# ROCHESTER SEED STORE.

[Established in 1831.]

NO. 4 FRONT STREET, NEAR BUFFALO STREET.

**BY JAMES P. FOGG.**

The subscriber begs leave to say to Farmers, and others, who have for the last three years so liberally patronized the *Old Rochester Seed Store*, that he has fitted up the Store, No. 4 Front street, on the west side of the street, where he will be happy to see all who may want any article usually to be found in a Seed Store.

The subscriber is well aware of the important relation which the seed-man holds to the whole farming community, and that on his honor and veracity the crop and profit of a season in some measure depend. The greatest care has been used in selecting the seeds offered at this establishment for the ensuing year, and they can be relied upon as pure and genuine, carefully selected and raised from the very best varieties, and properly cured. Many kinds were raised in the immediate vicinity of this city, by Mr. C. F. Crossman, and under the inspection of the proprietor; others were raised by experienced seed growers, and all can be recommended as genuine and true to their kinds.

Garden Seeds put up at this establishment in small papers, may be found with most of the merchants in the States of New-York, Ohio and Michigan, and in Canada.

# TEETH EXTRACTED WITHOUT PAIN

## DR. WANZER, DENTIST,

No. 10 BUFFALO ST., PITKIN'S BLOCK, ROCHESTER.

Teeth of the best manufacture will be inserted on gold plate, and warranted equal to any artificial teeth in the known world. The expression of the teeth shall in all respects match the peculiar character of man, in which case the common eye (which sees all things, and none in particular,) cannot detect them from the natural teeth.

That which secures the most happiness to the human family, and preserves the beauty, character, and natural expression of the mouth, is too often omitted, until the enemy insidiously pursues his corroding influence down to the nerve of that most valuable of nature's organs.—Then begins that most dreadful, and too common pain to be appreciated, **THE TOOTH-ACHE**, with all its accompanying afflictions. Inflammation of the internal membrane, pain in the eye or ear, (of that side in which the carious tooth is situated,) neuralgia, suppuration, and lastly a standing abscess, which is generally incurable.

Ladies and Gentlemen of this city, and vicinity :—if you will take the timely counsel and operative skill of Doctor Wanzer, your teeth will be preserved for almost any period of life. Dr. Wanzer having been many years engaged in his profession, and known to many of the most worthy of his brethren in the Union, who will cheerfully acknowledge his filling to be the most scientific in every particular.

## HOMEOPATHIC MEDICINES.

---

DR. A. P. BIEGLER would respectfully announce, that he is now prepared to supply the Homeopathic Practitioner with pure and genuine medicine on the most reasonable terms. Mother Tinctures, Dilutions and Triturations, by the single remedy or put up in cases to suit the purchaser. He has also constantly on hand and for sale, Sugar of Milk Globules, Alcohol, Labels, Vials, etc., also Domestic Cases of various sizes, neatly prepared and filled with any number of remedies, varying in price from \$1 50 to \$6. Having spared no pains or expense in procuring and preparing the various remedies, he feels safe in recommending them to the profession at large, as being in every instance the best that can possibly be obtained. As one deeply interested in the welfare of the young and inexperienced practitioner in Homeopathy and knowing that a want of success in many instances, may be attributed to the use of remedies not genuine, he would take this opportunity of cautioning one and all against the use of medicine prepared and kept for sale in drug stores, exposed as they necessarily are in such places to various foreign influences, changing very materially their virtues, and consequently rendering their action uncertain.

## UNFADING DAGUERREOTYPES!

**A GREAT BLESSING TO THE PRESENT GENERATION AND TO POSTERITY!!**

MERCER'S GALLERY of Daguerreotypes and Family Groups, established in 1841. Nos. 8 and 9, over the Post Office, Reynolds' Arcade, Rochester.

⚡ Don't mistake the flag, with the gold figures Nos. 8 and 9.

T. MERCER is happy to announce to the citizens of Rochester and surrounding country, that now the question is *settled*, that Daguerreotypes will not fade. This is the opinion of the celebrated Dr. Fana-day of London, and also of eminent chemists in this country. A Daguerreotype picture, finished with the electro fine gilding, and the enamelled back ground, will last for ages. These last improvements have been chemically *tested*. Mr. Mercer has been to five thousand dollars expense in the purchase of these last important improvements, together with the necessary apparatus to make the pictures unfading and permanent. He holds the exclusive right for the county of Monroe. This gives him the advantage over every other operator in this section of the State. By applying to him individuals will not waste time and money, and will not get humbugged, as has too often been the case heretofore.

As the old style of Daguerreotypes will fade and become spotted, Mr. Mercer announces to those persons having old Daguerreotype pictures of departed friends which they wish to preserve, that he will, for a trifle, make them look as well as when they were first taken, and will warrant them not to fade an iota. Having been in the business ever since this great art was first made known, and having kept up to all the improvements, as his friends in Rochester well know, he is firmly convinced that Daguerreotypes *can be made unfading*.

