HOISTING MACHINERY,

OTIS BROTHERS & CO.,

Successors to E. Graves Otis, original inventor of the

SAFETY RACHET,

And other safe and Economic Devices, by which the PLATFORM is instantly Locked to the GUIDE POSTS on the breakage of the LIFTING ROPE, and no power is consumed excepting what is actually required to do the work.

We are now manufacturing over twenty different sizes and adaptations of HOISTING MACHINERY, and are enabled by long-experience and thorough knowledge of the business to guarantee the most UNQUALIFIED SATISFACTION IN ALL CASES.

By the application of our NEW PATENT SELF-OILING LOOSE PULLEY, and also a very superior SELF-OILING JOURNAL BOX, we can warrant our Machines to run in the most perfectly satisfactory manner, with OILING BUT ONCE A WEEK.

OTIS' PATENT SELF-OILING LOOSE PULLEY

Is the most Perfect Contrivance for the purpose ever invented, and will be found invaluable in Manufactories, &c., where disordered loose Pulleys are found to be a source of constant annoyance. Send for a circular.

PARLOR FOUNTAIN TABLE.
We take pleasure in commending to the lovers of Nature and Art
something new in the way of Parlor Ornament. It is a “Fountain
Table,” and with sufficient room to establish a flower bed or an aqua-
rium—enabling persons the enjoyment of verdure and fragrance of the
vegetable kingdom at a time when they are confined to their rooms, or
when Nature withholds such enjoyment. A sample thereof was im-
ported by us from Europe, thinking that the benevolent and invigorating
influences this Fountain will assert in its immediate vicinity, would be
appreciated in this Western Hemisphere.

RECOMMENDATIONS.

We, the undersigned, having seen and used the Extension Ladder, made and patented by Calvin Eaton, are happy to attest our high appreciation of it. We regard it as just the thing. It is simple of construction, strong and safe, without being heavy; easily adjusted to any height or locality, and for convenience of use in gathering fruit, trimming fruit trees, painting buildings, and all other purposes requiring a ladder, it surpasses everything with which we are acquainted.

MARTIN REED'S
COOPERAGE AND WOOD YARD.

So much has already been written and said in reference to this flourishing establishment, that the name of "MARTIN REED" has become a familiar by-word in all localities. Every street, alley, lane and by-way is traversed by his numerous teams in the delivery of all commodities in his line. The lofty mansion of the wealthy as well as the lowly cot of the poor, are daily visited in all seasons of the year.

FIRST IN IMPORTANCE IS HIS

Flour and Fruit Barrel Trade,
surpassing by far, as statistics will show, that of any other establishment in Western New York, possessing facilities in the line of barrel making which

DEFY COMPETITION.

The daily papers have frequently given notices of long processions of wagons bearing large loads of barrels of all descriptions, hailing from

THE COOPERAGE OF MARTIN REED.

A great proportion of the barrels used in the mills of Rochester, are furnished by him; and in connection with this fact, it is proper to state that these barrels are all hooped by a machine of Mr. Reed's own invention, for which he has lately received a patent, securing to him the exclusive right to the "CUT HOOP."

THIS MACHINE

is capable, in an ordinary day's work, attended by one man and four boys, of turning out twenty thousand hoops—complete in bevel and form, ready for use.

In view of the approaching scarcity of the ordinary hoop timber, and the tedious manner of supplying the demand even in the time of plenty, the introduction of such a machine will prove of immense value to the country in general.

THE BUSINESS OF THE

WOOD YARD

is pretty generally known throughout our city. Having two offices where orders are constantly received,

One located at No. 4 EXCHANGE PLACE, and the other at JAY ST. BRIDGE.

The distribution of Stove Wood and Kindling, in small quantities from quarter cords upwards, from this yard, amounts to over $30,000 per year.

PREFACE.

The Rochester Directory for the year ending July 1st, 1868, is before you, published by a new firm, and compiled by a system differing in many points from the Directories heretofore published of this city. Experience has taught that our method is more comprehensive, concise and complete than that of any heretofore adopted, and we are confident it will meet with the approbation of our citizens generally. Great care and labor has been bestowed on the preparation of this difficult work, and we feel satisfied that it is as complete and reliable as any Directory heretofore published here. Every dwelling and business place has been visited, and if any person's name does not appear, he has only to blame some member of his family, and not the canvassers. Extra care has been taken to search for persons whose names were in the Directory of last year, and were not returned for this. In many cases we found they had left the city, while in others the names were not given when the regular canvas was taken. Our thanks are due to B. Frank Enos Esq., City Clerk, H. P. Langworthy, City Treasurer, for valuable information, the business men, for their patronage, and the citizens generally for their polite attention given the canvassers, and the Publishers.

SKETCHES OF
ENTERPRISING BUSINESS FIRMS,
Who deserve the patronage of the public.

