## MONROLOG

The Monrolog is published annually by the Senior Class of Monroe High School. In this yearbook are recorded the events of the High School careers of the Seniors, and a concrete history of Monroe activities during the past two terms.

Here has been sketched a panorama of Monroe activities in the hope that, in later years, this book will bring back warm memories of experiences here to the present students of this school. This is the fourth year that the Monrolog has been published.

The Girls' Service Association, an organization made up of 150 girls of the Senior High Department, has been especially active this year, both in service and social functions.

Members have done office work during study halls. A Service Fund was established by means of a candy sale, a fashion show at Easter, and donation. This money has been employed in behalf of the sick and needy.

Girls new to the Senior Department were welcomed at a tea given in February. The pantomime, "Celestial Love," was presented in March. Ruth Kenyon was speaker at a highly successful banquet in April. A mock wedding was the feature at the May meeting, and officers were elected in June. A subsidiary organization of the Girls' Service Association is the Girls' Jazz Orchestra (see page 89). Membership of this includes: Ruth Milstone, Laura Kerr, Marie Morrison, Marian Clarke, Katherine Lace, and Phoebe Cornwall.

## LES BABILLARDS

"Les Babillards," a French Honor Society, originated at Monroe in the year 1929. Now there are four other chapters in local high schools. John Marshall, Webster, Irondequoit, and Charlotte High Schools each have a chapter of "Les Babillards." The club hopes some day to become a national organization.

The members of the club are chosen on the basis of their scholarship and interest in French, and also on personality. The society endeavors to further the interest in the French language, and French is spoken entirely at business and social meetings. "Les Babillards" has sponsored Monroe's last two French plays, "La Poudre Aux Yeux" and "Les Americains Chez Nous."

## DIE PAPAGEIEN

The German Club of Monroe High School was founded in 1928. The aim of the club is to put to practical use in a German atmosphere the language learned in the class room. Bi-weekly meetings have made steady progress possible. Outstanding events of the club year were an all-boys' program featuring an original playlet by William Silverman, and an all-girls' program which included an original burlesque in German of the "Merchant of Venice." January 1930 marked the re-organization of the club on a point system basis.

## THE BOOK SHELF

"The Bookshelf," Monroe High School's Library Club, is composed of volunteer students from the junior and senior schools who are interested in facilitating the library work, and keeping the library in good order for the students.

Only those whose scholarships warrants taking time for this work are active members of the club. Meetings are held twice a month after school, at which time various problems of the library are discussed. Under the leadership of the social chairman, several parties are held each semester.

## FRENCH PLAY

"Les Americains Chez Nous," by Brieux, was presented in the Monroe Auditorium on Friday evening, March 7, 1930. The production was under the direction of Rena C. Dumas, and was sponsored by the Alpha Chapter of the French Honor Society, "Les Babillards." This was by far the most ambitious play that "Le Theatre Francais" has ever attempted. It was exceedingly successful in every way.

It is a character comedy in three acts: A supposedly wealthy New England man returns home after a long absence, and is welcomed by ambitious friends, who are realistically portrayed. The play works up to a most satisfactory and surprising climax. It won second prize in the National Playwriting Contest of 1927.

With only a few veterans Coach Burns Beach molded a smoothly running outfit that was defeated only four times in the Interscholastic circle and but two times out of the eleven outside games.

Although Monroe was again unable to defeat her rivals from East High, she gave them two heart-rending battles that ended with the Purple and White hoopsters but four and three points ahead respectively. At the end of the season, the members of the team were guests of the Monroe Hi-Y club at a banquet given in their honor.

With the aid of a few veterans Coach Michelson succeeded in molding together a fast-working machine which seemed headed for the inter-scholastic title. Coach Wallace developed two city champions, Junior Bradstreet, and Carlos DeZafra, each being defeated but once during the whole season.

Every dual meet with the exception of that with West High was won by the Monroe harriers.

As a result of the state sectional race Roger Repp was included in the delegation which represented this section at the state championship meet.

The Monroe Golf Team was successful in garnering second place in the Inter-scholastic Golf Tournament in 1929. This tournament afforded keen competition with East High and John Marshall. The schedule of the Golf Team for this spring was made up of tournaments with the following schools: East High, West High, John Marshall, Aquinas Institute, Canandaigua Academy, Cook Academy, and Lafayette High School of Buffalo.

The skill and adequate preparation achieved under the leadership of a good coach is a team's greatest asset toward success.

Monroe is very fortunate in having one of the best coaching staffs in the city and the student body extends its thanks and appreciation for the fine work which the coaches have done to better athletics at Monroe, as well as for the after-school services which Coaches Rockcastle, Gates, Montfort, Hartel, Schneider, Miss Katherine Scanlin and Mrs. Marion Benson have so generously contributed.

## MONROE HIGH SONGS

### MONROE HYMN

*O Monroe High, we sing to you  
Our praises to the Red and Blue.  
Your stately portals we revere  
With faith and love throughout the year.  
O Monroe High, proud school of ours,  
So bright with friendship's joyful hours,  
May loyal spirit never die  
Within our Monroe High.*

### MONROE PLEDGE

*Dear Monroe High we pledge to thee  
Our loyalty so true.  
We'll ever be dear Monroe High  
Proud we belonged to you.  
And when we leave thee, dear old school,  
For home or foreign shore,  
We promise thee dear Monroe High  
To love thee evermore.*

### HAIL MONROE

*Hail to Monroe the name we hold so dear,  
Homage in song we offer now to thee;  
We thy sons and daughters gather here,  
Proud to pledge our loyalty.  
Shoulder to shoulder as the years go by,  
Faithful to friendships tested o'er and o'er  
True to comrades found in Monroe High,  
Hail Monroe, Hail Monroe, evermore.*

## *When planning your Annual . . .*

**A**S each new Staff undertakes the planning of a Year Book it is confronted with the same old problems which have perplexed the workers of previous years.

And yet, to each new Staff these planning and production problems are all new and ordinarily must be solved without the benefit of the experience of those who have solved the same problems in the past.

Much of this grief is avoided when the Staff works with The Du Bois Press. Out of our wealth of experience in building Year Books we have formulated certain well defined standards of procedure for the guidance of each new Staff.

To enjoy the full benefit of our Creative Service we recommend a preliminary conference between the members of the Staff and the Manager of our Year Book Department. This preliminary conference should be arranged at as early a date as possible and does not incur any obligation. . . . Our "idea" or planning department has created many out-standing and prize-winning Year Books. . . . May we be of service to you?
