## *Last Will and Testament*

We, the Class of June, 1925, of Kodak High School, Rochester, New York, being in full possession of our mental faculties, and feeling that the end of our High School life is near, and in compassion for our less fortunate brothers, to wit, the other classes of this school, do hereby declare the following to be our Last Will and Testament:

*First:* To the Juniors we bequeath the wondrous prestige of our name and fame combined.

*Second:* To the Sophomore class we leave the hopes that some day their fame as Seniors will outshine that of the present Senior Class.

*Third:* To the Frosh we bequeath the power to humble the freshman class of '29 as we have satisfactorily bowed down the present freshman class.

*Fourth:* To the Faculty we leave our thanks and appreciation for the way that they have guided us through four years, (long for them, but short for us.)

*Fifth:* Karl W. bequeaths his powers of speech to Brud, to be used for lectures on various subjects in the assemblies, next year.

*Sixth:* Bernard B. leaves his power to manage a basketball team to Jimmie Y. (we wonder why?)

*Seventh:* Ellie leaves her voice to whosoever needs it.

*Eighth:* Margaret leaves her ability to get A's to Karl Bechtold.

*Ninth:* Frank Lockhart Siddons leaves his numerous poems to the girls of Kodak High.

*Tenth:* To Charles and Ruben we leave some of Ethel's height.

*Eleventh:* To next year's swimming manager, we leave Milly's powers of persuasion.

*Twelfth:* To some lucky class we leave Mrs. Baker, who has been our mainstay through our high school career.

*Thirteenth:* We hereby appoint the classes of Kodak High School executors of this, our Last Will and Testament.

Signed and Sealed this second day of June in the year of our Lord, One thousand nine hundred and twenty-five.

The Class of Twenty-five.

## Class Song

Dear High School of ours we bid you adieu,  
Where we spent many hours, glad and blue,  
We're going at last, never to return,  
For you we will pine, we will yearn

To our Alma Mater we'll always be true,  
'Cause we all owe our knowledge to you,  
We will cherish your mem'ry, your fame will we tell,  
So farewell dear old Kodak, farewell.

## Class History

### *Dear Annual:*

The list of names that you find enclosed with this letter is a complete one of all the people who were members of our class during the four years of High School. We were duly initiated with twenty-three members. During our first year we starred in athletics, especially Elenora Emmert, who was chosen for a first team forward, a position which she has held thru all four years with much credit. Our boys' basketball team also won in the inter-class games. Fred Russell and Roger Morse represented our class on the Baseball team. Our Soccer team won third place in the city league. During our Freshman year we also had a picnic with Miss Dodds class.

In our second year we made plans for a bazaar which never occurred due to some difficulty which could not be avoided. Ila Mairs, a member of our class, was placed on the honor council during this year. Our Sophomore year saw Kodak's first musical comedy. Ethel Guerin, Karl Wilson, Bessie Robbins, Mary Noel Bowen, Elizabeth Morse and Margaret Brown were in its cast. Mildred Orton entered upon her dramatic career also. She took the part of a maid in "The Amateur Detective."

During our Junior year we had several parties. The first one of the season was at Rena Gravelle's. I am sure that no member of the class will ever forget that one party. The next was at Helen Hollister's. At this party many of the boys in the class learned to dance. During the winter we went out to Elenora's to toboggan and eat hot dogs. We began what were called the "Junior Jumbles." We had a very successful assembly, two candy sales, and a play. The cast consisted of Felix Blowers, Helen Hollister, Dorothy Fawcett, Mildred Orton, Elenora Emmert and Edwin Hart. It was a huge success. The Junior quartette, Iva Stoddard, Martha Anselmi, Mary Noel Bowen and Ethel Guerin made their first appearance on the night of the play.

This year Dorothy Fawcett, Mary Noel Bowen, Edwin Hart and Felix Blowers represented us on the executive council. Roger Morse obtained a place on the Basketball and Soccer squads.

Our girls made a good showing in Basketball as well as the boys. Margaret Gutelius, Rena Gravelle and Elenora Emmert were first team players. Our girls all had a share in the glee club work thruout our four years.

During our senior year we had more Candy Sales. We gave two more plays with Elenora Emmert, Margaret Gutelius, Ethel Guerin, Felix Blowers, Karl Wilson and Mark Martin on one cast and Dorothy Fawcett, John Jacobus, Barton Hutchinson, Edwin Hart, Bernard Bullock on the other cast. The plays were a great success. Our record of scholarship is the most outstanding thing in our career. Elenora Emmert, Ethel Guerin, Lucy Jones, Kathryn Haire, Mildred Meader, Margaret Gutelius, Edwin Hart, Ruth Price and Dorothy Fawcett have not failed any subjects during the four years.

Enrollment of 1921: Felix Blowers, Bernard Bullock, Edward Burr, Catherine Calahan, Charles Granata, Edith Coombs, Henry Doell, Elenora Emmert, Rena Gravelle, Helen Hall, Bessie Robbins, Lucy Jones, Leona Kendrick, Virginia Koeth, Ila Mairs, Irene Mitchell, Roger Morse, Mildred Orton, Harold Platts, Florence Quakenbush, Fred Russell, James Young, Iva Stoddard.

In 1922 we gained the following: Ellen Burgess, Helen Hollister, Richard Voss, Donald Thompson, Mildred Meader, John Berry, Fred Mayer, Bernard Drew. In that same year we lost: Edith Coombs, Florence Quakenbush, Catherine Calahan, Harold Platts, Richard Voss, Edward Burr, Fred Russell,

In 1923 we gained: Margaret Gutelius, Edwin Hart, Martha Amselmi, Eva Gifford, Dorothy Rinehart, Mary Noel Bowen, Ruth Price, Dorothy Fawcett, Carl Kaltenbacher. We lost: Charles Granata, Bernard Drew, Ila Mairs, Fred Mayor, Helen Hall, Virginia Koeth, Irene Mitchell, Iva Stoddard, Donald Thompson.

