### FEMALE CHARITABLE SOCIETY.

[For the following items relative to this truly benevolent Institution, we are indebted to a brief sketch of its rise and progress, prepared by Mrs. JAMES K. LIVINGSTON, in 1844, from which we extract.]

“The Society was first organized, prior to the year 1827, at the house of EVERARD PECK, and Mrs. P. was chosen Treasurer. Its formation was the result of a Charity School, which had been established previous to the year 1822, and taught alternately by Ladies in a room on State-street, which was owned and gratuitously granted for the purpose, by the late JOSIAH BISSELL, near the premises now occupied by the City Bank. The educational wants of the poor, together with other destitutions consequent upon sickness in a new country, prompted the foundation of this Society, on the 26th day of February, 1822, for the purpose of more efficient action. Thus, we find even at this early day, that our citizens considered the poor, and according to their ability, afforded them advantages equal to their own, for schools of any kind were at this period, ‘few and far between.’

“The first garments collected for distribution, were donations from the ladies, of some articles needed. Beds and bedding, and other conveniences for the sick, were at that time, and have been ever since, lent to the individuals, to be returned by the Visitor, upon their recovery. Infants’ clothing has been given from time to time; and for many years the children of the school were clothed by the Society. A school lot was presented by the late Colonel FITZHUGH, situated, at that time, upon the outskirts of the *Village*, near the forest, but which, it was known, would soon be valuable. It is now an eligible lot on North Washington-street, with a plain building upon it. Since the establishment, however, of our Common School System in this city, this school has been discontinued, except for the purpose of teaching the children of the poor to sew. The number of districts for the visitation of the sick has increased from fifteen to forty-four. The duties of the Treasurer are already quite onerous.

“One happy feature of the Society, has been its freedom from all bigotry of sect or party—all classes of our citizens are cordially

invited to lend a helping hand ; while, also, all classes who need its aid, share with equal willingness in its benefits.

“ A sermon has been preached annually in aid of its funds. Its first sermon was preached by the Rev. Mr. CUMMING, of St. Luke's Church.”

The following are the Officers for the year 1847 :

The city is divided into forty-four districts, in each of which Ladies are appointed as Visitors, who are required to recollect that their districts extend to the centre of streets named as boundaries ; also, that they should inquire, as often as once a month, into the condition of the poor in their districts, either personally or otherwise : let the poor know their names and residence, and make out a full report of the number of families visited, and the sums expended, and deliver it to the Treasurer one week before the annual meeting. In no instance can a Physician be paid from the funds of the Society. The City Physician is to be called in all cases where the individual has been a resident more than one year ; in all other cases, the County Physician. All the officers are requested to attend the monthly meetings, at the house of the Secretary, on the first Tuesday of each month, at 2 o'clock, P. M.

## ORPHAN ASYLUMS.

### ROCHESTER ORPHAN ASYLUM.

This Institution was established in 1836, and incorporated in 1838. The Asylum, a spacious brick edifice, is situated between Greig and Exchange streets, in the south-west part of the city, on a beautiful and commanding site, the munificent donation of the Hon. JOHN GREIG, of Canandaigua.

The Asylum is at present under the maternal care of Miss Lucy

**HERRIOTT**, who has in a manner highly satisfactorily, directed the domestic affairs of the Institution for the last year and a half. The School is taught by Miss **SALLY K. FARNHAM**, and the Sabbath School, by Mr. **EVERARD PECK**. At present fifty-five children occupy the Asylum. Average number of children admitted and dismissed during the past year, fifty. But one death has occurred in the Institution in the last two years, which was that of a female of sixteen years of age, of consumption. Some idea may be formed of the care bestowed on the children, and the cleanliness and consequent good health prevailing in the Institution during the present sickly season, from the following extract taken from the Journal of the Visiting Physician :

“ It is now just two months since I was called to prescribe for any of this *large family*. Such remarkable good health for so long a time, in an Institution of this kind, is probably unparalleled.”

The following are the Officers for the present year :

**ROMAN CATHOLIC ORPHAN ASYLUM.**

This Institution for the support and education of destitute orphan children, is situated on Frank-street, in rear of St. Patrick's Church, the ground on which it stands being the property of that congregation. It is a large and handsome brick building, and was opened for the reception of inmates, in July, 1842, since which time many destitute orphans of both sexes have been admitted. Of this number thirty (all females) are at present in the house, the few remaining male children being supported out of the

Institution. The means of support are derived from the subscriptions of the members of the Catholic Orphan Asylum Society, lately incorporated by the Legislature; from the donations of charitable individuals; and from the proceeds of Annual Fairs, which have hitherto been liberally patronized by the citizens of Rochester generally.

This establishment is under the exclusive control of five SISTERS OF CHARITY, who also teach a Select School, "THE ST. PATRICK'S FEMALE SEMINARY," which is attended on an average by about one hundred pupils. To meet the increasing wants of the Asylum, the Trustees contemplate soon to make additions equal in extent to the entire of the present building, and also to erect another story to the whole structure.

## Agricultural Societies, &c.

### MONROE COUNTY AGRICULTURAL SOCIETY.

In the year 1833, an Agricultural Society was formed, of which WILLIAM GARBUTT, of Wheatland, was the presiding officer.—After a *vacation* of several years, the Society was revived, in a somewhat different form, under the title of the “Genesee Agricultural Society.” On the 28th of May, 1841, a Society was organized, embracing a large portion of the Western part of this State.

During the session of the Legislature for 1841, a law was passed giving a bonus of \$8,000 to the different counties, in proportion to their population, on condition of their raising, in each county, an equal amount—the share of the County of Monroe being \$194.

In consequence of the passage of this law, the Genesee Agri-

cultural Society, by a vote of the members, changed the name to that of the Monroe County Agricultural Society, and restricted its limits to the county.

Annual meetings are held on the 2d Wednesday, and the Annual Fair, in Autumn, of each year.

Since its more recent organization, the Society have held several successful and profitable Exhibitions and Fairs—and have also been favored with the delivery before them of several eloquent and spirited addresses.
