Mr. Darwin J. Meserole,

160 Joralemon St.,

Brooklyn, N. Y.

Dear Sir: --

The enclosed letter to you and the other officers of the National Conference of Political and Social Reform will explain itself. I have only to add to it that you will very greatly oblige the National-American Woman Suffrage Association, as well as myself, if you will see that it is read and its requests acted upon at your coming convention. Of course, the sooner you communicate with me, should you desire a suffrage speaker, the better arrangements I will be able to make for you.

Thanking you in advance for anything you may do in our behalf, I remain,

Very sincerely yours,