In 1924 we gained: Frank Siddons, Mark Martin, Karl Wilson, Belle Carpenter, Margaret Brown, Kathryn Haire, Elizabeth Morse. We lost: Eva Gifford, Dorothy Rinehart, James Young, Karl Keltenbacher, Martha Amselmi, Mary Noel Bowen, Ellen Burgess, Roger Morse, John Berry.

Graduating class on June 1925: Felix Blowers, Bernard Bullock, Henry Doell, Elenora Emmert, Rena Gravelle, Ethel Guerin, Lucy Jones, Mark Martin, Belle Carpenter, Elizabeth Morse, Kathryn Haire, Helen Hollister, Mildred Meader, Margaret Gutelius, Edwin Hart, Ruth Price, Dorothy Fawcett, Frank Siddons, Karl Wilson, Margaret Brown, Mildred Orton.

Sincerely yours,

ETHEL GUERIN, '25.

### *Girl Scouts*

A new troop was formed by Mrs. Stell as Captain in Kodak. Only girls in high school are eligible for membership. At present there are two patrols. By next year, they hope to have more. Beatrice Poulton in the office of lieutenant and Babette Kaltenbacher as assistant are doing their best to help the troop. We wish you the best of success.

### *Friends of '25*

We scarcely know what to say to show our appreciation of Larry. He has always been ready to do anything to help our class. Although Frank is a more recent comer, we appreciate him very much. This year, both he and Larry carted cookies upstairs for us, whenever we needed them. They are real sports, and we want them to know that we appreciate their help. Thanks Larry and Frank.

## *Review of the Class Prophecy*

(ORIGINALLY A PLAY)

It was summer time and the city had never been more beautiful. Why not have a class reunion? Now that I had a large home, it would be a very pleasant place to entertain. Ten years had gone by since our class graduated from Kodak High School. What changes must have occurred in that time.

The day finally came for the crowd to arrive. I was so excited! The first one to appear was Helen Hollister. How we did talk! Helen was simply bubbling over with news, for she gathered a great deal of information flitting from tea to tea and dance to dance. Helen was a regular society butterfly. Did I know that Belle Carpenter was a U. S. Senator? Of course, Belle was the favorite topic of conversation in our group. She was unable to attend our reunion, for she was busy elsewhere. I had received a telegram from Ethel Guerin and I knew that it was difficult for her to get away from her work, even for a day or so, because Ethel was known as Dollie Dimple, the famous screen star. Yes, anxious readers, her leading man was Lawrence Johnson.

As you might all have expected, Karl Wilson was representing the Rochester Aquatic Association in the Olympic Games. It really does pay to be faithful.

I always thought that Mort was cut out for a policeman, from the way he used to keep order at Kodak (especially in the sixth period study hall.) Mr. Terwilliger is now chief of police at Fairport. He was a little late in coming, for on his way he had to arrest a young man for speeding, only to discover that his victim was Ed Hart. All the girls declare that Ed is a cross between an Arrow collar ad and a Greek god, and not at all like the dignified senior he used to be. Dot was happily married, I understand, and had three little tots. She was certainly kept busy attending to their wants. It was just like old times to see Dot rush and greet Elenora enthusiastically. But was

this Elenora, this tall, slender, dignified, yes I said dignified, woman. She had just time to say hello, for she was extremely busy. Was not Miss Emmert head of the newly organized Kodak Old Folks' Home?

We all felt rather solemn when Bernard walked into the room. He looked so very scholarly (even more so than usual) with his glasses pulled down on his nose and his unruly red locks pushed back from his face. This was the Rev. Bernard Bullock, D.D.

Margaret and Felix, or rather I should say Dr. Blowers, came leisurely strolling up the path. Dr. Blowers runs the "Cure For All Ills Hospital," and Margaret is his head nurse. Just the same she didn't absolutely have to keep fixing her hair so that we would be sure to notice her diamond.

Who would have supposed that Ruth Price was to become a famous dancer some day? The unexpected has happened and Ruth is abroad at present "tripping the light fantastic toe" in the Cafe de la Rue Buvard at Paris.

I suppose that Henry had a perfectly good excuse for being late, for he had to finish a cross-word puzzle before he could leave his place of business. Doell's Delicious Gum is being sold everywhere, much to the despair of several of the Kodak High teachers.

Lucy Jones and Elizabeth Morse are in business together. They always showed a great deal of talent along mathematical lines.

Can you stand a severe shock? Mildred Orton came in smiling and waving her hands around in the air. Mildred was all talked out. She was dumb (in the true sense of the word) and had started a school for the dumb. She had quite a patronage. As one of the boys said afterwards, "Look at Mildred, the perfect woman."

We were well entertained that afternoon. As usual, the girls simply went wild over Frank Siddons. We wanted him to "do his stuff," but he told us to wait until his partner arrived. Mark Martin and Frank Siddons are starring as "the original Mutt and Jeff," on the Keith Circuit.

In the evening, Rena Gravelle, our prima donna, sang several selections. Katherine Haire and Margaret Brown did their part, too. At last we all gathered around the piano and joined in our old Alma Mater.

I can't just explain it, but we all had a queer, choky feeling while we were singing. I doubt that there was a person in the room who didn't look back to the happy years we spent at dear old Kodak High.

MILDRED MEADER.

SENIOR PLAY "SHE WILL AND SHE WON'T"

SENIOR PLAY "MALTED MILK AND MARCIA"

## *The Senior Plays*

Two one-act farces were presented by members of the Senior Class on Friday, March 27 in the assembly hall, under the direction of Mrs. Baker. The first play was entitled, "She Will and She Won't," including Felix Flowers as James, the butler; Margaret Gutelius as Lucy, the Maid; Karl Wilson, Henry Harford; Elenora Emmert, Jessy Harford, his wife; Ethel Guerin, Mrs. Harwood, the Mother-in-law and Mark Martin, Mr. Harwood, the father-in-law.

