Just one happy family. Robust Rob Weiland, Rochester's leading pitcher at home with his family. The premier southpaw is

seen reading the newspaper to his attractive young daughter, Karen, who is a great Red Wing Booster while Mrs. Weiland looks on

Thrills for These Fans as Rochester Battled Buffalo

"Whee! What a drive," exclaims Mrs. B. Leo McIntee, as Bisons scurry around the bases.

"There's hitting for you!" retorts Mr. McIntee, 347 Culver Road, observing Rochester's ninth inning slugfest.

"S-t-r-e-t-c-h!" commands Police Inspector James Collins (left) and former Welfare Commissioner Leo McSweeney rises with him.

"Give 'em the ol' raz-me-daz!" shrieks this Buffalo rooter, shaking his sleigh-bells.

"Atta boys," grins President Warren C. Giles of the Red Wings as his players stage their comeback.

"That score looks too close for comfort," ponders Mrs. Giles studying the second-game scoreboard.

Red Wing Seige Gun

When Phil Weintraub punched the ball over the center field fence just before the above photo was snapped, it was the beginning of a series of thrills. He followed with a triple on which a perfect throw cut him down at the plate, a double that bounced off the top of the center boards and another double the blow that won the game.

Unlimbers His Big Berthas

Phil Weintraub, Red Wings new first sacker, put on a hitting show yesterday afternoon at the Norton Street Stadium which left the fans in a near frenzy. Besides hitting a record home run he collected a triple and pair two-base hits

New Custodian of Stadium's First Sack... Puts Punch in Red Wing Attack

Phil Weintraub the first Jewish ball player to ever wear a Red Wing uniform in the Norton Street ball yard is making a decided hit with Stadium patrons. Weintraub, who was purchased by the New York Giants after he batted .404 at Nashville, is a power hitter and should bombard the right field fence once he gets a bead on it.

Left, closeup of the new first sacker. Center he scoops up a low throw. Although his is know as a hitter Weintraub has proven that he is also a classy fielder in his short stay here. Right Phil takes his cut, and any time he connects you can be sure the old horsehide is going for a ride. Although his average here is nothing to shout about Phil has been hitting the ball hard and has impressed fans with his actions at the plate. He hit .404 at Columbus before joining Wings. Weintraub broke into baseball as left handed pitcher but was shifted to the outfield because of his power on offense.

Clips Orioles for Third Victory

Norbert "Nubs" Kleinke is beginning to show some of the pitching that made him a consistent winner two seasons ago. He tamed the Orioles for the better part of eight innings yesterday, and although Ray Harrell finished up, Kleinke notched his third triumph of the year.

Hitting a Cool .420

Rapping out "three for four" yesterday, Phil Weintraub, slugging Red Wing first baseman, boosted his batting average to .420.

Look Out, Mamma!--That Man's in Again!

Comical gent with the screwy expression is none other than Handsome Harry Erickson, the backstopper for Toronto Maple Leafs.

Harry had Red Wing audience in stitches yesterday as he staged phony "hunting scene" from home plate vantage point.

'Schacting' Antics at Red Wing Stadium

Nick Altrock and Al Schacht, shown below going for a canoe ride on the Pittsburgh Pirates' diamond, must look to their laurels when Harry Erickson, Leaf catcher, shown at top, goes into action. He entertained crowd and players while it rained at Red Wing Stadium yesterday afternoon. Manager Casey Stengel, Daffiness Boys' manager, is shown at lower right grimacing as he sees his laurels slipping away.

Ray Blades

Ray Harrell, Red Wing righthander, stepped into a hitter's role yesterday to blast out a homer that started the Wings on an 8 run rally in the third inning at Buffalo yesterday. Harrell was later relieved in the box by Michaels, who was credited with the 14-11 victory.

Does Job Up Brown

Jimmy Brown, slugging Red Wing shortstop, returned to the lineup for yesterday's doubleheader after recovering from injuries to pound out four hits.

Throws 'Em Out

Gene Moore, former Red Wing who is making a name for himself with the Boston Bees played an important role in his team's 8-0 victory over the Dodgers yesterday. He punched out two singles and threw out Cooney at the plate to save a shutout for his rookie pitcher Johnny Lanning.

WARREN GILES
the new league president

Gilbert English, above, and Eddie Delker arrived yesterday at Red Wing Stadium ready for action but saw service on the bench instead. English joined the Buffalo

Bisons from Detroit while Delker came in from Columbus to help Ray Blades' Red Wings. It is possible that Eddie will play in today's game against the Bisons.

