Political Polka

By CURT GERLING

The Rochester Municipal Journal is a well turned out, typographically excellent, house organ and Republican propaganda sheet published by the City's Department of Commerce—and of course, at the taxpayers' expense. Just where they get the expensive coated stock is what has many a paper-short printer guessing. It's doubtful if the city employees who receive it appreciate its cost and we are quite sure the taxpayer would be most unhappy if HE knew.

Two editorials apparently written by its editor Harold "Initials" MacFarlin, if examined properly, prove interesting admissions of GOP incompetence and self-conscious, self-analysis.

"What Can Rochester Afford" states that there is a desire and necessity for parallel streets, a civic auditorium, new streets, etc. The editorialist then goes on to say "There is only one obstacle to their security (and we never heard of the word before). The city is not financially able to effect a large scale program of public works."

The Show Goes On! Wartime Entertainers Transfer Activities to Vet. Hospitals

HEADLINERS — Heading the "Happy-go-Lucky" aggregation of entertainers is Doris Lefler and Pat McLaughlin, song and dance team. They will be with the unit when it entertains patients at the Batavia Veterans Hospital on July 14.

What's become of the wartime entertainment units which gave so much of their time to USO, camp shows, hospital entertainment and the like? Many have undoubtedly disbanded—but not all of them.

Take, for instance, the "Happy-go-Lucky" Gang, a group which not only netertained during the war but is, what we might call, pre-war stuff. They haven't disbanded, far from it. They're very much alive and many of them are kicking. Not in the commonly accepted sense, but literally—kicking their shapely limbs in veterans hospitals, at lodge gatherings, etc.

Started in 1937
Heading the group is Mr. and Mrs. Albert Lefler who started the unit in 1937 after their daughter Doris had won a city wide playground contest for juvenile songsters. With two other dancing daughters and Ray Neelin, also a playground contest winner as a nucleus the Lefler's set out to gather a complete entertainment unit. Since then they have added singers, dancers, acrobats, instrumentalists, skaters and even trick cyclists. While the personnel has had several changes, many of the original gang are still on the job—still traveling with the unit.

During the war the Happy-go-Luckys had a crowded calendar what with USO and veterans hospital dates, in addition to bond rallies and the Military Service Center at the N.Y.C. station.

ADDITIONAL CARS NEEDED FOR SUNSHINE OUTING

Unless some crippled youngsters or aged unfortunates are going to have to remain home on "the big day" more motorists will have to donate their car and services for the 29th annual "Sunshine Day" picnic slated for July 17 in Genesee Valley Park. According to Julius Friedrich, founder and general manager of the event, many more cars are needed to make up the full quota of 140 necessary to transport the guests to the fair.

The program of games and refreshments will be held from 1 to 6 P.M., it was announced by Friedrich, who heads the Daddy Sunshine Assisting Committee, composed of Rochesterians interested in providing this one day of enjoyment.

HOUSING SURVEY QUESTIONNAIRES SWAMP BUREAU

If adequate housing ever again becomes available in Rochester and all the people actually move who have expressed that desire, the moving men are going to have a busy time.

While no figures had as yet been compiled, officials of the Bureau of Municipal Research estimated that more than 3000 questionnaires concerning housing are being returned to the

City Braces for Holiday Crashes

The hospitals were ready; extra space was cleared in the morgue. Safety officials held their collective breath and thoughtful citizens throughout the Rochester area braced themselves for Tomorrow's news.

For today was Independence Day. The day when speed-crazed automobile drivers annually do their best to annihilate or at least maim each other, passengers and unwary pedestrians.

Negro College Fund Lags

Rochester's reputation of "always topping" its drive quotas was in danger this week as the local Negro College Fund drive found itself approximately 30 percent short of its \$15,000 goal at the formal closing date of the drive. However, the city which has given millions to the Community Chest, the Red Cross, and for dozens of other worthy causes would still have an opportunity of keeping its reputation intact.

Headquarters for the drive are in the offices of the Automobile Club, 90 East Ave., where contributions will be received. A call to Stone 6792 will bring a representative to pick up contributions.

Isolationism is showing itself in various sections of the country; it won't be long now before the pacifists will be talking the same old pre-war stuff.

Where neither the Germans nor the Japs had been successful, observers were fast becoming certain that, given enough time, careless drivers could accomplish the trick—annihilate the American public. The atom bomb would have to hurry up if it wasn't to be beaten out of its predicted task of wiping out civilization.

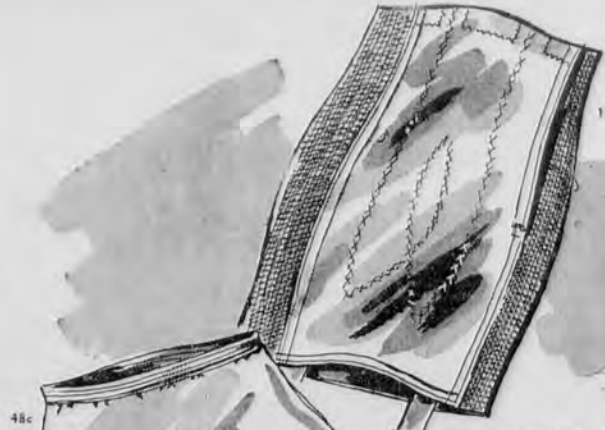

Of course not all of the needless waste of life today and this coming weekend can be charged to automobiles nor to careless drivers. Rochesterians can, and are, just as careless out from behind the wheel. For instance, if past records are any criterion several people will lose their lives in this area by

drowning. Some youngster will undoubtedly fall in some creek, canal or river and lose his life. Perhaps gunfire will take a life or two or cause serious injury.

But when the headlines tomorrow proclaim "35 INJURED IN HOLIDAY MISHAPS" it is an odds on bet that the majority of accidents will properly be charged up to careless, thoughtless driving. Last year, our boys over there were killing Japs as fast as they could. This year we're killing Americans as fast as we can—right here on our own streets and highways.

Perhaps some day the careful, thoughtful majority would be able to stop the careless, reckless minority from wrecking life and limb needlessly. But that day would not come until the citizens of Rochester were determined to cut down the accident toll even if it meant depriving every careless-driving potential killer of not only his right to drive but even his liberty. Fines, reprimands and safety campaigns had not done it. Drastic action would be necessary.

ENTERTAINERS... Continued from Page 1.

Next date for the group is at the Veterans Hospital in Batavia where they will entertain on Sunday, July 14th.

**ED RANDALL'S
Scene & Word**

I have been hearing a lot about a device developed by John Banker, 1090 Genesee St., which is claimed to markedly improve automobile engine performance. Enthusiastic users tell me it gives faster pickup, increases gasoline mileage, eliminates knocks and vibration, and does away forever with the necessity of having valves ground and carbon removed from the car in which it is installed. This sounded like a large order, so I moseyed up to Banker's Garage to have a look for myself.

Banker, of course, is very enthusiastic about his invention. He has a number of testimonial letters from satisfied users posted on the walls of his garage and he claims to have installed nearly two hundred of the devices (Banker scorns the use of the word "gadget" in connection with his brainchild) in a carburetor attachment which draws water vapor from the radiator and oil vapor from the crankcase. This combines with the customary mixture of gasoline and air and Banker explained that it furnishes the same effect as driving on a wet, rainy day when motor performance is noticeably improved.

The device is actually very simple. It consists of a series of copper tubes extending from the radiator cap and the crankcase to the carburetor. The water-controlled carburetor, as Banker puts it, allows the fly-wheel timing to be advanced

several degrees which provides sharper acceleration without the usual knocks and pings and the advanced timing prevents the formation of carbon on valves and cylinder walls.

After telling me all this, which took quite a time as I'm not mechanically minded, Banker said: "How would you like to take a ride in my car and get an actual test of the way an engine performs with my water-controlled carburetor?" So I piled into his 1939 Dodge and we started up Genesee Street. The first demonstration Banker gave me was to shift from low into high without using second gear and then braking his car down to five miles an hour. To my amazement, the car crept up the Genesee Street incline without the slightest suggestion of a buck or stutter. Then Banker said: "Let's try it for pickup." We ambled out Scottsville Road and my host suggested: "Why don't you get out your watch and we'll see how fast we can get her up to forty." From five miles an hour in high gear we reached forty miles an hour in exactly ten seconds by my Hamilton. We made other pickup tests, but I think the police department would be more interested in them than you would, so I won't go into details.

Banker has applied for patent rights to his invention and it may well be that Rochester might again hit the limelight as the breeding place of a revolutionary new invention.

Air is as free as it ever was; it just costs more to breathe it these days.

Amid all of the hullabaloo about the Louis-Con fight, most people may have overlooked the fact that a woman picked the winner of the fight and the exact round in which the end would come almost a month before the fight took place. She not only guessed the round in which the fight would end but she made her prediction and stuck her pretty neck out to an audience of several million people. This intuitive female is Margery Miller, a 22-year old sports columnist and author of the book, Joe Louis: American. Miss Miller wrote an article for the June 15th issue of Liberty Magazine, entitled "In This Cor-r-ner . . ." The story would have to be written five or six weeks before the magazine appeared on the newsstands, so that Miss Miller had no opportunity to visit the gladiators in their training camps as they wound up what passed for their conditioning program. However, Miss Miller peered into her crystal ball, or drew upon her knowledge of fighting and summed up her interesting article with these words: "Sooner or later, we think, Joe will catch up with Conn. Louis will wait for the opening he wants, just as in 1941. But we don't think he'll have to wait long. Not longer than eight rounds." Gosh, what a wad of folding money I could have made had I only had the courage of her convictions.

City Hall. He didn't however say that that was probably what has been wrong with the Flower City all along — nor does he now admit that this shortage of cash can thus only be blamed on the GOP and the incompetence of his contemporaries and predecessors.

Further along in this twaddle the editor says "Rochester is fighting for its economic existence against the other cities of the land. Business and industry are the life of the city, the sustenance of its citizens." Then he goes on (and this will make you hysterical). "Unless taxes are kept down (DOWN the man says) industry and business moves out".

Mr. MacFarlin could have named the many important industries that have already moved out over the past years — and why, but he didn't. He could also have examined the growth of industries and the new ones added by cities of competitive class — but he didn't. He might tell the Rochester public and the city's employee's why Rochester has been static and moribund — but to do so would have been an admission of the succession of administrative failures by his party.

Every day it becomes more obvious that Rochester, if it is a great city, has become one under the handicap of Republican rule

— and to split a few infinitives in spite of the GOP not because of it.

Number two editorial entitled "Status of the Public Servant" bemoans the fact that citizens as a whole do not show the proper respect (and he could mean us) toward public employees. The editorialist points out that "On the Continent (fancy for Europe excepting the British Isles) the public employee is respected and held in awe and deference; here he is categorized somewhere below the status of a gas station attendant and slightly above the state of moronism."

While we personally feel that gas station attendants are being maligned, when he mentions "moronism" Harold must be self-conscious. He takes the words right out of our mouth.

He doesn't tell his readers why the public feels that way; to do so would be another admission of weakness. It should be obvious that people are not born believing public servants are "morons" and in spite of the fact that Harold would like us to believe they are, we don't altogether go along with him.

The difficulty with a public servant is that he has to be "loused up" with a lot of politicians in order to hold his job or, to get ahead in the department which he is serving.

There is nothing wrong with the public servant except that he has been made ridiculous by the maneuverings and shennanigans of the bosses who are forever playing party politics.

Efficiency and intelligence run a bad last in the race for

advancement. Who you know, how many votes, how big is your contribution, are the horses that win the races.

If the citizens regard the public servant as a sap as Mr. MacFarlin points out — it's only because politicians like himself have made it so.

The wide publicity given to the demands of the typographical union, which heretofore were kept rather hush-hush in the tip-off that come fall the Gannett papers will have an excuse to boost the Sunday paper advance in price.

**Indian Part In War
Told In Yearbook**

How American Indians put the Indian sign on Hitler and Hirohito is disclosed in the 1946 Encyclopaedia Britannica Book of the Year. The Britannica report, written by Willard W. Beatty, director of education for the Office of Indian Affairs, U. S. Department of the Interior, reveals the following facts.

Three hundred Navaho Indians acted as code talkers in the front line communications of the Marine Corps, using their native language. It proved to be an unbreakable code. Lt. Ernest Childers, a Creek, and Lt. Jack Montgomery, a Cherokee, won the Congressional Medal of Honor; the nation's highest award. Reports to the Indian Office announced that four Indians merited the Distinguished Service Cross; 35, the Distinguished Flying Cross and three, the Soldier's Medal. Fifty-two Indians were awarded the Silver Star; 53 won the Bronze Star; and 72 received the Air Medal. Many additional awards and oak leaf clusters were also credited to Indian G. I.'s.

The Book of the Year points out that a full-blooded Pima, Pfc. Ira Hayes, was one of the six flag raisers on the summit of Mt. Suribachi, Iwo Jima. Harvey Natchee, a Ute, was the first U. S. soldier to enter the center of Berlin. LeRoy Himlin, another Ute, was with the first group to make contact with the Russians on the Elbe.

During 1945 there were 27,767 Indians enlisted in the Army, 1,910 in the Navy, 121 in the Coast Guard and 723 in the Marines, according to the Book of the Year.

AD AGENCY UPS VET TO PRODUCTION POST

Ed Wolff & Associates announces the appointment of Richard W. Kinney as production manager of the agency, succeeding Miss Caroline I. McCall, resigned.

Kinney, a veteran of more than three years' service in the Army, joined the agency earlier this year as director of sales promotion, catalog and direct mail literature for agency clients. In announcing his appointment, Ed Wolff reported that Kinney has wide experience in printing, production and administrative work.

Prior to his enlistment in the Army, Kinney was advertising manager of the R. J. Strassenburg Company. While serving in this capacity he made an intensive continuing study of printing methods and production management, in addition to supervising the firm's sales

promotion planning and sales literature.

In the Army, he served as master sergeant in charge of personnel work for Camp Sibley, Ala., the only chemical warfare training center in the South. His administrative duties included supervising the classification of incoming troops, assignments and payrolls for approximately 5,000 men. He was later appointed sergeant-major of the post.

Since Laraine Day won her freedom from Metro, she has been handed oodles of scripts by various producers. Rumors are she'll sign with RKO.

ing needs had already been returned to their office by house-hungry citizens.

Last week the bureau mailed 115,000 cards to homes in Rochester, Brighton, Irondequoit, Gates and the neighboring villages of Fairport, Webster, East Rochester and Pittsford.

The questionnaire includes questions which will show whether the home-seeker wishes to rent or buy, at what price, in what location and whether his moving will leave a home for someone else.

The information is essential to enable builders, bankers and civic groups to tabulate a practical and adequate housing program, according to the bureau. The returns are being assembled by the bureau and will be submitted to a committee of qualified persons for analysis and interpretation, it was announced. Staff members said it is hoped that the study can be completed within a few weeks.

FALL VICTORY SEEN FOR ROGERS, McNAMARA

PREDICT O'MARA DEFEAT BASED ON POOR RECORD

All that remained to be done this week before next fall's election ballots are printed is the formality of two state conventions and the major political parties would have their respective slates complete. With the Democrats expected to name Senator James Mead for the governorship race and the Republicans certain to re-name Governor Dewey, local political dopsters were already naming probable winners, ascribing reasons for their selections and shaking their heads over the losers.

Rogers In

No one, except the respective county chairmen saw complete victory for either party. But two particularly bright spots appeared on the Democratic calendar—the 40th District congressional race and the office of dist. attorney. Named by the Democrats for those offices were George Rogers to succeed himself as congressman and Paul E. McNamara to wrest the district attorney post away from Daniel O'Mara.

O'Mara Out

As one sage put it, "Rogers will get back in because the people want him in and McNamara will get in because the people want" to throw O'Mara out. There was, perhaps, more (See DEMOCRATS Page 4)

WIDE LABOR VOTE SPLIT SEEN IN ALP ACTION

That labor will have an important voice in the fall election is the one fact upon which all political parties and their leaders agree. But if the presently contemplated endorsements are carried through as planned, the labor vote in this area will be so badly split as to nullify any chances they might have of electing chosen candidates.

What they will accomplish, however, is plain to be seen: They will play into the hands of the Republicans, strengthening the very candidates and party the majority of labor will be trying to beat.

It is no secret that the State AFL organization has made at least tentative plans to endorse Republican Governor Dewey. But it is certain that the local AFL body, the Central Trades and Labor Council, headed by Anthony Capone, will not endorse any Republicans either in the county or state without a bitter inside fight. The memory of the City Republican organization's handling of the recent DPW - employee's union dispute is too fresh in the minds of Capone and other AFL leaders to permit them to OK the endorsement of any Republicans.

Another angle was injected into the mixup this week when it was reported that George Kelly, onetime Democratic congressman and a power inside party circles will (See LABOR Page 4)

Political Polka

By CURT GERLING

The major political parties have just been through their annual sessions of weighing the values of their various suggested candidates — which after much pro and con discussion, button-holing, and trading among the various leaders results in what each party hopes will be a successful slate.

If you have been in power for a prolonged (in fact too long) period like Mr. Broderick you merely "yes" your so-called ward and district leaders and do as you darn well please. Democrat Roy Bush being on the other end, except on such important occasions as electing presidents and congressmen, is prone to listen a bit more attentively and react a bit more reasonably.

Each party strives for what is known as a "balanced ticket." Which according to the politician's concept means the precise sprinkling of veterans and those whose names indicate the nationalities of their forbears. The idea is pit Cohen against Finklestein, Murphy against O'Toole, Bianca versus Negra, and a Schultz against a Rumpelmaier. When this is pretty well set the party heads review their choices and inject the proper number of veterans, farmers, businessmen, Masons and Knights of Columbus. It's a chess game designed to check-mate the other fellows

FOR FREE—Someone is going to win this new 1946 De Soto De Luxe Sedan which will be given away by Daw's Drug Stores and at Wolk Bros. Co., DeSoto distributors. The lucky Regent, Temple and Capitol Theatres on July 29. Free tickets are being distributed with all purchases at Daw Drug Stores and at Wolk Bros. Co., DeSoto distributors. The lucky ticket will be drawn from the stage of one of the five co-operating theatres at 7:30 p. m. July 29. According to officials of the sponsoring concerns, it will be necessary to be in one of the theatres at the drawing time to win, but they also add that the car itself, not a certificate good for some future date delivery, will be awarded and can be driven away. Shown here admiring the prize car are (from the left) Francis Anderson, manager of the RKO Palace, Louis Wolk of Wolk Bros. Co. and George Miller, ass't. treasurer of Daw Drug Stores.

EDWARDS DOWNSTAIRS STORE "DARBROOK"

My dear friends, how do you like it? How slim you look—these will be the words of all who see you in a "DARBROOK" dress from EDWARDS Downstairs Store. You know these famous Darbrook dresses are half-size. And this is the explanation to those slim lines you take on—when you don a Darbrook. Let me tell you about them. First the price only \$8.50—the sizes range from 18½ to 24½. They are designed for mature curves—but along youthful lines. No expensive alterations when you buy a "DARBROOK." The selection is large—to make your choice easy. For instance a two piece navy blue polka dot. Cool and slimming. Novelty buttons and spaghetti bows on shoulders. Or maybe you would like a choice of navy or black fashioned of Narco North American Rayon Crepe—another darling is a Narco Crepe—in black smartly dotted in white. A very youthful sweetheart neckline is the eye-catcher in another model—your choice of navy or black with white braid trim at shoulders. But no more of this babbling from me—see for yourself. I must have something done to it—how many women do you near say just that or something else to it. Well why don't they do something about it. First is a good permanent. Nothing can be done without that. At VIRGINIA'S BEAUTY SALON—there is a special offer on permanents at the present. A regular \$10 wave for \$6.50. It's a good one too, no kink, no fuzz, easy to manage right away. Here's another suggestion—ask Virginia—about the New Rae Hair treatment. Then a new hair-do—and that noshin of yours will really look something. Call Stone 346 today and make your appointment with beauty Virginia is located Present Bldg. Fourth Floor—Opposite Hotel Seneca.

When the spirit is willing and the flesh is weak—take to ALICE DRESS SHOP. Shopping and selection are easy in this pleasant shop. There are dresses for everyone—young and old—big and small. Jerseys—sheers—in becoming color combinations—so suitable for summer wear. Costly that tub with impunity—and as for price—ALICE DRESS SHOP have gained a reputation—for price-tags to suit every pocketbook. LINGERIE is also a pet with this shop—beautiful "things" of quality material—in slips and other "musts." Drop into ALICE DRESS SHOP—located 630 MONROE corner Wilmet. Open Eve.

Count on RIPTON DRESSES for the u... in a... in "clothes and wear... in g satisfaction. LLOYD'S The preference for folks in Rochester, who are on a flower buying spree, is LLOYD'S FLORES. Regardless of the occasion, weddings, parties, birthdays or just the desire to please someone you love, are all attended to by Lloyd's. Every order—large or small—is given personal consideration and plenty of thought. Lloyd's arrangements are unusual—and as for price—you'll be surprised how much so little can buy at this popular florist. LLOYD'S LEAD AGAIN. Two stores for your convenience. POWERS HOTEL—and REYNOLDS ARCADE. Main 7688 is the telephone number.

At this particular time of the summer—don't you find your clothes are all going to "seed." What you need is a couple of new frocks to see you through the remainder of the summer. At ZWEIG'S DRESSES—you'll find the selection excellent—in all sizes and all styles—in top quality materials. Even the half-sizes are included at ZWEIG'S. As for price—you'll find you will be able to afford a couple of frocks. Why 'cause the prices are so gentle. ZWEIG DRESSES—240 ROSEDALE off Monroe—Open Eve.

No Inflation Here—Do you realize that the cost of electricity is one of the few things that hasn't increased in the past few years. On the contrary, the price has been steadily lowered and this downward trend continued even through the war. As the result electric service now costs less than at any time in history and today the average family is getting nearly twice as much for its money as it did twenty years ago. Thanks—ROCHESTER GAS & ELECTRIC—it's nice to know.

choices and to keep everybody happy.

It would seem from first glance that the master minds haven't done too badly. The Republicans bouncing over their inter-party hurdles handily. Incumbent assemblyman Sellmayer graciously withdrawing from the race so for Joe Bentley of Penfield, receiving for this noble gesture a six thousand per year plum (newly created from taxpayer's dwindling grouch bag) on the Beverage Board. Rodney Janes also conveniently withdrew to make way for George Manning who otherwise would have been out in the cold because of reapportionment.

The only fluff and an important one according to the political wiseacres was Mr. Broderick's choice of Kenneth Keating to oppose George Rogers for Congress. Not that there is anything wrong with Colonel Keating, he is just too symbolic of the Republican party, what they are and who they are for — not only in the nation but in Rochester.

The Colonel is strictly "blue stocking" stuff. A member of the best clubs, socially prominent, well born, well educated and never down in the pocket-book where he didn't have a couple of fifties nestling in their with all those twenty dollar bills.

He resides in an extremely tasteful rancho in Brighton that cost rather a pretty penny; married a beautiful lady who was and is socially prominent and financially important. All of which shows good judgement on the part of the capable colonel but throws the Republican ticket "off balance" when pitting him against the incumbent George Rogers.

The Republicans have always stood for big interests, big banks, big money, ruling for the few. One of the reasons they have been out of power in Washington for a record-making number of years is that they were eager beavers in looking after Wall streeters while the bread lines got a little longer year after year. Mr. Keating among other things is identified with the banks, the upper crust legal fraternity and serves as counsel we are told for some of our larger concerns. Which is nice for Mr. Keating, typically Republican, but is inconsistent in the light of a "balanced ticket".

Keating's opponent is the "salt of the earth" "back-bone of America" type. George Rogers being "of" the people is "for" the people. He is for the common man because he is one of them. He knows their problems, their desires, their fears. He isn't interested in big business as much as he is the small businessman. As a grocer he knows their problems and is qualified to speak for the fellow who is trying to make a living in competition with big enterprise.

He has done an outstanding job in Congress. What makes it outstanding is that his votes have been cast in the interests of the many rather than for the further enrichment of the few. As the "people's choice" he has chosen to keep faith with them. Thus characteristically the Republican's have picked a perfect candidate to represent Republican interests and once more they have failed to learn that while the big brass may own the businesses, supply unlimited party funds, and control the press they are still but a handful when compared to men and women who may work for them, but still vote for themselves.

When you think of Pin-Up Lamps you naturally think of Railley, for Railley is the Pin-Up pioneer, always on the lookout for new improvements that give these pin-up lamps absolute distinction. For example, note the indented top of the Plasti-Socket on the left. The bowl sets snugly over this neck. Fits securely by means of small notches, and repeats the same smartly fluted pattern of the socket itself.

DEMOCRATS . . .
(Continued From Page 1)

truth than poetry in that observation.

Rogers, a former state senator and county supervisor had found favor with the bulk of his constituents. Not one to make a lot of noise or create blatant publicity, he had gone about his Washington tasks intelligently, without fanfare and for the apparent benefit of "the little people." A grocer by trade, Rogers' record lined him up squarely with the small businessman, the worker and the liberal. He has made few enemies and many friends and was therefore expected to repeat Democrat Meyer Jacobstein's performance of the mid-twenties when a normally Republican district sent him back to congress year after year. Opposing Rogers would be Col. Kenneth B. Keating, attorney and World War II veteran, who was named by the Republicans last week. Political circles also heartily approved the naming of Keating who, said the dopesters, would accurately represent those things for which the Republican party had become famous, or notorious—the description depending upon which side of the political fence the speaker stood. Known and liked by the city's bankers, industrial chiefs and the so-called "400" Keating could depend upon those groups for unqualified support. But that this might prove a detriment to him among the mass of voters outside those favored circles was apparent to all who wanted to see.

O'Mara's Record Hurts

In the race for district attorney, the picture was somewhat different. McNamara is not so well known as O'Mara. But that is expected to prove a McNamara asset. The people did know O'Mara and because of that, he was slated to get the prefix "ex" after his title come November. His record as district attorney stood out like a sore thumb—very sore. And it was assumed that Democratic orators would remind the voters of that record again and again before November. The list of unsolved murders and other serious crimes, the ease with which some suspects have been admitted to bail, the hushing up of other crimes were all expected to come home to O'Mara's doorstep to roost in this election campaign year.

Assembly Post Eyed

Another spot which will be watched with interest is the race for Assemblyman from the Fourth District. Tenth Ward Republican leader Thomas G. Riley had himself reneged for the post. He will be opposed by Leo T. Green, formerly clerk to Rogers when he was a senator. Troubles within the 10th Ward Republican organization last year nearly upset Riley's appointment and whether or not the dissident elements are still restless remains to be seen. Others who make up the De-

ocratic ticket include Charles J. Reap of Warsaw who has a chance to become miracle man of 1946 by getting himself elected. He has taken on the man-sized job of unseating James W. Wadsworth of Geneseo, perennial representative from the 41st district. Political dopesters say that Reap is making the race "just for the ride."

LABOR . . .
(Continued From Page 1)

make his peace with Roy Bush, Democratic county chairman with whom Kelly broke in 1937. However, Kelly's main strength always did lay with the labor element and he is well liked by members of the Amalgamated Clothing Workers — a strong CIO union and mainstay of the American Labor Party in Rochester.

Just to thicken the plot a bit, the A. L. P. was slated to break with the Democrats and name an independent ticket to buck both the Democrats and the Republicans. However, inside reports yesterday were that the A. L. P. would eventually patch up its difficulties with the Democrats and endorse their slate.

40 AND 8 PLAN PICNIC SUNDAY

The second annual Basket Picnic of La Societe des 40 Hommes et 8 Chevaux, Monroe Voiture No. 111, will be held on the Ground of the 40:8 Home, 935 University Avenue next Sunday at 2 p. m.

Voyageurs and their families and friends are invited. Sports and games for young and old are scheduled. No reservations are necessary.

After all the debate about O. P. A. we will now see what happens.

FAMED ORPHANS BAND TO PLAY HERE SUNDAY

Direct from a season of radio and concert hall appearances in and around New York City, the Kallman Orphanage Home Band will come to Rochester next Sunday for a single appearance at the Brighton Community Church, on Winton Rd. N., under the auspices of the Christian Refugee Association.

The 40-piece band composed of boys and girls ranging in age from 8 to 16 years will offer a program of sacred and secular music starting at 7:15 p. m. The organization will be under the direction of Joseph Toft who has trained the musicians and has seen the group progress from a small orphanage band to one of the foremost children's musical aggregations in the east. Last year the band was acclaimed by critics in its Carnegie Hall appearance.

The Rev. W. Millar Crawford and the Rev. Dean S. Bedford are pastors of the Brighton Church.

40 AND 8 'TRAIN' SLATED FOR AUBURN LEGION CONVENTION

The Forty and Eight Engine and Box Car of Monroe Voiture No. 111 will travel to Auburn, N. Y., on its first out-of-town visit since 1941 next Saturday with a large contingent of Voyageurs to participate in the 7th District Convention of the American Legion.

The District Promenade will be held in the Auburn Ukrainian Club at 12:30 p. m. Legion activities will begin with a session at 10 a. m. at the Coburn Hotel there.

ZIONISTS START PRESSURE DRIVE

A "call for immediate action" was this week voiced by the Rochester Zionist Emergency Council in a city-wide mail campaign asking for authorization to send telegrams in the name of individuals to President Truman, Congressmen and Senators requesting them to "take a firm stand" against "a British attempt to liquidate the Jewish National Home."

The letter, signed by Dr. Joseph Diamond, secretary of the local Zionist group, charged that scores of Jewish leaders and spokesmen of world Jewry have been arrested in Palestine by British military authorities

and claimed that "this Nazi-like detention without just cause is nothing less than an act of war against the Jewish people."

What the telegrams might say or how they might say it, would apparently be left in the hands of the committee. While the proposed telegrams will carry the signatures of individuals they will be composed, written and dispatched by the committee. Therefore, senders will have no way of knowing exactly what they have said to their Washington officials. How many authorizations the committee had received by midweek was not disclosed.

Political Polka

By CURT GERLING

The American Labor Party here in Rochester has a lot to be mad about. Outside of the usual run-around handed the long suffering average taxpayer no group has been so openly slapped in the face, lied to, and cheated as the member of organized labor.

With a law already on their books that permitted city employees to join unions the dear old GOP administration kept mighty quiet about it, feigned ignorance, and then in their usual "everything above board" manner surreptitiously voted the statute off the books as soon as the fireworks were over.

With the threat of a general strike on their hands they assumed the uncompromising attitude that Republicans can do no wrong and Rochester must be kept safe for politicians. "The City" they said "could not and would not deal with labor organizations or their representatives." The City could have and should have as the law was on their books—in other words, the "boys" fibbed. It took high powered maneuvering to break down their "to hell with the public" attitude even with the general no work demonstration in full flower. They finally agreed to listen to a group of clergymen seeking a compromise. The fact that these gentlemen were men of God who among other things teach the value of honor and a man's word, meant little to the City.

RO-DEE-O OR RO-DAY-O No Matter How You Pronounce It— Rochester Likes Horse Opera

When Col. Jim Eskew gallops into the Edgerton Park arena for the opening of the Grotto Rodeo next Monday evening, he will be repeating for the eleventh straight years, a mid-summer event which has become as much a part of the Rochester scene as the Powers Block or the Eastman Kodak Co. It was just 11 years ago that the Grotto staged its first rodeo in the same arena and with the same director. But then it was an experiment. No one knew

A preview of rodeo contestants and animals will be given Rochester next Monday noon when the "Westerners" will parade in the downtown area headed by an Indian Band, Cowboys and cowgirls in full regalia, as well as a contingent of local riders will make up the parade. Parade route is as follows: Edgerton Park at 11:30 a. m. and arrive at the Four Corners at noon. It will proceed up Exchange St. to Court St. to Broadway to East Ave. to Main St. E. to State St. and then return to the park.

how Rochester would take to this new (to this area) type of entertainment. But it soon became evident that the city was a "good rodeo town." During the cowboys' first visit here arguments raged as to whether it was "ro-dee-o" or "ro-day-o." Learned discussions took place and each school of thought had large congregations of cohorts.

Nowadays no one seems to care how the word is pronounced. They're too busy trying to get to Edgerton Park to see

NEW MOUNT FOR RODEO HEAD — Col. Jim Eskew, arena director for the Grotto Rodeo which will show at Edgerton Park Arena all next week. This year the Colonel will ride his new quarter horse stallion "Sage King" valued at \$3000.00.

\$25 Winner
Mrs. M. Kenny of 144 Rand St. is the lucky winner of this week's \$25 cash prize offered by The Sun each week to its sustaining subscribers. This is the reward Mrs. Kenny gets for paying her Sun carrier, Carl Furstenberg of 285 Steko Ave., 10 cents. Carl incidentally collects an extra five dollar bonus.

G. I. SCIENTISTS DISPLAY WARES AT MUSEUM

What do you suppose our Rochester area G.I.s were doing on those tropical Pacific Islands, or in the heart of war-weary Europe and Africa when they weren't fighting?

A trip to the Rochester Museum of Arts and Sciences on East Ave. provides at least part of the answer. They made collections of objects concerning the natural history, the people and the customs of the strange lands where they found themselves.

A colorful exhibit illustrating unusual scientific rarities collected by men of the Army, Navy and Marine Corps is on exhibition at the Museum this month.

One of the features is an assemblage of beautifully drawn original water-color sketches of the wild birds of India and Burma made by Sgt. William Dilger of Hilton while attached as photographer to the 2nd Air Corps Commando Group. In addition to the pictures is a series of the preserved specimens upon which the drawings are based. Among the specimens are doves, parrots, storks, sand-grouse and peacocks.

Colorful Formosa, with its lofty mountains and until recently held by the Japanese, is represented in the exhibition by richly beaded and hand-woven costumes in bright colors, knives and pottery of the savage tribes in the Prefecture of Taihoku and Takao. These ethnological objects used by little-known peoples, some of

Delinquency Speaker Dodges 'Pinball' Issue

Are pinball machines a menace to the youth of Rochester? Do they contribute to the ever-increasing juvenile delinquency in the city? Those are questions bothering a number of serious-thinking Rochesterians, particularly mothers and fathers of 'teen agers. Members of various women's clubs are hearing a lot about juvenile delinquency these days and are busy formulating ways to cope with the problem. Much of what they hear comes from Leland Yost, legal counsel for the State Youth Commission, one-time assistant district attorney and formerly public defender for the city. Yost is conducting a speaking tour of the clubs and has brought many phases of the problem to the attention of the thoughtful mothers who have heard him.

But many of them are wondering why he so discreetly dodges the issue of the pinball machine. Not one word, report his hearers, will he say about the "nickel stealers." While admitting that, perhaps Yost does not believe the pinballs contribute in any way to juvenile delinquency, these same thoughtful parents have suggested that perhaps Yost's politics are stronger than his convictions. Yost, it is recalled, was always quite strong in the local Republican organization. He didn't get his appointment to District Attorney Daniel O'Mara's staff simply because he was a good lawyer, even though his accusations admit his legal qualifications. And that he is still a "good" Republican is evidenced by his present post to which he was appointed by Governor Dewey.

Those who see politics as standing in Yost's way of a de-

CITY FISHERMEN SHARE IN WEHLE JUNE CONTEST

Five Rochesterians have won major prizes in the June Louis A. Wehle Fishing Contest, it was revealed this week.

Louis Bellomo won first prize in the Walleyed Pike class with a catch of 11 lbs., 8 ozs., while runner-up honors in the same class went to J. H. Williams, 120 Catalpa Road, with a 10 lbs., 10 1/2 ozs. each.

First place in the Perch class went to Robert C. Ramzenbach of 63 Thatcher Rd. His fish weighed 1 lb., 12 ozs. A. W. DeRoos, R. F. D. No. 2, took third prize in the Perch class with a 1 lb. 6 oz. beauty.

Earl Joyes, 10 Berry St., took down second place in the Rock Bass class, landing a 2 lb., 3 oz. fish for the award.

An interesting coincidence in the Northern Pike class resulted in duplicate prizes being awarded for second place. Bill Wildner of Auburn and Allen Jackson of Clayton reported catches of identical weight. Both Pike were weighed in at 14 lbs., 11 ozs. Wildner's entry was 38 1/2 inches long with a girth of 16 1/4 inches. Jackson's catch was 39 inches long with a 16 inch girth.

A becoming frock will always bring praise—so why buy any other kind. At ZWIG DRESSES your choice is made easy by an outstanding selection. All sizes—even the much sought after half size—are to be found. As for styles—there are smart as any you will see. Price is another consideration at ZWIG DRESSES—you'll find after a glance at the tags—you'll be able to afford more than one. ZWIG DRESSES—240 ROSDALE—Off Monroe—Open Eve.

A NOTION FROM T.A.K.S. A SALE CLEARANCE—CLEARANCE—of the entire stock of summer dresses at the ALICE DRESS SHOP. This timely sale to my way of thinking is just at the right time of the year. Plenty of hot weather ahead—when only a summer dress will do. Jerseys—sheers—meshes—are included—even Cottons. The price tags say \$5.50 and up—but the price with the red pencil shows you values up as high as \$19.95. All sizes—even the half size are to be found. So get there early—while the selection is at it's peak. ALICE DRESS SHOP—630 MONROE AVE.—Open Eve. Lingerie—also "stocked" at this popular shop. Lovely slips and other wearables. Fashioned of top quality materials.

SALE Yes, milady—and it's a honest to goodness SALE. The entire stock of summer dresses have been reduced. Of course you won't find every size in every style—but after all when you glance at the price tag—you'll agree—that here are real values. Formerly values from \$8.95 to \$16.95—now marked \$5.95 to \$10.95. Sizes range from 8 to 44. So what are you waiting for—grab your hat and pocketbook—and "git" for RIPTON DRESSES—739 MONROE AVE.—Open Eve.

ED RANDALL'S Scene & Word

This being the eighteenth of July, which has nothing to do with the seventeenth of March, we'll start off with an Irish story. This one concerns a certain Irishman named, strangely enough, Pat, who was seriously ill. He was, as a matter of fact, at death's door and a friend was sitting at the bedside to do what he could to help the sufferer in his last moments. "Well, Pat," said the friend, "You're pretty sick, which you probably realize yourself, and I'm wondering if you are prepared to go. Have you made your peace with God and denounced the devil as you should?" The dying man revived for a moment and said, "Sure, and I've made peace with God—but I'm in no position to antagonize anybody!"

George Elliott, Anzenberger-Busch district manager, is ready to swear that the following tale is true. George has been touring the country with the Budweiser Clydesdale horses and has become quite attached to the handsome animals. One night he began to worry about them and finding that he couldn't sleep he decided to go over to the Stone Street Ramp Garage, where the horses were quartered during their stay in Rochester, and assure himself that his pets were in no danger. It was late and things were quiet at the garage, but before George reached the horses' stalls he could hear voices. He traced the voices and found two of the Clydesdales talking to each other. One of them said: "You know what? Fred, our driver, has promised me eight extra bales of finest, Kentucky-grown hay when we reach Buffalo if I do a good job of leading the rest of you jerks while we are here in Rochester." The other horse replied: "Did you say EIGHT bales of hay?" "That's what I said," replied the first horse. "Worth doing a good job for, eh, kid?" "Gosh," said the second horse. "Think of it! Eight bales of hay. Boy, that ain't money!"

The other day I saw a sign in front of a shoe repair shop advertising a certain kind of rubber heels, O'Sullivan's, to be exact. The sign carried a picture of a very, very beautiful girl who was saying "I'm in love with America's No. 1 heel." Below this inscription some disillusioned female had scribbled: "Too bad, dearie, I married him."

Some scientist with nothing better to do has figured out that a bee's sting is only one thirty-second of an inch long. The other two feet is imagination.

Eddie Ryan, the golfing lawyer, recently moved into new offices in the Beechwood Post-office building at Main and Goodman. He bought a lot of new furniture, rugs, pictures, etc., and his offices really present a very swank appearance. The other day an old and valued client called on Eddie for the first time at the new location and was obviously impressed with the grandeur of the place. "Well, George," asked Ryan, "How do you like the new layout?" The client replied: "I like it swell, Eddie. You've certainly gone all out, but where is that old cuspidor you always had in the corner of your old office in the Wilder Building?" I really miss it." Quipped Ryan: "You always did."

number of years.
If Yost believes there is actually no harm in the machines, especially in public school areas, he can find plenty of influential people who will give him an argument. Recently a Syracuse judge, in a decision declaring the machines "in effect slot machines and therefore illegal" condemned them as "increasing the problem of juvenile delinquency." The judge also called it "poor public policy" to allow youths to become gambling conscious "before they are out of elementary school grades."
Local school officials have also condemned the pinball machines and their influence on school-aged youth. Last year when The Sun exposed the placement of pinball and slot machines in neighborhood stores frequented by school children, several principals and

other education officials lauded The Sun for its efforts to wipe out the practice and condemned the machines in the sharpest terms.

(Continued From Page 1)
to the city fathers. The fact that one wore a Roman collar and the others cloth of the clergy was of little moment. They are just another group of "do-gooders" to be coned about, lied to, double talked and deceived.

We don't doubt that these gentlemen "took the word" of these politicians who they would follow along the way it was publicized (for one day) and agreed upon for settlement. They have since learned that the derisive phrase "a politician's word" is not an empty one. What part of Heil a politician can be assigned to must occasionally enter the thoughts of these badly bamboozled clergymen.

As soon as the workers of Rochester were "carefully phrased" back to work and the union leaders accepted these assurances the administration hailed it as a victory in the cause of right—their rights.

In a few days they boldly repudiated all agreements. A week later an administration spokesman addressing a conference of mayors boldly boasted of their victory without mentioning their deceit and taunted the labor group for being so credulous.

Yes, the Rochester workingman has a lot to be mad about—but they shouldn't let their mad interfere with good judgment. Their failure to endorse all Democratic candidates up to this writing, is an indication of permitting their annoyance with politicians to run away with good sense. No one blames them for being against the Republican city administration, but to split the vote that might be counted in Democratic columns makes the chances for the cordially disliked GOP administration so much brighter.

Mr. Broderick and his team feel that they can win without the so-called Labor vote. They are characteristically Republic-

can in viewpoint, they will have money and a "machine" to turn out votes, they believe they have a "trend" with them and they intend to keep on serving their old master Mr. Big Business. As always they are for the further enrichment of the few and to hell with the many.

It would be well for the Labor Party even in their highly inflamed state to reconsider their present plans. To go along alone except for their endorsement of Rogers makes no party obliged to bend an attentive ear to them. It makes the local GOP ticket chances too much better and with the GOP in the city Hall saddle the best they can get is the worst of it.

Kenneth Keating prosperous, blue-stocking candidates for Congress on the Republican "rich-get-richer" ticket is from the wrong side of the tracks—unless of course, you have a million dollars.

Vacations for State employees, cut to three weeks during the war, have been restored to the customary four weeks, Governor Dewey declared recently.

In announcing his decision, Governor Dewey explained that "the manpower situation is steadily improving" and that "essential services can be maintained on the full vacation schedule."

Couldn't be an election year—could it?

New Yorkers who are a little annoyed with standing in noisy subway cars these sweaty days read the accounts of Governor Dewey's activities at the inauguration of the construction on the four lane N. Y. State thruway.

The Governor had hardly set aside his silver shovel when citizens of the metropolis posted the slogan "Millions for a thruway but not a penny for subway."

It's things like this that cut down upstate GOP pluralities.

The milk dealers and the milk producers got together promptly after the OPA lid was removed. At a conference in New York City the dealers graciously agreed to increase the scale of pay for milk delivered in the metropolitan market for the urban consumers. Thus geared to quick action the dealers then announced an increase in milk prices to be paid by the customers.

The consumer, of course, had not taken any part in the prior conference. He, and she, had not been invited. Their role in the program is to pay, and pay, and pay—prices to be fixed without their being bothered by details.

This is "free enterprise" at work according to the established custom in the American way of life and Republican senatorial hamstrings of OPA.

DDT USED IN NEW GARBAGE CAN CLEANER

DDT is also coming to the aid of the housewife in ridding garbage cans of insects and odors, according to the Tad Chemical Company of Rochester, N. Y.

Officials of the company say their new product, San-Can, has been especially formulated with DDT to destroy insects, flies and maggots which ordinarily accumulate in and around garbage cans. The new compound is also said to destroy odors and insure a sanitary garbage can.

San-Can is available at grocery, hardware and drug stores.

MUSEUM...
(Continued From Page 1) whom are still head-hunters, were collected on the island by Maj. William J. Morgan of the OSS, a resident of Rochester. Another science indulged in by service-men imbued with scientific curiosity was archaeology, the excavation of relics and the study of strange races of the past. On the island of Guam, shortly after its recapture Lt. Edmund S. Carpenter of the Marine Corps, whose home address is 97 Middlesex Rd., discovered pre-historic graves, stone monuments and other remains of an early civilization which inhabited the island. When a Seabee construction crew uncovered some of the finds, Lt. Carpenter was enabled to make a noteworthy collection of stone implements, solid stone sling shot pellets and skulls of the ancient race who used them. Examples of all of these are in the Museum. A large collection of

Southwest Pacific shells found on the beaches of the New Hebrides and Solomon Islands by E/M Frank Smith of 24 Wilkins rounds out the exhibition.

Political Polka

By CURT GERLING

As was recommended in this column last week the Labor group made peace with the Democrats and now all they have to do is work together and fight together with the chief responsibility seemingly on the shoulders of Labor.

The Democrats get the Democrats as a rule and a large "enrolled" Republican but extremely independent vote. Some years it's more, some years it's less. It depends on who's running or just how sick and tired these voters are of local policies and politicians.

An analysis of last year's returns indicates that Labor failed to get out with the enthusiasm they did in the presidential election of the year before, as a result the Democratic minority of this strongly Republican territory took it on the chin.

Labor is justifiably angered. The local GOP has thumbed its political nose at them, double-crossed them and belittled them. As far as the Republican party is concerned they are just a lot of guys named Joe and as a political wedge not important enough to be considered.

Unless they vote their approximate 3400 enrollment and influence a great many more against the GOP, what the Republican Party thinks of them as a political force may sooner or later be true.

Republicans are indulging in much wishful thinking regard-

Home, Food Expo Set For October

Plans for Rochester's first annual Better Homes Exposition and Food Show at the Main St. Armory in October were announced this week by officials of the Rochester Home Builders' Association, sponsors of the event.

There was some question about the label "first annual" used in conjunction with the show, as most Rochesterians well remembers the Convention Hall food shows put on annually until a few years ago by the Rochester Retail Grocers' Association. And certainly Rochester had had its share of Better Homes shows. However, it was assumed that October's show was using the "first" designation because it will be the first combined homes and food show in the area.

The Dubinsky-Stone Expositions, Inc. will manage and direct the show, according to Joseph Bavaqua, president of the home builders' group. The Dubinsky-Stone organization is said to have a background of 25 years in the exposition field and currently manages similar shows in Boston, Worcester, Albany, Hartford, Toledo, Cincinnati and Columbus.

There's More To Rodeoing Than Just Riding A Horse

By Orville Allen

If you're one of those who think that the life of a rodeo performer is all horseback riding, a little trip through the area of the Edgerton Park bleachers this week where rodeo is playing to its customary packed audiences, will soon let you a right partner (as we say out in Wyoming).

Take the case of Jack Jackson and his pretty wife Beryl who have parked their (See RODEO Page 6)

'Jam Session' Exposed In Park Name Change

They hadn't gotten around to having the large "Ya" and the small "Nein" ballots printed yet, but at the rate the Rochester City Council was travelling this week — it would surprise few if the august body of rubber stamps instituted the dictator-type ballot in the near future.

Last week, the Rochester Municipal Journal, published by the Republican organization to cement relations with its satellites in City Hall, let it be known that the Council was going to honor the veterans. It was going "all out" to prove to its noble sons and daughters that the best was none too good for them. It would spare no effort or expense to honor the veterans.

What was the City Council about to do? Would it give the veterans jobs? Had it proposed to insure adequate housing for the ex-soldiers, sailors and marines? Or perhaps it was going to create a fund from which loans to veterans could be made to tide them over emergencies. Nope! None of these. Those measures were all so commonplace. The council was going to do something really "speshul" for the vets.

It was going to change the name of Cobbs Hill Park to the Veterans Memorial Park.

Ah, what gratitude; what an honor for the vets! Now those who had no place to live would at least have a place to sleep—under the stars (and the wind and the rain and the snow) in their very own park. If they couldn't find jobs—the vets could graze on the velvety green grass in their very own (See PARK Page 8)

Independent Voters Hail Democrat-ALP Harmony

face the combined opposition of the regular Democrats, the labor element, the liberals and the independent voters in November. Even though Monroe County was normally considered Republican, the consensus was that the appletart could and would be upset this Fall providing the vote was heavy. The GOP has always been considered the beneficiary of a light vote in the area. And with all now apparently harmonious in the Democrat-ALP camp (See VOTE Page 9)

LAWN SOCIAL SET BY VFW AUXILIARY

Members of the Ladies Auxiliary of Veterans Memorial Post 2789, V. F. W., will stage a lawn social at the home of Mrs. Grace Raetz, 526 Cedarwood Ter. on Wednesday evening, Aug. 14. Those who will assist the hostess include Catherine Colbert, president of the Monroe County Council; Dolores Hagen, president of the auxiliary and Eva Clopton, past president.

VETERANS PLAN MOONLIGHT CRUISE

A moonlight cruise on Lake Ontario has been scheduled for Aug. 23 by members of the Rochester Post No. 143, Regular Veterans Association, as their first social affair since revival of the post last Spring. An orchestra will provide music for dancing and prizes will be awarded for the best dressed couple, the best dancers, the oldest and the youngest present. (See PARK Page 8)

KAY'S COMMENTS—by kay shearer

EDWARDS AUGUST FUR SALE

The traditional AUGUST FUR SALE has been planned months ahead—and eagerly awaited by all Rochester women. Here under one roof are the finest of furs brought to EDWARDS from the four corners of the earth. Exciting fashion ideas—our own American designers have contributed fresh-caught skins—the cream of the crop—chosen with knowledge. Remember AUGUST is the most advantageous time to buy from the standpoint of price, fashion and superior workmanship. Here are a few of the values. A SILVER MUSKRAT—fashioned in a coat to flatter everyone, with easy fullness, deep cuffs and importantly manipulated shoulders. Priced at \$395 plus tax. Another adorable is the popular PERSIAN LAMB—a design that goes well with everything and is becoming to all. It is thirty-six inches long with sleeves that can be worn full or pushed up. Priced at \$585 plus tax. The AUSTRALIAN OPOSUM is a beauty at \$995 plus tax. Light as a feather, downy to the touch. A long wearing fur that is casual or dressy. You like. Of course EDWARDS STOCKS includes other price-groups as well. There are four ways to buy. Charge It. Pay 1/3 down and the balance in twelve monthly payments. \$10 down and weekly or monthly payments will hold any fur coat till Dec. 1st. You'll find the FUR SALON on the THIRD FLOOR at EDWARDS.

Table cloths are being made with a super-thin layer of plastic that makes them stain and liquid proof. The fabric looks and feels unchanged and yet it can be cleaned with a damp cloth.

SALE Have you taken advantage of the CLEARANCE— at ALICE DRESS SHOP. It's still in progress—and includes the entire stock of summer dresses. In this humid weather—a new summer frock in your wardrobe will give you that added zest to keep well dressed—even in summer. Jerseys, Sheers—Meshes are included—even Cottons. The prices are marked \$5.50—values up to \$18.95. All sizes—even the half sizes are to be found. Shop today—stocks are dwindling—and small wonder—marked at such a bargain. ALICE DRESS SHOP—630 MONROE AVE.—Open Eve.

Chrome finishes can be kept shining through the use of two new products. Packaged in a kit. One preparation is for removing rust and stains from shiny metal surfaces. The other is a clear plastic for coating the metal to prevent corrosion and tarnish.

SALE SALE—SAE—SALE— at RIPTON DRESSES—the entire stock of summer dresses reduced so low—your budget will stand a couple. Of course don't expect to find all sizes in all styles—but there is a good selection—for everyone. Formerly values from \$8.95 to \$16.95—now marked \$5.95 to \$10.95. Sizes range from 9 to 44. Don't wait—drop into RIPTON DRESSES today and add a smart, wearable summer frock to your willing wardrobe. Located 739 MONROE AVE.—Open Eve.

A Mauis and skirt, coolly contrasted in blue and white, provide that extra something to wear all through the day. In linen-like spun rayon trimmed with a file of pearl buttons and a neat bow to set off the V-neck.

What women do without a fresh permanent in hot weather—I can't imagine. There is nothing that will give a body to a willing noggin like a new permanent. At VIRGINIA'S BEAUTY SALON—a SPECIAL PRICE is being offered. A regular \$10 wave for \$6.50. It's a top quality wave—the result—soft manageable hair—no tuzz no kink. Make your appointment today. The telephone number is Stone 348—VIRGINIA'S BEAUTY SALON—Present Bldg. 4th Floor—Opposite Hotel Seneca. Ask about Virginia's pet—the New Ray Hair Treatment. One application and your locks will shine like the stars.

A leading nylon designer is planning "litter" which are stockings with a black velvet seam and heel. He has another idea, too, a stocking with a zippered pocket for lipstick and "mud money." For the love of Peter—what next?

White marquisette, the coolest thing imaginable for dancing under the stars. Fragile looking flowers forming an edge around the deep neckline, puffed sleeves and billowy skirt are white lace.

Fresh seafood is in its prime in the fish markets these summer days. It takes the place of meat and is appetizing and healthful. The HOME SERVICE DEPARTMENT at R. G. & E. has directions for cooking lobster and other sea food. They have compiled a new booklet called "SEAFOOD" and it is wonderful. It is yours for the asking at ROCHESTER GAS & ELECTRIC—89 East Ave. Drop in the next time you are downtown.

An afternoon dress of rough weave silk is printed in a cool Persian pattern—brown or beige. The skirt is softly shirred and there are brief cape sleeves. Finishing touches are a quilt-studded leather belt and leather-trimmed pockets.

What is Wrong When Prayer Fails?

Thirty years ago, in Forbidden Tibet, behind the highest mountains in the world, a young Englishman named Edwin J. Dingle found the answer to this question. A great mystic opened his eyes. A great change came over him. He realized the strange Power that Knowledge gives.

That Power, he says, can transform the life of anyone. Questions, whatever they are, can be answered. The problems of health, death, poverty and wrong, can be solved. In his own case, he was brought back to splendid health. He acquired wealth, too, as well as world-wide professional recognition. Thirty years ago, he was sick as a man could be and live. Once his coffin was bought. Years of almost continuous tropical fevers, broken bones, near blindness, paralysis and danger had made a human wreck of him, physically and mentally.

He was about to be sent back to England to die, when a strange message came—"Tibet." He wants to tell the whole world what he learned there, under the guidance of the

greatest mystic he ever encountered during his twenty-one years in the Far East. He wants everyone to experience the greater health and the Power, which there came to him.

Within ten years, he was able to retire to this country with a fortune. He has been honored by fellowships in the World's leading geographical societies, for his work as a geographer. And today, 30 years later, he is still so athletic, capable of so much work, so young in appearance, it is hard to believe he has lived so long.

As a first step in their progress toward the Power that Knowledge gives, Mr. Dingle wants to send to readers of this paper a 9,000-word treatise. He says the time has come for it to be released to the Western World, and offers to send it free of cost or obligation, to sincere readers of this notice. For your free copy, address The Institute of Mental Physics, 213 South Hobart Blvd., Dept. 334-A, Los Angeles 4, Calif. Readers are urged to write promptly, as only a limited number of the free books have been printed.

SHE WAS THE 'RIGHT NUMBER' FOR HIM

When the minister finally came to the "I now pronounce you, etc." line the young couple in front of him almost shouted "Bingo!" But word from Pensacola, Fla. where they were married, is that the bridal couple maintained a discreet silence.

"They" are Alvin E. Lynch and his bride, the former Evelyn Gillard, married in the Florida city on July 15 and now residing on Laurelton Rd. Alvin is the son of Ray Lynch who operates bingo games in Rochester. The newlyweds met at dad's hall while both were employed as bingo operators. Now they're back and have taken up their former jobs. Players at the hall honored them with a informal reception at their "homecoming" last week.

ED RANDALL'S Scene & Word

Personal nomination for the worst pun of the year. The headline in an out-of-town newspaper reporting on the results of Operation Crossroads: "IT DIDN'T BIKINI DIFFERENCE ATOLL."

Mel Rice, Veteran Foods salesmanager, recently took his staff of salesmen on a pleasure trip to Montreal. Through some misunderstanding the hotel where reservations had been booked could only accommodate seven of the party, leaving one member without a room. The clerk, however, was sympathetic and said: "I'm awfully sorry this happened but one of you gentlemen will have to double up with one of our guests." One of the Veteran crew whom we'll call Jones spoke up and said: "Why, that would be all right with me. I'm leaving on the early boat in the morning and I would be perfectly willing to share a room with someone." The clerk thought for a moment and said: "Mr. Slotkin in Room 806 is not using one of his beds and I'll ask him if he is willing to share his room with Mr. Jones." Mr. Slotkin agreed readily to the arrangement and Jones took his baggage to the room, thanked Slotkin for his hospitality, and returned to the desk to leave a call for 6.30 the next morning. He then rejoined his party and after a large and boisterous evening in the bistros of Montreal returned to the hotel, went to Room 806 and slept well, in fact, like the dead. The next morning as Jones was going down in the elevator, he was greeted by the operator with a "Good morning, Mr. Slotkin." The doorman said: "Sorry you're leaving us, Mr. Slotkin." Jones shrugged off these greetings, saying to himself: "At 8:30 A. M. who's in his right senses." He arrived at the docks, boarded the boat and went to his stateroom. Looking in the mirror he decided he needed a shave. A second look and he let out a scream. The boat was already underway and the other passengers were soon alarmed to see Jones dashing madly along the deck shouting: "My God! They woke up the wrong man!"

Overheard at the Roast Beef Tavern bar: "My wife's getting to be an awful old battle-axe. I'd leave her for two pins."
"Yeah, and I know the two pins you mean."

Once there were three rabbits who were arrested and brought before a judge on charges of vagrancy. The judge looked sternly at the trio and said: "You three are here on serious charges. I'm inclined to show no leniency but the law allows you to plead innocent or guilty and I'm going to give you a chance." The pointing to the first rabbit, he said: "What's your name?" "Jack Rabbit," was the reply. "Why were you arrested?" was the next question. "I don't know, judge," was the answer. "All I was doing was walking along the beach and picking up pebbles." Turning to the second rabbit, the judge fixed him with a mean, judicial eye and asked: "You, What's your name?" "My name is Peter Rabbit, your Honor." "Well, speak up; what brought you here?" "The same thing, judge," was the reply. "I was only walking along the beach picking up pebbles." "Harumph!" growled the judge. "Can't see much wrong in that." Then pointing an angry finger at the third and smallest rabbit, he barked: "What's your name?" "Who me?" came the trembling answer. "Why, I'm Pebble!"

SEES NEED FOR NATIONAL WIN FOOD SOCIETIES
Formation of wine societies on a nationwide basis was recently urged by Simon of London, England, founder of such groups in England, America and Australia and one of the greatest authorities on wine production. He has just completed a tour of the principal cities and reported that established societies now exist in New York, Boston, San Francisco and Los Angeles and that groups are being formed in Detroit, Cincinnati, Kansas City, and more. His visit to America convinced him, he said, that America today is producing wine of greater quality than ever before.

Crosby Gaige, chairman of the New York City group, said that the establishment of wine societies on a truly wide basis would make possible for people interested in better living to meet and exchange ideas.

The existence of a number of local societies, he said, "would insure" Wayne B. Wheeler or P. Johnson, or any crackpot of this generation against threats of a "spectrum of prohibition."

Simon said he was aware that there are states and many "where well meaning, identically ignorant people managed to deprive the low citizens of their right to enjoy the wine and bread in the very which they were born themselves."

"From time immemorial," he said, "bread and wine have been the food and drink of civilized men. Let him who chooses to be so foolish as to eat bread and drink wine shall eat no bread and drink no wine."

"I hope the time will come soon when the wine and food societies in ten but in a hundred years that they will win and dine together spread throughout the doctrine that wine is God's greatest gift to man and that it is an insult to God to give to keep such a gift to anybody."

"I hope that you will give this in mind and give help in your power who are endeavoring the formation of local wine societies. So that it be passed on to the next generation the art of wine and true appreciation of living."

**SEES NEED FOR
NATIONAL WINE,
FOOD SOCIETIES**

Formation of wine and food societies on a nationwide basis was recently urged by Andre Simon of London, England, founder of such groups in England, America and Australia, and one of the greatest living authorities on wine and gastronomy. He has just completed a tour of the principal U. S. cities and reported that well-established societies now operate in New York, Boston, Chicago, San Francisco and Los Angeles and that groups are desirous of forming organizations in Detroit, Cincinnati, Milwaukee, Kansas City, and Baltimore. His visit to America has convinced him, he said, that America today is producing wines of greater excellence than ever before.

Crosby Gaige, chairman of the New York City group concurred with Simon and declared that establishment of wine and food societies on a truly nationwide basis would make it possible for people interested in better living to meet and work together.

The existence of a large number of local societies, he said, "would insure that no Wayne B. Wheeler or Pussyfoot Johnson, or any crackpot or bigot of this generation will again threaten us with the spectre of prohibition."

Simon said he was amazed to learn that there are several states and many counties "where well meaning, but evidently ignorant people have managed to deprive their fellow citizens of their birthright, the right to enjoy the wine born and bred in the very land in which they were born and bred themselves."

"From time immemorial," he said, "bread and wine have been the food and drink of civilized men. Let him eat no bread or drink no wine who chooses to be so foolish, but what right has anybody to tell you or me or anybody else that we shall eat no bread or drink no wine."

"I hope the time will come, and come soon, when there will be wine and food societies not in ten but in a hundred cities, and that they will not merely win and dine together but spread throughout the land the doctrine that wine is one of God's greatest gifts to man and that is an insult to God the giver to keep such gift from anybody."

"I hope that you will keep this in mind and give all the help in your power to those who are endeavoring to aid in the formation of local societies all over America, so there will be passed on to the next generation the arts of the table and true appreciation of gracious living."

**EAGLES PARADE TO
PICNIC GROUNDS
JULY 28th**

Fifty decorated cars will leave from the Eagle's North Washington St. headquarters at 12:30 p. m. on Sunday, July 28, bound for the Doud Post Home grounds and the annual Eagles family picnic. Picnic activities will get underway at 1 p. m. with a sports and games program, according to Frank Donovan, general chairman. A luncheon in mid-afternoon, refreshments throughout the day and a program of dancing in the pavilion on the grounds are also on the schedule.

A program of races and games for young and old will be staged by the sports committee headed by Joe Wurzer. Prizes have been selected for winners of the events.

Other committee chairman, besides Wurzer, include Charles Curran, refreshments; Henry Cabe tickets; Walter Sullivan, badges; Edward Sullivan, transportation; John Weigand, grounds; Fabian Glaser, prizes; Marylin Friday, hats; Thomas Kennedy, reception; Joseph Kaufman, publicity; LeRoy Dowdle, parking; George Esse, music and Ray Mason, races.

"How did this man get here?" she asked, severely.

"I'm sure I don't know," was the cool reply; "he must have been left over by the last cook."

RODEO . . .
(Continued From Page 1)
deluxe trailer on the grassy strip for this week. Jack is a bulldogger (that means wrestling with an angry bull when said bull is all against the idea), Beryl, a cute blonde filly, contributes to the rodeo entertainment as a trick and fancy rider.

How do they live? Why do they follow that sort of life? Where did they meet and what do they do when they aren't rodeoing? Those are some of the questions that naturally pop into minds of us auto riding, terra firma bound native sons of the effete east.

Just A Home Body
To answer this questions we called on the Jacksons in their trailer "home" the other evening. The knew all the answers. How do they live? During the greater part of the day and most of the evening, just as you and I. The missus cooks and bakes (on a miniature gleaming stove in the kitchen, or "galley") and makes her old man (Jack) help with the dishes. Mrs. Jackson likes to shop downtown, takes in an occasional movie (usually a matinee) and does the other hundreds of little chores that always need doing—in either a house or a trailer. What's more, she makes all her costumes (and some of hers are very very pretty, pardner) and even has a sewing machine—how she manages it all in a trailer we wouldn't know—but we saw the machine.

POLKA . . .
(Continued From Page 1)
ing Mead's chances for Governor. They talk of discord in New York City circles. The power of James Aloysius Farley who is always out for a "coke" when Mead's name is mentioned and the disputes among the big leaders of the party.

Democrats are always fighting among themselves. They enjoy it. It makes a year round game of politics instead of just something to get excited about each fall. With all their squabbles they have polished off the Old Guard year after year and some of their victories have been so overwhelming as to bring on talk of disbanding the GOP and starting again from scratch.

The Republicans should bear in mind that no matter who is running for governor on the Democratic ticket the Democrats want very very much to win with him. This year's gubernatorial outcome and the control of the greatest state in the union (and the most electoral votes) goes a long way towards electing the president of the United States a few years hence.

The Old Guardsmen might well look into Jim Mead's vote getting ability and review some of his past performances, with and without F.D.R. the world's champ on the ticket.

For example the year Herbert Lehman barely made it with a slim 50,000 plurality for the governorship Jim Mead rolled up a plurality of 300,000 to ride into the Senate under full sail.

Mead, like no other man, is popular with government workers of all political faiths and, as the GOP has often painfully pointed out, there is an awful lot of them.

Because of his splendid record and his great personal popularity Mead is figured to cut down votes in normally Republican cities. More important is the fact that Tammany, after long years of La Guardia, once again runs New York. The old steamroller that for so many years flattened the hopes of Republican candidates coming down state with huge pluralities is getting up steam for another such job.

The removal of OPA ceilings is sabotaging one of the nicest little black market operations in the city run by a city employee in a city building—the DPW building on Dewey Ave.

For months past one of its alert members has been borrowing a city DPW truck on his Thursday off and touring the surrounding country-side for produce. He selects vegetables, butter, fowl and meats, hauls them back to the mezzanine of the DPW plant and sets up shop.

Until the elimination of OPA made so many food items more plentiful if more expensive he enjoyed a thriving business among his fellow-worker-suckers. His meat prices were out of this world, and butter was a buck a pound but he sold it. The city pays his rent and also foots the bill for the gas, oil and truck; thus he had no serious overhead problem.

We haven't had quotations for the last week or two and it's quite possible his customer count has been reduced. We understand that sugar is still available at thirty cents the pound without the formality of the stamp.

Young Bill Macomber who aspired to the Congressional nod from Boss Broderick is well thought of in local Republican circles. Reports indicate that he will be given political season-

ing for battles in years to come. If the truth were known he would have been on the ticket this year (but not for Congress) if the master minds hadn't forgotten their geography on state assembly and senatorial districts.

Fourth Ward definition of Political Economy — "Don't buy any more votes on election day than you actually need."

One way to fight inflation is to maintain relatively high taxes; the next time a big business tycoon yells his head off about the danger of inflation, ask him whether he favors high taxes.

ESKIMO MOE

IS A HAPPY JOE!
SINCE HE FOUND OUT ABOUT THE
GALLO WINE GLACIER

"Come be our star," said the talent scout to Eskimo Moe. So, Moe came out of the frozen North and joined the circus. Then, sizzling heat waves hit Moe like a kick on the shins. "I quit," he said, dreaming of his pet iceberg. "You can't quit," said the manager. "Icebergs," said Moe and started to pack his parkas.

Then the manager mixed that new icy cold drink — the Gallo Wine "Glacier." "I stay," said Moe as he took a sip of its frosty goodness.

Now when it's hot, Moe just sips a Gallo Wine "Glacier" and forgets the heat. If you don't think it's the finest summer drink, just eskimo.

HOW TO MAKE A GALLO WINE GLACIER
Fill a tall glass with ice. Pour in your favorite Gallo Wine. Add a slice of lemon or lime and a dash of soda water. (Add refrigerator and serve.)
If you like a table wine is added, sugar if a table wine is added.

Trailer's Trailer
Oh yes, out in back in the trailer is another, smaller affair. That is the home of Beryl's prize horse "Little Red." (No kitchen or sewing machine in the horse's home).

Love At "First Fright"
They've been married 11 years and have been following the rodeos ever since. In fact they were married on horseback by a minister on horseback at one of the big western rodeos. They had met several months earlier when Jack was contesting in a rodeo in which Beryl also appeared. It was a case of "Love at first fright," you might say—Jack admits he fell in love with Beryl's horse the first time he laid eyes on the animal. But he apparently frightened the animal who reared suddenly throwing Beryl off. She was the one who was frightened, but not of Jack. She thought he was "just grand." But according to Beryl it wasn't until several weeks later that he even noticed the rider atop the horse's back.

Do they like rodeo life? Well, they've been at it together for 11 years. They're out-of-doors; they're free of any boss; they have no housing problem; and they're constantly with the friends they love best—horses. In the summer they follow the rodeos—in the winter they loaf in Florida.

Anybody gotta horse I can borrow?

SPAT FAD IN FRANCE PREDICTED BY SA
The Salvation Army isn't going into the style-setting business, but it can predict that spats will be popular in France and Holland this winter both for men and women.

Just received by the organization as one donation of apparel for the needy in war-torn countries were 7,500 pairs of spats from a New York City Shoe Company. They are of all sizes and many colors—white, black, brown, grey, fawn, and sand.

RACING SWIMMER ARRIVES SANS PANTS

Omaha, Neb. — Leading on the last lap of a swimming race, Marty Kaplan, 13, swam so fast in his final efforts toward victory that he swam right out of his swimming pants, forgot his cause and finished an embarrassed second.

NO MORE HORISING AROUND FOR EX-GI

New York. — After buying a horse at an Army surplus horse auction sale, Neville Carpenter, a Negro war veteran, rode into the Bronx. Becoming sleepy, he lay down for a nap in a park, tying a rope from a leg of the horse to one of his own ankles. A bee stung the horse and when Carpenter awoke, he was being dragged across the park. His horizontal ride ended about 500 feet later when the rope broke. He was not seriously injured.

PARK . . .

(Continued From Page 1)
park—thanks to the city coun-
cil and its own peculiar brand
of generosity.

News of such magnanimous
action on the part of the coun-
cil not only literally knocked them
for a loop. Few, if any, could
be found who favored the ac-
tion. The vets laughed and the
residents of the area howled.

While the council proposed
to change the name of the his-
torically significant park. But,
as was the case with the horse
who could be led to water but
couldn't be made to drink, it
was certain that whatever
name the city council decreed
for the area—it would continue
to be Cobb's Hill to the major-
ity of the city.

Of course, the City Council
wouldn't take final action on
the measure until the voice of
the "peepul" could be heard.
They were going to give them
that opportunity. How little the
council intended to listen to
that voice, however, was seen
in the announcement that the
public hearing would be held
JUST 24 HOURS BEFORE
dedication ceremonies of the
new name were scheduled.

The populace felt hon-
ored that at long last they
were to have a voice in the do-
ings of the select body of Re-
publicans who, when they went
into the city chambers were
known as the city council, but
when they met in secret caucus
before each meeting were
better known as "the Broderick
gang." That was something as
novel as it was welcome to the
city at large. But when it was
shown that the public hearing
would be only a formality, the
people returned to their raging
and howling against the body.

Many qualified observers are
now of the opinion that the
council will backtrack and
change its mind on the Cobbs
Hill matter.

The majority of the area's re-
sidents definitely don't want the
name changed. And the major-
ity of those residents are also
strongly Republican. Where in
the city could one find such
staunch partyliners as in the
affected 12th and 21st wards.

Another question brought up
by the council's sudden "grand-
stand" play was what had hap-
pened to the proposed Veterans
Memorial Auditorium. Last
year citizens of Rochester, in
an effort to really give the
veterans something had pledg-
ed nearly two million dollars
to erect such an edifice as soon
as building materials and work-
men were available.

According to L. S. Lee, man-
ager of the Memorial fund's
Exchange St. office, the project
is still very much alive; the
fund has \$674,742 cash in the
banks; has another \$700,000 in
war bonds and another \$278,
911 in outstanding pledges. Lee
says that pledged money is
coming in "very steadily" and
adds that new pledges are fre-
quently received. While no de-
finite date for the start of the
building has been set, the plan
will eventually materialize sub-
stantially as publicized last
fall. The project's start will
have to wait upon the availabil-
ity of men and materials. It
will also have to wait for the
city and county to jointly pur-
chase the necessary land in the
Broad-Exchange-Court St. area
as promised.

This, the city council had not
yet done. It was too busy "hon-
oring" the veterans by chang-
ing the name of a park that no
one wanted changed—least
of all the veterans.

VOTE . . .
(Continued From Page 1)
There was no reason for indifference on the part of the laboring man and woman — the largest segment of the community.

At the top of the list, and conceded an "almost sure bet" for reelection is Rep. George F. Rogers in the 40th Congressional district which comprises most of Rochester. There never was any question about his fitness for the office. He has demonstrated in the last two years, not only his ability to serve, but his willingness to serve all the people, including the "little people" in his district. He will be opposed by Kenneth B. Keating, Rep.

Two Changes Made
To bring about the "honeymoon" between the Democrats and the ALP, two changes were made in the Democratic ticket. Julius Hoesterey, ALP county chairman and former city councilman was named for state senator, 51st district. He replaces William A. Kearney, Churchville, who declined designation. John Shea, a vice-president of the Central Trades and Labor Council (AFL) and president of the Monroe County Liberal party was substituted for William A. Nally, 19th Ward for assemblyman, third district.

Because there no fights in view on either ticket to be decided on Primary Day, Aug. 20, the tickets as now constituted will be the one from which voters will make their choice in November. What those choices will be became more apparent this week when labor decided to walk with their friends and eschew a fatal split by walking alone. If labor voted its conscience — the Democrats were "in."

SCOTTISH LODGE TO PICNIC SATURDAY
Members of the Clan MacNaughton and Daughters of Scotia will have their annual basket picnic Saturday at Geneva Valley Park with Norman Graham and Christiana Jones acting as co-chairmen. Members of the lodge and their friends who are planning to attend have been requested to furnish their own silverware dishes and sugar, Tea, ice cream and peanuts for the children will be served, after a sports program scheduled to start at 2:15 p. m. Assisting the chairmen are Frank Love, Varena Yale, Nellie Craig, Clarice Range, Hannah McKnight, Andrew Christie and William Jones.

AGE HAS NOTHING TO DO WITH IT
Memphis, Tenn. — Mrs. Matie Driver, 60-year-old youngster, bought a motor scooter and invited her friend, Mrs. Ida L. Frisby, 82, to go for a ride. The scooter, however, got out of control and the ladies landed in the hospital, Mrs. Frisby

with a possible fracture of the shoulder and Mrs. Driver with a head cut. Nothing daunted, Mrs. Frisby piped, "I have no regrets. I was doing something I'd always wanted to do." Mrs. Driver declares that, as soon as she's released from the hospital she's going to ride scooter to Chattanooga.

HOW FAR WILL HE GO ON HIS HUNDRETH
Springfield, Ill. — John H. Keest, Sr., recently celebrated his 77th birthday by walking from his home in Middletown to Springfield, a distance of 24 miles. The trip took about six hours.

Fraternal Groups Seek Youth Fund

A study of the problems of youth and the ever increasing seriousness of juvenile delinquency made by four prominent fraternal organizations in Rochester has resulted in the formation of a Men's Club Welfare Activities Fund to combat the trend and aid youth in solving its difficulties.

Political Polka

By CURT GERLING

Just when you are about to give up on the American taxpayer and his ability to voice his opinion at the polls ahead comes a tempest in a tea pot like re-naming Cobb's Hill, Veteran's Park and the whole community turns welkin-ringers with shouts of disapproval.

We certainly endorse the public's reaction to this cheap grandstand pre-election phony of the city council. How these rubber stamp boys thought they could pay off the veterans for their shortcomings in this manner would be the eighth wonder of the world if it wasn't so insulting to American intelligence.

The city of Rochester has fallen on its Republican puss as far as the veterans is concerned and park-naming is not going to take the place of a wage slightly more than that paid girls in Kresge's basement.

So far it has been a mighty nice demonstration. If the public would holler just as loud at election time we could have better local government.

If you thought downtown Rochester was a bit crowded last Monday evening — you can blame it on The Sun, Daw Drug Stores, Wolk Bros., and the RKO Palace, Century, Regent, Temple and Capitol Theaters. The drug firm, the auto dealer and the theaters combined efforts to give away a new automobile — and The Sun was chosen to tell the

people of Rochester about the event. That thousands saw The Sun's message and heeded it is evidenced by the Clinton Ave. scene pictured here and made Monday evening shortly before the car was awarded. The other photo shows Miss Anne Saporo, 890 North St., who held winning ticket No. 356830, seated in her prize 1947 DeSoto Sedan. All theaters were jammed to the rafters and additional thousands of would-be movie goers crowded the streets. It was necessary to call out police reserves to handle traffic.

\$25 Winner
Mrs. Thos. McMullen of 213 Fremont St., is the lucky winner of this week's \$25 cash prize offered by The Sun each week to its sustaining subscribers. This is the reward Mrs. McMullen gets for paying her Sun carrier, Philip Collet of 43 Olean St., 10 cents. Phil incidentally collects an extra five dollar bonus.

Vets Oppose Park Renaming; Scheme To Be Abandoned

"A rose," said William Shakespeare, "by any other name would smell as sweet." Cobb's Hill, on the contrary, by any other name would just "smell."

That is the "unofficial" attitude of veterans polled this week by The Sun seeking their views on the proposed name change of the city's second-highest point from Cobb's Hill to Veterans Park.

DATE SET FOR ANNUAL C OF C MEMBER DRIVE

Aimed at securing 450 new members, or, more specifically, \$10,800 in new membership fees, the Rochester Chamber of Commerce will conduct its 1946 membership campaign from Sept. 30 through Oct. 8.

Plans for the drive were outlined for division chairman by F. Ritter Shumway, general chairman of the campaign at a meeting Tuesday noon. Joseph C. Wilson, divisions chairman and Dr. Mark Ellingsen, Chamber president also participated in the meeting which heard Shumway express confidence in the group's ability to attain its objective. Dr. Ellingsen told division leaders that "You have a big job to carry out but with the splendid setup of this year's organization you should be able to handle the task with dispatch and turn in a record list of new members.

The second division meeting will be held next Tuesday noon, Aug. 6, when it is expected team captains will have been selected and invited to attend.

REDUCE La Pettis is responsible for more perfect figures — than you realize. Her famous BATTLE CREEK REDUCING LOUNGE is the trick that does it. Of course, cabinet baths — and hand massage — helps also. Pettis now has a DAYTIME COURSE — for ladies who can spare the time throughout the day — for appointments. SPECIAL PRICES prevail. Make your appointment today — Stone 6210 — PETTIS-BURKE BLDG. Ask about BRAS.

A sleek head is a cool head — but you'll never have a sleek head unless your hair is in good condition — with a good permanent — as a starter. At VIRGINIA'S BEAUTY SALON — a SPECIAL PRICE is being offered on a honest to goodness PERMANENT Regularly \$10 wave for \$6.50. Make your appointment today — Stone 146 is the telephone number. Ask Virginia about the NEW RAE HAIR TREATMENT. Virginia is "sold" on it and it is wonderful. After an application — your hair styling — and manageable. Ideal for summer — when your hair is under close inspection all the time. VIRGINIA'S BEAUTY SALON — Present Bldg. Fourth Floor. Opposite Hotel Seneca.

LLOYD'S FUNERAL WORK is given special attention at LLOYD'S. Prices are within the reach of everyone — fresh flowers are always used — to insure lasting qualities — so necessary in this type of floral offering. It isn't necessary to call in person — a telephone call will do the trick — your order will be given the same consideration — all you have to do is call Main 7688 — and tell LLOYD'S how much you want to spend — the name etc. — and your obligation is over. You'll be pleased to have your name attached to any FLOWERS FROM LLOYD'S — POWERS HOTEL — and REYNOLDS ARCADE.

The ten miniature rooms — on display at EDWARDS — is the most fascinating collection — it has been my privilege to see. Mr. J. H. Hoffheimer of New York is responsible for the entire group. Whether you're a lover of colonial or modern — you'll be thrilled. Both are included from the early colonial bedroom — to the modern penthouse. Even a country store — an antique shop and "Duffy's Bar" are among the collection. Each room is perfectly scaled with tapestries — china — fixtures — all to the scale of one inch to one foot. The furniture and most of the accessories were made by the designer himself. By his own ingenuity Mr. Hoffheimer has utilized odds and ends usually possessed by all of us — into the most beautiful miniature lamps and other appointments. Of course as a lover of the colonial — my favorite was the beautiful bedroom — a miniature in colonial if I ever saw one. During the live years — given to the preparing of this display — Mr. Hoffheimer gathered painted cardboard — perfume bottles — ping pong balls etc. — only to turn them into globes — inlaid linoleum — even the bottles have become lamp chimneys. It is a display worth seeing — so drop into E. W. EDWARDS — and on the fifth floor — you'll find yourself spending hours — with this thrilling collection of miniatures. M. J. H. Hoffheimer will be at EDWARDS — for the entire month of August. EDWARDS — you know — are "SETTING A NEW PACE IN ROCHESTER."

SALE RIPTON DRESSES are still SALESING. Values are to be found in the stock remaining of summer merchandise. The SALE has been in progress for a couple of weeks — so don't expect to find all styles and all sizes. Prices range from \$3.95 to \$10.95 — former values from \$8.95 to \$16.95. Sizes 9 to 44. Plenty of wear ahead — and at these modest prices — you'll find yourself buying more than one. Of course the regular line at RIPTON DRESSES have new arrivals almost daily. Drop into RIPTON DRESSES — 739 MONROE AVE. — Open Eve.

It's the wise lady who shops ZWEIG DRESSES — where prices are within the reach of even the most modest dress budget. Style is high — and there are all sizes — even the large size — in assorted materials — such as sheers — jerseys — bembers — cotton — meshes etc. Mrs. Zweig gives her personal attention to every customer — and every dress purchased — fits to perfection — before leaving the shop. ZWEIG DRESSES are located 249 HOSEDALE of Monroe — Open Eve.

Featured in Adele Simpson's fall collection is a cocktail dress of blonde striped satin. It has a deep square neckline and a neckline dipping to a sharp point in front. A distinctive slip fastens the shoulder line. Sibley's carries the Adele Simpson line.

DECREE OF FASHION
Brightening a tired, end-of-the-season wardrobe with gay accessories has become a competitive challenge among women. Ingenious, effective and economical plan of singer Anne Jamison was to make a series of hand-painted ponchos — those simple one-yard sleeveless blouses on which the neckline can be given endless variety of Anne Jamison shapes from keyhole to wide bateau. Even the most inexperienced sewer can whip up the basic poncho from one of the many available patterns. If fabric paints are not available in local art stores, try amusing applique motifs of circus animals or hobby equipment for casual wear. Use bead and paillette designs on satin or crepe for evening wear.

Exciting comment in the CBS Hollywood studios are the crystal-clear lucite choker tiara and compact set which actress Doris Singleton used to highlight her costume color scheme at a recent "Silver Theater" rehearsal. Each of the coordinated units is so constructed that it can be backed with fabric inserts matching or giving artistic contrast to a basic ensemble tone. Doris formalizes the set with metallic lame ribbons for late evening, substitutes cotton or silk strips for daytime and brightly dyed leather for sports wear.

Proving the democracy of fashion, fur coats from budget to fabulously luxurious brackets have been styled to conform with the established curvaceous silhouette for winter. Practically every coat exhibited in early previews has voluminous lantern, balloon, parachute or bishop sleeves that can be worn bloused, pushed up to bracelet or down to wrist length. To illustrate the size of sleeves, one natural squirrel stroller in the Columbus, Ohio Retail Merchants showing of average price coats had as many pelts in each sleeve as were used in the entire full, flaring back. A second significant development for the coming season is the collarless tuxedo style. Wide revers stop short at the neckline and may be lapped over for throat-hugging closing. Use of contrasting fur as trimming ranged from highlighting stenciled lapin with bands of beaver dyed mouton to the exquisite effect of silver blue mutation mink against blue black Persian lamb. Most coats are fingertip length, a carefully studied choice to complement daytime or long evening gowns. Welcome sight is the return of silky, supple silver grey Chinese kidskin — a sleek favorite that was not sustainable during the war.

At the **KITCHEN CENTER** — at R. G. & E. — you will see three modern kitchens each with its own ventilation system. These systems eliminate dirt and grease — right up at the source — oven broiler or top burners and carry it outside through ventilating ducts. The result is that kitchen walls don't have to be washed or painted nearly as often — and curtains and furniture stay clean longer. Kitchen ventilation also removed food odors arising from cooking operations as well as excess heat. Drop into R. G. & E. — 89 East ave. — and see for yourself.

Suggestion of the new dipped neckline in a black wool dress with a separate apron sweater is carried round with a band of black fox. Curving slip pockets with a apron buttoned on with brilliant buttons. An elegant outfit.

STUDENT MOVIE SOLVES WORD PEACE PROBLEM

While the best brains of many nations sat down in Paris this week to wrestle with the problem of world peace, the Rochester Student Council on World Government had the problem solved clearly and quickly right before their eyes one evening recently at a meeting in the Ganonet House. And it wasn't done with mirrors, either. It was the movie, "How to Conquer Wars," which showed the way to permanent world peace. Of course, the movie was made by actors from a script, but that didn't bother the neophyte peacemakers. Admittedly their elders had done a miserable job of maintaining the peace, the juniors could do no worse.

The RSCWG was formed to "discuss such problems as the relationship of the atomic bomb and the United Nations to world government" according to Mary Keller, of Wheaton College the group's chairman. Its members include students from several nearby colleges and high schools.

While it was not supposed that official Washington was awaiting their decision on the relationship of the atomic bomb etc. etc. before going ahead with the nation's military and naval defense measures, most observers did admit that if the youngsters could figure out the answer to the problem they had set for themselves they would have accomplished something that has the rest of us completely stumped.

Other officers of the local group include Mary Martha Ryan, Juna Shaw and William Ryan.

RELIEF GROUP GATHERS BOOKS FOR ITALY

Shipment overseas of American books, periodicals and other printed educational matter for distribution among the libraries of war-devastated Italy has been undertaken by American Relief for Italy.

Throughout those Italian sections where intense aerial bombardment occurred, books, periodicals and manuscripts of almost every school, college and library were destroyed.

The retreating Nazi soldiers also robbed schools and libraries which had escaped ruin. Books and periodicals were destroyed by the enemy with other art and cultural treasures.

KODAK-USED WAR PLANT PUT UP FOR SALE BY WAA

Want to buy a nice little factory? Perhaps you could convert it into a little apartment for yourself, wife and kids? The War Assets Administration has announced that the Hawkeye Plant of the Kodak Optical Works is for sale or lease. Not the whole Hawkeye plant, you understand, just the new so-called "Victory Building" at the corner of St. Paul St. and Driving Park.

If you'd like it, complete with machinery and equipment, laboratories and testing equipment, aluminate, anodizing, chromic acid and dozens of other tanks, you won't even have to pony up the cash for it. The government says that credit terms can be arranged.

Despite the straight-faced announcement from the government bureau, most observers expect that the Eastman Kodak Co. will buy the plant. It adjoins the old Hawkeye Works building.

PARTY TO RAISE FUNDS FOR ELMIRA HOSPITAL

A benefit party to raise funds for St. Joseph's Hospital in Elmira, N. Y. will be held this evening at 8:30 p. m. on the grounds of Most Precious Blood Church, Leighton Ave. at Stenson St. The hospital, which is operated by the Sisters of St. Joseph, numbers among its staff many Rochester nuns. Members of their families are especially invited to attend this evening's affair which is open to the public, according to Mr. James Huether, committee chairman.

NEW OFFICERS TO PRESIDE AT DAV MEETING

Recently elected officers will preside for the first time at a meeting of Rochester Chapter 15, Disabled American Veterans set for next Wednesday evening at 8:30 p. m. in Eagles Hall. According to Nicholas Parnell, DAV Service Officer any veteran with a service-incurred disability is eligible to join the unit and prospective members are welcome to attend next week's meeting.

DOLLAR-A-YEAR MAYOR DIES IN ILLINOIS

Jacksonville, Ill.—Edgar A. Crabtree, who served as Mayor of this town for eight successive terms after being elected in 1919 on a platform of "no pay, no politics, everything for the good of the city," died recently at the age of 76.

TOSSES CHECK IN JACKET — JACKET IN FIRE

Lewiston, Idaho — In celebration of his retirement as a railroad engine inspector, George A. Williams, 70, tossed his jacket into an engine firebox, only to remember an instant later that his last pay check was in one of the jacket's

How To Entertain A

POLAR BEAR

WITH A TALL FROSTY

GALLO WINE GLACIER

If you suddenly see a Polar Bear in your living room, don't be alarmed. Ask the Polar Bear to be seated and mix yourself a Gallo Wine "Glacier." A few sips and the Polar Bear will disappear, taking your summer heat hallucinations with him.

THEN you can spend the rest of the summer in cool contentment with your Gallo Wine "Glaciers."

Recipe: Mix 1/2 Gallo Wine with sparkling water. Add ice, slice of lemon and serve.

The Junior Chamber, the lively feet and hands of the Moribund Madame of St. Paul St. has taken on the responsibility for making East Ave. presentable to the passing tourist and more in contrast to a back street of Carbondale, Pa.

A Sunday morning inspection of the handwork and back-breaking toll of these civic-minded lads indicates that they have done an excellent job. The stiff necks, aching backs and blistered hands of these gentlemen have no doubt caused many to meditate on the worthiness of the cause. In other words—why in hell did they do it, except to please Allan Doyle whose business it is to have visitors take home favorable impressions of the "great city."

From the few conversations we have had with the boys who manned the sickles and scythes—the answer seems to be a Poelike "Never more."

The recent revelations of Attorney Wiser publicized in the

local dailies had much to do with it. Mr. Wiser showed that the city "planned it that way" and according to their enlightened reasoning the worse it looks and the faster it goes to put through another of their "plans." The city spends more time and money on plans than Tommy Manville does on wives and they last just about as long.

The Jaycees will no doubt let the city do the grass cutting from here in. It is the job of the shortsighted city who has kept a high tax on these mouldering mansions of our dying aristocracy, every year forcing additional numbers of the well-heeled to use their banker-like discretion and move to the lower-axed suburbs. The city fathers have ruined East Ave. really values by a tight ban on apartment house building which would alleviate a critical housing situation and at the same time beautify our "avenue"—and what seems to be important—keep the grass cut.

If the wealthy owners of the lots won't do it, and the city administration hasn't ever thought of it, we don't see any reason for these nice Junior Joes to give up a Saturday swim or golf game to do the work of disinterested taxpayers and a dopey city government.

The Junior Chamber offers about the only sign of life in that granite crypt of conservatism. They have done more to put the chamber on the map than all the profound thinking of the big brass. It's unfortunate that Junior members eventually have to grow up to be senior members.

Next time, lads, let the Park Department do it or lend your equipment to the City Council—they need the exercise.

Word is out that "Initials" MacFarlin is about to evict the gentlemen of the fourth estate from that crawly cubicle opposite the mayor's office laughingly referred to as the press room.

S. W.'s excuse is that Mr. Whitley needs more room to be inefficient in and other arrangements will have to be made for the accommodation of those reporters who have the misfortune of political assignments.

HE GOT PLASTERED IN THE BARGAIN

East Chicago, Ind. — When Stanley Szoj, 43, went to a dentist's office, he had a toothache, but when he left, he had a headache. Just as the dentist was reaching for the drill, lightning struck the building, the lights went out and plaster from the ceiling fell on Szoj's head.

sale will be a new 1946 Plymouth DeLuxe 2-door sedan furnished by Seneca Motors, 209 Clinton Ave. N. The committee stressed that the automobile will be on the grounds the night of the sale and can be driven away by the winner. Other prizes will include refrigerators, washers, nylon hosiery and other hard-to-get items.

As an added attraction for the thousands who are expected to attend the event and share in the awards, a spectacular fireworks display will be offered which is said to be several superlatives better than colossal.

REMEMBER—ONE YEAR AGO—America already knew that Japan's number was up—and so did Japan a year ago today. When the news finally became official that Aug. 13 would be V-J Day, the nation got ready for a real celebration. This picture was made at the Main St. — East Ave. rally on the morning of the 13th. Next Tuesday, to mark the V-J anniversary the 21st Infantry New York Guard under the command of Col. Fred E. Wegner, will sponsor a Victory Day Salute Program at Red Wing Stadium. The program, designed as a tribute to the Rochester area's decorated servicemen, will be highlighted by an address by William J. (Wild Bill) Donovan, distinguished veteran of two World Wars. A parade and review of N. Y. Guard units, a simulated attack on a Japanese stronghold and an elaborate display of fireworks will complete the program.

Political Polka

By Curt Gerling

This week we ran across a good accounting approach based on a businesslike viewpoint. The only flaw in the statistics is that cities are run by politicians and not by businessmen. Furthermore, the gentlemen who run the cities are not elected to office because they are masters of finance or keen-minded commercial soothsayers. To get elected they have to have votes and a pretty bal-

USES SEEKS MORE WOMEN FOR INDUSTRY

A call for women to work on a part-time basis in Rochester manufacturing plants was issued this week from the State St. offices of the United States Employment Service. The appeal is aimed particularly at women who worked in industries during the war and who either quit or were laid off after V-J Day. Officials of the USES attribute the current need to the "speedy progress" of Rochester manufacturers in reconverting from war to peacetime production and the consequent need for additional workers. "Right now," say USES officials, "one manufacturer is seeking 100 women for a five-day, 22½ hour week doing light assembly work." Many similar requests are said to be on file at the job agency. Complete information is available at the USES office, 32 State St.

10,000 EXPECTED AT GERMAN FAIR NEXT SUNDAY

More than 10,000 persons are expected to attend the old-fashioned German Village fair next Sunday afternoon and evening in Schuetzen Park, Rd. E. and Clinton Ave. N. Sponsored by 25 Rochester organizations comprising the Federation of German-American Societies, the benefit affair is being arranged by a committee. (See FAIR Page 2)

FOR FREE—Looking over some of the many bonus prizes to be awarded in conjunction with their Penny Sale at the Red Wing Stadium on Sept. 5 are members of the Men's Club Welfare Activities committee, sponsoring organization. H. Earl Newman, Moose Club, holds a traveling bag up for inspection while William A. Hiller, Red Men's Club (at left), Vincent Seeley, Liederkranz, and William Mostyn, Eagles, take in the finer points.

CITY COUNCIL SLAPPED BY VET GROUPS

As predicted last Thursday in The Sun, all signs this week pointed to the backing down of the City Council from its announced intention of changing the name of Cobbs Hill to Veterans Memorial Park. Its ears pinned back soundly by the howls of protests from residents of the Cobbs Hill area, organized veterans groups, individual veterans and the populace at large, it was expected that the matter would be quietly dropped at next Tuesday's Council meeting—the date set for a public hearing on the measure. That means plans for the park's dedication under its proposed moniker will also have to be called off. Politicians who were already practicing windblow speeches for delivery at the dedication are already busy burying said speeches in mothballs. And there were, except the proposed speakers, who were saddened by the action. At long last politicians in control of the city of Rochester were beginning to learn that the "veterans voice" was not (See VETS Page 4)

Airplane, Car Awards Added For 'Penny Sale'

Added impetus was given the Men's Clubs Welfare Activity Fund's "mammoth penny sale" this week with the announcement that two more major prizes had been added to the list of awards to be given away at the Red Wing Stadium on Sept. 5. According to members of the fund's executive committee, a 1946 DeLuxe DeSoto four door sedan will top the list which already includes a 1946 Plymouth South Sedan, several refrigerators, washing machines, radios, watches and other such hard-to-get items as nylon hostelry, sewing machines, etc. As an alternate award to the DeSoto, the committee says the winner may have a new Piper (See PENNY Page 5)

\$25 Winner

Mrs. Lillian Brovitz of 67 Alliance Ave. is the lucky winner of this week's \$25 cash prize offered by The Sun each week to its sustaining subscribers. This is the reward Mrs. Brovitz gets for paying her Sun carrier, Sherman Levy of 139 Pinnacle Road, 10 cents. Sherman incidentally collects an extra five dollar bonus. (See PENNY Page 5)

Kay's Comments

BONNIE PETITE — they are just what the name implies — dresses Bonnie as you can imagine — fashioned for the petite woman. Ideal for start of your fall wardrobe. One model — with a hip-slimming front peplum, comes in smart black brightened with sequins — at peplum and sleeves — Fashioned of rayon crepe — may be had in sizes 14 to 20 — and priced at only \$23.00. Bearing the famous label of course "BONNIE PETITE". Other is a smooth rayon crepe, again with the smooth lines of a peplum — Nailhead trim — in those new fall colors I've been raving about — Raspberry, green and blue — also sizes 14 to 20. Priced also at \$23.00. The slenderizing drape, so becoming to short woman — is the outstanding feature on another "BONNIE PETITE" model. A tiny waistline — gathered with nailhead and jeweled belt. Black or raspberry — blue or green rayon crepe are your choice. Sizes 14 to 20 — also priced at \$23.00. Of course you've guessed by now — you'll find these dresses at EDWARDS — in Budget Dresses — on the Third Floor.

EDWARDS — you'll find **ROMAN STRIPED BRUNCH COATS** — in Lingerie Second Floor. Gay bold multi stripes in a wrap around style. Easy to slip into — sizes 14 to 20 — also priced at \$23.00. Another feather at EDWARDS this week — is the **TWO-COLOR BLOUSE** — to top your summer skirts — Cotton eyes with high jewelry neck — collar. Cap sleeves, shoulder padded for extra smartness. Bottom is a wide band of black rayon. Pink, blue or white — priced at \$23.00. Neckwear — **Striped Flower REMEMBER** — Edwards — are SETTING A NEW PACE IN ROCHESTER.

SALE When RIPTON DRESSES say SALE — women flock from all parts of the city to take advantage of the event. Their SUMMER wardrobe has been in progress for a couple of weeks — and stocks are dwindling. Don't expect to find all sizes in all the styles. But there are enough left to suit you — in size. As for price — they range from \$5.95 to \$10.95 — formerly \$8.95 to \$16.95. New dresses arrive daily — with a hint of fall in every one of them. After all it's fun to select a date in August — and be prepared for cool days. All sizes and all styles. **RIPTON DRESSES** — 739 MONROE AVE. Open Eve.

LLOYD'S "Roses are red — violets are blue — the one who sends flowers — must love you — I'm sure. As for sending FLOWERS — on occasion — send them when they are least expected. Where to buy them LLOYD'S of course — That family florist — who KNOWS how to fashion all kinds of arrangements — Fresh flowers are always used to insure lasting qualities. As for price — you'll find you won't need to pawn the family's jewels to buy a "decent" showing. There are two stores for your convenience, **POWERS HOTEL REYNOLDS ARCADE**, Main 7688.

FAIR (Continued From Page 1) tee headed by William Wittman, federation president. The entertainment program will include choral singing by the Teutonia Liedertafel of 80 male voices and the combined Arbeiter Saengerchor and Badischer Maennerchor of 60 mixed voices, native folk dances by the Bavarian Club's Alpengruen in colorful 19th Century costumes, and gymnastic exhibitions by the Labor Lyceum Turners. Music will be provided by a combined band of German musicians under direction of Henry Heister who will donate their services. Proceeds of the fair will be many and Austria, Wittman announced. Brief talks will be given by the Rev. Carl W. Betz, pastor of Bethlehem Evangelical Lutheran Church, who will speak in behalf of the local auxiliary of American Relief for Germany and Austria; the Rev. Arthur F. Florack, rector of St. Michael's Church, representing the local auxiliary of the War Relief Services of the National Catholic Welfare Committee; and William Kern.

RED CROSS OFFERS REHABILITATION BOOKS

To clear up misunderstanding of the most prevalent diseases and disabilities suffered by returning veterans, the Home Service Department of the Rochester Chapter, American Red Cross is distributing booklets, upon request to families and friends of the affected veterans, according to Mrs. Howard Cather, Home Service chairman. The series contains booklets on: Amputations, Loss of Hearing, Loss of Sight, Tuberculosis and Malaria. They were prepared by the Red Cross with sound medical advice and written in layman's language and are designed to "allay needless fears" so that the veteran's family can contribute to his physical and mental readjustment to civilian life.

EAGLE BOWLERS TO PICNIC SUNDAY

Annual Summer get-together of the Eagle Bowling League will be held Sunday at Korn Grove, on the Chili Rd. Jot Frank, chairman, will be assisted by a large committee. There will be the usual big game between married and single men; a tug-of-war between Jack Holley's Veterans and Lenahan's Champions are highlights of the day's schedule which includes events for youth and old. An invitation has been extended to all former members of the league to be present as guests of the officers.

ARMY DENTIST RETURNS SEES SON FIRST TIME

Capt. Samuel P. Brim got first peek at his 10-month-old son this week as he returned to his home and family at Mazda Ter. after serving in Army for three years. Released from service on July 29, Brim had been overseas since January, 1945. His last assignment was Dental Surgeon at the Weibaden Air Force Station in Germany. He wears European Theater ribbon — one battle star, Occupation ribbon, American Theater ribbon and Victory medal.

HAMBURG MEET ENDS; MUTUEL 'TAKE' 5 1/2 MILLION
New York State coffers were \$300,781 richer this week as the Buffalo Raceway harness meet toted up its tax bill for its 60 day meet concluded Saturday night. Uncle Sam also took a bite to the tune of \$31,132.98.

All Western New York harness records were broken on the closing night of the meeting when an overflow crowd sent \$181,069 through the parimutuel machines. Levi Horner, popular Bloomsburg, Pa. driver was top reinsman.

Fastest time of the meeting was recorded by D. W. Spencer, flashy 5-year-old trotter, driven by Guy Crippen in the classic mile distance at 2:08 1/2. The Count B, pacing star, registered the best time for the sidewheelers, being clocked twice in 2:08 1/2, just one-quarter second behind his lifetime record. The Count B, incidentally, won more races than any other horse at Hamburg, ten, and was the favorite in each of his 20 trips to the barrier, also a record.

More than \$190,000 was offered in prizes during 56 nights of racing. The total "handle" for the meeting was \$5,557,337.

OPTIMISTIC—Confident they will reach their company's goal of "25 percent of all automatic oil heating equipment by 1950", executives of the Oil-O-Matic Division of the Eureka-Williams Corp. confer on sales and advertising plans at a conference of dealers in the Sheraton Hotel Tuesday.

E. H. Davison (right) manager of heating sales, points out production figures to L. A. Casler, (left) of the firm's advertising agency and Thomas H. Green, special factory representative.

(Continued From Page 1)
only the name of a new newspaper put out for the ex-warriors, but in Rochester, even as in Athens, Tenn, the veterans voice was the rising crescendo of wrath against cheap-skate politicians who would continue to trifle with public or veterans welfare for the sake of a few ill-gotten votes.

Down in Tennessee, the veterans, fed up with political "monkeyshines" had resorted to guns and bullets to teach the politicians a lesson. But in Rochester, with its own peculiar brand of "machine-made" statesmen no bullets were necessary—a few loud words accomplish the same effect.

The veterans of Rochester went on record protesting the name change—not because they particularly cared by what name the park was called. But they saw the council proposal for what it was—a cheap political gesture engineered by the Broderick - MacFarlin - City Council Republican axis to cur-

A St. Bernard Grows in BROOKLYN

GOOD OLD BROOKLYN—WHERE EVERYONE BEATS THE HEAT WITH A
GALLO WINE GLACIER

Residents of Flatbush, Greenpernt, and Canarsie can't get enough of those tall, frosty Gallo Wine "Glaciers."

Naturally, the Gallo "Glacier" is so icy and so cold that parlors turn into igloos.

So they're sending St. Bernards to rescue these snow-bound Gallo "Glacier" lovers.

Many cases of frost-bite (and a few cases of St. Bernard bite) have been reported but no one has complained of the heat.

RECIPE
Mix 1/2 Gallo Wine with sparkling water. Add ice, a slice of lemon, and serve.

CENTRAL, ARNETT 'Y' PLAN TEEN CANTEENS

Both Central YMCA and the Arnett Branch YMCA have scheduled Teen Canteen dances throughout the month of August for Rochester's younger set. The dances at Central will be held every Saturday evening from 8:30 to 11:30, and at Arnett every Tuesday evening from 9:00 to 12:00. All of Rochester's Teen-agers are invited in couples or stag, as they see fit. Ray Dunlap's orchestra will supply music at both places. The dances, say YMCA sponsors, represent an effort to supply Rochester's Teen-agers with the type of entertainment they most enjoy.

'TEEN AGERS GROUP PLANS DANCE SERIES

First in a series of dances for teen-agers sponsored by the Hollandia Youth Service will be staged Saturday evening in the K. of C. ballroom with Joe Cady's orchestra furnishing the music. All teen-agers are invited to attend either couples or stag. Tickets will be available at the door.

Club Special valued at \$2100.

In announcing the additional awards members of the Eagles Liederkrans, Moose and Redmen who comprise the committee declared that the Sept. 5 event will make "Rochester entertainment history."

"Never before," they promised, "has Rochester seen such a spectacular event as will be unfolded at Red Wing Stadium on the night of the sale." Bands, entertainment and "atomic" fireworks are all listed on the program.

Both automobiles to be awarded have been secured from Seneca Motors, 209 Clinton Ave. N. who were able to get them as an additional factory allotment "because of the charitable nature of the program," said a company spokesman. The airplane is from the Ray Hylan School of Aeronautics on Henrietta Rd.

Coupon books for the event will be distributed to the public within the next ten days and the committee urges all civic-minded people interested in the juvenile delinquency problem to cooperate in their distribution. Funds raised through the effort will be used to combat youth problems in the city, says the committee.

Headquarters have been opened by the Mens Clubs at 381 Main St. E. where several prizes and dozens of premiums to be given away are on display.

SOAP SHORTAGE CITED IN FATS SALVAGE APPEAL

Despite the approaching first anniversary of the war's ending, several shortages still exist to plague housewives in Rochester. Of course, everyone who has tried to buy a pound of sugar lately knows that it is hard to get—even with the ration stamp.

Probably the most acute shortage outside of rationed goods is that of fats and oils—one of the main ingredients of soap. That's why Department of Agriculture authorities have renewed their plea for the continued conservation of salvaged fats. They point out that America would have had 13 percent less soap in 1945 if it had not been for salvaging.

Even with that program, they say there are not enough in-

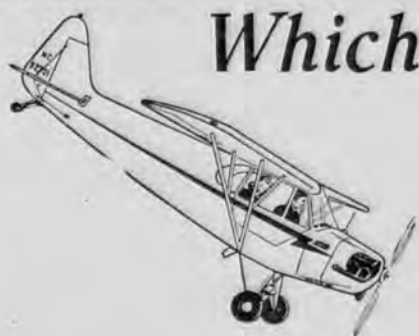

dustrial fats and oils available to meet the demand. every drop of used cooking fats, they advise, will prevent shorter supplies in the future. Never before, according to government figures, has the supply been so low throughout the world.

The American Fats Salvage Committee points out that every time a housewife turns over one pound of used cooking fats to her meat dealer, she is making possible a two weeks' supply of packaged soap or five weeks' supply of toilet soap.

Strange as it may seem, the shortage of fats also affects the production of such unrelated items as table linens, draperies, floor coverings, and nylon stockings.

predict that there may be a minor slump or two and perhaps a major depression. The wailing of the businessmen in those times will be second only to the dark mutterings of the unemployed—and the politicians will heed the warning and prime the pump with a public works program—then the Bureau of Municipal Research can go fly a kite—and of course Rochester can sink further into debt.

From the same source we learn that the Republican-controlled Board swept down in all its majesty and revoked the license of some inconsequential west side tavern because it wasn't a "bona fide" restaurant. We presume that means that there wasn't enough ham and cheese in the ice box to make a few sandwiches in case someone mistook the place for a White Tower.

It's amazing, even to the case-hardened, how these lads rattle the saber over some neighborhood family tavern, apparently just to kid the public, while everyone else who steps out after dark knows that there are a number of serious violations that the dear old ABC has studiously ignored.
The ABC can keep their bloodhounds awake right on the west side and find places to whom the legal closing hour is just another number on the clock and where the one-armed bandits allegedly take their nightly toll from the tipsy.

The "Common" Council discovered that it could do most anything it wanted to except go around willy nilly changing names of our revered parks and landmarks. Republican spokesman MacFarlin found that he had again muttered slightly out of turn, causing his fellow GOPers considerable embarrassment. The crowd of veterans attending the County Legion Committee meeting looked like a regular Legion convention—and they were in a bit of a mood.
Fortunately no member of the lawmaking body was present to suggest changing the name of Lake Riley to Lake Rumpelstiltskin.

Political Polka

By CURT GERLING

At the customary Council caucus last week, the "boys" squirmed in their chairs until they evolved a way to "gracefully" withdraw their idea of dedicating Cobbs Hill to Veteran's Park. They chewed their cigars to frayed stumps, did "doodles" on the backs of their scratch pads and behaved like men with a very serious problem. That they would ostrich-like stick their necks in the sand and squash the whole thing was a foregone conclusion but their reason for suggesting it in the first place, which they explained in their statement killing the idea, is sure to become a "classic."

Mayor Dicker with a straight face explained that they probably wouldn't have bothered with the idea but "The Republican platform of last year held a promise to dedicate a park to the veterans."

A statement like that might have been just a bit funnier if Abbott and Costello had said it but we very much doubt it. Good for a laugh in any league is a politician calling the attention of the populace to any promise that they made in last year's campaign.

The good mayor didn't give us a rundown on the rest of the platform promises of last November and we presume only because the taxpayers would have become hysterical.

We suggest that the next time they have a caucus they will give us a reading on what happened to the other planks in the GOP platform that they talked so glibly about—for in-

WHILE ELDERLY TALK 'Teeners Tire Of Waiting; Form Their Own Canteen

YOUTH GROUP ACTIVATORS — Helindia Youth Service Treasurer Nova Hind, (left) President Bill Lindsay and Vice-President Virginia Reeves all agree that group's first dance last Saturday was "just super."

By ORVILLE ALLEN

Leave it to the Marines — particularly when soldiers and sailors as well as WACS, WAVES and SPARS join in. Tired of waiting for their elders to provide "Teen Canteens, youth centers, or whatever you want to call them, the youngsters have set out to do the job themselves.

And if their first dance, staged in the K of C Ballroom last Saturday evening is any indication, they're going to do a swell job of providing clean, wholesome and enjoyable entertainment for the town's younger set.

But the ex-soldiers, sailors, etc., changed all that. When As almost everyone in Roch-

YOUTH NEEDS TOLD BY MENS CLUBS GROUP

Roy Rumpf of the Moose Club, speaking for the Men's Welfare Activity Fund which is sponsoring the Mammoth Penny Sale and Entertainment at the Red Wing stadium Sept. 5th, this week elaborated on the purpose of the group's drive for funds.

"In considering the undertaking," Rumpf said, "members of the committee made a careful study of statistics available on the youth problem. We learned for example, that Halloween depredations of last year were the greatest in the history of the country. Never before had their been such wanton destruction of property—destruction too ingenious and too complete to be considered as 'boyish pranks.'"

Cities Justice Reports

Rumpf also pointed out that the Department of Justice reports figures for crime (1929 versus 1944) are up shamefully. Murders up 47 percent, assaults up 71 percent, sex crimes up 61 percent, to name a few.

