The Monrolog Staff is grateful for the kind cooperation of senior class students, who have given material aid in the preparation of their annual publication. Those students include the presidents of all senior home rooms and the typists, who have duplicated and proof-read the work of the staff.

The staff is especially grateful to Mr. Meulendyke, whose constructive aid and helpful supervision has made this another successful edition of Monrolog. Our thanks are also extended to Miss Stewart of the sewing department, who was largely responsible for the new back drop used in taking group photos.

W E H O N O R

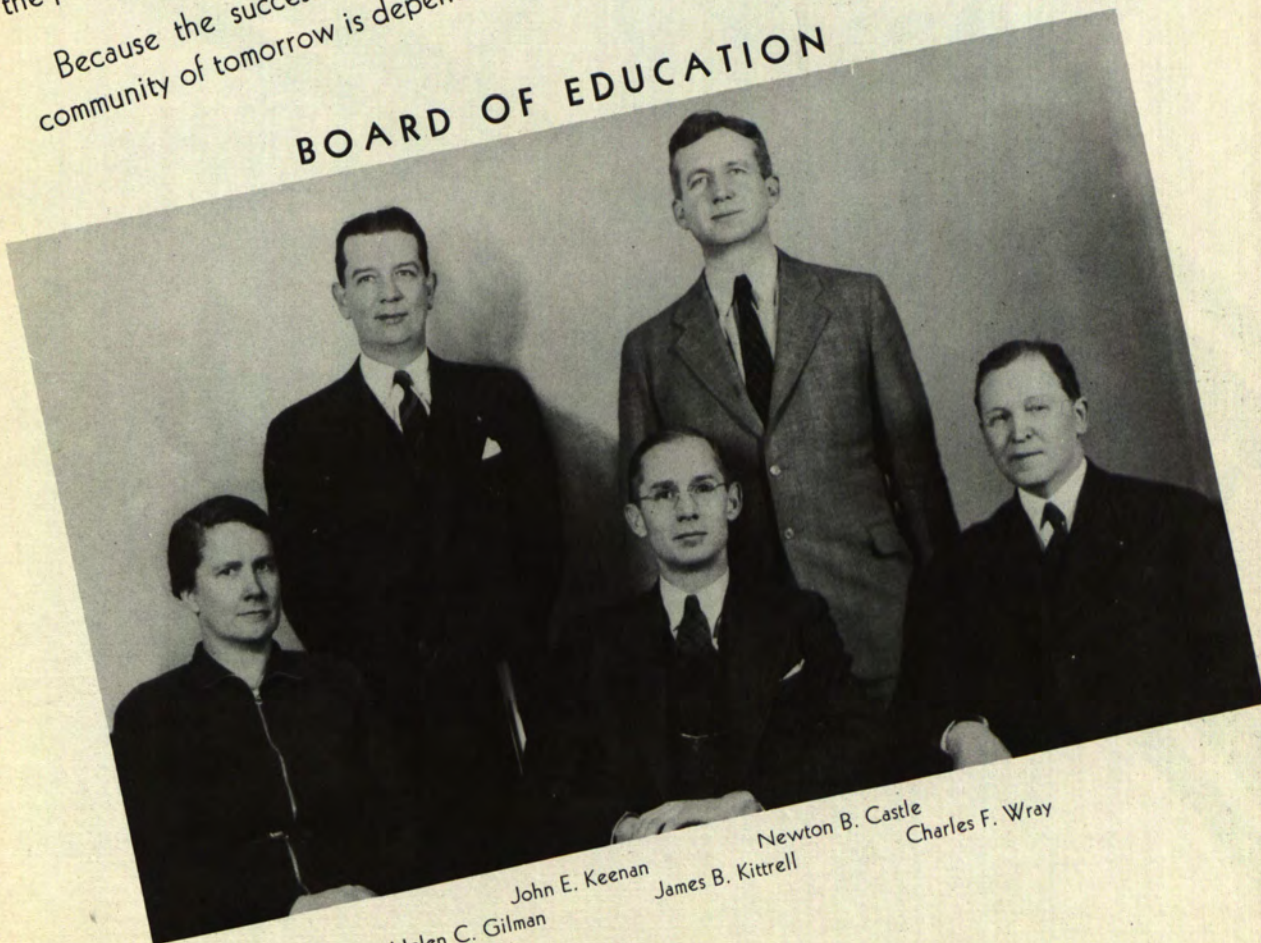

The members of the 1939 January and June graduating classes of Monroe High School, moved by gratitude and appreciation, take keen pleasure in dedicating this, their edition of the *Monrolog*, to our Rochester Board of Education.

Upon the Board of Education devolves the responsibility for approval of the educational program of the sixty thousand young people and adults enrolled in the Rochester public schools. While the detailed administration of the school program

is left to the staff of superintendents, principals, and teachers, the Board forms the policies under which the staff operates. Because the success of Rochester as a community of tomorrow is dependent upon

