LIBRARIAN.

P R E F A C E.

In presenting to the members and friends of the Rochester Athenæum and Mechanics' Association a Catalogue of the Library, every assurance is given by the Board of Directors that it includes all books owned by the Association on the 1st day of Dec., 1866. The most approved system of classification has been adopted, and each volume, the character of which was not well known, has been carefully examined.

The rooms are open daily from 8 A. M. to 9 P.M., thus extending for the very low price of membership, all the privileges of well-selected library, and reading from leading daily and weekly newspapers of the principal cities within the United States and Canadas.

The conduct of the Annual Lecture Course and the practical working of the Association, for years have been too well known to the intelligent mass of the citizens of Rochester and vicinity to require any statement of the rules adopted for its government, but the recent material changes in the constitution justify its insertion, having been adopted during the present year.

Every effort which has been made to compile the present catalogue will be fully compensated, if through it a more substantial character be imparted to the Association and its present membership increased to such a number that no contingency can defeat the fulfilment of the offices for which such an organization should be welcomed and sustained by all.

ROCHESTER, DEC., 15TH, 1866.

THE CONSTITUTION

OF THE

ROCHESTER ATHENÆUM & MECHANICS' ASSOCIATION.

Adopted June 11, 1866.

We the members of the Rochester Athenæum and Mechanics' Association, grateful to Almighty God for our means of social, mental and moral improvement, in order to secure and profit by the same, do establish this Constitution :

ARTICLE I.—OF MEMBERS.

SEC. 1. Any person may become a Member of this Association by paying into the treasury such sum annually as the Board of Directors shall designate, not less than two dollars, and each membership shall cease at the expiration of the fiscal year.

SEC. 2. Any person may become a Life-Member by paying into the treasury Twenty-five dollars in one sum, which shall entitle him or her to all the privileges of annual membership without being subject to further dues.

SEC. 3. All persons becoming members of this Association shall continue such until the expiration of the fiscal year, unless suspended by the Board of Directors, under any of the powers conferred by the subsequent sections of this Constitution,

ARTICLE II.—THE FISCAL YEAR.

SEC. 1. The Fiscal Year of this Association shall begin on the first day of May.

ARTICLE III.—OF OFFICERS, THEIR NAMES AND ELECTION.

SEC. 1. The general management of this Association shall be vested in a Board of Directors.

SEC. 2. There shall be elected annually, on the first Tuesday of May, a President, two Vice-Presidents, a Recording Secretary, a Corresponding Secretary, a Treasurer, and eleven Associate Directors, each of whom shall qualify as a member before entering upon the duties of the office to which he shall have been elected. These officers shall constitute the Board of Directors, and shall hold such respective offices until their successors shall be duly organized.

SEC. 3. The officers shall be elected by ballot, and votes shall be received at such place as the Board of Directors shall designate, from eight o'clock in the morning until eight o'clock in the evening. The First Vice-President, Treasurer, and Recording Secretary, shall constitute the Board of Inspectors of Election ; who shall report to the Board of Directors, the result of such election, with the ballots and papers connected with the same. The Board of Directors in office at the time of any such election

shall, upon the evening next succeeding the day of such election, meet as a Board of Canvassers of the election of their successors and shall, at such meeting, declare the result.

SEC. 4. The officers shall be elected by a plurality of votes; but the person having the greatest number of votes for Vice-President shall be First Vice-President, and the person having the next greatest number of votes for Vice-President, shall be Second Vice-President. The eleven persons severally having the highest number of votes for Associate Directors shall be declared duly elected as such.

ARTICLE IV.—OF OFFICERS, THEIR DUTIES.

SEC. 1. The President shall preside over all meetings of the Association and Board of Directors, and shall have none other than a casting vote. He shall also, in his discretion, or upon the request of three officers of the Association, call special meetings of the Board of Directors; and shall upon written request of nine or more members of the Association, call a special meeting of the Association, the object of which meeting shall be designated in such request, and the object and date of such meeting, over the name of the President, shall be published twice a week for two weeks, in two of the daily papers of the City. He shall also sign all orders for the payment of money which shall have been authorized by the Board of Directors.

SEC. 2. In case of the absence of the President, his duties shall devolve upon the Vice-Presidents in the order of their election.

SEC. 3. The recording Secretary shall keep a list of the names of the officers and members of the Association, have the custody of its archives, countersign all tickets of membership and all orders drawn on the treasury by vote of the Board of Directors, notify officers of their election and of all meetings of the Board of Directors, faithfully record the proceedings of the meetings of the Association and of the Board of Directors, and read the proceedings of the last meeting.

SEC. 4. The Corresponding Secretary shall conduct all correspondence, under the direction of the Board of Directors, and file all letters written and received by him.

SEC. 5. The Treasurer, before entering upon the duties of his office, shall execute and deliver to the Board of Directors a Bond in such sum and with such sureties as in the judgment of the Board shall be sufficient to protect the Treasury from loss. He shall receive all dues to the Association; make such disbursements as the Board of Directors shall prescribe: sign all tickets of membership: and report quarterly to the Board and annually to the Association the condition of the Treasury.

ARTICLE V.—OF MEETINGS.