"The worst of the matter is," continued the spokesman, "juvenile delinquents, kids from ten to 16 years of age, commit 56 percent of all crimes in the (See YOUTH Page 9)

\$25 Winner

Mrs. O. Dennis of 94 Clifton St. is the lucky winner of this week's \$25 cash prize offered by The Sun each week to its sustaining subscribers. This is the reward Mrs. Dennis gets for paying her Sun carrier, Harold Schlicker of 218 Jefferson Terr., 10 cents, Harold incidentally collects an extra five dollar bonus.

WHY NOT ATTEND 'Y' NIGHT — Next Wednesday is "Y" night at Red Wing Stadium and whether the Wings win or lose, patrons will be the winner of an extra game. Sharing honors in the second half of the double bill will be the Transit Y team opposing the Morgan Machine Co. nine. Who goes to bat first is here being decided by Joe Lock, manager of the Morgan Machines (left) and Ted Hartman, manager of the bus-driving ball players. Looking on are three players from the opposing teams — Martin Wunch, Transits, Ed Graham, Morgans, and Joe Graham, of the Transits.

Accountants Schedule Nine Meetings, Conference

Nine dinner meetings presenting nationally known speakers will "highlight" the 1947 schedule of the Rochester Chapter, National Association of Cost Accountants.

Other activities, according to Joan B. Pierce, president of the local group, will include plant visitations for members; two open forums, a study group employment service and a National Cost Conference.

The dinner meetings will open on Sept. 19 with Percy L. Proctor of Titoflex, Inc. speaking on the subject "Effective Cost Control or Cata-

D&C DISTORTS FACTS SAYS COMMITTEE

Did the "Save OPA Committee" "kill" retail business in Rochester on Friday, July 19, — or was it the weather — or was business all right? While most of Rochester has been content to let the date when the OPA-endorsers staged their one day "buyers strike" join history in quietude the strikers and their cohorts definitely have not.

They say that downtown business was "dead" and their efforts are what killed it. Several Rochester merchants frankly admit that business was "slightly off" on that date, but attributed the temporary slump to the weather which is generally believed to have been one of the factors.

Paper 4/11/46

But the Democrat & Chronicle disagreed with both these schools of thought. To that newspaper, the stores were "full despite OPA drive." And, furthermore, said the Democrat & Chronicle, "downtown stores and buses were jammed throughout the afternoon."

In a letter to the D & C made public this week, and signed by Dr. Mark Johnson, John Barrow, John Saechell and Gerald Schafflander, officials of the OPA savors, the Democrat & Chronicle was accused of resorting to a "venal type of pressure," and, what's more, was "inaccurate, misleading, self-contradictory, and grossly mis-

Decreases of Fashion

Conquering the problem of spotting hosiery on rainy days, Hollace Shaw of the "Saturday Night Serenade" series wears a pair of Splasher-Spats. They're made like garters, about 12 inches high, and tie neatly over the instep with narrow bands of self material, a fine celanese fabric so soft that they can be rolled or folded into negligible size for purse-carrying. Hollace tells us they come in a wide range of launderable colors and retain every bit of their water-repellency when carefully washed.

Accessories, a new word in fashion terminology, has been coined to express the dramatic impact of properly chosen costume accessories. Covering the entire dressing field from skating to evening ensembles, the creators of Criterion belts, Glentex scarves, Coro jewelry and Aris gloves joined forces to prove the importance of their allied interest. High-riding belts, rising in front to meet the descending necklines of evening gowns, were shown in gold and silver kid. Belts, narrow leather braceletstraps, were matched to wide belts to excite sportswear. Fine, pure silk scarves were swathed around hips to stress figure-moulding torso lines. Gloves in high style shades called attention to new sleeve silhouettes. Elegant necklaces emphasized bare-bosom decollete, and strategically placed pins on hip pocket lapels, necklines or as anchors for throat-wrapping scarves gave ample evidence of their power to elevate a simple ensemble to autumn's new "dress-up" elegance. Quoting Charlotte Keane who watched the showing, "Accessories, when assembled with studied care, give masterful finishing touches that change a dull picture into an interesting self-portrait."

Charlotte Keane

Any trousseau collectors around? Then this bit of news should be welcome. The Yolande handmade lingerie is back in circulation once again — and it is enchanting "stiff". Laces — some of the finer ones we had before the war — are still scarce, but there seems to be enough Alcon and Val types to keep us feminine clan happy.

FLOWER CITY I. O. F. IN NEW HEADQUARTERS

Tonight's meeting of the Court Flower City No. 338 I. O. F. will mark the inauguration of the group's new home at 90 State St. According to Chief Ranger Walter H. Wentworth the move was made necessary by the increased attendance of the lodge.

Lunch will be served preceding the meeting at 8 p. m. and an entertainment program arranged by William Minder will follow. A report of the recent visit to Al Goettl's dude-ranch will also be heard. It was announced that Chairman George Goettl will complete arrangements for the group's pin-acle tournament which is scheduled to start next month.

EAGLES POISED FOR CONVENTION TRIP

Joseph L. Wurzer as Rochester representative and William H. Mostyn as Grand Inside Guard will leave for Columbus, O., early next week to attend the 48th annual convention of the Grand Aerie, Fraternal Order of Eagles which opens in the Ohio city next Thursday.

Because of difficulties in transportation and housing the convention will confine itself to business sessions without the usual parade, drill and degree team competitions. The convention will end on Aug. 25.

ED RANDALL'S Scene & Word

News item: — "DOCTORS DIFFER ON MAY'S HEALTH AND ABILITY TO TESTIFY."
Dr. Preston said "Yes."
Dr. Archer said "No."
But now a word
From Andrew J. May.

Neil DeBellis, myne hoste at the Neilton Restaurant, visited the harness races at Hamburg accompanied by three boon companions. They decided to get a few bets down during the evening and delegated one of the party whom we'll call Joe to make the necessary trips to the pari-mutuel windows. They scanned programs, compared present and past performances, and finally came to the conclusion that a horse named LOOK ALIVE would win the third race. They each produced a few bucks, handed it to Joe with instructions to put it all on LOOK ALIVE to win. Joe took the moola and left for the windows. He returned just before the third race began, distributed the tickets and said:

"I don't know how you guys are going to like this, but I met a character named Herman under the grandstand and he told me that LOOK ALIVE doesn't have a chance to win this race. He has inside dope that SHOO FLY is a shoo-in for first. I figured that Herman knows more about horse races than you fellows so I took his advice and bet the roll on SHOO FLY to win."

Two of the group grumbled about the deal but the others convinced them that maybe Herman did have some good info and that the choice might be all for the best. Well, LOOK ALIVE won the race by about four lengths and many and black were the looks cast upon poor Joe. Came more scanning of programs, another constellation, and Joe was dispatched to the windows again with instructions to bet on ACE OF SPADES to win the fifth. He returned shortly with tickets for BLACK WIDOW.

VALLEY GARDEN CLUB PLANS FLOWER SHOW

A flower show sponsored by the Genesee Valley Garden Club will be held at Newman Floral Shop, 450 Brooks Ave. on Tuesday, Aug. 27 starting at 7 p. m. The public is invited to view the displays.

"Now, don't get mad, fellows," he explained, "but Herman has it straight from the feed bag that BLACK WIDOW will win this race. He says that ACE OF SPADES might never even finish the race, so I took his advice and laid it on the line for BLACK WIDOW to cop."

As you will have probably guessed, ACE OF SPADES won the event by a country mile and the disgruntled syndicate muttered dire threats against Joe and his non-prophetic friend, Herman. But they decided to take one more flyer and wager what remained of their bankroll on HOTCHA to take the seventh race. Joe came back with tickets on WHOOZIT, explaining that Herman had begged him not to bet on HOTCHA. WHOOZIT couldn't lose, the wise money was riding on him, you'll never regret taking this tip, etc., etc. Of course, HOTCHA won the race and the disgruntled group tore up their tickets, vowing never to take any more tips and decided to leave for home. Before they left their seats, one of the group spoke up and said:

"Well, we're sadder and wiser and a lot broker, but broke or not, I'm hungry. Let's get a bag of peanuts apiece and build up our strength for the ride back to Rochester." So Joe, feeling more than a little remorseful about the whole evening, said:

"Give me the money. I'll get the peanuts for you. It's probably the only favor I'll be able to do you guys all night." In about five minutes he returned with four boxes of popcorn. Looking sheepishly at the other three, he blurted: "I met Herman again."

We like Eastman's "Kodakery" newspaper heading for its column containing engagement notices, wedding notices and births: "SNARED—PAIRED—HEIRED."

You Can Can Better If You Can Attend These

Two canning demonstrations have been scheduled for the next two weeks by the Nutrition Committee of the Health Council of Rochester Chamber of Commerce in the Rochester Gas & Electric Home Service Auditorium.

"Freezing Fruits and Vegetables" will be explained at next week's meeting scheduled for Wednesday at 2 p. m. The demonstration will be given by Miss Melrose Franklin of the Gas & Electric Home Service staff. On the following Wednesday, Aug. 28, Mrs. Jane Gourel, of the Board of Education Adult Education Division, will demonstrate the technique of "Canning Peaches With Less Sugar."

Both sessions are open to the public.

BANKERS ATTEND 'HAYSEED SCHOOL' AT CORNELL

If Cyril G. Kress, assistant vice-president of the Lincoln-Rochester Trust Co. has a bit of alfalfa in his hair, or comes to his downtown office wearing farmer's boots and carrying a pitchfork next week, it can be charged off to his week's "education" now being undertaken at Cornell University. Along with 50 other area bankers, Kress is participating in an intensive "grass-roots" training program on agriculture and farm management sponsored by the New York State Bankers Association in cooperation with the State Agriculture School at Cornell.

The course is designed to better equip the bankers with a knowledge of the problems of their farming customers and includes classroom lectures, field trips and laboratory work. Others besides Kress from this area who are attending the sessions include K. J. Smith, Benedict, Brodport branch of Newark Branch and Edgar H. the Lincoln-Rochester Trust Co.; John R. Elles, Pittsford branch, Security Trust Co.; and Raymond D. Fuller, Williamson branch of the Central Trust Co.

TIPTOPPS OFFER TWELVE GYM SCHOLARSHIPS

Twelve scholarships in Rochester Turner gym classes during the coming season are being offered boys and girls in the Turner Headquarters neighborhood by the Elke-Jordan-Bauer Post, 1501, American Legion, according to Robert L. Klingler, Post Adjutant. Scholarships will be awarded to one boy and one girl from each of the following schools: St. Michael's, Our Lady of Perpetual Help, St. Margaret Mary's, Hosea Rogers, Number 8 and Number 22 Schools.

AHEPA AUXILIARY TO PLAN FALL PROGRAM

Annual summer social meeting of the Daughters of Penelope will be held next Wednesday evening at the home of their president, Mrs. Spiro Livadas, 20 Southern Pkwy., to discuss plans for the group's fall entertainment program. The organization is the ladies auxiliary of the Ahepa, Greek fraternal order.

Major Ice Revue To Show At Armory

First of the big time touring ice revues to schedule Rochester dates will take the city's entertainment spotlight for eight days at the Main St. E. Armory starting Monday night, Sept. 2. The show is the \$200,000 1946-47 edition of "Holiday On Ice," presented under direction

of the same management which offered the opulent "Skating Vanities of 1946," the roller skating show which drew thousands of enthusiastic spectators at the Armory early in May. "Holiday On Ice" is presented on a mammoth, 8500 square foot portable rink 120 by 70 feet in area, which is to be installed here during the five days preceding the show.

Bridal Couple Head Cast
Heading a company of 110 will be two young skating stars who were recently married. They are nineteen-year-old Dorothy Goos, winner of the national figure skating award at Lake Placid last year, and Murray Galbraith, 24, a Canadian who has been featured across the United States as a figure skater. 75 other solo artists and skating teams are included in the cast.

After Dorothy Goos was awarded the highest figure skating award of the nation at Lake Placid last year, she signed a full season with "Holiday On Ice," and will soon complete a cross-country tour with the revue.

Murray Galbraith was coached to skating stardom by his father, a star hockey player. He played in the "Ice Follies" before joining the Naval Air Corps for two years. He still flies and owns a plane.

Ann Siff accompanies the group of skaters as stage director and George Hale of Hollywood travels with the show as dance director and staff costume designer. Nick Francis is musical director.

Luminaries Star
Talent for the show has been drawn from the world of sports and the movies. Leo Freisinger, for example, was Olympic champion for speed barrel jumping, and Joanne McGowan, 13, has appeared in Republic pictures. Harold Ring and Kenney Lamp of Seattle, Wash., bring their comedy team, buffalo antics to the Rochester Armory. McGowan and Mack, a dancing team, joined the "Holiday On Ice" show in September, 1945, after heading their own show in hotels and theatres throughout the country.

Must Be A Capitalist Fish

BATAVIA DOWNS READIED FOR HARNESS MEET

Batavia—Nearly 400 horses, carrying the colors of the leading stables of the nation and Canada, are on the scene and prepping for the opening of harness racing under the lights on Saturday, August 24th, as workmen continue the huge face lifting job to put the trim racing plant in the best possible condition.

Scores of workmen were on the job despite the fact that the Genesee County Fair had taken over the grounds and officials of the Genesee-Monroe Racing Association, sponsors of the meet, said that everything would be in readiness early in the week. Tests will then be made of the new equipment.

One of the improvements, the erection of the new judders stand high up in the girders of the grandstand, was used the first time when officials of the fair racing took over. They reported that the new facilities are excellent, providing a bird's-eye view of the track at all times.

Officials of the New York State Harness Racing Commission under whose supervision the racing at Batavia Downs is carried out, are expected in the city early next week and quick approval of the New Batavia Downs is expected. Some of the officials have made unofficial visits to the plant and have had high praise for the many changes made.

Glenn M. Rubble, race secretary, who is on the job for the second season, has returned to Batavia and has started the huge task of checking records in preparation for the meet. He said today that the entry list for the meet is a record for Batavia and that the quality assured the best possible racing.

Vivid Imagination Works Overtime
Philadelphia, Pa. — Seeing the glass front door of Benjamin Gold's grocery broken and a man running away, two patrolmen ordered the man to stop and fired a shot into the air. The runner fell to the ground and was captured. He explained, "I thought I was hit."

Between 80 and 90 per cent of all industrial accidents are caused by unsafe practices, while unsafe conditions are responsible for only ten to 20 per cent, according to the Encyclopedia Britannica. Estimates show that 16,000 to 19,000 persons are killed each year as a result of occupational accidents.

POLKA . . .

(Continued From Page 1)

ance—where is the "broad program of veteran's housing?"

The Tennessee ballot box riots have set a lot of politicians to thinking. Thinking is something they do when the possibility of losing their jobs looms in the offing. They are fearful that the veterans will become a force and an organized bloc in politics, but whether they will or not is somewhat doubtful.

Among the gripes of the man in service is the way the government is running things back home. In the barracks room chieftains the political officeholder is sharply criticized, sometimes verbally drawn and quartered. The serviceman can hardly wait to get home and "do something about it."

He gets home. His indignation fades with his return to more normal pursuits. He looks over the political calendar and the candidates on both sides. He can't decide which is the lesser of two evils. There are servicemen on both tickets. He doesn't see why that qualifies those men for office. In the elections of the South recently, many a veteran went down in defeat. The fact that the candidate fought for his country cuts no ice at the polls.

The citizen that carried arms and fought his country's battles gets away from the old GI viewpoint just about as quick as he gets into his slacks and sport coat. His political inter-

ests become those of inheritance, and his social and business backgrounds and affiliations. It is unlikely that a year after his return home he'd get upset or threaten to do something collectively on any subject that did not directly affect him such as the matter of pensions, rights and bonuses.

Unfortunately for the country the veterans became just plain citizens too fast. It's regrettable because the veterans of World War II are young, and what the country needs more than a ten cent milk shake is young men in office to keep the country progressive, and young men throwing their weight around on those already elected to keep them in line with young ideas.

Recent history proves that veterans have a way of becoming Democrats and Republicans again much too fast. Their older brothers of World War I were much the same. They were running for office after the first World War can't recall where the veterans as such ganged up to defeat or elect any political candidate.

It would seem that the present office holders are unduly apprehensive.

A reader who says he very often clips what he considers a column of ours that is "very good" enclosed one written nearly two years ago in which we lamented the fact that we did not train our young men for public office like they do in England and that few young men of education wanted to

get their "hands dirty" with politics. In red pencil he asks "Why?" We have an answer, but whether it is correct or not is a matter of opinion.

Young men being young want to "get there" fast. They don't want to start out as district leaders, later becoming constables, still later designated as supervisors, and take dull, poor-paying jobs with all the work in the wards the year "round.

Being educated presupposes that they are intelligent (but we'd be the first to deny such a general supposition) and being intelligent they see that the sweet fruits of political office often turn bitter. The urge for power and more power frequently makes tyrannical the sweetest disposition. Politics has a way of causing a man to push good friends aside and take on new ones. If defeat doesn't come early he becomes a leader and a leader thinks he has been anointed by something on high and can do no wrong. He patronizingly refers to his followers as his boys. No matter what he does his "boys" don't stay happy with their lot forever because they too are seeking more power.

Sooner or later the crack-up comes. The leader finds his old friends gone or now his enemies, and his new friends have

found more interesting company.

There are no permanent profits in politics. America's intelligent youth is perhaps smart enough to see it.

That long wait when you want to get Mr. Harold Initials MacFarlin on the phone is caused by the necessary time involved in getting him at his farm on the other office phone.

Of course it is unlikely that he would be disturbed from his pastoral pursuits unless the call came from the Union Trust building.

That bright and shiny new Packard that GOP leader Broderick is keeping under fifty back and forth to Irondequoit is a gift of "friends". Mr. B. needed a new car like you need a submarine but because he is such a very nice fellow, his "friends" including messrs. Hallauer, Gannett, Keating, et al thought perhaps it would be a very nice gesture, and of course must not be construed as a reward for his kindly attitude on matters of interest to the donors.

Mr. B's five G's from Irondequoit and \$1,200 from the county isn't very much with butter and steaks what they are. We hope he'll give his "old" car to Roy Bush—things are probably even tougher up at Democratic Headquarters.

OPA . . .

(Continued From Page 1)

represented the situation. The letter called attention to the amount of news space given the story following the "Buy Nothing Day" (July 19) "contrast to the minute space" given the drive prior to the event.

Letter Sent D & C It was explained that the letter was sent to the D & C for publication in the "Letters From Readers" columns but to date no word had been heard from it. It said, in part:

Editor, Democrat & Chronicle: Your full column, 15 paragraph story on the results of the "Buy Nothing Day" (Saturday), July 20th, Democrat & Chronicle is in striking contrast to the minute space you gave this drive prior to "Buy Nothing Day."

Your headline "Stores Full Despite OPA Drive" and news story are in direct contrast to the facts presented to your paper on Friday night, July 19 by the "Save OPA Committee."

Your news story stated: "Down town stores and buses were jammed throughout the afternoon." Friday. The truth however, is that two bus loaders at Main & Clinton reported that fewer people unloaded between 10 A. M. and 3 P. M. Friday July 19 than in several years.

Your sub-headline stated: "Little difference seen in Friday Shopping." But buried down lower . . . in your own story is the statement: "Buying was off . . . others (stores) said sales might be off 10%."

Your paper was also informed of the statement that the News Dealer stationed at the corner of Main & Clinton made: "Worst day I've had in over 5 years."

Your paper was similarly informed of statements of a leading meat and clothing store, both of whom reported that business was very slow . . . the worst in years.

If your paper is really interested in reporting the complete news (actually and objectively to your readers . . . succeeding issues of the Democrat & Chronicle should have carried figures from leading Rochester stores to support your contention that "Little Difference" Was Seen in Friday Shopping. Stores Full Despite OPA Drive."

Our committee does not maintain that the "Buy Nothing" drive succeeded in shutting down business in Rochester. But we do believe that your story was inaccurate, misleading, self-contradictory, and that it grossly misrepresented the situation. In spite of this venal type of pressure, our committee and numer-

ous others like it around the country will continue to resist the removal of price controls and the increase in the cost of living imposed by special interest groups such as the National Association of Manufacturers, Real Estate Trade Association, Petroleum Industry and others.

The letter closed with the hope that "this letter receives the same amount of space that your misleading news article occupied." But the hope was apparently in vain. To date it has occupied no space whatsoever in the D & C.

Whose Favorite?

Whoever is right, one fact was made clear: The Democrat & Chronicle may, as it heralds itself, be "your favorite morning newspaper" but it surely isn't that of the "Save OPA Committee."

Laffs From Life

Couldn't Scare Him

A small boy stood in the entrance to the tobacconist's shop watching the man at work. "What do you repair boots with, mister?" he suddenly asked. "Hide," replied the cobbler sharply. "Er-r-r, eh?" asked the boy. "I said hide," replied the cobbler impatiently. "What for?" the boy insisted, somewhat surprised. "Hide! The cow's outside," sighed the man. "Don't care if it is. Who's afraid of a cow, anyhow?" said the youngster defiantly.

Technique

"Why do you refer to your favorite candidate as the prairie wolf?" "Well, it's customary to give a popular aspirant some animal name. And he's one of those fellows who manages to get just out of gunshot range and then bark and holler till nobody can sleep."

couple of them go together upon their return from service with Uncle Sam, they listened to the talk, heard the grandiose plans and waited—but not for long! They decided the situation had been snafu long enough and set about to do the job themselves.

Today the youngsters have

an organization of their own—run "by youth for the youth of Rochester." They call their group the Holindia Youth Service and are now busy rounding up members.

Moved By Ex-Soldier

Moving light in the organization is William Lindsay, lately of the U. S. Army, former Rochester school boy and currently president of the group as well as publisher of their own special newspaper.

Lindsay says the sole purpose of the group is to promote activities of interest to youth—to provide clean entertainment in wholesome surroundings where the guys can take their gals and dance, without "hanging around the joints."

Meeting for the first time early in July, the movement has already enrolled more than 200 members, according to Lindsay and the word is spreading like wildfire among the kids all over town.

While Lindsay has been named president, he is quick to explain that the title "doesn't mean I'm the big cheese." "We've got officers," he said, "and we've got several committees—but we're all working together without regard to race, creed, color or title to put this thing across."

First Dance Draws 300

More than 300 "teen-agers" and "early-twenties-oldsters" (Lindsay is 21, several others have hit the 20 mark) attended the first dance sponsored by the group at the K of C last Saturday. And the kids did things up brown, too. They had Joe Cady's orchestra (very popular with the jive set) they had a welcoming committee, cakes and refreshments (non-alcoholic) and even a mothers' sponsoring committee. And it was that committee's job to keep things in order, they had very little to do. The dancers behaved themselves beautifully—and, what's more, appeared to be having a "super" time.

Officials of the youth service say that it is strictly a non-profit proposition. In fact, we learned that they "went in the hole about 20 bucks" at their initial venture. But with the optimism of youth, they're coming right back again this Saturday with another dance in the same spot.

The executive committee meets every Tuesday evening to map strategy, plan events and report on the condition of the treasury, presided over by Miss

Nova Hind. Hampered by a lack of headquarters, they have responded to the invitation of Mr. and Mrs. Vernon Lown, 1203 Plymouth Ave. S., who have opened their home to the youths.

Make Extensive Plans

Of course they have large to any and all youngsters in the plans. Every young person has—or should have, they're even paired. Members of the Youth Service get in for half-price "youth center" provided "we And that's said to be one of can get some money some the reasons so many of the place." They want to open youngsters are joining up.

neighborhood centers in store buildings, complete with juke box, ping-pong tables, etc. That project, too, awaits the official OK of the treasurer.

But they are going right ahead with their weekly dance sessions. The affairs are open to any and all youngsters in the city—come stag or come solo. Members of the Youth Service get in for half-price "youth center" provided "we And that's said to be one of can get some money some the reasons so many of the place." Uncle Sam has his dander up and he's cracking down hard on several top-ranking Hollywood film producers, stars and directors, who he claims have avoided payment of income taxes by setting up and taking stock in "corporations" to produce single pictures, liquidating the companies and then collecting "liquidating dividends." By this process, they paid capital gains levy of about 25 per cent instead of heavier income taxes, ranging up to a rate of 90 per cent on earnings of \$200,000 annually.

Among those who have formed companies are Gady Cooper, Bette Davis, John Wayne, Ginger Rogers, Douglas Fairbanks, Jr., Bing Crosby, Pat O'Brien, Constance Bennett, Hedy Lamarr, John Garfield and Joan Fontaine, as well as some writers and directors.

Linda Darnell is to have the coveted role of Amber in Twentieth-Century-Fox's version of Kathleen Winsor's Restoration novel, "Forever Amber." She will supplant Peggy Cummins, British actress. The switch in casting is said to have cost the studio in excess of \$300,000 because the footage in which Miss Cummins appeared must be abandoned entirely. Cornel Wilde will play opposite Miss Darnell, in the role of Bruce Carleton, a cavalier of the court of Charles II.

Joan Crawford has just signed a new seven-year contract with Warner Brothers, calling for one picture a year, the first of which will be "Need For Each Other," with Errol Flynn. Miss Crawford has been with Warners since 1943.

a comedy of youthful misunderstanding involving two sisters and a soldier, for which Paramount paid \$450,000.

Hal Wallis has bought the screen rights to a new novel by Maria Louis A. Bombal, of Chile, "The House of Mist," and wants to borrow Jennifer Jones from David O. Selznick for the leading role, that of an orphan girl who becomes the second wife of a man she loved all her life. The action has a Chilean background.

Letters To The Editor
Editor Rochester Sun
Law-abiding, safety-seeking citizens are wondering what medium tips the scales of Justice? How can we minimize traffic accidents unless there is more cooperation between some judges and the police? It must be discouraging for officers of the law to have to accept physical violence from lawless persons, and then hear sentence suspended after going to great risk to bring the offenders to the justice.

Why can two men race on one thoroughfare, endangering lives, and receive suspended sentences, while in the same courtroom another is fined \$10 by the same judge, for driving at the same rate of speed on another no more congested street? Not many years ago when traffic fatalities were negligible compared to the present time, the very same judge assessed a driver \$15 for exceeding twenty (20) miles an hour on a little traveled street.

Reckless or heedless drivers ignore Stop signs, overturning cars in their path. Others breeze through red lights, thumbing their noses at indignant, outraged operators who observe the law.

We tell our children that crime doesn't pay; they ask us how some folks get away with infractions? Is it the way they spell their names, or what is the deciding factor?

If ignorance of the law is no excuse, what is the answer? Yours for equal Justice, impartially administered.
S. E. GROVER.

YOUTH . . .
(Continued From Page 1)
United States! Without saying just who is to blame and there are many factors, these are the appalling figures. The men of the Liederkranz, Eagles, Moose and Redmen have resolved to do something about it. Nothing can be done without money. This show at Red Wing stadium, with the support of the Rochester public rate go a long way towards giving our program a proper start. Knowing the civic-mindedness of Rochester folks, we are sure they will be behind us.

Sale Scheduled
The Mammoth Penny Sale in which five hundred prizes valued at \$10,000 will be awarded is scheduled for the evening of Sept. 5th at Red Wing stadium. Fireworks, bands and entertainment are added attractions.

Coupon books are now being distributed throughout Rochester. Those wishing to sell or purchase them for this charitable cause are urged to contact headquarters at 331 Main St. East.

Political Polka

By CURT GERLING

Former Congressman Jim Whitley in his many years of political office came mighty near to being as popular with one ticket as he did the other. While in Congress he had a great many friends among the Democrats and while in Albany he was Al Smith's particular pal and buddy. Republican Jim Whitley could get more things done in a Democratic legislature than a Tammany Democrat. Jim Whitley, Jr. seems to be a chip off the old block and enjoys the friendship of both those who enroll under the star and the eagle.

This week Jim Jr. apparently flush after a big week selling car futures for Mr. Bancroft invited us to lunch with him and GOP congressional candidate Kenneth Keating. Both the writer and Mr. Keating will apparently do anything for a free meal and they accepted. Contrary to what I had expected Mr. Keating did not enter the Sheraton (Whitley was flush) with a silver spoon in his mouth. I had previously accused him of wearing "blue stockings" and was somewhat disappointed to observe that he wore red socks with white clocks. He looked like what he is—a successful, youngish lawyer with prematurely white, but still luxuriant hair.

\$25 Winner

Mrs. H. Herman of 41 Dana St. is the lucky winner of this week's \$25 cash prize offered by The Sun each week to its sustaining subscribers. This is the reward Mrs. Herman gets for paying her Sun carrier, Jean Klaus of 27 Angle St., 10 cents. Jean incidentally collects an extra five dollar bonus.

DRIVER LICENSE RENEWAL LAG CAUSES CONCERN

By CURT GERLING

There are going to be a lot of unlicensed automobile drivers in Rochester after September 30, or else there's going to be a big jam at The State Motor Vehicle Bureau in the Terminal Building just before September 30 unless motorists show up for renewals in a greatly accelerated pace in the next week or two. With an estimated 115,000 operators licenses expiring in the Rochester area next month, officials of the Bureau have made this prediction after viewing the slim crowds now applying for renewals. Despite their warnings, they are expecting the usual last-minute rush with its consequent delay, long lines and short tempers.

Approximately 98,000 licenses of the three-year and one-year class expire September 30. In addition, deferred renewals by war veterans will increase the total by at least 20 per cent. It is anticipated. The auto license bureau of the County Clerk's office in the Court House issued 50,448 three-year driver licenses in 1943 and 19,345 one-year permits in 1945, according to County Clerk Walter H. Wiggins. The State Motor Vehicle Bureau in the Terminal Bld., issued approximately 22,000 three-year permits in 1943 and 7,000 one-year licenses last year, John W. Dennin, district tax supervisor, said.

Veterans who have been discharged since Sept. 30, 1945, are required to renew their operator licenses before Oct. 1st officials said. The veterans are asked to bring copies of their discharge papers when applying.

TAKE YOUR CHOICE—One of the grand prizes to be awarded at the Penny Sale next Thursday in Red Wing Stadium is choice of either a 1947 Deluxe 4-door DeSoto Sedan or the new postwar Piper Cub airplane. James A. Sykes (left) says he would choose the DeSoto, but then, he is president of Seneca Motors, distributors for the car in this area. John Soto, but then, he is president of Seneca Motors, distributors for the car in this area. Can't W. Stauber, manager of the Ray Hylan Airport, says his choice would be the Cub. In addition to the really blame him, either. His firm is distributor for the popular plane here. In addition to the car or airplane, 500 other awards will be made at the sale and fireworks show.

Stadium Penny Sale Plans Arouse City-wide Interest

As the date for the Fireworks Show and Penny Sale drew ever nearer this week, members of the Moose maintained their lead in the race of four men's clubs in the city to help the youth of Rochester.

The event, which is being hailed as "something new, a thrill-a-minute show", is scheduled for Red Wing Stadium next Thursday evening when it is expected the big ball yard will be filled to overflowing with Rochesterians and suburbanites eager to share the thrills as well as the awards which are scheduled to be passed out. Hundred of Awards Listed. According to word from the show's headquarters at 381 Main St. E. more than 500 awards will be distributed, including three automobiles, half a dozen electric refrigerators, washing machines, household furniture, vacuum cleaners, nylon stockings, radios and other equally desirable items.

False Optimism Alarms GOP'ers

On the eve of the state's two major political party conventions to designate candidates for state offices, upstate Republican leaders were beginning to view with alarm the wave of overconfidence which is apparently seeping into their party's ranks. The wisest among them realized that overconfidence has even defeated many an otherwise able candidate. Hence their alarm over what it might do for Dewey who will have an almost solid phalanx of opposition from labor circles, liberal groups, many progressive elements within his own party and, of course, the regular partyline Democrats.

NEW ATTENDANCE RECORD SEEN FOR COUNTY FAIR

With the largest opening day crowd in its short 10-year history, the new Monroe County Fair unfolded its 1946 edition at Edgerton Park yesterday. Howard B. Bloomfield, executive secretary predicted that the good start would mean a new attendance record for the four day fair which closes Saturday night. Special events are on the calendar for both today and tomorrow, but the big crowd is expected Saturday. A horse show will be staged on that day under the direction of Fred Von Lombeck, Jr. One of the largest arrays of horses in Western New York will be shown and judged from 10 a.m. to 5 p.m.

One of the highest of the fair's highlights will take place Saturday evening starting at 7 p.m. when 17 queens representing as many towns in the county will vie for the title of Harvest Queen of Monroe County. The judges are Robert Corris, Mrs. Patricia Palmer Ansley, former Broadway stage star, Mrs. Hawley Ward, Stansley Mores and Miss Ella Mae Carney of New York City. At

Dewey Nomination Sure

That Dewey's renomination is assured is admitted by even his most outspoken opposition. But, even political leaders admit that, in New York State, there is a wide gap between nomination and election.

Political prognosticators are not nearly so confident as the average party worker. Whereas the average voter and ward committeeman looks only over his own area before forming his election opinion, the experts realize that state elections are won or lost 332 miles south and east of Rochester.

What About N. Y. City?

The big question mark, as in the past, is not the rural, nor even urban upstate areas. The big city is still the big battleground. Even the Democrats concede Dewey's lead in the rural areas—and possibly even some of the urban areas. But how big a lead he will have in the 64 dollar question.

KAY'S COMMENTS by Kay Shearer

WHAT FASHION MAGAZINE DO YOU READ? Glamour—Harper's Bazaar—Vogue. They are all informative and helpful in keeping the modern woman up on the much discussed subject—what to wear—and how to wear it. EDWARDS and HENRY ROSENFIELD bring you four outstanding styles from their fall selection. Of course you are familiar with the famous HENRY ROSENFIELD—his dresses are known the world over—and beloved by women who prefer the casual. Henry Rosenfeld not only designs and makes the wool rock as women think—but is an artist in his own right in the crepe also. For instance in GLAMOUR he sketches the FAILEE CREPE in autumn hue—sizes 12 to 18—priced at his usual modest \$14.95. Also in GLAMOUR you'll see 100% wool crepe—with buttons right and buttons left—in high autumn shades in sizes 10 to 18—priced at \$16.95. In VOGUE you'll see a adorable HENRY ROSENFIELD all wool jersey—with this new turtle neck-line in black only—in sizes 10 to 16—priced at \$16.95. In Harper's BAZAAR you'll see a button front wool crepe—this style is so becoming to most women—also in autumn hues. Sizes 12 to 20 and priced at \$16.95. Remember to ask for them by name at EDWARDS—Henry Rosenfeld Found in SPORTSWEAR—Third Floor, EDWARDS Setting a New Pace in Rochester.

LOOK What to wear out of summer into fall through Indian summer—a n d on into fur season. A RIPTON DRESS of course. Yes milady—"fall things" are in. And are they beautiful—those smart blacks—that new hunter green—those soft browns—many combined with flattering colors—and all highly styled in typical RIPTON fashion. Plenty of hip interest this fall. WOMEN'S DRESSES are also to be found—cut on slimming lines for the larger woman. Back-to-school JUNIORS—crepes, woolsens. Prices start at \$8.95 at RIPTON DRESSES—located at 739 MONROE AVE.—Open Eve.

SPECIAL Look at your hair—everyone else does. PRICE If you've been long—long for a cold wave—but didn't feel you could afford it—here's the answer to your problem. VIRGINIA'S BEAUTY SALON is offering the famous RAYETTE COLD WAVE for a limited time for \$10. Usually \$15. The RAYETTE CREME RINSE is included in this special price. It's the perfect cold wave for bleached or tinted hair. Hair is reconditioned in this process. You finish with a sleek shining noggin. Remember for a limited time only. Make your appointment today. A friend of mine—was telling me about the time she had—finding a recipe for canning peaches. In a weak moment she had bought more peaches than she knew what to do with. I reminded her—if she had called HOME SERVICE at R G & E—all her problems would have been solved. This department lends courteous service to every call for help. Get into the habit of calling them—you'll find they "know all the answers"—HOME SERVICE—Rochester Gas & Electric Co.—39 East Ave.

This recipe received an award of fifteen bucks in a contest.
UPSIDE DOWN PEACH PIE
6-8 large peaches
1/2 recipe plain pastry
2/3 cup sugar
1/4 teaspoon cinnamon
3 tablespoons butter or margarine
Peel and slice peaches into well-sliced 9 inch pie plate or shallow pan. Cover with pastry, rolled 1/3 inch thick and prick to allow escape of steam. Bake in hot oven 450F 10 minutes—reduce heat to 350F and bake 25 minutes longer or until peaches are tender. Loosen crust with knife invert pie on round or oblong hot-proof plate so the peaches are uppermost. Sprinkle peaches with sugar and cinnamon and dot with butter. Place under preheated broiler until peaches are lightly browned on top and sugar bubbles. 6 portions.
Try it—it's really good.

KAY'S COMMENTS by Kay Shearer

WHAT FASHION DO YOU READ? Glamour—Harper's Bazaar or Vogue. They are all informative and helpful in keeping the modern woman up on the much discussed subject of what to wear—and how to wear it. EDWARDS a n d HENRY ROSENFIELD bring you four outstanding styles from their fall selection. Of course you are familiar with the famous HENRY ROSENFIELD—his dresses are known the world over—and beloved by women who prefer the casual. Henry Rosenfeld not only designs and makes the wool crepe and women think—but is an artist in his own right in the crepe also. For instance in GLAMOUR he sketches the PALE CREPE in autumn hue—sizes 12 to 18—priced at his usual modest \$14.95. Also in GLAMOUR you'll see 100% wool crepe with buttons right and buttons left—in high autumn shades of sizes 10 to 18—priced at \$16.95. In VOGUE you'll see an adorable HENRY ROSENFIELD all wool jersey—with that new turtle neck-line in black only in sizes 10 to 16—priced at \$16.95. In Harper's BAZAAR you'll see a button front wool crepe—this style is so becoming to most women—also in autumn hues. Sizes 12 to 20 and priced at \$16.95. Remember to ask for them by name at EDWARDS—Henry Rosenfeld also in WARDEN in SPORTSWEAR—Third Floor, EDWARDS Setting a New Pace in Rochester.

LOOK What to wear out of summer into fall—through autumn—a summer A RIPTON DRESS of course. Yes, milady—"fall things" are in. And are they beautiful—those smart blacks—that new hunter green—those soft browns—many combined with flattering colors—and all high in style, in typical RIPTON fashion. Plenty of hip interest in this fall. WOMEN'S DRESSES are also to be found—cut on slimming lines for the larger sizes. Back to—school JUNIORS—crepes, woollens. Prices start at \$8.55 at RIPTON DRESSES—located at 739 MONROE AVE.—Open Eve.

SPECIAL Look at your hair—everyone else does. If you've been longing for a Cold wave—but didn't feel you could afford it—here's the answer to your problem. VIRGINIA'S BEAUTY SALON is offering the famous RAYETTE COLD WAVE for a limited time for \$10. Usually \$15. The RAYETTE CREME RINSE is included in this special price. It's the perfect cold wave for bleached or tinted hair. Hair reconditioned in this process. You finish with a sleek shining noggin. Remember for a limited time only. Make your appointment today. Call Stone 3-65—VIRGINIA'S BEAUTY SALON—Present Bldg. Fourth Floor, Opposite Hotel Seneca.

UPSIDE DOWN PEACH PIE
6-8 large peaches
1/2 recipe plain pastry
2/3 cup sugar
1/4 teaspoon cinnamon
3 tablespoons butter or margarine

Peel and slice peaches into well sliced 9 inch pie plate or shallow pan. Cover with pastry, rolled 1/3 inch thick and prick to allow escape of steam. Bake in hot oven 450° 10 minutes—reduce heat to 350° and bake 20 minutes longer or until peaches are tender. Loosen crust with knife insert pie on round or oblong heat-proof plate so the peaches are uppermost. Sprinkle peaches with sugar and cinnamon and dot with butter. Place under preheated broiler until peaches are lightly browned on top and sugar bubbles. 6 portions. Try it—it's really good.

More pineapple brings the upside-down cake back to menus. Hawaiian peaches report a fine supply of canned pineapple will be ready for fall—due to a larger harvest and better labor conditions. But still not enough pineapple.

ED RANDALL'S Scene & Word

Ben Hogan's garrison finish over Ed Oliver to win the National PGA championship last Sunday meant \$2,500 to the "Mighty Mite" and made him the greatest money winner of the year. "Belting" Ben has collected \$33,377 in ten tournaments this year, some \$12,000 more than Byron Nelson, the deposed PGA champ, has made.

Ben Hogan has come a long way since he began his professional golf career in 1932. At that time, he was itching to match his golf against the best and when a friend offered to grubstake him, he gratefully accepted the money and joined the pros on the winter, or grapefruit, circuit. Relating his adventures to Kerr Petrie in the September Story magazine, Ben recalls: "That was the time I lived on oranges. No kidding, I bought sixty cents worth of oranges and lived on them for three days. I was so full of vitamins I stepped right out in the next tournament and won the princely sum of fifty bucks."

With a wealth of experience in place of the money he had expected to win, Ben Hogan returned to Fort Worth and stayed put for a time. But the old urge returned and he hit the trail of golf and gold again. Eventually, after years of trying, he hit the jackpot at Portland last Sunday.

Which reminds me that the Annual Mixed Scotch Invitation Tournament will be played at Locust Hill on Saturday and Sunday, September 7th and 8th. For the information of any who may never have participated in a rat race of this sort, I'll furnish a short description of the manner in which it is conducted. Both partners drive from each tee, having a choice of drives. For instance, if the man outrives his partner, his ball is selected for the next shot to be hit by the distaff side of the team. But, if the man's drive should happen to go out of bounds, it is policy to play the lady's drive, making it compulsory for the man to play the second shot. After the second shot, each alternate until the ball is finally holed out, then the same procedure takes place at the next hole.

A mixed tournament is supposed to be a lot of fun, but it is not recommended for any man with ragged or touchy nerves. It requires an extremely even disposition to say "Oh, that's too bad dear. Better luck next time," when a beautiful 250-yard drive is bunted a scant four feet by the "dear."

Husbands and wives playing partners in such a tournament should be required to remain a club's length from each other at all times. By a club's length, I mean the distance a club can be thrown. Of course, well-bred people don't throw clubs at each other. At least, I've never seen it in the Locust Hill

locks. He smiled frequently and laughed easily. As we had known each other casually 25 years ago we dug down deep into memory's pool and reminisced about the "old days." I complimented him on having lived down one of East High School's greatest scandals.

So that you will know the true and hitherto unrevealed facts about Keating, the GOP's candidate for the honor of representing the fortieth district, we print the account of that episode to the best of our memory.

Ken Keating was what was known in the classrooms as "a shark." "A shark" in those days was a "smart cookie" a fellow who always was at the top of his class. He whizzed through high school and college with what seemed effortless aplomb.

Somewhere between college and law school he took a job teaching Latin at East High. Being somewhat in the nature of a prodigy he found himself instructing young men and young ladies only a few years his junior. Although this was of little interest to the male element it did make his Latin classes even more popular than the lunch period with the giggling young things in skirts and mid-dy blouses.

This was back in the days of Vernon Castles or shortly thereafter and the two-step and slow waltz were giving way to the one step, fox trot and camel walk. This sort of after hour "goings on" was, to coin a phrase, right up the Latin professor's alley. Thus when such notables of another day as Art Taylor, Hughie Barrett and others who were equally famous if somewhat dim in memory were providing the music for dancing, Congress-seeker Keating was there to tread the waxed floors in a manner to draw smiles of approval from the most expert.

What scandalized the less graceful members of the East High faculty and gave Dr. Wilcox then principal, some pretty bad nights was that Prof. Keating drew heavily on the lady members of his Latin classes for dancing partners. There was a rumor never proven, too, that the best dancers in Keating's Virgil classes also got the best marks and pretty girls who talked in class were punished by not being asked out dancing by the professor.

The Camel walk was forbidden as "indecent" in his era just prior to 1920, at least that was the opinion of the proctors who chaperoned the dances after the basketball games. Yet Keating, the man whom the Republican party wants for Congress was known to have flaunted the edict and in a corner of

the Armory floor well removed from the watchful eyes of Proctors Bill Wolgasand and John Merrill deliberately guided the footsteps of the cutest blond in his Caesar class through the intricacies of this terpsichorean tantrum. As you can see, this sort of thing could have become rather serious and it's pretty funny for East Tigh (and Mr. Keating) that he decided to go to law school and dance with girls who had to study their own lessons.

The above are (we hope) non-belouous facts concerning Mr. Keating's early life — and we leave it to the judgement of our readers if a man with such a questionable past should be sent to Congress.

We both enjoyed Mr. Whitley's lunch. No doubt the food was as good as provided by Mr. Keating's clubs and we personally found it a decided improvement on the White Tower.

Although Mr. Bedenkamp called a meeting of the Republican executive committee in Albany last week Mr. Broderick was the "little man who wasn't there." It might have been embarrassing to Mr. B. to be

questioned on his ability to alienate the Labor vote in Rochester, just when Mr. Dewey wanted it most.

Although interparty squabbles have always been the almost exclusive habit of the Democrats it looks very much if the GOP will have a dandy fight on the Senatorial nomination. Mr. Donovan of Buffalo is an Irishman (as you might suspect) and it is unlikely that he will be shunted aside for political expediency (in this case to please Labor) without a real fight.

NOW, MORE THAN EVER BEFORE THE ARMY HAS A GOOD JOB FOR YOU!

NON-COMMISSIONED GRADES NOW OFFERED TO FORMER ARMY OCCUPATIONAL SPECIALISTS

Good jobs in non-commissioned grades are being offered now by the Regular Army to qualified former servicemen! Veterans discharged on or after May 12, 1945, who enlist or reenlist for 3 years may be enlisted in the non-commissioned grade for which qualified, provided this grade is not higher than that held at time of discharge, and provided that at least 6 months of former service was in one of 400 designated military occupational specialties in which enlistment is now desired.

Important, interesting jobs are open in hundreds of skills and trades in the Army, with splendid training and educational advantages! These are in addition to free food, housing, clothing, medical and dental care, low-cost insurance.

There's adventure, travel, education, a secure and profitable future in this vital, realistic profession. Get full details at your nearest Army Recruiting Station.

- Highlights of Regular Army Enlistments**
- Enlistments for 1 1/2, 2 or 3 years. (1-year enlistments permitted for men now in the Army with 6 or more months of service.)
 - Enlistment age from 18 to 34 years inclusive (17 with parents' consent) except for men now in the Army, who may reenlist at any age, and former service men depending on length of service.
 - A reenlistment bonus of \$50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge.
 - A furlough for men who reenlist within 20 days. Full details of other furlough privileges can be obtained from Recruiting Offices.
 - Muster-out pay (based upon length of service) to all men who are discharged to reenlist.
 - Option to retire at half pay for the rest of your life after 20 years' service—increasing to three-quarters pay after 30 years' service. All previous active federal military service counts toward retirement.
 - GI Bill of Rights benefits assured for men who enlist on or before October 5, 1946.
 - Choice of branch of service and overseas theater (of those still open) on 3-year enlistments.

new Eureka Cordless electric
iron. Inset at right shows a

**WARD DEMOCRATS
TO HONOR OFFICIAL**

September 21st will be
"George Bott Night" for mem-
bers and friends of the Fifth
Ward and County Democratic
Committee when they will hon-
or their recently re-elected ex-
ecutive committeeman. On that
date they will have a special
dinner in their headquarters,
Lowell and Martin Streets.
Kenneth Fladd, a veteran of
three years overseas service
with the U. S. Army, was elect-
ed chairman of the committee.
Constable Joseph Connors was
re-elected secretary and Arthur
Wentworth, who has been in
the Fifth Ward organization 35
years, was named treasurer.
Former Supervisor Clair
Schoeneman was named chair-
man of the "Bott Night" dinner.

**No 'Corditis'
With New Iron
Shown Here**

Another "first" for Rochester
was chalked up this week when
a new cordless electric iron per-
fected by Eureka went on sale
for the first time anywhere in
America in Sibley, Lindsay &
Curr Co. and at E. W. Edwards.
Only a few of the new style
irons are ready for household
use due to limited production
facilities of the iron's manufac-
turer, says Frank M. Beau-
caire, wholesale distributor.
Rochester was selected as a
"test" city to introduce the pro-
duct.

The iron permits use without
the annoyance of a tangling
cording. It heats quickly
from brief contact with a ther-
mostat-controlled base, but can-
not scorch or create a fire haz-
ard. It can even be left safely
while a phone or doorbell is
answered without danger of
overheating.

Operating on AC current the
Eureka cordless iron is also
equipped with an indicator to
regulate heat to the exact tem-
perature required for any kind
of fabric and is beautifully
streamlined and balanced to re-
duce ironing fatigue.

A feature many women will
appreciate is the iron's adap-
tability to left-hand or right-
hand use.

**CITY MAN CAPTURES
THIRD PRIZE IN
JULY FISHING CONTEST**

A lone Rochesterian, William
G. Weist, Jr., of 38 Sherman
Street, shared in the July
award in the Louis A. Wehle
Fishing Contest.

Weist won the \$10.00 third
prize in the Perch classifica-
tion, his catch of a 1 lb. 14 1/2
oz. fish being the third largest
Perch entered during the
month.

Officials of the contest urge
that fishermen should enter
all good-sized catches. In the
month of July, because there
were only two entries for
Brook Trout and Pickerel, there
was no third prize awarded in
either classification.

**YOUTH GROUP SETS
SATURDAY DANCE DATE**

Members of the Holindia
Youth Service will stage an-
other youth center dance in
the K. of C. ballroom Saturday
night from 9 to 12 with Joe
Cady's Orchestra furnishing the
rhythm. Saturday's dance will
mark the fourth in a series
started by a handful of "teen-
twenties" youngsters who want-
ed to provide a clean and
wholesome spot for themselves
and their friends in which they
could dance, drink the tradi-
tional cokes and have a good
time in general. According to
William Lindsay, president of
the youth service, each succeed-
ing week has seen a larger turn-
out than the week before. Last
Saturday more than 450 youths
attended.

Irene Peters, chairman of
Saturday's affair has announc-

ELECTION . . .
(Continued From Page 1)
In order for the undersized
Dewey to retain his oversized
seat in the Albany executive
mansion it will be necessary
for him to go down to New
York City with at least a 600-
000 lead. And even that might
not be enough this year if the
New York Democratic forces
really get behind their man.

Mead Seen 'In'
All indications point to the
naming of Senator James Mead
as the Democratic candidate.
Known to be popular upstate,
he is expected to go into the
Democratic convention with
the support of New York's Ma-
yor O'Dwyer — the same
O'Dwyer who captured the
New York city election by one
of the largest pluralities ever
given a local candidate.

Farley Power Gone
The average ward worker
hasn't stopped to figure this
out. If he considers the De-
mocratic picture at all, he im-
mediately brings up the name of
Jim Farley, who balked the
nomination of Mead four years
ago. But insiders know that
Farley has been shorn of his
power—and not too unwillingly,
either. Now connected with
the Coca-Cola Co. in a reputed

\$100,000 a year sales job, he is
little inclined to re-enter the
political battle. He is not
even planning to attend the
state convention. His fol-
lowers have scattered to other
banners where the patronage is
controlled. Hence his word is
expected to carry little weight.

In fact, results of the pri-
mary elections throughout the
nation indicate that no one's
words are going to carry much
weight with the voters this
year. And that goes for politi-
cal and labor groups, too. Voters,
at long last, are beginning
to realize they must think and
act for themselves and not ne-
cessarily vote the way someone
tells them to. Of course, well-
oiled political machines will
still throw a lot of weight
around when election day finally
dawns but neither the CIO-
PAC or the GOP is going to
be able to deliver the vote
bodily to, nor keep it away
from any one candidate. Bally-
hoo as an election force is ap-
parently on its way out. And
the Republicans have always
depended on ballyhoo and tra-
dition to get them by upstate,
hoping for a split or apathy
downstate to give them an
eventual majority.

Come In Off the Farm
So when you're trying to
figure out who will warm the
gubernatorial chair after next
January—give your eyes the
far look. If you go out only to
Brookport, for instance, and
for my opinion from reac-
tions there—Dewey will defi-
nitely be your choice. But if you
take and add up all the Brook-
ports you can find, put with
them all the Yates and Fulton
Counties you can scrape up—
you'll still find the total far
short of the New York City
vote.
Political experts will remind
you again and again that to de-
cide this election, one must de-
cide the reaction of New York's
Democratic leaders, their fol-
lowers and the city's voters.
Doing that, you too, will won-
der why all the optimism in the
lower echelons of the Re-
publican party. You will real-
ize too, why that optimism is
not shared by the wiser Repub-
lican leaders.

Political Polka

By CURT GERLING

As we may have mentioned before, amid the cigar smoke and tinkling glasses of the Power's bar the talk is all Dewey, mostly in a fast walk or by the proverbial country mile. In certain uptown localities Mr. Mead is referred to as a "sure thing" and they hand out reasons for their judgment with the assurance of an Alabama nominee on the Democratic ticket.

Whatever the outcome of the year's gubernatorial race the decision will not be made upstate. As in the past, New York city will be the one to name the governor. Election tabulations show that somewhere between 53 and 55 percent of the total state vote will be cast within the confines of the New York counties and boroughs. New York city usually turns out comfortable Democratic pluralities. Just how "comfortable" is the question.

Tammany has a firm grip once more and O'Dwyer's more than 700,000 plurality over his two opponents, Morris and Goldstein, in the mayoralty campaign, indicates just how firm the grip is.

Dewey, according to the gentlemen who figure such things out, must come downstate with a plurality of at least 500,000 to stand a chance, and some think it should be a lot more. Both Erie County and Albany County are expected to go into the Democratic columns. Erie is Mead's own ballwick and Republican leader Jaecle who is still smarting from Mr. Dewey's affront of two years ago is not expected to turn any handsprings to get Thomas E. over (See POLKA Page 9)

Stadium Throng Awaited For 'Penny Sale' And Fireworks Display Tonight

Not all the noise emanating from the Red Wing Stadium tonight will be the bursts of giant firecrackers. The cheers of more than 500 winners of valuable merchandise awards is expected to join in the reverberations when the long awaited Mammoth Penny Sale takes place shortly after 8 o'clock.

Sponsored by the Men's Clubs Welfare Activities Committee, the affair has been arranged to raise a fund to deal with youth problems in the Rochester area.

But members of the Eagles, the Moose, Liederkranz and Redmen who comprise the combined committee realized when they were planning the affair that "to get something you've got to give something." And from the looks of their prize list — they're going to give just about anything and everything the heart could desire. Automobiles, an airplane, electric refrigerators, furniture, radios, washing machines, vacuum cleaners, nylons and other hard to get items are all going to be passed out to the crowd which is expected to jam the stadium like it hasn't been jammed since Billy Southworth was displaying his championship teams there back in the late twenties and early thirties.

Books of participation tickets have been distributed throughout the city. However, the committee has announced that any who may have been overlooked may obtain such tickets on the grounds tonight. All books must be checked and certified before they can participate in the drawings. That's why the affair's headquarters at 381 Main St. E. has been attracting an ever-increasing throng of ticket sellers and buyers.

PYROTECHNICS—Rochester's northeastern skies will look something like this tonight when officials of the Fireworks Show and Penny Sale set off their charges in the Red Wing Stadium. With free admission offered to spectators, it is expected that the stadium will be thronged for the twin events.

It was announced today that the Main St. headquarters would be open until 7 p. m. tonight for certification and payment of books. There will also be a booth located on the grounds where such payment and certification can be made.

WORKERS URGED TO KEEP ROGERS IN CONGRESS

A call for support of the candidacy of George F. Rogers in his bid to retain his congressional seat coupled with the warning that "the forces of reaction must be defeated" was sounded this week by John Cooper, president of the Greater Rochester CIO Industrial Union Council.

Addressing his call to the working people of Rochester, Cooper declared that "powerful forces of reaction are arrayed against the common people in their desire for a stable peace and a secure and plentiful America. He warned that reactionaries are "battling to maintain the privileges of the few at the expense of the many," and said that either they must be defeated or "our nation will take the path that inevitably leads from false prosperity to unemployment and want, economic crisis, international conflict and a third and more terrible world war."

"If America" said Cooper, "is to realize the goals toward which Franklin D. Roosevelt led us during his life, the course pursued by the unlamented 79th Congress must be sharply reversed by his successor. Labor and the common people have the power to reverse it. They demonstrated that power in 1944 when they showed that..." (See ROGERS Page 6)

\$25 Winner

Mrs. R. A. Magill of 1181 So. Plymouth Ave., is the lucky winner of this week's \$25 cash prize offered by The Sun each week to its sustaining subscribers. This is the reward Mrs. Magill gets for paying her Sun carrier, Bill Mahoney of 129 Barton St., 10 cents. Bill incidentally collects an extra five dollar bonus.

GOP Caught With Their Plans Down

BY ORVILLE ALLEN

New York State Republicans led by Governor Dewey were seeking two new campaign issues this week to replace two of their attempts at creating issues which backfired and blew right up in their very red faces.

Last week Governor Dewey made two serious charges against the federal government.

1—That the federal government was hamstringing the state housing program for veterans, and

2—That the federal government was hampering the state's efforts to convert Sampson Naval base into a college for GI's.

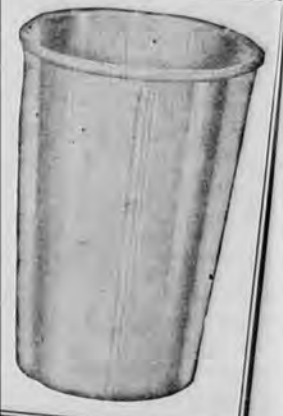

The government was doing this, charged Dewey, in an effort to further the gubernatorial ambitions of Senator James M. Mead of Buffalo. And said state capitol spokesman, "the governor doesn't intend to let federal officials get away with it any longer."

"Every meat dealer and butcher in our outfit," said Schudt, "knows how greatly used fats are needed to produce more soaps, linoleum, nylons, fabrics, radios, refrigerators and other electrical appliances. We've been doing our part 100 percent in this operation and are more than glad to keep it up until Uncle Sam tells us that the crisis in fats and oils has passed."

Special posters are being distributed to all meat dealers and butchers in the Rochester area who operate fat-salvage stations by Merton Dunbar, Lever Bros. representative.

WHAT RUSSIANS WANT. No one ever knows exactly what the Russians want until the already have it.—Arkansas Gazette.

The governor made his charges in a letter to John D. Small, the civilian-production administrator, He accused Washington of placing "impossible and impractical obstructions" in the way of state housing and charged that "project after project is being tragically delayed because..." (See GOP Page 7)

DECREES OF FASHION

Paying tribute to Kate Greenaway, the artist who revolutionized the style of children's clothes through story book and almanac illustrations of the late nineteenth century, a fashion review of modern dresses inspired by her sketches was shown over CBS' New York television station WCBW. Proving the faithful recognition of characteristic details, the 1946 derivations boasted of puffed sleeves, deep bertha cape collars and wide sashes for a three-to-fourteen age group. Each of the young models carried out the "little lady" mood with short white gloves, a reticule drawstring bag or bonnet of the dress fabric and a few carried old-fashioned bouquets

KAY'S COMMENTS by Kay Shearer

Smart line for your entrance — or exit — for no matter how you turn — you show all the season's new flattery in silhouettes — fresh from A L I K E DRESS SHOP. Blacks of course hold first place in the heart of the well-dressed woman. And you'll find blacks in profusion at ALIKE DRESS SHOP. Of course there are other colors to choose from — and they are just as smart — and as highly styled. SLIPS have also arrived — in large sizes — of the same top-flight quality. SWEATERS for the young and the young in figure — yummy colors — of 100% wool of course. PRICES AT ALIKE DRESS SHOP ARE GENTLE. FOR ALL MERCHANDISE STOCKED. Drop in and see if you don't agree. Located 630 MONROE AVE. — Open Eve.

The Bride was beautiful — of course all brides are — but not all bride's bouquets. Don't risk this at your wedding. Order your flowers from LLOYD'S — and you can take my word for it — your flowers will be outstanding. Mr. Lloyd Higbie — the owner of LLOYD'S has some unique ideas when it comes to suggestions for your wedding bouquet. Drop in and talk it over. . . . LLOYD'S will supply you with a fountain of ideas. SPECIAL PRICE
Before you "spring for" that new cheap of yours — get your hair in condition. Make up your mind about your hair-do — and have your hair restyled. VIRGINIA'S BEAUTY SALON — is offering the famous RAYETTE WAVE plus the RAYETTE CHAMBER RINSE — for exactly \$10. This cold wave is usually \$15. Remember both the wave and rinse are included in this low price. Time is limited. This particular wave is suitable for bleached and tinted hair. Hair is reconditioned in the process. Make your appointment today. Stone 346 — VIRGINIA'S BEAUTY SALON — Present Bldg. 4th Floor — Opposite Hotel Seneca.

LOOK WOMEN'S DRESSES at waistline look tiny — and the hips look infinitesimal — isn't that what you larger women have been seeking in a frock? As for style — you'll find them simple, becoming colors for the larger figure. Quality of material is high, and the price starts at \$8.95. BACK - TO - SCHOOL dresses are also in evidence at RIPTON'S. Adorables to keep you the well-dressed co-ed you are. These are also marked \$8.95 up. Of course you'll find plenty of regular sizes at this popular shop. RIPTON DRESSES, 729 MONROE AVE. — Open Eve.

SALE Thrifty women buy clothes at bargain prices "out-of-season" — not at this moment would you consider "summer clothes" not useable. After all we have had a pretty cool August — but probably will suffer through a hot September. Mrs. Zweig with her usual forethought — has recently purchased a group of summer merchandise — offered to you at low prices. Regularly \$20 values — selling for \$7.95 to \$12.95. MRS. ZWIG has also purchased a complete line of the newest in fall dresses. Blacks, browns, greens — all highly styled — all sizes — even the half-size. Prices are gentle. ZWIG DRESSES located 240 ROSEDALE — off Monroe — Open Eve.

A one-piece dress of grey yarn-dyed wool makes a good traveler. It has long sleeves, a double peplum and a ruffled question mark collar. A brown alligator belt holds it smartly around the waist.

With school bells ringing and another of reading "rits" — rhythmic and romance every June — she knows the importance of a "A" in the "first impression" department. YARDLEY suggests that a day or two before classes begin you treat what should be your crowning glory to a really thorough shampoo — using YARDLEY POWDERED SHAMPOO — packaged conveniently in envelopes, just shake the finely powdered shampoo into a glass of warm water, let it dissolve — and before you can say GREGORY PECK — you've got the most sudsy, fragrant shampoo imaginable. The result a beautiful shining noggin. YARDLEY — 25c per envelope — carton 37 1/2c for one buck. Available at SIBLEY'S.

REDUCE Wait 'til you try to wear one of those new silhouettes so good this fall — and you discover those pounds you've been storing up all summer — are going to look pretty terrible. Well — why don't you do something about it NOW. You still have plenty of time. Call PETTIS Stone 6210 — and make an appointment for a series of treatments on her famous BATTLE CREEK REDUCING LOUNGE. It is the simple, easy pleasant and lasting way to reduce. Pettis will give you all the details. Located in the BURKE BLDG.

MAN INVENTS MECHANICAL LAWN SEEDER

Latest of the labor-saving devices created by America's inventive sons is a combination lawn seeder and roller all wrapped up into one neat package.

The device was dreamed up by C. James Gormel, head of Gormel Plant Products, 390 Main St. W. For that horticulturist, to dream is to act. Hence his new invention. He hasn't placed it on the market yet, but is using the machine daily in his work of planting and caring for many of Rochester's finest lawns.

The machine looks like a cross between a lawn roller and a light garden tractor. It actually is a motorized seed spiker. Not only is it faster, says Gormel, but it insures even distribution of seed, a more level seedbed and quicker and more complete germination.

Grid Expert Gets Out On Prediction Limb Early

All-American football team selections in December are almost as numerous as clams at a clam bake. However, George Trevor, grid expert for Football Annual, has already named the probable college pigskin experts of 1946.

In an article in September "Sport", newest sporting magazine to hit the newsstands, Trevor risks his reputation and climbs right out on a very shaky limb by announcing his

choices now, before a punt has been blocked or a point has been scored.

Other stories of interest to sport lovers include a close-up of Baltusol, where the National Amateur Golf Championship will be held, a revealing study of the hard-to-know Joe Louis, special articles about bowling, baseball, boxing, in fact the whole field of sport is covered by Sport.

ACCOUNTANTS SET ANNUAL FIELD DAY

There will be little excuse for inaccurate scores or other lapses of mathematical memory next Saturday at the Midvale Country Club. On that date the Rochester Chapter of the National Association of Cost Accountants will gather at the East Rochester club for their annual field day and golf tournament.

For the first time since the beginning of the war, the golf tourney will be held in the morning. This will be followed by a luncheon at 1:30 p. m., after which members and their guests will participate in a sports program.

Clay Bestor is in charge of arrangements, assisted by Angelo Rollo, Charles Schwartz and William Follmer.

**ED RANDALL'S
Scene & Word**

Last week we were discussing the Mixed Scotch Invitation Tournament at Locust Hill next Saturday and Sunday and the trials and tribulations which assail the participants in such an affair. Those of you who may have been careless enough to read that deathless prose will recall that the dissertation ended upon rather an abrupt note. The reason for this sudden ending was that an eager make-up man was compelled to cut some of the editorial matter on the page and he decided that Curt Gerling's Political Poika was more interesting than my drivel so the soliloquy on golf was curtailed. It is barely possible that Political Poika is more interesting reading but on the other hand the aforesaid make-up man could be a Democrat.

Some of my snide golfing friends have contradicted the statement I made that well-bred people never throw clubs at each other in a mixed tournament. A few of them even offered to show me the bruises and scars to prove that my contention is wrong.

I'm still unconvinced, however. I know that harsh words flow freely at times but I cannot believe any husband would, with malice aforethought, throw a golf club at his ever-loving wife. Maybe a chair or an end table but never a golf club. Perish forbid.

Sometimes, of course, a club will slip out of a person's hand and if the wife happens to be in the direct line of flight of the lethal missile and gets struck, it could hardly be her husband's fault, could it? Even well-bred people's hands perspire during a golf match and leather grips do become smooth with use. I don't believe any jury, a male jury, that is, would ever condemn a man to the road gang for committing what was so palpably an accident.

All of this stress upon violence may lead non-golfers to believe that a mixed golf tournament is a sort of open-air Golden Gloves affair. Seriously, though, it is not so rough a sport as I may have intimated.

Very few blows are struck during the course of the contest. Heated words are exchanged occasionally, as I have remarked before. Such a state of affairs is hardly avoidable because somewhere along the

D & C Lights Fuse
For a while it looked to the unknown as though the governor "had something" there. But not for long. The charge was shown to be nothing more than sheer political propaganda by none other than the Rochester Democrat & Chronicle, considered one of the staunchest, if not one of the most biased, Republican newspapers in the state.

And Sets Off The Charge
Here is what slipped through the hands of the "political policy" editor of the D & C and was printed (along with Davay's) the day after Davay made his charges public. Said the D & C:

"Because of regulations which prohibit more than a 10-hour work week on state public works projects, the Lyell Avenue emergency housing project is going to be delayed approximately six months.

The project, which will provide 247 apartments for veterans and their families, originally was expected to be ready for occupancy by Sept. 1, but lack of skilled labor brought about by the 10-hour limit has set the development finishing date back to "about Mar. 1," it was disclosed.

Approximately 250 skilled mechanics such as carpenters, masons and plumbers are employed on the project, "but we could use between 500 and 600," it was pointed out by a spokesman for the contractors. Much skilled labor which normally might go to work on other construction jobs because they are more lucrative as a result of overtime pay.

And then, inadvertently showing just how poor an administrator is its own Governor Dewey, the Democrat tersely pointed out the difference between careful planning and the "Dewey way" by adding:

"At the Fernwood Park project of the city's commercial and savings banks, however, there is little difficulty. The work is proceeding "per schedule," with a 45-hour week in effect. Building materials have caused no delay thus far as a result of considerable pre-construction planning and the first units are expected to be opened by Oct. 15."

That takes care of Dewey's first hunk of campaign bunk.

Second Explosion
What about charge number two—that the federal government was hampering the state's efforts to educate the veterans in a state-sponsored college project?

On the very same day that Dewey cast his bit of bread on the political waters the Associated Colleges of Upper New York (the organization created by the legislature to run three new colleges during the emergency) announced that "although Mohawk, Champlain, and Sampson Colleges are ready to take in 13,000 students we have had only 6,000 applications so far."

And that, dear voters, eliminates the other Dewey "charge." One was killed by a stalwart newspaper of the Governor's own party the other by one of his own bureaus.

BOOM! BOOM! BOOM!
RIFLE SHOOTERS PLAN SEASON'S ACTIVITIES

Rifle shooting will move into the competitive sports picture in Rochester this winter in a big way.

Organization of leagues now under way indicate that as many as 2500 shooters, representing industrial, mercantile and fraternal organizations will be participating over an expected pair of ranges.

Competitors will use a new gas rifle developed by the Crosman Arms Co., Rochester Manufacturers. The gun fires 22 caliber pellets propelled by compressed carbon dioxide gas released in a cylinder that is an integral part of the rifle.

Since the gun is absolutely free of recoil, has no powder odor, and is easy to handle, league sponsors anticipate an enthusiastic response from girls as well as men shooters. Special league setups for members of the fair sex are currently being organized.

Through qualifying shoots, now being carried on nightly on the Crosman Range at 27 Atlantic Avenue, shooters and teams will be assigned spots in leagues where they will find even competition. Plant or other organization representatives wishing to enter teams in any of the leagues are asked to call Commander Ernest G. Vetter at Monroe 4529.

"What happened to me should not happen to two pomeranians (one pomeranians could not stand it).
I was head chef at the Waldorf until one day I make the big mistake of not using Gallo Wine when I cook.

Mais oui—I know Gallo is truly a superb wine. It is easy to tell the Gallo Wine is made from the world's finest grapes, and of course Gallo is—how you say?—*tres* perfect, because it is made with such care and bottled at the winery in California.

POLKA . . .
(Continued From Page 1)
in the plus column. Albany county under the thumb of the O'Connors will be doing only what comes naturally.
The GOP hopefully looks to the old Farley-Mead feud to disrupt the New York city vote, but again the experts discount the power of the ex-postmaster. Mr. Farley has slipped plenty over the last half dozen years and many feel that Farley is one of the last gentlemen who should be heaving rocks around at fellow politicians. It is remembered that when his pal Al Smith "took a walk," Jim, a brick salesman at the time, failed to join in Al's promenade. Instead he jumped right into F.D.R.'s lap and came up postmaster general. Fortunately for the bald-pated James, Coca Cola seems to be in steady and ever increasing demand and his reputed \$100,000 per year seems safe. It's doubtful if Farley (were he a mind to) could switch one hundred thousand votes.

"DRINK TO ME ONLY WITH THY POSTUM" — That might well be the caption of this photo of the famous "I'm coming Mother" Henry Aldrich, who is portrayed by Ezra Stone, and other members of his family made during a rehearsal relaxation period. The fact that their program is sponsored by the makers of Postum may have had something to do with the choice of beverage. Those in the group include House Jameson as Mr. Aldrich; Katherine Raht as Mrs. Aldrich; Mary Rolfe as Henry's sister Mary; Jackie Kelk as Homer and Ezra Stone as Henry.

both a privilege and an opportunity. The opportunity I will use to make this statement. Unless, and be paused for effect — "unless, you fellows show some signs of life in the day time, and hustle in more information on these safe jobs that are being pulled around town, you are all going to work nights." With that the Chief sat down.
On this "unlovely" note the party broke up.

For some never-explained reason it has been the custom of many years for Bausch and Lomb to throw a party for the Rochester detective bureau. This year it was held at Arleigh Doyle's cottage at Conesus Lake. The food was excellent and the refreshments plentiful and choice.
When everyone had satisfied the cravings of the inner man the B & L brass rose to make a few speeches. Mr. Eisenhart said, according to reports, that the relationship between his company and the Detective bureau was — well, "just lovely." Mr. E. being a very smart man made his speech brief. Then Mr. Hallauer who is also connected with B & L made a speech and said things were "lovely" too. Then Commissioner of Public Safety Tom Woods got up and said it was a real nice party and he agreed that the relations between the detective bureau and the optical concern had always been "just lovely." (Why it shouldn't be nobody seemed to know). Others had a "few words" and they too stressed on how "lovely" things were.

Then, huge, ramrod-straight Chief Copenhagen unwound his six feet seven and rose to put in his nickel's worth. Clearing his throat with a baritone "bar-rumph" he eyed the overstuffed members of his detective staff and spoke. Said he, more or less as follows: "I seldom have the opportunity of greeting so many of the detective squad in one gathering. It's

The Sun has so many letters regarding the city housing program in general and the Central Ave. Fire Hall fiasco in particular that it just can't afford the space for them all. The general consensus, however, seems to be that it is not only extravagant (now they want \$85,000 to finish it) but such a site is ridiculous in itself. Right smack under the N. Y. C. tracks it has to be one of the dirtiest dwelling places in the city. If the families with the courage to move in, have children that is no place for them to play except the Central Ave. playground four dirty blocks away. It would be several long miles to the nearest school.

By the time this appears in print the U. S. senatorial nominee for the GOP will have been chosen. At the writing, it looks very much as if Col. or I guess it's General Donovan will be selected.
The easiest way out will be the attribute Donovan's alleged disfavor with Labor. That however is a few thousand miles from the real reason, as most any Irishman who has been voting since 1932 can tell you.
The fact that the General has a fine record in two wars, and a knowledge of what goes on in Europe did not cut much ice. The politicians and the GOP in particular are already discounting the veteran vote and they aren't going to be upset with any disfavor the Donovan-knifing will cause in Legion circles. Just as in the last fifteen years, the GOP are crying with more hope than judgment, "this is a Republican year."

That must bring a chuckle to the lips of FDR in the Great Beyond.

ester's most unlivable street seems ridiculous indeed. If Rochesterians would vote as convincingly as they write letters of criticism we would have fewer complaints on the administration and affairs of the Republican city."

Political Polka

By CURT GERLING

Mr. Keating's opening blast of the campaign rendered with proper dramatic flourishes in Pittsford Tuesday night gave the Democratic leaders and the independent voters of Rochester the tip-off on who is going to run Keating's congressional campaign, and if he is elected, who is going to run Mr. Keating. Smearing Rogers with cries of "red" and "communist" is strictly Old Guard stuff and right out of the mouths of the local money-bag clique who promoted the young lawyer's candidacy. According to so many of those who run Rochester and its industries any man that asks for a raise or in anyway opposes their ideology is a communist. It is hoped that the GOP congressional candidates will learn faster than the Old Guard. They used the "red" cry last time and the tactic cost them more votes than it got by two to one. If the Ex-Colonel will review Mr. Dewey's speech in Boston where he sought to woo the Irish vote by crying "red" at the Democrats he will note how ill-advised Thomas E. was. It cost him the state of Massachusetts as well as the City of Boston. Prior to his speech it was regarded by many experts as his. We don't doubt that Mr. Keating will get better as he goes along. He's smart enough to know (or should be) that sooner or later he's going to have to break away from our local reactionaries and their unnatural and unsuccessful propaganda, and do his own thinking. We doubt if Keating personally thinks Rogers is any redder. (See POLKA Page 5)

FIREMEN READY VAUDEVILLE BENEFIT SHOW

Rochester firemen this week are launching a city-wide ticket selling campaign for their benefit vaudeville show at the Eastman Theatre on Oct. 11, 12 and 13. Proceeds of the event will go to the Firemen's Aid Association to provide funds for widows and orphans of deceased members of the Rochester Fire Bureau. The show will be composed of a galaxy of Hollywood and New York screen and stage headliners, augmented by several nationally known radio stars. According to Fire Chief John A. Slattery and Frank J. Smith and John F. Uffert of the citizen's committee, a surprise headliner, not yet revealed, will star in the show. Until the final contracts are signed, committee members are keeping the important name under their hats — or rather — helmets. Chief Slattery did say last night that this year's show will even exceed the high entertainment standard set by the firemen in previous years. Six performances will be given over the three-day period with matinees on Saturday and Sunday, Oct. 12 and 13. The night show on Saturday, Oct. 12, has been scheduled to accommodate the expected 10,000. Mrs. James Bates of 604 Ridge-way Ave., is the lucky winner of this week's \$25 cash prize offered by The Sun each week to its sustaining subscribers. This is the reward Mrs. Bates gets for paying her Sun carrier, Paul Cummings, of 816 Flower City pk., 10 cents. Paul incidentally collects an extra five dollar

HERE'S HOW—If Peter Steese, 845 Highland Ave., (left) ever becomes a champion runner, he can thank Gil Dodds (center) holder of the world's mile record, for his start. Dodds, in Rochester to speak at Brighton Community Church as guest of the Rev. W. Millar Crawford (right) his former college "buddy," took time out to show young Steese the famous crouch which started the champ on many a victory sprint. Also watching the "flying parson" is John Allen and Paul Steese.

Gil Dodds, 'Flying Parson' To Try For Olympic Berth

The "Flying Parson" has taken his running shoes down off the retirement hook and is going to campaign for a spot on the 1948 American Olympics team. That's part of the message (See DODDS Page 6)

Dewey Election 'Doubtful' Says New York Times

The re-election of Governor Dewey may be "in the bag" in the minds of local and upstate Republicans, but to the political experts who know the goings-on behind the scenes and to newspaper writers who dare to report the facts as they are rather than as someone thinks they ought to be, the election in New York State is marked "doubtful."

Among those who do not share the enthusiasm now patently being manufactured among the rank and file of the Republican party is Warren Moscow, political writer for the New York Times. And because Moscow is considered one of the most erudite political writers in the country and because the New York Times, of all newspapers in the nation has a reputation for accurate reporting and lack of bias in its news columns, some of the things he has to say are worth publicizing in news-rationed Rochester.

Writing in last Sunday's edition, Moscow, after reviewing the state party conventions last week, reciting their strong and weak points and revealing some of the campaign strategy to be used by both parties, says: "Actually, the situation is that New York has set a tradition of going Democratic in State elections and at the moment, on the party enrollment is heavily so. If all voted the way they are enrolled the Republican ticket would be beaten badly."

In another paragraph, the New York Times writer says: "The trend nationally has appeared to be against the 'Ins,' (See ELECTION Page 4)

Penny Sale Jams Wing Stadium

Officials of the Men's Clubs Welfare Activities Committee this week eyed a large "kitty" to be used in aiding the youth of Rochester as result of the "Atomic Fireworks Show and Penny Sale" held at Red Wing Stadium last Thursday evening. Much of the credit for the success of the show was given to The Rochester Sun by officials of the show who declared that not since one of the opening day baseball games back in the days of Billy Southworth had such a large crowd poured through the stadium turnstiles. The Sun alone publicized the event and proved again said the committee's publicity chairman, that The Sun can do the job alone. The Committee, composed of members of the Moose the Liederkranz, the Red Men and the Eagles, staged the show to raise money for its newly-created youth fund. And while they gave away automobiles, refrigerators washing machines, vacuum cleaners and other items of merchandise, they still had enough money left over to give the fund a large boost. There were more than 500 prize winners among the 11,500 who filled the stadium last (See SUCCESS Page 6)

TEACHER CALL BROADCAST BY EDUCATION DEPT.

The State Department of Education is seeking men and women to teach agricultural, technical and applied arts and sciences subjects in Paul Revere Trade School here as well as other schools throughout the state. With salaries starting at \$3416 per year for well-qualified persons, the department has sent out a call for those interested to be interviewed at Paul Revere School before Sept. 21. Instructors are needed to teach such subjects as air conditioning, architecture, automatic heating, business machine repair, beauty culture, oral hygiene, radio and industrial electronics, prescription lens grinding and other trade and technical occupations. Applicants must be U. S. citizens. To qualify for teaching shop subjects the applicants must offer a minimum of five years' experience in the occupation to be taught. Applications will be accepted in Room 232 at Paul Revere Trade School, 135 Bernard St. from 9 a.m. to 5 p.m. daily and to noon on Saturdays.

Series Ticket Sale Opens For Eastman Concerts

ARTUR RUBENSTEIN FRITZ KREISLER

With the opening date of the local Eastman concert season just one month away, box office sale of series A and B tickets opened today.

First artist to be presented in the Series A concerts is pianist Artur Rubenstein, now making his 10th nationwide tour. Increasing his popularity to new heights, Rubenstein is now considered at the peak of his brilliant career. Rochester music lovers will remember his previous notable performances from the Eastman stage. He will appear in Rochester on October 18.

The following week, Series B will open its season with Fritz Kreisler beloved violinist and composer who has ranked at the top for years. He is said to have lost none of his virtuosity, nor his immense popularity.

Other who will appear during the season include Marcial Slinger, Nathan Milstein, the Original Russian Ballet, and

the Boston Symphony Orchestra under the baton of Serge Koussevitzky in Series A, and the Jooss Ballet, Alexander Brailowsky, Helen Traubel and Wronsky and Bahin in Series B. Rubenstein is now in New York where he has a prominent part in the film "Carnegie Hall" now in production and the first full-length movie feature to be made in New York since the early days of the "flickers." He is also heard on the screen playing the background music for the Republic picture, "I've Always Loved You."

ELECTION . . .

(Continued From Page 1) but seems localized in its actions.

Moscow then lists some of the reasons why Dewey may be defeated. He says: "What can work against Mr. Dewey and what makes the election here still close enough to be marked doubtful is the fact that the State is normally heavily Democratic, that he is not personally popular with many individuals and groups and that the past voting records of Messrs. Mead, Lehman and Corning cannot be ignored."

Those vote getting records are not being ignored, either, in the places where recognition counts. Occupants of the "smoke filled rooms" the party hangouts and the campaign headquarters are very much aware of the standings of Senator James M. Mead, former Governor Herbert H. Lehman and Albany Mayor Erastus Corning. And so is a newspaper like the New York Times. That's why they term the election "doubtful."

CONGRESSMAN ROGERS HEADS 10th WARD GROUP

Not only is George F. Rogers a member of congress from the 40th district, he is now also chairman of the Tenth Ward Democratic Club, following his election to that office this week at a meeting of the group at 333 Driving Park Ave.

In addition to Rogers, new officers were installed as follows: Matthew Little, vice-chairman; Robert Thomas, secretary; Caroline Moran, treasurer; Patrick Monaghan, sergeant-at-arms; and Nelson Owen, executive committee-man.

CHURCH MEN'S CLUB TO BEGIN SEASON

First fall meeting of the Church of the Ascension Men's Club will be held next Thursday at 8 p. m. in the crypt of the church to elect new officers for the coming year. An outline of future activities of the club will be given by Clarence A. Brown, president and reports of committees for the past year will be heard.

Following the business session, an evening of games and a buffet lunch have been scheduled.

POLKA...

(Continued From Page 1)
than the cloth on a pool table—
nor in fact, does anyone else

Cecil Dickson said propagandist of the daily press evidently spent enough time in Albany last week to warrant a healthy expense voucher. With tongue in cheek and an eye on his pay check he gave with the stuff that the boss was sure to like. He said Mrs. Roosevelt's keynote speech was lousy and indulged in a few ill-hidden innuendos which may have pleased those he writes for but in the eyes of the very few who might waste the time to read him, seemed to be, to say the least, ungalant. He delighted in remarking "the now grey-haired and thinning woman read through horn-rimmed glasses a dreary speech that—" etc. etc.

That very night in the "letters to the editor" column, the same press in high dudgeon permitted some correspondent to comment on a speech by a local Democrat who had referred to Thomas E. Dewey as being very similar to the little man on top of a wedding cake. That apparently isn't very nice. Yet originally the remark was made several years ago at the Chicago GOP convention and it was a quip by a lady, a Republican lady, high up in GOP councils. It was her way of saying that she thought their selection of a presidential nominee smelled. The voters, so history records, were in hearty agreement.

The only people who like keynoters' speeches are the members of the party present. Keynoters are expected to touch off the enthusiasm for the coming campaign. According to the delegates and less biased newsmen who were present at Albany that is just what Mrs. F.D.R. did. She made a horde of doubting Democrats confident of victory.

Mrs. F.D.R. is not only a great lady, great mother and astute politician but a first class speaker. She will be remembered for her contributions to America's many causes long after Mr. Dickson has crawled back into the flooring of the Pen and Pencil Club.

We note that the minions of the law have been unduly active of late. Another "big time" gambling casino was raided. This time on Portland Ave and the "kill" was two slot machines. In fact our blue-coated friends have done very well in every part of the city—except of course, on East Ave.

In case it should be of any interest to Mr. Wood's office, the U. S. Treasury Department as of June 30 this year has issued tax stamps for 1,401,535 one armed bandits. 78,419 called for a tax of \$100 each.

Even more interesting is that the Treasury Department has on file the names of the operators of these machines and on some rainy afternoon a curious Mr. Woods could send an emissary to the proper department and get the location and operators of every one-armed bandit in Rochester. And we might add the boys with the shiny badges could line up a good month of intensive work. We doubt however, if Mr. Woods would be that curious.

What is getting a lot of laughs (and for the Republicans all in the wrong places) is their cry of "Liberalism". Some GOPs honestly think they are Liberals. But when the voters scrutinize closely the party's well wishers it's harder to swallow than night club scotch.

The Wall Streeters, the press barons, the money-bag industrialists are as usual behind the GOP and they love Liberalism like Gimbel loves Macy.

TO ELECT OFFICERS
Yerkes Coughman Auxiliary, American Legion will elect new officers at a meeting next Tuesday at 8 p.m. in the 40 & 8 Home, 933 University Ave.

BUFFALO RADIO MANTO STAGE SHOW HERE

For the first time in Rochester a "Late Date With Buehly" show will be staged in Rochester by Clinton Buehlyman, popular radio announcer from WBBN in Buffalo and former Rochester schoolboy. Political Polka

By CURT GERLING

Although the state campaign will not get underway until October the technique and battlecry of the GOP is already well defined. It shows the Dewey touch and the GOP's inability to learn from past mistakes. This year, as in Dewey's presidential campaign, the cry will be "radical," "leftist." In fact, anyone who hasn't a million dollars or has failed to vote the Republican ticket year after year is going to be called a "Communist."

As very few of us have a million bucks and the record of the last fourteen years proves so many of us have failed to consider the Republican party as worthy of our vote, there are going to be a heck of a lot of us who are going to be called "Reds."

Mr. Keating, taking his cue from Thomas E. has already indicated that George Rogers, the Tenth Ward grocer and our present congressman, has communistic tendencies. All of which makes Mr. Rogers the first communist groceryman in history and the people of the Tenth Ward, both Republican and Democratic, very, very indignant. And in case Mr. Keating doesn't know it he had better carry the Tenth Ward if he wants to get elected.

Just as silly when the little governor gets going will be his implications that Senator Jim Mead is pinkish too. This, of course, will surprise Irish Catholic Jim Mead very much and no doubt draw a query from the

Negro Council Plans Own Housing Project

Citizens of Rochester's Negro community have finally lost their patience. They have learned, as have the rest of us, that in Rochester, if you want anything done, you've got to do it yourself.

Tired of waiting for various uplift and social benefit organizations to do something to relieve the Negro housing situation, forward-looking Negro leaders have taken matters into their own hands and will construct a low-cost housing project for needy renters of Rochester.

An architect has been retained to draw plans for the project, a program to finance the structure has been arranged and selection of tenants begun.

Undertaken by the Negro Planning and Housing Council, Inc., the project, which will be known as the Frederick Douglas Homes, will consist of a modern, low-cost housing structure of 23 units and three stores. According to members of the council it is "the beginning of the answer to the need for low cost housing which has existed in Rochester for many years."

A committee of six persons, three Negro and three selected from other racial groups, will be appointed to select the tenants for the proposed housing units.

To finance the project, the council is issuing 750 shares of common stock, no par value, at \$100 per share.

All state and federal agencies in the field of housing have been notified of the council's plans according to members of the board. To date through the waste paper campaign on the sale of stock, the council is re-

STATE SETS NEW TRADES TEACHER TRAINING PLAN

A program to select and train a large number of new vocational teachers has been mapped by the State Education Department to fill the need for such instructors in vocational and technical schools throughout the state.

Applicants are offered free training leading to a license to teach in the state. During the training period, which, for local residents, may be completed right here in Rochester, trainees may remain in their present employment. Qualified persons are particularly needed in the automotive and building trades, communications, drafting and design, electrical and graphic arts trades, machine shop, metal trades and other occupations.

Applications will be accepted from United States citizens 21 to 38 years of age who are residents of New York State. To teach shop subjects, the applicant must have from five to nine years of approved trade experience. Salaries paid to vocational teachers range up to \$3200 per year. Technical and applied arts and sciences teachers' salaries range from \$3416 to \$4484 with regular annual increments.

Applications may be secured from the Supervisor of Industrial Teacher Training at Paul Revere Trade School.

Mrs. F. Scheid of 166 York Street, is the lucky winner of this week's \$25 cash prize offered to its sustaining subscribers. This is the reward Mrs. Scheid gets for paying her Sun carrier, John Talone of 236 Silver St., 10 cents. Jack incidentally collects an extra five dollar bonus.

Council Set To Railroad Snow Cleaning Ordinance

Rochester's snowstorms in general and the city administration's feeble efforts to combat them in particular will again pop into the limelight next Tuesday evening when a public hearing is held in the council chambers on a city ordinance to provide funds for snow removal in the city next winter.

MOTOR SERVICE MAPS POSTWAR EXPANSION PLAN

The war, at long last, is over for the Medical Motor Service of Rochester and Monroe County. This week the organization reopened its offices, closed during the war years, and put into operation a second car to augment the service of that driven by Mrs. Phillip O. Viall.

The expansion program, says Mrs. Vilas M. Swan, president of the board, was recommended by the group's survey committee because of the increasing demand for the service which is made possible by the Rochester Community Chest.

New offices are temporarily located at 31 Gibbs St., through the courtesy of the Rochester Guidance Center. Before the war the motor service had offices in the Medical Arts Building.

Mrs. Viall, who will continue as full time driver, made almost 3,000 trips last year. Mrs. Henry Likly, who will operate the second car will be on duty from 9 to 12 each morning to receive requests for service. As heretofore, the service offered is based on need and wherever possible cases are cleared through the medical social workers at the hospital.

HOMES SHOW TO BENEFIT CAMP PROGRAM

Rochester's first post war Better Homes exposition will be held at the Main St. Armory Oct. 19-26. Co-sponsored by the Rochester Home Builders Association and the Kiwanis Club the show will present the latest ideas in home improvements, including building materials, home appliances, interior decorations, furniture, financing and other post war commodities.

The advance ticket sale is being conducted for the benefit of the Three Lakes Camp, sponsored by the Kiwanis Club. The management of the exposition has announced that three 1947 automobiles, a Plymouth, a Pontiac and a Dodge sedan will be given away as major door prizes in addition to gas and electric refrigerators, washing machines, ironers, furniture and 600 baskets of groceries.

All tickets sold will carry with them an opportunity to win any of these prizes. Awards will be made each afternoon and evening during the eight days of the exposition.

The Kiwanis Club is also presenting Moose Potvin's world

Estimate Doubled Last Year

Last year, the sage administrators who are charged with figuring such things out estimated that snow removal would cost city taxpayers \$400,000 for roadways and \$150,000 for sidewalks. How accurate was their estimate was shown in the final figures which nearly doubled the estimated amount. The actual cost of snow clearing last winter, according to Comptroller W. Ray Whitley's figures was \$834,949.

Plan on Light Attendance

Of course, it was obvious to observers that it would please the city fathers more than a little if the "common people" ignored the hearing. Then the cozy little group at next week's council session can "steamroll" the measure through in the usual "Republican closed-shop" manner.

Until now, administration (See SNOW Page 5)

ACCOUNTANTS PLAN REGIONAL CONFERENCE

A regional conference of cost accountants being planned for March, 1947, by members of the Rochester Chapter, National Association of Cost Accountants in conjunction with the celebration of their silver anniversary. Jean B. Pierce, president of the Rochester chapter, has appointed Ray D. Kinsella as temporary conference chairman.

A meeting of regional directors of the group was held here yesterday to lay plans for the event. Attending were Frank L. Palmer, Albany; James H. Robinson, Binghamton; Norman E. Lliga, Buffalo; Ross W. Alden, Jamestown; Ralph Sheeley, Syracuse and Albert B. Ladeau, Utica. Arthur B. Gunnarson, assistant secretary of the national association also attended yesterday's session.

VETERANS' GROUP SEEKS NEW MEMBERS

Seeking to swell their ranks with new members, the American Veteran's Committee are conducting a membership campaign starting Monday and continuing through Oct. 17. According to John Barrows, chairman of Rochester Chapter No. 1, AVC, membership is open to any American who is now serving or has been honorably discharged from the U. S. Armed Forces, Merchant Marine or Allied Forces regardless of race, color, creed or sex.

A general meeting of the group will be held in the Empire Room of Powers Hotel next Tuesday at 8:15 p.m. Those interested in joining may contact Barrows at 360 Flower City Pk. or by telephoning Glen, 6483-R.

Five Local 'Ike Waltons' Hook Fish Contest Prizes

Local Isak Newtons fared better in the Louis A. Wehle Fishing Contest for August, with five Rochesterians winning prizes. Henry E. Herbert, 24 Newton Rd., captured third prize in the small mouth bass class with a catch of 5 lbs., 11 ozs. at Cape Vincent.

Donald B. Ecott, 134 Colonial Rd., was awarded second prize in the large mouth bass classification on his catch of a 6 lb., 8 oz. fish at Goose Bay.

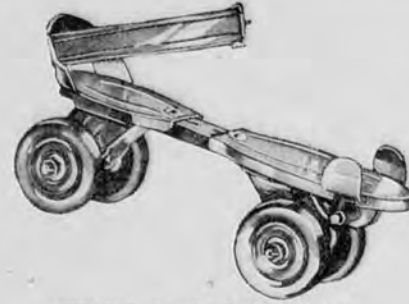

Brando J. Thomas of 1491 Monroe Ave., took second prize with an 8 lb. walleyed pike in that division. Thomas' fish was taken at Conesus Lake.

David Goethal, 134 Somershire Dr., won third place in

the rainbow trout class with a 3 lb., 6 oz. catch at Vine Valley.

The final winner was Roland Milhan, 200 Cedarwood Ter., who tied for second prize for lake trout with a 16 lb fish at Hemlock Lake.

Fishermen are reminded by officials that the Wehle Fishing Contest closes on October 31st and that only a few weeks remain to enter catches and compete for one of the valuable cash prizes.

Male Cinderella
Philadelphia, Pa. — Seeing a man walking along the street with only one shoe on, Patrolman Howard Fisher became suspicious, picked up the man and took him back to an automobile whose owner reported someone tried to break into it, reached through the broken window and picked up a size 12 shoe that lay inside. "Try this on for size," the policeman told the man. It fitted and the prisoner was taken to the police station, charged with attempted larceny.

Although Alaska is usually thought to be a cold country, the capital city of Juneau had only 53 days of zero weather in 33 years. The temperature on the coldest of these days was 15 degrees below zero.

MASS TO OPEN K of C GOLDEN JUBILEE FETE
Opening of Golden Jubilee celebration of the Rochester Council, Knights of Columbus will be a Mass celebrated by the Rev. James E. Kearney, Bishop of Rochester Catholic diocese in St. Joseph's Church, Saturday, October 14 at 9 a. m.
Sermon will be delivered by the Rev. James M. Gillis, C. S. P., editor of The Catholic World and columnist for Catholic newspapers throughout the country. Arrangements for the Mass are being made by the Rev. Arthur E. Rattigan, chaplain of Rochester Council.
Climaxing the celebration will be a dinner at 7 p. m. at Powers Hotel which will bring national and state K. of C. leaders.
The Golden Jubilee celebration is in charge of Ralph F. Murphy, chairman and Rocco P. Natalie, vice chairman. Grand Knight Francis T. Toomey is supervising the plans.
Rochester Council was organized in 1896 in the Triangle building and now has its headquarters in Columbus Civic Center.

Socialist Speaks Here
COLEMAN R. CHENEY
Neither Senator James M. Mead nor Governor Thomas E. Dewey are qualified to be governor of New York State after November. At least, that's the opinion of Coleman R. Cheney who spoke in the Labor Lyceum last evening.
Cheney is Socialist candidate for governor.
While a private in the army Cheney campaigned in absentia for governor on the Socialist ticket in 1942.
He was not elected.

Alec Templeton To Open Eastman Concert Season

When the scrubbed and shined Eastman Theater, restored to its 1922 glory, swings open its doors on the 1946-47 concert season Friday, Oct. 4 one of the most popular piano artists ever to grace its brilliant stage is expected to draw a throng of music and appreciating Rochesterians which will fill every last seat.
The magnet is Alec Templeton, concert pianist and witty improviser of the keyboard, long a prize favorite in this city.
America first became acquainted with Templeton through guest star radio appearances several seasons ago. He literally captivated the nation overnight.
For the past two seasons he has attracted capacity throngs wherever he happens to be. Rochester has proved no exception.
Alec Templeton is recognized as musical satirist and parodist without peer. And while his reputation has been built on his gift for musical humor, he is also a recognized artist and composer whose unusual creations have placed him in the front ranks of modern music.
In preparation for the opening of the concert season, a 10-man housecleaning crew worked on the big auditorium's interior most of the summer. Supervised by Charles Gulbrandsen, noted muralist, the interior has been cleaned and scrubbed until it shines and the murals restored to their original brilliance.

POLKA . . .

(Continued From Page 1)
bishop in Mr. Mead's Buffalo parish.
Sillier still is the fact that Dewey tried this strategy in his last campaign and it rebounded right into his nicely tailored mustache. It's hard to teach an old dog new tricks and the GOP has plenty of old dogs who should have learned the trick of rolling over and playing dead three or four campaigns ago.
It would have helped the Republican Party.

In Chicago last week we met an old pal — GOP inner circle man and ardent Deweyite who assured us that Mr. Dewey was definitely a cinch. Said he with a straight face, "We'll come down into New York City with a 750,000 plurality."
As he's an old friend we refrained from telling him the truth, nor did we remind him that he made similar predictions when Thomas E. ran for the presidency.

"Curious reader" wants to know if it is true that "very few waste the time to read him," meaning Cecil Dickson, and wondered how we happened to read Mr. Dickson's slur — or Mr. Dickson at all for that matter.

At the risk of being called Clunisque we must reveal the morning routine at our house. The good wife roams out the two kids; lays out their clothes; hustles up their breakfast amid much shouting back and forth such as "where are my shoes" and "why can't I wear my dungarees," etc. As sleep is impossible we get down to the table just as the boys burst for their bikes and the school house. The morning paper is on the table and the little woman and I divide it. She's there first so she grabs the back section which is the one we always

read. We don't bother with the front page as we usually hear the eleven o'clock news cast the night before and what's on the front page, unless it has pictures, is a dead mackerel.
She reads the funnies while we're stuck with the equally comic editorial page. If Cushing has a column in the paper that morning she dawdles over that — which forces us to read much more of the first section than we would usually allow. That morning she also read Sibley's ads. So in desperation we were forced to read Mr. Dickson to kill the time.

We assure you it won't happen again.

Mr. Dewey's sudden great interest in the Veteran vote must amaze the boys who were away fighting in the thick of it during the last presidential campaign.
They no doubt recall how Mr. Dewey's elaborately involved absentee soldier voting machinery prevented thousands of GI's from exercising the ballot and that it was just short of a national scandal.

Tom loves you this year, boys, and who knows but if you vote for him you might get a five thousand dollar home to live in. Of course that will be in 1949

and the joint will cost you ten instead of five.

Week or so back the N. Y. Mirror, no doubt with intent to blow the trumpet for Dewey, announced that "in betting circles" Dewey was being quoted four to one over Mead.

Such odds prompted one local gentleman with as much money as he had confidence to enlist the aid of the "great Republican City's" foremost bookmaker, who we might add knows N. Y. City's "betting circles" both inside and out. The idea was to find one of the N. Y. Mirror's clumps with four to one money. As you are smarter than the Mirror you have already gues-

ed it. Sixty dollars in phone bills failed to uncover anyone in metropolitan "betting circles" who would think of giving four to one that the little man would be governor again. There wasn't any cabbage showing at three-to-one, five-to-two, or even two-to-one. In fact, the gambling element didn't want to make

any bets right now. As one sport-jacketed gent put it, "things ain't what they were, Dewey is apt to be even money or less long before election."
So if there are any Dewey fans who think Dewey is a cinch at four-to-one or three-to-one — call us up. We know a guy who will accommodate you.

With apologies to Joyce Kilmer, who is probably spinning his grave by this time, submit the following which appeared originally in the Nash Cavalier:
I think that I shall never see
Aught lovely as a popplewood tree
That grows through sunny
To furnish sporting page cut
Is ample for a want ad post
tree with grace toward heaven rise
To be made into paragraphs,
A tree that falls before the sun,
A five-star find in the row.

Overheard in the Eggleston room: "Look out for the babe who's giving you the woe. She has a plaintiff look in her eye."

In the October issue of Play Magazine is a story by George Latt, entitled "Mr. Mrs. Mariner." The article turns the cruise of Errol Flynn and his wife Nora into tropical waters to film a picture called "Treasure in Yucatan."

Flynn is quoted as being enthusiastic about the trip, as it is something a man plans his life. But when asked why wife Nora was going to board ship, the great lover a little vague. He said she probably wouldn't cook, and she couldn't help haul around one of the twin diesel logs. He thought that when wasn't shooting film her was just to look beautiful not get underfoot.
But, to quote an old ad

ED RANDALL'S Scene & Word

With apologies to Joyce Kilmer, who is probably spinning his grave by this time, we submit the following which appeared originally in the *Nashua Cavalier*:

I think that I shall never see
Aught lovely as a pulpwood tree,
A tree that grows through sunny noons
To furnish sporting page cartoons,
A tree whose girth will press its age,
Is ample for a want ad page,
A tree with grace toward heaven rising,
Men macerate for advertising,
A tree that lifts its arms and laughs,
To be made into paragraphs,
A tree that falls before the saw,
A live-stair final in the race.

Overheard in the Eggleston tap room: "Look out for that babe who's giving you the wink, Joe. She has a plaintiff look in her eye."

In the October issue of *Photoplay Magazine* is a story by George Lait, entitled "Mr. and Mrs. Mariner." The article concerns the cruise of Errol Flynn and his wife Nora into tropical waters to film a picture called "Treasure in Yucatan."

Flynn is quoted as being enthusiastic about the trip, saying it is something a man plans all his life. But when asked what wife Nora was going to do aboard ship, the great lover was a little vague. He said she probably wouldn't cook, and that she couldn't help haul sail or tend one of the twin diesel motors. He thought that when she wasn't shooting film her job was just to look beautiful and not get underfoot.

But, to quote an old adage, "A good wife is a good investment." When a Scottish barber was engaged a new assistant he pointed out:

"I pay lower wages in the summer because the work's lighter."

"But surely people get their hair cut quite as often, if not oftener, in the summer than in the winter?" protested the applicant for the job.

"Ay," agreed the barber, "but you dinna ha'e to help them on wi' their overcoats."

SNOW . . .
(Continued From Page 1)

"brains" have had two good reasons to expect little interest among the populace in next Tuesday's hearing:

1. They are banking on the short memory of the average voter who, seeing the sunshine and warm weather, apparently cares little about what may happen next winter or how much winter's ravages on the streets are apt to cost him.
2. Taxpayers haven't yet received their bills showing the exorbitant snow removal costs last winter. Those figures won't hit the individual taxpayer until next January 1st when they are added to his regular tax bill.

That the city fathers have much foundation for their belief in the voters' short memories was proved to them and to the rest of the city in last year's election when, in spite of previous bungling, botching and mismanagement in general, the voters supinely returned the same administration to office for another chance to mismanage the city. That opportunity was not long in coming, either. Less than a month after the election the Republican-controlled DPW repeated its performance of the year before and left the city tied up in a virtual knot while officials made their feeble efforts to clear the streets and restore order.

Wait Til Next January!

About the only thing that can rile the average voter is a slap in his pocketbook. And the city administration is right now preparing that slap. It won't be delivered, however, until it is too late for the voters to "squawk." When Mr. Taxpayer sees his bill early in January with the snow removal assessment added thereto, then, and not until then, will he wake up as to just how much too much of a luxury for him are the antics of the current city administration.

Of course, if the citizens of Rochester decide to act first, before it is too late, the council chambers in city hall will have an overflow crowd next Tuesday. The administration may not like that condition, but it may help the taxpayer. If next week there are protests, valuable enough and sustained enough, carefree members of the safely-ensconced council might do the unexpected and, temporarily, at least, try to act as public servants rather than public masters.

It would be a new role for them.

SACRED HEART PTA TO HAVE CARD PARTY

CHARACTER—
Born 1788... Reborn 1946

It's character that counts

The spirit of Daniel Boone moves in the dancing shadows cast by every camp fire. For Dan's could outlast, outshoot, and outfight any man of his day. And such a character never dies. Thomas Carstairs, too, stood out. In 1788, this architect and designer turned his talent to the purveying of fine liquors. The most famous descendant of those fine liquors is "Carstairs est. 1788." It is, today, America's proudest whiskey.

That ultra luxury whiskey known as "Carstairs est. 1788" . . . withdrawn during the war . . . is now restored to its appreciative friends. "Carstairs est. 1788" is blended to a taste, not a price. With your first glorious sip of its flavor and mellowness, you will recognize why: "The Man who Cares says—Carstairs."

DECREES OF FASHION

Contrary to common belief, all fashion models are beautiful. A combination of meticulous grooming, graceful carriage and perfect posture add to an enviable appearance. Important as each of the three essentials are, correct posture seemingly rates a bit higher because it also affects physical well-being. Schooled in the art, Charlotte Keane tells us a simple plan of posture checking: Stand against a wall in natural pose; the body should touch the wall at five points—head, shoulders, hips, calves and heels—and the hollow in the back fingers can be slipped through. Don't cheat on this latter point, for "sway-back" is one of the commonest of posture problems and most easily corrected with exercise. In addition to carrying clothes to better advantage, good posture actually reduces fatigue strains through proper balance of muscular and bone functions. In step with increasing style interest in color tones, a Fall preview of Delman shoes dramatized the belief that more individual costumes are built by contrasting dress and shoe colors than by matching or

Charlotte Keane

blending entire ensembles. Using Forstmann Viatner shades as background, Delman proved his theory by showing gunmetal against Angostura, a black-brown that ordinarily would have been teamed with brown accessories. Brownstone suede, a soft rosy brown, gave new color value to subdued grays and blues. Other leather shades shown were wine red, timbertan, bronze and green in cedar, olive and vineleaf hues. Black, brown and navy perennials were not neglected.

Twelve styles were shown in calf, kid, suede, lizard and alligator. Closed heels and toes for dress or walking wear return with new cuff flaps or wide instep straps in sabot effect. Sling pumps were built on both platform and regular soles. The classic spectator

pump frequently boasted an extension sole. Among the exciting evening sandals were India broads, gold kid, and satins with trim of pearl, semiprecious stones or artful combinations of metallic kid and satin.

In the collection of 250 models shown there's costume ignition for every occasion.

TRAPPED MAN SHUNS RESCUE TO SAVE OTHERS

Durham, N. C. — When an oil truck and an automobile crashed, the truck turned over and burst into flame, pinning the driver, John R. Johnson, 30, in the truck, smothered by a sea of burning oil. On-lookers who would have tried to save him were ordered away by the man, who declared that it was better for one man to die than a lot of others. There was no use, anyway, for the flames blocked the way, engulfing him.

Almost anybody can find an excuse for postponing an unpleasant task.

That it's causing quite a fuss!

BREAST-O'-CHICKEN BRAND TUNA is preferred by so many housewives that the quantities we are able to give your grocer are not yet sufficient to satisfy the calls. We are doing our best to increase his supply and avoid your disappointment.

Ever since 1926 housewives have known that the Breast-O'-Chicken label meant a fancy grade, solid pack of fine tasting tuna. Buy it when you see it . . . this brand is worth looking for.

What Is Wrong When Prayer Fails?

Thirty years ago, in Forbidden Tibet, behind the highest mountains in the world, a young Englishman named Edwin J. Dingle found the answer to this question. A great mystic opened his eyes. A great change came over him. He realized the strange Power that Knowledge gives.

That Power, he says, can transform the life of anyone. Questions, whatever they are, can be answered. The problems of health, death, poverty and wrong can be solved.

In his own case, he was brought back to splendid health. He acquired wealth, too, as well as world-wide professional recognition. Thirty years ago, he was sick as a man could be and live. Once his coffin was bought. Years of almost continuous tropical fevers, broken bones, near blindness, privation and danger had made a human wreck of him, physically and mentally.

He was about to be sent back to England to die, when a strange message came — "They are waiting for you in Tibet." He wants to tell the whole world what he learned there, under the guidance of the greatest mystic he ever encountered during his twenty-one years in the Far East. He wants everyone to experience the greater health and the Power, which there came to him.

Within ten years, he was able to retire to this country with a fortune. He had been honored by fellowships in the World's leading geographical societies, for his work as a geographer. And today, 30 years later, he is still so athletic, capable of so much work so young in appearance, it is hard to believe he has lived so long.

As a first step in their progress toward the Power that Knowledge gives, Mr. Dingle wants to send to readers of this paper a 9,000-word treatise. He says the time has come for it to be released to the Western World, and offers to send it, free of cost or obligation to sincere readers of this notice. For your free copy, address The Institute of Mentalphysics, 213 South Hobart Blvd., Dept. 260-B, Los Angeles 4, Calif. Readers are urged to write promptly, as only a limited number of the free books have been printed.

Over 3,000 Rochester Children RECEIVED SUMMER VACATIONS AT THREE LAKES CAMP

For Youth Development
Sponsored by the Rochester Kiwanis Club

These 3,000 children were taken to The Kiwanis Three Lakes Camp this summer and given supervised recreation. The day's activities included transportation to the camp, swimming, hiking, games, etc. A hot meal served at noon, an afternoon snack and transportation back to the starting point.

Regardless of race, color or creed children from the following Social Settlements and others were given an opportunity to share in the benefits of our camp: Clarissa Street Center of the Y. W. C. A.; Lewis Street Center; Baden Street Settlement; Lutheran Inner Mission Society; Genesee Settlement House; Charles Settlement House.

This project is costly and to help finance it for another year, we are co-sponsoring the Rochester Better Homes Exposition at the Main Street Armory, October 19-26.

We know that you will place this show on your "Must See List" but if you do not buy your tickets in advance we do not gain. We urge you, therefore, to buy tickets now, in order that you may share in the awards and to help make next Summer happier for some deserving child.

Political Polka

By CURT GERLING

If you live in the "Great Republican City" you are not supposed to look askance at such things as the Monroe County Civil Service examinations for police officers. But there are those who think it is very strange that thirty-five men took the exams and thirty-five flunked. "Most all of them passed the written examinations but many of them flopped on the physical requirements," said the daily paper.

Any thirty-five gentlemen who want to be policemen usually pinch their biceps, examine their arched and measure their chest expansions before applying for jobs as coppers. Thus, it is not so strange that one or two people think it a little unusual that the men examined had disqualifying ailments. Something more serious than bangles and hallitosis.

Although Monroe County manhood seems to be on the downgrade there is no cause for alarm; the commission has a rule—a rule which provides that if there is a vacancy and if the examination does not result in the establishment of an eligible list, the appointing officer may nominate a candidate.

