Question Box—Opened by REV. ANNA H. SHAW

BATTLE HYMN OF THE REPUBLIC.

Mine eyes have seen the glory of the coming of the Lord;
He is tramping out the vintage where the grapes of wrath are stored;
He hath loosed the fateful lightning of His terrible swift sword;

His truth is marching on.

I have seen him in the watch-fires of a hundred circling camps;
They have builded Him an altar in the evening dews and damps;
I can read His righteous sentence by the dim and flaring lamps;

His day is marching on.

I have read a fiery gospel writ in burnish'd rows of steel;
"As ye deal with my contemners, so with you my grace shall deal;
Let the Hero born of woman, crush the serpent with his heel,
Since God is marching on."

He has sounded forth the trumpet that shall never call retreat;
He is sifting out the hearts of men before His judgment seat;
Oh, be swift, my soul, to answer Him! be jubilant my feet!
Our God is marching on.

In the beauty of the lilies, Christ was born across the sea,
With a glory in His bosom that transfigures you and me;
As He died to make men holy, let us die to make men free,
While God is marching on.