Baltimore Double-Crosses Wings, Tallies on Double Theft

Double steal, with Chalmers Cissell skidding across home plate in whirl of dust, proved vital margin yesterday as Orioles jumped Wings in exciting opener, 5-4. O'Farrell couldn't

hang onto Cuccinello's peg from second, where Glenn Chapman arrived safely on his end. It happened in second inning, with two out. Chapman later scored on Spencer's single.

They Called Brownie Safe on This . . . but It Looks Like an Out at Plate

Snapped in first inning of opening game against Royals yesterday at Stadium, above picture shows Jimmy Brown, Red Wing shortstop, scor-

ing. Myllykangas, Montreal pitcher covering home plate at time, apparently had the ball glued on Brownie but ump said No. That's Weintraub

at right. Rochester won first game of twin bill by 8-7 score, this run providing the winning margin. The Wings lost the second, however

Lefty Michaels won a costly victory for the Red Wings yesterday when he tore a ligament and had to retire in the eighth inning of the game at Toronto. Lefty has been very effective in relief roles.

Buster Busts One, Scoffic Scores

Colonel Buster Mills, who had hit three doubles and a homerun previously was the man of the hour (a late one) early last evening. With two men on base and the Wings a run behind he poked a single to center, scoring Brown and

Scoffic. The latter is seen galloping homeward in the gathering dusk with the winning run. Poland and Brown are giving him the stay-up sign, as there was no chance to get him at the plate.

Bob Packs Power at Plate

The veteran Bob O'Farrell, shown here, lead the Red Wing assault at Toronto in yesterday's 15 to 6 victory with a triple, a double and two singles. He batted in four runs and scored twice himself.

Picked to Bring Down Birds Tonight

Bob Klinger, recently obtained from Columbus is expected to answer Ray Blades' pitching cal. tonight in the Wings' tussle with the Baltimore Birds. Bob has been on the shelf with a side injury, but appears again to be fit for action.

As Red Wings Turned on Heat

Lefty Michaels, Boss Blades' southpaw with an ailing arm, has the club physician, Dr. H. S. Schumacher, fix him up with a radio so he can follow the Wing rallies as he undergoes treat-

ment. The photographer snapped Lefty yesterday while the Wings were running up six runs in the seventh inning to whip Montreal, 9 to 6.

Weintraub Follows in Path of Hitting Greats

Right Man in the Right Spot

Phil Weintraub's big bat was blazing again yesterday, and the Red Wings have another victory in the bag as the result. Phil doubled in the ninth inning at Albany driving in the winning Rochester run. It was his fourth hit of the game.

Phil Weintraub, current batting sensation of the Rochester Red Wings and the International League looks right at home in the above layout, surrounded with local hitting greats of other years. The lanky Jewish

powerhouse is clouting close to .430 and has a big collection of doubles, triples and homers. His fence busting recalls the feats of former heroes, pictured with him. Upper left is Belting Bob Fothergill, on the

right Fred Merkle, with Pepper Martin in the center. Weintraub is in the middle of the picture, with George Puccinelli on his left and Johnny Mize on the right. Below are Rip Collins, left and Ray Pepper.

Phil Goes Down, but Comes Up Again

A wild pitch, close to the noggin sent Weintraub into this inelegant position, but Phil got up with no count and strolled to first on a pass. It happened in the Wings big inning yesterday.

Sturdy Steaming to Third Ahead of Throw

Jack Sturdy, Red Wing third sacker, is seen above steaming into third in the hectic third bellywhacker. Julian Wera, Toronto third sacker got the ball a little late

Jack's Caught in Hot Box ... Sankey Scores

His Blow Put Wings Back in Game

Lou Scoffie, Wings' extra out-fielder who has been hitting hard recently, was the right man in the right spot last night. In the ninth inning, he pinch-hit a double and later scored the tying run, giving the Reds their chance to win in the tenth.

Jack Sturdy, top, is caught in hot box in eighth inning of yesterday's Rochester-Montreal game. Wing third sacker was run down between home and third and tagged out by Catcher Myatt. Sankey, Montreal, is seen below scoring the last of the six runs the Royals gleaned in the first inning. O'Farrell is the catcher but gets ball too high and too late to tag runner.