Believe it or not, there are people who think that this "rule" has political implications (tick-tack) for the "appointing officer," if he so elects, may recommend, after deliberation of course, anyone the town fathers think would make a good policeman. We presume

BATTLE OF IMPRESSARIOS

Opera War More 'Confusin' Than 'Amuzin'

As Local Groups Vie For Singers

Rochester opera lovers, once rationed to a single appearance annually of the Metropolitan Opera Co., should really get their fill of their favorite musical fare this season with two local companies in the field, plus an appearance here of the San Carlo Grand Opera Co. and the probable appearance of the "Met" some time next Spring.

Featured in the local "battle of the impressarios" is the Rochester Grand Opera Co. opening its seventh season at the Auditorium Theater on October 24 and the newly formed Verdi Grand Opera Co. which will make its bow at the Columbus Civic Center on Nov. 27. And, as if there weren't enough operas to go around, both companies will present Verdi's "Othello." The Verdi group will also present "Rigoletto" on Nov. 28.

Just to make sure that Rochester won't forget opera, the San Carlo Grand Opera Company will present "Il Trovatore" in the Eastman Theater on Oct. 15. This opera was written by—yes, you guessed it—none other than our old friend Giuseppe Verdi.

To further confuse an already confused public, not until this week was the question "who is singing for whom?" answered to the satisfaction of all. On the one hand was the Verdi group announcing that Vivian Della Chiesa would sing the role of Desdemona in their presentation of "Othello." Last week, not to be outdone, the Rochester group took to the public prints to proclaim that the same Miss Della

Premiere Danseuse—Lydia Arlova and her dancing stars will appear with the San Carlo Grand Opera Co. in a presentation of "Il Trovatore" at the Eastman Theater Oct. 15.

Chiesa would sing the same role in the Rochester company's version of the same opera. Later, the battle over the well known radio and up and coming opera star was apparently decided in favor of the new Verdi group. Sarah Menkes, South American dramatic soprano of the Metropolitan Opera Co. would be Desdemona in the Rochester Grand Opera, thus confining

Vivian Della Etc. to a single appearance in this suddenly opera-conscious municipality.

Therefore, as of today, the lineup looks something like this:

Oct. 15—San Carlo Opera Co. presenting "Il Trovatore" at the Eastman Theater with Wilia Stewart singing the role of Azucena, the gypsy, and featuring Lydia Arlova as premiere danseuse.

Oct. 24—Rochester Grand Opera Co. presenting "Othello" at the Auditorium with Sarah Menkes and Torsten Ralf.

Nov. 27—Verdi Grand Opera Co. presenting "Othello" at Columbus Civic Center with Vivian Della Chiesa, Giovanni Martinelli and Giuseppe De Luca.

Nov. 28—Verdi Grand Opera Co. presenting "Rigoletto" at Columbus Civic Center featuring Metropolitan stars.

The Metropolitan Opera Co. has yet to be heard from. They usually appear in Rochester at the close of their New York season. Whether or not Giuseppe Verdi will rate another performance here by the "Met" remains to be seen.

RADIO STARS ADDED FOR GALA FIREMEN'S SHOW

Radio's famous "Mr. District Attorney" in the person of Jay Jostyn will appear as one of the headliners in the Firemen's Benefit Fund Show at the Eastman Theater, Friday, Saturday and Sunday, October 11, 12, 13.

In addition to "Mr. District Attorney," George Paxton and His Orchestra, Fred Lowery, the blind whistler, who stopped the show when Horace Heidt's Band played at Loew's Rochester last season and Hal Le Roy, dancing star of the Ziegfeld Follies also have been signed up for the gala event.

Chief John A. Slattery, chairman of the show, announced that negotiations are underway to secure the services of an outstanding Broadway and Hollywood star as well as several other acts to round out the bill.

In addition to evening performances, matinees have been scheduled for October 12 and 13 at a midnight show added on Saturday, October 12. All proceeds will go to the fund to aid the widows and orphans of Rochester firemen.

As "Mr. District Attorney," Jay Jostyn stars on one of the top dramatic shows of the networks which is broadcast each Wednesday from 9:30 to 10 p. m. over WHAM. On the Eastman stage, Mr. Jostyn will present a special show combining outstanding moments from his radio show with comedy songs and dialogue.

Rochester will welcome back Fred Lowery with special enthusiasm because of his performance last season at Loew's. The blind whistler is teamed with Dorothy Rae, vocalist.

FOUND! That Hour We Lost In April

Remember that hour of sleep you lost last April when Rochester decided to go to daylight saving time?

Well, you're going to get it back this Sunday. Sit up until 2 a. m. if you prefer—that's when the clocks officially go back one hour. Most people, however, will simply flip the clock back one hour just before retiring. And then there are some who'll forget it altogether and show up for church an hour early. At any rate eastern standard time becomes official at 2 a. m. Sunday.

MEAD, DEWEY TO SPEAK FROM SAME PLATFORM

— BUT NOT ON THE SAME NIGHT

Political dopsters will have an opportunity next month to compare local sentiment on the Senator Mead — Governor Dewey election race when the two candidates are scheduled to speak at party rallies in the same hall only two days apart.

Governor Dewey, Republican candidate to succeed himself will speak at Edgerton Park Sports Arena on Oct. 15 when the Republicans will stage their campaign climax here. Expected to speak with Dewey, according to Republican County Chairman Thomas E. Broderick will be candidates Joseph R. Hanley, Frank C. Moore, Nathaniel L. Goldstein and Irving M. Ives.

Two nights later, on Oct. 17, the Democrats will stage their rally in the same hall with U. S.

DAILY ON THE FOURTH FLOOR

NO. 42 SCHOOL PTA TO HAVE FALL TEA

Annual fall tea sponsored by the No. 42 School PTA was scheduled to be held in the school auditorium this afternoon from 2:30 to 5 p. m. A program of entertainment had been arranged for parents while school was still in session. After the school session is completed, the parents were to be joined by the teachers for tea.

CALL LETTERS ASSIGNED TO NEW RADIO STATION

WRNY are the call letters just assigned by the Federal Communications Commission to Rochester's newest standard broadcast radio station, according to Lester W. Lindow, general manager.

Operating on 880 kilocycles, the station will be on the air as soon as construction of studios and transmitter and the installation of equipment is completed.

WRNY will be a local station and its programs will be devoted to the community and its varied interests, according to George B. Kelly, president of the Monroe Broadcasting Co., Inc. which owns and will operate the station. Board members include Louis Wehle, Donald Dailey, Tom Nagle, John Wehle, and Robert Wehle.

WRNY's program director is Harold Kolb, formerly associated with WSAW and a veteran of World War II. Felix Bonvouloir is chief engineer and Roy Morker, chief accountant.

Studios now under construction at 191 East Ave., will be among the most modern in Western New York. Actually they will be "rooms within rooms." Ceilings, walls and floors will be suspended, and cushioned by a complicated system of hangers and springs, thus preventing outside noise or vibrations from entering WRNY's studios.

A 406 foot steel antenna is to be erected at the transmitter just off Mt. Read Blvd. near Lyell Ave. The transmitter building is also in the process of construction.

The only reward to be expected from the cultivation of literature is contempt if one fails and hatred if one succeeds. —Voltaire.

Much Traveled Ballet Troupe Coming Nov. 22

One of the most travelled organizations of this kind in the world, The Joo's Ballet, will travel into Rochester on Nov. 22 for one performance at the Eastman Theater as the second event in Series B of the 1946-47 Eastman Concert season.

With the exception of two short summer months at Dartington Hall, England where they have their workshop and prepare the new ballets for their repertoire, the group is constantly on tour. However, Kurt Joo, the director and creator of the ballets performed by his famous organization, would not have it otherwise. Unlike most creative artists who demand solitude, quiet even to isolation, this young choreographer finds in the incessant movement of travel a positive stimulus for ideas.

"Let me stay in one place long enough," he says "and my mind becomes stagnant." The 32 members in the company coming here for the November performance seem to share Joo's love of travel. Perhaps their tender years have something to do with that. According to the San Francisco News, the company is "the youngest and best-looking personnel of any dance organization that has visited us."

Sale of tickets for Series B events will continue at the theater box office until October 24.

CHURCH BODY TO HONOR LOCAL PASTOR'S FATHER

Special memorial tribute will be paid to the late Dr. Frederick H. Knobel, first president of the United Lutheran Church in America and father of Dr. Frederick R. Knobel, former pastor of Reformation Lutheran Church here, at the 15th biennial convention of the United Lutheran Church to be held next month in Cleveland, O.

It was also reported that Clarence Neun, 111 Grafton St., a Rochester delegate to the convention, will serve as a member of the committee on conduct of elections for the session.

Dr. Knobel was chosen president of the body when it was established in 1918 in the merger of three of the largest Lutheran groups in the country. He served until his death last year.

Dr. Frederick R. Knobel, his son, is now president of the United Lutheran Synod of New York. He served as pastor of Reformation Lutheran Church here until 1944.

SUNDAY RALLY SLATED FOR HOLY NAME SOCIETIES

Members of Holy Name Societies from all parts of the Catholic Diocese of Rochester will hold an afternoon rally at Rochester's Red Wing Stadium on Sunday October 6th.

The Rev. James E. Kearney, Bishop of the Rochester Diocese will preside. Guest speaker will be the Rev. Ignatius Smith, O. P., dean of the school of Philosophy, Catholic University of America, and nationally known as radio and pulpit orator.

Members of the Fourth Degree, Knights of St. John, Police Holy Name Society, Firemen's Holy Name Society and other lay organizations will form a guard of honor for the Bishop, Monsignori and priests of the diocese.

More than five hundred girls from Our Lady of Mercy High School will be arranged on the field to represent the cross, medal and beads of the Rosary, laid out in the form of a huge heart.

Ladies, as well as men of the Society, are invited and special seats will be reserved for them in the stadium.

This year's Holy Name Rally will be the first held since 1939 when 15,000 men attended. The first rally was held in 1932.

EAGLES PRESIDENT NAMED DISTRICT HEAD

President John Wurzer of Rochester Aerie, Fraternal Order of Eagles, has received an official notification of his appointment as Director of District No. 3, comprising Aeries in Lockport, Medina, Batavia and Rochester. He will take over his new duties beginning Oct. 1st.

On October 6th, Rochester Aerie will be host to the newly elected Grand Conductor John R. Taggart of Buffalo. Taggart was elected at the Grand Aerie Convention last month in Columbus, O. In his honor a special meeting will be held starting at 4 o'clock, to which the general public will be admitted.

As a special mark of appreciation to the Grand Worthy Conductor, both the Men's and women's drill teams will stage exhibition drills.

Taggart has long been identified with the lodge. He concluded a term as State President in June. He is also a high ranking officer of the Masonic Fraternity.

SET YOUR SIGHTS
It takes planning to achieve a goal
Some young men know what they want and plan for it. Others are still looking for their niche. The new Regular Army can help both.
Perhaps you want to go to college but can't afford it. If you enlist in the Army, you'll get your chance. Honorably discharged after a three-year enlistment, you are eligible for 48 months of education at any college, trade, or business school for which you can qualify. The Government will pay your tuition, laboratory fees, etc., up to \$500 per ordinary school year, plus \$65 a month living allowance—\$90 a month if you have dependents.
If you haven't found your spot, an Army enlistment offers you training in any of 200 trades and skills. You leave the service eligible for further training at the best civilian schools.
You can assure yourself of the benefits of the GI Bill of Rights if you enter the Army on or before October 5, 1946. See your nearest Army Recruiting Station for details.
HIGHLIGHTS OF REGULAR ARMY ENLISTMENT
1. Enlistments for 1 1/2, 2 or 3 years. (1-year enlistments permitted for men now in the Army with 6 or more months of service.)
2. Enlistment age from 18 to 34 years inclusive (17 with parental consent) except for men now in Army, who may enlist at any age, and former service men depending on length of service.
3. A reenlistment bonus of \$50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge.
4. A furlough for men who reenlist within 30 days. Full details of other furlough privileges can be obtained from Recruiting Offices.
5. Mustering-out pay (based upon length of service) to all men who are discharged to enlist or reenlist.
6. Option to retire at half pay for the rest of your life after 25 years' service—increasing to three-quarters pay after 30 years' service. All previous active federal military service counts toward retirement.
7. Choice of branch of service and overseas theater (of those still open) on 3-year enlistments.

that the so-called town fathers pay casual mind to the candidate's political qualifications, for that's what makes town fathers town fathers.

In any event, "provisional appointees" who were worried about holding their jobs because of the possibility of returning vets heading the list, are breathing much easier and expect their temporary jobs to be confirmed on a permanent basis.

It seems that Mr. Broderick thinks of everything.

One of the things that makes a GOP leader awaken nights in a cold sweat is the upstate plurality they must have for their boy when edging down into New York City. Even the most optimistic Republican feels that Dewey must go into New York with at least 600,000 to have a chance.

With this in mind the hayshakers are going to "get the business" this fall. It seems that some 800,000 in the 57 upstate counties preferred a day's rabbit hunting and failed to vote in the gubernatorial election of 1942.

The GOP intends to put an end to such foolishness and has organized "The Rural Citizens for Dewey and Ives" who aim to get out the maximum vote

from the rural areas that Thomas E. will so sorely need.

The somewhat ridiculous Republican idea of pinning the red flag on anyone opposed to their ideology reminds the old timers of big Bill Thompson's campaigns for the mayoralty. You may recall that this famous Chicago character was lampooned in the play "The Front Page" and died several years ago. For awhile his executors had great fun playing "Treasure Hunt" and every week seemed to find more and more safe deposit boxes stuffed with currency of large denominations which Mr. Thompson apparently valued as "keepsakes." Four or five boxes were uncovered in all, each contained tidy little sums of \$100,000 or more. This, added to the estate that he already had willed, proved that there is oft times more to politics than meets the naked eye.

Similar to the GOP idea, Bill always dreamed up an ambiguous slogan. Every effort was made to make it as remote from the election issues as possible.

On one occasion he developed an antipathy for the King of England and made a great "to do" about certain text books used in the Chicago schools.

The history books, according to Mr. Thompson, were pro-British and subtly sold to the city purchasing agents by British propagandists. Bill ordered them out of the Chicago schools

and when election time rolled around he chose as his slogan "Keep King George Out of Chicago!"

We respectfully (or do we) suggest that Mr. Dewey's cry be "Keep Joe Stalin Out of Albany." By following Bill's successful pattern he would then have everything that Bill had but (we presume) — the safe deposit boxes.

Although the Republicans frequently call themselves "Liberals" recent state primaries indicate that it's still the Old Guard that is in the saddle. The real "Liberals" of the Republican party went down to defeat one by one. Such men as La Follette of Indiana, Griswold of Nebraska, La Follette of Wisconsin and Baldwin of New York have been "purged."

CAMPAIGN...

(Continued From Page 1)

Senator James M. Mead, Democratic candidate for governor as chief speaker. Former Governor Herbert Lehman, senatorial candidate, will also address the rally as will Erastus Corning, Anthony J. DiGiovanna, Spencer C. Young and Henry Epstein.

The Democrats, not content to feed only the political minds of their cohorts will offer sustenance to the physical body as well. They have planned a dinner in Hotel Seneca ballroom preceding the Sports Arena rally.

Prior to the Republican meeting, officers for the county committee will be elected. And because matters Republican are handled by a closely knit group in Monroe County, it has been announced, in advance, just who the successful candidates will be. Broderick will be re-elected chairman, according to newspaper announcements. Also slated to "win" the "free" election are Mrs. Charles W. Weiss Jr., vice chairman; Walter H. Wickens, secretary; and L. Wayne Baumer, treasurer.

Correct Cut And Shaping Of Hair Encourages Coiffure Variations

PROPER SHAPING of a medium length bob permits young singing star Elsa Miranda to convert her casual daytime bob into a sophisticated evening up-sweep without the slightest difficulty. Elsa's height and mode of living were considered in determining appropriate styling. In the youthful up-sweep, her hair is swirled across the back into a side roll which must be balanced, so Elsa adds a decorative flower for evening wear.

DECREES OF FASHION

Vibrant effect of copper bugle beads against soft black wool appeals to CBS star Lesley Woods who appeared at a recent broadcast wearing a new fall jacket dress of her own design. Pockets on the jacket and a two-inch band around the

turtle-neck collar buttons at the back of a softly full bodice. Tempered to the normal waist-line curves, it can't ride or twist, according to D. J. Thompson who found this pastel boudoir beauty in a fine brushed rayon called "snuggledown," which very aptly describes the fabric's downy texture.

Amusing and practical lapel ornament is a colorful felt replica of Daisy Duck, the hat-loving heroine of Disney cartoon film fame. The gay little beauty conceals a miniature purse behind the wide brimmed bonnet. It's an ideal way to carry lunch money when school dresses have no pockets. Over-all size of the pin-on purse is slightly more than a silver dollar which just about names its cost, too.

The largest living kangaroos stand about eight feet high and have heads as big as those of sheep. The largest extinct kangaroos, however, had heads the size of a Shetland pony's and reached a height of ten feet or more.

Blouse brief, a new type of gilet designed for suit lovers by Maison France, will reach the market about the first of October. Unique quality of this new accessory is that it gives custom fit to all sizes from 10 to 44 although it's made in only one size. Its difference from other gilets is a patented bias-bra construction and a clever device of adjustable snaps on tape that fasten at the back. Shields are built in the sleeveless model to protect suit linings.

Le Roy, who will do the star dancing in the Firemen's Show has been seen on the screen and movies many times. His most recent Broadway musicals have been "Thumbs Up" and "Strike Me Pink". His movies include "Harold Teen", in which he starred, "Wonder Bar" with Al Jolson and "Start Cheering" with Jimmy Durante.

The music for the show will be furnished by the Paxton orchestra which is rated as "the best new band of the year". Fresh from a Broadway engagement, the Paxton handsmen will come here for their first Rochester appearance at the Eastman. Tickets for all performances of the Firemen's Show are on sale at all firehouses.

GETS MORE IN ARMY

Centralia, Ill.—Albert George, 34-year-old father of 7 children, was rejected when he tried to enter the armed forces because his truck driving at the St. Louis Ordnance depot was regarded as essential. A year after the war, however, George was accepted as an army private. Now his monthly salary, allowances and base pay, amount to \$258, which is considerably more than his \$33 weekly pay as a truck driver.

RUN OVER BABY UNHURT
Sheridan, Wyo.—Billie Lou Sweet, 18 months, was playing in a pile of sand beside the driveway of her home when her mother, Mrs. James Sweet, started to drive off in the car. One wheel passed over both of the baby's legs but close examination disclosed no bone fractures and no other ill effects. The softness of the child's bones and the cushioning effect of the soft sand were credited with saving her from injury.

MY NAME IS Pensive Van Quetch I HAVE JUST BEEN DISINHERITED BY MY RICH UNCLE...

Here is my story—so sad it will probably be made into a soap opera.

MONDAY... I was happy. The government returned part of last year's income tax.

TUESDAY... I was very happy. My rich uncle was coming to dinner—I was his sole heir.

WEDNESDAY... I WAS DISINHERITED—broke—cut off without a penny. All because I didn't serve him Gallo Wine.

My rich uncle, like everyone else, knows that Gallo Wine is smooth, delicious, and full of that fine California flavor. He wanted the best—GALLO—and I didn't give it to him! Woe is me.

MORAL... DON'T LET THIS HAPPEN TO YOU!

ALWAYS SERVE GALLO Wine

Ed Randall's Scene & Word

We'll pry open the corn crib this week with another of those perennial talking animal stories. This little gem concerns the young mare which was standing patiently in front of a stocking store waiting in line for her pair of nylons. At long last, her turn came and she entered the store, made her purchase and emerged with a triumphant look on her face. Then she went back to the end of the line again.

A policeman who was keeping order spotted her and strode angrily to her side. With hands on his hips, he demanded: "Look up and read that sign, you!"

Obediently the horse read aloud: "Only one pair to a customer." Then, turning to the cop, she retorted: "Now suppose you look down and count my legs."

Inside Hollywood...

According to the theater owners of the country, as plotted by the Motion Picture Herald, the ten up and coming young performers who promise to be the "stars of tomorrow" are: Joan Leslie, Jackie (Butch) Jenkins, Zachary Scott, Don De Fore, Mark Stevens, Eve Arden, Elizabeth Scott, Dan Duryea, Yvonne De Carlo and Robert Mitchell.

The Herald also canvassed the nation's motion picture critics for their opinion on the most likely stars of tomorrow and this was their line-up: Hume Cronyn, Dan Duryea, Robert Mitchell, Mark Stevens, Zachary Scott and Elizabeth Scott.

How's this for an appropriate name? The chief press agent in Hollywood for Enterprise Productions is a gentleman named Bill Blowitz. That's honest!

Ingrid Bergman is planning a trip to England in the spring to star in Alfred Hitchcock's independent production of "Under Capricorn," a play with an Australian setting by Margaret Linden and John Colton, based on a novel by Helen Simpson.

Monogram, which for years has made only low-budget films, is expanding and will include in its plans pictures with million-dollar expenditures. They are also expanding their studio property, having purchased a corner plot adjoining the studio at Sunset Drive and Commonwealth Avenue adding 30,000 square feet of space.

Bill Haines has just about completed his first book, "The Golden Mousetrap," and it's about Hollywood.

The mother of Joan Fontaine and Olivia De Havilland recently made her film debut in "The Gentle Approach" in which she plays a shy domestic and gets plenty of laughs. Now we can see where the girls' talent comes from.

Have you seen Ann Todd, described as the English Garbo? She really looks like Garbo. Wonder if she "wants to be alone," too? She recently appeared in "Seventh Veil."

While Kathleen Winsor won't have a part in the film version of her novel, "Forever Amber," she is testing for a role in "This Side of Innocence."

Bob Montgomery used a chorus of 90 voices, rather than an orchestra to supply the musical background for his picture, "Lady in the Lake."

In one day, after John Carroll got his release from Metro, he was offered parts in six pictures: "Spanish Cross," "Barbed Wire," "Powder Monkey," "Briar Bush," "Don Careless" and "The Fabulous Texan."

Louise Slabe Officers Club of Germania Chapter O. E. S. will meet in YMCA Room K on Oct. 4 at 8 p. m. with Mildred Kuebel as hostess. She will be assisted by Ida Fisher, Lena Fisher, Anna Weigand, Gussie Reuschle, Edith Braun and Arlene Brunns.

Final arrangements have been made for the chapter's annual bazaar and dinner scheduled for Oct. 7.

The difference between literature and journalism is that literature is unreadable and journalism is not read.

FISHY, SAID THE ADMIRAL
A novel subplot in the basic story of "The Widower MacNeil" is that the widow who knew it was not to be broken should be the husband's counsel. How the widow's problem makes her a real character.

WALTER WINCHELL says women are like newspapers because they have forms, back numbers are not in demand, they always have the last word, are worth looking over, have a great deal of influence, you can't believe everything they say, there's small demand for the bold-face type, they're much thinner than before, and every man should have one and not borrow his neighbor's.

Overheard in the Triton Hotel (apartment): "Certainly I got that raise last week. When I asked the boss about it, I was calm and collected."

Another Mother-in-Law Story
Family life is very much the same in every land. Take this Chinese story:
A doctor gained the unenviable reputation of having killed off many patients. In retaliation his patients resolved to take a member of his family whenever his unskilled hands sent another victim to the grave.
He killed another's son, and his own son was taken. He killed another's daughter and his own daughter was claimed.
One day a meek little man knocked at the doctor's door.
"Who is the sick one?" asked the medical man.
"The mother of my insignificant wife," was the reply.
"Oh, unutterable joy," cried the physician. "Now I shall rid myself of my unspeakable mother-in-law."

Believe in the Cinderella fable? Well, Janet Leigh, 19-year-old Stockton, Calif. girl, should. Discovered by Norma Shearer in her home town, she was brought to MGM on Miss Shearer's advice and, although she has had no theatrical experience at all, she has been assigned the leading feminine role opposite Van Johnson in "The Romance of Rosy Ridge." She will play an Ozark mountain girl in a short story of the post-Civil War period.

Definition of a skeleton: Lots of bones with the people scraped off.

Maybe you'd like to hear the sad tale of the prosperous soap manufacturer who became suddenly afflicted with insomnia. He tried counting sheep, attempted to read himself to sleep, but all to no avail. The harder he tried to fall asleep the more awake he became so he decided to see if a doctor could help him. He consulted several of his friends and with hardly a dissenting voice they all recommended Dr. Pancreas on Park Ave. as being the best bet to cure the big shot's affliction.

Came the day of the appointment and our hero presented himself in Dr. Pancreas' sumptuous consulting room. The learned doctor made a thorough examination and then gave his patient instructions for getting over his insomnia. He should do this thing. If that didn't work the other thing. Shortly, the medico assured the tycoon, his insomnia would be a thing of the past.

The grateful business man thanked the doctor fervently and was about to leave when the doctor said: "Oh, yes. One more thing. Take a bath before you retire." The patient replied: "I'm retiring in 20 years, Doc, but I'll remember your advice."

How's this for name-changing? Starting as "No Wedding Ring," Twentieth Century-Rox changed the title of this film, now in production, to "I Live Alone" and, more recently, to "My Heart Tells Me." Victor Mature and Nancy Guild have the leads.

Stage Door, the Edna Ferber-George Kaufman play about a theatrical boarding house and the aspiring young actresses who live there, will be filmed for a second time next year by RKO as a vehicle for young players who are under contract to the company. The film was first filmed in 1937 with Katherine Hepburn, Ginger Rogers, Andrea Leeds and Lucille Ball heading the cast.

Who is the sick one? asked the medical man.
"The mother of my insignificant wife," was the reply.
"Oh, unutterable joy," cried the physician. "Now I shall rid myself of my unspeakable mother-in-law."

It seems that Mr. Broderick thinks of everything.

One of the things that makes a GOP leader awaken nights in a cold sweat is the upstate plurality they must have for their boy when edging down into New York City. Even the most optimistic Republican feels that Dewey must go into New York with at least 600,000 to have a chance.

With this in mind the hayshakers are going to "get the business" this fall. It seems that some 800,000 in the 57 upstate counties preferred a day's rabbit hunting and failed to vote in the gubernatorial election of 1942.

The GOP intends to put an end to such foolishness and has organized "The Rural Citizens for Dewey and Ives" who aim to get out the maximum vote

from the rural areas as E. will so sorely

CARY GRANT, who recently broke records when his latest picture, "Notorious," became his 20th starring picture to be presented at Radio City Music Hall, once again kept us all at our seats as a member of a troupe of English acrobats. "I guess I'm the only professional still-walker who ever pole-vaulted into the movie." Grant admits. Van Johnson will play the Greek hillbilly in "Romance of Rose Tiedge" . . . should be cute.

AFRICAN BOY, 6, REGAINS SPEECH AND HEALTH
Philadelphia, Pa. — Near death from a strange ailment that had closed his throat, making speech impossible, Weymouth Pedlar, 6, was brought from his home in Port Elizabeth, South Africa, a year ago, to the Chevalier Jackson Clinic of Temple University Hospital. After a succession of delicate operations, Weymouth had a greeting recorded and his mother sent it to the father.

YOUNGSTERS REPAY WOMAN'S KINDNESS
Philadelphia, Pa. — For 25 years, Miss Anna Voegelin made it a practice to give a party each year for the neighborhood children as "thank you" presents for not picking her roses. Two years ago, the parties were abandoned because of the war and "Miss Anna's" loss of her sight. However, this year, the neighborhood youngsters all contributed to a party fund. Then they called on her at her home with two gifts — a purse of \$15 and a corsage of red roses.

Not According To Hoyle
People, Ill. — Everything wasn't according to Hoyle so police put John F. Hoyle, 45, of Detroit, in jail. He was held on a charge of operating a confidence and passing two worthless checks.

Laffs from Life
Sarcasm
A policeman caught up with a speeding car and forced the driver to the side of the road. "I suppose you're going to give me a ticket for speeding," said the motorist.
"Oh, no," said the cop. "I'm giving you a ticket for flying too low."

Real Old-Fashioned Goodness..
NOT today or ever has wheat been used in the making of Genesee Beer or Ale. So, despite government restrictions, today's Genesee has the same old-fashioned goodness as the Genesee your father knew and liked so well . . . and his father before him. True, there isn't enough of it, but what there is, is awfully, awfully good. Call it Genesee or Jany . . . ask for it by name . . . wherever brews are sold or served.

Inspector Harold J. Burns and Captain George Ruthenberg should drop in at Waldert's and have their eyes examined. Otherwise Mr. Burns will never get to be chief and Mr. Ruthenberg will never wear an inspector's badge. These doughty but myopic bluecoats committed a horrible sin this week in knocking off four slot machines at 461 Ridge Rd. West. The daily newspapers with intentional kindness referred to the premises as a "billiard hall."

It may be a "billiard hall" to the daily press but to a great many residents of the Tenth ward it is the headquarters for the Young Men's Republican Club—and you can have two guesses as to who owned the machines.

According to the grapevine, Republican leaders of the Tenth ward were considerably "miffed" at the audacity of the police officers. What happened to them shouldn't happen to a well, a Democratic young men's club. They carried their screaming protests to the high places and the embarrassment of party leaders was reflected in harsh words in the commissioner's office. The Tenth Warders want their machines back and what's more Mr. V. J. Simms proprietor of the "billiard hall" must be let down with a nominal

Movie Star Heads Fire Show Cast

A parade of Hollywood and Broadway stars headed by Mischa Auer and Hal LeRoy will parade behind the Eastman Theater footlights October 11, 12 and 13 at the Rochester Firemen's annual Benefit Fund vaudeville show.

A cavalcade of music, dancing and comedy has been promised by the firemen for the six performances including matinees on October 12 and 13 and a midnight show on Saturday, October 12.

Chief John A. Slattery announced that the Eastman box-office will be open from 9 a. m. to 9 p. m. beginning Monday, October 7 for the exchange of tickets for reserved seats. All seats at all performances will be reserved. Proceeds of the show will be devoted to a fund for the widows and orphans of firemen.

Making his first Rochester appearance in person, Auer will present the comedy routine which has made him famous in such movies as "You Can't Take It With You," "Three Smart Girls," "One Hundred Men and a Girl," "My Man Godfrey" and "Lady in the Dark."

LeRoy has to his credit star dancing roles with "The Ziegfeld Follies" and such recent Broadway hits as "Too Many Girls," "Strike Me Pink" and "Thumbs Up."

George Paxton is bringing his orchestra direct from the Capitol Theater in New York City where his aggregation has been termed "the best new band of the year." This marks his first Rochester appearance.

Radio fans of the Rochester area will have their inning at the firemen's show when Jay

KODAK WORKERS GET INCREASED VACATION TIME

An extension of Kodak's present plan for yearly vacations with pay will take effect next Jan. 1st for all Eastman Kodak Company employees in the United States, the company announced this week.

After a year of service, all employees who are on an hourly basis will receive two weeks vacation instead of one; after fifteen years, all employees will qualify for three weeks vacation. Employees between five and fifteen years of service will receive two and a fraction weeks based on length of service.

Kodak's vacation system for hourly employees for many years has provided for one week vacation after a year's service, and for two weeks vacation for all employees after five years.

The new plan will affect all full-time people at the Kodak plants, subsidiaries, stores and branches.

The longer vacations will be determined as follows:

Commenting on the plan Thomas J. Hargrave, company president, said:

"It was George Eastman's conviction when he founded the business that 'the interests of the company and its employees are to a large extent mutual.' Through the wage dividend, the retirement annuity system, vacations with pay, sickness allowances, holiday pay, medical services, and other employee benefits his intentions have been carried out. The new plan simply extends the company's program to protect and foster the health and well-being of Kodak people."

Advice For Firebugs

Next week is Fire Prevention Week and due publicity will be given to efforts of public and private agencies to cut down the staggering toll of fires in Rochester, in the state and in the nation.

But, of course, there are some people who just won't be careful. Not for them are the warnings to be careful around fire, to handle combustible materials with due caution, to exercise at least a normal amount of common sense in trying to prevent a killing, crippling, money-wasting fire.

Therefore, for those who cannot resist the temptation to be careless with fire — to those who care not that they may be destroyed by their own carelessness, we herewith give some of the best available advice on how to cause or start a fire:

- (1) Smoke in bed.
- (2) Leave the electric iron turned on while you gossip over the back fence with a neighbor.
- (3) Hang your fire extinguisher in a dark corner, behind boxes, brooms and ironing board. Never inspect or refill it.
- (4) Use a wastebasket for cigaret ashes — never use an ash tray.
- (5) Hang filmy curtains on kitchen windows, with sufficient length to blow over any open flame on the range.
- (6) Store cans of gasoline, oil and grease in the garage and be sure that there is no fire extinguisher near your automobile.
- (7) Forget the Fire Department's telephone number and, if possible, misplace the telephone directory.
- (8) Always use inflammable fluids to clean clothing, especially if working near an open flame.
- (9) Never put a fire screen in front of your open hearth fires, regardless of how high the fuel is piled.
- (10) Do not bother to inspect electric wiring, or replace frayed wires on electrical appliances.
- (11) Keep a large pile of oil-soaked rags and mops in a remote corner of the house. Spontaneous combustion will provide a good fire and it will be especially dangerous if it begins under the stairs.

By following the above suggestions, you and your family will shortly be living in a tent. This is not so bad because outdoor life is healthy, but if you do not correct your habits, it won't be long before you will also burn down the tent.

N. Y. PRELATE OPENS AQUINAS LECTURE SERIES

MSGR. FULTON SHEENE

Returning to Rochester to open the Christian Culture Lecture Series tonight, at Aquinas Auditorium, will be the Rt. Rev. Msgr. Fulton J. Sheene, noted orator and author.

Monsignor Sheene, professor of Philosophy, is also radio orator of the Catholic hour. His topic here is titled "Can the Western World Survive?"

Monsignor Sheene's uncle, Daniel F. Sheene, was the law partner of the famous agnostic, Robert Ingersoll.

Mortimer J. Adler, the famed Jewish Educator of the University of Chicago succeeds Monsignor Sheene in the second evening which is scheduled for October 20.

Campaign Guns Boom As Registration Opens

Monroe County's voters will take their first steps to elect their favorite candidates starting tomorrow when the first of four registration days in the city will find the polls open from 10 a. m. to 10 p. m. Other dates for registering, which is necessary as a preliminary to voting in the general election, are: Sat., Oct. 5, 10 a. m. to 10 p. m.; Fri., Oct. 11, 10 a. m. to 10 p. m. and Sat., Oct. 12, when the polls will be opened from 7 a. m. to 7 p. m.

Both major parties and the several minor political bodies have urged a large registration — all maintaining that a large outpouring of voters on election day will benefit their particular ticket.

While some voters may be confused as to just what are the issues, the candidates themselves, and their respective party workers see the issues as crystal-clear. For the Democrats, their main task was to send George F. Rogers back to congress for another two-year term and elect U. S. Senator James M. Mead as governor. Locally, they appear confident they can accomplish both tasks. Several minor offices are to be filled, too, with the District Attorney post in the county at stake, as well as state assembly seats.

Over across the railroad tracks, the Republicans are girding for battle to upset the Democrats' hopes. They will try to wrest the congressional seat from Rogers and give it to Kenneth B. Keating. And, if they have their way, Thomas Dewey will spend another four years in the governor's chair.

Until the two gubernatorial candidates stage their rallies here later in the month, chief current interest is being shown in the congressional race. Re-

SOCIALISTS LIST RALLY TO HEAR ASPIRANTS

Two candidates for state office on the Socialist ticket will speak in Rochester next Tuesday evening at 8 p. m. in the Labor Lyceum, 580 St. Paul St.

Labor Lawyer Joseph Glass, candidate for attorney general will speak on the subject, "Which Way Labor?" Walter O'Hagen, candidate for U. S. Senator will explain "Why Vote Socialist." John Dutko is in charge of arrangements under the direction of Ralph Milligan, county chairman.

DEMOCRATS PLAN TENTH WARD RALLY

October 15 is the date set by the Tenth Ward Democratic Club for its candidate's night and open house party. The affair will be held at 333 Driving Park Ave. under the direction of Fred Wilcox, chairman.

All Democratic candidates are expected to be present, including two "native sons" of the ward — Representative George F. Rogers, seeking reelection and Leo T. Green, candidate for the assembly.

KAY'S COMMENTS by Kay Shearer

Yum - Yum how my family are enjoying that REAL SEALTEST CREAM delivered by BRIGHTON PLACE DAIRY. My husband says: "Coffee really tastes like something again." So I laps up that mound of whipped cream on desserts like a kid who never tasted cream before. It sure solves many a problem in the eating line. You know this REAL SEALTEST CREAM may be ordered in the heavy or light. The economical buy is the quart size. With a little caution it WILL KEEP for a week or more. Place it well in the refrigerator. Place your order today. Call GLENWOOD 144 BRIGHTON PLACE DAIRY, 45 Fulton Ave. (Division of General Ice Cream Corp.) Mention this column - will you please. Thanks, Kay.

Winter and the holidays are in the air. Already the city's lurching, dining and dancing spots are waking up from their summer naps. Clothes with some prestige about them are in order, again, even for just a walk along the avenue. This year your fall wardrobe should include a SUZY PERETTE frock— featured exclusively at EDWARDS' in October Glamour— it is a knockout. A particular model is a darling. SUZY PERETTE does an all-around fall and winter dress in SHIRLEY GABARDINE with erograin piping accenting mandarin sleeves, penner pockets— neckline and button holes. Here are your choice of season's colors. TURQUOISE—a beautiful warm shade— so perfect with dark accessories— and ideal under furs. GOLD the ideal shade for blondes— so perfect with the warm shades of autumn brown. KELLY for those who can wear it. Also perfect with brown or black. The always good GREY with dark accessories— and ideal under furs. GOLD the ideal shade for blondes— so perfect with the warm shades of autumn brown. KELLY for those who can wear it. Also perfect with brown or black. The always good GREY with dark accessories— and ideal under furs.

Dresses take advantage of allure of dropped shoulders, of deeper armholes, of the liberated silhouette, of the bouffant, which means less pencil slenderness—but all designed to make you a prettier gal. Color takes a backward look at the past. Black is a hands-down favorite— with dark brown, cocoa and forest green taking an important place in the picture. Where to find these kind of "clothes," "800" SHOP of course. MATERNITY DRESSES arrive daily to keep this shop the largest of its kind in N. Y. State. New York City the exception of course. Prices start at \$8.95. "800" SHOP located corner MONROE & CANTERBURY. Open Eve.

Put told me— about a new idea used by professional window washers. Clear alcohol cleans the windows in a jiffy and leaves them sparkling clean.

SPECIAL PRICE So you like Lily Dale hats— and Milton frocks— and why not— "cause every woman like ORIGINALS. So why settle for less in a permanent. At VIRGINIA'S BEAUTY SALON there is a special price being offered on the original RAYETTE COLD WAVE. It's tops in a COLD WAVE. Nationally advertised— at VIRGINIA'S— you may order the RAYETTE COLD WAVE— plus the RAYETTE CREAM RINSE— for the very special price of \$10— usually selling for \$15. Make your appointment today. Stone 346, VIRGINIA'S BEAUTY SALON, located Present Bldg., Fourth Floor, Opposite a Hotel Seneca, P.S. Ideal for bleached or tinted hair.

If you "buy" at RIPTON DRESSES, it will earn you a reputation as a "best-dressed" woman. Their clothes are smart and becoming. It's as easy as pie to "get fitted" whether you're a regular, junior or women's size. WOMEN'S DRESSES are a particular pet with them. This week a new group of these larger sizes have arrived. Beautiful "things" to make you look slim— in dark colors with becoming pastel necklines— flatter. Prices at \$8.95. Make this popular shop your headquarters, when you assemble your fall wardrobe. You'll be "happy" in a frock from RIPTON DRESSES, 739 MONROE AVE. Open Eve.

HOME SERVICE says. Make sure your family is getting a generous helping of green vegetables every day... If they're not—now is a good time to check up on the method you're using for cooking these vegetables. In order to preserve every bit of their vitamins and minerals— cook vegetables in the smallest amount of boiling water possible— in a tightly covered pan— for the shortest time— at simmer heat. This info is through the courtesy of HOME SERVICE— Rochester Gas & Electric Co. 89 East Ave.

Have you ever had an "ill-fated dress"— one from the first wearing— something always happens to— like falling on your face— or burning— or spilling— of course you have. Well here's a little story about a sparkling blouse— recently purchased. On the first washing— the armoire mildewed. (Garden Key), honest this is the first time in my memory of leaving house—I have ever had anything mildew. Of course being a alleged Women's (Idiot) Editor, I should have known what to do with it—but my empty brain never retains anything longer than twenty-four hours— so I had to resort to HOME SERVICE at R.G.E. They told me to use lemon juice and lots of salt to remove salt mildew. I did— on a bright sunny day and placed it on the lawn. You see if I had put it on the line—the darn salt would have dropped off. I keep peering at it— knowing that every sun ray was doing the trick—but like Lutz wife—I just could not stand it any longer— so I staggered into the back yard—in the boiling sun—to find a GRASSHOPPER— almost as big as a mouse— having the meal of his life— right out of the front of my ill-fated blouse. I grabbed the (you know what) GRASSHOPPER by the back of the neck—with the material streaming out his dripping mouth—and threw him over into the lot. Raving like the proverbial fish wife—with words not fit for the ears of babes—I ran screaming over to my neighbor LOUISE. Imagine my chagrin when I was calmly informed that GRASSHOPPERS will always eat yummy material left on the grass. Well I suppose the moral is "GRASS BELONGS TO GRASSHOPPERS." Nuts.

LOYDS No dignity is lost because of economy when you order FLOWERS— for a d e e s s or kindness from LLOYD'S. Funeral work is given special consideration. Fresh flowers are always used to insure lasting qualities. PRICES ARE RIGHT. You'll be proud to attach your name to any piece of flowers— leaving this popular shop. A telephone call will "do the trick." Main 7688 is the number. Mr. Lloyd Higbie the owner of this shop gives his personal consideration to every floral piece. Two stores for your convenience. POWERS HOTEL and REYNOLDS ARCADE. LLOYD'S LEAD AGAIN.

The clothes you need for the life you lead— are to be found at ALICE DRESS SHOP. If you've wailed— "I have nothing to wear"— why not patronize this shop— where you'll find loads of basic "things." A basic black for instance— is something all well-dressed love and buy. Sheer wool for chilly days— in fact everything that Dame Fashion has said is the newest. LARGE SIZE SLIPS have also arrived fashioned of beautiful material. Also a complete line of 100% wool SWEATERS in gorgeous pastels. Every article at ALICE DRESS SHOP is gently priced. Located 630 MONROE— Cor. Wilmer. Open Eve.

REDUCE Believe me— clothes a trim figure— demand a trim figure. So you better hurry and call that PETTIS GAL and make your appointment— with better health— more pep— and vitality than you ever dreamed was in that tired old carcass of yours. The BATTLE CREEK REDUCING LOUNGE is a pleasant way to reduce. Pin a series of treatments today. You'll get results. I KNOW PETTIS. Burke Bldg. Stone 6210. Ask about the Bra's.

Angora jersey in a scarlet featured by Suzy—the famous hat designer— drapes into a bonnet trimmed with a blackish green coy curl. Adorable.

CHARLES OF THE RITZ has captured the fragile pink-gloving beauty of a midsummer's fading day. And it's your to enjoy—to add to your collection of treasured dressing table toiletries. It's all of your old standby in creams and lotions making a bow in new attire, "Complexion Veil" to prepare skin for cosmetics to come. Acts as a veiling for minor blemishes, freckles, or dark circles under the eyes. Perfect for make-up base. Drop into SIBLEY LINDSAY & CURR and ask to see the beautiful new line of CHARLES OF THE RITZ.

DIRECTOR GIVEN CREDIT FOR BOYS CHOIR SUCCESS

Leader and director of the Boys' Town Choir which will sing at Eastman Theater on Monday, Oct. 21, is the Rev. Francis P. Schmitt, who has been largely responsible for the phenomenal success of the choir in recent years.

Under his able direction the choir has grown from 35 to 100 voices, although the number of voices for the 1946 concert tour, first in Boys' Town history, was limited to 40 so traveling accommodations could be obtained more easily.

Father Schmitt was ordained in 1941 and upon his ordination was assigned to Boys' Town as an assistant to the Rt. Rev. Msgr. Edward J. Flanagan, founder and director of the project. Father Schmitt formerly was assistant organist at St. Lawrence Preparatory School, Mt. Calvary, Wis., and at St. Paul's Seminary, St. Paul, Minn. he studied under Dom Francis Missa.

That the current tour will be an outstanding success was proved in the Choir's opening concert at St. Paul last Sunday night. More than 9,000 persons, one of the largest audiences ever to attend a musical event in that city turned out for the concert.

The Choir's coming Rochester appearance already has attracted wide interest throughout the community, especially among Catholic groups. The Most Rev. James E. Kearney, Bishop of Rochester, will attend the concert as a guest of the Civic Music Association. It was learned this week. Others of the clergy, particularly those with special interest in music and in the character-building work and self-government program at Boys' Town, are planning to attend.

THIRD POST OF AVC FORMED HERE

Third unit of the American Veterans Committee has been organized in the city under the name of the Matthew T. Piccolo Memorial Post, AVC. The post name will honor Pfc. Matthew Piccolo who gave his life while serving with the army on June 8, 1944.

The Rev. Francis H. Vogt is the Chaplain of the post with Joseph Luciano as Commander. Other officers are, Peter Quattrocchi, 1st Vice Commander, Alfred Ferraro, 2nd Vice Commander, Anthony Marcello, Adjutant, Paul Saltino, Finance Officer, George Conti, Treasurer, Michael DiLalla, Sergeant at Arms, and Joseph Ferraro, Recreation Director.

Meeting are held at St. Francis Hall on Whitney St. on the third Monday of each month. World War II veterans are invited to join the post.

RENT-FREE HOME OFFERED HERE BY MANUFACTURER

Someone is going to have a rent-free home for a full year, according to the offer now being made by E. J. Acree, popularly known as "the boiler doctor" who manufactures soot killer, boiler treatment compounds and rust eradicators.

According to the Joseph Ave. manufacturer's announcement, coupons will be given with each purchase of his "Acres Chimney Clean/Soot Killer" obtainable at hardware and department stores. A drawing to name the lucky winner will be made on December 15. The home is located at Charlotte and has been newly-decorated.

The way some of these codes look at football games, it's a wonder anyone knows the score.

CAMPAIGN ...

(Continued From Page 1)
publican Keating got in the first punch when he sought to tie up Rogers and his record with left-wingers, New-Dealers and a wide assortment of other bogeymen. But it didn't take Rogers long to answer the suave corporation attorney. The incumbent said he would stand on his record, was proud of it and would continue in the same manner after he was returned to Washington in November. Earlier this week, defending his record, Rogers said:

"I promised you people two years ago that I would vote in the interests of the majority of my people. You and I, the workers, the small business men, the professional groups, are the majority."

"My friend (presumably Keating) says that I went down the line on the labor vote. Yes, I did and if elected I will vote for it again. I voted for a 65 minimum wage. I am a small business man and if you people can get \$7 or \$8 more a week, aren't you going to be able to spend more in my store?"

Rogers received the accolade of his hearers when he explained that he had voted against the continuance of the Committee on Un-American Activities because it was controlled by Rankin. While he admitted that Rankin was a fellow Democrat, Rogers courageously branded the Mississippian as "a disgrace to the Democratic Party, to

Congress and to the United States." Keating, on the other hand, had already changed his mind. This week he saw the issue as "Shall the government run the people or the people run the government."

And while he didn't actually say so, it was apparent that Keating thought the people should run the government, providing it was run by the "right" people. In his case, those "people" would presumably be Republicans — the same crowd with the same ideals that ran the government from 1920 until an outraged populace threw the "big interest" out in 1932.

Paraphrased, Keating's issue might be stated thus: "Shall the people (who ran the government into the worst depression in history) run the government for the benefit of themselves and the privileged few) or shall the government (made up of people who care not for the National Association of Manufacturers and other "big interest") run the people (for the benefit of the people)?"

Perhaps Candidate Keating would have to wait until November for his answer. But if he were to take a careful look around at the progress made by this country since 1932; if he were to look into the wallets of the people who lingered in bread lines prior to 1932, he might find his answer today.

But he apparently didn't know any of the "little people" well enough to look into their wallets.

FIREMEN ...

(Continued From Page 1)

Jostyn enacts his famous dramatic role as "Mr. District Attorney". In addition he will present a comedy routine.

Fred Lowery, the blind whistler who proved so sensational with Horace Heidt's Band at Loew's Rochester last season is assured of a warm welcome from his devotees.

In addition to these acts, Lester L. Pollock, chairman of the entertainment committee, is lining up a comedy team and a marionette act direct from the Radio City Music Hall.

Tickets for all performances are now on sale at all firehouses throughout the city.

NEWCOMERS SCORE AT BATAVIA OVAL

Two new drivers, one a leading reinsman of the harness race pilots in the United States last year, and the other a familiar figure at Batavia Downs in other seasons, made their bow at the trim Batavia oval this week.

Whitey Dennison, who drove a number of winners both at Batavia and at Buffalo Raceway and has been in the money many times at Saratoga and other down east tracks, brought out Spencer's Day to challenge such Batavia standouts as Silver Keppie, Dainty Lee, Shamrock Dean and Triple Throat.

The other new driver this week is Eddie (Pegleg) Jones who piloted more winners on the harness race tracks last season than any other occupant of the pilot-house. He arrived from Saratoga with a number of horses that he promises will provide plenty of competition for the consistent money winners.

Races start at 8:30 p. m. with the daily double window closing at 8:15.

If you haven't taken any exercise in the last few years, you might get in the next marble game you see and work up from there.

fine or a dismissal of the charge. (and we presume Burns and Ruthenberg will get new glasses).

It is unthinkable that the "great city" is no longer safe for Republicans.

"Political News Unbiased" stated the Democrat and Chronicle on Wednesday morning. The story goes on to state that their news is "uncolored" and that there is more about Republicans because there are more Republicans in Rochester. They quote registration figures of 312 to 1 substantiate their stand. Of course in the last local election the voting gave the Republicans a bare five per cent edge. In presidential years Roosevelt carried Rochester and it is obvious that registration figures for their allotment of political news is almost as up to date as their editorial page.

To further prove how unbiased they are, in the same issue Mr. Keating and GOPers were given three outside columns on the first local page, a three column top deck head, two, two column photos and a half column jump to another page. The Democrats were stuck back on page 17 on an inside column, given a one column head, no pictures and a story less than one half the size of the Republican mouthings. The fact that what Democrat Rogers had to say was much more pertinent and interesting cut no ice.

The daily press take their obligations as a monopoly most lightly.

Political experts, who are only men with varying degrees of ignorance on the subject, have probed the past history of state elections seeking a parallel. Try as they may they conclude that there is no such yardstick with which to measure and predict the outcome of this year's campaign. Sentiment swings back and forth like a pendulum and local prejudices, new cliques and pressure groups make the first Tuesday after the first Monday in November, very, very "iffy".

Although a great many wishful thinkers attest that the jumbled national picture contributes to the chances of the Republicans, wisecracks point back 26 years ago when Harding and Coolidge carried every county in the state as well as every town and every city except Oswego. Al Smith that year ran against Nathan Miller, Cox against Harding. Smith received 530,574 more votes than Cox and lost out to Miller by less than 75,000 votes.

The Republican national landslide of that year apparently fell way behind on state issues. If, as the GOP contend, the world is against the Washington administration this year as in 1920 it might be duplicated if it weren't for the fact that gubernatorial elections are no longer held on presidential years and the across-the-board voters will be handicapped.

Issues are local, domestic affairs will come first, so will personalities, thus when voting time comes these factors, rather than foreign affairs, will elect or defeat candidates.

One of those gentlemen (and there are too few of them) who religiously examines the qualifications of each candidate and then votes for them regardless of their party labels said to us the other day, "It might be a

great year for Republican policies — if anyone knew what they were".

Last week the Republican hopes of carrying Oneida County in which Utica is the principal city received a sharp blow: Fred Douglas former Republican mayor and former member of Congress appeared at the Democratic County committee meeting in Utica on the arm of Senator Mead. Douglas who still carries terrific political weight in the community came out flatly and endorsed Mead and in no uncertain terms indicated why he was anti-Dewey.

Mr. Dewey makes great claims for his part in passing FEPC bill outlawing racial and religious discrimination in hiring and firing employees. Mr. Dewey is against that sort of "goings on" he says. Yet his committee, to get out the rural vote, will use class against class in an effort to make New York's 800,000 lethargic non-voting toil-tillers mad enough to register and vote.

They will stress the efforts of organized labor "to run the country" with the ill-concealed implication that the farm vote in the Dewey column will prevent such a "catastrophe".

Farmers by this time realize that the more labor earns the better table it "sets". To be mad at labor gains would be inconsistent with the business of selling bumper crops at "good" prices.

Farm income is seven times as great today as it was in the Republican year of 1932. Farm assets are ten times greater than liabilities and production is at an all time high. Do you think the farmer doesn't know that?

The Committee is going to find not only rugged individualists in the hinterlands but some pretty sharp commercial thinking.

The fireworks of the coming campaign will not start until after the world series has been decided. Politicians realize that an election is never as important as a baseball game.

MERCY GUILD TO HEAR REPORTS

The Mercy Guild of the Little Flower will meet next Tuesday afternoon, at 2 p. m. in the Catholic Women's Club on Alexander St. Mrs. Edward G. Beiskirch, president, will conduct the meeting. Dessert lunch will be served from 1 until 2 p. m.

Financial reports of the recent rummage sale, headed by Mrs. George M. Andrews and the evening card party, co-chaired by Mrs. James Pollock and Mrs. John Kost, will be read.

Plans will be culminated for the forthcoming roast beef supper and sale of the Mercy Guild, to be held at Mercy High School on October 19, with Mrs. Geo. M. Andrews, Chairman.

CHAIRMAN NAMED FOR HEALTH SEAL SALE

Mrs. Thomas A. Duryea of Clarkson has been named chairman for the second year of the committee which will direct the 1946 Christmas Seal Sale in the county outside the city to raise funds for tuberculosis control work, according to Joseph P. MacSweeney, president of the Tuberculosis and Health Association of Rochester and Monroe County, Inc. The county campaign is part of the nation-wide 40th annual Christmas Seal Sale which opens November 25th and will continue until Christmas.

Mrs. Duryea said she had readily accepted the chairmanship because she recognized the value of the work of the Association and because she knew the people of the county were 100 per cent back of the Association in its fight against tuberculosis.

Within a few days, she added, a committee will be named to assist her in conducting the campaign.

BALCO THESPIANS TO STAGE REVUE AT AUDITORIUM

An all-employee musical revue will be staged by some 300 Bausch & Lomb performers at the Auditorium Theater on November 12-14.

One of the most ambitious amateur stage productions ever undertaken by a Rochester industrial firm, the three-day show will present a wide assortment of novelty and specialty acts, music ranging from classical to boogie-woogie, a fashion revue, comedy skits, a

barber shop quartette, the famed Bausch & Lomb chorus, and the dancing Balcoettes.

The Balcoettes, a bevy of 32 attractive girls, are currently rehearsing routines three evenings a week under the tutelage of Dance Director Alvera Sarson.

Interest in the coming venture surpasses even the previous show expectancies of two previous professional productions, Vision for Victory and Dawn's Early Light, which was staged by Bausch & Lomb at the Eastman Theater during the war.

Besides Miss Sarson, George Troup, Ken Piper and Joe Luardi are serving in the dual roles of producer-directors.

BANK ESTABLISHES U OF R SCHOLAR FUND

A new fund to aid deserving students, to be known as the Security Trust Company of Rochester Scholarship Fund, will be established by the University of Rochester with the sum to be paid to the University by the bank for sponsorship of football broadcasts of the Varsity's five home football games this season.

The fund will be used at the discretion of the University's scholarship committee in such sums and for such students as it may determine. The play-by-play broadcasts

will be given over Station WHAM with Bob Turner as announcer. The games to be broadcast are those with Union on Oct. 5, DePauw on Oct. 12, New York University on Oct. 19, Hamilton on Oct. 26, and Hobart on Nov. 16.

WRONG BUS

Richmond, Calif. — Watching wistfully as his older playmates climbed aboard a bus and departed for school, Wayne Glass, 3, decided to do likewise. He climbed aboard the next bus. The child was taken off a transcontinental bus at Vallejo, 20 miles northeast of here.

AIRLINE OPENS NEW CITY TICKET OFFICE

Capital Airlines — PCA announces the opening of a new and modern City Ticket Office in the lobby of the Hotel Seneca, Mrs. Paul F. McNamara, daughter of Donald Dailey, Postmaster of Rochester, and wife of Monroe County Democratic candidate for District Attorney, was guest of honor, and cut the ribbon, which officially opened the ticket counter to the people of Rochester last Friday. The new office will be opened from 9 a. m. to 5:30 p. m. Mondays thru Fridays, and from 9 a. m. to 3 p. m. Saturdays. It will be closed on Sundays. W. T. Keller, Jr., District Sales Manager for Capital Airlines — stated that the Hotel Seneca ticket office will operate in addition to the already existing office at the Municipal Airport which remains on its present schedule.

"MAID OF OZARKS" STAR

**ANN CORIO HERE
NEXT WEEK IN
OZARK COMEDY**

Direct from his sensational
run in the Belasco Theatre New
York, Jules Pfeiffer brings his
hillbill comedy "Maid In The
Ozarks" with Ann Corio starred
in the leading role, to the Col-
umbus Auditorium for three
nights only, October 8, 9th and
10th.

"Maid In The Ozarks" is de-
scribed as a comedy about the
lives and loves of the simple
people in the Ozark Moun-
tains. It attempts to solve no
problems nor does it have a
message. It has been designed
solely to provide laughs. Evi-
dently it has accomplished this
mission since, according to the
producer, it has been touring
for the past five years, prior
to its New York engagement,
has played to more than 6,000,
000 people during that time and
has grossed more than \$2,500,
000 during its career. Playing
86 weeks in Los Angeles, 68
weeks in Chicago, 12 weeks in
Detroit and similar runs in
other key cities must needs at-
test the fact that audience have
enjoyed it.

RADIO WRITERS TO 'TELL ALL' IN REVIEW

We intend, within the limitations of our ability, to make this radio column different. By "different" we mean that we shall only on rare occasions dip into the canned press releases of the leading networks and thus bend every effort to localize and personalize this weekly report.

We know that radio listeners often wonder about the man or woman behind the voice and the more often they hear the voice the greater their curiosity becomes. Hence there will be a series of character sketches and case histories with photographs about men and women on your local stations and programs. As the column continues the listener will thus be provided with mental pictures of the man or woman who is talking to you.

We also are going to take you "behind the scenes" in Rochester's stations and endeavor to show you not only what makes a program tick and click but what makes a program, and who.

We're going to acquaint you with the nomenclature of radio and provide you with a glossary of terms which foreign to the layman are every day usage among radio people.

There will be a question and answer department in which we will endeavor to answer questions that are theoretical, technical and personal. How extensive it is depends upon your curiosity. Nothing will be barred up to and including questions of the Beatrice Fairfax variety.

There will be a trivia department, short notes, observations and gossip bits about the local radio people you so often hear and rarely see.

For example few know that Jack Ross has a soupstrainer type mustache that would make Joe Stalin green with envy... and that Charlie Siverson's wife is considered the smartest dressed woman in the radio fraternity... that most announcers are self-effacing rather than egotistical — they consider themselves just ordinary Joes with baritone voices. Max Metcalfe the WHAM newest comer looks like Melvyn Douglas without a girdle. That Lowell McMillan is about six feet five or six, and attributes his deep voice to the same principal that Pall Mall advertises.

SAT. OCT. 3. RADIO PROGRAMS. OCT. 6th. SUN. Table with columns for WHFC 1480, WHAM-1180, WYAT-1270 and program listings for each station.

Pall Mall's are cooler because they are longer and the smoke travels farther. McMillans voice works on the same principal.

It's true that Dave Kessler the Peanut Vendor gives all sides of the news. In letters and phone calls he's been called a reactionary Republican, a New Deal Democrat and a scarlet Communist all in one week, all after one broadcast. Le Moine Wheeler of WHFC's junior brass department sallies forth next month to slay ducks in far off northwest Canada. Gunner "Here it Comes" Wig former nasal voice of the Red Wing games is manager of the same station.

Bob Turner who looks some-

thing like Dagwood Bumpstead gets fr fancy sweaters in a big way. It aint true that he knits 'em himself— Louise Wilson of the Sibley Tower

program looks even as good as she sounds: We hope you'll like us and we hope you'll help us. Send in your questions.

Stardust

BY MATHEMATIC EQUATION

That's how Paul Taubman, scientific minded organist on radio's "Rosemary" (Monday through Friday, CBS) creates the mood with music as the story unfolds.

His is a technique brand new to radio. Taubman is an ardent follower of the late Paul Schilling, mathematician, mathematician and eminent musician.

Paul Taubman
math, musician

whose interesting system of musical composition came of his desire to find a truly scientific reason for what makes music tick. After years of research he took what the great masters did by intuition and worked it out by mathematical formula. Using this infallible method, Taubman portrays practically every mood of the "Rosemary" script, accentuating the emotions with new combinations of rhythm patterns and pitch tones. A busy composer, "The Bomber Command" is among Taubman's works.

Indications are that pressure is being exerted from higher up on movie producers, script writers, etc., to voluntarily adhere more closely to the Production Code or suffer the consequences. Most movie-goers will admit that there is some foundation for the pressure toward the deletion of suggestiveness, on the screen and particularly in the advertising.

WHEC HAS 'EM

We've all showered down with the hard to love Lionel Barrymore do his stuff before the cameras? He's the same gruff rascal as always on "Mayor of the Town" at 8:30 Saturday night! The old gruffian with a heart of pure fakel is washed by Agnes Moorehead and Conrad Nauman.

There's also a flutist character who has a penchant for big words for you! For Hollywood exclusive news, She's fast-talking hot-happy Hedda Hooper.

Saturdays at 10:15 P. M. beginning tonight. She's featured in a terrific variety show.

News is something we at WHEC like to take straight... straight reporting of straight facts... no wild, emotional flights or any attempts to build up a small incident into a world shaker... But straight-forward, factual reporting... done intelligently and interestingly by Bob Trout at 6:45 p. m. Mondays thru Fridays. In case you wonder what this affable ad libber looks like, you can consult this picture.

You'll also like to consult the radio pages for other great programs in WHEC's Biggest Show In Town!

SPOTLIGHT BAND POSTPONES TOUR

Xavier Cugat's concert tour scheduled to begin along about now has been postponed because Hollywood's film studios are still clamoring for the services of Cugie and his Latin-American masters of the rumba. So the popular "Spotlight Band" programs by this versatile organization will continue to come out of Hollywood via MBS and Station WSAY for at least another month. Cugat is the regular Wednesday night "Spotlight" attraction at 9:30 P. M.

NIMBLE FINGERS — Vincent Lopez, suave maestro with the nimble piano fingers, brings his band to the Sports Arena on Fri., Oct. 11 under the sponsorship of AFL Div. 282, the bus driver's union which is celebrating its October festival.

Walter Pidgeon is stepping from gay comedies to the leading character in A. S. N. Hutchinson's story, "If Winter Comes." In it, Pidgeon will play an English idealist, who returns wounded from war and is accused of unfaithfulness by a snobbish wife. He finds only one person, a former love, who nurses him back to health and happiness.

UP FOOTBALL HOME GAMES

All home games of the University of Rochester football team will be broadcast play-by-play this season by Radio Station WHAM, with the Security Trust Company sponsoring the broadcasts. Bob Turner, WHAM sports commentator, will announce games.

The broadcasts will begin at 2:15, 15 minutes before the start of each game, and will continue until the game is finished. A number of innovations are planned in the way of special events to make the broadcasts out of the routine football commentary type.

Home games to be broadcast from the River Campus Stadium over Station WHAM include the Union game on Oct. 5; DePauw, on Oct. 12; New York University, on Oct. 19; Hamilton on Oct. 26; and Hobart on Nov. 16. All games are on Saturday afternoons.

WHEC TO AIR JAYCEE PROGRAM

Saturday launches another season of "Forward Rochester" programs sponsored by the Junior Chamber of Commerce.

The Jaycees, who have earned a reputation for their round table discussions on controversial issues, will air over WHEC at 7:05 p. m. each Saturday.

Saturday's subject is "Should Labor Unions Be In Politics." Jaycee Will Richardson will cross verbal swords with Curt Gerling, publisher of the Rochester Sun and president of Empire State Weeklies. William H. Scott will act as moderator.

While Hollywood is said to be trying to get Hildegard to come West it is not likely that she will soon.

Political Polka

By CURT GERLING

The story of the "billiard hall" accused of harboring slot machines on the premises of the Tenth Ward's Young Men's Republican Club came up in court Tuesday. The case of V. J. Simms club member and proprietor of the "billiard hall" was adjourned to November 12th. (The fact that this is one week after election day is purely coincidental.)

No doubt attorneys for the defendant wanted time to prove they were peanut and gum machines, that the billiard hall was really a sewing circle, and the Republican club was full of Democrats.

Experts, or maybe we should say "reliable sources," predict a tremendous upsurge in labor ward registrations on the two remaining days. The Jewish holidays were a great deterrent in many sections as religious observance ran concurrently with the open polls.

An army of workers in wards 7, 8, 15, 17, 18, 22 and 24 are expected to show registration increases sufficient to disturb the customary placidity of GOP headquarters.

Walking in and out of a number of prosperous business offices each week (and we don't mean mercantile houses) you can hear a lot of "the country is going to the dogs and we're going to the poor house" conversation. Strangely enough for a Republican community Mr. Truman is not blamed for everything. The "whipping boy" is Labor. You can remember, of course, when it was FDR. If it rained when you had a golf date (See POLKA Page 7)

'Firemen's Follies' Set For Bow Tomorrow

JAY JOSTYN
... Mr. District Attorney

The Eastman Theater curtain will rise tomorrow night on the first of six performances of the 1946 edition of the Rochester Firemen's Benefit Fund vaudeville show.

Stars from Hollywood and Broadway, headed by Mischa Auer, film comedian, will present an eight-act program of music, comedy and dancing. All proceeds will be devoted to a fund for the widows and orphans of Rochester firemen.

In addition to evening performances tomorrow, Saturday and Sunday, there will be matinees on Saturday and Sunday and a midnight show beginning at 11:30 p. m. Saturday.

From radio's top-flight programs comes Jay Jostyn to present his "Mr. District Attorney" on the Eastman stage. A recent survey has placed this program among the top on the air.

Music for the entire show will be provided by George Paxton and his Orchestra. This musical aggregation is coming direct from a run at New York's Capitol Theater where critics hailed the group as "the best new band of the year." In addition to his musical chores, Paxton will serve as master of ceremonies for the entire show.

Fred Lowery, the blind whistler, who scores such a hit with Horace Heidt's Band at Leew's last season, is returning for the Firemen's Show with Dorothy Rae, featured singer.

Hal Le Roy, the Broadway dancer made famous by Florenz Ziegfeld, also will appear along with several other acts from New York's Radio City Music Hall.

\$25 Winner

Mrs. David Greer of 615 Bird St., is the lucky winner of this week's \$25 cash prize offered to its sustaining subscribers. This is the reward Mrs. Greer gets for paying her Sun carrier, Richard Barr of 85 Kissingbury St., 10 cents. Dick incidentally collects an extra five dollar bonus.

LOCAL BANKER HEADS NATIONAL AD ORGANIZATION

SWAYNE P. GOODENOUGH
... elected ad group prey

Swayne P. Goodenough, vice-president of Lincoln Rochester Trust Co. this week was elected 32nd president of the Financial Advertisers Association at the annual convention held at the Fairmont Hotel, San Francisco, California. More than a thousand banks are members of the association which is devoted to the betterment of financial advertising and public relations.

Goodenough has been with his bank fifteen years, in charge of advertising and public relations. He was graduated from the University of Rochester in 1913; taught English at East High School for four years before entering Officers' Training Camp at Madison Barracks in World War I. He served as First Lieutenant with the 17th Artillery of the Second Division; saw service on six fronts and was cited at Chateau Thierry.

EDITOR HEADS K of C FETE SPEAKER LIST

With Richard Reid, New York Catholic newspaper editor as main speaker, arrangements have been completed for the Columbus Day and Golden Jubilee dinner of Rochester Council, Knights of Columbus Saturday, Oct. 12 at Powers Hotel at 6:30 p. m.

Reid who is editor of the Catholic News, archdiocesan newspaper of New York, and an attorney, will be presented by Norman A. O'Brien, former state senator and attorney who will be toastmaster.

Bishop Kearney of the Catholic diocese will be guest of honor and speaker at the dinner and will celebrate Solemn Pontifical Mass in the morning at 9 a. m. in St. Joseph's Church. The Rev. James M. Gillis, C. S. P. of New York will preach the sermon.

**VFW AUXILIARY
TO HAVE CARD PARTY**

A card party at the home of Mrs. Grace Sprankle, 25 Wilton Ter., will be held by members of the Lt. W. Kirk Otis Auxiliary No. 1457, Veterans of Foreign Wars next Wednesday at 8 p. m. Members are invited to bring their friends.

At last Friday's meeting of the group Mrs. Marian Cashman, president, announced that future meetings of the group would be held on the first and third Monday of each month at 86 South Ave. with the next meeting scheduled for Oct. 21 at 8 p. m.

EAGLE EATERS TO CONSUME CLAMS AT SUNDAY BAKE

It'll be a great day Sunday in the N. Washington-Fitzhugh St. area! The Eagles are throwing their 43rd annual clambake at that date. Clams by the hundreds will be sacrificed upon the altar of good eating in two shifts. Chairman Frank Donovan, who has announced that reservations are limited to 300 advises that the bake will be served in two sittings with the first at 3 p. m. and the finale at 6 p. m. Music if anyone cares to stop eating long enough to listen, will be furnished by Hofferbert's Serenaders. Card tables will be provided for those who wish to play.

Albany Mayor To Head Speaker List At Hotel Seneca Democratic Fete

With two registration days remaining, both the Democratic and the Republican election "trains" gathered steam this week with a major Democratic rally listed at the Hotel Seneca tonight and a climatic Republican rally on schedule for the Edgerton Park Sports Arena next Tuesday evening.

Tonight the Democrats will honor Congressman George F. Rogers, seeking re-election as representative of the 40th District. Speaking in his behalf at the Seneca Hotel Erastus Corning 2nd, glamour boy of the party's state ticket as candidate for lieutenant governor and Anthony J. DiGiovanna, candidate for attorney-general.

Next Tuesday the Republican faithful will gather at the Sports Arena to pay homage to their glamour boy—Governor Thomas E. Dewey, seeking re-election to that office. And because most Republicans are of the opinion that Dewey is seeking reelection to the governor's chair as a steppingstone to another bid for the presidential nomination in 1948, another speaker on next Tuesday's rally schedule will be given more than passing attention. He is Joe R. Hanley, seeking to retain his office as lieutenant governor. For it is upon his shoulders that the duties of governor will fall if Dewey should successfully accomplish what he failed to do in 1944. Whether or not he will again (See CAMPAIGN Page 6)

SMALL BUSINESS CLINICS SET FOR WOMEN HERE

Authorities in marketing, merchandising and design will be giving practical advice to the women of Rochester at a two-day Crafts and Kitchen Career Clinic, to be held in four sessions, from 2:30 to 5 and 7:30 to 10 p. m. on October 14 and 15, at the Musrum.

The clinic is sponsored by the New York Women's Council, in cooperation with the New York Division of the Women's National Farm and Garden Association, Inc. The clinic here is a high point in a state-wide series of conferences to assist women in achieving commercial success in developing and marketing their home products and ideas.

Learn to Sew

EDWARDS SEWING CENTER is the best idea yet. There isn't another accomplishment that gives a u c h satisfaction as KNOWING HOW TO SEW. So why don't you enroll now at EDWARDS and learn the secrets of professional sewing, quickly and easily. Modern methods on cutting with simple patterns — how to make a three-minute buttonhole, give collars, pockets, zippers a professional finish. You receive ten sessions in Dressmaking for \$10. Ten sessions in Tailoring for \$15. Select the morning or afternoon most convenient for you. You choose your own pattern, fabric — then actually cut, fit and sew your individual dress, suit or coat. Cutting tables and sewing machines are provided for your use. Expert guidance and individual attention are yours — the result you learn professional sewing and tailoring by actual experience. Classes are limited in size to insure personal supervision. The Dressmaking classes are Monday and Wednesday — 10 till 12 A. M. — and 2 to 4 P. M. The Tailoring classes are Tuesday and Thursday 10 till 12 A. M. and 2 till 4 P. M. Special courses for career girls. Saturday 10 till 12 A. M. and 2 till 4 P. M. EDWARDS SEWING CENTER is under the supervision of Miss Jean Mauer, Director of the Free Westinghouse Sewing Course. Located on the Second Floor, REGISTER TODAY. CARTER HAT SHOP It's smart — It's becoming — It's flattering — It's a HAT from CARTER HAT SHOP. And you know, m'lady — a hat can make or break you. At CARTER'S you'll never be "sold" a chapeau that doesn't do something for you. Mrs. Carter's policy is that a satisfied customer is a permanent one. Her policy has worked so far — more and more women are wearing CARTER'S HATS. Ask to see the NEW FEATHER HATS. They are adorable — a selection in all colors. The regular line at Carter's start at the modest sum of \$3.95. GAGE LINE also to be found. Beautiful JEWELRY HAS ARRIVED. Pins, earrings, chapeleines — priced \$1 up. CORDAY BAGS, gorgeous ones, also broadcloths — and of course Plastic priced \$3.95 up. Well, what more do you want? CARTER HAT SHOP — 635 MONROE AVE. — Open Eve.

RIPTON DRESSES are old hands at doing new tricks — every season — in selecting the right kind of "clothes" for you. Their WOMEN'S DRESSES are superb. Smooth — smart — sophisticated — with new ideas in cut — that do wonders for your fall figure. Fabrics are excellent — prices start at \$8.95. RIPTON also carry a wonderful selection of JUNIOR and REGULARS. Also starting at \$8.95. Shop RIPTON DRESSES for that frock you've been dreaming about. Located at 739 MONROE AVE. Open Eve.

LOOK Two shipments weekly arrive at ZWIG DRESSES. In these shipments are some of the very nicest, smartest "clothes" you'll see... Woolens, crepes, velvets in suits and dresses — every one highly styled and priced so gently, you'll find yourself buying more than one at a time. Shop today while the selection is at its peak. ZWIG DRESSES are located 340 ROSEDALE off Monroe. Open Eve.

The Empire gown in brown panne velvet has retuffed. The yoke and sleeves are of white satin, embroidered with pearls. A short bolero in brown velvet may be added for informality.

Like a woman's conversation, fish is so much the better for a bit of sauce. The purpose of the sauce is to bring out the desired flavor in fish, not to dominate it. A highly seasoned sauce compounded of tomatoes and onions takes fish of equally strong character. A more delicate sauce of soy, sour cream, and mushrooms with thin-slice slices of cucumbers demands less self-assertive fish.

Piquet's skirts spiral about figure. Dress is gray-green wool with high-neck bodice. A bolero Hudson seal with muff and plaid to match.

ED RANDALL'S Scene & Word

You've probably enjoyed the antics of The Nose and The Haircut, otherwise known as Durante and Moore, on their weekly Friday night radio program. Among the highlights of the show, to me, at least, are the clever verses written and delivered by Moore. Garrison has written several of these typical odes addressed to teenagers in the October Seventeen magazine and with a deep bow to Junior, for helping me fill this space, I'd like to reprint a few of the chercher voices, as Durante might say. Here they are:

"I like lipstick, I like paint, To make girls look like what they ain't."

"With rolled-up slacks or trousers baggy, Rolled-up sleeves on sweaters shaggy, Slimmy suits designed for swimmin' The latest thing in men's clothes is swimmin'."

"Combing your hair to make it graceful, Is far, dear gals, from being disgraceful. But in a restaurant or chowder-room, Kindly do it in the powder-room."

A woman was sitting alone at a table in the YMCA cafeteria the other day when three gentlemen, from their conversation obviously salesmen, sat down at the remaining places at the table. One of them spoke up suddenly and said: "I'm getting good and sick of being on the road. Why, would you believe it, I haven't been able to get a room with a bath for a week." One of his companions replied: "That's nothing, I've been sleeping in my car for two weeks and you certainly can't get a bath in a car." The third salesman piped up with a disgusted look on his face: "What are you guys complaining about, I haven't had a bath since the first of January." The woman broke in and asked: "Will one of you stinkers please pass me the salt?"

Health note:—Violent exercise after 40 is harmful, especially if you do it with a knife and fork.

From the gifted pen of former Rochesterian Janet (Mrs. Wm. M.) Nevin, now a resident of Dobbs Ferry, comes a contribution to this column of wit and humor. (Stop those Bronx cheers, Jackson). I hesitate to publish such a terrible joke, but I understand things are tough all over, so here goes. First golfer: "Did you hear about Jim?" He beat his wife to death with a golf club." Second golfer: "No fooling. How many strokes did he take?" That's not quite up to par, Janet.

Jack Wishman, tobaccoist, raconteur and amateur trackman, knows an old maid who married a policeman. Said Jack: "I guess it was the only guy she could cop." — Why, Mr. Wishman, you have perpetrated a pun, son.

Hushed
"Is it true that it cost \$100 to have your family tree looked up?"
"Well, not exactly. I paid \$5 to have it looked up, and \$95 to have it hushed up."

PTA SPEAKER URGES EARLY HOME TRAINING
The importance of cooperation in the home at an early age was stressed by the Henry L. School No. 36 PTA meeting yesterday afternoon in the school auditorium. The speaker was Einar who pointed out that training precedes schooling and that a well child has many of the well formed prior to school. The speaker admitted that schools can accomplish much by fostering cooperation with the citizen by fostering training with the child, she said, the beginning training must come home.

LOCAL UNIT OBSERVES COMPANY FOUND
Celebrating the 40th anniversary of the company and its 20th year after the local W. T. began its 40th Anniversary here today.
A special section of The Rochesterian was published to present a sale which is expected to result in several old-time sales.
According to Paul store manager, the York and New Englanders have been working months with their doubly hard by curbing sales. In spite of the curbing, says Dugall will find thousands worth of hard-to-get items, with much of the low OPA ceilings.
As a special feature, Crant's is offering \$35 or a trip to the members of its with the highest sale during the event.

**PTA SPEAKER URGES
EARLY HOME TRAINING**

The importance of learning cooperation in the home at an early age was stressed to members of the Henry Longfellow School No. 36 PTA at their meeting yesterday afternoon in the school auditorium. The speaker was Einar Anderson who pointed out that home training precedes school training and that a well-balanced child has many of its habits well formed prior to school age. The speaker admitted that the schools can accomplish much toward making a child a good citizen by fostering the idea of cooperation with others, but, she said, the beginning of that training must come from the home.

**LOCAL UNIT OBSERVES
COMPANY FOUNDING**

Celebrating the 40th anniversary of the company's founding and its 20th year in Rochester, the local W. T. Grant Co. began its 40th Anniversary Sale here today.

A special section in this issue of The Rochester Sun has been published to promote the sale which is expected to furnish several old-time "bargain sale" rushes.

According to Paul J. Dugall, store manager, the firm's New York and New England buyers have been working for months with their tasks made doubly hard by current difficulties. In spite of those difficulties, says Dugall, shoppers will find thousands of dollars worth of hard-to-get merchandise, with much of it priced below OPA ceilings.

As a special feature of the sale Crant's is offering a prize of \$35 or a trip to New York to the members of its sales staff with the highest sales record during the event.

You Can be the Girl with the Interesting Retail Career

The Girl with a Bright Future in a Fascinating Field . . . Fashion

The Girl Who Knows How to Sell Clothes . . . Knows How to Wear Clothes

The Girl Who Meets Interesting People and Makes New Friends

Would you like to see your energy, your good taste, your ability to get along with people turned to account? These are modest requirements, and such natural assets that you may have disregarded them in thinking of your future. Your quick, easy smile . . . your knack of being gracious with people . . . your discrimination in dressing . . . maybe you consider them accessories to life, but Sibley's suggests that you put these native talents to work for you. How? By giving them free

play at a selling job which works to your advantage towards an exciting, successful career in retailing. Here, in the biggest and busiest of Rochester stores, you'll meet scores of interesting people, you'll find new interests, new friends, new ambitions! Sibley's is a progressive "going-places" department store with years of top-flight prestige behind it. You'll find that Sibley's has much to give you . . . experience, good earnings, and a guiding hand on your way to a successful career. Here, you will find your enthusiasm and interest better rewarded . . . for Sibley's considers it a definite part of its growth to foster talents that turn into careers in merchandising.

McMILLAN'S FOOTBALL CONTEST RETURNS

After a lapse during the war years, Lowell McMillan, WHEC's popular sports commentator, has resumed the game of football with his listeners.

Idea of the game is to guess the scores of several prominent college games and record the guess on an entry blank which is sent to the station prior to the games.

Winners are given tickets to sporting events and opportunity to try for several additional major prizes.

Entry blanks are obtainable at Gulf service stations and at WHEC.

JAYCEES TO DISCUSS PARTY PLATFORMS

"Party Platforms and Performances" is the subject to be discussed on the "Forward Rochester" program over WHEC Saturday at 7:05 p.m. Speakers are Jane Keathen, a member of the speaker's bureau of the Monroe County Democratic Committee and a teacher at Charlotte High School and Grantier Neville, attorney. Wil Richardson will act as moderator.

The program is co-sponsored throughout the fall and winter by WHEC and the Junior Chamber of Commerce.

900 YEAR OLD BOOK GIVEN TO LIBRARY

Washington — A 29-foot-long Chinese manuscript, which had been locked in the Cave of a Thousand Buddhas for the past 900 years, was recently presented to the Library of Congress by Dr. Hu Shih, former Chinese Ambassador. Written around the sixth century it was walled up in the cave about the year 1035 A. D.

(Continued From Page 1)
promise to serve the full term, as he did in 1942 is not known, but opinion is he will say nothing. In 1944 the voters of the nation saw to it that he carry out his 1942 pledge by denying him the presidency — which he sought.

Both Rogers and Kenneth B. Keating, his opponent are busy combing the hustings with Keatings accusing Rogers of all sorts of political "taint," group favoritism and general incompetency. Rogers, obviously, is standing on his record — much to the delight of the Democrats and independents who admit

that he has done an outstanding job of representing "all the people" in his district at Washington.

MONTY WOOLLEY GUESTS ON KRAFT MUSIC HALL

Monty Woolley, known to motion picture fans as "The Beard", will be the guest on the Kraft Music Hall tonight at 9 p. m. (EST) over WHAM. He will join Emece Eddy Duchin, Edward Everett Horton, Aileen Miller, the King Cole Trio and Russ Case and his orchestra.

A former Yale dramatics professor, Woolley came to Hollywood from Broadway to play his original stage role in "The Man Who Came to Dinner." Now a radio, stage and screen star, he makes his home in Hollywood. In his most recently released picture, "Night and Day", he plays himself.

There are well over 200 record manufacturers in the disc business... **WHEC** THE BIGGEST SHOW IN TOWN

PROGRAMS AND PERSONALITIES

Tommy Tucker is teaching Jazz music at Bergen College, Teaneck, N. J. ... Mary Ann McCall has rejoined Woody Herman's Band, replacing Perry ... Frank Sinatra found himself without a place to live recently in N. Y., as he wouldn't cross the picket lines in front of the Waldorf Astoria ... Elliott Lawrence is best of new bands, is recording for Columbia ... Bing Crosby will be back on air soon selling Philco ... French guitarist Django Reinhardt will visit U. S. A. in December and will play at N. Y.'s 52nd Spot ... Ella Mae Morse and Freddie Slack are set for a tour of RKO theaters in the East and may play local RKO Palace theater. Tenor Saxist Vido Musso is now back with Stan Kenton ... Vaughn Monroe will play a one-nighter here in December.

The Best of the new POP releases with most promise to become hits: It's A Pity To Say Goodnight ... That's My Mom ... The Coffee Song ... This Is Always ... Pretending ... I Guess I'll Get The Papers And Go Home ... More Now Than Ever ... Sooner Or Later ... Either It's Love Or It Isn't ... Flea And A Fly In A Flue ...

At 8:00 each even Ralph Knox does his news stint. One of my spies tells me that Ralph is on his feet around 5:00 EVERY MORNING ... calling up people and writing and rewriting his news roundup. He's the original check and double check man (A & A probably lifted the phrase from him) ... he gives the double treatment so no big, local, state or national story is overlooked.

The Publisher of the Rochester Sun, one of the rare days when he's in the office, wrote WHEC's General Manager, Gunar Wig a note and said, "Boy, they love you in Fairport." What he was referring to was that folks in one neighboring town thought "Hi-News" — our program of high school news for, by and about high school students of Rochester and vicinity — was a darn good show. Pauline Gaffney, the coordinator, has a couple of brand new ideas to introduce when the show bows back into the 5:45 p. m. — Monday thru Friday spot. The faculty representatives at the various schools found time in their already crowded schedules to cooperate in supplying young people and keeping three "Hi-News" correspondents and performers enthused. The principals helped out in dozens of ways.

GRANT'S 40th ANNIVERSARY SALE

40 YEARS OF THRIFTY VALUES

40 years ago the first Grants store was opened in Lynn, Mass. It was a little store with a great big idea. The top price was 25c and the things those early Grant customers got for 25c made their eyes pop. Since then, 25c made their eyes pop. Since then, the Grant stores have grown until they now cover the country from Maine to California and today they carry thousands of lines of merchandise. But the idea is still the same—to give customers the absolute most for their money through item profit. The results of that policy are still making customer's eyes pop—it's still the reason why Grants is KNOWN FOR VALUES

City Awaits Mead; GOP Hears Dewey

This was "point with pride—view with alarm" week in Rochester.

With Governor Dewey, up for reelection, here Tuesday to do the pointing with pride, the Democrats were to have their inning at the Edgerton Park Sports arena this evening when Senator James M. Mead, gubernatorial candidate was expected to "view with alarm."

KIDS PLAN 2-DAY VACATION WHILE TEACHERS MEET

Rochester school children's calendars have the dates Oct. 24 and 25 marked in big red circles. The kids will be out on vacation next Thursday and Friday while their teachers gather here for the first post-war convention of the Central Western Zone of the State Teachers Association. Demonstration lessons and panel discussions will be presented and several speakers from the colleges, State Department and others in public life are on the speakers list is Herbert Agar, schedule. High-lighting the former editor of the Louisville Courier-Journal, an authority on national and international affairs. He is a Pulitzer prize author and the founder of Freedom House.

Whether or not the local Board of Education (also Republican) now agrees with this charge has not been revealed, but a fact that giving more money to the local school system would not create nearly so many votes as would, say, a nice shiny new building needing scores of workmen at high wages in some "doubtful" political area.

And while the Republican "quarterback" of the self-styled state "team" was shouting from the housetops (or, more accurately, from the arena podium) about how much the state had done to solve the veterans' housing problems, a group of veterans housed in "shacks" at the Mattydale Air Base near Syracuse were petitioning state authorities for relief from "excessive rents for poorly-located barn-like structures." Reports from the Syracuse housing project were that veterans, earning an average of \$35 a week were being "soaked" by the state from \$45 to \$51 per month rent for "unfinished, poorly-constructed" shacks located in a deserted spot eight miles from town. The veterans further allege that when they moved in during the summer the authorities promised them coal. Now, with the winds beginning to bite through the

NORMAN THOMAS TO SPEAK AT RALLY

Norman Thomas, perennial Socialist candidate for the presidency and nominal leader of the Socialist party will be in Rochester next Wednesday evening to speak on behalf of his party's candidates at a rally scheduled for the Labor Lyceum, 580 St. Paul St. at 8 p. m. Thomas will speak on "The Real Issues of this Campaign."

City Awaits Mead; GOP Hears Dewey

This was "point with pride—view with alarm" week in Rochester.

With Governor Dewey, up for reelection, here Tuesday to do the pointing with pride, the Democrats were to have their inning at the Edgerton Park Sports arena this evening when Senator James M. Mead, gubernatorial candidate was expected to "view with alarm."

KIDS PLAN 2-DAY VACATION WHILE TEACHERS MEET

Rochester school children's calendars have the dates Oct. 24 and 25 marked in big red circles. The kids will be out on vacation next Thursday and Friday while their teachers gather here for the first post-war convention of the Central Western Zone of the State Teachers Association. Demonstration lessons and panel discussions will be presented and several speakers from the colleges, State Department and others in public life are on the speakers list is Herbert Agar, schedule. High-lighting the former editor of the Louisville Courier-Journal, an authority on national and international affairs. He is a Pulitzer prize author and the founder of Freedom House.

Little Miss Givings cradles the prize four-year spaniel to a winner of a Commerce contest; Luster of Mr. and H. Mohr, 208

Whether or not the local Board of Education (also Republican) now agrees with this charge has not been revealed, but it is a fact that giving more money to the local school system would not create nearly so many votes as would, say, a nice shiny new building needing scores of workmen at high wages in some "doubtful" political area.

NORMAN THOMAS TO SPEAK AT RALLY

Norman Thomas, perennial Socialist candidate for the presidency and nominal leader of the Socialist party will be in Rochester next Wednesday evening to speak on behalf of his party's candidates at a rally scheduled for the Labor Lyceum, 580 St. Paul St. at 8 p. m. Thomas will speak on "The Real Issues of this Campaign."

City Awaits Mead; GOP Hears Dewey

This was "point with pride—view with alarm" week in Rochester.

With Governor Dewey, up for reelection, here Tuesday to do the pointing with pride, the Democrats were to have their inning at the Edgerton Park Sports arena this evening when Senator James M. Mead, gubernatorial candidate was expected to "view with alarm."

KIDS PLAN 2-DAY VACATION WHILE TEACHERS MEET

Rochester school children's calendars have the dates Oct. 24 and 25 marked in big red circles. The kids will be out on vacation next Thursday and Friday while their teachers gather here for the first post-war convention of the Central Western Zone of the State Teachers Association. Demonstration lessons and panel discussions will be presented and several speakers from the colleges, State Department and others in public life are on the speakers list is Herbert Agar, schedule. High-lighting the former editor of the Louisville Courier-Journal, an authority on national and international affairs. He is a Pulitzer prize author and the founder of Freedom House.

Whether or not the local Board of Education (also Republican) now agrees with this charge has not been revealed, but it is a fact that giving more money to the local school system would not create nearly so many votes as would, say, a nice shiny new building needing scores of workmen at high wages in some "doubtful" political area.

And while the Republican "quarterback" of the self-styled state "team" was shouting from the housetops (or, more accurately, from the arena podium) about how much the state had done to solve the veterans' housing problems, a group of veterans housed in "shacks" at the Mattydale Air Base near Syracuse were petitioning state authorities for relief from "excessive rents for poorly-located barn-like structures." Reports from the Syracuse housing project were that veterans, earning an average of \$35 a week were being "soaked" by the state from \$45 to \$51 per month rent for "unfinished, poorly-constructed" shacks located in a deserted spot eight miles from town. The veterans further allege that when they moved in during the summer the authorities promised them coal. Now, with the winds beginning to bite through the

Rochester school children's calendars have the dates Oct. 24 and 25 marked in big red circles. The kids will be out on vacation next Thursday and Friday while their teachers gather here for the first post-war convention of the Central Western Zone of the State Teachers Association.

While the diminutive governor was relating the state's plans for future construction of elaborate buildings at various state institutions, the Rochester Board of Education was loudly warning the city that "unless increased state aid is made available promptly drastic curtailment of the board's services and staff will have to be made early next year."

Mead, and other Democrats have accused the current Republican "team" of creating a \$500,000,000 "slush fund" to be used where it will do the most good politically.

Whether or not the local Board of Education (also Republican) now agrees with this charge has not been revealed, but it is a fact that giving more vitally needed money to the local school system would not create nearly so many votes as would, say, a nice shiny new building needing scores of new building at high wages in some "doubtful" political area.

SECTION TWO—THE ROCHESTER SUN

ROCHESTER, N. Y., THURSDAY OCT. 17, 1946

PAGE 1-A

City Awaits Mead; GOP Hears Dewey

This was "point with pride—view with alarm" week in Rochester. With Governor Dewey, up for reelection, here Tuesday to do the pointing with pride, the Democrats were to have their inning at the Edgemoor Park Sports arena this evening when Senator James M. Mead, gubernatorial candidate was expected to "view with alarm."

KIDS PLAN 2-DAY VACATION WHILE TEACHERS MEET

Rochester school children's calendars have the dates Oct. 24 and 25 marked in big red circles. The kids will be out on vacation next Thursday and Friday while their teachers gather here for the first post-war convention of the Central Western Zone of the State Teachers Association. Demonstration lessons and panel discussions will be presented and several speakers from the colleges, State Department and others in public life are on the speakers list is Herbert Agar, schedule. High-lighting the former editor of the Louisville Courier-Journal, an authority on national and international affairs. He is a Pulitzer prize author and the founder of Freedom House.

While the diminutive governor was relating the state's plans for future construction of elaborate buildings at various state institutions, the Rochester Board of Education was loudly warning the city that "unless increased state aid is made available promptly drastic curtailment of the board's services and staff will have to be made early next year."

Whether or not the local Board of Education (also Republican) now agrees with this charge has not been revealed, but it is a fact that giving more vitally needed money to the local school system would not create nearly so many votes as would, say, a nice shiny new building needing scores of workmen at high wages in some "doubtful" political area.

And while the Republican "quarterback" of the self-styled state "team" was shouting from the house-tops (or, more accurately, from the arena podium) about how much the state had done to solve the veterans' housing problems, a group of veterans housed in "shacks" at the Mattydale Air Base near Syracuse were petitioning state authorities for relief from "excessive rents for poorly-located barn-like structures." Reports from the Syracuse housing project were that veterans, earning an average of \$35 a week were being "sunk" by the state from \$45 to \$61 per month rent for "unfinished, poorly-constructed" shacks located in a deserted spot eight miles from town. The veterans further allege that when they moved in during the summer the authorities promised them coal. Now, with the winds beginning to bite through the (See RALLIES Page 7)

NORMAN THOMAS TO SPEAK AT RALLY

Norman Thomas, perennial Socialist candidate for the presidency and nominal leader of the Socialist party will be in Rochester next Wednesday evening to speak on behalf of his party's candidates at a rally scheduled for the Labor Lyceum, 580 St. Paul St. at 8 p. m. Thomas will speak on "The Real Issues of this Campaign."

WHEC TO AIR MEAD SPEECH

Senator James M. Mead, Democratic candidate for Governor, will deliver a campaign speech over the CBS New York State network on Oct. 22, 6:15-6:30 p. m. WHEC.

Henry Epstein, Democratic candidate for Associate Judge of the Court of Appeals, will deliver campaign addresses over CBS' state network on Fri. Oct. 18 and Sat. Nov. 2, at 6:15-6:30 p. m.

Another Democratic state committee broadcast has been scheduled for Tues. Oct. 29, (6:15-6:30 p. m. WHEC) with Senator Mead or former Governor Herbert H. Lehman.

PETE AND JOE RETURN TO WHAM 6 A. M. SPOT

Pie Plant Pete and Bashful Harmonica Joe have returned to WHAM after an absence of five years during which time both boys have served with Uncle Sam's Army. WHAM takes the air one half hour earlier each morning, opening now at 6 a. m. to bring you Pete and Joe with their music, songs and laughter.

Pete and Joe have been together for thirteen years and have been heard on nearly every radio station in the country, including long engagements in Cleveland, Rochester, Boston, Syracuse, New York and Chicago.

Dave Maloney's Radio Roundelay

Over an attractive mural-map in the reception room of WHEC you'll find this... "The Air Bites Shrewdly..." (Shakespeare) Also, "The Air... It is now a concert hall, a herald of news, a public forum, a carnival of music, of laughter, of all the worlds its stage, and all the nation its audience." That just about covers it. (Nice number at the desk there Sat. afts., too. Comes from Macedonia, lived in New York for a while, likes radio work, etc., etc. ... ain't I a busy-body?)

Want a tip? Sun. nite. Oct. 20th (6:30-7:30) Stromberg Show "Something In The Air" Gene Zacker will premier a musical delight entitled, "Softly." Syl Novelli did it from Dr. Hanson's "Romantic Symphony." Incidental... Syl's "Whispering Winds" is beautifully done by F. Waring every off and on... and good! Also from the same symphony. And thank you too, Dr. Hanson.

All you need of a Sat. afternoon during the football season is a raccoon coat, a feather in your hat and a bottle of... (hic) ... I'm drivin'! Hire some cold overcoats and tune in Sisson for the "Collegiate Round-Up" (WHAM... 1:45 to 2:15) which precedes the bang-up football games, and then at 3 p. m. for the half-hour "Victory Song Round-Up" with Doc Sisson back with more. The beauty of it is, you don't have to look for a place to throw the empty bottle. THEN... Zacker's staff banter with popular stuff through the "Kaleidoscope" show. (I could go on and on and on.)

Bill Fay and Charlie Siverson (WHAM gen. mgr. and program director, respectively) to a National Association of Broadcasters Convention just a day or two ago. (auth's note: I wonder who tied Charlie's dress tie for him... Fay is too short, and HE CAN'T DO IT HIMSELF!)

WSAY is in the Taylor Building, East Main Street... Well alright, I didn't know it! Which reminds me... I didn't get that chick's name at WHEC... what a dope!

What guy, on what station in Rochester, one morning last week during the market prices routine started talking about the price of "tam-OR-reens"? That must be a cross between a lemon, and a S. A. lassie's collection box! (O. K., I'll admit it was pretty early in the a. m.)

Just thought of something that might be of interest to (See ROUNDELAY Page 4-A)

Fred Lowrie has proven himself a great guy—a wonderful entertainer—as well as a spoiled individual—at his personal appearance at the Columbia Music Store on Monday where he and Dorothy Rae autographed records while Doty sang and Fred whistled to the large crowd's delight... Pat Flaherty has replaced Doris Day in the Lead Brown Band. After a two year absence, Horace Heidt will again organize a band... Have You Heard Bing Crosby's recording of Lullaby coupled with Where My Caravan Has Rested... Bing is coupled with Herfetz on this disc... Listen to lyrics to King Cole disc, "My Best To You"... Columbia will soon release a Benny Goodman Masterworks Album featuring the maestro in Brahms Sonata No. 2 in E flat Major... Merry Maes now recording for Majestic records and will issue first release about Nov. 1st... Tex Beneke strongly denies friction between himself and his manager, Don Haynes... Johnny Mercer to do a Western Album for Capitol with Jerry Colonna... of all people... Pat Flowers piano and vocal protege of the late "Fats" Waller is now exclusive Victor recording artist.

Political Polka

By CURT GERLING

President Truman's decision to remove all controls on meat because of the wishes of the people. They wanted meat to be plentiful and the price to be low. The implication being that the government was running the people while the GOP was a government for the people. The implication being that the government under the Democrats was running the people whereas the GOP if they were in would be running it for the citizens in any way the people dictated (and that we have gotta see).

There is no denying that Truman removed controls largely because of the wishes of the people. They wanted meat to be plentiful and the price to be low. The implication being that the government was running the people while the GOP was a government for the people. The implication being that the government under the Democrats was running the people whereas the GOP if they were in would be running it for the citizens in any way the people dictated (and that we have gotta see).

Lifting the controls on meat is bowing to the American majority that the majority rules. It is being a majority they are wrong as right. Unfortunately the majority are just as often wrong as right. The thinking of only five people in the country can be correct and the other 125 million totally wrong and, we might add, they very often are.

If you choose to recall the years prior to our entering the World War II all the Republicans and many midwestern Democrats thought that if Uncle Sam stuck his skinny neck in the sand and let Hitler go on his rampage and turned the other cheek America would go unscathed. Such gentlemen as (See POLKA Page 9)

'Y' Workers Seek 5000 Members

"Y Sure" will be the key-word to the YMCA membership campaign next week as 500 volunteer workers headed by chairman Lawrence S. Callaghan start out on their task to secure 5000 members between Monday Oct. 21st and Oct. 28th.

The campaign will give the 500 volunteer workers an opportunity to tell Rochester what the YMCA does for its young men and boys. It will also give the city's youth a chance to join the "Y" by personal invitation.

Division chairman who will lead the YMCA branches in their drive to get Rochester youth to say "Y Sure" to membership include Wilbur S. Shockey of Central "A", Schuyler F. Baldwin of Central "B", Walter H. Foestch of Kodak, Kenneth C. Mook of Monroe, Paul M. Stoehr of Maplewood, and Maxwell S. Johnson of Arnett. John L. Tozier will act as coordinator of the Central divisions.

When asked if they believed the campaign would reach its 5000 members goal, Callaghan and his 500 workers unanimously cheered, "Y Sure!"

Rose Show Features Better Homes Expo

A view of up-to-the-minute products and equipment designed for the modern home will be disclosed when the Rochester Better Homes Exposition at 1:30 p. m. Saturday. The exposition, sponsored by the Rochester Home Builders Association, will continue for eight days through Oct. 26. Hours are from 1:30 p. m. to 10:30 p. m. daily, including Sunday.

One hundred and twenty exhibits of local and national business firms will display a great variety of items. There are 53 classifications of subjects—kitchen aids, appliances, heating equipment, furniture, upholstery, storm windows, paints, wallpaper, financing, foods, photography, plastic art-

OLDEST IS NEWEST — State GAR Commander James A. Hard, Rochester's 105-year old Civil War veteran was welcomed into the ranks of the Michael E. Tressy Garrison, Army & Navy Union Tuesday evening at special initiation and installation ceremonies. Daniel B. Myers, Utica, State Commander of the Army & Navy Union congratulates Hard, shown here flanked by Post Commander Albert Eisman (second from left) and County Commander Earl R. Peck.

Shriners Sign 10 Circus Acts

While area Shriners busily go about their tasks of completing arrangements for the 1946 showing of the Shrine Circus due at the Main Street Armory for six days and nights starting Nov. 11, the city's juvenile population asks only two questions concerning the event. "How many clowns will there be?" That's question number one.

Why don't they have some wild animal acts like they used to?

That's question number two. Happily, both questions can now be answered and to the expected satisfaction of the circus - patronizing small fry. According to Shriners Potentate Alfred E. Galley, there'll be more clowns than you can shake a stick at - even if you wanted to shake sticks at the (See CIRCUS Page 5)

PRIZE POOCH — Little Miss Lonnie Mohr lovingly cradles in her arms the prize four-months old cocker spaniel to be awarded the winner of a Junior Chamber of Commerce-sponsored letter contest. Lonnie is the daughter of Mr. and Mrs. Thomas H. Mohr, 208 Village Lane.

PEDIGREED PUP OFFERED IN BETTER CONTEST

The eyes of thousands of kiddies in the Rochester area are focussed today on an appealing four-months-old cocker spaniel wistfully awaiting the master or mistress who writes the best letter to the Junior Chamber of Commerce on "I would like that dog because . . ."

The contest is a preliminary feature of the Genesee Valley Kennel Club dog show to be staged Sunday, Oct. 27 at the Main St. E. Armory under (See PUPPY Page 4)

City Awaits Mead; GOP Hears Dewey

This was "point with pride—view with alarm" week in Rochester.

With Governor Dewey, up for reelection, here Tuesday to do the pointing with pride, the Democrats were to have their inning at the Edgerton Park Sports arena this evening when Senator James M. Mead, gubernatorial candidate was expected to "view with alarm."

While the diminutive governor was relating the state's plans for future construction of elaborate buildings at various state institutions, the Rochester Board of Education was loudly warning the city that "unless increased state aid is made available promptly drastic curtailment of the board's services and staff will have to be made early next year."

Mead, and other Democrats have accused the current Republican "team" of creating a \$500,000,000 "slush fund" to be used where it will do the most good politically.

Whether or not the local Board of Education (also Republican) now agrees with this charge has not been revealed, but it is a fact that giving more money to the local school system would not create nearly so many votes as would, say, a nice shiny new building needing scores of workmen at high wages in some "doubtful" political area.

And while the Republican "quarterback" of the self-styled state "team" was shouting from the housetops (or, more accurately, from the arena podium) about how much the state had done to solve the veterans' housing problems, a group of veterans housed in "shacks" at the Mattydale Air Base near Syracuse were petitioning state authorities for relief from "excessive rents for poorly-located barn-like structures." Reports from the Syracuse housing project were that veterans, earning an average of \$35 a week were being "soaked" by the state from \$45 to \$51 per month rent for "unfinished, poorly-constructed" shacks located in a deserted spot eight miles from town. The veterans further allege that when they moved in during the summer the authorities promised them coal. Now, with the winds beginning to bite through the (See RALLIES Page 7)

KIDS PLAN 2-DAY VACATION WHILE TEACHERS MEET

Rochester school children's calendars have the dates Oct. 24 and 25 marked in big red circles. The kids will be out on vacation next Thursday and Friday while their teachers gather here for the first post-war convention of the Central Western Zone of the State Teachers Association. Demonstration lessons and panel discussions will be presented and several speakers from the colleges, State Department and others in public life are on the speakers list is Herbert Agar, former editor of the Louisville Courier-Journal, an authority on national and international affairs. He is a Pulitzer prize author and the founder of Freedom House.

NORMAN THOMAS TO SPEAK AT RALLY

Norman Thomas, perennial Socialist candidate for the presidency and nominal leader of the Socialist party will be in Rochester next Wednesday evening to speak on behalf of his party's candidates at a rally scheduled for the Labor Lyceum, 580 St. Paul St. at 8 p. m. Thomas will speak on "The Real Issues of this Campaign."

PHOTO SOCIETY TO MEET, SHOW PICTURES HERE

Six thousand photographs from all parts of the world will receive a critical inspection in Rochester starting Oct. 30 when 600 of the nation's leading photographers will gather here for the first post-war convention and exhibition of the Photographic Society of America.

Amateur shutterbugs of the area will get a real break too, because the society has invited them, whether members or not, to view the exhibition and sit in on the convention sessions. The exhibition will be housed in the Memorial Art Gallery at the U. of R. Women's campus on University Ave. while the (See PHOTO Page 6)

KAY'S COMMENTS by Kay Shearer

CARTER HAT SHOP is dedicated to the profession of making hats that practically all women are created equal in the eyes of fashion. And a lot depends on the HAT. That's why Mrs. Carter's buys for all types. The very very new **CLOCHE HATS** in brown and black and pastels are knockouts. **MATRONS HATS** — beautiful flattering "affairs" priced \$3.95. **CASUAL HATS** for all types (after all every wardrobe should include a casual — men adore them) of beautiful velvet. **FEATHER HATS** for occasions in pastels are "out-of-this-world." **HATS** at CARTER's start at \$3.95. **BAGS** also are "stocked." Beautifully tailored in broadcloth, plastics and the famous Corday is included. **JEWELRY** in earrings, pins, etc. priced \$1 and up. **CARTER HAT SHOP** is located 630 MONROE AVE. Open Eve.

Reddy Kilowatt, your electric servant, says: "Some cooking lore young wives should know. So come right in and see our show. **COME TO THE NEW SERIES OF HOME SERVICE DEMONSTRATIONS**, beginning yesterday, October 16. Next week Wednesday, October 23 — you'll find the subject **SHORT CUTS IN BAKING**. Planned right up until the holidays — December 18 — you'll find them profitable and entertaining. Every Wednesday at 2 P. M. and at 7:30 P. M. in the evening **HOME SERVICE AUDITORIUM** — 89 East Ave.

Listen my kiddies . . . I'm a black eyelash. For the LOVE of you know what, what kind of schenanigans is that? Those guys didn't run out to a stockyard and slaughter that beef in a short space of 18 hours. They had it in the cooler. Come to think of it the price of the mentioned meat was **THREE BUCKS** and seventy-one cents. What to do about it? **DON'T BUY IT!** If we women would hold out — after all we haven't died since if every woman in Rochester would ask the price of meat BEFORE purchasing it and REFUSE it if she thought it was out of line, it wouldn't be long before the packers, butchers, etc. would be so stuck with the perishable wares they would be screaming for mercy. Of course the new rich will always be with us after a war. But to we common individuals who intend to go on in our normal scale of living it is our only salvation. Boy only what we need. Shun the luxury item and soon they will not be luxury items, but only those steaks, chops, etc. we common people have been cooking for year. How about it? **Kay.**

To promote your charm — will be a "clinch" in a frock from **ALICE DRESS SHOP**. Flatter — wise details are prevalent in the merchandise at this shop. Styles are becoming — stock is fresh and careful. Plenty of the beloved basic blacks — so necessary in every wardrobe are available. Prices are gentle. **LARGE SIZE SLIPS** have just arrived — fashioned of the same beautiful material — as in the smaller sizes. Also **SWEATERS** in yummy colors in 100% wool. Drop into this friendly little shop and say "hello" to **ALICE**. Located 630 MONROE AVE. — Open Eve.

WOMEN'S DRESSES at Rip-ton's are certainly beautiful this fall. The designers have caught onto what the larger woman wants in a dress — and she will be happy — and of course the dark shades are first in favor. The trend seems to place color near the face — and it does. I like Pastel yokes — some beaded — other embroidered. Prices start at \$8.95. **RIPTON DRESSES** have also — just as smart and flatter — **RIPTON DRESSES** your shop — to buy your fall wardrobe. Located 739 MONROE AVE. Open Eve.

LOOK A FASHION CENTER — if there ever was one. Where? **SWEIG DRESSES** of course. New dresses arrive daily — and what dresses — adorable two — pieces — some of sheer wool — other smart blacks — basic and dressy models — the kind the well dressed women will adore. But why talk more about it — drop into **ZWIRG DRESSES** 240 Rosedale Monroe — Open Eve. — **PS. PRICES ARE RIGHT.**

There's no substitute for a **GOOD PERMANENT**. And there's isn't a better permanent than the **RAYETTE COLD WAVE** — being offered by **VIRGINIA'S BEAUTY SALON**. Usually priced \$15 now only \$10. Also included in this special offer is the **RAYETTE CREME RINSE**. This rinse is very effective and the results are wonderful. A shining noggin of sleek tresses. Make your appointment — today. A bright young man who chooses to call himself **ROBERT (PRO-nounced—ROB-AIRE)** has turned recently to jewelry designing after several years of spreading his talents in all directions, including portrait painting, composing and theatrical costume designing. He has an affinity for rich glowing colors, inspired he says, by his meandering through Mexico and Southern California. I prefer to call him **ROB-AIRE** (do you mind) blends colors as an artist when working with oils. For instance his pinless pin is wonderful. It isn't a clip, it does not pin or clip and cannot injure the most delicate fabric. Oh — I forgot — the most important news. **ROB-AIRE** will be in **EDWARDS JEWELRY DEPARTMENT** — Thursday — Friday and Saturday. Of course Costume Jewelry is a pet with me — and I know with you also — so wait 'til you see the delicate gold-plated filigree hand-set earrings, chate-laines, pins and bracelets set with imported multi-colored stones. **THEY REALLY ARE BEAUTIFUL.** This famous gentleman has designed costume jewelry for such Broadway shows as "Panama Hallelujah" — Billy Rose's "Diamond Horseshoe" and other famous productions. It is as exciting a collection as you'll ever see. Remember **ROB-AIRE** will be at **EDWARDS** — Jewelry Department — Thursday, Friday and Saturday. Drop in and see him. **EDWARDS** — Setting a New Face in Rochester, PS. Select your Christmas gifts NOW — Charge them to your account and pay December 10th.

