PRINCE'S PROTEAN FOUNTAIN PEN.

Patented in the United States, January 23d, 1855,
AND ALSO IN GREAT BRITAIN, IRELAND, CHANNEL ISLES, AND ON
THE CONTINENT.

This new and valuable invention has been used for months by numerous writers, in various parts of the country. The uniform testimony of those who have fairly tested its merits is in its favor.

N. B.—A new and important improvement has been recently added to this invention, by which any writer can graduate the flow of ink. The **Fountain Cases are warranted as INCORRODIBLE**, and the points of the Gold Pens are *warranted* for one year, with good usage.

Prof. S. F. B. MORSE, Inventor of the Electric Telegraph, in a letter to Mr. PRINCE, says: "Your admirable invention seems now perfected. I wish you sincerely every success—a success which the intrinsic merits of your invention cannot fail to secure."

"This pen, among pens, is what Colt's revolver is among pistols. One will fire a dozen shots, and the other write a dozen sheets, with a single charge or loading."—SEBA SMITH, Author of Major Jack Downing.

"If I could not procure another of similar merits, one hundred dollars would not purchase from me the one I have.—A New York Clergyman.

Rev. Dr. T. M. POST, of St. Louis, Mo., says: "Every time I sit down to write, I feel under obligations to you for your princely invention. It is suited to my habits, in being ever ready at call in the varying circumstances of travelling, visiting, public conventions, and solitary excursions, in which the mood or demand for writing may come upon me. I need not say it is my constant companion in my study."

Physician's Prescriptions put up in all hours of the day and night.

A BOOK FOR THE MILLION,

224 PAGES.

The most popular work ever published on the disease of the Genital Organs, is

DR. LISPENARD'S PRACTICAL PRIVATE MEDICAL GUIDE:

Particularly adapted to the use of both sexes, which describes in PLAIN ENGLISH all that is necessary to know pertaining to the Generative disorders—how contracted—the influence they produce upon the mind and body—how all persons can avoid them, and if any are so unfortunate as to have contracted such diseases, how to effect a speedy and certain cure. Likewise, it contains many important hints which will be found serviceable to those in married life, embracing every subject known in the catalogue of human ills, as venereal, or other diseases of the genital organs.

Midwifery, Miscarriages, Impotence and Barrenness, among other topics, are treated with all the consideration which their importance demands—it being in fact, a complete and practical work on the Physiological Mysteries of the male and female system, and will be mailed in sealed wrappers, to any part of the world, for the exceedingly low price of TWENTY-FIVE CENTS, or five copies for one dollar.

AGENTS WANTED in every State, county, city and village in the United States and Canada.

Dr. LISPENARD continues to dispense his invaluable remedies to those afflicted with Secret Diseases, with the success attendant upon twenty years of personal experience and practice in his profession. None leave his treatment half cured. He always gives the best of satisfaction. Gonorrhoea, Gleet, Syphilis, Stricture, Suppression of the Menses in females, &c., successfully treated.

Young men, who by indulging in secret habits, have contracted that foul-subduing, mind-prostrating, body-destroying vice, should apply to Dr. LISPENARD without delay.

In these, as well as all other cases of a private nature, Dr. LISPENARD commends an early application; and without any vanity or aspiration, decidedly states that no case within the reach of mortal aid shall every leave him without a cure or satisfaction given.

Beware of empirics and itinerant self-styled professors, who ATTEMPT cures, but never succeed. Dr. L. is the only permanently established and responsible physician in his peculiar line in Western New York, and his practice extends through every State in the Union and the British Provinces.

N. B.—Dr. Lispenard is sole Agent for Dr. Vichois' Female Monthly Pills. Among the many thousand boxes of these Pills annually sold, not one complaint has yet been made against them. Ladies in a certain situation should not use them; the particulars of which will be found in the directions accompanying each box. Price \$1. Sent by mail to any part of the world. Beware of Counterfeits.

