In other wars, with a set of men, settle by our breath, and by ink, those inter-crack the earth, bring revolutions to us. Be-shakings of revolutions, by wars, and by ru-
the earth. In our own way, we, too, in this
are almost no places on the globe where men
what conscience and the understanding work
agitating deeper questions, are preserved in
the results of discussion among us, and pre-
upon it. It is their Sunday devotion, and
liberty of waging moral battle for that which
pression of their convictions, and to the utmost
individual members. We put trust, not alone
make the individual weak, to make the State