Top-flight and American — That's what we women want in **CLOTHES FOR FALL**. And this is just what you find at "800" **SHOP**. Their fall collection is a preview for the coming season.

Peplums in all shapes and sizes. Plenty of glitter the colors are bright — plenty of browns and of course the beloved blacks. Prices start at \$8.95. **MATERNITY DRESSES** arrive daily. Prices start at \$6.99, adorable frocks to keep you happy through a trying time. This department is the largest of its kind in N. Y. State — of course not including New York City. "800" **SHOP** is located corner **MONROE & CANTERBURY** — Open Eve.

ED RANDALL'S Scene & Word

Observation: Most men seem to like girls with blue eyes and green backs.

Now that meat controls have been removed it is no longer considered good luck to find a horseshoe in your hamburger.

I cannot vouch for the truth of the following, but it was told to me as something that actually occurred. You can use your own judgement as to its accuracy: A west side resident was riding home from work on one of the new RTC buses about a week ago when he had the misfortune to lose his grip on the strap and in the ensuing struggle for his equilibrium was badly battered and torn. He refused an ambulance and the accident bureau copper who was called to the scene of the mishap took the victim home. The cop knocked on the door and the guy's wife called out without opening the door: "Who's there?" "It's the law," answered the cop. "I've got your husband out here. He was squeezed flatter than a pancake in a bus." "Okay," came the response from the lady of the house. "Slide him under the door. I'm dressing."

The other day a friend of mine was making a business call in one of the poorer sections of

AIRLINES SET UNUSED TICKET SERVICE CHARGE

A 25 per cent service charge on one-way passage tickets unused and not cancelled by flight close-out time was put into effect this week by the airlines of the nation. Both the Capital Airlines-PCA and the American Airlines, serving Rochester, inaugurated the plan Tuesday.

REBEKAHS TO INSTALL NEW OFFICER STATE

Installation of new officers will be made at a meeting of Rochester Rebekah Lodge No. 174 tomorrow evening at 8 p. m. in Baptist Temple. Helen Kugan will be elevated to the post of Noble Grand. Other new officers include Lena Bailey, Louise Apetz, Mary Thomas and Freda Geise.

Ord pointed out that the service charge can be avoided by informing the airline of intention not to use the reservation, providing the information reaches the airline office in the city from which the departure was planned, prior to the closing-out of the flight.

Where the 25 per cent service fee does not reach \$2.50 a minimum of that amount will be charged, according to the Capital Airlines' representative.

Already in effect is another phase of the plan that requires a traveler to inform the airline office in the city from which his departure is scheduled, a specified time in advance, of his intention to use the reservation. Failure to do so results in the right of the airline to cancel the reservation and offer the space for re-sale.

DEDICATION RITES SET SUNDAY FOR VETS MEMORIAL

Sunday morning at 11 o'clock Calvary Baptist Church will dedicate a stained glass window in honor of the young people of the church who served in World War II. There are 149 stars on the Service Flag of the church. Five stars are gold for the young men who gave their lives in the service. Of the 149 all are discharged except twenty.

The motif of the window is the Good Samaritan with the symbols of Justice and Victory. This window is over the main entrance of the church facing on Genesee Street and will be electrically lighted every night. It is the work of the Pike Stained Glass Studio of Rochester. The Chairman of the Committee is Mr. Delos Jackson.

Dr. George Middleton, pastor, will conduct the service of dedication. The choir will offer special music.

ROCHESTER RUNNER CAPTAINS JERSEY TEAM

David M. Cunningham, son of Mr. and Mrs. Kenneth M. Cunningham, 959 Winona Blvd., captained this fall's cross country team at The Peddie School, Hightstown, N. J., to its first victory of the season last Tuesday, when it defeated Trenton Catholic, 20-35.

Cunningham, a member of the senior class, first entered Peddie in March, 1945. He has been active in track since his arrival, winning his J. V. letter in the Spring of 1945.

In the fall of 1945 he was placed on the varsity of the undefeated Cross Country team.

What is Wrong When Prayer Fails?

Thirty years ago, in Forbidden Tibet, behind the highest mountains in the world, a young Englishman named Edwin J. Dingle found the answer to this question. A great mystic opened his eyes. A great change came him. He realized the strange Power that Knowledge gives. That Power, he says, can transform the life of anyone. Questions, whatever they are, can be answered. The problems of health, death, poverty and wrong, can be solved. In his own case, he was brought back to splendid health. He acquired wealth, too, as well as world-wide professional recognition. Thirty years ago, he was sick as a man could be and live. Once his coffin was bought. Years of almost continuous tropical fever, broken bones, near blindness, privation and danger had made a human wreck of him, physically and mentally.

He was about to be sent back to England to die, when a strange message came—They are waiting for you in Tibet! He wants to tell the whole world what he learned there, under the guidance of the greatest mystic he ever encountered during his twenty-one years in the Far East. He wants everyone to experience the greater health and the Power, which there came to him.

Within a few years, he was able to retire to this country with a fortune. He had been honored by fellowships in the World's leading geographical societies, for his work as a geographer. And today, 30 years later, he is still so athletic, capable of so much work, so young in appearance, it is hard to believe he has lived so long.

As a first step in their progress toward the Power that Knowledge gives, Mr. Dingle wants to send to readers of this paper a 9,500-word treatise. He says the time has come for it to be released to the Western World, and offers to send it, free of cost or obligation, to sincere readers of this notice. For your free copy, address The Institute of Metaphysics, 213 South Hobart Blvd., Dept. 993-A. Readers are urged to write promptly, as only a limited number of the free books have been printed.

CIRCUS...

(Continued From Page 1)
funny men. And the wild animal acts are due for a return this year too.

That should make the kids happy.

Of course, the Shrine Circus is lining up a couple dozen other stellar attractions that are expected to appeal to youngsters and adults alike. Already signed, says Galley, are the famous TIEN TSI LIU Chinese Troup of acrobats, Phil and Bonnie Bonta, aerial funny act, the Aerial Salts, double trapeze act, Lewis and May, aerial act, Ruby Haag's performing dogs, Dorita Konyot and company with the educated highschool horses. The Valentines flying act, Don Francisco, famed tight wire performer and Walter Jenner's trained seal act.

Present plans call for bringing a total of 24 animal, aerial, equestrian and novelty acts here for the big indoor show and, according to Elmer Raithe, circus committee chairman, the balance of the contracts will be signed within the next week now that the outdoor shows have set a definite closing date. Still to be booked to assure the circus atmosphere is the usual elephant herd

which has always highlighted the annual event.

This year the children and aged folks from local institutions will again be the guests of Damascus Temple of the Shrine at a special performance on Monday morning, November 11th. As in former years, they will be entertained by the Circus Daddies group under the direction of George C. Lennox.

ROAST BEEF SUPPER PLANNED BY GUILD

Other committee chairmen include Mrs. Joseph Lara, Mrs. Francis E. Kalb, Mrs. Joseph Ritz, Mrs. Frank Dykell, Mrs. James Pollock, Mrs. Charles Baker, Mrs. Edward M. Weigel, Lee Schlueter and George Quirk.

Baby Development Clinic Planned By Dept. Store

A full-color movie, plus a discussion on the care of an infant in the home is scheduled for the Baby Development Clinic to be held next week in Sibley's Infants' Wear Department. Mary Alice Brown, a registered graduate nurse will be in charge of the clinic which will meet at 2:30 p. m. Monday through Friday. Starting Tuesday and running through Friday a 10:30 a. m. session will supplement that of the afternoon. On Saturday a single session at 10:30 has been scheduled.

Miss Bowen will augment the film with a running discussion and amplify it with the use of a demonstration doll and other equipment. Questions of a general nature will also be taken up for discussion, but no medical advice will be given.

A supplementary manual, "Baby's Own Story" is given to each person attending clinic sessions which are open to the public without charge.

**FUN NIGHT PROGRAM
PLANNED FOR NO. 37 PTA**
Members of No. 37 School PTA will have their fun night and square dance session next Tuesday at 8 p. m. in the school auditorium. Leon J. Wright will direct the dance. Mothers of Miss O'Neil's and Mrs. Lockes pupils will act as hostesses.

FAMOUS BAND—Known as the "President's Own Band," the famous U. S. Marine Band, shown here on the steps of the capitol at Washington, is now making its first tour in five years. The band will be at the Eastman Theatre for two performances on Nov. 6.

**Marine Band Coming Here
For First Time Since 1921**

No band in this country has had a longer or more distinguished history than the U. S. Marine Band, which will appear at the Eastman Theatre on Nov. 6. The band was last heard in Rochester from the stage of Convention Hall in 1921.

During the 147 years of the band's history, from 1798 to 1946, there have been only 18 leaders, one of them being the great John Philip Sousa, personal friend of Presidents Hayes, Garfield, Arthur, Cleveland and Harrison, and internationally known as "the March King."

The exact date when Drum Major William Farr, the first leader, entered the Marine Corps has not been determined but he is known to have been a leader of the Marine Band as early as January 21, 1799. The band was under Farr's direction when, on July 4, 1801, President Thomas Jefferson reviewed the Marine Corps, led by their band, on the White House grounds. This was the first time that a body of regular troops was reviewed by the Commander-in-Chief at his residence in Washington.

The man who led the Marine Band for the longest period was William H. Santelmann, who served for over 29 years, from 1898 to 1927 directing the band during the difficult days of the Spanish-American and first World Wars. His son, William F. Santelmann, the present conductor, took over the leadership of the band in 1940, serving through the second World War.

convention sessions will be held in the Sheraton Hotel. The twin events will open simultaneously on Oct. 30. Business sessions will end Nov. 2 with the exhibition on display during the full month of November. The four days of convention activities will feature about fifteen lectures and discussions on all branches of photography. Leading experts are scheduled to participate in the program. There will be picture-taking opportunities with planned studio setups and field trips, a Rochester Trade Products Show, and trips through industrial plants that manufacture photographic goods. Convention and exhibition officials emphasize that all persons in the region are welcome.

paper-thin walls they have been told if they want Dewey they'll have to buy it. Those veterans, and others like them throughout the state are not very enthusiastic about Dewey's Republican-claim "money-saving" abilities. Veterans have found the curative bosses very, very to landlords.

Dewey's main plea assembled voters at Albany. Even if re-elected there was little, if any in Dewey would himself break up that team years hence to make another bid for the presidency. Campaigning in 1942 the theoretic prosecutor had promised that "if elected I will see the full four year term." He would have managed to keep that promise if his bid for the presidency in 1944 had not met with failure. Dewey's closest friends had not been able to figure it out.

It is obvious to all and sundry that the presidential bid will very much in Dewey's favor, as some observers have put it — "Dewey does not care about any 'team' or 'policy' outside of his own personal ambitions to rule in Washington." He'd forget that team if he could only get to Washington.

When the Democrats rally at the Sports Arena tonight the results are certain. . . . The Democrats will be well-fed. They are having a pre-rally dinner at the Sports Arena at 8:30 p. m.; and . . .

2.—Buffalo's Senator I will have much to say in that \$500,000,000 now hoarded in the state coffers may call attention to teachers' crying need of an increase; he may recall Dewey's campaign trip around the last spring at taxpayers' expense; yes, he may have something to say about Dewey's creation of 140 high-sal positions exempt from service in various departments of the state — an action brought down upon Dewey's condemnation of the Civil Service Reform Association; a popular senator will have much to say about the state housing situation.

paper-thin walls they have been told if they want coal they'll have to buy it.
Those veterans, and others like them throughout the state are not very enthusiastic over Dewey's Republican-claimed "money-saving" abilities. The veterans have found the current state bosses very, very tough landlords.
Dewey's main plea to the assembled voters at the arena was to "keep the present team at Albany." Even if re-elected there was little, if any insurance that Dewey would not himself break up that team two years hence to make another bid for the presidency. When campaigning in 1942 the municipal prosecutor had promised that "if elected I will serve the full four year term." How he would have managed to keep that promise if his run for the presidency in 1944 had not met with failure was a trick even his closest friends had not been able to figure out.
It is obvious to all and sundry that the presidential bee is still very much in Dewey's bonnet, as some observers have put it — "Dewey doesn't care about any 'team' or much else outside of his own personal ambitions to rule in Washington. He'd forget that team in a minute if he could only get to Washington."

When the Democrats rally at the Sports Arena tonight two things are certain:
1.—The Democrats will be well-fed. They are having a pre-rally dinner at the Seneca at 8:30 p. m.; and
2.—Buffalo's Senator Mead will have much to say about that \$500,000,000 now laying hoarded in the state coffers. He may call attention to the teachers' crying need of a wage increase; he may recall Dewey's campaign trip around the state last spring at taxpayers' expense; yes, he may have something to say about Dewey's creation of 140 high-salaried positions exempt from civil service in various departments of the state—an action which brought down upon Dewey the condemnation of the Civil Service Reform Association; and the popular senator will surely have much to say about the veterans housing situation.

100th YEAR—No. 2

Political Polka

By CURT GERLING
One of the problems of the present political campaign is to get out on what platform or program Mr. Dewey is running. One of Thomas E.'s most interesting characteristics when he ran for president against Roosevelt, everytime Roosevelt extended a theory or determination, Mr. Dewey replied in a half-hour radio time and twenty-thousand words "me

This year, try as we might, we can't find out if Mr. Dewey is running for president or governor. Ninety per cent of the conversation is devoted to national issues, and we might as well tell him right here that he is beginning to get curious as to whether or not you are anything in Albany and West of all if the charges of status Corning, World War II candidate for Lieutenant Governor are unanswerable. As Mr. Dewey is around the capital city more than he is, people are suspicious that he is lying, or can't answer his charges of the phony surplus Dewey slush fund.

Now Tom, don't wait until time for you to get beat in running for the presidency. Let's talk about your state and our running for governor this year—remember?

This is going to be a great year for political statisticians. They will never have a better opportunity to discover whether or not there is such a thing as a Dewey slush fund.

(See POLKA Page 6)

CLOWN CAVALCADE — "Dopey" Dillingham (left), "Bumpsie" Brady and "Slapsie" Martin head the parade of clowns coming to the Shrine Circus at the Main St. Armory for a week starting Nov. 11. They will be aided and abetted in their heartwarming nonsense by a large troupe of the funnymen.

Big Demand Causing Nylon Hose Shortage

"The hosiery trade expect the present shortage of nylon stockings to continue well into 1947," says Don Wharton in the October Redbook.
"Few people realize that more nylons have been manufactured in the United States since V-J Day than in all the other nylon years combined. The figures are fifteen million, 800 thousand dozen pairs from their introduction in 1940 through V-J Day sixteen million, 900 thousand pairs from V-J Day through June 1946. DuPont is now turning out enough nylon yarn to make thirty million dozen pairs a year—a million pairs a day."
"Who excitement about nylons, is actually a result of a hosiery famine, not a nylon famine. Hosiery experts trace this famine to five factors: Women's hosiery wardrobes became emptier than ever; Rayon inventories were depleted; production of rayon hosiery declined; The Christmas buying season arrived; People had more money in their pockets."

EARLY CHRISTMAS OVERSEAS GIFT MAILING URGED

A reminder that even though many of our fighting sons and daughters have returned home and put away the uniforms there are still many in the service. Comes from the post-office which this week urged that the Christmas parcels for military personnel overseas be mailed early. Final date for the mailing according to Postmaster Donald Dailey is Nov. 15, but the earlier the packages are started on their way, the better for the post office and for the recipient. Parcels destined for China, India, the Middle East and islands in the Pacific, ought to be mailed before Nov. 1, says the postmaster.

No Requests Needed
During the period of Oct. 13 to Nov. 15, no requests from the recipient are required in connection with Christmas parcels mailed to Army personnel, but each package should be endorsed "Christmas Parcel" on its address side.
Dailey also warned mailers that packages for overseas should be well wrapped in strong containers to withstand the transportation and handling over great distances.

Write Plainly
Another item that will help the postoffice and insure the eventual receipt of the parcel by the party to whom it is intended is that the name and address be written so that an ordinary human being can read it. Each year the post office has to waste hours sleuthing like a Sherlock Holmes to figure out much of the writing. Here are some tips forwarded by the post office:
Address the package legibly (that means so it can be read) in typewriter or ink. Write on the parcel or paste address slip right to the parcel rather than taping it to it. If you want to be extra cautious, put another address on a slip of paper and tuck it right (See MAIL Page 6)

CHRISTMAS SEAL MAILING SET BY HEALTH GROUP

Preparations for mailing of Christmas seals to residents of Monroe County outside of Rochester got into full swing yesterday when representatives of women's clubs met at headquarters of the Tuberculosis and Health Association of Rochester and Monroe County, to assist with details of the work.
The Seals, sold annually to support the health program of the Tuberculosis Association in the county outside the city, will be mailed to reach residents November 25th, opening date of the nation-wide 40th annual Christmas Seal Sale. It will extend until Christmas.

The women who met at headquarters yesterday volunteered their service "because we want to help the Association which is helping us so much by making this a healthier community in which to live," as one of the workers, Mrs. Norton Brownell, of the Worthwhile Club, said.
"We know that the Tuberculosis Association has accomplished a great deal advancing the control of a disease which kills more young people between 15 and 35 than any other disease," she continued. "We want to be sure that it continues its work lest tuberculosis becomes an even greater threat than it already is. We know that the continuation of the Association's work depends upon a successful Seal Sale and so we are only too glad to do what we can to help with preparations for the Sale."

\$25 Winner
Mrs. C. Bauman of 26 Rainier St., is the lucky winner of this week's \$25 cash prize offered to its sustaining subscribers. This is the reward Mrs. Bauman gets for paying her Sun carrier, Edward Pierce of 122 Lexington Ave., 10 cents. Ed incidentally collects an extra five dollar bonus.

CUTE AS A NICKEL
Nancy Wicks, Miss Capital Airlines of Rochester, is starting her observation of National Air Mail Week, Oct. 27 - Nov. 2, a little early by air-mailing a letter to her favorite aunt in the Philippines. Nancy is the daughter of Mr. Mrs. Charles F. Wicks, 1152 Genesee St.

SCREEN, STAGE STARS COMING FOR MEAD RALLY

A cavalcade of glamour, talent and political wisdom will come to Rochester next Tuesday night for a rally on behalf of Democratic candidates in Columbus Civic Center auditorium under sponsorship of the Independent Citizens Committee of the Arts, Sciences and Professions.
Heading the talent list will be Elliott Roosevelt and his beautiful wife, the former Faye Emerson, a motion picture actress. Coming with the noted pair will be a bevy of stage and radio stars including Uta Hagen, wife of Jose Ferrer, who is playing the lead in the Broadway performance of "Othello"; Kenneth Roberts, the NBC Saturday evening Master of Ceremonie; and the Calypso singers who made such a hit in 1944 when they starred in the Roosevelt Victory Band Wagon troupe. Their specialty will be the singing in their own distinctive style of several political satiric songs.

Congressman George F. Rogers will lend a serious note to the affair with a short speech. William C. Wolgast, principal of East High School and chairman of the Independent Committee, will preside at the meeting.
Sponsors of next Tuesday's mass meeting, besides the Independent Committee, will be the Central Trades and Labor Council, Monroe County CIO, American Veterans Committee, American Labor Party and the Monroe County Democratic Committee. It is expected that the rally will be the last large political meeting in the city before election day.

Lone Wolf On Prowl; Republicans Take To Hills

Phil Aronowitz, Rochester's political "lone wolf" who, to date has taken issue with almost every office holder or seeker, this week took issue with Governor Dewey. That makes the wolfish one a Democrat—at least up to this writing. In the past he has changed his party affiliations and sympathies about as often as the average man changes his clothes. But now, Aronowitz has irrevocably left the GOP, has seen the light, and is pushing for the Democrats to "row dem bums outta office."

EAGLES PLAN 4-DAY MORTGAGE BURNING FETE

A four-day "burning of the mortgage" celebration will be staged by Rochester Aerie Eagles next weekend starting Thursday, Oct. 31, and continuing through the following Sunday.
The event will celebrate the freeing of the Aerie home on North Washington St. from a building mortgage which has been paid off. Frank Donovan has been named chairman of the celebration.
Opening event will be a smoker in the auditorium next Thursday. On the following day Ladies' Auxiliary and Family Night will be held. Entertainment will include a 12-piece orchestra for dancing and a floor show. Refreshments will be served during the evening.
Arrangements have been made to entertain 1000 guests at a banquet in the Powers Hotel on Sat. Nov. 2. City officials, national, state and district Eagle officials and heads of the lodge and auxiliary here have been invited.

The celebration will be brought to a close on Sunday, Nov. 3, with the initiation of a large class of candidates. William H. Mostyn, present manager of the Aerie home will be the guest of honor.

RELIEF GROUP PLANS SUNDAY DANCE

Frank Skultety's orchestra will furnish music for a dance sponsored by the Rochester Jewish Relief Organization, Inc. at the Seneca Hotel next Sunday for the benefit of the group's sick and distress fund. In addition to the dance program, arranged by Sidney Grossman and Mrs. Moe Schreiber, a "Breakfast in Hollywood" performance with its usual orchid presentation will be given.

PARTY TO HONOR COMPANY WAR VETS

Veterans of World War II employed by Bourjos, Inc., cosmetic manufacturers, will be honored at the Triton Hotel tonight at 8:30.
Ray Hiltz, veterans of 77 months' service, will receive a plaque on behalf of the veterans. A dinner will precede the presentation.
Olga M. LaParte is chairman of the committee arranging the celebration, assisted by Leonard Brown, Milton Barrows and Raymond Shaw.

ALP TO HAVE NOON MEETINGS AT FACTORIES

A barrage of noon street meetings in front of the city's large industrial plants next week will be staged by the American Labor Party in a whirlwind drive not only to get out the vote but to persuade workers when they do vote to support the men "who are supporting them." This, it is surmised, means Senator Mead for Governor, Herbert Lehman for U. S. Senator and Rep. Rogers for Congress.
Rogers, running for reelection on both the Democratic and ALP ticket will be the chief speaker.
Another attempt to reach the workers through the use of a stationary loud speaker will be made. Several days ago, police first stopped Rogers, then let him continue. Police headquarters attributed the "stop" to a "misunderstanding" but ALP workers charged "de-berate interference at the best of Rochester's large industrialists."
Both organized and unorganized shops will be included in the noon stops.

70 Breeds Expected For Armory Dog Show

A mounting list of entries for one of the largest cash and trophy prize lists offered the owners of winning dogs has assured success of the Genesee Valley Kennel Club's all-breed dog show Sunday in the Main St. Armory, it was announced this week by Jack D. Harby, show chairman.
Harby said he expected at least 70 of the 113 recognized breeds will be exhibited, among them some of the finest dogs in the country.
The show this year, first since 1944, will be sponsored by the Rochester Junior Chamber of Commerce under the chairmanship of Harold E. Burger. Proceeds of the show will be used to augment Christmas baskets and the Jaycees annual Christmas party for underprivileged children.
Judging will start promptly at 10 a. m., Harby announced, with nationally known judges and handlers in the rings.
The prize list, totaling \$1,500 in cash prizes and trophies, offers standard class awards, best in breed awards and best in group prizes. Trophies will be awarded for the best American-bred in show and the best in show. Three awards for handlers outside a 50-mile radius will total \$150.
There will be a special children's handling class in which youngsters from 10 to 16 will parade their dogs for judging by J. Nate Levine, of Philadelphia, one of the most famous handlers in the country. Trophy prizes will be awarded the winning boy and girl and there will be second and third prizes of cash for each group.

CURLOCOMB*

COMBS! CURLS!
PINS!
IN NO TIME

59c

It's a curling comb!

Featherlight, plastic that will keep your hair in lovely professional type curls all day long. Carry one in your purse. Keep another on your dressing table. No more wind-blown or untidy hair. Just whip out your Curlocomb and as quickly as your fingers work, your hair's back in curl. Curlocomb does everything for you... combs, curls, pins. Nothing as practical or easy, ever before! Perfect for you... grand for your little daughter.

SIMPLY DO THIS:

1 Insert bob pin in shank of curling end. Place curling comb into hair strand.

2 Fold hair over using end roll curl to desired position.

3 Press down on finger level to drop curling comb into hand. Push bob pin completely into curler. Give final half-turn to tighten curl.

4 Hold curl, withdraw comb. Curl is combed, curled and pinned.

KAY'S COMMENTS

by Kay Shearer

It's the silhouette that counts with the larger woman. FLOWER DRESSES realize this — result their ample supply of WOMEN'S DRESSES in a joy to look at. Cut on generous lines, with pastels forming a flattering neckline — in wool and crepe. Priced \$8.95 and up, the supply is there. Of course RIPTON DRESSES "carry" regular and juniors sizes — all adorable and flattering. These also start at the modest sum of \$8.95. Make RIPTON DRESSES your headquarters for your fall wardrobe. Located 739 MONROE AVE. Open Eve.

Costume jewelry can be big and bulky by day, trimmed down to delicate glitter by night. Of course good costume jewelry should do for all occasions — except of course formal evening wear.

Satin is being shown this season. It is lovely, but don't attempt to wear it, if you are the least bit heavy. It shows up every bump and curve.

Belts can change the entire character of a single dress from a high-waisted sports number with a handsome leather belt to something quite appropriate to wear for luncheon with a waist nipped in with black suede decorated with jewelry or silver hit.

LLOYDS When FLOWERS will express your sympathy in a more understanding way — than any other — call LLOYD'S FLORIST. Funeral work is given special consideration. PRICES ARE LOWER than you would expect in these days. Every floral piece is personally supervised by Mr. Lloyd Higbee — owner of the shop. Of course LLOYD'S FLORIST is a supply of flowers for all occasions. A telephone call will do the "trick." Call Main 7688. Two stores for your convenience. P O W E R S HOTEL — and REYNOLDS ARCADE. Lloyd's Lead Again.

CARTER HAT If you're been looking for a SMART NEW BAG — and are just "flabbergasted" at the price tags — take heart miliary — drop into CARTER HAT SHOP — the selection is excellent — and the PRICES ARE PLEASANT. One group of Botany wool with plastic trim — in assorted colors are beautiful. Corday bags — and Broadcloths. Of course HATS and more HATS are the first love of Mrs. Carter. Ask to see the new adorable SNOW FLAKES chapeaux imported from California. Tiny affairs flattering as moonlight — fashioned of rabbit fur — that looks like snowy ermine. Priced \$5 plus tax. The regular line of hats at Carter's start at \$3.95. JEWELRY is also in evidence. Earrings, pendants, bracelets, chateaux etc. All beautiful — priced \$1 up. CARTER HAT SHOP — located 639 Monroe Ave. Open Eve.

They will run through December. HOME SERVICE have planned this carefully, the subjects are chosen with care — short cuts have been planned for you — as you'll find out if you attend this demonstration. Call your friend today and make a date for next Wednesday, October 30th. HOME SERVICE AUDITORIUM. I O C & S Bldg. ROCHESTER GAS & ELECTRIC — 89 East Ave.

The House of Tangee — has a new lipstick. Always a favorite with me Tangee is a lipstick that doesn't smear or run to the corners of the mouth. If I remember in my deep dark distant past — it seems to me — this was the first lipstick I used. Their new hair-child is RED MAJESTY LIPSTICK. It is an entirely new and different rich tone of deep red, a true red — ideal for worn vibrant colors of the new fall and winter costumes. Remember RED MAJESTY — by the HOUSE OF TANGEE.

Don't think you have to run all over town looking for a MATERNITY DRESS. Listen to me again — while I "rave" about these kind of dresses — at "800" SHOP. This shop makes a specialty of MATERNITY DRESSES. New arrivals daily to insure plenty of selection. This department is the largest of its kind in New York State — outside of New York City of course. Prices start at \$6.30. It's easy to afford the wardrobe you "should have" — should do nicely. A casual — a dressy and a basic. Of course "800" SHOP stocks regular sizes also lovely "things." Prices start at \$8.95. You know of course "800" SHOP if "Moresa sponsored." Located corner MONROE & CANTERBURY. Open Eve.

On October 30th — next Wednesday — HOME SERVICE — have chosen the subject, "Bridal Meals are Easy." Why don't you plan to attend? These demonstrations are planned every Wednesday for your pleasure and information.

Adelle Simpson (carried exclusively by Sibley's) is one designer who manages to turn out a completely wearable collection of clothes season after season. This fall her clothes seem better than usual. Staying strictly within the law she accomplishes a new look in some of her dresses with a hem that dips slightly. But it is different from most unseen hems and there is grace and balance in the new Simpson silhouette.

LOOK Everybody's "buzzing" about ZWEIF DRESSES. Located 240 ROSEDALE off Monroe — you'll find it a shop stocked with all of the newest and freshest merchandise available. It's been a long time since you've seen a sale of luxury furs like those offered by EDWARDS — at 25% off REGULAR PRICE. Today especially, if you've been a d i n g the paper, you'd hardly expect to save money on the popular leading furs of the season. Here's a few of the SALES. Otter — that lush fur — so long wearing and flattering. China Mink the durable. Australia Opossum — several models of Hudson Seal — two Moire Lambas — Leopard Cat — that versatile fur so suitable for some woman. Alaska Seal the beloved fur of all women. Three of these are included. Persian Lamb four beauties, of dark shining pelts. One Chinese Kidskin. To numerate the prices on the mentioned coats would be only a waste of time, I realize, you know, if you've been toying with the idea of a new luxury fur coat, what these kind of coats cost. Figure it less 25% and there you have it. THE BEST BUY IN TOWN. Fur advertising is full of claims. All women know that. Some claim, this, others claim that. EDWARDS MAKES NO CLAIM, except to remind that their fur reductions are in keeping with the usual policy of this popular store. V A L U E FOR YOUR MONEY. For instance a beautiful ALASKA SEAL of first quality pelts, highly styled — priced at the modest sum of \$995 originally, is now only \$746.25. Plus tax. You may buy these coats on EDWARDS convenient Budget Plan. Drop in today — EDWARDS Third Floor. EDWARDS — Setting A New Pace in Rochester.

The next time you make a casserole — whether it is beef, cubed lamb or chicken. Add Burgundy, Claret, or any red table wine to meat while browning it. Simmer for about half hour. After adding to casseroles — give it a porry look by a garnish of well seasoned mashed potatoes, via pastry gun. Drop beaten egg yolk over potatoes and brown quickly in hot oven — about 450 degrees. About a cup of wine may be used — or more is desired.

Dark warm colors bring out the best in the brunettes. Use a clear red lipstick and eggshell makeup or powder. Bitten honey tones are best or the dreamy blond type. Amber tones are wonderful — a clear red lipstick may be used — but she can use shades to the lighter hues.

MARINE BAND CONCERTS HERE TO AID POST FUND

The welfare and youth-aid activities of William H. Cooper Marine Post, American Legion, will benefit from the visit here of the U. S. Marine Band which will play two concerts in the Eastman Theater on Wed., Nov. 6.

In addition to assistance to families of veterans of two world wars, the post sends a Rochester high school boy each year to the Boys' State at Manlius and uniforms and equips a team in the American Legion Junior Baseball League.

Tickets for the two concerts may be obtained from members of Cooper Marine Post or at the Eastman Theater box-office.

The afternoon concert at 3:30 will be a special students' matinee, for which Capt. William F. Santelmann, the band's leader, has chosen an unusual program designed for young people. The evening concert will begin at 8:30.

The colorful, scarlet-uniformed Marine Band will be making its first Rochester appearance in a quarter of a century and will be playing in the Eastman Theater for the first time. Not since the early 1920's when it played in Convention Hall under Capt. William H. Santelmann, father of its present leader, has Rochester had an opportunity to see and hear this famed military band.

Among the 75 musicians in the band is Oliver Zinsmeister, xylophonist, a graduate of Monroe High School and Eastman School of Music.

Announcement that the band is coming already has resulted in widespread interest among veterans' organizations and other patriotic and civic groups in the Rochester area.

Talented City Miss 'Crashes' Hollywood

AUDREY FAHRNER

The famous play "Dinner at Eight" to be revived at the Belasco Theatre in Los Angeles next week will have in its cast pretty, talented Audrey Fahrner formerly of this city. Miss Fahrner who went to Hollywood a few months ago has been given the second lead in the forthcoming production.

Miss Fahrner who made a name for herself in amateur work in Rochester and New York city, is a talented dancer and singer as well, having studied under famous names in New York and Hollywood.

Her singing voice came to the attention of the platter-makers and resulted in a contract to make records for Decca—a chore she begins next month.

Real Old-Fashioned Goodness...

WITH government restrictions somewhat modified, that good Genesee is a bit more plentiful today. However, since all brewers are still limited to 85% of the grain which they used last year, you may still not always be able to get all the Genesee you want. But because Genesee never changed its brewing formula, even in the critical shortage period, what you do get is awfully, awfully good. So keep on asking, won't you? Call it Genesee or "Jenny" — ask for it by name... wherever better brews are sold or served.

O'BRIEN RETURNS TO FILMS AFTER NAVY HITCH

Hollywood, Calif. — Joining the growing list of Irish actors already assigned to roles in "My Wild Irish Rose", George O'Brien, another robust Gael, has reported to Warner Bros. for a principal role in the Technicolor production. O'Brien, who is known to film fans for his portrayals of rugged he-man parts, will be making the first screen appearance after five years in the U. S. Navy, where he held the rank of commander, Dennis Morgan is starring.

CHARACTER—

Born 1788... Reborn 1946

That ultra luxury whiskey known as "Carstairs est. 1788"... withdrawn during the war... is now restored to its appreciative friends. "Carstairs est. 1788" is blended to a taste, not a price. With your first glorious sip of its flavor and mellowness, you will recognize why: "The Man who Cares says—Carstairs."

POLKA

(Continued From Page 1)
the Labor vote, the Jewish, Italian, Irish, Catholic or Veteran's vote. Studies of communities in which candidates of these denominations or political segments are strong will be tabulated to determine their influence on the total vote.
They will probably discover that all these various groups vote first as American citizens with their nationalities, creeds and fraternal associations a purely secondary matter. Unfortunately, politicians being what they are, they won't do anything much about it. Grandfather said a "balanced ticket" was the thing so they will continue with it.
The people as usual will be ten years ahead of the men they elect to govern them.

Back in 1939 when Governor Lehman was struggling with the aftermath of the Hoover depression which depleted the state as well as the nation's finances he asked for 149 million dollars for the state purpose budget. The screaming was heard from one end of the state to the other. It was called "unbelievable," "fantastic" and a lot of names that were very unpretty. The Republican party took great delight in slashing it on all sides.
This year, however, Mr. Dewey's budget is the largest in the State's history. It is 31 million dollars in excess of last year's budget. It exceeds by millions any budget that has gone before—a sum 62 million dollars more than the one requested by Governor Lehman back in 1939.

To date no one has heard a peep of protest. The Republican controlled legislature gave Mr. Dewey without a whimper. The press of the state was suspiciously silent.
The matter of the three hundred—or is it—five hundred million dollar surplus never came up. It appears that the Dewey surplus is getting "slushier" by the minute.
You may recall hearing or reading about Mr. Dewey's 122 million dollar tax reduction. As Mr. Dewey is a Republican we are only going to give you one guess instead of the customary two, as to who received the greatest benefits. Knowing the Republican party—you guessed right. Big business took by far the greater share of the saving. Elimination of the one-and-a-half percent emergency rate of the corporation franchise tax and the reduction of the unincorporated business tax, favors, first as usual, big business—and at a time big business is best able to pay.
As is the Republican custom—the little fellow and John Q. Citizen got it right in the neck.

The Veteran's march on Albany was something the Governor had coming to him. There seems to be a few who realize that the Governor has been exceedingly derelict in his duty to those who fought for us and the record shows that in spite of Mr. D.'s overworked alibi that it is the federal government that's always to blame—the housing shortage can be laid right at his door.
The Sun pointed out weeks back that Mr. Dewey's regulation of the forty hour week created a help shortage on state projects. Even the well paid building trades need overtime to pay for 79 cent decontrolled hamburger.
The Republicans are learning, however. If they had bombs in Albany they neglected to use them like Mr. Hoover did in the now infamous rout of the bonus marchers.

The best way to make a little money is to save some of each paycheck and start a business of your own—if you're lucky enough to have a paycheck.

Inside Hollywood

Wally Beery, who once worked with a circus and isn't ashamed to admit it, never misses a chance to get together with the old gang when a circus comes to town, or to let his daughter know he was once valet to an elephant.
Greta Garbo has returned from her European trip and is back in Hollywood, alone.
Bing Crosby and Bob Hope are now at work in another "road" picture, this time "Road to Rio," but under their own management. Paramount washed its hands of the boys, and their road films, claiming the boys clowned too much and took off too much time for their shows. Working for themselves, they'll probably waste less and work more.
Friends and fans of the Frank Sinatra hope that the rumor that they are separating is just rumor.
Harold Russell, the ex-service man who lost both hands but played in Sam Goldwyn's, "The Best Years of Our Lives," received an unexpected bonus from Goldwyn—a weekly salary for a whole year.
Marlene Dietrich set the town on its ear recently when she showed up at a night club wearing a full-length ermine wrap, cut on the lines of a man's overcoat complete with lapels and a red carnation in the buttonhole.

An Open Letter To Scotch Drinkers

Today there is very little Scotch in the market. You don't need to learn that from us. Judge by your own experience.

What you may not realize, is the important fact that this shortage will be even greater for at least 3 years... seems like a mighty gloomy outlook for you folks who have acquired the Scotch "taste."

But... there are products made here in America, that are winning high favor among Scotch drinkers. Quality liqueurs with all the rich bouquet and smooth smoky flavor that characterize fine imported Scotch.

Try one of the American products, in a highball, straight, or mixed, however you prefer. Try it... and TRY to tell the difference between it and your favorite Scotch whiskey.

Mrs. Mable Padleford, rehabilitation chairman for the county auxiliary and party director has arranged for a typical Halloween event. Bobbing for apples, eating them from a suspended string and other entertainment is planned. The party donors will serve cider, doughnuts, apples, popcorn, candy and cigarettes.

Funds for the party are derived from the sale of poppies which the auxiliary conducts each Memorial Day.

TAYLOR FEATURED IN FIRST CIVIC 'MEMBER NIGHT'
First membership night of the Civic Music season will be held Sunday, Nov. 3, at 8:15 p. m. in the Eastman Theater. Guy Fraser Harrison will conduct the Rochester Civic Orchestra in a specially-planned program. Millard Taylor, concertmaster will be featured in violin solo.

Each member of the Civic Music Association is entitled to two tickets to this concert, obtainable by presenting the membership card at the Eastman box-office and paying the federal tax (20 cents) due on the tickets.

Members are urged to obtain their tickets in advance of the concert night to avoid any delay at the box-office on the night of the concert. The general public is admitted to the concert upon purchase of tickets at the customary rate.

BROTHERS DIE WITHIN 5 MINUTES OF EACH OTHER
Nauvoo, Ill.—During a street parade at the annual Nauvoo grape festival, Earl Golden, 46, tumbled from his horse, dead. Five minutes later, Martin Golden, 52, a few blocks away, among the thousands of parade watchers, heard of his brother's death, and he, too, fell dead. Physicians attributed both deaths to heart disease.

BALCO BEAUTIES — Here are five of the 300 Bausch & Lomb employees cast in an all-employee musical revue to be staged at the Auditorium Theater Nov. 12-14. A wide assortment of novelty and specialty acts, a fashion revue, comedy skits and a barbershop quartet, as well as the Bausch & Lomb chorus and the dancing Balcoettes are listed on the program. Five of the Balcoettes headed by Regina Massecar (far right) are pictured here. Others (from the left) are Mary Murgelli, Mary Phillips, Susan Schaffer, and Lynn Elensky.

Guizar With Guitar To Headline 'Pop' Concert

Tito Guizar, one of the most colorful Latin-American stage and screen personalities, will be soloist in the Sunday Night "Pop" Concert on Nov. 10 in the Eastman Theater. Guizar, who "rode a guitar" to Hollywood and fame in the movies, then went on to stage successes, will sing his distinctive Latin-American songs to his own guitar accompaniment, as well as doing solos with the Civic Orchestra. Guy Fraser Harrison will conduct.

Best-known of the movies in which Guizar has appeared are "Rendezvous in Rio", "Brazil", and "Mexicana". He is a native of Mexico and is that country's motion picture idol. A graduate of the Mexican National Conservatory and St. Mark's Academy in Milan, he began his stage career in grand opera in Mexico and with the Chicago Opera Company.

Before he made a name for himself in the theatrical world, he won acclaim as an athlete by winning the Mexican amateur tennis championship and the Mexican amateur light-heavyweight boxing crown. He was ranking member of his country's championship tennis team for the Davis Cup matches in 1932.

Guizar opened his 1946-47 concert season recently in Carnegie Hall and is scheduled for many radio and stage engagements this fall and winter.

Political
Polka
By Curt Gerling

The outcome of Tuesday
election surprised no one —
the Democrats. The so-called
New York State standard-bearers,
Thomas E. Dewey, 500,000
votes; Against Harry Truman,
600,000.

It confirmed what political
analysts always know that
appeals to the emotions
is reason second. The
polka has "the trend" doc-
umented a record, an issue, a
program or an outstanding
candidate — with a trend in
"in."

It's true that the GOP
is claiming a trend for
past elections only to
be disappointed. If the truth
is, filled with inconsistency
at this time it was under-
standably enough the trend
is recognized first by
Democrats. Bad news is al-
ways more apparent than good
news. A "trend" is not a com-
plete set of underlying causes,
merely an undercurrent
of weakness in the body po-
litical that takes shape in a de-
sire to "ins" out and
"outs" in. National issues
change but the state and
local elections are nevertheless af-

Political Polka

By Curt Gerling

The outcome of Tuesday's election surprised no one — not even the Democrats. The secret New York State stands for Thomas E. Dewey 500,000 votes; Against Harry Truman 200,000.

It confirmed what politicians have always known that politicians appeal to the emotions, not reason. The trend doesn't set a record, an issue, a platform or an outstanding candidate — with a trend "in the air."

It's true that the GOP had been claiming a trend for several past elections only to be disappointed. If the truth were filled with inconsistencies this time it was undeniable that strangely enough the trend recognized first by the Democrats. Bad news is always apparent than good news. A "trend" is not a complicated set of underlying causes. It's merely an undercurrent of weakness in the body politic that takes shape in a desire to see the "ins" out and the "outs" in. National issues come first but the state and local tickets are nevertheless affected.

"Trends" are in reality minor social revolutions — dissatisfaction with general political philosophies. Within the memory of those over thirty, the Roosevelt landlides of 1932 and 1936 represented opposition to the political philosophy that the rich should always get richer and the poor should go to Hades. Also that the rich, or big business should run the country and exploit labor as they saw fit, or their conscience might indicate.

The present resurgence, in the view of many, is an indication (See POLKA Page 4)

HEALTH SEAL SALE TO OPEN NOVEMBER 25

Two weeks from next Monday, the County Health Committee of the Tuberculosis and Health Association, simultaneously with 2,900 other associations in the country, will appeal to local residents for funds to carry its work through 1947. The appeal will be made through the sale of Christmas Seals, beginning Nov. 25 and continuing until Christmas.

Discussing the organization and history of the association this week, Joseph P. MacSweeney, president, said that at times progress has seemed slow but in reviewing the campaign against tuberculosis of both official and voluntary agencies through the perspective of years, it is evident that progress has been steady.

In its battle against tuberculosis, the association has held tuberculin test clinics, has cooperated in tuberculin test projects in the schools, has done promotional work for Iola's Mobile Unit and has carried on an extensive health education program for adults and school children throughout the county.

"Although progress has been made in fighting tuberculosis, the disease has not been conquered. It still kills, in the nation as a whole, at the rate of one person every 10 minutes. We cannot afford to relax our efforts until it ceases to menace the health of our people."

Shrine Circus Braces For Juvenile 'Invasion' At Monday Holiday Opening

Next Monday will be a banner day for Rochester school children, when the Shrine Circus opens at the Main Street Armory. Monday is also Armistice Day and in keeping with the annual celebration schools will be closed for the holiday. This will play right into the hands of the "kids" and the usual "grandmother" excuse won't be required from the juvenile circus fans.

In anticipation of the large number of school children who will throng to the large auditorium for the opening matinee, the Shrine Circus has arranged a special morning performance exclusively for the orphans and underprivileged children from local institutions. This early show, scheduled to start at 10 o'clock Monday morning, will be witnessed by more than 2000 children and aged folks from about thirty institutions in and around Rochester who will be guests of the Circus Daddies' Group.

Elmer Raithel, chairman of the

TYRONE POWER—ful! Yes, Tyrone, largest of Captain Dick Clemens lions is very, very powerful, he is one of the five jungle monarchs scheduled to appear at the Shrine Circus coming to the Main St. Armory next Monday for a week's stay.

from the Rochester show the wild animal act is sure to top the list of favorites with the children and is billed to open the program for each performance.

Formal opening of the circus is scheduled for Monday evening and has been designated as Shrine Night by Potentate Alfred E. Gally. In addition to the regular performance the uniformed units of the Shrine will be on review opening night.

All seats will be reserved for the six matinees at 2 p. m. and six evening performances at 8:15 p. m.

CHRISTMAS FETE PLANS TO BE MADE BY GUILD

Members of the Mercy Guild of the Little Flower will gather at the Catholic Women's Club on Alexander St. next Tuesday at 2 p. m. to discuss plans for the group's forthcoming Christmas party, hear reports of the nominating committee and their selection of candidates, and discuss a financial report of the organization's recent supper and sale held at Mercy High School.

Prior to the meeting a dessert luncheon will be served from 1 to 2 p. m.

According to present plans the Christmas party will be held on Dec. 10th in St. John's Hall on Hubbard St. Mrs. Joseph Georger has been appointed chairman.

The nominating committee, headed by Mrs. Austin Hetzel, will present a slate of officers and members of the group's board of directors at next week's meeting. Report of the supper and sale will be made by Mrs. George Andrews, who was chairman of the event.

DANCE TEACHERS TO CONVEENE HERE SUNDAY

A one-day convention of the Western New York State Council of Dancing Masters will be held in the Odenbach Peacock Room next Sunday, Miss Helene Caldwell of New York, an authority on children's work will demonstrate work for the very young and the teen-ager. Others on the faculty will include Miss Helen Flanagan of Connecticut and Russell Curry of Massachusetts.

Glady's D. Bliss, president of the council has appointed Mildred A. Pond chairman for the day. Other committee chairmen include Olive McCue, Thelma Biracree, Marjorie Miller, Lorraine Abers, Ruth Denio, Nan Heinrich and Frederick A. Otto.

Twenty-four aerial, equestrian and animal acts are booked for this year's program. Highlight of the big indoor show will be Daring Dick Clemens Wild Animal Act featuring five fighting and performing Black Maned African lions. Long absent

VET TRAINEES WARNED TO FILE EARNINGS RECORD

Veteran trainees who are receiving subsistence checks from the Government under the GI Bill of Rights have a rendezvous with the Veterans Administration on Nov. 12. That is the final date for the receipt of Form 12B showing the veteran's earnings during August, September and October.

The reports are necessary, says William F. Kean, chief of the registration and research section, vocational, rehabilitation and education division of the veterans administration to comply with provisions of Public Law 346 under which benefits are being paid. All veteran trainees who have received subsistence checks for the months of August, September or October, whether any money has been earned during that period or not, are required to submit the form. Kean warned that November checks will be suspended for those who fail to submit the required information before the deadline date.

The earnings form should be mailed to the Veterans Administration, 151 West Mohawk St., Buffalo 1, N. Y. or take them personally to their nearest contact representative or training officer.

According to Kean, the regulations do not affect disabled veterans who are receiving rehabilitation training.

Democrats' Need Of FDR Seen In Election Defeat

There was nothing wrong with the Democratic party this week that Franklin D. Roosevelt couldn't cure. As Tuesday's balloting was digested, discussed and dismissed in places political it became more apparent with each passing hour that without Roosevelt, the Democrats and their various allies were up against a tough proposition trying to elect their candidates in Monroe County.

They were learning too, although not admitting it, that "dates, race and sex" meant very little to the average "straight line" voter of the city. Party labels were the big factor and on Tuesday the eagle's efforts were busy doing what comes naturally in large measure.

But all was not "black" in the minds of Democratic stalwarts. "Despite their loss they were cheered by the waning strength of the Dewey name in the city. While the governor carried the city by a handsome margin, he still was behind his 1942 pluralities. He showed loss in eight city wards and a growth in only one.

Given the largest vote in the county election was Sheriff Al Skinner. That was as it should be, for certainly the rotund sheriff was the largest candidate. All admitted that. And few there were who weren't rather happy about it. Despite (See ELECTION Page 7)

tion that the pendulum may have swung too far. The rich are becoming poorer and the mighty industrialists discouraged. Labor, according to the protesting vote on Tuesday, is running the country to the detriment of industry, having reversed the complaint of 1932 and 1936.
The American political system, filled with inconsistencies and ridiculous complications as it is, still remains the best in the world. It most accurately mirrors the temper of the nation's people.

To prove that outstanding personalities, records and abilities are recognized even in the midst of "social revolution" and "trends" is indicated in the terrific plurality accorded Sheriff Al Skinner who showed the way to the GOP ticket in Monroe County. George Manning new senator and ex-assemblyman ran him a close second for the honors.
On the losers' side George Rogers' splendid showing in the face of a Republican landslide proved that under more normal circumstances he might have overcome the disadvantage of the Democratic label in as GOP stronghold.

If you think that Republicans are genuinely happy with their overwhelming victory you are probably one half right. Such a mandate means a responsibility to effect changes that they will be hesitant to make. They are going to have to prove what they have preached is not only best for the country, but will work. Free enterprise versus semi-controlled economy according to their thinking will level off prices and is the panacea for the nation's ills. Boom followed by bust could well put them in the dog house nationally, for another sixteen years.

The clamp on labor advocated more by implication than by courageous statement is much easier advocated than accomplished. The wage earner

ACCESSORY TRIO—Accessories often make the costume. Here are three charming extras for dressing up your ensemble—all simple to make. A square of checked taffeta, fringed and sequin-dotted, a velveteen sash or ascot, trimmed with beads and sequins, and a smartly stitched belt add glamour to your wardrobe. A direction sheet for making this **ACCESSORY TRIO** may be obtained by sending a stamped, self-addressed envelope to the Needlework Dept. of The Rochester Sun, 133 Clinton Ave. S., specifying Leaflet No. E-789.

Carmichael's Ole Butterneck Sky... September Song... This Time... Let's Sail To Dreamland... My Heart Goes Crazy...
Music is like a disease, thinks Ray Noble, maestro on the Charlie McCarthy air-show. "Once you are infected by the music germ, it's fatal," says Noble. "You haven't a chance to do anything else."

It certainly wasn't fair to the dance fans to cancel the Duke Ellington dance without notice after it was advertised that he would appear last Saturday night... Rumor has it that Vaughn Monroe will play a one nighter on Thursday, Nov. 21... We hope... Don't look now, but Frankie the Sinatra is scheduled to conduct a symphony orchestra... What next?... After two years Woody Herman is finally releasing the Ebony Concerto... Band Leaders credit Count Basie with being Italy's favorite jump band and Benny Goodman runner-up... Stan Kenton has played his theme song three different ways on records: "Artistry in Rhythm," in straight mood;

Dave Maloney's Radio Roundelay
The mystery of the week... get a load of this! Last Fri. morn I was at WHAM on business. About 6:15 Congressman Rogers came in to do a 15 min. bit of campaigning via the air-ways. He hadn't talked five minutes before the switchboard operator gave out with "Mr. Maloney... phone for Mr. Maloney!" Her desk is right in the foyer of the studio, and I rushed to her side. Now poor little me gets all a-tremble when paged in a public place, on account: the first thing I think of is the house burned down, or one of the kids is sick or something like that there... SOOOOOooooooo... I figure there must be another MR. MALONEY around the joint. Anyhow, I answer the phone and a lady tells me I ought to go in and stop Congressman Roger's chatter about the price of hamburger... "His figures are all wrong, and he ought to be told so... hamburger a dollar a pound!" Apparently the Congressman hasn't been shopping today because hamburger is only 59c a pound in all the markets! Now I'm standing there like I had glue in my head, wondering what I'm supposed to do to change the situation. Naturally, I ask her name... Oh no, she'd rather not tell me that. Like most ocellyachers, she wanted to voice her protest, but didn't have courage enough to identify herself. What baffles me is, why did she ask for ME?... I AINT NOBODY!! And another thing... How did that lady know I WAS THERE? Maybe she thinks I'm Kilroy...
I'm still laffing at the letter Sisson got from the guy who is anxious to see the store window where the "nudist plays," when what Doc was talking about was the "new displays" along Main Street. (That kills me!)
St. Agnes Institute of Music can well be proud of Concetta Mazza, one of their keyboard grads, who is transcription and music librarian at WHES. She worked in music stores for 6 yrs. in both music & record depts., so she knows pretty much what the folks like to hear... and the prettiest set of teeth in the U. S. A.! Her job is to select all transcribed musical programs for your listeners.
Did any of you peoples catch Sisson's story of Bill Crowley, ex-marine blinded in the Pacific, who runs a pet and novelty shop at 113 East Union, Newark, N. Y.? He is paying off the mortgage by selling pie-birds for a buck... and I'm putting my word in for you folks to show this game little leather-neck that the world hasn't forgotten what guys like Crowley (See ROUNDELAY Page 4-A)

RADIO STRIKES BACK
CHAIN ANSWERS CRITICS OF PROGRAM SET-UP
That the radio industry is sensitive to criticism aimed its way was indicated this week when WHES, key station of the Columbia Broadcasting System released an announcement through the pages of the New York Times apparently attempting to answer the barbs.
But, of course, the chain's answer, if answer it was, to the charges, long dormant in the radio listening public's mind, and recently vocalized by Chairman of the Federal Communications Commission that "radio is not providing enough programs in the public interest" completely exonerated the industry and put the onus squarely upon the shoulders of the listening public.
Listeners Blamed
The radio chain's statement, which appears to reflect the sentiment of the industry, suggested that the fault lay with the listener who, perhaps "doesn't know how to listen."
But lest the reader get the idea that the Columbia Broadcasting system altruistically paid the cost of a full page (See ANSWER Page 4-A)

COCO-COLA TO END 'SPOTLIGHT BAND' SERIES
Effective Nov. 22, the Coca-Cola Co. will terminate its sponsorship of "Spotlight Bands," the musical program presented each Mon., Wed., Fri. over the Mutual Broadcasting System, (WSAY, 9:30 p. m.) featuring the orchestras of Guy Lombardo, Harry James and Xavier Cugat.
"Spotlight Bands" has been on the air for four full years. During the war programs originated from Army camps and Naval bases and during eight weeks last summer the program was sponsored by the U. S. Army as a part of its recruiting campaign.

MELCHIOR, BENNY AMECHE TO STAR ON HOLIDAY SHOW
Highlighting "Two Hours of Stars"—the 1946 Thanksgiving Day broadcast sponsored by the Elgin National Watch Company—will be a glittering cast of screen and radio stars. Music, comedy and drama will be featured on the two-hour show originating in Hollywood which will be shortwaved all over the globe Thanksgiving Day, Nov. 28, from 4 to 6 p. m. (WHEC).
The familiar voice of Don Ameche will again be heard introducing entertainers to listeners. With this appearance, Ameche will begin his fourth year of acting as host for the holiday shows which were begun in the fall of 1942.
So far the roster of twenty stars scheduled to appear on the show includes Jimmy Durante and Garry Moore, Lauritz Melchior, Red Skelton, Jack Benny, Vera Vague, Burl Ives, Lina Romay, Peter Lind Hayes, Margaret Whiting, the Charlottes and Lou Brink, musical director. Other names will be added to the list before the show goes on the air.
The great booming voice of Lauritz Melchior, famous Wagnerian tenor, is rapidly becoming as well known for his screen comedy parts as for his operatic roles. The genial giant, who convulsed screen audiences with his portrayal of an opera singer in "Two Sisters From Boston," will again play one in "This Time For Keeps."
Some of the show's comedy relief will be provided by Jack ("Boss") Benny. He is famous for his facile "gag technique," his fiddle and his good-humored feud with Fred Allen. During the war, with his fiddle tucked under his arm, he toured battle fronts in Europe and the South Pacific, staging camp shows to entertain American servicemen.
Edgar Bergen: Mortimer, haven't you got any brains?
Mortimer Snerd: Well, I've got 'em ordered—but I can't get delivery.

DISCOVERY—Baritone Mac Morgan (left), shown here rehearsing with Paul Lavallo for the "Cities Service Highways in Melody," is the new soloist on the program. He was chosen by Lavallo, who had listened to scores of singers seeking the featured spot on the Friday evening NBC musical show.

Former Eastman Student Wins Radio Show Solo Spot

—Paul Lavallo was in search of a voice—the right voice for one of radio's outstanding musical programs.
It was only after he had heard scores of singers—in person or on records—that Lavallo's search ended, with Mac Morgan selected as regular soloist on his "Cities Service Highways in Melody" (WHAM, Fridays, 8:00 p. m.). When Morgan was a guest soloist on the show recently, Lavallo knew at once, he says, that he had found the singer he was looking for.
Rochester is particularly interested in Morgan's career since he prepared for it at the Eastman School of Music here. Rochester also occupies a prominent spot in Morgan's life on the marital side. While an Eastman student he met Helen Neilly of Baltimore, also studying here, who became his accompanist and later his wife.
Morgan recently finished a three-year tour of duty with the Army. He was with an anti-aircraft unit in New Guinea, and later was transferred to Special Services.
His career started simply, Morgan explains. After he sang solo in church at the age of 15, his father realized that the lad had a fine voice and sent him to private tutors. At 18, he sang with the Jacksonville Symphony Orchestra. From 1937 to 1942, he was soloist at the annual Bach Festival of Rollins College, Florida. He was a national audition winner at the Cincinnati Zoo Opera and sang with the Rochester Civic Opera.
The assignment to sing on the "Highways in Melody" program marks Morgan's first network radio show. He will be heard each week in selections from the popular classics and current favorite tunes of the stage, screen and radio.
Judy Canova: Last time I took a radio audition I had a frog in my throat.
Ruth Perrott (Aunt Agatha): What happened?
Judy: They hired the frog.

'NOSE' AND 'HAIRCUT' TO ENTERTAIN 'VOICE'

Frank Sinatra will drop in for a visit, and Jimmy Durante is expected to roll out Garry Moore's famed crew haircut as a welcome mat, on the "Durante-Moore Show" tomorrow evening at 9:30 p. m., over WHEC. The Voice has been invited to join de Snoozz in a serenade to Jimmy's friend, Mrs. Calabash, with Moore eagerly drinking in the nuances of this perfect harmony and gurgling in appreciation.
Roy Bary conducts the orchestra, with Suzanne Eilers the featured feminine soloist.

LOVE THAT WINNER!

Radio listeners are like horse-racing fans — in one respect they can spot a winner. It isn't the jockey predicts or what the owner brags about, or what the spectators in the stands say that gets the cheer! According to the August-September survey, WHEC is the WINNER! THANK YOU ROCHESTER, FOR SUCH A SWEET VOTE OF CONFIDENCE IN WHEC!

Funnyman Carson with a capable cast like Arthur Treacher, Tugwell, Agnes Moorehead, Freddy Martin's Orchestra, and guest stars create hilarious hokeyisms with Wednesday. Carson's come-like-ly on the Alma Mater's wall, grows on one — and the first thing you know, you're spinning yourself around the radio and fairly sprouting givens at the goings on.

QUESTION OF THE WEEK: That Secretary was presented a room for a Halloween party? ? ?

WHEC TO AIR ARMY - IRISH GAME SATURDAY
For most football fans there'll be just ONE football game this Saturday — Army-Notre Dame at New York's Yankee Stadium. And Red Barber and Jimmy Dolan will be there with their CBS microphones, to give the radio audience the color and play-by-play of the classic clash (WHEC 1:30-4:00 p. m.).
The national college gridiron championship probably will be settled in this annual test of the gold-helmeted Plainesmen and the Fighting Irish.
If ever there was a "natural" in football, this is it. In 1944 and 1945 war-wracked Notre Dame eleven went down to record-breaking defeats at the hands of national championship Army teams. The Plainesmen ran up 107 points to 0 for the Irish in those two games.
This year Notre Dame, "loaded for bear," is out for revenge. According to reports from the West, the South Benders are four deep, and they have a great quarterback in Johnny Lujack. Glen Davis, Doc Blanchard and the other Army veterans haven't really been tested this year. It looks like Barber and Dolan will be giving listeners one of the greatest football battles of all time.

CHANGING WORLD
Thirty years ago Claude Rains was a sort of humble handyman for the Granville Barker stock company. Now in the film opposite Betty Davis.
the star. Recently the two met again on the "Deception" set at Warner Bros. Braham extra player and Rains a star in the film opposite Betty Davis.

SERIOUS COMICS—Fun-making has its serious side, too — and here Bob Hope cues his cast for the punch line of a gag in the script of his NBC show. With a hand signal, he indicates that the gag will be OK if the punch line is timed right. Pictured at rehearsal are (l. to r.) orchestra leader Desi Arnaz, man-chasing Vera Vague, Jerry Colonna, Hope and announcer Wendell Niles.

'GALANT JOURNEY' NEXT FOR LUX
Glen Ford and Janet Blair re-portray their original film roles in "Gallant Journey" on Lux Radio Theater Monday, Nov. 11 (WHEC 9 p. m.). The series is produced by William Keighley. Lou Sivers writes and conducts the incidental music.

ELECTION...

(Continued From Page 1)
his nesting with the eagle, Skinner has won a wide reputation as the county's head cop. But good news also brings its bad. While the Republicans were rolling up a huge total for the Sheriff and his ticket mates they were automatically guar-

anteeing another four years of O'Mara-ism in the County. Whether Rochester didn't care what happened in the District Attorney's office or whether the voters felt they were entitled to a little carelessness, by their action the prosecutor's office would continue to be the laughing stock of the populace. In naming both Skinner and O'Mara the voters apparently wanted to make sure that someone would be around to catch the wrongdoers in the county, but they weren't so much concerned as to what happened to the sinners once they were caught. If past records are an indication a good share of them will suffer lightly during the next four years.

TRUMAN LIFTS ALL BUT 3 PRICE CONTROLS

Rents, Rice, Sugar Stay On Lists

WASHINGTON, Nov. 11 — The lid was off all over the country today following President Truman's action Saturday in removing price ceilings on all commodities except those on rents, sugar, and rice, and in the same stroke wiping out all wage controls. And while rent ceilings will remain in effect, the President indicated that they may be raised.

"The law of supply and demand operating in the market place will, from now on, serve the people better than would continued regulation of prices by the government.

Coming just four days after the election which overturned Congress and gave control of both houses to the Republicans, observers saw in President Truman's action a continuation of his elimination of price controls started on meats and other important food commodities just prior to the election. But he didn't miss the opportunity to take another poke at Congress which he has blamed repeatedly in the past for difficulties with his stabilization program.

"The real basis of our difficulty is the unworkable price control law which the Congress gave us to administer," he declared. "The plain truth is that, under this inadequate law, price control has lost the popular support to make it work."

His two statements when coupled together puzzled many who saw no difficulty in lifting price controls if, as the President said, the law of supply and demand would serve the people better.

Paul Porter, who took over last June as OPA head is expected to step out shortly but in the meantime the agency which has handled ceilings and other controls, will be continued temporarily to supervise sugar rationing and the ceilings on sugar, rice and rent.

Landlords, at last, saw some help coming their way in the President's strong hint that some increases may be granted in allowable rents. President Truman admitted that "some adjustments of rents will be required" but warned that control of rents and control over evictions must be continued.

What the fate of the Price Control Act under the new Republican-dominated Congress will be remains to be seen. The current regulation expires on June 30.

Truman also said that the removal of ceilings on lumber and building materials "will obviously necessitate a change in the approach to some of the problems in the housing program." He did not amplify, but

Printers' Wage Fight Closes Local Dailies

For the second time in little more than two years Rochester was without a local daily newspaper. Both the Democrat & Chronicle and the Times-Union have been tied up since Friday evening by a dispute between management of the two local Gannett newspapers and 206 members of Local 15 of the International Typographical Union.

It was the second time in 46 years that the city's two papers failed to publish. Early in the summer, the entire body of organized Gannett employees in Rochester refused to pass a check line in front of the Times-Square plant in support of a strike of Department of Public Works employees against the city. Several other labor-management squabbles between the company and union employees have fostered relations in recent years.

Hungry
Rochester's news hungry residents gave the police a few bad hours yesterday when crowds jammed the Main-Clinton intersection to buy out-of-town news papers.

During the early Sunday morning hours traffic in Main St. and in Clinton Ave. was snarled while drivers besieged newsstands in the area in a vain attempt to procure reading material for the family. Although many extra copies of Syracuse, Buffalo and New York papers were hurried into town, the supply fell far short of the demand.

At one time traffic was so tied up that police detoured automobiles through Mortimer Street. Rochester Transit Corporation buses were delayed 12 to 15 minutes in making the run up and down Main Street.

The printers failed to report work on Friday evening after a strike vote taken Friday afternoon reportedly showed 179 in favor of and only four against the strike action. Officials of the newspapers declared the action a "strike" but the printers said it was a "lockout". Their contract had

expired Aug. 1 on pay scales and their \$70 offer is a 20 per cent increase, retroactive to that date for nearly 200 printers.

As a result of the affair however, police late last night were continuing their search for the man blamed for the shooting. They gave his name as Dolph Sturges, 34, of 171 Troup St.

According to police reports, Sturges was one of five men involved in a card game in a pool room and restaurant at 209 Troup St. early Saturday evening. During the game, the police say, Sturges was accused of cheating by Ulysses Marshall, 28, of 18 Ford St. A scuffle followed between the two men during which, witnesses to the fight said, Marshall had a knife.

The two battlers were parted and Marshall left the place with Edward Daniels, and James Green, both of 18 Ford St., the police report states.

Later, the police say, Sturges overtook the trio in Ford Street, near Spring, and fired four shots from a revolver which, apparently, he had gone home to get. All shots went wild and no one was injured.

Report of the shooting brought police from the Exchange Street station under the direction of Inspector Har-

CITY TO MARK ARMISTICE DAY AT VARIOUS RITES

Churches, veterans' organizations and civic leaders will lead all Rochester today, Armistice Day in paying tribute to the memory of men who gave their lives in World War I in specially scheduled services on street corners, in houses of worship and at the Memorial Plaque at the east end of the Broad Street bridge.

All work in the city will cease and traffic will be halted at 11 a. m. as color guards and buglers conduct the memorial observances at the following corners:

Main St. E. and East Ave. Memorial Post, Main St. E. and Clinton Ave. Genesee Valley Post, Main St. E. and St. Paul St. William W. Doud Post, Main St. W. and Pymouth Ave. S. Burton L. Warner Post, Main St. and State St. Flower City Post, Main St. E. and Godman St. Police Post.

Band To Play
In the program at the Bridge Plaque there will be music by the Slaughter Post Band under the direction of Francis S. Pethick from 10:50 to 11 a. m. At 11 there will be a two-minute period of silence, broken by a 21-gun salute. The Rev. Leo Matuzewski will offer prayer and the speaker will be Russell P. Fellerski, Monroe County commander of American Legion.

NAVY TRANSPORT CONSTITUTION MAKES 1st FLIGHT

Burbank, Calif., Nov. 10 — Engineers today were giving the Navy's 168-passenger, two-deck Lockheed Constitution, largest transport plane in the world, a thorough check after the giant transport had made its first flight to the Muroc Army air base 100 miles away.

Four engines, each developing 3,000 horsepower, took the plane, which when loaded weighed 92 tons, off the ground at the Lockheed air terminal in less than 30 seconds and after a run of only 1,760 feet. The crew consisted of five men under direction of Joe Towle, 41-year-old chief test pilot for the Lockheed company.

Some of the specifications of the out-size transport, which is said to be capable of carrying 400 troops in wartime, include of wing span of 189 feet, length, 156 feet; tanks carrying enough fuel to permit a 6,000 to 7,000 mile trip, or to Tokyo non-stop. Rudder of the giant double-decked ship is as high as a five-story building.

The trial trip yesterday went off without incident, Towle said.

Also, said the police, when Turiano "jumped over the bar" to stop English, he placed the wallet back in Shepard's pocket.

It all seems as plain as the black ink which lasts a lifetime in the modern writing pen.

Pal's Slayer Wins Stay of Execution

LYONS, Nov. 11.—Joseph Edward Martin, 21-year-old convicted slayer of his closest friend, Saturday became the tenth occupant of the death house in Sing Sing Prison.

He was delivered to the prison by Wayne County Sheriff John Lawrence, accompanied by Special Deputy George Attenboro and Corp. Albert Dudding of the N. Y. State Police. Simultaneously a writ was served on Warden M. E. Snyder, asking stay of execution, pending an appeal to the state's highest court on a brief now in preparation by Defense Attorney Joseph Haney of Newark.

On the way to prison Martin, who was convicted by a jury in Wayne County, reminiscenced about his career as a school athlete in Fairport, N. Y. Entering the prison doors he lost his poise for the first time.

Lifted Wallet Returned; Man Charged In Theft
This is a remarkable case, Watson.

Charles English, 88 Adams St., pleaded innocent Saturday in City Court to first degree grand larceny. His case was adjourned to Dec. 19.

Police said English was in a grill at 280 Main St., at about 2 a. m. Saturday when Anthony Turiano, 159 Versailles Rd. saw English take a wallet from the pocket of John Shepard, 14 Central Pk.

Also, said the police, when Turiano "jumped over the bar" to stop English, he placed the wallet back in Shepard's pocket.

It all seems as plain as the black ink which lasts a lifetime in the modern writing pen.

Thieves Take Tire, Suit In Two Entries
Thieves were satisfied with only the mounted tires and a cylinder reamer after entering the Champ Auto Sales store, Culver Road and Atlantic Ave., Friday night between 11 p. m. and 6 p. m.

Thieves also entered the home of Marvin Goldblatt, 134 Joseph Ave., and got away with a suit of clothes, in a suitcase, valued at \$25.

Coldwater Girl Hit In Chili Avenue
Knocked down by a car driven by Albert M. Greze, 25, of 117 Wood St., Betty Brainer, of Coldwater, was injured slightly after 5 p. m. Friday in front of 579 Chile Ave.

Woman Hurt While Boarding City Bus
Mrs. Mildred Engel, 60, who resides at Hotel Seneca, was injured Friday night while boarding a bus at Main St. E. and Baldwin St. John B. Dengler was driver of the bus.

TRANSIT STRIKE FACES NEW YORK BY NEXT WEEKEND

New York, N. Y. Nov. 10. — New York's millions of scurrying workers faced walking to their jobs by week's end if the threat of leaders of the Transport Workers Union of America (CIO) to call a strike on municipal subway, elevated, street car and bus lines is carried out.

Union leaders served notice Saturday that the 33,000 employees of Gotham's transit system would strike if their demands for retroactive pay increases and collective-bargaining elections were not granted by next weekend.

Mayor O'Dwyer, who returns today from a California vacation, will be confronted with this virtual ultimatum when he reaches his office in City Hall. It is the third serious threat of such a tie-up in 1946.

The latest trouble followed a decision by the Board of Transportation rejecting all recommendations of the Mayor's Advisory Committee in favor of collective bargaining elections on the city transit lines. A meeting, in which a strike vote will be taken, is scheduled for Wednesday night and Thursday morning. Last Oct. 4 the transportation board adopted recommendations of the Mayor's committee which allowed an average pay rise of 20 cents an hour for all operating employees. However, it did not act on the retroactive pay rises which, for the period from July 1 to Oct. 4, would total some six million dollars.

SENATOR WHERRY TO INVESTIGATE MEAT SHIPMENTS

Washington, D. C. Nov. 9. — Food shipments to Russia are due to be investigated by Senator Wherry (R., of Nebraska), who, yesterday told newsmen that he would leave the U.S. for Europe Thursday in the first post-election investigation to be hurled at the Democrats.

The self-financed 19-day trip would have as its principal object, the Senator said, to find out where the over one billion pounds of meat sent to Europe in the first six months of this year has been going. Wherry said he intends to find out if part of this meat was used to feed the Russian and Yugoslav armies.

"No one knows where this meat is going when it is turned over to the Russians and the Yugoslavs," Wherry said.

"If it is being used to feed armies, that is just as important as if loans were made. And you remember State Secretary Byrnes says we weren't going to make any loans to our foes."

Wherry contended that the people repudiated the New Deal philosophy at the polls on election day and that he expected "co-operation from the loyal opposition" in "throwing out the New Deal and the radicalism that went with it."

It was presumed he had reference to Democrats who joined Republicans in helping to defeat some of President Truman's measures in the last Congress.

ASSAULT CHARGE FOLLOWS KNIFE ROW
Verdell White, 31 Leopold St., who was treated at a hospital for a face laceration, charged William D. Drake, Jr., 35, of the same address, of second degree assault with a knife on Saturday.

Detectives Anthony P. Cujile and Anthony Zaleski made the arrest.

Text of Statements Issued By Opposing Parties

The Publishers:
Members of Typographical Union No. 15 (AFL) of The Democrat and Chronicle on Friday night and The Times-Union on Saturday morning failed to appear for work. This strike undoubtedly was the printers' answer to Friday's offer by the management of the two newspapers to pay journeymen printers a scale of \$70 days and \$75 nights. An optional offer of \$74 days and \$79 nights, with the union men to waive their share in future profit-sharing of the company, also was turned down by their action.

After a union meeting Friday afternoon, the men simply did not appear. The officers and negotiators have not contacted the management since that time, neither did they even report the decision of the union membership.

When the printers failed to show, the company attempted to fulfill its obligation to the public by printing photo-engraved editions, but engravers refused to work on typewritten copy or any other kind not generally produced the past few months. Hence publication was impossible.

Herbert W. Crutchank, assistant general manager of the Gannett Company, declared: "We still feel that the offer of \$70 days and \$75 nights for a 37 1/2-hour week is very generous as it represents a \$12 raise over last year's scale and compares very favorably with other cities of the size of Rochester and with other newspapers of the circulation of our Rochester papers."

The demand of the union for \$80 days and \$88 nights is beyond our scope. "We have been negotiating since Aug. 1 on pay scales and our \$70 offer is a 20 per cent increase, retroactive to that date for nearly 200 printers."

The Printers:
Two hundred and six members of Rochester Typographical Union No. 15, working for the Gannett Newspapers, today are locked out by the management of the two local papers.

The contract of Rochester Typographical Union with the newspapers expired July 31 and a committee, appointed by the union, has been trying for four months to arrive at a mutually satisfactory agreement.

After many meetings the Gannett management introduced a novel idea in labor-management relations by submitting a wage proposal which would require union members, present and future, to sign individual agreements waiving their claim to any wage bonuses, when, as and if issued by the Gannett Company to its employees.

It is interesting to note how continually this proposition was tied to a wage increase which would have the printers give away a condition in which they never had a voice.

For the last ten years the Gannett Company has made much of profit-sharing and not forgetting at every possible opportunity to pat itself on the back for its plan. It was never mentioned that they tried to justify their low wages by giving a bonus at the end of the year.

When the contract expired on July 31, 1940, the management and the union were unable to resolve their differences in conciliation so recourse was taken to arbitration. Contrary to established practice, the management presented to the arbitrator its profit-sharing policy to show the income of employees was larger than the wage award as being evidence bearing upon the issue, should not be considered as wages.

Any employer, of course, is to be commended for making possible such benefits to his employees, and for that reason, if no other, these items are entitled to some consideration.

This the members of the union were denied adequate wages and were forced to depend on a gratuity, amount unknown, which might or might not be forthcoming at the end of the year. This accounts in part for the fact that members of Rochester Typographical Union (See PRINTERS Page 5)

Shooting Stirs Spring St.; Police Seek Card Players

Saturday night rush-hour crowds in the Ford-Spring St. area scattered for cover when a shooting fray sent the neighborhood into a turmoil.

According to police reports of the incident, no one was hurt.

A Word About This Issue

We at the Rochester Sun are happy that we can provide Rochester readers and Rochester advertisers with today's special issue of our publication. Yet it is to us both a satisfaction and a disappointment, because the paper shortage and manpower shortage are all too real.

Originally scheduled to be one hundred and ten thousand copies of twenty pages the limited week-end supply of newspaper in our warehouse necessitated a reduction in both size and number of copies. This fourteen page issue was for this reason limited to ninety thousand.

We know in our effort to cover both Rochester and surrounding towns that many will be disappointed. Many advertisers whom we were obliged to omit from this issue may also be disappointed as they were sacrificed for the essential news of the world and the community, abbreviated as it is, would reach you at a time when the printed word is at a premium.

The opposing sides in the dispute that is leaving Rochester without a daily newspaper gave us every cooperation. Both the Typographical Union and the Gannett Newspapers made contributions to the preparation of this issue which otherwise would have made the task more difficult, if not impossible.

Contrary to custom the Rochester Sun-Shopping News is obliged, because of tremendous extra-curricular costs, to charge five cents for this issue and such a policy may continue to exist during the present emergency when the Sun is obliged to perform the function of both a newspaper and "a guide to better buying".

ATLEE WARNS OF U.N. DEFEAT; DISARMAMENT

LONDON, Nov. 9. — Prime Minister Atlee, speaking at the London Lord Mayor's banquet, tonight warned the world that Britain intends to maintain strong defense forces and predicted the United Nations would fail if "obstruction" and "propaganda attacks which have marked the proceedings were continued."

"It is clear that if the United Nations Organization is used as a forum for debating ideological differences, it will fail" Atlee said.

Turning to Russia's Foreign Minister V. M. Molotov speech in which the Soviet official had proposed world disarmament to the U. N. General Assembly, the British prime minister said:

"The lesson of the inter-war period was that disarmament must march hand in hand with the establishment of a general system of security."

He did say, however, that Britain was pledged to work for "our ideals of peace and to lift the heavy burden of armaments from the people of the world," adding that "I emphasize that disarmament cannot be unilateral."

His speech climaxed a day filled with the pageantry and pomp of the annual lord mayor's banquet which had not been held for eight years.

WILLSON ENDS STORMY CAREER AS BBB HEAD

Fred M. Willson, the stormy petrel of the Rochester Better Business Bureau, retired as manager at long last according to announcement made by Gunnar O. Wilg, bureau president.

For two decades Willson has been bureau manager, in latter years in constant storm and some strife. Willson suffered innumerable attacks from John G. Corey, publisher of the news magazine We, who has announced intermittently that Willson had been discharged and as often had retracted by also announcing that he was back on the job again. Willson was virtually an "On Again, Off Again Finnegan."

Willson's successor, it is announced, will be Henry C. Reynolds, physical director at the Central Y.M.C.A. Assistant to Reynolds will be Sheldon B. Robertson, U. S. Navy Veteran of World War II and lately executive secretary of Monroe Branch of the "Y".

Willson will leave the Bureau office December 1. Last May Willson observed his 20th anniversary as manager of the bureau. He started with the bureau in 1919.

It is, Willson has learned over all the years, on bed of roses being manager for the local bureau. He could please some, he learned, but he couldn't even begin to please everybody.

Willson served in World War I with U. S. Navy and when discharged became manager for the Better Business Bureau of Fort Wayne, Ind. Two years later he became manager for the Toronto Business Bureau, remaining there for three years. Also, prior to coming to Rochester Willson was engaged by National Better Business Bureau for special service in Dayton, Ohio, St. Louis and Detroit.

Willson began his career in business as a newspaper man, serving in both news and advertising departments on the Grand Forks Herald in South Dakota and the Pioneer Press and Dispatch in St. Paul.

Wilg announced that the local Better Business Bureau will begin an expansion of its services to Rochester clients, a reform long demanded.

It is said that certain legal actions brought against the local bureau for damages alleged to have been suffered by local persons will now be abandoned by the retirement of Willson.

AREA HI-Y CLUBS REHEARSE MOCK LEGISLATURE

As a preliminary to a three-day mock session of the Legislature next month in Albany to be staged by Hi-Y Clubs of New York State, a day-long session of Genesee Valley Hi-Y Clubs was staged Saturday in the City Council and County Court chambers.

Several bills of particular interest to young people were acted upon by a model legislature consisting of a Senate and an Assembly, each with their committees and legal counsel.

Twenty-six bills which will be presented before the state-wide Hi-Y body came before the attention of the local body, but several died in committee. A majority were passed by the enthusiastic lawmakers.

One of the bills received particular attention. It was a proposal to tax all billboards in New York State with the exception of those operated in the interest of a charitable organization or Chamber of Commerce and federal, state, county and municipal safety signs. Other bills ranged in content from a proposal to lower the voting age to 18 years of age to the providing of a state university in which all high school graduates who have attained sufficiently high scholastic rating would be given a four-year college course tuition free.

A delegate from each club in the area will be chosen to attend the Albany sessions which will be held in the state capitol on Dec. 6, 7, 8.

Members of David J. Kauffman Post No. 41, Jewish War Veterans of the United States will stage their 15th annual smoker and victory party, Tuesday, Nov. 19, at 8:15 p. m. in Eagles Hall, 22 N. Washington St. Proceeds will be used for the Christmas parties planned by the post for veterans confined in the Batavia, Bath and Canandaigua Veterans Hospitals.

Plans for a gala floor show are completed. "Name" acts have been booked from Buffalo, Cleveland and New York City.

Commander Samuel D. Savage has appointed Louis B. Goler, general chairman, assisted by a large committee. Free refreshments will be distributed under the care of Hyman Kravetz and Sol Goldblatt, chairmen.

Goler, who is also hospital chairman, has already made plans for the hospital visits. He plans to give each patient smokes, candy, stationery, stamps and other gifts, which will be distributed by the Ladies' Auxiliary of the Post.

N. Y. CENTRAL ADDS TO PULLMAN SERVICE

Rochester travelers will benefit by additional sleeping car service between the city and Chicago, Ill. put into effect yesterday by the New York Central. A new sleeping car line has been established leaving Chicago in Train No. 22 at 6 p. m. daily and arriving at Rochester at 8:30 a. m. the following morning. According to Frank D. Courneen, division passenger agent, the move necessitated the establishment of a new train, No. 158 to operate from Buffalo to Rochester. The new train will leave Buffalo at 7:15 a. m. to arrive here at 8:30 a. m.

Westbound, the new sleeping car will be handled on Train No. 27 leaving Rochester at 11:49 p. m. daily and arriving in Chicago at 8:10 a. m. the following day.

Police, Court Briefs

WARRANT ISSUED FOR MAN MINUS LICENSE

A bench warrant has been issued for the arrest of Jack Sullivan, 40, of Gatewood Ave., when he failed to appear Saturday morning in answer to a summons.

He is charged with failing to produce an operators' license when Policeman Pacek was investigating a collision at North and Franklin. Sullivan was reported to have been making a left turn at Franklin St. when he collided with a car driven by Howard J. Merkel, 27, of 107 Hermitage Rd. Neither driver was injured.

Man Denies Charge of \$186 Theft

Pleading innocent to charges of third degree burglary and second degree grand larceny Saturday in City Court, the case of Joseph Gerstner, 29, of 30 Davis St., was adjourned to December 19.

Police said Gerstner admitted entering the home of Mrs. Louis Columbo, 207 Pennsylvania Ave., and stealing \$11 in cash and \$175 worth of jewelry Nov. 6.

'Cave Man' Suspect Taken By Police

Somewhere in Rochester there is, or was, a mystery man with cave man habits. Two men have already reported that they were victims. Police have a cave man suspect but have divulged no name as yet.

Richard Edwards, 55, of 49 Troup St. says that he was knocked to the pavement

and robbed of \$20 in cash and some valuable personal papers. He was found in a dazed condition at 367 Exchange St. by Patrolman Charles Miller at General Hospital it was said that he has a broken jaw and other serious injuries.

Three hours later Saturday morning Alfred Vickery, 39, of

FACES LARCENY CHARGE IN CAR THEFT

Friday evening William Martin, of 79 Clay Ave. reported the theft of a car.

Saturday morning Police recovered the car and arrested Gerald Switzer, 20, of 406 Clay Ave. on charges of first grand larceny in connection with the theft. He will be arraigned tomorrow in City Court.

Four Hurt in Crash At Ridge and Culver

When cars driven by Richard Kinkel, 25, of 231 Murray St., and by Richard L. Bent, 29, of 37 Parkview Ter., Irondequoit, collided Friday night at Ridge Rd. E. and Culver Rd., four persons were injured.

The injured: Kinkel, his passenger, Dar Peck, 32, of 945 Winton Rd. N., and Rita Wade, 24, 534 Cooper Rd., and Raymond L. Baker, 44, of 37 Parkview Ter., they were passengers with Bent.

Car Injures Man At Dewey-Ridgeway

Owen E. Dolan, 56, of 582 Flower City Pk., suffered minor injuries early Saturday morning when knocked down by a car at Dewey and Ridgeway Ave. William E. Graham, 163 Kisingbury St., was driver

Attention Advertisers

The Rochester Sun was obliged to omit many columns of advertising space in this issue. Obviously we regret this exceedingly. As long as Rochester remains without a daily paper the Sun, so far as its paper quota will permit, will strive to render newspaper service to the public and the advertisers two or three times each week.

It is only natural that preference must be given those who are under contract with us and who have been conspicuous by their support of our medium during the ten years of its existence.

At the moment plans for the usual Thursday issue and a special Sunday issue are being made. Advertising will be accepted subject to our regular commitments and the limitations of newsprint and manpower.

PENNEY STORE PICKETED IN N. Y. DISPUTE

What with the two daily newspapers closed by a wage dispute and printers, Rochester had enough labor troubles of its own over the weekend, without worrying too much about similar troubles in other cities. But that didn't stop four hardy pickets who came to the city from New York to carry banners in front of the local J. C. Penney Store on Saturday.

The pickets were members of Wholesale & Warehouse Workers Union (CIO) of New York City. Their mission in Rochester was to arouse sympathy for their claims against the Penney Co. warehouse located in New York where they are seeking recognition of their union.

Officials of the store here were unable to shed any light on the controversy or to give any information about the difficulty. They said no local problem was involved; no local employees were in the union—in fact, the company does not even have a warehouse in the city. The only other city in the country affected was St. Louis, Mo. where the company maintains a second warehouse.

The pickets returned to New York late Saturday afternoon.

HIGHER STANDARD OF LIVING

AT LEADING APPLIANCE DEALERS

Scores of the most progressive appliance dealers of Rochester and vicinity are now associate members of Central Trust's H. S. L. Appliance Purchase Program. You will find the Higher Standard of Living Seal displayed prominently in their stores. That seal is your invitation to ask the dealer about an H. S. L. Loan for the purchase of that new stove, refrigerator, radio or any other appliance your home needs.

He will be glad to tell you about the plan and arrange a loan for you, too. Upon selecting the appliance you want, the required down payment brings the appliance into your home. Then, you will enjoy the Higher Standard of Living as you pay for the appliance out of income, in easy monthly payments.

Your dealer handles all the details. No red tape . . . no delay . . . and, it's the low cost way to finance appliance purchases.

POLICE WATCH FOR AWOL KIDNAP SUSPECT

Beware! Police warn to be on the lookout for a possible kidnapper.

The kidnapper has been alleged is an exconvict from Oswego. According to local officials he is Arthur Felton, paroled convict, also wanted on AWOL charge by army brass. He is alleged to have hired a taxi in Oswego early Saturday morning, and the car was last seen in Williamson, headed for Rochester.

The cab bears the license plate number of 9-2-6809. It was driven by William Horan, also of Oswego. The parolee is described as 6 feet, one inch and weighing 150 pounds.

CONTROLS...

(Continued From Page 1)
he added that he has asked Housing Expediter Wilson Wyatt "to report to me promptly in this regard."

Wyatt was reported to have urged the controls be retained on building materials lest the present price callings on new homes built under priorities of the veterans emergency housing program prove untenable. But Truman said that "price control of building materials alone, with no price control on products competing for the

same raw materials, would drive these materials away from housing and defeat the objectives of the program."

Wyatt announced that the \$10,000 limit on new home prices will remain in effect with all other housing controls, despite the removal of price ceilings on building materials.

"No one should minimize the effect of the removal of price controls and the difficulties of the task ahead," Wyatt said in a statement, "if veterans are to get homes and apartments in a volume and at prices even approaching their needs."

STRIKE . . .

(Continued From Page 1)
expired on July 31 and a committee appointed by the union had since failed to reach an agreement with the newspapers over the terms of a new contract.

See Hidden Struggle

While on the surface the dispute appeared to a simple wage disagreement, politically minded observers looked for the deeper meaning. They found it to their satisfaction in last Tuesday's election returns. Those who saw the connection between the election and the newspapers' dispute said that it was a case of both sides "feeling their oats." Labor, they maintained, has seen a victory for "reactionary forces" and had therefore decided to join the issue right here and now "before their recent gains were nullified." Management, on the other hand, says in the election a "victory for free enterprise" and had decided to climb back into the driver's seat from which they were to all intents and purposes driven in 1932.

Officials of the dailies, who said they had had no notice of the strike, claimed that up to a late hour last night they had not been contacted by any union representatives. They said the printers simply failed to report for work on Friday night and had given no report of the decision of the membership.

Publishing Attempt Fails

An attempt by the Times-Union to publish some sort of a paper made from engravers' plates, eliminating the need for compositors, failed when members of the engravers union refused to make the plates. The engravers were thereupon laid off.

News Report Irks

While it was rumored all during the week that Friday's union vote would result in a strike, it was the opinion of many that the company "had forced the action" when they published an allegedly "distorted" story in Friday morning's Democrat & Chronicle and another in the same day's editions of the Times-Union. In those stories, the newspapers related their difficulties with the Typographical Union and reported the terms which they had offered printers and devoted several paragraphs giving reasons why the printers should accept. Union representatives called the stories "Unethical" and said they would conduct negotiations "over the table and not in a newspaper." The Times-Union claimed it had published the report "because the public's stake in newspaper operation is greater than in most other business."

The public's stake today was they had no newspaper at all. But they did have the radio. And radio was working overtime to fill in the news gap left by the newspaper stoppage. Frequent bulletins were augmenting the regular local and national news broadcasts reporting the highlights of the news, deaths and other vital statistics.

Differences between management and the printers hinged on two factors:

A difference of about ten dollars per week between the union's demands and the newspapers' offer, and

A dispute as to whether or not the printers should continue to "share in the profits."

The newspapers have offered \$70 for a 37½ hour week for daytime workers and \$75 for night workers as against union demands of \$80 and \$88. As an optional offer, the newspapers said they would pay \$74 and \$79 if the printers would sign a proviso waiving future sharing in the company profits. For the past ten years the Gannett newspapers have had a profit-sharing plan in operation for all employees. The printers claim the company has tried to justify its "low" wages by giving a bonus at the end of the year. The Typos have denounced the optional offer as an attempt to get printers to "sign away their rights to the company's highly-touted profit-sharing." They also claim that, inasmuch as the company's board of directors has complete control over the amount paid under the profit-sharing plan, it would not be considered as a part of the employees wages. Therefore, say the printers, by asking them to give up this bonus management is "discriminating" against one group of its employees.

Other union workers in the two newspaper offices remained on the job. They included news-

room employees, members of the Newspaper Guild (CIO) employees, the stereotypers and the pressmen.

To the man in the street, life seemed to be flowing along at a normal pace, despite his lack of daily papers. Stores were doing business and the people were getting their news via radio.

But what happened to Lil' Abner in the Sadie Hawkins Day manchase was a matter of much concern to the citizens of Rochester. Yes, they missed the comic strips.

PRINTERS . . .

(Continued From Page 1)

Union No. 15 have been receiving comparatively low wages for many years.

Now again, the Gannett management asks the printers to sign away their rights to its highly touted profit-sharing. It even requested a commitment for "future" employees. Therefore, they have asked the printers to accept a raise predicated on their willingness to forego something they have already earned this year, and which through practice and

arbitration has been considered as wages.

It must be borne in mind that this method of profit sharing is in complete control of the Gannett Company's board of directors. Now, however, the management seeks to discriminate against one group of its employees.

The basic issue upon which this controversy rests is insistence by management that the union commit its members, present and future, to rejection of a policy which is the property of management, both in inception and administration.

The unyielding position of the Gannett management in Rochester, made possible by virtue of

its monopoly and its "take it or leave it" attitude directed toward the public and its employees, has denied this community access to a local newspaper.

The union's sole and major reason for rejection of the publisher's proposal rests upon injection of a discriminatory rider over which the union had no control, and his insistence upon the union's acceptance of a rebirth of "yellow-dogism."

Top 'Met' Stars To Sing 2 Verdi Operas Here

Two major musical events will brighten the Thanksgiving holiday for opera fans in the Rochester area when the newly organized Verdi Grand Opera Company presents "Otello" and "Rigoletto" in Columbus Civic Center Auditorium Nov. 27 and 28, respectively.

A galaxy of Metropolitan Opera Association stars has been engaged to sing the leading roles of the two operas. Such famous artists as Giuseppe De Luca, Giovanni Martinelli, Helen Selheim, Josephine Antoinette, Frank Percelli, Vivian Della Chiesa, Virgilio Lazzari and George Czaplicki are included on the Verdi Company's roster.

maestro, and Pietro Cimara, one of the "Met's" outstanding conductors. Fifty top-flight New York musicians will be in the orchestra pit and the chorus and ballet will also be brought from Gotham.

Presentation of two of Verdi's most dramatic operas by such outstanding artists promises to be one of the highlights in the Rochester musical season. Never before have so many prominent singers been engaged to perform in the city. The Columbus Auditorium, newly modernized and with scientific acoustical equipment installed provides one of the most suitable auditoriums for opera presentations in Western New York.

GIOVANNI MARTINELLI

No Acting For Stein Until 'Ice Capades' Came Along

When Charles Philip Andrew Anthony Stein was a mere boy, he was positive about one thing. He was never going into show business.

The reason for such a decision by one so young was that he knew he was destined to be undersize and that he wouldn't grow much taller than the 3-foot-five he attained at the age of 10. Even as a pre-teen-age he knew that any offers for show business would be to assume the role of a freak and be stared at by the curious. This, he decided, was not for him.

At home, young Mr. C. P. A. A. Stein lived a normal life.

School was a cinch for the young and his grades ranked right up with the rest of the big fellows. During his high school days, he attended the exposition in Cleveland and was offered a job sitting in front of a tent for people to gaze at him. The offer was turned down but convinced him that such were the type of opportunities that show business had to offer him.

After completing high school, he went to work as an usher for John H. Harris. Harris also had a hockey team in the American League and Stein was a favorite with the players who taught him to skate. Later he was named mascot of the team with 1/2 as his uniform number.

Meanwhile Stein saw the possibilities of winning a place in show business where his talent rather than his size would be an entertaining factor. Again he "sold" his boss on the idea and

Chuckie Stein, shown here with Nate Walley, in a scene from "Polka Dots and Dashes."

was given a chance to show his ability in "Ice Capades".

The result is well-known by every ice show fan across the nation who has ever seen "Ice Capades" which comes to the Buffalo Memorial Auditorium Nov. 28 to Dec. 1. The little fellow with the surplus names is none other than Chuckie Stein, the four-footer in the cast of the big extravaganza, who now is one of the top skating comics in the field.

Inside Hollywood...

Monogram plans to produce fifty-three features during the next twelve months, more than any other studio in the industry. Among them are to be six \$1,000,000 features to be produced by the King Brothers, including "The Last of the Bad Men" from a book by Jay Monaghan and "The Hunted," a psychological murder drama by Steve Fisher. Also, "Focus," for which Frank Sinatra is wanted; "Gun Crazy," an original story by McKinlay Kantor; Phil Yordan's "The Wabash Blues" and "I Wouldn't Be In Your Shoes," a story by Steve Fisher.

Clark Gable, who has been absent from the screen since his appearance in "Adventure" in 1945, has signed a new contract with MGM and has agreed to accept "The Hucksters" as his next assignment. Deborah Kerr, English actress, will come to the United States to appear with Gable in this film.

It is reported that Universal-International will pay \$200,000 plus a percentage of the profits for the screen rights to "Bloomer Girl," if negotiations for the property are concluded. The deal is understood to give the studio complete supervision of the film production.

Dick Tracy fans will be delighted to learn that Ralph Byrd, the original screen Tracy, is back in Hollywood, in the role and is set for eight more Tracy pictures.

So delighted were they with Richard Ney's performance in "The Late George Apley," that 20th-Century Fox gave him a bonus.

The title "Katie For Congress" has been changed to "The Farmer's Daughter," thus taking the stigma of politics off the title — how about film?

Mack Sennett Rates High Spot In Films History

By ELLIVRO NELLA

Someday when the historians get around to evaluating the solid accomplishments of pioneer figures in the motion picture industry, they're going to have to blazon the name of Mack Sennett at or near the top of the list of the immortals who started movies on their way toward big business. Director Eddie Sutherland believes.

Sutherland, who has just completed his directorial chores on the new United Artists release, "Able's Irish Rose" and is relaxing a bit in New York, can quote you chapter and verse on those early-day doings of the fabulous Mack, having started to work for that gentleman way back in 1915.

That one may recall, was the glamorous era when Sennett was making the nation roar at the antics of his Keystone Cops and his bathing beauties—all packaged in fast-moving two-reelers which even to this day are occasionally revived and brought back to the screen.

The Sennett forces at the moment included many players who were destined to go far on their way to fame and fortune — there was Roscoe "Fatty" Arbuckle, Gloria Swanson, Charlie Murray, Marie Prevost, Ford Sterling, Marie Dressler, Lloyd Bacon, Owen Moore, Mal St. Clair and Norman Taurog. Eddie himself received \$5 per day with a guarantee of three days' work each week. Arbuckle was pulling down about \$250 weekly.

"Everybody helped on the script," relates Sutherland, "and all hands had to hustle props or do any other chore which needed doing. There was no such thing as artistic temperament in those days. That's how many of us got to be all-around experts in movie making. Mack might come in some morning and say:

"Let's do a picture, about a fellow who meets a girl in a park—and make it funny!" Whereupon his players would go into a story huddle, each contributing such gags and ideas as might pop up. By evening we usually had a fairly good script lined up and we'd begin work on it the following morning.

It was Sennett who figured out that celebrated gag of showing 30 or 40 of his dopey Keystone Cops emerging from one rickety little patrol wagon. He achieved this effect by removing most of the floor from the car and parking the patrol wagon over the mouth of a shaft which had previously been dug in the earth. Leading to this shaft was a longish tunnel into which the comedy cops were lined up. One by one they'd move up to the shaft, climb into the car from below and then emerge from the door as the camera ground, the camera being tilted, of course, so that it didn't include the bottom of the machine or the opening of the pit below.

Sennett it was who developed some of the best of the early trick camera work. There was, for instance, his initial use of the gag of cranking the cameras backward. The audiences roared at the sight of the stupid coppers running in reverse on the screen.

The old Sennett studio at Edendale, which was way out

'COKE CLUB' WRITER HAILED FOR BOOK

Hector Chevigny, blind writer of Morton Downey's "Coke Club" radio program is being congratulated right and left on his recently published book, "My Eyes Have a Cold Nose," (Yale University Press) the story of his personal experience and his dog, Wizard, the "Eyes with the cold nose". Robert E. Kingery, reader's advisor for the New York Public Library, has this to say about the book in a recent issue of Library Journal:

FINALLY GIVES IT UP

New York—Nathaniel Vickers celebrated his 100th birthday on October 9th by playing what he vows will be his last game of golf. Vickers, a retired architect, played golf regularly during the past summer.

Queen of Beasts Blessed Events

When the Shrine Circus opens at the Armory this afternoon at least one of the animals will have its mind on things far more important than the crowds out front.

Dolly, a four-year-old lioness whose Rochester for the birth of her cub, a male, which was promptly named Rochester by Dick Clemens, owner and trainer of the wild animals appearing in the circus.

The lady lion wasn't too particular about where she whelped her offspring, either, the confinement and birth taking place in a truck in Main Street East as the animal procession moved toward the Armory Saturday afternoon.

The proud pappy, Tyrone, a six-year-old, got a quick peak at his son through the bars of his cage when the animals were unloaded but he had no comment, except a growl, for reporters who were expecting, probably, a cigar.

According to Clemens, Rochester will stay with his mother for the next 10 weeks during which he will be bottle fed. If all goes well, he will gain at the rate of one-half pound per day until he weighs in at some 70 pounds. Eventually he will attain his full growth of about 525 pounds.

ED RANDALL'S Scene & Word

A new and young bride walked into Hart and Vick's store the other day and after intently looking at the display of trees, approached one of the clerks.

"I want to grow some trees. Henry and I have our own little home now and we thought it would be nice to have some tall, sturdy trees growing when, er — ah, any little ones should grow up and want to play in the yard. Can you sell me a few seeds?"

"Why, certainly, madam," replied the clerk, and he handed her a packet.

"Can you guarantee these?" asked the customer.

"Oh, absolutely. We guarantee everything we sell here."

"Will the trees be tall and thick in the trunk?"

"They should be. They are that kind of tree."

"And quite strong at the roots?"

"Yes, indeed."

"Well, then," concluded the customer, "Maybe you'd better sell me a hammock, too."

Sign in the window of the White Tower restaurant, corner Court and Stone Sts., last Monday: "WET PAINTER." Using a dry brush, no doubt.

One time a government post office inspector on his annual tour called at the little post office in a small town which shall be nameless. The post office was located at the rear of the general store, behind a few cracker barrels and sacks of potatoes and kindred products of the soil. It seemed to be managed in a very slipshod manner and the inspector was quite horrified at the postmaster's treatment of his Federal trusteeship.

"Look here," cried the inspector angrily to the storekeeper. "You're certainly going to hear about this when I send in my report. You can't treat the government in this manner and expect to get away with it."

The grocer-postmaster didn't reply to this angry tirade. He simply turned on his heel and disappeared behind the barrels and sacks and in a few moments emerged with a cigar box which contained some stamps, a few

OSCAR II REGAINS HEALTH AND ADDS 25 POUNDS

Thanks be! Oscar II, the aristocratic polar bear at Seneca Park Zoo, has completely recovered his health and Fred Strassle, zoo superintendent, says that he will remain that way provided the public refrains from feeding him peanuts and popcorn.

To be explicit, Oscar has gained 25 pounds since his first illness. His breakfast menu consists of four loaves of bread, coffee cake, six pounds of fish roe — and for dessert two big mackeral.

Now the kindly Mr. Strassle is even teaching tricks to Oscar II. His latest stunt is balancing himself on a bowling ball. Easy? Well, see if you can do it.

BUILDERS SHY FROM 'PRE-FAB' GOV'T LOANS

Wilson Wyatt, Housing Expediter, seeks to prime the prefabrication industry with \$54,000,000 in Federal loans, but, for some reason, there is a reluctance on the part of house-builders to accept the prefabricated structures.

The original housing goal for 1946 set 250,000 prefabricated homes as its objective but reports indicate that the total output will be around 40,000.

Meanwhile, the National Housing Agency says that five aircraft factories are preparing to start assembly-line output of additional dwellings. This probably means a faster output because the production of wood and plywood prefabricated homes has not yet passed the 1,000-a-week mark, partly because of lumber and other material shortages.

The cost of building a home in the United States is entirely too high and there has been, so far, no successful method of producing them by mass-production methods. The suggestion has been made, however, that, despite the tendency of builders to cling to conservative materials, there is a possibility of reducing costs by the mass production of homes.

Now the kindly Mr. Strassle is even teaching tricks to Oscar II. His latest stunt is balancing himself on a bowling ball. Easy? Well, see if you can do it.

BUILDERS SHY FROM 'PRE-FAB' GOV'T LOANS

Wilson Wyatt, Housing Expediter, seeks to prime the prefabrication industry with \$54,000,000 in Federal loans, but, for some reason, there is a reluctance on the part of house-builders to accept the prefabricated structures.

The original housing goal for 1946 set 250,000 prefabricated homes as its objective but reports indicate that the total output will be around 40,000.

Meanwhile, the National Housing Agency says that five aircraft factories are preparing to start assembly-line output of additional dwellings. This probably means a faster output because the production of wood and plywood prefabricated homes has not yet passed the 1,000-a-week mark, partly because of lumber and other material shortages.

The cost of building a home in the United States is entirely too high and there has been, so far, no successful method of producing them by mass-production methods. The suggestion has been made, however, that, despite the tendency of builders to cling to conservative materials, there is a possibility of reducing costs by the mass production of homes.

1946 Football's Daffiest!

By Ed Simms
Regardless of what happens next year, the 1946 football season will go down in the record books as one of the daffiest of all time. The strong war-time colleges bowed out stubbornly this Fall to the rejuvenated post-war eleven powers and by next year, they won't be even a serious threat for the National championship. Army held to its war-time greatness longest of all the others. Navy was sunk in its second battle of 1946 and Alabama's Rose Bowl winners of 1945 were subdued this year by Tennessee and Georgia to mark the end of that streak. And while these big boys were tumbling down, other college elvans were roaring up the grade, notably Notre Dame and Georgia—pre-war powerhouses. Probably, Notre Dame's surge was less of a surprise than Georgia's. Of course, Notre Dame and Georgia have games yet to play and Tech might knock the Bulldogs off on the 30th, but nevertheless these two teams along with many others symbolize the return of post-war standards. Coincidental with the rise of major powers of yesterday this Fall was the stunning upsets registered all over the country each week. Texas, supposedly the king-pin, was K. O'ed by Rice as an example of the dizzy doings earlier this season. And who was Rice, anyway? Bill Stern had called Texas the nation's greatest and they might be but Jess Neely didn't know enough about it. Anyhow that one day pasting cost them the chance at the title this year. It was that way with others—the boys just didn't play according to the dope sheets and the odds-makers were always up a tree or out on a limb. Now, what about 1947? Well, many coaches have been waiting a long time for Davis and Blanchard and Tucker to graduate. They do it next June unless strategy is revised. At any rate, they won't perform for the cadets next Fall. We'd say there's a lot in store for the Army next year—what with revenge and all that having accumulated so long. We'd say they will go down more than once. As for Navy, they can't go down much more often next year. Notre Dame will be strong again and the Big Ten or the South will probably turn out the nation's champion. Upsets—they'll be almost as frequent as this Fall, but not quite. Coaches have some sort of idea now that their competitors are up to, and what to expect from certain players. The element of surprise will be great but less in 1947 than this year. As for attendance, many big schools would do well to provide themselves with larger stadiums. Unless something unforeseen pops up, next year's crowds will be just as large as those this Fall — when so many thousands tried and failed to get into hundreds of sell-outs all over the country. Large stadiums will also save the average fan money. Scalpers can't charge the price for tickets they charged this Fall if there is ample room for everybody. And if school boards will look into the records, they'll find that the majority of enlarged stadiums in past years have paid for themselves already, or are well on the way toward reimbursing the school treasury.

DAIRYMEN HEAR PLAN TO AVOID MILK SHORTAGE

NEW YORK, Nov. 11.—Emergency action to avoid the possibility of a milk shortage in the present short supply season was undertaken today by Dr. C. J. Blanford, market administrator for the New York metropolitan milk marketing area.

First step in his program to guard against a shortage this winter in New York City was taken by Dr. Blanford Friday when he set minimum percentages of fluid milk which each supplier must ship from their pool-approved plant. He met the suppliers in a meeting in the Hotel Commodore Friday at the request, he said, of the New York City Health Commissioner.

Quotas for the fluid portion were set at about 90 percent of their total supply.

Under provisions in the federal and state milk marketing orders, the market administrator may suspend New York pool plants if they fail to meet the percentage requirements set for the winter season or use milk for other than fluid purposes.

MRS. WHITMORE WILLS ESTATE TO CHURCH, KIN

Mrs. Alice Foster Whitmore, 94 Barrington St., deceased, left an estate estimated at not over \$7,000, according to the will filed Saturday in Surrogate Court. To St. Paul's Episcopal Church Women's Auxiliary was left \$100. Harry F. Whitmore, 110 Westminister Rd., son, inherits a bank account and the residuary estate after other bequests. Florence Crockcroft, Arlington, Mass., received another bank account and certain personal effects. Two other relatives were bequeathed personal effects. The Rev. Stanley Wilson, 86 Winton Rd. S., was given an automobile. Charles J. O'Brien represents the estate.

CENTRAL CHURCH WOMEN'S LUNCHEON

A special luncheon of the Women's Association of Central Presbyterian Church will be held at the church next Monday at 12:30 p. m. to hear Mrs. Tamaki Eumura of Japan.

Mrs. Eumura is the first Japanese citizen to be admitted to this country since the end of the war. She is now on a national speaking tour before church women's groups. In Japan she was the pastor of a church in Tokyo and even though her church and home were bombed during the war she continued her Christian work.

LEGION POST WOMEN SEEK SALE DONATIONS

SALE PRE-HOLIDAY SALE— at RIPTON DRESSES. Holding to typical Ripton tradition, it is a honest-to-goodness SALE. Starting at the modest sum of \$5.95, \$8.95 and \$10.95, former values to \$18.95, the groups include crepes, wools, in many combinations of color and also plenty of blacks, pastels etc. All sizes are to be found, 9 to 20 and also 14 1/2 to 24 1/2. My suggestion is when you read this grab your hat and purse and sit for RIPTON DRESSES, why cause plenty of Rochester will be taking advantage of this SALE. RIPTON DRESSES are located 739 MONROE AVE.—Open Eve.

SPECIAL G.A.I.A. HOLIDAYS AHEAD— Yes, I know—but how about your head? Look at your noggin—every one else does. Arrange to take advantage of the SPECIAL OFFER by JEANNE'S HAIR STYLING. Your choice of either machine or machineless LIFE-OIL permanent—for the small sum of \$8.50—regularly \$12.00. A shampoo and wave are included in this price. ESKA COLD WAVES are yours if you prefer this type of wave—(loads of women do). Ask JEANNE to suggest and render a new hair-style. She is a master at the art. Make your appointment today—remember plenty of parties are in the offing for Thanksgiving. JEANNE'S HAIR STYLING—727 Granite Bldg., Main 2180.

If you are holding on the idea of saving 50 cents a pound or more for your next shopping trip, here's an idea. Buy some potato make it slaw—and there you have it. Sweet stuff for a very small amount per pound.

DOLLS—DOLLS— a n d more DOLLS. They are the very newest in the vogue of giving. At one time Dolls were meant for the girl children of the world, but today the entire feminine world practically swoons at the brain-child of M. Bernard Rava. Doll maker, his nationally famous collection is being shown at EDWARDS all this week. You'll find a historical and fictional character dolls, all adorable and very interesting. The likeness of individuals such as Mrs. Eleanor Roosevelt, Frank Sinatra is startling. There are 2000 dolls in the collection ranging from six inches high to life size. A once known doll is now a hobby of collecting DOLLS. Some of them were RAVCA DOLLS. She spread the word "doll" among her friends and family. That this particular hobby was her present love. She bought an old china cabinet, did it over herself—and used it for a storage of her beautiful dolls. They were certainly conversation pieces, whenever she entertained—and rightly so. They were the most interesting "collection" I have ever seen. Together with gaining in value as time went on. Why not start your little girl on such a collection of RAVCA DOLLS, or a member of your family might be interested. In any event, even if you aren't a collector, a potential one, drop down to EDWARDS—in DOWN-STAIRS TOWN and see this beautiful collection of RAVCA DOLLS—by M. Bernard Rava. EDWARDS—Setting a New Pace in Rochester.

