TO THE PUBLIC.

In presenting the Directory for 1866-7, the publishers desire to tender their thanks to the many who have kindly responded to their inquiries.

In the advertising columns many of the business houses are represented; and to all the patrons of the work we earnestly wish that their investment may return them a handsome profit.

In spelling the names, the orthography of the person to whom the name belonged has been followed, therefore, in order to find the name of an individual, it is necessary to know how that individual spells it, as the arrangement is alphabetical and a slight change in spelling will throw two names having the same pronunciation some distance apart.

In collecting and compiling so voluminous a list of names, errors will naturally occur, yet we hope that none may find any worth complaining of, as we have given the present work the usual amount of care—mental labor and close application; and have used our utmost endeavors to give a faithful representation of the business and inhabitants of the City of Rochester.

**OLD ESTABLISHED HOSPITAL.**

FOR THE TREATMENT OF PRIVATE DISEASES, ON THE FRENCH SYSTEM.

**DR. E. J. REYNOLDS.** Proprietor.

**W. C. LISPENARD, M.D.,**
Consulting PHYSICIAN & SURGEON,

Rochester, N. Y.

**DR. LISPENARD** is one of the most scientific and successful Physicians and Surgeons in the United States. His fame is personally known in every city and Village in the Union and the British Provinces.

Dr. REYNOLDS announces to the sick and unfortunate that his HOSPITAL is open for the reception of patients, and that he is daily making rapid and permanent cures in all parts of the United States and Canada, with his concentrated remedies, which are sent by Express, under seal, to all parts of the world. The many quacks, nostrum vendors, and impostors, with which this city and other parts of the Union is flooded, render it necessary to caution the public against these knaves, some of whom have added Doctor of Medicine to their names, to give them the appearance of respectability. Dr. R. is pleased to announce to those afflicted with any form of private disease, that his cures are the most remarkable on record, and his remedies the wonder of the Profession and admiration of the sick.

By a long course of study and practical experience, Dr. R. has now the gratification of presenting the unfortunate with remedies that have never failed since he first introduced them, to cure the most alarming cases, and that in a very reasonable time, without the aid of mercury or any other deleterious drug. Within the last forty years, Dr. R. has cured more than one hundred and ninety thousand cases of the above character, and it may be said safely, that more than one-half of the patients had been previously treated with mercury and other mineral poisons.

Dr. R. can be successfully consulted on all diseases with which the human family is afflicted, with cures warranted in all curable cases.

**MARRIED OR SINGLE LADIES.**

All female complaints, of whatever name or nature, are treated by us successfully. The most convenient room always in reserve for ladies who may wish to consult us confidently with regard to any of these interesting complaints to which their delicate organization renders them liable.

N. B.—Dr. Reynolds is the sole agent for Dr. Nichols' Female Monthly Pills. Among the many thousand boxes of these Pills annually sold, not one complaint has yet been made against them. Ladies in a certain situation should not use them, the particulars of which will be found in the directions accompanying each box. Price $1.00. Sent by mail to any part of the world. Beware of counterfeit. They are not on sale at any other place in the United States.

Dr. Reynolds' PATENT FRENCH SALT is warranted a safe and sure preventive against pregnancy and disease.

Price $1.00. Sent by mail to any part of the Union.

**YOUNG MEN.**

Who, by indulging in secret habits, have contracted that soul-subduing, mind-prostrating, body-destroying vice should apply to Dr. Reynolds without delay. In all cases of a private nature, Dr. Reynolds commends an early application, and without any vanity or suspicion, decidedly states, that no case within the reach of mortal aid shall ever leave him without a cure, or satisfaction given.

Dr. Reynolds' Great Work, THE PRIVATE MEDICAL GUIDE, beautifully illustrated; with nearly 200 pages. Price $2.00.

Letters describing age, symptoms, occupation, &c., promptly attended to, and medicines, securely sealed from observation, sent to all parts of the world. No letters will be answered unless they contain a remittance of one dollar, consultation fee. Consultation at the office free of charge.

Consulting Office and Operating Rooms, corner of Mill and Market streets, up stairs. **27th** Persons calling will see no one but the doctor. The above concentration of medical talent, ensures the sick a scientific and improved course of treatment, and a rapid and permanent cure. All letters addressed to Dr. E. J. Reynolds, Rochester, N. Y., will meet with prompt attention. Office hours, from 7 A. M. to 9 P. M.