Hugh's Homer Helps

Stops Albany for Sixth Win

Catcher Hugh Poland, above, is again playing regularly with the Wings after a several weeks layoff with an injured hand. His homer last night helped tie the score.

Norbert Kleinke, after a slow start, now seems definitely under way towards a good season. He scored his sixth victory of the season against three defeats.

It Sure Was Great Slide but Al Cuccinello Didn't Need It This Time

Al Cuccinello, Wing second sacker hits the dust with perfect slide for third base in 5th inning of 1st Rochester-Buffalo game yesterday at Stadium. Manager Ray Blades, left,

is motioning that everything is okay. Don Ross, Bison third sacker, is seen tossing to second in an attempt to get Jack Sturdy whose hit sent Al to third. Wings won, 8-5.

Everybody Was Doing It

Big Bob Weiland showed the Red Wing heavy artillery a trick of his own yesterday when he walloped the ball over the centerfield fence with

Al Cuccinello aboard. Cooch waited at the plate and is shown congratulating Bob as he scored. Weiland's homer was one of six made during the twin bill.

Gangway for Winning Run

Lou Scoffio, Red Wing outfielder, is shown above as he banked his curve rounding third base at full steam to carry home the winning run in the first game of the doubleheader at the Stadium yesterday. Phil Weintraub's double paved the way for the 7-6 victory. The Wings were whitewashed in the second contest, 4-0.

Left is Len Backer, infielder; right, Cap Clark, catcher, and George Murray, pitcher, below.

Here's the Colonel and His Blushing Bride

A bachelor no more, Colonel Buster Mills was married yesterday to Miss Katherine Rutherford of Bainbridge, Tex. That's the

happy couple at left, with Mr. and Mrs. Jack Rothrock, their attendants, at right. Mills hit a home run last night against Montreal.

Mrs. Buster

It was a big day for Buster Mills yesterday. Five hours after his marriage to the comely former Kathryn Rutherford, above, Buster blasted a home run that gave the Red Wings a victory over Montreal.

FOR WPA FAILS OF STIR HERE

Workers on Relief Interested, but Plan No Move

Local relief workers are eyeing prospects of a vacation, but apparently with only half-hearted interest.

WPA and labor union officials said they knew of no movement here to seek to force the government to give all WPA employees 26-day annual vacations and sick leave.

In New York court actions have been started with a view to such compulsory holidays. The suits were filed under a federal law allowing all federal employees 26 days' annual vacation and sick leave, exclusive of Sundays and holidays.

Local WPA Director Hoffman was out of town, but William E. McCarthy, director of "white collar" projects, said he knew of no such move here. This was corroborated by Frank M. Connor, secretary of Carpenters' District Council. The New York suits are backed by organized labor.

Members of the WPA administrative force are entitled to vacation at the rate of 1 1/4 days for each month on the administrative payroll. But this does not extend to the WPA rank and file on "outside" projects.

PLAN KEEPING STATE TICKET

Albany News Kills Booms of Kelly and Stanton

The Democratic state ticket this year will be unchanged.

Such was the substance of reports from Albany yesterday in correction of all previous rumors that M. William Bray of Utica would not again be nominated for lieutenant-governor.

The reported decision of leaders to continue the ticket, headed by Governor Lehman, unchanged, disposes of booms for Mayor Stanton and Senator George B. Kelly. Both were mentioned for the lieutenant-governor nomination and the former was to have been Monroe's favorite son candidate for governor if Governor Lehman had not reconsidered his determination not to run.

Bray in Disfavor

New Dealers are reported not very kindly disposed toward Bray but are said to have decided to leave him on the ticket, so that surface harmony may prevail.

Robert H. Jackson of Jamestown, counsel to the Internal Revenue Bureau at Washington, was picked by New Dealers to succeed Lehman. After the Governor's change of heart, Jackson was in line for nomination for Court of Appeals judge, to fill a vacancy caused by the retirement of Judge Leonard C. Crouch of Syracuse this year under the 70-year age limit.

But word came from Washington last week that Jackson now is slated to succeed Homer S. Cummings as attorney-general of the United States.

With Jackson out of the Court of Appeals picture, Supreme Court Justice F. Walter Bliss of the Appellate Division, third department, is favored for the Court of Appeals nomination. Justice Bliss lives in Middleburg.

