# ORGANIZED TO PREVENT LOSS

**T**HE BUREAU was founded fourteen years ago by the Ad Club of Rochester and receives its support through voluntary membership subscriptions. The firms and individuals who believe that "Honesty is the Best Policy," and know that correct advertising will place business on a more substantial and permanent foundation, subscribe in proportion to their business interests.

The fact that a business firm is not a member of the Better Business Bureau and does not subscribe to its work is not necessary proof that that organization does not believe in "Truth in Advertising and Integrity in Business," but when you know that the firm you deal with is a member of the Bureau, you know that the members of that firm are interested in your welfare to a degree that they are willing to financially support an organization which considers your protection one of its main objects.

The Bureau is incorporated and governed by a Board of Directors consisting of 21 well-known business men, each representing a responsible business firm.

The Bureau is a non-profit organization affiliated with more than 50 other Bureaus throughout the United States and Canada; it is an independent organization for your benefit and protection and its services are free to the consuming public. It protects your interests, helps to maintain confidence in representative business institutions of Rochester and makes this city a safe place in which to buy.

## THE BUREAU HAS NOTHING TO SELL

The voluntary membership of the Bureau includes all Newspapers, Broadcasting Stations, Banks, Financial Institutions, and other business firms including Manufacturers, Retailers, Insurance, Professional and Service groups.

Business interests and the public depend upon the Bureau for FACTS.

The Bureau is NOT affiliated with ANY LOCAL ORGANIZATION OR PUBLIC OFFICE.

## Meet The Folks

who buy four-fifths of everything that's sold to Rochester families.

No matter what line you're in . . . regular readers of the Democrat and Chronicle buy four-fifths of your merchandise or services.

Metropolitan Rochester has 89,000 families. 73,000 of these families make it a point to get the Democrat and Chronicle every Sunday. Rochester families read the Democrat *every day*, too. And a big proportion of them buy a lot more per family than the *average* in Rochester, New York State, and the United States.

We invite you to meet these folks, through the advertising columns of this 106-year old newspaper.
