Experienced Officers and Soldiers who have used these Remedies with promptness and success, during the past year, bear testimony to their efficacy in checking and curing the many diseases incident to campaign life. They serve to protect the health and lives of Soldiers against Fevers, Colds, Inflammations, Congestions, Dizziness, Apoplexy, Palpitation, Pain in Head, Side, Back, Limbs, Joints; Indigestion, Sick Headache, Vomiting, Diarrhea, Bilious Colic, Constipation, Piles, Dysentery, Cholera Morbus; Rheumatism, Sprains, Injuries, Ague and Fever, Debility, Night Sweats, and modify and cure diseases generally arising from Exposure, Malaria, Change of Climate, Diet, Water, and Sleeping on the Ground. They operate without Sickening, Debilitating, or Wearing the Constitution.

Nos. 1, 2, 6, 8, 16, 20, are the Remedies mostly used. They may be carried in the vest pocket, and used at a moment's warning, by dissolving a globule in the mouth.

Officers commanding, find bravery and efficiency inseparably connected with sound health and strong arms.

Patriotic Mothers, Wives and Sisters, send them to their Sons, Husbands and Brothers at War, to guard them from surrounding midday and midnight maladies, and make them manful defenders of their country.

The People, Eminent Citizens, Statesmen, Physicians, the Press, and Ministers of the Gospel recommend them. They supply an essential personal need of the Soldier, not as yet provided for by Government. An early appropriation by Congress would aid in furnishing the whole Army.

TESTIMONIALS.

HAMPTON CREEK, Va., }
August 13th, 1862. }

We, the undersigned, members of Co. A, 50th Regiment, N. Y. V., (Stuart's Engineers,) do hereby testify to the efficacy of "BARDEN'S Condensed Sanitary Medicines," in checking and curing the many diseases to which the Soldier is subject in Campaign Life.

We therefore earnestly recommend each Volunteer to supply himself with these remedies before leaving home.

They are genuine Medicines.
RALPH GLOVER, M. D., New York.

A valuable system of Medicines.
CHARLES A. BOGERT, M. D.

They have a remarkably happy effect upon the system.
REV. W. W. TAYLOR, PENN YAN.

I have strong confidence in their remedial qualities.
REV. N. FELLOWS.

We feel to prefer them as Family Medicines.
REV. S. M. BAINBRIDGE.

They have never disappointed us in any malady.
E. J. FOWLE, ESQ., PENN YAN.

One marked advantage I notice, is their ingredients are given. I would say, try these remedies and witness the result.