Now For Quiet Evening at Home —But— Not Until Chores Are Done—You're Married Now

"This marriage league is fine business," opines
Buster Mills, star Red Wing outfielder, bride-
groom of three days. "That was a swell dinner,
and now I'll pick up the baseball scores. You
can't beat a nice quiet evening at home."

"Not so fast, Buster," chips in Kathryn Rutherford Mills,
the comely bride. "We have some house settling to do,
and you promised to help. Let's clean up these dishes first."

"How's this for the davenport, Kathryn?
Hurry and decide; this darned thing is
heavy."

"I suppose I may as well finish the job right, and
sweep up. It was work, but there's still plenty of time
to rest before we battle those Royals again."

Just like the circus coming to town, Dizzy Dean and the Cardinals drew a big flock of youngsters as they arrived late yesterday to oppose the Red Wings in an exhibition

game. At left the Great Diz, in person, is seen signing autographs for youthful admirers and at right a group of players is watching the local club practice. From left are Jim Win-

ford, Lynn King, Paul Dean, Charley Gilbert, Jack Rothrock, former Card now with the Wings, Bill Walker, Virgil Davis and Le Roy Parmelee. A big crowd was on hand for the game.

'Catch On,' Says Master Joe to Rookies

"With the Red Wings away, the rookies will play," was the slogan yesterday as the Cardinal Training School opened at the Norton Street Stadium. In charge are Joe Sugden, major league catcher, of 35 years ago; Charley Kelch-

ner, who discovered Charley Gelbert, and Joe Mathes, Cardinal chain unit manager. In the picture above Mathes is teaching the tricks behind the plate to Gerald Shultes of Sardinia, N. Y., left, and Walter Crist of Whiteboro, N. Y., center. The school continues through Friday.

The St. Louis Cardinals, a half-dozen of whom are Red Wing graduates came back to their old home lot last night and put on a show. A crowd of more than 7,000 fans turned out to greet the old favorites. In the top photo, Warren C. Giles, Wing prexy talks over old times with three of his "boys" Rip Collins, Johnny Mize and Charlie Gelbert. Below are Pepper Martin and Dizzy Dean at the press box mike, giving first hand impressions of the going-on down on the ball field.

Leading Characters in the Cardinal-Red Wing Show Here Last Night

Managers Frankie Frisch, left, and Ray Blades talk things over. Boss Blades felt quite happy about his athletes later.

Gent playing the harmonica with reckless abandon is none other than the Wild Hoss, Pepper Martin. The Wild one is accompany-

ing the tonsil chores of Jimmy (Rip) Collins, left rear, while Gelbert and Mize complete quartet. Results thrilled some 7,000 fans.

Above, left, the great Diz Dean and Colonel Buster Mills, right, confab before Red Wings brashly assaulted the Cardinals last night at Stadium night game, 8 to 7. The Great Man didn't play at all, which may explain the Card defeat.

Swampy Jr. Takes Workout

Taking his place alongside of his dad last night in the pre-game workout was Charlie Wilson III, son of Charlie "Swampy" Wilson II, former Red Wing infielder now with the Royals.

Friends Honor Him Tonight

Paul Florence, for years one of the most popular players to wear a Red Wing uniform, will be honored tonight by some 150 Rochester friends at a testimonial dinner in his honor. Paul is here with the Baltimore Orioles who open a five game series with the Blades Bombers at the Stadium this afternoon.

Former Wing Favorite Honored by Friends

Friends of Paul Florence paid tribute to the former Red Wing catcher, now backstopping for Baltimore, at a dinner last night. He is seen above inspecting a check presented by

friends. From left, Oscar Roettger, Baltimore first sacker; Jack Neiman, Joe Connor, George Mogridge, Paul Florence and Major A. Cohen. Florence was always popular here.

Tony Kaufmann, left, and Bob Weiland put on great pitching exhibitions yesterday against the Montreal Royals to give the Rochester Red Wings two more triumphs in the first place race with Newark Bears. Wings are now six points from top.

Nears 20-Game Winning Mark

Bob Weiland, who set 20 games as his pitching goal last spring, yesterday neared his mark with two months of the season still remaining when he pitched and batted the Wings to 3-to-1 victory over the Albany Senators at the Stadium.

Rothrock Rocks 'Em Once More

The rest given Jack Rothrock apparently did him a world of good, for he's been banging plenty of those base hits since his return to the lineup. He had two of the Wings' seven blows yesterday.