As the play begins, James is very insistent that Lucy remark, "Thank goodness the table is spread." Lucy refuses his request, saying that he is very foolish to ask such a thing. A quarrel follows. Mr. Harford overhears the angry remarks and repeats the story to his wife. She immediately sides with Lucy and trouble follows. Mr. and Mrs. Harwood visit the couple, only to find something wrong. Then they, too, hear the story. Of course, Mrs. Harwood believes that her daughter is in the right. The two men stick together. Thus a very humorous situation is produced.

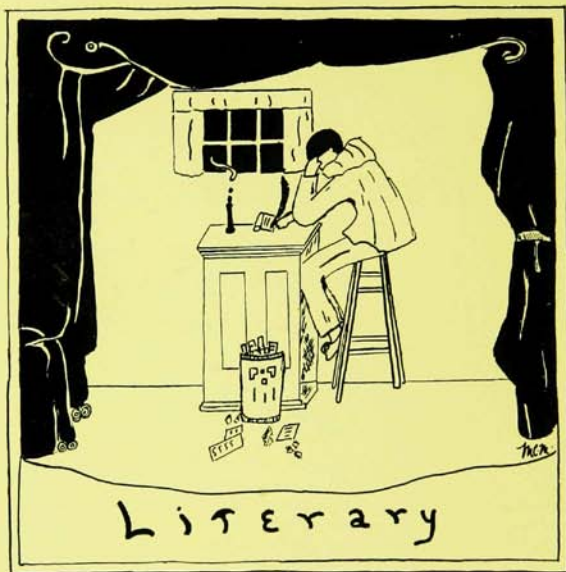

"Malted Milk and Marcia" is the story of a stenographer who decides to take matters into her own hands and make a sale. Accordingly she changes her old fashioned clothes for very modern apparel and completes the transactions. Of course, her pleasing manners and so forth had something to do with the deal.

Dorothy Fawcett played the role of Marcia, the stenographer; Edwin Hart, who was completely "sold"; Barton Hutchinson, Marcia's employer; John Jacobus, a clerk, Henry Meek; the usual office boy, Bernard Bullock.

Music for dancing was furnished by Stuart Harding's orchestra.

### *School Spirit*

The school spirit at Kodak High is something for us all to be proud of. It is shown on the athletic field, in the class room and in our attitude toward one another. In sports, a remarkable loyalty is demonstrated in supporting a team. The number of spectators at a game, often puts to shame other schools. Even a losing team which has had hard luck through the season finds encouragement and support in the student body. There is very little razzing done, for which we are glad, because it tends to put an end to friendly feeling and co-operation. The whole attitude is to put the best effort into everything tried, and if not successful to keep on trying. They do not succeed every time, but are never discouraged. This spirit more than the victory is what we wish to see continue at Kodak High.

But they try not to let athletics interfere with class work. This is loyalty in another line. The school has always been noted for the exceptional record that it keeps for scholarship. This high standard is necessary for the good name of the school and is a test of a person's loyalty. Each one must be willing to do his best in the work as well as the play that comes with school life.

The friendly attitude of comradeship that exists between the students is shown by the general atmosphere in the school. Everyone feels at home and is on good terms with his neighbor. Clothes make no difference at Kodak,

# KODAK HIGH SCHOOL

but it is what you are that counts. There are no cliques. The school spirit comes first and puts aside all personal differences. The attitude of the students for each other is accompanied by the comradeship between teachers and pupils. The teachers do not have a wall around them, but show themselves real friends and helpers in school life.

Of course, there are always a few students who do not live up to the ideals of the school, but these are overcome by the attitude of the majority. We hope that in the future Kodak High School will continue to support athletics, scholarship and each other with the same spirit.

## *A High School Education*

*Used by permission of D. C. Heath & Co.*

Boost for the school's advancement,  
Boost for the things sublime,  
For the chap that's on the top-most round,  
Is the booster, every time.

Be loyal to your school in word and deed. Your personal conduct will make or mar the standing of your school in the community. The world has no use for a loafer. School is the last place in which to play slacker. Play the game. How much are you worth above the neck? Is your head a hat rack or a thinking machine? Take the same pride in the appearance of your school that you do in yourself and home. Be courteous, prompt, attentive, awake, fair, honorable, trustworthy. Remember that self starters don't need to be cranked.

School is your workshop. You are not working for the teacher, you are working for yourself.

Work, don't shirk

## *Changes in Kodak High*

Since our class entered high school many changes have occurred. The September we began Miss Dodds became a member of the faculty and since then we have Mr. Burt, Miss Chittenden, Miss Justice, Miss Kolb, Mr. Mathewson, Miss Acker, Miss Spaulding, Mrs. Cunningham, Miss Mann and Miss Moran.

The school has increased from seventy pupils to two hundred and sixty and it has been necessary to occupy three extra rooms on the second floor.

To Mr. Snyder and the teachers we hereby express our appreciation of their work and interest for us and for our school. To the students we express the hope that they will do all they can to promote the welfare of the school.

GRANT MILLER	.....	<i>President</i>
JESSIE WISHART	.....	<i>Secretary</i>
RUTH FISKE	.....	<i>Treasurer</i>

We are proud to say that we have put sixty dollars in our treasury since September 1924. A large amount came from checking at the basketball games. We made over three dollars on a candy sale and then of course there are class dues. The money is in the bank, and the treasurer is the proud possessor of a bank book.

Mr. Burt has looked over our credits and he believes that nine of us will finish our course in January 1926. If this is true, we will have graduation exercises, the first to be held in January in the history of Kodak High School. Hats off to us, who will be real Seniors next term.

R. F., '26

We may snub you, little Freshies,  
But we like you just the same,  
It isn't 'cause you're clever,  
But just because you're game.

Felix (translating in Virgil): "Three times I tried to put my arm around her neck. Three times,"—and that's as far as I got."

Miss Mayo: "I should think that was quite far enough."

### *Class History of June '26*

We all know thru experience  
How Seniors and Freshmen mix.  
Three years ago, to all intent,  
They were in the same old fix.

