OUR BOYS THE KNIGHTS OF LIBERTY

Our Boys sailed o'er the deep blue sea,
With true hearts full of sympathy -
To gallant, brave and noble France;
And they were eager for the chance,
To free the nations of the world.
With dear, "Old Glory" there unfurled,
They bravely fought for victory,
The Knights of Liberty.

The Stars and Stripes waved in the air,
While they were sailing "Over There,"
In answer to an urgent call,
For liberty and peace for all.
On battleship and in the field,
To the "Iron Hand" they would not yield;
On land, on sea and in the air,
Our Boys fought bravely there.

REFRAIN

Our Boys, The Knights of Liberty,
Sailed far across the sea;
They showed their love and loyalty,
And won the victory.
They fought for justice, right and peace,
In air, on land and sea;
They fought all nations to release,
The Knights of Liberty.
