195 EMERSON STREET
VOL. 43 NO. 27
DIAL 254-5200
ROCHESTER, N.Y., WEDNESDAY, JULY 15, 1970

Democrats Pick Ward Leaders

First and Tenth Ward Democratic organizations have held their ward and county committee meetings as required by law. The First Ward consists of seven election districts; each district is represented by two ward committeemen and two county committeemen.

The election results in the First follow: Executive committeeman (ward leader), Simone Parrinello; executive committeewomen, Ellen Long; chairman of ward and county committee, Lido Annucci; secretary treasurer, Martha Schmid.

The Tenth Ward elected these officials: Executive committeeman (ward leader) Robert Bell; executive committeewomen, Pat Bell; chairman of ward and county committee, Robert Abel; secretary treasurer, August Placito.

Ninth Republicans Re-Elect Leader

The Ninth Ward Republican organization elected these officers at a special meeting on June 29:

Executive Committeeman, George F. Esse; chairman, George Schneider; secretary, Stephen Kozlowski; treasurer, Karl Denninger; assistant treasurer, Thomas Reddy.

Sally Sullivan was also re-affirmed as executive committeewoman.

Plans for a testimonial dinner for John Romano, county legislator for the 28th district, were approved.

A resolution endorsing the leadership of County Chairman William Dwyer was also approved.

At this final meeting until Fall all appointive posts were filled.

FESTIVAL NEXT WEEK AT PRECIOUS BLOOD

Most Precious Blood Church is holding its summer festival and celebration of the Feast of St. Anne on July 24, 25 and 26.

There will be fireworks on both Friday and Sunday nights. The committee in charge includes:

Chairman John Poparvich; co-chairman, Jim Parshall; tickets, Robert Ray and Gary Thompson; treasurer, Robert Dardano; secretary, Eleanor LaPietra; co-secretary, Jean Scarciatta.

OFF TO CAMP

Climbing aboard the camp truck to go to YMCA Camp Cory earlier this month, these three No. 34 School boys were caught by the cameraman: LeRoy Forbes, 9, of 691 Lake Ave., on right, followed by the two Upright brothers of 79 Glenwood Ave., Ivan, 10, in front and Robert, 11.

Close Enrollment

Enrollment for the children's summer program sponsored by six local churches has far exceeded expectations and it has become necessary to close registration. Lack of sufficient volunteer aides is another reason for closing the rolls at this time say the sponsors. Some 230 children have been accepted. It was hoped to accommodate 300.

Known as the Neighborhood Inter-Church Program, it is designed for first to seventh grade pupils and has a theme "What Your Community Means To You". Art work, films, sports, music and crafts will be taught, supplemented by trips. The program starts next week and runs mornings for four weeks at Sacred Heart. It is non-denominational and next year it is hoped to have a similar program in a Protestant church.

A few more aides are still needed, either adults or teenagers. No experience is necessary, only a desire to work with children. Volunteers are asked to call Sister Damian at 254-5048.

Friends To Honor Departing Priest

Friends of Father Philip J. Billotte, former assistant at Sacred Heart Cathedral who has recently been transferred to Sacred Heart Church, Auburn, N. Y., are holding a buffet dinner in his honor at the Red Men's Club, Lexington Ave., Friday night, July 17.

"Father Billotte has made many friends in his four years at Sacred Heart and this gives all an opportunity to say thank you and goodbye", say the sponsors. Tickets are \$5.00 per person and may be obtained by calling Joan Wedow at 458-9619 or Anne Culhane at 458-9222.

Sales Tax Change Sought By Celli

Councilman Andrew G. Celli has introduced a resolution calling for appointment of a "Citizens Task Force" to recommend changes in the sales tax distribution formula in view of the fact that "the present city administration has indicated that it will not carry through its plans for consolidation of various city functions with the County of Monroe".

The county's income from sales tax will be tripled by reason of the last census, according to Celli, and the city's share will be reduced by three million dollars.

Celli points out that the city allows low income housing which reduces the amount of real estate tax revenue by reason of tax abatement; that most of the suburban residents work in industries within the city and shop at mercantile establishments also within the city, thus utilizing facilities maintained by the city.

On another front, Celli who is a Democrat, also made news by supporting the Republican administration's plan for closing the Emerson dump and appropriating 1.6 million dollars for the plan which will ultimately result in the city's refuse being trans-shipped to Orleans county.

School 41 Council Seeks Equipment For Playground, Other Improvements

The newly formed No. 41 School Cooperative Community Council has requested installation of play equipment for its primary grades as one of its first steps in improving conditions at the school. It has also criticized lunchroom facilities as "crowded and inadequate" and is advocating smaller class sizes.

Mrs. Joyce Lynch, as an independent parent interested in recreation for the No. 41 area, arranged a meeting with city officials to discuss the play equipment and although no promises were made, she was assured of an answer before the end of the school year. Mrs. Lynch, Mrs. Kay Arnold, No. 41 PTA president and Mrs. Helen Pierce, chairman of the No. 41 Council, met with Rev. Eugene Tennis, city community relations director and representatives of the city recreation department and the planning commission.

The No. 41 Council plan is to "keep more open lines of communication between the school and the community". Addressed to all No. 41 School community citizens, the plan of attack is outlined as follows:

"Obviously, the Council hopes

that progress can be made - but it's really up to you. If our teachers are fed up with conditions as they are - and if our parents are willing to let things stand without effort - No. 41 School, like so many other city schools, will quietly get worse, while we stand around and wonder what's happening to our children. The Council can pretend to represent a lot of people, but when the chips are down, you have to be there. We all say we want a better school for our children, but who cares, really? Do you?

"If you do, call a member of the Council, or the School office, or your P.T.A. president, and say, O.K. Count me in. Whatever I can do, I will do".

Mercury Contamination In Paint Being Investigated By State
Assemblyman William Steinfeldt says he is investigating mildew-resistant paints to determine how much they contribute to mercury contamination.
"If what I think is true, I'll sponsor legislation at the 1971 session to bar the manufacture and sale of these paints in New York State," said Steinfeldt, who represents this area.
"I have been studying contamination of the earth, water and atmosphere generally with the idea of sponsoring legislation to control contamination by mercury. Our Assembly standing committee on Health has explored the general use of mercury with officials of the State Department of Health, who made a presentation before the committee."
"I was shocked that mildew-resistant paints can be so big a source of mercury contamination in our environment", said Steinfeldt.

Kodak reports to the community

Jay Street will never be the same.

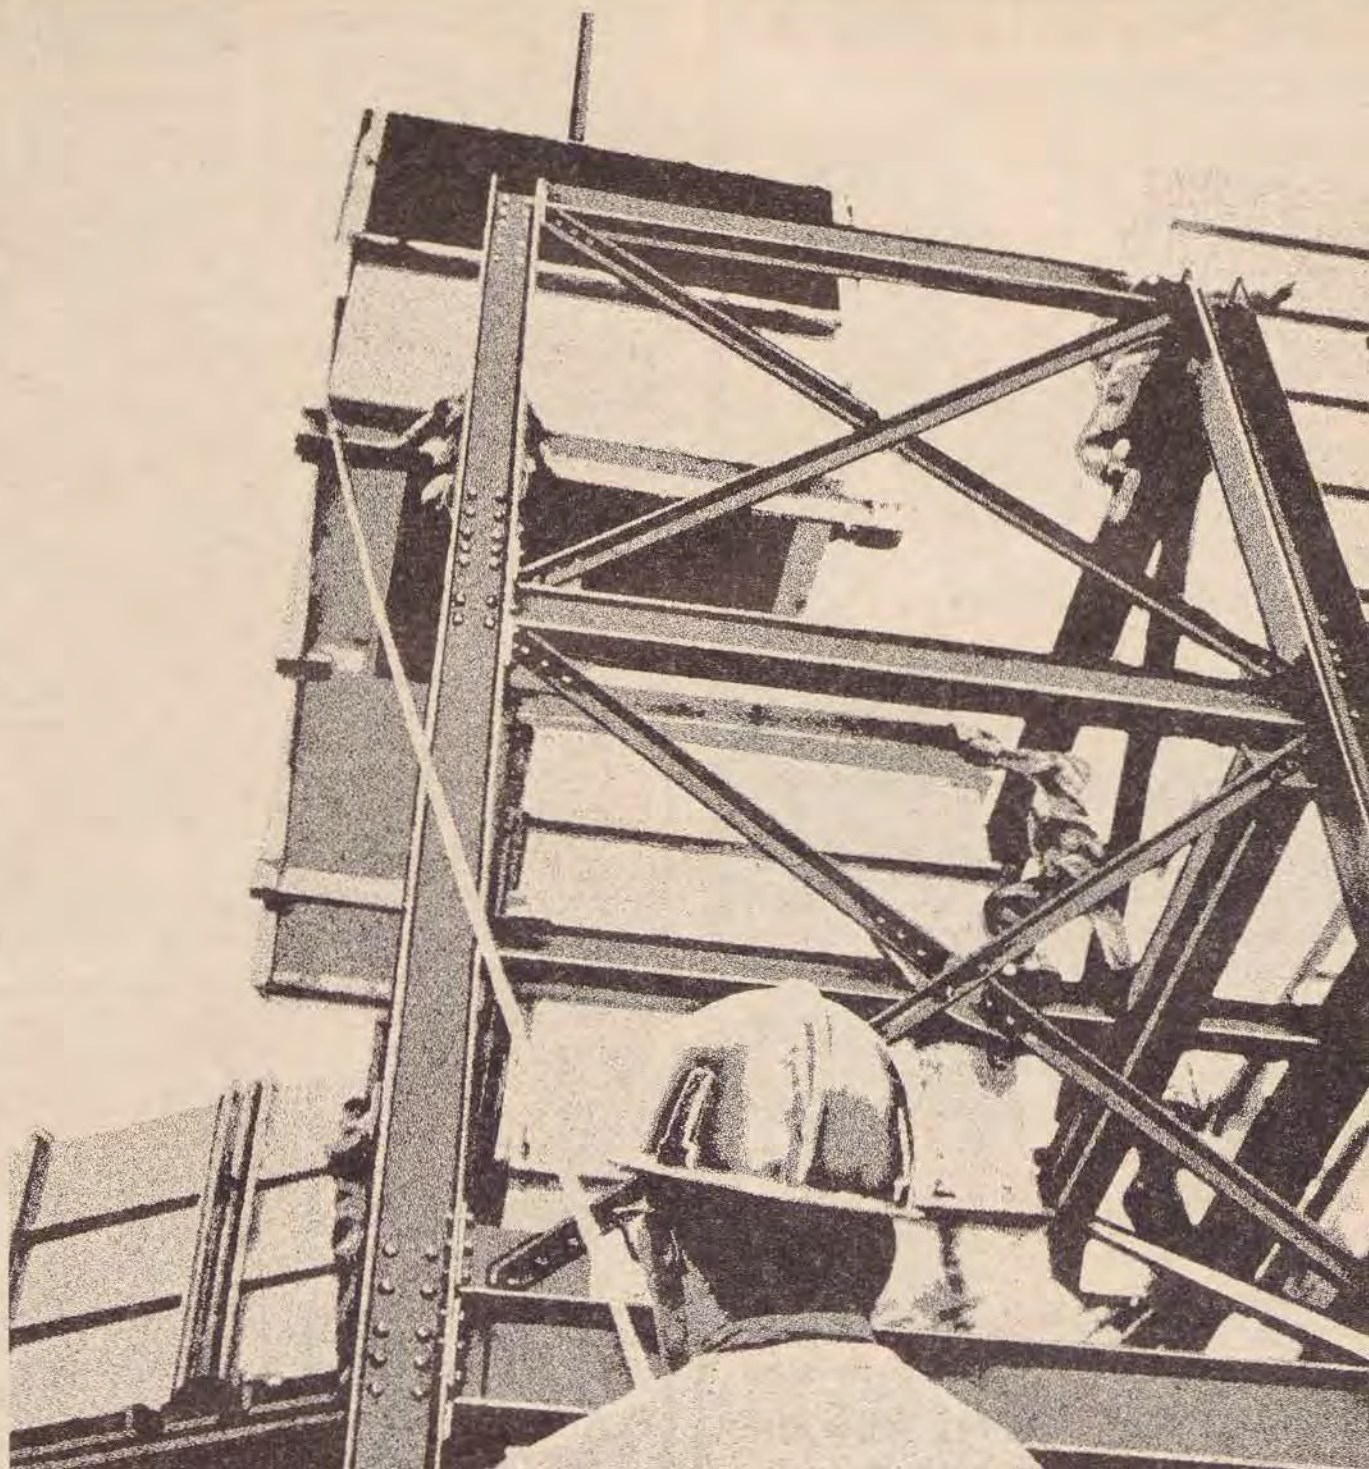

Not if our neighbors, just west of our State St. offices, can help it.

That's why they call their neighborhood organization WEDGE, after the tool used to raise things. And WEDGE has found out that when it comes to raising and moving people, photography is a pretty useful tool to work with.

Last year, WEDGE came to Kodak with the problem of how to raise people's interest in their neighborhood. They thought the camera seemed like a natural solution, and Kodak furnished WEDGE youths with film, cameras, and some technical assistance (through a special national program we participate in along with other photographic manufacturers). Training was volunteered by Kodak Park's Tim Mathers and Dan Houlihan, and then the kids really went to work.

After three months of shooting, they selected from hundreds of slides the 120 which best told the story of WEDGE in a 28-minute synchronized slide show. Housing and zoning problems. The need for new recreational facilities. The availability of legal aid and health services in the neighborhood. The show is earning not only neighborhood, but city-wide interest in WEDGE as a community organization.

This year, we hope to continue our association with the people of WEDGE, because we believe in the way they are trying to help their neighborhood. After all, it's our neighborhood, too.

Plenty of fire, but little smoke.

One of the simplest ways to dispose of rubbish is simply to burn it. But all too often this solution has just meant substituting air pollution for landscape pollution.

We are tackling both of these problems head-on with a new solid-waste disposal system located south of Ridge Road between Mt. Read Boulevard and Dewey Avenue.

When this system goes to work this fall, it will be able to dispose of up to 300 tons of solid waste every day.

