handicapped to Red Cross swim programs; driving for Red Cross programs at Canandaigua VA Hospital.

"I can't stress enough the need for daytime drivers for the Blood Program", Mr. Dutton said, "The shortage of these drivers is particularly acute at this time. Housewives and retired men and women who are able to give one day each week or one day of every other week would be of real assistance".

A senior New York Driver License and a good driving record are required. Interviews for inter-

ested persons will be held Tuesday, March 24, and Tuesday, March 31, from 10 a.m. to 3 p.m. or by special appointment, at the Red Cross Headquarters, 50 Prince St. For more information or an interview appointment, call Red Cross, 275-9800.

**TO THE EDITOR:**

Many parents who have worked hard to keep neighborhood schools have said in no uncertain terms that they believe in a good education for all children, that the right of the people to educate their children in their own home neighborhood must be preserved.

Many other parents who support the reorganization of schools say that they do so because they believe in a good education for all children.

Certainly all dedicated people on all sides of this splitting controversy give much thought and time and sometimes real sacrifice to support their beliefs. This is a problem which is not going to be solved today or tomorrow. Much is said and done, and much will need to be said and done for a long time to come.

Meanwhile the school where your children are educated, stands in need of changes which can only be accomplished by your strong support. It simply doesn't make sense to say that all these dedicated people are interested only in where and how their children get to school. They must be interested also in what happens to their children after they get there.

In our schools today, too many children are still bunched in one classroom, too many children are still being forced to learn too quickly or too slowly, too many are achieving below grade level in key subjects. We are not making the best use of our teachers' separate talents. Over 760 children have the services of a nurse only two half days a week. Are they required to be sick or have accidents only by appointment? We have an old building, much of the equipment is ancient. Active children in primary grades are without gym classes and without playground equipment of any kind.

Too many children are in danger crossing busy streets because of our difficulty in getting and keeping crossing guards. These problems need our attention and they need it now.

On Tuesday, March 24, at 7:45 p.m., No. 41 School will hold a meeting to discuss the needs of our school. It is our hope that a "No. 41 School Community Committee" representing as many parts of our neighborhood as possible, can be set up to work with our teachers on ways and means to get something done about the needs of our children. We must, at least, make a start. Whether you are a member of No. 41 P.T.A. or not, please try to keep this time open to attend this meeting and be with us to put your two cents worth in.

THERESE H. SCHROEDER  
Publicity chairman,  
No. 41 P.T.A.

**TO THE EDITOR:**

In the wake of the deplorable decision made by the Rochester School Board in vetoing the grade reorganization and desegregation plan for the city public schools, we wish to submit one alternate suggestion: that the Diocese of Rochester close its city and suburban schools permanently in June 1970 to be reopened in the future as an Ecumenical Racially Integrated School System. We believe that the human resources to help such an idea succeed already exist and have long been at work; we hope that the financial resources could be available through inter-denominational support.

MR. and MRS. WILLIAM P. MC KENNA,  
Geneseo, N. Y.

**SECOND CHURCH OF CHRIST SCIENTIST**

The subject of the Lesson-Sermon this Sunday to be read in Christian Science churches, is "Matter".

A verse from Isaiah reads, "For as the earth bringeth forth her bud, and as the garden causeth the things that are sown in it to spring forth; so the Lord God will cause righteousness and praise to spring forth before all the nations".

The public is welcome at services held at Second Church of Christ, Scientist, One Seneca Pkwy., at 10:45 a.m.

**TO THE EDITOR:**

May I offer my congratulations to Mrs. Jack Halter, member of RNSA. It was quite reasonable of her to notice that the churches and schools of the Northwest are truly segregated. With this perception, I'm sure she has noticed that the neighborhoods, also, are segregated. If she and anyone else are really interested in bringing an end to this blasphemous hypocrisy they are sure to find the answer within the efforts of many clergy and laymen in the Northwest churches. All they need to do is ask what can be done, what is being done, and what "I" must do.

How else can the change come about without a positive and active effort towards building a just, thus democratic society.

First, of course, we must admit that our society as a whole has been engaged in a hypocritical "cop out" even to the point of saying, "They can use our buses" when who would deny our buses are everyone's busses.

While on the subject of hypocrisy, isn't it rather so to say our children belong in neighborhood schools and then be willing to personally desegregate churches? But then, Mrs. Halter was being cynical, wasn't she?

There is quite a difference in deciding which schools we go to, when a school is a school, and which churches we attend when some people don't even go to church - because they aren't forced to.

I'm sure I don't stand alone in saying Christ Church will gladly be first on Mrs. Halter's list of churches to be desegregated as we are willing to take it from there within the hearts and minds of each of us.

MRS. JUDY WHITE  
Member of CPC and Elder  
of Christ Presbyterian Church

## Lacy "Basket Egg Tree" Is Fancy Fun At Low Cost

With a little help from Mom, youngsters can be kept busy on Easter vacation fashioning a "Basket Egg Tree" that will make a lasting and lovely centerpiece or table decoration.

Because it's made from scraps and throw-aways, the cost of the project is very little. All it takes is eggshells, embroidery scraps, thread, transparent tape, glue, a branch, an empty fruit can, plaster and a basket or pot to set it in.

