Well - dear Anna - (Dann)

Another week has gone by - we both went to Silver Lake on Friday - I thought of you - but it proved a rainy day - so there wasn't so much fun in it - nor so very many people - Mary came home with Miss Shaw & Harriet May Mills - and I stopped at Wyoming and staid until yesterday - with Mrs. Coonly-Ward - who has twenty visitors - and six girls to do the work - I went into her laundry yesterday A. M. - it was a sight to see the washing machine - two wringers - &c -- then beside the canning - she has two distinct & separate kitchens - with large ranges - and pantries to match - and when they - Mrs. Coonly & the visitors - boys & girls washed the dishes in the dining room - it look like a whole china store - there were so many dishes - I remained there three days - We expected Cousin Jessie Anthony of Los Angeles - to arrive this A. M. but she hasn't come yet - she may be stopping at the exposition for the day -- tomorrow - we go to dinner with Anna O. - at 6:30 - her brother Bacon is visiting her - -- Margaret's brother came yesterday - She at first thought she must go altogether to her Aunts - to visit with her brother - but her brother told her to stick to her work - so she will stay and do the work - and visit in the afternoon & eve'g - She is very quiet - but gets good meals -- Well - I hope you are enjoying yourself and Mrs. Harper - by the way - I hear nothing from Winnifred - I shall be happy to see her - - Isn't she able to go to Grand Rapids this week? With love to Mrs. Harper

I am as ev----

Yours affection--ly

Susan B. Anthony