The idea behind this new system is to convert all kinds of waste into small, uniform particles that permit efficient destruction. First, a gigantic 800-horsepower shredder easily splinters scrap lumber, crates, and other large items into chunks about 4 inches in size. Then a second, 700-horsepower shredder crumbles these chunks and other waste such as paper and plastic into even smaller bits.

These bits are stored in a silo from which a conveyer belt moves them to a boiler. There they are blown into an oil-fired boiler-furnace. Steam produced by the burning is fed

into a nearby steam turbine to generate power for plant services at Kodak Park.

Dust, fly ash, and other particles rising from the burning will be trapped by an electrostatic precipitator. The gas that will finally leave the chimney will be substantially cleaner than that required by the state and county air pollution codes.

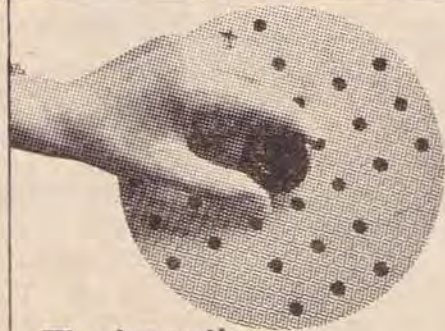

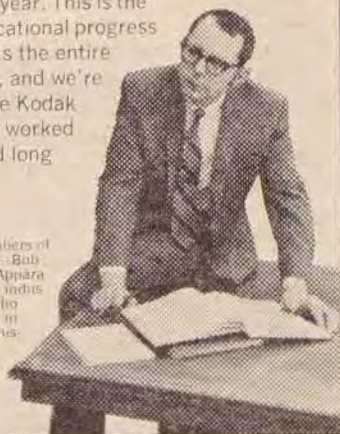

Together with our King's Landing Water Treatment Plant on the Genesee River, the new solid-waste disposal system is further evidence of our continuing concern for the environment we all share.

Progress by degrees.

Many Kodak men and women and their families have anxiously awaited this time of year. For them, June means graduation. And this June, 149 Kodak people graduated from area colleges and universities with degrees ranging from the Associate to the Doctoral degree.

Most of them took advantage of the Kodak Tuition Aid plan which pays 100% of tuition costs for an employee who qualifies for aid and successfully completes course work. More than 4,000 Kodak people in the U.S. received this aid, totalling nearly a million dollars this year. This is the kind of educational progress that benefits the entire community, and we're proud of the Kodak people who worked so hard and long to attain it.

One of the members of the class of '70: Bob Stanin, Kodak Apparatus Division, an industrial engineer who earned his M.S. in Business Administration at the University of Rochester.

The invention nobody needed.

Give up?

It's a Bacon De-Curler.

And even though the customers stayed away in droves, we think this Junior Achievement venture was worthwhile, because a score of teenagers learned the hard way that the world wasn't quite ready for uncurly bacon at breakfast.

This past school year, we sponsored the Dakman Company, the Junior Achievement teenager firm that manufactured the De-Curler, and Kodaco Company, because we believe the best way for young people to understand the free enterprise system is to take a hand in it themselves.

Kodak people volunteered free time to serve as advisors to Dakman and Kodaco, and we gave some financial support to help with staff and administrative costs, but neither the business nor the kids who ran it received any insulation from the possible failures of the real business world. Junior Achievers learn from their misses as well as their hits.

We could have devoted this space to one of the successful products Dakman and Kodaco made and sold, like desk mates or magnetic sunglass holders, but that would tell only half of the Junior Achievement story. We thought you'd like to know that there are still young people around who believe in the value of inventions nobody needs. Yet.

BOYS TO COMPETE FOR PRIZES IN BASEBALL
"Red Wing Grand Slam" first-round competition has been scheduled by Greece Recreation Dept. for July 23 and 24 at 10 a.m. at Long Pond North Field.
Designed to give young boys between the ages of 8 and 13 a chance to learn basic baseball skills, the program is sponsored by the Rochester Red Wings, Rochester Jaycees, and the City of Rochester and area recreation bureaus.
The boys will compete in six age groups in the basic baseball fundamentals of batting, throwing and running. On July 25 the top three point-getters in each age group will compete at Silver Stadium in the semi-finals. The top boys in each group from each recreation area will then compete for the top prize before the Red Wing game with the Columbus Jets on July 27.

Nothing New Yet On Emerson Dump Closing

Although the solution to the Emerson landfill problem does not appear to be close at hand, there is no letup in the pressure to have the so-called dump eliminated at an early date. Some of the developments:

1-Residents of the immediate area, angered by the failure of the City Council to award a contract to Western New York Waste Systems for erection of a transfer station and transportation of compacted refuse to an Orleans County dumping ground, are up in arms. They have marched in protest and are demanding reconsideration by the Council.

2-County Legislator Joseph R. Esposito, also badly upset by the turn of events, has stated his position in no uncertain terms.

3-Councilman Andrew G. Celli, who voted against the city administration's proposal as too expensive and unsatisfactory in other respects, has come up with a plan of his own, also rejected by the Council in the 4 to 4 deadlock between Republicans and Democrats. Councilman Robert Wood has abstained since his former law firm did some of the legal work.

Esposito Statement

Legislator Esposito has issued this statement:

The residents of the Emerson St. Dump area, have endured for many years, a most deplorable condition.

For the past few months, sincere efforts have been put forth to do something about the dump. The western part of the dump was closed, covered and graded. The section still in operation was maintained by careful grading operation each working day. The area surrounding the dump was policed and cleaned up each day.

In recent weeks, the present administration proposed a bonafide plan for eliminating the Emerson St. Dump. Since its existence, I sincerely believe that this plan is the first realistic means made available to us to close the Emerson St. Dump. It is my understanding that this proposal would have provided for a quick closing of the dump and a sound, economic

William Anderson, Furrier, Passes

William Anderson, prominent Lyell Ave. business man, passed away two weeks ago after an illness of several months. He was the owner of the Fur Studio with which he had been associated for 37 years. He was also active through the years at Holy Apostles Church, particularly in the fund-raising affairs. He had also served as a campaign manager for County Legislator Joseph Esposito.

His wife, Emma, who is carrying on the business temporarily, expressed her gratitude to the hundreds of friends for mass cards, flowers and donations to a blood research project in Mr. Anderson's memory.

Heinrich Wins Sales Contest

The Chevrolet Division of General Motors has announced that Heinrich Motors placed first in group 1 of the Buffalo zone in a Chevrolet dealers two month national sales contest.

Jon Heinrich, president, will receive an expense paid trip to southern Europe including Spain, Portugal and Morocco. The Heinrich sales team known as the "Big Riders" will enjoy a festive all expense paid weekend at Whiteface Inn, Wilmington, N.Y.

FINISHES POLICE COURSE

ALEXANDER MAC KENZIE, JR., 673 Dewey Ave., was one of eight local men to be graduated from the Albany course approved by the Municipal Police Training Council. He is now serving as a deputy sheriff for Monroe County.

MAX The FLORIST, 1519 Lake Ave., Dial 254-9100. Will close Wednesdays at 12 noon during July and August.

Neighborhood Picnic Scheduled Thursday

Residents of Lapham St., Redwood Rd., and Maplewood Dr. will hold a picnic tomorrow (Thursday) at Seneca Park Shelter #2 at 6 p.m.

There will be games for all with plenty of prizes, says the committee in charge.

There is no fee to attend. Each family is asked to bring its own meat, beverage, and table service plus a dish to pass.

General chairman of the affair is Joseph Ford, assisted by Mesdames George Estes, Robert Miller, James Mahar, John Stone, and Trevor Durrant.

Damico Opens His Campaign

John A. Damico, Democratic - Liberal candidate for the Assembly, has launched his "full-time, seven days a week, people-oriented campaign to bring the crucial issues affecting all of us in this community to all the residents of this area."

Damico told volunteer campaign workers assembled at a small gathering at his home, at 837 North Greece Rd. that, "I will be a full-time campaigner as I will later become your full-time Assemblyman."

"The job of an Assemblyman," Damico continued, "is to serve all of his constituents. As your Assemblyman, I pledge to be the person to unravel the bureaucratic maze at the State, County and local levels of government and to get action for the people who need help now -- not next year."

Damico stated that he would continue Howard Samuel's fight to reform the State Legislature "to make it an effective body and to bring it back to the people -- where it always has belonged." "There are over 108,000 people in this Assembly District and each of these residents deserve effective, year-round representation."

MEETING TONIGHT FOR DOVE GROUP

DOVE (Dutchtown Organization of Volunteer Effort) will meet tonight (Wednesday) at 8 in the Pine Room at Holy Family School.

15th Republicans Re-elect Leader

Dominick DeGuarde, executive committeeman, was re-endorsed as 15th Ward Republican leader, by acclamation at the July meeting of the 15th Ward Republicans. The following were elected as officers:

President, Raymond Towns, 89 Murray St.; vice-president, Joe Bertino, 49 Romeyn St.; secretary, Ralph Nye, 60 Orange St.; treasurer, Joe Smarsh, 42 Lisbon St.

It is announced that there will be a clambake on Saturday, Aug. 15 at 6:30 p.m. for the 15th Ward Committee, their wives and guests. The bake will be held in the backyard of the DeGuarde home at 289 Orchard St. Price of the clambake is \$5.00 per person. Those wishing to make reservations should call their district leaders, or contact Mr. DeGuarde at 235-4703.

The annual 15th Ward basket picnic, it is also announced, will be held at Churchville Park, East and West Cabins, on the Sunday

before Labor Day, Sept. 6. This family picnic will again feature the famous sausages and peppers prepared by Mr. DeGuarde, free of charge, for as long as they last. Also featured will be free beer for the adults; free pop, Wink, peanuts, popcorn, balloons, suckers, free bingo, games and prizes. The women's organization will serve hot dogs, all without charge.

Chairman of the picnic is James Andolina, and Anthony Rusolese is co-chairman. The 15th Ward Republican committee will assist.

Every 15th Warder, regardless of party affiliation, is urged to attend, and "a very enjoyable experience is guaranteed", says Mr. DeGuarde. The picnic will be held rain or shine.

ARROW MARKET CHANGES HOURS

Due to illness, a temporary opening hour change is now in effect at Arrow Food Market in Dewey Ave. Until further notice the store will be open daily at 9 a.m. Other hours will remain the same.

Social Security Information

Tips on applying for Social Security retirement benefits:

Are you getting ready to retire? Joseph Tomaino, social security manager in Rochester, has some tips that may help save you time and trouble when you apply for your social security benefits.

A telephone call to the social security office is a good first step. The office can answer your questions and tell you how to apply and when to do it.

When you apply bring your social security card or a record of your social security number, proof of your age, and your last year's income tax withholding statement. (If you are self-employed, bring a copy of last year's income tax return and evidence of payment of the self-employment tax.)

If your wife also is applying for benefits, she should bring evidence of her age and her social security

card or a record of her number if she has one.

The best evidence of your age is a birth or baptismal certificate made within 5 years of your birth. However, if these are not available, other documents may be used. Generally, the older the document the better.

If you have children under 18 - or youngsters between 18 and 22 who are full-time students - bring their birth certificates and records of their social security numbers.

It's generally a good idea to apply about 3 months before you retire. Don't delay because you don't have any of the required documents or information. The people in the social security office will be glad to help you get the necessary information.

If you are housebound and unable to come to the office, arrangements can be made for taking your application by mail or if necessary, someone can come to your home. Just let the social security office know.

"Remember", Tomaino concluded, "the people in the social security office are there to help you".

SECOND CHURCH OF CHRIST, SCIENTIST

The symbolism and allegories of the Bible are helpful in conveying spiritual truths that cannot be understood in material terms, according to the Lesson-Sermon on "Spirit" to be read in all Christian Science churches on Sunday, Aug. 9.

An explanation of unseen spiritual power offered by Christ Jesus to Nicodemus and included in the Lesson-Sermon states, "The wind bloweth where it listeth, and thou hearest the sound thereof, but canst not tell whence it cometh, and whither it goeth; so is every one that is born of the Spirit".

All are welcome to attend services beginning at 10 a.m. at Second Church of Christ, Scientist, One Seneca Pkwy.

Emerson Dump

Continued from page 1

and feasible system of waste disposal.

The refusal of the minority to approve the plan is unforgivable. It is a slap in the face to the residents of the 24th Ward and a repudiation of oft-stated promises. I find their position astonishing to say the least, and their obstinacy absolutely baffling.

The alleged counter-plan of the minority, founded on a structure of pure guesswork and without any hint of engineering competence, was and is, simply obstructive. In a statement printed in the Times Union, on July 30, an elected official from the area they mention in their proposal, most emphatically said that he would not allow any city refuse to be hauled to this proposed site.

I feel the time has come that everyone should work together to solve this most vexing problem regardless of political affiliation or geographic location. The refuse problem is no new problem to us, however, it is one that has long been neglected. Refuse is everybody's problem and should be everyone's concern. I am most hopeful that in years to come this problem which is most vital to our welfare will rate top priority by both city and county administrations.

JOSEPH R. ESPOSITO

Councilman Celli, who has been quoted as critical of Councilman Robert Wood, has also issued a statement, in a letter to the editor of The Post-Courier, as follows:

The recent article on the controversy of the closing of the Emerson St. Dump quoted me as having made a severe charge against Councilman Wood.

Councilman Wood, as far as I am concerned, has done nothing wrong or illegal; and I stated to you a quote that he was to have made to the Rochester Democrat and Chronicle on July 11, 1970 which stated as follows:

"Initially when they came into the office, they talked to me. I was the contact man. They came to me initially."

He further stated:
"...he did mail back to the Illinois firm its corporate minute book, a record of legal papers."

I must agree to close the Emerson St. Landfill and I know all Councilmen feel as I do.

I would appreciate it very much if you would do all within your power to clarify this matter so it cannot be said that I made defamatory remarks about Councilman Wood and that he did nothing that was not legal.

I am very thankful for your cooperation.

ROCHESTER, N.Y., WEDNESDAY, AUGUST 12, 1970

The Editor's Viewpoint

By Fred R. Metzinger,
Post-Courier Editor

The Post-Courier, as a weekly newspaper, is often handicapped in coverage of news by virtue of its early deadline. This is especially true of matters appearing before the City Council affecting this area. City Council meets on Tuesday evenings and by that time a Wednesday newspaper has to be in the postoffice to meet its date line.

