Rochester Athenæum and Mechanics Institute.

38 South Washington Street.

THE ROCHESTER ATHENÆUM INCORPORATED 1830; MECHANICS INSTITUTE FOUNDED 1885; CONSOLIDATED 1891.

It is one of the primary objects of the Rochester Athenæum and Mechanics Institute to give to the young people who are employed in earning a livelihood, an opportunity to acquire, during their evening hours, a technical knowledge in the arts, which will enable them to become more efficient in their several employments, or to enter others for which they may be better qualified, or which may be more to their taste.

The school was opened first with instruction in Drawing only, but other branches have been added which cultivate the æsthetic as well as the practical side of life, as demand has arisen and opportunity occurred for them, until now in the Industrial and Fine Arts Department there are classes in Architectural, Mechanical, Pen and Ink and Freehand Drawing, Designing, Clay Modeling, Manual Training, China Decorating, Water-color and Oil Painting, Mathematics and Electricity.

In 1892 a favorable opportunity for securing the property now occupied for a permanent home for the Institute occurred, and a beginning was made in Domestic Science by opening a Cooking School. This was continued through the years 1893–4, with the addition of Sewing, Dressmaking, Millinery, Laundry Work, and Home Science.

The classes are open to all, without distinction of nationality, sex, creed, or color; 1,878 pupils have attended the Institute during the year ending June 1, 1898; 813 of these were in the Department of Domestic Science; 1,065 in the Department of Industrial and Fine Arts.

The expense of conducting the Rochester Athenæum and Mechanics Institute is met chiefly by voluntary contributions from the citizens of Rochester. The receipts for tuition amount to about one-half of the expense. Like similar institutions not yet endowed, it depends for support upon the generosity of those who, with us, are interested in providing the best possible opportunities for those who are anxious to acquire an industrial and practical education.

THE CIVIL SERVICE.

For State Board of Commissioners, see page 978.

By enactment of the legislature, all positions in the public service of Rochester (excepting those filled by public election, the heads of departments and confidential subordinates), must be filled from applicants who have successfully passed an examination by a board of civil service examiners.

A Board consisting of seven members is appointed by the mayor, one of whom is to be designated as secretary.

Whenever a position is to be filled, the examining Board will notify the applicants on record, or such number of them as can be conveniently examined, to appear for examination, and appointments must be made by the appointing power after holding a fitness examination of applicants who have passed the examination held by the commission. The person standing highest on the combined ratings of the two examinations must be appointed.

Soldiers or sailors serving in the war of the rebellion, having any standing on the list, and otherwise equally competent, have the preference.

Local Board of Municipal Examiners. (*For City Appointments*).

Samuel P. Moulthrop, *Chairman;* Alfred Elwood, Elbridge L. Adams, J. Stuart Page, Franklin S. Hutchinson, Roy C. Webster; Alexander Otis, *Secretary.*

MUTUAL BENEFIT LIFE INSURANCE COMPANY OF NEWARK, N. J.

AMZI DODD, - PRESIDENT.

Paid Policy-Holders since Organization in 1845:

Policy Claims, $85,715,914.04; Dividends, $50,192,930.10; Surrendered Policies, $23,298,040.16; Total, $159,206,884.30.

The policies of the Mutual Benefit are ***liberal*** in every regard; there is no limit of ***travel, residence*** or ***occupation*** after two years. After the same period the policy is absolutely ***incontestable.*** It, in fact, does precisely what it claims to do,—***insures a man's life without quibble or chance for it.*** Of equal, if not greater importance to low expense of management and large dividends in a Life Company, is the question of ***surrender value,*** or how a man will be treated by a company when he surrenders his policy or ceases payment on it. The Mutual Benefit ***gives to such a man the full value of his policy*** computed by the highest standard (American Table and four per cent. interest), by extending the insurance for the full amount of the policy for such time as the value will pay for; or, if preferred, the assured has the option of surrendering the policy for a definite value, either in Cash or in Paid-up Insurance. The Company also agrees in the policy to Loan up to the Cash Surrender Value when a satisfactory assignment of the policy is made as collateral security. These special and peculiar advantages of the Mutual Benefit policy are not combined in the policies of any other company. It pays its losses immediately on receipt of satisfactory proofs, without waiting the usual sixty or ninety days. ***In economy of management, in largeness of dividends, in the liberality of policy, in absolute nonforfeiture*** and in ***fair dealing with members,*** it is excelled by no company, ***and furnishes all that can be furnished by any Life Insurance Company.***