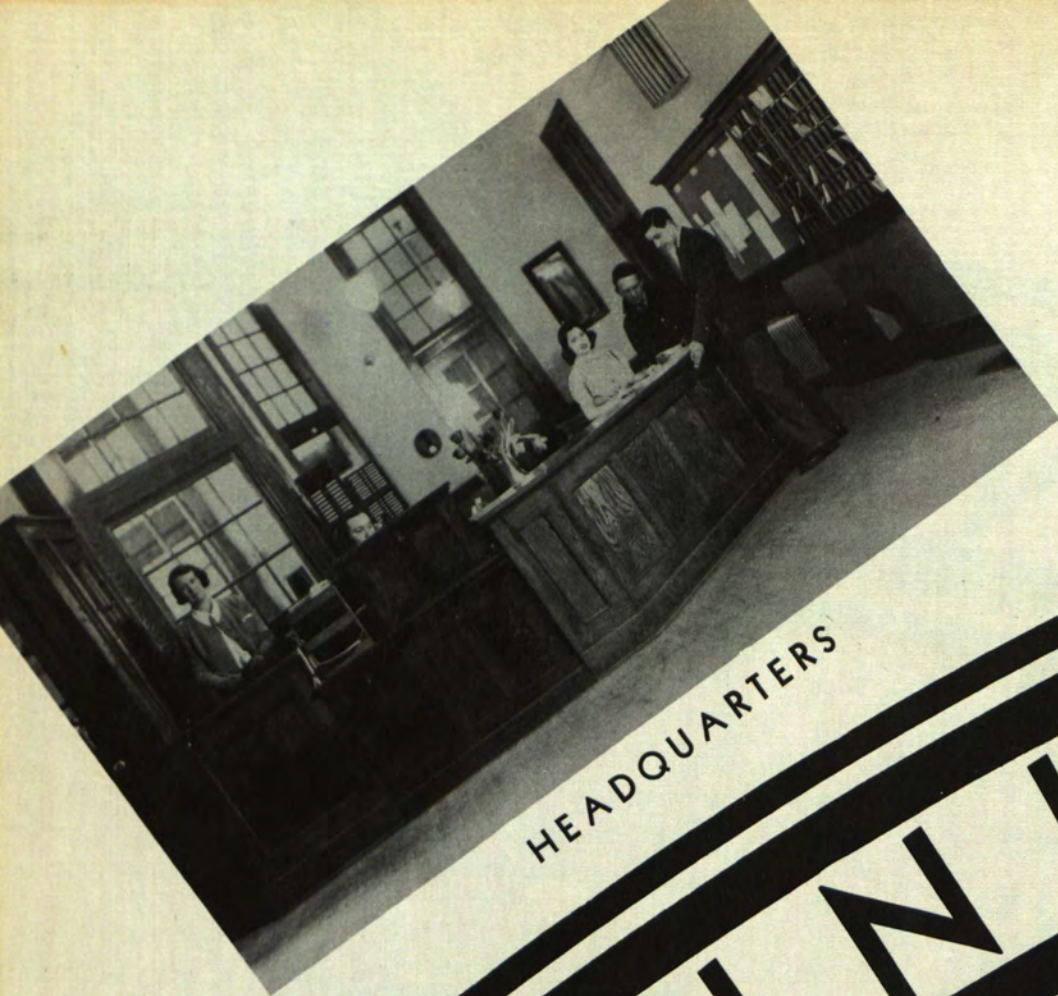

the sound judgment of the Board of Education of today, we, the graduates of 1939, desire to recognize in this way the importance and the success of the work of the Board of Education, under whom our school work is being completed.

WALTER TWITCHELL ON BROADWAY—1954

THE NETWORKS: The lustiest bravos go to Billy Westcott's (1) Laugh Liner show of Tuesday night. Sally Lerner's (2) warbling made the ears smile . . . Don't miss Marty Conen's (3) daily news commentaries . . . Hearing Opera Star Anita Behnke's (4) voice over the airwaves was a treat. Maestro Charlie Bowerman's (5) talk during the intermission on the extreme importance of bass viols to a symphony orchestra was most stimulating. However, they still sym-phony to us, Chollie . . . In a three-hour talk, Dr. William Dutton (6), Ph.D., M.D., Ch.E., M.A., etc. imparted to the radio audience the relation of the logarithmic function and Moseley's theory of atomic numbers to Monroe High School's loss of all its basketball games in the 1938-39 season . . . Crooner Jim Rush (7) continues to rend the fluttering hearts of all weak-minded females . . . Don Natapow's (8) 249th talk in his series on "How to Play Basketball" was most educational. All good boys and girls who eat $3\frac{1}{2}$ chocolate Nourshey bars a day are assured of playing basketball like Don . . . Charlotte Sabey (9) was interviewed last week upon her return from a 'round-the-world trip on a bicycle. She sounded as nervous as a girl sitting on her first lap . . .

THE CINEMA: Janice Aikman (10) is a medal for the eyes in "Angels With Dirty Faces." Hairbreathless Harry Phelan (11) carries the romantic lead very ably. Lawrence Howe (12), Wimpy Bradburn (13), and Bob Lendt (14) played the parts of angels admirably . . . Promoter Lee Alderman (15) has prohibited the showing of Mickey Mouse cartoons in all his theaters. Is that a nice way to treat a Brother Rat, Lee? . . . T.N.T.'s