Captain Theodore Hagaman

OUR CAPTAIN

CAPTAIN THEODORE HAGAMAN has led the West High Team through as successful a season as any high school team has ever passed. He was ranked last season as the best scholastic end in New York state. His graduation will be a great loss to the school.

OUR COACH

TO COACH HOGAN YANCEY we owe in a great degree our clear record. Through his untiring labor and toil the team has been developed into an organization that Rochester and the West High may well be proud of. Mr. Yancey was Captain of Kentucky University Team two successful years. He coached the Jacksonville Athletic Team when it won the championship of the south and that most successful Rochester High School Team of last year.

Coach Hogan Yancey

H. Acton Langslow
Graduate Coach

H. ACTON LANGSLOW

THE efforts of Mr. Langslow in behalf of our Football Team have been unceasing. "Lang" has been on the field at every practice and developed plays and players that have helped to make our season so successful. He has the admiration of every fellow in the school and carries with him the best wishes of the school and faculty.

OUR PHYSICAL DIRECTOR

MR. DON H. SILSBY deserves a great deal of credit for what he has done for the Football and other Athletic Teams. His work consists of gymnastic training but he has devoted all his spare time to the teams of the different organizations. He has not only the admiration of every student of West High but of every person of his acquaintance.

TUNE—" John Doe "

West High, West High
We'll trim old East High's football team
Around their ends and through the line
We'll make the distance every time
Just score once more
To make that East High bunch feel sore
Just bet your tin, West High will win
(Shout) Well You Bet, West High Will Win.

TUNE—" Waiting at the Church "

Here are we waiting for a score
Then we'll make it more
East High is getting sore
This is when they get beat again
Syracuse did upset them
(Shout) Elmira, Syracuse, West High.
Old East High, twice she has been stung
All our games we've won
We will lose to none
Proudly in the air, wave the Orange fair
Good-bye Old East High.

TUNE—" Bill Simmons "

East High, let me tell you when our team digs in
BOOM, BOOM,
I can't keep still
Something tells me West High School is going to win
And I certainly think they will
Seven brings eleven, only five yards more
BOOM, BOOM,
East High Skidoo,
West High keeps a pushin' and a shovin' through the line
And they will 'till the game is through.

TUNE—" Annie Leslie "

Proudly waves old West High's emblem
Black and Orange fair.
Floats triumphant in the breezes
No dishonor there.
CHO—Student days have fondest memories
Comrades here we stand
As our troth to Alma Mater
Pledge we hand in hand.

TUNE—" My Irish Molly, O "

East High, our greatest rival
We're here to trim you now,
Teach you the game of football
Watch our team, they'll show you how.
We'll buck right through your center
And skirt your ends at will
Play your game, we'll do the same
BOOM, BOOM
The team that wins the game is
West High of Rochester.

TUNE—" Alice where art thou going "

East High what art thou doing?
Why don't you play football
Our team is grandly showing
West High is all and all.
Yancey taught us the game boys
And that is why we win
So play it hard and play it fast
East High's fame is of the past
All cheer for Old West High.

EAST HIGH

— Songs and Yells —

Come on West High, it's time to dig in ;
It's up to you to play like sin ;
You're just as good as you ever have been,
If you do your best you're sure to win
We'll cheer you with a mighty din
Those East High boys we're going to skin
If you play as well as you ought to play (Pause)
We won't go home until morning.

TUNE—" Cheer up, Mary "

Cheer up, East High, don't be crying, crying,
Cause you can't gain through our line,
In a minute we'll be ripping, ripping
Through for ten yards every time.
Funeral bells will soon be tolling, tolling
For your poor old football team.
East High dear, never fear,
We're going to beat you, that's no dream.

TUNE—" Have you seen my Henry Brown ? "

Can't you see that East High team,
Their bunch certainly is the cream
But cream sours, so some one has said
When West High bucks and hits the line
And gains first down most every time,
You'll plainly see, the reason we
Can't see that East High team.

Hoi, Hoi, Hoi,
Hi, Hi, Hi,
Hoi, Hoi, Hoi,
Hi, Hi, Hi,

Hoo-rah—Hoo-rah

W-E W-E ; S-T S-T
W-E-S-T
West High, Rochester

Sweet be thy memory,
High School of ours.
Fair be thy destiny,
Fadeless thy flowers.
Hearts that have loved thee
Have won in life's fight,
Names we honor, thy standard holds bright.
Our Alma Mater, dear,
To thee we sing,
May all thy future years
New honors bring.
May friends thy banner raise,
Thy foes grow less,
All love and praise
For our old R. H. S.

TUNE—" Grand Old Flag "

It's the West High team, it's the best you have seen
And they certainly are out to win.
They will follow the ball and they never will fall,
So watch old West High dig in.
Other teams go way back 'fore the Orange and Black
No matter how strong they may seem ;
Old scores should never be forgot
(Pause) What ??????
Keep your eye on the West High Team.
