R. L. POLK & CO., Inc.
ORGANIZED TO PREVENT LOSS

THE BUREAU was founded fifteen years ago by the Ad Club of Rochester and receives its support through voluntary membership subscriptions. The firms and individuals who believe that "Honesty is the Best Policy," and know that correct advertising will place business on a more substantial and permanent foundation, subscribe in proportion to their business interests.

The fact that a business firm is not a member of the Better Business Bureau and does not subscribe to its work is not necessary proof that that organization does not believe in "Truth in Advertising and Integrity in Business," but when you know that the firm you deal with is a member of the Bureau, you know that the members of that firm are interested in your welfare to a degree that they are willing to financially support an organization which considers your protection one of its main objects.

The Bureau is incorporated and governed by a Board of Directors consisting of 21 well-known business men, each representing a responsible business firm.

The Bureau is a non-profit organization affiliated with more than 60 other Bureaus throughout the United States and Canada; it is an independent organization for your benefit and protection and its services are free to the consuming public. It protects your interests, helps to maintain confidence in representative business institutions of Rochester and makes this city a safe place in which to buy.

THE BUREAU HAS NOTHING TO SELL

The voluntary membership of the Bureau includes all Newspapers, Broadcasting Stations, Banks, Financial Institutions, and other business firms including Manufacturers, Retailers, Insurance, Professional and Service groups.

Business interests and the public depend upon the Bureau for FACTS.

The Bureau is NOT affiliated with ANY LOCAL ORGANIZATION OR PUBLIC OFFICE.

New PULLMAN Adjustable Sash Balance
A Half Century of Progress

The most radical and important improvement in Spring Sash Balances in forty years. An ordinary screw driver makes the adjustment without removing the Balance or Sash. Re-adjustment is possible at any time to permanently maintain a perfectly balanced window. All pressed steel construction—light in weight and non-breakable. All working parts are entirely encased so that no foreign matter can penetrate inside the housing and interfere with free action of the moving parts. No pulleys, weights or cords. Double hung opening completely installed in 10 to 15 minutes. Now guaranteed for the life of the building.

At the Sign of the “Tower Clock”
A Rochester Landmark!

Countless thousands of Rochesterians daily look to the Sibley Tower Clock for the time. Hundreds of thousands—yes, millions—yearly enter the Sibley doors to fill their needs for goods. Both habits have the same reason—a desire to procure something, be it the correct time or a piece of merchandise—plus a confidence born of years of trustful service. Under the Tower Clock is truly “Rochester’s Largest Retail Institution.”

NEWSPAPERS

Did You Ever Stop to Think WHY THERE'S A NEW CITY DIRECTORY EVERY YEAR?

A new City Directory is issued every year, because there are so many changes... so many people die... so many couples get married... so many people buy homes... so many move... so many change jobs or business associations... that it just isn't the same city in 1941 that it was in 1840.

THE SAME THING HAPPENS EVERY YEAR, EVERY MONTH... YES, EVERY DAY, TO YOUR CUSTOMERS. They're moving, marrying, buying, selling, having families... not an audience that you can tell your story to ONCE, and have it TOLD, but a parade... a market on the move, different EVERY DAY!

THIS is the "reason why" for consistent, continuous advertising energy, in the daily and Sunday Home-Delivered Democrat and Chronicle!

Democrat & Chronicle

SOMETHING for Everyone!

Mother, Father, Sister, Brother, Uncle or Aunt—The Times-Union carries features of appeal and genuine value to every member of the family...the political columns, the comic strips, the advice columns, cookery and sewing hints, health and diet advice and many more. In each issue of The Times-Union you'll find the best products of hundreds of men and women of talent—their carefully thought-out ideas and opinions, their Wittiest remarks, their best drawings and photographs.

TELEPHONE SERVICE

PROTECT YOUR INVESTMENT

In business, every effort is made to prevent loss by fire. Sprinkler systems, trained fire squads, handy fire hoses all play their part; insurance nearly always covers actual damage. But the inconvenience, the loss of customers and interruptions in production can be avoided by the speed with which fire is prevented from growing, by the telephone.

A number of extension telephones throughout a plant or an office is an important asset to any business, when emergencies like fire arise. Quick communication then is absolutely necessary. The business—or the home—protected by the telephone is more secure against loss.