latest musical extravaganza starring Marcus Crapsey (16) and Elizabeth Stoll (17) is a definite hit. If you scrutinize closely the third row of chorus girls, you will find De Neivert (18), Betty Siebert (19), Jean Gelsler (20), and Arlene Purvin (21). A bevy of beauties, all of whom rhyme with the eyes . . . When Screen Star Jane Lacey (22) arrived here from Hollywood, she announced, "They asked for the latest dope from Hollywood, so here I am." Pardon us, Jane . . . Your emotions will be tied into a pretzel when you see Gladys Benham in that tragic film, "Oh Bring Back My Johnny To Me." . . .

THE HEADLINERS: In an article in the Saturday Evening Post, tennis star, Ike Geldin, uses a few thousand words to tell why he turned pro. We know in one word—Money . . . In his fireside chat last week President James Carey (23) said, "What this country needs is a good five-cent surplus." Secretary of State Fred McWilliams (24) agreed with him . . . Zena Watson continues on her marathon. Having been shagging since 1939, she is still going strong. Keep it up, Zena . . . Barbara Levin has again been voted the best dressed woman in America . . . Last night K.O. Keymel fought eight men in the same prize ring. It took O.K. only 2 minutes and 32 seconds to lay them out. I guess he just can't "Louis" a fight . . . Said Patsy Delaney (25), the socialite, "When young, I didn't find that dates were very much fun." You mean the kind on calendars, don't you, Patsy? . . . In the American Medical Journal, one of the foremost physicians of this country, Dr. Bruce Gillies, says, "The best thing to take when you are run down is the license number" . . . Let us close with a sparkling gem from the pen of that famous poet, Robert McMahon (26), as follows:

"There was a doctor by the name of Beck
Who fell in the well and broke his neck;
It serves him right, as you will own,
He should have tended to the sick and left
the 'well' alone" . . .

