ASSESSMENT ROLL.

HENRIETTA.
1892.

TO THE TOWN ASSESSORS.

To the end that there may be uniformity in the Town Assessment Rolls when completed, the Board of Supervisors of Monroe County, in Annual Session convened, passed the following resolutions, instructing the Town Assessors to comply with certain forms as here set forth :

Make all figures PLAIN and DISTINCT.

Do not make ditto marks in the columns for figures.

See that the figures are placed under each other, inside the blue lines and not zig-zag.

Alphabet Railroad Property under R, and Telephone and Telegraph Property, under T. Place the Railroad Property on separate pages.

Do not omit any acreage however small, and be sure and report the railroad acreage.

In assessing railroads, give miles and 100th of miles of track in Town, with value; also acres of land, with value of land and buildings.

The Assessor's affidavit should immediately follow that portion of the roll made by them, viz : after the recapitulation.

In the column designated " Value Per Acre," place the valuation as fixed by you ; this is indispensable.

Place Incorporated Village property on the Rolls SEPARATE FROM FARM PROPERTY AND MAKE A RECAPITULATION OF BOTH, the village recapitulation following the pages that the property is assessed on.

Reduce all fractions of an acre to 100ths, thus : $75\frac{3}{4}$ acres, report it 75.75 ; $50\frac{1}{2}$ acres, 50.33 ; placing the 100ths in the column designated for the purpose.

In making the apportionment for School Districts, of either Railroad, Telephone or Telegraph property, do so AFTER the recapitulation in the back of book ; do not place it on the same page as the property is assessed on. is not a portion of the book there, but can be placed in back of book without inconvenience.

Railroad, Telephone and Telegraph property should be placed under the column marked " Assessed Value of Real Estate " ; not under the column marked " Value of Personal Estate."

In multiplying the number of acres by the assessed price per acre, if the product brings fractions of a dollar, and such fraction is 50 cents or more, add one to the product, if less, omit.

According to law the Assessors MUST FOOT THE ASSESSMENT ROLLS before delivering them to the Supervisor. The Assessors of the Towns will understand the GREAT IMPORTANCE by adding the columns correctly. An error in acreage, personal, or real, however small, may work great injury to your particular Town. In making the recapitulation in the back of the book, carry over the footings of the pages like this :

	No. of Acres.	Assessed Value of Real Estate Dollars.	Value of Personal Property	Sex.	
				Dog.	Slut.
Page 1	145.75	24,585	2,000	4	1
Page 2	377.50	53,591	12,000	15	1
Page 3	376.18	37,747	27,450	20	2
Total	899.43	114,923	41,450	29	4

Omitted land of previous year place on separate page, and do not add in recapitulation. Write after it, or above, (Omitted 1891).

The assessors chosen in each town may divide the same by mutual agreement, into convenient assessment districts, not exceeding the number of assessors in such town.

The lands of non-residents shall be designated in the assessment rolls but in a part thereof separate from the other assessments.

The assessors shall complete the assessment roll on or before the first day of August in every year, and shall make out one fair copy thereof, to be left with one of their number. They shall forthwith cause notices thereof to be put up at three or more public places in their town. The roll must be delivered to the Supervisor on or before the first day of September.

All real and personal estate liable to taxation, shall be estimated and assessed by the assessors at its full and true value, as they would appraise the same in payment of a just debt due from a solvent debtor. (1. R. S., 393 §17 as am'd. L 1851, c. 176, §3)

The town assessors will find it easier, and it would be preferable, to copy from their field note books directly into the assessment rolls, without any attempt to arrange the names alphabetically. For instance, the assessors are canvassing a road running North and South ; finish assessing every piece of property on such road, and copy the names as they appear on your field note books into the assessment roll. The index in the front of the book can then be used to arrange the names in alphabetical order. In this way every page can be filled out. One of the principal reasons for this change is the annoyance and trouble caused the County Treasurer by tax searches ; if for any reason an imperfect description of the property is given, it is impossible for them to find the name. This system will also save the assessors a good deal of trouble.

If the Assessors fail to comply with the above instructions, the Supervisor is hereby authorized to return the Rolls to the Assessors for correction. By order of the

BOARD OF SUPERVISORS OF MONROE COUNTY.

NOTE.—The Clerk of the Board can be found at his office in the Court House on Monday of each week.
