WALKING MATCHES

There's a striking effect in the appearance of the "Walk-Over" shoe - a stylish attractiveness that makes a man go in and buy a pair.

But the "outside show" is but an index to inside comfort, and the pleased eye is nothing to the satisfied foot.

Walking matches comfort best in the "Walk-Over". You can "beat it" with ease when wearing this shoe. To parody our national sentiment, it is "first in style, first in ease, and first on the feet of our countrymen."

TIED WITH SYRACUSE FOR INTERSCHOLASTIC HONORS

Robert Bernhard
Captain

OUR CAPTAIN

ROBERT BERNHARD '08, our captain, has demonstrated his ability as an efficient football general, by directing successfully, one of the best, if not the best, football teams ever turned out by a Rochester High School, or any other high school for that matter. "Bob" has been placed on the Scholastic Team of N. Y. State for the past two seasons.

OUR COACH

THE success of our football team is due for the greater part, to the work of our Coach, H. Acton Langslow. No graduate of our school has ever been more enthusiastic over our student activities than Mr. Langslow, whether officially connected with the team or simply as an "alumnus". Langslow assisted Mr. Yancy in the coaching of last year. He is not only one of the best Preparatory School Coaches in the country today, but is also considered one of the best football players Rochester has ever produced. Mr. Langslow has completely filled the place vacated by Mr. Yancey. He has the admiration of every student in the school and carries with him the best wishes of school and faculty.

H. Acton Langslow
Coach

Theodore Hagaman
Graduate Coach

HAGAMAN

THEODORE HAGAMAN, '07, Captain of the 1906 team, has been of great assistance as graduate coach. "Punk" has been on the field at every practice, has assisted with the first team work and has developed as strong a second team as we have ever had.

OUR TRAINER

DAVID CAUSDALE has faithfully cared for the players, attending to the "bangs," sore and stiff muscles, injuries, etc. of all. This work has been one of the factors of our success. Our team has been noted for its splendid physical condition during this past season. We all heartily congratulate him on the manner in which he has taken care of the team.

MEDICAL COURSES

THE team and its management are under great obligations to Dr. Bascom for his interest in the physical welfare of the men. He has been a frequent attendant at practice and games, giving his advice and professional services without remuneration. We should be guilty of gross discourtesy, did we not assure him in this place of our appreciation of his kindness.

Some Experiences THE LAFAYETTE GAME

On October twenty-sixth the Lafayette High School team of Buffalo met West High in perhaps the hardest fought and best contested game in which the Occidentals have participated this season. The Lafayette team had made a fine record defeating, but one week previously the Cleveland University School, champions of Ohio. Thus the Buffalonians were confident of their team's success and the result a victory of 11 to 0 for West High was a rather bitter pill. West High supporters attached special interest to this game because of the fact that Lafayette was given the championship of Western New York last year, an honor which West High claimed with good reason. A large crowd witnessed the game which was fast and clean throughout. The Buffalo lads put up a remarkable fight, with their captain disabled and out of the game most of the period of play, and altogether made a very favorable impression on Rochesterians by the fine spirit they showed during the contest. West High gave the Lafayette people a royal reception, meeting them at the station and escorting them to the school where all took lunch together. One of the features of the game was the cheering on both sides.