This week is a case in point. Both the Emerson St. landfill closing and the Glenwood Apartments project were on the City Council agenda for last night (Tuesday). This probably is of consequence only to the staff of the Post-Courier, but we pride ourselves on being abreast of all civic matters with a local background.

The fact that people living near the Emerson dump serenaded Councilman Andrew Celli on Saturday in front of his home in Seneca Parkway, is not new. But it will have made headlines by this time if it had any influence on the councilman's vote in breaking the 4 to 4 political deadlock on the Western New York Waste System's contract with the city for refuse disposal.

(If Councilman Celli or any of his Democratic colleagues did not see fit to go along with the Republicans, it is our fervent hope that some other compromise be worked out speedily in order to give relief to a long-suffering public.)

City To Discuss Junk Car Plan

Residents of the Emerson-Mt. Read area will soon be given details of a new proposed addition to their neighborhood. It is a junk car transfer station somewhere in the Colfax St. area where the city incinerator is now located.

Public Works Director Raymond E. Keefe and other city officials, in keeping with the Republican

Sewer Flooding Relief Planned For This Area

A master plan under consideration by the Monroe County Pure Waters Agency is a potential source of great relief for flood conditions which plague this area of the city during heavy rainstorms, says County Legislator John Romano.

The sewer system in this area does not have the needed peak load capacity at present, but the county is about to adopt a plan, involving some \$20 million in its first phase, which Romano says would provide a network of sewers gathering waste water from small feeder sewers plus holding basins which would take the overflow from the present sewage system thus avoid-

ing street flooding and back-up into cellars.

The Pure Waters Agency, created in 1957, was given the task of drafting a master plan for pollution abatement and the local sewer relief would be one of its by-products.

The county has been divided into four regional systems. The so-called Northwest Quadrant would affect the old Tenth Ward, particularly Dewey and Lake Avenues and adjoining streets.

It is expected that federal funding to the extent of \$12 million will be possible and state money is also being sought, with the balance to be assumed by the county.

Celli Candidate For Judgeship?

Northwest District Councilman Andrew G. Celli is a possible candidate for City Court Judge this fall. His name is one of five submitted by the Democrats to the Bar Association which is now polling its membership to determine qualified judicial candidates.

Celli is serving his first term on the City Council, and if elected a judge would have to resign his council seat. His successor would be picked by the council, but would have to be a Democrat.

Stop Bull-dozing At Emerson Dump

As of Monday, the city dump in Emerson St. had reverted to its old status. The dump trucks were depositing their collections in big mounds and there was no bull-dozing and no covering going on.

The reason: The contractor who had been doing the bull-dozing at \$80,000 per month was disqualified.

In the meantime the district-attorney's office was probing possible involvement of crime syndicates and suspected arson.

New Plan Advanced For Glenwood Apartments

The Glenwood Apartments project has been re-designed to the satisfaction of property owners in the Robin-Merlin Sts. area and with bi-partisan support, apparently is slated for early development.

(The City Planning Commission and the City Council were giving consideration and possible final approval barring last-minute hold-ups as this issue of the Tenth Ward Courier went to press).

The property owners met last week with officials of the construction firm which will be building the apartments as well as County Legislator John Romano and Councilman Andrew G. Celli, and all agreed that the new plan met with their approval.

A total of 124 one-story units is now proposed, all for senior citizens. Each will have a bedroom, living room and kitchenette.

The controversial 40 low-cost housing units to which the neighborhood objected are no longer a part of the plan, according to

Mario Pirrelli who is the attorney for Stanco Developers (successor to Joyce Construction Co.). Stanco has title to the parcel of land on which the apartments are to be built.

The project backs up to the old subway bed, but is to be at some distance from it. (The expectation is that the subway will be widened some day and used as an expressway from the Northwest area of Rochester to the center of town.)

The apartment grounds will be well shrubbed, it is promised, and as many as possible of existing trees on the land will be kept for natural beauty as well as serving as a sound screen when and if the expressway goes through.

"Seek Shelter When Lightning Threatens", Red Cross Advises
Lightning in summer thunderstorms can be a deadly hazard for golfers, fishermen, hikers, and other outdoor sportsmen out for an afternoon of fun and relaxation, cautions the Red Cross.
John Loomis, local Director of Red Cross Safety Programs, said "People on golf courses, in open areas, or who are in or on the water are in danger during thunderstorms. Lightning can strike anywhere, but it usually strikes the highest point, so if you are caught out in the open, the best course is to seek shelter immediately."
Should a person be struck by lightning, the Red Cross official said, fast action is needed to administer mouth-to-mouth resuscitation if the victim has stopped breathing. He added, "Knowledge of what to do when people suffer from electrical shocks can save many lives. This knowledge, including mouth-to-mouth resuscitation, can be learned through Red Cross first aid instruction which is available free."
Citing safety precautions recommended by the Environmental Science Services Administration, Mr. Loomis said that when a storm approaches, shelter should be sought in a building. If none is available, keep away from trees and take refuge in a ditch, cave, or canyon. Avoid hill tops, open spaces, wire fences, metal such as gold clubs and fishing rods, exposed sheds, and any electrically conductive elevated objects, he added.
"If you feel an electrical charge - if your hair stands on end or your skin tingles - lightning may be about to strike you," said the safety director, adding, "drop to the ground immediately so you won't be a source for grounding the lightning."
If you are outside when a storm occurs, don't handle flammable materials in open containers, get out of water and of small boats,

Heart-Help Diet Is Prescribed

Summertime, when the livin' is easy, should be the best time to begin new eating habits that may reduce the risk of heart attack, suggests your Genesee Valley Heart Association. Here are other suggestions from the association:

The abundance of fresh fruits and vegetables and the tendency to eat more salads in place of heavier foods, make it easier to begin such a diet now for the whole family. If the homemaker can extend it to a year-around habit it can help adult hearts and provide protection for children in later years.

The typical American diet, high in saturated fat and cholesterol, contributes to hardening of the arteries, an important factor in heart attack and stroke. Factors implicated in artery disease must be present over long periods of time before this condition becomes evident. There often are no symptoms. Then, suddenly, a heart attack may occur. So, the earlier a heart-helping diet is adopted the better.

To help reduce the risk of heart attack, your Genesee Valley Heart Association recommends a diet that uses less saturated fats and more polyunsaturated fats; more meals of fish and poultry and less beef, pork and ham; margarine instead of butter and skimmed milk in place of whole milk.

Other diet tips include serving lean cuts of meat, trimming off the fat, and limiting egg yolks to three a week. When cooking, use vegetable oils instead of butter and lard.

You don't have to say "no" to outdoor barbecues and picnics when you begin your new diet, says your Genesee Valley Heart Association.

Some suggestions for outdoor eating include grilled chicken basted with a polyunsaturated oil, and hamburgers made from lean ground beef. At corn roasts, substitute margarine for butter. Avoid or use sparingly such items as spare ribs, frankfurters and sausage which are high in fats.

When dessert time rolls around, think in terms of sherbet or ices instead of ice cream. This is the season for fresh watermelon and cantaloupe.

Though diet is an important element in raising the risk of heart attack, it is only of the factors identified by scientists. The others are cigarette smoking, high blood pressure, overweight, lack of regular exercise and diabetes.

The association has printed materials that can guide you in taking preventive measures against these risk factors. Among diet publications is a booklet on recipes that can serve the homemaker the year around. Call 232-2820 or write to the Genesee Valley Heart Association, 217A Alexander St., Rochester, N.Y. 14607 for more information.

COUNCILMAN WOOD HEADS GOODELL CAMPAIGN HERE

Senator Charles E. Goodell has appointed Robert F. Wood, City Councilman and attorney, as his regional campaign coordinator for a seven county area, including Monroe, Wayne, Ontario, Livingston, Seneca, Yates and Steuben. The Senator said that Wood would act as coordinator between his state campaign headquarters and local campaign organizations. Wood would be responsible for tying in the Senator's campaign with Republican county organizations. He will also be available to assist citizens groups organizing in behalf of Goodell.

YOUTH WORK EXHIBIT AT COUNTY FAIR

Over 800 boys and girls in the city and county are actively making plans to participate in the Youth Division of the Monroe County Fair which opens next Monday for a week's run. Traditionally, a county fair is thought of as a display of agricultural crops, livestock, food preparation and activities pertaining to rural living. This year, coupled with it are displays of the projects city and suburban youth are conducting in the modern image of 4-H.

Among the activities which will be displayed at the Fair are dog obedience trials to be held on Friday evening, Aug. 21, starting at 7:30. The dog obedience training has been a popular project, carried on by 14 clubs numbering over 100 young people.

Something new in the Youth Building this year will be splashy exhibit of baby ducklings sliding down an incline into a pool of water. As in the past, incubators with hatching chicks will be on display.

Mayor Supports VISTA Program

A delegation of Rochester VISTA volunteers traveled to Washington last week carrying the strong support of Mayor Stephen May for meetings with federal officials. In a 3-page memorandum addressed to the National VISTA Alliance, the mayor outlined VISTA's constructive activities in Rochester and backed their requests for draft deferments and continued freedom to engage in community organizational work.

The Mayor has also written to OEO Director Donald Rumsfeld along similar lines, asking that he meet with VISTA representatives for "an open exchange of views" concerning the future of the program.

At a recent meeting with local VISTA workers, at which he pledged support for their proposals, May said this community needs the most energetic, committed people available, especially young people, who have the stamina and idealism necessary to improve life in the city. "I wish you well in your efforts to insure that VISTA will continue as a strong force for change and progress among America's poor", the Mayor observed.

VISTA volunteers are working in this area of the city under the supervision of WEDGE and North-West Ecumenical Ministry.

MARCELLETTI-CULHANE

Work-Study Project Set For Students
The million dollar "Project Young Adults", funded through the Manpower Division of the U. S. Department of Labor, will enroll between 350-400 students at ages 14 through 20 when it starts next month. The project is jointly administered by the City School District and Rochester Jobs Incorporated.
City School Superintendent Herman R. Goldberg said the aim is to keep "disenchanted" young students in school. He said each student enrolled in the program will spend half his day in school and half in a work experience program.
Goldberg said he was pleased that several area industries have already expressed an interest in helping provide work experience jobs for students.
"This program has important directions for students who may not feel that school has any meaning for them now", Goldberg said.
John M. Lofton, director of the project, says students interested in the program even if they have previously dropped out of school, should contact the school district's Vocational Education Department or Rochester Jobs Incorporated.

SECOND CHURCH OF CHRIST SCIENTIST
Dependable and satisfying ways of expressing beauty, joy and well-being are offered in the Lesson-Sermon on "Soul" to be read in all Christian Science churches on Sunday, Aug. 16. The readings include a verse from Psalms, "My soul, wait thou only upon God; for my expectation is from him".
The public is welcome to attend services beginning at 10 a.m. at Second Church of Christ, Scientist, One Seneca Pkwy.

Tips From The Lab
By John Temmerman, Director County Public Safety Lab.
For several years now our laboratory has been concerned about the hazard of lead poisoning involved in the use of certain types of imported ceramic dishware, mostly from Mexico and the Far East.
We discovered that this dishware contains lead, and that acidic foods and beverages may leach out the lead. To avoid this risk, such dishware should not be used for foods.
More recently we learned of another side to this hazard. We found that there is lead in ceramic glazings sold for use in arts and crafts. Items made from these glazings should also not be used for foods.
I have alerted the U. S. Food and Drug Administration, and have suggested that manufacturers of glazings containing lead be required to place a warning label on their products.

Cancer Benefit
Next Tuesday
A program featuring "Bush", a popular rock act originating out of Toronto, Canada, will highlight a benefit night for American Cancer Society, Monroe County Unit, at The Club, 45 Gould St., Thursday evening, Aug. 18.
"Bush" is a quartet of young men, including well-known guitarist Don Triamo. Under the same management as "Steppenwolfe" and "Three Dog Night", they already have several albums to their credit.
All young people are invited to join this night of fun at The Club, which is donating its premises and services for the evening. Festivities begin at 9:30 and will continue until 1 a.m.
Admission will be \$2.00 per person, with proceeds going to American Cancer Society's local unit. Ferdinand J. Smith III of WBBF is directing arrangements for the event, which he expects will exceed the \$2200 raised at a similar function last summer.

Budget billing. So all bills are created equal.

Rochester Gas and Electric
89 East Avenue
Rochester, N.Y. 14604

Gentlemen:
I like the idea of Budget Billing. Sign me up.

Name _____
Address _____
City _____ Zip _____

More than half the gas needed to heat your home is used in December, January and February.		
That means your heating for three months costs you as much as the other nine months combined.		
And that isn't fair to your budget. So we've developed Budget Billing. We add up your total heating costs for the year, and divide them by ten. (Gas only. Electricity, but only if it is used for heating.)		
That way you pay the same in September as you do in February. Budget Billing. So all your heating bills will be created equal.		
Here is an actual example of how the Budget Billing plan worked for one of our customers:		

	REGULAR BILL	BUDGET BILL
MONTH		
September	\$ 7.64	\$ 26.00
October	12.48	26.00
November	22.59	26.00
December	32.02	26.00
January	41.72	26.00
February	43.61	26.00
March	37.82	26.00
April	32.02	26.00
May	20.57	26.00
June	11.68	26.00
July	5.21*	6.29*
August	6.27*	7.34*
	\$273.63	\$273.63

Send in this coupon today. Or call us at 546-2700 and ask for Budget Billing.

* If your account is not in balance with the June billing, the under or overpayment together with the cost of gas used in July and August will be shown on your July and August bill.

Mrs. Long Named We Acknowledge V-P By Democrats More Subscribers

Appointment of Mrs. Ellen R. Long of 164 Curtis St. as vice chairman in charge of the women's division of the Monroe County Democratic Committee was confirmed this week. She replaces Miss Margaret (Midge) Costanza, who resigned during the recent Primary contest.

Mrs. Long, who is committee-woman in the First Ward, also had been serving as secretary of the party committee but has resigned that post. She will preside over a women's committee composed of executive committeewomen from the 24 wards of the city and 19 towns.

