We the undersigned do severally depose & swear, that we have set down in the foregoing assessment roll all the real estate situated in the Town of Henrieville according to the best of our information & that with the exception of those cases in which the value of the real estate has been changed by reason of proof produced before us, we have estimated the value of the real estate at the sums which a majority of the assessors have decided to be true and full value thereof & at which they would appraise the same in payment of a just debt due from a solvent debtor. Also that the said assessment Roll contains a true statement of the aggregate amount of the taxable personal estate of each & every person named in such roll over and above the amount of debts due from such
