An Acknowledgment

In the following section will be found many additional illustrations of buildings designed by C. Storrs Barrows.

The success of these buildings illustrated in this brochure is substantially due to the combined efforts, skill and co-operation of the concerns represented on the following pages.

Furniture Bespeaks the Home

THE joy and pride of ownership of your home, is in no way so enhanced as by the appointment of beautiful furnishings to adorn it.

OUR displays combine a wealth of artistic appearance with the finest of workmanship—from the luxurious davenport or stately dining suite to a beautiful drape or richly colored Oriental rug—all awaiting your selection in our show rooms.

ROCHESTER

When an architect continues to specify a product year after year, it is the most positive proof possible of the value of that product.

Mr. Barrows is one of the architects in Rochester who specify Kernerators extensively and invariably in his plans for the many residences designed by him.

RESIDENCE OF DR. J. S. KOMINZ
C. STORRS BARROWS, ARCHITECT

The following is a list of houses and buildings designed by Mr. Barrows which are Kernerator equipped.

RESIDENCES

Dr. Shirley B. Snow, Dr. J. R. Henss, Dr. M. D. McDowell, Mr. E. Minamon, Mr. John B. Bacon, Pittsford, N. Y., Mr. W. J. Nylon, Council Rock Estate, (Two Residences), Maurice Joyce, Owner.

OTHER BUILDINGS

Kleinhaus Apartments, John Kitchin Apartments, Maurice Joyce Apartments, Meyer Rosenberg Apartments, Mercy Hospital, Hornell, N. Y.

The Kernerator eliminates garbage cans and receptacles and it does not cost one penny to operate. First cost - only cost.