Mrs. Long is the mother of eight children ages 5 to 20. Her husband, Donald, is employed at Kodak Park. She has been active in local Democratic politics for several years.

SERVICE NEWS

The Air Commendation Medal has been won by Sgt. James E. Goltry, son of Mr. and Mrs. Francis Goltry, 478 Magee Ave. His citation reads as follows:

"Sergeant James E. Goltry distinguished himself by meritorious service as a Mission Monitor, Airlift Control Element, 834th Air Division, Tay Ninh Airfield, Vietnam from 11 August 1969 to 11 August 1970. During this period, Sergeant Goltry's outstanding professional skill and initiative aided immeasurably in identifying and solving numerous problems encountered in the accomplishment of his duties. The energetic application of his knowledge has played a significant role in contributing to the success of the United States Air Force mission in Southeast Asia. The distinctive accomplishments of Sergeant Goltry reflect credit upon himself and the United States Air Force."

Local Girls Taking Red Cross Course

Three local high school students are delegates to the annual Red Cross Youth Leadership Training Center which is being held Aug. 23 to 28 at the Manlius School, Manlius, N. Y. Total center attendance is 200 youths from 33 Red Cross chapters in the west-central New York area.

The local delegates are: Kathleen Abbazia, 722 Glide St.; Eileen McCarthy, 55 Lakeview Pk.; and Annette Sweezy, 66 Burrows St.

Purpose of the week-long program is to train youth delegates for positions of leadership in their schools, communities and in Red Cross Youth and to help them understand the responsibilities of leadership in planning programs and developing them in a democratic way.

Joins The Army

Miss Judy Ann Mancuso, daughter of Mr. and Mrs. Fred J. Mancuso, 75 Curtis St., is another member of the Mancuso family to join the armed services. She has three uncles now serving overseas.

Miss Mancuso is a graduate of Holy Apostles grammar school and of Cardinal Mooney High School. She will be stationed at Fort McCullan, Alabama for boot training and later hopes to continue her career in the army as a lab technician.

School Board Candidates Coming To Meeting Here On Aug. 25

City School Commissioner David Branch and Mrs. Wyoma Best, both of whom are candidates for the City School Board in the November election, will meet with residents of the Ninth and Tenth Wards next Tuesday evening.

The meeting will be held in the Fellowship Hall of the Dewey Ave. Presbyterian Church at 8 p.m. on Aug. 25. Entrances to the hall are located on both Dewey Ave. and Magee Ave.

The meeting is being held only two weeks before the opening of school for the fall term. When the city schools open in September,

the school districts in two sections of the city will be reorganized in accordance with a plan adopted by the School Board last spring.

In announcing the meeting, Anthony DePerna, president of the Ninth and Tenth Ward Democratic Club which is sponsoring the affair said that "many citizens have had serious questions about this reorganization and other matters being considered by the School Board. The one way to find out what is really happening is to ask the people who make the decisions. We hope all concerned citizens will attend."

Neil Fisher Wins Army Commission

Neil A. Fisher, son of Mr. and Mrs. Cornelius Fisher, Bernice Street, recently was commissioned an Army second lieutenant in the Adjutant General's Corps upon graduation from the U.S. Army Engineer Officer Candidate School Fort Belvoir, Va.

The lieutenant received 23 weeks of instruction which included training in mechanical and technical equipment, topography, and military science and engineering.

Emphasis was placed on developing leadership capabilities and increasing physical proficiency.

**Craft Exhibition
At Playground**

A free craft demonstration and exhibition will be presented Saturday at the Brown Square Playground between 1 and 4 p.m. The demonstration will be presented by Lake County Craftsmen, a group which comprises some of the finest craftsmen in the Rochester vicinity.

There will be live demonstrations of ceramics (both hand-formed and wheel-thrown), wood turning, weaving, tie-dyeing, bead making, and enameling. Although finished pieces will be for sale, the primary objective is to show both children and adults the techniques used in creating these objects.

Some 72 local teenagers who "did their thing" for Project Hope were honored yesterday at a luncheon meeting of the Rotary Club. John Marshall High was among the schools receiving a plaque.

The young people had organized and carried out a "Hike for Hope", a 25 mile walking tour of the city that garnered an unprecedented \$140,000 in donations. The donations were made by sponsors recruited individually by the 8,000 teen age hikers, and they were based on the number of miles each hiker covered.

Chief beneficiary of the Hike was Project Hope, a privately sponsored program of medical aid and education originally conceived to help the needy people of the underdeveloped nations. Recently it has extended its scope to include needy minority-group members in the United States. Project Hope is best known for its floating hospital and medical/nursing school, the S.S. Hope, a ship that has brought medical help to many African and Asian coastal areas.

Some of the money raised by

the Rochester Hike went to three local activities, the Summer Youth Opportunities Program, Project Unique and the Western Monroe Community Project in Hilton.

**Couple To Note
53rd Anniversary**

Mr. and Mrs. Edward A. Long of 184 Masseth St. will celebrate their 53rd wedding anniversary by having a family dinner. They were married on Sept. 18, 1917 at Holy Family Catholic Church at Jay and Ames St. where they have been parishioners all their lives.

They have five daughters: Mrs. Alvin (Rosemary) Fisher, Mrs. Charles (Clara) Roth, Mrs. Richard (Margaret) Kerwin, Mrs. Robert (Tonie) Bogue, Mrs. Carl (Theresa) Rietter.

There are also 13 grand-children and two great-grandchildren.

Mr. Long was employed by Delco for 43 years, retiring in 1964.

"Creating With Make-Up"
If there's one thing I know for a fact, it's that beauty is not a gift. It's a habit! It requires patience and practice, and the results are exactly equal to the effort you put forth.

You create your own beauty through creative make-up. The only magic involved is in creating an illusion that camouflages imperfections and enhances assets. That's what make-up is all about.

Creative make-up requires utmost honesty on your part. When you look in a mirror, don't see what you'd like to be—see what you are. Look closely, impersonally. Pretend you are seeing yourself for the first time. Look at each feature individually, then decide if you need to hide it or play it up—or leave it as it is.

Use make-up the way an artist uses color. Start with the shade of basetone that's right for your skin. The only way you'll know which one is right is to try it on your face. Apply it all over, blending carefully under the jaw so that no telltale make-up line shows. If you want to hide an area, add a darker shade of basetone there. If you want to highlight, add a lighter shade there. Now blend until it's smooth and even.

Use creative make-up every day, not just on special Saturday nights. As you practice, you'll become an expert.

If you'll put even a quarter of the effort into your own beauty that you do into raising your family and cleaning your house, you won't just admire beautiful people—you'll be one!

Bilingual Program For City Schools

The City School District's highly successful bilingual education program for Spanish speaking students will be under the direct supervision of an assistant city school superintendent when school opens next month according to City Board of Education Vice-President Emilio Serrano.

Serrano said the program supervisor, Miss Carmen Delgado, will report directly to Dr. George Rentsch, assistant superintendent for instruction.

"This will put our bilingual education program on an equal footing with science, mathematics, and other major school programs", Serrano said.

"The program is at least as important as science and mathematics, because without it many of our Spanish speaking children would never be able to read and would probably drop out of school at an early age," Serrano said.

Serrano said Miss Delgado will also work closely with Miss Helen Gerhardt, Supervising Director of Elementary Education, on elementary school matters, and with Mr. Harvey R. Granite, Supervising Director of Instruction, on secondary problems.

The bilingual program called, "Adelante", was experimental in the City School District last year. The program was in the district's Special Education Department last year.

"The first year evaluation of the program was excellent," Serrano said, "and for the coming year we've doubled the budget from \$200,000 to \$400,000."

"The Board of Education is always encouraged by - and receptive to enlarging - a program that shows it can help children with their basic learning skills."

LABOR DAY RETREAT PLANNED AT CENACLE

A Labor day weekend retreat for women of all faiths is planned at the Cenacle Retreat House, 693 East Ave. Retreat opens with supper on Friday, Sept. 4 and closes on Monday, Sept. 7 in the early afternoon. Fr. Sebastian Falcone, OFM, well known Scripture Scholar, will direct this retreat. For further information and reservations call Sister Sadie Nesser, r.c. at 271-8755.

Meet Your Parents and Grandparents

By Dr. S. L. DeLove

You may be surprised to find that they are the representatives of the most remarkable people ever to walk the face of the earth.

By their work and sacrifices, in less than five decades, they have increased your life expectancy by 50%. Because of them, you need not fear the scourges of epidemic, diphtheria, scarlet fever, flu, polio, smallpox, T.B., etc.

They have cut your working day by 35% and doubled your per capita output.

These are the people that have eliminated much human misery and have made a start, although a late one, in universal education, economic, social and political self-determination.

Because of them and their establishment you are taller, healthier and brighter and enjoy the greatest material progress and comforts in the history of man.

Of course, they have also suffered grave failures.

They have not as yet conquered all plagues, including poverty and disease.

They have not as yet found solutions for war, racial hatred and man's inhumanity to man.

You - the youth of America:

These are your challenges and responsibilities.

It is your generation that has the sacred duty to preserve these blessings and progress for yourself and then transmit them enhanced to posterity.

AND - LEST YOU FORGET,

YOU WILL NEVER ACHIEVE THIS THROUGH VIOLENT MARCHES, DESTRUCTION OF PROPERTY, OBSCENITY OR CIVIL DISOBEDIENCE.

YOU WILL ONLY ACCOMPLISH THIS BY THE SWEAT OF YOUR BROW, EDUCATION, RELIGION, MORALITY AND DISCIPLINE.

HOW GREEN THE FIELDS

How much can the almost 22 million credit union members in the United States save, not counting extra dividends on savings and lower interest rates on loans? You'd be surprised! Collectively they have saved up so much money (\$13.7 billion) that you could cover the infields of every major league baseball park many times over. If you laid down a layer of dollar bills, and then successive layers of 10's, 20's, 50's, 100's, 500's, and finally a layer of \$1,000 dollar bills, you'd still have enough left over to make a millionaire of every person in a town of 10,000 population. Not only that, you could also pay out \$1,000 an hour, 12 hours a day, 7 days a week, for the next 340 years!

Pure Waters Agency Announces Northwest Quadrant Plans

The Monroe County Pure Waters Agency is making plans for four different areas. This part of the county is designated as the Northwest Quadrant.

The population of the northwest corner of Monroe County, currently 120,000, is expected to nearly triple by 2020. This rapid growth will strain the already overloaded sewage collection and treatment plants.

As a result, the Pure Waters Master Plan calls for a modern 15 million gallons a day waste treatment plant to replace as quickly as possible eight existing plants. Interceptor sewers will radiate to the east, west and south of the plant to carry sewage to the treatment plant.

To avoid dumping treated water into the Rochester Embayment, it will be discharged through an outfall tunnel extending 4,660 feet out into Lake Ontario. Automatic control and monitoring systems will assure the efficiency of the primary and secondary treatment and the removal of 80 percent of the phosphates present. The initial project, scheduled for completion in 1971, includes construction of the plant, the outfall, and an interceptor running east and west across the Town of Greece.

Another phase of the project the Western Extension, will extend the interceptor from the plant west to the Town of Hamlin and south to the Village of Brockport. An interceptor south through the Town of Greece is planned. Construction of an interceptor from the plant to the Village of Spencerport will be completed later in the seventies.

Genesee-Irondequoit Bay..... The Genesee-Irondequoit Bay drainage basin is divided into two separate sections, reflecting the different problems that exist within the district. Both areas, however, will be served by the Durand-Eastman treatment plant, which is being expanded.

The population of the suburban area is growing rapidly and is currently served by more than a dozen small treatment plants. Fourteen plants currently discharge into Irondequoit Creek or

its tributaries or into the bay itself.

According to census studies, the City of Rochester will show virtually no population growth in the coming decades. Its sewers which carry both the sewage and runoff from the streets and lawns, result in an overflow of sewage into Irondequoit Bay and the Genesee River. This causes serious pollution of these bodies of water and affects the swimming at our beaches.

Durand-Eastman Plant.....The City is undertaking an extensive modernization and expansion of its Durand-Eastman sewage treatment plant. The project will cost \$48.7 million and is scheduled to be completed in 1971. It includes the expansion of the plant's capacity from 90 million gallons to 100 million gallons daily, adding secondary treatment facilities to remove 90 percent of the suspended solids in the sewage and equipment to remove 80 percent of the phosphates. A 3-1/2 mile outfall, also under construction at the present time, will discharge treated waste-water into Lake Ontario beyond the outer limit of the Rochester Embayment.

LETTER

TO THE EDITOR:

I cannot now or ever could understand why this country spends billions and billions of dollars by getting involved in one war after another while the word BUDGET deprives its own people of many much needed items and services. We, the average working class Americans are the ones paying for these blunders by the continued increase in our taxes and the cost of living, not to speak of the sacrifice of our American boys.

Our public schools are very hard hit by the cutting of health and dental programs and also by the removal of some school classes. Our police department, fire department and school teachers all need a good substantial living wage, but oh what they have to go through to get a raise. There are many departments of our government where personnel cuts are being made daily just for BUDGET reasons.

We are very much in need of getting our polluted beaches reopened, parks cleaned up and kept clean and playgrounds for youngsters are badly needed wherever we look so as to keep them safe and out of danger of the mounting number of motorists today. These playgrounds will also bring about much companionship and understanding amongst all children.

Our own Community War Memorial is always burdened with the word BUDGET, take for example air conditioning and a neon sign. The possibility of closing some of our fire houses may also come under the category of BUDGET as does the fight against air and water pollution.

You see the word BUDGET is all around us here at home, but you never hear this word mentioned when we are approached by another country for military aid. Soon after being approached the supplies are on the way to the designated country.

With the unrest in the United States today more than prayers are needed, we also need understanding and unity.

