#### Indian Reservation Taxes.

At the recent term of the Court of Appeals a decision was made, involving the question of the legality of the taxes imposed upon the Allegany, Cattaraugus and Buffalo Creek Reservations, in the years 1840, 1841, 1842 and 1843, while the lands remained in the occupation of the Indians.

These lands were sold by the Comptroller in November, 1859, for the non-payment of these taxes, and, as regards some of the lots on the Buffalo Creek Reservation, for taxes of subsequent years; and the two years allowed for redemption expire on or about the 26th day of November, 1861.

The Court decides the sales of the Allegany and Cattaraugus Reservations to be null and void, and all the taxes imposed upon those tracts to be illegal, except the assessments under Chap. 166 of the Laws of 1841. These are held to be valid, as against the pre-emption owners, only.

As regards the Buffalo Creek Reservation, all the taxes and assessments, general as well as special, are held to be valid and the sale to be regular. A contrary opinion has gone abroad, arising from the fact that the judgment of the Supreme Court was reversed. The Supreme Court decided that the taxes on all the Reservations were valid. This judgment is reversed and a special judgment rendered, to the effect before stated.

The amount of taxes and interest thus declared to be valid on the Buffalo Creek Reservation is above \$70,000. A large number of persons, who have bought of these lands, are interested in this decision. An impression prevails extensively that certain persons, designated as the Ogden Company, have made provision for the payment of these taxes. This, we are advised, is an error. The lands were divided, many years since, among the proprietors, and each is liable only in respect to the taxes charged upon his respective lots. Many of the original proprietors are dead and their estates dispersed among heirs and creditors. To what extent the settlers will be protected we cannot ascertain, other than that we are informed by the agent in charge that he will pay the taxes imposed, prior to sale, upon all lots conveyed by CHARLOTTE BRINCKERHOFF, LOUISA TROUP, PETER SCHERMEHORN, or his executors, and ROBERT BAYARD, trustee.

INDIAN LANDS.—We learn that the Court of Appeals in the case of the Indian title lands in the western part of this State, held by the Seneca Nation, in the vicinity of Buffalo, and which, by treaty had been sold to OGDEN and FELLOWS, holds that the purchasers have not complied with the terms of the purchase, and therefore are not entitled to possession.

**Valuable Indian Lands  
IN THE STATE OF N. YORK.**

FOR sale, at **PUBLIC AUCTION**, in the city of Buffalo, on Wednesday the 26th June next, a large number of Farms and Lots in the county of Erie, being part of a tract called the Buffalo Creek Reservation, the northwest line of which is bounded by the corporation line of the city of Buffalo.

And, on Monday the 1st July next, at **BATAVIA**, in Genesee county, a number of other Farms and Lots, being part of the tract called the Tonawanda Reservation, near the village of Batavia.

The possessory right of the Indians being fully extinguished, the title to these lands is now perfect and indisputable; so that purchasers can receive immediate possession.

By the convention between Massachusetts and New York, these lands are exempt from state taxes for 15 years from the date of the purchase of the Indians.

**TERMS OF SALE.**—The unpaid portion of the purchase money will bear interest from the day of sale. Ten per cent of the money to be paid at the time of sale; 15 per cent in 60 days thereafter; and the residue in five annual instalments with annual interest. On the second payment, warranty deed will be executed and bonds and mortgages taken for the balance of purchase money.

To facilitate the examination of these lands, lithographic copies of the surveyor's maps will be struck off as soon as possible, and furnished on application to the subscribers at their respective offices in the city of New York and in the village of Geneva; to ROGERS & SMITH, at Buffalo, or to Judge PAINTE, at Batavia.

in the election of the entire Democratic ticket.