Start by saving eggshells. It's a good idea to break the eggs with a knife, near the smaller end. Use your finger to wash the inside of the eggshells with warm water, and let them dry thoroughly. Reinforce any shells with jagged or cracking edges on the inside with tape. Before you decorate them, attach a hanger thread to the inside of each egg. Use transparent tape, preferably the non-shiny type (Scotch Magic Transparent) so that decorations can be easily glued on top of it. About nine inches of metallic thread make a pretty hanger.

If your sewing box does not yield enough scraps of metallic threads, velvet ribbons, yarns and pieces of lace, you can buy remnants for pennies at the

embroidery counter of any department store. These, together with glue, tape and imagination, will help your children turn the eggshells into beautiful little basket creations.

While the youngsters are busy decorating the shells, Mom can prepare the "tree." A branch from any tree or bush will do, but dry ones are best. Spray or brush on a flat white or pastel enamel. Mix about two pounds of patching plaster in a clean No. 2 1/2 can, and brace the tree in it until it hardens. Then the can can be set in any handy pot or basket, and garnished with paper hay, foil or clear wrap.

A final touch to the Basket Egg Tree is a nest made from a copper scrubbing pad, into which you place a tiny paper bird. To preserve your creation for next year, save an egg carton in which to pack the shells away.

The entire cost of the project is from \$2 to \$3, depending on what supplies you have on hand. Patching plaster is about 45 cents, non-shiny tape about 49 cents; white glue, about 29 cents, and a can of spray enamel, about 98 cents. If you choose to buy embroidery remnants, you can probably get all you need for less than a dollar.

Surprising statistics reveal that at five months many babies weigh 14 to 15 pounds. At birth, the average infant weighs seven pounds. Small babies tend to gain weight more rapidly than large babies.

Many suggested... few chosen... names for a baby can cause family problems. You can't disappoint his people or hurt the feelings of your own when you choose an exceptionally rare name! Said by some antiquarians to be the world's first personal name, "En-lil-ti" was found near Iraq on a tablet dating from circa 3,300 B.C.

Quickly weaned, Roman Empire babies were soon put on bread crumbs mixed with wine—a sort of built-in burper! Today's mothers, however, enjoy doing what comes naturally and then want to a substitute of mother's milk!

Baby's wardrobe today shows considerable knowledge of the variety an infant needs, even in diaper products. Extra absorbent Curity Night Diapers, for example, keep bedding and baby drier, and are easily identified in the Curity diaper selection by a blue thread... blue, for both girls and boy babies!

More independent at one year, a child can also appear unreasonably "baby-like" with frequent crying spells. Dr. Benjamin Spock points out that at this point the baby can perceive mother leaving the room, but cannot realize she is coming right back. Thus, tears! The danger of a little knowledge.

**HAM FESTIVAL TO BENEFIT VFW POST**

It will be held at the Post Home at 733 Maple St. (downstairs) in the newly decorated party room. Festival chairman Pete Smith says that free ham sandwiches and refreshments will be served.

**EXHIBITORS' SHIP COMES IN**

Salesmanship—with the accent on "ship"—has created \$374,080 in orders and an anticipated additional \$5 million in 1970 sales for 29 American exhibitors who took to the water in a United States nautical exhibition through the heart of Germany and the Netherlands. First of its kind, the exhibit set sail on a rising tide of interest.

This unique water-borne trade show, the Rhine River Solo Exhibition, was sponsored by the U.S. Department of Commerce and featured industrial process controls, instrumentation and computers. It sailed 800 miles through one of the most highly industrialized areas of the world.

Opening in Cologne, the M.S. Loreley, housing the exhibits, and the M.S. Europa, housing Commerce and ex-

hibiting officials, began the first two-day stop and then sailed to Wiesbaden, Karlsruhe and Duisburg, closing in Rotterdam. Each of the five cities is in the heart of the major industrial area and about half of Germany's industry and

most of the Netherlands' manufacturing is within about 50 miles or an hour's drive from the Rhine.

In addition to sales, another aim of the show was to attract new American firms to the Rhine River market area. Of the 29 exhibitors who took part, seven were entering exporting for the first time and eight were making their first appearance in the Rhine River market area.

Included among the 3,232 visitors who boarded the Loreley to see the exhibition were, 2,186 registered as business representatives. Visitors from Italy, Switzerland and France also attended the show.

To stage the Rhine River Solo Exhibition, the Depart-

ment of Commerce's Commercial Exhibitions Program had to conduct one of the largest market promotions in its seven-year history. Hitting five major industrial areas with a single show required more than 658 individual calls on top leaders of companies utilizing industrial process controls, instrumentation and computers. More than 80 per cent of those contacted visited the Loreley. A Department of Commerce team of six, plus Embassy and Consulate General officials, made the calls throughout Europe, including the United Kingdom, Belgium and France.

The ship-shape exhibitions demonstrated anew that there's no business like show business.

### City Bowling Tournament Set

The Rochester Bowling Association's 52nd annual handicap city tournament will get under way beginning on April 25, continuing through May 9. Final deadline for entries is midnight Sunday, March 29.