Easy Rider To Show Here

Rochester Transit System will show off its new Easy Rider at Lyell-Mt. Read Plaza, Tuesday afternoon, Aug. 25, according to James E. Reading, RTS resident manager.
The bus will be parked in the plaza parking lot from 1 to 3 p.m. The public is invited to inspect the bus and "learn what Transit System is doing to make Rochester's the finest public transportation facility in the country", says Reading.
A bus driver will be on hand to answer technical questions, and a RTS hostess will distribute pamphlets outlining the changes that have

been incorporated in the 77 new \$32,000 vehicles.
The bus will also visit other commercial locations and senior citizen housing units as part of Bus Appreciation Week, Aug. 20-28, officially proclaimed by Joseph Ferrari, president of the County Legislature, and William Legg, Rochester vice-mayor, to highlight the accomplishments and inform the public of the goals set by Rochester Transit. Other events during the week include a free bus ride downtown from 10 a.m. to 12 noon, Thursday, Aug. 27, and a parade down Main St. in Rochester at 10 a.m. on Saturday, Aug. 29.

Attending Meeting Of State GOP

Gentlemen:
I like the idea of Budget Billing. Sign me up.

City _____ Zip _____

More than half the gas needed to heat your home is used in December, January and February.

That means your heating for three months costs you as much as the other nine months combined.

And that isn't fair to your budget. So we've developed Budget Billing. We add up your total heating costs for the year, and divide them by ten. (Gas only. Electricity, but only if it is used for heating.)

That way you pay the same in September as you do in February. Budget Billing. So all your heating bills will be created equal.

Here is an actual example of how the Budget Billing plan worked for one of our customers:

MONTH	REGULAR BILL	BUDGET BILL
September	\$ 7.64	\$ 26.00
October	12.48	26.00
November	22.59	26.00
December	32.02	26.00
January	41.72	26.00
February	43.61	26.00
March	37.82	26.00
April	32.02	26.00
May	20.57	26.00
June	11.68	26.00
July	5.21*	6.29*
August	6.27*	7.34*
	\$273.63	\$273.63

Send in this coupon today. Or call us at 546-2700 and ask for Budget Billing.

* If your account is not in balance with the June billing, the under or overpayment together with the cost of gas used in July and August will be shown on your July and August bill.

Warning Issued On Backyard Pools

Monroe County Health Director Dr. Wendell R. Ames warns that backyard wading pools require the same kind of supervision and sanitary care as larger pools.

Dr. Ames cited the recent drowning of a 16 month old city girl in a wading pool, and said: "Because wading pools are small and shallow, many parents may assume that they are without risk. However, small children should be supervised at all times when around water, no matter what the depth. These pools should be emptied or covered when not in use, also, the water in these pools should be maintained in a sanitary state to prevent contamination by disease-causing organisms. This means that the pool should be cleaned daily and the water changed or chlorinated."

As a public service, Dr. Ames said the Monroe County Department of Health publishes "Pool-side News," which offers sanitary and safety information on swimming pools. The department also has available a pamphlet on rescue breathing. Both may be obtained free by calling the Health Department's Office of Health Education, 442-4000, Extension 2810.

City public schools will reopen Wednesday, September 9, Assistant Superintendent for Administration Eugene F. Conant announced this week.

Conant said all city public schools will be open September 9, 10, 11 for half day sessions only. Regular full day instruction will begin Monday, September 14, he said.

Conant asked that kindergarten children be accompanied by a parent Wednesday when school opens. He said only those kindergarten children scheduled to attend morning sessions should report for school Thursday, and only those scheduled for afternoon sessions should report Friday.

Conant said the following regulations apply to children who are new to this school district:

--Children entering kindergarten must be five years old on or before December 1, 1970.

--A kindergarten or elementary school child new to this district who hasn't pre-registered should register at the school he will attend on Thursday, September 3 or Friday, September 4. If the child is unable to register on these days he may register on Wednesday, September 9, between 8:30 and 11:30 a.m.

--A student entering secondary school for the first time should register as soon as possible at the school he will attend. The student should register no later than Friday, September 4.

--Birth certificates and health information are required for all students registering for the first time. Health information should include proof of immunization for: Diphtheria, Whooping Cough, Tetanus, Smallpox, Polio, Measles, Rubella (german measles).

--A student entering ninth grade from a private or parochial school should bring the diploma from his former school when he registers.

Parents who have questions about what school their child will attend or any other question concerning the opening of school should call the City School District at 325-4560 and ask for the Division of Administration or the Community Affairs Office.

HOW CAN
CHRISTIAN SCIENCE
HELP YOU?

Whatever your needs are, God can help you if you understand His laws. Christian Science can give you this understanding.

These laws bring healing. They restore the body and uplift the heart. You may learn how to apply these laws in your own life, and prove them for yourself.

A good way to begin is to come in and read this week's Bible Lesson in the Christian Science Reading Room. It is there for you to use.

Social Security Information

Some private insurance companies have been sending misleading advertisements to Medicare beneficiaries in the Rochester area, according to Joseph Tomaino, Social Security District Manager, in an effort to sell them health insurance to supplement their Medicare protection.

Tomaino said that the promotional literature distributed by these companies has been deliberately designed to give the reader the impression that the company is in some way connected with the Social Security Administration, or that it has access to the Federal agency's records.

One company used a window envelope that was almost identical to the envelopes social security uses to send out benefit checks, Tomaino remarked. He went on to say that only careful reading of the fine print in the advertisement revealed the statement that the company was "not an agency of the State or Federal government."

Tomaino stressed that the Social Security Administration does not endorse any privately-sponsored insurance plan designed to "supplement" Medicare benefits. He also emphasized that private insurance companies do not have access to social security records,

which are confidential by law. Tomaino indicated that most private insurance programs supplementing Medicare offer valuable additional protection and advertise honestly in their sales literature. "However," Tomaino said, "a few companies have engaged in practices which clearly are intended to mislead Medicare beneficiaries."

Tomaino advised persons who are confused by material they get in the mail offering additional Medicare protection to get in touch with their nearest social security office, or their State Insurance Commission for further information.

Jon Stone Wins Boating Title

A former Tenth Warder was crowned national champion in power boat racing last weekend. Driving his craft at speeds up to 75 miles an hour, Jon Stone captured D-Stock Hydro title in the national event held in Wisconsin. His boat is one he constructed with the help of fellow racing enthusiasts in the cellar of his grandfather's home in Ridge Road West.

The championship races are sponsored by the American Power Boat Association.

Jon is the son of Gordon A. Stone, advertising manager of the Tenth Ward Courier, and grandson of the late Howard A. Stone. He is an engineer with the Ogden Telephone Company.

Democrats Opening New Meeting Place Here

The Democratic organization is putting heavy emphasis on the Northwest area in its future planning. Besides choosing a new vice chairman from the First Ward, the Dems have elected a Tenth Ward woman as their secretary; have nominated a Tenth Warder for City Court Judge; and are setting up a meeting place here to be used by all west side ward organizations as well as by the county executive committee.

The West Side Democratic Center is moving Sept. 1 to new and larger quarters at 484 Emerson St., corner of Santee St. This location is just a short distance around the corner from its present headquarters on Dewey Ave. at Locust.

Currently used by the First, Ninth and Tenth Ward Democrats, the new center will be made available to all west side wards for meetings. The countywide executive committee members, who have been meeting at the Dewey Ave. location, will use the Emerson St. building. The county organization has assumed responsibility for the lease.

Mrs. Pat Bell of 730 Seneca Pkwy., is the new secretary of the party and Mrs. Ellen R. Long, 164 Curtis St., is vice chairman of the county committee. Both were formerly active in the First Ward organization. Mrs. Bell's husband Robert has been serving as the new executive committeeman and leader of the Tenth Ward for the past month. They formerly lived on Canary St., but moved to Seneca Pkwy. which is in the Tenth about eight months ago.

Councilman Andrew G. Celli, who represents the Northwest district and resides at 637 Seneca Pkwy., has been nominated by the Democrats for City Court Judge.

Councilman Celli has also won

Rusty Water Due For Cleanup

"Unless the problem of rusted water is immediately solved to the satisfaction of the residents of Northampton St., Councilman Robert F. Wood says that he will ask the Commissioner of Public Works to reline the water main and thereby rectify the condition.

Councilman Wood noted that the water problem in that area has continued for more than four months. "While I am confident that the City Water Bureau has tried numerous solutions to eliminate the rusting", Wood stated, "we cannot allow this intolerable situation to continue".

Mrs. Pat Bell, at left, is the newly elected secretary of the Monroe County Democratic Party; and Mrs. Ellen Long is a vice chairman of the organization.

the Liberal party endorsement in his candidacy for City Court Judge. If he wins the judgeship, his successor on the council will be selected by the City Council, but must be a Democrat.

Cost estimates for relining the main are from \$15,000 to \$20,000. "That is just one of the financial burdens this administration must take, as far as I'm concerned, Wood stated. "We must guarantee efficient basic services to every taxpayer. It is for that reason that I am willing to spend whatever is needed to correct the dreadful situation without further delay".

Glenwood Garden Apartments Set?

Approval of the new plan for the Glenwood Gardens apartment project in the First Ward was expected at this week's meeting of the City Council. (The Council met last night after the Courier had gone to press.) Councilmen John R. Parrinello (R) and Andrew G. Celli (D) were both pledged to its support.

It will be a senior citizen project and will include 124 one story units consisting of a bedroom, living room and kitchenette. The apartments will be built in the area near the old subway bed in the Merlin-Robin St. area. Stanco Developers will be the builders and upon completion will turn the project over to the Rochester Housing Authority. Federal funding under the HUD program is planned.

No Junk Car Station Here

Councilman John R. Parrinello has confirmed today that the city will not open a transfer station for junk cars on a city-owned lot on Colfax St. This action was a direct result of a public hearing on the junk car proposal held last Tuesday at Most Precious Blood Church Hall.

"While I personally believe the idea of a conveniently located junk car graveyard is sound, I agree with the residents of the northwest area of the city that such a transfer station should be located elsewhere", Parrinello stated. "I will not support the Colfax St. site, I do not expect that the proposal will ever reach the floor of City Council" he added.

"I will ask Public Works Commissioner Raymond E. Keefe to explore the possibility of finding a more suitable location, for I agree in principle with the idea", Parrinello added. "But our first duty is to the residents of a given neighborhood and their wishes must be considered before any final decision is made".

Leaders Oppose One Way Streets

Ames and Child Streets must be kept open for two way traffic. That appears to be the almost unanimous opinion of everyone contacted in the affected area, as well as at least two prominent public officials.

Plans of traffic engineers to make the two streets one way, once the Western Expressway has been completed, were revealed this week. Business men and residents alike are vigorously opposed to making a bottleneck of the entire area between Jay Street and West Avenue and are threatening to organize, if necessary, to prevent it.

Councilman Andrew G. Celli (D), who represents the Northwest area in the City Council, and Joseph Esposito (R), county legislator from the affected area, are both opposed and ready to fight if necessary to keep the two north-south arteries open to two way traffic.

"The Northwest area is an important part of this city and it is essential that it be readily accessible", says Celli. "Before these two streets are limited to one way, I will ask for a public hearing."

15th GOP Picnic Set Next Sunday

Republicans of the 15th Ward are holding their annual family basket picnic next Sunday, Sept. 6, at Churchville Park, East and West Cabins. All residents of the ward, regardless of politics, are invited, say the co-chairmen, James Andolina and Anthony Rusolese.

As usual one of the popular features will be the well-known sausage and pepper treat prepared by Dominick DeGuarde, the ward leader. It will be served free as long as the supply holds out. Many other free offerings account for the popularity of the picnic, including beer for the adults, pop for the children, peanuts, popcorn, suckers and balloons. The women's organization is serving free hot dogs and there will be bingo, games and prizes without charge.

Please, No Bottleneck

The "Dutchtown" Expressway which has long since wiped out a way of life for 200 or more families in our area, and split the west side of town in two, now poses new threats to what is left of the neighborhood between Jay Street and West Avenue.

We refer to the creation of numerous one way streets including the two main north-south thoroughfares in the heart of the area. City traffic engineers confirm the fact that both Child and Ames will eventually be one way, thereby badly hobbling the flow of local automobile traffic.

With Wilder St. one way west, Campbell St. one way east, Child Street one way north and Ames Street one way south, figure out how to get to Holy Family Church, for instance, from Ames and Maple. You will have to drive about eight or ten blocks out of your way—either via Child or Glide, the only streets where you can cross the expressway.

There are numerous other little puzzlers if you stop to figure it out—in getting from one place to another inside the so-called "Dutchtown" area.

Many of us are asking why two practically dead-end streets, Ames and Child, should be made one way streets. Perhaps the engineers, motivated only by the desire to move traffic speedily and efficiently, are unmindful of the fact that they are strangling a once thriving community.

We protest. It isn't right.

Seek Organizer For Area Groups

Two local groups and a church are seeking a "full time community organizer", to help solve neighborhood problems in the Northwest area. The chosen man will act as part time associate minister at Christ Presbyterian Church and coordinate efforts of the Maplewood and Edgerton Area neighborhood associations.

The job, expected to pay \$10,000 to \$11,000 will probably be filled by Sept. 15, says the Rev. Robert Booher, Christ Church pastor. The move has the support of the Northwest Ecumenical Mission, composed of 17 Northwest churches, he states.

Expressway Bridge Open At Saxton

A second bridge over the Dutchtown Expressway has been opened to traffic and a third will be ready later this month. Saxton and Child St. bridges are open now and Ames will be next. Ames St. bridge is to be ready before school opening for pedestrian traffic and will be completed for vehicular traffic in about two weeks.

Seek Re-zoning For Jay St.

A move to upgrade zoning of Jay St. was started last Thursday when the Charles House Neighborhood Council sponsored a public information meeting attended by a representative of the City Planning Commission. Result of the meeting was a decision to circulate petitions for a zoning change and to seek cooperation of four area groups, ACTION, DRIVE, FRIEND and UNITE.

"Our aim is to maintain the residential character of the neighborhood", says Mrs. Phyllis Burruto of Smith St., chairman of the area council's planning committee. "The zoning we seek will not affect the present structure of any street, but will protect its future and the future of those who live there".

Existing commercial sites would not be affected, according to Mrs. Burruto, and future business uses would be allowed, but only with approval of the residents. The purpose is to prevent deterioration in the residential quality of the area between Broad and Child Streets, she says.

1085 Youthtown Holding Election

The 1085 Youthtown general elections will be held on Monday, Sept. 14, according to Joseph Esposito, president of the parent 1085 Club.

Printed ballots will be furnished each member and voting booths will be set up. The elections will take place before the regular meeting and the results will be announced at the end of the meeting.

