#### Indian Reservation Taxes.

At the recent term of the Court of Appeals a decision was made, involving the question of the legality of the taxes imposed upon the Allegany, Cattaraugus and Buffalo Creek Reservations, in the years 1840, 1841, 1842 and 1843, while the lands remained in the occupation of the Indians.

These lands were sold by the Comptroller in November, 1859, for the non-payment of these taxes, and, as regards some of the lots on the Buffalo Creek Reservation, for, taxes of subsequent years; and the two years allowed for redemption expire on or about the 26th day of November, 1861.

The Court decides the sales of the Allegany and Cattaraugus Reservations to be null and void, and all the taxes imposed upon those tracts to be illegal, except the assessments under Chap. 166 of the Laws of 1841. These are held to be valid, as against the pre-emption owners, only.

As regards the Buffalo Creek Reservation, all the taxes and assessments, general as well as special, are held to be valid and the sale to be regular. A contrary opinion has gone abroad, arising from the fact that the judgment of the Supreme Court was reversed. The Supreme Court decided that the taxes on all the Reservations were valid. This judgment is reversed and a special judgment rendered, to the effect before stated.

The amount of taxes and interest thus declared to be valid on the Buffalo Creek Reservation is above \$70,000. A large number of persons, who have bought of these lands, are interested in this decision. An impression prevails extensively that certain persons, designated as the Ogden Company, have made provision for the payment of these taxes. This, we are advised, is an error. The lands were divided, many years since, among the proprietors, and each is liable only in respect to the taxes charged upon his respective lots. Many of the original proprietors are dead and their estates dispersed among heirs and creditors. To what extent the settlers will be protected we cannot ascertain, other than that we are informed by the agent in charge that he will pay the taxes imposed, prior to sale, upon all lots conveyed by CHARLOTTE BRINCKERHOFF, LOUISA TROUP, PETER SCHERMEHORN, or his executors, and ROBERT BAYARD, trustee.

**INDIAN LANDS.**—We learn that the Court of Appeals in the case of the Indian title lands in the western part of the State, held by the Seneca Nation of Indians, in the case of *Seneca Nation of Indians v. Ogdun and Fellows*, holds that the purchasers have not complied with the terms of the purchase, and therefore are not entitled to possession.

**Valuable Indian Lands  
 IN THE STATE OF N. YORK.**

FOR sale, at PUBLIC AUCTION, in the city of Buffalo, on Wednesday the 24th June next, a large number of Farms and Lots in the county of Erie, being part of a tract called the Buffalo Creek Reservation, the northwest line of which is bounded by the corporation line of the city of Buffalo.

And, on Monday the 1st July next, at BATAVIA, in Genesee county, a number of other Farms and Lots, being part of the tract called the Tonawanda Reservation, near the village of Batavia.

The possessory rights of the Indians being fully extinguished, the title to these lands is now perfect and indisputable; so that purchasers can receive immediate possession.

By the convention between Massachusetts and New York, these lands are exempt from state taxes for 15 years from the date of the purchase of the Indians.

**TERMS OF SALE.**—The unpaid portion of the purchase money will bear interest from the day of sale. Ten per cent of the money to be paid at the time of sale; 15 per cent in 60 days thereafter; and the residue in five annual instalments with annual interest. On the second payment, warranty deed will be executed and bonds and mortgages taken for the balance of purchase money.

To facilitate the examination of these lands, lithographic copies of the surveyor's maps will be struck off as soon as possible, and furnished on application to the subscribers at their respective offices in the city of New York and in the village of Geneva; to ROGERS & SMITH, at Buffalo, or to Judge PAINES, at Batavia.

New York, May 1844.

in the election of the public Democratic meeting.