JUNE CLASS PROPHECY

Now that the brilliant class of June, 1939 is leaving Monroe, the age-old question of the future arises. What will be happening to the various members of our class in 1959, twenty years from now? As many of our present classmates will be celebrities, let us glance at a newspaper of the future, dated June 23, 1959.

We are startled at the brazen headlines which read "MILLIONAIRE BRODIE ABDUCTED." Yes, you guessed it, it's the same Bob Brodie (1) that we used to know back at Monroe. The story goes on to say that "the police are doing everything in their power and they expect an arrest at any moment. Peter Rutherford Farr (2), head of the Federal Bureau of Investigation, is enroute from Washington and it is expected that with his help the case will be cleared up directly."

Another article on the front page attracts our attention so we commence to read in our own inimitable fashion - the article reads "SENATOR VAN DE VISSE INTRODUCES BILL FOR STUDENTS - Senator Lewis Van de Visse (3) today introduced a bill in the Senate which, if passed, will provide for a three hour day for all students over the age of three. It is rumored that Secretary of Labor, Edgardo Delany (4) is strongly in favor of the Senator's proposal and it is feared by educational groups, led by Miss Betty Allen (5) that Madame Secretary will use her authority to influence other members of Congress.

Turning to page two, we find another interesting item. It tells about a divorce suit that has the courts all adither.

Judge Throws Divorce Suit out of Court

Judge William Stewart (6) confused by the perjured testimony in the Price vs. Price divorce suit, today threw the case out of his court. Lawyer John Forsyth, attorney for Mr. William Price (7) declared that he would take the case to a higher court. Mrs. Price (8) the former Ann Barber, exorcised confidence that she would be able to obtain her decree, while Lawyer Warren MacGeer, her attorney, explained that Mrs. Price was obtaining the divorce because of certain insulting remarks which Mr. Price had made regarding Mrs. Price's mother. Mrs. Barber had been visiting with the Prices for three years.

On the next page is a story about an artist . . .

Famous Artist Paints Murals

Henry McIver (9), the well-known society portrait painter, has agreed to paint murals on the corridor walls of Monroe High School. Superintendent of Schools, Harvey Rosenbloom has suggested that Mr. McIver paint the portraits of outstanding personages in the past history of Monroe. It has been suggested that a portrait of William E. Hawley, "grand old man" of Monroe, be painted on the main office wall.

On page four is a human interest story which we can't pass up.

Man, Age 37 Graduates from High School

Mr. Leslie Dollinger (10) who entered Monroe High School in 1934 was given his diploma today after spending 24 years in his Alma Mater. English teacher, Doris Schubert (11) said, when asked for a statement: "I think that Leslie is just beginning to take an active interest in his work."

A notice of the opening of a new shop appears on the following page and we stop to scan it . . .

Prominent Window Shade Experts Open Shop

Miss Lorraine Gallant and Miss Esther Cohen have announced the grand opening of their new window shade and Venetian blind shop on East Avenue. No expense has been spared to bring to Rochester the latest styles in window coverings. Said Miss Gallant: "Let our blind man see you." The etiquette column appears on page 12.

Dear Miss Esheleman (12).

Last week my uncle and I were walking down the street. Suddenly he stopped to look at a dental display and pointed to a set of false teeth he planned to buy. Was this the right thing to do?

Dear Anxious,

No, it was not the proper thing to do. Your uncle should have known that it wasn't polite to pick his teeth in public.