Under the leadership of the "Mayor" John Viavattine Jr., 1970 has been an eventful year for the boys. They sponsored a successful benefit carnival and are now making plans for a parent night, to which the parents will be invited. A buffet lunch will be served.

The meeting at the Avery Bowling Center will start at 7 p.m. Secretary Eugene Gitro is sending out notices.

Ecumenical Cleanup Of Dewey Ave.

Sister Damian Gofredda is pictured serving refreshments to NIP workers on their Aug. 11 Clean - Up - March on Dewey Ave. NIP (Neighborhood Inter-Church Program) was a four week ecumenical summer program sponsored by six local churches in the Maplewood area, Sister Damian who served as coordinator of the program counted 300 children from the neighborhood attending and participating in the varied activities offered. Next year, with greater numbers of volunteer teachers, NIP hopefully will expand to include upwards of 500 children.

Parent Volunteer Program At 34

The Edgerton Education Task Force of School No. 34 is recruiting parent and community volunteers for a Parent Volunteer Program which will begin in September with the re-opening of school. Volunteers are needed to serve as reading test aides, registration aides, kindergarten classroom

aides, and to help in the distribution of books, hall monitoring, and child care.

Members of the Task Force are in the process of contacting those parents who responded to the parent questionnaires distributed last June. Others interested in the program, may call Sandra Torrey at 458-4100.

Opposes Posting Signs On Trees

It is getting near the time of year when advertising posters begin making their appearance (especially political signs) and since this has been one of his pet projects every since he served as Tenth Ward Supervisor, Harold (Jeff) Wilkin promises to be on the warpath again.

Wilkin joins nature lovers in an aversion to signs nailed to trees and while he has seen none in these parts lately, he continues on the alert. Real estate and other commercial interests have been most cooperative, he says.

YOUTH FOR BUCKLEY

Youth For Buckley-Adams will hold an open meeting tonight (Wednesday) at 7 p.m. at Dewey Avenue Branch Library. This is an independent group of young people supporting James Buckley for U.S. Senate and Dr. Paul Adams for governor. Proposed activities include a "Ronald Reagan Film Festival", literature distribution at shopping centers, and public service activities such as a baby sitting - car shuttle service on election day.

All interested young people in the area are invited to attend. Dave Degray (458-1622) or Dave Pogue (621-3484) are taking calls.

French-Canadians Find Friends Despite Language Barrier Here

Imagine you're in a foreign country, you don't speak the language, your car breaks down and you have to wait 24 hours to get a needed part.

What a break it would be to run into friendly people who would allow you to put up your tent in their back yard and stay overnight. Well that's exactly what happened here one day recently.

A foursome of French-speaking Canadians from Montreal - out on a camping trip and traveling leisurely around Lake Ontario - developed generator trouble in Buffalo, and made it to Rochester and the corner of Glide and Lyell before their car konked out.

Fortunately they had driven into Pat & Mike's Chevron Station at the corner of Lyell and Glide St. and despite the language barrier had their motor trouble analyzed. But it was going to take 24 hours to get the part.

Where to pitch their tent - nearby - was the next problem. Somehow their plight became clear to Pat McGrain and he ushered the beleaguered Frenchmen, a man, his wife and her two sisters, over to his home at 74 Ellsinore St. and

motioned to them to set up their tent in his back yard.

Along about this time Pat's wife Linda remembered that her friend Frances Quercia of Hinchey Rd. had just come home from a month's stay in France. Frances came over and acted as interpreter, and there was happiness all around.

The next day, Tony Emanuele who is Linda McGrain's papa, entertained the whole party at one of his famous noontime dinners over on Jay St. And then with their car again in working order the stranded French-Canadians gave their profuse thanks and made their departure.

Aquinas Boosters To Meet Coaches

A kick-off dinner, the first of five scheduled for the 1970-71 season is scheduled by the Aquinas Sports Booster Club, for parents and alumni to meet the coaches of the various sports. It will be held at the school cafeteria on Tuesday, Sept. 15 at 6:30 p.m.

The organization is headed by Louis Ricci with Louis DiGregorio as secretary-treasurer. Board of Executives includes Bernard Doyle, Robert Foley, Robert La Vigna, Victor Moretti, Harry Pelcher, Rocky Pilaroscia and Karl Schmidt. Father Michael Biondi is faculty moderator.

Christian Ave. He is a native of Rochester and has held various sales and marketing positions with Xerox Corporation for the past five and a half years. His B.A. degree was earned at the University of Windsor, Canada.

Celli Career At Turning Point

LAST WEEK there were several things happened to affect the political career of Councilman Andrew G. Celli. As usually happens in such matters, it made both friends and enemies for the councilman.

His decision to vote for the contract with Western New York Waste Systems for the Emerson dump elimination brought him praise from the Northwest Neighborhood Association, from Republicans (particularly from County Legislator Joseph Esposito), from a group representing the Northwest section of the city and from many others who have been praying for a long time for any solution to this most difficult problem. (Further developments in the meantime have clouded the future of the "solution" angle.)

On the other hand, many fellow Democrats including former Mayor Frank Lamb have castigated Celli for his change of heart. He may have forfeited considerable Democratic support, but he says he felt an obligation to vote as he did.

LAST WEEK Celli received the nomination as both Democratic and Liberal candidate for City Court Judge. He was given the green light as "qualified" by the County Bar Association, although his party leadership apparently chose to ignore the action and Celli himself had to make the announcement that his fellow attorneys had acted favorably on his legal qualifications.

LAST WEEK Celli fulfilled his promise to vote for the revised Glenwood Gardens Apartment plan which eliminated the low-cost housing provision, which won him praise from many local home owners and probably disapproval of such organizations as the Northwest Housing Task Force and others.

LAST WEEK Celli was selected as "Citizen of the Year" by an

COMMENTS
from
JOE ESPOSITO
County Legislator
27th District

I commend the many concerned citizens of our area, who attended the informational meeting held on Thursday, Aug. 20, at the Most Precious Blood Auditorium.

At this meeting, it was proposed that a junk-car depot be established in our neighborhood. In a letter to City Manager Julian Orr, dated August 9th, I expressed my opposition to the plan, and asked that he meet with me before the scheduled August 20th meeting. On Tuesday, August 18th I met with Mr. Orr, Mr. Ray Keefe and Mr. Eugene Tennis.

I explained that my reasoning was not parochial, but rather realistic. It would seem to me that placing the proposed depot in an area so besieged with almost unliveable conditions, would surely be adding insult to injury. At the conclusion of the meeting, Mr. Orr assured me that if the residents of the area voiced strong opposition to the plan, it would not be forced on them.

It was gratifying to me, to see so many of our good citizens speak

out at that meeting, and because of their justified opposition to the plan, the idea of the proposed depot in our area, was dropped.

I am indeed proud of the many fine, dedicated and hard-working people of our area who are concerned about our neighborhood. Mr. Gabe DeRosa did an outstanding job, and is doing equally well as acting chairman of the Northwest Neighborhood Association. Mr. DeRosa, like so many others, works diligently and has given unselfishly of his time, for the benefit of all people of our area.

Candidates Due Here Sept. 15

Three of the candidates in the local legislative races this fall will meet with residents of the Ninth and Tenth Wards next Tuesday, Sept. 15 at 8 p.m. Richard Anderson (candidate for Congress) Senator James Powers, (candidate for the State Assembly) and John Damico, (candidate for the State Assembly) will be the guest speakers at a meeting of the Ninth and Tenth Ward Democratic Club.

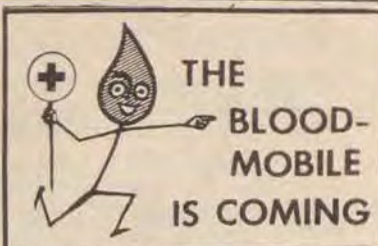

The meeting, which will be the first in the new Westside Democratic Center, at the corner of Emerson and Santee Sts. just west of Dewey Ave. The meeting is open to the public.

In announcing the meeting, Club President Anthony DePerna, pointed out that "the meeting is another in a series of meetings by which we hope to bring the candidates into the wards to meet all of our neighbors, because an informed voter is an effective voter".

It has also been announced that there will be an "Old Time Democratic Picnic" Sept. 19, at Seneca Park. The intent of the day's festivities (which will include a free picnic dinner and entertainment) is to recognize the past and present contribution to civic life of all Democrats over 50 years of age. Whether they are now active in the party or not, all Democrats over 50 years are invited. Transportation can be arranged and further details can be obtained either from Democratic headquarters or Ward Leaders Bob Bell or Paul Haney.

Provenzano Takes County Judgeship

It was moving up day last Friday for Judge Edward O. Provenzano of Seneca Pkwy. The former city court judge was sworn in as county court judge in ceremonies at the Hall of Justice before a group of family, friends and political leaders. He was appointed by Governor Rockefeller to fill a vacancy in the court and will run for a full term in the November elections this year.

THE BLOOD-MOBILE IS COMING

Has anyone you know ever needed blood? A little five year old girl is going to, for open heart surgery. Blood collected from one Red Cross Bloodmobile (Sept. 23 - Sacred Heart Hall - 297 Flower City Pk. - 2:30 p.m. to 6:30 p.m.) will be used in her surgery. Come on! Let's show her we're with her. Ten minutes from you can give her life. It's more than words. Help us to help her.

Ex-Carvel Manager Serving in Vietnam

Larry Eksten, well known in this area as manager for four years of his family-owned Carvel Store on Dewey Ave. near Lexington, who was drafted in February is now in Vietnam.

Larry took his basic training at Fort Dix and moved into the Army's automotive mechanics school at Dix. He then was sent to special Track Maintenance School at Fort Benning, Georgia where he received a rating entitling him to handle maintenance on all heavy equipment in the army.

On Aug. 21, he left for California, Alaska, Okinawa and then to Vietnam. In his first letter home he told his parents that he is assigned as a heavy-equipment mechanic to the construction engineering battalion of the 4th Infantry Division now at An Khe in northern Vietnam.

Larry made his home with his parents in Henrietta. In addition to acting as manager of the Carvel Store, he was instrumental in setting up and active in the operation of the Dew-E-Sub take-out sandwich service.

For his many area friends, his address is: Larry R. Eksten 075-38-4581, Co. E. 4th Engr. Bn., 4th Inf. Div., A.P.O. San. Fran., Calif. 96262.

Day Care Center Opens Sept. 21

A day care center for three and four year olds whose mothers wish to seek employment or further education is being opened here on Sept. 21. It will be known as the Edgerton Day Care Center and will be located at Lake Ave. Baptist Church, Jones and Ambrose Sts., near Lake Ave.

The center will be open five days a week, 7:30 a.m. to 5:30 p.m. Registration is now open at Christ Presbyterian Church, 458-4100 or Lake Ave. Baptist Church, 458-5765. These two churches and St. Anthony's Catholic Church are the sponsors.

Although open to the general public, priority is given to welfare recipients' families. The fee is adjusted with regard to family size and income with the fee for children of welfare families being paid by A.D.C.

Cub Pack Starts Season Friday

Cub Scout Pack 101 will be starting its 25th year in the parish when it holds its first pack meeting on Friday, Sept. 11 in the Holy Rosary School Hall at 420 Lexington Ave. starting at 7:45 p.m.

All Cub Scout and Webelos members are expected to be present with at least one parent. Some entertainment plus information of coming events of the year should make this a pleasant evening for all, says Cubmaster Walter Rohnke.

Any member of Holy Rosary Parish who has a boy 8 or 9 years old may register him as a Cub Scout at this meeting or as a Webelo if he is 10 years old whether he goes to Holy Rosary School or public school.

Further information may be had by contacting the Chief Den Mother Mrs. Lillian Salber at 458-8939.

**Need Volunteers
For Red Cross**

The Red Cross seeks more Blood Program volunteers. When 4500 pints of blood must be collected a month, Red Cross must be at many places and be equipped with proper staff and volunteers to be able to obtain this amount of blood. It has become increasingly crucial that more volunteers are recruited in order to fill this demand.

According to Mrs. Kenneth Edwards, Chairman of Blood Program volunteers, "Red Cross Blood Program volunteers play an extremely valuable role in the collection of blood. Bloodmobile visits to industries, colleges, county towns, and city wards make it necessary to recruit and train more volunteers to do much of the preliminary work, such as registering donors, assisting staff nurses, and taking temperatures. As hours range from 7 a.m. to 7 p.m. men and women of all ages, housewives, retired people, and people with jobs can find hours to suit their needs."

Interviews will be held Monday, Sept. 14, Tuesday, Sept. 15 and Wednesday, Sept. 16, from 10 a.m. to 3 p.m. at Red Cross Headquarters, 50 Prince St. To make an interview appointment or for more information, call Red Cross at 275-9800.

Welcome Neighbor!
OUR GREATEST NEED.....
Old foundations are crumbling away.
What will replace them? We are dis-
covering, rather painfully, that drugs
and divorce solve no problems. They
cannot fill the spiritual void which under-
lies today's tragedies.
However "man's extremity is God's
opportunity." He can fill that void. Give Him
a chance. Come to church Sunday.

SECOND CHURCH OF CHRIST SCIENTIST
Standards for judging the true value and substantiality of the things mankind desires are set forth in the Lesson-Sermon on "Substance" to be read in all Christian Science churches on Sunday, September 13.
One of the Bible quotations is from Paul's letter to Timothy, in which he wrote, "Charge them that are rich in this world, that they be not highminded, nor trust in uncertain riches, but in the living God, who giveth us richly all things to enjoy."
The public is welcome to attend services at 10:45 a.m. at Second Church of Christ, Scientist, One Seneca Pkwy.

DASH-DOVE Open Meeting To Discuss Dutchtown One-Way Streets

The DASH and DOVE Neighborhood Associations will sponsor an open meeting concerning the present plans for the one-way streets in the Dutchtown area. The meeting takes place in the auditorium of Holy Family School at 8 p.m. on Oct. 6.

Alexander Morris, Chief City Traffic Engineer and other city officials will be present to hear opinions of area residents and to explain the City's official position. The meeting will be open to all residents and businessmen between Child St. and Mt. Read Blvd.

