We the undersigned, do severally depose and swear that we have set down in the foregoing assessment roll all the real estate situated in the town of Henrietta, according to our best information; and that, with the exception of those cases in which the value of the said real estate has been changed by reason of proof produced before us. we have estimated the value of the said real estate, at the same which a majority of the assessors have decided to be the full and true value thereof, and at which they would appraise the same in payment of a just debt due from a solvent debtor; and also that the said assessment roll contains a true statement of the aggregate amount of the taxable personal estate of each and every person named in such roll, over and above the debts due from such persons respectively and excluding such stocks as are otherwise taxable, and such other property as is exempt by law from taxation, at the full and true value thereof.
