INTRODUCTION.

THIS Directory of the City of Rochester for the year 1861, is presented to the Public with the assurance that the publishers have spared no effort which might contribute to make it superior to anything of the kind ever issued in this city. To make such a work perfect is impossible, where the information it contains is gathered from door to door, and often from those who are incompetent or indisposed to give accurate statements. A good corps of canvassers was employed, the City was districted, and it is believed that all engaged in the enterprise have acquitted themselves as well as it was possible to do under the circumstances. Errors cannot be avoided altogether in compiling such a work, but it is hoped that this is quite as free as any that has preceded it. There is a much larger number of names upon its pages than was ever before given, and it contains matter new to the Public.

The names of all the men in the City are supposed to be given, with their occupations and residences; also the names of females in business and at the head of families. The titles of Churches, Banks, Military, Fire and Benevolent Associations are given, with the names of officers thereof, besides a large amount of statistical matter.

The New Census of the City of Rochester and County of Monroe by wards and towns, is now first published in this volume, as com-

piled from the returns in the County Clerk's Office. This is a new feature in a Directory, but it will make the work more valuable.

The publication of a Directory for Rochester is an undertaking that has never proved profitable to the publisher, but it is necessary to the public convenience, and must be continued from year to year, attended by the hope that each succeeding issue will be better patronized than the last, until it shall rank among the paying enterprizes of the age.

OLD ESTABLISHED HOSPITAL,

FOR THE TREATMENT OF PRIVATE DISEASES,
ON THE
FRENCH SYSTEM.

Dr E. J. REYNOLDS,

PROPRIETOR.

W. C. LISPENARD, M. D.

Consulting PHYSICIAN and SURGEON,

Rochester, N. Y.

DR. LISPENARD is one of the most scientific and successful Physicians and Surgeons in the United States. His fame is personally known in every City and Village in the Union and the British Provinces.

DR. REYNOLDS announces to the sick and unfortunate that his HOSPITAL is still open for the reception of patients, and that he is daily making rapid and permanent cures in all parts of the United States and Canadas, with his concentrated remedies, which are sent by Express under seal, to all parts of the world. The many quacks, nostrum-venders, and imposters, with which this city and other parts of the Union is flooded, renders it necessary to caution the public against these knaves, some of whom have added Doctor of Medicine to their names, to give them the appearance of respectability. Dr. R. is pleased to announce to those afflicted with any form of private dicease, that his cures are the most remarkable on record, and his remedies the wonder of the Profession and admiration of the sick.

By a long course of study and practical experience, D. R. has now the gratification of presenting the unfortunate with remedies that have never failed since he first introduced them, to cure the most alarming cases, and that in a very short but reasonable time, without the aid of Mercury or any other deleterious drug. Within the last forty years Dr. R. has cured more than one hundred and ninety thousand cases of the above character, and it may be said safely, that MORE THAN ONE HALF of the patients had been previously treated with mercury and other mineral poisons.

Dr. R. can be successfully consulted on all diseases with which the human family is afflicted, with cures warranted in all curable cases.

MARRIED OR SINGLE LADIES.

All female complaints, of whatever name or nature, are treated by us successfully. The most convenient rooms always in reserve for ladies who may wish to consult us confidentially with regard to any of those interesting complaints to which their delicate organization renders them liable.

N. B.—Dr. Reynolds is sole agent for Dr. Vichois' Female Monthly Pills. Among the many thousand boxes of these Pills annually sold, not one complaint has yet been made against them. Ladies in a certain situation should not use them, the particulars of which will be found in the direction accompanying each box. Price, $1 00. Sent by mail to any part of the world. Beware of counterfeits. They are not on sale at any other place in the United States.

Dr. Reynolds' PATENT FRENCH SAFE, is warranted a safe and sure preventative against pregnancy and disease. Price $1.00. Sent by mail to any part of the Union

YOUNG MEN.

Who, by indulging in secret habits, have contracted that soul-subduing, mind-prostrating, body-destroying vice, should apply to Dr. Reynolds without delay.

In these, as well as all other cases of a private nature, Dr. Reynolds commends an early application, and without any vanity or aspiration, decidedly states, that no case within the reach of mortal aid shall ever leave him without a cure or satisfaction given.

Dr. Reynolds' Great Work, THE PRIVATE MEDICAL GUIDE, beautifully illustrated; with nearly 300 pages. Price 25 cents.

Letters describing age, symptoms, occupation, &c., promptly attended to, and medicines, securely sealed from observation, sent to all parts of the world,

No letters will be answered unless they contain a remittance of one dollar, consultation fee. Consultation at the office free of charge.

Consulting office and Operating Rooms, corner of Mill and Market streets, up stairs. ☞ Persons calling will see no one but the Doctor.

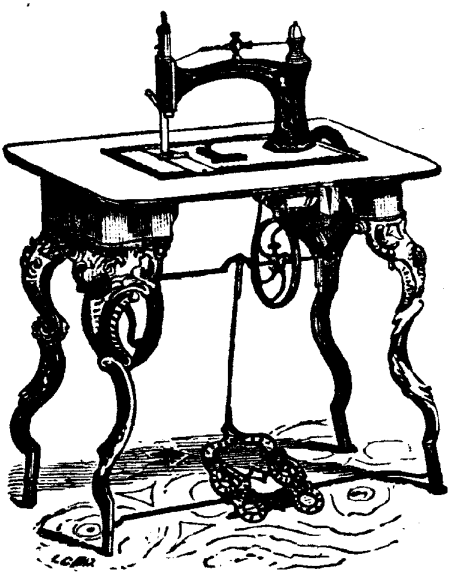

The above concentration of medical talent ensures the sick a scientific and improved course of treatment, and a rapid and permanent cure. All letters addressed, DR. E. J. REYNOLDS, Rochester, N. Y., will meet with prompt attention. Office hours, from 7 A. M. to 9 P. M.

SLOAT'S

THE SIMPLEST, THE CHEAPEST AND THE BEST

SEWING MACHINES EVER INVENTED;

AND IT IS CONFIDENTLY CLAIMED FOR

SLOAT'S ELLIPTIC LOCK STITCH,

AND IMPROVED SHUTTLE

SEWING MACHINES,

BY THEIR MANUFACTURERS, TO BE THE

Champion Sewing Machines of the Nineteenth Century.

In enumerating the points of superiority for which the well known Sloat Machines have attained, and still enjoy fame and world-wide reputation, it may be considered established, that THE ELLIPTIC MACHINE, in a more eminent degree than any other Sewing Machine in the world, is *noiseless in operation, rapid, precise and beautiful in execution, Stitch alike on both sides, which can neither be ripped or ravelled*, but will actually wear longer than the goods upon which it is sewed. This machine, while it stands alone and unexampled in workmanship, is so free from complication and SO SIMPLE IN MECHANICAL CONSTRUCTION, that A CHILD CAN OPERATE IT!