Those in attendance at the last neighborhood association meetings opposed the present one-way street plan which would make Ames and Child Sts one-way. The consensus of opinion was that the present plan would sever the most vital parts of the Dutchtown area.

Concerned residents may voice their opinion concerning the pre-

sent plan in two ways. First, they are asked to sign a petition being circulated by the Neighborhood Associations throughout the area expressing strong opposition to the present plan; second, attend the DASH-DOVE meeting on Oct. 6. Further information may be obtained by calling 328-5453.

Democratic Picnic For Old Timers

An "Old time Democrats" picnic will be held on Saturday, Sept. 19, at Seneca Park, Shelters 2 and 3 from 2 to 6 p.m. The picnic is open to all Democrats over 60 years of age. Transportation will be provided.

The Women's Division will donate the food and the Youth Division will serve. Reservation may be made by calling Mrs. Kitty LeDuc 865-5698 or Democratic Hdqts. 232-2410.

**Testimonial Dinner Club Will Honor
To Honor Romano Ralph DeStephano**

John J. Romano, 28th District County Legislator, will be honored at a testimonial dinner on Monday, Sept. 21, 6:30 p.m. at the Crescent Beach Hotel.

The dinner sponsored by the Ninth Ward Republican Organization will feature County Court Judge Edward O. Provenzano as principal speaker.

Edward Blodgett, chairman of the affair is assisted by co-chairmen; Joe Kennedy, Mike Polito, George Masters and Sally Sullivan.

Tickets may be obtained from any member of the Ninth Ward Republican Organization or by calling Mrs. Sullivan, 458-1291; Mrs. Blodgett, 254-1367; or Mrs. Romano 254-5026.

The Citizen's Club of Rochester has announced that Rochester businessman Ralph DeStephano is the organization's "Citizen of the Year" for 1970.

According to Citizens' Club President Andrew G. Celli, DeStephano will be honored at the club's golden anniversary dinner, Saturday evening Oct. 3 at the Flagship Hotel.

DeStephano, of 100 Edgemere Dr., Greece, is president of Buchman's Dairy, and has been one of the prime movers in the successful effort to re-locate Park Avenue Hospital in the town of Greece. He is chairman of the soon-to-be-constructed Park-Ridge Hospital, which will serve the Northwest quadrant of Monroe County.

Marion B. Folsom, former U.S. Secretary of Health, Education and Welfare will be the principal speaker at the dinner. Other speakers will include Vincent L. To-fany, N.Y. State Commissioner of Motor Vehicles.

**AQUINAS LISTS
NEW TEACHERS**

John R. Clapp, well-known in the field of sports and public relations in the City of Rochester, was named Director of Public Relations and Development at Aquinas, so it was announced today by Rev. Albert Gaelens, C.S.B., School Principal.

Other appointments announced by the school administration are Mr. Mark Mertel, as Dean of Students.

Returning to the Aquinas faculty are Fathers Edwin Kline, C.S.B. and Thomas Bales, C.S.B. Also five Aquinas graduates - the Rev. Mr. Paul O'Connor, C.S.B., ('59), Messrs. Jack Seniawski, C.S.B., ('69), Robert Fuhrman ('65), Vincent Galbraith ('64), Joseph Crezky ('64).

Father Edward Bader, C.S.B., James Chappell, Thomas Corr, Leo Hand, Steven Rielle, David Tsubulsky, James Webster, James Zapton and Miss Diane Kaczmarek, are also new teachers.

CARD OF THANKS

Mrs. Nancy Gilbert wishes to thank her many customers and friends at Carafice Beauty Shop for their many acts of kindness during her recent bereavement.

TO THE EDITOR:
Andrew Celli earned the disapproval of the Northwest Housing Task Force many months ago - like last January. When Mr. Celli was elected to the city council he assumed the responsibility of working for the common good. Instead he assumed the partisan role of advocate for a small group who were fearful of low income housing and uninformed about the housing crisis. Mr. Celli knows that housing and racism are the major urban problems, nevertheless he chose to confuse the people with emotional and self-serving appeals. He should have grasped the opportunity to be a statesman and a concerned councilman. He should have explained to the people what their responsibilities are in this housing crisis and that it really is every citizen's duty to help this community resolve the housing shortage and alleviate the racial strife.

What They Wore... by PHYLLIS JOYCE

THE STUDENT

UNIFORMS WERE MODIFIED TO PERMIT FREER MOVEMENT WHEN DAILY DRILL, GYMNASTICS AND GAMES WERE INTRODUCED INTO THE CURRICULUM OF THE NEW SCHOOLS THAT CROPPED UP IN THE 1870'S.

LITTLE GIRLS WHO DIDN'T GO TO SCHOOLS THAT REQUIRED UNIFORMS PREFERRED SMOCKED DRESSES FOR THEIR NEW BACK-TO-SCHOOL WARDROBES. SMOCKING HAD ITS ORIGIN IN THE FROCKS OF ENGLISH RURAL WORKERS.

IN THE 1890'S THE PEA JACKET AND SKIRT COMBINATION WAS POPULAR. THE JACKET BROUGHT GIRLS STILL FURTHER AWAY FROM WOMEN'S FASHION AND NEARER THE APPAREL OF THEIR BROTHERS.

TODAY...WHEN BUYING WOMEN'S OR CHILDREN'S APPAREL-LOOK FOR THIS

**LEARN TO BE A
SMART CONSUMER**

NEW YORK—Buying a used (or new) car?

- Need a good doctor? Lawyer?
- Buying something on credit?
- Need a loan?
- Had a death in the family?
- Want good, reasonable insurance coverage?
- Know what to do if you get arrested?
- Know how to read a contract (including the small print)?
- Ever deal with a sharp salesman?
- Know what to look for in advertising and labeling claims (including the small print)?

Tomorrow's consumers will know the answers to these and similar questions, and will be much wiser shoppers, when a new consumer education program is introduced to schools this summer and fall.

Modern Consumer Education covers 39 different consumer areas with self-instructional texts, filmstrips and tapes. It is designed as a complete consumer education course, or it can fit into existing home economics, social studies, business education and other high school programs.

The course, developed over the past three years by experts in various fields, was extensively use-tested in the Job Corps and is being acquired right now by schools from the largest publicly-held encyclopedia and educational materials publisher in the world—Grolier, Inc.—which publishes Encyclopedia Americana, The New Book of Knowledge, Encyclopedia International, The World's Great Classics, and other fine sets and reference texts.

"Too often today, consumerism is concerned with locking the barn door after the horse has already escaped," says Theodore Waller, President of Grolier Educational Corporation, 845 Third Ave., New York (10022), which, with Educational Design, Inc., recently developed and is now marketing the widely-hailed new Modern Consumer Education program.

"Consumers who already have good buying habits have little to fear in the marketplace. Unfortunately, their good habits often were learned the hard way. The object of this Modern Consumer Education program is to teach people sound consumer buying habits while they are young, before they become adult shoppers. The program is extremely valuable for adult education courses, too," Mr. Waller said.

OUR DECLARATION OF INDEPENDENCE

Just between us chickens, the Bird Colonel has had you in his grip long enough. You've had to have chicken his way- soft and moist- even though the closest you've ever been to Kentucky is Batavia. It's time you knew there was another kind. Our kind. Young, tender chicken dipped in our own savory golden-rich batter- for a crust so crisp it crunches.

So we're out to set you free. With 12 big weeks of savings as a bribe, frankly, to get you to try our Chicken Delight Chicken.

And with the other weapons in our arsenal. Like a menu that goes on and on- fish and shrimp dinners, barbecued ribs and pizza too. And fast, piping hot home delivery when you don't feel like leaving home.

Join the Chicken Revolution now. Cut out all the Articles of War above- then along every dotted line. You'll have the 12 valuable coupons, each good during the particular week shown. Then redeem the coupons week after week, and save.

YMCA Announces Weekday Program

The Maplewood Branch YMCA announces that weekday gym and swim program begins at a new time this year. Starting times for the afternoon program will be 3:45 p.m. on Monday, Tuesday and Thursday and 3:30 p.m. on Wednesday.

The YMCA weekday program is offering a bus transportation program, as a convenience to the parents. The 'Y' bus will pick up children at all the area public and parochial schools served by the Maplewood 'Y' and return them to these points following their programs.

Additional information may be obtained by calling the Maplewood Branch YMCA at 254-5250.

YW Wives Meet

Fall program of workshops, trips, discussion and service projects will be introduced to members and prospective members of the Lake-Ridge YW-Wives Club at an opening Coffee on Wednesday, Sept. 16, 9 to 11 a.m. at the Church of the Ascension, 2 Riverside St. Mrs. Peter Patterson, 345 Maplewood Ave., is chairman for the group which is sponsored by the YWCA.

The Club is especially designed for young homemakers and child care is provided for the weekly meetings which are held Wednesday mornings, 9 - 11 a.m. at the Church of the Ascension. Membership is open to all interested women in the area.

Further information may be obtained by calling the YWCA office at 546-5820.

SECOND CHURCH OF CHRIST SCIENTIST

Emphasis on materialism is a modern form of idolatry and can be counteracted by an understanding of the Ten Commandments as explained in the Lesson-Sermon on "Matter" to be read in all Christian Science churches on Sunday, Sept. 20.

The Bible citations include the First Commandment, "Thou shalt have no other gods before me," and the other nine commandments. All are welcome to attend services beginning at 10:45 a.m. at Second Church of Christ, Scientist, One Seneca Pkwy.

MARINE MIDLAND HAS NEW MANAGER

Marine Midland Bank announces the appointment of Philip D. Robinson as manager of its Dewey-Driving Park office (275 Driving Park Ave. near Dewey Ave.)

He succeeds Charles Graham, an assistant secretary, who has transferred to the bank's headquarters.

Frank Galusha, a recent graduate of the bank's Executive Development Program, has assumed the duties of assistant manager.

Robinson, the former assistant manager, joined Marine Midland in 1964 and has always served at the Dewey-Driving Park office. An alumnus of Auburn Community College, Robinson has taken banking courses through the American Institute of Banking/Rochester Chapter and also attended the University of Rochester. He is currently studying for a bachelor's degree at Rochester Institute of Technology.

Galusha, who joined the bank in 1968, served in various offices and departments during his development program. He is a graduate of St. John Fisher College.

GRAND JURY ACTION COMMITTEE ANNOUNCED

The Association for Grand Jury Action announced the formation of a committee to check the powers of lawyers in government. The Association has long held that lawyer-legislators are a violation of the Separation of Power concept of constitutional government.

Committee Chairman, Pat Rocco also announced that his committee will receive complaints from citizens who feel they have been victimized by lawyers and their laws and will attempt to aid them in seeking redress.

Those with grievances are urged to contact Rocco in writing at 134 Macedon Center Rd., Fairport, N.Y. 14450.

GOODWILLY SPONSOR SPAGHETTI DINNER

The Goodwillys of Holy Family Parish are sponsoring a spaghetti dinner on Sunday, Sept. 20 in Holy Family auditorium, corner Jay and Ames Sts. Serving 1 - 5 p.m. Tickets will be \$1.00 for children and \$1.50 for adults. The public is welcome, says Clem McManus, chairman.

Booth Reservations Accepted For Charity Bazaar At Mall

Booth reservation forms for the annual Columbus Day Charity Bazaar to be held Oct. 16 and 17 at Greece Towne Mall are now available.

Organization representatives can receive these forms by coming to the Greece Towne Mall Promotion Office Monday through Friday from 10 a.m. - 12 noon and 1 p.m. - 3 p.m. Or, they can phone the office during those hours at 225-7070 and the forms will be mailed to them. Deadline for acceptance is Oct. 1.

To qualify for participation, an organization must use the proceeds for the Bazaar for charity and conform with the rules for type of merchandise to be sold and procedures for set-up, operation, and take-down.

Greece Towne Mall Charity Bazaar are held for two day periods

twice a year and generally result in about \$6,000 proceeds for the various charities represented by participating organizations. The Bazaars are sponsored by the Greece Towne Mall Merchants Association.

First Meeting For Mothers Club

Holy Apostles Mothers Club will hold the first meeting of the new season on Sept. 21 in the school hall at 8 p.m.

The newly elected officers are: Mrs. Eleanor Sciscioli, president; Mrs. Josephine Burke, vice-president; Mrs. Virginia LaMagro, secretary and Mrs. Agnes Kosko, treasurer. The new officers will be hostesses for the meeting.

Sister Marie Tydings will introduce the faculty. Spiritual Moderator Father Eugene Weis and pastor Msgr. Emmett Murphy are expected to be present.

The Mothers Club functions as a spiritual, social and educational society for the mothers of Holy Apostles School children, says Mrs. Diane Damelio, publicity chairman (458-1996).

More help, more comfort, more entertainment. More power to you.

There are more than 150 different household appliances on the market today. And most people are surprised at how many they own, until they take the time to count them. Oh sure, they know their electric bill has increased over the years, but that's only because they are using more electricity for a greater number of work-saving appliances. So, just for fun, check off the appliances you have in your home or apartment. We think you'll be surprised at just how many jobs electricity does year after year. We figure it this way: if we can add to your comfort, health and entertainment... more power to you.

High School Football On TV

Channel 21 announced today it intends to provide full television coverage of six to eight local high school football games this fall.

William J. Pearce, president and general manager of the non-profit station, said Channel 21 plans to videotape each game for delayed broadcast at 5:30 p.m. on the same day the game is played.

"This way," he said, "the fans at the game will have an opportunity to go home and see it again on television, and those who have been at other games will be able to see a game they otherwise would have missed."

"We think players and coaches will also benefit from seeing other teams play."

Pearce said that although the detailed arrangements have not yet been made, the station intends to begin its coverage with the Fairport-Canandaigua game at Fairport on Sept. 26, to be followed by the Kerney-Brighton game from Aquinas Stadium on Oct. 3.

After that, he said, the station will schedule games "with two considerations in mind—the importance of the games in the league standings and the desirability of getting a good geographic spread in the schools that are represented."

The station plans to cover games in all three local leagues: the Central-Western Conference, which takes in all suburban schools; the Catholic League, composed of four Catholic high schools; and the City Interscholastic League.

