A Public Service Publication

Few lines of Business have such a varied clientele as has the City Directory. It serves high and low, rich and poor, with equal impartiality and with profit to all.

It answers the questions What? and Who? which arise in daily Business life and fills a position occupied by no other publication under the sun. It is often used from its issue until it falls to pieces and seldom will you find one entirely discarded while its leaves cling together. A publication which is used so universally and whose life is so long, must appeal to every shrewd business man as a most desirable advertising medium.

AJAX FURNACE

MADE IN ROCHESTER FOR 48 YEARS

IT IS all right to experiment with something that you can change if you don't like it. Don't experiment with furnaces. We have made furnaces in Rochester, N. Y., continuously for 48 years.

The AJAX Furnace

has been improved in details from time to time, but long ago it became a perfect working furnace with which no experimenting remains to be done.

There is an AJAX Furnace on nearly every street in Rochester, and you will not have to go more than a door or two from your house to find an AJAX owner. Ask him what he thinks of the AJAX. In selecting the furnace to heat your house go by the experience of others who have found the AJAX satisfactory.

THE SIGN OVER THE DOOR

It is a good thing, isn't it? You would not think of doing business without it. But it is only seen by those who pass your way.

The City Directory is where many people look when they want to find you. You should make it easy for them to find you by putting in the Directory such information as a buyer wants to know. Index your business under all classifications where a customer might look for you.

To be properly registered costs less than to be left out.

Send for the City Directory Advertising Man and let him explain this to you in detail.

GENERAL
INSURANCE

The important thing in insurance or the adjustment of claims in case of loss or accident is the service of your insurance agent. Judge us on our service record, by our prompt adjustments, our fidelity to clients' interests, on the recommendation of those we have served. Ability to give this exceptional service is the result of specializing in insurance—no side lines.

Give us the opportunity to state our case—**the same opportunity you expect others to give you**—and we will show you why we can serve you in the same satisfactory manner we serve others.

THE GREATEST VALUE IN ADVERTISING is that which is presented at the time one is ready to buy. The Classifications in the City Directory are the very best forms of advertising, because they reach the buyer when he is seeking the name and address of some business house from which he may buy.

A Liberal Policy Liberalized

Old and New Policyholders Share Mutually

All 1916 policies provide that Paid-up and Extended Insurance values shall share in profits.

The above profit-sharing features are made "retroactive." Old patrons holding participating policies will receive the added benefits regardless of any contrary provisions in their policies.

Union Central patrons always assured the maximum of present and future service and benefits.

SENECA CAMERAS

Hold the Keys to Memory

"Little Indian" $7 to $22.50
"Seneca Junior" $8 to $55

They enable you to get intimate pictures of the very people and places which interest you the most, and tell the story of your vacation so clearly that you and yours can live it over for years to come. The pictures you take to-day are the keys which unlock memory to-morrow.

For artistic pictures indoors or out try one of the

VEST POCKET SENECAS

The Cameras with the Focus Fixed for You

The "Little Indian" for 1⅝" x 2½" pictures—The "Seneca Junior" for 2¼" x 3¼" pictures. So simple that from the time you slip off the back for loading, until you point the camera and press the lever for your last exposure there is nothing to bother you. So light and thin that they slip into your pocket, never make you feel conspicuous and yet are instantly ready to get the picture—

Ask Your Dealer or Send for Free Seneca Catalogue

Designed to help you choose the right Seneca, it illustrates the exact size picture taken by each model, shows the enlarging value of Vest Pocket Negatives, describes the capability of each Seneca from the Scout at $2 to the superb Roll Film Senecas, and is full of valuable photographic helps for every amateur. Send a postal for Free Copy.

Seneca Dealer's Sign

Druggists, Stationers, Jewelers and Dealers will find it to their advantage to write for our novel sales plan showing how to get a Seneca Agency with a $50.00 investment.

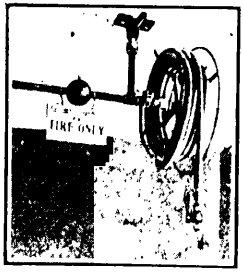
OVER THE DOOR



It is a good thing, isn't it? You would not think of doing business without it. But it is only seen by those who pass your way.

The City Directory is where many people look when they want to find you. You should make it easy for them to find you by putting in the Directory such information as a buyer wants to know. Index your business under all classifications where a customer might look for you.

To be properly registered costs less than to be left out.

Send for the City Directory Advertising Man and let him explain this to you in detail.

The Rochester Iron Works

We do all kinds of light structural and ornamental work in iron and steel

While our plant is specially equipped to produce stair fire escapes of all types, including the Brazill Panic-proof Fire Escapes, we furnish builders' iron work generally. For instance, we make sidewalk doors, fences, gates, gratings, grilles, trusses, tierods, elevator enclosures, brackets, iron stairs, marquees, flag poles, tennis backstops, and anything you wish in light structural work, and we repair and reconstruct any existing iron work. A telephone call will summon us to serve you.

Two things we make will interest you. To each we give the adjective name of "ROCHESTER," because they are of quality. ***The Rochester Automobile Turntable,*** and ***The Rochester Bird Bath.***

The Turntable is now well known. It is so perfectly balanced a little child can turn it, yet the heaviest truck cannot break it. The reinforced concrete top swings over a drain pit. You wash your car on the turntable moving it freely about to get perfect light. It is always ready to receive you and will swiftly swing you round ready to go on your way rejoicing. Let us give you printed plans and an estimate.

The Bird Bath is a reinforced concrete bowl supported on handsome steel scrolls. Every householder should provide water for the birds in summer and food in winter. You will like our bird bath, for it is different. It is made to serve the birds the whole round of seasons. We can send you a picture of this bath if you like.