Milt Alt, director for the city tournament, says that entries to date far exceed any previous city tournament in history.

The 5-man event will take place at West Henrietta Lanes. The singles and double events will be rolled at Maiden Lanes. A popular feature of last year's tournament will be continued this year. That is, a bowler may enter and compete twice in the five-man event. However, he may compete only once in the singles and doubles.

Alt says the entry blanks are available at all of the local bowling establishments. The tournament is sanctioned by the American Bowling Congress.

**Prize Play Due At Auditorium**

The Rochester Broadway Theatre League will present, for one performance only, Tom Stoppard's "Rosencrantz and Guildenstern Are Dead", on Friday evening, April 3, at 8:30 p.m. at the Auditorium Theatre.

Said to be an "uproariously funny, refreshingly modern paraphrase of Hamlet", it concerns the melodramatic events at Elsinore through the eyes of its most insignificant characters. It was hailed by Clive Barnes of the New York Times as "Very funny, very brilliant, a most remarkable and thrilling play." It has won both the New York Drama Critics' Circle Award and the Tony Award as the best play of the season.

Mail orders are being accepted now at the box office of the Auditorium Theatre, 875 East Main St. which will open March 28, and will be open daily from noon till 6 p.m. The box office number is 454-7743.

**YWCA Host To Antique Show**

Leading antique dealers from Monroe County and up-state New York will participate in the 18th annual antique show and sale, sponsored by Anna D. Proceeds from the show and from the traditional snack bar will benefit YWCA Scholarship and World Fellowship Funds.

Chapter members have lined up an impressive group of antique dealers for this year's event, covering a wide range of primitive, provincial and traditional furniture and accessories; much wanted patterns in china, glassware, silver flat and holloware and pewter; unusual decorative china and glass figurines, vases, urns and paperweights; lamps, clocks; elegant antique jewelry; books and many other items prized by antique collectors and decorators.

## Friends Honor Legislator

More than 600 friends of County Legislator Joseph Esposito turned out Saturday night for the dinner in celebration of his re-election last November. A dozen or more top officials of the city and county occupied the head table and each expressed great admiration and respect for Esposito as a public servant.

Two highlights of the evening involved Esposito and Bernard Hoepfl. There were inferences by several of the speakers, including the new Republican county chairman, that Esposito has the inside track for Northwest District City Councilman if he chooses to run for that office next year; and it was definitely announced that Hoepfl, an ardent 24th Ward Republican worker, has been appointed deputy manager of the War Memorial.

William Dwyer, new county GOP chairman, headed the list of dignitaries on the dais. Also present were Mayor Stephen May, County Manager Gordon Howe, Councilmen William Legg, Robert Wood, John Parrinello and Michael Roche, County Legislature President Joseph Ferrari, Congressman Barber Conable, Jr., Police Commissioner John Mastrella, Assemblymen William Steinfeldt and Frank Carroll and Sheriff Al Skinner.

The former county chairman Richard Rosenbaum, was principal speaker and Ralph Esposito, the honored guest's son, was toastmaster. The only woman at the head table was Mrs. Cloe Albert, chairman of arrangements and 24th Ward executive committeewoman. Martin LoBiondo, ward leader and co-chairman of the dinner, made a gift presentation to Esposito.

## Presbyterians Plan Passover Meal

Maundy Thursday celebration is being held tomorrow at Dewey Ave. Presbyterian Church.

The observance will begin this year with the Jewish Passover Meal as a time to share in the historic significance of this ancient Hebrew rite. The symbolic service associated with this occasion will be led by Mr. and Mrs. Joseph Altman of Temple B' Rith Kodesh, and will begin at 6 p.m., in Fellowship Hall.

In keeping with the meaning of Passover, families will sit at tables together and children are encouraged to attend. The evening meal itself will be much like that of a Jewish family observance.

This is open to the community. Reservations can be made by calling the church office, 254-1140. The cost is \$1.25 for adults, and 75¢ for children.

At 8 o'clock in the evening there will be a service of Holy Communion and the morning service of the Ancient Order of Tenebrae in the sanctuary.

## Mayor Cites City Goals

Mayor Stephen May addressed a Lenten luncheon at the Church of the Ascension last Thursday. He promised relief for the busy Lake and Ridge corners.

"People of this neighborhood" he said, "will be pleased to know that the City will be moving forward on its plans to improve Maplewood Park--and that goes for the Rose Garden area, the so-called 'middle Maplewood' section and our ultimate plans to improve the park when the State's highway construction program is finished. The continuing program of beautification will go on with our full support."

The Neighborhood Associations ACTION, DRIVE and UNITE will have their membership drives from April 4 thru 11.

Members in the three association areas are being asked to help with membership to achieve the highest participating membership ever.

Tom Cotterill, community organizer on the drives said: "The neighborhood associations are examples of democracy in its ideal form. They are people together deciding the influence and the direction that an area will pursue. Everyone has an opportunity. Those that take that opportunity have a pride that they determine their own future. They have the self-satisfaction that they are people who are setting the course, not following blindly the dictates of outside forces."