LOOK You're never lovelier than when you're wearing that dress you bought at ZWIG DRESSES. Your choice is made easy—because selection has been careful at the source. Lovely new fall casual clothes, other dressy enough for any occasion—suits, all beautifully tailored and gently priced. Drop in at this friendly little shop located 240 ROSEDALE off Monroe. Open Eve.

ALICE ALICE DRESS SHOP has always been associated with the drama of good taste, the spice of imagination, when it comes to selecting "clothes" for you. Fine craftsmanship is considered important and is what you "buy" at ALICE'S. But remember, I have been telling you, Alice doesn't "stop" at dresses, you'll find slips (large sizes also) sweaters, jumpers, lingerie, a complete line of Harper Cosmetics—along with a very ample supply dresses in pastels, basic blacks, other color combinations you'll adore. Prices start at \$8.95. ALICE DRESS SHOP is located at 650 MONROE AVE.—Open Eve.

CARTER HAT Young in heart—are those SNOWFLAKES they hats at CARTER HAT SHOP. Fashioned of snowy rabbit—looks like ermine—they are adorable in either white (\$4) or pastels (\$5) plus tax. Imported from California—other adorable in hats—priced \$3.95 up. Gage Line is also included at Carter's. Use the lay-away plan in selecting your Christmas gifts. Select JEWELRY—gorgeous "hunks" in bracelets, pins, earrings chatelaines, priced \$1 up. BAGS—lovely ones—priced gently. Gorday in day and evening bags. Broad selection early. Mrs. Carter will hold them for you 'til you're ready. CARTER HAT SHOP located 650 MONROE AVE. Open Eve.

REDUCE Are you always weary—do you dread buying clothes—'cause you're overweight. You do—take heart fair lady—call STONE 6210—and make arrangements with LA BETTUS for a series of treatments on her famous BATTLE CREEK LOUNGE. The results are wonderful, you'll find yourself a calmer, more placid person—plus a new zest for living—through the loss of weight—and smaller measurements. PATTIS—Stone 6210 Burke Bldg.

The long torso is the trend in the fall fashion parade. A young dress of black and white checked tulle—shows the long torso bodice with front fullness in the skirt. A white collar sets off a cherry red velvet bow.

LLOYDS Plan with LLOYD'S to reduce your weight. You may send her a centerpiece for her festive board—or cut flowers for her living room—or maybe a long-lasting plant. Any are correct—and your recipient will always remember your thoughtfulness. Place your order early to avoid disappointment. Call Main 7688—and ask their advice. Every order that leave LLOYD'S is perfect—always delivered promptly, and as for cost—you'll find a little money will buy a respectable showing. LLOYD'S LEAD AGAIN. Powers Hotel.

It will be a "hit" every time you serve it what COTTAGE CHEESE—of course—delivered by BRIGHTON PLACE DAIRY. It is the most versatile of all food—delicious in salads—ideal for a garnish—perfect combining with other food in sandwiches. Of course I assume by now—your are using HOMOGENIZED VITAMIN D MILK—in your home. If you aren't, better arrange for it's delivery. It is the perfect food—for everyone. Uniform in quality, delicious to taste—Call GLENWOOD 144—BRIGHTON PLACE DAIRY—45 Fulton Ave. (Division of General Ice Cream).

If your particular talent lies with the crochet needle, work up a set of six or eight a dozen glass sweaters—a wonderful idea that saves the finish on tables. Use the simplest stitch of all—plain single crochet, and a set will take you no time at all. You may make them in solid colors with a narrow border for contrast.

Good cooks are those who LIKE TO COOK. And liking to cook is something you acquire—if you know how to. AT HOME SERVICE—R. G. & E.—you will receive all the information you can possibly want cheerfully and quickly. You may call HOME SERVICE any time—and ply them with questions—and you'll find THEY KNOW ALL THE ANSWERS. More and more women are taking advantage of this service. WHY DON'T YOU? Remember HOME SERVICE is Rochester Gas & Electric Co.—49 East Ave.

SALE A SPECIAL EVENT—a SALE on MATERNITY DRESSES—at "800" SHOP. This is the first time this popular baby shop has ever placed MATERNITY DRESSES on sale. Their loss—your gain. Priced very low cost. ADMIRAL URGES STRONG NAVY AT ARMISTICE RITES

Speaking before 800 guests at an Armistice Day luncheon in the Chamber of Commerce sponsored by the Monroe County American Legion, Rear Admiral John E. Gingrich, Philadelphia Director of Reserve, Naval Operations, urged the strongest Navy feasible under a sound economy.

The Navy official pointed out that the Navy has the responsibility in the light of current chaotic conditions in the world, to maintain itself in complete readiness and play its part in upholding national policy.

He said the efforts of the Navy in the immediate future will be in fields of research to develop new weapons and new countermeasures. He asserted that while the United States must support the United Nations Organization, "until there is a practical method of dealing with the evil potentialities of atomic weapons and until the United Nations is a going concern" this nation must retain the cadres of its military organization if it is to be able quickly to mobilize its defense.

PHILIPPINE 'Y' HEAD SPEAKS HERE TONIGHT

E. Stanton Turner, senior American YMCA secretary for the Philippine Islands, is a guest of the Rochester YMCA today. His visit to the city is being spent in sharing with local "Y" members his "inside story" of the Philippines, at war and at peace.

A dinner will be held in his honor at the Central Y this evening at which time he will relate some of his experiences as a YMCA secretary in the Philippine Islands during the past twenty years.

During his twenty years in the Islands, Turner held the important post of National General Secretary for the Philippine YMCA until 1940. At present he serves as adviser and associate secretary to the Philippine YMCA movement. In 1941 when the Japanese invaded the Philippines, Turner was captured and interned in concentration camps.

His alma mater, Grinnell College, Iowa, honored Mr. Turner this fall with a Doctor of Laws degree.

PIANO, ORGAN RECITAL LISTED FOR SUNDAY

STATION AIDE SLUGGED IN BOLD ROBBERY

Police are searching for three men who entered a gasoline station at 1004 St. Paul St., early yesterday morning and made their getaway with \$25 after slugging the attendant.

The assaulted attendant, William Jeffers, 25, of 109 Paige St., in charge of the Grover Scharvogel station, told police that when the three men entered, one handed him a dollar bill, asking for change in order to use the telephone. As Jeffers watched the man go to the telephone, the other two struck the attendant with some blunt instrument, he told police.

Injured but conscious, Jeffers tried to run to the door of the station, according to police, but was seized by the man at the telephone. The three men then emptied the cash register and left. They were last seen running eastward on Clifford Ave. Jeffers was treated at General Hospital for a head laceration.

Denies Charge Of Assault

Lawrence Thornton, 32, of 7 Fryer St., pleaded innocent in City Court Monday to a charge of attacking two men with a knife and flat iron in a rooming house at the same address. Judge Thomas P. Culhane adjourned his case to Dec. 19.

OES CHAPTER MEETING

Germania Chapter No. 72, OES, will meet Monday at 8 p. m. in Room A of Masonic Temple.

AUTO OVERTURN CAUSES INJURIES

Suffering severe injuries when his car went off East Henrietta Road in Henrietta, Bernard Farley, 22, of West Bloomfield was taken to Strong Memorial Hospital early Wednesday morning. State Police reported that the car turned over after jumping the 20-foot Red Creek.

Nature is beautiful but can be assisted by man if he thinks about it in time.

Rochester Office Scene Of Real-Life Hearing Drama

This is one true story that begins with a happy ending. After six long years of impatient hearing, a prominent Rochester man sat down in our Beltone office last week, adjusted a tiny earpiece and looked up in amazement. "It can't be true," he whispered. "Can I hear someone typewriting across the hall?" ... It was true. He heard that typewriter more clearly than he had heard any sound in years. The Beltone Mono-Pac Hearing Aid brought his hearing difficulties to a happy ending. It will do the same for you.

YWCA TO HONOR PHILIPPINE LEADER AT TEA

Miss Filomena Florendo member of the staff of the Manila YWCA and former guest member of the local YWCA staff, will be guest of honor and speaker at a tea next Sunday at 4 p. m. in the Franklin Street building of the Rochester YWCA.

The event will climax local observance of a Week of Prayer and World Fellowship which is an international observance of YMCA's and YWCA's.

A joint observance for members of the boards and staffs of the YWCA and the YWCA will be held Friday at 12:15 p. m. in the YWCA building.

Miss Florendo, who is now student at the University of Pittsburgh, will visit Rochester for the first time since her arrival in this country. She served on the local YWCA staff in 1939 and returned to the Philippines just before the outbreak of World War II.

As a member of the YWCA staff of Manila, she performed during the war period important services for her own people and later extended hospital care to American G.I.'s stationed in Manila. Miss Florendo speaks on what the war meant to the women of the East and what values are emerging there.

All members of the Rochester YWCA and those who know Miss Florendo while she is in Rochester are invited to attend.

AUXILIARY WINS MEMBERSHIP AWARD

The Julia B. Tutty Cup generally for the greatest percentage of increase in membership was recently awarded the York-Couchman Auxiliary in ceremonies at the Doud Home on Buffalo Rd. Mrs. V. Albright, recently installed president of the group, chairman of the membership committee that year accepted the award.

Two other citations for same record were also presented to the auxiliary — one awarded by the state and the other national headquarters of the American Legion.

BOOK REVIEW

Members of Leah Reb Lodge No. 352 will gather at YWCA next Monday evening to hear a book review by Mrs. Barney R. Noble Grand Jean Lapides reside.

WOMEN'S COMMITTEE FETES HARRISON

The first in the series of luncheons preceding Rochester Philharmonic orchestra concerts, was held Tuesday at the Chamber of Commerce, presided over by Mrs. Edward H. Compston, president of the Women's Committee of the Civic Music Association.

Principal speaker was Guy Fraser Harrison, who will conduct tonight's Eastman Theater concert.

Music for the luncheon was supplied by four members of the orchestra: Vincent Pezzi, Bassoon player; Robert Sparkle, clarinetist; Rufus Arey, oboe player, and Joseph Mariano, flutist.

POLICE HUNT TRUCK WRECKER

Somewhere in Rochester today is a bad, bold thief who stole a Department of Commerce truck Tuesday night and abandoned it after ramming a tree.

Patrolman Anthony Vasconykas of the Lyell Ave. Station reported he heard a crash at Backus St. and Phelps Ave., about 9:45 P. M. and upon investigating saw a man apparently about 20 years old running from the truck. Although the patrolman pursued him, the fugitive disappeared in Backus St. backyards. The truck was undamaged.

YWCA TO HONOR PHILIPPINE LEADER AT TEA

Miss Filomena Florendo, member of the staff of the Manila YWCA and former guest member of the local YWCA staff, will be guest of honor and speaker at a tea next Sunday at 4 p. m. in the Franklin Street building of the Rochester YWCA.

The event will climax locally the observance of a Week of Prayer and World Fellowship, which is an international observance of YMCA's and YWCA's.

A joint observance for members of the boards and staffs of the YMCA and the YWCA will be held Friday at 12:15 p. m. in the YWCA building.

Miss Florendo, who is now a student at the University of Pittsburgh, will visit Rochester for the first time since her arrival in this country. She served on the local YWCA staff in 1940 and returned to the Philippines just before the outbreak of World War II.

As a member of the YWCA staff of Manila, she performed during the war period important services for her own people and later extended hospitality to American G.I.'s stationed in Manila. Miss Florendo will speak on what the war has meant to the women of the Far East and what values are emerging there.

All members of the Rochester YWCA and those who knew Miss Florendo while she was in Rochester are invited to attend.

AUXILIARY WINS MEMBERSHIP AWARD

The Julia B. Tutty Cup given annually for the greatest percentage of increase in membership was recently awarded to the York-Couchman Auxiliary in ceremonies at the Doud Post Home on Buffalo Rd. Mrs. Vesta Albright, recently installed as president of the group and chairman of the membership committee last year accepted the award.

Two other citations for the same record were also presented to the auxiliary — one awarded by the state and the other the national headquarters of the American Legion.

BOOK REVIEW

Members of Leah Rebekah Lodge No. 352 will gather at the YWCA next Monday evening to hear a book review given by Mrs. Barney Rubin, Noble Grand Jean Lapides will preside.

PHYSICIST TO SPEAK AT 'Y' AUXILIARY

Dr. Robert Marshak, associate professor of Physics at the University of Rochester will address members of the Woman's Auxiliary of the Arnett YMCA, next Monday at 2 p. m. His subject will be "The Atomic Bomb".

King Circle, of which Mrs. Kenneth Tanger is chairman will be in charge of the meeting. Mrs. Howard Moore will lead the devotions.

An executive committee meeting will precede the session, at 1 p. m.

NEW POWER HOUSE — Here is an artist's sketch of the proposed new steam electric generating station to be erected at lakeshore by the Rochester Gas & Electric Corp. The proposed plant will cost upwards of \$15,000,000. First unit will be opened sometime in 1948.

FOUR CORNERS FIRE CAUSES LARGE DAMAGE

Box alarm of fire followed by a telephone alarm brought a concentration of fire apparatus to the Four Corners section shortly after noon yesterday when a car washing shed on the property of the Casino Parking Station, 36 Corinthian Street, caught fire.

Fire Chief John Slattery said the blaze was apparently caused by a spark from one of the cars inside the shed. Although no cars were damaged, Samuel Kanthor of 83 Jewel St., owner of the Station, said a quantity of auto accessories and some photographic material were damaged to the extent, he estimated, of \$1,500.

TO HEAR EDITOR
Harold Sanford, editor of the Democrat and Chronicle, will meet with the YMCA Book Review Club tomorrow, Friday noon at the Central YMCA to discuss Henry L. Stoddard's "Biography of Horace Greeley".

HURT IN CAR CRASH AT MAIN ST. BRIDGE

Christine Musey, 44, of 19 Wilsonia Rd., suffered minor injuries in an automobile accident early Saturday at the railroad bridge in East Main St., when the car driven by Anthony DiLalla, 37, of 260 Wilder St. in which she was riding, was hit by a car driven by Robert W. Hartman, 25, of 12 Grove Place.

Man Injured In Bus Collision

Marshall Tiffany, 30, of 88 Alexander St., suffered a wrist injury when the car he was driving collided with a Rochester Transit Corporation bus at Spring and Clarissa streets late Monday, according to police. He was treated at General Hospital. The bus, police report, was driven by Theodore Phillips, 32 of 330 Merchants Rd.

Man Held For Grand Jury Action

His appearance in City Court yesterday on charges of second degree grand larceny and third degree burglary resulted in William Trude, 16, of 70 Wisconsin St., being ordered held for Grand Jury action. Trade waived examination. He is said to have entered the Baikirch Hardware Store, 755 Winton Road, No., on Nov. 2, taking \$110 in cash and merchandise to the extent of \$90.

UNITED JEWISH FUND DRIVE SEEKS MILLION

The United Jewish Welfare Fund of Rochester will begin its 1946 campaign with a dinner meeting at 6:15 this evening in the JYM & WA Auditorium. Rabbi Abraham Klausner, former U. S. Army chaplain, will describe conditions of displaced persons in Europe as he saw them, according to Elmer Lewis, executive director of the fund, which seeks \$1,000,000 during the campaign ending Nov. 25.

General chairman of the drive is Jack Rubens, who is assisted by Arthur M. Lowenthal, chairman of special gifts; Joseph E. Silverstein, chairman of trades and business; Henry A. Reich and Jacob S. Hollander, co-chairmen of the general division; Mrs. Joseph M. Neisner, chairman of women's division; and Betty Stillier, chairman of the junior division.

The drive will stress the needs of the 1,250,000 surviving European Jews, including 150,000 children. Major beneficiary of the fund is the United Jewish Appeal which has launched a nation-wide campaign for \$100,000,000 for relief and reconstruction in Europe and other lands. Some of the funds will be used for rebuilding and settlement in Palestine.

The campaign is said to be the largest humanitarian drive ever undertaken by any American organization for rebuilding the lives of unfortunate people. Represented in the drive are three major agencies: the Joint Distribution Committee, United Palestine Appeal, and the United Service for New Americans.

Car, Bus Crash Net Head Injuries

Samuel Rosen, 52, of 1511 St. Paul St., suffered head and right leg injuries Monday when the car he was operating collided with a Rochester Transit Corporation bus at the corner of Joseph Ave. and Wilkins St., police reported.

Following the collision, Rosen's machine spun out of control, mounted the curb and smashed two plate glass windows in the front of a meat market owned by Otto Schudt, 747 Joseph Ave. The bus, according to police, was driven by Andrew Farmbach, 32, of 159 Plymouth Ave. No.

CIVIC LISTS IRISH MUSIC PROGRAM

The Rochester Civic Music Association and the Knights of Equity will jointly sponsor a special program of Irish Music Sunday night Nov. 24 at the Eastman Theater. Soloists will be Danny O'Neill, radio tenor and Eileen Malone, harpist with the Rochester Civic Orchestra under the direction of Guy Fraser Harrison. Robert Kiernan is General Chairman.

TO JOIN HUSBAND

Mrs. L. Kenneth Gilbert and daughters Sandra and Judy will arrive by plane in Copenhagen, Denmark Monday and will fly to Frankfurt, Germany where they will meet their husband and father. Capt. Gilbert is a son of Mrs. J. Marsden Gilbert of 75 Aberdeen Street.

his week. On his return when he led the story, he branded it as "pure bunk."
Kelly pointed out that he is a member of a new broadcast station and that he would have time to take on any extracurricular activities. And furthermore he said he was not interested in fighting Bush.
Kelly's political enemies claim he learned his lesson when he entered the primaries in 1936 and knocked out James P. B. Duffy for the nomination for Congress in the old 40th Congressional District (now the 40th). Kelly got the nomination and was elected. However, in 1938, Joseph J. Brien the dapper East Rochester Republican, battled Kelly and licked him. And there were stories at that time of O'Brien getting a lot of help from Kelly's foes.
Kelly was an early arrival on the Jim Mead bandwagon.

He organized a special independent committee in the Seventh Judicial District for Mead and sought and obtained help from Bush. Kelly also aided the general Democratic campaign committee. At a George F. Rogers meeting in the Seneca Hotel he spoke for "the general good of the party." He got a big hand.
Defeat of the Democrats in this county followed the "trend" throughout the state and country.
The local Republicans are still whooping it up over their big victory. Tom Broderick, Republican county boss, is on a vacation. When he returns he will call in Kenneth B. Keating, successful candidate for Congress against Rogers, and the victorious state legislators and discuss future plans of legislation beneficial to Monroe County (Republicans).
The New Year's Day reception at the Powers Hotel on Jan. 1, 1947, should be a humdinger. The punch bowl really

should have something stronger than just pink 'tutti' fruity' juice. The boys really should have something good this time for the grand job they did. The "coasting" was really skillful.

Just because we have completed a bigger war is no reason to overlook the memory of the heroic dead on Armistice Day.

CHURCH MEN'S CLUB SPONSORS DANCE

Under the auspices of the Men's Club of the Church of the Ascension, an autumn dance will be held in the Crypt of the Church on Lake Ave., next Wednesday evening. Leon Sehm's Orchestra will

furnish music for round and square dances. Laslie A. Richardson is in charge of the arrangements.

The Army Ground Forces offers you A NEW LIFE OUT THERE

Look toward Korea and Japan! A thrilling new job and a travel opportunity—can be had for the asking by qualified young men who volunteer for the 1st Cavalry, 11th Airborne, 7th, 24th or 25th Infantry Divisions.

What an opportunity . . . what a job! Training in one of these crack units will stand you in good stead wherever you go. Study a foreign language. Learn the fascinating details of Military Government—so vital to future peace and prosperity.

Japan's "Isles of Pines" are but a sample of the attractions of an Army career in the Far East. The Army has reopened comfortable hotels, theaters, swimming pools, tennis clubs, golf courses, ball parks. These—familiar haunts of pre-war tourists—and many new developments—provide a broad choice of recreation.

Not everyone can measure up to this job. Only 3-year enlistees who meet prescribed physical and mental standards can enjoy the benefits of such a job. High overseas pay, good food and lodging and a generous retirement plan make your future in the Army Ground Forces too good to miss! See your nearest Army Recruiting Officer for full details. * Listen to: "Sound Off," "Warriors of Peace," "Voice of the Army," "Proudly We Wait," and Major Football Broadcasts on your radio.

Woman Asks State For \$50,000 In Auto Death

A \$50,000 claim against the state in the death of Thomas F. Richardson of Syracuse, whose body was discovered in a partly submerged truck in Black Creek, at Paul Rd., Town of Chili, Mar. 6, 1945, has been brought to trial before Judge James J. Barret of Syracuse at a session of the Court of Claims in the Court House here.

Mrs. Rose Marie Richardson Graham, widow of the accident victim, is the claimant. She alleges that the state was liable for the accident because it failed to have warning road signs erected. The road is bridged over the creek.

Trial of this claim and of a damage claim for \$4,419 brought by Lincoln Storage and Carting Company of Buffalo, owners of the truck, opened Tuesday. The Buffalo firm of Saperston, McNaughton & Saperston represents the claimants, and Assistant Attorney General Harold S. Coyne of Syracuse is counsel for the state. The court is expected to reserve its decision.

EX-WAR PRISONERS TO HAVE DANCE

Ex-prisoners of war in Rochester have been invited to attend the local Barb Wire Club's Annual Dinner Dance to be held at the Central YMCA, Saturday, Nov. 23 at 6:30 p. m. John H. Bergelin, 405 Alexander St. president of the club, announced in a letter to all ex-P. O. W.'s that the dinner would be very different from Jap and German prison fare. Matt Scherz, his orchestra, and vocalist Niki James will entertain the veterans. Ex-P. O. W.'s may secure tickets for this affair by writing or calling on Ward M. Gray, at the Central YMCA.

Says Innocent Of Assault Charge

William B. Drake, Jr., 35, of 31 Leopold St., pleaded innocent in City Court Monday to a charge of second degree assault. Judge Thomas P. Culhane adjourned his case to Nov. 19 pending Grand Jury investigation.

Drake is alleged to have assaulted Verdell White, of 31 Leopold St. with a block of wood Nov. 8, inflicting minor injuries.

WEEKEND ROBBERIES NET CASH, TOOLS

Among the week's victims of burglars were Peter Nachway, 212 Tremont St. who was robbed of \$33 in cash. The home and grocery of Paul Leta, 702 Joseph Ave., were burglarized Saturday night of \$85 in cash.

Benedict Lendock, 197 St. Casimir Street reported theft of \$69.80 from his home Saturday.

A blanket and a box of tools, both valued at \$25, were stolen Saturday from a truck belonging to William Harris, 32 Portsmouth Ter.

A \$25 watch was thefted from the home of Leo Gilbert, 1210 Clinton Ave. N.

BANDS TO VIE AT YOUTH DANCE

A jamboree between bands of Bob Bruce and Joe Cady will feature the weekly Hollidale Youth Service Center dance scheduled for the K of C Auditorium Saturday. Barbara Hoepfl, chairman, has announced that advance sale tickets may be purchased at 823 Granite Bldg. They will also be on sale at the night of the dance.

OUR HURT IN 'HINDAY CRASH

A two car collision at Broad and Exchange Street Sunday caused injuries to four persons. The victims, Theodore Freese, 53, of the Richford Hotel, Arthur Francis, 20, of 25 Riverside Street, Abraham W. Francis, 66, and Margaret Francis, 50, of the same address, were taken to Strong Memorial Hospital.

PLEADS GUILTY IN AUTO THEFT

Francis Babcock, 16, of 2 Eisenberg Pl., who Tuesday pleaded guilty of first degree grand larceny in theft of an auto, is scheduled to be sentenced today by County Judge James P. O'Connor.

The youth is accused of stealing the car owned by John W. Remington, 78 Oliver St., Jan. 15, from a downtown parking lot.

Pleads Innocent To Drunk Charge

Pleading innocent to charges of reckless driving and driving while intoxicated, William Vendituoli, 21, of Tremont St. was free on \$100 bail.

He was arraigned before Judge Thomas P. Culhane in City Court Monday after his auto was reported to have struck a light pole in Smith St., careened down the street 279 feet after the crash and caught fire. He escaped with minor injuries.

AUXILIARY MEETING

A meeting of the Yerkes Couchman Auxiliary of the American Legion will be held next Tuesday at 8 p. m. at the Forty and Eight Club, 933 University Ave.

YMCA DANCE

A dance for members of the YMCA and YWCA and their guests will be given Saturday in the YMCA gymnasium. Sonny Allen's orchestra will play for the affair.

SANDERS FIRM BUYS BUILDING, UNION ST. FIRM
Acquires Business Of City Radiator Service
Purchase of the City Radiator Service building and business at 18-20 Union St. N. by The Sanders Company was disclosed yesterday.
The Sanders firm, 114 University Ave., which handles large-scale automobile radiator and repair work, paid \$50,000 for the building and an undisclosed amount for the business. It already has begun operations at the new building.
Under the new setup, John F. Sanders, president of the Sanders concern, will be production manager. Officers, in addition to Sanders will be his son, E. Lowell Sanders, vice-president, and his daughter, Jeri C. Sanders, secretary-treasurer.
The Sanders Company, founded in 1911 by Fred Sanders, is the oldest of its kind in Western New York. It was reported.
Jeanette F. Snyder was attorney for E. Lowell Sanders and Jeri Sanders. Holly W. Ungerer represented John Sanders, and Andrew L. Culman was attorney for the sellers, Harold L. Prime and his partner, Michael T. Rebbetoy.

SPENCERPORTER TO EXHIBIT AT CHICAGO SHOW

CHICAGO, Nov. 14 — Fred Richardson of Spencerport will be among the N. Y. exhibitors at the 1946 International Live Stock Exposition and Horse Show to be held here Nov. 30 to Dec. 7.

He has listed entries of four purebred Percheron draft horses for the event which will be held in the Amphitheatre at the Chicago stock yards. The international horse show will again be a feature after a five-year lapse due to the war. Walter Bigger is coming from Scotland to judge the steer classes.

Man Charge With Mop Handle Attack

Joseph Ball, 34, of 506 Clarissa St., was ordered held for the Grand Jury when he appeared in City Court yesterday on a second degree assault charge. He waived examination.

Police charge the attack was made on Eve Blake, 177 Joseph Ave., with the handle of a mop on Oct. 20.

CHURCH BAZAAR TO AWARD CAR

A new 1946 Ford sedan will be given away at a bazaar to be held Nov. 22 and 23 in Sacred Heart Pro-Cathedral Hall on Flower City Park. The automobile will be the main prize for Nov. 23. Friday's program will be highlighted by the awarding of \$100 in cash. Among the other prizes to be given away during the two-evening fete will be 125 turkeys.

Forfeits Bail On Gambling Charge

When he failed to appear in Court on a charge of possessing gambling devices, Viernad J. Sims of 461 Ridge Road, West

forfeited \$100.00 bail by order of Judge Culhane. Sims was arrested September 30th when police said they found four slot machines at the Ridge Road address.

While boarding an RTC bus at Clinton Ave., North and Cumberland St., early last evening, Erickson Perkins, 43, of 494 East Ave., suffered a leg injury. He was treated at Genesee Hospital.

Rivermen Await Hobart 'Invasion'

One of the oldest football rivalries in the nation, and one which lays claim to being the most closely contested, will be resumed this Saturday when the University of Rochester and Hobart College meet the Rochester River Campus for their 56th encounter since 1892.

In sizing up the strength of the two teams, their comparative statistics for the 1946 season can be discounted, because both teams are out for blood. Rochester needs the game to put its season on the winning side, with three wins, three losses and one tie on its record so far. Hobart also is determined to win this one to make up for the 59-0 shellacking it took from Rochester the last time they met, in 1942.

There is still another important factor: In the 55 games they have played, each team has won 25 games, and five games have been tie scores. The club that wins on Saturday will break the deadlock.

It is evident that supporters of the two teams are looking for another lively scrap this week, judging from advance ticket sales which indicate one of the biggest crowds of the season at the River Campus.

As a result of performances in the game with Vermont last Saturday, Rochester Coach Elmer Burham is shifting his starting lineup. Dick Bowlin is slated to start at right in place of Bill Caldwell; Chuck Gray at left end in place of Hank Draggett; Howie Hoesterer at fullback in place of Whitey Whittler, and little Bobby Murphy, 146-pound scabback from Binghamton, at left half in place of Don Diehl, whose injured ankle sowed him in the Vermont game. Jack Welter, of Rayonite, N. J., playing his first year of college football, will start at quarterback, it is expected, in place of Warren Zimmerman.

The complete Rochester starting lineup is expected to be as follows:

LE, Gray; LT, Warren Fischer; LG, Capt. Bob Heo; C, Bob Branigan; RG, Bowlin; RT, Bob Whitey; RE, Ed Kern; QB, Welter; LHB, Murphy;

AUTOMOBILE ACCIDENT CAUSES INJURIES

Struck by an automobile early Tuesday at Andrews St. and Clinton Ave. N., Prosper Vermiere, 68, of Avon, suffered right leg and face injuries on Tuesday, police reported. He went to his own physician treatment.

Bergman, Crosby, Share National Poll Honor

Hollywood, Nov. 14. — Ingrid Bergman is the new queen of America's film favorites, according to the 10th annual All-American Popularity Poll, conducted by Boxoffice Magazine, the national film weekly.

Sharing the throne with Miss Bergman is Bing Crosby, the perennial favorite who occupies the top spot among actors for the third consecutive year.

Roy Rogers also retains his title as "King of the Cowboys," by holding first place among Western stars.

The top dozen, according to the poll, in order of popularity, regardless of sex, are: Ingrid Bergman, Bing Crosby, Greer Garson, Bette Davis, Claudette Colbert, Margaret O'Brien, Gary Cooper, Cary Grant, Clark Gable, Humphrey Bogart, Van Johnson and Olivia de Havilland.

The 12 leading feminine stars, in order of poll rating, are: Ingrid Bergman, Greer Garson, Bette Davis, Claudette Colbert, Margaret O'Brien, Olivia de Havilland, Irene Dunne, Joan Crawford, Barbara Stanwyck.

BING CROSBY
... Shares Honors

1944-45 season she moved to second place, and this year to the top.

It has ceased to be practical to express amazement at the durability of Bing Crosby among his handsomer and more rugged contemporaries. Apart from having added to his vocal accomplishments an acting ability of real stature, the Groaner simply must have what it takes.

Margaret O'Brien continues her climb as the most popular child actress since Shirley Temple. Last year she was in seventh place on the list of feminine stars, though not in the top twelve. This year she climbed into sixth place among the leaders.

Ballots for Western favorites rated the two-gun stars in the following order: Roy Rogers, Gene Autry, George "Gabby" Hayer, "Wild Bill" Elliott, William Boyd, Smiley Burnette, Johnny Mack Brown, Ken Maynard, Charles Starrett, and Sons of the Pioneers, a musical group.

Gene Tierney, Jennifer Jones, and June Allyson.

Male actors were rated in the following order: Bing Crosby, Gary Cooper, Cary Grant, Clark Gable, Humphrey Bogart, Van Johnson, Ray Milland, Spence Tracy, Ed Hope, Gregory Peck, Alan Ladd, and Walter Pidgeon.

Miss Bergman's rise to the pinnacle has been steady and consistent with her progress as an American actress. In 1942 and 1943 she failed to rank with the top 10, but was among the dozen-odd runners-up. In the season of 1943-44, however, she shot up to the number three position, led only by Greer Garson and Bette Davis. In the

Dave Maloney's Radio Roundelay

Some of my friends (and I use the word guardedly) are cards! For example... I sent out a questionnaire when I started this column of trivia which I hoped would reach every person having to do with Rochester radio. I expressly asked that the questions be answered in all seriousness so as to avoid mistakes on my part. To the question captioned, BORN... that Richmondville pixie, Dean Harris answers "Yes." Now if that isn't a jandy. Even I could figure that out... what I wanted to know was WHEN Ed Little and Ross Weller (WHAM) did the same, only Ed went on to the next question which was WHERE... and came back with "...in a hospital." On Brother Harris also added a cute touch of his own by saying of his theatrical experience... "I traveled 2 seasons with Dr. J. Quimby White-side's Educated Seals." I happen to know that Harris is allergic to seals in any form, so there!

Hang on to every word from that new-comer to WHAM, Ross Weller... just out of a USA Captain's suit, and one tad that we're hoping will click... he's been seen and heard around this town for many years at Madison and West High, with the Community Players, and via local airways before the Big Fight took him to the Pacific... U or R '38, too.

Staff announcer Warren Doremus (WHEC) can talk you black and blue and in technicolor about cinematography... won Amateur Cinema League's 10 best films of 1945... worked out at a Tacoma, Washington, station while in the army.

This Lowell MacMillan with his GULFOOTBALL FORECAST (WHEC) is driving me mad, drink, (O. K. — nobody has to drive me. I'll walk!) I peek up a few cards to guess the results on Saturday's games, and am I wrong! Out of 8 games, I get two NEARLY right... last week I got NONE! Why don't they have a contest where the one with the WORST score is the winner?

Want to know a swell gem? Jack Ross, (WHAM) new editor. Born in Russia, educated at East High, Cornell '28, and taught at Cornell, Bryn Mawr College and became a specialist with the Civic Forum leaders. Worked for the Federal government training teachers for Adult Education fields besides as instructor of Social Sciences in the Rochester high schools from 1928 to 1946. As a side line he taught radio broadcasting technique at the U of R for a year, and conducted the Rochester "School of the Air." In 1937 he joined WHAM. As a commentator you should latch on to some of his stuff... all of it, in fact. Two that we can remember are — the one on schoolteachers a few months ago... that made ur hearts tingle... and the one a week ago on "Hunger"... which

GROUP URGES RADIO STUDY FOR SCHOOLS

Certain radio programs should be "required listening" for all students, the American Schools and Colleges Association advised its members elementary schools throughout the country today.

"It is becoming increasingly evident that radio, as an educational medium, must be included in the curriculum of elementary schools," stated Kenneth J. Beebe, president of the Association, in the recommendation. "Just as most schools have supplementary reading assignments, we urge our members to institute the practice of assigning supplementary radio. Radio can be a powerful force in inculcating ideals of tolerance, culture and good citizenship and we recommend those programs which best serve this purpose."

The School Advisory Committee of the Association listed the following programs as examples of the type of broadcast suggested as "required listening":

Educational programs: It's Up To Youth, CBS School of the Air, NBC University of the Air, Musical programs: NBC symphony, RCA Victor Show, Highways in Melody.

Children's programs: Superman, Let's Pretend.

Comedy programs: Alan Young Show, Aldrich Family, Date With Judy.

PRINCESS WHITE FAWN
... heads Embassy cast

INDIAN ROYALTY HEADS CAST AT EMBASSY

Manager Dave Hamill of the Embassy Theater announces the special engagement of the famous Indian stage personality, Princess White Fawn who opens a week engagement at the Embassy beginning tomorrow. Four stage shows daily are scheduled, with a midnight show Saturday at 12:30 a. m.

Princess White Fawn who is a full-blooded Indian Princess introduces many of the traditional dances of her race. In typical Indian musical background, her offering is said to be an unusual stage entertainment. Others in the feminine cast include Florida Fuller and Mary Jane Porter, two southern gals with a bundle of talent and personality. The new chorus comprises of 8 Georgia peaches who offer a routine of dance steps as their contribution to the entertainment.

The comedy chore is allocated to two veterans of the musical comedy field, namely, Art Watts and Happy Ray. Buddy Bryant introduces the nation's top melodies.

Hot Trumpeter Louis Prima Booked For RKO Palace

Louis Prima, the bandleader, with the hot trumpet and throaty voice, who opens at the RKO Palace on Thanksgiving Day Nov. 28 is not only a prime maker of hit songs through his inimitable renditions, but also the writer of a long list of popular numbers.

His recent recording of "Robin Hood", "Angelina" and "Hissum-Kitsum" is taking the town by storm as can be witnessed by the sale of his records and the number of popular stars today who make either or all of these numbers a must on their repertoire.

The Prima band of music and song crazes lets 'down' but continually gets stronger and stronger each year as proven with above-mentioned song hits.

LOUIS PRIMA
... with heated trumpet

Another Louis Prima song which had the whole country in a double-barreled dither was "Sing-a-Spell," a novelty with Kay Kayser featured in innumerable broadcasts. Louis' famous "Be Happy" written in collaboration with Henry Ne-

Triple Star Comedy At Palace
Satirizes Gambler's Vogaries

Starring Robert Young, Barbara Hale and Frank Morgan, RKO Radio's "Lady Luck" offering today at RKO Palace is a laughter-studded romance woven around the lure of roulette wheels and card tables, and spiced with hilarious situations and sparkling dialog to make it one of the year's gayest film offerings.

ROMANTIC COUPLE
Robert Young and Barbara Hale star in "Lady Luck" at RKO Palace.

Larry Scott, a prosperous gambler, meets and woos Mary Audrey, whose long line of gambling forbears has made her hate gambling in any form, although her grandfather has had a lifelong weakness for games of chance and she has a latent genius for picking a long shot. Larry is so smitten with Mary that he agrees to close his poker books and become a respectable citizen, and on the strength of this Mary accompanies him to Las Vegas where they are married.

An hour after the ceremony, Mary sees him at a craps table, and, refusing to let him explain, applies for a divorce.

Some of Larry's sporting friends try to smooth things over, but their plans via a roulette wheel work too well.

and Mary reverts to type in hilarious fashion, with a series of unexpected reactions from the hero that build up to a side-splitting climax. In this, her first stellar role, Miss Hale turns in a noteworthy performance co-starring with Young as the impetuous Larry and Morgan as the poker-loving grandfather, James Gleason and Young's cynical pal, Don Rice and Harry Davenport are featured in the production by Warren Duff, directed by Edwin L. Marin.

DELLA CHIESA
TO SING 'GILDA'
ROLE IN 'OTELLO'

A favorite with Rochester audiences since her debut here several seasons ago, Vivian Della Chiesa, outstanding operatic soprano will return to the city Nov. 27, when she sings the role of Gilda in Verdi's "Otello."

The famous Italian opera will be presented by the Verdi Opera Company in Columbus Civic Center Auditorium Thanksgiving Eve as the first half of a festive holiday program which will bring Verdi's "Rigoletto" the following night. There are the first performances under the newly organized Verdi Company which is bringing a galaxy of Metropolitan stars for the two operas.

Included in the casts are such famous singers as Giuseppe De Luca, Giovanni Martinelli, Helen Oelheim, Josephine Antoine, Frank Perulli, George Czaplinski and Virgilio Lazzari. In addition to this array of top operatic talent, Pietro Cimara, Metropolitan orchestra director, and George Sebastian, opera and radio maestro, will direct a 50-piece orchestra of New York musicians. New York artists will also make up the chorus and ballet for both of the operas.

LITTLE HAS TALE
OF VIENNA LOVE

"Waltz Time" hitting love tale of old Vienna is having its first Rochester showing at the Little Theatre.

The story tells of the lovely Grand Duchess who becomes ruler. Her choice of a royal consort is frowned on by the Council of Vienna and the Empress tries to disprove their suspicions, with highly amusing results. Carol Raye, lovely Continental singing star is seen as the Empress, and she is heard in several outstanding musical numbers. Peter Graves is the gay philanderer, while Richard Tauber, world-famous tenor is heard in a special number, charmingly rendered. Short subjects complete the program.

Bob Hope never loses an opportunity to kid his good friend, Bing Crosby. Talking of Bing's new movie, "Blue Skies," in which The Groaner is starred with Fred Astaire, Hope said, "Astaire and Crosby! What a combination. Twinkle toes and knuckle head."

MATRIMONY
KEYNOTE OF RKO
TEMPLE COMEDY

Errol Flynn's fans are due for a film treat when they visit the RKO Temple Theatre where Warner Bros. new romantic comedy, "Never Say Goodbye," is scheduled to open a second week starting today. Here they will find that their dashing hero of historic westerns has donned the mask of comedy for the first time in many years. Costarred with Flynn, and also playing a role considerably different from those which catapulted her to stardom, is exciting Eleanor Parker, remembered for her dramatic achievements in "Pride of the Marines" and "Of Human Bondage."

Story of Successful Artist

"Never Say Goodbye" is the story of Phil Gayley (Errol Flynn), popular artist whose midnight meanderings have driven his wife, Ellen (Eleanor Parker), to file for divorce. Still in love with his wife, Gayley courts her anew in an effort to make amends for his past behavior, but only succeeds in stumbling into more flirtatious complications. The estranged couple's daughter Flip (Patti Brady) talented eight-year-old, tired of the juvenile antics of her parents, enlists the aid of a man-mountain Marine to excite the jealousy of her father and speed up the reunion. What happens when Flynn tangles with this goliath, who is more than a match for him, is meat for many a laugh.

Produced by William Jacobs, "Never Say Goodbye" boasts a supporting cast that includes Lucile Watson as Mrs. Hamilton, a meddling mother-in-law; S. Z. Sakall as Luigi, restaurateur and self-appointed cupid; Forrest Tucker in the role of the Herculean Marine; Donald Woods as Rex, an attorney in love with his

'Darling Clementine'
Moves To Regent

Starring Henry Fonda, Linda Darnell and Victor Mature, and directed by Academy Award-winner John Ford, "My Darling Clementine," moved to the Regent for a second week yesterday. The film, set in the colorful period of the 1880's in the Southwest and based on actual historical incidents, unfolds one of this country's most exciting chapters of flaming hate, violence and romance. In his newest role, Henry Fonda returns to the type part with which he won such memorable successes in "Jesse James" and "Return of Frank James."

The exploits of Michael Shayne, Detective are unfolded in the first-run film "Blonde for a Day," which is the Regent's co-feature. Hugh Beaumont and Kathryn Adams have the leading roles in this mystery thriller.

Philadelphia is a city noted for its fine seafood. So recently when the master comedian, Bob Hope, was there he had this to say about the Quaker City's favorite dish. "This seafood is really fresh. I ordered a mackerel and when I cut into it, the fish looked up said, 'Come on bud, Gimme a chance to spit out the bait first.'"

**ARREST NOT IN SCRIPT
FOR JACK LA RUE**

RENO — NOV. 14 — It seems that the law objects to a man disturbing the peace by demanding admittance to his wife's hotel room. Jack LaRue, screen toughie, found this out when he was arrested in the hallway of the Swank Riverside hotel yesterday after the management complained that the actor was pounding on his wife's door and pleading to be let in. LaRue was freed on \$25 bail.

Mrs. LaRue is establishing residence here to file suit for divorce, her attorney, John Sinal, said.

LaRue, his wife and her attorney met after the actor was released but declined to comment to the reporters.

HOLLYWOOD — NOV. 14 — Climaxing two weeks of rumors, a statement from Gene Tierney's studio discloses that she and husband Alec Cassini, who also designs her clothes, have separated. The studio added there are no immediate plans for a divorce.

The announcement came in the midst of talk of a reconciliation, which followed their appearance together at a party Saturday night.

**Pinocchio Slated
For Eastman Stage**
It'll be youngsters' day at the Eastman again this Saturday when "Pinocchio," the ever-popular childhood story comes to life via the Edwin Strawbridge Ballet.

Adult actors and actresses, a professional company, will stage the performance, with Strawbridge himself interpreting the marionette Pinocchio. Music, dances, spoken lines and pantomime are combined in a production aimed at presenting the Pinocchio story most effectively on the stage.

Large blocks of seats have been purchased by groups from many schools throughout the Rochester area.

No one was more surprised than Ray Evans and J. Livingston, who wrote the tune, "To Each His Own," when it became such a tremendous hit overnight. Now these authors, who are sitting on top of the world, have written another, "Dear Ruth," which is being used as the theme song for the picture of the same name.

Using his new technique of combining live action with cartoons, Walt Disney has produced an outstanding film in "Song of the South," based on the beloved "Uncle Remus" stories written by Joel Chandler Harris of Atlanta, Ga. When little Bobby Driscoll is gored by a bull while trying to catch up with Uncle Remus, children, parents and grandparents will dissolve into tears.

If self-seeking minorities fail to exercise restraint they will be restrained by majorities.

**Royals Open Cage
Season Saturday**

Basketball officially bows in to the Rochester winter sports season Saturday night when the Rochester Royals trot on the arena floor to make their first home start in defense of their National League play-off title which they won last year, their first in pro competition. Providing the opposition will be one of the new additions to the enlarged National League, the Syracuse Nationals, coached by former Red Wing pilot, Benny Borgman, not so many years ago one of the greatest court performers of the nation.

With the Syracuse team will be such stars as Johnny Gee, former Michigan University star, a 6'8" stretch player, well known in western and central New York both as a basketball performer and a baseball pitcher and Johnny Rizzo, Fordham University forward, who was one of the outstanding stars in the American League last season and whose speed is certain to give Al Cervi considerable trouble Saturday night. Also with the Syracuse club are two players who starred with other National League outfits in 45 and 46, Edward Erban who was with the Oshkosh all-stars for 4 years and Bob Synott, a forward who was with the Ft. Wayne Zollners last season.

The Royals, successful in their first league start Monday night when they downed the Youngtown Bears 60-45 are primed for a successful home debut and the two exhibition games played on the last two Saturday nights have whetted the basketball appetites of local fans for some official National League action.

Seen in action will be such favorites from last year as Bon Davies, George Glamack, Al Cervi, Red Holzman, Fuzzy Le Vane and Dutch Garfield. In addition, such new stars as Arnie Johnson, all-American from Bemidji State Teacher's College, Dolly King, former all-American from Long Island University who has been seen with other clubs many times and Jim Quinlan, the Star of the Canisius College team of last year. Game time will be 8:30 preliminary 7:30.

To officially get the local 46-47 season under way, Wari "Piggy" Lambert, new commissioner of the National Professional Basketball League will be in attendance and will be introduced by Les Harrison, president and manager of the Rochester League Champion Rochester Royals.

"The Christmas Carol" is a familiar story to Peter Donald, now Alley member, on the Fred Allen Show. Peter made his radio debut in 1928 at the age of ten as "Tiny Tim" in a dramatization of the immortal Charles Dickens tale. When the Yule season rolled around sixteen years later, it found him playing Bob Cratchit, Tim's father, in the same play.

FOREVER IN TURMOIL**

HOLLYWOOD — NOV. 15 — The filming of "Forever Amber" is beginning to approximate the alleged course of Hope Diamond wearers.

Star and directorial troubles have hampered filming since last Spring and it was announced today that Linda Darnell, who succeeded British Peggy Cummins in the title role, went to bed yesterday with a cold and a temperature of 101. The studio has announced the production was off until her return.

**Rutherford May
Divorce—(Maybe)**

HOLLYWOOD — NOV. 14 — A marriage of long duration, that is, in the eyes of Hollywood, has come to an end. Movie actress Ann Rutherford says she and her husband David May, vice-president of a department store chain, have separated. They have an adopted daughter, Gloria, two years old. Ann added she has no plans for a divorce.

How long was the marriage? Oh, yes, they were married in 1942.

right now — late — the switchboards have been lighted up like the proverbial Christmas tree.

According to John W. Morrison, president of the company, they haven't even checked the records yet as to how many calls were run through the boards Saturday. Sunday it was a repetition of the same story. Monday, Armistice Day the "hello" girls handled 60,000 more than their usual half million-a-day calls. How many they were unable to handle at all is, of course, unknown.

Officials of the telephone company were reluctant to estimate just how many of the extra calls were due to the absence of daily newspapers on the streets, but admitted that the bulk of them probably were due to the strike.

Switchboards were so jammed during the first few days of the emergency that operators themselves said "yes, there is a strike" whenever either of the two newspapers was called. This was done in an effort to help clear the lines.

Morrison said that service was being restored to somewhere near normal with the addition of all available operators, but a call has gone out to the public to refrain from using the phones except for emergency calls whenever possible.

Circuses formerly charged \$75 hereafter will pay \$200 and carnivals \$250.

Inspection Costs Up
The taxicab drivers also came in for a boost in licenses. Drivers now pay \$1.50 each. After the first of the year they will be required to pay \$5 each. Now they pay \$6 for each cab. Under the new license law they will pay \$15 for each cab.

The city budget was adopted as submitted by the City Manager. The city tax rate suggested by Cartwright as \$30.08, two cents less than this year, was fixed for 1947.

head last Friday when the night shift failed to report for work, leaving Rochester without its morning newspaper on Saturday. None have been published since. The printers are asking for \$80 for the day shift and \$88 for the night shift for a 37 1/2 hour work week. Management of the two papers had offered \$70 and \$75 respectively and later made an optional offer of \$74 days and \$79 nights if the printers would waive future participation in the company's sponsored profit-sharing plan. The union nixed both offers.

Meanwhile, Rochester newspaper readers were getting a new lesson on just how important a part The Rochester Sun played in their lives. Jumping into the breach on a moment's notice, The Sun has been able to serve both readers and advertisers with a condensed version of all important local news and local advertising messages.

CATHOLIC WOMEN TO MEET MONDAY

A meeting of the Catholic Women's Club will be held next Monday at 8 p. m. in the clubhouse with Mrs. Louis A. Whalen, presiding. Mrs. Lawrence V. Driscoll, program chairman, has announced that the guest speaker will be the Rev. Urban Nagle. Father Nagle is a former member of the faculty of the Catholic University and previously was editor of the Holy Name Journal. With Reverend Thomas Carey, O.P., he was founder of the Catholic Theater group in New York City known as the "Blackfriars." He is author of many successful books and plays and is the current speaker on the "Hour of Faith" program.

The Ladies Council of the Universal Craftsmen, Council of Engineers announces a rummage sale to be held Monday and Tuesday at 555 E. Main St. Edith MacDowell is chairman.

8 1/2 Million Wage Dividend Announced By Kodak

Political Polka

By Curt Gerling
The dear old City Council pulled a "Japaneser" on the theaters and amusement operators last week. Just why the theater people were singled out is somewhat of a question. Sharp political thinkers attribute the move to the fact that theaters usually are out-of-town owned and operated and are therefore unable to bring much in the way of political pressure.

Pinball and amusement machine devices are borderline cases, a mere step over the line into legitimacy. They can't talk back too tough either. Although no one ever made a fortune "hacking" the boys that drive the cabs took a pasting too.

Unlike the federal administration soon to be in GOP hands, no mention was made of cutting expenses — that would be very un-Rochester-like. When you have been in as long as the local GOP you don't have to talk about such things.

Incidentally the city budget was adopted and Mr. Cartwright suggested a city tax rate of \$30.08, two cents less than the 1947 bite. Thus if your house is assessed for five thousand you will save enough to buy a nickel cigar, for which they now get ten cents.

In case you have forgotten, election is over and the boys are in again.

Congressman Harold Knutson who will be chairman of the Ways and Means Committee, talks glibly of a twenty per cent cut in income taxes. But he doesn't say which way. A general reduction will mean a great deal to the rich man to whom the GOP have a tendency to pay great heed, but would mean but very little to wage earner and white collar worker. A horizontal cut means the reduction would be based in terms of percentage thus giving relief to those who need it most.

An exemption of \$2000 for a married man plus an allowance for each child, and say \$1500 for a single man would give the great masses of people a little more money to buy necessities.

Although there is still a lot of time and the Democrats haven't recovered enough to make any statements of their own, the Republicans consider the next presidential election in the bag. To their way of thinking it's just a question of who is going to be the GOP candidate to do it.

Naturally, New York Staters are of the opinion that Thomas E. Dewey, although well shelled the last time he aspired to the presidency, has the inside track. This indeed may be the case, yet he must still reckon with Messrs. Bricker, Vandenberg, Stassen and Taft. Thomas E. Dewey is still considered a fresh, optimistic upstart by those high in GOP councils — no matter how many votes he got for governor.

OPA saboteur Bobby Taft isn't losing much time starting his build-up for the honor. As chairman of the Finance Committee he is out with a proposal to slash sixteen and one-half billion dollars from federal expenditures and also cut deeply into Federal income tax levies.

It's a mighty good trick if he can do it. Truman, who aims to balance the budget himself, has estimated next year's budget at forty-one billion. In that figure are included such items as public debt interest of five or six billions, six billions for veterans, and sixteen billions for armed services. Thus twenty-six billions of the forty-one is earmarked for essentials if we are to pay our interest and our warriors, and provide the might necessary to insure the peace. That leaves a bare fifteen billion for the other expenses of running the government.

As usual Bobby is talking through his hat.

TENTH YEAR—No. 7 THURSDAY, NOVEMBER 21, 1946

EK Employee Share Hits All-Time High

A wage dividend estimated at \$8,500,000 to be paid in March to more than 47,000 Kodak employees in the western hemisphere was voted Tuesday by the Eastman board of directors.

At the same time a common stock dividend of \$2.50 a share for the quarter and the regular 1 1/2 per cent dividend—amounting to \$1.50 a share—on the preferred stock were declared. Both are payable Jan. 2 to stockholders of record Dec. 5.

A common stock dividend of \$1.50 has been declared in each of the past three quarters, totaling \$7.00 for the year. The rate at which the wage dividend is paid rises or falls with the amount of dividends declared on the company's common stock. Tuesday's action therefore sets the employee rate at 1 1/2 per cent of the total of each eligible employee's wages or salary during the five years 1942 through 1946.

The sum to be paid in March will be computed at \$17.50 for each \$1,000 of an individual's wages received during 1942, 1943, 1944, 1945 and 1946. The formula fixes the rate at 1/2 per cent for each dollar of declared common stock dividends above \$3.50 a share.

All people hired on or before Oct. 1 who are at work at the end of the year are eligible. Those hired after Oct. 1 and before Jan. 1 are eligible provided they are at work on the date of payment. The exact number participating is expected to be more than 47,000 in the western hemisphere, of whom more than 31,000 are in Rochester.

As the wage dividend works out, each eligible employee who has completed five years' service by the end of 1946 will receive a check for about 4 1/2 times his average weekly wage during those five years. Those with less than five years' service will participate proportionately. Wage-dividend payments that figure less than \$15 will be a minimum of \$15.

The total wage dividend this year compares with \$6,814,154 paid last March.

Shot by Buffalo police when he resisted arrest on Nov. 14, a 17-year old bandit has been identified as the gunman who escaped with \$240 in the hold-up of a liquor store here on Oct. 15, it was revealed yesterday by local authorities.

The suspect, Eugene W. McKusker, of Buffalo, was identified by John W. Henner, 1028 Winton Rd. No., as the youthful bandit who robbed Henner in his store at 554 Chubb Ave., according to Assistant Detective Chief Emil Lambiasi.

Henner made the identification Monday night. It was reported when he viewed McKusker in the presence of detectives William Foubister and Bernard Dailey, who accompanied Henner to Buffalo. The local merchant was said to have also identified a gun taken from McKusker when he was shot.

Suffering from a gunshot wound in the side, McKusker's condition remains critical.

License Plate Sale To Open Here Dec. 9

Automobile plates for 1947 may be attached to vehicles at will go on sale Dec. 9, according to County Clerk Walter H. Wickins.

Wickins has sent out 8,000 letters to holders of low numbers inviting them to renew their licenses. These include the M, MM, NN, MR, MC and TU series up to 1,000 and the numbered M series up to 100. Passenger car and commercial licenses expire Jan. 31, but

NEWSPAPER DISPUTANTS REMAIN FIRM

Both sides in the dispute that is leaving Rochester without a daily newspaper report the "situation unchanged."

Contrary to "Rumor Row," there have been no meetings of the two parties involved and the likelihood of an early settlement seems remote.

Although strike votes have been taken on Gannett papers in other cities, results have not been revealed. Sources close to Local 15 of the ITU indicate that these plants are ready to join their Rochester brethren when the signal is given.

The results of the Sadie Hawkins Day matrimonial race are still a deep secret, except to those who may have passed the Democrat & Chronicle windows or happened to be tuned in to a local radio station when the long-awaited marathon results were broadcast recently.

WALKER ONCE CITY'S MAYOR FOR A DAY

The late James J. Walker twice Mayor of New York whose funeral was to be held from St. Patrick's Cathedral in New York this morning, once sat in the mayoral chair of Rochester. While he was a guest in the city on Sept. 9, 1926 he occupied the chair of the city's chief executive for one hour and received all callers.

Martin B. O'Neil was then Mayor of Rochester, and Walker was the guest of Mr. and Mrs. John H. Kitchen of University Ave., with whom he attended the Rochester Horse Show. Kitchen now resides in Westminster Rd.

The gay Broadway ex-mayor died Monday evening in a New York hospital as the result of a blood clot on his brain. A solemn high requiem mass was to be sung at 10:30 a. m. today.

AWAIT DECISION IN BROWNCROFT INJUNCTION SUIT

Decision of Supreme Court Justice John Van Voorhis in an injunction suit of 16 Browncroft residents to prevent the subdividing of Browncroft Corners into 20 lots and the construction of houses at less than \$10,000 each is awaited following trial last week in Equity Term of Supreme Court.

The land involved is bounded by Ramsey Park, Dorchester Road, Corwin Road and Winton Road North.

Defendants are the Rochester Savings Bank, owner of the property; Fred Bieler, 829 Highland Pk. who has a contract to buy the land from the bank; and Fred Bieler Inc. The bank had acquired the property from Browncroft Realty Company through foreclosure.

The Browncroft plaintiffs claim that the property had been designated as a park by a former owner. They further contend that if houses are erected thereon they should conform in value with other residences in the section. The bank is represented by Edward Harris Jr. and Harlan F. Calkins.

WAR SURPLUS—Among the first buyers of war surplus machinery at the WAA warehouse in Lincoln Ave. was Leonard Rouse, (second from left) of the H & R Tool and Die Co. of Rochester. He is being aided in his purchase by WAA officials Thomas C. Jordan, Dave Rosenbloom, Stephen Leatham.

FIRST WAR SURPLUS SALE OPENS HERE

The first sale of surplus property to be conducted in Rochester by the War Assets Administration opened Tuesday morning in the WAA Warehouse at 121 Lincoln Ave. under the direction of Harry Lawson who is in charge of the warehouse. The sale will continue daily Monday through Friday, from 9:30 a. m. until 3:30 p. m. until the heavy machinery items stocked there are sold.

According to plant officials the first day's sales amount to approximately \$30,000 with several buyers coming here by plane and train augmented by local machinery buyers.

The sale is being held in the plant erected during the war at a cost of several million for use by the Symington-Gould Corp. in war work. But it never got into production and is now being used as the WAA warehouse.

The present sale includes mostly items of heavy machinery such as boring and chucking machines, drilling machines. Other sales of scarce consumables and thread grinders.

Good goods are being planned by the agency in this area. Sites and dates will be announced later.

POLICE ON LOOKOUT FOR GIRL SNATCHER

Youngster Forced Into Car Escapes

ATTENTION ALL ROCHESTER: BE ON THE LOOKOUT FOR A KIDNAPPER IN THE CITY!

He specializes in snatching young girls off the streets. Police have his description and are scouring the city and surrounding areas trying to locate this dangerous criminal before he does more damage.

Last Saturday, according to police, he forced pretty young Doris Bernard, 14, of 995 University Ave. into his car in front of the Gleason Works on University Ave. Down University Ave. sped the car and turned into Main St. When the driver with his unwilling passenger stopped for the red traffic light, police saw little Doris managed to force her way out of the car.

Too scared to get the license number, she ran home to her father who notified the police. The girl was unharmed, but thoroughly frightened.

Police report the wanted man is about 30 to 35 years of age, with dark hair, and of stocky build. Police say he was wearing a blue sweater and needed a shave at the time of the crime. He was driving a gray coupe, according to the police report, but neither the license number nor the make of the car is known.

This man is too dangerous to be at large. If you know who he is or can shed any light on the case get in touch with the Rochester Police Department. They want the guy. They want him badly and they want him quick!

County Budget With 20 Cent Cut Approved

The county's 1947 budget, proposed by County Manager Clarence A. Smith and making possible a 20-cent cut in the basic tax rate, was adopted Tuesday by the Board of Supervisors. The vote was unanimous.

Tribute to Smith, for his work in handling the county's fiscal problems, was paid at the meeting by Gordon A. Howe, Greece supervisor. Howe is a member of the Ways and Means Committee which recommended adoption of the budget.

A public hearing held Monday before the committee brought forth no opposition—only approval. Robert J. Faulkner, chairman of the Chamber of Commerce state and local finance committee, and Robert J. Menzie, executive secretary of the Citizens' Tax League spoke favorably in behalf of their organizations at the hearing.

Under the adopted budget, it is expected that the basic county tax rate will be cut from \$7.72 in 1946 to \$7.52 per \$1,000 of assessed valuation in 1947. The amount which must be raised by taxes is \$5,377,362, as against \$5,465,650 in 1946. The full budget of expenditures for next year is \$11,433,283, compared with \$8,950,602. The bulk of the increase is in welfare

Expenditures in operating the welfare system and County Penitentiary and in conducting the election this year were approved by the supervisors as charge-backs against the city and towns. Total welfare charge-backs follow: For maintaining the County Home, \$192,141; Infirmary, \$514,194; home relief, \$17,773; children in foster homes, \$420,141; and charitable institutions, \$81,660. Election charge-backs totaled \$96,656 and the Penitentiary \$61,365.

Allocation of \$277,150 to the city and towns, collected on the mortgage tax, also was approved.

WHY DON'T WE?

A thousand times last week we were asked questions which began with the phrase "Why don't you?" Why don't you put out a daily, why don't you send your papers to here and there and Timbuctoo, why don't you take classified, why don't you take our ad — why don't you — why don't you . . . ?

It would take too much space and breath to answer all these "Why don't you's" intelligently. Similar to the man who explained why he didn't want a new car. He said there were a hundred reasons, but first of all he didn't have the money.

This might well answer many of our "Why don't you's but the principal reason is that we don't have the news print. In fact no one has all they need. It's far scarcer than hen's teeth. It's the one product in America that is so short that there isn't even a black market. It's scarcer than nylons were at their worst, or porterhouse steaks were at ceiling prices.

This issue is jammed packed with ads. It represents only about fifty per cent of what we could have had were we able to supply the news print and the man power. We can't give you comics, someone else owns them, we can't give you national news someone else owns it, our business, and the local radio stations are doing their usual good job in supplying you with facts about the world in general.

ELEVATOR MAN DIES IN FALL AT HAYWARD

The elevators at Hayward Hotel have helped to furnish another sudden death to Rochester's casualty list.

It was during the early morning of November 13 that the body of William Vernon Turgon, 54, of 93 Griffith St., was found at the bottom of the east elevator well in Hotel Hayward.

Turgon was operating the east elevator, police reported, which ceased functioning about 18 inches above the second floor level. Turgon, police say, went to the basement with Leo Gramlich, hotel clerk, 83 Salem Rd., to check the fuses. They found a dead fuse and replaced it after which Gramlich sent

Murder-Suicide Alarm Stirs City; Police Say "No"

What was first reported to police as a murder and a suicide in the Richford Hotel caused a flurry of excitement in downtown Rochester Saturday. But police investigation proved it to be a death from acute alcoholism and a narrow escape from the same fate from an overdose

of sleeping pills, according to the coroner's report. The dead man, according to police records, was Archie Letender, 45, whose body was discovered in one of the hotel's rooms by Peter Chornotsky, 1365 Clinton Ave. N., a window washer.

Police under Inspector Charles Roth and Assistant Chief of Detectives Emil Lambiasi rushed to the scene in answer to a police call that "there's been a murder over here." Police say Letender was dead of alcoholism. No evidence of foul play was discovered by police.

Abe Gets His Stolen Auto In Jig Time

Abe Rockowitz, 154 Wilfred St., last Sunday morning reported to police that his 1940 Chevrolet car had been stolen. Abe had done his duty, he thought, and then proceeded to forget about his troubles.

Later Officer Lepary saw what he thought was the missing car being driven in Maria St. As events proved, Patrick Callaghan, 623 Clifford Ave., was the driver. Officer Lepary immediately began chasing the man in the car.

At about 21 Maria St. Callaghan took it on the lam deserting his alleged stolen car. The car, then out of control, bumped into a Dodge truck owned by Philip Adams, also of 21 Maria St. Callaghan was apprehended and is now in the local hospital, charged with grand larceny.

This is the first time in the history of "300" that MATERNITY DRESSES have been placed on SALE. All sizes and all styles. The regular "stock" has also been placed on SALE. A group of dresses reduced to \$6.95 and \$8.95. Values to \$19.95. Crepes, wools etc. included. You know of course "300" SHOP is Moross sponsored. Located corner MONROE & CANTERBURY. Open Eve.

In these days of "out-of-this-world" prices on most foods, let me tell you about the famous COTTAGE CHEESE delivered by BRIGHTON PLACE DAIRY. It is a versatile food, and makes an ideal "stretcher" for salads, sandwiches etc. Kiddies love it. It is economical and contains all the healthful vitamins you would want for your family. Have it delivered with HOMOGENIZED VITAMIN D MILK right to your door. You know this milk is beloved by all young and old. Always uniform, fortified with Vitamin D. It is the kind of milk that should always be in your refrigerator. Call BRIGHTON PLACE DAIRY - Glenwood 144 today - 45 Fulton Ave. (Division of General Ice Cream.)

SALE SALE - SALE - SALE of Laced - PERK-UP BRAS - where at PETTIS REDUCING. Pettis has "handed" these BRAs for years - and thousands of Rochester women - will wear nothing else. They do "things" for you. These BRAs are specially priced for a limited time. Formerly \$2.75 - now only \$2.25. All sizes up to 44. Remember PETTIS recommends her BATTLE CREEK REDUCING LOUNGE for beautiful results as well as taking off weight. You may have one treatment or arrange for a series of them with PETTIS. Get in "shape" for the holidays. PETTIS Stone 6210, Burke Bldg.

Your fur coat is really an investment - and you should choose it with the same careful consideration you would give to any investment. But when you "buy" from SHAFER CO., you know your investment is a sound one. SHAFER CO. has acted as a counselor to thousands of fashion-conscious women, who buy furs - over a period of years, the label SHAFER CO. in any fur coat, has come to mean the very best in quality - in styling - in superb good looks. CHRISTMAS is not far off - and if your family or husband has hinted that a fur coat is yours - come Christmas morn - stop into SHAFER CO. today - and ask to see your favorite. Maybe you would like a PERSIAN - true black as a diamond - or maybe a regal sheared BEAVER. Both are beautiful and durable. MUSKRAT has a new face this year - you'll find different shades in this lovely pelt - manipulated to look like mink. Or maybe a FUR SCARF is what you've been longing for. SHAFER CO. has mink, kolinsky, and many others skillfully fashioned into long wearing becoming scarfs. But whatever your choice, whether a fur coat, or a fur scarf, now is the time to make your selection for Christmas. A deposit will hold your choice - and remember all price tags at SHAFER CO. include TAX. FURS are a full-time business with SHAFER CO. They maintain a large organization of skilled people who concentrate on FURS, master furriers who finish your garment to rigid specifications - informed, courteous salesfolks are there to help you at SHAFER CO. located at 76 EAST AVE. - opposite Chestnut St. - Stone 18.

LLOYDS I'm still going to "buy" a Thanksgiving Hostess flowers. It is the most thoughtful gesture. You can take the "how" I won't say a word. Where to arrange this - LLOYD'S of course. Send a table piece for her festive board or an important arrangement for her living room. In any event she'll adore you for it. FLOWERS please - like nothing else. Pick up your phone and call Main 7688 and your thoughtful deed is done. LLOYD'S will do the rest. You'll find prices gentle. LLOYD'S flowers for all occasions. POWERS HOTEL.

KAY'S COMMENTS

HALF PRICE SALE at CARTER HAT SHOP. Do you realize what that means at this time of the year. This group is carefully selected from present stock — and includes beautiful chapeaus in all styles. Get here early 'cause they won't last long marked HALF-PRICE. The regular line at Carter's starts at \$10.00. Gage Line is also there. **CORDAY BAGS** as well as hats are yours for the asking and they don't cost a king's ransom either. As for **JEWELRY** — you'll find no better selection in the city. Earrings, necklaces (Ramonette) Chaintaines, all gorgeous. **WINKS** priced \$1 up. Use this as a plan for Christmas. **CARTER HAT SHOP** is located 520 MONROE AVE. Open Eve.

SPECIAL SLEEK HEADS are the kind "turned out" by JEANNE'S HAIR STYLING. As a **SPECIAL OFFER** for holiday time, Jeanne is offering the famous **ESKA NOBLET WAVE** for exactly \$10. This price includes a shampoo and set. Also the **LIFE-OIL permanent**, machine or machineless for \$8.50. This wave is usually \$12.50. Both are excellent. Have Jeanne make the decision, she knows HAIR. How about a new change in personality — due of course to a new hair style? Try it and see if you don't "perk up." Call today and make your appointment with beauty. Plenty of social events in the office. Main 2180 is the phone number — the name **JEANNE'S HAIR STYLING** — located 727 GRANITE BLDG.

The lights are on again — all over the world — but how about your own little world — do those sockets in your home look sufficient bulbs. There isn't a reason for that any more. **ROCHESTER GAS & ELECTRIC** will help you keep your home safely lit, not only to prevent accidents, but to save precious pennies. Bulbs are inexpensive — and with holidays coming on together with more entertaining, be sure your home is sufficiently lit. Buy a carton today — either from your dealer — or at the **R. G. & E.** — located at 50 East Ave.

LOOK Out of your dreams — and into your plans to look better than ever this fall — in a dress from **ZWEIG DRESSES**. This shop caters to young and old — all sizes — even the half sizes are to be found. As for colors, you'll find them all — always good blacks, browns, greens etc. As for price, you'll agree — that **ZWEIG DRESSES** are budget priced. Located 240 ROSEDALE — Off Monroe. Open Eve.

SALE **RIPTON DRESSES** are "Shagging" a SALE. Just in time for holiday social events, when you are longing for a new dress. Starting at \$3.95, \$3.95 and \$10.00. Former values to \$16.95, you'll find wools, crepes in beautiful color combinations, as well as blacks, browns etc. All sizes are there for you. 9 to 20 and also 14 1/2 to 24 1/2. Hurry while the selection is at its peak. Remember **RIPTON DRESSES** regular line starts at \$8.95 — this also "does" for **WOMEN'S DRESSES** — for which this shop is famous. **RIPTON DRESSES** are located 730 MONROE AVE. Open Eve.

PARENTS: Come in or send the kiddies to **EDWARDS DOWNSTAIRS TOY TOWN** to get their **FREE TICKETS** for **EDWARDS ANNUAL CHILDREN'S CHRISTMAS SHOW**. To be held at **R. K. O. PALACE THEATRE** on **FRIDAY, NOVEMBER 29th** from 9 to 11 A. M. Be sure your children have a chance to attend this exciting **EDWARDS PRESENTATION**. There will be stage entertainments, lots of special **MOVIES** and last but not least, **SANTA CLAUS** will be there in person. Remember **FREE TICKETS** for this big **ANNUAL CHRISTMAS SHOW** can be obtained now in **EDWARDS DOWNSTAIRS TOY TOWN**. The time and place again **FRIDAY, NOVEMBER 29th** from 9 to 11 A. M. at **R. K. O. PALACE THEATRE**.

SALE **ALL WOOL DRESSES** reduced 20%. Where — at **ALICE DRESS SHOP**. This special event is timed perfectly for the holidays ahead, when a wool dress is a must in every wardrobe. Sizes range from 9 to 20 — and the colors are "lush." Beautiful shades in flattering hues as well as dark shades. While taking advantage of this **SALE**, have a look — see at the crepe dresses (lovely ones) priced \$8.95 and up, as well as smart suits, hampers, **LINGERIE** is a special with **ALICE** slips (in larger sizes also) as well as other "musts." Sweaters, hankies, as well as a complete line of **Harper's Cosmetics**. **ALICE DRESS SHOP** is located 630 MONROE AVE. Open Eve.

Jury To Get \$100,000 Will Contest

Was Valentine O. Aspenleiter, 84, who died Jan. 31 leaving an estimated \$100,000 estate, unduly influenced when he made his will 12 day previously?

That is the question which the jury must decide at the second trial of the contest over Aspenleiter's will. He was a retired operator of an Exchange Street tavern.

The retrial opened Monday before Surrogate G. Robert Witmer and a jury of 14 persons, two of whom are alternates selected in case emergencies eliminate others.

A jury at the first trial, in June found that Aspenleiter was mentally sound and able to make a will. The first jury disagreed, however, on the question of undue influence, and a new trial was ordered by Surrogate Witmer.

A brother, Thomas Aspenleiter, 7 Flower City Pk., which also was the address of the decedent, receives the bulk of the estate under the will. A niece, Mrs. Arlene Schwab, of the Flower City Park address, is given \$10,000. Two brothers, Charles J. and Albert Aspenleiter, both of Rochester, receive \$15,000 each. Six nephews and nieces are bequeathed \$2,000 each. A friend was given \$500 and a like sum was provided for Masses.

Contesting the will are the brother, Charles; a nephew, Harold G. Aspenleiter; a niece, Mrs. Clara McMullen, and a grandniece, Eleanor Irene McMullen.

Proponents, Mrs. Schwab and Attorney Frederick S. Holbrook, are represented by Attorney George J. Skivington. The contesting brother and nephew are represented by James G. Dale and Charles S. Wilcox; the niece by Robert T. Gallagher and the grandniece by Ira H. Morris.

LEATHER JACKETS
Cleaned, Dyed and Refinished... Inexpensively

Your leather garments, no matter how soiled and worn, will glow with new life after a trip to Epstein's. A leather expert supervises the EDCO Process cleaning of every leather or leather-and-fabric jacket. First he removes all soil, then he restores to original or darker color. As a final step, adds a tough-water-repellent which seals cracks and surface tears, making the leather as soft and supple as new. Let Epstein's give your leather jacket this renewing treatment.

ONE SENTENCED: TWO HELD IN THEFT CASES

A sentence of two to five years in Attica State Prison was given Tuesday by County Judge James P. O'Connor to Lee Baques, 27, of 88 Adams St. The defendant had pleaded guilty of second degree assault in slashing Wade Odum, 146 Adams St., with a knife Oct. 20.

Francis Allen, 39, of 18 Grant St., pleaded guilty of petit larceny in theft of eight hams, valued at a total of \$55, from the Exchange Street warehouse of Swift & Co. June 9. He was indicted for third degree burglary and petit larceny, but was permitted to the larceny count only. Sentence will be December 3.

Patsy Marconi, 20, of 411 Emerson St., pleaded guilty of first degree grand larceny in stealing an auto Oct. 14. He also will be sentenced Dec. 3. Leo Bernard, 21, of 64 South St., pleaded guilty of third degree burglary and will be sentenced Dec. 4. He was accused of both burglary and first degree grand larceny in stealing \$655 from the Penny Arcade, 72 Clinton Ave. N., Sept. 22.

EARLY ALARM AVERTS FURNITURE STORE FIRE

An alert passerby who noticed smoke issuing from a footstool in the Haslan Ward Miller Furniture Company store, 620 Park Ave., Saturday evening, was credited with averting a costly fire. Officers Cotter and Winkler of the University Ave. Police Station were sent to investigate the complaint and saw that an electric light bulb was scorching a footstool next to it, causing the smoke. They summoned firemen who opened a trunk and moved the footstool from the area. Only damage was a scorched covering on the stool, firemen reported.

Burglar Enters By Way of Milk Box

Abraham Van Hee reports, 75 Indiana St., reports that his house was entered between midnight and 7 a. m., last Saturday.

Entrance was gained through the milk box door. A black leather handbag and \$23 in cash was taken.

FIRE IN PLANT

Damages of \$750 resulted in a fire at the Taylor Instrument Co. plant at 95 Ames St. The blaze set off an over heated sprinkler. The fire was caused by a never-heated vent from a lacquer over, the Police said.

STRUCK ST OUT; FINE IN CITY C

Leonard J. Struck, 31, of 1000 E. 10th St., was fined \$100 and sentenced to 30 days in the city jail for violating a lease agreement with Margaret M. Kenwood Ave. M. Court. Struck was violating a lease agreement with Arthur Wilder, 511 E. 10th St., for the use of the apartment building at 1000 E. 10th St., which was owned by Struck and managed by him. Police say the lease agreement was later terminated. Miss Crowley, who had been admitted to the apartment for five months, had once been on the OPA board with Struck. Struck was given a decree by the OPA. The Struck struck back. He went into City Court to get an eviction order. Crowley, Struck lost. His plea was "Not guilty." Now, unless he is convicted within 30 days, the lease will mark the beginning of the end. According to police, Crowley's lease expires on October 1.

RESERVISTS HEAR AIR TRAINING P

Latest details of a program for Army reservists in the Rochester area will be discussed by Robert W. Douglas, commanding the First Army, at an open meeting of the Rochester Service Force Association, 1000 E. 10th St., at 8 p. m. next Monday.

General Douglas, who is a member of a nine-state list of speakers, includes former Major P. Curtis, W. W. Ace and former chief Gen. Carl Spaatz. A colorful aviation parade will be given by former Col. Willis T. Whalen, national director of the Association, Washington.

David J. Whalen, of the local squadron, organized Nov. 13, every former Air Force member to attend the meeting. He will be eligible for membership. He plans for AFA to mark the marking of the Air Force Day.

Deep Myst In Burned Up To Dic

Here's a possibility all the sleuths in the city are looking for if they can.

Norma Gilbein of 1000 E. 10th St., reported that in front of her home, she requests an investigation of the fire. She suspects the former roomer was the cause of it all.

Watson, pass the word so that I can think it.

NAZARETH SISTE TO HAVE SALE

Sisters of Saint Nazareth will hold their annual Toy Sale from Tuesday, Saturday, Nov. 30, at the Academy Auditorium.

Featured at the booths will be hand-crocheted china and figurines, crocheting, knitted aprons, dainty chiefs, and children's all the work of the fish pond will furnish to the more youthful.

On Tuesday and evening supper will be in the academy at 5:30 to 8:30 P. M. Amusements and games offered in the auditorium. Meet O'Neill is Chairwoman and assisting members of the Rochester Knights of Columbus.

STRUCK STRUCK OUT; FINED \$50 IN CITY COURT

Leonard J. Struck, former big-time real estate operator lost another round in his fight with Margaret M. Crowley, 45 Kenwood Ave. Monday in City Court. Struck was convicted of violating a lease and sentenced to pay a fine of \$50 by Judge Arthur Wilder. Sentence was suspended pending appeal.

Difficulties between Struck and Miss Crowley came to a head last August, police records show, when she complained that Struck had removed the front door, kitchen doors and the lower sash of three windows in her apartment at the Kenwood Ave. address which is owned by Struck's wife and managed by him.

Police say the windows and doors were later replaced.

Miss Crowley and Struck both admitted they had been at odds over a long period. A resident of the ground floor apartment for five years, Miss Crowley had once gone before the OPA board with complaints that Struck consistently refused to make necessary repairs. She was given a decrease in rent by the OPA. Then in June, Struck struck back, as it were. He went into City Court to get an eviction order against Miss Crowley. Struck lost that round, too. His plea was denied.

Now, unless he appeals his conviction within 30 days, police will mark the case closed. According to police records Miss Crowley's lease finally expired on October 1.

RESERVISTS TO HEAR AIR FORCE TRAINING PLANS

Latest details of a training program for Army Air Force reservists in the Rochester area will be discussed by Maj. Gen. Robert W. Douglass, Jr., commanding the First Air Force, at an open meeting of the newly formed Rochester Squadron, Air Force Association, in the Chamber of Commerce at 8 p. m. next Monday.

General Douglass, in command of a nine-state defense area that includes Rochester, has a list of speakers which includes former Maj. Gen. Edward P. Curtis, World War I ace and former chief of staff to Gen. Carl Spaatz, Casey Jones, colorful aviation pioneer and aeronautical authority, and former Col. Willis S. Fitch, national director of the Air Force Association, Washington, D. C.

David J. Whalen, commander of the local squadron which was organized Nov. 13, has urged every former Air Force member to attend the meeting where he will be eligible for charter membership. He will discuss plans for AFA promotion and the marking of such events as Air Force Day.

Deep Mystery In Burned Car Up To Dicks

Here's a possible mystery for all the sleuths in town to ferret, if they can.

Norma Gilbein of 169 Gardner St., reported that her car, left in front of her home, burned and she requests an investigation of the fire. She suspects that a former roomer was, perhaps, the cause of it all.

Watson, pass the shag, please, so that I can think better.

NAZARETH SISTERS TO HAVE SALE

Sisters of Saint Joseph will hold their annual Thanksgiving sale from Tuesday, Nov. 26 to Saturday, Nov. 30, in Nazareth Academy Auditorium, Lake Ave.

Featured at the several booths will be hand painted china and figurines, embroidery, crocheting, knitwork, hand made aprons, dainty handkerchiefs, and children's wear — all the work of the Sisters. A fish pond will furnish interest to the more youthful patrons.

On Tuesday and Wednesday evenings supper will be served in the academy cafeteria from 5:30 to 8:30 P. M. after which amusements and games will be offered in the auditorium. Emmett O'Neill is Chairman of the affair and assisting him will be members of the Rochester Council Knights of Columbus.

VETERANS ONLY
Surplus
Typewriter?
Get In Line!

Veterans of World War II who have been unable to buy surplus typewriters through the War Assets Administration saw their hopes brightened this week in the announcement that from now until Dec 1, veterans in the Western New York area may be certified for the purchase of one typewriter. Of course, such certification doesn't mean they can go right out and get the typewriter, but, at least, they'll be on one of the innumerable waiting lists which the government has devised in connection with the sale of war surplus items to the veterans.

E. R. Swartzenburg, WAA district manager has issued the invitation to veterans who want one of the machines to obtain the necessary authorization at 725 Commerce Building in Rochester.

Swartzenburg explained that when the veteran appears at the certifying office, his name will be sent to New York where it will be placed on a preferential waiting list. Then as, if and when typewriters are declared surplus for sale by the WAA, veterans will be notified in the order in which they applied.

Certification for typewriters stopped last May when the demand exceeded the supply. Within the last month, it is said, supply has caught up with demand and certifications are once again.

ROCHESTERIANS SHARE FISH CONTEST AWARDS

Two Rochester fishermen shared in the October awards in the Louis A. Wehle Fishing Contest.

Both winners drew their awards for entries in the Northern Pike class. William H. Adams, 28 Meredith St. won first place with a catch weighing 14 lbs., 4 ounces. Joseph J. Metrichisa, 38 Galusha St., took down third place with his entry of 11 lbs., 8 ozs.

JUSTICE CATCHES UP AFTER 2 LONG YEARS

It took a long time, two and a half years, but a routine finger print check of an alleged traffic violator connected William Vendittuole, 20, of 438 Tremont St., with a burglary committed April 13, 1944, on a service station at Gibbs and Alexander streets in which \$112.68 was taken.

Last Tuesday, police said, Vendittuole pleaded innocent in City Court to charges of reckless driving while intoxicated after his car went off the road injuring him slightly.

Clinton Ave. Bridge Closed For Repairs

Repairs to the Clinton Ave. S. bridge over the subway will keep the structure closed to traffic for two weeks. Police have rerouted via Marshall, Griffith and Pyron Sts. to the South Ave. bridge.

Banker's Car Hits Six Year Old Lad

John W. Remington, 76 Olive St., local banker, was operating a car that struck six-year-old George Robert Gray, of 437 Clinton Av., South on Tuesday.

The boy was taken to General Hospital, police reported.

NEW HOUSE ROBBED OF TOOLS, LUMBER

Gordon Cole, 126 Winfield Road, reports that a new house being erected at 136 Seneca Rd., (Irondequoit,) was robbed of tools valued at \$635. The new house was entered through a basement window. Valuable lumber was also taken.

MRS. HEINDL BEQUEATHS ESTATE TO DAUGHTER

Five daughters received an estimated estate of \$15,000 the probated will of Mrs. Katherine M. Heindl, 21 Galusha St., proved. Mrs. Heindl, who died July 6, operated a drygoods store at 441 Parsells Ave. Two other daughters are Clara M. Heindl, 21 Galusha St.; Mrs. Catherine M. Stamp, 57 Rialto St., executrix, and Mrs. Gertrude H. Riggs of Batavia.

U. of R. LIBRARY EXHIBITS ATOM WAR CITATIONS

The University in a Nation at War is the title of the current exhibit at the University of Rochester's Rush Rhees Library, which displays the numerous citations received by the university and various members of its faculty for their contributions to the war effort. The exhibit will be shown during the next month.

Notable among the various awards is the one presented to the University by the War Department for "valuable services rendered to the Nation on work essential to the production of the Atomic Bomb." The award was presented by General Leslie R. Groves to President Alan Valentine in the presence of Col. Stafford L. Warren, radiologist-in-chief of the School of Medicine and Dentistry who served with the U. S. Army as chief of the Manhattan District's medical service, and Dr. Andrew N. Dowdy, who was in charge of the medical research here.

Also on display are citations by the Navy Department and the War Department for the University of Rochester's participation in the V-12 program and the Army Specialized Training program.

Included in the display is an award presented by the Marine Corps League of Rochester to Dr. J. Edward Hoffmeister, Dean of the College of Arts and Science and Internationalist known geologist who organized the Target Chart Coverage unit for the Army Map Service and who served as consultant to the Army War College in acknowledgement of his unselfish services.

PURPLE HEART FETES PAST COMMANDER

Walter J. Grunt, past commander of the Military Order of the Purple Heart Chapter 179 was the guest of honor at the chapter's Past Commander and Lady night party held in Odd Fellows Temple, St. Paul St., 619 Titus Ave. last evening. The affair was under the direction of Michael Tressy, present commander, Carl Fischer entertained.

Hide Costly Sugar In Car's Gas Tank

Here is a deep mystery. Leo Garland, 138 Clifton, asked the police of the Sixth Precinct to delve into it.

Garland claimed someone put sugar in his gas tank while his car was parked over night at Clifton and Genesee Sts. Where did the guy get the sugar?

1st DIVISION GROUP TO ELECT OFFICERS

New officers will be elected at a meeting of the Rochester Chapter of the Society of the First Division in the 40 & 8 Club, 933 University Avenue scheduled for Friday, Nov. 29. All veterans who served with the 1st Infantry Division during World War I or II are invited to attend.

NEWSMAN BOILS AS CUSTOMERS CHURN AND DRIVE

Charles Myers, veteran newsdealer at Main and Clinton, south-west corner, is sweating it out. When the Gannett newspaper strike is finished, if ever, he plans to go as far as Fairport, at least, for a vacation.

The arrivals of new bundles of Sun copies offer respite to the over-besieged news vendors. Then they can stop tossing brisk repartee with the public and instead hand out Suns.

Said "Izzy" Swartz at Main and Clinton, North-East corner: "I never thought I'd live to see the day of times like these."

One time, years back, "Izzy" stopped a run on the then East Side Savings Bank by publicly announcing to a long line of bank patrons that he himself had \$40,000 in the bank and that it was perfectly safe.

One boy left Rawlinson Road Sunday to get a newspaper for his grandma. He returned with a copy of The Racing Form. The nice elderly lady thought it had to do with the markets. One news dealer was selling month old copies of Life, and the interrogation was, "Where did he get them that old?"

1155 SINGLE HOMES PERMITS ISSUED HERE DURING '46

Permits for the construction of 99 single homes were issued in the Rochester district for October to bring the total to 1155 during the first ten months of 1946, according to a report issued by William A. Burdick of the Chamber of Commerce. Last year during the same period 258 such authorizations were made.

That the trend toward the suburban areas for home building was continuing unabated was reflected in figures showing that of the 1155 single home permits issued only 366 were in the city proper. The balance of 789 were for construction in Brighton, Irondequoit, Greece, Gates and Pittsford. Irondequoit accounted for 373 of the suburban total and Brighton 205.

These figures do not include the permit for the Fernwood Ave. veterans project composed of 152 housing units, nor the permit to provide living quarters for veterans at old No. 6 school.

Of course, "permits issued" does not mean houses erected, since the shortage of many building materials is said to have forced postponement of the completion of many of the houses for which there are permits.

Total building permits for all types of structures issued during the first ten months of this year in the Rochester district totaled \$13,628,060 against \$6,546,457 for the same period during 1945.

TWO WOMEN HURT WHEN CAR UPSSETS

Two women were injured in an intersectional collision of cars at Grand Ave. and Culver Rd. late Monday night.

CIVIC CENTER EXHIBIT—Shown here is a plastic model now on display at Sibley, Lindsay & Curr Co., of the area recommended by the City Planning Commission and approved by the city council for the Rochester Civic Center. Model shows the Rundel Library, already built, and the proposed Veteran War Memorial, also the new city hall and Eastman Plaza over the Genesee River.

WINTON MARKET PLANS SNAGGED BY COMPLAINTS

A decision was expected today from the City Zoning Board of Appeals in the squabble over the construction of a supermarket at 1132 Winton Rd. N. Neighborhood opposition to the proposed structure broke out at a hearing before the appeals body last Thursday. After hearing both sides the case adjourned today.

Application for a building permit was submitted by Fannie Levin, 137 McKinley St., who seeks permission to erect a one-story building with parking space in the rear. Her attorney, Samuel Berger, said that the building would be an improvement over the present weed-covered site, and that the applicant had the approval of at least nine neighbors.

Of 18 opposing neighbors, who signed an objecting petition, 10 appeared at the board hearing to register their opposition. Several spokesmen for the group asserted that the proposed store would create parking congestion and, therefore, a fire hazard and, that there were enough stores in the section as it was. One woman pointed out that the proposed site had been used as a victory garden.

The board granted an application of Anthony R. Passalouque, 1664 N. Goodman St., to erect a building and use it as an abattoir and meat packing

plant at the southwest corner of Cofax Street and Beaconsfield Road. Objections were expressed by the Ragy Packing Company, 35 Avery St., and two individual neighbors.

Also granted by the board, was an application of the Cerebral Palsy Association to conduct a cerebral palsy center for patients at 1570 East Ave. There was no opposition to the application which had been held over from a previous meeting.

U. S. NAVAL RESERVES SEEK RECRUITS HERE

The U. S. Naval Reserve Third Naval District, from the State Armory, announces a recruiting program of the organized reserve of the Navy. The objective is 50 to 75 officers and 1,000 enlisted men.

All veterans of World War II are eligible regardless of branch of service. The shipboard training will be at Summerville.

OFFICE MANAGEMENT GROUP TO HEAR VEIGEL

"Success in Your Job with Positive Thinking" will be the topic of discussion at the November dinner meeting of the Rochester Chapter of the National Office Management Association at 6:30 p. m. next Monday in Hotel Seneca.

Ernest W. Veigel Jr., president of the Rochester Business Institute will be the speaker. Wilbur E. Eckert will preside.

SKIDDING CAR INJURES FIVE, THREE SERIOUSLY

At a late hour yesterday the condition of three people injured in an auto accident early Wednesday at St. Paul and Ridge Road Circle remained critical.

Police report the car went over the north curb of the circle at east end of Ridge Road Veterans' Memorial Bridge, overturned and skidded several feet on its top.

Critically injured were the driver, Andrew A. Groetch, 23, 150 Kenwood Ave., suffering from serious head injuries at

Genesee Hospital; Mary Dupont, 22, of Hotel Edison, at Strong Memorial Hospital with fractured skull and jaw, and her roommate, Elizabeth Chickowski, 18, also of Hotel Edison, in Genesee Hospital with head injuries.

Hospitalized, but less seriously injured, were Azella Bach, 25, 273 Ames St., right side injuries, who was taken to Strong Memorial Hospital and George Conorman, 23, 5 1/2 Madison St., in Genesee Hospital with right shoulder injuries.

Police are attempting to learn the home of the two Hotel Edison girls to notify relatives of their grave condition.

Conorman first gave his name to police as James Gordon and the authorities are checking to establish the authenticity of the other victims of the accident.

"You're not even working," CBS' "Maisie" rebuked her boy friend Bill, "and still you smoke quarter cigars."

"That's because I can't find whole ones," returned Bill.

"Jack The Ripper" On Loose In City

Police were on the alert today for a slasher who sent one girl to the hospital after knifing her and badly frightening another in St. Paul Street last Saturday night.

According to the story told police by the victim, Miss Emma Collato, 29, of 193 Ave. D., she and Joan Wolschleger, of the same address, were waiting for a St. Paul Street bus at Carthage Drive about 8:40 p. m. Saturday when the man ran from across the street and committed the vicious attack. According to police reports Miss Collato suffered numerous cuts about the arms right hand, and back and was admitted to Highland Hospital for emergency treatment. Her companion escaped injury.

Detectives said the slasher was described as having gray hair, dark complexion and a scar on the upper right part of his lip. No further description was given.

Refuses To Obey Copper's Demand

Patrolman Wesley Shaw of the Franklin St., station charged that James Cortina, 40, of 2611 Henrietta Rd., Brighton, refused to move his car from a parking zone in Main street when ordered.

Cortina failed to appear in City Court answer to the charge and consequently forfeited bail of \$5.

ROCHESTER MEN CHOSEN FOR NAVY TRAINING

Two Rochester men in the United States Navy have been selected for training in the Naval Reserve Officer Training Corps, according to reports received this week from the Fleet Home Town News Center at Great Lakes Naval Station.

H. J. Elias, son of Jack Elias, of 632 Norton St., will train at the University of Illinois, Urbana, Ill., and Don J. Cushing, son of Mr. and Mrs. Cushing, 46 Cypress St., will enter Rensselaer Polytechnic Institute at Troy.

They are among the first to take advantage of the new scholarships offered by the Navy in its peacetime officer procurement program. They chose their schools from a list of 32 colleges and universities where such a program is being offered.

The NROTC program includes a four-year education of the candidates' choice, with all expenses paid and an allowance of \$66 a year. After they receive their degrees, they will be commissioned officers in either the United States Navy or Marine Corps, and will serve on active duty for two years.

Another man who figured in Navy news this week was Carl Nicoletti, fireman, second class, son of Mr. and Mrs. Samuel Nicoletti of 60 Niagara St., who has completed a course of instruction in electricity at the Great Lakes Training Center. He entered the Navy in April 1944.

Police have arrested Samuel V. Chavis, 29, of Fairmont, N. C., for vagrancy. Police claim he wanted in Washington, D. C., for petit larceny.

THREE HEAR FATE ONLAW-BREAKING VIOLATIONS

Robert Burdick, 18, of 617 Clinton Ave. N., who had been given a suspended sentence and placed on five years' probation on third degree burglary and petit larceny charges, was sentenced last Friday by Judge O'Connor to the State Reception Center at Elmira for violating his probation. At Elmira he will be classified and sent to a state institution.

William Wright 22, of 748 Plymouth Ave., S., war veteran, who had pledged guilty to first degree grand larceny in stealing a car July 17, was given a suspended sentence by Judge O'Connor and placed on five years' probation.

George Hogan, 37, of 54 Barnum St., indicted for third degree burglary petit larceny and criminally receiving stolen property, pleaded guilty of criminally receiving stolen property as a misdemeanor, and will be sentenced by Judge O'Connor Nov. 27. He was accused of breaking into a gas station at 1275 Main St. E. and stealing tires and cigarettes worth \$44.

PREPARE PLANS FOR DIAMOND JUBILEE

Busily planning the Diamond Jubilee celebration of Nazareth Academy are alumnae of the school who will participate in the fete Dec. 7 and 8. It is expected the affair will be the largest of its kind in alumnae history. A solemn pontifical high mass will be celebrated Dec. 7 at 10 a. m. in the academy auditorium and an open house and jubilee tea will follow on Sunday, Dec. 8 from 3 to 6 p. m. in the school's gymnasium.

Nazareth, a private Catholic school for girls, now in its own modern building on Lake Ave. was first opened in Frank St.

Assisting Mrs. Joseph McMahon, general chairman, with the numerous preparations for Alumnae Days are the following: Mrs. Montgomery Leary; Miss Regina K. Kennedy; Mrs. Edward Esse; Miss Patricia Gundell; Miss Grace Keenan; Mrs. August Zimmerman; Mrs. Lewis J. Boyce; Mrs. J. Richard Eckert; Mrs. James J. Tighe; Miss Louise Carcell and Mrs. George Seibold.

Child Injured Near Home

Running into the path of an auto in front of 695 Clifford Ave. late Tuesday, David Lederman, 7, 464 Avenue D, suffered shock, it was reported by police. He was taken to his home. Police said the car was driven by Albert T. Yerves, 25, 310 Emerson St.

WALKS INTO MOVING CAR

August Poeth, 90 Clarissa St., walked into the left side of a Dodge sedan, driven by Leo Borzellary, 32 Rand St., at Franklin and Clinton Sts., Sunday and suffered injuries to his forehead, police report.

PROPOSED SCHOOL—Here is an artist's sketch of the proposed new school building which the Holy Name Society of St. John's Church will erect at 2386 Ridge Rd. W. to replace present overcrowded structure. Of fireproof construction, the new building will cost an estimated \$100,000.

OCTOBER MILK WILL BRING GOOD PRICE

NEW YORK, November 21—A uniform price of \$4.86 per hundredweight for milk delivered in October to the 431 pool-approved plants in the New York milkshed was announced by Dr. C. J. Blanford, administrator of the New York metropolitan milk marketing area. Total milk production for October, according to the Administrator, was 385,893,116 pounds and was delivered by 46,164 dairymen at the rate of 270 pounds per day per dairy. Farm value of the milk was \$19,676,221.32, made up of \$18,744,685.88 in butterfat and location premiums. A butterfat differential of 5.8 cents for each tenth of a pound of fat above or below the 3.5 percent standard was also announced.

GIRL HURT IN CRASH

Mrs. Esther Levine, 212 Selinger St., while riding with Bertha Cohen, 215 Edgerton St. suffered injuries to her left arm Sunday when the machine contacted a car driven by Raymond J. Murphy, 182 Christian Ave., police report. The crash occurred at Joseph Ave., and Selinger St.

ST JOHN'S CHURCH TO ERECT NEW SCHOOL

The Holy Name Society of St. John's Church, 2386 Ridge Road West, has announced plans to raze the present overcrowded school building and erect in its place a new, modern fireproof school at an estimated cost of \$100,000.

The present school, a part of which is 70 years old, houses approximately 190 pupils in its five classrooms. The new building will be 65 by 160 feet and will provide at least eight classrooms and a large hall to be used as a gymnasium or auditorium and a cafeteria.

Aiding the Holy Name Society in a drive to be conducted for funds in December is the Ladies Sodality of the church. A committee to be in charge of the fund drive has been named. Milton Grapensteter is general chairman. Others are John Gosling and Norman Slayter general chairmen; Ed Cardinal, treasurer; and John Williams, secretary. The Rev. John J. Baier, pastor of the church, is honorary chairman of the committee.

**Pianist-Funnyman Borge
To Solo With Civic**

"When Victor Borge gives a concert, it turns into a party where everyone has a lot of fun."

The pianist-comedian who will appear as soloist with the Civic Orchestra in the Eastman Theater on Sunday, Dec. 8, treasures that remark which he overheard as he was leaving a theater in Chicago after his appearance there, several months ago.

Borge the Zang Dane whose weekly NBC program is broadcast Mondays at 9:30 p. m. over WHAM, has as much fun at his concerts as do his audiences, because he loves to make people laugh, and he laughs with them. If falling off his piano bench will bring a laugh, he'll fall off his bench. Sometimes his exuberance makes him jump right out into the audience; sometimes he stands on his head to play the piano.

But whether he is standing on his head or not, Victor Borge is a fine musician. He performs some of the most difficult classical music ever written for the piano. He's just different from the usual concert pianist because he believes in having fun along with good music.

Victor Borge now has his own radio show. But he still loves his concert appearances best.

"I have so much fun myself," he says, "I meet so many wonderful people."

He dislikes, most of all, having to give auditions without any audience as he has had to do on several occasions for his radio work.

"Without an audience I get a stone in my stomach," says the Danish funnyman.

**Eastman Kodak
Advances I. L. Houley**
I. L. Houley, assistant comptroller and director of management surveys for Eastman Kodak Company, this week was elected assistant vice-president by the company's board of directors.

Houley, of 245 Georgian Court Road, Brighton, has been with Kodak since June 21, 1920, and had been assistant comptroller since Dec. 30, 1933.

In April, 1945, Houley went abroad the U. S. Strategic Bombing Survey to study the effects of bombings on the German economy and later in that year made another trip to Europe with Dr. Albert K. Chapman, Kodak general manager, to inspect conditions at the company's European subsidiaries.

WE'RE WORRIED

Let's stop kidding . . . THE
SITUATION IS REALLY SERIOUS

HERE'S WHY — Since the first of the year we, and every other retailer throughout the country, envisioned the largest fall and Christmas business in our history. We've been in the market constantly, buying top quality merchandise, looking for unusual buys, selling ourselves to manufacturers, in order to buy right and insure early delivery.

Our buyers did an excellent job. We have the largest and finest stock of winter apparel we've had in our 27 years of business. We did an excellent job, too, in selling ourselves to nationally famous manufacturers. You'll see so many familiar makes that you will be astounded. You'll see such famous labels as:

L. W. FOSTER, MARLBORO, KNOPF, BRENTWOOD, REVERE, HICKOK, B. V. D., ADMIRAL BYRD, NIAGARA, ROYAL, BUCKSKEIN JOE, HUGGERS, CARHART, CROWN HEADLIGHT, OSHKOSH, BUILT-WELL, SWEET ORR, BIG YANK, WOLVERINE, AIR-O-MAGIC, BARCLAY and many others.

As always you will find our prices lower too (except when established by the manufacturer.)

**Our INVENTORY Is Almost \$175,000.00
We Must REDUCE Our Stock Now!**

With all we have to offer—Quality Top Makes—Tremendous selections — Really low prices — we're still worried, and worried plenty. BECAUSE WE HAVE AN INVENTORY OF ALMOST \$175,000.00. Two and a half months of the fall season is now past with hardly a cold day, which is most important to our business. We must reduce our inventory — and we're not going to wait after Christmas to do it! We're going to do it now, before you do your Christmas shopping, and before you do your winter buying.

\$12,000 AWARDED FOR INJURIES IN COLLISION

A Supreme Court jury has awarded \$12,000 to Harry B. Lawson and his wife, Anna, of Fairport Road, Pittsford, for injuries received in a collision between their car and a truck in East Avenue Dec. 6, 1944.

They sued Capitol Wine and Spirit Corporation, 10 Winthrop St., owner of the truck; Joseph DaVola, 32 Second St. driver, and Socony-Vacuum Oil Company Inc., owner of another truck which was parked in the road. The accident occurred near Kilbourn Road. The Capitol Wine and Spirit Corporation truck pulled over to the left side of the road to pass the

parked truck and hit the Lawson car head on. It was after a snow storm, and snow had narrowed the road to two lanes, according to Carroll M. Roberts, attorney for the plaintiffs.

Lawson won a verdict of \$4,500 and his wife, \$7,500. Trial was held last week before Justice Earle S. Warner.

INSTANT POTATO
the amazing
new product that
saves time and work!

LIFE IS SO SIMPLE WITH **FRENCH'S INSTANT POTATO!** MAKES MASHED POTATOES QUICK, RICH, BETTER FLAVORED, TOO!

The best mashed potatoes you ever ate!

- 1 Here's all you do to make creamy, delicious mashed potatoes:
- 2 Wait until dinner is ready to serve. Then, to 1 1/2 cups boiling water add 1/2 cup cold milk, 1/2 teaspoon salt.
- 3 Remove from heat, stir in quickly and vigorously 1/2 cup French's Instant Potato until light and fluffy; add butter and pepper to taste. Serves 4-5.

"THE FLAVOR SEEMS ACTUALLY RICHER"
says Jane Fales of the Rochester Democrat & Chronicle

"I've tested this marvelous new product in my own kitchen and found the flavor seems actually richer and texture smoother than mashed potatoes cooked the old-fashioned way—and they're every bit as nutritious, too!" says Jane Fales, Rochester Democrat & Chronicle. "I predict that once you've tried it, you'll never want to be without French's Instant Potato!"

City Sports Roundup

Highlighting this weekend's sports calendar is the deciding game of the city football series between the Raiders, defending champions and Russers, freshman challengers. The game will be played in Red Wing Stadium, Sunday, at 215, and more than 8,000 spectators are expected with a break from the weatherman.

The first game went to the Russers 7-6 before 6,500 fans Nov. 10. After the Raiders took the lead with a touchdown on a gallop by Dick Rago, Moose Kramer pitched a long one to Jack Lazerson in the end zone, and Roy McLean kicked the extra point.

In the second game, the Raiders squared the series by winning 12-6 before 7,500 yelling customers. The game was all Raiders for three-quarters of the way as they scored two touchdowns in the first half. Jack Landry, the former Aquinas back-field speedster, took a long pass from Walter Ott and moved 30 yards for the first score. Just after the kickoff, Bill Coffey fumbled and the Raiders recovered on the 20. On third down, Ott caught Landry alone in the end zone and flipped him a second scoring pass. Both extra points were missed.

Trailing 12-0 with less than 10 minutes to play, the Russers opened with a dazzling aerial game, with Bill Coffey pitching. He threw one from his own five to Roy McLean on the 25, and Roy went 75 yards for six points. Taking the ball on a fumble, the Russers started another air drive that carried to a first down on the Raider 10. On the last play of the game, a forward pass from Coffey to Augustino just missed its mark, and the champs walked off a 12-6 winners.

Both teams suffered injuries in last week's bruising battle. The Russers lost Moose Kramer, Glenn Flint and Bill Piccolo. The Raiders have Carl Borelli, Billy Conversi and Sam Litterio on the ailing list. However it is expected that all will be on hand for a share of Sunday's duty.

Rochester's Royals, defending champions in the National Basketball League made an auspicious beginning abroad and at home. After winning five of six exhibition games—losing to the Chicago Gears here—the Royals took the league opener at Youngstown by 20 points, then made it two straight, beating Syracuse here Saturday by five. It was a rough game, with the players busying themselves with personal skirmishes instead of basketball science.

Rochester's next game will be played at the Sports Arena on Saturday night against Youngstown.

Collegiate football bowed out on a sour note as history repeated itself with a favored University of Rochester eleven going down to defeat against Hobart College 12-0 before more than 7,000 in the River Campus Stadium. Proof that it was no fluke could be seen in the statistics where Hobart also had the superiority. It was Hobart's first victory of the season, gave Rochester a record of three wins, four defeats and a tie.

The Elks Club held another of its amateur shows where Al Huribart, strong-armed Rome 165-pounder and Eddie Marotta, Cleveland 128-pounder stole the show before a packed house. Huribart out-steaded the promising Rochester novice Jimmy Talraferro to cop the verdict. Marotta, recent victor over the national AAU feather champ, outpointed the classy Bill Foley of Rochester.

The Peter Provenzano A. C. announced that it would hold another of its professional boxing programs at the Sports Arena next Monday night, this time featuring John Mazzanoble, Schenectady welter, who whipped Chet Vinci of Rome on the last card. The willing Mazzanoble will battle Irish Pat Scanlon, New York Dead Ender, who is well known off past performances against Eddie Smith and Tommy Rotolo. They are scheduled in the top ten. The semi-final, an eight, will show Clem Fitzpatrick, New York newcomer, against Wally Hicks, Toronto 160 pounder who whipped Sam Musa on the last show. Sixes pair Fred Patterson, Rochester against Lou Miller, New York, welterweights; Leroy (The Tiger) Smith, Rochester against Jim Smith, New York, middleweights and Nick Barone, Syracuse against Al Timmons, Buffalo, light heavyweights. The opening four has Terry Kipp, Toronto, against Billy Carpenter, Elmira lightweight.

The soccerites in town saw the Thistles ousted from the North Western Challenge Cup competition by the Uniteds of Buffalo here last Sunday, 1-0. They had played a 3-3 deadlock the previous week. The two-game series was decided on a total goal basis.

Basketball was rapidly taking over the sports front. All city and county schools were at it as was the University of Rochester. The Rivermen have scrimmaged against the Royals and also with Niagara University. Opening school feature on Thanksgiving night has Aquinas meeting

**Suffers Loss Of Toes
In Fall Under Train**

Kansas City. — Randy Tays, 6, and John Joseph Filsinger Jr., 5, were hunting pigeons with their sling-shots when John decided he would ride a few locks on a slow-moving train. He missed his jump for a freight car ladder and fell under the wheels. A short while later, a white-faced Randy struggled home with his injured playmate. Physicians who saved all but a few of the boy's toes said Randy's prompt action probably prevented more severe shock and loss of blood.

BREAST-O'-CHICKEN TINY TOT RECIPE

Little folks who are developing a taste for variety in foods will appreciate Mother's thoughtfulness in serving this Breast-O'-Chicken tuna recipe. It's a hunger satisfying, nourishing sandwich, too. Clip this recipe and remember it next time you find Breast-O'-Chicken Brand at your grocers. Supplies are still short. You may have to be patient.

TINY TOT SANDWICH

- 1 cup Breast-O'-Chicken Tuna
- 5 slices bread
- 1 tbsp. peanut butter
- 1 egg, hardboiled
- 1 tbsp. mayonnaise
- 1 tsp. currant jelly
- 1 tsp. butter

Butter one side of each slice of bread. Spread first slice with peanut butter. Cover with second slice, spread with egg seasoned with mayonnaise. Cover with third slice, spread with Breast-O'-Chicken Tuna and mayonnaise. Spread fourth slice with currant jelly. Cover with fifth slice, trim edges. Cut down thru the five layers in one inch strips. Makes 4 sandwiches.

The dance committee consists of the following: chairman, Mrs. Maurice Liberman; co-chairman, Mrs. Meyer After; chairman of tickets, Mrs. Sidney Stonehill and Mrs. Alfred Taksen.

Most extensive damage was caused in the first of the two fires when flames, of undetermined origin, spread through a baby furniture store at Thurston Road, corner of Rosalind Street, and into a grocery store next door.

A telephone alarm at 10:27 brought three pumpers and a ladder company under direction of Battalion Chief John C. Mueller. Upon arrival the firemen found the baby furniture store ablaze and flames spreading to the Braverman Grocery at 379 Thurston, operated by Paul Braverman and the Florida Fruit and Vegetables Store at 377. The grocery suffered an estimated \$300 damage to stock and the fruit store reported \$500 damage.

THREE CARS ENGAGE IN 'BOWLING' MATCH

Just as the lights changed, police report, Edward Kittelberger, 64, of 219 Driving Park Ave., and Donald Potter, 27, of 26 Owen St., and Raymond Schlicht, 119 Avis St., became in a traffic mix-up last Saturday at Dewey and Ridgeway Avenues.

Kittelberger, it was reported, sustained multiple bruises and Potter head injuries. One car rammed another which in turn hit a third car.

Charles Sackett, of Ontario, owner of the baby furniture store said that he had a \$10,000 stock in the store and that at least half of it was damaged by the flames, smoke and water. Damage to the one-story block flat houses the three stores was set at \$3,000.

Five minutes after the alarm for the Thurston Road fire, engine companies 4, 18 and 23 and Truck 10 were sent to 265 Wellington Ave. where a car, own-

\$10,000 DAMAGE IN TWO BLAZES

Seven fire companies of the west side were called into action late Monday night when two blazes in the 19th Ward broke out within five minutes of each other. Damage was estimated at nearly \$10,000 in the two blazes which kept firemen at the scenes for over an hour.

Ed by Harry Burnell, of the same address, was afire. Battalion Chief Raymond Schleyer, who responded to this second alarm said the blaze in the car was started by a cigarette and that damage was estimated at \$400.

TWO HURT IN TWO CAR CRASH

Eileen M. Conroy, 26, 5 Burlington Ave., and Charles Kulp, 21, 55 Farragut St., driving cars, came in collision, police report, at Clifton and Genesee Sts. early Sunday morning.