On Friday last, May 20th, Mr. Wm. H. U. S. Commissioner of Indian Affairs, met the Tonawanda Indians in Council, at the Reservation, to advise them of the determination of the Government to execute the treaty of 1842, between the United States on the part of the Indians, and the Ogden Land Company. The Batavia Advertiser gives a report of the proceedings. There were present U. S. Commissioner and Indian Agent, Messrs. James S. Wadsworth and Robert L. Tillotson, proprietors under the treaty; H. I. Glowacki, Esq., Attorney for the Ogden Company; Hon. Benjamin Pringle, John H. Martindale, Esq., counsel for the Indians; Wm. G. Bryan, Esq., Hon. F. Follett and C. B. Rich, Esq., of Akron, friends of the Indians. The Chiefs and Headmen of the Indians were all present except Ely S. Parker, the Head Chief of the Senecas, who is now engaged at Galena, Illinois. The proceedings of the Council were interpreted by Miss Caroline Parker, an educated and accomplished young lady, sister of Ely S. Parker, the Head Chief. The Commissioner advised the Indians that they could go to Kansas at the expense of the Government and occupy lands, or if they preferred they could occupy the Cattaraugus Reservation. Either they must do, and he offered them money to pay for their improvements. Their counsel advised them not to accept the money, and to refuse to leave the Reservation. He stated that a suit was now pending in the Court of Appeals of this State to be argued the 16th of June, and he had no doubt they would be successful; that the decision of the Supreme Court of the U. S. did not settle the question against the Indians. The Commissioner postponed further action for one week. The white settlers on the Reservation who have purchased lands from the Ogden Company on good faith, comprise some 60 heads of families and number in all about 375 or 400.

Having had occasion to make a thorough and complete investigation of the Title by which you held the Tract of Land in this County known as the Buffalo Creek Reservation (previous to sales of portions thereof) we have no hesitation in saying in our opinion your title to the same was perfect and unimpeachable. Very respectfully

This Indenture made the 26<sup>th</sup> day of October 1888, between Joseph Fellows, now of Corning in the County of Steuben, formerly of Genoa in the County of Ontario and State of New York, party of the first part, and George R. Babcock of the City of Buffalo in the County of Erie, and Charles Edgar Appleby of the City of New York, parties of the second part. Whereas in and by a certain Indenture of conveyance and appointment bearing date the 19<sup>th</sup> day of December 1829, executed between Robert Troup, Thomas Ludlow Ogden and Benjamin W. Rogers of the first part, the said Joseph Fellows and Charles E. Troup of the second part, and the said Thomas Ludlow Ogden Joseph Fellows and Charles E. Troup of the third part, the said Joseph Fellows and Charles E. Troup, in conjunction with the said Thomas Ludlow Ogden, were appointed the Trustees of certain lands and premises and rights therein, particularly described and referred to, and the proceeds thereof, commonly called Indian Reservations, (of which lands and premises and rights and their proceeds those herein after conveyed are part,) to have and to hold the same to the said trustees upon certain trusts and conditions and to exercise certain powers therein declared and expressed, as by the said Indenture or the record thereof, duly recorded in the Office of the Clerk of the County of Erie, in Liber 16 of conveyances page 282 on the first day of September 1831, to which reference is had, will more fully appear, and whereas subsequently to the execution and delivery of the said Indenture, the said Thomas Ludlow Ogden and Charles E. Troup, two of the trustees therein named, departed this life, leaving the said Joseph Fellows party hereto of the first part, the sole surviving Trustee, who as such Trustee is vested with all and singular the Trust property and its proceeds so far as the same remain undisposed of. And whereas the said Joseph Fellows, party hereto of the first part, having signified his desire to be released from the further execution of the said Trusts, at a meeting of the associates or Proprietors of the Trust property convened in the City of New York it was resolved

by the said associates or Proprietors so convened that all the residue and remainder of the Trust Estate and its proceeds should be vested in the said George R Babcock and Charles E Appleby parties hereto of the second part, as Trustees, to hold for the like purposes and upon the like Trusts as the party hereto of the first part now holds the same;

