

C O P Y
ASSESSMENT ROLL
HENRIETTA
1891.

TO THE TOWN ASSESSORS.

To the end that there may be uniformity in the Town Assessment Rolls when completed, the Board of Supervisors of Monroe County, in Annual Session convened, passed the following resolutions, instructing the Town Assessors to comply with certain forms as here set forth:

- 1st.—Make all figures PLAIN and DISTINCT.
- 2d.—Do not make ditto marks in the columns for figures.
- 3d.—See that the figures are placed under each other, inside the blue lines and not zig-zag.
- 4th.—Alphabet Railroad Property under R, and Telephone and Telegraph Property under T. Place the Railroad Property on separate pages.
- 5th.—Do not omit any acreage however small, and be sure and report the railroad acreage.
- 6th.—Property exempt from taxation as Ministers, Schools, &c., should appear on the Assessment Roll, giving the acreage. After such property write out the word "FREE" in the column for valuation.
- 7th.—In assessing railroads, give miles and 100ths of miles of track in Town, with value; also acres of land, with value of land and buildings.
- 8th.—The Assessor's affidavit should immediately follow that portion of the roll made by them, viz.: after the recapitulation.
- 9th.—In the column designated "Value Per Acre," place the valuation as fixed by you; this is indispensable.
- 10th.—Place Incorporated Village property on the Rolls SEPARATE FROM FARM PROPERTY AND MAKE A RECAPITULATION OF BOTH.
- 11th.—Reduce all fractions of an acre to 100ths, thus: $75\frac{3}{4}$ acres, report it 75.75; $50\frac{1}{4}$ acres, 50.33; placing the 100ths in the column designated for the purpose.
- 12th.—In making the apportionment for School Districts, of either Railroad, Telephone or Telegraph property, do so AFTER the recapitulation in the back of book; do not place it on the same page as the property is assessed on. It is not a portion of the book there, but can be placed in back of book without inconvenience.
- 13th.—Railroad, Telephone and Telegraph property should be placed under the column marked "Assessed Value of Real Estate"; not under the column marked "Value of Personal Estate."
- 14th.—In multiplying the number of acres by the assessed price per acre, if the product brings fractions of a dollar, and such fraction is 50 cents or more, add 1 to the product, if less, omit.
- 15th.—According to law the Assessors MUST FOOT THE ASSESSMENT ROLLS before delivering them to the Supervisor. The Assessors of the Towns will understand the GREAT IMPORTANCE of adding the columns correctly. An error in acreage, personal, or real, however small, may work great injury to your particular Town. In making the recapitulation in the back of the book, carry over the footings of the pages like this:

	No. of Acres.	Assessed Value of Real Estate Dollars.	Value of Personal Property.	Dog. Sex.	Slut.
Page 1	145.75	24,585	2,000	4	1
" 2	377.50	52,591	12,000	15	1
" 3	376.18	37,747	27,450	20	2
Total	899.43	114,923	41,450	39	4

16th.—The index in the front of book is a new feature, and can be used by the Assessors if they wish. In towns where they have incorporated village property, and they are assessed separately, it certainly would be a great convenience.

17th.—If the Assessors fail to comply with the above instructions, the Supervisor is hereby authorized to return the Rolls to the Assessors for correction. By order of the

BOARD OF SUPERVISORS OF MONROE COUNTY.

NOTE.—The Clerk of the Board can be found at his office in the Court House on Monday of each week!
