I hereby certify the following to be a true copy
of the original assessment roll made by the assessors
of the town of Henrietta for the year 1861

Wells Springer
Supervisor

Notwithstanding the equalized value in the within
roll is greater than the assessed value ^{partly} in consequence
of the low value of the assessors; the facts are
that in equalizing with the other towns of the
County Henrietta ~~stands lower~~ ^{was equalized} four dollars
less per acre than last year, being \$38; the addi-
-tion of \$1.16 per ^{acre} is caused by raising Monroe County
by the State equalization; not disturbing the relative equal-
-ized value between the towns; only adding to the aggre-
-gate of each town on the basis adopted by the board of
supervisors. Henrietta's share being at the rate of \$1.16 per acre.

We the undersigned do severally depose and swear that we have set down in the foregoing assessment roll all the real estate in the town according to our best information, And that with the exception of those cases in which the value of said real estate has been changed by reason of proof produced before us we have estimated the value of said real estate at the sums which a majority of the assessors have decided to be the full and true value thereof, And at which they would appraise the same in payment of a just debt due from a solvent debtor; And also that the said assessment roll contains a true statement of the aggregate amount of the taxable personal estate of each and every person named in said roll over and above the amount of debts due from such persons respectively And excluding such stocks as are otherwise taxable; And such other property as is exempt by law from taxation, at the full and true value thereof. According to the best of our judgment and belief