Gene Esheleman

The next bit of news is an account of an attempted suicide.

Man Halted in Attempted Suicide

Robert MacDonald (13), was snatched from the jaws of death today when Mr. Glenn Dutcher (14), who was selling peanuts on the corner, pulled him from a bridge railing. MacDonald, who is a prominent prize-meat manufacturer, explained: "I have just discovered that the names of my two secretaries are Eleanor Beach and Eleanor Lake. Naturally, after finding that I have been employing a Beach and a Lake, my head began to swim and the only thing I could think of was to drown myself."

On page 29 we come across Madame Billie Masline's advice to the lovelorn column.

Dear Madame Billie, I am very much in love with a girl friend. The question that I would like to ask you is how long girls should be courted.

Yours,

Jerry Tokars

My dear Mr. Tokars,

Your problem is very simple. Long girls should be courted the same as short girls.

Madame Billie

Of course the depression is over now that we are in 1959 and we see the following article in the paper . . .

Real Estate Booms

Mr. Alston Brown, local real estate broker and agent addressed the Chamber of Commerce yesterday and stated that his line of business was definitely on the upgrade. "Yes," said Mr. Brown, "my business is improving lots."

The sport page is our next stop and this is what meets our eyes . . .

Man Thrown from Prize Fight Arena

Mr. Robert Beckwith was seriously injured today when he was forcibly evicted from the Stuart Stadium. Harvey Malcolm Stuart, owner of the stadium, explained that Beckwith had been smoking too close to the boxers in the ring. Mr. Beckwith explained his act by saying: "Those hams in the ring needed smoking anyway."

Beckwith's doctors fear that his injuries, sustained in the eviction, will necessitate the amputation of both his legs and arms. It is reported that Mr. Beckwith is practicing selling pencils.

Continuing down the page, we find . . .

Dethlef's Demons Win 149th Straight

Don Dethlef's all girl basketball team won their 149th straight victory last night. Center Mary Ellen Scott (15) and guard Jean Carhart (16), were the high scorers of the evening, each sinking 24 baskets. Manager Dethlef explained his team's winning streak by saying: "It's because of my tireless efforts in teaching the game to the girls that they are able to win so easily." Other members of the team include Jeanne Whisker, Joy Curchin, Jean Bahn, and Alvin Ureles.

Then there are the ads, so that is where we go next. Wanted: Three lonely girls. Write David Manning, Howard Otis, Bill Palmer - this office. For good doughnuts come to DICK'S DUCKY DONUT SHOP, Dick Hildreth (17), proprietor.

Thumbing the pages we come to this . . .

Dancer to Tour Country

The famous Russian ballet dancer, Doris Ann Carhart (18), today announced her plans to tour the country, giving exhibitions of her skill at the various outstanding cities of the United States. Miss Carhart has just recently returned from the Continent where she played before many of the crowned heads.

The entertainment page offers us this bit of info . . .