The United States Laws expressly exempt Cider from the requirements of License, but specify that it must be made from the juice of apples, the fermented juices of all other fruits being regarded as Wines, and License required for selling them. The same applies to imitation Cider; if it has been fermented or shows the least amount of spirits, it is illegal to manufacture or sell it without License. We will furnish copies of the Law in support of this statement, also sworn proof when necessary that our Ciders are made from apples only.

Sparkling Crab-Apple Cider. (WHITE STAR BRAND.) This cider is made from pure juice of sound, ripe apples. A good, honest Cider at the lowest price possible. STIMULATING but not INTOXICATING.

Golden Russet Cider. (GOLD LABEL.) Extra dry, made from hand picked russet apples. It is heavy-bodied, rich, and of delicate flavor. As we bottle it, it is superior to any cheap Champagne.

Sparkling Vin de Pomme. (WHITE STAR BRAND.) The juice of sound, ripe apples, filtered and bottled fresh from the press, fermentation being arrested by sterilization. A delicious, sparkling beverage, and absolutely non-alcoholic.

Malthop Phosphate. (WHITE STAR BRAND.) Made from choice quality of Malt and Hops, it contains all that is best in the finest Ales or Beers. It also contains a small quantity of Acid Phosphate, a most excellent tonic to nerve and brain. UNFERMENTED. NON-ALCOHOLIC. NO LICENSE REQUIRED.

Duffy "Gold Seal" Cider Vinegar is made only in this city and at our mills, formerly owned by The W. B. DUFFY CIDER CO. We guarantee this vinegar to be made from apple juice only and to comply with all laws regulating the sale of same.

Patent Applied for.

WITHOUT UMBRELLAS.

A. C. MILLS, Jr., Pres.

THE OAK Umbrella Tree.

SOMETHING NEW FOR DISPLAYING Umbrellas, Parasols, and Canes.

THE OAK UMBRELLA TREE.
Simple, Strong, Adjustable, Attractive, Artistic, Successful.
A long-felt want come at last.
Damaged Umbrellas by blocks and stands a thing of the past.

Patent Applied for.

WITH UMBRELLAS.

FOR DEPARTMENT FIXTURE.—The Oak Umbrella Tree is made to hang from the ceiling with a swivel hanger, which will allow the tree to revolve. It comes in sections, two and one-half feet long, and can be made to hang within one foot of the floor, or over any counter, table, showcase, etc. It has six oak blocks, each accommodating eight umbrellas, or complete four dozen. The blocks are made in three different styles, viz., for steel rods, wood sticks, and canes, and can be adjusted to any height on the rod desired, by simply pinching a spring.

FOR WINDOW OR VESTIBULE DISPLAY.—For a center piece in a window, or a vestibule display on a rainy day, the Oak Umbrella Tree cannot be equaled.

SPECIAL NOTICE.—When ordering the Oak Umbrella Tree always mention the height of your ceiling, the kind of blocks desired, and how many of each style, wood sticks, steel rods, or canes. The blocks for wood sticks are used with perfect satisfaction for steel rods, and when the style of blocks or height of ceiling is not mentioned in an order, we always ship the trees for a twelve foot ceiling with six wood-stick blocks. ☞ **Price Complete, $5.00.** Terms, 2 per cent. ten days, thirty days net.