The Seniors sought the Freshmen out,  
With the Freshmen's good in mind.  
The Freshman who did profit most  
Was the one they did not find.

Our Sophomore year was just as bad,  
The teachers seemed to think  
That every mind in the Sophomore class  
Had a certain Sophomore kink.

And now when we are Juniors  
There's nothing much to do.  
We've been the Freshman and the Soph  
And next year we'll be thru.

Kodak's such a dear old school  
We'll view it with regret  
When we must leave; but then, you know  
We haven't left it yet!

Entering in January 1923, we immediately produced a champion basketball team. The following year our soccer team made us famous again as it came through with only six points scored against it.

In our Sophomore year we received a big addition to our class from Jefferson Junior.

Probably the most famous social event of our class, was the party at Avis Hocfler's summer cottage. We all remember how Lawrence, Paul and Harlan tried to paddle a canoe, and how they had to wade to shore. Remember how the press in Harlan's trousers was completely ruined?

After playing baseball and various other games we had supper; the best part of it all. We hope to have more good times next year.

The class of June '27 has been very prominent since its entrance. As freshmen, the boys claimed the city championship in Soccer. In our Sophomore year, our fellows shone on the Soccer team and Reserves.

We gave a sleigh ride which was very successful—eats especially.

We gave a play this year in assembly which was very unusual. Under the careful instruction of Miss Kolb it was a most successful program. Marion Ellis and Hayden Shrader played their parts very well. Lloyd Hubbard was a very real Maker of Dreams. Walter La Borie opened the play with a clever introduction. Dorothy Fawcett played various fitting selections to accompany the speakers.

Great things are expected of our class, for with such a good beginning what must our future be?

## January 1928

In that fateful year, 1924, the class of January 1928 entered high school, feeling that nothing could be as enjoyable as grammar school life. At the end of our first term, we had changed our opinion and had decided that high school life excelled grammar school in many ways.

During our freshman year, we had several parties, which were invariably successful.

We do not play all the time. Were we not so modest, we might tell you all we have done for the school. We are a great class for working and getting our lessons, although some of the teachers do not think so, and our report cards are a surprise, even to ourselves.

The following officers were elected: *President*, LOUIS RODWELL; *Vice-President*, WILBUR OHLRICH; *Secretary*, HELEN MARTIN; *Treasurer*, ROSALIE EVE.

### *Executive Council*

The Executive Council has successfully completed its second year. This year the Council was composed of Mr. Snyder, Miss Richardson, Mr. Burt, Student Association Officers, Class Presidents, Managers of Teams, Leaders of Glee Clubs and Orchestras, President of Girls' Athletic Association.

Kodak has found the Council very necessary in the past two years. It decides questions which are vital in school life. The outstanding event in the Council this year, was the formation of the Constitution. We sincerely hope that the Council will always be continued in Kodak, as we feel it is the best possible place to discuss questions dealing with school affairs.

D. F., '25

### *The Student's Association*

The Students' Association has grown until it has a membership of about 250 and has satisfactorily completed a Constitution, which we hope will meet all requirements in the future years. At the first meeting of the Association this year, the following officers were elected: *President*, DOROTHY FAWCETT; *Vice-President*, LEE WILSON; *Secretary*, JOSEPH FAKER; *Treasurer*, MR. BURT. We sincerely hope that the membership will increase next year.

D. F., '25

### *Girls' Athletic Association*

A Girls' Athletic Association was formed last fall with the advice of Mrs. Cunningham, our gymnasium teacher. Mrs. Cunningham introduced the point system by which the girls win their awards. It has worked out successfully this year, and is expected to continue on its course next year. It is interesting to know that Kodak is the first school in the city to try out this point system. The following officers were elected at the first meeting:

MARGARET GUTELIUS	President
JUDITH DIGNIN	Vice-President
MARY GUTELIUS	Secretary and Treasurer

### *The Orchestra*

The school orchestra is composed entirely of high school students this year. Under the direction of Mr. Schrader they were launched on their career.

Those who attended the Senior play, had the opportunity of hearing them. They have also played before high school assemblies. Philip Kaufman proved a very efficient leader, playing first violin. Other exponents of the stringed instruments were Charles Stein, Wanda Dukar, William Harrison and George Elliot. The toot, toot, tooting flutes were managed by Wilbur Ohlrich and Ira Cohen. Robert Buedingen at the clarinet, Kenneth French, trombone and Howard Hayden, cornet, supplied all the free air necessary. Harold Arlidge completed the number.

## *Banking*

Banking is comparatively new to Kodak High School, but after Miss Taylor, of the Rochester Savings Bank talked to us last fall we began to take an active interest in it. Each student who wishes to open an account is now given an individual pass-book in which is kept a record of his deposits. Each Monday the student makes out a deposit slip and gives it to the clerk who signs it. The books are given to the tellers who check up the money, and give it to the Cashier. Kodak has succeeded in maintaining an excellent average. The bank officials with Miss Richardson as faculty advisor are doing their best to boost banking.

The present bank officers are:

*Manager*—MARGARET GUTELIUS

*Advertising Manager*—JAMES YOUNG

*Cashier*—FELIX BLOWERS

*Tellers*—LUCY JONES, RUTH PRICE

*Clerks*—GILLY GUILFORD, '26, JUDITH DIGNIN, '26

Sweet be thy memory, High School of ours,  
Fair be thy destiny, fadeless thy flowers,  
Hearts that have loved thee, have won in life's fight,  
Names that we honor, thy standard hold bright.

Our Alma Mater dear, to thee we sing,  
May all thy future years new honors bring,  
May friends thy banners raise, thy foes grow less,  
All love and praise to our K. H. S.

