Daniel Bowerman	2		<hr/> 15
Joseph Bowerman	2 = 29		
Benjamin Bowerman	5		

And we do further specify and report, that of the said children sum of money, so as above stated to have been received in our said district, the sum of \$19.44 was received for and on account of that part of said district lying in the said town of Wheatland, and the sum of \$10.92 for and on account of the other part thereof, lying and being in the said town

of Caledonia. That of the said children, so as above stated to  
to have been taught in our said district, the number belonging to  
that part of said district lying in the said town of Wheatland  
is 29, and that the number belonging to the other part thereof,  
lying in the said town of Caledonia is 17.

That of the said children, between the said ages of five and  
sixteen years, so as above stated to reside in our district, the num-  
ber residing in that part of said district lying in the said town  
of Wheatland is 29, and that the number residing in the other  
part thereof, lying in said town of Caledonia is 15.

And we further report that our school has not been visited  
by any of the inspectors of common schools during the year prece-  
ding this report, and the sum paid <sup>for</sup> teacher's wages, over and above  
the public moneys apportioned to said district, during the same  
year amounts to \$76.14 of which sum \$52.47 were paid by that  
part of the district lying in the town of Wheatland, and \$23.67

*Note.*—Whenever sums are mentioned in the body of the report they should in all cases be written out plainly and should not be expressed in figures.

Should the trustees have received money from any other source than the commissioners, for fines, forfeitures, recoveries of any kind, or from any local fund, belonging to such district, they are to state those sums, with the source from whence derived, in the blank space in the first page, immediately after the statement of the moneys paid to teachers.

In districts where there is no school for colored children the trustees of course will not fill up the blanks in that part of the report relating to that subject.

If there is not sufficient space on the 2nd page for the names of all the parents, an additional half sheet may be pasted on it, and the columns may be continued.

The blank above the date, is left for the insertion of such remarks as the trustees may desire to make in explanation of any statements contained in the report, or in addition thereto.

 Caledonia, do, in conformity with the statutes relating to  
 Common Schools, certify and report.

That the school house in said district is situated  
 in the town of Wheatland. — That the whole time any school  
 has been kept in our district during the year ending on the date  
 hereof, and since the date of the last report for said district, is  
 twelve months; and that the time during said year and since  
 the date of said last report, such school has been kept by  
 qualified Teachers after obtaining certificates of qualification  
 according to law, is twelve months; That the amount of money  
 received in our district from the Commissioners of Common Schools,  
 during the said year and since the date of the said last report  
 excepting library money, is \$109. 06. and that the said  
 sum has been applied to the payment of the compensation  
 of Teachers employed in said district and licensed as the  
 statute prescribes. That the amount of library money received  
 in our district from the Commissioners of Common Schools during  
 said year and since the date of the last report, is \$25. 70., and  
 that the said sum has been applied for the purchase of a library for  
 the district; That the number of volumes belonging to the district library  
 and on hand on the last day of December last, is 235. That the num-  
 ber of Children taught in said District during said year and

*Daniel Stewart* } Trustees.

*Note.*—Whenever sums are mentioned in the body of the report they should in all cases be written out plainly and should not be expressed in figures.

Should the trustees have received money from any other source than the commissioners, for fines, forfeitures, recoveries of any kind, or from any local fund, belonging to such district, they are to state those sums, with the source from whence derived, in the blank space in the first page, immediately after the statement of the moneys paid to teachers.

In districts where there is no school for colored children the trustees of course will not fill up the blanks in that part of the report relating to that subject.

If there is not sufficient space on the 2nd page for the names of all the parents, an additional half sheet may be pasted on it, and the columns may be continued.

The blank above the date, is left for the insertion of such remarks as the trustees may desire to make in explanation of any statements contained in the report, or in addition thereto.
