Agricultural Culture:

Tobacco Culture:

I am indebted to the following for the information, in plain, practical directions on the culture of tobacco, or rather of the nicotine plant, which I think will be found of some service to those engaged in that business.

First, it is necessary to decide upon the soil best adapted to the purposes of the farm. The soil and climate will determine the extent of the crop. The soil should be well limed, not too heavy, and well drained. It is best to choose a sandy soil, as it will hold the moisture better, and the tobacco will thrive well on it. The soil should be well manured, and the manure should be rich in potash.

The best time to plant tobacco is in March or April, as the seed will germinate better at that time. The seed should be sown in drills, 2 to 3 feet apart, and the plants should be thinned to about 1 foot apart. The tobacco should be kept well watered, and the soil should be kept well cultivated.

The best time to harvest the tobacco is in September or October, when the leaves are fully matured. The tobacco should be cured by sun-drying, and when dry, it should be stored in a cool, dry place.

The Junes I have discarded from the same
subject, it was supposed that the saccharine
isfactorily, and has not been revived since.

The more careful selection of the best varieties,
and the improvement of the stock, have largely increased the value of tobacco. The best varieties are: the Black, the White, and the Yellow, which are all equally valuable.

The cultivation of tobacco is a highly profitable enterprise, and should be encouraged by every farmer who has the facilities.

Raising Early Fleece.

Burlington, New-Jork.—Having had considerable experience in raising early sheep, I have been able to accumulate a considerable number of useful results, with very satisfactory results. The object of the early fleece is to make it for the market as early as possible. Hence, since the sheep are sheared on the ground and the fleece weighed under the shearer, prizes of $10, $8, and $6 are to be awarded to the best shearer. Prizes of $100, $50, and $25 are to be awarded to the best ram, two years old or over; best yearling ram, and best ewe. In addition to these, prizes of $100, $50, and $25 are to be awarded to the best middlewooled sheep and best meat sheep. Thus nearly $1,500 are offered in premiums. It will be estimated this year that the fair will last from the 3rd to the 7th of May, and that the prizes will be awarded on the 8th. The prizes will be announced in the Burlington Free Press and the Burlington Advertiser.

MINOR ITEMS AND EXTRACTS.

Queen of Sheeps in Ohio.—The Ohio State Fair, held in Columbus, Ohio, under the presidency of the Ohio Agricultural Society, is one of the most important fairs in the United States. The fair was opened on the 3rd of October, and continued for five days. The premiums were awarded on the 8th of October. The fair was attended by a large number of exhibitors, and the prizes were awarded in the following manner:

1. The best sheep, two years old or over, with a fleece of over 20 lbs. will be awarded a premium of $100.
2. The best sheep, two years old or over, with a fleece of from 16 to 20 lbs. will be awarded a premium of $50.
3. The best sheep, two years old or over, with a fleece of from 12 to 16 lbs. will be awarded a premium of $25.
4. The best sheep, two years old or over, with a fleece of from 8 to 12 lbs. will be awarded a premium of $10.
5. The best sheep, two years old or over, with a fleece of from 4 to 8 lbs. will be awarded a premium of $5.
6. The best sheep, two years old or over, with a fleece of from 2 to 4 lbs. will be awarded a premium of $2.
7. The best sheep, two years old or over, with a fleece of from 1 to 2 lbs. will be awarded a premium of $1.
8. The best sheep, two years old or over, with a fleece of from 0.5 to 1 lb. will be awarded a premium of 50 cents.
9. The best sheep, two years old or over, with a fleece of from 0.2 to 0.5 lb. will be awarded a premium of 25 cents.
10. The best sheep, two years old or over, with a fleece of less than 0.2 lb. will be awarded a premium of 10 cents.

No animal will be allowed to compete for premiums unless the exhibitor agrees to their acceptance. The premiums will be paid to the exhibitors in the presence of the judges. The fair was attended by a large number of exhibitors, and the prizes were awarded in the following manner:

1. The best sheep, two years old or over, with a fleece of over 20 lbs. will be awarded a premium of $100.
2. The best sheep, two years old or over, with a fleece of from 16 to 20 lbs. will be awarded a premium of $50.
3. The best sheep, two years old or over, with a fleece of from 12 to 16 lbs. will be awarded a premium of $25.
4. The best sheep, two years old or over, with a fleece of from 8 to 12 lbs. will be awarded a premium of $10.
5. The best sheep, two years old or over, with a fleece of from 4 to 8 lbs. will be awarded a premium of $5.
6. The best sheep, two years old or over, with a fleece of from 2 to 4 lbs. will be awarded a premium of $2.
7. The best sheep, two years old or over, with a fleece of from 1 to 2 lbs. will be awarded a premium of $1.
8. The best sheep, two years old or over, with a fleece of from 0.5 to 1 lb. will be awarded a premium of 50 cents.
9. The best sheep, two years old or over, with a fleece of from 0.2 to 0.5 lb. will be awarded a premium of 25 cents.

She makes us feel every emotion intended. She stands at the foot of her chair looking at us for a moment. Then she begins her story. She tells us of a girl named Mary who lived in a small village. Mary was the daughter of a poor farmer who had many children. She was a hard-working girl and was always ready to help her mother and brothers. One day, she heard a noise in the barn. She ran down to investigate and found a lost lamb. She took it home and cared for it until it was strong enough to be sold. She used the money she earned to buy her family new clothes and pay off some of their debts. Mary was a kind and selfless girl, and her story inspired many others to do good deeds. We were all moved by her story and felt a sense of gratitude for the simple pleasures in life.

The story was very well told and left us with a feeling of warmth and hope. It reminded us of the importance of hard work, kindness, and compassion. We all left the meeting feeling uplifted and grateful for the opportunity to hear such a heartwarming story.
