GEO. DUTTON, No. 83 MAIN STREET, ROCHESTER, N. Y.

CHICKERING PIANO FORTES.

More than
15,000
PIANO
FORTES
already
made and
sold.

**18 PRIZE
MEDALS**
including
the WORLDS
FAIR PRE-
MIUM
received.

But for evidence of their **SUPERIOR EXCELLENCE**, the Manufacturers appeal less to the unvalued reputation, and extensive sales of their Piano Fortes, than to the Instruments themselves. For these, they invite the most critical examination. The

CHICKERING PARLOR GRAND

Is an achievement in the Piano Forte Manufacture. There is nothing before it for the Parlor.

With the resonance of the Concert Grand, it combines remarkable purity of tone and delicacy of touch.

All of the different scales and styles of the Chickering Pianos, and also **STODART, BACON & RAVEN**, and other New York Instruments of acknowledged merit. All **PIANOS SOLD AT DUTTON'S ARE WARRANTED.** The

HARMONIUM

Is a new Reed Instrument, suitable for Churches and Lecture Rooms, of abundant volume of tone and capable of varied and beautiful musical effects; is compact, portable, easily kept in order, and costs much less than an Organ.

Both 8 and 12 Register sizes, on hand.

These, together with **GUITARS, MELODEONS, FLUTES, VIOLINS, &c. &c.**

SHEET MUSIC, INSTRUCTION BOOKS and Musical Merchandise of every description.

DUTTON offers at a small margin of profit to himself, and a large one to the Buyer, to be paid him—not in any impossible cheapness of price, but in the superior quality of the wares.