Tony Kaufman, veteran Red Wing hurler, is shown above as he looked to Catcher Hugh Poland as he turned back the Montreal Royals

with six hits in the first game of a twin bill to win 4-2. The Wings also won the second game, 2-1, with Bob Weiland pitching.

Just 'An Over the Fence Specialist' and Tale of His Greatest Exploit

When Walloping Phil Weintraub of the Rochester Red Wings rocketed his home run over the center field fence Sunday there was a rush for the tape measure. Despite reports to the contrary Weintraub's horrendous blow traveled 424 feet from home plate on his trip over the barrier in left center field. Bob Mack, Jimmy Martin and a host of Wing officials reported the measurement after a busy session yesterday afternoon checking and rechecking the record home run.

Pitchers aren't supposed to hit, but sometimes they do. Bob Weiland obtained two hits in as many trips yesterday besides winning the game as relief pitcher. It was his 15th victory of the year.

One of baseball's most thrilling dramas, "From Eighth to First Place" by Ray Blades (above), hasn't exactly been a best seller in Rochester to date but there may not be enough copies to go around before the season is over. When the Wings reached the International League pinnacle Tuesday night it marked a climb from the dark cellar of last May to the top rung where they stand this morning, one-half game in front.

INSURANCE TO SETTLE CLAIM

Accident Victim to Get \$4,250 for Injuries

Bankruptcy of J. Porter Clark, Spencerport, will not deprive Joseph A. Charles Jr., 21, of Holley, entirely of compensation awarded by a Supreme Court jury last June 5 for injuries suffered when his coupe collided with a five-ton gravel truck owned by Clark.

After Clark, president of Clark Sand & Gravel Company, went into bankruptcy last Monday, agreement was reached to settle the \$8,614 accident judgment for \$4,250 without Clark personally paying anything. He was covered by \$5,000 insurance.

Clark's attorney yesterday said the court judgment was the reason for his client filing his bankruptcy petition. Whether it will be withdrawn was not decided. Clark with assets of no value, listed liabilities of \$9,905, including the judgment, which also was against his employee, Frank G. Sage, driver of the truck. The judgment as against both was wiped out through the compromise stipulation on file yesterday, ending the action and appeal.

Charles, doctors say, will never be able to do heavy work because of injuries suffered in the crash, which occurred last Oct. 7 at Million Dollar Highway and Churchville-Adams Basin Road.

FARMER LOANS TOTAL \$245,000

Batavia—It was reported here yesterday that during the first six months of this year loans in the four counties in the district of the Batavia Production Credit Association totaled \$245,000.

This was an increase of 105 per cent over the same period last year, the second largest advance in the Production Credit Corporation territory which comprises New York, New England and New Jersey.

The Batavia association, one of 3 agencies in New York State, was organized early in 1934 as a cooperative short-term credit agency, and has made loans in the past 2½ years of \$740,000. Of this amount, \$38,000 was outstanding on July 1.

The association serves Genesee, Erie, Livingston and Wyoming counties.

Warren W. Hawley Jr. of Batavia, the association president, stated that they are able to offer loans that extend over relatively

JoeMedwickMakes Big Spurt in All Departments

New York — (P) — Ducky Medwick, the Cardinals' clouting outfielder, did big things with his bat during the past week to become the number one hero of the National League for the seven-day period.

While Paul Waner of the Pirates held onto the hitting leadership, with an average of .364, in standings, including Friday's games, Medwick went to town as follows:

Took over the leadership in total hits, with an aggregate of 122, passing Baxter Jordan of the Bees, who finished in second place with 116.

Moved into a tie with Billy Herman of the Cubs for the lead in doubles, getting five for the week to bring his total to 32 and the deadlock.

Advanced to second place in batting, with .358, trailing Waner .364.

Jordan Third

Retained the lead in runs-batted in, bringing his total to 84, compared to the 75 for second place Mel Ott of the Giants.

Back of Waner and Medwick in the hitting race the list underwent a complete shakeup. Baxter Jordan of the eBes pulled up from fourth to third with .342; Johnny Moore of the Phillies advanced from eighth to fourth with .341; his teammate, Camilli, sank from second to fifth at .338, Frank Demaree of the Cubs dropped one position to sixth with .335; Kiki Cuyler of the Reds moved up from ninth with .330, deadlocking Gus Suhr of the Pirates, who fell from sixth, while Billy Herman of the Cubs and Les Scarsella of the Reds climbed into the "first ten" with averages of .326 each.