## Baseball

Kodak had one of the best baseball seasons last year that the school has ever had. By virtue of their five wins and one defeat in the city reserve league, they tied East High for first place. Hilton and Irondequoit were played also besides the teams in the league. The season ended with eight wins and two losses as the final standing of our team. The pitching burden was shared between "Fritz" Russell and "Mort" Terwilliger with "Fred" Heckel doing good relief work when called upon. "Rod" Morse ably took care of the catcher's box. The infield positions were held down by Jack Wilson, first base; Hank Doell, second base; Stan Bissell, third base; and Pete Adams, short stop. John Berry, Herb Coombs and Ed Hart played in the outfield. With such a successful season last year a bright future is in store for the team this year when they enter in the Rochester and Vicinity league composed of such teams as East, West, Charlotte, Tech, Fairport, Lima, Canandaigua.

F. S., '25

## Wrestling

"Master" Miller, "Bashful" Bradie, "Midget" Martin, "Father" Fisher, "Zealous" Zimmerman and "Star" Siddons were all members of the regular grappling team. Palarmo and Hutchinson were short staybys. Our team made a good showing in the City Wrestling Tournament. Grant Miller defeated his men from East and West and stayed with Western New York Champion for fifteen minutes.

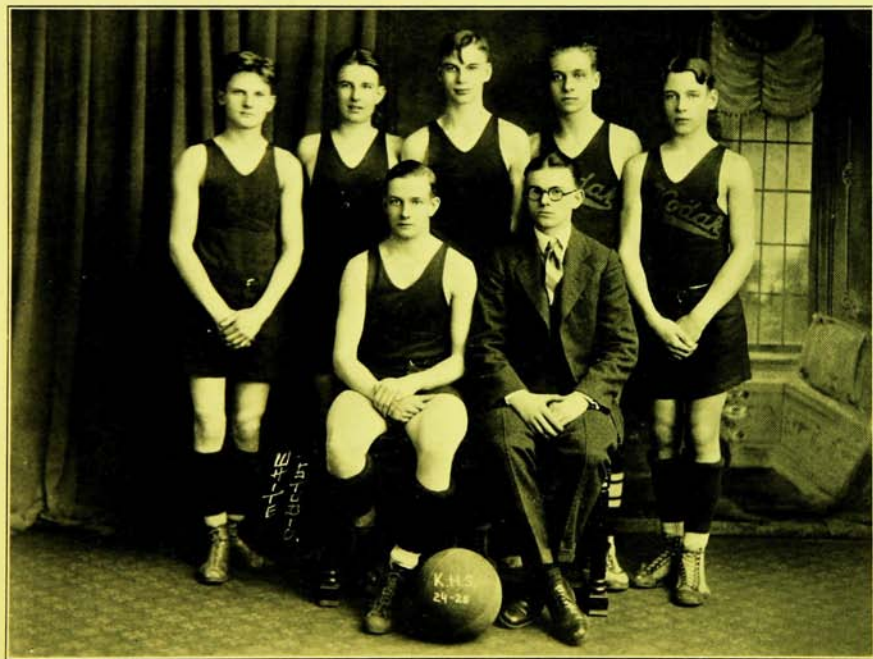

Hurrah for Grant!

Minor Sport Letters were earned by Grant Miller, Robert Zimmerman and Mark Martin.

## Basketball

Hooray for the team. They had failures and successes during the year, but we are proud of them just the same. "Fritz" played the game, as he plays every game, aiming to win, but win right. With such a captain, how could the fellows get discouraged?

Bart, although a newcomer from West, in January, caught the Kodak spirit, and played his best game the rest of the season. Owing to his late arrival, he was not given a letter, but good luck next year, Bart!

We have decided that Mort closed his eyes every time he steeves, because of the baskets he made from past the center of the floor. Mechanics will have a fine addition to the squad, when our representative from Kodak arrives next fall.

Felix sure has an eye for baskets. What would we have done without him? Rod played his game through the year as he alone could have played it. A fine record is piling up for Rod.

With a little more weight, our team would probably have crashed through the defense of other schools, but we are expecting that of next year's team. This is the first year that we have played in the regular team league. The subs did noble work this year. Thanks to Brud Wilson, Louis Rodwell and Barney Sochner, we had good men to use when the regulars were knocked out of the game.

The Democrat and Chronicle found space for Mort and Fritz on the third all scholastic team, while the Times Union gave Fritz honorable mention.

Let's not forget the Coach or the Manager. They worked all season, and certainly deserve all the credit that we give them. Coach Mackelvey trained the squad till they could pass and shoot to his liking.

We all know how Bernard Bullock gave us one of the best basketball schedules that we have ever had, and how, at the end of the season, he turned over to the treasurer, Mr. Burt, enough to give the baseball season a good start. We wish you the best of luck next year in your season.

D. F., '25

## Interclass Basketball

Interclass basketball was very successful this year. All the teams were out to win, but the Sophs copped the championship. They defeated the Juniors in the opening game by a very close score. The other games were hard fought, but they considered the Junior defeat their best victory. The team consisted of: Joe Faker, *Captain*; "Ed" Hoeller; "Dobbs" Jardine; Willy Kennerson; Gordon "Fat" McCrossen; Fritz Zarnt; Hayden Schrader.

## Hi-Y

The Hi-Y Club held the last meeting of its first and successful year, under the leadership of Carl Lauterbach, a senior from the University of Rochester, on April 6th. The officers this year were: LEE "BRUD" WILSON, *President*; "HANK" DOELL, *Vice-President*; GRANT MILLER, *Secretary*; and "CLIFF" STOVER, *Treasurer*.

We made a fine start this year and have a fine foundation for the clubs of future years. Let's keep up the good work, boys, you have something to strive for.

### *Soccer*

The 1924 Soccer season for Kodak was very successful. The team, playing for the last time in the Reserve League, won third place in it. "Fritz" and "Johnnie," the Captain, starred in many games, both being veterans. In the eyes of our goal guard, George Berry, Roger Morse seemed to be the star, because he kept the ball in the forward line.

"Bang! Bang! Bang! Get it out of here," was all that we heard as our line: "Joe," "Mort," "Fritz," "Brud," and "Johnnie," kept plugging the opponent's goal with the soccer pill. "Ray," "Rod," and "Al" played the game all thru the season. "Siddons" and "Sauers" did their stuff, so that "Unkie" was able to take a nap occasionally.

