My dear Mrs. Coonley,

Sister Mary cannot go with me – but I am going to try my level best to get off on the P.M. train that gets to Wyoming in good time for supper and spend the night with you -- & go over to Castile next A.M.

I met your Prof. this A.M. at church & he said [take] the earlier P.M. train

–

Lovingly Yours,
Susan B, Anthony

Later – I find the P.M. train goes at 4 o'clock so look for me on its arrival –

If I find I cannot come – I will send a telegram to be called for at the Wyoming office – but I mean to get away.