SEC. 1. There shall be an anniversary meeting of the Association on the last Tuesday of April: and the Board of Directors shall make a full report of the condition of the Association.

SEC. 2. There shall be a meeting of the Board of Directors upon the first Monday of each month, except when the same shall occur upon a legal holiday, in which case upon the following Monday.

ARTICLE VI.—OF THE BOARD OF DIRECTORS.

SEC. 1. The Board of Directors shall have power to appoint a Librarian, who shall hold his office during the pleasure of the Board, to make all rules and regulations respecting the Library and Reading Room and for a violation of the same, to suspend members from any or all of the privileges of the Association: but no member shall be so suspended without having first an opportunity of being heard in his own defence.

SEC. 2. The Board of Directors shall have general management of the affairs of the Association, but they shall not create any debt, nor incur any liabilities beyond the amount of unappropriated money in the Treasury at the time of creating such debt or incurring such liabilities.

SEC. 3. The Journal of the Board of Directors shall be open to all the members of the Association, and the names of those voting for, and the names of those voting against any motion, order or resolution involving the payment of money or the suspension of members, shall be entered upon the Journal. The Board of Directors shall have power to fill all vacancies occurring in their number.

ARTICLE VII.—OF THE PERMANENT FUND.

SEC. 1. There shall be elected at the first and at each subsequent regular annual election, two members of the Association (except as hereinafter specially provided) who are not members of the Board of Directors, to be known and distinguished as "Commissioners of Permanent Fund." Such Commissioners shall continue in office as follows: the two persons whose term of office under the Constitution of August 30th, 1849 with amendments thereto, shall expire in January, 1867, 1868 and 1869 respectively, shall hold until such several periods: and Commissioners hereafter elected shall hold office for the term of three years, except in the cases hereinafter specially provided for.

SEC. 2. All moneys accruing to the Association by gift or devise (except for specific purposes) and from life-memberships, shall belong to and become a part of the Permanent Fund, and shall be paid to and invested by the Commissioners of the Permanent fund, and such money shall be invested in the name and for the benefit of the Association.

SEC. 3. The Commissioners shall meet on the first Monday after each annual election, and select one of their number to act as Chairman during the ensuing year.

SEC. 4. The Chairman shall act as Treasurer, and be authorized, under the direction and control of the Commissioners, to collect, receive, pay over and invest all moneys belonging to the Permanent fund, and shall, before entering upon the duties of his office, and before receiving any money or security belonging to such fund, execute and deliver to the Treasurer of the Association a Bond in the penalty of double the amount of the fund or securities, and with such sureties as the Board of Directors shall approve (the penalty of said Bond to be increased or diminished from time to time as the Board of Directors shall direct), conditioned for the safe-keeping and disbursement of the fund, and the faithful discharge of his duties as Chairman.

SEC. 5. The Chairman shall semi-annually make a full report to the Board of Directors of the condition of the fund and of all disbursements made by the Commissioners, and shall pay to the Treasurer of the Association annually the income of the Permanent Fund and take his receipt for the same.

SEC. 6. No disposition of the Permanent Fund shall be made without the assent and approval of at least four of the Commissioners, and the annual income therefrom shall be appropriated by the Board of Directors for the benefit of the Association.

ARTICLE VIII.—OF AMENDMENTS.

SEC. 1. This Constitution may be altered or amended as follows: The intended alterations or amendments having received the assent of a majority of all the Board of Directors, shall be inserted at least once in each week for two weeks in two or more daily papers of the city, together with a notice of a general meeting of the Association to consider such amendments, signed by the President; and such alterations or amendments shall be left with the Librarian during the interim, for examination. If such alterations or amendments shall receive the sanction of two-thirds of the members present at such meeting, they shall thereupon become a part of this Constitution. Nothing in this article contained shall be construed as a prohibition of the right of the Association, by such two-thirds vote, to adopt any alteration or amendment which may not have been first adopted by the Board of Directors. Provided that the consideration of any alterations or amendments to the action of the Board, which shall be made at such meeting of the Association, shall be postponed to the next meeting of the

THE CONSTITUTION.

Association, which shall take place not less than fifteen, nor more than thirty days, subsequently. A notice of such adjourned meeting, containing the time, object and place of the meeting, shall be published twice a week for two weeks prior thereto, in two daily papers of the city, at which meeting the action may be final.

ARTICLE IX.

SEC. 1. There shall be a special election on the Second Tuesday of January, 1867, for the election of all the officers named in Sec. 2 of Article 3 of this Constitution, and such election shall be conducted as provided in said Article 3. The term of office of the persons then elected shall begin on the first Monday after their election and continue until the first regular election on the first Tuesday of May, next following.

At such special election there shall be chosen six persons "Commissioners of Permanent Fund," two of whom shall hold office until the regular election of 1867: two shall hold office from the Second Tuesday of January, 1868, to the first Tuesday of May, of the same year; and the remaining two from the Second Tuesday of January, 1869, to the First Tuesday of May of the same year.

The ballots for such persons shall designate the year for which they shall be nominated as such Commissioners.

ARTICLE X.

SEC. 1. All Articles of Constitution which may at any time heretofore have been enacted, are hereby repealed.