Area Sidewalk Reconstruction

Paul E. Haney, Democratic leader of the Ninth Ward, and Robert Bell, Democratic leader of the Tenth Ward, have announced that district councilmen Andrew Celli and Urban Kress have informed them that the city is making extensive sidewalk repairs in the Ninth and Tenth wards this year. An estimated 461 sections of sidewalk are currently being replaced in the two wards.

The most extensive single project is at the corner of Glenwood Ave. and Rainier St. at that site, 33 sections of sidewalk are being replaced. Other large projects include the replacement of 14 sections at the corner of Dewey Ave. and McCall Rd. There will be 17 sections at the corner of Raines Pk. and Electric Ave. and 14 sections at the corner of Augustine St. and Raines Pk.

Four streets in the two wards account for over one third of the work. Sixty sections of sidewalk are being replaced on Raines Pk. In second and third place on the reconstruction list are Clay Ave. with 39 sections being replaced and Rand St. with 38 sections being replaced. Glendale Pk. will by winter have 21 sections of new sidewalk.

Aquinas Parents Invited To School

Parents boys attending Aquinas will have an opportunity to return back to school for a few hours on Tuesday, Sept. 29, at 7:30 p.m.

Mothers and dads attending will be able to view the nearly completed renovation Phase II that has been taking place.

The program is sponsored by the APACE (Parents' Organization) under the leadership of Donald Damaschke, APACE President.

Red Cross Seeks Nurse's Aides

Mrs. Paul T. Freund, vice chairman of Red Cross Nursing Services for Nurse's Aides, announces that volunteer nurse's aides are needed in local hospitals to assist the nurses in giving bedside care to patients on hospital floors.

The Red Cross will train volunteers in a 40-hour course including twenty hours in the Red Cross Nursing Classroom and twenty hours of clinical experience at the Genesee Hospital. After completing the course the volunteers may serve in the hospital of their choice. They may also serve in the Red Cross Blood Program.

Interviews, by appointment only, will be held at Red Cross Headquarters, 50 Prince St., on Monday, Sept. 28, and Wednesday, Sept. 30 from 10 a.m. to 3 p.m. and from 7 p.m. to 8 p.m. To make an appointment or obtain more information, call Red Cross, 275-9800.

Rummage Sale To Benefit Troop 196

The Mothers Auxiliary of Troop 196 of School #7 is having its annual rummage sale at 212 West Main St. on Oct. 2 (7 to 9) and Oct. 3 (9 to 3). All donations will be accepted and may be left with Mrs. Mayer, 20 Seneca Pkwy, by Sept. 30.

Call Mrs. Wiesner at 547-1673 if you want someone to pick up your donation.

Maplewood Neighborhood Association Membership Meeting Tomorrow

The Maplewood Neighborhood Association will hold its annual membership meeting and election of officers Thursday, Sept. 24 at 8 p.m. in Dewey Ave. Presbyterian Church, 1261 Dewey Ave. M.N.A. president John R. Saxe will preside.

Booths and displays will be set up to acquaint people with the wide variety of organizations and activities that are a part of the area served. Saxe says these will include representatives of the major political parties, Maplewood Park Recreation Bureau and Senior Citizens' groups, Neighborhood Inter-Church Program, Northwest Housing Task Force, Area Youth Ministry, representatives of the Co-operative Nursery Schools and the Northwest Ecumenical Ministry.

Following a brief business meeting, Attorney Thomas Petrillo, council for the Citizen's Association for East Ave. and chairman of the Community Organizations Zoning Coalition, will speak on "Nei-

ghborhood Associations - - Their Role in Solving Urban Problems".

Enlargements of pictures taken during the past weeks depicting a series of "uglies" that downgrade a neighborhood will be on display at the meeting.

"This is unquestionably the N.M.A.'s most important meeting of the year and all members are urged to invite their neighbors to attend", says Saxe. "Suggestions for improving the neighborhood will be heard and discussed".

Craft & Garden Club Accepting Members

The Ridgeway Craft and Garden Club is now accepting new members. The club meets tomorrow (Thursday) in Lutheran Church of Redeemer, Dewey Ave. at the corner of Knickerbocker, from 10 a.m. to noon. The Knickerbocker entrance will be open. Old and new projects will be displayed. A tea will follow.

**CYO Announces
Membership Drive**

The annual C.Y.O. Membership Campaign will begin Sept. 28 thru Oct. 12 according to a joint announcement by Roger T. Bunce, C.Y.O. Board President and F. Robert Ridley, Membership Chairman.

Many new programs will be instituted this fall that are expected to have a great appeal to present and prospective members. The Midtown Men's Health Club will offer individual fitness consultation for those who find it hard to exercise. The exercise room has been expanded and a new exercise machine has been added to the exercise program. The Midtown's Women's Health Club offers special classes in simnas-tics, jogging and recreational activities. Pre-school children may accompany their mother to gym and swim classes. Facilities include sauna bath, private dressing stalls and showers, a lounge, make-up tables and hair drying facilities. Special days have been designated for family activities as well as programs for father-son and mother-daughter activities.

Bank Americard and Master Charge credit plans may be used for membership payments it was announced.

HOW CAN
CHRISTIAN SCIENCE
HELP YOU?

Whatever your needs are, God can help you if you understand His laws. Christian Science can give you this understanding.

These laws bring healing. They restore the body and uplift the heart. You may learn how to apply these laws in your own life, and prove them for yourself.

A good way to begin is to come in and read this week's Bible Lesson in the Christian Science Reading Room. It is there for you to use.

SERVICE NEWS

Anchorage, Alaska-Sergeant Gale J. Simpson, whose wife, Barbara, is the daughter of Mrs. Mary H. Smith of 195 Albemarle St., is a member of a squadron that has earned the U.S. Air Force Outstanding Unit Award.

The 1930th Communications Squadron, with headquarters at Elmendorf AFB, Alaska, was cited for providing exceptionally effective communications, navigational aids and air traffic control services in support of the Alaskan Air Command and the Alaskan North American Air Defense Command Region from January 1968 to December 1969.

Sergeant Simpson is a communications specialist at Campion Air Force Station, Alaska, one of 14 remote detachments maintained throughout Alaska by the 1930th. He will wear a distinctive service ribbon to mark his affiliation with the squadron.

His unit is a part of the Air Force Communications Service, which provides global communications and air traffic control for the USAF.

SEWING CLASSES BEGIN AT NO. 34

Beginners and advanced pupils will be taught sewing in the new classes at No. 34 School, Lexington Ave. beginning Tuesday, Sept. 29 from 1 to 3 p.m. Mrs. M. Almerito is the instructor and the classes are sponsored by the Board of Education.

**SECOND CHURCH OF
CHRIST SCIENTIST**

The reality of God's spiritual
creation implies the unreality of
material beliefs about the universe
and man, according to the Lesson-
Sermon on "Reality" to be read
in all Christian Science churches
on Sunday, Sept. 27.

One of the lesson-sermon pas-
sages from Science and Health with
Key to the Scriptures by Mary
Baker Eddy, Discoverer and Found-
er of Christian Science, reads:
"All reality is in God and His
creation, harmonious and eternal.
That which He creates is good, and
He makes all that is made. There-
fore the only reality of sin, sick-
ness, or death is the awful fact
that unrealities seem real to hu-
man, erring belief, until God strips
off their disguise. They are not
true, because they are not of God."
The Golden Text is from Isaiah,
"The earth shall be full of the
knowledge of the Lord, as the wa-
ters cover the sea."

All are welcome to attend ser-
vices starting at 10:45 a.m., at
Second Church of Christ, Scien-
tist, One Seneca Pkwy.

**Slim & Swim
Offered at YMCA**

The Maplewood YMCA announ-
ces that its women's swimming
and slimnastics programs will be-
gin the week of Sept. 27.

Swimming instruction classes
are offered to all levels of swim-
ming ability from beginner through
life saving. These classes meet
in the mornings Monday to Fri-
day starting at 9:15 a.m.

The Slimnastics class meets on
Tuesday and Thursday morning at
9:15 a.m. Babysitting is available
for children 2 years old and up
for this program.

These classes are available to
women who are wives or mothers
of members or who affiliate with
the Maplewood YMCA's Mothers
Club.

More information on both of
these programs can be obtained
by calling the Maplewood Branch
YMCA at 254-5250.

GRACE UNITED

Grace United Methodist Church
will mark Christian Education Sun-
day Sept. 27.

Tom Fassett of Rochester's
North Central Ecumenical Minis-
try, will speak at the 9:45 a.m.
study tour. Mr. Fassett's mes-
sage, "Christian Education in the
Urban Setting", will explain the
role of the church in today's world.

A pot luck supper is planned at
6 p.m. Each family is asked to
bring a dish to pass. The program
"Reading, Writing and Modern
Math in His Service", will help
the families of the church to be-
come better acquainted with the
Grace Church School staff. The
public is welcome.

**Small Fry Program
Offered at YMCA**

The Maplewood Branch YMCA announces a new Small Fry gym program to go along with its successful Small Fry swimming instruction classes.

Small Fry gym will begin Friday, Oct. 2, at 3:30 p.m. for 6 and 7 year old boys and girls. This program is geared to help the child build a stronger, more flexible body and to aid in the development of basic movement skills. Small Fry swim instruction classes will be on Friday evenings and Saturday afternoons for 6 and 7 year old boys and 6-12 year old girls. Classes begin at 6:15 p.m. and 7:15 p.m. on Friday, Oct. 2, 12:15 p.m. and 1:15 p.m. on Saturday, Oct. 3.

More information can be obtained by calling the Maplewood Branch YMCA at 254-5250.

More help, more comfort, more entertainment.

More power to you.

There are more than 150 different household appliances on the market today. And most people are surprised at how many they own, until they take the time to count them. Oh sure, they know their electric bill has increased over the years, but that's only because they are using more electricity for a greater number of work-saving appliances. So, just for fun, check off the appliances you have in your home or apartment. We think you'll be surprised at just how many jobs electricity does year after year. We figure it this way: if we can add to your comfort, health and entertainment... more power to you.

General Chairman, Charles Calandra, says tickets are available from executive committeeman Martin LoBlondo, or Esposito's Barber Shop.

There will be dancing to the music of Johnny Capone and his orchestra.

Congressman Barber Conable will be the main speaker and will head a long list of dignitaries which will include, Mayor Stephen May, Sheriff Al Skinner, County Judge Edward Provenzano, Supreme Court Justice Richard Rosenbaum, Councilman Robert Wood, Assemblymen William Steinfeldt and Frank Carroll, and all the candidates.

Frank Casaceli is honorary chairman of the dinner-dance and County Legislator Joseph Esposito will act as toastmaster.

"GUIDED OBSERVATION" AT NO. 30 & NO. 41

A Guided Observation program, sponsored by the Rochester City schools, is scheduled for the area.

This is a pre-school program for 3 and 4 year old children which includes a discussion group for mothers while the child is in his group.

The program at School No. 30 meets Thursdays from 9 to 11:10 a.m., with the afternoon group at 12:20 to 2:30. This group will use the facilities of the Lyell Ave. Baptist Church in Cameron St. For further information call 458-3302.

The program at School No. 41 meets Tuesdays from 8:45 to 10:55 a.m. and the afternoon group meets from 12:15 to 2:25. For further information call 621-2568.

St., Fiesta Dr., Garland Ave., Glenwood Ave. and Glide St.

The leaders in charge of the dinner are: Mr. and Mrs. Anthony Alat, Mr. and Mrs. Michael Nickolini, Mr. and Mrs. Michael Moliasani, Mr. and Mrs. Frank DeMarco and Mr. and Mrs. Louis Christiatiello.

Tenth GOP Women Plan Meeting

The monthly meeting of the Tenth Ward Women's Republican Club will be held at the Wesley Methodist Church, Dewey Ave. at Christian on Wed., Oct. 7 at 8 p.m.

This meeting will be important and all members are urged to attend, says the publicity chairman.

Rosary Society To Honor Msgr. Schmitt

The Rosary Society of Holy Family parish will honor Msgr. George J. Schmitt at a dinner to be held on Wednesday, Oct. 14 at 6:30 p.m. in the Pine Room. It will be a full course dinner with a choice of half broiler or baked ham. The price of \$3.75 includes gratuity.

For reservations call Mrs. Joseph Smarsh at 436-0327 or Mrs. Robert Spahn at 235-3136. Deadline for reservations is Monday Oct. 12.

\$206,000 To Be Spent In Area

District councilmen Andrew Celli and Urban Kress have announced that the 1970-71 Urban Beautification program includes four projects in the Northwest part of the city which have a total cost of \$206,000. These projects represent about 37% of a total city wide program costing about \$556,700. City Planning Commissioner Paul E. Haney (who is also Democratic leader of the Ninth Ward) joined with the councilmen in the announcement and pointed out that the Federal government will pay an estimated \$243,802 of the total cost or about 44%.

The largest single project in the program is phase two of the redevelopment of Edgerton Park. Edgerton Park is the largest recreational complex in the city serving all age groups. In Edgerton Park, \$125,000 will be spent to improve the track, improve the soccer/football field, relocate utilities, and for other miscellaneous improvements. An additional \$35,000 will be spent for decorative paving and other landscape

site work. The recreation area adjoining school 40 on LaGrange Ave. will receive \$30,000 of improvements. These will include two new tennis courts costing \$22,000 and two basketball backstops and an apparatus area costing \$8,000.

Other projects in the area include \$6,000 of work in the Rose Garden area of Maplewood Park. It will consist of removing old tree stumps, improving the road barricade, and other landscape work. The objective is to develop a safe area for winter sledding and coasting. An additional \$10,000 is being spent on the second phase of the beautification of the Seneca Parkway mall.

In addition to the specific work being done in the area, the area will also participate in the planting of an estimated 3,000 trees along city streets. This will cost an estimated \$75,000.

The Chicken Revolution is on. And we're out to liberate you from the Colonel. No longer need you settle for his soft, moist chicken - though he makes that kind better than anyone. Our winning weapon is crispness. We dip young, tender chicken in a savory, golden-rich batter - for a crust so crisp it crunches. Compare our entire arsenal with the Colonel's. Fish and shrimp dinners, sandwiches, desserts, beverages and more. Clip the coupon and enlist in the Chicken Revolution now. **JOIN THE CHICKEN REVOLUTION AT CHICKEN DELIGHT**