The Subs: H. Schrader, C. Guerin, R. Zimmerman, F. Blowers and W. Palarmo, were used often during the season when regulars were injured.

F. S. '25

### *Boys' Swimming*

"I wish that some of you fellers would come out, even if all you can do is keep your head above water," etc., etc. Karl Wilson was delivering his usual oration. At every assembly, it has been customary for him to arise, give a preliminary "Ahem!" and deal out the same old speech.

However, Kodak secured first place in the first interscholastic meet in the 50 yard back stroke. We also took two second places in another meet. The swimming team proper, however, was quite small, friend Karl being captain, manager and squad all in one.

R. G. '25

### *Reserve Basketball*

Our Reserves had another successful season. The opening game was lost, due to lack of coaching, but it should be mentioned here that Mr. Mackelvey had to spend all of his available time with the first team. However James Young, the manager, spent all of his time with the team. We can thank James for our Reserve schedule. The following fellows made the team: "Barney" Soehner, Captain and Center; "Joe" Faker, Forward and high scorer of the season; "Fred" Heckel and "Russ" Schrader, Forwards; "El" Hoefler, "Bob" Wulf and "Chet" Guerin, Guards. Heckel starred on the offensive for the team. We played our last game with Charlotte, defeating them 22-16. Thus, the season closed successfully.

B. S., '27

### *Freshman Basketball*

The freshman team had a very successful season, winning second place in the Freshman League. They also set a new record in the league defeating the Charlotte yearlings 31-0. The following made the team: Capt. "Oz" Hart, Harold Kendall, "Mitzi" Clark, Donald Cook, "Chief" Killian, Gordon Brady, Howard Hayden, Harry Price, and "Dobs" Jardine. The boys are very thankful to Mr. Burt who devoted his time to coaching the team.

The total number of points during the season was:

## Girls' Basketball

At the first call of Coach Cunningham, girls from every class, Seniors, Juniors, Sophs and insignificant Freshies assembled in the gym for the first practice. Mrs. Cunningham and Dorothy Fawcett, manager, had drawn up a schedule of interclass games. These games began in November and finished in February. The Senior team, composed of Emmert, Captain and Forward; Gutelius, Forward; Fawcett and Gravelle, Guards; and Jones and Guerin, Centers won the title. In all the games played, the Senior lost only one, dropping it to the Sophs.

After the series was finished practice was held twice a week for a while in order that Mrs. Cunningham might pick a squad of ten. The regulars of the squad were: Margaret Gutelius, Captain and Forward; Elenora Emmert, Forward; Rena Gravelle and Judith Dignin, Guards; Lucy Jones and Helen Lewis, Centers.

The Subs were: Mary Gutelius, Bernice Harper, Holliss Kemp and Beatrice Poulton.

Early in the season, the girls' physical directors of the four co-educational high schools of the city, held a conference to arrange for a tournament. This tournament was to be held in March, each team playing a game every Friday. This gave our girls a chance to get their first whack at East and West. The West High game showed the other schools that despite our size, we were to be feared for the final score was 18-29. Our showing against West High put East's representatives on their mettle. In the first half, the advantage saw-sawed back and forth and our chances of winning were very good. However, Captain Kohler of the Orientals rolled up the score in the final half to 38-18.

Nevertheless, Kodak's time was coming. The final week of the series, we were pitted against Charlotte, our ancient enemy. Charlotte's team lacked the weight and speed of the Kodakers so the final score stood at 47-4 with our girls on the top of the heap.

East High, on account of winning the city title, won the trophy which was donated by Dr. Williams, in honor of his daughter, Elizabeth, East High's center. We have as good a chance as anyone to win it in succeeding years and judging from the fight we put up, in our clashes with the big high schools, these chances are not few and far between.

## Hiking

The Hiking Club has as its leader Miss Mayo and manager Ruth Fiske. Once we hiked down the Indian Trail, another time the Genesee Docks was our destination. We had a splendid time coasting and skiing on Eddy Hill. We called at the Driving Park Avenue Fire House where we slid down the firemen's pole. The lake was too cold for a dip when we hiked there. We hope there will be more hikers next term.

### *Girls' Soccer*

Of course, the boys felt it their privilege to hee hee and haw haw but nevertheless they can't dispute the fact that *us* girls are some soccer players. Many a night while we were toiling and perspiring out in the back lot, we heard derisive masculine voices directed at us. But!—Miss Pettingill, director of athletics for girls in the city high schools, thinks we played a wonderful game considering how short a time we had been at it.

Soccer for girls was introduced in Kodak last fall. About twenty-five girls came out for regular practice. Winnie Smith, as manager had the pleasant duty of keeping the attendance records.

Two practice teams were formed, composed of all the girls present with Judy Dignin and Peg Gutelius as their respective captains. Peg's team was more successful in the line but her backfield wasn't as good as Judy's.

These games were started in September and continued into November. At the end of the season Mrs. Cunningham, the manager, and the two captains combined to pick an honorary team of seven. Their names and positions are as follows:

JUDITH DIGNIN—*Honorary Team Captain and Halfback*  
 MARGARET GUTELIUS—*Center Forward*  
 RENA GRAVELLE—*Full Back*  
 AVIS HOEFLE—*Forward*  
 HELEN LEWIS—*Half Back*  
 MILDRED ORTON—*Forward*  
 WINNIE SMITH—*Playing Manager and Forward*

R. G., '25

Senior: "Gee, your shoe squeaks."

Junior: "Yep, there's plenty of music in my sole."

Bernard: "Did you hear about the man that beat his wife up?"

Mildred O.: "No, how did it happen?"

Bernard: "She got up at seven and he got up at six."

## Baseball

Girls' baseball, in former years a rather vague sport, was organized this year on a firmer basis, much the same as soccer. Two practice teams were formed and Ellie Emmert was elected manager. Practice was held every Thursday from 2:30 till 3:45. Although they didn't knock home runs every time they came up to bat, the girls were quite successful. Several good batteries were developed during the season, perhaps the best one being Ellie Emmert, pitcher, and Peg Gutelius, catcher.