Doris Stackpole, 22, 286 Elliott St., a guest rider, received a right knee injury and Miss Conroy a head injury. One of the cars contacted a water hydrant.

Five minutes after the alarm for the Thurston Road fire, engine companies 4, 18 and 23 and Truck 10 were sent to 265 Wellington Ave. where a car, own-

That Bear GIANT SIZE FRUITS 1 to 3 Years Sooner

Often pay back their entire tree cost before ordinary trees start to bear.

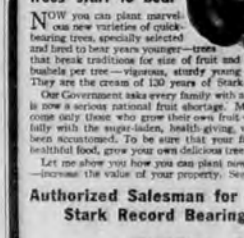

Now you can plant marvel. No new varieties of quick-bearing trees, specially selected and bred to bear years younger—trees that break traditions for size of fruit and bushels per tree—vigorous, sturdy young trees. They are the cream of 130 years of Stark-Burbank fruit and tree improvements.

Our Government asks every family with available space to plant fruit trees. There is now a serious national fruit shortage. Many authorities predict that in years to come only those who grow their own fruit will be able to satisfy their table pleasantly with the sugar-laden, health-giving, vitamin-filled fruits to which they have been accustomed. To be sure that your family has enough of this delicious and healthful food, grow your own delicious tree ripened fruit supply.

Let me show you how you can plant now—raise delicious fruits amazingly soon—increase the value of your property. See telephone or write me. No obligation.

You Have Asked and Asked for Lower Prices. How Right You Are! If You've Felt Outraged When You've Had to Pay Out Half Your Week's Salary for Just a Hat—**HERE, MR. AMERICA... IS YOUR RELIEF!**

IT BEGINS WITH ADAM!

- Effective Today—All \$5.00 Plastic Felt Hats — First Introduced to American Public by ADAM—Now Widely Imitated Everywhere— Greatest Innovation in Men's Hats in Years—
- "The Hat of Tomorrow — Today!" NOW REDUCED TO... **\$3.95**

Here's the good news you've waited for. Lower comes the high price of hats. You asked for lower prices. ADAM BEGINS IT. Your demand will help everybody attain America's goal—higher standard of living, lower cost of living for all.

One week ago today — ADAM brought you sensational reductions on wartime-hat-prices. All \$15.00,* \$12.50* and \$10.00 ADAM HATS — genuine Fur Felts of finest quality... handsomely lined—were reduced to one low price—\$8.45. There is no ADAM HAT over \$8.45!

Today, ADAM drastically reduces the price of all \$5.00 pre-blocked ADAM-PLASTIC Felt Hats to only \$3.95. This is the hat first introduced by ADAM—first

guaranteed by ADAM to hold its shape, not to shrink; to resist water for 60 days or your money back. Here is the greatest innovation in men's hats in years. Wear it—rain or shine!

Finest Quality at down-to-earth price has always been the fundamental policy of ADAM. Now, ADAM is enabled to reaffirm this low-price-policy. ADAM LOWERS PRICES — IN ANSWER TO YOUR DEMANDS.

Such drastic reductions are not possible without huge volume based on tremendous public acceptance. ADAM has achieved these low prices today only through the unprecedented cooperation of employees, suppliers and workmen — all contributing in true American fashion to the common American good.

KODAK CHEMISTS IN EUROPE FOR SCIENCE MEETS

Leaving Rochester by Saturday and from New Sunday, Dr. Maurice L. Hig Eastman Kodak research chemist has arrived in Strasbourg, France to address a scientific meeting next week held under sponsorship of the French National Center of Scientific Research. Dr. Higgins is one of the scientists from this country who will be in France to change information on a study of long-chain molecules. He will give the results of his research concerning the way in which elasticity and other characteristics of such substances as rubber, wool, cotton, and nylon are related to size, shape and flexibility of their molecules. Dr. Higgins has been associated with the Kodak Research Laboratories since 1936. It is noted that he taught chemistry at Stanford University and Johns Hopkins. He is a graduate of the University of California and was a national research fellow at Harvard and the California Institute of Technology. He was awarded the Morrison Prize by the New York Academy of Science in 1941.

The nation's economy is more free when there exists combinations in restraint of trade agreements to fix prices on allocate territories and unfair licensing policies.

A salute to the news bureaus of Rochester's radio stations... what a job they are doing for their listeners during the present newspaper crisis! Like all good things, a newspaper is never missed, nor appreciated, until it's MISSING. Admit it now, the only time you so much as speak to your newsboy is when he neglects to leave your morning, or evening paper.

In spite of all the spiff and spat, you're still getting the news... rural correspondents, amateur newshawks, suburban weeklies... all are doing their bit to keep the gossip coming, and WHAM, WHEC and WSAJ are sending thousands of extra G. Washingtons, and manours, to get it over the airways into your homes.

WSAJ uses its entire staff to round up the stuff... WHEC relies on Ralph Knox to pound out... the man of the hour at WHAM is DAVE KESSLER, news bureau superman, and veteran newsheeteer who knows the game from copy-boy to the editor's desk. D. K. won fame in our town as a critic on the old ROCHESTER AMERICAN-JOURNAL and later as editor of the short-lived EVENING NEWS... and how we could use it now! Kessler has been news-buff member and commentator for WHAM for long time... now, as news bureau head, he's the guy to have in a pinch!

All three stations are putting out 12 to 15 newscasts a day... three networks, the others local. Everything from a plane crash in Mexico to a tuff-pull-in in Mendon... and working their heads off to get it to you!

Never, in the history of local publications, have people been in such a dither as they are today... just at the switchboard of the ROCHESTER SUN... (every Thursday is SUNDAY) for ten minutes. Everyone wants the latest dope on the UN conference or a hockey score in Quebec... people scream for barbeques... NO ADS! the Ladies' Club is having a Sausage and a Sausage and a Sausage... let the public know!... A broken daughter begs for an obituary on her mother's behalf... no means of letting friends and relatives read the tragedy... a farmer calls ask about a Poultry Show... forgot the date. While the boys manufacture the stuff... you and you and you (Continued On Page 3-A)

LOUIS PRIMA, his overheated trumpet and his topnotch band open a week's engagement at the RKO Palace Theatre on Thanksgiving Day.

Prima Band To Head RKO Palace Holiday Bill

Louis Prima, the man with the trumpet, who "plays pretty for the people," will appear in person with his famous orchestra, at the RKO Palace Theatre for one week, starting Thanksgiving Day on a gala holiday show.

On the same program will be Perry Franks and Janey, popular dancers, and The Natchalskis, widely known comedy act. A gay comedy, "White Tie and Tails" will be the screen attraction.

The gravel voiced trumpeter, Louis Prima and his popular band, hold a place among the nation's top ten orchestras and for many years, Prima has been a consistent winner of honors in the music world.

For the first time in his tough and villainous screen career, Dan Durjoy of "Scarlet Street" fame has a sympathetic role in "White Tie and Tails," and he even wins the heroine, lovely Ella Raines. William Bendix is the racketeer in this fun-filled romance, which has Dan Durjoy as an artistic butler, who gets into numerous complications when he poses as a gentleman and helps out a lady in distress. There are many original twists to this unusual story, as well as a surprise ending.

6 TOP BANDS TO PROMOTE U. S. BOND SALE

Six of America's top bands in a special coast-to-coast musical fiesta titled "Bonds for Bonds" will be presented by CBS in co-operation with the U. S. Treasury Department, Tuesday night, at 11:30 over WHEC.

The Bands of Guy Lombardo, Jimmy Dorsey, Johnny Long Elliot Lawrence, Frankie Carle and Tommy Tucker, will broadcast their music from leading hotels and dance floors in New York, New Jersey, Chicago and Los Angeles.

The band leaders will "make the pitch" advocating purchase of U. S. Government bonds as an investment for the future.

RENEE GRIFFIN HEADS EMBASSY REVUE CAST

RENEE GRIFFIN
The Embassy embarks on a
gala seven-day entertainment
starting today with a brand new
song, dance, comedy and musical
revue entitled "Hello Beautiful!"
and starring the lovely and
talented personality, Renee
Griffin.

Renee Griffin comes to the
stage of the Embassy following a
successful tour of midwestern
states. Besides possessing un-
usual charm, Miss Griffin is also
a talented entertainer of the
four-star variety. Rita Cortez,
billed as an added attraction is a
seasoned musical comedy star
with a wealth of good looks and
a load of personality. Dorothy
Duke, glamor girl and a new
singing, dancing Beauty Chorus
of charmers complete the femi-
nine personnel.

Comedy capers will be han-
dled by two veteran comics,
Dick Richards and Harry Ben-
tley. Floyd Halley, is straight
man and master of ceremonies.
Four stage shows are sched-
uled daily, except Saturday,
when six are featured with the
final show a midnight perform-
ance. Stage shows are contin-
uous with no films.

DOUBLE BILL AT REGENT STARS HENIE, BEERY

Local movie-goers were of-
fered a double-helping of out-
standing film fare when two of
the entertainment hits of all
time "Sun Valley Serenade,"
starring Sonja Henie and John
Payne; and "The Bowery" with
Wallace Beery, George Raft and
Jackie Cooper opened at the
Regent Theater yesterday. "Sun
Valley Serenade" is a gay, ro-
mantic musical set in America's
most fabulous winter playland.
Joan Davis, Milton Berle and
the Glenn Miller Orchestra are
featured in this film highlighted
with exciting skating and skiing
spectacles, with Sonja Henie at
her brilliant best.

George Raft, Jackie Cooper
and Wallace Beery, the star tri-
umvirate, return in "The Bow-
ery." They bring back the gay
nights and hilarious days of the
naughty nineties when Chuck
Connors was "Mayor" of China-
town and Steve Brodie jumped
off the Brooklyn Bridge. Their
famous rivalry is skillfully re-
lated with all the flavor and
gusto that made the Bowery
"the liveliest mile on the face of
the globe."

MYRA HESS TO APPEAR WITH NBC SYMPHONY
Dame Myra Hess has accepted
an invitation from Arturo
Toscanini to be guest soloist
with the NBC Symphony Or-
chestra under his direction to
be heard Sunday night at 5
over WHAM. The concert will
mark the celebrated British

pianist's first appearance under
Toscanini's baton.
Dame Myra will be soloist in
Beethoven's "Emperor" Con-
certo. The first time the noted ar-
tist played this work was in
1940 in England and she says,
it was very nearly the last; for
a bomb fell close by at the con-
clusion of the concert, and she
barely escaped with her life.

KARLOFF STARS IN "ARSENIC AND OLD LACE"

WHITE TIE and TAILS

How, with the aid of Ayres, a psychologist, and Mitchell, a persistent sleuth, this shocking murder is finally solved, provides the basis for a motion picture which has seldom been matched for sheer spine-tingling suspense.

The companion feature is "Genius At Work" with hilarious Wally Brown and Alan Carney, Ann Jeffreys and Lionel Atwill. It is described as a laugh-slide in the underworld.

Since the cast of the Bergen-McCarthy Show came to New York, the performers have realized that the housing shortage there is actually as acute as portrayed in the newspapers. Fifteen different members of the road company are now lodged in fifteen different Manhattan hotels for the duration of their visit.

you are deprived of your daily mouthpiece.

To get back on the air . . . News announcers, commentators, sports broadcasters . . . all being worked over-time to cater to the public ear . . . with never a thought on the part of the average listener as to what a colossal job it is to handle it all . . . and carry a radio schedule at the same time.

Why do they do it? Because it's what their customers want . . . the news! To say that these radiomen and women of Rochester are doing a fine job would be ridiculous. Their service in this emergency is a perfect tribute to their profession, and I say a million orchids to each and every one of them. Rochester radio . . . we are proud of you . . . and grateful!

4 LOCAL MEN SHARE McCURDY AWARDS

Four students in the Eastman School of Music preparatory classes have been named by Dr. Howard Hanson as winners of the McCurdy scholarships. They are:

Francis Iogha, piano; David Bilhorn, cello; David Lurie, oboe, and Richard Demmonson, trombone. All are of Rochester. The McCurdy Little Symphony is a regular weekly program Tuesday evenings, at 7:30, over WHAM.

BUFFALO DATE SET FOR SPORTSMEN'S SHOW

Fourth Annual Sportsmen's and Boat Show will be held at the 65th Army in Buffalo, March 15th through 23rd, 1947, marking a resumption of the exposition for the first time since 1941.

Officials of the show have announced that although several months away, 80 percent of the exhibit spaces are already filled and advance reservations indicate this will be the greatest Sportsmen's show ever held in Western New York.

Exhibits will include both manufacturer's and distributor's displays of the latest in camping, fishing and hunting, and boating equipment and the largest display of boats to be held between New York and Chicago.

Game training and conserva-

tion training activities will occupy a large part of the exhibit space, with the New York State Conservation Department displaying a feature. Other exhibits of wildlife and recreation facilities are expected from Canada and Western United States.

The show is managed by Donald L. Guerin, Rochesterian, producer of the Sportsmen's Shows held in Buffalo just prior to the war, and Campbell-Fairbanks Expositions, Inc. directors of the National Sportsmen's Show in New York.

'LADY LUCK' HELD OVER AT TEMPLE

Weaving its hilarious story around the hectic love affair between a gambler and a gambler's anti-gambling granddaughter, RKO Radio's "Lady Luck" stars Robert Young, Barbara Hale and Frank Morgan in one of the sprightliest comedy offerings of the season. It opens for a second week today at the RKO Temple.

With Beverly Hills and Nevada's Las Vegas as its principal settings, the gay plot tells what happens when Larry Scott, successful professional gambler, meets and falls for pretty Mary Audrey, who detests all games of chance as much as she does on her rascally old grandfather, William.

Larry agrees to reform if Mary will marry him, and they head for Las Vegas for the ceremony. But an hour after the wedding Mary misunderstands a quixotic gesture by Larry and decides to get a divorce. Larry's pal, "Sacramento Sam" (James Gleason) tries to straighten the matters out by inveigling Mary into trying her luck at a roulette wheel, in the hope that she will like the excitement and be more tolerant of Larry, unaware that the heroine's ancestry is filled with highly ardent gamblers.

The scheme backfires in a startling manner, with many side-splitting situations and much happens before the young couple are finally reunited in a surprise climax.

Young, as the hero, and the talented Miss Hale are ideally cast in the romantic leads, and Morgan has one of his finest opportunities to date as "Gramps." Gleason, Don Rice and Harry Davenport are featured. Direction is by Edwin L. Marin.

Companion features is "Child of Divorce" starring Sharyn Moffett, Regis Toomey, Madge Meredith and Walter Reed.

"Information Please" stand-bys Franklin P. Adams and John Kieran engaged in a short debate about the name of the opera in which the hero takes seven minutes to "die." "It sounds like seven hours," quipped Adams when informed that "Siegrid" is the opera.

When Hanley Stafford, of the shows, tells you his name, he's "Baby Snooks" and "Blondie," also telling you his birthplace.

STEADFAST PRICES...
Result of Steadfast Policy

Last week, in principal newspapers from coast to coast, this announcement appeared: "The House of Seagram is holding the line! No increase in price! Same pre-war quality!"

This is our declaration that we expect the retail prices of Seagram products to remain at their present OPA ceiling levels—and we will use every means at our command to aid and abet this declaration.

For this, our POLICY on prices, we consider to be only "falling in line" with other long held, steadfast Seagram policies, such as: Making finer whiskies—making them taste better...maintaining pre-war quality...equitable distribution of our products without tie-ins of any kind.

It is, in other words, a policy of KEEPING THE FAITH.

night reflect the cosmopolitan type of thinking that permeates the company. "The Green Book" is a powerful indictment of the failure of peace conferences to prevent war, and "City" lists the impressions gained from life in a European metropolis.

In the company's first years the many polyglot languages were incomprehensible to some members of the company. For a while German was the generally accepted language.

Last week New York snapped a great many GOP citizens out of that comfortable feeling. In a streamer PM. "No member of the reactionary press has yet mentioned the fact that John Lewis is a Republican enough!"

Truman will cook up a that will be startling to but even more startling to Republicans. Rumor hath it Harry wants a law with teeth to prevent strikes that cripple the country's entire economic structure. He is expected to write in a clause or two will put in over on the law "unions are monopolies" hence prosecute under trust laws.

The law which design put an end to such far reaching strikes as coal, steel and oil will be so rugged that even Republicans will shy away from it.

The GOP, now that election over, has already started its campaign. It wants to be fair with everybody including the heavy Labor vote. Truman the 100 in under ten so when faced with many suggestions the Truman law will contain.

Goah, the Democrats turn out to be the Tory yet.

Regardless of proposed legislation there will be a of strikes right after the of the year. The strikes will doubt get off to a good while the boys in Congress still discussing the new "pros and cons."

It's mighty shallow then our part to presume that our worst fears are on principles. A walk through meat market and a glance at the prices should John Clifton a fair idea of Labor wants more money.

The Republican scuttling the OPA is going to prance boomerang to the easily justify its demand more money on the basis increase in the price of commodities. The boomerang probably smack chief scuttler Bobby Taft right in the face.

But somehow they will age to blame it on Roosevelt.

We hope that we speaking too quickly. City fathers are four storms and a blizzard last year. It will be into to note (and of course long nose like us will it) if the heavy money being saved will result in plus come the end of the year.

Such a thing might be but of course not in Roosevelt's hands.

Serious party thinker the GOP has gone to the exponent of free enterprise and the friend of big business. Sooner or later they will go back to selecting dates for the president were not born with the bial silver spoon mouths. There are still the so-called common the country and to be stand their problems a re-elections it might select men who have long way the hard way transit have not their own early problems.

The Republicans swell with a man new coin, born in a Ken cabin, and another to live soul with the tough, Cal Conledge most farm country.

Candidates born a million bucks or prosperous seem all Republicans have let. Their point of view right for straight but it won't win independent votes.

They will have dependent votes to that man Roosevelt exemption to the rule.

Rumor hath it that Harry wants a law with teeth in it to prevent strikes that can cripple the country's entire economic structure. The law which is designed to put an end to such far reaching strikes as coal, steel and utilities will be so rugged that even the Republicans will shy away from it.

The GOP, now that elections are over, has already started its 1949 campaign. It wants to be popular with everybody including the heavy Labor vote. They run the 100 in under ten seconds when faced with many of the suggestions the Truman Labor law will contain.

Goah, the Democrats may turn out to be the Tory party yet.

Regardless of proposed Labor legislation there will be a rash of strikes right after the first of the year. The strikes will no doubt get off to a good start while the boys in Congress are still discussing the new laws "pro and con."

Gunman Fires Shot During Store Holdup

A revolver toting youth held up a grocery store proprietor and his wife Monday night in their Charlotte Street store, robbed their cash register of \$242 and fired a wild shot at the proprietor before being nabbed by two alert young detectives.

Held for Grand Jury investigation on charges of first degree robbery, second degree grand larceny and possession of a loaded revolver is Joseph Edward Singleton Jr., 19, of York, Pa.

The youth, who has a police record elsewhere for armed holdup, waived examination when he was arraigned in City Court Tuesday before Judge Arthur L. Wilder.

Singleton, according to police, walked into the store operated at 207 Charlotte St. by Maurice and Mary Cohn, at about 9:30 Monday night. He flourished a revolver and backed the couple against the wall. While holding Cohn and his wife at bay, the good-looking, well-dressed youth it was reported, scooped \$242 in cash from the open till and hiked out of the door.

After he had reached the street he turned to flee, the store owner seized a can of vegetable and hurled it after the retreating bandit. The stick-up man wheeled around and fired a slug through the door window of the store, but his shot went wild. He then fled.

Cohn immediately called police and description of the holdup man was broadcast to all precinct and police cars. Detectives Aniel Sharp and Frank O'Connell, who were assigned to the case, began searching the neighborhood for the holdup man and, on the basis of Cohn's description, picked up Singleton in a Richmond Street car less than two hours after the heup.

Seized on a riding charge, Singleton was questioned at Police Headquarters by Chief of Detectives Edw. W. Collins and Assistant Chief of Detectives Emil Larase, who quoted the youth as admitting the robbery. The felony charges were placed against him after his reported confession.

WOMEN DEMAND POLICEWOMEN TO CURB CRIME

Women of Rochester dissatisfied with official handling of the city's growing juvenile delinquent problem, called upon Mayor Dicker Tuesday night to appoint additional police women to the city's law enforcement organization.

In an off-the-record meeting following the City Council session, a committee of women thought to represent several leading local organizations met with the Mayor to demand quick action. While the women would not identify themselves to reporters, explaining that they preferred to remain unpublicized at this time, it was believed they were members of the Parent-Teacher Association, Catholic Women's Clubs and the Federation of Women's Clubs.

The Mayor, after listening to their pleas, is said to have agreed with their idea but explained that the budget for 1947 already had been set and that no provisions for extra policewomen were included.

The women's delegation is believed to have proposed the extra feminine law officers more for the purpose of directing social activities programs for underprivileged juveniles than for actual police duties.

Work that the present small force of three policewomen has accomplished with juvenile delinquents, and in prevention of such has received high praise from women's organizations in the past. It is thought that the women who called on the mayor Tuesday sought to enlarge their work with the appointment of additional personnel in the police department.

Brownout Dims City; Tighter Regulations Due

Dulled to a wartime dimness through a government-ordered brownout to conserve the nation's fast-dwindling supply of coal, Rochester and the rest of the state today anxiously awaited word from John L. Lewis, the coal miners' boss who precipitated a strike in the mines last Wednesday, as to when the city and the nation could resume its normal peacetime existence.

If the government were successful in its prosecution of Lewis for disobeying a court's order to return the miners to their work, the end of the strike might come at any moment, Lewis was being tried in a Washington Court on the contempt charge. But he alone would decide when that word would be given.

Until Lewis gave the word Rochester would have to struggle along with the threat of closed schools, cold stores and limping industries staring it in the face. And the day of reckoning was drawing ever closer.

City officials were locked in conference throughout the day Tuesday with various business groups trying to formulate plans to combat the strike's effects in the city. Retail coal merchants were followed by theater managers and members of the Retail Merchants Council in conferring with Mayor Dicker and City Manager Louis B. Cartwright seeking a clarification of regulations contained in the Mayor's proclamation issued Monday after Acting Governor Joseph Hanley had proclaimed a "state of emergency" existed in the state.

Brownout regulations which went into effect at 6 p. m. Monday met with only partial observance during their first day. But compliance was rapidly picking up as fuses were pulled on outdoor signs and displays. Department stores windows were lightless as were theater marquees. Street lights were gradually being dimmed and school authorities were anxiously eyeing their shrinking coal piles.

The Rochester Gas & Electric Corporation announced last night that by virtue of new shipments of strip coal received and

MERCHANTS ANNOUNCE CHRISTMAS SEASON SHOPPING HOURS

The city's retail stores may be dimmed on the outside and show windows darkened by brownout regulations, but Christmas business will go on without interference by the present coal strike.

Fremont Cluser, secretary of the Retail Merchants Council announced this week that holiday store hours will be inaugurated as planned on Friday, Dec. 6, "unless an unexpected emergency order prohibits."

Here are the Christmas store hours that will be observed in member stores of the Council, in addition to regular shopping hours:

Friday, Dec. 5 — 10 a. m. to 9 p. m.
Monday, Dec. 9 — Noon to 9 p. m.
Friday, Dec. 13 — 10 a. m. to 9 p. m.
Monday, Dec. 16 — Noon to 9 p. m.
Thursday, Dec. 19 — 10 a. m. to 9 p. m.
Friday, Dec. 20 — 10 a. m. to 9 p. m.
Monday, Dec. 23 — Noon to 9 p. m.

Printers Tell Their Side of News Dispute

Last Sunday, The Rochester Sun printed in full a statement by Frank E. Gannett, publisher of the Rochester Times-Union and the Democrat and Chronicle, regarding management's stand in the current local daily news-paper strike which began at 6 p. m. Friday, Nov. 8.

Seeking neither to take sides in the dispute nor to limit the picture of the background which precipitated the strike, The Sun today prints a statement, also in full, as received from Rochester Typographical Union No. 15 which presents its side of the story. The statements appearing in the Rochester Sun of Sunday, November 24th, attributed to Frank Gannett, requires considerable correction. Mr. Gannett pointed out that those who have been handling negotiations for the Gannett newspapers because his statement is full of misrepresentation.

Rochester Typographical Union No. 15 has refrained from issuing any statements knowing the facts would not be complimentary to its best customer but now feels its position should be made clear.

The contract between Typographical Union and the Gannett Newspapers expired on July 31st. For four months fruitless negotiations were carried on. Mr. Gannett calls the original proposal of the union "preposterous." The same word may well be used to describe the original offer by the management of a \$2.99 a week increase. It should be borne in mind that the union's proposal was drawn last May when skyrocketing prices were feared and which have been realized to a considerable degree. For the purpose of negotiations the union subsequently reduced its proposal to \$3.00 per week.

Mr. Gannett has always paid his printers lower wages. For instance, they now receive \$38.00 weekly but in Buffalo the printers get \$74.00 a week. In Niagara Falls \$73.00, in Syracuse \$63.00 and in Albany \$62.00, to mention only a few nearby cities.

Mr. Gannett complains of the cost of Rochester papers was increased by the increased cost of newsprint. It should be recalled that the cost of Rochester papers was increased before the present increase in the price of newsprint.

Mr. Gannett neglected to mention that the increased cost of newsprint applies to other cities where the daily

TEMPERATURE DIPSY-DOODLES PREDICTED

A variety of weather is scheduled for the weekend, according to the weather bureau at Municipal Airport. But it all adds up to one sure thing — winter is definitely approaching.

In an up and down forecast the weatherman says temperatures will average 3 to 5 degrees above normal 33 mercury readings for the period (normal is 33) with colder today, warmer tomorrow and colder Saturday and Sunday. Precipitation will average one-half to one inch occurring as rain or snow today and again Saturday.

Mayor's Proclamation

Whereas a threat to the well-being of the inhabitants of the City of Rochester and County of Monroe exists by reason of the suspension of the mining of bituminous coal; and

Whereas the Federal Civilian Production Administrator has issued orders for the conservation of solid fuel stocks, and has called upon State and local governing subdivisions to obtain the cooperation of their inhabitants in the effectuation of the fuel conservation orders; and

Whereas the acting Governor of the State of New York has proclaimed the existence of a state of emergency in this State and has called upon the officers and governing bodies of the local government subdivisions of the State to consider and take appropriate action to procure the suspension of unnecessary lighting of every description, insofar as consistent with public safety, and the maximum voluntary reduction in the use of lights in all non-essential power consumption.

Now therefore, we, Samuel B. Dicker, Mayor of the City of Rochester, and Clarence A. Smith, County Manager of the County of Monroe, do hereby proclaim that a state of emergency exists in the City of Rochester and County of Monroe, and effective 5 P. M. Monday, November 25, 1946, we call upon the people of the city and county to comply in all respects with order U 14 (Schedule 1) of the Federal Civilian Production Administrator as follows:

FIRE CALL SNARLS CLINTON AVE. TRAFFIC

Five o'clock rush hour traffic in the Clinton Court section was knotted worse than usual Tuesday night when a concentration of fire apparatus was rushed into the area in response to a telephone alarm.

Battalion Chief George Kummer said that a small blaze in a house at the rear of 295 Clinton Ave. S. caused damage estimated by him at \$5.00. A booster line was used on the flames.

Speaker Condemning GI Bill Exposed As "Phony"

Never was the warning to "Believe nothing you hear and only half you see" more applicable than to the audience of George Carraker at the Commerce Club last Friday noon.

Gentlemen — the truth — this Guy Carraker is a 14-carat solid gold diamond studded FAKE.

Some of his audience got an impression while listening to well delivered but unauthentic speech. Among the skeptics was your correspondent.

A few questions, a little checking and a couple long distance telephone calls proved the speaker right and the Carraker character wrong. And, what more, he knew he was wrong at the time. He knew he was full of the w. k. hops and, according to rumors along newspaper rows, he made a full confession to one correspondent and completed it with a plea to keep it out of the papers. That looked easy — what with the dailies tied up by a printer's dispute, but brother Carraker forgot about The Sun (naive little fellow, wasn't he?).

Here are a few samples of the kind of stuff Carraker peddled to the 300 members and guests of the Commerce Club:

"Way veterans across the country," said Carraker, "are talking war again. They are up now on excursions to not how the excursions were,

False Arrest Suit Filed By Former DPW Worker

Harold Sehm, 536 Atlantic Ave., a deaf mute formerly employed by the Department of Public Works, is suing the city and Henry T. Copenhagen, chief of police, for \$10,000 as a result of Sehm's arrest with others during the labor demonstration against the city last May.

The plaintiff, whose complaint has been served on city officials, claims he was falsely arrested and maliciously prosecuted. He was picked up on the morning of May 23 at a private gasoline station at the corner of Dewey Avenue and Bloss Street, the complaint states. Furthermore, he says, he was not there in connection with picket duty.

Sehm, represented by Attorney William L. Clay, was one of more than 450 men whose jobs were eliminated by the city. He states that he was held in County Jail for about 14 hours, pleaded not guilty in City Court, and was released in \$1,000 bail. He was dismissed June 14.

SCHEDULE 1 U-14 (Electric Utilities) Effective Nov. 25, 1946

Lemons are the cook's winter friend. Cream soups with a dash of lemon juice give them a certain tang. Try lemons in pancakes, rice or pudding. At a very swanky nightclub in a out-of-town city, I ordered a steak — it was served with lemon quarters — to be used with juice squeezed over the steak. I tried it and yam yum — was it good.

A FUR COAT from SHAFER CO. is enough to make the most hard-bitten old Scrooge believe there is a Santa Claus. There is a special — for Christmas collection at SHAFER CO. at the present writing. All the skins fashioned into a Shafer coat — whether it's a Mink, Persian, Beaver or Muskrat are all cream-of-the-crop skins. Styles are becoming — boasting the new shoulder line — the Bishop sleeves — the cardigan necklines — plus fur combinations that are breath-taking. For instance Persian combined with Mink is out-of-this-world. Or maybe she has been longing for a FUR SCARF. You'll find these at SHAFER CO. in mink, kashmir, and many others. You may select your skins and have a scarf fashioned to your own particular needs. Designing talent and craftsmanship at prices which are as low-quality for quality — as those offered anywhere. You can't give her the stars — for Christmas — but you can give her a FUR COAT — bearing a SHAFER CO. label. 79 East Ave. Opposite Chestnut St. All prices include tax at Shafer's.

The cover-up dinner dress of black crepe — should be a must for every well-planned wardrobe. A high neckline goes into a dramatic scarf and there is no other ornament except the flash of a gold sequin ornament like a jewel.

**\$5,000 SETTLEMENT
IN CRASH SUITS
BEFORE JURY ACTS**

Trial of Supreme Court suits arising from a highway crash in which a mother and daughter were injured Nov. 24, 1945, ended Tuesday afternoon in a \$5,000 settlement before the jury.

Mrs. Josephine Billotti, and her daughter, Frances, 18, both of 87 Sidney St., sued Western New York Motor Lines, Inc. The women were passengers in a car, owned and operated by Mrs. Billotti's husband, Frank, when it was hit by a bus, owned by the defendant, in Fort Hill Road, near LeRoy, according to Seymour Bernstein, attorney for the plaintiffs. Justice Lewis A. Gilbert presided at the trial.

**FORMAN EMPLOYEES
HAVE XMAS PARTY**

More than 600 B. Forman Co. employees assembled Monday evening, in the Hotel Seneca Ballroom for their annual Christmas party.

After a dinner of turkey with all the "fixin's," Mr. Edward Forman, store president, announced a Christmas bonus for all employees and presented special gifts to 10 of the staff who have been in the store's employ for more than 25 years. Pension plan certificates were presented to 10 employees who have become eligible during the past year.

A program of entertainment was followed by dancing from nine to twelve to the music of Peter Laurini and his orchestra.

**MERCY GUILD TO
STAGE BIG SUPPER**

At the November meeting of the Mercy Guild of the Little Flower, plans for a Christmas party in St. John's Hall and a catered supper, at 6 P. M. on Tuesday, December 10th, were made.

A gift will be exchanged by each member and cards will be played, following the short installation ceremonies.

The following members of the Mercy Guild have accepted chairmanship of standing committees: Ways and means, Mrs. Edward Weigel; color bearer, Mrs. Joseph Georger; sunshine ship, Mrs. William Cavanaugh; cards, Mrs. William Gleichauf; hostesses, Mrs. Austin Hetzel; marshalls, Mrs. George Garney.

For reservations for supper telephone to Mrs. Charles Baker, Culver 3702-W, or Mrs. Edward Beikirch, Gen. 5722, Admission \$1.40.

**BRIDGE LUNCHEON
SET FOR DECEMBER**

Another in the series of desert bridge luncheons will take place Thursday, December 5, at the Catholic Women's Club at 1 p. m. Mrs. J. Howard Fitzgerald will be in charge of arrangements.

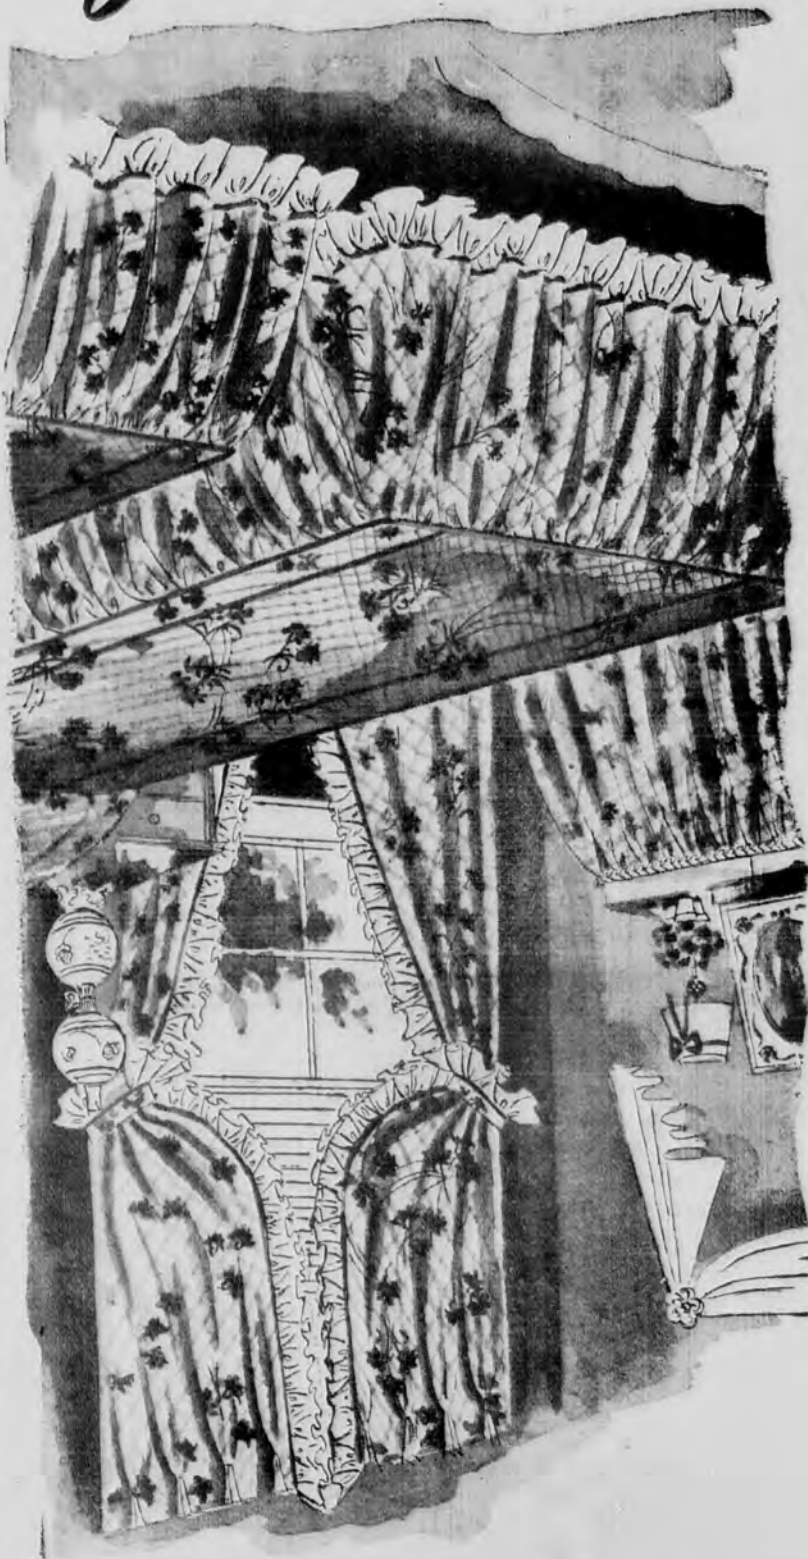

The following committee will act as hostesses: Mrs. Louis A. Whalen, Mrs. Louis A. Bollen, Mrs. Clarence J. Brauch, Mrs. Sylvester H. Buelte, Mrs. J. Harry Coniff, Mrs. Bernard F. Conley, Mrs. Florian W. Derloth, Mrs. John A. Daignan, Mrs. William P. Fluegler, Mrs. Alexander E. Grate, Mrs. Herbert F. Janick, Mrs. Francis E. Kalb, Mrs. Joseph R. PRINTERS...

(Continued From Page 1) proposition and was informed the only course left open to the men was not to report for work. This Mr. Gannett calls "without notice" or "counter-offer."

This "take-it-or-leave-it" company offer was a proposal that present and future members of the union sign individual agreements surrendering any claim to profit-sharing. It is a reality enough, the employees never had any "claim" on profit-sharing or any other so-called benefits advertised by the Gannett Company. They are all in the hands of the board of directors. They can give and they can take away. Suddenly the management wants employees to sign away the profit-sharing which is a prerogative of the directors. This surrender agreement held out to the printers as the price they would have to pay for a wage increase that would only equal the Buffalo scale is nothing more than a return to the outlawed system of yellow-dog contracts which made the employees hold on to his job contingent upon signing away something his employer did not want him to have.

Mr. Gannett boasts of the benefits enjoyed by his employees at the will of the corporation. It is true the employees do get benefits similar to those enjoyed by employees of other industries in Rochester, but which are not administered with the same consideration. He did not state that it was not until June 1944, that the printers got a vacation with pay. Two years ago! And then, he also did not report, they had to threaten to strike in order to make him live up to his agreement. That's a fact. It also indicates that the union has been compelled to fight for every decent condition and wage proposal.

Mr. Gannett boasts his employees "are sure of continuous employment — that is, 52 weeks a year." The newspaper business has its peaks and valleys like many other industries and the printers are the first to feel any change in business conditions. It is traditional that a couple of days before Christmas the ax falls on the printer's number of printers and the same applies after the Easter season. No one should get the idea that Mr. Gannett employs anybody for whom there is no work. When there is work he hires them. When it falls off they get laid off.

It seems rather silly for Mr. Gannett to mention social security as a company benefit when it is a well-known fact that Gannett employees have social security not because of the Gannett Company but despite it.

Mr. Gannett has a pension "plan." He pays it to some employees and to some he doesn't. The idea is good but its dictatorial administration and the uncertainty that surrounds it detracts from its potential value.

Mr. Gannett calls attention to the increase in operating costs and sees no way to say the business future is uncertain and the management will have a hard time maintaining a sound financial position. How can Mr. Gannett expect the public to believe this when he has repeatedly stated the country is on the threshold of unprecedented prosperity? The future is always uncertain but the same applies to the outlook for his employees.

Mr. Gannett, on the other hand, declared his company was prepared to pay the largest wage dividend of the past eleven years, almost 50 per cent greater than the average for these years. The printers only ask for decent wages to provide for their families. It's a pity he cannot get the same satisfaction out of seeing his employees well housed, clothed, and their children educated that he gets out of making more millions of profits which his chain has always been assured.

Mr. Gannett declares he has had "expressions of support from the public, from men in all walks of life, and from our advertisers." The union also has had expressions from many public spirited citizens deploring Mr. Gannett's conduct and practices.

Mr. Gannett arbitrarily feels that a 20% wage increase is generous but he also feels a 30% increase in newspaper prices is reasonable; he also feels a 66% increase in the retail price of his paper is reasonable, and there is no bargaining about it either. A study of his practices will reveal Mr. Gannett is very generous with Mr. Gannett.

Mr. Gannett frequently emphasizes his duties as a publisher but when the chips are down, completely forgets those duties and tosses aside his responsibility to the readers of his monopoly-controlled chain of papers and says "there is nothing that management can do now" and this deplorable strike." He then hires himself to pleasanter climes instead of remaining on the ground and familiarizing himself with the merits of this dispute.

Mr. Gannett can settle this dispute and he cannot glibly wash his hands of responsibility.

Bow-Tied Record
Danville, Ill. — Edward J. Foehrer claims the record with his bow-tie collection. He already has 125 and intends to keep on collecting them until he owns 365 ties — one for each day in the year.

In Sight of Home
Payette, Idaho. — After a honeymoon trip of 5,000 miles, to Arkansas, without a trace of trouble, Mr. and Mrs. Clifton Edwards drove into Payette and, just two blocks from home, their car burned out a connecting rod.

**TO CONFER MEDALS
ON MASONIC MEN**

At its regular meeting Tuesday, December 3, Yonkers Lodge, F. and A. M., will confer fifty-year medals upon fourteen of its members.

The presentation will be made by District Deputy Grand Master Clarence J. King and it is expected that several grand officers of the state will be present.

Those who will complete their fifty year membership are: William H. Bantleon, George F. Argetsinger, Christian N. Kessler, James E. McKelvey, Frederick J. Schminke, Hilton F. Snider, Sidney G. Strassenburgh, William C. Smith, Frank E. Cass, Albert E. Goettel, Simon King, Charles E. Lyon, Louis Simon and George Zieres.

There will be a special music program arranged by Elmer Asmuth and Andrew Merkel. Lunch will follow the meeting.

**CHRISTMAS SEAL SALE
GETS UNDERWAY**

The 40th annual sale of Christmas seals has officially opened. In Monroe County some 23,000 families received these health seals. This year's seal bears the likeness of an old lamplighter lighting his lamp against a starry blue sky, symbolic of returning hope of the world after dark years of war.

Centered in each sheet are four special seals featuring the four persons who made outstanding contributions to the first seal sale in 1907, Jacob Hils, Danish-born American, whose article about the Christmas seal and its origin in Denmark inspired Miss Emily Bissell to use it as a means to obtain funds to help tuberculosis patients in Brandywine, Delaware, and who, in turn, was aided in the project by E. A. Van Valkenburg, news paper publisher and editor, and Leigh Mitchell, columnist.

**Square Dance On
Program Tonight**

Square dancers are invited to dance tomorrow from 9 p. m. to midnight, to a good orchestra and singing caller in the YWCA gymnasium No. 100 Franklin Street.

The YWCA square dances, held every Friday night, are community affairs and are easily accessible by bus or car. Clarence Hofferbert's orchestra plays for the dancers. All square dance enthusiasts.

Attention DPW: Snow Removal Money Is Ready

The city is prepared financially to battle the winter snows.

An issue of \$700,000 8-month notes were sold Monday by City Comptroller W. Ray Whitely to the Genesee Valley Trust Company at an interest rate of six-tenths of one per cent. The money is needed for removal of snow on streets and sidewalks.

Four New York banks also bid for the notes, but asked

higher interest rates. Three of these offered to pay the city a premium. The bidder next highest to the Rochester bank sought a rate of 68-100ths of one per cent but offered a premium of \$5.00.

RUMMAGE SALE

A rummage sale sponsored by the Barnard Fire Dept. Ladies Auxiliary will be held at 121 Joseph Ave. next Wednesday.

NO. 42 PTA TO HEAR PROBATION OFFICER

Leon C. Whitlock, Probation Officer of Children's Court will be the speaker at the meeting of No. 42 School PTA in the school, next Wednesday at 8 p. m. His subject will be "Facts About Juvenile Delinquency."

The committee orchestra under the sponsorship of the association will entertain.

Hostesses for the evening will include: Mrs. Gordon Spears, Mrs. George Winkler, Jr., Mrs. Calvin Brown, Mrs. Ruth Spencer, Mrs. Edward Moore, Mrs. Donald Sturgis, Mrs. Julia Health, Mrs. Esther Patton, Miss Pauline Holtz.

K of C TO LAY CHRISTMAS ACTIVITY PLANS

Christmas activities for Rochester Council, Knights of Columbus will be planned at a meeting next Thursday, in Columbus Civic Centre. Grand Knight Francis T. Toomey will preside at the meeting beginning at 8:30 p. m.

The annual Christmas Fund appeal is in charge of Advocate C. Norbert Baglin who is sending a letter to all members. Friends of the K of C. join in the appeal which provides funds for Christmas charities and for the annual trip to the Veterans Facility at Bath.

Lecturer Raymond L. Nary is arranging for the K. of C. Christmas Party on Thursday, Dec. 19, and will be in charge of the trip by bus to the Bath Veterans hospital on Saturday, Dec. 28.

Michael J. Schopp, is chairman of the Children's Christmas party of the Knights of Columbus on Sunday, Dec. 22.

ODYSSEUS CHAPTER IN CLEVER COMEDY

Presentation of a two-act comedy in modern Greek by members of Odysseus Chapter No. 44, Daughters of Penelope, senior auxiliary of the American Hellenic Educational Progressive Association, highlighted the autumn program of that organization. The comedy, titled "The Dollars," was staged at the German Hall Tuesday evening, and was followed by a dance.

The play, under direction of Miss Dorothy Rousos, was enacted by Miss Leona Pappas, Miss Marion Rousos, Mrs. Constantine Rousos and Mrs. George Janetos. Preparations were made by a committee headed by Miss Evelyn Mickles. Mrs. Spiro Livadas, club president, was honorary chairman of the affair.

The performance was followed by dancing to the music of the Musikings.

YMCA CLUB TO SELL CHRISTMAS TREES

To help finance a downtown club for underprivileged boys, the Men's Club of the Rochester Y.M.C.A. will conduct a sale of Christmas trees two weeks before Dec. 25.

The Men's Club, a group of young businessmen headed by Stuart Meech of 820 Seneca pkwy., has made plans to renovate a basement room in the Gibbs St. building to provide boys with a clubroom complete with a fireplace, kitchen, lounge and craftshop. An expert supervisor will conduct an all-around program for boys three nights a week. George Williams Circle of the Y.M.C.A. Ladies Auxiliary is cooperating in the project and will provide woodworking tools.

Attend Chicago School Meeting

Howard B. Stauffer and William R. Cameron, president and vice president of the McKee-Lunger School of Commerce in East Avenue, are to attend the annual convention of the National Association of Accredited Commercial Schools convening in the Continental Hotel, Chicago, this week. This association consists of approximately 400 of the leading business schools, commercial institutes, and colleges in the country.

TEN WAR VETS AMONG 75 NATURALIZED

Seventy-five men and women became United States citizens at naturalization in the Court House Tuesday afternoon. Supreme Court Justice Earle S. Warner presided.

The class of new citizens included a repatriated British native, who served with the Royal Canadian Air Force during other World War years. Several European fugitives also were sworn in.

Charles D. Erskine, 85, of 125 E. Main St., who formerly lived in Cobourg, Ont., is the oldest naturalized citizen. He was assigned to the Royal Air Force in England and served more than 10 years.

The United States Army represented by the following new citizens: Joseph Anthony, who was born in Italy; Paul Brant, Canada; Carmen B. Italy; Alric J. Levasseur, Canada; Daniel L. McMahon, Canada; and George F. England. Representing the Marine Corps were William Armstrong, native of Ohio; Charles Coma Jr., Hugoburg, Pa.; and Earl A. H. Phillips, Canada, who live in Rochester.

A German refugee was represented by the following: Julius Moos, 20 Edmond St., who came here in 1934, spending six months in a concentration camp. His wife, Grete, and a daughter, Ina, who joined her parents in the summer after seven years of separation in England, applied for citizenship.

Also natives of Germany were Mr. and Mrs. Karl H. Woodlawn St., who came to this country in 1941 and were sworn in as citizens.

A cellist teacher at the Manhattan School of Music, Silva, 1804 Culver St., was among the next citizens. He came to this country in 1940.

The new citizens were decorated at the naturalization ceremonies by Herbert J. Dale Jr., representing the Chamber of Commerce, and E. Denekas, naturalization examiner. The ceremony was held at the office of the government, with Supreme Court Justice Cooper administered the oath of allegiance.

SITE CHANGED FOR ZIMMER POST DANCE

NATURALIZED**

Seventy-five men and women became United States citizens at naturalization court in the Court House Tuesday afternoon. Supreme Court Justice Earle S. Warner presided.

The class of new citizens included a repatriated Rochester native, who served with the Royal Canadian Air Force, and nine other World War II veterans. Several European refugees also were sworn in.

Charles D. Erskine, 85 Fairfax St., who formerly lived in Cobourg, Ont., is the RCAF veteran. He was assigned to the Royal Air Force in England and served more than two years.

The United States Army was represented by the following new citizens: Joseph Antropoli, who was born in Italy; Peter R. Brant, Canada; Carmen Freda, Italy; Alric J. Leveseur, Canada; Daniel L. All live in Rochester.

A German refugee was Carl Julius Moos, 20 Edmonds St., who came here in 1941 after spending six months in a Nazi concentration camp. His wife, Grete, and a daughter, Babrielle, who joined her parents this summer after seven years of separation in England, have applied for citizenship.

Also natives of Germany, Mr. and Mrs. Karl H. Wahl, 32 Woodlawn St., who came to this country in 1941, were sworn in as citizens.

A cellist teacher at the Eastman School of Music, Luigi Silva, 1804 Culver Rd., was among the next citizens. A native of Italy he came to this country in 1940.

The new citizens were addressed at the naturalization ceremonies by Herbert P. Lansdale Jr., representing the Better Citizenship Council of the Chamber of Commerce. Marvin E. Denekas, naturalization examiner appeared for the immigration and naturalization office of the government. Deputy Supreme Clerk Howard Cooper administered the oath of allegiance.

SITE CHANGED FOR ZIMMER POST DANCE
The Thanksgiving Dance sponsored by Arthur P. Zimmer Post will be held at Convention Hall tomorrow night instead of at the Sports Arena, as originally announced.

Proceeds of the affair will go toward the post's building fund. The committee in charge is headed by Mario D. Ferrari, who has announced that tickets for the dance can be obtained at the door. Ken Renick and his orchestra will furnish the music.

THE REV. E. T. MEAGHER

SET SERVICES TOMORROW FOR REV. MEAGHER

Solemn Pontifical Requiem Mass for the Rev. Edward T. Meagher, pastor and founder of Our Lady of Good Counsel Church in Brooks Ave. will be offered tomorrow at 10:30 a. m. by Bishop James E. Kearney in Good Counsel Church.

Father Meagher died Monday in St. Mary's Hospital at the age of 54.

Ordained June 10, 1916, Father Meagher made his early studies in Old Cathedral Grammar School and in St. Andrew's and St. Bernard's Seminaries. He was assigned by Archbishop Thomas F. Hickey, then Bishop of Rochester on Aug. 1, 1928 to establish the new Our Lady of Good Counsel parish in the southwest section of Rochester. The new pastor directed construction of the church and had since completed the school building, provided a convent for the Franciscan Sisters and established a rectory.

Prior to his pastorate at Good Counsel, he was a professor of logic and history of philosophy at St. Bernard's Seminary.

Besides his brother, Daniel J. and two sisters, Miss Minnie and Miss Frances Meagher, Father Meagher is also survived by three nephews, Daniel of Chicago, Edward T., student at Georgetown University and Joseph.

CITY PURCHASING HOGTIED BY PRESS ABSENCE

Rochester's newspaper strike, which enters its fourth week tomorrow, is beginning to prove embarrassing to the city purchasing agent's office, it was learned this week.

W. Raymond Whitley, head of the department, said that although no emergency had yet arisen from the city's inability to advertise for bids (a requisite under law) on purchase of supplies, if the strike continues, City Council may have to take action.

Whitley explained that in the purchase of most supplies for the city, bids must be requested in legal advertisements placed in the daily newspapers. Since Nov. 8 there have been no daily papers printed in Rochester, thus eliminating the source for such advertisements and halting all major purchases.

City Council, however, can circumvent such an emergency, by ordering each necessary purchase without advertising to keep city services operating.

MEDICAL EXPERTS TO MEET TUESDAY

Results of a two-year study of coronary occlusion in the Rochester hospitals will be featured at the December meeting of the Rochester Academy of Medicine at 8:30 Tuesday evening, December 3, at the Academy in East Avenue.

A panel discussion will be led by Dr. Rufus B. Crain, as chairman. Participating speakers will be Dr. Stanley H. Erlenback, representing Strong Memorial Hospital; Dr. Rudolph Angell, Genesee; Dr. Leigh S. Greenfield, St. Mary's; Dr. Walter S. Thomas, County Infirmary; Dr. David Thurber, General, and Eli A. Leven, Highland.

The study, which was prepared by the county committee of the Medical Society of the County of Monroe, will be illustrated with slides. A special exhibit in the Academy's museum has been prepared under the direction of Dr. Stearns S. Bullen.

SODALITY SALE

Rochester Deanery Sodality Union will hold a sale at 121 Joseph Ave., on Friday and Saturday, BBill Cluffo of St. Andrew's is chairman of the sale.

HEADS COST CONCLAVE COMMITTEE

William Carter, president of the National Association of Cost Accountants, has appointed William E. Jackman, past President of the Rochester Chapter, as chairman of the conferees for the International Cost Conference to be held in Chicago at the Palmer House in June 1947.

The committee recently met in Chicago to cooperate with the officers and directors of the Chicago Chapter of the N.A.C.A. in organizing the conference. It is anticipated that several thousand cost accountants from this country, Europe and Latin America will attend next June's conference.

Lemon Juice Recipe Checks Rheumatic Pain Quickly

If you suffer from rheumatic attacks or neuralgia, try this simple lemon juice recipe. It is a sure cure for rheumatism, neuralgia, sciatica, and other nerve pains. It is also a good remedy for indigestion, constipation, and other ailments. The recipe is as follows: Take one cup of lemon juice, one cup of water, and one cup of sugar. Mix together and drink three times a day. This will give you relief in a few days.

HOW QUINTULETS
always promptly relieve coughs of
TIGHT ACHING CHEST COLDS

Ever since they were babies and on up through the years—the Quintulets have always relied on Musterole for coughs and sore throats of colds. Musterole instantly starts to bring wonderful, long-lasting relief! It actually helps break up painful surface congestion, too.

In 3 Strengths: Child's Mild Musterole for average baby's skin. Regular and Extra Strength Musterole for grown-ups.

LACROSSE BACK AFTER FIVE YEAR LAPSE

The lid will be lifted on the Lacrosse season here tomorrow night at the Main St. Armory, when the new edition of the Rochester Iroquois tangle with the Hamilton Tigers. The game will get under way at 8:30 p. m. and Jack Farrell will do the officiating.

Manager Arleigh Hill, of the Iroquois promises to have a fast and rugged collection of Indians to do battle. From all pre-game dope, the Iroquois should come out on long end of the count.

The Hamilton seven will floor a team composed of veterans piloted by Bill Isaacs, old time Iroquois star. The Tigers finished runner-up to St. Catharines in the Ontario Lacrosse Association last year.

Manager Hill is undecided about his starting lineup but probably will show Bruce Hill, goalie, Jake Green and Bob Porter, defense, Alvin Hill, rover, Bob Cook, Truman Jamieson and Willis Powless, forwards. Other possible starters will be Ray Miller and L. B. Martin on defense, Del and Ross Powless and Bob Jamieson on the line and Dave Martin, rover.

Lorne Jamieson, Elliott Printup, Ross Farmer, Al Savino, Mahlon White and Alex Cook, will be held in reserve.

The Tigers will send Walter Copeland into the nets, Mervin McKenzie and Gerry Johnson, defense, Douglas Davidson, Jack Gair and Wink McGuire on the forward wall and George Masters or Isaacs may start in the rover berth. Pickles Southwick, Hank Feather and Arnold Smith will no doubt see action before the fray ends.

Tickets for the game are on sale at the National Clothing Store.

THREE HURT WHEN CAR, TRACTOR CRASH

Three persons were injured Monday night in front of 2452 West Henrietta Rd., sheriff deputies report, when a motor car collided with a tractor.

Homer Morse, 55, of 12 Charles St., suffered shock and left leg cuts; Joseph Morse, 18, same address, son of Homer, suffered a serious head injury. The Morse pair, deputies said, had stopped the tractor in the road, and the auto crashed into it.

The second car was driven by Lorne Duval, 27, of 3 Wilder St.

Wants Present Just A Little Too Large

Kansas City, — The 102 boys at the orphan's home recently had the time of their lives when adult sponsors took them to everything—peanuts, crack-cake, spunkless candy, pink lemonade and fancy paper hats. It wasn't enough for one little 4-year-old, however, who, tugging at the arm of his benefactor, pointed and said, "I want that." That was one of the circus elephants.

Given 75 Cents Reward For Returning \$2400

Racine, Wis. — George Poulson, a waste-paper dealer, found an envelope containing \$2,400 in War Bonds while sorting paper at the city dump. A young couple appeared and searched frantically through the rubbish. They told Poulson what they were looking for and he produced the envelope. They handed him a reward — seventy-five cents and rushed away.

Breaks Leg, Joins Family In Hospital

Spokane, Wash. — While out hunting, Photographer Charles A. Libby, Jr., broke a leg. Taken to a hospital, he found his wife had preceded him. The whole family, Libby, his wife and their new daughter, will leave the hospital together.

CITY COUNCIL UPS SPEED LIMIT; OKAYS APT. SITE

Contingent upon the availability of labor and materials, a \$20,000 tunnel sewer for sanitary and storm water drainage will be constructed in western Driving Park Ave., the City Council directed at its session Tuesday night. The area to be served by the sewer covers the rapidly developing Dupont-owned Defender Supply Co. and the Technifinish Laboratory, Inc.

Also authorized by the council was the remodeling of the fourth floor of Police Headquarters in Exchange St., without competitive bidding at no more than \$22,500 in costs. Approved also was repair work to cost no more than \$4,000, of the Baden St. Bathhouse roof.

The city speed law was changed to single limit of 30 miles per hour throughout the community. The limit had been 25 miles an hour in downtown areas, 35 on arterial highways and 30 miles an hour elsewhere.

Approval was given by the council to the sale of the old Hale house in Lake Ave. at Birr St. to Emil Fuller Construction Co. for \$10,200. Sale is conditional on the company's construction of 50 garden court apartments on the site.

Approved were lease of prop-

Go high, warm and handsome
— in Bond's deep-pile coat

Down goes the mercury. Up go your spirits. You're warm, mister — you're warm! With nary a bit of burdensome weight to ride heavy on your shoulders. Pure wool fleece — thick, deep-pile fleece — does the trick. We've had it woven on a soft cotton back, for extra comfort and extra wear. And we've lined the whole job with rich rayon, for extra luxury. But wait — wait 'till you see yourself in one of these beauties. Some shoulders, eh? And that swagger, finger-tip length! No wonder these coats go fast. Right now, you can have yours in camel-tone, blue or brown. But hurry — please!

St. Cloud Melton 34.95

Mmm, a fashion plate! A gala coat for your most elegant goings-on. A wonder for work-a-day scurrying 'round town. And when blizzards blow — how delightfully warm! Just tuck up your wide-winged lapels. Button those big bell sleeves tight to your wrists. And you're snug as a hug in Bond's new belted greatcoat. St. Cloud Melton, too — virgin wool and rich as hot chocolate! Where have you seen a luxury coat like this? Nowhere, say our shoppers, for less than 50.00. But THIS time you have it the Bond way — just 34.95. Choose white wine, kelly, toast brown or black. Sizes 10-20; warmly interlined.

Baby's Cries Save Family Of Four

Lindsay, Ont. — Awakened by the cries of her baby, Mrs. Harvey, of Hallburton, sprang out of bed as she saw the reflection of a fire on the ceiling of the bedroom. She succeeded in arousing her other sons, Murray, 14, and Harold, 7. Volunteer fire-fighters, summoned by a passing truck driver, managed to get the fire under control before it completely destroyed the house.

Almost Unbelievable

West Los Angeles, Cal.—William Brooke, Jr., 25-year-old disabled veteran with his hips in a cast and walking on crutches, was offered a ride by two strangers. He accepted. They drove into an alley, stripping him of his shirt, tie, pen, pencil and wallet containing \$15. Then, putting him out of the car onto the ground, they tossed his crutches out of reach. Unable to move or rise, Brooke spent several hours in the chill night air before a passerby found and helped him.

Are Chasing Riders

Philadelphia.—When a trolley car jumped the tracks, Miss Anna Reiser was pinned against the wall of a building and her right leg was crushed. After fifteen minutes work, Miss Reiser was freed, when the trolley was rolled away from the wall and taken to the hospital, where attendants said her leg would have to be amputated.

Verdi Opera Pleases In Otello; Rigoletto Tonight

By Arthur P. Wickshire

With several Metropolitan Opera stars featured in an outstanding cast, Verdi's "Otello" was heard by an enthusiastic audience last night in Columbus Civic Center as the first presentation of the Verdi Opera Company, new Rochester organization.

While Giovanni Martinelli's "Otello" was unsure in some of the passages and his pitch varied in one or two of the higher register passages, his famous voice was a pleasure to hear. The opera presents very exacting music for the role of "Otello" and while Martinelli hasn't the powerful voice of his earlier days, the brilliancy of his tone, especially in the monologue of the third act, over the pathetic orchestral commentary, and the more fully achieved farewell to arms of the earlier scene brought accolades of applause from his listeners. His masterful handling of the role, furthermore, showed that he is still without peer in opera dramatics and made last night's "Otello" living proof that it is one of the highest forms of the Italian musical art and the greatest setting of a Shakespearean theme by any composer.

Desdemona Role Triumphs
Vivian Della Chiesa, whose wonderful voice has made her a favorite of Rochester audiences, did a beautiful job in the role of Desdemona. Her especially triumph during an evening in which she was in top vocal trim, was in the "Ave Maria" of the final scene.

George Czapliski wrung the fullest measure of subtlety and villainy in the role of Iago. Here is a singer with a voice and skill and authority in its employment and Czapliski knew every nuance of text and music and carried the role with finish and proportion. The Met's great basso, Virgilio Lazzari likewise turned in a brilliant performance both vocally and historically as Lodovico.

Others in the top notch cast were well taken.

"Rigoletto" Set Tonight
There was enough and to spare in this performance for the triumph of Verdi with his unique masterpiece, "Otello."

Tonight, the Verdi Company will present "Rigoletto" at the Civic Auditorium with another brilliant cast starring Giuseppe DeLuca world famous baritone, in the title role; Josephine Antoine as Gilda, Helen Oelheim as Maddalena, Virgilio Lazzari as Sparafucile, Frank Perulli as the Duke of Mantova.

EASTMAN TO HAVE XMAS COMMUNITY CONCERT

Again this year, more than 400 voices from the leading choirs of Rochester, accompanied by the Rochester Civic Orchestra, will be lifted in the beloved melodies of the Yule season.

The annual community Christmas concert, one of the most popular events of the entire season at the Eastman Theater, will be given Sunday evening, Dec. 22.

Guy Fraser Harrison will conduct the massed choirs and the orchestra.

DAUGHTER BORN TO MOONEYS
Mr. and Mrs. Thomas B. Mooney of Mt. Vernon, N. Y., are being congratulated on the birth of a daughter, Barbara Joan, on Nov. 23, at Lawrence Hospital, Bronxville. Mrs. Mooney is the daughter of Mr. and Mrs. John M. McCarthy of Westminister Rd.

REBEKAHS TO MEET
Titiana Rebeleh Lodge 170, will meet at 8 on Thursday, Dec. 5, in the Baptist Temple, with Ruth Wilhelm presiding. There will be refreshments.

WAGNER-STRAUSS PROGRAM LISTS ROSE BAMPTON

Rose Bampton, leading dramatic soprano of the Metropolitan Opera, will be guest soloist with the Rochester Philharmonic Orchestra in a Wagner-Strauss program tomorrow night (Friday) in the Eastman Theater.

Erich Leinsdorf, the talented young Viennese, will conduct the program which will feature the Overture and Bacchanale from "Tannhauser," Elsa's Dream, from "Lohengrin," Sena's Ballad, from "The Flying Dutchman," "Du bist der Lenz," from "Die Walkure," Richard Strauss' symphonic poem "Death and Transfiguration," four Strauss songs, and the waltzes from "Der Rosenkavalier."

The greatest box-office response for any Philharmonic concert this season greeted the announcement that Miss Bampton and Mr. Leinsdorf, who formerly was director of the Wagnerian wing of the Metropolitan Opera, would join in presenting an all-Wagner and Strauss program.

Rochester Office Scene Of Real-Life Hearing Drama

This is one true story that begins with a happy ending. After six long years of impaired hearing, a prominent Rochester man sat down in our hearing office last week, adjusted the single-unit Mono-Pac hearing aid, and looked up in tones you hear are richer and truer than ever.

It was true. He heard that typewriter more clearly than he had heard any sound in years. The Mono-Pac Hearing Aid brought his hearing difficulties to a happy ending. It will do the same for you.

Every day Bellows is helping countless thousands to hear easily. Their world of sound can be yours, too! All you wear is the small ear-piece plus the single-unit Mono-Pac. Farly larger than a desk of ear. Yet the life-like tones you hear are richer and truer than ever.

Before another day goes by come in and try this amazing new Bellows Mono-Pac Hearing Aid, or arrange for a home demonstration if you prefer. **ELTONS OF ROCHESTER**, sole distributors in Rochester area, 800 Stanley Tower Building, Phone Stone 4473. — Advertisement.

IT'S NEWS!

Now you can prepare fluffy, delicious mashed potatoes in just 1 minute

ROCHESTER women thrilled with **FRENCH'S INSTANT POTATO** the amazing new product that saves time and work!

"THE FLAVOR SEEMS ACTUALLY RICHER!"
says Jane Fales
of the Rochester Democrat & Chronicle

"I've tested this marvelous new product in my own kitchen and found the flavor seems actually richer and texture smoother than mashed potatoes cooked the old fashioned way — and they're every bit as nutritious, too!" says Jane Fales, Rochester Democrat & Chronicle. "I predict that once you've tried it, you'll never want to be without French's Instant Potato!"

These creamy delicious mashed potatoes are so easy to prepare you'll want to serve them often! With French's Instant Potato you can be sure they'll have the same wonderful flavor and creamy smoothness every time you make them. French's Instant Potato is made from top-quality potatoes — pre-cooked for you! Just follow these easy directions and in 1 minute they're ready — the best mashed potatoes you ever ate!

No more lugging heavy bulky packages! French's Instant Potato can be stored so easily — it's always fresh and ready to use. Economical, too! Makes exactly the amount desired — never any waste. And it's grand for topping a meat or chicken pie. Makes delicious cream of potato soup and French's fried potatoes, too.

LIFE IS SO SIMPLE WITH **FRENCH'S INSTANT POTATO** MAKES MASHED POTATOES QUICK, RICH, BETTER FLAVORED, TOO!

NO WASHING! NO PEELING! NO COOKING! NO MASHING!

Here's all you do: Wait until dinner is ready to serve. Then to 1½ cups boiling water add ½ cup cold milk, ½ teaspoon salt.

Remove from heat, stir in quickly and vigorously ½ cup French's Instant Potato until light and fluffy, add butter and pepper to taste. Serves 4-5.

Fits like a dinner jacket! Looks like a custom job!

A BETTER BLEND FOR BETTER DRINKS

**ED RANDALL'S
Scene & Word**

Leave us open the festivities this week with the silly saga about the inebriated chap (why do drunks always keep creeping into this column) who staggered into Spiegel's taproom up on Mount Hope Avenue the other late afternoon. He was carrying an enormous white rabbit under one arm and when he had, by a valiant effort, reached the bar, he placed the rabbit on the oaken strip and asked Ray, the bartender, for a Manhattan.

Ray, a courteous white-coated soul, took very great pains in preparing the drink. He carefully measured the vermouth, filled a shot glass with the correct amount of Three Feathers, put just enough ice in the mixing glass and methodically counted the number of shakes he gave the mixture.

"That wash a shwell drink, Ray," he said. "Mix me another just like that one. You're a good boy, Ray, one of the best. No, hic, nobody in the whole wide world can make a Manhattan like you can."

So Ray went through the same careful procedure and again the tipsy customer smacked his lips and rolled his eyes in ecstasy.

He straightened himself on the bar stool, focused his blood-shot eyes on the attentive bartender and broke into speech once again: "I'll repeat, Ray, you make the best (censored) Manhattans I've ever tasted. Ya know what I'm gonna do? Hic, Pardon me. Just to show you how much I appreciate you, I'll partake of one of your luscious ham sandwiches. Serve it hot, please, fragrant with the rich aroma of cloves, brown sugar and steaming sauce. Serve it between slices of brown and crackly crusted bread. Also draw me a cup of rich, flavorful coffee and add to it some thick rich cream."

The counterman turned his head and shouted to the cook: "Pig on rye and draw one with!"

So Ray, wise in the ways of drunks, gave in and said: "O. K.

Edwards, ... SETTING A NEW PACE IN ROCHESTER

LOVE INTEREST—Alan Ladd and Esther Fernandez furnish the heart-throbs in "TWO YEARS BEFORE THE MAST," now playing at the Century.

"Two Years Before Mast" Comes To Century Screen

Out of the thrilling pages of "Two Years Before the Mast," Richard Henry Dana's exciting and adventurous novel of the men who went down to the sea in sailing ships, comes the Paramount picture of the same name, starring Alan Ladd, Brian Donlevy, William Bendix and

Now playing at the Century Theatre, this is the first screen adaptation of Dana's inflammatory novel of the hardship and cruelties endured by seamen before his book aroused the American people to demand and receive a merchant mariner's bill of rights. Dana's harrowing tale is of the frightful voyage of the brig, "Pilgrim," from Boston to California by way of the storm-swept waters of Cape Horn.

The story tells of the inhuman treatment meted out to the crew by the ship's stern and sadistic captain, played by Howard da Silva, and administered by the tough first mate, William Bendix. In the crew are the spoiled son of the ship's owner, Alan Ladd mistakenly shanghaied on board the devilship, a writer, Dana, portrayed by Brian Donlevy, who shipped on the "Pilgrim" to get material for his novel, and Barry Fitzgerald as the Irish cook.

How the foppish Ladd, rehabilitated by the merciless discipline aboard the ship, leads the crew in rebellion and how

CAPACITY HOUSE SEEN FOR VICTOR BORGE RECITAL

A steady barrage of ticket orders has been the order of the day at the Eastman Theater box-office ever since it was announced in last week's Sun that Borge was coming to town.

The date is Sunday, Dec. 8, and present indications are that a sold-out house, as has been the case in all his previous appearance here, will greet the Danish comedian and concert pianist when he steps on the Eastman stage that night to appear as soloist with the Rochester Civic Orchestra, Guy Fraser Harrison conducting.

Borge's program will be a combination of the funny music and antics and fine musicianship which have made him an outstanding humorist-musician. His radio program heard over WHAM Mondays at 9:30 p. m. is on the most popular in the country.

Borge came to this country in 1940 just as the Nazis poured in his homeland, where he had been the highest-paid comedian on the Danish stage and had ebbled the Hitler gang until his life, as well as his career, was in danger.

Since then, he has won fame on the American stage and radio as a witty monologist and a fine concert pianist.

'Hit Parade' Moves To Hollywood
"Your Hit Parade," featuring the nine most popular songs of the week, moves to Hollywood beginning with its CBS broadcast Saturday at 9 p. m. over WHEC. Traveling West are Joan Edwards and Andy Russell, singing stars; Mark Warnow, orchestra conductor; Lyn Murray, choir director; and Lee Strahorn, producer. Piped in from New York will be the auctioneers, L. A. "Speed" Riggs and F. E. Boone.

Louis Prima, Hails From Land of Jazz

Louis Prima, the gravel-voiced Trumpet King, who brings his famous orchestra to the stage of the RKO Palace Theatre, for one week starting today, was born in the cradle of jazz—New Orleans.

The date of his entry into this world is Dec. 7, 1912. His father Anthony, who delivered soda by mule truck and his mother Angelina, are also natives of New Orleans. (A song hit, which Prima composed himself is "Angelina," inspired by his mother).

One of four children, Louis started to play the violin at an early age. In Jesuit High School, Louis found his hands too clumsy for the violin and decided to switch to the trumpet. His mother wasn't too pleased

LOUIS PRIMA

about it, but as it developed it was the trumpet that brought the Prima family fame and fortune. At seventeen, Prima got his first job in New Orleans' famed Saenger Theatre, where all the great bands of the country appeared. Louis did a specialty here featuring his horn and his unique voice, which became "gravelly" following a tonsil operation.

Sixteen years ago, Louis Prima invaded Manhattan and his first job was at the Roxy Theatre, where he made a big hit. This first recording "Kreak-in' The Ice" became a best seller and he was in great demand by disc companies. Louis then turned to songwriting and composed many hits, including "Robin Hood," "Sing, Sing, Sing" and many other tunes.

In 1935, Louis Prima opened at The Famous Door on 52nd Street and it was a sell out from the start. The New Orleans personality kid became the talk of New York. An unknown girl named Martha Raye came in nightly to sing with Prima, and the combination was sensational. Rudy Vallee gave them a spot on his NBC program and there were contracts for coast-to-coast broadcasts for the Prima band.

His film debut was in an RKO short, "Swing It". Then Martha Raye followed Louis to Hollywood and with her, he appeared in "Rhythm on the Range". Prima appeared in "You Can't Have Everything" with Alice Faye, "Start Cheering" with Jimmy Durante, "Rose of Wash-

Meat Packer Gives
The list of contributors to Republican cause reads like a Who's Who. . . .
Democrats parted with \$29, only to lose. Perhaps statements gave the answer to parties have some cash in the banks and, as might expected here again the P was leading. Their bank read \$950 — but that's stop the Democrats from filing on their bank balance \$694.

Others who saw their investment return in the form of a victory included I. Mrs. M. H. Eisenhart, Hugh & Lomb with a contribution of \$500, George H. Cl. the honor roll with \$1,000. Tobin was one of the leaders against the P and banded harsh words and forth with Congress. George Rogers about the situation. Tobin heads the Peako Packing Co. He was successful in his fight to unseat Rogers, as almost any hour who compares meat prices with those of OPA-ec days can see.

TENTH YEAR—No. 10 SUNDAY, DECEMBER 1, 1946

Meat Packer Gave \$1000 To GOP Fund

By ORVILLE ALLEN

Monroe County Republicans apparently made a good investment in the November election drive which they captured. That it cost a considerable chunk of cash, however, is shown in the county committee's financial statement filed with the Secretary of State by L. Wayne

The Republican National Congressional Committee also added their mite — to the tune of 1000 iron men. Others who hit the jackpot included Wesley M. Angle with a \$300 contribution and Thomas Hargrave who tossed in \$250. Many names were conspicuous by their absence. But politicians wise in the ways of financing campaigns suggested these may have made their contributions through national Republican organization rather than to the local group.

Contributors of \$200 listed were the Twentieth Ward Committee, Walter L. Wickens, Morris Cohen, F. B. Finewood, Earl F. Case, Horace A. Gioia, Kenneth B. Banks, John H. Odenbach and John Fox. Names of contributors of \$100 to \$200 submitted were Herman G. Worden, John W. Jardine, B. A. Heughes, Bruce H. Clark, William I. Dew, Prescott M. Dean, Mitchell Altier, Martin R. Levin, Stephen J. Warren, Harry C. Kitredge, J. Grover Conley, Mr. and Mrs. Harold L. Field, Francis H. Carroll, August J. Muehleisen, Joseph P. Gagliano, Paul Muscarella, Edward J. Provenzano, Phillip F. Puccia, Donald G. Clark, Hyman J. Mandell, Dr. Louis Tomaselli, Joseph Entress, James E. Gleason, Alphonse F. Pierper, Mrs. Alphonse F. Pierper, Ignacio Martinez, Charles A. Carpenter, George A. Fritsche, William L. Heron, (Oswego), Barney Schneider, C. K. Flint, Truman G. Searle, Frank D'Pappalardo, Ardean R. Miller, John E. Redman, Frederick Wiedman, Myron Hayes, John Wegman, Benjamin Robfegel, Francis R. George, William Asart, Daniel J. O'Mara, John D. Pike, Augustus J. Cunningham, Carpenter and Barrows, Harry R. Crowley, R. W. Albright, and Gordon C. Beuereiter.

Meat Packer Gives
The list of contributors to the Republican cause reads like Rochester "Who's Who". Blue ink names of the city's elite were conspicuous in the list. There were few surprises in that list headed by M. Tobin who anted up \$1000. Tobin was one of the local leaders against the A and banded harsh words and forth with Congressmen George Rogers about the situation. Tobin heads the Speeko Packing Co. He was successful in his fight to unseat Rogers, as almost any housewife who compares meat prices with those of OPA-controlled days can see.

Others who saw their investment return in the form of an election victory included Mr. Mrs. M. H. Eisenhart of Finch & Lomb with a contribution of \$500. George H. Clark of the honor roll with \$850. A close behind was James E. Mason who went for \$700. One hundred dollar contributors were numerous among well-to-do, well-heeled Republican gentry. There was Philip Wilcox, Lydia L. Van Dine, W. G. Stuber, J. H. Herrick, Milton G. Silver, and Mrs. A. A. Hopeman and B. W. Denniston — at \$500 each.

Editor's Note — This article originally appeared in one of the Rochester Sun's many exchanges. Because its subject is so appropriate to these times and because the material quoted is from such an authentic source it seems worthy of reproduction. The fact that the article's author is an official of The Gannett Co. has neither prompted nor deterred us in its publication.

The next crash will make 1929 look like a piker," says James Truslow Adams. How long? Well, too soon to be running hog-wild now, thinks this competent authority. "We shall be wise in going to snug quarters for the next couple of years or so," advises the noted writer and winner of the 1922 Pulitzer Prize in American history. His knowledge is not alone that of a famed historian with degrees from Yale, Columbia, Wesleyan, Lehigh and Princeton. He once was a member of the New York Stock Exchange. A rather rare list of qualifications.

He didn't broadcast his prediction to scare us. He said these things in his report as Chancellor of the American Academy of Arts and Letters at the private annual meeting of its exclusive 50 foremost thinkers. He said the pattern has been the same following every war since the Revolution, that always wages and prices get out of kilter and that the maladjustments have to be corrected by a serious general decline. He said the pattern has been the same "because it is based not on any economic laws, in which do not believe, but on old human nature which does not change."

SO HERE IS an expert who, though a man of letters, talks in plain language and, though an economist, rates human nature as sane. Here right down the alley of the man on the street — who will do well or heed what he says. Since by force of my limita-

SHUTDOWN OF SHOPS, LOCAL SCHOOLS SEEN

Polio Drive Opens Jan. 15

The 1947 annual fund raising appeal of the Monroe Chapter of the National Foundation for Infantile Paralysis, which sparks the never-ceasing battle against polio, will be held Jan. 15 to 30, it was announced last night by T. Chester Meisch, appeal chairman.

William J. Maxton, president of the Junior Chamber of Commerce, and Herbert L. Gaylord, assistant vice president of the Genesee Valley Trust Co., are co-chairmen. Mrs. John L. Wehle is chairman of the women's division. Dr. Henry B. Crawford is president of the Monroe Chapter.

No quota has been set for the appeal. Last year's appeal netted \$77,000. Half of this amount remained with the chapter and the other half went to the National Foundation headquarters in New York. However, the National Foundation advanced more than \$90,000 to the Monroe Chapter this year for the care of patients, which includes hospitalization, nursing care, physiotherapy, shoes, braces, transportation to clinics and wheel chairs. Polio is one of the costliest diseases in the medical books.

'46 B'd Year
The 1946 polio epidemic was second only in severity to the greatest epidemic of 1916, the worst in recorded history. While other sections suffered the worst Monroe County escaped with only 21 new cases. There was one death in Strong Memorial Hospital but this case was that of a boy brought here from Wayne County. In addition to the new cases the Monroe County Chapter cared for 123 cases hospitalized from the 1944 and 1945 epidemics.

"The need for funds," Meisch said, "has never been greater, since the nation has just emerged from the worst epidemic of polio in the history of the National Foundation for Infantile Paralysis, founded in 1938 to spearhead and coordinate."

SHERIFF SKINNER OPENS SCHOOL SAFETY CONTEST
Sheriff Albert W. Skinner is conducting an essay contest in connection with a state-wide safety program of the New York Sheriff's Association. It should be of interest to all the high school students in Monroe. The contest will be open to grades 10, 11 and 12 of the high schools of Monroe County outside of Rochester. Each contestant will select the title of his essay and the essay can touch on any and all phases of safety practices which should bring about a reduction of fatal and other injuries to those who ride the school buses.

PREPARING FOR COAL CRISIS—Studying plans to meet the coal shortage crisis which may strike Rochester momentarily, city officials are seeking the cooperation of all groups. Here Lester Pollock and Milton Loomis (standing) confer with (from the left) Vice Mayor Frank VanLare, Mayor Samuel B. Dickler, City Manager Louis Cartwright and District Engineer Frank C. Lawton of the State DPW.

Two Traffic Deaths Hike County Toll To 70; City Has 31

The district attorney's office, and Brighton town police are investigating two accidents which this week resulted in the death of two men. Assistant District Attorney Harry Rosenthal and Captain George V. Heisel of the Accident Prevention Bureau tomorrow were to continue questioning of witnesses of the accident on Tuesday night in which Frank Young, 70, of 15 Roosevelt St., widely known Rochester coal dealer, received fatal injuries. Mr. Young died in Genesee Hospital six hours after he was struck, police say, by a car driven by Vincent Nucelli of 1800 North Goodman St., and run over by a taxicab driven by John Dalberth of 5 Melville St. The accident occurred at 6 p. m. as Mr. Young attempted to cross Monroe Avenue, near Oxford Street.

Meanwhile, Brighton police are awaiting opportunity to question Lorne Duval, 27, of 3 Wilder Street, who is in Strong Memorial Hospital with serious head injuries, about the accident in which Joseph Morse, 18, of 12 Charles Street, suffered fatal injuries Monday night. Investigators report that young Morse and his father, Homer Morse, 55, of the Charles Street address, who is also in Strong Hospital with head injuries, were towing a newly purchased tractor home, and, in West Henrietta Road, about a mile south of the city line, stopped to change places to allow senior Morse to drive the car and the dead youth to steer the tractor. According to the report, a car, driven by Duval, struck the tractor just as Joseph prepared to mount the driver's seat and hurled the tractor and the Morse car some 125 feet along the road. All three were taken to Strong Memorial Hospital where Joseph died early Wednesday morning. The two fatalities bring the total traffic deaths in Monroe County to 70 during 1946. Of this number, 31 occurred within the city limits.

Wanna Go West Young Men?
One of two persons who want to heed Horace Greeley's advice to "go west, young man, go west," are invited to contact William Romine, assistant meteorologist at the Municipal Airport Weather Bureau. Romine has planned a vacation trip to Oklahoma and the West Coast to begin Dec. 20, and he is looking for passengers to share the expenses, and maybe some of the driving. The weatherman lives at 49 West Ave., and can be contacted at Gen. 4200-J.

Officials Plan Battle Against Coal Strike Crisis

Drastic cuts in factory paychecks, closed schools, darkened stores and idle elevators were in the background of the gloomy picture facing Rochester today as the soft coal strike, now in its twelfth day threatened to knock out much of the warmth and cheer of Christmas.

Warmer 'Til Wednesday — Then Brrr
Warmer weather can be expected today, tomorrow and Tuesday, the Municipal Airport Weather Bureau predicted in its forecast for the first half of the week. Temperatures are scheduled to average some three degrees above the season's normal of 32. The spell of warmer weather, however, is expected to give way to a drop in the mercury Wednesday. Occasional rains or snows are foreseen today and again on Wednesday.

EIGHT FORFEIT BAIL AFTER GAMBLING RAID
For the second time in less than a week, police of downtown precincts struck against West Side gambling dens. Thanksgiving Eve and arrested one man as keeper of a gambling game and seven as inmates. Headed by Precinct No. 1's Captain T. Herbert Killip and Sgt. Michael Boehm, the raiders interrupted a card game being played at 189 Troup St., and booked Herman L. Roquemore of 16 Ford St., according to the police report, as keeper. He forfeited \$25 bail when his case was called Friday morning in City Court.

Others arrested were listed by police as Alexander Alexander, 37 Favor St.; L. K. Kennedy, 89 1/2 Ford St.; Milton R. Lowe, 81 Litchfield St.; David Rivers, 127 Ford St.; Charles Wade Jr., 172 Prospect St.; James E. Jones, 225 Troup St., and Lyman D. Shields, 44 Favor St. All of them forfeited bail of \$5.

Frustrated Verse Maker Hampered By Strike

The Rochester Sun news room was at its busiest peak yesterday when a gentleman with a poem to submit for publication entered and informed that a strike was in progress on the local daily newspapers and that he found it difficult to the verge of impossibility of getting his muse published. "While the copy readers were tearing their hair with impatience, the gentleman explained placidly that the poem had previously been published but that errors had been made in its transcription. "Yes, yes, go on," one man cried. The poet finally said "Good bye," and left, so the news room boys thought. But he returned with the thought that it would be nice if somebody would kindly preserve a copy of the paper with the poem. "Otherwise," he said, "I fear that I will never see it." "You're never going to see it, thought that it would be nice if somebody would kindly preserve a copy of the paper with the poem. "Otherwise," he said, "I fear that I will never see it." "You're never going to see it, thought that it would be nice if somebody would kindly preserve a copy of the paper with the poem. "Otherwise," he said, "I fear that I will never see it."

**SEAL DRIVE
NETS \$6,000
IN MONROE**

Health Sunday in Monroe County was held today when many clergymen urged support of the 1946 Christmas seal sale sponsored by the county health committee of the Tuberculosis and Health Association of Rochester and Monroe County. More than \$6,000, has been received according to Mrs. Thomas Duryea, Clarkson, county seal sale chairman.

In commenting on this, John C. Malloch, county health chairman of the association, said: "I am pleased at the response we are getting in this 40th annual Christmas seal sale, for it expresses confidence in and appreciation of the splendid work being done by the county health committee. The work of the association in fighting tuberculosis in the county must be continued, and it will be continued if the Christmas seal sale is a success. The goal for this year is \$28,000. The county health committee of the Tuberculosis and Health Association draws its sole financial support for work outside the city from the sale of Christmas seals. I am confident that we shall have the full cooperation of all residents of the county in making this a successful Seal Sale."

The extensive health education program conducted by the association in the county outside the city covers not only tuberculosis prevention but also immunization against diphtheria, a nutrition program, eye conservation and education with regard to the prevention of the social diseases. Movies, exhibits and talks round out the programs in the various fields covered.

**THREE COMPLETE NAVY
TRAINING AT GREAT LAKES**

Three Rochester Navy men have been advanced to seaman, second class upon completion of recruit training at the Great Lakes Naval Training Center. They are: Raymond C. Finn, 262 Hamilton St., a former West High student; Robert L. Peer, 801 Grand Ave., who formerly attended East High School; and Melvin M. Mets, 71 Ridge Rd., who before he entered the Navy served in the Merchant Marine.

**Roy Elliott Will

Dr. Barton Baker To Be Honored
Dr. Barton Baker, attorney, whose office is in the Genesee Valley Trust Building, will be guest of honor at a civic fete in the Auditorium Theatre on

December 7 and 8. Dr. Baker has been active in the Masonic fraternity and will finish his term next month as monarch of Lalla Rookh Grotto. Over 300 new members were added to the organization during his term.

WIDOW, 4 SONS SHARE ESTATE

The widow and five sons of Rabbi Solomon Sadowsky, leader of Congregation Agudas Achim Nusah Ari, share his estate, estimated at more than \$10,000, it was revealed in Surrogate's Court. He died Oct. 31 without leaving a will. He was 67 years of age.
Mrs. Cecelia Sadowsky, 22

Gorham St., widow, was named administratrix by the court. The sons are Dr. Bert Sadowsky of Cleveland, Larry Saunders of Buffalo, Dr. Samuel Sonders of Brighton, and Irving N. and Harry R. Sonders, both of Rochester. The estate is represented by Jacob Ark.

COIFFURE, FUR STYLE SHOW HELD AT SENECA

Advance winter styles in hairstyling fashions were displayed in a demonstration in the Palm Room of Hotel Seneca last Monday night by Eugene Hirsch, beauty parlor supply house. Featured was the new Koolerwave "vapor" meth-

od and "quick curling cold wave." Richard Stamm was the demonstrator. Mrs. Agnes Ninni of Bungalow Beauty Shop created the coiffures.

A fur fashion show was held in conjunction with the hair styling exhibit. The J. C. Penney Company presented a group of Cynthia Furs.

were the Foundation and its chapters called upon as never before to supply expensive equipment, personnel and every other aid known to modern science to stricken, but they

still must assist those who have not yet achieved maximum recovery. And there are more of these than there have ever been before.

To Continue Program
The National Foundation also intends to pursue vigorously its far-reaching educational program to inform the public

on precautions against the disease; what to do if and when polio strikes, and what the fund raising appeal is prepared to do for every American, regardless of age, creed, color or race, stricken by the dread crippling — and that is to provide the best available care, regardless of cost until maximum recovery is assured.

Committee Named
The following men and women prominent in all walks of life in the community have been named on the sponsoring committee for the appeal:

Harry O. Alderman, Francis S. Anderson, Millie E. Asari, Raymond W. Ball, John P. Boylan, Dr. Stearns S. Bullen, Charles W. Carson, Abraham Chatman, Howard W. Coles, W. Dewey Crittenden, Harry B. U. S. GOVERNMENT ORDERS REDUCTION IN USE OF ELECTRICITY AND GAS

By Direction of the U. S. Civilian Production Administration

"Each electric supplier shall, as soon as practicable, notify its consumers by publication or otherwise of the uses of electricity prohibited or curtailed by this order."

(Utilities Order U-14)

"A critical shortage of coal threatens in many parts of the country to reduce electricity supplies below the levels necessary to provide for essential power requirements and the following order is deemed necessary and appropriate in the public interest and to promote the national defense.

Initial Curtailment

"After 6:00 o'clock, p. m. on Monday, November 25, 1946, no consumer shall use electricity for any of the purposes listed in Schedule 1 of this order.

Schedule 1

"Pursuant to paragraph (c) of this order, no consumer shall use electricity for any of the following purposes:

1. Refrigeration for air-conditioning except to the extent essential for industrial processes or for health and safety.
2. Outdoor and indoor advertising and promotional lighting.
3. Outdoor display and flood lighting except to the extent necessary for the conduct of outdoor business or services.
4. Outdoor or indoor decorative and ornamental lighting.
5. Show window or show case lighting.
6. Marquee lighting in excess of 60 watts for each marquee.

7. White way street lighting in excess of the amount determined by local public authority to be necessary for public safety.

8. Outdoor or indoor sign lighting except for:

(I) Directional or identification signs required for fire and police protection, traffic control, transportation terminals, or hospitals, or directional or identification lighting for any similar essential public services.

(II) Directional or identification signs using not more than 60 watts per establishment, for doctors and for hotels and other public lodging establishments.

9. Outdoor entrance lighting, except the minimum essential for public health and safety and then not more than 60 watts per entrance.

10. Any other form of general outdoor or indoor illumination in or about any commercial, industrial or other non-residential establishment in excess of 75 per cent of the illumination normally used.

11. In excess of 75 per cent of the normal passenger elevator or escalator service in any building having more than one passenger elevator or escalator."

REDUCTION ALSO ORDERED IN USE OF GAS

Under Order U-13 the Civilian Production Administration requires all consumers of gas to hold consumption down to absolutely essential needs.

TOWN HOTEL BOUGHT BY RUND

Rund's Town Hotel Inc., headed by William E. Rund, has bought The Town Hotel, 48 South Ave., for \$73,000 from Robert F. Clifford, 181 Sylvania Rd., Pittsford. It was learned yesterday. Rund had been operating the hotel and grill under a lease.
The property was acquired by Clifford from Mrs. Kathryn Connors, 259 Rutgers St., in June for \$60,000. Clifford operates several restaurants in Rochester. The deed to the new transaction is on file in the County Clerk's office.

CARD GAME ENDS IN ROW WITH SUGAR KNIFE

It started probably as a friendly card game. It ended, believing the participants, in a shower of shining steel, one blade being the size of a machete.
Precinct Four sent Detectives C. Armstrong and Der Vor into the quiet of Thursday evening to investigate.
Frank Bland, 39, 219 Hudson Ave., Richard Green, same address, and Gennie Cason, 4, 219 Hudson Ave., were eventually rounded up.
Cason, the officers said, used a large sugar knife and cut Bland over the left eye so effectively that two stitches were necessitated. Bland was treated by the Genesee Hospital ambulance. He was charged with second degree assault.

WHAM TO ERECT TRANSMITTER IN CHILI AREA

Plans for the latest step in a long-range expansion program for Station WHAM are announced.

Stromberg-Carlson Company has authorized the beginning of construction of a new tower and antenna installation to replace the one near the town of Victor which has served WHAM since 1927.

They have purchased 65 acres of ground in the town of Chili, bordered by Brook and Balentine roads. They will construct a new building, housing the most modern type of 50 kilowatt transmitter. It will be topped by a new type of antenna of the single tower type which guarantees the maximum ability to send a signal in all directions as well as to the greatest distance.

Construction was authorized by the Federal Communications Commission in Washington on November 27.

The decision to move from the present Victor site was occasioned by technical advances in radio over the past 19 years. At the time of the Victor construction it was in accordance with the best available engineering knowledge. The elevation of the tower was considered ample. Ground conditions were also adequate.

Experience of intervening years has proved that an even stronger signal can be sent into the metropolitan Rochester area and that much broader coverage outside the city will result from the installation at the new site. It was chosen after long experimentation and research. The fact that the site is about seven miles nearer the city than Victor is a distinct aid.

Construction of this new transmitter is an important

phase of the WHAM expansion program, planned throughout the war period, but held up. It is hoped that it will be ready for use next summer,

coinciding with completion of the new Radio City building in Humboldt Street.

The company indicated that plans were underway to increase the power of the frequency modulation station.

Open Letter from a Labor Leader to his Union

December Reader's Digest brings you this recent message to the American Watch Workers Union from Walter Cenerazzo, its president

DEAR FELLOW MEMBERS:

This is going to be tough. Some of you may get sore. But I'm a "labor leader." And what sort of leader would I be if I didn't tell you what I see ahead? So here it comes, straight:

A few years ago our employers had it all their own way. Now the pendulum has swung toward us. Are we now going to be as unfair to our employers as they once were to us? Or are we going to show some sense? Not for their sake, but for our own? Because, listen: Sales make wages. Production makes sales, and low-cost, low-price production makes more sales. In the last 20 years our employers' average profit per watch has been less than a dollar. Profits are necessary. Only out of profits can our employers give us better tools for better production, out of which we can get our cut in bigger wages.

We've got to help our employers make good profits. Some guys will yell: "So you're 'company-minded.'" Sure, I'm "company-minded." I'm "union-minded" too. A man who is only "company-minded" and who can't see the union except as something to fight is a class-struggle man; a man who is only "union-minded" and who can't see the company except as something to plunder is a class-struggle man. To prevent the class-struggle from wrecking the country, America must be "union-minded" and "company-minded" both.

Only half a mind

I think management has only a half-mind and labor has only a half-mind till they come together to make one complete American mind. With its half-mind management gives us new machines and smart new methods. But then it will often act as if it loved machines and hated people. It will see some little guy piling up a bit of extra money because of his piece rate on a new, faster machine, and it will cut the rate back till he's right where he was before.

So he gets wise; next time he sees a new machine, he won't make it do its best. That kind of slow-down has cost America billions of dollars. And management can blame itself for that.

But now comes the other half-mind, the union. Its first job is to increase take-home pay. We've done it. We have made large gains in wages; we have paid vacations, sickness benefits, pensions, union security. But then a union can go

crazy. It can try to resist new machines and new methods. Or it can have sense. Our union has had sense. It welcomes new machines and new methods.

We can afford to do it. Why? Because in our contracts we say: If the company thinks your piece rate should be cut in consequence of faster machines or better methods, you can submit the suggested new wage rate to the grievance procedure between the company and the union and have it negotiated and adjusted. So you can now look "technological progress" in the face and not be afraid of it.

What an America we could have!

The rights of machines and the rights of people have met and mingled in our industry. They should get joined together in every factory in America. Unions could then stop being just fighting outfits. They could become the active partners of management for more productivity and prosperity. And what an America we could have if free managers and free, unafraid workers in every work place were cooperating with one complete mind!

There never yet has been a factory in America that came within hailing distance of its fullest possible production. And it never will without you and you and you. You can see things that management can't see. You can see the little wastes that add up to one great big terrible waste. Management can't stop them. You can. You can help your union to show management that we are contributing to the company's kitty—the kitty for the stockholder, for management, and for your own next wage-hike.

Some managements don't want any help from unions. They are stuffed shirts. Thank God our employers are down on the ground and on the level. They welcome our help. Give it to them.

We've been pushing our wages up and up. Fine. But if we put our wages up on stilts and don't lift our production to the level of the stilts, it won't be long before the whole country goes from the stilts to the skids. We've got to produce now with everything we have.

In his book 'Timing a Century: A History of the Watchmaking Industry,' published last year by the Harvard University Press, Charles W. Moore says: "Trained as a labor organizer, Mr. Cenerazzo has the patience essential to a negotiator. The give-and-take of collective bargaining, as practiced by Mr. Boucher (for the company) and Mr. Cenerazzo (for the union), might well serve as a standard of excellence for both management and labor."

Capital and management can absorb wages up to a point and still reduce costs, reduce prices, increase sales and spread prosperity. But now we've raised wages to where management can't do it alone. Now comes the biggest moment in the history of American labor. Now the unions have got to help capital and management carry the load of more goods, more services and more welfare for the American people.

Our Government is pledged to reduce all international trade barriers, including our own. We're going to export more; and, to balance it, we're going to import more. Wonderful! I hope it means peace. But I want to tell millions of our fellow unionists in all sorts of industries:

It also means the fiercest competition you ever saw from imports produced by skilled foreign workers. Swiss watch workers get less than half your wages. The biggest pre-war consumption of all watches in the United States in any one year was 1,000,000. Your government is now allowing the Swis to send 9,000,000 watches into this country this year. You're going to get up on your toes now or lose your job.

A lot of unionists may say: "We're not in an industry that has imports. We're in an industry that produces exports." Yes! Then watch those British! They're making better stuff every minute, and they're going to try

to sell in every country where we sell. And they absolutely can under sell us, unless to our increase of wages we unionists add some increases of brains.

American free enterprise now has to be saved by unions as well as by managements. Our foreign competition is more and more socialistic. In this new "Old World" we Americans are representing real free enterprise almost alone.

Do you want to save free enterprise?

Do you want to save it? Are you going to produce? You can say "No." This is a free country. The Russian workers can't say "No!" They produce when they are told to and for as long as they are told to. You, my fellow unionists, hold in your own free hands the decision between Americanism and totalitarianism. Every day, every hour, every little girl at the smallest machine casts her vote in that great election.

You know our union is headed the right way. We're for free enterprise and our employers know it. We've got only a few screwballs who get any kick out of shouting, "To hell with the boss." The other day at Elgin we unanimously passed a resolution saying, "We're proud to work at Elgin Watch." I think I ought to give the president of Elgin a button to wear saying, "I'm proud of the Watch Workers Union." And I'd like you to tell me to tell him something like this:

"We members of the Watch Workers Union are for the stockholders. We're for the managements. We're for labor. We've got our new rights. We've got to use them. We've got our new duties. We're going to do them. We're going to start a friendly rivalry with you. We're going to try to do as much as you do, and even more than you do, for the quality and quantity of Walham's, Elgin's and Hamilton's. We're going to make labor a positive creative force in our part of America."

BURGLARS ENTER STATE ST. DINER

Fred St. John, who operates Fred's Diner, at 430 State St., reported that his diner was burglarized Thursday morning by one who entered by forcing a rear door.

machines, \$49.80 from a cigarette machine and \$65 in silver from a cigar box, secreted in the rear of the diner, were stolen. St. John reported. Detectives Mair and Brown investigated.

SUN-SHOPPERS—When Sun readers saw Army raincoats advertised at \$1.69 each in the Thanksgiving Day issue, they were quick on the "pickup". Here is part of the early crowd which jammed the People's Outfitting Co. on Main St. in answer to the raincoat ad. Company officials said they were greeted by approximately 50 raincoat seekers when they opened the doors at 10 a. m. The rush continued throughout the day.

Child Injured By Fall In Home
Gary Gianetto, 2, of 33 Rahr St., suffered slight injuries to his shoulder when, police report, he fell from a couch in his home Friday afternoon. He was taken to the Genesee Hospital in the City Ambulance where, after treatment his parents were allowed to take him home.

FAMED PRISON WARDEN DUE HERE FRIDAY
Former Sing Sing Prison Lewis E. Lawes will be in Rochester next Friday. But he won't be looking for wrongdoers. The famed prison head is coming to the city in conjunction with the showing of the picture "San Quentin" which opens at the RKO Temple on Thursday. Lawes will appear at each Friday show in the theatre and will be interviewed over local radio stations.

Mission Looking For Vermont Scot
Some thrifty guy, probably a Scot from Vermont, slept at the Rescue Mission in Front St. Thursday night, presumably filled with turkey and all the stuffing. When he departed he left behind \$230 in postal savings certificates.

Robert Bentley, night watchman at the Mission, found the certificates on the dormitory floor. It was the first time in his career as janitor at the place that he found that much there in liquid wealth.

Board 5 Cent Tax Rate

The county tax rate is \$1,000 of assessed valuation. Tax rates for the Board of Supervisors will be \$9.43, compared with the combined county city tax on property in the city of \$9.51, including a tax of \$30.08. This year combined rate was \$9.58, including a city tax of \$30.10.

Basic county tax rates, next year is \$7.32. The rates in the towns cover charges, but are before ad valorem special street improvement assessments.

Tax rates for the 19 towns follow: Brighton, \$13.65; Clarkston, \$13.80; Greece, \$17.44; Henrietta, \$14.35; Mendon, \$16.66; Parma, \$16.66; Penfield, \$16.90; Pittsford, \$10.37; Rush, \$17.54; Swanton, \$18.19; Webster, \$14.28; Wheatland, \$16.05.

Budget for the city and will be adopted by the Board.

Political

During the past week the Rochester Sun has published what was purported to be financial statements, by law, of both the parties. No doubt they are accurate enough as far as figures are permitted to quote likely that the Democrats and the Republicans total CHECKS they receive each was probably quite a matter.

To give both parties the same opportunity to state their case, the Sun has published the financial statements of the Democrats. The law which both parties are bound to follow in politics is a deal that might help pull the strings of the party's financial affairs. You and I should know next year's salary all the heated into the political party in Monroe County season, over and above covered.

Tom Broderick does not know what district he Blank wrestled out of the Star saloon and didn't and the same goes for the subject of these two figures. It is doubtful if the balance of the Democracy for the party's and cigar bills from the next November — no 3950 surplus of the 1 keep Mr. Broderick's and oil changes for the purchased by "friends" Headquarters and these organizations are in operation on hot eleven months nor on during the twelve — no matter what "ments" may show.

It would never be in Rochester, even if papers were published truth of the matter quite contrary to what Dewey would have voted for him being voting day! — there any reduction in budget this winter. generous boosts to ployees and the we pay hikes for teach they get it is quite Mr. Dewey's "tea barrel".

You can't hold things he says just. He's too big elected to be accurate.

Developments of week indicate the party will put aside wild promises of it has more complex the name of Frank and by so do hold that F. D. R. the hearts and people.

Board OK's 5 Cent County Tax Rate Cut

The county tax rate in the city will be 5 cents less per \$1,000 of assessed valuation in 1947 than in 1946. Tax rates for the city and 19 towns were fixed by the Board of Supervisors Tuesday. The county tax in the city will be \$9.43, compared with \$9.48 in 1946.

The combined county and city tax on property in the city will be \$39.51, including a city tax of \$30.08. This year the combined rate was \$39.58, including a city tax of \$30.10.

Basic county tax rate, for next year is \$7.52. The tax rates in the towns cover charge-backs, but are before addition of special street improvement assessments.

Tax rates for the 19 towns follow: Brighton, \$13.65; Chili, \$14.82; Clarkson, \$13.80; Gates, \$14.54; Greece, \$17.44; Hamlin, \$13.82; Henrietta, \$14.35; Irondequoit, \$14.07; Mendon, \$17.65; Ogden, \$16.66; Parma, \$11.31; Penfield, \$16.90; Perinton, \$14.33; Pittsford, \$10.37; Riga, \$15.97; Rush, \$17.54; Sweden, \$18.19; Webster, \$14.38, and Wheatland, \$16.05.

Budget for the city and towns will be adopted by the Board of Supervisors Dec. 30, it is expected.

Also at the board meeting Tuesday, two county positions were replaced by new posts carrying a higher price range. The position of secretary in the Sheriff's office, with a salary of \$1,800 to \$2,200 a year, was changed to clerk at a range of \$2,100 to \$2,500. The job of stockkeeper at the Penitentiary, with a salary of \$1,500 to \$1,900, was changed to butcher at \$1,800 to \$2,100.

Also submitted at the board meeting was a report by Public Welfare Commissioner Jesse B. Hannan for the year ended Aug. 31. Total department expenditures were \$592,196. The report also pointed out that 122 Red Cross workers served 14,009 hours in the County Infirmary from March of 1943 to Sept. 1 of this year.

TENTH YEAR—No. 11 THURSDAY, DECEMBER 5, 1946

REPUBLICAN LEADER INDICTED FOR THEFT

GOP Official Charged With Filching \$14,000

Political lightning struck the quiet village of Williamson this week when Stanley Petty, town clerk and secretary of the Wayne County Republican Committee was arrested and charged with misappropriation of town water funds totalling \$14,380.27 and falsification of records.

Arraigned in Wayne County Court at Lyon's Monday morning on a sealed indictment returned by the Grand Jury last Thursday, Petty's defense counsel, former Supreme Court Justice John W. Miles, of Lyon, requested and was granted an adjournment to Dec. 12. Petty pleaded innocent of the charges. Ex-Justice Miles is chairman of the Wayne County Democratic Committee.

Arrest of the town clerk, who in some 30 years in the front-belt area had made a host of political and personal friends, rocked the Williamstown, N.Y. county in its official foundation.

According to records of the case, filed with Court Clerk John F. Carroll, of Wayne County, the charge grew out of a visit made to the town clerk's office by a group of State examiners last summer. The misappropriation of the \$14,380.27 is supposed to have occurred during the period of from 1934 to 1946.

Petty, a registered citizen of the lakeshore town for many years, is said to have handled annually some six to nine thousand dollars in water district funds. His salary is reported to be \$3,000 a year.

Importance of the case became even more evident when Judge Charles B. Brasser, of Williamstown, before whom Petty was taken and posted \$5,000 bail after his arrest by Deputy Sheriff Earl Kerwinson, disqualified himself in an official judicial certificate in which he outlined his reasons including social, religious and fraternal connections with the accused clerk. Cayuga County Judge Kenneth Underwood was on the bench when Petty was arraigned Monday.

The adjournment was granted by Judge Underwood to give defense counsel time to prepare his case. Ex-Justice Miles who accompanied the deputy sheriff at the time of Petty's arrest, left to fulfill an out-of-town engagement the next day and was unfamiliar with the facts of the case, he told the court.

Petty's counsel told The Sun that before Dec. 12 he and the accused town clerk would decide whether or not to ask a jury trial. If trial is requested the case will be tried at Lyon.

More Cold Weather On Way — But Soon

Prediction of the Weather Bureau at Municipal Airport stated that temperatures will average two degrees below the normal 30 for the period and that colder weather is expected tonight and tomorrow. Rising trend is seen for Saturday and Sunday, the forecast showed.

Minimum temperatures for period today through Sunday are expected to be between 15 and 20 degrees.

Slight snow flurries will be seen tonight and tomorrow averaging one-tenth of an inch.

LEWIS E. LAWES

WARDEN TO TELL OF DEATH CHAMBER SCENES

The man who has supervised the execution of more men and women than any other person in America — yet is personally against capital punishment, will be in Rochester tomorrow for two appearances in the RKO Temple Theatre and to speak over a radio program.

He is Lewis E. Lawes, former warden of Sing Sing prison who, during his career directed the electrocution of more than 300 persons including Ruth Snyder, "Two-Gun" Crowley and a host of other infamous characters.

Lewis' main reason for coming to the city is to exploit the film "San Quentin" which opens a week's run at the RKO Temple today. The picture deals with the formation of a Prisoner's Welfare League, a movement favored by the same prison official.

Accompanying Lewis to the city will be Mike Mazurki, heavyweight champion wrestler and movie luminary. He is best remembered as "Moose with Dick Powell in 'Murder My Sweet.' Said to be the perfect 'gangster type,' Mazurki will appear with Lewis on the Temple stage at 4 p. m. and again at 9:45 p. m.

Police say that men hit Renato over the head with a blunt instrument, and ran away.

Runs Between Cars; Knocked To Pavement

Marie K. Harter, 46, of 251 Nunda Blvd., ran from behind a parked car Monday evening in Main Street East, at Stillton St., and suffered injuries to her left arm.

The car was operated by John J. Romano, 80, of Melody Street.

NEWSPAPERS GET PRINTERS WAGE PROPOSALS

In their first move to end the wage dispute between management of the two local daily newspapers and their printers, the two opposing parties have a least reached the "negotiating" stage. On Sunday printers heard details of a blanket contract covering printers in all Gannett newspapers which was drawn up by delegates from Typographical unions in the effected plants.

After approval of the proposed contract was submitted to management.

Officials of the Company admitted receiving the proposals on Tuesday but it was reported that several days' study would be necessary before an answer could be made to the unions.

Despite recurrences of the early settlement, of the sale of the Democrat & Chronicle, of the purchase by the New York Times of the entire Gannett chain, little change has been made in the situation since the printers failed to report for work on Nov. 9. As far as can be learned no sale of any or all Gannett newspapers has been made nor contemplated.

PRIMO CARNERA

'DA PREEM' BACK —THIS TIME AS A WRESTLER

Primo Carnera, former heavyweight boxing champion of the world and currently the biggest money making professional wrestler in the business will display his wares before Rochester fans at the Edgerton Park Sports Arena next Wednesday.

After months of hickering and haggling over percentages and guarantees Pedro Martinez, Civic Sporting Club promoter, finally succeeded in landing the big Italian for one of his weekly shows.

The demands on Carnera are such that should he be willing, he could make regular appearances until he reaches a ripe old age. He has been breaking attendance records wherever he struts his stuffs. He's strictly box office, and promoters all along the nation's mat trail are angling for his services.

Carnera has wrestled before packed houses from the West Coast to New York. At a recent performance in Chicago, where a wrestling show hadn't been held in three years, a crowd of 10,000 paid \$25,000.

Strangely, it's a return to his first love for Primo. Before he became a boxer Carnera was a wrestler travelling throughout Italy with a circus. He always preferred the grapple sport to boxing and he still does, despite (See CARNERA Page 24)

Police Check Ordered Of City News Venders

The man who originated the phrase "I'd rather be right than Winchell" must have had Rochester's newsstand operators in mind.