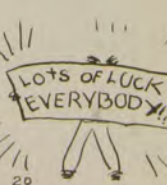

Author Grets City

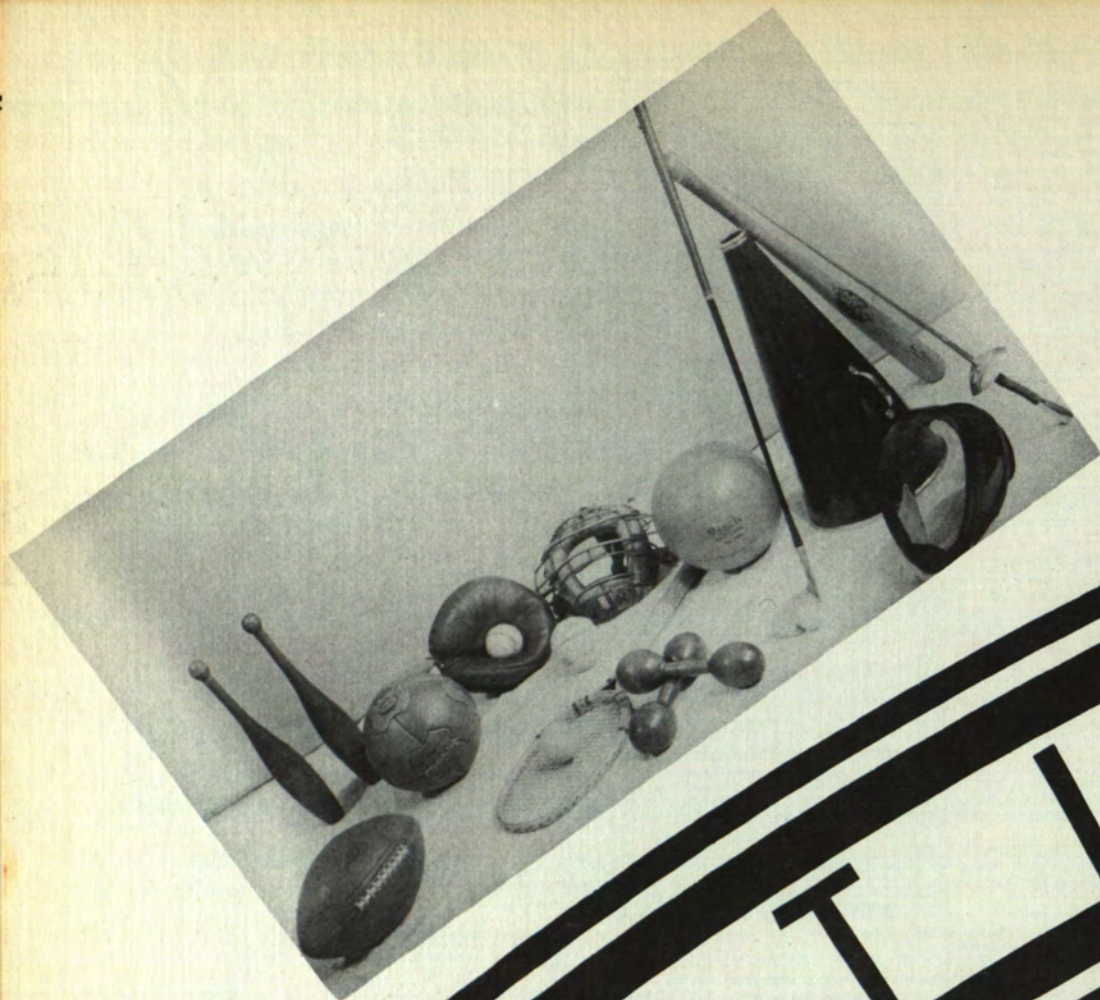

Our fair city was host today to one of the country's outstanding authors, Miss Gladys Greenwood. Miss Greenwood (19), stopped only long enough to enable her to autograph copies of her latest book "My Experiences With Men." It is rumored that author Greenwood is in line for the Pulitzer prize of the year. Such an honor would put her name down with the immortals of American literature and put her high in the list of noted woman writers.

Space has been given to an article of a banquet.

Editor Honored at Banquet

A banquet was held last night in honor of Kenneth J. Hansen (20), editor of this paper. In the speech that he made at the fete Mr. Hansen recalled an address which he made at he left Monroe High School back in 1939. His closing words in that speech were: "Lots of luck everybody."

Monroe's swimming champions again took the city title after going undefeated during the season. Strongest threat to Monroe's crown was West High whose opposition necessitated a second meet to decide the championship.

After an unspectacular season, the Varsity finished the season in eighth place; the reserve squad, by winning 13 games and losing only 1, won the reserve championship. Fourteen of the players to win either regular or reserve letters will return to bolster up next year's squad. Kenneth Flowerday made the All-Scholastic second team, and Irving Kaplan was given honorable mention.