All the girls were very sorry that Judith Dignin, who pitched last year was barred this season on account of her health.

## Swimming

Many and varied were the agonies endured by some simple, girlish freshmen (or women) as they valiantly struggled with the "dead man's float." They gasped, spluttered and vainly tried to escape the instructor's eye. Meanwhile at the other end of the pool, Bernice Harper was trying to dive without holding her nose.

Swimming attracted quite a number of devotees this year. Mildred Orton was elected manager and she conducted that office very well. For her faculty for digging money out of reluctant pockets, she has been called the best money go-getter in K. H. S.

A meet was held early in June and the points awarded were as follows: first place, 75 points; second place, 50 points; third place, 25 points.

R. G., '25

## Tennis

Tennis was introduced in Kodak this year as an organized sport for the first time. The group was not very large but nevertheless they went ahead with their plans for a tournament. Each girl turned in her scores after each set and her standing was determined from that. Margaret Gutelius was the final first, Mary Gutelius second and Beatrice Poulton was third. "Bee" was also Manager.

The following girls engaged in the sport: Margaret Gutelius, Mary Gutelius, Wanda Duckat, Ruth Price, Judith Dignin.

Ruth P.: "The German marks are very low."  
 Judy: "They're no lower than mine."

Ibi went into a dry goods store and asked the price of a collar.  
 Clerk: "Two for a quarter."  
 Ibi: "How much is one?"  
 Clerk: "Fifteen cents."  
 Ibi: "I'll take the other."

## The Soccer Banquet

"Three o'clock and all's well," said Mildred Orton, chief of staff of the culinary department. "Ellie, whatever are you doing to the ham?"

"Sticking cloves in it," replied the cooking marvel, Elenora Emmert, and so the cooking of the supper continued. For a while there was an argument about how finely cabbage should be chopped when making a salad, but "Spigot" took the salad helm and the discussion vanished like magic.

All this resulted from the Seniors' discussion to give a banquet for the members of the Soccer Team, this feast (?) to be prepared by their own hands. Mildred Orton, Elenora Emmert and Dorothy Fawcett were cooks. Margaret Gutelius, Helen Lewis, Ethel Guerin and Rena Gravelle were waitresses.

Of course, the boys simply raved over the eats. But really, if they hadn't they should have, for Ellie's ham left nothing to be desired, and who can dispute Mildred's ability to mash potatoes or Dor's to make salad? We all remember that Brud had a drag with someone in the kitchen (who could it be?) for he was served a special dessert at his request.

John Berry made a fine toastmaster. Moreover, the boys seemed to realize that a toastmaster, like a cheerleader, needs support. The team made speeches, told stories and jokes and gave their opinions of the Soccer season.

Mac and Mr. Burt made speeches. However, Mr. Burt was suspected of wishing to escape because, when he was called on to speak he suddenly discovered that he was wanted on the phone. However he was obliged to do his duty when he returned.

Margaret, chief waitress, seemed to think that Fritz was using too much sugar in his coffee. He and Brud had finished the bowl full between them. Margaret refilled it. Fred helped himself to half of it and took one drink of his coffee. Plenty! Margaret had filled the bowl with salt.

During coffee, Doris Evans did a solo dance, accompanied by Dot. F. Special mention is due to the orchestra which played very well. Thanks also to Floyd Hertle and Cliff Stover who helped with the dishes and made themselves generally useful.

After supper, everybody who could drag a foot across the floor, danced and played "Farmer in the dell." Paul Jones dances were in order. At nine o'clock, the party broke up with a unanimous vote of a good time.

### *Special Postscript:*

After dinner Mr. Frank Siddons gave his well known rendition of "Duna." Frank's many friends reaffirmed their conviction that there is a splendid career in store for our poet.

## The Parent-Teacher's Association

The Parent-Teachers' Association has for an aim the closer relationship of home and school. To this end, the Association desires a larger membership among the parents of boys and girls in the high school.

During the past year, the activities of the organization have been varied. At the annual bazaar in the Masonic Temple, this Association won second prize for the best decorated booth. In December a luncheon in connection with the Eighth grade sale was successful. Later came a musical and then a Community Night in the Assembly Hall, at which Mrs. Van Wie and Principal Snyder spoke. At the regular monthly meetings, Miss Mann, the visiting teacher and Dr. H. H. Price, have spoken.

Mrs. William Stell, the president, has worked hard for the organization, and deserves much credit.

Henry D.: "How do you teach a girl to swim?"

Rod M.: "Put one arm around her waist and the oth---"

Henry: "But this is my sister."

Rod: "Oh, just shove her off the dock."

Miss Justice: "You know fools ask questions wise men can't answer."

Cliff: "Yes, I guess that's why I flunk so many regents."

*The Hen*

What a queer bird is the hen,  
When it sits it lays—sometimes  
When it sits it sets—sometimes  
When it sits it lays and sets—sometimes,  
I think it must be twins—sometimes.

Us can't repeat the jokes us cracked in days gone by,  
But us can always see they,  
When they've been swiped from I.

FRESHMEN—Grassy  
SOPHS—Sassy  
JUNIORS—Brassy  
SENIORS—Classy

Mort: "Fred Z. talks in his sleep."

Ibi: "How's that?"

Mort: "He recited in class today."

Mr. Burt: "Did any of you students lose a roll of bills with a rubber band around them?"

Chorus: "I did."

Mr. Burt: "Well, I found the rubber."

# WHAT CROSS-WORD PUZZLES DID FOR THE SENIORS

*Before—*

Say Ignats, If you don't can the rough stuff and stop trying so hard to get me riled, I'll get hot-headed and shoot it to the rest of the kids what a darned saphead you are.

*After—*

I beg your pardon. If you do not cease this infernal process of endeavoring to arouse my ire, I shall deem it necessary to enumerate your numerous misdemeanors to the student body as a whole.

