**What They All Say.**

"PEARL MIST" has been selected by ladies in preference to all other preparations, because it does not contain any poisons, such as White Lead, Sugar of Lead, Flake White, Corrosive Sublimate, or any thing that will close up the pores of the skin.

The result is certain, and it indicates a degree of attention to the niceties of the toilet and personal grace, which the refined of both sexes are quick to observe and appreciate.

TRY IT, YOU WILL LIKE IT.

**BETWEEN THE ACTS.**

- Salvini will return to this country again, next season.
- The owners of "Hazel Kirke" have made \$100,000 out of it.
- Sardou is writing "The Yankees in Europe" for a Parisian theater.
- London has twenty-eight theaters in operation, against ten fifteen years ago.
- Fanny Davenport will make her first appearance as *Lady Macbeth* during her approaching engagement in Philadelphia.
- Another fine audience gave "Only a Farmers Daughter" an enthusiastic reception last night. The strong points, the splendid costumes, and all the catching elements of the play and the performance were made particularly effective, and round followed round of applause in quick succession. There were also calls in front of the curtain and gifts of flowers.
- Detroit Free Press.*
- The above play will be presented to a Rochester audience next Monday, Tuesday and Wednesday evenings, and Wednesday Matinee, November, 7th, 8th and 9th.

**SEAL SKIN.**

These Cigars are better now than ever, and all who love a Cigar free from Drug Flavors are invited to try them. There is a combination of fine Vuetta Abajo Havana in these Cigars known only to a few manufacturers which gives them their peculiar but rich aroma and taste. The tobaccos used in them are perfectly pure and harmless as tobacco can be, and when you give them a fair trial you will smoke none other. Call for them and take none other.

**ELECTRICITY.**

The Medical Electricians, DR. O. CLARK SPRAGUE AND WIFE, will open their office Monday, Wednesday and Friday Evenings, for the Winter, to accommodate those who cannot visit them during the day, commencing Monday Evening, November 7th. Parlors—187, 189 and 190 Powers' Building, ART GALLERY FLOOR.