The excitable radio news commentator stirred up a hornet's nest among the news butchers when last Sunday evening he shouted into his quivering microphone that New York newspapers are selling for 75 cents a copy.

The newshays heard it, members of the Manson News Agency heard it and Safety Commissioner Tom Woods heard it. None of them agreed. In fact, some of them took umbrage at the outrage.

Here are the results: Manson, who controls the sale of all New York newspapers in the area wired a protest to all New York newspapers.

Manson is willing to pay Mr. Winchell one dollar for each copy of a New York paper he can find being sold in the city at 75 cents.

The newsstand operators have demanded a retraction from Winchell and threaten to picket the Stork Club in New York where the commentator is alleged to spend his time and also the Andrew Jergens Co. New York offices, sponsors of Winchell's radio program if the retraction is not forthcoming.

Commissioner Woods has ordered license officer Albert Bartlett to check on all licensed newsstands to see that no overcharges are made.

According to Commissioner Woods, several citizens have complained they were charged up to 40 cents for Buffalo and Syracuse Sunday papers and up to 10 cents for The Rochester Sun. But a check on the complaints show that the majority were against unlicensed "bootleg" operators who swoop into town on Sunday with truckloads of papers. The police say it is difficult to stop these "bootleggers" but advise that common sense on the part of the buyers would quickly eliminate the practice. If no one bought at the overcharge prices — there wouldn't be any such thing.

UR Builds Atom Railroad

Yep, it's a real railroad — the "Cyclotron and Southern" — but no "O' 97" will ever do 90 miles per on its track.

That's because "Cyclotron and Southern" is the shortest standard gauge railroad in the country, 200 feet long and running from the Elmwood Avenue Erie Railroad line to the University of Rochester Campus — hardly long enough to hold a locomotive and tender.

But, this half-pint, completed last week, will do one of the heaviest jobs in railroad history, we learned.

U. of R. scientists and Erie Railroad officials mopped their brow when one of the many headaches encountered in building the school's huge atom-smasher was cured. And it wasn't cured with aspirin.

Seems that the cyclotron, which deals with nature's tiniest particles, (See ATOM Page 24)

R. G. & E. Coal Pile Is Strike Barometer

The barometer coal pile, which foretells day by day the future security of Rochester in lighting and heat, is located on the Genesee River bank in Lake Avenue.

Directly north are the coke ovens and over the river at this point spans the railroad trestle of the so termed "Ho Jack" or R. W. & O. Railroad over which all the coal is hauled from the Charlotte yards.

Official inspection of downtown stores brought about a dimming of interiors in several of the largest emporiums. Reduction of heat in the stores to conserve fuel has brought blessed relief to over-coated Christmas shoppers but has also caused many clerks to don sweaters to keep warm.

If the pile is big it means that much heat and light is in store for Rochester. If the pile is small, beware! And if the pile is gone look for famine!

To the casual onlooker it appears the pile has not diminished since the latest bituminous strike began. The Rochester Gas & Electric Corporation has succeeded in getting daily supplies of strip coal so that the tell-tale pile on the river bank remains practically the same with the pile of a week or two back.

Over Sunday and Monday 100 car loads of coal arrived. Three West Side industries this week switched to natural gas in an effort to relieve the shortage brought on by the soft coal strike. They were named as the Plaudier Company, the Rochester Products Division of General Motors and the F. E. Reed Glass Company. They were using the natural gas which is piped to Rochester from Texas. Normally the gas is mixed with manufactured gas.

Political Polka

By Curt Gerling

During the past week the Rochester Sun has published what was purported to be the financial statements, required by law, of both the major parties. No doubt they were accurate enough as far as such things are permitted to go. It is quite likely that the Democrats and the Republicans totaled the CHECKS they received. The cash was probably quite another matter.

To give both parties their due — it is an impossibility to accurately tote up the contributions made to minor officials and ward leaders to be used in a manner they might deem fit. Every tavern, pinball haven, slot machine operator and bookie "kicks in" heavily each November to both parties (they play it safe) but a very close scrutiny of the lists of contributors reveal few if any who might be identified as such.

The law which both parties hailed as "the dawn of honesty in politics" and a desire to reveal those who kick in that they might help pull the strings in matters political, is as phony as a mother-in-law's kiss.

You and I should have for next year's salary all the dough heaped into the political jockeys in Monroe County this past season, over and above that recorded.

Tom Broderick doesn't know and perhaps doesn't want to know what district leader Joe Blank wrestled out of the Purple Star saloon and didn't report and the same goes for Roy Bush of the Democrats. While on the subject of these two gentlemen it is doubtful if the \$664 bank balance of the Democrats will pay for the party's telephone and cigar bills from now until next November — nor will the \$950 surplus of the local GOP keep Mr. Broderick in gasoline and oil changes for the new car purchased by "friends" this fall.

Headquarters and staffs of these organizations are not kept in operation on hot air for the eleven months nor on contributions during the twelfth month — no matter what the "statements" may show.

It would never be mentioned in Rochester, even if the daily papers were publishing, but the truth of the matter is — and quite contrary to what Governor Dewey would have those who voted for him believe (up to voting day) — there won't be any reduction in the state budget this winter. In fact with generous boosts to state employees and the well deserved pay hikes for teachers (when they get it) is quite apt to put Mr. Dewey's "team" in the barrel.

You can't hold a fellow to things he says just before election. He's too busy getting elected to be accurate.

Developments of the past week indicate the Republican party will put aside many of its wild promises of reforms until it has more completely anesthetized the name of Franklin D. Roosevelt and by so doing loosen the hold that F. D. R. still has on the hearts and minds of the people.

The government, and it goes mostly for the fresh thinking of the newly elected Republican Congress, is a mile off it's base if they believe that the "Lynch Labor" idea is going to stop strikes and make America safe for big business.

The OPA has been kicked out the window after a Republican-reactionary and Southern Democrat coalition conspired to scuttle it. Prices have not come down and they aren't going to — how Congress expects increases in the prices of commodities to go on without corresponding demands by workers is something that only a politician can try to explain.

Durable goods such as cars, washers, refrigerators have gone up and will continue to ascend. Men's clothing, already in the clouds, is scheduled for hikes up to 20 per cent. Even rents, under the pressure of powerful lobbying, will be decontrolled to permit a rise of at least ten per cent.

Planned economy and government controls may not be the answer to a full American life but nothing was sadder than the day "free enterprise" and "rugged individualism" fell on its back in 1929. If our new Congress intends to sell us back to those gentlemen — son, watch out!

Open Friday Evening 'til 9

A fur coat can be a real economy. Its luxury is matched every step of the way by good value. What could keep you as snugly warm against the bitterest winter wind? What other one coat could look as beautifully right over every outfit you own, from a tweed suit to the most fragile evening dress. What else could stand up so sturdily (with moderate care) through months and years of wear? Now hasn't that "line" sold you on a fur coat... it has? ... here's the best news of all — at Edwards you don't have to pawn the family jewelry to buy a FUR COAT. At the present writing you'll find a group of FUR COATS — specially priced at \$99 plus tax. Yes, ma'am you read correctly \$99. Many styles to choose from, some of a kind: Mouton, Sealine, Coney, Beaverette, Skunk and Red Fox. My particular pet is the MOUTON. Soft and pliable, dyed the rich color of the regal beaver, with balloon sleeves — ending in tight cuffs — a clear-cut cardigan neckline. My advice is to shop EDWARDS today for these unusual values — \$99 — plus tax — for this beautiful selection of FUR COATS — EDWARDS — D O W N S T A I R S — STORE. EDWARDS will be open FRIDAY DECEMBER 6th — till 9 P. M. EDWARDS — Setting a New Pace in Rochester.

SPECIAL If you're a COLD WAVE addict — and who isn't — here's some real news for you. VIRGINIA'S BEAUTY SALON is offering the CIRCLETTE OPAL COLD WAVE — it's the best of its kind. It is guaranteed — you'll find perfect results by the very fact that it is SPRAYED INTO THE HAIR. Priced \$15 and \$20. It is the answer to your problems. Make your appointment today — and ask Virginia to give you all the details on this famous COLD WAVE. Let Virginia give you a new hair-do, she's a "whiz" at new ideas. Stone 346 is the phone number. VIRGINIA'S BEAUTY SALON — Present Bldg. — 4th Floor. Opposite HOTEL SENECA. Breakfasts are different in our house — since I placed my order for REAL SEALTEST CREAM from BRIGHTON PLACE DAIRY — our coffee is better — with the addition of this delicious cream — cereal is better — fruit topped with whipped cream is a real treat. This REAL SEALTEST CREAM will keep. Place it well back in your refrigerator — it will keep for a week or more. Ask to have COTTAGE CHEESE delivered with your cream. High in vitamins, you'll find it stretches — for salads, sandwiches etc. Your family will love it dressed up in many different ways. Call Glenwood 144 — today — BRIGHTON PLACE DAIRY — 45 Fulton ave. (Division of General Ice Cream.)

REDUCE FOR LADIES ONLY. Ten treatments with LAPETTIS for only \$25. These famous reducing treatments include Cabinet bath, Battle Creek Reducing Lounge and Hand Massage. You'll be relaxed as a kitten — to say nothing of the loss of weight — and added pep. If you arrange NOW for this SPECIAL OFFER, by Christmas you'll be slipping into two sizes smaller — when you buy that new frock. PTTIS — Burke Bldg. Stone 6210. Bra's are in — by the dozens, those famous Bra's — worn by so many Rochester women. Fitted to your individual requirements. Sizes to 44. Selling for \$2.25 — were \$2.75.

LLOYDS If you've been "racking your brain" wondering what to give that person on your Christmas list — who "rates" more than a card — solve this problem with FLOWERS. Always correct, always beautiful, they are the perfect answer to many a problem. A potted plant for instance will grow and grow — always a reminder of your thoughtfulness. Or a centerpiece for your Christmas hostess is a thoughtful gesture. Call LLOYD'S — they will "take care of you." Prices at LLOYD'S are RIGHT. Main 7688 is the phone number — the address POWERS HOTEL — LLOYD'S LEAD AGAIN.

RIPTON DRESSES Social dates come thick and fast at holiday time. So be prepared — when those invitations "come in." Drop into RIPTON DRESSES and treat yourself to a couple of frocks. Prices start at \$8.95 — you'll find dresses for all sizes — in all styles — in beautiful color combinations — and of course the beloved pastels — alive with glitter — to say nothing of blacks also blinking with glitter. WOMEN'S DRESSES (Ripton's pet) are yours for the asking. Lovely wearables for the larger figure — sealed to give height — and create the slender silhouette. Also starting at \$8.95. RIPTON DRESSES, 732 MONROE AVE. — Open Eve.

LOOK Here's a BARGAIN. Six cubic foot GRUNO refrigerator — as is \$75. Call Culver 3978-W. between 7 and 9 P. M.

SALE The SALE at "800" SHOP on MATERNITY DRESSES still goes on. Priced \$6.95, you'll find them smart, highly styled, with gadgets "sewed in" for expansion purposes. Many color combinations and of course "darks." Another group of regular dresses have also been reduced. Priced \$6.95 to \$8.95 — values to \$19.95. This group has been selected from current "stock" and every last one of them are a real bargain. Plan your day — so you'll have a short time to attend this REAL SALE. This shop is "Moress sponsored" as you know. Located corner MONROE & CANTERBURY — Open Eve.

Our fair city is certainly co-operating in dimming out those lights. Yes I know it isn't the most pleasant thing in the world — but it is a NECESSITY. How are you doing in your own home? Does your family leave a trail of lights behind — if they do — remind them very gently — but firmly — what ROCHESTER GAS & ELECTRIC says. "Please during emergency — only light and heat the rooms you are using." Thanks R. G. & E. — 89 East Ave.

LOOK ZWEIF DRESSES are urging you to use their lay-away plan. Buy for yourself — or for Christmas giving. ZWEIF'S have a wonderful "line" of all types of "clothes" for all types of women. Half-sizes are "stocked" and of course regular and junior sizes. Prices are gentle. Drop in today — and "buy yourself" a new frock for the holidays ahead — or select one for that "fashion conscious" woman on your Christmas list. ZWEIF DRESSES — 240 ROSEDALE OFF MONROE — Open Eve.

Day by day care of linoleum should include dusting with an untreated mop. Don't forget the traffic paths near each door. Pomper that linoleum — it's anyone's guess — when you will be able to replace it.

Something new for babies is a play pen on wheels. It is circular in shape with a rotating seat in the center. This seat arrangement makes it possible for the child in using around to find any toy that is stashed on the top of the table.

ALICE DRESS SHOP says, "Give LINGERIE with a lavish hand." At this shop, you'll be able to solve most Christmas problems. After all Lingerie is something that women love, young and old. Gorgeous SLIPS of beautiful quality, skillfully fashioned to "stand up" after long wear. Bras and panties, hankies, sweaters in lush colors are all yours for the asking. Use the lay-away plan. Of course a nice gesture would be to give a dress from ALICE'S. Starting at \$8.95 you'll find their selection "tops" in style, excellent workmanship, and perfect taste. All sizes and styles. ALICE DRESS SHOP, 630 MONROE AVE. Open Eve. PS. HARPER METHOD COSMETICS — the complete line — are also at ALICE'S.

NO. 19 SCHOOL PTA WILL STAGE BAZAAR

On Tuesday afternoon the No. 19 school PTA will hold their regular meeting at the school at 2:30. A bazaar will begin at 2.

The Rev. Thomas Lamont of United Presbyterian Church will speak on "Everywhere, Everywhere Christmas Tonight".

The school children under the direction of Miss Elizabeth Lanigan will sing several Christmas carols. Refreshments will be served by the committee.

NEWS KATHERINE K. — has asked me to "spread the word" BANDEAUS are in. Top-flight quality — in shades of Tealose, White, and Black. Designed to "do things" for your figure, my advice is to "buy" as many as you need TODAY. ALSO GIRDLES — with elastic gores — French hand-loomed and also French machine-loomed. The type of article is the kind you've been waiting for. KATHERINE K. — 603 TEMPLE BLDG. Stone 3233

CARTER HAT Santa has "dumped" his bag of gifts at CARTER HAT SHOP. Jewels, Bags, Compacts, adorable chapeaus (priced \$3.95 and up) a complete line of the famous make "GAGE" HATS. Any item you select and if a small deposit is made — will be held for Christmas. The COMPACTS priced \$5 (no tax) are stunning. Bearing the Elgin name, they are three and one-half inches square — light as a feather — in beautiful designs. Ask to see the SNOW FLAKE HATS — priced \$5 — smart as you'll see. BROMOCLOTH bags priced within reason are another "buy." Drop into CARTER'S early and buy for Christmas. Located 636 MONROE AVE. Open Eve.

Where's SANTA? At SHAPER CO. Giving full rein to his "ideas" — ideas that will make Christmas merry for the lucky women who are going to receive a FUR COAT for Christmas. All the wonderful intangibles that go into a SHAPER coat add not one penny to a different fur scene. Make your selection of a fur coat early for Christmas — a small deposit will hold your selection. Or maybe you would like a FUR SCARF — Shaper Co. have mink, kolinsky, and many others. But whatever your decision do your shopping EARLY. SHAPER CO. — 76 East Ave. Opposite Chestnut St.

GIFT Are you one of those "waiters" (that are always complaining about your "hair")? Of course your hair won't "stay" if you don't have the right foundation. A GOOD PERMANENT JEANNE'S H A I R STYLING are offering the famous PERMANENTS TI-CURL — including shampoo and set for \$10. This is a soft pliable curl — and I know you'll love it. The equally famous VITRON is now priced \$7.50 — this a wonderful permanent and Jeanne recommends it highly. Set and shampoo also included in this price. Both are machine waves. If you are interested in COLD WAVES or MACHINGLESS, Jeanne has those also. Think about a GIFT CERTIFICATE for your Christmas giving bearing your name — and give your favorite person — a choice of permanents at JEANNE'S HAIR STYLING — 727 GRANITE BLDG. Main 2180.

**DAIRY FARM
WIPE OUT IN
\$30,000 BLAZE**

An early morning fire that destroyed the big dairy barn on the Eugene Meisenzahl farm in Elm Grove Road, Greece, on Tuesday, did more than \$30,000 damage, Norman Richardson, chief of the Greece-Ridge Fire Department reported.

In addition to the huge barn, the blaze consumed 125 tons of hay, 1,500 bushels of wheat and oats and all the milking equipment and farm tools. Employees of the dairy farm, who discovered the fire shortly after 12:30 a. m., led to safety the 35 cows and 14 horses housed in the barn before arrival of firemen. The house on the property was not damaged.

Responding to the alarm, Chief Richardson found the barn in flames and called for extra help. Besides the Greece-Ridge department, fire companies from Barnards, North Greece, Spencerport, Grand View Heights, Braddock Heights and the Gates-Chili departments fought the blaze. Only one hydrant, some 3,500 feet away from the farm was available.

Greece police under Chief Milton Carter controlled the traffic which jammed the roads in the area and the Barnard Fire Company ambulance stood by for first aid service. No one, however, was injured in the two-hour battle against the flames.

**GIRL JUMPS FROM CAR
AND INJURES BACK**

Joan Eisenberg, 17, of 17 Trayer St., was riding with Paul G. Webber, 31, of 400 Alexander St., Monday evening at 8:45 and, according to police jumped from the car in Central Ave., suffering contusions to the back. She was taken to Strong Memorial Hospital.

Webber was arrested, charged with failing to notify the automobile bureau of change of address.

**TWO MEN BEAT,
ROB AGED MAN**

William Holmes, 70, of 40 Center Pl., reported that while walking on Oak St., at 6 p. m. Monday he was stopped by two colored men who, after asking him the direction of a street, grabbed him and dragged him into an alley where they took his billfold containing \$8.70. The assailants were reported to be about six feet tall, wore light overcoats and soft hats.

**MAN LAYS WALLET
LOSS TO HOLDUP**

Arthur Robert Watkins, 134 Electric Ave., Gates, reported to Detectives Brown and Maier Thursday morning that he was driving home in his truck and was stopped at Maple and Childs Sts., by two colored men and one white man who took his wallet with \$22 and a driver's license.

The detectives said Watkins had been drinking and that his complaint was vague.

**Somebody Plans To
Do A Lot Of Writing**

Paul Dougall, manager for the W. T. Grant store, 293 Main Street East, reports that between 6:30 p. m. Friday and Saturday noon thieves stole 177 pen and pencil sets from the store valued at \$900.

It is thought that the thief remained in the store when it was closed the previous night.

Thieves Take Cigaretts

Somebody unknown broke and entered Henry Rosenbloom's United Food Store, 104 S. Plymouth Ave., Monday through a rear window and took ten cartons of cigarettes and \$5 in silver.

Woman Hurt In Car

A truck operated by Lawrence H. Walker of Naples and a car operated by Genaro Scalzo, of 46 Fernwood Ave., collided and Emma Scalzo, riding with Scalzo, received injuries to her right side and right foot. It happened Monday night.

Pedestrian Injured

While Ray L. Pratt, of 182 Trux St., was driving north on North St., Monday night he struck John Blanchard, 65, of 445 North St. Blanchard, who received injuries to his head and arms, was taken to General Hospital.

**KODAK CHEMIST
WINS AWARD OF
ROYAL SOCIETY**

For research over a period of seven years on chemistry of photographic development, Dr. T. H. James, Eastman Kodak chemist, has been given the 1945 Henderson Award of the Royal Photographic Society of Great Britain, it was announced yesterday.

Presented on recommendation of the scientific and technical group committee of the society, the award went to Dr. James for his very work on the chemistry development processes.

Under terms of a 1907 grant by A. L. Henderson to the London and Provincial Photographic Association, the award, now administered by the Royal Photographic Society, is presented annually in the form of a medal for the most useful discovery in or essay on photographic chemistry.

Dr. James began his research on photographic development in 1939 with study of the simple reaction between silver ions and a development agent in solution. Later he added successive complicating factors and approached step by step the conditions during actual development of a photographic image.

Evidence accumulated during the research indicates that normal photographic development is accelerated by silver which acts as a catalyst in reaction occurring at the minute boundaries between silver and silver halide.

As a result of Dr. James' work, scientists in general have obtained better understanding of processes involved in photographic development.

In 1907 Dr. C. E. K. Mees, director of Eastman Kodak research, received the Henderson Award for his research on the rendering of color and color contrast.

Dr. James received his Ph. D. degree in chemistry from the University of Colorado in 1935. He taught chemistry at the university before joining Kodak Research Laboratories in 1936. A member of Sigma Xi and Phi Beta Kappa honorary fraternities, he is editor of the photographic section of Chemical Abstracts.

WOMAN GIVEN \$500 FOR BUS CRASH HURTS

A Supreme Court jury has awarded \$5,000 to Miss Adelaide B. Hayes, 601 Child St., for a fractured skull and other injuries suffered in a crash between a bus and a car last New Year's Day.

The verdict, reached late Monday by a vote of 11 to 1, was against the Rochester Transit Corporation, George Langell, 13 Werner Pk., driver of the bus, and Frank Schwab, 272 Tremont St., owner and driver of the auto. Miss Hayes was a passenger in the car when the accident occurred early in the morning in Main Street West between Washington and Clarissa Streets. Her attorney was Milton Grossman.

George H. Clune Passes After Active Career

George H. Clune, 87, of 590 Mt. Hope Ave., fell dead of a heart attack Tuesday morning at 11:30 in Main Street East, near Stone St.

Mr. Clune, a long time resident of Rochester, was one of the better known figures in local Streets. Notwithstanding his age, his figure was as erect as that of a young man, and elderly people envied him his athletic carriage and ability as

auditor and treasurer of The Rochester-Pittsburgh Coal & Iron Co., with offices in Main Street West. He began his business career as station agent on a railroad in the Middle West. Mr. Clune was a member of the Rochester Athletic Club for 35 years and it was through his efforts that the club was kept a

going concern for a long time, until its eventual abandonment. In 1934 he was appointed port commissioner, in which office he served until 1937. He was a member of the Genesee Valley Club, the Chamber of Commerce, the Automobile Club of Rochester, the Rochester Elks, the Memorial Art Gallery and

the Community Players. In these latter days of comparative business turbulence, Mr. Clune, to his friends, formed an old fashioned rock of stability to cling to. The so-termed old fashioned ideas of industry, thrift, hard work and loyalty were his precepts. He not only practiced them but preached them. His character for the homely virtues were as striking as his athletic carriage. He is survived by his wife,

Hattie Clune, three daughters, Mrs. Arthur A. Davis, Mrs. Alfred E. Barnum, and Mrs. Rus-

sell Hanna and, one son, Henry W. Clune, columnist on the Rochester Democrat & Chro-

nicle, who resides in Scottsville. Funeral services were to be held this morning.

**Boston Orchestra To Play
Tschaikevsky Symphony**

Three of the most familiar compositions of the symphony repertoire will be played by the Boston Symphony under the baton of Serge Koussevitzky when the great orchestra comes to the Eastman next Wednesday evening, Dec. 11.

As is usually the case when

this outstanding symphony comes to Rochester, all seats have been sold and the limited number of standing room tickets are rapidly being snapped up.

The program, the same one with which the Boston opened its season in Carnegie Hall last month, will begin with Mendelssohn's Italian Symphony. The other pre-intermission selection will be Debussy's impressionistic La Mer.

Highlight of the evening will be Tschaikevsky's Symphony No. 4 in F minor. This symphony, which was composed in 1878, was regarded by the great Russian master as his finest work.

No. 37 PTA Meeting

The Rev. Harold Patton of Trinity Methodist Church will speak at the meeting of the PTA of No. 37 School on Dec. 10. The hosts will be the parents of Miss McCard's and Miss Keating's grades. Because of the fuel shortage the meeting will be held at 1:30 P.M. instead of at the usual evening hour.

Navy Wives Meet

Next meeting of the Navy Wives Club will be held tonight at the home of Mrs. Howard Kanada of 28 Charlton Road.

To Elect Officers

Capt. Henry Lomb Circle, No. 75, ladies of the G. A. R., will have their annual bazaar and penny supper on Friday Dec. 13, followed by a meeting and election of officers.

CHRISTMAS PARTY

Victory Chapter, American War Mothers will have a Christmas party next Tuesday at 8:00 p. m. at 933 University Ave. Gifts will be exchanged. Ida DeMallie is chairman.

Son To Searchfields

Mr. and Mrs. Charles E. Searchfield of 15 Harper St., are being congratulated on the birth of a son, Michael Joseph, at St. Mary's Hospital on Monday.

ATOM . . .

(Continued From Page 1) est particles, atoms, is made of forged magnets, weighing over 1,000 tons, believed to be the heaviest ever wrought in a steel mill. And to get them to the U of R meant that railroads would have to carry one of the heaviest single loads in their history.

This job amounted to more than loading the giant pieces of metal on a flat car in Pennsylvania and hauling them here. A devious route, using only bridges that could be cleared and bridges that would hold this concentrated weight, had to be mapped. Special cars which could carry as much as 150 tons each had to be got and a special arrangement and distribution of each car had to be calculated so that once the train got rolling, the weight would be spread out. If it wasn't, railroad men feared bridges would cave in and road beds would bog down and they'd really have their problems.

So much for getting the magnets to Elmwood Avenue. The remaining 200 feet between the Erie Line and the cyclotron building was too long to move the forgings by conventional means. That necessitated the building of the "Cyclotron and Southern. It practically runs into the new building. Now the pieces simply have to be lifted from the special railroad cars into place.

Even that short haul will require uncommonly heavy-duty hoisting rigs.

But this week, the track was clear and all was ready for the big job. Scientists went back to their slide rules and pondered the mysteries of the atom in their laboratories, and railroad men breezed through simple jobs like hauling trucks, tractors and such other little stuff. Whew!

John F. Bush of East View Ter., Pittsford, entertained the members of the Humdrum Club at dinner at his home Monday evening.

INDICTED . . .

(Continued From Page 1) case would begin Monday, Dec. 16, in the Lyons Court House.

Main subject of conversation on the streets of Wayne County towns, the Petty case is all the more important, according to leading Williamson citizens, because of the accused man's political and fraternal connections. Besides being a leading Republican of the section, Petty is active in American Legion circles as a veteran of World War I, and a leader in fraternal groups, as a member of Masonic lodges. He was also an organizer and member of the Town Clerks' Association.

CARNERA . . .

(Continued From Page 1) the fact that he was once the world's heavyweight champ.

His admitted ambition is to become the first professional athlete ever to have won both the world boxing title and the world's mat crown.

Observers see a chance for the giant-sized master to realize his ambition. For years he has had a working knowledge of wrestling holds and defensive maneuvers. He is big and powerful, and his agility belies his size. Since he returned to this

country he is undefeated in more than 50 matches.

Carnera is happy with his present lot. He is coining money in big chunks, and he is glad to be away from his homeland. He has expressed the desire to become a United States citizen. The next problem for the Civic Sporting Club is to line up a suitable opponent for the gigantic Italian. Martinez has not yet announced Carnera's foe but he says it will be one of four who have racked up creditable records. They are all well known to Rochester fans — Ole Olsen, Ray "Sandy" O'Donnell, Killer

Karl Davis or Paul Boesch, who is undefeated in the Edgerton Park Arena. Tickets for the bout are on sale at the Civic Sporting Club offices in the Present Bldg.

HEART ATTACK FATAL TO CAR DRIVER

Police report that Roland Male, 72, of Clay Ave., suffered a heart attack while driving in Mt. Read Blvd., Tuesday afternoon shortly before 5 o'clock and died before medical aid could reach him.

Investigators from Precinct Five learned that Mr. Male was enroute to the L. B. Fine-wood Trucking Co. garage at 2490 Mt. Read Blvd. to pick up his son when he was stricken. The car which he was driving swerved into the ditch alongside the road, witnesses told police.

St. Mary's ambulance and Barnard Fire Department's inhalator were dispatched but the ambulance physician pronounced Mr. Male dead. The body was removed to the morgue.

ORATORIO GROUP TO PRESENT 'MESSIAH'

Under the sponsorship of the Junior Chamber of Commerce and the Civic Music Association, the Rochester Oratorio Society will present Handel's "Messiah" at the Eastman in a special Sunday concert on December 29.

The society now numbers more than 250 voices and will utilize an orchestra and four soloists in presenting the magnificent Christmas oratorio.

TO NAME DIRECTORS FOR REAL ESTATE BOARD

Three directors will be elected for three-year terms each at the annual meeting of the Real Estate Board of Rochester in Powers Hotel next Friday, Dec. 6, at 8 p. m.

Directors will meet later in December and elect the board's officers for 1947, according to Follett L. Greeno, board president. Speaker at the Dec. 6th gathering will be Anthony T. Powderly, classified advertising manager of The Democrat and Chronicle. His topic will be "How to Make Your Want Ads Pay."

Nominated for directors, with three to be elected at the Dec. 6th session, are these six realtors: Peter C. Albright, Irving L. Brooks, Carroll C. Colgan, Charles M. Dispenza, William G. Marx and Clyde V. Sutton.

CORONER CALLS DEATH FROM CAR FUMES SUICIDE

Monday morning Elwood Jensen, 14 Atkinson St., was to meet William Eager 67, of 53 Edinburgh St., at the Atkinson St. address. Jensen kept his rendezvous but failed to find Eager.

Jensen did hear the motor of a truck going, however, and went to the rear of the building in the hopes of finding Eager. He found him.

Eager was in the front seat of the truck, with the motor running and the garage door locked.

Atkinson broke the garage window, and opened the garage door. Artificial respiration was administered before the arrival of the ambulance.

Eager was taken to Strong Memorial Hospital where he was pronounced dead at 11 p. m. Coroner David Atwater attributed the death to suicide while temporarily insane.

EXTRA VACATIONS ANNOUNCED FOR EDWARDS STAFF

E. W. Edwards & Son yesterday announced that all employees who have been with the company one year prior to Jan. 1, 1947, will be granted a week's vacation this winter with pay. Those with the firm six months prior to that date will be given three days with pay.

In a printed letter to co-workers, E. Winston Rodormer, president, thanked all employees for their cooperation and support during the past year.

He said that the winter vacations are in addition to the regular summer vacation period, and may be taken any time between Jan. 1, and May 1, 1947.

Santas Can't Be 'Sad Sacks'; Ask Wage Hike

In Detroit, where anything can happen and usually does, some fifty Santa Clauses have demanded higher wages for performing good deeds and distributing good cheer.

Santa Claus Union, CIO, Local 1052, has asked for \$1.20 a hour wage for member's services over last year's \$1 an hour rate.

There's a good reason why the Santa Clauses should get a

bigger wage, says Santa's No. 1 Detroit helper, Herbert Thompson, who is union president and weighs a paltry 225. Thompson says:

"The people, including the children, insist that Santa be fat and jolly, and I ask you one and all how can we keep fat and chubby at the old wage? Indeed, we've got to be smart to get fat at the new wage, provided we get it."

The union holds written agreements with some stores and verbal ones with other stores.

"After all," added Mr. Thompson, "we may not be the perfect Santa Clauses, but we happen to be the best ones there are now, around here anyhow. We want to be fat and jolly, goodness knows, and don't forget you can't be a member of this union unless you weigh 200 pounds."

Other Rochester area Navy personnel in the news included B. K. Kroha of 153 Ellingwood Dr., who has been selected for training in the Naval Reserve Officer Training Corps at Yale University; Miss Joan M. Smith, PhM 3/c, a WAVE daughter of Mr. and Mrs. L. H. Smith of 419 Birr St., has been assigned to duty at the Norfolk Naval Hospital, Virginia. She has been serving at the Naval Hospital, Camp LeJune, N. C., since completing training at Hospital Corps School, Bethesda, Md.

Henry Terrano, ChMM, husband of Mrs. Anne Terrano of 241 Nichols St., is also reported now serving aboard the seaplane tender USS Salisbury Sound, on duty with the Seventh Fleet in China Waters. He entered the Navy in January, 1941, and is a veteran of the North African and Southern France invasions.

LOCAL SAILORS INITIATED IN EQUATOR RITES

Two Rochester Navy men this week joined the growing Royal Order of the Deep after initiation ceremonies by King Neptune and his party, Ninth Naval District headquarters announced yesterday.

Duane Molyneux, S2c, son of Mrs. Phyllis Molyneux of 117 Argyle St., aboard the Battleship Wisconsin and Frank Utaro, S2c, son of Mr. and Mrs. Cosmo Utaro of 58 Saratoga Ave., aboard the destroyer U. S. S. John P. Kennedy, became Shellbacks while crossing the equator in company with the aircraft carrier U. S. S. Leyte on a tour of South American ports.

Traditional rites began near Valparaiso, Chile, when the king boarded the ships and passed sentence on all "polywogs." Men who had previously crossed the imaginary line initiated the newcomers.

Two Weeks For 'Two Years' At Century

Based on Richard Henry Dana's famous saga of sailing ships, Paramount's "Two Years Before the Mast" now in its second week at the Century, has been acclaimed by previewers as a great picturization of a great literary work. The stirring film tale of wooden ship and iron men is enacted by a blue ribbon cast headed by stars Alan Ladd, Brian Donlevy, William Bendix and Barry Fitzgerald, and features a supporting cast which includes Howard da Silva, Esther

Fernandez and Albert Dekker. "Two Years Before the Mast" is an exciting tale of the voyage of the torture ship, "Pilgrim," from Boston, around Cape Horn, to California. With a record time goal as his only aim, the ship's conscienceless skipper with the aid of his tough first mate inflicts hardships and cruel punishment on his crew. Shaughiaed on board by mistake is the ne'er-to-well son of the ship's owner (Alan Ladd), and a writer, Richard Henry Dana, (Brian Donlevy), who signed on to obtain material for his novel.

Romance steps into the story when a young Spanish girl (Esther Fernandez) boards the ship in Brazil, and she and Ladd become interested in each other. He, toughened by the vicious discipline, leads the crew in mutiny, which sets off a series of suspenseful events.

LOEWS HOLD 'UNDERCURRENT' FOR 2nd WEEK

The story of two people whose marital happiness is blighted by the mysterious shadow of an unseen rival brings Katharine Hepburn and Robert Taylor together for the first time in "Undercurrent," starting its second week at Loew's today.

Unfolded with unremitting suspense and mounting step by step to a terrific climax, "Undercurrent" starts with the romantic meeting and subsequent marriage of Ann Hamilton and Alan Garraway, wealthy young industrialist. The marriage at first gives promise of being a happy one, but gradually and inexorably there hovers over the young couple the shadow of Alan's brother, Michael Garraway, a figure of great mystery.

The stars are supported by Robert Mitchum as the elusive Michael, Edmund Gwenn, and Marjorie Main. The picture also furnished an introduction to the screen for two players from the Broadway stage

CAPITOL SCREEN HAS ABBOTT AND COSTELLO

Hollywood's favorite funny men, Bud Abbott and Lou Costello, start today at the Capitol Theatre in Universal's "The Time of Their Lives," a comedy innovation said to be packed with new ideas of how to make people laugh.

Marjorie Reynolds, Binnie Barnes and John Shelton have leading roles. Other popular in the large cast are Jess Barker, Gale Sondergaard and Robert H. Harrat. In this original screenplay, Costello and Miss Reynolds portray Colonial sweethearts. They are mistakenly shot by George Washington's soldiers and are condemned to a ghastly existence for 166 years.

A touching romance extending through the years, but doomed to defeat is told in "Sister Kenny," an authentic story of the Australian bush nurse who developed a new treatment for infantile paralysis. Rosalind Russell and Alexander Knox co-star, and Dean Jagger is top featured, in the second feature on the program which starts today on the Capitol.

George Raft and Anne Jeffreys in "Nocturne" at RKO Palace.

**Raft Plays Detective
In 'Nocturne' At Palace**

The mysterious murder of a Hollywood Lady-killer and song-writer forms the theme of RKO-Radio's gripping new mystery film, "Nocturne", with George Raft and Lynn Bari in the starring roles. Offered today at RKO Palace.

Raft, in his role of a hard-boiled detective refuses to accept as final the corner's verdict of suicide, even though all the evidence points to it. And his obstinacy results in his getting fired from the police force. He carries on his investigation anyhow, and makes the counts of the dead man's girl friends, some ten of them.

Raft's suspicion comes to rest on a beautiful young motion picture actress played by Miss Bari, and even falling in love with her doesn't stop him from

trying to force a confession. However, she proves to be just about as smart as he is and leads him a merry chase on the well-known wild goose route before he finally brings his case to a triumphant conclusion.

What makes "Nocturne" outstanding is the strict regard for intelligence and plausibility in the story. The solution of the mystery is one of the most ingenious ever employed, and this thrill-packed, suspenseful offering certainly rates a place amongst the season's smash hits.

Virginia Huston, Joseph Payne, Myrna Dell, Edward Ashley and Walter Sande head the talented supporting cast of this Joan Harrison production.

The companion feature is "Vacation in Reno" starring Jack Haley with Anne Jeffreys, Wally Brown and Morgan Conway.

PHILHARMONIC IN NATIONWIDE BROADCAST

The Rochester Philharmonic under direction of Guy Fraser Harrison, will inaugurate the fourth season of "Orchestras of the Nation" concerts Saturday, Dec. 7 at 3 p. m. over WHAM and stations of the National Broadcasting Co. This will be the first in a series of 26 concerts to be presented by 18 orchestras from all parts of the country.

Harrison is not only associate conductor of the Philharmonic but also conductor of the Rochester Civic Orchestra, British-born and trained, he came to this country in 1920 and has long been a leading figure in Rochester's musical life.

The program will open with Schubert's Symphony No. 8 in B Minor (The "Unfinished"). It is in two movements—allegro moderato and andante con moto. The overture to Mozart's "Marriage of Figaro," Respighi's "Impressioni Brasiliane" and Berlioz' "Roman-Carnival" overture will complete the concert.

COUNTY COURT SUSPENDS 3 SENTENCES

Suspended sentences were given by County Judge James P. O'Connor to three defendants this week. Each was placed on three years' probation.

Francis Allen, 39, of 18 Grant St., who had pleaded guilty of petit larceny in theft of eight hams from Swift & Co. warehouse in Exchange St. June 9, was given the suspended sentence Tuesday. He was charged with both petit larceny and third degree burglary, but pleaded guilty of the larceny count only.

Patsy Marconi, 20, of 411 Emerson St., who had pleaded guilty of first degree grand larceny in stealing a car Oct. 14, was ordered to make restitution for damage to the vehicle in an amount to be fixed by the probation department. He also received a suspended sentence Tuesday.

George Hogan, 37, of 54 Barnuh St., was given a suspended sentence Monday on a misdemeanor charge of criminally receiving stolen property in connection with theft of cigars and tires from a gasoline station at 1275 Main St. E. Oct. 9. He was charged with criminally receiving petit larceny and third degree burglary but pleaded guilty of the misdemeanor charge only.

NOTRE DAME ALUMNI TO HAVE COMMUNION

The Notre Dame Club of Rochester like the Notre Dame alumni all over the world, will attend mass and communion breakfast Sunday morning. The local Notre Dame club will meet at 9:30 a. m. in St. Mary's Church and after services the communion breakfast will be at Hotel Sheraton. The club will be honored by two distinguished visitors who will speak, the Rev. Edmund Boen and the Rev. Thomas Tobin, both of Geneva.

'Y' DELEGATES TO ATTEND LAYMEN'S CONFERENCE

The Rochester YMCA will send up to forty of its members to Buffalo on Saturday as delegates to the Western New York YMCA Laymen's Conference to participate in the study and discussion of the theme, "Laymen at Work in the YMCA."

Special features in the afternoon conference schedule will be a radio concert by the Angelus Choir of Buffalo and a banquet for the delegates and their wives at the Hotel Touraine. Principal speaker for the

Lemon Juice Recipe Checks Rheumatic Pain Quickly

If you suffer from rheumatic arthritis or muscle pain, try this simple, inexpensive home recipe that thousands are using. Get a package of 250 mg. aspirin, a two-week supply, today. Mix it with a quart of water, add the juice of 4 lemons, a few drops of oil of wintergreen, and a few drops of oil of eucalyptus. You need only 3 tablespoons—sometimes 1—of this mixture. If you have a severe attack, take 10 to 15 tablets at once. If the pain does not quickly leave and if you do not feel better, return the empty package and 250 mg. will cost you nothing to try as it is sold by your druggist under an absolute money-back guarantee. 250 mg. aspirin is for sale and recommended by drug stores everywhere.

New, effective relief from "periodic" pain

• You don't have to "grin and bear it" on those "difficult days." Medical science now comes to your aid with Nemow—a new, balanced formula that relieves the "edgy" nerves, tormenting cramps and headaches that go with functional "periodic" pain. Nemow helps make you feel more "normal"—gives you new freedom of action. Be prepared . . . get easy-to-take Nemow tablets now. Use as directed. Ask for a handy box of 6 tablets at any drug counter.

Prompt Relief

- EASES CRAMPS** . . . Nemow's relaxing action helps soothe sharp spasms, brings relief from pain.
- RELIEVES HEADACHES** . . . That head-splitting feeling seems to fade away under the easing, "analgesic" effect of Nemow.
- LIFTS DEPRESSION** . . . On difficult days, Nemow helps bring your spirits back to normal.

Gloomy Weather Picture Painted By Forecaster

It's going to be a tough winter — plenty of snow and cold weather — the kind of winter that grampa knew when he was a boy. Take it from a predictor who has had 155 years of practice at guessing the weather.

Yes, The Old Farmer's Almanac, famous through prosperity and depression, war and peace; read by oil lamp, gas jet and electric lighting is with us again.

And just in case you scoff at old Mr. Weatherwise, the almanac's pessimistic prophet, be reminded that he has called the shot the last three winters.

Not all our bad weather is going to come this winter either, Mr. Weatherwise knows what he is talking about.

At Easter the weather will change from pleasant to dank; Memorial Day will be rainy; The Glorious Fourth will also see liquid weather — cold too, he says;

Mr. Weatherwise looks for storms on Labor Day, snow on Armistice Day, and more snow and cold on Thanksgiving Day.

More whiskers are predicted for the coming years plus a crisis in the tie-manufacturing business. Pink spinach will be tried out in September by child psychologists to tempt junior. The idea will fail.

The yellow-covered almanac was first published in 1793 by Robert B. Thomas. He died in the spring of 1846 and since then 10 others have carried on.

Cornell is reported to have a great team this year, and will have a two-game start on Saturday, playing Vermont this Saturday and Niagara next Thursday, Dec. 11. Dick Barody and Johnny Saynes, both guards and both war veterans have been elected co-captains of the University of Rochester team. Barody was on the undefeated 1941-42

Rochester team and also was co-captain of the 1942-43 season. Now 26 years old, he served with the AAF and was a navigator in the China-Burma-India theater for 18 months. Byrnes also was on the 1942-43 team, and played in the Pacific basketball tournament final in Tokyo last year while serving with the U. S. Army in the Pacific.

Lacrossers Seek Second Win Playing Toronto

The Iroquois Lacrosse club will be out for its second win of the season tomorrow night when they meet the Toronto Lacrosse outfit in the Main Street Armory Box. The locals got under way to a flying start last week when they downed

the Hamilton Tigers, 27 to 26, in a thrilling overtime game in which the claret flowed freely. Tomorrow's fracas will start at 8 p. m. with Baldy Knapp and Joe Seibold calling the instructions. Tickets for the game are on sale at the National Clothing Company. Game time is 8:15 P. M.

Manager Arleigh Hill, far from satisfied with the manner in which his club started has devoted the entire week to polishing off the rough edges and expects the Indians to show a vast improvement. The Toronto club will come here loaded for bear and will show a number of players who performed locally in the past including Joe Murphy, a tough and rugged forward and Gord Gair, a defenseman. Both paired with the Mimico Mounties. Rance Jamieson, a full-blooded Indian and a former Hamilton stick-welder, will be in the lineup as will Al Jefferies, defense.

Manager Norm Gair will be in the forward line and will be teamed with Chuck Davidson who is rated one of the fastest in the sport.

LINE-UP
Iroquois: B. Hill, J. Green, B. Porter, A. Hill, B. Cook, T. Jamieson, W. Powless.
Toronto: W. Hartley, A. Jefferies, H. Jamieson, H. Moore, T. Hill, E. Healy, N. Gair.
Iroquois spares: Roy Miller, Max Martin, Del Powless, Ross Powless, Dave Martin, James Weigle, Robert Jamieson, Elliott Printup, Lorne Jamieson, Ross Farmer, Al Savino, Mahlon White, Alex Cook, A. Hill.
Toronto spares: Lou Vipond, K. Worsenroft, J. Murphy, G. Gair, Vern Wilkinson, Lloyd Gair, Tommy Love, Luther Vipond, Donald Campbell, Vince Reddy, Fred Hatton.
Referees: Baldy Knapp, Joe Seibold, Scorer: Don McChesney.

DEATH MOUNTAIN HOTEL

The worst hotel in more than one hundred years when flames consumed it last night as reports from local quarters which were set on fire.

The hotel which was rated "fireproof" is situated in heart of the Atlanta business district on Peachtree Street the area last night presented a scene of havoc unprecedented in this year of major disasters. Earlier the hotel in Chicago had been with a toll of 61, and was followed shortly after by the Hotel Hotel in Dubuque, with a loss of 14 persons and the year's toll was Baker Hotel explosion in Las Vegas, which accounted for 10 dead.

The Wincoff fire was started off between 3 and 4 Saturday and within hours death list had reached 11 including delegates to the Youth Assembly, public officials, several members of military and scores of private persons.

Most of the 280 guests trapped. All the Wincoff rooms were occupied. Many never had a chance a lot of them took the way out—heading to the window. Others struck their windows and shook until they fell back onto the flames and smoke.

The fire apparently started on the fifth floor and swept upward to engulf the floors within a few moments. It was discovered negro elevator operator.

Two Negroes From C...

Two men were the result of automobile accident in St. Mary's hospital. In the accident, the fractured left leg is broken. Home, and past 70 years driven by John Rockaway Stonewood Ave. while walking in Lake Avenue on a bicycle. Police say well failed to see Sheen's darkness. Hospital authorities reported his condition as late yesterday. He is not expected to live.

Also in the same hospital, 33-year old Jeremiah C. of 50 Cottage St. was struck while crossing St. Ave. at Magnolia St. Police say the car was operated by Walter E. of 48 Laser St. O'Brien, reported to be in fair condition with lacerations of the face and lacerations of the face. Other accidents at week involving pedestrians at Ford Lewis, 32, of Windsor, in General Hospital with face lacerations and was struck by a car at Eugene Miles, 472 of 94 St. Louis Rogavach, 79, of 94 St. suffered injuries right hip and left leg was struck by a car at the Rev. Richard Martin of 105 Troup St. Rogavach was struck as he crossed Ave. at Thomas St.

Two were injured when driven by Dominic Z. of 17, of 88 York St. an explosion in the A. C. Company plant at Seph Ave.

Police report that W. played by the A. C. was cleaning an oil barrel and that while matching the concentrate caused the large drum to explode. In the accident suffered lacerations of the face and the knees.

EXPLOSION LANDS MAN IN HOSPITAL

John White, 23, of 16 St. is a patient in St. Memorial Hospital as a result of an explosion in the A. C. Company plant at Seph Ave.

Police report that W. played by the A. C. was cleaning an oil barrel and that while matching the concentrate caused the large drum to explode. In the accident suffered lacerations of the face and the knees.

DEATH TOLL MOUNTS IN HOTEL FIRE

The worst hotel fire in the nation's history snuffed out more than one hundred lives early yesterday morning when flames consumed the Wineoff Hotel in Atlanta, Ga. The death toll was still mounting at a late hour last night as reports from local and nearby hospitals continued to pour into Red Cross headquarters which were set up at the scene.

The hotel which was rated as "fireproof" is situated in the heart of the Atlanta business district on Peachtree Street, but the area last night presented a scene of havoc unprecedented even in this year of major hotel disasters. Earlier the LaSalle Hotel in Chicago had burned with a toll of 61, and was followed shortly after by the Canfield Hotel in Dubuque, Iowa with a loss of 14 persons. To add to the year's toll was the Baker Hotel explosion in Dallas, Tex., which accounted for 10 dead.

The Wineoff fire was touched off between 3 and 4 a. m. Saturday and within hours the death list had reached 115, including delegates to the Georgia Youth Assembly, public officials, several members of the military and scores of prominent persons. Most of the 280 guests were trapped. All the Wineoffs 194 rooms were occupied. Many of them never had a chance and a lot of them took the quick way out — headlong through the window. Others stood at their windows and screamed until they fell back choking in the flames and smoke. The fire apparently started on the fifth floor and then swept upward to engulf the upper floors within a few moments. It was discovered by a negro elevator operator, Rosita

POLICE PUSH HUNT FOR 'MUGGERS' HERE

Third Victim In Two Weeks Beaten, Robbed

Mugging, the despicable art of mayhem and murder that has snuffed out countless lives in New York's Harlem, Chicago's East Side and in section of Detroit, is slowly but surely spreading its mauling tentacles into the heretofore fair city of Rochester.

This week another victim fell prey to the muggers in Rochester and considered himself lucky to escape with his life. And with streets darkened by the coal-conserving dimout, police were apprehensive that an epidemic of such robberies and attempted killings might break out at any moment. All members of the police bureau have been alerted to relentlessly track down the criminals. Detectives are conducting an extensive manhunt for those responsible for the muggings already committed here.

NEWS STRIKE SETTLEMENT HITS SNAG

Hopes for an early end of the dispute between members of Local 15 of the International Typographical Union and management of the Gannett Newspapers went glimmering yesterday when reports circulated the city that negotiations had again been broken off. The controversy appeared near settlement on Friday with representatives of the opposed parties meeting to discuss terms. It is understood that yesterday those meetings were broken off and union representatives left town.

The latest Rochester mugging happened Friday morning at 12:35 in Ormond St. Thomas Willet, 82, of 236 North St., reported that he was walking in Ormond St., when passing Central Ave., he was seized from the rear by colored men and dragged into a yard.

First the men seized a brown leather wallet in which they found 75 cents. Next they took a black wallet with \$50 and a pocket watch. Willet described the men as about five feet, ten inches tall and weighing about 150 pounds. They wore, as nearly as he could see in the darkness, dark clothes.

It is becoming so in Rochester that pedestrians are afraid to walk in Ormond St. and vicinity during late hours at night and women are warned to keep off the streets in that vicinity. The term, mugging, all too accurately aptly describes the method of crime. The assailants either creep up behind their victim, foss their arms

CHRISTMAS SEAL SALE NOW TOPS \$10,000

The 40th annual Christmas seal sale opened in Monroe County, outside Rochester, on November 25, and already \$10,000 has been contributed. The sale will continue to Christmas Day. Mrs. Thomas Duryea is chairman of the sale. Miss Sally Bissel designed, had printed and sold the first seal in this county on Dec. 9, 1907, forty years ago. The growth in sales of Christmas seals since to help fight the disease of tuberculosis has been reported. Dr. Leonardo issued a certificate of accidental death and custom which grows in volume and appeal each season.

Weatherman Promises June In December (Almost)

Prospects for continuance of mild weather during the early part of the week are bright, according to the forecasters at Municipal Airport Weather Bureau. They predict that temperatures will average five to eight degrees above a normal 28 for this period.

City Awaits Lifting Of Coal Restrictions

Confusion struck Rochester yesterday afternoon when John L. Lewis, chief of the coal miners dramatically called off the strike which had pulled soft coal miners out of the pits two weeks ago. Lewis, under conviction of contempt of court in earlier refusing to return the miners to work

was still subject to a 3 1/2 million dollar fine levied by a Washington court. His case was to have been heard by the Supreme Court early next week.

What immediate effect Lewis' action would have on Rochester stores, schools, industries and the railroads could not be ascertained, but it was learned at a late hour last night that city officials would meet tomorrow morning to take appropriate action.

As far as could be learned, the government-imposed brown out would continue until definite word of its end came from Washington.

While Lewis told a press conference that he had voluntarily returned the miners to work, his decision was a clear victory for the government which had decided to press the action against Lewis to the finish.

Lewis' directive addressed to each union said: "All mines in all districts will resume production of coal immediately until 12 o'clock midnight, March 31, 1947. Each member is directed to return to work immediately to his usual employment, under the wages, working hours and conditions of employment in existence on and before Nov. 20, 1946."

No immediate comment was forthcoming from the Wash. House, but it was learned that President Truman will proceed with his plans to speak to the nation over all networks at 9:30 p. m. (EST) tonight. The nature of his speech, of course, will be altered to fit the circumstances now prevailing.

This was not the first occasion on which a crippling strike has been scheduled by the Chamber of Commerce as follows:
Tomorrow—Noon to 9 p. m.
Friday, Dec. 13 — 10 a. m. to 9 p. m.
Monday, Dec. 16 — Noon to 9 p. m.
Thursday, Dec. 19 — 10 a. m. to 9 p. m.
Friday, Dec. 20 — 10 a. m. to 9 p. m.
Monday, Dec. 23 — Noon to 9 p. m.

Police Inspector Tells Warden Lawes Of Ruth Snyder—Judd Gray Visit In City

Island home. He was clubbed with a window sash, weight and choked to death with his own bed clothes. Judd and Ruth planned to marry after the wife had collected insurance money. Gray, old timers will also remember, came to Rochester after the murder and was a guest one night at Hotel Sebec. He had planned to make his Rochester visit an alibi to prove his innocence.

Warden Lawes, appearing a bit older, proved to be his old charming self, as always. Lawes reiterated antipathy to capital punishment. In the little group as he talked were, besides Inspector McLaughlin, Inspector Harold J. Burns, Police Chief Edward W. Collins, Captain Edwin M. Wiley, and Frank Topp of Elmore, general manager of the Gannett Newspapers. Lawes and Topp were friends for many years in Elmore.

It's The Old Law Of Supply And Demand

We receive more complaint these days and perhaps the one we hear most often is "Why can't I buy a copy of your paper — and, why don't you print more?" To answer this in reverse order — we don't print more because we can't buy enough newsprint even at fabulous prices — and don't ask us why Mr. Gannett doesn't sell us some. He has two spare other papers operating, and crying for newsprint, too.

Why you can't always buy a SUN is the old story of supply and demand. Normally the dailies print approximately a million and a half papers each week. We print one hundred and fifty thousand copies in two issues. It's simple arithmetic — we are only able to supply ten per cent of this area's normal consumption of local newspapers.

If you are among the lucky who manage to purchase a SUN on Sunday or Thursday and your neighbor wasn't quite so lucky — be a sport, pass it along when you have finished reading it.

DR. ARVIE ELDRD

TEACHERS ASK PAY HIKE TO AVERT SHORTAGE

Within the next three or four years little Johnny, Mary, Sue and a lot of other public school youngsters are going to have a tougher time finding a properly qualified teacher than teacher has ever had locating the traditional truant Johnnies.

Take the word of Dr. Arvie Eldred, executive secretary of the New York State Teachers Association, who spoke before members of the Rochester School Administrators Council Wednesday evening in Colgate-Rochester Divinity School.

Dr. Eldred cited the falling registration in teachers' colleges which he said, falls far below the number that will be required to maintain a supply of competent teachers, as the basis of his prediction.

But the good doctor had a cure for the trouble. Basis of his prescription is — higher salaries for the teachers. And because his hearers included in addition to the pedagogues, several city and state officials, he explained in some detail just how the money for the teachers should be raised.

To back up his contention that teachers deserve more money, Dr. Eldred quoted the findings of the S. v. v. Teacher's Association survey which shows that more than half of all the teachers in the state outside New York City receive less than \$2,000 per year.

Not only that said the educator, but under present conditions teachers who have entered the profession since last September are drawing more money than those who have been at their teaching post for years. The cure, Dr. Eldred told his audience which included Vice-Mayor Frank VanLare, Assemblyman Abraham Schulman, State Senator George T. Manning and members of the Board of Education, was to establish a reasonable foundation program of state aid to education. He recommended that each school district in the state should contribute a uniform rate based on true valuation with the state contributing the balance.

Evening Shoppers Jam Stores

Through the darkened streets and dimly lit downtown stores, Friday night, poured a crowd of Christmas shoppers to take advantage of the first of seven scheduled evening shopping hours. Urged on by radio predictions that the supply of Christmas gifts available would fade rapidly at the effects of the government-imposed freight embargo was felt in the city, shoppers gave the stores "one of the biggest days to date" of the current season.

Other evening shopping hours have been scheduled by the Retail Merchants Bureau of the Chamber of Commerce as follows:

Tomorrow—Noon to 9 p. m.
Friday, Dec. 13 — 10 a. m. to 9 p. m.
Monday, Dec. 16 — Noon to 9 p. m.
Thursday, Dec. 19 — 10 a. m. to 9 p. m.
Friday, Dec. 20 — 10 a. m. to 9 p. m.
Monday, Dec. 23 — Noon to 9 p. m.

YOUTH WIELDS FIST AND INJURES WOMAN

Friday morning at 12:15 Donald Strasser, 19, of 114 Kisslingburg St. tossed an ash can into the middle of Stillson St. near Main St. East. Don Wilbur, 183 Magnolia St., was driving by and stopped his car and requested Strasser to remove the can. George Lolly, 20, of 11 Thorne St., who was with Strasser, walked up to the car and put one fist through the car's windshield. Wilbur's wife, sitting in the front seat, sustained a cut on the right leg and one index finger. Lolly and Strasser were charged with disorderly conduct. Friday morning Judge Arthur Wilder suspended sentence on the two men upon their promise to pay for the damage.

Two Near Death From Car Crashes

Two men were near death in local hospitals today as the result of automobile accidents Thursday night.

In St. Mary's hospital with a fractured skull and fractured left leg is John Sheen, a resident of St. Anne's Home, and past 70 years of age, who was struck by a car driven by John Rockwell, 232 Stonewood Ave. while Sheen was walking in Lake Ave. pushing a bicycle. Police say Rockwell failed to see Sheen in the darkness. Hospital authorities reported his condition as "poor" late yesterday. He is not expected to live.

Also in the same hospital is 33-year old Jeremiah O'Brien, of 50 Cottage St. who was struck while crossing Plymouth Ave. at Magnolia St. Thursday night. Police say the car was operated by Walter E. McGill, of 48 Laser St. O'Brien, who is reported to be in fair condition suffered leg, internal injuries and lacerations of the face.

Other accidents at week's end involving pedestrians put Clifford Lewis, 52, of the Hotel Windsor, in General hospital with face lacerations and injuries to his back. Police report he was struck by a car driven by Eugene Miles, 472 Clay Ave. Louis Rogavach, 79, of 94 Thomas St. suffered injuries to his right hip and left leg when he was struck by a car driven by the Rev. Richard Martin Quinn, of 105 Troup St. Rogavach was struck as he crossed Clifford Ave. at Thomas St.

Two were injured when cars driven by Dominic Zavaglia, 17, of 88 York St. and Ralph Cane, 31, of 131 Fitzhugh St. collided Thursday afternoon. Zavaglia sustained injuries to his right knee and Sam D'Aprile, 17, of 27 Radio St., a passenger in the Zavaglia car received head injuries.

EXPLOSION LANDS MAN IN HOSPITAL

John White, 23, of 16 Nassau St., is a patient in Strong Memorial Hospital as a result of an explosion in the Ace Products Company plant at 181 Joseph Ave. Police report that White, employed by the Ace company, was cleaning an oil barrel with gasoline and that when he lit a match the concentrated fumes caused the large drum to explode. In the accident, White suffered lacerations of both eyes below the knees.

CORNELIA OTIS SKINNER

ACTRESS NAMED TO HEAD POLIO FUND DRIVE

Cornelia Otis Skinner, distinguished actress and author, who holds an honorary degree from the University of Rochester, has been named 1947 infantile paralysis fund raising appeal chairman of women's activities, according to word received by T. Chester Meisch, Monroe County Chairman.

The appointment was made by Basil O'Connor, president of the National Foundation for Infantile Paralysis. Monroe County's appeal will be made Jan. 15-30. Miss Skinner, who is currently on a tour of the state, will be in Rochester on Dec. 10.

SCHIEFELIN LEADS NEW VETERAN POST

A group of World War I and World War II oversea servicemen, mainly workers in the Rochester Post Office, have organized a new post in the Monroe County Council VFW, announces County Commander C. Frederic Jefferson.

The following officers have been elected: Leonard L. Schiefelin, commander; Clarence W. Lufkin, is senior vice commander; Lawrence Burns, junior vice commander; Robert Talley, quartermaster; William Smith, chaplain; Harold Suits, judge advocate; William Sanger, Fred Spiegel and Joseph Kircher, trustees; Gerald F. Schuthies, surgeon; Lee Weston, officer-of-the-day; Bernie Yost, guard, and Richard F. Tickner, service officer.

The organizers have decided that the name of James Henry Lundgren, 19 year old Marine, killed March 3, 1945, on Iwo Jima, will be part of the name.

**KIWANIS HONORS
SIX MEN FOR
COURTESY ACTS**

Six men of the Rochester area have been cited during the past two weeks for outstanding acts of courtesy. Their recognition came from the Rochester Kiwanis Club, now conducting a courtesy campaign in the city. Here are the recipients:

Carl A. Cuiule, 246 Laurelton Rd., Rochester Transit bus driver, for stopping his bus and helping blind boy across street in heavy traffic.

Rev. Arthur Jameson, 209 Dartmouth St., for holding an umbrella over partly blind peddler in the midst of a downpour at Main and Front Streets.

Charles E. Baker, employe of Federal Transportation Lines, for "general attitude and courtesy."

Sammy Costello, employe at Whiting Buick garage on North Union St., for unusual courtesy and efficiency in helping motorist who brought his car for repairs.

Eugene M. Tuttle, Wagner Rd., Rush, N. Y., proprietor of a garage in Court St., for helping motorist stranded late at night with flat tire.

Ralph Pascale, 11 years old, of 644 Glenwood Ave., who while peddling hand bills at University Ave. and Scio St., helped blind man across street.

**James E. Hughes
Advanced By Police**

Appointment of Patrolman James E. Hughes, 126 Elmerston Rd., as a sergeant in the Rochester Police Department has been announced by Public Safety Commissioner Thomas C. Woods. He has been assigned to the Charlotte Precinct.

Hughes, a disabled veteran of World War II, was appointed to the force May 16, 1940. He fills the place left vacant by the retirement of the late Sgt. William G. Wilson who left the force Oct. 1 and died Oct. 31.

had been called off as a President of the United States prepared to go on the air to take his case to the striking workmen and the people.

The railroad strike last spring was called off while President Truman was speaking before a joint session of Congress, asking for drastic labor legislation. Mr. Truman proposed to induct the strikers into the armed forces and put them back on the job, but the Senate declined to approve the legislation.

Lewis, in action similar to that taken today, called off a coal strike in 1943 about half hour before president Roosevelt was going on the air.

Lewis said at a press conference that he took the action on his own authority to give the United States Supreme Court time to deliberate on appeals from contempt convictions "free from public pressure superinduced by the hysteria and frenzy of an economic crisis." Even as Lewis made his dramatic announcement of the ending of the strike the Court was in secret session, deciding whether to grant a government petition to speed a final decision.

Another New Photo Building Planned

The Rochester Telephone Corporation will erect in addition to its Main Exchange building at 95 South First St., to house long distance facilities.

Plans for the additional three-story structure, \$300,000, were revealed by City Zoning Board of Appeals Thursday on the corporation's application for a building permit. The application was granted.

The applicant was presented at the hearing by Clyde O'Brien of the firm Nixon, Hargrave, Middle Devans. No opposition was pressed.

An application by D'Amico, 620 Scio St., for a building at that address a woodworking shop was denied. It appeared that the board's questioning of D'Amico that he had been using premises for the shop, told that he had "no room to be operating there."

The board granted applications for construction of new gasoline stations. The Oil Company plans to erect one at the northeast corner of Hudson Avenue and R Drive, Atlantic Refining proposes to erect one at Main Street W., and another 900-904 Genesee St.

Sheldon E. Bancroft, 308 St. was given permission to erect a building for sales and service at the west corner of Stillman Grove streets.

BIGAMIST FOUND GUILTY WHEN WIVES 'GANG'

John W. Cunningham of Brooklyn, will be sentenced Dec. 23 by County Judge P. O'Connor for bigamy, first degree perjury in a Lynn, Mass., wedding Aug. 11 while his first wife in Brooklyn was still living.

He was indicted by Monroe County Grand Jury Oct. 31, and pleaded guilty when arraigned before O'Connor last Wednesday morning to Assistant Attorney Clarence J. Cunningham married on A. Thompson, 28, after left his first wife, whom he married in June in New York.

The perjury count from the statement, Cunningham applying for a marriage license, that he had never been previously married. The case came to the attention of the district attorney and the Thompson was led at a local photo studio to get their picture.

SOUTH AVE. FIRE SNARLS TRAFFIC

Noon hour traffic on South Ave.-Court St. tied into knots Thursday as a fire broke out on the floor of the building at South Ave., and brought downtown companies.

According to Battalion Edward Selke, sparks from an electric motor ignited in E. T. Gilbert Manufacturing Company plant where cleaners are made. Members of the Fire Department spread tarpaulins over the two lower floors, estimated amount of damage was caused by water in Shade Brighter Company tanks on the second floor of the Frank Rivers Building Company showrooms on ground level.

Vandals Smash Plate Glass Windows

Here's one for you, Charles Nocera, proprietor of the building at 460 Ave. reports that the glass windows valued at \$3,450 were broken between 3:45 p. m., Thursday. Detectives are investigating.

Another New Phone Building Planned

The Rochester Telephone Corporation will erect an addition to its Main Exchange building at 95 South Fitzhugh St., to house long distance facilities.

Plans for the addition, a three-story structure to cost \$300,000, were revealed at a City Zoning Board of Appeals hearing Thursday on the corporation's application for a building permit. The application was granted.

The applicant was represented at the hearing by W. Clyde O'Brien of the firm of Nixon, Hargrave, Middleton & Devans. No opposition was expressed.

An application by Andre D'Amico, 620 Solo St., to alter a building at that address into a woodworking shop, was denied. It appeared through the board's questioning of D'Amico that he had been using the premises for the shop. He was told that he had "no right to be operating there."

The board granted applications for construction of three new gasoline stations. The Sun Oil Company plans to build one at the northeast corner of Hudson Avenue and Roycroft Drive, Atlantic Refining Co. proposes to erect one at 567-575 Main Street W., and another at 900-904 Genesee St.

Sheldon E. Bancroft, 35 Stillson St., was given permission to erect a building for auto sales and service at the southwest corner of Stillson and Grove streets.

BIGAMIST FOUND GUILTY WHEN WIVES 'GANG UP'

John W. Cunningham, 26, of Brooklyn, will be sentenced Dec. 23 by County Judge James P. O'Connor for bigamy and first degree perjury in marrying a Lynn, Mass. woman in Brighton Aug. 11 while having a wife in Brooklyn.

He was indicted by the Monroe County Grand Jury Oct. 31, and pleaded guilty when arraigned before Judge O'Connor last Wednesday. According to Assistant District Attorney Clarence J. Henry, Cunningham married one Lucy A. Thompson, 28, after having left his first wife, Myrtle, whom he married in June, 1944, in New York.

The perjury count arises from the statement, made in applying for a marriage license, that he had not previously married. The matter came to the attention of authorities here when the defendant and the Thompson woman called at a local photograph studio to get their pictures taken.

SOUTH AVE. FIRE SNARLS TRAFFIC

Noon hour traffic in the South Ave.-Court St. area was tied into knots Thursday when a fire broke out on the third floor of the building at 228 South Ave., and brought a concentration of fire apparatus from downtown companies.

According to Battalion Chief Edward Selke, sparks from an electric motor ignited lint in the E. T. Gilbert Manufacturing Company plant where pipe cleaners are made. Although members of the Protectives spread tarpaulins over stock in the two lower floors, an unestimated amount of damage was caused by water in the Full Shade Brighter Company quarters on the second floor and in the Frank Rivers Furniture Company showrooms on the ground level.

Vandals Smash Plate Glass Windows

Here's one for you, Watson. Charles Nocera, proprietor of the building at 460 Central Ave., reports that two plate glass windows valued at \$150, were broken between 3 and 3:45 p. m. Thursday morning. Detectives are investigating.

POLIO...

(Continued From Page 1)

ly delighting New York audiences with her brilliant performance in "Lady Windermere's Fan," has been associated with the National Foundation program for sometime. Personally interested in the fight against polio she served last year as vice-chairman of the women's division, Greater New York Chapter. She participated in the nationwide radio broadcast from the White House with Mrs. Truman launching the opening of women's activities in conjunction with the first national conference of Women State Advisors of the National Foundation.

Inadvertently the following names were omitted from last Sunday's list of members of the Monroe County sponsoring committee:

Lester Pollock, Elmer Reithel, Roland O. Roberts, Anthony R. Schneider, Sister Gertrude, Dr. R. Plato Schwartz, Mrs. Harper Sibley, Frank J. Smith, James M. Spinning, Edwin Allen Stebbins, William F. Strang, Lewis B. Swift, Frederick M. Tobin, Jacob Turner, John F. Uffert, Mrs. Hawley Ward, George D. Whedon, and C. C. Young.

TEACHERS...

(Continued From Page 1)

which New York States take in their schools. Dr. Eldred challenged the assembled teachers and legislators that, "if California can do it, New York can, and without making so great an effort as the people in California are willing to make."

The assembled pedagogues heartily agreed with Dr. Eldred, particularly his thesis that teachers in the state ought to be paid more money. What the lawmakers thought of the idea remains to be seen when the legislature next convenes in Albany.

MUGGING...

(Continued From Page 1)

around the head and either blind or strangle the victim. Always they make him helpless and unable to cry aloud for assistance.

They invariably work in pairs, and, perhaps one talks to the victim to attract his attention while the second assailant approaches from behind to proceed to "mug."

In New York's Harlem "mugging" has become not only notorious, but certain small merchants there declare that they are trying to move from that section of the city because of the bad reputation made for it by muggers.

The Rochester victims lately have been mostly elderly men unable to provide physical combat to protect themselves.

Of all the cowardly assailants who threaten public safety, police agree, the mugger is the most despicable and probably most dangerous.

ROBBERY NETS 5-10 YEAR TERM IN ATTICA

Admitting a previous felony conviction, Leo Bernard, 21, of 64 South St., was sentenced Wednesday by County Judge James P. O'Connor to a term of 5 to 10 years in Attica Prison on a third degree burglary charge.

Bernard and two companions, Edward Rodola, 20, of 64 South St., and Peter Mistretta, 20, of 47 Hartford St., were indicted for third degree burglary and first degree grand larceny in theft of \$655 from the Penny Arcade, 72 Clinton Avenue N. September 22. Judge O'Connor gave Rodola and Mistretta suspended sentences, put them on probation for five years and ordered each to make restitution of \$300. All three youths had pleaded guilty to the burglary charge only, with permission of the court.

Bernard had been convicted of second degree grand larceny May 16, and was on probation at the time of the Penny Arcade burglary.

Protest Seating Of Senator Bilbo

If members of the Young Citizens Political Action Committee have their way Senator Theodore G. Bilbo of Mississippi has seen his last days in Congress. Yesterday members of the group passed out leaflets at several downtown intersections and persuaded what passersby they could to sign petitions calling for the opposition of New York State's two senators to the seating of the Southern demagogue.

Yesterday's action was in cooperation with a nationwide drive against Bilbo undertaken by the Congress of Civil Rights whose headquarters are in New York City.

Christmas Gift Ideas

For Boys of All Ages

At The National
In The Basement

More Wanted Than Toys—With Most of The Boys

Rochester's young gentlemen, style-conscious as their older brothers and sisters, want togs that are styled right for fun, for fit and for good looks. Make their eyes sparkle on Christmas morning with gifts of smart wearables—things they really need. They'll be mighty proud to wear their new togs to school after the holidays, if they're from the Savings Shop at The National. Come in; look over the Christmas assortments. You'll be glad you did your shopping here where the selection is really large and exciting.

Warm Hugger Caps... \$1.00
Corduroy Slack Suits... \$11.98
Wool Sport Shirts... \$4.94
Corduroy Jackets... \$7.25
Warm Mittens... \$1.09
Warm Robes... \$3.39 to \$6.94

LITTLE BOYS' SNOW SUITS \$12.94 to \$15.94

Here's your chance to get that boy a warm and practical snow suit at a truly amazingly low price. These are designed for youngsters who like to spend many hours in the outdoors every day, no matter how cold the weather. Be sure to see these!

LEATHER GIFT JACKETS \$12.94

These rugged jackets are made with half-belts, zippers closings, and are warmly lined. They're truly a practical and useful gift for any lad. We have the largest stock of leather jackets for boys that you'll find anywhere around. Don't miss them!

CORDUROY SPORT COATS \$15.94

Just arrived—the much-wanted Corduroy Sport Coat in the two most popular colors with the lads—tan and brown. This is really a snappy sport model and it's styled right for every style-minded boy. Give your boy one of these—make him happy!

PLAID FRONT PEA COATS \$13.94

They're made of wool, with plaid fronts and plain blue wool backs and collars. Double-breasted and lined for extra warmth. This is the style of coat that our Navy men wore during the war. Now your boy can have one for his winter wear.

BOYS' FLANNEL PAJAMAS \$1.94

Plain and striped heavy-weight flannel pajamas for the boy who wants to "dress up" for bed. Be sure to see these—they are priced amazingly low. A really wonderful buy just in time for Christmas-giving and cold weather wearing.

DRESS AND SPORT SHIRTS \$1.40

With regular or two-way sports collars in a big selection of fancy stripes and plain blue, tan and maize. Every young gentleman likes nice sport shirts, and here in The National's basement you will find the shirt of his fondest hopes.

CHRISTMAS BUREAU TO AID NEEDY

The Rochester Christmas Bureau is ready to assist the thousands of Rochesterians who observe the old and hallowed tradition of sharing the Christmas-time blessings with others.

The Christmas Bureau observes its 20th birthday year, continues three real holiday operations which have proved their usefulness in making Christmas sharing go better, putting the right gift in the hands of the right person.

It operates a central clearing file through which persons may "clear" the names of families who wish to remember that duplicated giving is to be avoided. Hundreds of donors habitually use this clearing service, and it has proved effective in preventing situations in which one family might receive five or six Christmas baskets, which the family member, in almost the identical financial circumstances, would receive nothing at all. To a family, telephone Main 6...

The bureau also makes available a list of individuals and families who are worthy of remembrance with gifts or Christmas dinners or both. These names, turned over to the head of the social agencies available to the donor, would like to entertain cases. The group also receives funds solicited from interested individuals to provide gifts for those not otherwise provided for.

JACOBS — Albert W. Jacobs 72, of 111 Cobbs Hill Drive, passed away on Saturday, Nov. 13, after an illness of two years. He was born in Rochester where he spent most of his life, although he had traveled extensively in this country as well as abroad. He attended the public schools here, Prof. George D. Hale's Private School, and Preseckill Military Academy. Most of his business life was spent with the Star Headlight and Lantern Co., having served in various capacities for over fifty-four years, from factory boy to chairman of the board. He was well known from coast to coast in most of the large railroad offices as he had pioneered many railroad devices such as the all-steel oil burning locomotive headlight, high power electric locomotive headlight, hand lanterns and switch lamps of many types and styles. He was a member of the Brighton Presbyterian Church. He leaves his wife, Dorothy O. Jacobs; two sons, Berwin W. Jacobs and Robert Y. Jacobs; and four grandchildren.

THOMAS — Rose Thomas. In this city Friday, Dec. 6, 1946. Valued veteran employee of the Hotel Seneca. Friends may call at Jeffreys 22 Chestnut St. where funeral services will be conducted tomorrow afternoon at 4:00 o'clock. Interment Mt. Hope Cemetery.

Doherty Gardner; two daughters, Mrs. Margaret Whitcomb and Sister Mary David of the Sisters of Mercy, Rochester; one brother, Martin E. Gardner; four grandsons, Raymond, Joseph, Joseph and Charles A. M. at the residence at 159 Rugby Avenue and at 10 o'clock at St. Augustine's Church. Interment in Holy Sepulchre Cemetery.

MUNGENAST — Entered into rest on Friday, Dec. 6th. Miss Rose Mungenast of 24 Portage Street. She is survived by her mother Veronica Mungenast, four brothers, August, John, Joseph and Louis, four sisters, Mrs. Raymond Streb, Mrs. Lucille Williams, Mrs. Veronica Dorsey and Miss Caroline Mungenast. Funeral service will be held at the Merges Funeral Home 309 Portland Ave. on Monday morning at 9:30 o'clock and at 9 o'clock at Saint Philip Neri Church.

STRAUSS — Entered into rest on Saturday, December 7th 1946. Gertrude Hayes Strauss of 28 Laser Street. She is survived by her husband, Mr. A. Strauss; three sons, George, Hayes, and Robert and Harold Strauss; two daughters, Mrs. Ora Sherman of North Hollywood, California and Mrs. Grace Lake of Honeoye Falls, New York; seven grandchildren, and two sisters, the Misses Margaret and Florence Mungenast of North Troy, Mass. Friends may call at the Edward H. Dreier Funeral Home, 85 Joseph Place where services will be held at 2 o'clock Tuesday afternoon. Interment in Mt. Hope Cemetery.

HAYES — On Friday, Dec. 6, 1946. Lillian Latta Hayes of 2154 Westfall Road. She is survived by one son, Henry H. Hayes, three daughters, Miss Pauline Hayes of New Rochelle, N. Y., Mrs. Thomas G. Blakeman of North Troy, Mass., Mrs. Vernon O. Kahl of Troy, Ohio. One brother, S. W. Latta of Chicago, Ill. also five grandchildren. Funeral service and burial in Worcester Mass. Local arrangements by Ingmire & Nagle.

700 Music Teachers End Conclave At Concert

By Arthur P. Wickshire
One of the most gratifying concerts in musical history of Rochester was heard in Eastman Theater last night as climax of the three-day 11th annual conference of the New York State School Music Association.
An audience which included some 700 NYSSMA members filled the theater to hear the All-State Collegiate Choir in a program under direction of Robert Shaw, director of the Collegiate Choral, outstanding musical organization in New York City and formerly connected with the Fred Waring organization. Members of the group heard last night were selected from undergraduate bodies of state teachers colleges, fine arts colleges and universities in the state.
The program included the Bach Chorale, "Rejoice and Sing" from the Christmas Oratorio; Bach Motet, "Sing Ye to the Lord"; Schuman's, "Prelude for Voices"; "Six Chansons" by Hindemith, with semi-chorus composed of The Collegiate Singers of State Teachers College, Potsdam, Helen M. Hosmer, director.
Negro Spirituals Outstanding
Final group, and cause for the most vociferous applause, was four Negro spirituals, "Ain-ah that good news," "There is a Balm in Gilead," "Soon Ah will Be Done," arranged by William Dawson, and "Set Down, Servant," specially arranged for college choir by Mr. Shaw.
Last half of the program was provided by the All-State Orchestra, an organization of outstanding instrumentalists in the high schools of New York State. Dr. Howard Hanson, director of the Eastman School of Music conducted.
In their concert, these high school musicians proved worthy of the program which Dr. Hanson selected for them. Representing both classical and modern composers, the concert opened with the first movement of Schubert's "Unfinished Symphony," and included "Night Soliloquy" by Kennan; "Waltz of the Flowers" from Tchaikovsky's "Nutcracker"; Suter; Hanson's Nordic Symphony (2d movement), and "Finlandia" by Sibelius.
Dr. Hanson also directed the Eastman School Senior Symphony in Eastman Theater Friday night in a concert attended by music educators at the conference and a large number of interested Rochesterians.
Founded in 1931
The conference, which opened Thursday, is the 11th annual gathering since the organization was founded in 1931. During the war years the statewide conference was cancelled and sectional meetings substituted. Through the 15 years of NYSSMA, some half-million boys and girls have participated in the programs, President Elvin

Numerous symposiums were held in Kilbourn Hall, Monroe High School auditorium and Eastman School of Music during the three days. The annual banquet featured Friday's program when, at 5:15 NYSSMA members gathered in the Star Lit Ballroom of Hotel Sheraton at an informal dinner. Ray Hasenauer, director of music at Aquinas Institute, was chair- man. After Friday's concert in Eastman Theater, the Sheraton was also scene of the annual. After Friday's concert in dance.

SWEDE CHOSEN TO 'RASSLE' PRIMO CARNERA

Olaf Olsen, a 238-pound roughhouse Swede from Milwaukee, has been signed as a wrestling opponent for Primo Carnera, former world heavyweight boxing champion, in the Edgerton Park Sports Arena Wednesday night.

Pedro Martinez, Civic Sporting Club promoter, rates the big Swede the most suitable opponent available for the gigantic Italian. He had considered several others including the clever Paul Boesch who is undefeated here this season.

Martinez decided upon Olsen because he is bigger and more powerful than Boesch, who relies chiefly on speed and agility. Olsen, says Martinez, will be a match for Carnera's strength despite the fact that Primo will carry a 29-pound weight edge.

Olsen is known as the villain type of wrestler who resorts to punching, hairpulling and other nasty tricks of the trade. Since Carnera started his tour of this country he has adhered strictly to straight wrestling, avoiding hoodlumism.

Carnera, who was tabbed the Amiable Ape, when he became world heavyweight boxing champion, is enjoying considerably more success as a grappler than he did in the fist ring. He stands six feet 5 3/4 and has a crowd pleasing manner. Interviewers say he is still available.

His first showing in Los Angeles drew a capacity crowd of 11,000 in the Olympic Arena. A throng of 10,000 watched him in action in Chicago and sellout gatherings have turned out wherever he has appeared.

Carnera's drawing power is not traceable to his freakish proportions. As a matter of fact he is not a freak. His physical measurements are, of course, far above average but they do not reach an extent of freakishness. He handles himself well, has sufficient speed for a man his size, and he possesses an abundant knowledge of mat science. He was a wrestler long before he was a boxer.

The Civic Sporting Club is making preparations to accommodate a banner crowd for Carnera's Rochester wrestling debut and tickets are on sale at club headquarters in the Present Building, Clinton Ave., South.

Navy To Commission Cruiser 'Rochester' Dec. 20

Mayor Samuel B. Dicker will head a delegation of city officials and civic leaders to ceremonies in Quincy, Mass., Dec. 20, when the cruiser U.S.S. Rochester is commissioned by the Navy at the Bethlehem Ship Yards.

Included in the official party are Carl S. Hallauer, Thomas E. Broderick, T. Carl Nixon, the Rev. Charles Mahoney, James M. Spinning and J. Allan Doyle. All of them, representing various groups in the city, witnessed the launching on Aug. 28, 1945, when Mrs. M. Herbert Eisenhart sponsored the 13,600 ton cruiser. Some 170 Rochesterians were present at the ceremonies.

Contributions to the cruiser include a battle flag paid for by school children and a Stromberg-Carlson radio presented by the Loyal Order of Moose. During its construction in Quincy by the Bethlehem Steel Corp about 72 local manufacturing plants produced material for it.

ASBURY FIRST PLANS CHRISTIAN YOUTH RALLY

The third of a series of rallies for Christian youth of Rochester and vicinity is planned for this evening at 8:30 o'clock in the sanctuary of Asbury First Methodist Church.

The speaker will be James S. Chubb, Nashville, Tenn., well-known throughout the United States as youth worker, college pastor, camp preacher, counsellor, and worker with labor groups and unions in the interest of the Christian Church. His topic will be "The Streamlined Life". The youth of Asbury First

16 MEN JOIN NEW 'Y' CLUB

Sixteen young business and professional men of the city became the charter members of Rochester's first Y's men's club, Saturday night, Nov. 30, when they were formally inducted into the International Association of Y's Men's Clubs and presented with a club charter a candle-lit ceremony conducted at the Central YMCA by an induction team from Paterson, N. J.

Ten members of the Paterson Y's Men's Club made the 750 mile trip to Rochester by car and by plane in order to initiate Rochester's new club. Special guests at the charter night ceremonies were Samuel Knopf, Norbert P. Greene, Basil Weston, Allan E. Kappelman, Frank E. Van Lare, Vice-Mayor, and Frederick Mitt of Ridgewood, N. J.

Officers of the newly chartered Y's Men's Club are: Stuart Meerh, president; James LuValle, vice-president; David T. water, secretary; and John B. Walker, treasurer.

CHANUKAH PROGRAM PLANNED BY B'NAI B'RITH

A Chanukah program and grab bag are planned for the December meeting of Zerubabel Chapter 125 of B'nai B'rith tomorrow evening, at 8:15 in the J. Y. M. - W. A. Men's Lounge. Miss Selma Goldstein will preside. Members are reminded to bring canned food contributions and other articles to this meeting for the chapter's adopted family in Paris.

A membership tea for paid up and prospective members will be held at the home of Mrs. Ma' Gordon, 986 Culver Rd. next Sunday, from 3 to 5. Mrs. Sarah Steinhorn of Buffalo, district deputy of the women's auxiliary, District Grand Lodge No. 1, will be the guest speaker. Miss Anne Gossin is chairman of the affair.

To take complete charge of home. No heavy laundry. Live in—private room and bath. \$100 per month. Phone Monroe 1989-R. Adv.

BLIND WAR VETS WIN IN FISHING CONTEST

Two blind war veterans coped special prizes in the Louis A. Wehle Fishing Contest which ended Oct. 30. They are Raymond Villeneuve of Tupper Lake, N. Y. who was awarded \$50 for landing a 7 lb. 1 oz. walleyed pike in the Racquette River without benefit of net or gaff, and Jack Farrell of Syracuse who made a prize-winning catch of 17 1/3 great northern pike at Sandy Pond on the opening day of the pike season. He also was given \$50.

No Rochesterians placed in the final awards, although several monthly prizes were won by local Ike Waltons during the contest which started in April.

Local Lawyers Change Offices

Rubin Brodsky, formerly of 300-301-302 Ellwanger and Barry Building, and Dominic J. Roncone, formerly of 408 Ellwanger and Barry Building, announce the removal of their offices to rooms 700-701-702, Ellwanger and Barry Building, 39 State St.

Brodsky, graduate of New York Law School, was formerly clerk of Police Court of Rochester, and adjudicator safety responsibility, New York State.

Roncone is a graduate of Rensselaer Polytechnic Institute with a degree in Mechanical Engineering; is a licensed land surveyor, and was admitted to the New York Bar in 1933. He was formerly associated with Hon. James L. Whitley.

Technicolor Musical Listed For Palace

According to advance reports, Republic Pictures has one of the most distinguished and beautiful Technicolor musical drama

which is coming to the RKO Palace next Thursday for a run of seven days. Produced and directed by Frank Borzage and handsomely mounted by virtue of the spectacular sets designed by Ernst Fegte, "I've Always

Page 22 The Rochester Sun, Sunday, December 8, 1946

Loved You" is an intensely dramatic story into which is woven some of the finest music ever written by Rachmaninoff, Chopin, Beethoven, Mendelssohn, Wagner, Mozart and Bach.

The musical sequences are said to be artistically authentic, for the music was especially recorded by Artur Rubinstein and synchronized with the action on the screen. As the central figures of the plot are a famous concert pianist and a lovely girl who is his gifted protegee, Mr. Rubinstein's playing is heard throughout the film.

Co-starring with Catherine McLeod, acclaimed by Borzage as the greatest discovery of his producer-director career, are Philip Dorn and William Carter, another Borzage discovery.

The supporting cast of "I've Always Loved You" is headed by Maria Ouspenskaya, Felix Bressart, Fritz Feld, Vanessa Brown, Lewis Howard and Elizabeth Patterson.

PAUL FLORENCE GOES TO REDS TO HELP SCOUT

Paul Florence, catcher with the champion Red Wings in Rochester in 1930, '31 and '32, and who, with Mrs. Florence, has many friends here, has rejoined his old baseball boss, Warren C. Giles, president of the Cincinnati Reds. Florence was signed as a free agent.

Florence not only caught with Rochester under Giles but also managed the Birmingham club, Southern Association, which was a farm club in the Cincinnati chain. Florence was later also business manager with Birmingham. Florence's new duties with Giles haven't been announced but it is presumed that he will help as scout and as coach.

One of Rochester's old time first basemen, Long George Kelly, known as High Pockets, was also signed as coach by Cincinnati as a free agent. Kelly resides on the Coast. Kelly played with Rochester in the misty days when the late Arthur A. Irwin was manager. He commanded national attention one day when, while playing in Reading, he made three consecutive home runs.

City Delivery Head 'Jumps Gun' In Polio Fund Drive

With the annual fund raising up-be-sure. No one can predict where the peak of the Monroe County Chap when or how severely the Great War of the National Foundation for Crippled Children will strike. It therefore behooves us to be prepared.

The Monroe County Chapter of the National Foundation for Crippled Children is asking now for 15 donations already are being made, according to T. Chester Meisch, county appeal chairman.

Martin H. Roessel, president and treasurer of the City Delivery and Storage Corporation, yesterday presented Meisch a check for \$100.

"I want to see that the appeal gets off to an early start," said Roessel, whose son recently was discharged from Strong Memorial Hospital, having suffered an attack of polio a few months ago.

U OF P MASK AND WIG CLUB TO PLAY HERE

Words fail me in expressing my gratitude for what was done for my son," Roessel declared. "I never realized the work and services provided for sufferers of polio with expert care and equipment at Strong Memorial Hospital. It is amazing what is being done for the polio victims. I cannot praise too highly what was done for my son. I consider it a privilege to be a contributor to such a humanitarian cause."

Roessel also sent a check for \$100 to the Strong Memorial Hospital for use for patients still in the hospital.

Stressing the urgent need for support of the 1947 appeal, Mr. Meisch pointed to the fact that the worst in the nation's history, the outbreak of the epidemic, is expected to occur this year.

"We can hope that the appeal of our community will be spared in the year before us. We cannot do so without charge of arrangements.

DAR CHAPTER TO HEAR FRANKLIN CHOIR

Franklin High School, Daughters of the American Revolution, will present the 39th annual production, "Christy Crosses" New Year's Eve at the Sheraton Hotel for a party. The production is an annual highlight of the season prior to the war is making its first tour since 1941.

**CHILDREN WARNED
ON PEDDLING
HEALTH SEALS**

A warning that children are not authorized to sell Health Christmas seals from door to door was issued yesterday by John C. Malloch, chairman of the County Health Committee. The seals, distributed annually by the Tuberculosis and Health Association of Rochester and Monroe County, are sent through the mails or distributed by adult members of the sponsoring committee.

Malloch said that several instances have been reported of children practicing the one-time favorite method of distributing the seals through door to door sale. This has been officially frowned upon for a number of years.

Funds derived from the campaign are used in the group's health education and disease prevention campaign. Goal for the 1946 sale is \$28,000 and Mrs. Thomas Duryea, of Clarkson, county seal sale chairman, reports that more than \$16,500 is already in.

The sale is conducted in the county outside the city. In Rochester, the organization is provided funds out of the Community Chest and all donors to the chest receive the seals at no added cost.

**NEW ENGLAND WOMEN

**N. Y. LABOR DEPT.
ISSUES YULE
HELP REMINDER**

Retail trade employers hiring extra help for the Christmas season were reminded today by Industrial Commissioner Edward Corral that under provisions of the State's Child Labor Laws, no minor under 18 years of age is permitted to work in retail establishments and that working permits are necessary for all employees under 18.

"The retail trade industry's compliance with child labor laws thus far this year," said Commissioner Corral, "has surpassed that of 1945. Our records show that there were a total of 4,199 violations reported last year but only 1,193 so far in 1946."

Retail stores are among the largest employers of child labor. Commissioner Corral also pointed out that minors engaged during the Christmas season are covered by the Retail Trade Minimum Wage Order which provides that part time employees working up to 30 hours a week be paid at least 57 1/2 cent an hour, over 30 and up to 40 hours \$21.00 a week and overtime thereafter.

**MUSIC SCHOOL CHOR
TO SING CAROLS**

The Geneva School of Music Choir directed by James H. Friedman will present its annual Christmas concert at the Emmanuel Presbyterian Church Auditorium on Jefferson Ave. tonight at 8:15. Featured soloists will include Miss Mary Ayers, Miss Marian Lee Newbie, Robert Dellahausaye and Anthony Pollotta. Jerry Vogt, organist, will accompany.

Locust Hill Club To Fete Youngsters

Santa Claus will visit Locust Hill Country Club on Sunday, December 22nd, when the annual Christmas party for members' children will be held.

The bewigged gentleman will distribute candies and gifts, beginning at 4 p. m. Supper will be served to the youngsters at 5 o'clock.

Announcement has also been made by Mrs. Charles Branch, chairman, that the Junior Dance for Locust Hill teenagers will take place on Saturday evening, Dec. 28. Elmer Froelich's orchestra will play for dancing from 9 to 1.

Quilt Club To Elect

Green Valley Quilt Club will have their annual Christmas luncheon and election of officers at the Rochester Museum on Thursday, Dec. 19, at 12:30.

DURAND SCHOOL PUPILS TO GIVE RECITAL

A Christmas recital by pupils of Miss Mary Ida Vayo, piano teacher at Durand-Eastman School, will be given next Wednesday evening, at 7:30 in the school auditorium. The public is invited.

WED IN PENNSYLVANIA

Mrs. Hulda S. Bryant of this city and Clayton H. Brooks were married on Saturday, Dec. 7 at North-east, Pa. Upon their return from their wedding trip the couple will reside at 247 Spruce Ave.

NAMED BY VFW GROUP

Mrs. Hazel Dee, past president of Culver Auxiliary No. 2691, Veterans of Foreign Wars, has been appointed service officer for Camanogua Veterans Facility by Mrs. Helen Cassidy, department president.

WSAY ANNOUNCER JOINS BUFFALO STATION

Apparently Buffalo's radio station WBEW believes in the slogan, "Rochester Made Means Quality." Beginning Monday, Dec. 23, David Lewis, WSAY announcer will join former Rochesterians Ed Wegman, Clinton Buehler and Bud Teich at the bigline Bhoon station. All four began their radio careers here.

Lewis, the latest to join the important Buffalo station handled broadcasts from Sampson Naval Training Station following his discharge from the Army. He joined WSAY last May.

LOCAL GROUP PUSHES 'OUST-BILBO' DRIVE

A local organization to "oust Bilbo" from the United States Senate is continuing its circulation of petitions started on downtown streets last Saturday afternoon. Their goal here, say the organizers, is 20,000 signatures. They are cooperating with organizations throughout the country trying to have the Mississippian barred from Congress.

Whether or not 20,000 Rochesterians know of, or what's more, care about the antics of the South's outstanding demagogue is a matter of conjecture. But the local Bilbo-ousters say they have already collected "several thousand" signatures.

5 Presidents Have Faced Congress' Stalemate

The impending "stalemate" between the Republican-dominated 80th Congress and President Truman will be no novelty in American politics.

Within the last 60 years, five presidents, Grover Cleveland (D), Benjamin Harrison (R), William Howard Taft (R), Woodrow Wilson (D) and Herbert Hoover (R) have all served a portion of their terms as Chief Executive without a supporting party majority in the House. President Truman, third Democratic president since 1893, found himself opposed by a Republican House, balances the scales as a Republican president who has faced a predominantly Democratic House.

Although neither political party in the 80-year period has re-elected its candidate for the Presidency immediately after losing an off-year election, Cleveland was re-

turned to the White House four years after his defeat by Harrison, years ago; the Republicans have not succeeded in placing their Presidential candidate in office. Despite these so-called "deadlocks" there have been notable pieces of legislation enacted within the last 40 years during periods when one party held the Presidency and the other controlled the House.

These include submission of the amendment providing for the direct election of Senators (submitted by Congress, 1912); the statute requiring candidates for the House and the Senate to make statements of the money raised and limiting the campaign expenditures of the candidates themselves (1911); the provision that all contract work for the federal government must be done on the basis of an eight-hour working day (1912).

The Republicans enjoyed a long period of supremacy until 1910 when in Taft's administration the Democrats won control of the House. Two years later Woodrow Wilson was elected.

After Wilson's last two years in office when the House was Republican, the Democrats were unable to elect their candidate for 12 years, when Franklin Delano Roosevelt entered the White House. Roosevelt's election followed the resurgence of his party which controlled the House in hour working day (1912).

ALHAMBRA TO HAVE CHRISTMAS FIESTA

A Fiesta with a Christmas background is planned for members of the Alhambra and their friends at Doud Post Home, Buffalo Road, on Tuesday, Dec. 17 at 9 p. m. Edwin G. Walter is general chairman.

Grand Commander Elmer J. Bloomer will preside at a short business session. Master of the Oasis Rocco F. Natale will appear in the role of Santa Claus. Gifts prepared by the Ladies Auxiliary of which Mrs. Eugene F. Bopp is president will be distributed. Supper will be served and entertainment under the direction of Past Grand Commander George A. Conway presented.

The Christmas spirit does not mean much to those who have a keen eye for barter.

Holiday Hospitality

For your Christmas and New Year's entertaining, here's a charming and distinctive centerpiece for your table or buffet. A tall, handsome, spiral candle, flanked by high green goblets or bowls brimming with popcorn. Then link the bowls and candle together with ground pine, laurel or other greens. And for your holiday refreshment, you'll want to serve one of the traditional hot punches. Here are two long-time favorite recipes that are easy to prepare and are just right for holiday gatherings. A large earthenware bowl or pitcher (or soup tureen) may be used to prepare your punch. Serve in mugs or cups.

HOT MULLED BURGUNDY

2 bottles Burgundy
1 cup sugar
3 cups boiling water
1/2 lemon rind
18 whole cloves
6 sticks cinnamon

Boil sugar in boiling water. Add lemon rind, cloves and cinnamon. Boil together for 15 minutes. Strain into double boiler and add Burgundy. Heat punch hot but do not boil. Serve frothed with nutmeg. Serves 15.

HOLIDAY EGNOG

1 cup Roma Port 2 cups milk
Sugar to taste 2 eggs
Separate the eggs and beat the whites and yolks separately. Retain half of beaten egg whites for a "foam". Combine remaining egg whites and yolks. Bring milk to boiling point, preferably in a double boiler, and slowly stir in wine at the same time adding sugar to taste. Continue to stir while adding beaten eggs. Serve in crested cups or glasses. Top with a "foam" of beaten egg white and a dash of nutmeg. Serves 6.

INJURES KNEE WHEN STRUCK BY CAR

Matthew J. Rinaldo, 37, of 9 Marigold St., was the driver of a car that hit a car driven by Ernest A. Randall, 75, of 236 Pierpont St. Randall sustained injuries to his left knee, and was taken to General Hospital.

Star Dust

NEW YORK, N. Y. - Something "sensational" always is happening on the radio program "Trust" as "Consequences" (Saturday nights, WHAM). A remark by quiz-master Ralph Edwards brought in 300,000 pennies \$1000 in buried gold resulted in a New England gold rush. A non-constant got the dough! Just completed the saga of "Dusty".

Dusty Rhodes
He was again World War II veteran. "Dusty" was to live three weeks on an "island retreat," get \$3 an hour. The "retreat" turned out a Hollywood - in 131,200 pennies. Edwards offered a cab to lug him home. He accepted. "Dusty" lived in Brooklyn! To return to Hollywood a pie pan of water, without spilling, he was offered \$500. Smart "Dusty" extracted the salt, froze the water, won again! GLEN FALLS, U.S.A.

"Big Sister": One of radio's unusually successful serials. Monday through Friday afternoons, dropped out of the first-five soap-sadders. "Big Sister" is part (5-4-11 2 - pounds) Mercedes McCambridge. She, too, has been in radio 10 years - Hollywood. New York, Chicago. She set dead aim for radio in college (Mundelein, Chicago), never has done other work. The actress' pet hate is a "bad director." What she likes most about radio: a "good director." In her show she is "Ruth Wayne" of "Glen Falls." No one knows where "Glen Falls" is located. It is "just a small town."

THE WEEKS GIRL
Barbara Weeks. Another of the interesting Serial Queens. Barbara plays the better half ("Nurse Ann Malone") of CBS' Monday-through-Friday afternoon "Young Doctor Malone" (according to one believable poll best known as "doctor" in America; see, and: Dr. Daisel).

Barbara Weeks. Another of the interesting Serial Queens. Barbara plays the better half ("Nurse Ann Malone") of CBS' Monday-through-Friday afternoon "Young Doctor Malone" (according to one believable poll best known as "doctor" in America; see, and: Dr. Daisel).

Very Little Things
Like "Baby Snooks," the other three younger roles in the Fantasy Brice show (Wt. WHEC), all are played by adults: "Robes merre," "Phoebe," Snook's playmate, and the boy-next-door "Roger" . . .

Probably the softest job in radio is held by Arno Tannev. "The Chant" via the Mark Warnow Army show. Beats the tobacco auctioneers . . . Although he plays a did-d-d-d-b role, Charlie Cantor, "Einnegan" of "Duffy's Tavern," insists upon being vain about it. He wears a toupee during the broadcast. (Wednesday nights, WHAM). Six years ago Frank Sinatra appeared on 18 New York programs for a total take of 70 cents.

'TWO-GUN' JACK BENNY ON CBS COMEDY SHOW
It's Two-Gun Jack Benny as the comedian joins Gail Patrick to head the case of "Killer Cates" on the "Radio Theater," over WHEC tomorrow at 9 p. m. Benny will be heard as Jeff Morley, Broadway actor who has played the role of a gangster so often that he begins thinking he's Killer Cates, hard-bitten racketeer.

Rev. Leo V. Smith Named To Good Counsel Pastorate

The Rev. Leo V. Smith, spiritual director of St. Bernard's Seminary, has been appointed pastor of Our Lady of Good Council Church by Bishop James E. Kearney.

Father Smith succeeds the late Rev. Edward T. Meagher, founder of the church, who died Nov. 25. He is a graduate of St. Bernard's Seminary in the class of 1916, which numbers in its membership several bishops, monsignori and other distinguished priests. Father Smith's first assignment was as Assistant pastor, Blessed Sacrament Church, Rochester.

After serving as assistant pastor of the Church of the Immaculate Conception, Ithaca, he became assistant pastor of the Church of the Immaculate Conception, Rochester, where he served 14 years, first under the late Rev. Augustine B. O'Neil, and then under the present pastor, The Rev. Joseph S. Cameron.

Father Smith has already been a pastor, having had charge of St. Patrick's Church, Danaville, for 3 years, from where he was called by Archbishop Mooney to become spiritual director of the Seminary.

A few days like that and I had had a suggestion that I grasped eagerly. I'll always be thankful to Joe, even though now I realize that he offered this suggestion without really thinking it through or considering whether it was actually best for me.

Last Sunday morning I did it. At breakfast my wife's approving glances became more appreciative as she saw the cunning look of a crazed addict on my face. I new better than to take the car and just sort a strolled out the door as if to walk around the yard. As soon as I knew I was out of her sight, I bolted for the nearest bus stop taking a route on the bus it seemed as if every passenger knew what I was up to. When I sat down, the two elderly ladies in the seat directly across from me began whispering as they cast knowing glances in my direction. I had my hands in my pockets so they couldn't see them shaking and tried to appear relaxed as I realized my palms were clammy with perspiration. Then I became worried. Could I remember correctly Joe's directions and find my way to the place he told me about. Those thoughts kept my mind occupied till the bus stopped at the street where I was to get off. Now I was in a strange part of town. I might have driven down this street at sometime or another but I couldn't

understand. In fact, Joe's habit conquered. The only thing I had a suggestion that I grasped eagerly. I'll always be thankful to Joe, even though now I realize that he offered this suggestion without really thinking it through or considering whether it was actually best for me.

**CIO RESOLUTION
CALLS FOR UNITY**

A resolution halting the recent
"atomsmanship" plan for labor
unity" of CIO President Philip
Murray has been unanimously
adopted by the Rochester CIO
Council.
The resolution calls for the
"translation into positive action"
of Murray's plea in view of the
"anti-labor hysteria from which"
the resolution charges, "no branch
of labor will be spared when the
NAM-GOP combine goes into
action as Congress convenes next
January."
The resolution also calls for the
broadening of the joint AFL-CIO
strategy committee which operated
during the city-wide strike last
May.

ED RANDALL'S

Scene & Word

Well start off this week with the story of the hungry ventriloquist who hadn't worked for a long time. He was seedy in appearance, downhearted in disposition, but above all, he was H-U-N-G-R-Y.

This particular day on which our story opens he was walking aimlessly down a street wondering what he could do to make a buck and buy himself a meal. Suddenly he felt a cold nose thrust into his hand and looking down saw a small dog of obviously dubious ancestry trotting along at his side looking into his eyes with a loving expression.

Then a great big brilliant idea struck the hungry one. He leaned down, picked up the dog and hurried into the nearest restaurant.

Seating himself at the counter, he placed the dog upon the stool next to him and asked the dog: "What will you have, Spot?" Using his ventriloquist gifts, he made the dog answer: "I think I'll have a ham sandwich on rye."

The countermaid stared in disbelief. "Did you hear that?" he

asked our hero. "I sure did," said the ventriloquist. "That my friend, is the only talking dog in the world."

The restaurant man collected his wits, built a ham sandwich on rye bread and handed it to the dog. The dog, naturally, ate the unexpected meal with gusto. "Anything else?" asked the ventriloquist. "That's all for me," said the dog.

The ventriloquist gathered up the dog and made a motion toward his pocket as though he wanted to pay for the sandwich. Suddenly the countermaid said: "Hey, mister, what do you want for that dog?"

"Oh, he's not for sale at any price. But I'll tell you what I'll do. I'm a little short at the moment and if you'll lend me fifty bucks, I'll leave the dog here as security until I pay you back."

The deal was made in a moment, as the countermaid had a hunch that maybe the customer would never return to claim the dog. The ventriloquist tied the dog to the counter stool with a piece of rope and started to walk out. At the door he turned for a last look at the dog and the animal looked at him reproachfully and said: "You're an ungrateful guy. After all I've done for you, you leave me here for fifty bucks. But I'll get even. I'll never speak another word as long as I live." And he never did.

Champion ATHLETIC AND SPORTSWEAR CO. 71 St. Paul St. Rochester, N. Y. The Sportswear Center of Rochester

From the Miami (Fla.) Daily News: "Wanted to rent, I adult permanent, no children or pets, desires small bedroom or efficiency, serviceman will be home Dec. 1," ing with serviceman's wife and a point where he will not find the serviceman will be home Dec. 1,"

MATHEMATICAL PROBLEM: "When are you to be married?" "Whenever the man in the case gets his salary raised to \$1000.00." "I know, but that was when you only had two dishes."

WHO'S THE LOSER? "I was sorry to hear that your husband ran off with your maid." "Oh, it wasn't so bad. Her time was up this week-end anyway."

DESIGNED FOR GIVING

Christmas Gift Checks AND GREETING CARDS

The perfect answer to your gift problems this year are these Central Trust Gift Checks. Designed in full Xmas colors with a gay holiday greeting card to match, they make a really practical gift... personalized with your own signature... something you can buy... something you can give.

You don't have to be a customer of the Bank to use this service. Just stop at any Central Trust office with the money you want to give by check. You yourself make out the check... to any denomination... \$1.00 or \$1000.00... it doesn't matter. The only charge to you is 25c for each check and card.

Take the "guesswork" out of your Xmas giving this year. Use the Central Trust personalized Gift Checks.

They are bound to please!

Honest Motorist
Insists On Paying Fine
Cedar Rapids, Iowa.—Can you imagine this? A motorist, found guilty of overtime parking, insisted on paying his fine, even though police insisted that he program Sunday, January 19, to be excused with a warning help Edgar and Charlie celebrate the birth anniversary of their first child. Joseph Mestik de- clared, "I know how to operate a meter. You've had plenty of publicity on it. There's no ex- cept on the Rudy Vallee Show in December, 1936."

TO HELP CHARLIE CELEBRATE
Rudy Vallee, Nelson Eddy, Don Rudy Vallee, Nelson Eddy, Don woman, smiling sweetly, entered the jewelry store of which Frank McAuliffe was a salesman and said she would like to pick up a silver gravy boat she had left to be cleaned, because her sister would be angry if she didn't get it pretty soon. The salesman asked where she had left it and the lady replied, "In 1902." McAuliffe found it for her—in the basement.

It's Never Too Late
San Francisco.—A 94-year-old woman, smiling sweetly, entered the jewelry store of which Frank McAuliffe was a salesman and said she would like to pick up a silver gravy boat she had left to be cleaned, because her sister would be angry if she didn't get it pretty soon. The salesman asked where she had left it and the lady replied, "In 1902." McAuliffe found it for her—in the basement.

Varsity Eleven To Play Tufts Here Next Season

With one newcomer, Tufts College, added to its list of opponents, the University of Rochester will play eight games on its 1947 football schedule, announced by Louis A. Alexander, director of intercollegiate athletics.

DePauw, Union, Clarkson, Vermont, Rensselaer, Hamilton, and Hobart are the other opponents on Rochester's gridiron program for next fall.

Three of the games will be played away—DePauw at Greencastle, Hamilton at Clinton, Nov. 1; Rensselaer; Nov. 8; Vermont, Nov. 15; Union at Schenectady, and Hobart, all at Rochester.

need to reduce food consumption to a minimum but to make that minimum the basic requirements, has shown the people that they can subsist and be strong upon a very frugal diet. The British accepted war rationing in a very severe form, not only of food but of all their needs.

They voted in a Labor Government. Now they are tasting bureaucratic controls as we have tasted them, and they do not like them one little bit. The rationing of bread was an irritation that focused attention on the whole procedure of control.

SUPREME Court decisions deserve closer watching than most of us give them. Among the cases recently acted upon were two that caught my attention. One involved four tribes of Oregon Indians. The Court has ruled that payment is to be made to them for land taken from them in 1855. The actual amount is not specified but the Court instructed payment on the basis of 1855 values plus accrued interest.

Another case involved a ruling out by the Court of a 2 1/2% Sales Tax levied by California on oil sold for export. As is often the case, the actual case heard involved a very small sum of money. The result to the State of California is the refunding to various oil companies of something like \$2.5 million.

ONE of the financial problems ahead is the cost of our occupation of Germany. The United States Commercial Corporation plans to buy raw material to ship to Germany for fabrication there, somewhat to reduce these costs. Along this line it is interesting to note that Belgium is policing the British Ruhr. This releases British men and gets them out of the German's hair. There might be a lesson in that for us.

"You ought to be able to do better than that," chides director John Cromwell.

"Of course I can," replies Bogart, winking at his wife, "but I didn't want to do it too perfectly the first time, because then people would say I was henpecked."

Yes, Virginia, there is a Santa Claus but his bag of gifts this year is as up to the minute as a jet plane. Santa is nobody's fool. He knows Virginia's little heart will beat faster when she sees her new doll. Santa also knows Virginia's Christmas tree will be a wisely dressed tree, because it will have just onto its branches, crisp new United States Savings Bonds. Long after Virginia's dolly has hobbled down the sentimental road of yesterday, Virginia's Savings Bonds will be with her to make her future Christmases brighter and happier.

Reader Raises Voice In Defense of John Lewis

EDITOR NOTE—In our perhaps justifiable haste to condemn John L. Lewis' action in precipitating a strike of coal miners, it is possible we have lost sight of the 400,000 miners and whatever claims they may have for higher wages. It is evident from this letter that the writer is not among the sight-losing group. At any rate, it is our opinion that he is entitled to raise his small voice with the opinions expressed in his letter.

Editor, Rochester Sun,
A noble pair of bushy eyebrows hang like a pall over the nation. Newspapers and radio commentators vie with each other for honors in spearing forth great quantities of venom. New jobs are created for ghost writers with large adjective stores. The worthy John L. has become the symbol of fear for the lords and masters.

