FEMALE CHARITABLE SOCIETY.

[For the following items relative to this truly benevolent Institution, we are indebted to a brief sketch of its rise and progress, prepared by Mrs. JAMES K. LIVINGSTON, in 1844, from which we extract.]

“The Society was first organized, prior to the year 1827, at the house of EVERARD PECK, and Mrs. P., was chosen Treasurer. Its formation was the result of a Charity School, which had been established previous to the year 1822, and taught alternately by Ladies in a room on State street, which was owned and gratuitously granted for the purpose, by the late JOSIAH BISSELL, near the premises now occupied by the City Bank. The educational wants of the poor, together with other destitutions consequent upon sickness in a new country, prompted the foundation of this Society, on the 26th day of February, 1822, for the purpose of more efficient action. Thus, we find even at this early day, that our citizens considered the poor, and according to their ability, afforded them advantages equal to their own, for schools of any kind were at this period, ‘few and far between.’

“The first garments collected for distribution, were donations from the ladies, of some articles needed. Beds and bedding, and other conveniences for the sick, were at that time, and have been ever since, lent to the individuals, to be returned by the Visitor, upon their recovery. Infants’ clothing has been given from time to time; and for many years the children of the school were clothed by the Society. A school lot was presented by the late Col. FITZHUGH, situated at that time, upon the outskirts of the village, near the forest, but which, it was known, would soon be valuable. It is now an eligible lot on North Washington-street, with a plain building upon it. Since the establishment, however, of our Common School System in this city, this school has been discontinued, except for the purpose of teaching the children of the poor to sew. The number of districts for the visitation of the sick has increased from fifteen to fifty-eight. The duties of the Treasurer are already quite onerous.

“One happy feature of the Society, has been its freedom from all bigotry of sect or party—all classes of our citizens are cordially invited to lend a helping hand; while, also, all classes who need its aid, share with equal willingness in its benefits.

\$83,300

The centre building of the House proper, fronts the east, and is 86 feet wide, 60 feet deep and is in height 3 stories above the basement. The two wings extending to the north and south are each 148 feet long 32 feet deep and two stories in height above the basement. The whole front of the building, it will thus be seen is 382 feet in length. It is furnished with a steam engine of three horse power, which is used in part to elevate water from the cistern to a tank of the capacity of 2500 gallons in the fourth story, from which water is taken by means of lead pipes to all parts of the House, where its use is required.

In the basement of the north wing, there is a plunging bath of the capacity of 5000 gallons; also shower baths by means of the lead pipes for each of the delinquents.

The Chapel, which is well arranged, will seat over four hundred persons.

The dormitories will accommodate over 200 delinquents—they are seven feet square, well lighted and ventilated.

The establishment contains a library of 387 volumes of books, carefully selected.

There are at present 190 delinquents, a part of whom earn from eleven cents to one shilling per day. Their time, besides what is used for their meals, is divided as follows: about seven hours for work, three and a half for school, and two for play. The time for rising in the morning is 6½ o'clock, time for bed 8 o'clock.

 ROMAN CATHOLIC ORPHAN ASYLUM.

This Institution for the support and education of destitute orphan children, is situated on Frank-street, in rear of St. Patrick's Church, the ground on which it stands being the property of that congregation. It is a large and handsome brick building, and was opened for the reception of inmates in July, 1842, since which time many destitute orphans of both sexes have been admitted. Of this number forty-five (all females) are at present in the house, the few remaining male children being supported out of the Institution. The means of support are derived from the subscriptions of the members of the Catholic Orphan Asylum Society, lately incorporated by the Legislature; from the donations of charitable individuals; and from the proceeds of Annual Fairs, which have hitherto been liberally patronised by the citizens of Rochester generally.

This establishment is under the exclusive control of six Sisters of Charity, who also teach a Select School, "The St. Patrick's Female Seminary," which is attended on an average by about one hundred pupils. There is also a Free School taught by the Sisters of Charity, which is attended on an average by about one hundred and eighty pupils. The Female Sabbath School taught by them, assisted by others, numbers nearly three hundred pupils.

To meet the increasing wants of the Asylum, the Trustees during the past few years have made additions equal in extent to the former building, and erected an additional story to the entire structure. It is now a large and commodious building, well adapted to promote the comfort and health of its inmates.

Agricultural Societies.

MONROE COUNTY AGRICULTURAL SOCIETY.

In the year 1833, an Agricultural Society was formed, of which William Garbutt, of Wheatland, was the presiding officer. After a vacation of several years, the Society was revived, in a somewhat different form under the title of the "Genesee Agricultural Society." On the 28th of May, 1841, a Society was organized, embracing a large portion of the Western part of this State.

During the session of the Legislature for 1841, a law was passed giving a bonus of \$8,000 to the different counties, in proportion to their population, on condition of their raising, in each county, an equal amount—the share of the County of Monroe being \$194.

In consequence of the passage of this law, the Genesee Agricultural Society, by a vote of its members, changed the name to that of the Monroe County Agricultural Society, and restricted its limits to the County.

Annual meetings are held on the second Wednesday in December, and the Annual Fair in Autumn of each year.

NEW POSTAGE ARRANGEMENT.

RATES OF POSTAGE.

At the last session of Congress, a law was passed, greatly reducing the rates of postage.

The following is a schedule of the rates :

LETTERS.—Single letters, 3000 miles or under, 3 cents if prepaid, or 5 cents if not prepaid.

Single letters, over 3000, if within the United States, double the above rates.

A single letter is a half ounce or less.

Double, treble and quadruple letters, are conveyed at double, treble and quadruple rates.

Drop letters 1 cent. Advertised letters 1 cent.

Letters from or to a foreign country, if under 2500 miles, 10 cents, over that distance 20 cents.

NEWSPAPERS.—Weekly papers go free in the counties where they are published.

Regular Daily Newspapers circulated in the state where published, whose weight is under $1\frac{1}{2}$ ounces, are $19\frac{1}{2}$ cents a quarter. Weekly do. $3\frac{1}{4}$ cents do.

Newspapers published out of the State, weight three ounces or under, double the above rates.