On Friday last, 16th June, Denver, U. S. Commissioner of Indian Affairs, met the Tonawanda Indians in Council, at the Reservation, to advise them of the determination of the Government to execute the treaty of 1842, between the United States on the part of the Indians, and the Ogden Land Company. The Batavia Advocate gives a report of the proceedings. There were present U. S. Commissioner and Indian Agent, Messrs. James S. Wadsworth and Robert L. Tillotson, proprietors under the treaty; H. I. Glowacki, Esq., Attorney for the Ogden Company; Hon. Benjamin Pringle, John H. Martindale, Esq., counsel for the Indians; Wm. G. Bryan, Esq., Hon. F. Follett and C. B. Rich, Esq., of Akron, friends of the Indians. The Chiefs and Headmen of the Indians were all present except Ely S. Parker, the Head Chief of the Senecas, who is now engaged at Galena, Illinois. The proceedings of the Council were interpreted by Miss Caroline Parker, an educated and accomplished young lady, sister of Ely S. Parker, the Head Chief. The Commissioner advised the Indians that they could go to Kansas at the expense of the Government and occupy lands, or if they preferred they could occupy the Cattaraugus Reservation. Either they must do, and he offered them money to pay for their improvements. Their counsel advised them not to accept the money, and to refuse to leave the Reservation. He stated that a suit was now pending in the Court of Appeals of this State to be argued the 16th of June, and he had no doubt they would be successful; that the decision of the Supreme Court of the U. S. did not settle the question against the Indians. The Commissioner postponed further action for one week. The white settlers on the Reservation who have purchased lands from the Ogden Company in good faith, comprise some 60 heads of families and number in all about 375 or 400.

Sir,

Having had occasion to make a thorough and complete investigation of the Title by which you held the Tract of Land in this County known as the Buffalo Creek Reservation (previous to sales of portions thereof) we have no hesitation in saying in our opinion your title to the same was perfect and unimpeachable. Very respectfully

Yours &c.

Joseph Fellows party of the first part, remains in any manner seized or possessed for the use and benefit of the said associates, together with all and singular, the rights, members, privileges, hereditaments and appurtenances whatsoever unto the said above mentioned and described premises belonging or in any wise appertaining, and the reversion and reversions, remainder and remainders, rents issues and profits thereof, and also all the estate right, title, interest, property, possession, claim, and demand whatsoever, as well at law as in equity, of him the said Joseph Fellows, of in and to the same and every part and parcel thereof with the appurtenances, to have and to hold, all and singular the hereinbefore described and released premises, and every part and parcel thereof, with the appurtenances unto the said George R Babcock and Charles Edgar Appleby, parties of the second part, their heirs successors and assigns forever, as joint tenants and not as tenants in common, upon the like trusts and for the like purposes, nevertheless, as the said Joseph Fellows party hereto of the first part, now holds the same.

And this Indenture further witnesseth that the said Joseph Fellows for the consideration aforesaid, hath assigned and transferred, and by these presents doth assign and transfer to the said George R Babcock and Charles Edgar Appleby all and singular, the sum and sums of money, debts, Contracts, Bonds, Mortgages, and securities which as such Trustee he is or may be in any manner possessed of or entitled unto for the use and benefit of the said associates, whether arising from the said Trust estate or otherwise, by reason or means of the trusts and powers hereinbefore referred to, and all his right title and interest therein at law and in equity to be had, and holden unto the said George R Babcock, Charles Edgar Appleby, their executors, administrators successors and assigns, for the use and benefit of themselves, the survivor of them, and the executors administrators, successors and assigns of such survivor upon the like trusts and for the like purposes, and subject as aforesaid. The small balance will be paid as soon as the wheat harvest is over. The large debts against Blakely & Clark arise from recent sales and require the immediate payment of the money now payable on Clarks Contract.

The Indians still refuse to surrender possession of the Tonawanda tract. A motion for summary warrants to remove the white settlers was agreed at Batavia on Saturday. If the motion be refused as we expect it will be, our friends are of opinion the Indians will give up some of the sold lots, are occupied by Indians and it is useful to compute interest on the debts till we get possession of the Land.

Buffalo Old Reserve No 5 R Lot 42 94 Surveyors Valuation \$5 present value \$7 & supposed to be sold at that price in 1852. Cannot give particulars until account be got from Buffalo.