In addition to Medwick, others to cause changes in the various departments of individual play during the week were Ott of the Giants, Pepper Martin of the Cardinals and Larry French, the Cubs' crack left-hander.

How About Prize Rookie Title for John Mize?

Cardinals 1st Sacker Supplants Di Maggio For Honor Post

By JACK CUDDY

New York—(UP)—A lot of baseball fans who do not follow the batting averages and box scores closely still believe that Joe Di Maggio, youthful center fielder of the pennant bound Yankees has the distinction of "Prize Rookie of 1936" all wrapped up.

But when I returned to my desk yesterday, after an interim of watching trotting horses, prize fighters in training, etc., I was almost bowled over by the fact that Signor Joe is running far behind master Johnny Mize, sensational first-sacker of the Cardinals for this mythical award.

I mean that the batting averages alone show that the big dusty-haired Mize is hitting around .384 to lead the National League, while the Yankee flyhawk is batting about .337.

Of course, right off a lot of baseball folk will say, "Yes, but you can't rate them on their batting averages alone. You've got to take into consideration their value to their respective teams in the pennant races. And where would the Yanks be if it were not for Di Maggio—and the way he put punch into the Yank's outfield and plugged the McCarthymen's greatest gap?"

Always a Good Argument

You can start a nice argument on this subject wherever baseball people gather and there are more angles to it than facets on Miss Astorbilt's engagement ring.

For the Di Maggio enthusiasts who emphasize that the Yankees were a second place club last year and that it looks now as if they have the American League pennant in their hip pockets, let me assert that the Cardinals were a second place outfit in 1935 and that they're making one great fight for the flag

JOHNNY MIZE

this season—against far stiffer opposition than the Yanks are encountering.

I mean that the all-round opposition is stronger in Ford Frick's circuit than in the American League, and that if the Gas House Gang—despite their heroics—cop the bunting I would feel more like shouting "Banzai!" than where the Yanks walk into the championship.

And another factor in this rookie race is this—the pitching in the National League is so tight this season that all the flingers might well be Scotch. As you will recall Joe DiMag found this senior circuit pitching something to write home to California about when he had that tragic day up there in Boston in the all-star game. And I mean that when a feller, in his first year up, gets out there and

Filling Rip's Shoes, Hitting .384 Some Of His Feats

hangs out an average of around .385 against this brand of pitching, he really is going to town with that bat.

The DiMaggio adherents insist also that Jolting Joe has driven in about 90 runs for the Yanks, while Mize has batted in only about 65, and that after all those runs really decide ball games. This is true, but I must caution the Di Maggio boys that Johnny Mize drove in his runs in only about 250 time at bat, while Yankee Joe strode up to the plate about 425 times. Also that Mr. Mize has not been as fortunate in having men on base when he went to the platter, as was Joe of the heavy-hitting Yanks.

Yes, indeed, I think Johnny Mize is beating out Joe Di Maggio in this rookie race, and that strikes me as very funny. Because Joe came up to the majors with no end of fanfare and ballyhoo, whereas Mize sort of wriggled into the big time tagged as a very uncertain performer because of his injury jinx.

Took a Job From Rip

And Mr. Mize, who packs 200 pounds on a 6 ft 2 in. frame, had to go in there and take the job away from one of the best first sackers in the circuit: Rip Collins. And if anyone had told you that the big fellow from Demorest, Ga.—who was placed on the voluntarily retired list last mid-season with Rochester because of a lingering groin injury—would take that job from Rip Collins, you would have sent for the alienists.

But Johnny underwent an operation during the winter and did a lot of training at home. He was in fine shape when he reported to the Red Bird training camp at Tampa. And just as his own injury handicapped him in '34 and '35, so an injury to Rip Collins, after the season was under way, gave him his big chance.

Diane Crabtree Watches Daddy Perform

"Don't let that pitcher fool you!"

"Oh, boy! It's a hit!"

"Keep on sailing, Mr. Baseball!"

"Aw nuts! He flied out."

Departing today for a 10-day trip, Rochester's ball players left behind their smallest and one of their most enthusiastic rooters in the person of Diane, diminutive, but highly articulate daughter of Estel Crabtree, Wings' heavy-hitting outfielder. Although she has yet to celebrate her second anniversary, Diane is a devoted fan, regularly attending all home games that don't keep her up after bedtime, and follow-out-of-town performances on the radio.
