We the undersigned, do hereby desire and wish that we have set down in the foregoing assessment roll all the real estate situated in the town of

Huronia, according to our best information, and that, with the exception of those cases in which the value of the said real estate has been changed by reason of proof produced before us, we have estimated the value of the

said real estate, at the same which a majority of the assessors have decided to be the full and true value thereof, and at which they would appraise the same in

payment of a just debt due from a solvent debtor; and also that the said assessment roll contains a true statement of the aggregate

amount of the taxable personal estate of each

and every person named on each roll, over and above the debts due from such persons respectively and excluding such debts as are otherwise taxable, and such other

property as is exempt by law from taxation, at the full and true value thereof.

according to our best judgement and belief, and that we have made a correct list of the names of all persons who are liable to be taxed for dogs in said town, and the number of dogs for which they are liable to be taxed, according to our best information.

I, Wm. Churchill, one of the justices of the Peace for the town of Hamilton, do certify, that the assessors above named, appeared before me on the 21st day of August, 1866, and did severally make and subscribe the foregoing oath.