I am the only American Agent for the sale of these celebrated pills, but I perceive that others have advertised them, copying word for word from my advertisement, and I wish to inform the public that none are genuine unless received from my office. They are not on sale at any other place.

No letters will be answered unless they contain a remittance.

All communications addressed W. C. LISPENARD, M. D., No. 14 Exchange Place, Rochester, N. Y., will meet with prompt attention.

Office hours from 7 A. M., to 9 P. M.

Dr. R. can be successfully consulted on the following Diseases:

Diseases of the Liver, Kidneys, Bladder, Jaundice, Dropsy, all forms of Scofula, Tetter and the most Inobstinate diseases of the Skin, Neuralgia, Dyspepsia, Costive Habits, General Debility, Nervous Affections, Chronic Pulmonary Affections, Bronchitis, Chronic Cough, Inflammatory and Chronic Rheumatism, Ulcers of the Legs, Ulcers of the Mouth, Tongue, Throat, Nose and Lips, Mercurial and Syphilitic Affections, Pain and Swelling of the Bones, and all diseases arising from an impure state of the blood, whether Hereditary, Acquired or Contracted, Salt Rheum, Fever-Sores and other Chronic Complaints of years standing

☐ Secret habits in young men effectually cured, although abandoned by the entire faculty, and given up by all making pretensions to the healing art. All cases warranted.

Dr. R.'s celebrated medicine is entirely different from all other remedies, and has been most successfully used in more than 50,000 cases, many of which had resisted the treatment of others less successful in this branch of practice.

CURED AT HOME!

Dr. Reynolds is daily treating cases at a distance, hundreds of whom he has never seen, and in all cases with entire success. Letters describing age, symptoms, occupation, &c., promptly attended to, and medicines securely sealed from observation, sent to all parts of the world.

Dr. R. can be successfully consulted on all diseases peculiar to Females. Secrecy strictly observed.

TAKE NOTICE.

It is with the greatest reluctance that Dr. Reynolds permits his card to appear before the public, deeming it unprofessional for a physician to advertise, but unless he did so, the afflicted, especially strangers, could not fail to fall into the hands of the many impudent and unlearned imposters; with INNUMERABLE FALSE NAMES, OR COMBINED QUACKSOPHS, swarming large cities, advertising themselves as physicians; illiterate, shallow-brained fellows too lazy to work at their original trade, with scarce two ideas above the brute, who, for the purpose of enticing and deceiving, carry on five or six offices, under as many different names, so that the afflicted stranger, escaping one is sure to tumble headlong into the other.

Any person afflicted with any of the above Diseases should let no false pride deter them from making their case known to one whose whole time is devoted to this class of complaints, and whose success in their total extinction and final restoration to health and happiness of his patients, has placed him first among the physicians of the age. Dr. R. solicits an interview with those interested, and assures them that he may at all times be consulted with professional confidence, at his office, No. 14½ Exchange Place, up-stairs, or by mail.

THERMOMETERS AND BAROMETERS,

MANUFACTURED BY

DAVID KENDALL,

No. 37 EXCHANGE STREET,

ROCHESTER, N. Y.

I manufacture the above Instruments in all their varieties, and warrant them equal in accuracy to any instruments of the kind made in any Country. My standard is the English standard, compared with the standard at the Kew Observatory, England, and the only one in the possession of any Manufacturer in this Country.

I use the Machine which my father invented, whereby tubes of unequal calibre are made to agree with each other, having equal exposure; and which has received the commendation of all eminent Scientific men of this country, for over 30 years—Professors Silliman and Fisher, Yale College; Dr. Dewey, Rochester University; the late Prof. Amos Eaton Rensselaer Institute, Troy, N.Y., together with the concurrent testimony of Purchasers and Dealers.

All purchases should be made of me direct, or of D. R. BARTON, C. A. BURR, D. M. DEWEY, and ROCHESTER NOVELTY WORKS, who sell at my prices, as there are other parties using my name on a *bojus* Instrument, without my consent, and against all Law or Right.