The Redjackets ended the season tied for third place with the Marshall eleven. Highlight of the campaign was the thrilling one-point loss at the hands of the undefeated West High champions. Paul Neff, Marinus Keymel, and Frank Adams were awarded All-Scholastic ratings.

SOCCER

BASEBALL

Mr. Ralph Blair Coach

Handicapped by the change of the opening date of practice from March 15th to April 1st, Coach Blair had only fifteen days in which to get a team ready for the season opener at Jefferson on May 3rd.

Regulars returning from last year's squad are Logar, first base; Marcello, Malin, and Neff, infielders; and Keymel, an outfielder. Gates and Walters, outfielders; and Baldasano and Pagano, infielders, all returning from the reserve nine also provide material to fill the regular line-up.

The main problem of the 1939 Red-jackets is to develop a strong battery to replace the men lost by graduation. Kellman, Strang, and Heagney showed promise in reserve play last season on the mound, and Schiestel should come up from the reserves to fill the catching position, but as yet no definite predictions can be made on the strength of this important factor in the team's success.

BASEBALL SCHEDULE

BOWLING

Mr. Lewis Michelsen Coach
Gordon Malin Captain

SQUAD

Gordon Malin, Arthur Oriel, Leon Papke, Robert Olmstead, John Hagen.

After an excellent season, the Monroe bowling team ended the season in fourth place in the interscholastic league with a team average of 803 points a game. Highest individual scorers were Gordon Malin, whose average of 184 was third high for league bowlers, and Arthur Oriel, whose 177 average was good for sixth place in individual scores.

GOLF

Mr. Lewis Michelsen Coach

Graduation has cut many of the regular golfers from Monroe's team which last year took the city championship. This season's squad, however, should be bolstered by Alvin Ureles, William Bullwinkle, Ernest Sherman, and Herbert Kominz who seem the best possibilities to gain the title again this spring.

TRACK

Mr. Lewis Michelsen Coach
Nelsen Grabenstetter Manager

This year Monroe's track team, which finished second last year in city competition, faces the difficulty of overcoming the loss of many of its veterans. Cook, LaVinge, Brown, and Mooney will be back for the sprints; Pearsall, Rosenberg, and Baldasano for the half-mile; Alden and Sherman for the mile; Haight for the hurdles; Cook for the shot-put; and Koehler for the pole-vault. The other events must be filled by new men which should make competition for these positions keen.

TRACK SCHEDULE

Charlotte, Jefferson, Wash- ington	May 4
Edison, Madison	May 11
East, West	May 26
Interscholastic	
Trials	May 31
Finals	June 2
Sectionals	June 10

TENNIS

Mr. C. Lee Ackley Coach

Although the Monroe tennis squad has not finished below second place during more than ten seasons, prospects for this year are not so good. Dave Flint, Bob Payton and Bob Maxwell have been lost by graduation. Stewart Rosenthal and Irving Kaplan, last season's doubles players; Arthur Stiles, a member of last year's Franklin champions; and Ira Geldin, Jerry Tokars, Bill Heath, and Dick Frank seem the strongest prospects for the coming season.

KNOWING WHERE TO TAP*

Recently, in the plant of a Rochester manufacturer, an intricate machine broke down in the middle of rush production of a big order.

Local mechanics could not find the trouble. A hurry call was dispatched to New York for an expert.

The expert came, looked the machine over, and said, "Let me have a hammer, please."

He poked the hammer carefully past a maize of gears, and tapped gently, three times. Withdrawing the hammer, he said, "Try it."

It worked. The machine began to run. The expert returned to New York and submitted a bill for \$603.

The manufacturer was furious. "It's highway robbery," he cried, and demanded an itemized account.

Here is what the expert submitted:

To tapping three times with hammer @
\$1 per tap.....\$ 3
To knowing where to tap.....\$600