Mr. Mercer has taken a lease of six rooms for fifteen years. He has furnished them in good style, and so arranged them that private parties can be furnished with dressing rooms, &c., separate from the show rooms, by giving notice the day before.

⚡ Ladies are recommended to dress in figured or dark dresses, in preference to white or light blue. A scarf or shawl gives a pleasing effect to the picture. For children, Mr. M. would recommend striped, or figured dresses. Lace-work and ringlets add much to the beauty of the picture.

T. MERCER.

## AGENCY OF VALUABLE MEDICINES. HENRY SCRANTOM,

*No. 53 Buffalo-street, opposite the Eagle Hotel, Rochester, is the only Agent in the County of Monroe, for some of the most VALUABLE MEDICINES ever offered to the American Public. Among them are*

BRANDRETH'S PILLS, about which nothing need be said, (except a caution for all to beware of counterfeits,) for they are universally known, *universally* taken, and give *universal* satisfaction. Look out for imposition; no Druggist is an Agent—remember that! Ask for Certificate of Agency.

LESEUR'S LIFE PRESERVING PILLS, JAYNE'S SANATIVE PILLS, and PHELPS' COMPOUND TOMATO PILLS, are also among the best remedies for the cure and prevention of diseases—the fact, that all who take them recommend them, is proof of their value.

WHITEMORE'S CONCENTRATED VEGETABLE SYRUP, a most sure and effectual remedy for Diarrhœa, Bowel Complaint and Cholera Morbus. This article stands unrivalled and unequalled, as certified by hundreds, who have fully tested its virtues. Try it, and you will not be disappointed; it *will* cure—no humbug about it.

JAYNE'S INDIAN EXPECTORANT, is one of the best medicines ever compounded, for the cure of Coughs, Colds, Whooping Cough, Asthma, and all other pulmonary affections; its virtues have been fully and satisfactorily tested in numberless cases within my own knowledge; it is really a most valuable preparation.

JAYNE'S TONIC VERMIFUGE, a safe and certain preparation for the removal of Worms, Dyspepsia, and all diseases of debility, especially of the Stomach and Bowels; no family should be without it.

JAYNE'S CARMINATIVE BALSAM, for Cholic, Summer Complaint, and Spasmodic and Nervous Diseases; an excellent medicine.

JAYNE'S HAIR TONIC. Better than any, and *all* other preparations, for the preservation, growth and restoration of the hair. Keeps it from falling out or turning grey. There is now "no excuse for a bald head."

DALLEY'S MAGICAL PAIN EXTRACTOR. For Burns, Scalds, Swellings, and general injuries it has no equal; takes all pain from Burns and Scalds instantly, and leaves no scar.

☞ SATISFACTION POSITIVELY WARRANTED, at the General Depot, provided that the Remedy be thoroughly used, according to directions.

**GENERAL DEPOT, No. 53 Buffalo-street, Rochester, Monroe Co., N. Y.**

All letters must be addressed, post paid, to HENRY SCRANTOM.

☞ All the above Medicines are warranted the best preparations ever offered to any community, and can be had at all times of the subscriber, only Agent in the city, at No. 53 Buffalo-street.

# NEW STOVE STORE,

## IRVING HOUSE BLOCK,

### No. 65 Buffalo-st.,

# ROCHESTER.

The subscribers have just opened at No. 65 Buffalo street, Rochester, one of the largest establishments for the sale of **STOVES**, in Western New-York. Among their variety will be found almost every kind of

**BOX and COOKING STOVES,**

including the celebrated

**Mechanicville Patent Parlor, Box,**

AND

**COOKING STOVES.**

This Stove is regarded by those who have used it, as one of the best patents ever invented. The advantages of the Cooking Stove over all others, are as follows :

1st—The oven bakes as even as a brick one.

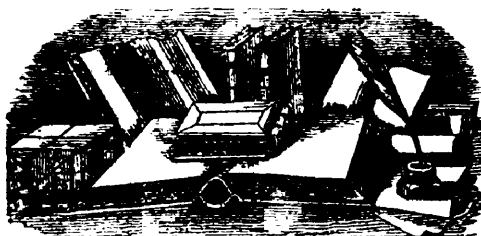

2d—The advantages of the summer furnace in front, (doing away with the portable fires,) under the hearth plate, containing two boiler plates for summer use, and the largest and best plates for broiling; the smoke from the meat all passing off in the stove.

3d—The raising and lowering of the grate in the fire box, so that you can use as much or as little fuel as you wish, which combines every thing necessary for a summer or winter Stove. The top of the Stove is perfectly flat and smooth, easily kept clean, and is admirably adapted for keeping things warm after being cooked.

The above are some of the advantages which the Mechanicville Stoves possesses over all others, and as they are sold *astonishingly low*, hotel-keepers and private families will find it greatly to their interest to call upon us before making a purchase. We can and will sell them a better Stove, for less money, than they can buy at any other establishment in Western New-York.