GROCERS, WHOLESALE AND RETAIL.—MOORE & COLE, 86 Buffalo. Are agents for the Great American Tea Co., and defy competition in that line. Their shelves are loaded, and their cellars packed with everything appertaining to a first class family grocery, and to supplying Country Merchants generally. (See page 162.)

HOISTING MACHINES.—See inside front cover for Otis Brothers & Co.'s card. Their Machinery for Hoisting wherever introduced entirely supersedes all the antiquated relics of the past. Combining safety with durability, compactness and economy. Send for a Circular to OTIS BROS. & CO., 307 Broadway, New York City.

TURKISH BATHS.—When you arrive in New York tired and dusty with a journey, after you inscribe your autograph on the Register, take a Turkish Bath at No 15 Laight street. You come forth a new man, rejuvenated. By all means enjoy this luxury, and your first feeling will be one of gratitude to this article for introducing this new sensation to your notice. (See colored leaf middle book.)

JOHN KALB, manufacturers Gloves, Lashes, Mittens, &c., at Mt. Hope ave, opp. Jefferson. (See page 16.)

NORMAN H. GALUSHA, 20 Court st. (See page 16.)

SMITH & HOUCHKISS, 122 State st. (See page 39.)

F. TULLEY, 65 and 67 Exchange st. (See page 172.)

The first manufacturers, and the others sell stoves and tinware. All that purchase of them give them the highest praise for keeping and manufacturing just what they advertise.

C. & F. STAHLBRODT, 123½ Main st. (See page 16.)

SILENCE.—Wilcox & Gibbs' Sewing Machines are noted for this specialty. Mothers who desire silence in their homes, on buying this machine will not get a "baby wraker." A. P. Bennett sells them, at 8 Exchange Place. See his card, page 49.

J. P. HOGEBOOM & BRO., 47 Main street. (See page 27.) and R. & T. WHALEN, 184 State street. (See page 36.) are TOBACCONISTS. They use the pure leaf, eschew new cut quids and "old soldiers," and thus preserve their reputation which is established by upright dealings and furnishing the pure "weed" to their customers.

W. F. HOLMES, 31 and 33 Buffalo st. (See page 16.) and J. C. MILLER, 16 Arcade. (See page 126,) are agents for some of the most reliable Insurance Companies in the Union.

Every one knows "MARTIN REED," who reads the papers and this Directory. He is a staving man. He manufactures more Staves, manufactures and sells more Barrels, than all the rest of Rochester together. Call and see him at 4 Exchange Place, or 60 Jay. He is noted for his hospitality. For further information see page 40.

D’OLPH SIZER, makes Shaker Hoods, and Table Mats, from the best of palm leaf. (See page 17.)

POWERS' BANKING HOUSE, State cor. Buffalo, has been established nearly 20 years. Financial ability, and prompt and gentlemanly assistants, is the secret of the success of this well known firm. (See p. 18.)

MUSIC AND PIANOS.—If you wish a Piano equal, if not superior, to any of the New York makers, you will patronize Gibbons & Stone, 22 South St. Paul st. (See p. 92,) For Music, go to Mackie. (See p. 12,) or Cook & Martin. (See p. 67,) who will give you anything from a Quickstep to an Oratorio.

MILLINGTON & SLARKS. — When you want to “fire up,” go to 22 South St. Paul street. See page 20.

WARRANT & SOUTHWORTH.—One of the oldest houses in the city, with a complete assortment of every thing, from a toasting fork to a cooking range. See advertisement, page 28.

J. ALLEN, 86 Kent, has the finest of meats. See page 32.
Jobbers In Fancy Goods.

ROCHESTER DIRECTORY.

AIR BATH CO.—Court, corner Stone.—One of the most surprising remedial discoveries of the age. Now in the full tide of successful operation. Must be seen to be appreciated. Is endorsed by the highest medical talent of Europe and America. See last fly leaf.

C. W. S. GRIFFIN.—This lady is generally appreciated more particularly by the ladies, especially those who do not believe that beauty undressed is adorned the most. No 56 State, up stairs. See page 20.

JOHN SIDDONS, still flourish at his old stand 90 Main st., at all times arranging “Ranges,” so that they may be in perfect range. See page 81.

I’M PLAYED OUT, said the cigar.—Never mind said the smoker, I can find plenty more of the “right stamp” at F. A. Adelman’s, 129 State st. See p. 14.

JOHN CULHANE, 122 Buffalo st., sells Confectionery at wholesale, and dealer in Fruits, &c. His candies are unadulterated, and his Fire Works are sure to go up. See page 14.

EDWARD DUFFY, Distiller and Rectifier, 5 White, and 842 State. His Old Wines and Refined Cider, and Pure Vinegar, are known all through the surrounding country. See page 14.

AQUARIUM—BLEUEL & MEYER, are introducing a Parlor Fountain Table, which enables persons who are deprived of holding communion with the vegetable kingdom, to inhale the perfumes from this “Table,” and enjoy the invigorating sight of having a garden in ones parlor. See p. 14.