Mrs. Flanders: "How is it that your average is lower this month than in December?"

Gilly: "Well, you know that everything is marked down after the holidays."

Hayden: "You should always think of the future."

Russell: "I can't. Today's my girl's birthday, and I have to think of the present."

Nelson: "You poor fish, don't fold your napkin in a hotel."

Fred R.: "I gotta to get it in my pocket."

Henry D.: "There were some terrible looking janes in the chorus."

Bernard: "Don't talk that way. You should always respect old ladies."

Mr. Kircher: "You are not the sort who drops his books and runs the minute the bell rings, are you?"

Ed Noise: "No, sir. Why, I often have to wait fifteen minutes after I put my books away for the bell to ring."

## TOO GREEN???

The freshman stood on the burning deck,  
But as far as we could learn,  
He had no reason much to fear, for  
He was far too green to burn.

Mr. Burt asked for a perplexing problem in Physics class. Warren Anderson asked the following question: If an automobile should travel as fast as light, would a light on the rear of the auto shine around the earth into the face of the chauffeur?

Mr. Matthewson's experiment:

*Purpose and Materials*—Karl B. swallowed nitrate fertilizer.

*Observations*—Now he is complaining of growing pains.

*Conclusion*—??????

Chet. G.: "You can't send any message to Washington?"

Nellie: "Why not?"

Chet: "Because Washington is dead."

Brud: "Have you read Freckles?"

Jeebers: "No, just plain brown ones."

Mr. Burt: (in chemistry), "Mildred, supposing you take arsenic and go to the board."

Mildred M., "Yes, just suppose."

Mr. Matthewson: "Is there a connecting link between the animal and vegetable kingdom?"

Joe: "Yes, sir, Hash."

"I'm quite a neighbor of yours now," said Mr. Bore. "I live just across the river."

"Indeed," replied Miss Clever "I hope you drop in some day."

Miss Kolb: "Order! Order!"

John A. (just awakening): "Ham and Eggs, please."

Fred H. says: "Loaf and the world loafs with you. Study and you study alone."

#### NOT DUMB—BUT???

Louis: "Je t'adore."

Genevieve: "Maybe I'd better. You never can tell who is listening in this house."

Flea No. 1: "Have you been on a hike?"

Flea No. 2: "No, on a tramp."

City Niece: "The windows in our new church are stained."

Country Aunt: "Ain't that a pity. Can't they get nothing to take it off?"

#### WHICH???

Rod: "Did you hear any reports about my girl's teeth?"

Mort: "Yes."

Rod: "Well, they're false."

What would happen if

Miss Kolb forgot to keep John Allan at 2:30.  
 John M. studied a whole period.  
 Siddons won the Cross Country Meet.  
 Cliff forgot to do his stuff.  
 Russell S. got peeved at all the girls.  
 G. Miller threw "Strangler" Lewis.  
 Brud gave a speech in assembly.  
 Hank stopped chewing gum.  
 F. Hertle was a three letter man.  
 John B. got an A in Chemistry.  
 Dot F. passed Physics regents.  
 Barney got a case on a girl.  
 Joe Faker graduated in Jan. '26.  
 Ed Hart got 4 Es.  
 Red Blowers didn't lose anything after a game.  
 Bob W. danced with Ethel.  
 Karl W. let an assembly go by without his swimming lecture

Bessie K. was asked how to make a Maltese Cross. She replied, "Step on its tail."

Bart: "Generally speaking, girls are—"  
 Fritz Y.: "What?"  
 Bart: "Generally speaking."

Mrs. Flanders: "Have you read the U. S. Constitution?"  
 Felix: "No, ma'am."  
 Mrs. F.: "Have you read the Declaration of Independence?"  
 Felix: "No, ma'am."  
 Mrs. F.: "What have you read?"  
 Felix: "I have red hair."

Mac (in study hall): "Siddons is just naturally peculiar."

A tear for the girl in the Lincoln,  
 Who swore she could drive without thinkcoln,  
 While indulging in talk, she steered off the dock  
 And the ferryman claim she's still sinkcoln

Miss Spaulding: "What are scales?"  
 Fred Z.: "Scales are freckles on fish."

Mrs. F. (in civics): "What are the three most important events on foot at the present time?"

Elenora (dreamily): "Fox-trot, Collegiate and Flea Hop."

### *To Our Advertisers*

Not more than a few years ago a graduating class wished to have some remembrance of their happy days. Various plans were submitted, of which one was approved. It was to publish a book, with pictures of all classmates and school scenes, and with articles telling about various events in the school year. So much for the first Senior Annual.

But with this first year book came the ever present question of finance. It was decided to sell space in the book for advertising purposes. This plan is followed by all senior classes. It costs three times as much to publish a year book as it is sold for. The other two-thirds must be covered by advertising.

So we all owe much to the people who have enough interest in our school to advertise in our Senior Annual. They have made our book possible. What can we do to show our appreciation? That's easy. Just patronize the stores that have advertised in our book. When you need something it is just as easy to patronize a store which has advertised as it is to go to any other store. And when making a purchase, please remark that you are buying it because it was advertised in the Kodak High Senior Annual.

### SERV-EL ELECTRIC REFRIGERATION FOR THE HOME

SERV-EL ELECTRIC REFRIGERATION—refrigeration without ice—means BETTER FOOD, HEALTH AND ECONOMY.

SERV-EL ELECTRIC REFRIGERATION provides a positive, automatic refrigeration, thereby eliminating the uncertainties and inconveniences of the old ice-melting method.

SERV-EL uses a refrigerant that is non-corrosive and odorless and is absolutely safe to use in the home.

SERV-EL comes in two models—one model complete with the automatic cooling unit built into a specially designed cabinet—the other a separate automatic cooling unit that can be installed in your present ice box. Both units are equipped with trays for making ice cubes.

Ask about our liberal terms of payment.

See the SERV-EL on display in our show rooms or phone Main 3960 and we will send a representative to answer your questions.