R. T. SHAFER
HONEOYE, N. Y.

In him they try to symbolize labor as "irresponsible and aggressive." Perhaps never before has there been such a conspiracy to withhold information; never before such a barrage of lies to veneer the treachery of business and government working hand in hand.

Of John L. Lewis much has been said. Of 400,000 miners nothing. The miners ask for a contract with their employers, the Mine Operators, and an increase in wages. They now work a 54-hour week with a 15-minute lunch period each day. They ask for a 40-hour week at the same pay. Working conditions are hazardous; 221 lives were lost in mine accidents the last 3-month period. Company shacks have coal stoves for heat, no basement, no bath, no toilet and an outside faucet for water. Miners are forced to purchase food and supplies from company-owned stores which have worked out a neat price and credit system to keep miners' families in debt. Under the influence of the convenient inflationary spiral, prices skyrocket, wages stay down, food and clothing become scarce. The producers cry out about conspiracy and weep bitter tears for the populations without coal. The government threatens troops and brings charges of contempt. Where were the troops and courts when the meat packers conspired to keep meat from the people?

Why are the just demands of the miners not granted? Perhaps we will find an answer in the profit inventories of the mine owners. Perhaps the conspiracy is not on the side of the miners but on the side of business which, in conjunction with the government, plots to break the back of the labor movement and reduce the living standards of the people.

As Republican lackeys rush to draft legislation, we see at stake the gains of the labor struggles of the past generation to lift the people from poverty. Where is law and morality when the government acts as a strikebreaker and profit securer for the few, and disregards the interests of the many? A defeat for the miners is a defeat for the American people.

I lived in Rochester 25 years. The last winter I spent there. I had to buy my coal by the 50-lb. bag at 85c a bag. That amounts to about \$26.00 a ton. I wonder how much the miners get a ton? And every day I had to go to the coal yard and get my pittance. Oh, no, they wouldn't sell me two bags in one day. Do you wonder why I moved to California?

DECEMBER IS MONTH OF NOTABLE DATES

In the calendar of the ancient Romans, December was the 10th month of the year. It was then the last month of the year. It was then the last month because there were only 10 months in the year. In 1582, when Pope Gregory XIII changed the calendar, he added two months to the year. He added the months of January and February. He added them to the beginning of the year. He added them to the beginning of the year because the winter solstice, the shortest day of the year, on December 21st, was the beginning of the year. The winter solstice, the shortest day of the year, on December 21st, was the beginning of the year. The winter solstice, the shortest day of the year, on December 21st, was the beginning of the year.

Your Home

By Frances Alsworth

Don't you enjoy the exciting bustle and bustle of preparing for the holiday season? I've been scurrying around for days planning meals and getting my favorite recipe set for holiday baking... and I'm certainly glad to know that our good white flour is once more on the market!

Did you know that most of the flour we buy today is enriched with three of the "B" vitamins and iron? We can depend on the bread and fancy baked foods we make to provide a good share of the day's nourishment — and that is very important to me with three growing children to keep healthy!

I always serve Fruit Turnovers for my holiday dessert. Many friends have asked for my recipe — and I thought you might like to have it.

FRUIT TURNOVERS

1 cup all-soft enriched flour
1/2 cup granulated sugar
1/2 cup butter
1/2 cup milk
1/2 cup raisins
1/2 cup currants
1/2 cup chopped walnuts
1/2 cup chopped apples
1/2 cup chopped peaches
1/2 cup chopped cherries
1/2 cup chopped strawberries
1/2 cup chopped blueberries
1/2 cup chopped raspberries
1/2 cup chopped blackberries
1/2 cup chopped kiwifruit

Mix together flour, baking powder, salt and sugar. Add milk and stir until mixture is consistency of coarse meal. Add milk to form a soft dough. Turn out on lightly floured board and knead gently about half a minute. Roll out into rectangular sheet 1/4 inch thick. Cut into strips 3 inches wide and 8 inches long. Spread with mixture of fruit or margarine. Place a spoonful of fruit on 1/2 of each strip. Fold back of each strip over fruit. Press edges together with tines of fork. Bake in hot oven (400°) 20 minutes. Serve hot or cold, with cream or fruit sauce made by thickening syrup from exposed fruit. Yield: 8 turnovers.

This recipe is especially good during these days of scarce shortening and rationed sugar... and our favorite enriched white flour makes this a highly nutritious dessert — as well as one that's delicious and festive for the holidays!

'BLACK BEAUTY'
LISTED FOR
TEMPLE SCREEN

The screen version of Anna Sewall's classic "Black Beauty" and "The Westerner" will start a week's engagement at the R.R.O. Temple, Thursday, Dec. 19. The cast of "Black Beauty" is headed by Mona Freeman, Richard Denning and Evelyn Ankers. The film is said to tell the story of a high-spirited girl and a thoroughbred with increasingly mounting interest and dramatic suspense.

Samuel Goldwyn's "The Westerner," with Gary Cooper in the title role, is a story told against the colorful and adventure-filled background of the Old West, in the days when justice was administered at the point of a gun and roasting Judge Roy Bean loomed as the "Law West of the Pecos."

In the supporting cast are Walter Brennan, Fred Stone, Doris Davenport, Lillian Bond, Forrest Tucker and Paul Hurst.

'DECEPTION HAS'
QUARTET OF
FAMED STARS

Film fans who re-remembered the Betty Davis-Paul Henreid-Claude Rains and director Irving Rapper combine in "Now, Voyager" a few seasons back, will be pleased to learn that the popular quartet are reunited in the new Warner Bros. drama, "Deception," currently at the Century Theatre.

In this highly dramatic love story, Miss Davis portrays Christine Radcliffe, pianist, who finds her happy marriage with Karel Novak, talented cellist, threatened by a past that involves her relationship with Alexander Hollenius, renowned composer and conductor. Hollenius, despite his marked displeasure with the marriage, offers to assist Karel's musical career.

Christine doubts the composer's sincerity but her anxiety for her husband's future stifles her suspicions. Her false moat, however, as the composer cunningly and cruelly plots Karel's jealousy to the breaking point. Believing Hollenius plots purposely to wreck Karel's musical career, Christine, bewildered and enraged, resolves to thwart the scheme at any cost.

MORE PRACTICE FOR
'LONE WOLF' DANCER

"The truth of the matter is," declared Gerald Mohr, star of "The Lone Wolf in Mexico," "but I don't like to dance—let alone doing a complicated rumba."

But others, including director D. Ross Lederman, who saw Mohr dance the rumba in "Gilda" with Rita Hayworth, think the star is one of the best dancers in Hollywood.

In fact, Lederman, in every dance floor scene in the current "Lone Wolf" picture, has a close-up of Mohr—dancing a rumba!

"At least," sighs Mohr, "I'm getting lots of practice. Maybe I'll like it after a while!"

INNOCENT GUILTY THIS TIME
Buffalo, N. Y. — When Chief Judge John D. Hickey asked the defendant in city court on the charge of possessing palmy slips, "Are you innocent or guilty?", he was surprised to hear the man reply, "I am innocent but I plead guilty." The explanation — innocent was innocent rivers, 31, but he was guilty of the charge.

MERCURY MAN
Carl Frank, veteran radio performer and former member of Orson Welles' Mercury Theatre, has been signed to make his film debut in "The Lady from Shanghai," which stars Rita Hayworth and Welles.

LAZY HUNTER LOSES
DEER HE SHOT

Tomahawk, Wis. — Laziness or something prompted Howard Wilson, after shooting a 9-point buck through the neck and stunning him to put a belt around the animal's neck and attempt to lead, rather than drag, the deer back to camp. After about a mile, the deer suddenly regained complete consciousness, jerked the belt from Wilson's hand and took off for the woods.

The Died Needlessly" — Epitaph for 28 Jaywalkers

Drivers Blamed In Only 6 Deaths

Dotting Rochester are the graves of 28 Rochestrians — traffic accidents who could be alive to-day if they had heeded safety rules.

But they were careless. They ignored simple safety rules. They died involuntarily in a death march of Rochester.

That may sound harsh, but police records bear out statements. The 28 died on their own fault. Had they not jaywalked, had they crossed against red signals, had they not walked from between parked cars...

There would be only six pedestrian deaths so far this year!

These 6 were run down by careless motorists, even though they were exercising as they walked. But motorists in the other 28 mishaps held blameless.

More than half of the overall 34 pedestrians were men and women over 60 who have been making strenuous efforts to reach through safety educational programs. But the police efforts were vain.

"Old people who go out alone are committing suicide," said Capt. George V. Heisel of the traffic department. "They are a hazard to themselves, to motorists, and 75 percent of our pedestrian deaths have occurred at night."

Two of the deaths here have occurred during the past days, and three persons are now in hospital danger lists as a result of auto accidents.

"These deaths were typically new," Capt. Heisel emphasized, referring to the two most recent deaths. "They are the type we have been having all year. Had a younger person been with either one to guide them, there probably would have been no jaywalking."

In Buffalo, tied with Detroit as the second-safest city in the United States with a population of 60,000 or more, such-heralded anti-jaywalking campaigns last week and the first morning. Both violators paid fines. Then a summons campaign petered out. However, it was announced that a proposed ordinance drafted to put responsibility for his safety on the jaywalker himself would go before the Buffalo city council next year.

Capt. Heisel said that police here were urged by their superiors to reach elderly persons with safetyograms.

"Our schools do a grand job of teaching traffic safety," said Capt. Heisel, "but the parents counter that fine education. Stand on any downtown street and see the innumerable parents who drag their restless children across the street either against a red light or in the middle of a block where traffic is thick and moving fast — a parents' great stumbling block."

He pointed out that elderly persons were highly eligible to become traffic victims because in most cases they suffer from impaired eyesight and hearing. Most of the year's victims wore dark clothing which made them most invisible to drivers until the last moments before the accident.

The Police Department's drive against jaywalking is confined to the downtown area and to intersections where traffic is heaviest. However, pedestrian deaths are occurring in outlying sections which are largely without police traffic supervision.

To relatives of older persons in the habit of taking solitary neighborhood walks, Capt. Heisel warned, "Don't let them out alone at night—if they must go out at all."

To younger potential victims, he added: "Use your eyes. Use caution. Don't jaywalk. Co-operate with us. We'll do the job alone."

The death march of Rochester in silhouette... 34 pedestrians who walked to their graves on city streets... the 28 darkened figures represent those who would be alive today had they heeded safety rules.

TOP POLICE FACE AXE IN RUMORED SHAKEUP

BUYING RUSH SENDS STORE SALES SOARING

Local department stores continued to mark outstanding sales gains during the week ending Dec. 7, according to figures released by the Federal Reserve Board in New York City.

The New York district Federal Reserve says that "warm and inclement weather limited expansion of Christmas trades in the New York State area. Rochester stores, in addition were hampered by a lack of daily newspapers in which to advertise their wares. But depending solely upon the twice-weekly editions of The Sun local merchants licked the weather problem to record a gain of 20 percent over last year, according to Federal Reserve figures. This compares with a 12 percent gain for Buffalo and a 21 percent gain for New York City stores.

Theater managers, too, had reason for smiles on their faces. The theatrical paper "Variety" reported the Century Theater broke all house records last week playing "Two Years Before the Mast."

GOP Headquarters Said Behind Clean Up Move

By RAY GRAHAM

With echoes of the big New York police department shakeup rumbling over the Flower City, the police force here from top to bottom was quaking in well worn boots.

Like Mayor O'Dwyer, Commissioner Woods, on orders from the Ivory Tower in the Union Trust Building is determined to shake the Police Department from its lethargy to clean up the wave of mugging and burglaries which has hit the city in recent weeks.

All Night Parking Ban In Effect

The heat is now on for late parked cars, announces Police Commissioner Thomas C. Woods.

The Commissioner announces that all cars parked on all streets in the central traffic zone must be removed between midnight and 8 a.m. upon penalty of tagging and consequent fines. This is to facilitate snow removal.

2 HURT WHEN FIRE ENGINE CRASHES STORE

The year's most spectacular crash was recorded yesterday by police after they had untangled the elements of a fire and two collisions in Glide St. between Bay and Maple Sts. that involved a fire truck, a dump truck, two automobiles, a corner grocery store and two injured firemen.

It all started with a minor collision of two automobiles at Maple and Glide Sts. shortly after 9 a.m. One of the cars caught fire however, and a call was put in to the fire department. That's when things really started popping.

Engine # of Leell Ave. was racing south on Glide St. with sirens screaming in response to the alarm when a big dump truck went east on Jay St. approaching the intersection.

The fire truck driver, Lawrence Mardel, of 347 Hawley St. swerved his machine in an attempt to avoid striking the dump truck but didn't swerve quite enough. The fire truck tore off the rear end of the second heavy vehicle.

Mardel was unable to keep the fire truck under control and it leaped over the curb, across the sidewalk and plowed into the side of a store at the southeast corner of the intersection operated by Louis Cordaro.

Several customers in the store scattered for cover as the apparatus bore down on them.

Political Polka

By Curt Gerling

The "resignation" of Miss E. Martin as assistant chairman of the National Republican Committee and head of the women's division has to it than meets the eye.

Miss Martin is a Deweyite one of Herbert Brownell's appointees. Mr. Brownell, head of the Party's work-managed Mr Dewey's former campaign. The "reorganization" will also lop the head John G. Adams another key man. Robert F. Augur, newly resigned G. Don Loud and John Danaher all Deweyites if they have not already signed, will be given the "veho".

This shake-up in the GOP council and key spots is indication that Mr. Dewey does not have a cinch landing nomination for the presidency in 1948. The midwesterners are taking very good care of the governor every day of the way. The clammy of balding Bobby Taft and Senator Robert Bricker of whom seek the honor of running for the presidency all too well revealed.

This is only skirmishing in an internecine party war. It gets meaner as it goes. Mr. Dewey is not nearly so popular in his own party as country long enough.

AN APOLOGY

Apologies to more than thirty advertisers whose sales messages were omitted or curtailed. We did only our best. We are sorry that it was not quite good enough.

CHRISTMAS SHOPPERS — With only four days left for Christmas shopping, members of the younger set join in the general buying rush. Little Miss Sharon Brown (left) came all the way in from Rushville to complete her gift buying chore and went home with her arms loaded down. In the other picture Joann M. Hinz, of 132 Salina St. shows what is foremost in the mind of a three-year old lady along about this time of year.

Police Scour Area For Missing Co-Ed

Persons residing in Titus Ave. section, Irondequoit, yesterday thought they saw Paula Welden, who walked out of her Bennington College, Vermont, dormitory two and a half weeks ago, and hasn't been seen since.

The girl is five feet, five inches tall, weighs 123 pounds and has beautiful blonde hair and blue eyes.

Two detectives from Connecticut, Lieut. Robert Rundle and Dorothy C. Scoville, have been placed on the case and are now searching the college campus and vicinity of Bennington.

Meantime Miss Welden is being reported seen daily in all sections of the country, including Boston, New York, Buffalo and the vicinity of Rochester.

Paula Welden is the daughter of Mr. and Mrs. W. Archibald Welden of Stamford, Conn. Mr. Welden is a wealthy engineer, and Paula is his oldest daughter.

Cigarette Blamed For Porch Fire

Firemen were called to a house at 30 Richmond St. Tuesday afternoon when a fire broke out on the front porch. Battalion Chief Edward Selke, who estimated damage at \$5, said a cigarette caused the blaze. Occupant of the house was listed as Violet Weise, who operates a rooming house.

Accident Driver Held On Wrong Plate Charge

William Arthur McKinney, of 237 Summit Grove Pk. landed in police toils Monday on a charge of driving with illegal license plates. McKinney's car was involved in a collision with John R. Quinlan, of 367 Eastman Ave. at Dewey and Clay.

Passenger Hurt When Cars Collide In Traffic

When Rocco L. Taschetti, of 511 Grand Ave. stopped his car in a line of traffic on Monroe Ave. Monday, Isiah Lambase, of 21 Hanover St. failed to follow suit. He rammed the rear of the Taschetti car and Fred Taschetti, of 191 Central Pk., a passenger was injured.

SCOUTS' FIND—Getting all read yfor a call from Arthur Godfrey's Talent Scout radio program are the two local hopefuls pictured here. They are Stan Wardynski (left), bespectacled imitator and Frank Machowski, crooner. Both are employed at Bausch and Lomb Optical Co. and are rated as two of the most popular amateur entertainers at the St. Paul St. concern. Recently they were featured in the Balco revue staged in the Auditorium Theatre and later appeared with Jimmy Devine's Search for Talent program at the Seneca.

7000 Bausch & Lomb Workers Share In Bonus

Close to 7,000 men and women employees of Bausch & Lomb Optical Co., learned yesterday there were 53 weeks in 1946 — as far as paydays go, at any rate. Yesterday, those who have been with the company a year or more received an extra week's pay.

Also participating in the bonus were more than 1,000 of the company's ex-GIs who left the company for military service and have since returned.

"Time spent in service was counted as though they had been here," company officials said, referring to their ex-servicemen employees.

In addition, some 850 new

CHILD BURNS BRING WARNING FROM COUNCIL

With two youngsters in local hospitals near death from burns inflicted by scalding water, officials of the Rochester Safety Council this week renewed their warning to parents to keep children away from hot water and vice versa.

Latest victim of scalding is year old David Mitchell, of 7 Rodenbeck Pl. who rode his kiddie car into a pail of boiling water in his home on Monday.

Meanwhile Genesee Hospital authorities report that little Jimmie Knox, also a year old, is still in critical condition as the result of burns suffered when he pulled a teakettle of hot water off a stove in his home at 667 North St. Monday, Dec. 9.

Police say the Mitchell boy was riding the kiddie car about the kitchen of his home while his mother was doing laundry in the basement. He steered the car too close to the stairway leading to the cellar and tumbled down the steps, landing in the pail of water at the stairs' bottom. He is in Strong Memorial Hospital with extensive third degree burns.

BELLIGERENT DON JUANS STAGE RETURN BOUT

Police Car 21 rushed to a grill in Monroe Ave. on a hurry call, at 9 p. m. Monday and found Henry Wixted, 30, of 30 Pearl St., having trouble with Richard Mathys, 35. Wixted said that Mathys insulted his girl friend a few weeks back. Mathys required hospital treatment.

At 11:30 p. m., the same evening, car 21 was again sent out on a hurry call to the same Monroe Ave. address and found the same two guys fighting in the same grill over the same girl. Exasperated police put the belligerents in the pokies.

employees who joined the optical firm sometime between Jan. 1 and June 30 of this year received a half week's pay.

Loses Hip Topcoat

Donald Helfrick, of 264 Clinton Ave. N., Apt. 2, reported that a grey topcoat and a pair of gloves were stolen from his apartment between 2 p. m. Sunday and 2 p. m. Monday.

FORMER N. Y. POLICE HEAD DIES AT 64

Lewis J. Valentine, police commissioner of New York for eleven years, a longer period than any other man has served, is dead at the age of 64. He suffered from a liver ailment since his return from a trip to Japan. He helped organize the Japanese police department. The funeral was this morning with a requiem high mass at the funeral home of Daniel Schaeffer at Fourth Ave. and 43rd St., Brooklyn. There was a high mass of requiem sung at 10 a. m. in The Church of Our Lady of Guadalupe, 15th Ave. and 15th St., Brooklyn.

Early in his career, Mr. Valentine earned the distinction of being a "conscientious cop," and his fall and rise was according to the manner in which he came into conflict with the shifting political conditions of the political control of the Police Department.

He tried to be both a fireman and a policeman. His police appointment came through on Nov. 17, 1903, so he became one of New York's "finest".

After his retirement from the department, he had been on a radio program, "Bang Busters".

GATES SCHOOL CHILD INJURED BY CAR

Andrea Donohue, 7, daughter of Mr. and Mrs. Martin Donohue of 54 Overbrook Rd., suffered a bruised right leg Tuesday afternoon when she walked into the side of a car in front of Washington Irving School in Chili Road.

According to Deputy Sheriff Kenneth Miller who investigated, the Donohue girl was enroute home from school and was crossing the road in front of the school when the accident happened. Driver of the car was listed as Fred C. Sturmer Jr., of Chicago, who was allowed to continue his trip after the investigation.

The injured girl was taken to St. Mary's Hospital where she was treated and allowed to return home.

Woman, Daughter Hurt While Chasing Bus

Rose Sachels, 33, of 75 Newcomb St., with her daughter, Catherine, 9, was running to catch a bus in Portland Ave., and both slipped and fell in the snow in front of 513 Portland Ave. They were taken to St. Mary's Hospital in an ambulance, suffering with minor bruises. Mrs. Sachels suffered injury to her right wrist.

SALE MATERNITY DRESSES on sale. Where at "800" SHOP of course, who boasts the largest department of this kind in New York State. Priced at \$8.95, they are just what you've been looking for. Becoming styles—cut with gadgets sewed in for expansion purposes. After all at this modest sum, you can afford more than one. Another group of regular "stock" reduced to \$6.95 to \$8.95—for former values to \$19.95. The staff at "800" shop wishes to extend a MERRY CHRISTMAS to all their friends and customers. "800" SHOP is located corner MONROE & CANTERBURY. Open Eve. (Moress sponsored.)

COLD WAVE VIRGINIA guarantees the CIRCLETTE OPAL COLD WAVE. Isn't that what you've been waiting for? No mess—the wave is sprayed into the hair. The result—perfection—soft curls—that curl—that will hold up. Priced \$10 and \$20. This wave is nationally advertised. Don't wait 'til the last minute to make your appointment. Christmas and New Year's Eve are not far off. Get

that noggin of yours looking like it should. VIRGINIA—JERRY-DOTTY wishes all their customers a VERY MERRY CHRISTMAS. Virginia's Beauty Salon, Present Bldg. 4th Floor Opposite Hotel Seneca, Stone 346.

Wasn't it about this time last year you promised yourself—you were going to do your Christmas shopping early. And here you are—like most of us—doing as we always have—shopping frantically, enjoying it thoroughly even to the last minute dash. SHAFER'S Santa Claus seems to know human nature and is doing everything he can do to keep ahead of the demand. If you've been "holding back" you shy ones—on telling Pop it's really a SHAFER CO. fur coat you want—you had better hurry. Selections are still excellent—but why tempt fate. Persians, dripping with mink are gorgeous—Beavers, Leopards, Muskrat, Mouton all typical Shafers quality. THE BEST. Or how about a MINK SCARF—ranch

GUN SWINGIN' BANDIT LANDS IN POLICE CELL

A youthful gunman who brandished a stolen German revolver while holding up Sam Shuman in his grocery store at 41 University Ave. Sunday night, pleaded innocent of a first-degree robbery charge when arraigned in City Court Monday. His case was adjourned to Jan. 23.

According to police records, the youth, Richard Scofield, 18, who told police his home is in Agburn, entered the Shuman store, pulled the .25 caliber revolver from his pocket and ordered the proprietor into the back room. Then he opened the cash register and took \$8.20.

A telephone call to police headquarters brought Detectives Harry Brennan and Harry Griswold, along with other police, to the scene. Armed with the robber's description, the detectives searched the neighborhood and a half-hour later picked up Scofield in the Greyhound Bus terminal.

The youth told Detective Chief Edward Collins he had taken the gun, a war souvenir, from an ex-service man who lives in Prince Street.

Earlier, a gun of German make had been reported stolen from the home of James R. Pazzi, at 29 Prince St.

Scofield's case will be presented to the January Grand Jury for action.

MERRY XMAS Holiday time — when your family expect the choicest of good things to eat. Take advantage of the abundance of home grown foods that are available and serve them in the best style you know. Call HOME SERVICE at R. G. & E. anytime — they know the answer to every problem, when it comes to meal planning or homemaking. ROCH-ESTER GAS & ELECTRIC — has asked me to wish you and yours — A MERRY CHRISTMAS this 1946. — Thanks R. G. & E. Merry Christmas to you — and a thank you for the REAL help rendered through the year.

Did you enjoy EGG NOG from BRIGHTON PLACE DAIRY — for Thanksgiving. Those of you who didn't order this delicious drink — have a treat in store for you for Christmas. Made from fresh eggs, cream sugar and flavoring, it sure is delicious. I strongly recommend that you order a quart for Christmas. Order it today — call BRIGHTON PLACE DAIRY — 45 Fulton Ave. Glenwood 144 — and it will be delivered whenever you desire. It solves many an entertaining problem — and would be a special treat to members of your family Christmas morning. BRIGHTON PLACE DAIRY wishes all their many customers and friends... A MERRY CHRISTMAS.

LOOK Mrs. ZWEIG wishes to extend to you and yours — the BEST OF WISHES FOR A HAPPY CHRISTMAS. Let me remind you again — that you have

a few days left to complete your holiday wardrobe at ZWEIG DRESSES. Or maybe you have a member of your family who would adore a new dress. You'll find all sizes and all styles at this popular shop. Drop in today. ZWEIG DRESSES — 240 ROSEDALE — Off Monroe. Open Eve.

For years EDWARDS have watched perplexed customers puzzle over the selection of a gift or gifts for the women in their life. Edwards realize it isn't the easiest task for a man. So they have solved the perennial riddle by "setting up" a gift center on the fifth floor — to save you males the trouble of roaming all over the store — and deciding what SHE would like. SALLY FRANKLIN has been put in charge of this department and her helpful courteous suggestions — will help I know. Miss Franklin's taste is excellent and her advice sensible. Every department in EDWARDS has been gone over with a fine tooth comb, and selections made — to please even the most exacting of women. They have all been brought to GIFT CENTER on EDWARDS FIFTH FLOOR. — Of course all these items have been selected with an eye for feminine appeal. You'll not only find gifts for the first lady in your life — but gifts for Sis, Mother, Aunts and even Grandma. You'll even find gifts for those friends — whom you feel "rate more than a card." As for price, the selection is so large, you'll find gifts at all price ranges. Unless you want the calendar to fly up and hit you, you know that it's time for your dollars to take on the holly-and-tinsel look. So make it today — EDWARDS — Gift Center — Fifth Floor.

CARTER HAT SHOP — the pleasant little shop — located 838 MONROE AVE. — where you can solve almost all your Christmas shopping under one roof. Here are a few suggestions. ALLIGATOR BAGS. Need I say more? Beautifully marked — tailored to perfection — what woman hasn't longed for one. BROADCLOTH BAGS — or PLASTIC CUFFS — are to be found. JEWELRY — of all kinds marked \$1 up. Bracelets — earrings — (some rhinestone). As for HATS — ask to see the SNOW FLAKES chapeline. Ideal for holiday gadding. Priced \$3 plus tax. FLOWERED hats also — in all the beautiful pastels. Mrs. CARTER wishes you ALL — A MERRY CHRISTMAS.

NEWS With pleasure and pride — let me announce to my readers — the opening of a MODERN BEAUTY SHOP — presided over by RUTH ALFVEBY — located in the BURKE BLDG. with PETTIS. As far as I know — it's the first of its kind in Rochester. You may arrange for reducing treatments (10 for \$25) with PETTIS — (Cabinet-Battle Creek Reducing Lounge and Hand massage) make an appointment with Ruth for any kind of beauty treatment — a Pedicure — Facial — Permanent — Shampoo and wave all under the same roof. Call Stone 6210 or Main 5416 — today — and make your appointment. The entire shop wishes their customers a MERRY CHRISTMAS. PETTIS — Burke Bldg. Stone 6210.

**Bond Leather
Moccasin Casuals**

Jim has the answer! Next to a purring motor, what better than purring tootsies? Yes, the chap who slides his Christmas socks (Bond's, of course) into these foot-easers is living in clover. And walking on air. Soft, plump leather uppers, flexible Neolite soles — what a combination for comfort with every step! And look how little it costs. Talk about your Cadillacs — here's real Cadillac quality, but at a Chevrolet price. Take the tip, Mary — get those Bond Moccasin Casuals. He'll wear them all year.

PLAY LISTED FOR COMMUNITY XMAS CONCERT

A Christmas play, "On the Krakow Road," adapted from "In Clean Hay," an ancient Polish miracle play, will feature the Community Christmas Concert in the Eastman Sunday night.

The play will be presented in five scenes, with the Clive Orchestra under the baton of Guy Fraser Harrison playing original incidental music composed by Wayne Barlow. Twelve characters, in addition to villagers, dances and townspeople participate in the action.

Christmas carols sung during the play include "Mary's Slumber Song," "Tell O Shepherds," "Saw You Never in the Twilight," "Little Jesus," "Silent Night, Holy Night," and "The Children's Carol."

Other music on the program will include Christmas Fantasia, by Francis McCollin, Christmas Overture, by Colebridge-Taylor, and many well-known carols, among them, "Hark, the Herald Angels Sing," "Adeste Fideles," and "O, Little Town of Bethlehem."

More than 400 voices will join the Clive Orchestra in presenting the concert.

The other day we picked up a book catalog to select an outstanding book; there were 153 advertised, all outstanding.

Auxiliary Party Sunday

The Christmas party and meeting of the Holy Rosary Ladies' Auxiliary, Knights of St. John, will be held in the school hall, Lexington Ave., Monday evening. Mrs. Margaret Hill will be chairman.

O. E. S. INSTALLS FRIDAY

Vedalla Chapter, 723, O. E. S., will hold their installation Friday evening at 8 in room A, Masonic Temple. Francis A. Walworth will be installed worthy matron, with Allen Venor, worthy patron.

Yates Furniture Corp.

Announce the opening of their new furniture store at 1899 E. MAIN ST. NEAR INDIANA ST. where we plan to offer a line of quality furniture, home furnishings and appliances. See our merchandise and check our prices before purchasing.

The firm consists of Wm. J. Yates, President with twenty-three years experience in one of Rochester's leading furniture stores, Robert W. Yates, vice-president, educated at Brighton High School and a graduate of Hobart College, Gladys C. Yates, secretary, experienced in office work and interior decorating.

Now...it's a faster Pillsbury's Best
NEW AND IMPROVED FOR MODERN BAKING

STREAMLINED RECIPE
Your favorite Pillsbury's Best is back. It's New and Improved—it's a faster flour, developed and milled especially for streamlined modern baking. Try this special Ann Pillsbury's CHOCOLATE CAKE (Streamlined Method).
Sift together 1 1/2 cups sifted Pillsbury's Best Enriched Flour, 1/2 teaspoon soda, 1 1/2 teaspoons double-acting baking powder (or 2 teaspoons single-acting), 1 teaspoon salt, 1 1/2 cups sugar, 1/2 cup vegetable shortening, 3/4 cup buttermilk or sour milk, Beat for 2 minutes until batter is well-blended and glossy. (With electric mixer, use medium speed for same period.)
Add 1/2 cup buttermilk or sour milk, 3 squares (3 oz.) chocolate, melted, 2 eggs, 1 teaspoon vanilla, Beat for 2 minutes, Beat into two greased, floured, 8-inch layer cake pans. Bake in moderate oven (375° F.) for 30 to 35 minutes. Cool. Frost as desired.

SHORT CUT NO-KNEAD WAY
The No-Knead method saves up to half dough... when you use the New and Improved Pillsbury's Best.
Ann Pillsbury's NO-KNEAD CINNAMON ROLLS
Quick to mix, quick to make, quickly complemented.
Make at 375° F. for 25 to 30 minutes.
Bland together 1/2 cup scalded milk, 3 tablespoons shortening, 3 tablespoons sugar or light corn syrup, 2 teaspoons salt.
Cool to lukewarm by adding 1/2 cup water.
Add 1 cake compressed or 1 package fast, dry granular yeast; mix well.
Bland in 1 egg.
Add gradually 3 cups sifted Pillsbury's Best Enriched Flour; mix until dough is well-blended.
Roll out on well-floured board to 18 x 12 inch rectangle.
Spread with 2 tablespoons melted butter, 1/2 cup sugar, 1 teaspoon cinnamon, 1/2 cup nuts, if desired.
Roll as for jelly roll and cut into 1-inch slices; place cut side down in greased, 12 x 8 x 2-inch pan or greased muffin pans.
Let rise in warm place (80° to 85° F.) until light, about 1 hour.
Bake in moderate oven (375° F.) for 25 to 30 minutes.

QUICK TO MAKE
Pies have a flaky crust that melts in your mouth—you'll notice ingredients blend more readily with the New and Improved Pillsbury's Best.
Ann Pillsbury's FRUIT CRISPCROSS PIE
Pie crust is golden brown, for 10 minutes, then 6 cups pared, sliced apples, 2 1/2 cups sugar, 1/2 cup flour, 1/2 cup cinnamon, 1/2 cup lemon juice, 1/2 cup butter, 1/2 cup pastry-lined pan and dot with butter.
Cut in 1/2-cup shortening with pastry blender or two knives until particles are the size of small peas.
Add 4 to 5 tablespoons cold water until dough is moist enough to hold together.
Roll out two thirds of dough on well-floured board; fit loosely in pan. Roll out remaining dough and cut in 1/4-inch strips for lattice topping.
Turn... with treated lattice strips; seal ends to bottom crust.
Top... at 450° F. for 10 minutes, then 350° F. for 40 to 50 minutes. Garnish open spaces with cherries.

Death Takes Domei Johnson; News Worker For 40 Years

An era in Rochester newspapering ended early Tuesday morning when Domei Johnson, a colorful figure in the Four Corners area for nearly half a century died in Strong Memorial Hospital after a sickness of two weeks.

Mr. Johnson was employed on the Evening Times and its successor, The Times-Union since shortly after the turn of the century. Widely known among the last two generations of newspapermen and women as Buster, the veteran T-U employe served in the advertising department and had charge of cuts and mats used in the evening paper. His home was at 86 Breck St.

A gentleman of the old school, Mr. Johnson's courtesy, loyalty and efficiency were bywords at the Times Square newspaper office and it is one of those harsh turns of fate that the paper he faithfully served for so many years is unable because of the printer's strike to pay him final tribute by publishing his obituary.

He was a past exalted ruler of Flower City Lodge of the Colored Elks and a member of the Knights of Pythias, and the Old Timers Club of the Rochester Gannett Newspapers. Mr. Johnson had no known near relatives.

SUICIDE VERDICT GIVEN IN DEATH OF HOUSEWIFE

A certificate of death by suicide while temporarily insane was issued by Coroner David Atwater in the case of Mrs. Rolda Archer, 56, of 42 Lapham St. who was found in the gas filled kitchen of her home shortly after 5 p. m. Tuesday by her husband, William. Police say Mrs. Archer had opened the gas jets on the kitchen range.

The city ambulance and Rochester Gas and Electric Corporation inhalator were sent to the house but Mrs. Archer failed to respond to emergency treatment. She was pronounced dead

ing among police when they want to find out who is doing the jobs they can find out—if the heat really goes on.

So it is whispered around town that if some of the captains want to stay on the force they will call in their men and read the riot act. And then the arrests will follow.

But there are those who say all this is too late now. Arrests are down and blood pressure of the big shots at Republican Headquarters is up. And this must be said: When Tom Broderick wants action he gets it! Witness the break up of the picket line during the City Workers' flare-up—eh, Chief? It is said Uncle Tom is mad and the fur will fly.

In New York some detectives were broken back to uniform. Some high officers' heads went into the basket. In Rochester, the commissioner doesn't have to resort to the use of health examinations to retire some of the precinct captains and other big shots in the department if the political nod is given. Several have already served on the force over the required number of years and are past the retirement age.

Even among the policemen themselves there's a feeling that the department needs discipline to bring it back to the high place it once held. When the commissioner was in the sheriff's office he was feared and he got action!

It's probably even beyond the realm of possibility, but if the somebody who counts would untie Commissioner Woods' hands, observers believe he could give Rochester a real police department that would be up on its official toes 24 hours a day.

FIRE TRUCK . . .

store but none was injured. The fire truck shattered a large plateglass window. Two firemen, George Witt, of 640 Ave. D, and James Goggins, of 9 Waldo St., suffered slight injuries. Neither Mandel nor Chester Villa, of 513 Jay St., driver of the dump truck were hurt.

Police said the crash which started all the trouble involved cars driven by Mrs. Elizabeth Copeland, of 51 Curtis St., and Douglas Rines, of 1718 St. Paul St. It was Mrs. Copeland's car which burst into flames after the crash.

A second fire engine sent to extinguish the fire after Engine 5 came to ground.

A CHRISTMAS TOAST

To a joyous Yuletide,
Blest once more
With gaiety and mirth—
A toast—a hope—
That men restore
A lasting "Peace on Earth!"

The American Standard of Giving... the Finest

ON THIS CONTINENT, it is an 89-year-old Christmas tradition to give Seagram's... and to set aside at least one treasured Seagram's bottle for the Christmas celebration at home.

Which of these four Seagram's masterpieces you will decide to give—or serve — is a matter of taste. However, of these things you can be sure:

Each is the finest of its type. Each has the glorious flavor and matchless smoothness that come from the uncompromising maintenance of pre-war quality.

Each is a gift you can be proud to give!

Give Seagram's and be Sure of the Finest

Only the Finest is Fine Enough for Christmas

SEAGRAM'S V.O. CANADIAN WHISKY at its glorious best! Gives you the world's highest highball! A blend of rare selected whiskies, 86.8 Proof, 6 years old.

SEAGRAM'S 7 CROWN Seagram's finest American Whiskey—designed for your pleasure today, tomorrow and always. Blended Whiskey, 65% Grain Neutral Spirits, 86.8 Proof.

SEAGRAM'S 5 CROWN Famous for lightness, smoothness and rare delicacy of flavor. Blended Whiskey, 72½% Grain Neutral Spirits, 86.8 Proof.

SEAGRAM'S ANCIENT BOTTLE An "American Original"... the color of fine vintage champagne... for the world's dryest Martini. Distilled from grain, 70 Proof.

Heavy Money Offers May Break Up Royals

Local basketball fans, of whom none is more rabid, that court teams in rival leagues, playing to big money, will steal the talent of the Rochester Royals, singly and collectively, and again place Rochester in the basketball limbo.

Jobs in rival circuits, searching in a depleted market for football talent, are looking envious eyes at Les Harrison's Royals, still champions of the basketball world. Here the Royals, all fat and happy, and to the big city courtiers, they appear ready to be plucked.

The city slickers say that Harrison cannot afford to pay big salaries that they will raise with the support of metropolitan populations, and in Rochester the veteran

Indeed he pays his players lots more money than do the Rochester Red Wings pay their talent in the International (baseball) League.

Whether or not Harrison could keep up this salary pace forever is a question. Rochester is a top basketball town, but its population in comparison

with major league towns, now supporting court teams in the league, is small indeed.

Harrison, as a sports promoter, is a real gambler, and takes big chances. To date he has been well supported for local fans sensed from the start that Harrison was very much in earnest.

Common Juice Recipe

Weeks Rheumatic Pain Quickly

the suffer from rheumatic arthritis or pain, try this simple inexpensive home- made remedy. It is a powerful anti-inflammatory compound, a two-week supply. Mix 10 with a quart of water, add 1/2 tsp. of lemon juice. It is easy. No trouble at all. You need only 2 tablespoons three times a day. Other widely used home remedies are: 1. 1/2 tsp. of aspirin, 2. 1/2 tsp. of bicarbonate of soda, 3. 1/2 tsp. of calcium chloride, 4. 1/2 tsp. of potassium permanganate, 5. 1/2 tsp. of sodium bicarbonate, 6. 1/2 tsp. of sodium chloride, 7. 1/2 tsp. of sodium phosphate, 8. 1/2 tsp. of sodium sulfate, 9. 1/2 tsp. of sodium carbonate, 10. 1/2 tsp. of sodium acetate, 11. 1/2 tsp. of sodium citrate, 12. 1/2 tsp. of sodium borate, 13. 1/2 tsp. of sodium silicate, 14. 1/2 tsp. of sodium molybdate, 15. 1/2 tsp. of sodium selenate, 16. 1/2 tsp. of sodium tellurate, 17. 1/2 tsp. of sodium vanadate, 18. 1/2 tsp. of sodium fluoride, 19. 1/2 tsp. of sodium bromide, 20. 1/2 tsp. of sodium iodide, 21. 1/2 tsp. of sodium chloride, 22. 1/2 tsp. of sodium sulfate, 23. 1/2 tsp. of sodium phosphate, 24. 1/2 tsp. of sodium carbonate, 25. 1/2 tsp. of sodium acetate, 26. 1/2 tsp. of sodium citrate, 27. 1/2 tsp. of sodium borate, 28. 1/2 tsp. of sodium molybdate, 29. 1/2 tsp. of sodium selenate, 30. 1/2 tsp. of sodium tellurate, 31. 1/2 tsp. of sodium vanadate, 32. 1/2 tsp. of sodium fluoride, 33. 1/2 tsp. of sodium bromide, 34. 1/2 tsp. of sodium iodide, 35. 1/2 tsp. of sodium chloride, 36. 1/2 tsp. of sodium sulfate, 37. 1/2 tsp. of sodium phosphate, 38. 1/2 tsp. of sodium carbonate, 39. 1/2 tsp. of sodium acetate, 40. 1/2 tsp. of sodium citrate, 41. 1/2 tsp. of sodium borate, 42. 1/2 tsp. of sodium molybdate, 43. 1/2 tsp. of sodium selenate, 44. 1/2 tsp. of sodium tellurate, 45. 1/2 tsp. of sodium vanadate, 46. 1/2 tsp. of sodium fluoride, 47. 1/2 tsp. of sodium bromide, 48. 1/2 tsp. of sodium iodide, 49. 1/2 tsp. of sodium chloride, 50. 1/2 tsp. of sodium sulfate, 51. 1/2 tsp. of sodium phosphate, 52. 1/2 tsp. of sodium carbonate, 53. 1/2 tsp. of sodium acetate, 54. 1/2 tsp. of sodium citrate, 55. 1/2 tsp. of sodium borate, 56. 1/2 tsp. of sodium molybdate, 57. 1/2 tsp. of sodium selenate, 58. 1/2 tsp. of sodium tellurate, 59. 1/2 tsp. of sodium vanadate, 60. 1/2 tsp. of sodium fluoride, 61. 1/2 tsp. of sodium bromide, 62. 1/2 tsp. of sodium iodide, 63. 1/2 tsp. of sodium chloride, 64. 1/2 tsp. of sodium sulfate, 65. 1/2 tsp. of sodium phosphate, 66. 1/2 tsp. of sodium carbonate, 67. 1/2 tsp. of sodium acetate, 68. 1/2 tsp. of sodium citrate, 69. 1/2 tsp. of sodium borate, 70. 1/2 tsp. of sodium molybdate, 71. 1/2 tsp. of sodium selenate, 72. 1/2 tsp. of sodium tellurate, 73. 1/2 tsp. of sodium vanadate, 74. 1/2 tsp. of sodium fluoride, 75. 1/2 tsp. of sodium bromide, 76. 1/2 tsp. of sodium iodide, 77. 1/2 tsp. of sodium chloride, 78. 1/2 tsp. of sodium sulfate, 79. 1/2 tsp. of sodium phosphate, 80. 1/2 tsp. of sodium carbonate, 81. 1/2 tsp. of sodium acetate, 82. 1/2 tsp. of sodium citrate, 83. 1/2 tsp. of sodium borate, 84. 1/2 tsp. of sodium molybdate, 85. 1/2 tsp. of sodium selenate, 86. 1/2 tsp. of sodium tellurate, 87. 1/2 tsp. of sodium vanadate, 88. 1/2 tsp. of sodium fluoride, 89. 1/2 tsp. of sodium bromide, 90. 1/2 tsp. of sodium iodide, 91. 1/2 tsp. of sodium chloride, 92. 1/2 tsp. of sodium sulfate, 93. 1/2 tsp. of sodium phosphate, 94. 1/2 tsp. of sodium carbonate, 95. 1/2 tsp. of sodium acetate, 96. 1/2 tsp. of sodium citrate, 97. 1/2 tsp. of sodium borate, 98. 1/2 tsp. of sodium molybdate, 99. 1/2 tsp. of sodium selenate, 100. 1/2 tsp. of sodium tellurate, 101. 1/2 tsp. of sodium vanadate, 102. 1/2 tsp. of sodium fluoride, 103. 1/2 tsp. of sodium bromide, 104. 1/2 tsp. of sodium iodide, 105. 1/2 tsp. of sodium chloride, 106. 1/2 tsp. of sodium sulfate, 107. 1/2 tsp. of sodium phosphate, 108. 1/2 tsp. of sodium carbonate, 109. 1/2 tsp. of sodium acetate, 110. 1/2 tsp. of sodium citrate, 111. 1/2 tsp. of sodium borate, 112. 1/2 tsp. of sodium molybdate, 113. 1/2 tsp. of sodium selenate, 114. 1/2 tsp. of sodium tellurate, 115. 1/2 tsp. of sodium vanadate, 116. 1/2 tsp. of sodium fluoride, 117. 1/2 tsp. of sodium bromide, 118. 1/2 tsp. of sodium iodide, 119. 1/2 tsp. of sodium chloride, 120. 1/2 tsp. of sodium sulfate, 121. 1/2 tsp. of sodium phosphate, 122. 1/2 tsp. of sodium carbonate, 123. 1/2 tsp. of sodium acetate, 124. 1/2 tsp. of sodium citrate, 125. 1/2 Football Bribe Try Lands
Gambler In N. Y. Cell

New York police and National League football officials are trying to see to it that there will be no further phandering in the way of bribes, money under pillows and further association with bad gambling persons to sully the reputations of pro football players. Alvin J. Paris of Manhattan, confessed would-be "fixer," of the championship play-off last Sunday between the Chicago Bears and the New York football Giants, was under \$28,500 bail to insure his appearance to answer a bribery indictment on two counts by the grand jury. It was reported a higher bond would be asked before Paris gains release.

The indictment charges that Paris made direct bribe offers to Merle Allison Hapes and Francis Joseph Filchock, leader of the Giant players.

Hapes was barred from the play-off contest which the Bears won last Sunday, 24 to 14, the precise margin pre-game bookmakers had set. Filchock, permitted to play, threw the forward passes that accounted for his team's two touchdowns.

BILLY EVANS
ACCEPTS DETROIT
TIGER 'DESK JOB'

The well known Billy Evans, former American League umpire, who has given many talks to Rochester audiences, and lately president of the Southern Association, has accepted the post of executive vice-president of the Detroit Tigers. President Walter of Briggs of Detroit announces. Evans has obtained relief of his contract with the association.

He succeeds George Trautman in Detroit. Trautman resigned his Detroit job to become commissioner of minor league baseball.

BEATS
Suction lifts the rug off the
floor. The revolving brush beats
the rug on a cushion of air.
Gets out the deeply imbedded
grime—and grit and sand that
rot the rug.

BRUSHES
The revolving brush sweeps
the surface, and the dirt is
brought to the surface by the
gentle but thorough beating
action. Note the brush adjust-
ment itself in the thickness of the
particular rug it's cleaning.

BANISHES
The super-powered 1/2 H. P.
electric motor sucks up all the
dirt, and only the dirt, into
the easy-to-empty filter bag.
Rugs are cleaner and last
years longer.

PALACE LISTS VERY 'HORSEY' TWIN BILL

The RKO Palace opens today with a gala twin feature program listing "Black Beauty" and "The Westener". The program will continue thru Monday December 23rd.

Ever since the movies began their flickering saga, horses have galloped across thousands of screens, playing a not inconsiderable part in helping the greatest popular form of entertainment.

In the good old Western pictures, the horse was just as important to many stories as the human actors. Many steeds, notably Tom Mix's Tony, became famous figures.

Recently there has been a new cinematic trend toward pictures dramatizing the horse, with "My Friend Flicka," "Thunderhead" and the bucolically nostalgic "Home in Indiana." And, of course, have been innumerable films about fleet race horses and little jockeys with hearts of gold.

So it was inevitable that "Black Beauty," Anna Sewell's classic horse story—indeed, the granddaddy of all equine sagas—should be filmed. The heartwarming screen version of the best selling (with the exception of the Bible) features Mona Freeman, Richard Denning and Evelyn Ankers.

Against the colorful and adventure-filled background of the Old West, in the days when justice was administered at the point of a gun and roistering Judge Roy Bean loomed as the "Law West of the Pecos," Samuel Goldwyn's "The Westerner," with Gary Cooper in the title role, is the companion feature.

TWO MUSICALS LISTED FOR REGENT SCREEN

Romantic John Payne and lovely June Haver are co-starring in the whimsical fantasy "Wake Up and Dream", new Technicolor feature which yesterday opened its first Rochester showing at the Regent.

Although there are musical sequences the film also has a strong dramatic theme dealing with the efforts of a small girl, played by Connie Marshall of "Sentimental Journey" note, to locate her brother who was lost

Thieves Take City Bus For Country Drive

Rochester's growing crime waves of thefts and burglaries was topped early yesterday morning when one of the large buses of the Rochester Transit Corp. was stolen from the State St. barns at 3 a. m. Police first became aware of the almost unbelievable story when an unidentified resident of Henrietta, N. Y. called the Main 59 operator at police headquarters at 5 a. m. to report a bus crash in East River Road near River Meadow. Upon investigation by a city police patrol car operator it was discovered that the bus involved in the crash was a city transit vehicle and had been badly smashed up. The surprised policeman, after regaining his composure, also saw three men nearby standing beside a car. Several versions of what happened next have filtered through official sources. According to Assistant Detective Chief Emil Lambiasi, the men, Thomas B. Cragg, of 15 1/2 Evergreen St., Harold Schaknowski, of 447 Joseph Ave. and John Pike, of 217 Pool St., were brought to headquarters for questioning. Schaknowski was removed to Strong Memorial Hospital for treatment of head and knee injuries and then brought back to the Exchange Street Station. The trio told police they were driving along the highway when they saw the bus driver turn down River Meadow where he discovered it was a dead end street. They claim he then backed out and in the process drove their car into a ditch. The bus struck a telephone pole. Windows and fixtures of the bus were deliberately smashed and thoroughly broken said police. Later police said they found a set of brass knuckles in the car which added to official suspicion and resulted in the trio's appearance in city court yesterday on charges of vagrancy. They pleaded innocent and the case was adjourned to allow police to investigate further. Detectives learned the bus had been stolen from the rear of the transit company barns and that it had been loaded with gas — ready for an early morning run — but not up the non-existent East River Road route.

Thieves Get Cash Haul In Grill
Another stop on the "crime parade" of thievery plaguing Rochester was reported by police Monday when they investigated a robbery at a grill at 945 Genesee St. During the night, police reports show, thieves forced a rear window of the grill, took \$30 from a juke box, between \$100 and \$140 in change and 500 pennies. Then the thieves went to a rear room occupied by a veterans club and picked up \$45 in cash.

Short Circuit Causes \$25 Damage To Auto
A short circuit in the wiring system set fire to a car owned by Irving Humphrey of 79 Glen dale Pk., while he was driving in Ames St. near Danforth Tuesday afternoon. A box alarm brought firemen and Battalion Chief Adolph May to the scene. Damage was estimated at \$25.

Christmas Is Coming---Do You Want To Spend It With Your Family Or In The Cemetery? Don't Jaywalk!
34 Pedestrian Deaths Already In Rochester This Year. You May Be Next If You Don't Watch Your Step!

City Awaits Gayest Yuletide Celebration Since Pre-War Days

With all but the raveled ends of record size gift lists filled, Mr. and Mrs. Rochester and their Santa-anticipating juniors today turned to final preparations for the gayest Christmas holiday celebration since 1939.

While harried postal workers dug away at ceiling-high heaps of mail and tired store clerks bolstered their courage for the last-minute onrush of frantic shoppers looking for "something for Aunt Minnie," family life turned to the job of eyeing and buying a suitable balsam, spruce or pine tree around which to center the home decorative scheme. And patience-trying gift wrapping sessions were in order in most homes today.

Yes, Christmas is Wednesday! In repetition of the age-old custom patterned after the Magi who, after the birth of Christ nearly two thousand years ago visited the newborn King to offer gifts, Rochesterians will interrupt the daily routine of life Christmas Day to join their family circles around the gaily decked tree and the festive holiday table.

Several of Rochester's traditionally beautiful Christmas trees are missing from the holiday scene this year as a direct result of the tragic hotel fire in Atlanta, Ga., two weeks ago.

They are the hotel trees, giant lobby "spectaculars." Because of the inflammable quality of Christmas trees, and because the Rochester Fire Department is overlooking no possibilities to avoid such a fire here, the managements of the hostilities were requested to eliminate the trees this year, Deputy Chief Thomas Coates announced.

"Some of the traditional color will be missing," Chief Coates said, "but what is that compared to the saving of lives?"

Indications that many residents of the area were "going home for Christmas" were evident in the heavy crowds which began last night to fill every plane, train and bus out of the city. According to Frank M. Courneen, Division Passenger Agent of the New York Central Railroad, the peak rush on trains will be reached Tuesday afternoon. All reserved seat trains have been sold out for weeks and airlines operating out of Rochester's Municipal Airport are besieged.

JURY GIVES MAN \$1500 FOR NECK INJURIES

A Supreme Court jury has awarded \$1,500 to Charles F. Siebert, 53 Newcomb St., who suffered a neck injury in a two-car crash Jan. 18 in Duram Street. He sued Rudolph Straff, 1 Amherst St., owner and operator of one of the cars.

Siebert was a passenger in the other car, which was operated by his son, Edmund. Sidney J. Salzman represented the plaintiff. Justice John C. Wheeler presided at the trial which ended late Wednesday.

RUN DOWN BY CAR IN PARKING LOT

Run down by an automobile from which he had just alighted, John Harris, 3 of 250 Taft Ave., Irondequoit, sustained cuts and bruises Thursday. It happened at a parking station at 100 St. Paul St.

Police said that he and Mrs. Stella Barrett, of 58 Chesterfield St., had alighted from a car operated by Joseph Karchesky, of 81 Strong St., when the accident occurred. Harris was treated at Highland Hospital.

Two Arraigned for Radios, Tire Theft

Police cleaned up another case of theft this week when John Nameth, 22 of 148 S. Fitzhugh St., and Daniel Penna, 21 of 22 Wentworth St. were arraigned in City Court on the charge of first degree grand larceny and criminally receiving stolen property respectively.

According to Detective Chief Edward Collins, Nameth and Penna, 202 East Ave., is charged with having broken into the supply store early Wednesday morning and stealing 22 radios, valued at \$1,121 and two automobile tires, valued at \$50. For

with would-be passengers for every flight. Many charter trips have also been scheduled by other plane operators in the area. Greyhound, Blue Bus and the Valley Bus Line companies are running extra equipment to handle the influx of holiday travel patrons.

Religious celebration of the holiday will begin at midnight services in many city churches. Impressive rites of Solemn High Mass, scheduled in all Catholic Churches are expected to draw the usual overflow crowds attending the midnight rites. Plans have been made to broadcast services from Old St. Mary's Church in Washington Square from midnight to 1 a. m. on station WHEC. The Rev. George F. Kettell, pastor, will say the Mass and the Rev. Francis E. Hesten will narrate for the radio audience.

Special services have been scheduled Tuesday night and Christmas Day in many Protestant Churches and the choirs of several well known churches in hospitals and charitable institutions. In the business world, Rochester's retail stores still echoed a merry tune ring on cash registers during the shopping season. Latest reports from leading merchants show that total volume sales were some 25 per cent ahead of last year. Several indicated their final figures would boost that percentage even higher. The comparison with other New York State cities was extremely favorable, businessmen said.

Meanwhile, students in Rochester's public and parochial schools, the University of Rochester and the Rochester Institute of Technology were already enjoying Christmas vacation. Secondary schools closed Friday and the U. of R. terminated for the holidays yesterday and will begin again on Jan. 6 also, as will those at the RIT. A high point in the university's celebration came Friday night when the entire student body joined in a program in Strong Auditorium.

POLICE CHECKING FIREBUG THREAT

Rochester and Irondequoit police are keeping a wary eye on buildings of the Charlotte Fuel Co., at 377 Latta Rd., after Jewel Pfahel, an employee of the concern reported a woman had phoned and threatened to "burn the place down at 4:30 a. m. Friday." Even though Friday passed with the building still intact, police are trying to make sure that the caller doesn't carry out her threat at a later date. Meanwhile city detectives are investigating the call.

\$1500 AWARD SETTLES CAR CRASH SUIT

Mrs. Betty W. Sherman, 19 of 319 Clay Ave., was awarded \$1,500 in Supreme Court suits as a result of a two-car crash June 15, at St. Paul and Bausch Sts. Mrs. Sherman and her husband, who sought medical expenses, sued Martin Frysolinski of Sayre, Pa., owner and driver of the car. The other was owned by Sherman and operated by his wife, Justine Lewis A. Gilbert. Approved a \$600 settlement for Mrs. Sherman's injuries and the husband accepted a \$900 compromise of his suit. Jacob L. Rubenstein represented the plaintiffs.

Chance Visit Saves Child, Alone In House, From Fire

Timely visit by a relative to the home of Allen Shields at 31 Ellicott St. late Friday afternoon was credited with averting the possible loss of a child's life in a \$1200 fire. Battalion Chief John Mueller reported that Allen, Jr., 6, alone in the house, discovered a fire in the cellar just as his aunt, Genevieve Shields, of 751 Parsells Ave., arrived on an unexpected visit. The boy hurriedly took his aunt to the cellar and showed her the flames. She hailed a passerby who turned in a box alarm and then she and the boy escaped from the house before firemen arrived.

Hurts Head In Subway Fall

James W. Curran, 52 of 11 Jessie St., fell on the subway steps at Broad and Exchange Sts. Thursday and suffered head injuries. Witnesses said that he fell from the top step of the first landing. He was taken to Strong Memorial Hospital.

Neighbors Balk Apartment Project On Hale Home Site

The Emil Muller Construction Company's proposal to build a garden-court group of eight apartment houses on the site of the old Hale home, 1059 Lake Ave., now being razed, met with a storm of protests at a City Zoning Board of Appeals hearing Thursday. Decision in the case was reserved.

Neighbors Balk Apartment Project On Hale Home Site

One woman, who said she owned a nearby four-family apartment house, objected on the grounds that children of the proposed apartment tenants would not be confined to the play areas and would run all over the neighborhood. She also feared that tenants would have their washing lines strung across the street.

Above is the architect's sketch of the proposed garden court apartments which Emil Muller, contractor, seeks to build at the corner of Lake Ave. and Birch St. on the site of the old Hale home. Architects are R. E. VanAlstyne and Don Hershey.

POLICE NAB THREE FOR WILD BUS RIDE

City Bus Stolen, Smashed, Ditched After 'Rerouting'

Rochester's stolen bus mystery which began with a wild ride through West Side streets early Wednesday morning was marked "solved" in police records today and three young men are awaiting Grand Jury action on charges of first degree grand larceny as a result.

According to Detective Chief Edward Collins and Assistant Detective Chief Fred Lambase, the case was broken when Thomas Tuttle, a taxi driver, filled in his journal puzzle with several missing pieces of information.

\$1750 AWARDED IN WOMAN'S CAR DEATH

Surrogate G. Robert Witmer, Friday authorized settlement for \$1,750 of a Supreme Court suit over the death of Mrs. Anna Ryan, 1300 Catterline Rd., Brighton, which occurred last Feb. 9, a week after she was hit by an automobile in the West Henrietta Road, Brighton.

Mrs. Emma Levinson, 491 Cottage St., sister of the highway victim, brought the suit as administratrix of Mrs. Ryan's estate, against George Henry River, 405 Western Dr., Cheon Robinson was attorney for the estate.

CAR ACCIDENT RESULTS IN \$50 FINE FOR DRIVER

Four more pedestrians were patients in local hospitals yesterday as the result of an accident Thursday, involving a car driven by Langston F. Kelo, 508 Orleans St. The accident occurred on North St. near Grove.

COUNTY OFFICER MAKES BID FOR WAR TRIAL POST

Col. Abram Jones, chief county probation officer has applied for duty as a civilian war trials prosecutor in the Philippines. He expects a response by Jan. 1, and has requested a year's leave of absence.

WOMAN GIVEN PRISON TERM FOR MANSLAUGHTER

Martha Walker, 34 of 86 Hudson St., was sentenced Thursday by County Judge James P. O'Connor to 5 to 10 years in Westfield State Prison, Bedford Hills, for first degree manslaughter in the fatal killing of Rosabelle Leister, 40, of the same address, Sept. 29.

Hopes Slim For 'White Christmas'

Tommy and Mickey won't have a chance to try out their skis and skates Sunday brings them Christmas Day, the Weathermen declared late last night. The light snow that fell throughout the day may continue in the early part of the week, the Weather Bureau reports in its forecast, but it will not be enough to provide sliding.

Cash, Bonds Stolen

Mrs. Dorothy Heier, 65 Marshall St., reported to police that burglars entered her home sometime Thursday morning by an unlocked kitchen door and that \$325 in U. S. War Bonds had been taken from a dresser.

Bus Bump Hurts Head

Marvin Huber, of 14 Cornington Rd., Irondequoit, suffered head injuries when the car he was driving collided with the rear of a Rochester Transit Corp. bus early Friday morning. The bus was operated by Merle C. Eby, of 134 Berlin St.

Two Hurt By Truck

Two women were injured early Thursday afternoon when struck by a truck which police said was driven by Richard Schenckler, 17 of 17 Kitchland St. Transported by their family doctor were Mrs. John Mazza and Mrs. Robert Schreder, both of 403 Hayward Ave.

**Alexander Beebee Heads
Rochester Gas & Electric**

A home town boy, born and reared in the city of Rochester, became president of one of its largest industries when Alexander M. Beebee was elected to that office of the Rochester Gas and Electric Corporation. Beebee succeeds Herman Russell, who was elected to the post of chairman of the board, vacated by Edward G. Miner who held it for nearly 15 years. Miner becomes chairman of the executive committee.

Alexander M. Beebee

Beebee was born in Rochester in 1893, attended East High School and was graduated from Cornell University with the degree of Electrical Engineering in 1915. He entered the employ of the R. G. & E. in January, 1916 as a cadet engineer in the gas manufacturing department and has been with the company ever since. In 1921 he was made assistant superintendent of gas manufacture and in 1927 became general superintendent. In December 1944 he was made vice president in charge of gas operations for the local utility. Beebee has long been regarded as one of the foremost gas engineers of the country and has filled many important posts in the American Gas Association. He resides at 2562 Highland Avenue.

Russell was born in Marquette, Michigan in 1878 and attended the public schools there. He entered the University of Michigan at the age of 16 and was graduated with a B.S. degree in 1898. Following post-graduate work in chemistry and gas engineering he won his master's degree in 1900. He came to Rochester as assistant superintendent of the gas works. He was made assistant general manager in 1914, general manager in 1919, vice president in 1922 and president in December, 1929. He served as president of the American Gas Association, the highest post in the industry, in 1937. His home is at 101 Brookside Dr.

Miner has served as chairman of the Board of Directors of Rochester Gas and Electric since July 1932 and has been Chairman of the Board of Pfaunder Company since retiring as President some years ago. In 1946 he was awarded the Rochester Civic Medal for outstanding contributions in the field of industrial science and as a distinguished patron of the arts and sciences. He has served as chairman of the Board of Trustees of the University of Rochester and as head or director of many civic organizations.

**HOPES DIMMED

RACE TRACK**

The proposed new running track of the New York Racing Association, planned for the outskirts of Buffalo, may never materialize, according to Louis A. Wehle, Rochester Democrat, that issued in proportion to each stockholder's cash investment. The original plan called for the Buffalo investors to put in more money than the Rochester investors.

Mr. Wehle says that the Rochester investors will meet soon, and later there may be a joint meeting of Rochester and Buffalo men.

The most curious things happen in motor car accidents. When a truck driven by Peter Coleman, of 52 Baycliffe Dr., and a sedan, operated by Valentine Eugene Wiegand, of 1160 Washing-

ton St., Spencertown, collided at the corner of Kirkland and Wallington Aves., one of them jumped the curb and Paul Graf, 17, of 24 Salina St., and Don Daily, of 451 Garden Ave., were both hit and taken to St. Mary's Hospital.

Managers in Forum

The National Office Management Association, Rochester chapter, held a debate and forum on "What Are Our Office Employees Thinking About?" at 8:30 p.m. Monday evening at the Hotel Severn.

Sun-Exposed 'Phoney' Sends His Apology

George E. Caraker, that cute little character who was exposed by The Sun several weeks ago as a complete "phoney" is back in the news again.

Caraker spoke before the Commerce Club here several weeks ago and gave his heavers, much alleged "inside dope" on the vet-erans, the press, radio and the flamatory. Caraker claimed to be, among other things, a war correspondent, a journalist, re-searcher, etc. but The Sun quickly destroyed that illusion by publishing his real record, which was, to say the least, "scanty."

Prior to his Rochester visit, Caraker had spoken before a large high school group in Buffalo and a riot resulted in his remarks there. From Rochester he went to Danville and several other southern tier cities, much to the discomfort of his audience in those cities where he spoke.

Now swerving to word from Buffalo, he has apologized to that city through its newspapers in a semi-robotic statement mailed to the Buffalo papers from Erie, Pa. Caraker said that it was written "not to create a defense but as an apology to the people of Buffalo for the Nov. 12 episode (riot) resulting from his speech."

Caraker also aroused the suspicions, as well as the animosities of school officials in Danville when he spoke at the high school there. Two days after his speech a copy of The Sun reached that city, exposing the phony "war correspondent."

This week "The Searchlight" newspaper of Danville High School reprinted The Sun's report of Caraker's character.

Now the people of Rochester and Danville, alike, are awaiting their apology from Caraker.

**BRYAN RENAMED
CIVIL SERVICE
ASS'N. PRESIDENT**

Hiram E. Bryan again heads the Rochester and Monroe County Civil Service Association. Other officers reelected were: vice-president, Miss Anne Miller; financial secretary, Earl Gan; recording secretary, John H. Spillberg; and treasurer, Herbert Zolliweg.

The association announced that it is backing statewide legislation to reduce the minimum retirement age from 60 to 55, to eliminate the existing 10 per cent disability penalty for disability retirement and eliminate the 80-year-age limitation on accidental disability. It is also backing half pay retirement at the end of 30 years instead of the present 35 years of service and improvement benefits at the end of 30 years at death.

**OLD LAW BOOK CONCERN
HAS NEW OWNERS**

Four former executives of the Williamson Law Book Co., have bought all outstanding stock of the company which was formed by William A. Williamson in 1870. Control and management of the company was continued by two of Mr. Williamson's sons, the late William H. Williamson and the late Harry A. Williamson.

New owners and managers are: Howard W. Gallagher, president, of 28 Castleman St.; Edward T. Osborne, vice-president, who resides at Woodmere, L. I.; Willard E. Owen, treasurer, who resides in Cortland; and James W. Dwyer, Jr., secretary of Genesee.

The late Harry A. Williamson was the last member of the Williamson family to be directly associated with the Williamson Company, Clifton P. Williamson, a brother, is an attorney in New York.

FIRST CIGARETTE ROLLER
Oscar W. Allison, a Rochester tobacco manufacturer in 1880, invented the first cigarette rolling machine. It produced 150 cigarettes a minute.

**WIFE OF RESTAURANT
OPERATOR PASSES AWAY**

Funeral services for Mrs. Anna Cohen, who, with her son Jack, operated Hohen's Restaurant at 315 Joseph Ave., were held Thursday morning at Parsky Funeral Home, 1120 St. Paul St.

Mrs. Cohen died early Wednesday after a long illness.

She began the restaurant business with her husband, the late Morris H. Hohen, more than 30 years ago, and together they established one of the city's leading kosher restaurants. Her reputation as a samaritan was well known and she had an infinite number of friends.

Survivors are a daughter, Miss Fay Cohen; two sons, Arthur and Jack Cohen; and three grandchildren.

Burial was in Workmen's Circle Cemetery on Britton Rd.

A Gift to Wear

WILL BRIGHTEN HIS CHRISTMAS

What he really wants for Christmas is something to wear. Dad, son, sweetheart or brother... give 'em wearables from The National and they'll strut around... happy and proud as peacocks on parade. Your best bet is to get your men's gifts here, in the store that men, themselves, prefer. New varieties are being added every day, so you are still assured of a wide and beautiful selection.

Your Last Minutes Won't Be Lost Minutes at The National!

Here's a Quick-Look List for Hurrying Gift Hunters---Rochester's Largest Variety of Gift Apparel for Men

There'll be real delight in his eyes when they light on any member of our huge neckwear collection (including pure silk ties). There are plain, colors, stripes and small or large figures. Actually thousands of ties to select from.

Neckwear \$1.00 to \$3.50

Good-looking? You bet! He'll get plenty of wear from gloves like these. Choose a pair from among many lined and unlined capeskin, suede, pigskin, deerskin or knitted wool gloves. See our large selection on the Street Floor.

Gloves \$1.95 to \$8.25

He'll be proud to wear the muffler you choose for him from our unusually large and beautiful selection. There are fine woven, knitted or printed mufflers in silk, wool or rayon. A gift that really will make him a happy man!

Mufflers \$1.95 to \$5.00

Something he always needs is shirts. And here you'll find a selection of sport shirts that will truly amaze you in these days of scarcities. A range of colors and sizes you'll be surprised to find. Fresh new socks. See them now!

Sport Shirts \$2.95 to \$10.00

A heart-warming gift for any man is a sweater. And here you'll find pull-overs, sleeveless and cool sweaters in a wide variety. 100% wool. Solids, Argyles, stripes, two-tones. These are real comfort-giving items for any man.

Sweaters \$3.95 to \$10.00

No man ever had too many socks. We have a wide choice of cotton, rayon, pure wool and all-wool hose in solids, stripes, checks and plaids. Buy him a supply! You'll find grand values in all types of hose. Truly an ideal gift!

Socks 50c to \$3.50

Without a doubt, our selection of leather gift jackets for men is the finest in all Rochester. Here you'll find capeskin, ponyskin and goatskin jackets, with full-length zipper fronts. All of them are lined for real winter comfort.

Jackets \$15.95 to \$31.75

Zelan-treated and gabardine loafer coats, in both lined and unlined types. The ideal gift for a man's leisure hours. He'll really appreciate one of these on Christmas morning and for a long time to come. See the large selection!

Loafer Coats \$18.50 to \$35.00

Men's "ski-jamas" are a very popular cold weather sleeping garment. They have knit cuffs and ankles and are designed after the famous ski suits our paratroopers wore during the war. Tossy-warm for these blust'ry nights.

Ski-jamas \$3.50

Our matched gift muffler sets are designed for cold-weather comfort. 100% wool. All plain colors. A sure-fire gift for any man on your Christmas list. Come in and see them now in the Men's Gift Shop on the Street Floor.

U of R Engineer Hailed For Photo Process Lens

Lenses of virtually every description have been produced by Bausch and Lomb Optical Company to meet specific requirements of photographic engineers, scientists, the armed services, Hollywood cameramen, and the like.

One of the latest and most interesting jobs undertaken in production of a large, fast Balcoted lens for a three-dimensional photographic process invented by Douglas P. Winnick, University of Rochester-trained optics engineer.

Winnick's picture-taking method, known as Trivision, was developed after several years' experimental work. Those viewing his pictures find it difficult to believe their eyes, so amazingly true to life is their depth. More amazing still, his photographs are taken with a single lens and do not require the aid of viewing glasses to bring out their startling depth or relief.

The lens closely resembles the headlight on a locomotive, measuring eight inches in diameter when mounted.

To obtain maximum depth or relief, the camera is designed so that it moves across or scans the subject laterally. The film, too, is moved during exposures. The results are said to be something as which to marvel. When you view an ordinary portrait for instance, it looks the same whether you stand directly in front of it or off to one side. Not so with Trivision pictures which provide an astonishing sense of depth. It is actually possible to see around and beyond objects as you change your position or angle of view.

The possibilities opened up by Trivision are obviously enormous. Not only in portraiture, but in aerial reconnaissance, motion pictures, X-Ray and clinical work will the effects be of great value. Its inventor says additional work is under way to adapt it

to lithographs for use on billboards.

The young, stocky optics engineer, who visited Bausch & Lomb in search of a lens that could meet requirements for the Trivision camera, reportedly has sold an option on movie rights. Manufacturers wishing to know about licenses have besieged him with inquiries.

TICKET SALE BRISK FOR "MESSIAH"

Ticket sales for Handel's "Messiah," to be presented in the Eastman on Sunday evening, December 29, by the Rochester Oratorio Society, are heavy according to a committee of the Junior Chamber of Commerce in charge of the event.

More than 250 voices will be heard in Handel's inspiring music, supported by orchestra and featuring four soloists: Louis Fisher, Siflavsky, Raeburn Stubbs Ingley, Paul Rubland and Paul Allen. Director will be J. Theodore Hollenbach.

The oratorio is under the joint sponsorship of the Junior Chamber and the Civic Music Association.

CHRISTMAS MUSIC AT CALVARY PRESBYTERIAN

Morning services at Calvary Presbyterian Church today were to be given over completely to Christmas music with the church's 20-voice vested choir offering excerpts from the Christmas Cantata, "The Light Eternal," by Rene Bronner and H. W. Petric. Bernardizzo and Richard Dalbois, of Heidelberg College, appear as soloists. The choir is under the direction of Miss Norma J. Lamson with Clifford Conn as organist.

BARUCH NAMED FOR HONOR BY HEBREW GROUP

Bernard M. Baruch, distinguished philanthropist and present head of the Atomic Energy Commission, was the choice of the medal committee of The American Hebrew published by Joseph Bibien as the person judged to have contributed the

most towards the promotion of better understanding between Christians and Jews in America. Rochester members of the committee are Frank E. Gannett, Harry E. Harris and Dr. Meyer Jacobstein. Mr. Baruch was cited for the honor because of his aid to the late President Roosevelt as well as to President Truman.

BUS RIDE . . .

(Continued from Page 15) This time the police arrived and arrested the man. Lambuse said the ironic part of the case was that the missing watch was found in the men's car where it had been all the time. If the men now charged with theft of the bus hadn't returned for the watch, police admit that the case might have gone unsolved. The police also found a pair of brass knuckles in the car. Damage to the bus including smashed windows and a wrecked interior is listed at some \$900, according to the detective's report. Craig Schalenowski and Pike were arraigned in City Court Thursday on the grand larceny charges after the vagrancy count had been withdrawn and Judge Arthur J. Wilder adjourned the case to Jan. 23 on their plea of innocent. Meanwhile the January Grand Jury will convene and consider the charge.

Damage to the bus including smashed windows and a wrecked interior is listed at some \$900, according to the detective's report. Craig Schalenowski and Pike were arraigned in City Court Thursday on the grand larceny charges after the vagrancy count had been withdrawn and Judge Arthur J. Wilder adjourned the case to Jan. 23 on their plea of innocent. Meanwhile the January Grand Jury will convene and consider the charge.

APARTMENT . . .

(Continued from Page 15) on lines strung outside the buildings. Opposition also was based on the contention that traffic congestion and parking problems would arise. Another objection was that the property values might be devaluated in the neighborhood. Representing Nazareth Academy, 1001 Lake Ave., Attorney Donald J. Corbett entered opposition but said he wanted more time to investigate the plans. Attorney Samuel Berger, owner of an apartment house in the neighborhood, declared he had no objection to the erection of an apartment house, but thought it should have a setback of more than 15 feet. Attorney Walter S. Forsyth also favored the idea, but objected to certain details.

DUFFUS NAMED HEAD OF SAFETY COUNCIL

The Rochester Safety Council held its annual meeting Thursday noon at the Rochester Chamber of Commerce. Roy A. Duffus, past president of the Underwriters Board of Rochester and secretary at the James Johnston Agency, was elected president. Sydney E. Clarke, plant engineer at Hawk Eye Works, Eastman Kodak Company, was named 1st vice president, and Elmer K. Smith, associate Director of Health and physical education at the Board of Education, was elected 2nd vice president.

In the absence of Ernest B. Kowpater, Jr., retiring President, George B. Eates, past vice president, presented the gavel to Mr. Duffus. In accepting the new post, Mr. Duffus said: "Rochester can be just as safe a city as any people want it to be."

BATAVIA TROTS WILL START ON MEMORIAL DAY

The big Batavia trot meet, to which Western New York horse lovers flock each season, known as the Genesee Monroe Racing Association, will open at Batavia Downs, will open at Batavia in 1947, on May 30, Memorial Day, and run to August 9.

So, it may be seen, that Batavia gets a better date next year, the cream, so to speak, and Batavia will be assured of warm weather the entire meet.

The famous stakes, the \$50,000 Hambletonian Stakes, will be run on August 6 at Coakley.

Dates for the New York Harness Racing Commission for 1947 follow:

Old Course Trotting Association, Hamilton Raceway, Waterloo, N. Y., May 22 through July 8 and Aug. 8 through Sept. 20.

Genesee Trotting Association, Batavia Raceway, Batavia, N. Y., May 22 through July 8 and Aug. 8 through Sept. 20.

BEER BOTTLE SHORTAGE BECOMING SERIOUS HERE

A critical shortage of ale and beer bottles is causing concern to local breweries. An appeal is made to the public to cooperate in the emergency by returning empty bottles to dealers when purchasing fresh supplies.

When interviewed, Arthur F. Reed, president of F. E. Reed Glass Co., which supplies bottles to many companies in this area, said:

"Scarcity of soda ash, the basic ingredient used in glass manufacturing is responsible for the acute shortage of bottles."

TWIN FEATURES ON TEMPLE BILL

The RKO Temple opened a gay pre-holiday twin bill program Thursday, featuring "The Housekeeper's Daughter" and "One Million B.C." Hal Roach's hilarious screen-comedy romance, "The Housekeeper's Daughter," filmed from the best-selling novel of the same name by Donald Henderson's son (Clarke), Joan Bennett, again appearing as a dark-tressed glamour girl, and Adolphe Menjou, appearing as a screwy newspaperman, head the imposing cast of "The Housekeeper's Daughter." This film, transferred to the screen from a scenario jointly written by Brian James and Gordon Douglas, was directed personally by Hal Roach, who also staged "Captain Fury." The supporting cast, reading like a blue book of Hollywood topnotchers, includes such prominent players as John Hubbard, William Garvan, George E. Stone, Peggy Wood, Donald Meek, Marj Lawrence. With a cast headed by Victor Mature, Lon Chaney, Jr., and Carole Landis, Hal Roach's great spectacle film drama of prehistoric times, "One Million B.C.," is the companion feature.

DISNEY EPIC—Featuring the holiday bill at the RKO Palace Theatre will be the full-length Walt Disney production "Song of the South."

Roy Rogers 'Epic' On Capitol Screen

The Capitol theater's new bill starting Christmas Day will include the first Rochester showing of Roy Rogers' latest picture "Heldorado."

A hat changed the career of Roy Rogers, King Of The Cowboys.

The story begins on a spring morning in a Hollywood store which specializes in cowboy wearing apparel.

Among the customers were a cowboy actor and a young singer. The young singer was an Ohio farm boy who had a pleasing tenor voice, a second-hand guitar and the ability to ride half-for-leather any horse he had ever seen. He happened as the cowboy actor told Hollywood's latest rumor—that Republic was looking for a new Western star.

Rogers jumped into his car and drove out to Republic Studios. The hat he didn't buy changed the course of his life.

Appearing with Roy Rogers in "Heldorado" are Dale Evans, George "Gabby" Hayes, and the Sons of Pioneers.

The second feature will be "Lady Luck," a comedy, co-starring Robert Young, Barbara Hale and Frank Morgan.

HOLIDAY "MEAL-IN-A-JIFFY"

BREAST-O-CHICKEN TUNA & EGG ON TOAST

"Satisfying—nourishing—quick to prepare"

When you dash home from holiday shopping just one big jump ahead of a famished family, you'll want to have a quick meal like this in mind for immediate serving. You can depend on the rich flavor of Breast-O'-Chicken Brand fancy, solid-pack tuna to make this dish a hit with hungry folks.

TUNA ON TOAST—Serves 4

4 slices toasted bread 2 tbsp. pimiento, chopped
1 can, 1 1/2 Breast-O'-Chicken tuna 2 tbsp. chopped green pepper
1 cup med. white sauce 2 tsp. butter
2 hd. boiled eggs, sliced salt and pepper, parsley

Place chopped pimiento, sliced eggs and chopped green pepper in a stew pan, cook in butter for five minutes. Add tuna, white sauce, salt and pepper, cook until thoroughly heated. Four over buttered toast, garnished with parsley and pimiento strips.

NOW—apple pie twice as easy!

Sensational new Betty Crocker product includes the apple filling besides piecrust mix! Makes superb pie every time.

APPLE FILLING This—

PIE CRUST MIX Plus this—

Pyequick Makes a COMPLETE PIE!

Equals this!

APPLE slices and spice come in the larger carton inside package. Just empty into bowl. Add 1 1/2 cups warm water. Let stand 10 minutes, while you roll out the pastry. Then add 1/2 cup sugar, and your filling will be ready!

About these apple slices. You'll notice they are far different from ordinary, wrinkled dried apples. Only choice pie-making apples are used in Pyequick. They're quick-dried and puffed by a new process, leaving the slices firm, crisp, and with that fresh-apple flavor!

PIE CRUST MIX comes in the smaller carton (Gold Medal Enriched Flour, a special pure vegetable shortening and salt, skillfully combined). Enough for a two-crust 8-inch pie. Just empty into a second bowl. Sprinkle with 1/4 cup cold water. Mix, roll out. Line pan. Add apple filling and top crust. Pie ready for oven in half the usual time!

Betty Crocker assures success!

Tip, remember, is a method developed by Betty Crocker, famous cooking expert, and her General Mills staff. Just follow the simple directions on the Pyequick package, and you can't fail!

Crisp flaky crust every time. Perfect pastry, as the pastry ingredients are absolutely tops. And they come to you correctly proportioned, expertly combined. (Unlike ordinary methods, "over-handling" doesn't matter.)

Apple filling is honey-tasting! Fragrant, spicy, fresh-flavored. The apple slices hold their shape, yet cook up tender. Try this amazing new product. It's just introduced. Ask for Pyequick.

**LETTERS
To The
EDITOR**

As an interested citizen, I wish to draw your attention to your article regarding the Hale house on Lake Ave. The home was built by Charles Burke of the firm of Burke, Fitzsimons, Hone & Co., dry goods merchants. Charles Burke was a bachelor who resided there with his sister and family until his death. The home was purchased by a Charles Baldwin, a broker, who later sold it to Prof. Hale.

Editor, Rochester Sun:
I cannot refrain from indulging in some kind of an epistolary slap on the back, and congratulating you for printing the letter from California in today's (Sunday) issue of the Sun defending the coal miners and Mr. Lewis. On another page, a caption reads: "Eisenhower Urges Development of Broad Information Service." That's my sentiments. But the need is just as urgent as regards our own economic and political life here, as it is in international matters.

Editor, Rochester Sun:
I would like to say a word for the fine service you have given us during these trying days. I have enjoyed especially the fresh and crisp treatment of news items.

fluffy, delicious
mashed potatoes
in just 1 minute

NO WASHING! NO PEELING!
NO COOKING! NO MASHING!

The best mashed potatoes you ever ate, and so easy to prepare you'll want to serve them often. French's Instant Potato is made from top-quality potatoes—precooked for you! Economical, too—never any waste!

Wait until your dinner is ready to serve. Then, to 1 1/2 cups of boiling water, add 1/2 cup of cold milk and 1/2 teaspoon salt.

Remove from heat, stir in quickly and vigorously 1/2 cup French's Instant Potato until light and fluffy. Add butter, pepper to taste.

With French's Instant Potato you can be sure your mashed potatoes will have the same rich flavor, perfect smoothness every time you make them! Always fresh and ready to use. Makes delicious cream of potato soup and French's fried potatoes, too.

Musical With Brazil Locale At Loew's
A tropical tune-and-talent show! That's what movie fans are calling "The Thrill of Brazil," Columbia's lavish Latin American musical now at Loew's. Those who have viewed the film have been praising the all-star cast of Evelyn Keyes, Keenan Wynn, Ann Miller, Ailyn Jody, The Guizar, Veloz and Yolanda and Eerie Madriguera and his orchestra as well as the production numbers which rate attention for excitement and intricacy of design.

Hoot Mon! Scotch Supply Still Tight

Got any good Scotch whiskey at home? If you have you're lucky.
In contrast to the liquor austerity of four years ago, it was thought in Washington, at least, there would be good spirits aplenty in the nation for the Yuletide season with the decontrol of liquor.
But to the disappointment of all, bonded whiskeys and Scotches remain scarce, also bourbons bottled in bond and other fine and aged spirits.
Retailers report there is con-

sumer resistance to present prices, but no more so than for months past.
The industry reports that effects of the suspension of whiskey production in 1942 will be felt for a long time. As for Scotch, they're simply not making enough in the Land of the Heather. The production will not reach normal, they say, for ten years.

Struck By Car
Eleven-year old Nekomis Ober, of 447 Ormond St., suffered lacerations of his right arm and a bruised head when he became involved in an accident Thursday afternoon at Ormond and Kelly Sts. Driver of the car was listed by police as John M. Leckinger, of 31 OK Ter.

Original "Dear Ruth" Cast Coming To Auditorium

"Dear Ruth," the stage comedy which arrives at the Auditorium theater for four performances starting Thursday, Jan. 2, comes to Rochester with an impressive background. The Norman Krasna hit leaves its Broadway tenancy after three years of capcity business.

The producers have created eight companies of this distinguished comedy. Six were sent out to entertain troops throughout the world. "Dear Ruth" has already been seen in army camps from Berlin to Tokyo.
Of course the play was sold promptly in the movies. Paramount Pictures offering more than half a million dollars for the rights.
At the moment there is a company of "Dear Ruth" in Argentine playing in Portuguese, and a company playing in Australia.

The story concerns a typical American family living in Long Island. The placid tenor of its way is rudely disturbed because the youngest daughter—a hobby-hunter—has had the happy idea of writing morale-lifting love letters to an alien overseas. The simple fact that she happens to sign her older sister's name and encloses the latter's photograph results in a complicated state of affairs when the flyer returns home on leave and wants to see his beloved "Ruth."
It is the original production and a brilliant cast which comes to the Auditorium theater. The title role is played by Anne Henderson with the male lead played by Anthony Carr.

TITLE ROLE—Anne Henderson plays the role of "Ruth" in the play "Dear Ruth" coming to the Auditorium for three days beginning Thursday, Jan. 2.

Masonic Group Comedy Pleases

A capacity audience was pleased at the opening of "Western Union, Please," at the Auditorium under auspices of Masonic Service Bureau. The comedy, which deals with family life, closed last night after a three-day run.

Danny Daley had been declared legally dead after a disappearance of ten years, but just as a memorial service is to be given for him he reappears as a messenger boy, and then the fun began.

Rodney Himes as Jennie was superbly always being in perfect character. Her timing was distinctly professional. Stanley Arend's Danny and Miss May Hochster's Aunt Aurora were also tops. Both are experienced performers. They read their fast comedy lines with telling effect.

Definition of bathing beauty: A girl worth wading for.

INSIDE HOLLYWOOD
Orson Welles would like to buy from RKO the footage he shot for "It's All True," the film which caused the titanic battle with the studio and his eventual eviction in July, 1942. He wants to complete the picture just to prove he was right, but he insists that RKO had dissipated all bitterness between him and RKO.

Since his release from the Navy about a year ago, Eddie Albert has completed four pictures and started on his fifth, "Time Out of Mind," for Universal-International.

Lionel Barrymore To Portray "Scrooge" Role

Lionel Barrymore, continuing one of radio's outstanding Christmas traditions, offers his eleventh portrayal of Charles Dickens' "A Christmas Carol" over WHEC Saturday at 8:30 p. m. Barrymore first broadcast "A Christmas Carol" in 1934, and with two exceptions, has repeated it during the Yule season in each succeeding year. Agnes Moorehead, who is heard as Marilly, the Mayor's housekeeper, on Barrymore's "Mayor of the Town" series, is cast as Mrs. Bob Cratchit, and Conrad Binyon, featured as the Mayor's ward, has been assigned another important supporting role in the Dickens classic.

Story of Circus Listed For Eastman Child Theater

"Under the Lilacs" next young people's play to be presented at the Eastman Saturday, January 11, 2:30 p. m., dramatizes the story of Ben, son of a trick rider in a circus, and Sancho, the little boy's dog who can do many stunts. Ben leaves the circus to find his father, who has gone on a horse-buying trip, but he becomes lost and is taken into the home of Betty and Bob Moss, a care-taker's cottage on a large estate. Ben finds a happy life at the Moss home until one day, disaster strikes. Cute little Sancho is stolen. A lengthy search ensues, but it's in vain. Then Sancho, tired, bedraggled, his coat dyed and his tail cropped, turns up after escaping from a traveling dog act. To complete young Ben's happiness, his father comes seeking him, learns how happy the boy is, gives up the circus life and, some months later, marries Mrs. Moss, giving Betty and Bob, as well as Ben, a happy home, complete with father and mother.

Stan Kenton and Band Coming To Arena Thursday

Stan Kenton and his orchestra with featured vocalist, June Christy, will appear at the Sports Arena, Thursday night, Dec. 26. Two years ago Kenton and his men were considered only an "up and coming" band. Today popular music enthusiasts name them as one of the top bands in the land. The music magazines Metronome, Downbeat and Song Hits have given Kenton trophies as the outstanding organization of its type.

STAN KENTON

PRESIDENT TRUMAN TO SPEAK IN YULE TREE CEREMONY

The Christmas Eve address by President Harry S. Truman in connection with the traditional lighting of the Yule tree on the White House lawn will be broadcast by WHAM and WSAY Tuesday at 5 p. m.

The annual ceremony will include music by the U. S. Marine Band and choral singing, and will be presided over by the President. The tree on the South Lawn.

"Santa Claus" Allen To Visit Alley Cast

Fred Allen, genial landlord of Allen's Alley who each year plays Santa Claus on his half-hour comedy show, will again don the merry saint's red and white costume and musings Sunday night at 8:30 over WHAM. Although Allen is a little underweight for Santa's costume, he is even better equipped as a gift bearer—he has a bag beneath each eye.

THE BEST WAY TO SAVE

This hard to get fuel and to keep warm this winter is to insulate your home now. The Spring Sheet Metal & Roofing Co. can do it immediately. Insulation will pay for itself in a short time.

City Sees Bright Outlook For 1947

What will 1947 bring to Rochester and its citizens? As the city stands on the threshold of the New Year, its business, educational and labor leaders look ahead with optimistic and great opportunities for advancement. A cross section of sentiment was expressed yesterday following the short quotations from representative Rochesterians.

For Samuel Baker, executive secretary of the Rochester Federation of Churches: "In 1947, we hope there may be: the resumption of world wide gatherings of Protestant and Orthodox Christians; further steps toward uniting into one National Council of the Churches of Christ in the United States the seven national interdenominational organizations which have grown up during the years, each for a specific service purpose; the first annual Convocation of Pastors initiated by the New York State Council of Churches; and a milestone in cooperation; in our hearts — in the world — a 'long, long holiday from fear' which leads to harmony and by developing active goodwill in our individual lives and in all our relationships, and thus living the eternal truth 'perfect love casteth out fear'."

Dr. Hugh Chamberlain Burr, executive secretary of the Rochester Federation of Churches: "In 1947, we hope there may be: the resumption of world wide gatherings of Protestant and Orthodox Christians; further steps toward uniting into one National Council of the Churches of Christ in the United States the seven national interdenominational organizations which have grown up during the years, each for a specific service purpose; the first annual Convocation of Pastors initiated by the New York State Council of Churches; and a milestone in cooperation; in our hearts — in the world — a 'long, long holiday from fear' which leads to harmony and by developing active goodwill in our individual lives and in all our relationships, and thus living the eternal truth 'perfect love casteth out fear'."

M. Herbert Eisenhart, president of the Lumb Optical Company: "During the past year we were faced with the difficult task of readjusting our manufacturing operations to that of peacetime production. That has been accomplished, largely through the purchase of new equipment and the development of new products. We are now looking forward to a year of growth and achievement. We hope to make great strides during the year, bringing the service nearer to our people, and to build an even stronger foundation for the future of our city — one of the outstanding communities in our great land."

Scott Lyon, president of the Rochester Federation of Women's Clubs: "This year I believe will broaden the scope of our activities and accomplish many great things. Most of our work has been done in the past year of 1946 to get ready for the year 1947. The trend is definitely toward the local, national and world-wide work. I look forward to the next 12 months with the hope that women will continue to work together in cohesive, well-organized movements rather than in scattered corners where so much effort can be wasted."

Rep-elect Kenneth B. Keating: "On January 3, 1947 a new Congress will be seated. I am proud to have a great responsibility and challenge in the Congress in which I am happy and grateful to have a share. The promotion of industrial production, the elimination of unnecessary bureaucracy, and a serious effort to solve such problems as housing, racial inequalities, and economic readjustment are the Government's unfinished business. I believe that the American people are ready to accept a high place on the world map. I believe that the American people are ready to accept a high place on the world map. I believe that the American people are ready to accept a high place on the world map."

Mr. William M. Hart, general secretary of the Rochester Catholic Diocese: "The Catholic Church in Rochester looks to 1947 as a period for the betterment of the individual and the world. It is God's gift to His children. With the war over, the boys returned from combat service, we look to new opportunities to catch up on a program passed over and to pursue a program based on conditions. Some of our parishes have chaplains. The return of chaplains has increased the number of our churches. The number of young people with us to work. Our colleges, high schools, grade schools, are at their peak."

Mr. Ray F. Bush, chairman, Monroe County Democratic Committee: "The Democratic party in 1946 was due to a change, and the Democratic party's great service to the nation in the stress of war will be remembered and appreciated long after the war is over. The Democratic party will get in to make a strong comeback in 1948. In the wild scramble for the Republican nomination for the Presidency, the Republican party will find itself split and divided by internal jealousy. The people of this country will suffer, while the Republican party wages a civil war for control of the 1948 Presidential Convention. Out of the chaos that will follow the people will again turn to the Democratic party as they did after the Hoover administration. The Democrats will win in 1948!"

\$150,000 BACK PAY SOUGHT BY TOBIN PACKING EMPLOYEES

The Tobin Packing Co., familiar in the Rochester area as producers of "Arpeako" meat products yesterday became the target for the first suit in the city under the portal-to-portal pay rulings handed down by the Supreme Court several months ago.

Backed by three court decisions, 100 men employees and former employees of the packing concern are suing to collect \$150,000 as back pay, liquidated damages and attorney's fees for time spent on the employer's premises in going to, preparing for and leaving their actual productive work. These periods are variously termed portal-to-portal, gate-to-gate, make-ready and travel time. While the suit against "Arpeako" is the first of its type to be brought here, many of the nation's largest industrial concerns face similar actions involving billions of dollars, according to estimates. Some have already made settlements with unions. Necessary legal papers were served yesterday on Fred M. Tobin, president of the concern, by the sheriff's office. It claims such as are represented in this suit come to be regarded as legally sound, three possible results are seen: Compromise out-of-court settlements tied to bargaining for wage increases; Agreements covering travel time in the future to cover employers liability; Congressional relief for the employers through new legislation.

An out-of-court settlement amounting to \$4,665,000 for back travel pay was reached recently by Dow Chemical Company and District 50 of the United Mine Workers, AFL. This indicated a possible course which the lawsuits may take in connection with wage bargaining. William L. Clay, attorney for the men suing the packing company, said they were taking the action independently and as individuals. No unions are involved in the case here. According to Clay a majority of those suing are former employees but several are still employed by the packing company. In the decision which stirred employees to start the current wave of litigation the supreme court pointed out that the employer required the workers to punch in, walk to their work benches and perform preliminary duties during the fourteen-minute periods preceding productive work. The same activities in reverse occurred at the end of the shift. "Since," said the court, "the statutory work week includes all time during which an employee is necessarily required to be on the employer's premises, on duty or at a prescribed work place, the time spent in these activities must be accorded appropriate compensation."

Boy Killed By Sister, Age 9

Christmas week vacation from school brought tragedy to the family of Mr. and Mrs. Lincoln Jackson of Jenkins Rd., Riga, when their 11-year old son Delon was accidentally shot to death by his sister, Addie Lou, 9.

According to Deputy Sheriff Stephen Zicari, who investigated, the father and mother, Mrs. Lulu Jackson, were both at work shortly before 10 a. m. Friday when the shooting took place. The oldest boy, John, 16, was shooting crows from a bedroom window with a .22 rifle and had laid the weapon across a bed while he went downstairs to fix the fire. While he was gone Addie Lou attempted to waken Delon who was in another bed in the same room, and in the attempt, pointed the gun at the sleeping boy. In some manner the rifle was discharged and struck the youth in the right side of the head. The little girl called down to her brother, "I shot Delon," the deputy said he was told. John rushed upstairs to find Delon bleeding badly. He then ran to the Tracy Tuttle home in Palmer Rd. from where Dr. J. M. Burt, of Caledonia was summoned. Later Dr. Burt called the General Hospital ambulance which took the boy to General Hospital. He died shortly after arrival.

Other children in the house at the time included Emma, 15 and McKinley Jackson, 13. The surviving children and parents were brought to the district attorney's office for questioning and released after the facts were learned. Corner David Atwater issued a certificate of accidental death.

1947 LICENSE TAGS FOR FIDO GO ON SALE

Dog licenses are now on sale at City Clerk Thomas P. O'Leary's office. A shipment of 16,000 tags, stainless steel, arrived last week from Sing Sing Prison where they are made. Licenses, which must be obtained by dog owners before Feb. 1, require a fee of \$2.25 for a male dog and \$5.25 for a female animal. The police will start the annual dog census Jan. 1, and the Humane Society will begin picking up unlicensed dogs after the end of January. O'Leary's office issued 15,600 licenses for 1946.

CHILD SUFFERS SCALDS IN ACCIDENTAL FALL

Marilyn Christofaro, 2½, of 587 Scio St., was severely scalded Thursday night when she fell into a pot of boiling water at her home. The pot of water was being used to clean chickens when the child, playing in the same room, tripped and fell into the water. She was taken to Genesee hospital for treatment of severe burns about the legs and lower body. Her condition is listed as fair.

Mailman Killed By Suicides Body

New York—Alexander Cook, 4-year-old mail carrier, and father of four children, was fatally injured when he was struck by the body of a woman who plunged to her death from the top of a 15-story apartment building. He died an hour later.

Roland B. Woodward Died Friday After Week's Illness

Roland B. Woodward, of 80 Westminister Rd., for more than a quarter of a century executive head of the Rochester Chamber of Commerce until his retirement in 1941 died Friday after a week's illness. He was 73 years of age. Mr. Woodward was taken ill in New York City and returned to Rochester on Sunday to enter Strong Memorial Hospital. After his retirement from the Chamber of Commerce, Mr. Woodward was vice-chancellor of the New York State Board of Regents. He had been a member of the state body for 21 years. A former educator, Mr. Woodward had exerted substantial influence in determining educational policies of the state. He was chairman of the board's committee on higher education and also served as a member of the State Commission on Institutes of Arts and Sciences. He was associated with the Chamber of Commerce from 1909 to 1914 with the exception of three years during which he was vice-president of the Symington-Chicago Co., and then president of the Defender Photo Supply Co. A native of Hubbard, O., he attended the University of Wooster and took post graduate work at many colleges and universities. He is survived by his wife, the former Anne Murray Curry; a daughter, Mrs. Carvel Lange of Greenwich Conn.; and two sons, Roland Beavan Woodward, Jr., of Riverside, Conn., and Harper Woodward of Rye.

FOUR SHARE \$100,000 ESTATE OF MRS. JOHNSON

Mrs. Barbara Johnson, 192 Reynolds St., left the bulk of her estate, estimated at "more than \$100,000," to three children and a grandson. It is disclosed in the will probated Friday in Surrogate's court. She died Dec. 9. Named residuary beneficiaries, after several specific bequests, are two daughters, Miss Katie Johnson, 192 Reynolds St., and Mrs. Annie Culliton, 192½ Reynolds St., a son, Benjamin Johnson, also of 192 Reynolds St., and the grandson, Thomas M. Silver Jr. of Eggertsville.

Cold To Stay Until Tuesday

If you can stand the weather today and tomorrow, the weatherman promises we'll have it a bit warmer Tuesday and Wednesday. "Continued cold with snow flurries Sunday and Monday, Warner Tuesday and Wednesday with possible rain or light snow on Wednesday," is the official forecast.

GOP RECEPTION PLANNED FOR NEW YEAR'S DAY

BY CURT GERLING

The annual gathering of the faithful is scheduled for the Powers ball room New Year's day. The great and near great of the GOP clan assemble each year, complete with hangers, to pay homage to their boss Thomas E. Broderick Mr. B. will pump hands with several hundred well wishers, give guarded replies to questions about possible political appointments, refuse a dozen proffered drinks, consume countless canapés and dish out smiles to the ladies. Everybody will go away happy with the possible exception of the boss who, completely exhausted, will still have to pick up the check.

POLICE HOLD MAN ON GIRL'S COMPLAINT

A 26-year old man was arrested Friday on charges of second degree rape and another moral offense which involved a 17-year-old girl last Sunday in Durand-Eastman Park. He is John M. Easter, of 25 Ridge Rd. W. He pleaded innocent Friday in City Court and Judge Arthur L. Wilder adjourned his case for further investigation. He was arrested by Capt. Herb Leary of the Bronson Avenue Station and Detectives Ambrose Armstrong and Joseph Haggerty.

TWO MEN NABBED BY BUFFALO POLICE

Buffalo police charged two local men with illegal possession of a dangerous weapon. They were identified as George Cocciola, 19 of 430 First St., and James Giambone, 21 of 135 Third St. Police found an unloaded automatic in the car and ammunition in the gun's size on the ground next to the car, according to police reports.

Portal Pay Suit Filed Here

The Tobin Packing Co., familiar in the Rochester area as producers of "Arpeako" meat products yesterday became the target for the first suit in the city under the portal-to-portal pay rulings handed down by the Supreme Court several months ago. Backed by three court decisions, 100 men employees and former employees of the packing concern are suing to collect \$150,000 as back pay, liquidated damages and attorney's fees for time spent on the employer's premises in going to, preparing for and leaving their actual productive work. These periods are variously termed portal-to-portal, gate-to-gate, make-ready and travel time. While the suit against "Arpeako" is the first of its type to be brought here, many of the nation's largest industrial concerns face similar actions involving billions of dollars, according to estimates. Some have already made settlements with unions. Necessary legal papers were served yesterday on Fred M. Tobin, president of the concern, by the sheriff's office. It claims such as are represented in this suit come to be regarded as legally sound, three possible results are seen: Compromise out-of-court settlements tied to bargaining for wage increases; Agreements covering travel time in the future to cover employers liability; Congressional relief for the employers through new legislation.

Sales Gain**

Rochester sales in local department stores gained in December, notwithstanding that Rochester daily newspapers were not published.

For the week closing Dec. 21, Rochester department store sales were plus 34 in comparison with the previous year. For the week ending Dec. 14, Rochester department store sales were plus 18.

Considering the handicaps imposed by the non-publication of daily newspapers, this showing is considered remarkable.

The Rochester sales increases for the periods mentioned topped New York City and Newark, N. J. increases.

HEALTH SEAL SALE TOTAL HITS \$22,159

A total of \$22,159 has been raised in the 40th annual Christmas Seal Sale, which is the sole support of the work of the county health committee of the Tuberculosis and Health Association of Rochester and Monroe County. This amount was raised by December 25th towards the goal of \$28,000.

It was pointed out by John C. Malloch, chairman of the County Health Committee, that while the Christmas Seal sale officially closed Christmas Day, experience of other years indicates that approximately 20 per cent of the total amount raised comes in after that date. Therefore, it is expected that additional funds will be available for the intensive Health Education and Tuberculosis Prevention programs planned by the committee for 1947.

Follow-up cards will be going out this week and next as reminders to those who have not yet responded to the Christmas seal letters.

It is unnecessary to look at your speedometer after the accident.

MRS. NASH NAMED HEARING STENOGRAPHER

Mrs. Marion H. Nash, 339 Hazelwood Ter., has been appointed by District Attorney Daniel J. O'Mara to the post of hearing stenographer in connection with Grand Jury work. She fills the vacancy left by the death Nov. 27 of Bert J. Barton.

A stenographer in the District Attorney's office since May, 1944, Mrs. Nash previously was employed in the County Clerk's office where she started in 1940. The hearing stenographer post, under civil service classification pays from \$2,400 to \$2,800 a year plus \$375 for cost-of-living adjustment.

'Oust Bilbo' Group Has Uphill Job

Rochester seems to be demonstrating disinterest in work of the "Oust Bilbo" Committee. Although 20,000 signatures was the goal south, only 7,000 have turned to date. Committee workers have now scaled down their goal to 15,000 signatures from Rochester. Further information can be had by contact with Mrs. M. Tallmadge, Hillside 212-J, of 72 Allens Creek Road.

A MT. ROCK OVERCOAT gives you something extra in every one of its superior features. A closely knit web of pure wool fleece yarns is woven right on to the regular Mt. Rock cloth, to give you a long-wearing surface; to give you an extra warm surface with a minimum of weight. Adler-Rochester, with eighty years' experience in overcoat making, fashioned Mr. Rocks with a wealth of expert tailoring; with wonderful style, balance and ease of wearing. The great popularity of these overcoats is based on the great satisfaction they give.

McFARLIN'S

195 MAIN STREET EAST

CENTURY-AND-A-HALF — Five of the 13 policemen appointed Jan. 1, 1947 are still in active service. Combined, they represent 150 years of policing. Gathered together on the eve of their 30th anniversary, they are (back row, from the left) Patrolman August Brautigan and Traffic Officer William Forman. In the front row (from the left) are Patrolman John Miller, Inspector William McLaughlin, and Patrolman Frank Huhn.

5 MARK 30th ANNIVERSARY ON 'FORCE'

Five members of the Rochester Police Department will celebrate their 30th anniversary of appointment to the force on New Year's Day.

Thirteen men were appointed Jan. 1, 1917 and five of that group are still on the active list of the department. They are Inspector William McLaughlin and Patrolmen Frank Huhn, Precinct 3; August Brantigan, Precinct 4; John Miller, Precinct 6 and William Forman of the Traffic Bureau.

Three others, now retired, who joined the force at the same time are William Clancy, Eugene Badhorn and Herbert Mahns. Clancy and Badhorn were detectives. Death has taken the remaining five of the original 13.

At the time of the appointment, the group recalled yesterday as they posed for the photographer, Andrew V. Hamilton was commissioner of public safety and Joseph Quigley was chief of police.

REP. KEATING LEAVES FOR CAPITOL TUESDAY

When the Washington-bound Auburn Road train pulls out of New York Central Station on New Year's Day evening, Representative Kenneth B. Keating will be aboard and on his way to joining the official Capitol family of the nation's legislators.

The Brighton attorney and former U. S. Army colonel, who defeated George R. Rogers Democratic incumbent, in last November's elections, will represent the 40th Congressional District in the House of Representatives. Formality of oath taking, prerequisite of official membership in the House, will occur at the opening of the 80th Congress at noon on Jan. 3.

Mrs. Keating and their daughter Judith will accompany Rep.-Elect Keating to Washington. The family will live in a house on 334 Place which the congressman-elect was fortunate enough to secure, he told the Sun last night. Their home here is at 3500 Elmwood Avenue.

BAPTIST CHURCH BUYS WEST SIDE Y BUILDING

Sale of the community hall at 133 Adams St. by the YMCA to Mt. Olivet Baptist Church, 134 Adams St. for \$1,000 has been authorized by Supreme Court Justice H. Douglass Van Duser. The hall had been conducted by the YMCA as a west side branch for Negro youth from 1937 to 1943.

The church will use the hall to enlarge its church program. E. Reed Shutt was attorney for the YMCA.

ENGAGEMENT ANNOUNCED
Announcement is made of the engagement of Rita L. Shippey of Genesee St., daughter of Charles A. Shippey of Curlew St., to Thomas Fletcher, son of Mr. and Mrs. T. Fletcher

**Sports Tops In Coin,
Poor Last in Class**

Rochester sports addicts are not giving three cheers for 1946.

So far as the naked eye can see, the city boasted one championship outfit, Les Harrison's Rochester Royals, professional court champions of the world.

Baseball locally left only a bad memory. The Rochester Red Wings did better than in 1945, when they finished last. This year they finished seventh, hurrah! And the pessimists say the Wings were lucky, at that.

Rochester Varsity football wasn't quite as good as so so, this year, and Rochester University sports followers, being quite accustomed to defeat, holding civic virtue preferable to mere victory, were ostensibly satisfied. Indeed they had to be, as usual.

The "rasslers" did well at the gate, which is the only barometer for "rassling," and boxing locally remained at the even tenor of its way, which is several degrees below Fahrenheit.

Irving Crane, the Livonia, N. Y., boy prodigy, regained the pocket billiard championship of the world which was a distinct feather in the Rochester district cap.

Mostly Rochester's sports victories remain aspirations. The fans say, hopefully enough, "Wait until next year."

The St. Louis Cardinals, new baseball champions of the world, were, all hands agree, the outstanding baseball team of the universe, although previous to the world series everybody said, "It's just too bad what the Boston Red Sox will do to them."

The New York Yankees won the cocktail championship in the American League, in fact, in all leagues. Magnate Larry McPhail, of the Yankees introduced the most luxurious cocktail lounge ever seen in a ball park, but the lounge didn't win any games.

'A WONDERFUL LIFE' DUE AT RKO PALACE

The average problems of average people spark Frank Capra's delightful new comedy-drama. "It's a Wonderful Life." James Stewart and Donna Reed are starred in this Radio release, opening Tuesday at the RKO Palace Theater with continuous shows New Year's Eve.

Laid in a small town in upstate New York, the story covers the life of George Bailey, played by Stewart, and his efforts to get away and see the world which are thwarted when he has to devote himself to the needs of the little community.

Figuring prominently in the story are the ups and downs of a building and loan company founded by George's father years before to provide decent homes for the townspeople. George has to take over this company to save it from falling into the hands of the crusty old banker and slumowner.

MAN PLEADS INNOCENT TO STOLEN GOODS CHARGE

Judge Arthur L. Wilder postponed to Jan. 22 the case of Eugene W. Brundage, 23, of 148 Atkinson St., charged with criminally receiving stolen property. Brundage pleaded innocent when arraigned in city court Friday.

Brundage was arrested Thursday, when according to police, belts, buckles and other material, valued at \$163, were found in his possession. The material had recently been stolen from the Hickok Company.

BAYSINGER TO
REPLACE MUNN**

Reeves (Ribe) Baysinger, a member of the Syracuse University athletic staff for 19 years, has been appointed football coach to replace Clarence (Biggie) Munn who resigned to become head football coach for Michigan State University. Baysinger is the father of Navy's outstanding quarterback Reeves Baysinger, Jr.

Considered one of the best linemen ever to play at Syracuse, Baysinger senior, performed at guard and end in 1921-23, under Coach John F. Chick Meehan in what was Syracuse's greatest era of athletics.

A 1924 graduate of Syracuse, Baysinger last season served as junior varsity football coach under Munn's direction.

Delicious mashed potatoes
in just 1 minute

The best mashed potatoes you ever ate with French's Instant Potato—rich flavor, perfect smoothness! Wait until dinner is ready to serve; then, to 1½ cups boiling water add ½ cup cold milk, ½ tsp. salt. Remove from heat, stir in quickly and vigorously ½ cup French's Instant Potato until light and fluffy; add butter and pepper to taste.

French's Instant Potato is economical, fool proof for topping a meat or chicken pie, for cream of potato soup and French's fried potatoes!