Now therefore this Indenture Witnesseth that the said Joseph Fellows party hereto of the first part, in pursuance of the said resolution and in order so to vest the trust estate, and for and in consideration of One Dollar to him in hand paid by the said George R Babcock and Charles Edgar Appleby parties hereto of the second part, the receipt of which is hereby acknowledged, hath granted, bargained, sold, assigned, aliened, released, conveyed and confirmed, and by these presents, doth grant, bargain, sell, assign, alien, release, convey and confirm unto the said parties of the second part and to their heirs, successors and assigns forever, all and singular the several lands, tenements and hereditaments which remain subject to the trusts aforesaid, that is to say the whole of the tract of land called the Tuscarora or Seneca Reservation situate in the County of Niagara and containing 1920 acres of land also the whole of the Tract of land called the Allegany Reservation situate in the County of Cattaraugus containing 30469 Acres of land, also the tract of land called the Cattaraugus Reservation situate partly in the County of Chautauque and partly in the County of Erie containing 26880 acres of land excepting 5120 acres thereof released by treaty, also all and singular the lands and premises remaining unsold in the Buffalo Creek Reservation, (or between the said Reservation and Lake Erie), in the Tonawanda Reservation or in the Canadian Reservation, or which have been sold and since repurchased or have reverted, and all contracts securities and Mortgages taken on the sale thereof, and also all other the lots of land, tenements and hereditaments lying and being within any or either of the said Reservations or tracts of land held for the benefit of the Proprietors whereof the said

Joseph Fellows party of the first part, remains in any manner seized or possessed for the use and benefit of the said associates, together with all and singular, the rights, members, privileges, hereditaments and appurtenances whatsoever unto the said above mentioned and described premises belonging or in anywise appertaining, and the reversion and reversions, remainder and remainders, rents issues and profits thereof, and also all the estate right, title, interest, property, possession, claim, and demand whatsoever, as well at law as in equity, of him the said Joseph Fellows, of in and to the same and every part and parcel thereof with the appurtenances, to have and to hold all and singular the hereinbefore described and released premises, and every part and parcel thereof, with the appurtenances unto the said George R. Babcock and Charles Edgar Appleby, parties of the second part, their heirs successors and assigns forever, as joint tenants and not as tenants in common, upon the like trusts and for the like purposes, nevertheless, as the said Joseph Fellows, party hereto of the first part, now holds the same.

And this Indenture further witnesseth that the said Joseph Fellows for the consideration aforesaid, hath assigned and transferred, and by these presents doth assign and transfer to the said George R. Babcock and Charles Edgar Appleby all and singular, the sum and sums of money, debts, Contracts, Bonds, Mortgages, and securities which as such Trustee, he is or may be in any manner, possessed of or entitled unto for the use and benefit of the said associates, whether arising from the said Trust estate or otherwise, by reason or means of the trusts and powers hereinbefore referred to, and all his right title and interest therein at law and in equity to be had, and holden unto the said George R. Babcock, Charles Edgar Appleby their executors, administrators, successors and assigns, for the use and benefit of themselves, the survivor of them, and the executors, administrators, successors and assigns of such survivor upon the like trusts and for the like purposes, and subject as aforesaid. In witness whereof the parties to these presents have hereunto set their hands and Seals the day and year first above written.

Judge Whipple as Referee reported the Total indebtedness  
of B. M. Rogers as \$92,432.95

By the final Decree this indebtedness is stated also as \$92,432.95  
and the only creditors are stated to be

D. Selden — for \$48,874.26  
J. J. Boyce — " 9,216.15  
J. H. H. Stevens " 4,428.93  
A. H. Dana — " 4,428.93  
A. T. Anderson " 22,188.72

88,337.19

The balance being the disallowed claim of C. L. Smith for \$4,095.90

Upon the debts of \$88,337.19 being the total amount of indebtedness  
the percentage of the respective parties in the amounts to be divided  
would be —

Darius Selden — 55.3268 or 55.33%  
J. J. Boyce — 10.4328 " 10.43%  
J. H. H. Stevens — 4.5609 " 4.56%  
A. H. Dana — 4.5609 " 4.56%  
A. T. Anderson — 25.1186 " 25.12%

100. — 100. —

It appears to me that it will be requisite for W. Selden, in  
execution of the Trust imposed upon him by the Court to ascertain  
the net total amount that has accrued from the Trust property  
from 1838- to whom paid of the Responsibilities, if any of any of the  
creditors to the Trustees in Property —

\$88,337.19	138 Shares

The Indians still refuse to surrender possession of the Tonawanda tract. A motion for

be refused as we expect it will be. Our friends are of opinion the Indians will give up  
some of the sold lots are occupied by Indians and it is useless to compute interest
