It has been our aim to establish in Rochester a

First Class Printing Office,

and the best Machinery and the most desirable styles of Printing Materials have been purchased for this purpose. Our work in

BEAUTY OF DESIGN

AND ELEGANCE OF EXECUTION,

is unsurpassed in this State. We rely entirely upon our merits, and not upon newspaper puffs or political influence, and the rapid increase of our business is a gratifying evidence of public appreciation.

We are extensively engaged in publishing

LAW BLANKS,

which have stood the test of use by nearly every lawyer in Central and Western New York, and are believed to be better adapted to the wants of the profession than any other.

Legal & Commercial Stationery,

BLANK AND PRINTED RECORD BOOKS, for County and Town Officers, BLANK BOOKS for Banks and Merchants, LAW REGISTERS, JUSTICES' DOCKETS, on hand and made to order.