MASTEN PARK TRIP

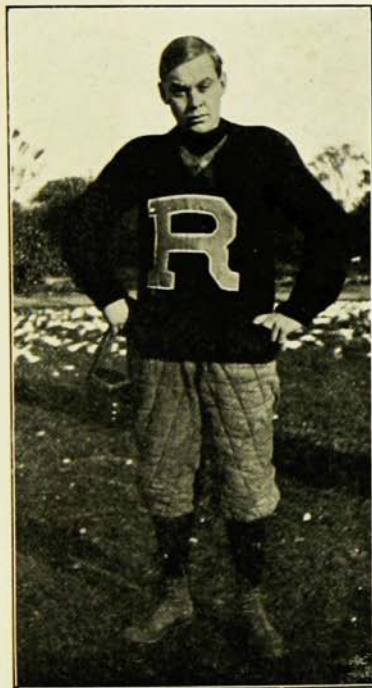

On October twelfth the West High team and a large supporting delegation invaded the 'Windy City' to the downfall of our old rival Masten Park, who were taken into camp at the rate of 22 to 0. The game itself was somewhat of a disappointment, being marked by rough play and many disputes which became exceedingly tiresome, especially since the periods of dispute seemed always marked by a down-pour of rain. In spite of all this, every Occidental supporter was satisfied with the result of the game and the trip as a whole was a distinct success. Our game was played directly after the Carlisle-Syracuse game which has been declared by many authorities one of the best exhibitions of the year of the new open game of football. The trip on the train both ways was made enjoyable by the usual singing and cheering. After the game the West High people marched downtown and dispersed for supper. Leaving Buffalo at seven they arrived in Rochester about nine. The bunch formed in line and marched, chanting the score, to the four corners where, after a few final touches in the form of yells, the line was broken.

SONGS

Tune: Bullfrog and the Coon.

Boom : Boom : When our team it starts a moving,
 Boom : Boom : Something's surely got to go,
 Boom : Boom : When our line it starts a shoving,
 Poor East High will go slow.
 Boom : Boom : When we use our forward passes,
 Boom : Boom : And the other plays we know ;
 Please say good-bye, you know just why,
 Boom : Boom : Your team won't do.

Tune :—In Old New York.

It's Old West High,
 It's Old West High,
 The game they play is fine.
 They're always fair
 Play on the square,
 The boys of West High for mine.
 They'll always be the team for me,
 The reason I'll tell you why,
 For all teams beat a quick retreat
 When they meet West High.

*Tune :—When You Know You're not Forgotten
 by the Girl You Can't Forget.*

When you know you will be beaten, by the team that
 can't be beat,
 When you find the bunch from old West High, has
 never known defeat,
 Up your back a funny feeling, drives the yellow to
 your neck,
 When you know you will be beaten, by the team that
 can't be beat.

Sweet be thy memory,
 High School of ours,
 Fair be thy destiny,
 Fadeless thy flowers.
 Hearts that have loved thee
 Have won in life's fight,
 Names we honor, thy standard holds bright.
 Our Alma Mater, dear,
 To thee we sing,
 May all thy future years
 New honors bring.
 May friends thy banner raise,
 Thy foes grow less,
 All love and praise
 For our old R. H. S.

Tune :—“ College Days ”

Rushing around those East High ends and ripping
 through their line,
 For the Orange and Black of old West High hurrah,
 then shout Hurrah.
 We have the ginger and dash and win and you can
 bet your tin,
 That West High will jump on East High to-day
 Rah, Rah, Rah (and repeat).

Tune :—And a Little Bit More

We're going to trim that East High team,
 Boom : Boom : And a little bit more ;
 We're going to rip right through their line,
 Boom : Boom : And a little bit more ;
 We're going to rush right down the field,
 And make poor East High sore ;
 Now they'll get all that's coming to them,
 Boom : Boom : And a little bit more

Tune: - Crocodile Isle.

Don't go away and leave us,
What makes you try to crawl?
Just wait and we will show you,
The way to play football;
We're going to trim you grandly,
Don't start to pine or sigh,
We have a tale to tell you,
Yell ('Bout what?)
'Bout our school, West High.

Tune: - Se'ected.

It's come again, it's come again,
We'll trim you just the same again
So you need not try
With old West High,
For we'll show you our heels again.
Rah, Rah, Rah,

Tune: - "Annie Leslie".

Proudly waves old West High's emblem
Black and Orange fair.
Floats triumphant in the breezes
No dishonor there.

Comrades here we stand
As our troth to Alma Mater
Pledge we hand in hand.

Diabolo

This is the newest imported game, the one that has made such a stir in continental Europe, promising to surpass even the Teddy Bear as a toy of national popularity. It is not a game that can be played off-hand; it requires considerable dexterity to manipulate. But it is very fascinating, for both adults and children. We will be glad to demonstrate this game, if you visit our All-Year-Round Toy Department.