AUGUST FALLER, Druggists, &c., 137 Main st., has a large and comprehensive assortment of goods in his line, Soaps, Perfumery, Fancy Articles, &c., &c. See p. 15.

WHEAT & BANNISTER, do Ornamental Turning and Scroll Sawing for the trade, at 5, 6 and 7 Van Zandt Building, Aqueduct street. See p. 15.

BABCOCK & COLEMAN, 157 Main, wholesale grocers and produce dealers, have a large assortment, and as low as the lowest. Call and see them—which we are sure you will do after referring to page 13.

“BALESTIER.”—The “wide awake” grocer on State street, 108, is one of the most enterprising men in town. He does business as he looks—straightforward. See his farm scene, on page 7.

TURKISH BATHS
No. 13 LAIGHT ST., NEW YORK.

The citizens of Rochester are invited to call at the above named Institution, and try a Turkish Bath. They are one of the greatest luxuries of the age. They purify the blood, beautify the complexion, make the skin soft as velvet, make the muscles hard and firm, improve digestion, and cure disease. Don’t fail to try them when you visit New York. There is a splendid Shower Bath, Spray Bath and Swimming Bath, connected with the Turkish Bath. The Shampooing is done in the most thorough manner.

MILLER, WOOD & Co., Proprietors.

THE HERALD OF HEALTH.

This is a Monthly Magazine of fifty-six pages, which contains articles every month from such men as Rev. Henry Ward Beecher, DIO LEWIS, REV. O. B. FROTHINGHAM, Horace Greeley, Moses Coit Tyler, G. W. Bungay, Dr. Rufus King Browne, and others of the best writers of the day, upon topics relating to health and disease, and the laws which govern the human system.

It shows how health may be secured, how disease may be cured and prevented, and how children should be reared so as to grow up with strong and vigorous constitutions. It gives plain directions for home treatment of disease without the aid of physicians—gives a proper knowledge of the effects upon the human body of different kinds of food and drink, of bathing, clothing, rest, sleep, recreation, work, study, and all topics that in any way affects the health and happiness of mankind.

It should be in every family. It will save many times in doctors’ fees, besides preventing sickness, and showing people how to live so as to be healthy.

PRICE 20 CENTS A NUMBER—$2.00 A YEAR.
For Thirty Subscribers and $60, we give one of Wheeler & Wilson’s Sewing Machines, worth $5.5.

Address:
MILLER, WOOD & Co.

D. W. LEARY'S

ROCHESTER CITY DYE HOUSE,

Mumford St., opposite the Gas Works,

ROCHESTER, N. Y.

D. W. LEARY has located his DYEING ESTABLISHMENT at a point very central and convenient for business, on Mumford Street, opposite the Gas Works, and is prepared to execute a large share of the Dyeing which has heretofore been compelled to go to older houses, although located at an inconvenient distance from the business centre. His long experience in this city, together with the fact that he gives his undivided attention to his work, and

IS HIS OWN OPERATOR,

enables him to appeal to the public with the greatest confidence for a fair share of their patronage. He feels grateful for the very liberal patronage already extended to him, and hopes for its continuance and increase; and he pledges himself that all orders entrusted to him shall be

FAITHFULLY AND PROMPTLY EXECUTED.

As it has been intimated by some that he is connected with another establishment, in another part of the city, bearing a similar name, I would inform the public that I have no connection with it, and desire none.

As to the mean, dishonorable and crushing out spirit shown by a rival establishment, and its base charge of counterfeit signs, &c., I will have nothing to state, except that they seem like some of those contemptible methods usually adopted by those who are too avaricious and mean to allow quietly a fair and honorable competition in business, and that I seek by promptness and the good quality of my work, rather than such contemptible flings of a rival, to give character to my establishment. Goods received and returned by Express.

D. W. LEARY,

Proprietor Rochester City Dye House,

Mumford St., Opposite the Gas Works, Rochester, N. Y.

N. B.—Blacks colored every Thursday.

JUDSON'S
PATENT GOVERNOR
And Patent Graduating Valves, Combined.

The manufacture of Steam Engine Regulators as a business exclusively, origi-
nated with the patentee, upon discovery of graduated steam ports in Governor
Valves, which gives from two to three times more steam way than any other
Governor Valve, when driving the heavier portions of the load, and which consti-
tutes its patentable novelty and excellence.

Warranted the Most Perfect Regulator of Steam Engines in the World.

Twelve years' use place them unrivaled in Accuracy, Workmanship and Design,
upon over 15,000 Engines.

A factory containing men, skill, and tools, expressly adapted, enables me to
understand even infringers.

Four trials in the United States Courts have decided in favor of Judson and
Graduation.

Three separate Patents guard this wonderfully accurate and simple machine, (with prices too low for
competition.)
